Shallow Wildcat Set On Watson; Santiago Tests Davidson Shows  
Dillard & Schiemenz, Midland, will drill the No. 1 Watson, a 60-foot cable tool wildcat in Crockett County, 35 miles south-southwest of Ozona.

Location is 990 feet from the east and 330 feet from the north lines of 12-A-TCRR.

Gulf Oil Corp. No. 1-A Shannon Hospital, in 1-Archer east, Crockett County Ellenburger wildcat, 14 miles east-southeast of Iraan and between the shallow Olson and Shannon fields, recovered 2,700 feet of heavily gas-cut mud on a drillstem test in the Pennsylvania line.

Gas surfaced in one-hour and 45-minutes, volume too small to measure, on the two-hour test between 6,245 - 457 feet. Flowing pressure was 205-1,100 pounds; initial and final 30-minute shut-in pressures were 1,990 pounds and 1,940 pounds respectively.

## Ozona Woman's Club Observes Start Of Fiftieth Year of Service With Golden Anniversary Tea In Methodist Church Fellowship Hall Here Tuesday

The Ozona Woman's Club honored its charter members and past presidents at a Golden Anniversary Tea Tuesday afternoon in the fellowship hall of the Ozona Methodist Church.

Of the six living charter members, four were present: Mrs. A. W. Clayton, Mrs. W. E. West, Mrs. W. R. Baggett, Sr., and Mrs. M. O. Volentine. Mrs. E. B. Baggett, Jr., at Memorial Hospital in San Angelo, and Mrs. Frank F. Friend of San Angelo, were not able to attend. Other charter members in Memoriam are Mrs. Kate Baggett, Mrs. W. E. Smith, Mrs. R. L. Black, Mrs. W. E. Spell and Mrs. S. E. Couch.

Nineteen past presidents of the club were in attendance. They included Mrs. W. R. Baggett, Sr., Mrs. W. E. West, Mrs. M. O. Volentine, Mrs. Effie S. Odom, Mrs. Paul Perner, Mrs. Joe Pierce, Jr., Mrs. A. C. Hoover, Mrs. Lee Childress, Mrs. Ira Carson, Mrs. Carl Colwick, Mrs. Stephen Perner, Mrs. Hubert Baker, Mrs. W. E. Friend, Jr., Mrs. S. M. Harwick, Mrs. Max Schneemann, Mrs. L. B. Cox, Jr., and Mrs. Evert White. Past presidents who were absent included Mrs. Frank Friend of San Angelo, Mrs. W. J. Grimmer of Winfield, Iowa and Mrs. N. W. Graham of Ozona. Those in Memoriam are Mrs. Kate Baggett, Mrs. J. B. Smith of San Angelo, Mrs. H. W. B. Montgomery, Mrs. Joe Blekeney of San Angelo, Mrs. W. E. Smith, Mrs. P. L. Childress, Miss Elizabeth Fussell and Mrs. P. T. Robinson.

Receiving the guests were Mrs. Taylor Word, this year's club president and Mrs. Joe Pierce, Jr. The program, "A Grateful Look at Our Yesterday", was introduced by Mrs. Word, who greeted guests and expressed the club's gratitude to those who assisted, and introduced the leader, Mrs. W. R. Baggett, a charter member, who has been an active member of the club for its entire 50 years of existence. Mrs. Baggett was presented a past President's pin as a token of appreciation from the club.

Invocation was by Mrs. W. E. West, a charter member, and Mrs. M. O. Volentine was the commentator on "The Backward Glance." She reviewed the history of the club, and gave a brief resume of each of the thirty-one past presidents as a large picture of each was flashed on a screen. She recounted many interesting and humorous incidents in the club's early history.

## Shallow Wildcat Set On Watson; Santiago Tests Davidson Shows

Dillard & Schiemenz, Midland, will drill the No. 1 Watson, a 60-foot cable tool wildcat in Crockett County, 35 miles south-southwest of Ozona.

Location is 990 feet from the east and 330 feet from the north lines of 12-A-TCRR.

Gulf Oil Corp. No. 1-A Shannon Hospital, in 1-Archer east, Crockett County Ellenburger wildcat, 14 miles east-southeast of Iraan and between the shallow Olson and Shannon fields, recovered 2,700 feet of heavily gas-cut mud on a drillstem test in the Pennsylvania line.

Gas surfaced in one-hour and 45-minutes, volume too small to measure, on the two-hour test between 6,245 - 457 feet. Flowing pressure was 205-1,100 pounds; initial and final 30-minute shut-in pressures were 1,990 pounds and 1,940 pounds respectively.

Scheduled for 8,400 feet, the project was bottomed at 6,457 feet, preparing to core.

Santiago Oil & Gas Co., Midland, No. 1 Davidson, in 21-F-GC&SF, Crockett County Strawn gas prospect, 2 1/2 miles due east of the three-well Baggett (Strawn gas) field, and 1 1/4 miles south of Ozona, was preparing to test through Strawn perforations between 8,912-18 feet, 8,942-46 feet, 8,958-90 feet, 9,020-24 feet, 9,042-46 feet and 9,054-58 feet.

