Word Crowd May See Lions Play For Share Of Crown Friday At Fourth Ozona District Game

By Ernie Boyd

Ozons Lions will get another chance at a share of the district Friday night in Ozona when they meet the undefeated El-Eagles in a battle that will either give the title outright to the Lions or swing the race into a three team tie with Sonora sharing the third of the honors.

Importance of the contest has resulted in the Sonora vs Big Lake contest being shifted to an afternoon game so as to allow fans to attend both the Ozona vs Eldorado and the Sonora vs Big Lake games.

The presence of a large number of fans is expected to attend the game. The Lions are expected to be at full strength this week. The game is expected to be a close one.

P. T. A. To Hear Dr. Floyd D. Golden, Nov. 21; Everyone Invited

Members of the Ozona P. T. A. are scheduled to hear a first hand account of the Russian School System when the organization meets in its regular session Nov. 21, at 7:30 p. m.

Addressing the group will be Dr. Floyd D. Golden of Portales, New Mexico. Dr. Golden is a native Texan and took his B. S. from West Texas State College at Canyon, later obtaining his M. A. from the University of Colorado.

Dr. Golden toured Russia in November 1959 and in his visit saw all kinds of Russian Education facilities, all the way from the Kindergarten to the University level.

Dr. Golden enriched his knowledge of the Russian system by personal visits with educators, professional people, business leaders and the man on the streets, during his visit.

Included in the Russian visit were sight seeing tours in Moscow to Lenins tomb, The Red Square, Stalins Mausoleum, large Russian department stores, sports palaces, Operas, etc.

Dr. Golden also visited in several other countries while on the recent tour but was chiefly concerned now with acquainting Educational administrators in this country with the facts about the Russian educational system.

In addition to his B. S. and M. A. degrees Dr. Golden has taken advanced educational work at Colorado State College, the University of Texas, and Columbia University.

The Ozona chapter of the Parent and Teachers Association invites all to attend the address, regardless of P. T. A. membership.

Southern Baptist Bible School Leader to Speak

Earl Meade, President of the Southern Baptist Sunday School Board, will be the speaker Saturday night at a young peoples and parents harvest supper to be held at the First Baptist Church fellowship hall.

Mrs. Meade was the former Miss Lois Riddle, who taught piano in Ozona a number of years ago.

The Young peoples department of the church is in charge of the supper with Mrs. Lowell Littleton as department superintendent.

Mr. Meade is Educational director of the Cliff Temple Baptist Church in Dallas and is currently on a tour of this part of Texas in connection with his Sunday School work.

Heavy Crockett County Voters Go For Nixon Tuesday

Rutherford, Nugent And Johnson Win Crockett Contests

Crockett County voters did not go with the winter last Tuesday as they supported Republican Richard Nixon along with most of West Texas.

Nixon posted 635 votes in Crockett County to Kennedy and Johnson's 517. The 517 count for Kennedy was largely the result of heavy Kennedy votes in the South Elementary box and the Court house box.

Other races found Crockett county giving strong backing to J. T. Rutherford in the 16th Congressional district race and to Jim Nugent in the race for state representative in the 78th district.

With the exception of the presidential race only John Tower, Republican candidate for U. S. Senator was able to post enough votes to make a race with any of the Democratic candidates for both national and state offices along with local County races.

A total of 1218 votes were cast in Crockett county some eighty-six off the 1956 count which found 1307 votes cast in the County. In the Senate race Johnson re-

Ft. Stockton Man Killed In Accident Wednesday

Cecil Ray Hana, age 21, of 1302 North Texas, Ft. Stockton, Texas, was killed instantly Wednesday afternoon when the seismograph drilling rig on which he was working was raised into a high voltage R. E. A. line on the Conklin ranch some forty miles southwest of Ozona in Crockett Co.

Mr. Hana who was but recently married was working of a crew contracted to Shell and operating out of Ft. Stockton.

The body was brought to the Cody Funeral Home where arrangements were pending.

ERNEST DUNLAP ENTERTAINS OZONA ROTARY CLUB

The Ozona Rotary Club was entertained for the second straight year with a Quail dinner last Tuesday on the Ernest Dunlap ranch west of Ozona.

Ernest Dunlap who has demonstrated to the other Rotary members a number of talents, combined his skill with that of Ira Carson to present the members present with a meal fit for a king.

