## 4th Conoco Todd Producer Flows 1828 Bbls. Daily

### 5-B Brought In Friday; Amerada Prepares To Test Pay

Continental and others No. 5-B Todd became the fourth natural producer in the Strawn lime field on the J. S. Todd estate ranch 15 miles northwest of Ozona Friday when it started flowing 41.6 gravity oil through 2-inch tubing after the hole had been washed with water.

On an official six-hour gauge Friday afternoon, the new well flowed 457 barrels of the high gravity oil, a rate of 1,828 barrels daily. The test was made through a one-inch choke on two-inch tubing set at 5,870 feet, 25 feet off bottom.

Conoco 5-B Todd topped the Crinoidal section of the Strawn lime at 5,785 feet correlated at 84 feet lower than in No. 4-B Todd, third and largest producer to the west. The new well is 660 feet from the south, 1,980 feet from the east line of section 29-WX-GC&SF.

Amerada Petroleum Co. No. 1 Todd, half mile west of Continental and others No. 2-B Todd, discovery producer in the deep field, was awaiting a swabbing unit to make a natural test after logging pay in the crinoidal section of Strawn series from 5,864-78 feet. Seven-inch casing was cemented at 5,836 feet after drilling to 5,845 feet. The test topped the crinoidal at 5,828 feet, 268 feet lower than in the discovery well.

Three tests under way in the Soma area on the western edge of Crockett county are being watched. J. K. Hughes Oil Co. No. 1 J. M. Shannon estate 2 1/2 miles northeast of the Soma discovery on the W. T. Noelke ranch, topped the Yates sand at 1,448 feet, drilled to 1,495 feet and was running seven-inch casing to total depth. Moore & Olson No. 1 H. M. Half estate a mile south of the Soma well, was shut down for repairs at 1,501 feet in anhydrite and sand. It had a showing of gas at 1,379 feet. Moore and Olson Mrs. Clara Couch, 8 1/2 miles southeast of the Soma discovery, had drilled to 800 feet in shale.

Another test for the area is promised with announcement of Mudge Oil Co. of preparations to drill No. 1-B W. T. Noelke, quarter mile northeast of the big Soma strike which precipitated feverish activity in the northwest part of the county when it sprayed the surrounding hills with oil while it ran wild for five days before being brought under control.

The Mudge test is to be on a 40-acre lease for which the company reportedly paid \$1,000 an acre to Soma Oil and Gas Syndicate, \$400 an acre in cash and \$600 in oil, according to reports. The lease is the south half of the northeast quarter of section 30-GG-HE&WT. The test, scheduled to go 1,500 feet with cable tools, will be 330 feet out of the southwest corner of the 40-acre tract.

## Has Special Study Under Famous New York Voice Teacher

Mrs. H. B. Tandy has just returned from Abilene where she had an opportunity last week to attend classes and take private instruction in voice under Edith White Griffing, one of the nation's outstanding singing teachers, who spent two weeks in Abilene teaching under auspices of the Department of Music of Abilene Christian College.

Miss Griffing was for 14 years associated with Herbert Wither- spoon, Metropolitan basso, and for many years has maintained a private studio in New York.

Mrs. J. H. Williams, Troy, Calvin and Marie Williams, and Miss Nannie Williams of Gary, Texas, spent last Sunday in Alpine visiting Mr. and Mrs. Ben Williams.

## Ozona Cowgirl Wins Pony At Midland

Miss Margaret Owens of Ozona, a daughter of Mr. and Mrs. Tom Owens, won a dun cowpony, donated by Clarence Scarbauer, by taking first place in the cowgirl sponsor calf roping division at the Midland Fair last weekend. Miss Owens, competing against a large field of cowgirl sponsors from all parts of West Texas, looped and tied her calf in 24.8 seconds to bring home the handsome Scarbauer dun as first prize. Miss Owens took first place in the regular sponsors contest at the Midland Fair last year. Miss Owens is pictured at left as she snapped to signal on completion of the task of tying a calf at last year's Midland Fair.

## J. D. Moss New Minister Church Of Christ Here

### Has Served Phoenix, Ariz., Church Past Five Years

J. D. Moss, minister of the Church of Christ at Phoenix, Ariz., for the past five years, has accepted the post as minister of the Ozona Church of Christ, it was announced last night by officials of the local church after being in communication with the Phoenix minister by long distance telephone.

Mr. Moss, who preached at the church here last Sunday to a large congregation, will leave Phoenix immediately for Ozona and will be here in time for regular services Sunday, he informed local church leaders.

The new minister is a young man, is married and has a three-months-old daughter. Both he and Mrs. Moss are native Texans. He comes to the local church well recommended by congregations he has served.

He succeeds Evangelist Clem Wesley Hoover, who resigned as minister of the Ozona church recently to accept a similar post at Lometa. Evangelist Hoover has done evangelistic work in Texas, New Mexico and Arizona and local work in a number of Texas points. He recently purchased some acreage near Cherokee, in San Saba county, and is completing a new home on the site.

## Ozonans Are Heavy Prize Winners At Midland's Rodeo

A large number of Ozonans attended the Midland Fair and Rodeo at Midland last weekend and report the performance one of the best ever staged in West Texas.

Miss Margaret Owens of Ozona won first place in the cowgirl sponsors calf roping contest and took as the prize a dun pony given by Clarence Scarbauer. Judge Montgomery of this city acted as one of the judges of the sponsor riding contests. Ted Powers, Ozona roper, won first place in the wild cow milking contest and Vic Montgomery, also of Ozona, won fourth place in the calf roping contest. Miss Catherine Childress, daughter of Mr. and Mrs. Hugh Childress of Ozona, represented this city as "Miss Ozona" in the cowgirl sponsor contest.