The project was drilled to 9,760 feet and plugged back to 9,218 feet. Casing (5 1/2-inch) was set at 9,263 feet.

morous incidents in the club's early history. While on a fishing trip to Devil's River in 1910, Mrs. Frank Friend conceived the idea of organizing a woman's study club in Ozona, Mrs. Volentine recalled. The first meeting was held in the old Ozona Hotel and the first woman's club was born. Mrs. Friend was elected organizing chairman and since the purpose was to study Shakespeare, the first club was named The Shakespeare Club. The course of study was outlined by Mrs. Kate Friend of Waco, who was a member of the Shakespeare Society of Stratford-on-Avon.

In 1915, when the Sixth District was organized in San Angelo, the local club, then called "The 13 Club" decided that pursuit of self-culture and a small membership (Continued on Last Page)

## Early Bird Bowling League Gets Set For Competition Next Week

Bowlers in the women's Early-Bird League, got off to a flying start Tuesday morning as they established new averages in league play. Teams did not oppose each other in the opening session but will start league competition next week on a handicap basis in this early morning league.

Top three players in Tuesday morning's session were Marge Zunker with a 536 series and 179 high game; Liz Williams with 529 series and 180 top game; Veda Adams with a 499 series and 170 high game.

Bowlers favorite split, the 3-10 was picked up by several of the lady bowlers Tuesday morning, including Sue Moore, Nina Holland, Vida Smith and Betty Allen. Other small splits rolled off were the 4-5 by Joe Davidson, the 5-6 by Mary Deaton and the 2-7 by Dovie Alford. Hardest split picked up was a 4-7-10 by Willena Holden.

## Tom Owens, Barnhart Named President Jr. Class At Sul Ross

Tom Owens, of Barnhart, Texas, was elected President of the Junior Class of Sul Ross State College, Alpine, at a class organization meeting held last week.

Owens, the son of Mr. and Mrs. Bode Owens, has also held the office of president of the sophomore and freshman class at Sul Ross. He is active in sports and has been a member of the track and boxing teams of the college.

Sul Ross State College is one of the 18 state-supported centers of higher education in Texas, and is observing its fortieth anniversary this year. The Fall semester opened September 12, with 375 Freshmen enrolling. Total enrollment of the College this Fall is expected to exceed 1000 students, which represents approximately a 10% increase.

## Band Boosters Sale Of Calendars Bools

Early reports to the calendar sales committee of the Band Booster Club indicate that calendars and listings are being purchased by Ozonans in their usual generous fashion.

Mrs. Homer Good, president, and in charge of advertising for the calendars, reports all spaces sold. She is in process of picking up checks from purchasers this week.

In addition to the calendar sales the Band Boosters will continue with their annual sale of fruit cakes. Many have come to depend on the cake sale for their Thanksgiving and Christmas gifts. Cake prices are the same as last year. 2 pound for \$3.85 3 pounds, \$5.25 and 5 pounds, \$8.55. Orders for calendars should be in by Monday, Oct. 4 and may be placed with any of the following committee: Mrs. Ottist Pridemore, Mrs. Ruth Hester, Mrs. Mahlon Robertson or Mrs. Bud Coates. Orders for fruit cakes will be taken for several weeks longer.

## Lions Seek Break In Losing Streak At Rankin Friday

### Red Devils Promise To Be Tough Foe In 5th Try For Lions

By Ernie Boyd

The Ozona Lions will be seeking to snap a two-game losing streak Friday night when they travel to Rankin to meet the always tough Red Devils.

The Lions emerged from the 26 to 0 loss to Stanton with not much more than some bruised feelings but the Red Devils emerged from their contest with Eldorado as the first team to score on Edorado, and they did it twice including scoring the first marker of the game.

Coaches Fred Hickman and Sonny Cleere emerged from the Stanton game with a number of headaches some of which they hope will be cured or at least greatly relieved this week.

The Lions' ineffective end play in the Bronte game was marked off largely as the effect of a single wing style of attack, but such was not the case, as Friday night the defense outside, was even worse until Hal Long and Butch Albers were able to correct it mid-way of the second period.

With the end situation well in hand the Lions began to experience a lot of trouble up the middle but no doubt a great deal of this was due to the effective blocking of the Stanton team which tackled and blocked at a near perfect clip all night.

Stanton's Coach expressed the opinion after the game that his team had played by far its best game of the season and that he was sure that his team's game against the Lions in Ozona last year was by far its best of that season. The Buffs did seem to be up, and certainly they have not tackled the way they did Friday night and been beaten.

The Buffs lost their opener 16 to 0 to Merkel but have since walloped Big Lake 44 to 0, edged Coahoma 26 to 21 and downed Ozona.

The loss Friday night left Ozona with a 2 and 2 mark for the season thus far.

On the encouraging side of the picture is the fact that the Lions have no more 2-A foes on the schedule this season and the fact that Carl Montgomery seems to be coming along very well, both as a receiver and as a kicker. Montgomery's punting Friday was as good as any the Lions have gotten since Bobby Sutton graduated two years ago and Friday night it was needed.

ANNOUNCEMENT is made of the engagement of Miss Kathleen Anthonette McKenzie of San Antonio to Robert Massie West, Jr., of Ozona. The future bride is the daughter of Mr. and Mrs. Robert Kenley Stearns of Big Lake. Parents of the prospective bridegroom are Mr. and Mrs. Robert Massie West of Ozona. The wedding will take place January 1, 1961, at Blessed Sacrament Catholic Church in San Antonio.

## CUB SCOUT MEETING

Cub Scout meeting will be held at the North Elementary auditorium Monday, Oct. 3 at 7 p. m. All persons interested invited to attend.