Fresh hot biscuits, fried quail, peach cobbler, and a number of other things all cooked outdoors in dutch ovens were more than enough to compensate for any difficulty in reaching the place where the meal was served.

Club members who were present for the meal expressed great appreciation for the food, and the cooks most apparent talent, even under something less than modern refinements.

T. J. Bailey expressed his belief that you just can't beat that outdoor cooking.

GOLF AND BRIDGE MEET

Both golf and bridge were played last Thursday at the Ozona Country Club by the Ladies Golf Association. In golf play in the morning, blind bogey went to Mrs. Byron Williams, and low net on trophy was won by Mrs. Joe Pierce Jr. Beginning this week, golf will be played each Wednesday afternoon at 1:30 p. m.

Bridge hostesses was Mrs. George Bunker, Sr. High score went to Mrs. Joe Pierce, Jr., second high to Mrs. Hillery Phillips and cut to Mrs. Sndney Millsbaugh Jr. Other members attending were: Mrs. Dempster Jones, Mrs. Jess Marley, Mrs. Early Baggett, Mrs. Jack Wilkins, Mrs. Lloyd Sherrill, Mrs. Hugh Childress, Jr., Mrs. Lindsey Hicks, Mrs. Carl North, Mrs. C. O. Walker, Mrs. Eldred Roach, Mrs. J. S. Pierce, III, Mrs. Sherman Taylor, Mrs. Joe Clayton, and Mrs. Leroy Zunker.

STOCKMAN EDITOR RESTING WELL FOLLOWING SURGERY

Reports from Dallas Thursday morning indicated that Mr. Evert White, Editor of the Stockman was resting well following major surgery at Baylor Hospital Tuesday morning.

Mr. White was not present Thursday morning when this paper went to press marking the first time in thirty-four years of the Stockman, has gone to press without the presence of its editor.

Miss Margo Pogue, a student at SAC in San Angelo, spent the week-end with her parents Mr. and Mrs. J. P. Pogue of Ozona.

Scouts To Attend The Junior Leaders' Training Course

A training course will be held for the junior leaders of the local Boy Scouts this weekend at Camp Sol Mayer, it was announced by James E. Johnson, training chairman of the Permian Basin Scout District, of McCombey.

Attendance at the training course will be limited to Patrol Leaders and the Senior Patrol Leaders, boys who hold top administrative offices in the Scout troops.

Junior leaders from throughout the Permian Basin Scout District will attend the two-day training course, conducted by the district's training team, Bob Jenson of Fort Stockton, Darrel Freeman of McCombey and Jim Matthews of Big Lake.

Border Patrol Moved Office To New Location

Offices of the Border Patrol men stationed in Ozona have been moved to a new site in Ozona this week, leaving their less spacious office in the Ozona Hotel.

Headquarters for the patrol in Ozona will now be the recently remodeled Tallaferro building on highway 290 two blocks west of the square.

The recently occupied building has been used for a number of purposes in recent years but had been only occupied for short periods of time in the last several years.

The building has been painted white and additional rooms created from the large undivided space which formerly took up most of the interior.

Additional space, less crowded parking conditions, and more adaptable conditions for the type of operations being carried out, were cited as some of the reasons for the move.

The freshly repainted and now occupied building adds a great deal to the appearance of the town, not only to tourists passing through, but also to Ozona residents.

Annual Turkey Shoot Sponsored By Rotary Club

Sunday November 13 At Gene Williams Pasture 2 Miles West

The Ozona Rotary Club will hold its annual turkey shoot Sunday November 13, beginning at 2 p. m. in Gene Williams pasture, two miles West on Highway 290.

The location this year is the same as has been for the past several years, but the rules on use of things other than the weapon itself may be more strict this year, particularly in view of the results of last years shoot.

Rotary spokesman T. J. Bailey stated that last years trophies equipped with the latest marvels of science had almost divested the sponsoring organization of its operating capital, thus accounting for the more ridged enforcement of the rules.

As has been the case in the past, prizes for the more skilled shooters will be presented during the afternoon and hunters wishing to sharpen their eyes with their newest deer rifles are invited to come and take part.

Targets for children wishing to use 22 caliber rifles will be provided by the club.