Others from Ozona attending were Hillery and Arthur Phillips, Clay Adams, Claude Russell, Mr. and Mrs. Hugh Childress and Ad Harvick.

Mr. and Mrs. Henry Cox are the parents of a son born Tuesday night. Mr. Cox is foreman on the Jack Holt ranch north of Ozona.

## FIRST CLIP OF FALL WOOL SOLD HERE AT 25 CTS.

### Owens Fleeces Bought By Tom Richey From Local Warehouse

The first clip of fall wool to reach the warehouse of the Ozona Wool and Mohair Co., that of J. W. Owens and Jeff Owens, was immediately turned into cash—at 25 cents a pound, it was reported yesterday.

The wool, approximately 21,000 pounds, went to Tom Richey, buyer for A. W. Hilliard & Son.

The Ozona Wool and Mohair Co. last month cleaned its warehouse of the entire accumulation of eight-months wool and a quantity held over from last fall. A total of approximately 580,000 pounds was sold from the warehouse during August, representing around \$170,000 in the pockets of Crockett ranchers. The company still has 130,000 pounds of 12-months wool in storage.

## Classes Elect Officers For School Year

### Armentrout Heads Seniors; Sophs Pick All Girl Board

Members of the four classes of Ozona high school held organization meetings this morning and elected officers for the 1940-41 session.

George B. Armentrout, editor of the Lion's Roar for this year, was elected president of the 1941 graduating class of eighteen members. Shorty Colquitt was elected vice president; Sybil Luther, secretary-treasurer, and Ed Leatherwood, reporter. Guinn Caruthers, Senior class sponsor for the past several years, was chosen by this year's class for the post.

In the Junior class, Wayne West, Jr., was named class president; Louis Wardlaw, vice president; Gem Ella Dudley, secretary; Adele Keeton, treasurer; Mary Faye Lucas, reporter; and Lloyd Coates, sergeant-at-arms.

Girls were in the decided majority in the Sophomore class and as a result, not a boy was named to any of the class offices. Rozelle Pharr was named Sophomore class president; Lottie Jo Owens, vice president; Margaret Russell, secretary; Mary Louise Perner, treasurer; Ethel Mayes, reporter, and Joy Coates, sergeant-at-arms.

Members of the Freshmen class elected Mary Elizabeth Gray as president; Aleane Hokit, vice president; Melba Cullins, secretary, and Jim Ad Harvick, sergeant-at-arms.

## New All-Time High Mark In Bank Deposits

### 35-Year Record Broken By Ozona Nat'l Wednesday

The goose hangs high in Crockett county!

With the bulk of its money crop—lamb's—yet to move, prices firm and showing every indication of advancing to asking level, a new clip of wool and mohair just coming off the backs of sheep and goats, range in the finest condition in many years—

All this, and even before the fall's "real money" begins to flow in the ranch country, cash deposits in the Ozona National Bank, financial center of the county's ranch and business operations, hit a new all-time high mark at the close of business Wednesday afternoon, according to figures announced by Scott Peters, active vice president of Ozona's 35-year-old banking house.

Total deposits in the Ozona National Bank at the close of business yesterday reached \$1,340,831.02, highest mark ever reached by deposits in the local bank in its 35-year history since its establishment in 1905. Cash on hand and in banks, government bonds and the like totalled \$941,228.87.

Last year's peak in deposits was reached in November with a total of \$1,280,000.

In another three or four weeks, buyers will have denuded the vast range lands of Crockett county of lambs, made fat by the most favorable range conditions over most of the county in several years, and the county's money chest will have been swelled even larger. More than 300,000 lambs, perhaps, will move out in the next few weeks as every indication points to a 7-cent or better price tag on this principal money crop. Too, fall wool and mohair clips are beginning to make their way to warehouses and buyers are starting off their bids on this length clip at 25 cents, and the bulk of the county's crop is expected to move out quickly.

With this prospect, bank officials are confident that a new record of a million and a half dollars in deposits will be hung up in the next month or two.

## Summon Jurors In Preparation For Opening Of Court

Prospective grand and petit jurors for the September term of the 112th district court, which Judge W. C. Jackson will convene here Monday, September 16, are being summoned by members of the sheriff's department.

Members of the grand jury panel will report Monday morning, September 16, while the petit jury will not be required to be on hand until Wednesday morning, September 18. A number of civil suits, mostly involving land titles in the newly developed oil producing areas of the county, have been filed in recent weeks, promising to give the court a busy session this month.

The list of members of the grand and petit jury panels will be announced next week, the work of summoning not having been completed by the sheriff's department in time for release of the list this week.

## DAUGHTER TO INGHAMS

Mr. and Mrs. B. B. Ingham, Jr., are the parents of a daughter, Ella Lucille, born Tuesday in McCamey. Mr. and Mrs. Ingham ranch on the Pecos river in Crockett and Terrell counties.

## CONDITION UNCHANGED

Little change was noted this week in the condition of Sheriff W. S. Willis, who is in a San Angelo hospital where he has been under treatment the past two weeks.

## Literary Exile

His long hair put up in a net, Maurice Maeterlinck, famous Belgian author of "The Bluebird," is shown soon after his arrival in the United States as a war refugee, following the German triumph.

## Laundry Team Wins Softball Championship

### Water Works Crew Is Nosed Out In Final Of Play-Off

Softball wars of 1940 ended abruptly Tuesday night and belligerents of the past three months reluctantly shut down the field's lighting system and closed the book on the summer's record.

And with the closing of the season a champion was crowned. A team playing under the banner of the Ozona Laundry, captained by Arthur Kyle, won the right to enter the play-off by virtue of winning the first half championship of the split season, and then nosed out Bryan McDonald's Water Works team, second half champions, in the three-game play-off for the season championship.

