MOTON IN MOTION--Mark Moton, No. 22, found it hard going during the Mules first district game against the Friona Chieftains Friday night in Friona. The Muleshoe speedy runner had a 90 yard touchdown kickoff return, but was held to only 37 rushing yards by a stingy Chieftain defense. Here he is being brought down by the Chieftains as he attempts to struggle through for additional yardage in a game the Mules lost, 21-20, during a last-ditch effort by the Chieftains.

# Late Rally Pushes Friona Past Muleshoe, 21 - 20

It was a cool, well, would you believe, a cold night in late September. Friday night, and the beginning of the district action for the Muleshoe Mules,

U.S. Rep. Phil Gramm, candidate for U.S. Senate, has appointed Ron Montgomery of Muleshoe as his Bailey County campaign chairman.

"I am honored to have the active support of key leaders in the economic and civic life of 225 counties across Texas." Congressman Gramm said in making the announcement.

Bailey County Farm Bureau Board of Directors will meet in regular session on Thursday, October 4, at 8:30 p.m. in the FB meeting room.

Included on the agenda for the meeting will be the elimination of entries in the FB talent contest and re-organization of the board of directors following the recent election of a new

who traveled to Friona to take on the Friona Chieftains.

And, by the time the game was over, the stunned Mules watched a comfortable 20-7 lead melt away in the steady drizzle and fog.

Friona got on the scoreboard first, when speedy Alfredo Mata broke out of the pack and swept down the left side for a 36 yard romp to pay dirt in the end zone. The extra point was added by Sam Montoya, and the Chieftains owned a first quarter lead of 7-0.

Undaunted, the Mules came back and fullback Lester Burke dragged Chieftains along as he slammed in from the one with 3:23 left in the first half. Ray Vinson was wide to the right on the attempted one point con-

Then, taking advantage of high snap from center on a punt, the Mules found themselves again near the end zone, daughter, Jennifer. and a couple of plays later, quarterback Todd Jones, on a quarterback keeper, slipped to his left and into the end zone from two yards out. This time, Vinson did not fail on the conversion attempt and the Mules owned a 13-7 lead going into halftime.

During halftime, both the Muleshoe and Friona Bands and Flag Corps performed, but not in their usual uniforms, due to the damp, drizzly weather.

still put on an impressive performance for the surprisingly large groups of people at the football game. Con't Page 6, Col. 5

## **Local TEC Funding** Has Been Approved

When Lonnie Merriott walks was cut by the state, Merriott into his office at 121 East Ave. has operated the office without B, he realizes the full impact of being a 'one man office.' year service pin by the Texas Employment Commission, but would gladly trade in the pin for some help. Merriott first became employed by the Texas Employment Commission on July 10, 1968, and through the 15 years since that time has seen many changes in TEC operations.

At this time, he has some 900 applicants in his files, and has made some 800 job placements since the first of the year.

According to Merriott's records, he places around 1,500 persons per year in various jobs. Although his listings in clerical or bookkeeping work is very limited, he places approx-imately 50 percent of the workers in the farm work category, or as laborers. Normally, he places about 75 percent in farm type work, but this has changed this year to about

For some time, it was questionable about maintaining the office in Muleshoe, as many smaller offices across the state begin to be closed, but due to the business and individual interest in the local office, and a major letter writing and phone call campaign, the office has remained open, but on a limited

### Muleshoe State Duo Receive Promotions

Muleshoe State Bank's Board of Directors have announced the promotion of Troy Stegemoeller to vice president and Kay Mardis to cashier. The promotions became effective Wednesday, September 26.

Troy Stegemoeller has been with Muleshoe State Bank since May 19, 1980 where he began his banking career as an agricultural representative. He specialized in agricultural loans, farm detail and inspections.

Stegemoeller was promoted to assistant cashier June 16, 1981, and in January, 1982, he was appointed to the position of cashier and security officer.

Stegemoeller graduated for Texas Tech University in May, 1980 with a degree in Ag Economics with an emphasis on Finance. He is a graduate of the Tech Banking School and is currently attending Graduate Banking School at LSU in Baton Rouge, La. He has also attended numerous American Institute of Banking courses. Troy is an officer and director of Muleshoe Lions Club, Treasurer of the Bailey County unit of the Salavtion Army, and a member of the Airport Board.

He and his wife, Mary, attend First Baptist Church. Mary Stegemoeller is employed by Five Area Telephone Co-op. They have a four year old

## Navy Recruiter Now Has Office In Muleshoe

"Join The Navy And See The World!" This was a familiar poster, and now -- the Navy has brought that opportunity to Muleshoe. Thursday afternoon, Chief Petty Officer Charles Coakley was in The Journal offices to announce that a Navy recruiting office has been located in Muleshoe.

CPO Coakley and his mobile office will be on the parking lot at the Bailey County courthouse from noon to 6 p.m. each Thursday. He will be available for answering questions, taking

applications from prospective 'sailors' and for other activities.