## San Angelo Musicians Present Program Here In Auditorium Oct. 5

As a preliminary to organizing classes in stringed instruments in Ozona, Miss Nancy Cluck and Larry Colvin, string teachers in San Angelo Public Schools, and two other San Angelo musicians, also connected with the public school music department of the San Angelo system, will present string quartet programs in Ozona next Wednesday morning.

The first program will be in the high school auditorium at 9 a. m. for all elementary age children and their parents, and a second program starting at 9:45 a. m. for junior high and high school youths and their parents.

Miss Cluck will play violin, Mr. Colvin, the cello, and Tom Greer, supervisor of public school music in the San Angelo schools, play the violin and A. C. White, also teacher of string in the San Angelo schools will play the viola. All four play in the San Angelo Symphony Orchestra. All parents and interested persons are cordially invited.

Plans for the string classes here will be announced at the programs.

## REPORTS FROM OZONA AFS

### Defending Champion Sweetwater AFS Clips Ozona AFS Team

The Sweetwater AFS six-man football team, defending champion of the Oklahoma City Air Defense Sector Conference, swept to their second straight victory of the year, by defeating Ozona AFS 44-12 last Sunday.

Playing 12 minute quarters, the first quarter was marked by the brilliant play of Ozona's defense, which held Sweetwater scoreless, but Ozona's offense also failed to score, making it an even game.

The second quarter was an evenly played game also, which saw only one TD, made by Chuck Peckard of Sweetwater; Sweetwater ran the extra point, and the score stood 7-0, the Ozona defense composed of Jack Johnson, Norman Blocker, Gary Bingaman, John Coskrey, and Frank Boyanton sparkled as they made several goal line stands.

The third quarter started with Sweetwater's Kenny Ward, playing his last game, making a freak TD by recovering a fumble in Ozona's end zone. The kick for the extra point was blocked, and the score read 13-0 in favor of Sweetwater. Norman Blocker put Ozona back in the game by making Ozona's first TD on a run of 14 yards. Chuck Peckard, the spark-plug of Sweetwater's offense, then scored another TD on a run of six yards to make the score 19-6 as the period ended.

In the beginning of the fourth quarter, paced by quarterback Richard Brimlow, Ozona scored their final TD on a pass from Brimlow to Tryon. After that, paced by Chuck Peckard, the Sweetwater team scored 25 points to wrap the game up. Injuries on Ozona's side marred the second half with Frank Boyanton, John Coskrey, Al Riddick, Norman Blocker, and Gary Whaling all being injured or too shook up to play.

In summary, the Sweetwater team had the manpower and enduring offense against Ozona's good defense and lack of manpower to keep their offense rolling. Ozona, using up all 13 of their players, could not hold the 20 men platoon system of Sweetwater.

Line Score  
Ozona AFS 0 0 6 6  
Sweetwater AFS 0 7 12 25

## Waterflood In Vaughn No Threat To Ozona Supply

### Buffalo Officials Declare Pilot Operation Small Scale

Their avowed purpose "to let you know what we are doing," two officials of the Buffalo Petroleum Corporation of Tulsa, Okla., were in Ozona Monday to confer with local water district officials and others interested regarding the company's proposed waterflooding, or secondary oil recovery, operations in the Vaughn field north of Ozona.

Neal Taylor and J. Mack Barnes, both of Midland, came here to discuss their company's operations plan in the field in response to reports of local apprehension that such operations might ultimately jeopardize Ozona's municipal water supply, obtained from wells at a depth of between 400 and 450 feet.

Buffalo Petroleum Corp. presently has Railroad Commission permit to proceed with a pilot waterflood operation involving two 20-acre tracts in the field. The company is engaged in drilling a well seeking an adequate supply of water for injection into the oil bearing stratum in the 40-acre tract, where secondary recovery production is to be sought from two existing wells, which produce from about the 1400-foot level.

Drillers had reached a depth of 745 feet in the water well Monday and only three water producing formations had been encountered, the first two producing only small quantities, sufficient for windmill pumping, and the third, at a depth of nearly 700 feet was estimated at 26 gallons per minute, still not sufficient for the proposed operation.

Drilling on the water well is slated to continue to a depth of 1,000 feet or more and operators hope to encounter an adequate supply of salt water or brackish water at a lower depth, which will be satisfactory for the waterflooding project.

"We would prefer to find an adequate supply of brackish or salt water," the two officials said here, "because it will suit our purpose and is worthless. Anything we find at the present depth of the well or deeper will not in any way affect Ozona's water supply. Our company is concerned with saving fresh water and in preventing pollution of water formations. In fact, our agreement with landowners is to maintain the present water table at the ranch producing level and to make periodic checks of existing ranch wells to see that no pollution or depletion is taking place."

The oil company spokesmen said that present plans and permit cover only the proposed pilot operation on the 40-acre tracts and should such an operation prove feasible and profitable, it will not involve any extensive area and will be limited as to time and extent and subject to further hearings and permit from the Railroad Commission before the operation is to be undertaken on a field-wide scale. At present it is not known whether or not the oil producing formation will lend itself to waterflooding. Even if sufficient water is found it may not be possible to make the field produce further.