The Washmen took the opener in the play-off series Wednesday night of last week. Rain interrupted operations in the schedule for Thursday night, but Friday night saw the Water Boys refreshed and out for revenge. They got it, but it was in the tenth inning before they could conquer the stubborn Laundry crew. The finale was set for Tuesday night of this week.

McDonald's men, behind the hurrying of playing captain Frank Jones, looked like a cinch to win when they went to work with the stick in the first two or three innings to amass a total of ten runs, for a wide lead. But they misjudged the power of the determined Laundry men who kept plugging at it to nose out the contenders by a margin of two points. The final score was Laundry, 15; Water Works, 13.

## July Livestock Shipments Show Decline In Texas

AUSTIN, Sept. 4.—Movement of livestock from Texas ranches to Fort Worth stockyards and to other states for July dropped 20.5 per cent from July, 1939. University of Texas business statisticians report.

Only 4,632 cars were shipped, consisting of 2,614 cars of cattle, 741 cars of calves, 565 cars of hogs and 712 cars of sheep. Cattle shipments were down 9 per cent, calves 43.8 per cent, hogs 12.5 per cent and sheep 27.8 per cent.

During the seven-month period from January 1 to August 1, 40,951 carloads of livestock were shipped, 16.8 per cent less than during the corresponding period last year. University Bureau of Business Research figures show.

Cattle movement has dropped 22.4 per cent, calves 12.5 per cent, hogs 10.1 per cent. Sheep shipments alone show a gain—3.1 per cent—over the first seven months of 1939.

Mr. and Mrs. J. H. Williams and family had as their guest last week Mr. Williams' sister, Miss Nannie Williams of Gary, Texas.

## DECLINE IN HIGH SCHOOL ENROLLMENT

### Grade Schools Gain 8; High Grades Off Eighteen

#### OPENING MONDAY

### Patriotic Note Sounded By Speakers At 49th Opening

A decline of 18 pupils from enrollment figures of a year ago was noted in the four high school grades here on the second day of the current session when pupils had completed enrollment following the official opening of the 1940-41 term Monday morning, according to figures compiled by Supt. C. S. Denham.

A gain of eight pupils in the grade school from last year's second-day enrollment brought to 10 the net loss of the system in pupils from last year's opening figures.

The loss in high school enrollment was distributed over all four grades. Of the 22 pupils in last year's seventh grade, 19 are enrolled this year in the eighth. Last year's eighth grade had 28 to 22 in the ninth this year and 18 seniors in this year's class compares with 24 in last year's tenth grade. These are virtually the opening day enrollment figures and it is considered possible that the enrollment figures may climb considerably with return of other students.

The second-day enrollment figures for the grade school were given as follows: Kindergarten, 19; first grade, 22; second grade, 23; third grade, 26; fourth grade, 34; fifth grade, 22; sixth grade, 23; seventh grade, 26. Last year's figures were as follows: Kindergarten, 14; first grade, 23; second grade, 27; third grade, 31; fourth grade, 20; fifth grade, 25; sixth grade, 25; seventh grade, 22. Total enrollments were 187 last year to 195 this year in the grade school and 95 last year to 77 this year in high school.

A patriotic note was sounded by speakers at the 49th annual opening exercises of the school held Monday morning. Rev. Eugene Slater, pastor of the Methodist church, and opening program speaker, described this year's opening as the most significant in many years; significant because of world conditions which demand intelligent world leadership. The speaker called on his hearers to equip themselves to guard the traditions of Americanism against the totalitarian trend in the world of today.

Judge Charles E. Davidson, representing the county's officialdom for the 49th time, also voiced a patriotic appeal in a brief address in which he called for a respect for American tradition, love of its flag and the freedom and liberty for which it stands.

Special music for the opening was furnished by Miss Ruth Graydon and Miss Rebecca Anderson. Nine new teachers in the grade

## Few Changes In '41 AAA Program

COLLEGE STATION, Sept. 1.—Few changes of importance to Texas were made in the 1941 AAA program as approved by the Secretary of Agriculture.

Such changes as were included were based on the recommendations of the national conference of farmer-committeemen and ranchmen held earlier in the summer.

Soil conservation and maintenance of adequate food and fiber supplies continue as the basic principles of the program. George Slaughter, chairman of the Texas state committee, declares, and still more latitude has been granted the county committees for adaptation of the program to fit local needs.

Death In Mexico

A man named Leon Trotsky was murdered in Mexico City the other day. His death teaches no lesson except that those who live by violence usually perish by violence. But his life carries its moral for all Americans and all men of good will to read.

Perhaps more than any other individual of our times, Trotsky represented the view that theories of government could be applied wholesale and made to change the economic habits of single countries and then, ultimately, of the whole world. He preached destruction of existing systems, promising that after the old ways had been discarded the new ways that replaced them would mean "a heaven on earth" for all the earth's people. But the only part of Trotsky's program that bore real fruit was the destructive one.

What is the lesson involved? surely it is this: Theorists invariably feel that if they had their way they could remake society in very short order. It is their conception that the end justifies any means. They are not content with the slow progress of peaceful business and commerce, wherein through orderly production the number of goods and services used by the average person is steadily increased. Out of books and theories, they want to change everything in a single day.

All theorists are not as ruthless and inhuman as was Trotsky. But all are more or less victims of the same poison; all are willing to destroy instead of produce, feeling that after the "class struggles" and the regimentation and wreckage are over, they can build a perfect society.

Trotsky lived long enough to see the world chaos that his theories achieved. He was probably too sure of his own genius to admit his error. But Americans can see the tragic results of his way—and are not likely to succumb easily to the argument that "the end justifies the means!"