MISS GWYNEL WALKER CHOSEN AT ACC, ABILENE

Abilene (Spl) — Miss Gwynel Walker, Abilene Christian College junior from Ozona, is a newly chosen member of Campus Service Organization for girls.

Miss Walker is a math major and was recommended for this organization because of her past service in this field. She is the daughter of Mr. and Mrs. C. O. Walker of Ozona. She graduated from Ozona High School in 1958.

At ACC, Miss Walker is also active in the band and in GATA, women's social club.

Ozons Lions Whips Junction Eagles In Home Dist. Game

Rugged Eagle Line; Lions Score 20 To 0 Friday Night Game

By Ernie Boyd

The Ozona Lions used three big plays to whip a stubborn Junction Eagles team 20 to 0 last Friday night at Lions stadium.

A rugged Junction line held the Lions to one first down until the final quarter, even though the Lions scored all three of their touchdowns without a first down figuring in any of them.

The Eagle defense was so effective that at half time the Lions had garnered but 21 yards rushing, while Junction was picking up 87, but despite this the Lions were leading 14 to 0.

The Lions scored first in the second quarter on a startling pass play which caught the fans as much by surprise as it did the Junction defense.

After a scoreless first quarter during which the Lions had been stopped cold at every turn, the Eagles kicked to the Lions with Freeman being downed on the Ozona twenty-nine yard line.

One play sent the ball to the thirty-one, just as the quarter ended, and on the first play of the second quarter the Lions broke the ice.

Jim Freeman fired a quick pass to Mike Stiles and the Lion end shook off one tackler and raced sixty yards to the end zone, just outdistancing an Eagle who was in hot pursuit. The pass and run covered 69 yards and as things turned out was all the Lions needed.

The try for two points failed, and the Lions led 6 to 0. The scoring play marked the first time the Lions had been out of their end of the field.

The Lion tilly apparently stung the visitors and following Ozona's kickoff the Eagles cranked up a drive that seemed to be going quite well until Tony Parker picked off a Junction pass in the wide flat and scampered 65 yards for the second home score.

A pass from Jim Freeman to Mike Stiles picked up the two extra points and what had seemed to be a very shaky lead was suddenly turned into a rather formidable one.

The second half found the Lions coming to life some on offense but once again it took only one play to pick up the night's final score.

Jim Freeman's punt rolled out of bounds near the Eagles twenty following several minutes of fruitless play in the third quarter, and the Eagles took over, cracking five yards on a slant by fullback James Hodges. With second down coming up an Ozona linebacker crashed in and parred the quarterback causing a fumble on which a Lion promptly pounced.

With the ball on the twenty-five Jim Freeman slanted inside the Junction left end and then pitched back to Tony Parker who raced 25 yards untouched for the final score.

In the final period the Lions got their only drive of the night under way and marched all the way from their own seven to the Junction three, before a penalty, a busted play, and another penalty pushed them back out of scoring range.

With time running out in the fourth quarter Junction got their best drive of the night under way but could not outrun the clock and the buzzer brought a halt to the contest with the ball on the Lion seven yard line.

Defensively the Eagles got fine line play all night, but the Lions had the speed on the critical plays and that was the game.

The Lions got good line play from Deeny Holden, Wayne Albers, Bob Childress and Mark Baggett. For Baggett it was a reversal of from since he had recently been benched for playing well below his normal pace.

Offensively Jim Freeman and

Rodney Franklin Scored At Reception

Bob Franklin introduced daughter-in-law at an informal office in her home Saturday night Nov. 5.

Guests were greeted at the door by Ted M. White. In the receiving line were the hostess and Mrs. M. G. Franklin of Angelo, and Mrs. R. D. Strickland of Coleman.

Jim Franklin and Mrs. W. J. Franklin of San Angelo, aunts of the bride, alternated at a table of gold fruit, nuts and flowers.

Dixon Mahon was at the book, where about 100 registered. Other members whose party were Mrs. Beall, Mrs. C. O. Spencer, Mrs. Patterson, Mrs. Dick Henry, Mrs. Ralph Simon, all of Ozona, and Mrs. C. M. Strickland of Coleman.

Candle sticks and pale blue were used in the flower arrangements of yellow and white in brass containers throughout the house.

Temperature Fall On Seasons Coldest Front Comes Wed.

