Sonora Broncos Defeat Lions In To 8 Victory

Rescues Spell Disaster For Lions In 1st Dist. Try

By Ernie Boyd

Ozons Lions lost three fumbles and four passes to a fired up Sonora crew Friday night went down to a decisive 25-0 defeat at the hands of their rival.

A crowd of over 2000 home town Broncos take advantage of the Lion misfortune to seize a 12 to 8 lead at the end then win going away in the second half as the Lions could not score against a rugged Sonora defense.

The course of the contest might have been different had not two fumbles given the Broncos a lead in the first half but the second half was Sonora all the way and at the end with all hope the Lions were on the ropes for a real beating.

Sonora offense rolled up 239 yards rushing and 136 yards passing. The Lions did manage 38 yards rushing to 0 for the home town but that was largely offset by interceptions, one of which was a Sonora score.

The Lions seemed to be in a way to win following the Sonora fumble and the Montgomery pounce on the ball on the first play from scrimmage, but a fifteen yard penalty holding, ruined the chance the Lions fell a few feet short of the 25 yard first down.

The Broncos scored first in the second period when they drove for a score. Key play was a 40 yard run by Sosa to the Lion 5 yard line. Lloyd Schmidt took over and scored in one play. The try for 2 points was good.

Sonora bounced back a few minutes later with a 36 yard drive for a second Sonora fumble. Freeman hit Mike Stiles for a jump pass for 12 yards and Freeman punched the ball to the 3 from where Parker and Freeman sent the Lions ahead with a bruising drive to the goal line on a run pass and the Lions led 8 to 6.

The play rocking along on a drive even keel the Broncos Pete Stiles dropped back to kick his own 36 and boomed a punt with a strong wind. The way to the Lion end zone was Jim Freeman attempted to kick. Disaster struck as the ball safely dropped the ball and recovered on the Ozona 2. Just one play for Sosa to into the end zone and the drive behind 12 to 8 as the point attempt was smothered.

Sonora launched what was the most beautiful drive following next kick off, but once a thing went wrong at the crumple, and the half ended Sonora still leading.

Ozons drive got under way the Lion thirty and with Parker, Jim Doran and Freeman contributing some fine plays the Sonora defense to pieces. Parker broke through for 12 and got away to start the drive. Doran got 2 Freeman 8 and Doran almost broke loose a 4 yard gain. Parker hit for 6 (Continued on Last Page)

Life Or Death Struggle In Store For Lions In Friday Night's Encounter With Revenge-Minded, Upcoming Big Lake Owls

By Ernie Boyd

The Ozons Lions will be facing elimination in the district 8-A race Friday night when they travel to Big Lake to face the revenge seeking Big Lake Owls.

The Lions, in their poorest physical shape of the season and still smarting from a 25 to 8 loss to surprising Sonora Friday night, will be ripe for Big Lake unless they are able to rebound strongly.

The Lions, by winning, could retain a chance in the race hinging on the outcome of Sonora's games both with Big Lake and Eldorado but would have to win the remainder of their games in order to benefit from any Sonora misfortune.

Big Lake has been under a steady rebuilding program for the past two years and despite a lackluster record this season is still a much improved team and apparently able to whip the Lions unless the local team is ready for a top effort.

Sonora, in chalking up its seventh straight win this season, looked very sharp and in addition is a much larger team than this writer had supposed them to be. The Bronco line was considerably heavier than the Lions forward wall.

As has been the case in the past, the Sonora program was of no help to the visitor since it listed only the offensive starters and quite often not all of them.

The Lions did their share to aid the Broncos, however, as they fumbled, drew costly penalties, and had four passes fall into enemy hands during the night.

The Lions listed, Tony Parker, Jim Freeman, Phillip Carnes and Buddy Anderson among the injured early this week end even though most of them will be ready for action Friday many of them will miss practice most of the week.

Big Lake has posted but two wins this year but has been engaged with one of the league's toughest schedules. This may or may not mean anything since on the other hand Sonora had unquestionably played the weakest (Continued on Last Page)

4-H Members To Get Instruction On Lamb Fitting For Shows

Crockett County 4-H Club members under the supervisions of county agent Pete Jacoby, will have a field day and demonstration Saturday, at the show barn, beginning at 9 a. m.

The demonstrations will be for all 4-H members feeding lambs for the county show. All lambs being fed for the county show will be officially weighed and will be brought in for the weighing. Demonstrations will be given on tagging of lambs for identification, docking, drenching, ear-ticking, and blocking. Young members will receive instruction on training lambs for showing and how to groom and fit a lamb for the showing.

Older 4-H members and adult leaders will serve as demonstrators for the field day.

Thirty-three 4-H members have 200 lambs on feed for the county and major shows. Only lambs that are being fed for the county show will be brought in and weighed. The club has a large number of beginning feeders this year who have never received any training on fitting and grooming lambs for show.

Early Quail Season In Crockett Co. Open Nov. 1 Through Dec. 31

The quail season in Crockett County has been opened early this year due to large numbers of birds, Game Warden Bun Carpenter reminded this week. The season begins November 1st and closes December 31st. Also the Trans-Pecos season will be at this same time. Crockett, along with Dimmit and Zavala counties, will be the only counties east of the Pecos opening early this year. For information on other counties contact your sporting goods store or game warden.

"With deer season just around the corner I would like to remind all of the landowners who are going to lease for hunting to buy their shooting preserve permits," the game warden said. "These may be purchased from Collett's Trading Post. The deer season is from Nov. 16 to Dec 31 both days inclusive. Spike bucks will be legal in Crockett County. Any one desiring to lease and have not found hunters yet please contact me. Also anyone desiring to find a place to lease either contact me or Mr. Collett."

"Since the 1960 hunting season started the 1st of September there have been six game law violations, two doves, and four deer with a total of \$713 collected in fines, with just a little effort the game laws can be obeyed and it saves a lot on the pocketbook. So until next time good hunting and fishing, and if I can be of help please call me."

Lieutenant Completes Artillery Training

Fort Sill, Okla. — Army 2nd Lt. Roberto O. Martinez, 22, son of Mr. and Mrs. Samuel L. Martinez, Ozona, Texas, completed the field artillery officer basic course Oct. 5 at The Artillery and Missile School Fort Sill, Okla.

The course designed for newly-commissioned officers, trained Lieutenant Martinez in communications, artillery transport, tactics and target acquisition.

A 1956 graduate of Ozona High School, the lieutenant is a 1960 graduate of Texas A & M College.