Mr. and Mrs. Fred Walker, managers of the Quick Lunch cafe, have returned from a vacation spent in a visit with friends and relatives in south central Texas.

THESE ARE MY JEWELS

Democratis' Man

No New Dealer or no Democrat can successfully dispute the assertion by Wendell L. Wilkie that "no Democrat except a strong New Dealer or a controlled voter could fail to vote for me." Mr. Wilkie's personality, his record and the circumstances under which he became the Republican presidential nominee attest the truth in that statement. He means that the issue is not whether the Republican party or the Democratic party shall be given governmental power by the voters this year. That issue has been eliminated by the capture and complete domination of the Democratic party organization by the New Dealers. A genuine Democrat unquestionably will be more comfortable voting for Wilkie for President this year than for the man who has inflicted contemptuous treatment upon distinguished Democrats and repeatedly violated old Democratic principles, a process culminating in a brazen third-term bid.—South Bend Tribune.

MAN AND WIFE want steady ranch job. For reference see Jones Miller, Bud Williamson, Toyah, Texas. 21-4tp

Dr. and Mrs. John Bradford and baby visited here over the weekend with Mrs. Mary Perner and other relatives before continuing on their return trip to their home in Chuquicamata, Chile, South America. Mrs. Bradford is a daughter of Mrs. Pearl Perner. Dr. Bradford has been taking a three-months post-graduate course in Chicago and at Mayo Bros. hospital in Rochester and is returning to resume his practice in Chile.

Mr. and Mrs. Hugh Childress and daughter, Catherine, have returned from Midland where Catherine rode in the Midland Fair processions as "Miss Ozona."

Trio Entertain With Shower For Mrs. Joe Friend

Mrs. Buddy Moore, Miss Elizabeth Couch and Miss Betty Dudley entertained with a tea and miscellaneous shower Wednesday afternoon at the home of Mrs. Bryan McDonald honoring Mrs. Joe Friend, a recent Ozona bride. Mrs. Moore and Miss Dudley alternated at greeting the guests at the door. In the receiving line were Mrs. Bruce Drake, mother of the bride, Mrs. Friend, Mrs. Pon Seahorn and Mrs. Sam Fowler of Snyder. Misses Elizabeth Couch and Dorothy Hannah furnished piano music during the tea hours. Mrs. Bryan McDonald poured punch and Mrs. Bill Friend served the cake. Miss Elizabeth Couch presided at the bride's book.

The house was decorated with fall flowers. The table was laid with a banquet cloth of Irish drawn work and crystal candelabra holding white tapers were placed at each end of the table.

Guests calling during the afternoon included Mesdames Chester Douger of Bakersfield; J. A. Fussell, J. M. Baggett, Paul Perner, W. R. Baggett, E. B. Baggett, John Bailey, J. A. Sparks, Rex Russell, Frank McMullan of Big Lake, Stephen Perner, C. J. Van Zandt, Ted White, R. L. Flowers, A. O. Fields, Joe T. Davidson, W. R. Phillips, Sellers Moore, W. E. Smith, Hudson Mayes, Elton Smith, J. P. Pogre, George Montgomery, Scott Peters, W. N. Hannah, Hillery Phillips, Audra Moore, Bill Hoover, Armond Hoover, H. B. Tandy, H. J. Friend, D. K. McMullan, Jr., C. E. Davidson, R. R. Dudley and Doug Kirby and Misses Ethel Mayes, Gem Ella Dudley, Helen Mayes, Wayne Augustine, Mary Margaret Harris, Mary Bess Parker, Betty Lou Coates, Posey Baggett, Billie Gene Linthicum and Donna Beth Hill.

After spending the summer in Newport, Ark., and in the Ozarks of Missouri and Arkansas, Miss Elizabeth Fussell flew to San Antonio and came by bus from that city to Ozona, arriving here Wednesday.

Mr. and Mrs. Lee Wilson returned Tuesday night from Dallas with a new 1941 Buick, which is scheduled to go on display Saturday.

Mr. and Mrs. Richard Miller, Richard, Jr., and Miss Louise Zenor returned Sunday from a 5,000-mile vacation trip to West Virginia and Maryland.

I am offering \$500 Reward

for apprehension and conviction of guilty parties to every theft of livestock in Crockett County — except that no officer of Crockett County may claim the reward.

W. S. WILLIS Sheriff, Crockett County

THIS BUSINESS OF Living

BY SUSAN THAYER

"One Nation, Indivisible"

They look different—the different parts of this country. The elm-shaded streets of old New England towns are not at all like the wind-blown streets of prairie villages. The square white houses topped with "captain's walks" of seaport settlements have an atmosphere about them that is altogether lacking in the new stucco houses of the Southwest.

But underneath and through it all is something stronger than these differences; something more potent than the fascinating variety. And that is—the sameness!

Everywhere you go, from Maine to California, we are, first and foremost and above all, Americans. We are nourished by the same traditions—stirred by the same impulses—inspired by the same ideals and, to be mundane and practical, served by the same producers.

A 10-cent store on the street of a town built by sea-faring Yankees in the 18th century even smells the same as a 10-cent store on the street of a western oil town that sprang up a dozen years ago. Looking at the familiar displays in a drugstore window you feel yourself "at home" no matter where you are or what part of the country you hail from.

Monotonous? Stereotyped? Maybe. There might be more color to the American scene if there were great sectional differences and regional cultures. But there would not be the strength, the similarity of outlook and the possibility for national unity such as the world has never known, without this national uniformity.

If the good people of Connecticut ate a breakfast food the good people of Nebraska had never heard of... if the movie stars of Hollywood had a face cream unknown to the ladies of New York... and if the people of South Carolina drove cars strange to Michigan, this country couldn't be what it is today and will be tomorrow.