**Oldsmobile Enters  
Low Price Car Field  
With All-New F-85**

The new smaller Oldsmobile —  
the F-85 — goes on sale at Knox  
Motor Co. starting October 6. It  
was announced today by Herman  
Knox. In describing the new car,  
Mr. Knox quoted J. F. Wolfram,  
Oldsmobile general manager and  
a vice president of General Motors.  
"The F-85 brings traditional  
Oldsmobile quality, performance  
and styling into the low-price field  
for the first time," he pointed out.  
"This new addition to Oldsmobile's  
line of redesigned, restyled and  
repowered Dynamic 88's, Super  
88's and 98's will open up the op-  
portunity of Oldsmobile ownership  
to a much larger segment of the  
car-buying public than ever be-  
fore."

"The Oldsmobile F-85," Wolfram  
said, "is a six-passenger car  
combining high performance and  
economy of operation — ideally  
proportioned for handling ease, at-  
tractive styling and eye appeal. It  
will be offered in two body styles,  
a four-door sedan and a four-door  
station wagon, with deluxe ver-  
sions of each."

"The new smaller Oldsmobile,"  
he added, "is 188.2 inches long  
overall. Built on a 112-inch wheel-  
base, it is 71.6 inches wide and  
52.6 inches high. Not only does it  
seat six people comfortably but it  
also offers a very ample 12.1 cubic  
feet of usable luggage space."

"Designed for the buyer who  
wants the best in a smaller, lower-  
priced car with economy of oper-  
ation," Wolfram said, "the F-85  
offers outstanding economy — 25%  
more miles to the gallon than  
many full-size cars — but it never  
compromises on performance. It  
has safety power to spare — for  
passing and smooth merging with  
traffic on expressways. Its per-  
formance is outstanding."

Mr. and Mrs. Roy Pearson of  
McCombs and Mr. and Mrs. W. C.  
Sturdivant of Vernon visited on  
the ranch with Mr. and Mrs. Joe  
Pierce, IV, and Joey this week.  
The Pearsons are Mrs. Pierce's  
parents and the Sturdivant are her  
grandparents.

**Install New Officers  
First Baptist WMU**

New officers, headed by Mrs.  
Buster Loudamy as president, were  
installed by the Woman's Mission-  
ary Union of the First Baptist  
Church, with Rev. and Mrs. Harry  
Trulove administering the commit-  
ment service. A coffee followed  
the service.

Other new officers installed  
were Mrs. Harry Trulove, vice  
president; Mrs. Roy Thompson, se-  
cretary-treasurer; Mrs. Betty Al-  
len, enlists; Mrs. H. C. Corne-  
lius, program; Mrs. H. C. Corne-  
lius, prayer; Mrs. Pleas Childress,  
mission study; Mrs. J. T. Keeton,  
stewardship; Mrs. Ralph Eversole,  
community missions; Mrs. Ivy  
Mayfield, social; Mrs. Dudley Mc-  
Cary, publications; Mrs. Ted Lewis,  
jubilee; Mrs. Garland Allen, pian-  
ist; Mrs. George Glynn, G. A. Di-  
rector; Mrs. Harold Shaw, Y. W.  
A. director; Mrs. Bob Pitts and  
Mrs. Jack Mathew, circle chairmen.

Mrs. Roy Thompson, retiring  
president, presided. Other mem-  
bers present were Mrs. Jim Car-  
penter, Mrs. W. E. West, Mrs. S.  
E. Carnes, Mrs. Jess Sweeten, Mrs.  
Willie Perry, Mrs. Jackie Holmes,  
Mrs. Joyce Maness, Mrs. Johnny  
Poynor and Mrs. Myrtle Mitchell.

**GIRL SCOUTS ELECT**

Girl Scout Troop 3 members  
have elected the following officers:  
President, Nancy Deland; vice  
president, Barbara Kirby; secre-  
tary-treasurer, Helen Hayes; ser-  
geant at arms, Jacque Meadows;  
reporter, Fannie Beth Everett.

Barbara Kirby and Nancy De-  
land met with leader Mrs. Bud  
Coates Saturday afternoon to plan  
programs and projects through  
Christmas.

As a part of their program, the  
troop Tuesday afternoon visited  
Babyland in Cedar Hill cemetery,  
appraised improvement and made  
further plans for fall planting.  
The Scouts also discussed placing  
slab stones on all graves to re-  
place the weathered markers.

Mr. and Mrs. T. A. Kincaid, Jr.,  
have returned from a two weeks  
vacation tour into Mexico. They  
were accompanied by Mr. and  
Mrs. Buster Dooley of Bracket-  
ville.

Mrs. John Madray of San An-  
tonio has been the guest of her  
parents, Mr. and Mrs. Joe Tom  
Davidson.

**DO YOU KNOW...**

October's Poem?  
October's child is born for woe,  
And life's vicissitudes must  
know:  
But lay an opal on her breast,  
And hope will lull the woes to  
rest.

The legend of the opal is an inter-  
esting one. The  
opal and tourma-  
line are the birth-  
stones for the  
October - born,  
both colorful en-  
ough to represent  
the brilliant aut-  
umn foliage.  
The Empress Joe-  
sephine is said to have owned a  
magnificent fire opal which she  
called "The Burning of Troy" be-  
cause of its many red flashes. The  
symbol of hope, the opal is con-  
sidered by some to hold all the  
virtues of the other stones. Queen  
Victoria gave to each of her five  
daughters wonderful opals as wed-  
ding gifts. The fabulous Sarah  
Bernhardt always wore opals, as  
she was October-born, and prized  
them above all other stones. Black  
opals are thought to be particu-  
larly lucky for their owners.