Auto Wreck Injured Released From Hospital

Mrs. James D. Campbell was dismissed from the Reagan County hospital Friday along with her son, 2 1/2-year-old Jimmie Dale, and left Ozona Saturday for her parent's home in Whitesboro where she will reside for the present.

The Campbell's youngest child nine-months-old Mark Campbell was taken to Louisiana by Mrs. Campbell's sister and will remain with his aunt until Mrs. Campbell is able to care for him again.

Mrs. Campbell hopes to be able to return to college soon and finish the requirements for her degree before her children are old enough to attend school.

Mr. and Mrs. Walter Black were discharged from the Crockett Co. Memorial Hospital Thursday and Mr. Black was able to return to his duties as a teacher in Junior High Monday morning.

Mrs. Campbell and son, Jimmie, and Mr. and Mrs. Black were the only ones still hospitalized from the automobile wreck two weeks ago which took the life of Ozona High Band Director, James Dale Campbell.

Cities Service Spots Wildcat On Bean Ranch

Cities Service Oil Co., Odessa, will drill the No. 1 Bean, a 9,900-foot Ellenburger wildcat, in Crockett County, 16 miles southwest of Ozona and 3 1/2 miles west-southwest of Strawn gas production in the Refoil multipay field.

Location, on a 640-acre lease, is 1,980 feet from the south and west lines of 34-M-James Mitchell survey.

Thunder Storms Bring Moisture To Parched Ranches

Noisy But Nice Activity Soaks Wide Area Of County

Some of the noisiest and most active October thunderstorms seen in Crockett County in a good number of years left slightly over an inch of rain in Ozona early this week with amounts over the county generally ranging considerably higher.

Ranches in the western part of the County along the Pecos and in the northern part of the county from McCamey to Sonora reported from an inch to over three inches during the three day fall, but there were scattered reports of some areas that did not collect much of the wide spread moisture.

Ozons counted a total of some 1.30 inches during the one week period from Tuesday Oct. 11 to Oct. 18 but some areas in the county counted over five inches during the same period.

The rainfall this month was the first in the county since July and came greatly welcomed by Crockett county ranchers who have been having a very dry fall and late summer.

It is hoped that at least two or three weeks more of warm weather will precede the first frost, giving time for growing a feed-bill-saving crop of winter forage.

Education Is Topic For Panel Discussion At Meeting Of P.T.A.

A panel of teachers and parents discussed and answered questions on Education at the regular meeting of the Ozona P. T. A. Monday night in the school cafeteria. Mrs. R. L. Bland, Jr., president, presided.

A report from the membership chairman reported this year the best in many years from a membership standpoint. The chairman reported a 100 percent faculty membership from High School, Junior High and North Elementary and a 100 percent board membership. The membership total this year stands at 317.

The finance chairman reported \$1,180 net profit from the recent P. T. A. Carnival, with \$471.95 being given to the schools for various activities.

Attention was called to the State P. T. A. convention to be held in Austin Nov. 16, 17 and 18. Ozona P. T. A. will be allowed 10 delegates to the convention. Anyone wishing to attend should contact Mrs. Bland.

The attendance prize for the Monday night meeting went to Mrs. Maness' third grade. Hosts were Mr. and Mrs. Pleas Childress and Mr. and Mrs. Clarence Rasberry.

Politics Topic For Woman's Forum Meet

"Think — then Cast Your Ballot!" was the program topic of the Woman's Forum meeting Tuesday at the Country Club. Mrs. John Costes was the leader for the day, and she spoke on citizenship. "How to Elect a President" was the topic discussed by Mrs. Nip Blackstone. Short talks were given on the Democratic and the Republican nominees for President and Vice-President. Mrs. W. T. Stokes spoke on Senator John F. Kennedy and Mrs. W. H. Whitaker spoke on Vice President Richard M. Nixon. Mrs. W. A. Childress, talk was on Senator Lyndon B. Johnson and U. N. Delegate Henry Cabot Lodge was the subject of the talk by Mrs. Ele Hagelstein.

Hostesses were Mrs. Marshall Montgomery and Mrs. Hugh Childress, Jr. Other members present were Meses Carl Appel, T. J. Bailey, Boyd Boker, Chas. Black, James Childress, Bill Clegg, B. B. Ingham, Jr., Pete W. Jacoby, Dempster Jones, P. C. Perner, Paul Tucker, C. O. Walker, and Jack Williams.

Portable Sub-Station Used Here In Change Out Of Transformers

Modern developments in the fantastic field of electronics made possible a major change-out in equipment at the Ozona sub-station of the West Texas Utilities Co. Wednesday without even a flicker in the town's electric lights.

Steady growth of Ozona and the subsequent growing demand for electric current made it necessary to change the huge transformers at the sub-station which step down the highline's 66,000 volts to the level of current which lights up your electric bulb or turns your washing machine motor.

Each transformer weighs more than 15,000 pounds and there are four involved in the change-out, including all the complicated wiring connections that are incident to making the final hookup. All of which took hours of time for a crew of expert workmen.

But there was no interruption in the town's supply of current during the hours it took to make the sub-station change, thanks to a "portable sub-station" which was hooked up near the sub-station and served during the interruption without even a dimming of lights.

The huge sub-station on wheels was rolled up to the site. One of the incoming highlines which supply Ozona current was tapped into the portable unit and connected, in turn, to the wires supplying the city. After synchronizing the system, all current to the sub-station was cut off and workmen began the task of changing out the big transformers. Meanwhile, the big portable transformer unit was doing the job of the regular sub-station in controlling the current to the city.

The change will approximately double the company's potential for supplying electric current to Ozons and is expected to meet local needs for some year to come.

Ozons Group Attends Menard PTA Workshop

District 6 P. T. A. workshop was held in Menard last Thursday, its theme "Education For Family Living." Mrs. H. C. Green, state P. T. A. vice president, served as moderator for the afternoon discussion on "The Family of Today and P. T. A."

Those attending from Ozona were Mrs. Martin Harvick, Mrs. R. L. Bland, Jr., Mrs. Joe Couch, Miss Lola Mae Daniel, Miss Lucille Farmer and Roy Killingsworth. Mrs. Harvick, Miss Daniel and Mr. Killingsworth served on workshop panels during the day.

Ozons AFS To Meet Sweetwater Six-Man Team Here Sunday

By Jude Bourdeau

Sunday, October 23, the Ozona AFS "Defenders" tangle with the Sweetwater AFS "Hawks" in six-man football at Ozona High School stadium. This is the second meeting of the two clubs. Sweetwater being victorious in the first encounter. Sweetwater is currently on top of the 33rd Air Division (Sage) six-man football Conference. They are the defending champions of the Conference and are so far undefeated.