Eating the same foods... using the same face powder... wearing the same clothes... using the same vacuum cleaners... driving the same cars, gives us an understanding of each other that has nothing to do with distance or climate or historical background. So it is our manufacturers, as well as our writers and statesmen and educators, that make us one people. For by producing goods for Americans as a whole and by a unique system of distribution they are able to sell them in every city, town and village throughout this far-flung land. Thus are we united by our every-

day habits of living, as well as our ideals of Liberty!

**Behind The Scenes In American Business**

By John Craddock

NEW YORK, Sept. 2.—BUSINESS—Pick-ups in employment, due to defense work getting under way, continue to produce larger and larger "reflections" in increased sales. After four weeks in which national department store sales averaged six per cent over corresponding weeks of 1939, the gain moved up to 10 per cent two weeks ago—and last week went on up to 15. Indications are the month of August, as a whole, will show the widest margin of gain over 1939, of any month this year. If it hits 10 per cent, the Federal Reserve Board's adjusted index of such sales would be 97 per cent of the 1923-25 average—and that would be the highest for any month since way back in the spring of 1931! Total revenue freight loadings for the nation's railroads hit a new high mark for the year last week—a fraction better than 10 per cent above the same week of last year.

**WAGES TOPPING PRICES**—According to official estimates by the Department of Commerce, the income of the American people during the first seven months of the year was two billion dollars higher than for the same period in 1939. In fact, it was the highest for any comparable period in the whole decade of the '30's. At the same time the cost of living, taking it on a national average, has not risen at a comparable rate. That means that, other things being equal, the average housewife today can spend a larger proportion of her income on non-essential consumer goods. She can have some costume jewelry doo-dads for her winter coat—or get a couple of extra permanent waves—or an extra bottle of milk daily—or thick cream on top of the apple pie on Sunday.

**WALLOP**—Most of us are familiar with the Gallup Poll, but now we have the "Wallop" Index. Wallop is not the name of a man, however, as is Gallup, but the word used last week by Publisher Willard Chevalier of Business Week magazine to describe the punch which a nation's citizens collectively pack. And America's Wallop Index, based on its capacity to produce the goods essential to carry on a modern war, is nearly two and half times that of Germany, even with all the Nazis' conquered territories. Col. Chevalier said, "Stacked up against the totalitarian powers, the United States still has the edge despite the recent industrial and agricultural acquisitions of Hitler and his axis partners," is his reassuring message.

**THINGS TO WATCH FOR**—A new cigar, exceedingly slender and four inches long, may make its debut soon, termed the "ren-

Order of services:  
Sunday school, 9:45 a. m.  
Worship service, 11 a. m.  
Worship service, 8 p. m.  
Brotherhood, Tuesday, 8 p. m.  
W. M. S. meetings, Wednesday, 8 p. m.  
Prayer meeting, Wednesday, 8 p. m.  
Choir practice, Thursday, 8 p. m.

We are very grateful for the fine spirit of our people last Sunday as we began our fall work. Let each of us who were not in the services last Sunday find our place in worship next Lord's Day.

You who are strangers in our town will always find a cordial welcome in every service of this church.

Mr. and Mrs. George Harrell and Mr. and Mrs. Early Baggett, who have been spending the summer in Long Beach, Calif., are expected to return here this week.

**Urges Compulsory Vaccination For School Children**

AUSTIN, Sept. 2.—Dr. Geo. W. Cox, state health officer, in a statement issued in Austin this week, urged all local boards of education to pass regulations providing for exclusion from school of all children not presenting certificates of vaccination against smallpox and immunization against diphtheria.

"School children are exposed to so much infection during the school year that where a definite preventive against a disease is known, parents should be urged to take advantage of this knowledge. Vaccination may save a period of prolonged absence from school, doctor's fees, and even life itself. It is foolhardiness not to require that all school children be rendered non-infectious from the communicable diseases, smallpox, diphtheria, and typhoid, before they start to school this year," Dr. Cox stated.

Because of the fact that authority of school boards to pass such regulations has been upheld by the courts, the Texas State department of health recommends that the various local school boards adopt such regulations, taking further into consideration that such action on their part may mean the difference between a

successful school year and prolonged illness, failure in class work, or death.

**MILLSPAUGHS HOSTS AT BRIDGE-DINNER**

Mr. and Mrs. Sidney Millspaugh, Jr., were hosts to members of their night bridge club and a number of guests at a bridge-dinner given at the Hotel Ozona Tuesday night. Included among the guests were four couples from Sonora, Mr. and Mrs. Lea Allison, Mr. and Mrs. Jack Mann, Mr. and Mrs. Edgar Shurley and Mr. and Mrs. E. W. McMillen.

Club high score prize went to Mr. and Mrs. George Nesrsta. Mr. and Mrs. Lea Allison held high score for the Sonora guests and Mr. and Mrs. Evart White for the local guests. Mr. and Mrs. Alvin Harrell took the bingo prize. A number of other prizes were dis-

**Not a Luxury... but a NECESSITY!**

In the very first days of Telephone it was considered a luxury to have a telephone in the office or at home. Also, it was a bit of a novelty to people of that day. But today your telephone is a necessity! With miles and miles of wire, batteries of exchange, and hundreds of thousands of telephones you have practically any portion of the United States at your very finger-tips. For business, social, school work or dire necessity you will find that today your telephone is indispensable.

**Check Your WHEELS...**  
Faulty wheel alignment is dangerous. Save tires—Save Lives! Let us inspect them!

**Check Your MOTOR...**  
Our 11-point tune-up will give your car new life. Factory methods used.

**Check Your TIRES...**  
Exclusive GOODRICH Tires and Tubes will prevent many accidents. Have your tires changed now.

THE schools are doing great work in educating children in the rules of safety. You'll find lots of parents who caution the youngsters constantly about crossing streets. But when it comes right down to it, it depends on you—the MOTORISTS.