The tourmaline is a gem of re-  
latively modern discovery, so there  
are no talismanic legends about  
it; however it is a most colorful  
and beautiful gem and has the un-  
usual quality of being strongly  
pro-electric, that is, of becom-  
ing electrified when subjected to  
a marked change in temperature.  
Do you know that we stay open  
Saturday afternoons until 5 p. m.?  
Be seeing you.

Baker Jewelers

**LADIES BIBLE CLASS**

The Ladies Bible Class of the  
Church of Christ met in the home  
of the class teacher, Mrs. Hubert  
Baker Wednesday morning. Pres-  
ent were Mrs. O. L. Sims, Larry  
Arledge, Elmo Arledge, Homer  
Boyd, Paul Hallcomb, Bud Loud-  
amy, T. C. Goodman, Johnese  
Pritchard, Peery Holmsley, Paul  
Ballard, Calvin Hodge, Ed Cran-  
fill, O. D. Paulk, Don Annette,  
Herman Knox, Charles Annette, L.  
B. Hoover and Hubert Baker.

Mrs. J. M. Baggett and Mrs.  
Bruce Drake spent last week in  
Floydada visiting relatives. Mrs.  
Baggett visited her sister and Mrs.  
Drake her daughter and family in  
Floydada.

**HONORS GUESTS**

Mrs. Eldred Roach entertained  
with a coffee Saturday morning  
in her home to honor her guests,  
Mrs. M. O. Volentine of Newport,  
Ark., and Mrs. D. Hassell of Pla-  
no.

Floral arrangements of assorted  
pink flowers were  
rooms. Mrs. Roach  
in serving by Mrs. B.  
and Mrs. Joe Cham-  
guests called during  
MAC's wool and  
ets for men and women  
701 12th St.

**You'd think it  
was our car**

We baby your car. We carefully check every little  
detail to make sure it's in tip-top, A-1 condition.  
Why, you'd almost think your car belonged to us!  
There's good reason for us to be so fussy  
and painstaking. We want to do a better job than  
the "other fellow" down the street—because it's  
a good way to compete for your business. It's the  
competition between independent businessmen  
like us—that benefits you—the motorist.

made reputation as the trucks that are  
worth more because they work more...  
the latest editions of the haulers that  
scrapped the I-beam axle and  
proved the important advantages  
of independent front suspension!

You'll find new models for '61—long-  
wheelbase 4-wheel drive units—and  
thoughtful refinements throughout the  
line. But the big news for '61 is nailed-  
down proof (based on owner reports) that  
Chevy's torsion-spring design is the best  
thing that's happened to trucks in decades!  
With Chevy's independent front sus-  
pension and Sturdi-Bilt design, you cruise  
over trails where other trucks creep. You  
feel the difference in less wheel-tight and  
vibration. You can see why drivers are  
happier, why loads are better processed  
and why the truck itself will stand up  
to thousands of miles of more work. That  
goes for any size Chevy, too—pickups,  
tilt cabs, tandems, all of them.

Check the latest specs with your Chev-  
rolet dealer: capacity, power team,  
options. Then, by all means, drive a '61.  
Once around the block and you'll never be  
satisfied with a front axle truck again!

bles and the performance of the Ozona colt places her in the eye of horse men and fans throughout the southwest.

—news reel—

Announcing his purpose to commit suicide, a prisoner in the Crockett county jail last week tied a towel over his eyes and started a plunge head-first into the rock wall of the jail runway but was prevented from carrying out his purpose by the interference of Salome Ariola, held on the Harp murder charge. Ariola, after grabbing the man several times just before he struck the wall with his head, finally appealed to Sheriff W. S. Willis.

"Let him butt the wall," was the sheriff's advice to the rescuing prisoner and at last reports there had been no more suicide attempts.

— news reel —

Hopes of county officials and local boosters for installation of a sanitary sewer system here by the Southwest Sewer Co., of Dallas were blatted this week with receipt of a letter from J. S. Barlow, consulting engineer employed by the county, stating that the company has advised it is not in position at this time to undertake the local installation.

**The News Reel**  
A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 1, 1931

Salome Ariola, must spend the next five years in the state penitentiary in atonement for the murder 15 years ago of Jarvis Harp, Crockett county ranchman, a jury in 112th district court decreed Sunday. Ariola, who testified he was not Ariola but Guerrero and had never before been in Crockett county, will not appeal the verdict, his attorney M. C. Gonzales of San Antonio, said.

Being bested by only three inches by the \$50,000 colt of the Wagner Stables in the two-year-old 5 1/2-furlong race at Arlington Downs, recently, won for Miss Ennecke, two-year-old racing filly owned by Pat Lee of Ozona, the title of second best colt in Texas. The Wagner colt which nosed her out is the pet of the Wagner stables

company has advised it is not in position at this time to undertake the local installation.

## OZONA HIGH SCHOOL POOR IN SCHOOL SPIRIT

The school spirit in Ozona High School is the lowest it has ever been. The school spirit has, for the past few years, slowly dropped. Why has this happened? What has happened to our interest in extra-curricular activities? A good example of the sinking school spirit of Ozona High School was demonstrated when we had our last two pep rallies just before dinner. Usually the last yell is "Good Luck" and then we sing the school song.

While we sang the school song at the last two pep rallies most of the students began leaving for lunch. You would think that they could wait long enough to sing the school song.

Another example is the backing the football team got at the last two football games. If we intend to win the district championship in football or any other extra-curricular activity we must have more school spirit. ! !