Ozons, although beaten in the first encounter has high hopes of upsetting Sweetwater on their home field. Coached by Lieutenant Norman Blocker the Ozona squad hopes to be the first to upset highly favored Sweetwater. The probable starters for Ozons in this highly crucial game will be: Al Riddick, Dennis Tryon, Jack Johnson, Dick Brimlow, John Ceskrey, and Lou Gunter. Reserves slated for plenty of action are: Gary Bingham, Gary Whaling, Roy Rowley, Larry Ham, Joe Frenchwood, John Harrington, Joe Ferrara, Tom Grandison, and Norm Blocker who will also be available for playing duty.

Anyone who wants to see some top notch service football make it a point to be at the Ozona stadium on Sunday, October 23, Game time is at 2:00 p. m. No admission charge.

Allan E. Morgan Accepts Post As Band Director

Denton Man To Succeed Late Jim Campbell With OHS Band

Allan E. Morgan, who holds a Master of Education degree in music education, director of the 90 - piece sweepstakes winning Denton Junior High School band for the past three years has accepted the post as director of the Ozona High School Band, Supt. L. B. T. Sikes announced this week.

Mr. Morgan will succeed the late James Dale Campbell, who was killed in an automobile accident near Rankin two weeks ago. Mr. Campbell, a native of Breckenridge, had assumed the Ozona band position at the beginning of the present school year.

Mr. Morgan, whose home town is Abilene, received his B. S. degree in music education from North Texas State and his Master's degree from the same institution. In addition to his duties as instructor and director of the Junior High band in the Denton school system, Mr. Morgan taught three beginners band classes in the Denton schools. Mr. Morgan is expected to assume his duties here October 31.

In the interim in which Ozona's band is without a director, Bill King, part owner of the King Music Co. of San Angelo, is filling in as band leader and instructor and assisting the band with its preparations for the half - time show it will stage during the Friday night football game between Ozona and Big Lake in Big Lake.

The band put on a fine half-time show in Sonora last week-end without the aid of a director. Officers of the band reviewed a show recently done by the band and the band members did a creditable job on their own in Sonora.

Disability Poll Tax Exemptions No Longer Available Under Ruling

For many years persons who are partly or permanently disabled, persons who are blind, those having lost a foot or hand or veterans with 40 percent or more disability have been exempted from paying a poll tax for the right to vote, but instead have been granted exemption certificates.

Under a recent ruling of the Attorney General and the Court of Civil Appeals, such exemption is no longer permitted and local tax collectors have been instructed to discontinue issuing exemption certificates to such persons and instead to require a payment of the constitutionally required \$1 for a poll tax receipt. The poll tax charge to all others is \$1.75, but in the case of the disabled persons, the state is permitted to rebate an extra charge of 50 cents levied by statute and the county rebates its 25 cents collection charge. But the constitutional provision makes mandatory the collection of the \$1 fee, the Attorney General and the courts have ruled.

Poll tax exemptions are granted persons who reach the age of 21 within the calendar year in which they wish to vote, provided their 21st birthday precedes the election date, and overage persons, those who are 60 years of age before January 1st.

CONTRIBUTIONS TO CLUBHOUSE MEMORIAL FUND

The following memorials have been received by the Ozona Club house Memorial fund, the persons memorialized named first:

Mrs. P. T. Robison by Mrs. Pat Lee, Mr. and Mrs. Dock Lee, Mr. and Mrs. J. B. Parker, Mr. and Mrs. Charles Williams, Jr., Mr. and Mrs. Joe Pierce, Jr., Mrs. S. M. Harvick, Mr. and Mrs. Taylor Word The Ozona Woman's Club, Mr. and Mrs. Hubert Baker.

Mrs. Will Drake by Mr. and Mrs. Fred Hagelstein.

Mr. Richard Miller by Mr. and Mrs. Fred Hagelstein.

Mr. Roy Miller by Mr. and Mrs. Stephen Perner.

IS DEMOCRACY WORTH VOTING FOR?

Recently a member of an AMVET post rang a doorbell as part of the group's national non-partisan campaign urging every citizen to go to the polls on Election Day, and vote for the candidates of their choice.

"I'm not going to vote," the homeowner said, "my vote doesn't mean anything," and he slammed the door.

The AMVET, a veteran of both World War II and Korea, thought for a moment, then rang the doorbell again. The homeowner came to the door sputtering with rage at the intrusion. When he was through fuming, the veteran said quietly:

"If Khrushchev were a candidate would you vote for or against him?"

"Well, of course, against him," the homeowner replied.

"Every vote is a vote against Khrushchev and what he represents," the veteran said. "If you fail to vote, it implies lack of faith in your own form of government, and in the eyes of the world it is a vote against us."

The homeowner thought quietly for a moment and said:

"Thanks... I'll definitely vote."

Although Americans are leaders of the free world, and the most

outspoken proponents of the democratic way of life, we have about the lowest voting record of any of the democratic countries — less than Canada, England, Israel, Sweden. Elections are the heart of democracy. How can we expect the people of underprivileged nations to embrace democracy when we have free elections and don't bother to vote in them? Failing to vote is apathy, complacency, and downright defeatism. Perhaps the slogan should be: "Don't vote — Khrushchev will love you for it."

AMVETS vote campaign literature shows our American flag and under it the words "worth Voting For." That about summarizes it.

Show the world you believe in America. Vote November 8th.

CONSERVATIVES COULD CONTROL THE G. O. P.

We are frankly sorry we shall not be privileged to vote for Senator Barry Goldwater for President of the United States. But, beyond question, the next best thing for us to do is to follow his advice — and vote Republican.

The Senator admits that he cannot swallow the party platform in toto but he points out that, fundamentally, the Democrats are the party of the left, and the Republicans the party of the right. This latter point is strikingly borne out by a study of the votes in Congress over a period of years — and as recorded statistically in the ACA Index.

In this massive analysis of 79,500 votes on constitutional issues, since 1955 in the Senate and 1957 in the House, the Republicans in both bodies are standouts for conservatism. If there is hope for a swing to the right, it can only be marshalled at this time within the Republican Party. For the five million Conservatives who, it has been said, are "taking a walk," the GOP can provide "some place to go" — if they will only see it so.