THE most careful youngster in town hasn't a chance when he's crossing your path and your brakes fail to hold. All the safety rules in the world can't make up for a car with worn tires, improper wheel alignment or a motor that will fail you in an emergency.

LET'S make up our minds—NOW—that this will be a safe year in Ozona. Let's make up our minds that we'll think of these youngsters—who may be careless at times—and their parents, too, by driving a car that is mechanically sound and safe as it can possibly be. Drive a SAFE CAR. Give the youngsters the right-of-way. You may save a life.

Private Corporations Mid-West Exploration Company, ... Theis & Son, Green Production Company, Green Production Co.,

Table with columns: BST, CERT, BLK, SUR, ORIGINAL GRANTEE, ACRES. Lists various land parcels and owners like G. C. & S. F. Ry. Co., E. L. & R. R. Ry. Co., etc.

Company, Green Production Co., Group No. 1 Oil Corporation, The Mid-West Exploration Company

Members of the following named partnerships and associations: Mid-West Exploration Company, R. Theis & Son, Green Production Company, Green Production Co.,

For cause of action the plaintiffs respectfully show that heretofore, to-wit, on or about the 10th day of June, 1922, J. M. Shannon made, executed and delivered to F. E. Miller an oil and gas lease as the same appears of record in Volume 25, at Pages 451, et seq., of the Deed Records of Crockett County, Texas, covering the following described tracts of land in said County, comprising 42, 220 acres, more or less, to-wit:

develop oil and gas on the several lease premises, and to carry the express and implied obligations to develop the same, to make exploration for oil and gas on said leases, and all of them have been abandoned. They show also that the said original oil and gas lease has expired under its own terms, and also because of the failure of the Defendants to initiate and continue drilling operations, or to pay delay rentals, or to make and carry on proper exploration and development work.

The primary purpose of said lease was that it should be for the mutual benefit of the fee owner and the lessee and his assigns in promoting the exploration, development and production of oil and gas from said lands and premises, but in view of the cost of such exploration and development and in the light of the practical aspects of the drilling of oil and gas wells in the vicinity where the land is situated the cutting up of said leasehold estate into such small tracts under different ownerships has in fact made exploration and production thereunder a practical impossibility and has destroyed the purpose of such lease to such an extent as to terminate the same.

The plaintiffs further respect fully show that heretofore, to-wit on or about January 1, 1940 they were in possession of the herein above described lands and premises, owning the full fee simple estate therein and that afterwards, to-wit, on or about January 3, 1940 the defendants and each of them unlawfully entered upon and dispossessed the plaintiffs of such premises and said defendants withhold from the plaintiffs the possession thereof to their damages in the sum of \$2,000.00.

The plaintiffs plead each and every right and demand herein set forth severally, each claim herein made being cumulative of each other claim herein made.

They also show in conclusion, that because of default in the following particulars, (a) to pay annual rental as required in their respective lease assignments; (b) to undertake and continue the exploration and development of the leased premises for oil and gas purposes; (c) to comply with the terms of their sub-leases and assignments of lease relating to the payment of annual rentals; (d) the commencing of drilling operations; (e) the continued operation of the premises for oil and gas, the defendants have forfeited and abandoned all rights in the leased premises, and the oil and gas lease hereinabove mentioned and identified has by its terms, both express and implied, fully terminated.

Not only because of the defaults mentioned, but by reason of the fact that the primary term of the original lease has long since expired and no effort has been made by them to carry out or perform either the express or the required obligations created thereby, and incumbent upon purchasers of leases thereunder, all the right, title, interest and estate of each and all of the defendants in and to any of the lands and premises hereinabove described has fully terminated and come to an end.

WHEREFORE, premises considered, the plaintiffs respectful ly pray that the defendants and each of them be duly and legally cited to appear and answer herein and that upon the trial hereof, the plaintiffs have judgment against each and all of the defendants for the full fee simple estate in and to said lands and premises and that said oil and gas lease be decreed to have terminated and be at an end and that all rights, titles and interests of each and all of the defendants in and to said lands and premises whether under said oil and gas lease, or otherwise, be divested out of said defendants and be vested in these plaintiffs, and that said oil and gas lease and all rights thereunder be canceled and removed as a cloud upon the title of these plaintiffs, and these plaintiffs pray for all other relief general and special which they may be entitled to receive either at law or in equity.

Herein fail not, but have you before said court on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness George Russell, Clerk of the District Court of Crockett County, Texas.

Given under my hand and the seal of said court, in the town of Ozona, Texas, this 29th day of July, A. D. 1940. (SEAL) GEO. RUSSELL, Clerk of the District Court of Crockett County, Texas. Issued this 29th day of July, A.

CITATION BY PUBLICATION THE STATE OF TEXAS.

To the Sheriff or any Constable of Crockett County—GREETING:

YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Crockett if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Crockett County, for four consecutive weeks previous to the return day hereof, Edward R. Brittingham, Theodora Colyer, a Minor 17 yrs of age and Albert F. Blood as Guardian of said Minor whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Crockett at the Court House thereof, in Ozona, Texas on the Third Monday in September, same being the 16th day of September, 1940 then and there to answer a Petition filed in said Court, on the 13th day of August A. D. 1940, in a suit numbered on the Docket of said Court No. 743, wherein W. L. Miller, is plaintiff and Edward R. Brittingham, et al are defendants. The nature of the plaintiffs demand being as follows, to-wit: And for cause of action Plaintiff represents to the Court that the Plaintiff and Defendants are the joint owners in fee simple of the following described lands situate in Crockett County, Texas, to-wit: Abst. 3139 Cert. 2359 Sur. 9 Blk. XX Orig. Grant. G.C.&S.F. Ry. Co. 640 acres; Abst. 3140 Cert. 2360 Sur. 11 Blk. XX Orig. Grant. G.C.&S.F. Ry. Co. 640 acres; Abst. 3137 Cert. 2357 Sur. 5 Blk. XX Orig. Grant. G.C.&S.F. Ry. Co. 640 acres; Abst. 3138 Cert. 2358 Sur. 7 Blk. XX Orig. Grant. G.C.&S.F. Ry. Co. 640 acres.