## HOME MAKING GIRLS BEGIN WORK ON WOOL CONTEST

Make-It-Yourself-With-Wool is a sewing contest for girls from the ages of 13-22. Each contestant may enter as many garments as she wishes. The garments must be made of 100% wool.

This contest is sponsored by the Woman's Auxiliary of the National Wool Growers Association and America Wool Council.

There are \$45,000 in awards. The grand first prize is a two-weeks all-expense "Designer's Tour" to New York, London, Paris, and Rome. Via Pan American Jet Clipper. There are other prizes such as scholarships, sewing kits, sewing machines, saving bonds.

The beginner's group age 13 years can make garments like skirts, jumpers and sleeveless jackets. Junior girls from the age of 14 to 17 can make active sportswear, dress, suits, coats and ensembles. Senior girls from the ages of 18 to 22 can make active sportswear, dresses, suits, coats and ensembles.

The girls from Ozona enter the Crockett County Contest in December. The winner from the county goes to the District Contest. The winner of the District Contest goes to the State and then to the National Contest.

Phone News to The Stockman

## HECTIC ETIQUETTE IS PATHETIC

"Aw-right, boy! Let's just shove on out of the way! Grandma's slow, but she has an excuse. What's yours?" These exclamations can be heard continually throughout the halls of Ozona High School as the people are shoving to their next-period class. The old saying goes: "It's better to be late at the Golden Gate than to meet Satan on time." Really, just what is the rush? Slow down and live!

There is another common courtesy found in our school. As the tardy bell is ringing, and you are slurping down that last gulp of water, you look down into the water fountain and see a big gob of sticky, messy, gooshey, chewing gum. This is enough to disrupt the whole digestive system. Let's use a little more common courtesy and deposit that wad of gum somewhere else besides the water fountain.

Slam! Crash! Bang! Pay no attention to these noises. It's just the locker owners having their daily contest to see who can make the most racket with their locker doors! That's all right, people! Go ahead and tear the lockers all to pieces; they just cost the school so much money, anyway!

"See what this desk has carved on it? Just look at all the different initials! Did you say there looked like some answers to the English test written in ink on your desk? Believe I'll carve my name on this desk so the following students will know I sat here!" Wow! Do the teachers fume at an example such as this! Are you guilty of such a feat? If so, better watch out, or you will be buying a desk or two.

What has happened to that good old etiquette our parents have taught us? Has it gone down the drain as the chewing gum was trying to do as the water was slowly but surely melting it?

## TEACHERS CALL FOR SECOND RENAISSANCE

This week's pool was a question directed at some of Ozona's High School teachers. The question: what in your opinion would most improve Ozona High School?

Mr. Dobbs — "more effort on the part of the students"

Mrs. Taliaferro — "more school spirit"

Mr. Dozier — "for each student to have a genuine desire for the success of himself and others regardless of the activity — in short real school spirit"

Mr. Pelto — "higher grades — fewer absences — no tardies"

Miss Powers — "a renewed concern for learning"

Mrs. Hull — "more politeness on the part of the students and no gum chewing"

Miss North — "for students to be a little more serious about their work"

## LARYNGITIS ON FRIDAY; QUARTERBACKS SATURDAY HELP LIONS TO 2nd DEFEAT

The Ozona Lions are now battling 500 for the season. This would be good in baseball, but in football this means more hard practices.

The Lions not only went to lunch before the Stanton game, but stayed "out to lunch" during the whole game. This is probably the worst Ozona has been beaten in a long time.

Possibly the Lion's "luck" would improve if the Saturday morning quarterbacks and unofficial coaches would suit up Friday night and touch a football for the first time in their lives.

Spirit has been good this week and if the fans will go to the game in the right frame of mind, maybe the Lions can come up and play the type of game they are capable of playing.

The Lions are thankful that the two longest trips of the year are completed (with 100% failure) and now the Lions are looking forward to a much shorter trip to Rankin and hope for more favorable results.

Stanton was not to choosey where they ran against the Lions and just about anything they ran went for effective yardage.

If the Lions are really as bad as everyone says, the Rankin game should be a very good game, so why not go to the game and yell for the Lions?

## PTA BUYS COFFEE MAKERS

On Monday, September 19, the Parent-Teachers Association unanimously voted to buy two 120-cup coffee makers for the school system.

The suggestion was first brought up by J. A. Pelto at the executive meeting.

## TEACHER OF THE WEEK E. M. DOBBS BEGINS FOURTH YEAR AT OHS

The teacher of the week this week is E. M. Dobbs. Mr. Dobbs was born March 20, 1917 in Mason, Texas.

He attended high school and graduated in Mason. He attended college in Brownwood at Daniel Baker. He has also attended S. M. U. and East Texas State. He has a B. A. Degree.

Mr. Dobbs is married and has a daughter and a son.

Mr. Dobbs has taught in Ozona High School for four years.

## FIRST OZONA HIGH SCHOOL STILL IN SERVICE

In 1909 the Crockett County School enrollment had increased so that a large and more permanent building was needed. The plan of the building was taken from a high school building in Bridgeport, Connecticut to be constructed of cut stone. The heating and ventilating system was invented and patented by the same man who patented the Wheeler and Wilson sewing machine.

The purpose of the board was to build a permanent building that would last for generations and prevent the future generations from being too heavily taxed.

Judge Charles E. Davidson acted as general foreman of the construction and Walter Kyle was in charge of the masonry.

The same building is now used as the Ozona Junior High School. It still serves as a monument to those foresighted leaders and workmen.