And with the induction of Que-moy and Matsu into the second of the "Great Debates," and elaboration in the third on the matter of where we should and should not fight, the major issue of the campaign seems at last to be emerging. It is a very perilous issue, but it

For Sale
Good Income Property
H. W. Baker

is there and it would be a mistake to make believe it isn't. It is the issue of appeasement and the words of Senator Kennedy today are sickeningly reminiscent of those of the Democratic candidates of 1916 and 1940.

USED TV SETS. We have several good used TV sets at bargain prices. 17-inch sets from \$49.95 up. Ozona TV System. Phone 2-2012.

Office Supplies at the Stockman

FOR RENT — Five-room unfurnished house. Plenty of closet room, central heating. See Ben Williams, Phone 2-2543.

Mrs. Eddie Bower and Joan were here from Dallas for a visit with Mrs. Bower's mother, Mrs. Vera Baker.

For general home repairs — Air Conditioners reconditioned and furniture repairs — Call Ted Doggett. Phone 2-3063.

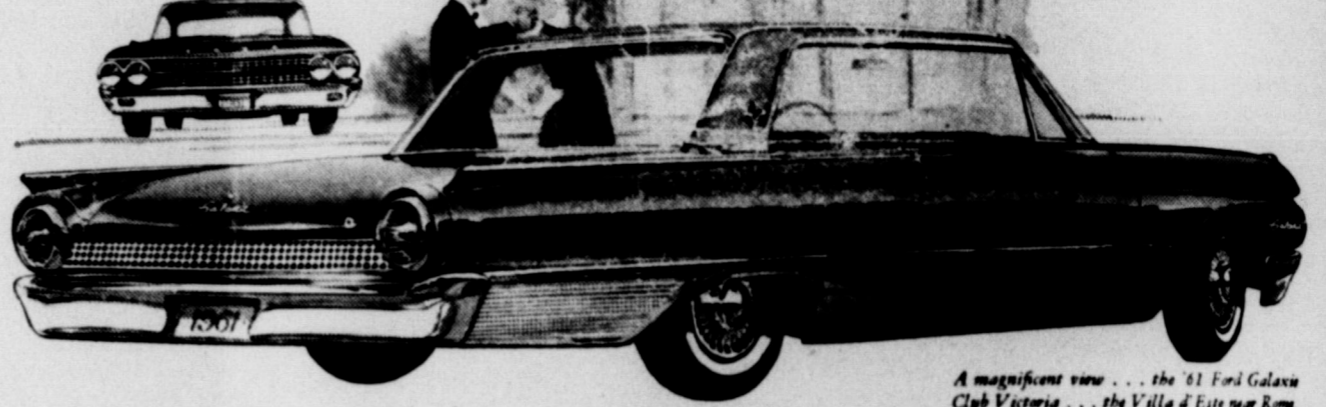

Second Lieutenants Bobby Martinez of Ozona and Dan Kletter of Pittsburgh, Pa., stopped off for a couple of days visit with Lt. Martinez's parents, Mr. and Mrs. Sam Martinez, after spending their leave from Fort Sill, Okla., where both were stationed, on a trip to Mexico City and Acapulco, Mexico. Both Army officers have just recently completed basic training courses in Field Artillery at Fort Sill, Lt. Kletter reporting to a new station in Arkansas and Lt.

Martinez returning to Fort Sill.

Mr. and Mrs. Ira Carson were last week-end in Lubbock where they visited former Ozonaan and Mrs. Claude Denham, and witnessed the Baylor - Texas Tech football game.

Beautifully proportioned to the CLASSIC FORD LOOK

A magnificent view... the '61 Ford Galaxie Club Victoria... the Villa d'Este near Rome

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

You are looking at the trend-setting car of our times, the '61 Ford... a car whose clean and classic profile is unmatched by any other in the world. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp, fresh front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is not only new in looks and ride and comfort, but new in its entire concept. The '61 Ford is actually built to take care of itself! It lubricates its chassis... cleans its own oil... adjusts its own brakes... protects its own body.

Indeed, here is a car that will save you valuable time and money by doing away with many stops for service.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF... THE FIRST 1961 CAR DEALER-WARRANTED FOR 12,000 MILES OR ONE FULL YEAR

- Lubricates Itself. You'll normally go 30,000 miles without a chassis lubrication.
- Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.
- Guards Its Own Muffler. Ford mufflers are double-wrapped and sluminized — normally will last three times as long as ordinary mufflers.
- Adjusts Its Own Brakes. New Truck Size brakes adjust themselves automatically.
- Protects Its Own Body. All vital underbody parts are specially processed

to resist rust and corrosion, even to galvanizing body panels beneath the doors.

Takes Care of Its Own Finish. New Diamond Lustre Finish never needs wax.

Warranty. The '61 Fords are built to meet three principal goals: finest quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first. See this warranty at your Ford Dealer's now.

Sheriff, Tax Assessor & Collector — Crockett County

Phone with the built-in switchboard

Here's a phone designed to play a big role in business offices. Right in this single instrument are all the conveniences of a telephone switchboard. Six push buttons give you complete control over all incoming and outgoing calls. You can select any of five lines — talk on one while holding calls on others — "buzz" your secretary — or use the phone as an office intercom. Lights in the buttons tell you which lines are busy, which are free.

Our "phone with the built-in switchboard" is another example of how General Telephone works to make the telephone a more convenient and valuable instrument of communications for everyone. Call or visit our Business Office and learn how little it costs to have the "switchboard" service of a push-button phone.

America's Largest Independent Telephone System

**Billion Pieces
Mail Handled By
Dept. Last Year**

Volume in the Ozona area routed to a new national route of nearly 64 billion pieces of mail, including a billion pieces of post, during fiscal year 1960 last June 30, Postmaster Hokit said.

Based on advance information from the Annual Report of the Department, which has been made available to Postmaster Hokit, it is revealed that the present day mail represents an increase of 10 per cent over the 1953 volume of 50.9 billion pieces. This increase, along with a sharp increase in mail-carrying capacity in recent years, has helped bring about a complete revolution in transportation including far more extensive use of highway trucks, he said. Locally, the transportation pattern for Ozona has been improved with inauguration of the San Antonio metropolitan area plan providing over 300 miles of mail routes to an area in a 300-mile radius of San Antonio. Three Star carriers now operate out of Ozona office.

Today, 85 per cent of the vast Ozona vehicle fleet — operating under a modernization and improvement program initiated in 1953 — is composed largely of new, standard, commercial, lightweight, maneuverable vehicles. This conversion, he noted, has brought the "retirement" of worn units — many in use for ten or more years — which, in turn, has greatly reduced maintenance for the Postal Service.