Temperature Fall Into Thirties Expected Thursday Morning

An Arctic cold front pushing down through the center of the United States pushed through Ozona Wednesday morning bringing Ozona its coldest weather thus far this season.

The front which was expected to drop thermometers down into the thirties Wednesday night, did not touch off any rain as it pushed into Crockett County, but some light mist and cloudy weather did accompany the front.

A cold wave which hit Ozona in force last November 11, proved to be one of the coldest of the entire winter in Ozona in 1959, and another cold wave which struck one week later in 1958 also was the coldest of the season.

Weather forecasters had not predicted Wednesday that the cold front would produce any unusual weather, and it was hoped that the effects of the front would have worn off by Friday, leaving clear if cool weather for Friday nights football game in Ozona.

Notes From The County Agent's Office

By Pete W. Jacoby

The West Texas Chamber of Commerce is sponsoring a Livestock Feeding Tour to the Midwest from November 26 to December 1, 1960. The tour will include visits to the Chicago International Livestock Exposition, Iowa State University feeding research labs and many cornbelt feeding operations of cattle, hogs and lambs.

Anyone interested in this tour should contact the Agriculture and Livestock Department, West Texas Chamber of Commerce, P. O. Box 1561, Abilene, Texas, for reservations. Price tag for one person is \$185.00. Travel will be by pullman via Santa Fe.

Anyone can grow roses, according to A. F. DeWorth, head, Department of Floriculture, Texas A&M College. They may be planted in the fall or spring. In Texas, fall planting is generally preferred.

Aim for quality and you will also get quantity. Many gardeners try to grow too many varieties or too many plants. Given careful attention, Mr. DeWorth says that 10 well chosen varieties will produce as many flowers and give far more pleasure than 50 poorly tended plants.

Essentials for success with roses are: proper planting, a sunny location and well drained soil. Start with No. 1 grade plants, and have the ground ready when the plants arrive. Make sure roots are never exposed to sunlight or drying winds.

Initial testing of cattle in the county for brucellosis was completed last week. 7,269 cattle were tested in 178 herds. 59 reactor cows were found in 19 herds which was over 10% herd infection for the county. Ranchmen had 572 calves vaccinated against brucellosis. All herds with reactor cattle will have to be retested and the percentage of infected herds reduced to 5% or less before the county can be declared a certified free brucellosis county. Dr. John Redden, local veterinarian, has been engaged by the Texas Animal Health Commission to make the retest on infected herds in the county. Retest of the infected herds should

reduce herd infection in the county to a percentage below the minimum required 5% and the county should be eligible for certification as a modified free brucellosis county around the first of the year.

HERE! EASIER GOING FOR THE DRIVER AND THE LOAD. LONGER LIFE FOR THE TRUCK!

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvaire 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

CORVAIR—Side doors open a full 45" wide. Loading height is a low 17"

1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Mrs. J. B. Smith
1913-1917

B. Smith, became the first president of the "13 Club" in 1913. The study of Shakespeare was the first activity. There seems to be no record for 1913-14 or 1914-15. In 1915, the Merchant of Venice was presented to the public, following a cast of characters. The club members were: Mrs. Duke of Venice, Mrs. Prince of Monocco, Mrs. Antonio, Mrs. Ingham, Mrs. Jim Moore, Mrs. Willie Johnson, Mrs. Salanio, Mrs. Womack, Mrs. Lorenzo, Mrs. Bright Baggett, Mrs. Jew, Mrs. W. E. West, Mrs. Gobbo, a clown, Mrs. Old Gobbo, Mrs. H. W. Montgomery, Mrs. Leonardo, Mrs. Balthazar, Mrs. Miss Portia, Mrs. Frank Perina, Mrs. Jessica, Mrs. Shylock, Mrs. W. E. Smith. Merchants supporting the program by advertisements on the side cover were: National Bank, Capital & \$100,000; W. S. Smith Co., drugs; Ozona Ice Co., ice-water-lights, fixtures; PV & RC Tele- W. T. Steward - Man- ton-Smith - Cold drinks,

pure Ice Cream; units after the play; W. F. Coates - Saddlery and Harness; G. L. Bunger - general merchandise; Chris Meinacke - fresh groceries - Country Produce; R. R. Baker - up-to-day Tailoring - gents furnishings; L. B. Cox Cr., Dry Goods and groceries.