## PTA CARNIVAL PROFITABLE AND ENTERTAINING

High school classes received the amount of \$273.54 after deductions for decorations and the P. T. A. budget had been taken out of the proceeds from the carnival.

The freshmen class earned \$29.20 from the "Haunted House." The sophomores received \$52.72 from the "Country Store," the juniors

\$107.62 on the "Cake auction" and the Seniors garnered \$84 on the "Side Show."

The student council added \$12 to add to these earnings from the "Side Show."

## YOU HEAR STRANGE THINGS ABOUT CATHOLICS

Yes, you do hear some strange things about Catholics.

You hear it said that Catholics believe all Catholics are headed for hell — that they believe marriages are invalid.

Some think Catholics believe the Pope is God — he can do no wrong — that they owe him civil allegiance — that he should have the political power to rule America.

It is said that Catholics want religious freedom for themselves — that they oppose public schools and separation of Church and State as evils which should be abolished.

The claim is made that Catholics pay for forgiveness of their sins — that they must buy their relatives and friends out of Purgatory — that they are forbidden to read the Bible — use medicine and holy water as sure-fire protection against lightning or being hit by an automobile.

But what is worse, some say, Catholics deny the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the work of the devil.

If all these things or any of them were true, it would be a pity. For at least one out of every four Americans is Catholic and it would be a national tragedy if one-fourth of our Americans entertained such erroneous ideas.

If you have heard and believed any of these claims, and want the truth, we will gladly send you a pamphlet explaining the true teachings of the Catholic Church. Free literature will be sent with the compliments of the City of Columbus of this area.

LADES GOLF ASSN.

An all-day meeting of the Ladies Golf Association was held last Thursday at the country club. In golf play in the morning, blind bogey holes were won by Mrs. Dempster Jones and Mrs. Byron Williams. Low net on annual trophy play went to Mrs. Byron Williams.  
  
Bridge hostess in the afternoon was Mrs. Ashby McMullan. High score went to Mrs. Joe Pierce, Jr., low to Mrs. V. I. Pierce, and cut to Mrs. Byron Williams. Others attending were Meses. Gene Williams, Jess Marley, John Childress, Carl North, Byron Stuart, J. S. Pierce, III, Jack Williams, Nip Blackstone, Eldred Roach, W. E. Friend, Jr., and Jack Wilkins, and Miss Carol Friend.

New 1961 Pontiac Line  
Presents New Styling

"Pontiac for 1961 has combined dynamic new styling concepts with significant engineering advances to present the most exciting new cars in its 53-year history," said S. E. Knudsen, General Motors vice president and Pontiac Motor Division general manager, in announcing Pontiac's new line of automobiles. The new Pontiacs will be shown at Knox Motor Co. here Oct. 6.  
  
"Fifteen new eye-appealing models in four versatile series are precision designed to set new standards in car beauty, reliability, performance, and motoring comfort," Knudsen declared. "With this new line we intend to strengthen our position of leadership in the medium price field."

The new Pontiac is as much as .9 inch lower, four inches shorter, and 2.5 inches narrower, Knudsen revealed, yet important passenger compartment dimensions have been improved. Pontiac's famous wide track design, prevailing in each series, is also proportionately increased.  
  
Knudsen also cited a new perimeter frame, new front and rear suspension systems, and a lighter weight, more efficient V-8 engine among the car's completely new engineering features.  
  
Pontiac's dynamic new styling approach for 1961 conveys an overall impression of distinguished simplicity and unmistakable identity.

Garden Reminders  
From Garden Club Reporter

Autumn is the best time to move shrubs and young trees to new locations. Transplanting when plants are dormant is a fairly simple process. Here are five important ground rules:  
  
1. Dig and move plants carefully. Set them at the proper depth. Prepare fertile planting soil. Prune branches lightly. And keep plants moist.  
  
2. The fall planting season extends from the time leaves turn color. Fall transplanting puts plants in position for an early spring start.  
  
3. Healthy shrubs and trees are naturally better prepared to withstand transplanting. Feed weaker

plants well through another year if you must transplant them. Pest control is also wise before you move them.

Always try to preserve the vital root ball. Plants with root ball intact have a greater chance of survival. However, in the dormant period, you can also move shrubs or tree with bare roots. Pick a cloudy day to prevent danger of drying roots. Prepare the new location before you begin. With bare root plants, set shrubs immediately after digging. Let roots spread naturally. Set all plants at the same depth they grew before moving, never deeper. Keep transplanted trees and shrubs moist by watering and mulching during their first season. Brace large transplanted trees with rubber hose - protected wire to prevent swaying. A winter protection of

two to three inches of mulch prevents winter weather damage.

The district meeting of Garden Clubs is to be held in Ozona this fall. Please beautify your premises so that all of us can "point with pride."

**An Announcement By HENRY FORD II**  
**Of Importance to Every Buyer of a 1961 Automobile**

**THE WARRANTY ON ALL 1961 FORD MOTOR COMPANY CARS IS BEING EXTENDED TO 12,000 MILES OR ONE FULL YEAR**

The 1961 line of all Ford Motor Company passenger cars will bring to the American market the finest automobiles ever produced by this company.

Every Ford, Falcon, Thunderbird, Mercury, Comet and Lincoln-Continental has been styled, designed, engineered and manufactured with three primary goals in mind: (1) Finest Quality; (2) Greatest Durability; (3) Most Reliable Operation.