**Black Enrolls
Ranch Training
Classes At T. C. U.**

Worth — Bill Black of Ozona has enrolled in the Ranch Training Program at Texas Christian University this fall.

Twenty-two students, including Black, are in the class, tying the record enrollment set last fall, said Director Arthur Courtrude. Students represent Texas, Connecticut, Florida, New Mexico, Arizona, Nebraska, Puerto Rico and Oklahoma.

During the nine-month session, students will spend part of their time in ranch management first hand on more than 30 outstanding ranches in all parts of Texas. The program will be supplemented by classroom work on campus.

Started in 1936, the program had 19 students the first year. The first ranch trainee was admitted in 1938. Miss Patricia Ann of Gainesville, who enrolled this fall, is the second to participate. The 19-year-old coed formerly attended Gainesville Junior College and wants to own her own ranch.

Black, 20, was a freshman at last year, and a member of the Campus Rodeo Club. His father is a rancher.

YOU KNOW ...

We are now dealers for Royal Doulton Fine China. As a matter of fact, we have in our store seven new patterns and are more to come.

Generations ago, Roy Doulton Fine China represents the supreme in elegant tableware. It will always be coveted by those throughout the world as being of the finest quality and lasting.

Through the years Royal Doulton have been keenly conscious of the more and more people are demanding and seeking the finer things of life. To meet the ever increasing demand for fine china, Doulton also has introduced, through years of patient research, the translucent China. Acclaimed as pioneers in every branch of ceramic manufacture, they have this china only by the production of many entirely new manufacturing and firing processes.

Royal Doulton china may be purchased for as little as \$9.95 or as much as \$70.00 per 5-pc. place setting. Join our Club Plan and enjoy this fine china while you can.

News Reel

run of "The Ozona Story" cleaned from the files of The Ozona Stockman

The Stockman, Oct. 22, 1931

Pansy Watley, daughter of Mrs. J. S. Whatley of Ozona, became the bride of Beeler in a quiet wedding in San Angelo Saturday afternoon. They returned to the Ozona home the week-end in San Angelo.

—news reel—
The Parent - Teachers Assn. meeting was held Monday afternoon in the high school auditorium. The meeting was conducted by Mrs. S. L. Butler, vice president. The association voted to help secure records for use in Public Music Memory contests.

—news reel—
Funeral services for Mrs. Mary Massie, widow of the late Robert Massie, were conducted from the Methodist Church in San Angelo Sunday afternoon. Mrs. Massie died in San Angelo early

Saturday morning from a cerebral hemorrhage. Mr. Massie died June 10 of this year.

—news reel—
In one of the greatest exhibitions of football seen on the local grid in several years, the Ozona High School Lions Saturday garnered a one-touchdown victory over the Junction Eagles, 13 to 7. Two beautifully executed passes, each time with Conley Cox doing the heaving, and George Vic Montgomery the receiving, resulted in the two Ozona touchdowns.

—news reel—
Funeral services for Mrs. Ida Schneemann, 75, widow of the late William Schneemann, pioneer West Texas sheepman, were conducted Monday afternoon from the family residence in San Angelo. Mrs. Schneemann became ill at about 7 o'clock Sunday night and died at 12:30 o'clock Monday morning.

—news reel—
Fifty-eight members and visitors were present for the home-coming program of the Ozona chapter of the Easter Star here Tuesday evening. The program honored past Matrons and past Patrons of the chapter.

—news reel—

Carl Pettit is recovering from an injury received last week when a rope looped around his right thumb in roping livestock. The thumb was badly mangled but is healing.

—news reel—
Mrs. J. J. North and Miss Mildred North were in San Angelo Sunday to attend funeral services for Mrs. Robert Massie.

—news reel—
Mr. and Mrs. Ralph Meinecke are the parents of a daughter born Oct. 16.

—news reel—
Mr. and Mrs. John Mitchell are the parents of a son born Sunday, October 18. The young man has been named Tom Mitchell.

—news reel—
Miss Bernice Bailey, who suffered a severe injury to her spine when she was thrown from a car recently while returning from a school picnic, is reported much improved this week and is thought to be well on the road to recovery.

—news reel—
Mr. and Mrs. L. B. Cox, III, have as their guest this week Mrs. Cox's mother, Mrs. S. A. Man of Wichita Falls.

Texas Tech's Bow In S'west Conference Play Draws Ozona Fans

The first Southwest Conference football game ever played in West Texas drew a large number of Ozona people last Saturday night as the Baylor Bears downed a fired-up Texas Tech team 14 to 7 in Lubbock.

Ozonans attending the contest were: Mr. and Mrs. Glen Sutton, Mr. and Mrs. Hack Leath, and Linda, Carmen Childress, Mr. and Mrs. Bill Clegg, and Chris, Mr. and Mrs. Ira Carson, Mr. and Mrs. Sonny Cleere, Mr. and Mrs. Oscar Kost, L. B. T. Sikes, Arthur Kyle, Bob Childress, Jim Doran and possibly others.

The game also marked the opening of the newly remodeled Texas Tech Stadium. The remodeling and enlarging of the stadium comes under the heading of a modern engineering miracle. The stadium last year seated only 20,000 fans whereas now it seats 41,000, and the playing field which was on ground level last season is now 30 feet beneath its former level.

The enlargement was in preparation for Tech's first year as a member of the Conference as a football competitor and was in way of fulfilling a requirement of the Conference that Tech have a large suitable stadium before becoming a league contender.

Even though this is the first year Tech has competed for the football crown, it has already been conference champion in basketball.

School Cafeteria MENU

Monday, Oct. 24:
Pork sausage — jelly
Baked beans
Buttered corn
Beet and onions rings
Peach halves

BANNER SHOULD WAVE HIGH IN EYES OF ALL

By Vicki Carroll

"The Star Spangled Banner," written by Francis Scott Key, was officially approved as a national anthem by Congress in March, 1931.

Its reason for being written is that during the war of 1812, Dr. Beanes of Maryland threw three British refugees into jail. Dr. Beanes had captured them after the British had burned Washington, D. C. in 1814. Later, the British took the doctor as prisoner and held him aboard a warship in Chesapeake Bay. Two Americans, Francis Key and John Skinner, received permission to communicate with the British in an effort to have the doctor released. They boarded the warship just as the vessels were preparing to bombard a fort which protected Baltimore. The British released the doctor, but held all three Americans on a United States vessel at the rear of the British fleet so that they could not reveal plans of Britain's attack on the Americans on shore. Even though the fort was weak, and the British very strong, during the third day of battle, Francis Key saw the thrilling sight of the American flag still flying over the walls of the fort. Key was so excited, he expressed his feelings in a song, "The Star Spangled Banner."