That the said Plaintiff owns approximately 221/240ths undivided interest in said land; that the said Edward R. Brittingham owns approximately 15/240ths undivided interest in said land; and that the said Theodora Colyer owns approximately 4/240ths undivided interest in said land.

That the Plaintiff and Defendants are the sole owners in said land except that the immediate predecessors in title of the said Plaintiff herein owns an undivided 1/16th royalty interest in the oil, gas and other minerals in and under said lands, which they reserved in their said Deed to Plaintiff W. L. Miller; that the estimated value of said land is \$6.25 per acre.

Plaintiff alleges that said land should be partitioned in kind if same can be equitably partitioned in kind, and that should it appear that said land could not be equitably partitioned in kind that it would be to the best interest of all parties that said land be sold and the proceeds be divided between the parties hereto as their respective interests appear.

WHEREFORE, Plaintiff prays the Court that the Defendants be cited to appear and answer this Petition as provided by law and that on the trial of this case he have Judgment for Partition and division of said lands and premises; that commissioners be appointed and a Writ of Partition issue, and for possession of that portion that by Judgement of the Court may be ascertained and declared to be the property of the Plaintiff; or, in case that it should be found that said land is incapable of fair and equitable partition in kind and that they, Defendants, would suffer an irreparable injury by reason of such Partition, then this Plaintiff prays the Court that said land be ordered sold and that the money be divided between the Plaintiff and Defendants as their respective interests appear, and for such other and further relief, special and general in law and in equity that he may be justly entitled to.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next regular term thereof, this Writ, with your endorsement thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Ozona, Texas this, the 14th day of August, A. D. 1940. (SEAL) GEO. RUSSELL, Clerk District Court Crockett County, Texas. 20-4tc

Geologists Reach Huge Meteorite In Odessa Excavation

ODESSA, Aug. 28.—After several months' probing in the country's second largest meteor crater—a 600-foot-wide, debris-filled pit near here—University of Texas geologists have reported the discovery of the object they sought.

The meteorite which blasted into the Earth thousands of years ago is so deeply imbedded, however, that University-WPA excavators will have to dig for it, according to Dr. E. H. Sellards, director of the University's Bureau of Economic Geology.

The crater, second in size to that made by the great Arizona meteor, is almost completely filled in. The Texas meteorite, whose presence was spotted with a magnetometer, may be as much as a hundred feet underground.

Since the project was launched several months ago, there was considerable doubt as to whether the original mass would be recovered, as the meteor might have exploded on impact with the earth.

To study the effect of that impact, trenches have been cut through the upturned and twisted layers of rock which form the lip of the crater. Major object of the excavation, however—now possible with the knowledge that the meteorite is actually still in the pit—is the analysis of the projectile itself, Dr. Sellards said.

Three new clerks have been employed recently at the J. H. Williams and Son grocery. Alfred Cooper, who has been associated with his father in the grocery and market business in Sonora for several years, is in charge of the meat department of the local store. Other new clerks are Pete Knowles of Del Rio and Swede Johnson of Junction. Phone your news to The Stockman

and containing 42, 220 acre, more or less, and said oil and gas lease as for a primary term of ten years, or as long thereafter as oil and gas or either of them should be produced from the lands covered thereby. That subsequent to the acquisition of said lease, the said F. E. Miller made many partial transfers and assignments thereof to the defendants, and a large number of persons all of whom claim some interest in and to the lands leased to Miller, the exact nature of which is unknown to the plaintiffs. They now show that sometime in the last of the year 1929, oil and gas was produced under said lease, or Section 42, Block GG, but that no attempt has been made to produce oil and gas from any of the other lands under such lease since that date and no bona fide attempt made to explore said lands or develop oil and gas on the lease premises. That the lands under lease lie

in a contiguous body with no oil or gas being produced therefrom, except as stated on Section 42, Block GG.

That the said F. E. Miller, and those holding under him, made partial assignments of said lease to the Defendants and those under whom they acquired title, in which said assignments the sub-lessees agreed and obligated themselves to pay twenty-five cents per acre as deferred rental for each year after the assignment was made, all of which the Defendants have failed and refused to do and as the result of such default the said assignments and the leases have become forfeited to the Plaintiffs holding under the assignors of such partial assignments, and all the owners of the lands in question, and they show further in this relation, that because of the failure of the Defendants in the particulars named, and also to make a reasonable bona fide effort to

## Marriage Of Bobbie Louise Bland, Sister Of Ozonan, Announced

From Abilene Reporter-News

ABILENE, Sept. 1.—Widespread interest is attached to announcement made today by Mr. and Mrs. Robert LaFayette Bland of the marriage of their daughter, Bobbie Louise, to Willis Herman Knight of Amarillo, son of Mr. and Mrs. G. E. Knight, Lubbock.

The marriage of the young couple took place on August 22—the day before Mrs. Knight was given the degree, Bachelor of Business Administration, from Texas Technological college, Lubbock.

The Rev. Mr. Beard, Baptist minister, read the service at his home in Levelland. Present were the bridegroom's mother and Mary Ada Luck of Levelland, the bride's roommate in Lubbock.