So confident are we of the success of our efforts to achieve these goals that the written warranty on all 1961 Ford Motor Company cars is being extended to 12,000 miles or one full year, whichever comes first.

No other American automobile carries a warranty like this. The previous Ford warranty, traditional in the industry, was for 4,000 miles or three months.

We urge every prospective purchaser of a 1961 car to visit his Ford Motor Company dealer and learn all about the dealer's new 12,000 mile or one-full-year warranty.

Henry Ford II  
President  
Ford Motor Company

**ARRIVAL DATES:**  
SEPTEMBER 29: The New Ford Line. Sixteen all-new, full-size models with the classic Ford look, ranging from the value-leader Fairlanes to six new trend-setting Galaxies.  
OCTOBER 6: The 1961 Falcons and Comets, America's most successful compact car combination from America's largest producer of compact cars.  
OCTOBER 6: The New Mercury Line, with completely new styling and wider range of models.  
NOVEMBER 3: Lincoln-Continental for 1961, America's completely new, distinctive luxury car.  
NOVEMBER 10: Thunderbird. Unmistakably new for 1961, yet unmistakably Thunderbird.

### Stanton Game —

(Continued from Page One)

pass interceptions by the Buffs during the night's play broke up the effort.

The opening of the third quarter found the Lions holding the Buffs on fourth down on the Buff thirty but this time the Lions fumbled twice, even though recovering both times and gave up the ball on the 42 yard line.

Stanton promptly moved 58 yards for their third score with a 33 yard burst off tackle by Newman setting up the final play from the 4 yard line where Newman crashed over. This time Newman also cracked over tackle for the two points to make the score 20 to 0.

The Lions seemed demoralized as they received the kickoff and could not move. Montgomery kicked out on the twenty and from there Stanton cranked up again. Tommy Newman was the big gun again as this time he took the ball on the same counter play he had worked all night and burst in the clear up the middle for 55 yards and the final score.

The Lions and Buffs both substituted freely following the last score. The Lions then put on two good drives but each fell short of scoring.

Starting on their own thirty-eight yard line the Lions moved to the Buff 12 yard line largely on passes from Freeman to Montgomery and Parker but a poorly thrown pitch near the end zone was intercepted and the Lion effort went for naught.

Late in the contest Phillip Carnes got the Lions rolling when he took a pass from Freeman for eight yards and then threw one to Montgomery for 43 yards but the clock stopped this drive and the final score read Stanton 26 Ozona 0.

Statistics wise the Lions rushed for 137 yards and completed seven of 17 passes for another 104 yards. The Lion offensive efforts were good for 12 first downs despite not having made one until midway of the second period.

Stanton rushed for 276 yards and completed two of six passes for another 22 yards and 16 first downs.

### Woman's Club —

(Continued from Page One)

was a bit selfish and became a member of the Sixth District club. Thus the Ozona Woman's Club came into being, with Mrs. J. B. Smith its first president. Through the years the club has been interested in civic improvement, community culture, health and cleanliness of the town, in public schools and has supported the work of the Texas and General Federations. Judge Houston Smith once summed up the activities of the club with the flattering statement that "Hardly any good thing has come to Ozona that the Woman's Club hasn't sponsored or aided in some way."

The benediction was by Mrs. A. C. Hoover, one of the oldest members of the club.

The social committee, Mrs. S. M. Harvick, Mrs. James Baggett, Mrs. Max Schneemann and Mrs. Joe Pierce, Jr., assisted with the tea arrangements. The table was

### Deathless Days

# 126

### Crockett County Traffic Drive Safely

laid with an Italian lace cloth over white ruffled skirt, centered with an arrangement of white spider chrysanthemums dashed with gold and gold eucalyptus leaves in a crystal and gold epergne sent by the Ozona Woman's Forum. Other appointments were crystal and gold. Mrs. Word, the president, and Mrs. J. W. Henderson, Jr., served.

Tea hour music was by Mrs. R. A. Harrell and Mrs. L. B. Cox, III. Mrs. B. B. Ingham, Sr., presided at the guest book table, which was centered with an arrangement of white and gold, sent by Ozona's newest club, the Ozona Women's League and the arrangement on the exhibit table was in memory of Miss Elizabeth Fussell as a former president.

About a hundred guests called, including the following from out-of-town: Mrs. George Bean and Mrs. Dick Baker of San Angelo, Mrs. Joe Thorpe of Mertzton, Mrs. Jim Willoughby of Eldorado, Mrs. Carl Colwick of Stephenville, Mrs. Miller Robison of Marfa, Mrs. Max Schneemann, Jr., and Mrs. Bill Schneemann of Big Lake, Mrs. Effie S. Odom, Mrs. J. C. Montgomery, Mrs. Collins Coates, all of Fort Stockton, and Mrs. M. O. Volentine of Newport, Ark.

## CLASSIC FORD LOOK

The 1961 Ford Galaxie Club Victoria — beautifully built to take care of people

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per l'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

## BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. It cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

### HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

**LUBRICATES ITSELF.** You'll normally go 30,000 miles without a chassis lubrication.

**CLEANS ITS OWN OIL.** You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

**ADJUSTS ITS OWN BRAKES.** New Truck Size brakes adjust themselves automatically.

**GUARDS ITS OWN MUFFLER.** Ford

mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

**PROTECTS ITS OWN BODY.** All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

**TAKES CARE OF ITS OWN FINISH.** New Diamond Lustre Finish never needs wax.