The Naval CPO said he will also be available to participate in community events, including being a speaker at lodges, civic clubs and other special events.

Operating out of Clovis, N.M., the Navy Recruiting office serves an area to Santa Rosa, N.M. and into Texas to Muleshoe.

An electrical engineer, CPO Coakley said he is acting recruiter at this time as he is

serving shore duty.

He suggests that interested persons see him at his mobile office on Thursday afternoon at the Bailey County courthouse, or call (collect) 505/762-4561.

## Hornets Ruin Lazbuddie Homecoming

It was a one man show at Lazbuddie Friday night when the Sudan Hornets went to visit. James Clay led the Hornets in a 44-0 rout of the Lazbuddie Longhorns to spoil Lazbuddie's homecoming.

The speedster had a punt return of 60 yards, along with Td's of 16, five and four yards to spark the offense for the Hornets.

Others scoring touchdowns in the game were Charlie Fisher, 11 yard run; Ronald Williams, 22 yard run and Jay Williams on a nine yard pass from Brent

Sudan is now 2-2 on the 1984 season, while Lazbuddie dropare good, with some reported around 12,000, said Northcutt.

Charlotte Harris at Sherley-Anderson at Lazbuddie said they are about half way through with the corn crop there and most of the corn received has been reported at yields above 10,000.

As of Thursday afternoon, 54,000,000 pounds had been received, running 18-23 percent in moisture.

At Bovina, Sherley-Anderson Grain said they are receiving mostly farm dried corn, at around 25-26 percent moisture. Average yields reported there are 10,000-11,000 and the yields

are a little better than last year. On Friday, rain again moved into the area following a warm, sunny day on Thursday. The rain halted corn harvesting again, and most elevator operators expected the harvest to be back in full swing by the first of

## Where Is Fall? Cold, Damp **Invades** Area

Where is fall? Whatever has happened to the cool, dry, crisp fall weather? Lots of folks are probably asking that question right now, as winter is definitely in the air.

On Friday, the high temperature for the day was only 46 degrees, dropping to 38 by Saturday morning.

Also, on Saturday morning, snow was reported from just. south of Amarillo to the north with light snow, mixed with rain predicted for the Mulesboe area at presstime.

Good weather is not expected to return to this area until mid-week, as cool, wet weather is expected to linger, due to a high pressure system that has

dug in north of Texas.
On Saturday, National Weather Service said there was a 40 percent chance of more rain, with that possibility decreasing to 30 percent chance for measurable precipitation on Saturday night.

Clouds were expected to linger through Wednesday, and combined with unseasonable low temperatures, farming operations were expected to be at a virtual standstill, along with the 1984 corn harvest.

LAZBUDDIE ROYALTY--Although they saw the hoped for homecoming victory slide away in the fog Friday night, royalty still reigned at the Lazbuddie homecoming. Crowned during a pep rally at the Lazbuddie school Friday after were junior Vickie Criim, and homecoming king, senior Shannon Weaver.

Hornets' Fumbles Lose Opener Kirkland 6-10; Gunn 1-5; Ingle 2-1; Conley 1 Passing-Kirk-

The Sudan Hornets lost the season opener 21-6 to the Olton Mustangs when they met at Hornet Stadium Friday night.

The Mustangs Allcorn and Saldivar overtook the Hornets in the very first few minutes of the game. The Hornets lost 2, potential scores with fumbles inside the Mustangs 20 and their defense stopped 2 other Hornet drives inside the Mustang territory and Olton hd the first win of the season.

Saldivar gained 205 yards on 21 carries. He got the Mustangs started early with a 20 yard run and capped a 5 play 48 yard drive. The extra point with little more than 6 minutes left in the first period gave Olton a 7-0 lead.

The Hornets roared back in the 2nd quarter on a quick 2 play drive and touchdown by James Clay on a 40 yd run. The Hornets try on a 2 pt conversion was no good leaving Olton with a 7-6 lead.

Olton's quarterback got sacked at the Hornets Abel Perales recovered on the Otton 23 yd line. The Hornets drove to the Mustangs 7 when Allcorn stopped Clay on a blitz on third down. The Hornet's field goal attempt failed. Jamie Ingle pass attempt failed in the end zone.

Olton made another 90 yard touchdown that was called back to the Hornets 35 due to a clipping penalty.

Two plays later, the Mustangs ran in from 20 yards to give the visiting team 14-6 lead at halftime.

During the second half, Sudan penetrated the Olton 10 yard line twice-once as fourth and inches on the Mustangs 7. Brent Kirkland bobbled and fell on the ball for a 2 yard loss giving the Mustangs the ball on downs.

With 3:33 left in the 3rd quarter, the Hornets again lost the ball on the Olton 3 when a Mustang jarred the ball loose from Gordon Martin. Olton drove 97 yards in 12 plays for their final score a 19 yard run with 5:35 left.

Stats include Olton-7-7-0-7-21

Sudan 0-6-0-0-6. Clay had 40 yard run failure.