Should not we, as citizens of the United States, at least show our appreciation and respect to our national anthem? One can notice at the football games just how much respect some people have. People can be seen talking, wandering around and some even sit-

ting down! Also, some men never think to remove their hats from their heads. Does it take too much effort to honor the "Star Spangled Banner?"

LION WILL TRY COMEBACK AGAINST BIG LAKE

By Mike Stiles

Sonora and Ozona had one thing in common last Friday. They were both high. Sonora High in spirit and determination; Ozona high in stance and attack. Ozona had several bad breaks but bad breaks alone did not lose this ball game.

The Lions will play another rival this Friday night in hopes of better results than last Friday. The Lions had many mistakes in last week's game and will try to work them out this week. Practices will be tough this week, if weather permits (They will also have a tough practice if weather does not permit).

The Lions will try to improve their district standing in their tangle with Big Lake. Big Lake had an open date last week, so do not have a record this far in district play. The Owls held a 2 won and 4 lost in pre-district play with the Lions holding the reverse record.

METHODIST W.S.C.S.

The Woman's Society of Christian Service of the Methodist church met Wednesday morning at the church to continue the study, "One World, One Mission." Mrs. Stephen Perner gave the opening devotional. Mrs. R. K. Wimberley directed the study. Participating on the program were Mrs. Paul Perner, Mrs. Floyd Henderson, Mrs. Morris Bratton and Mrs. Joe Pierce, Jr. Others attending were Meses, Jack Baggett, A. S. Lock, Bill Cooper, Bailey Post, H. B. Tandy, Buster Deaton, J. A. Fussell, W. R. Baggett, Sr., B. B. Ingham, Sr., Evert White, Dempster Jones, W. O. Reeves, L. D. Kirby, K. Stanton and W. O. Mills.

Remington QuietRiter Portable typewriters at the Stockman.

PRINCIPAL PELTO RUN OUT OF SCHOOL

Mr. Pelto, who has nerves of iron, was literally run out of school by a small noisy little bird.

This week Mr. Pelto would be quietly at work and suddenly there would be a little pecking noise coming from the window-sill behind his desk. There in the window would be a small, harmless little bird pecking at the window. Mr. Pelto would smile and shrug it off the first 3 or 4 times, but gradually the smile turned to a pained expression.

Mr. Pelto would be at home dreaming a pleasant nightmare when suddenly in his sleep would come a pleasant little pecking.

Finally Mr. Pelto would go into the book room only armed with ear plugs and then only if it was a matter of life and death. In Mr. Pelto's dreams were thoughts of "In this corner 'Pecky' 2 inches high weighing 1 pound. In the opposite corner, J. A. Pelto, 5-8, weighing 7 7/8 lbs." Mr. Pelto was relieved of his command to go to a rest camp (better known as a principal's convention but never fear, "Pecky" will be waiting for him when he returns. Mr. Pelto is hard after a way to combat "Pecky" and is expected that he will bring the matter up at the principal's meeting and will enlist the aid of his fellow principals in this matter. The armed forces are prepared to come to the rescue of Mr. Pelto, who is a loyal reserve bird man himself, however the students of OHS have faith in Mr. Pelto and hope he will pull through the crisis.

ANNUAL BONFIRE HELD THURSDAY

Thursday night most of Ozona turned out for the annual bonfire before the Sonora football game. Students met at the high school at 7:15 p. m. and snake danced through town.

At eight o'clock the students reached the south end of the football field where the cheerleaders led the spectators in a few yells. The bonfire was set off and a charge was played by Art Kyle and the Bronco on top of the boxes caught fire. While the fire was still going speeches were given by senior football players concerning the Sonora game. The bonfire ended with more yells and the Ozona school song played by the pep band.

The boxes for the bonfire were gathered by the high school students. This year the freshmen had the most boxes and were awarded a prize of \$5.

When the bonfire was lit, Tony Parker, left half-back for the Ozona Lions, was burned. The burns were not too serious and he was able to play in the Sonora game last Friday.

ALLAN MORGAN SECURED AS BAND DIRECTOR

Allan Morgan has been secured as the new band director for the Ozona schools.

Mr. Morgan has a master's degree from North Texas State College.

The new director is presently at Denton Jr. High. He has a ninety-piece band which won sweepstakes last year.

Mr. Morgan is married and has one child.

He should be in Ozona October 22, if he can find a replacement. If not, it will be October 29 before he arrives.

MR. KING IS TEMPORARY BAND DIRECTOR

Directing the bands this week is Mr. Bill King. He and his wife have been residents of San Angelo for five years. He has an interest in the King Music Company in San Angelo.

Mr. King is helping the high school band present a series of marching routines this Friday night in Big Lake.

Our sincere thanks and appreciation go to Mr. King for his assistance.

H. O. H. AT O. H. S. FOR SECOND YEAR

This week, Mr. H. O. Hoover, teacher of the week.

Mr. Hoover was born in Alma, Kansas, in 1930.

Mr. Hoover attended Commerce Junior College in Warner, Oklahoma, and completed his degree at East Texas State College.

Before coming to Ozona Hoover taught two years at Wright, Texas. Mr. Hoover has been teaching in Ozona three years. He teaches algebra I, geometry (Continued on Page Seven)

1961 MERCURY PRICE COMPARISON CHART

Prices start hundreds of dollars below last year

1. MERCURY METEOR 600	Priced right in the heart of the low-price field.
2. MERCURY METEOR 800	Priced to compete with the top series of the low-price field.
3. MERCURY MONTEREY	Finest, most luxurious of all 1961 Mercurys.

HIGHLIGHTS

Costs less to buy! Far greater value! Mercury prices are far lower this year, but just look at these extra values: • The first low-price car with a fine-car ride—only one with new Cushion-Link suspension. • Even roomier than 1960 • More soundproofing than any other low-price car. • Trimmer, more convenient size.

New 1-year or 12,000-mile warranty! Your Mercury dealer is extending his warranty on all 1961 Mercurys to one full year or 12,000 miles, whichever comes first. See him for full information. He will be glad to show you a copy of his new warranty. Here's real proof of Mercury quality and reliability.