The bride wore a murmur blue silk jersey, styled with draped bodice and flared skirt; blue toque with pink flower trim pink pearls, blue gloves and white shoes. Her flowers were a shoulder corsage of pink-throated white gladioluses and white rosebuds.

Before enrolling at Texas Tech, Mrs. Knight was a junior student in Hardin-Simmons University. She did two years work at Texas State College for Women. She held membership in the honorary accounting society at Tech and was a member of the Abilene high school chapter of the national society. She played in the local high school orchestra.

Native of Louisiana, Mr. Knight lived at Lubbock for 15 years. He is now connected with the McAfee Furniture company at Amarillo. After September 8, the couple will live at Fairview apartments, 1213 West Tenth street, Amarillo.

Two parties have been celebrated this week for Mrs. Knight; the first, a breakfast at the J. F. Morrison home Tuesday, Frances Morrison and Mary Jo Brady, the hostesses. Mrs. Ben F. Allen and daughter, Shirley, will entertain with a seated tea Wednesday in their Belmont boulevard home.

Mrs. Knight, a sister of Mrs. H. B. Tandy, is well known to many Ozonans, having visited here on several occasions.

### MRS. COOKE IS CLUB HOSTESS

Mrs. Cleophus Cooke entertained members of her bridge club last Thursday afternoon in the dining room of the new Rendall's Drive-In cafe. Mrs. Marion McBee was awarded high score trophy and Mrs. O. Z. Fenner drew low.

Other guests were Mrs. Leslie Nance, Mrs. Lloyd Johnson, Mrs. M. Johnson, Mrs. Maurice Cox, and Mrs. Joe Lewis. Refreshments consisted of chicken salad, with Ritz crackers and iced tea.

## Bride-To-Be Is Honored at Luncheon

To compliment Miss Donna Beth Hill, bride-elect of Joe Thomas Davidson, Mrs. Ira Carson and Miss Crystelle Carson entertained with a luncheon Wednesday in the Carson home.

A pink and white color scheme was carried out in table and room decorations. Nosegays were used as plate favors and place cards. The honoree was presented with a mixing set.

Present were Mrs. Bill Friend, Mrs. Joe Friend, Mrs. Joe Davidson, Misses Mary Alyce Smith, Mary Louise Harvick, Posey Baggett, Mary Frances West, Elizabeth Couch, Betty Lou Coates, Mary Margaret Harris, Billie Gene Linthicum, Eloise Carson, Billie Jo West and Donna Beth Hill.

### MRS. TANDY IS SUNFLOWER HOSTESS

Mrs. H. B. Tandy entertained members of the Sunflower Bridge club at her home Tuesday afternoon.

Mrs. Jake Young drew high score trophy and Mrs. Jimmy Blaylock second high. Consolation prize went to Mrs. Boyd Clayton. Mrs. Clay Adams, a former member of the club, was reinstated at a business meeting of the group following the games.

Others present were Mrs. Hubert Baker, Mrs. Walter Augustine, Mrs. Hilton North, Mrs. Melvin Brown, Mrs. T. A. Kincaid, Jr., Mrs. Bud Kincaid, Mrs. C. E. Davidson, Jr., Mrs. Clay Adams, and Mrs. Hudson Mayes.

Mr. and Mrs. Floyd Henderson left yesterday with their son, Dick, for Roswell, N. Mex., where Dick is to be enrolled at the New Mexico Military Institute.

## DECLINE--

(Continued from Page One)

and high school were introduced from auditorium stage by Supt. C. S. Denham.

An enrollment increase of between 10 and 20 per cent is expected in the Mexican school, which will open next Monday morning in the new building being completed this week, the superintendent said. Members of the architects firm of Haynes and Strange of Lubbock are expected to be here this afternoon (Thursday) for a final inspection of the building and members of the school board will make the inspection with the architects preliminary to acceptance of the structure. Installation of furniture and other equipment will be completed in time for opening of classes Monday morning.

## Clint Owens Given Farewell Party at Sheffield

SHEFFIELD, Sept. 2.—Mr. and Mrs. Charles Hale entertained with a farewell gift party and supper recently for Mr. and Mrs. Clint Owens and Ellis in their home here. The honored guests are moving to a ranch near Quamado Valley.

Supper was served to Messrs. and Mmes. Carl McGee, Herbert Holmes, Wilbur Kelley, Sam Murray, Wilse Owens, V. E. Gosch, Collett, Bill Monroe, Jeff Harkey, and Homer Schwalbe; Mms. Ralph Blythe, Will Smith, John Caton, T. E. Autrey, Elton Holland, Mayme Holmes, Binam Shaw, Robert Turner, J. D. Smith and C. E. Hale; and Miss Merle Holmes, Miss Ella Maye Welsh, Miss Josephine Collet, Wanda Lee Owens, Davene Pool, Lois and Ray Collett, Joe Cannon, Ann Turner, Robert Turner, Son Monroe, Driscoll Black and the honored guests.

Miss Rachel Shrader of Dallas spent the weekend here visiting her sister, Mrs. J. W. Henderson, and family on the Henderson ranch.

Jake McCulley, former teacher here, and now in the U. S. Army Flying Cadet training, has been transferred to an air training base at Santa Maria, Calif.

Mr. and Mrs. Cecil Hubbard have as their guests this week, Mrs. Hubbard's mother, Mrs. Roe Brown of Austin, and Mr. Hubbard's mother, Mrs. Joe Hubbard of Hamlin, Texas. Mr. and Mrs. Hubbard and children drove to Hamlin Sunday to bring Mrs. Hubbard to Ozona for a visit. BLANK NOTES—25c per 100 at The Stockman Office.