Sudan had 16 first downs while Olton had 10. Ind. stats for Horness are: Clay 12-97; Martin 12-87; Williams 7-30;

Kirkland 6-10; Gunn 1-5; Ingle 2-1; Conley 1 1; Passing-Kirkland 5-13-0-40 -- Receiving Martin 2-14; Williams 1-29; Kinnie 1-45; Taylor 1-15 and Williams 1-3.

Watson Junior High offering a new class to sixth graders this year. The Directed Study course is taught by Mrs. Albertson and Mrs. Lyle. The students in this class are taught the different study skills needed to study each course more effectively. Instruction in these skills takes place the first half of the class period; the second half of the period is used to study different subjects and apply the skills learned

Computer Literacy is another course offered to eighth grade students this year for one semester. The state requires all students to have and pass a computer literacy class before completion of the eighth grade. The computer literacy class will include terminology, the history and development of computers, the impact of computers on society, careers in computers, using the computer as a tool, loading and using software, and some computer programming using the BASIC language. The goal of our computer literacy class is to give each student a working knowledge computer and to give them a hands-on experience in using computers in different applications. We hope each student feels comfortable in using computer skills.

## **Evaluate Nutrition**

You could become a victim of themselves by recognizing that misinformation if you don't know much about diet and health, says a Texas A&M University Agricultural Extension Service nutritionist.

With an increasing amount of nutrition material in the media and health claims in advertisements, distinguishing sound from unsound information is difficult, says Marilyn Haggard.

Learning something about nutrition is worthwhile, she says, since misinformation can aggravate or create health problems. Diseases like diabetes or cancer can worsen if you ignore medical diagnosis and treatment in favor of a "miracle vitamin cure.'

Taking large amounts of vitamins in the mistaken notion that this will improve your health can also affect medical tests, says the nutritionist. In the case of diabetes, too much vitamin C can give a false positive or a false negative on some urine tests for diagnosis and management of the disease.

Fad weight-loss diets can even lead to disease, notes Haggard. For example, it's possible to starve to death on a macrobiotic brown rice diet. if misinformation

doesn't directly affect your health, it may cause you to waste money on unnecessary food, gadgets and vitamins. Or you may trade good food habits for poor ones and a balanced diet for an imbalanced one, she

"Consumers can best protect 

a single diet or food can not cure health problems or guarantee weight control," says Haggard.

No scientific evidence shows that arthritis, cancer, heart disease and other chronic diseases are cured by eating specific foods, she explains. Instead, a balanced diet of meat, poultry, legumes and fish; dairy products; fruits and vegetables; and enriched or whole grain breads and cereals will provide all the nutrients anyone normally needs.

Also beware of personal' testamonies and stories, says Haggard, since they are not When a scientific studies. person loses weight from eating a particular food, it does not mean the food caused the weight loss. The person may have done other things to change his life-style, such as increased exercise, that actually resulted in the weight loss.

Everyone gets tired and has occasional pains. Many causes could produce such universal symptoms. But if the cause is nutritional, it should be diagnosed by a physician who will prescribe medication if it's warranted.

Be skeptical, ask for evidence about diet or nutrition ideas and use your right to evaluate, cautions the nurtritionist.

If you want to know whether a nutrition or diet book is reliable, check book reviews from the professional nutrition journals she says.

The local TEC office manager continued, "The economy here is better than many other areas of the state, at least agriculturewise. The rain helped, and we had little to no hail this year. Adding to the economic picture are two new vegetables sheds in the area. We are looking at an increase this year in vegetable production, and I even expect an even larger produciton next

"But we do have a problem -with housing for migrant workers. We do not have enough housing for our vegetable workers, and other seasonal workers who come to Muleshoe," he continued, "we had at least 500 workers who would have stayed here, but had to go on to other places because they would not find a place to live.

"This year, the housing was full very early," he added, "and I expect it was because of the very hard winter in the Valley, and the workers came out here early. Some 200 of the vegetable harvesters have already gone back home, and others will be leaving once the vegetable harvest is all over."

Coming back in the third quarter, the Mules had a real surprise for the Chieftains. On the initial kickoff to the Mules, which was received by Moton on the 10, with just 14 seconds gone by, Moton had made it all the way downfield after bursting free from the pursuing Chief-tains and into the end zone for the Mules third TD of the night. Vinson again added the extra point and the Mules had widened their lead to 20-7.

However, the Chieftains did not give up. With 9:20 showing on the scoreboard clock, Mata added his second of the three than the pickt when the ID's for the night, when he scrambled into the end zone from three yards out. The Chieftains fumbled on the attempted conversion, and the Mules still maintained a 20-13 lead.

The Mules were to watch as they started making miscues and Mata put the icing on the cake with 1:58 left in the third when he swung out to his left and into the end zone with 1:58 left in the third.

For Muleshoe, the Chieftains held Mark Moton to only 37 yards for his 18 carries of the night. Lester Burke carried 10 times for 27 yards; Smiley Orozco had five yards in two carries and Mike Holt lost four yards on his two carries, as did