Costs less to drive! New Super-Economy engines! 7 self-servicing features! Engines include Mercury's first "6" plus new V-8's that use regular gas—deliver up to 15% more gas mileage. • Self-protecting anti-rust-treated body. • Special Super-Enamel finish never needs waxing. • Mufflers are aluminum for more than double the life. • Brakes are self-adjusting. • You can drive 1,000 miles between oil changes. • Chassis is pre-lubricated for first 30,000 miles. • Spark plugs are self-cleaning. Stop in. See the newest and smartest buy in the low-price field today. LINCOLN MERCURY DIVISION Ford Motor Company.

OZONA, TEXAS

1910 - THE OZONA WOMAN'S CLUB - 1960

FIFTY YEARS OF COMMUNITY SERVICE

Editor's Note: This is the first series of thumbnail person-sketches and events in the history of the Ozona Woman's Club, its oldest federated organization, which this year is celebrating its golden anniversary. Presented here are nine of the eleven charter members of the club, six of whom are still living, four of whom are able to attend the Golden Anniversary tea which launched the club's activities this fall.

On a fishing trip to Devil's Lake in the summer of 1910, Mrs. Frank Friend conceived the idea of organizing a woman's club in Ozona. Consequently, in September, 1910, everyone had returned to Ozona from summer on the ranch. At the opening of schools, she, the aid of Mrs. R. Lee Black, a music teacher and wife of the principal in the school system, held a meeting of local women for the purpose of organizing the club.

The present for the organizing were Mrs. Friend, Mrs. Mrs. Kate Baggett, Mrs. Mrs. Olsen (Mrs. M. O. Valentine) and Mrs. Will Baggett. The meeting was held in the dining room of the old Ozona Hotel and the first woman's club in Ozona was born.

The group later as organizers were Mrs. W. E. Mrs. A. W. Clayton, Mrs. V. I. Mrs. W. E. Spell, Mrs. Mrs. Couch and Mrs. E. B. Baggett.

Mrs. Friend was elected the first president, Mrs. Black secretary, Mrs. Blake Mauldin (Mrs. M. O. Valentine) parliamentarian. Since the main purpose of the club was the study of the works of Shakespeare, it was named the Shakespeare Club. The program of study was outlined by Mrs. Friend of Waco, who was a member of the Shakespeare Club of Stratford-on-Avon. The club studied Shakespeare dramas. On Dec. 2, 1911, the club had a Christmas party in the home of Mrs. W. E. West and the program was a quiz on Hamlet. The club continued until May, 1912, meeting on Saturday afternoons. During this period a formal constitution was adopted and an annual meeting was held in January, 1912. Mrs. Kate Baggett was elected president.

JOHNNY CHILDRESS, PRESIDENT OF WEST TEXAS FORUM, IS PRESENTED GAVEL

Miss Powers, sponsor of the Ozona High School Student Council, presented Johnny Childress a gavel during assembly Wednesday morning. Johnny is president of the West Texas Forum.

The West Texas Forum is the district organization of Student Councils.

The West Texas Forum consists of all towns in an area from Del Rio to Alpine and Snyder to Sonora.

Johnny will preside over the district meeting which will be held on October 29, 1960, in Big Springs.

PRINCIPALS TAKE HOLIDAY TO GAIN MORE KNOWLEDGE

The principals of Ozona High School and Ozona Junior High School were gone at the first of the week. They took two days from school to attend the Principals and Secretaries Convention in Dallas, Texas. Attending the meeting from

Mary Lou Johnigan, daughter of Mr. and Mrs. Hartley Johnigan of Ozona, has been elected secretary of the Hardin-Simmons University South Hall for the 1960-61 school year.

Auditor

KNOW YOUR VOTING RIGHTS!

We feel that all legal voters of Texas should know...

No matter how you have ever voted...

Or in which primary you voted...

Or if you voted...

Or how your poll tax receipt is stamped...

You CAN vote for any candidate of any party on the November 8 ballot.

For Democrats who value the ideals and true aims of the Democratic Party, the only choice is Nixon and Lodge.

Garden Reminders

Garden Club Reporter

Pool, native of Sterling and now manager of the Texas Chamber of Commerce, some pertinent statements a litterbug nuisance in Texas bear repeating. We here are as familiar as caused with the unsightliness caused by litterbugs in our immediate a-

Pool had these observations litterbugs in Texas following recent motor trip through southern states:

Texas, with the best highways in the entire South, has little to boast of when compared with cleanliness of rights of way highways through Mississippi, Georgia and Florida. A stiff fine is imposed upon those states mentioned, high-fines which runs from \$25 to \$100. And their system must be next to impossible to enforce any evidence of a violation as you drive through them. Texas highway rights of way are mowed regularly, and

could be a model in this particular as they already are in quality and maintenance practices. Why then can't we make the picture complete by enforcing the law?

"After driving 2,400 miles through the South we were glad to be back in Texas with its good highways, designed for safe and comfortable travel, but we just could not enjoy them as much as we had before because of a comparison which presented an ugly picture.

"The Highway Department does its best, I'm sure, to keep this litter picked up, but why should they have to? Why should we be paying multiplied thousands of dollars in salaries to men whose job it is to keep the trash picked up from our highways when we could be enforcing a law which would make such employment unnecessary?

"Yes, our highways are fine, but the litterbugs are making them look bad."

Mr. and Mrs. Joe Clayton and Cheryl were in Dallas over the week-end to visit the Clayton's son, Joe a student at SMU. They were accompanied by Mrs. Clayton's mother, Mrs. Charles Williams, Sr., who is extending her visit this week with relatives in Houston.

Mr. and Mrs. L. B. Cox, Jr., and Lynn and George Cox, spent last week-end in Dallas as guests of Mr. and Mrs. Ed Reynolds and children and to witness the SMU-Rice football game.

Shivers Charges Demos Bludgeoning Voters To Follow Party Blindly

Austin, Texas — Former Governor Allan Shivers charged this week that Texas voters and public officials were being subjected to a "shrewd campaign of intimidation and misinformation" to keep them from supporting the Nixon-Lodge ticket.

Shivers is chairman of the statewide Texas Democrats for the Nixon & Lodge organization.

"Texas officeholders and nominees are being ordered to endorse the Kennedy - Johnson ticket in many counties," Shivers said. "Party officers are being told that they will forfeit their positions unless they actively support the ticket. This, of course, is not true.

"Voters are being led to believe that if they voted in the Democratic Primaries and have their poll tax receipts or exemptions stamped 'Democrat', they cannot vote for Nixon and Lodge on Nov. 8.

"No voter gave up his freedom of choice when he voted in the primary.

"Legally, a person may vote as he chooses. Morally, there is no obligation; the so-called 'party pledge' applies only to nominees of that party, not to the national nominees. Actually, we cannot afford to settle for second best in this election because of a party label.

"We will choose the two men, Richard Nixon and Henry Cabot Lodge, who have proved they possess the leadership, judgment, courage and experience to guide us in an extremely perilous time in world affairs.

"This time, of all times, is no time for petty partisan politics." Shivers charged that the "wholesale dragooning of public officials and nominees" in public support of the Kennedy-Johnson ticket is a manifestation of the "Kennedy machine approach" to politics.

"This is something new in Texas, where up to now a man has pretty well run his own race and let the other fellow run his. That is the Texas way and — I might add — the smart way in Texas.

"Now we are having a tryout of the big-city Eastern way — the way they do it in Boston."

Ozona Principals To Convention In Dallas

High School Principal J. A. Peltó and Jr. High Principal Roy Killingsworth returned to Ozona Tuesday from Dallas where they have been attending the annual convention of Texas secondary school Principals.

Mrs. Peltó and children returned to Ozona with her husband after a visit with her sister in Fort Worth during the convention.

You'd think it was our car!

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us!

There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street—because it's a good way to compete for your business. It's the competition between independent businessmen like us—that benefits you—the motorist.

Ozona Oil Co.
Ozona, Texas

The unmistakable stamp of Greatness!

In commerce, as in art, it is rare indeed that a creation emerges so inspired in concept and so flawless in execution that it is destined, from the very beginning, for certain greatness.

And yet, it seems not too soon to say that the Cadillac car of 1961 will take its place among the most memorable of the peak achievements of the automotive craft.

Its clean, classic form introduces a new look for the world's motor cars to emulate. There's a new proportion of glass to steel... a new "oneness" of contour and shape... an entirely new relationship of interior to silhouette.

Inside, the story is equally remarkable. Here is new roominess in every dimension. Head room, seat

height, and entrance room, for example, have been notably increased with impressive results in greater comfort and luxury.

And as its beauty is... so its performance does—incredibly nimble and quick... smooth and floating... quiet and obedient in operation.

Cadillac's new engine is the very essence of controlled power... steering is feather light and sure... and its new ride seems to make the roadway vanish beneath the wheels.

This is one car you must see and drive for yourself. The facts are simply too numerous and too exciting to accept second hand.

It's the 1961 Cadillac—and we know you'll agree that greatness is written all over it.

Sonora Wins —

(Continued from Page One)

and Carnes chipped in 7 before Parker got six more to carry to the Sonora 20 yard line.

The Lions decided to cross up the defense which was massing for the running game and a jump pass was called. The pass got away from Freeman and hit a Sonora defender in the back of the head, bounced over the hands of the intended receiver and fell into the hands of a Sonora defender who was not even remotely involved in the play.

Sonora took over and ran out the clock.

The third quarter passed without a score but late in the third period the Broncos picked off an Ozona pass on the Ozona 15 and returned to the 10 from where Gonzales scored on the first play of the final period. The Broncos then kicked the extra point and it would have been a good time for the Lions to have gone home.

The Broncos easily contained the Lions and then shattered the Ozona defense. The last touchdown drive started when the Seneca safety man picked up a punt in the middle of a group of Lion defenders and almost got away for a touchdown with a 20 yard run back. Sosa and Schmidt tore the Lion defense apart with reserve Al Samiango also gouging out big yardage. Sosa ran the remaining 10 yards untouched for the final score of the game, and the point attempt failed.

The Broncos were on the move again when the clock ran out and the Lions were a shocked crew.

Bright spots were not too frequent for the Lions, but Carl Montgomery did an excellent job on defense in filling in for the injured Tony Parker who turned in one of his best offensive efforts of the season. Darrell Raspberry and Deeny Holden played well along with Wayne Albers and Hal Long, but it was not a night for great Lions performance.

Tony Parker was the Lions leading ground gainer with 72 yards while Bobby Sosa led the runners for the night with 99 yards, 40 of which came on one run which set up the first Bronco score.

BAPTIST WMU MEETS

The Woman's Missionary Union of the First Baptist Church met Wednesday morning with Mrs. Huey Ingram, Mrs. Jim Carpenter was program director. Talks were made by Mrs. Bob Pitts, Mrs. Jackie Holmes, Mrs. Picas Childress and Mrs. Charles Jackson on the topic, "The Message of God's Son."

Big Lake —

(Continued from Page One)

schedule in pre-district competition. Ozona Coaches were greatly disturbed at the showing of their team made last week and some further juggling of the lineup may be expected this week.

The Owls have a large team physically and scouting reports from their last contest with Iraan indicate that the team may have jelled now and be a contender for district honors.

If the Lions can find a way to win this week the game next Friday in Eldorado will determine to a large extent the Lions chances

to stay in the race. An Eldorado win over Sonora in Eldorado on the 28th would put the Lions back in the chase with the game with the Eagles in Ozona on November 11th, probably determining the district outcome.

In order for the Eldorado contest to be of importance to the Lions it is essential for the Lions to post a win this week. A Big Lake win would oust the Lions from contention and put the Owls in a tie for the top with Eldorado and Sonora.

CARD OF THANKS

Words cannot express the gratitude in our hearts for all the love that was shown us during our recent tragedy. "Thank you" is so little to say for the comfort of your prayers, cards and letters, help at the hospital and the food provided. There will always be a special place in our hearts for each of you. May God bless you and keep you.

Notes From The County Agent's Office

By Pete W. Jacoby

Brucellosis testing of cattle in the county got underway on Tuesday under the supervision of Dr. John Tucker, veterinarian in charge of the Brucellosis Testing Program in Crockett County.

Some 150 cattle herds are to be tested in the county. 16 ranchmen are serving as Line-up men for the testing work. It is expected that some three weeks will be required to complete the testing work in the county.

The mobile testing lab is located at the Spot Friend residence, where testing of blood samples taken from cattle will be tested the same day they are taken. Anyone wanting to contact Dr. Tucker regarding testing of cattle can call him by phone — EX 2-3202.

More and more farmers and ranchmen in Texas are resorting to chemicals for control of pasture brush. Diesel oil or mixtures of diesel oil and 2,4,5-T have generally proven effective for controlling mesquite. As a result of this control many landowners now have excellent pastures where there was

only sparse grass before, says O. Hoffman, extension range specialist.

Many reports come throughout the state on the excellent growth of grass as a result of spraying of mesquite. Ranchmen are of the belief that spraying cost is absorbed the first year by the increase of grass on the range.

Hoffman says "Less mesquite and brush means more grass and more grass means more money in your pocket."