The club studied eight Shakespeare dramas during these five years.

In 1915, when Sixth District was organized in San Angelo, with Mrs. Leila Johnston, of Coleman the first district president, the "13 Club", under the guidance of Mrs. Smith, decided that the pursuit of self-culture and so limited a membership, was a bit selfish, so they voted to become Federated with State and a member of Sixth District. They enlarged the membership and became The Ozona Woman's Club, with Mrs. J. B. Smith the first president. The membership was so large that two departments were set up, the Literature with forty members and Needlework with thirty-three. The study was to be varied. Other officers were: Mrs. H. W. B. Montgomery, vice-president; Mrs. Jim Moore Recording Secretary; Mrs. Paschall Odom, Corresponding Secretary; Mrs. Roger Dudley, Treasurer. Members were: Mrs. Frank Friend, Mrs. W. E. West, Mrs. Paul Willoughby, Mrs. Elmer Stubblefield, Mrs. Early Baggett, Mrs. W. R. Baggett, Mrs. Austin Buck, Mrs. Mary Childress, Mrs. Pleas Childress, Mrs. L. B. Cox, Mrs. Elane Dudley, Mrs. N. W. KENNEDY WINS NATIONAL NIXON WINS SCHOOL

Editorial

Although Kennedy won the national election and carried Texas, Nixon won the Presidency poll in Ozona High School.

A few of the classes held sample elections this week for president. Some of the classes were Civics, both English IV classes, and a small election in journalism. In Civics the vote was 17-6 in favor of Nixon and Lodge. Nixon and Lodge won in the other classes. As you can see from the school election most of the students would vote for Nixon and Lodge — if they were 21!

BARBEE — POPULAR GIRL DORAN — POPULAR BOY

On October 28, the Ayer Staff held election for most popular girl and boy.

After the votes were counted Thursday afternoon, it was necessary to hold a run-off for both the girl and boy. The girls in the run-off were: Judy Black, Sandra Whitaker, Nancy Friend, Barbara Barbee, Janet North, Betty Baggett, Glenda Friend, Mary Lou Zunker, Anne Davidson, Pam Penner, and Kathy Doran. The boys were: Jim Freemann, Jim Doran, and Tony Parker.

The run-offs were held Friday. Jim Doran was elected the most popular boy in high school.

It was necessary to hold another run off for the most popular girl. The voters cast their ballots Monday for Judy Black, Nancy Friend, Sandra Whitaker, or Barbara Barbee.

When the votes were counted Monday afternoon, it was found that there still was no majority. A run off was held Thursday between Judy Black and Barbara Barbee. After the votes were counted, the results showed that Barbara Barbee was the most popular girl.

Barbara and Jim's pictures will appear in the 1960-61 Ayer.

SPIRIT NEEDED AT YELL SESSION

A pep rally will be held in front of the court house Thursday evening at 7:30.

Everyone is urged to attend to give the team a big boost.

JUNIOR CLASS DELIVERS MUMS

The junior class will begin delivering mums for the Eldorado game, Friday afternoon.

Mums will be on sale at the gate for \$1.50.

FORMER STUDENT IS TEACHER OF THE WEEK

The teacher of the week this week is Mr. Haskell "Hack" Leath. Mr. Leath was born on October 1, 1919 in Bonham, Texas.

Mr. Leath attended high school at Ozona High School. After attending high school he enlisted in the Marines and served in the South Pacific as a First Lieutenant and received the Silver Star. He served in the Second Marine Division as an Assault Engineer. Mr. Leath served 6 years in the marines and after his discharge he attended San Angelo College and Sul Ross College. He has a B. A. Degree in Speech and a M. A. in Education and a Minor Degree in History. On November 18, 1944, he married Altha Fields and he has one child named Linda, 13, who is attending Ozona Junior High School. Mr. Leath teaches Speech and History and is director of the Junior, Senior, and one-act play. Mr. Leath and his family are members of the First Baptist Church in Ozona.

FRESHMEN SPONSOR THANKSGIVING DANCE

The Freshman class will sponsor a Thanksgiving dance November 11 after the Eldorado game. It will be held in the North Elementary auditorium.

LIONS PROWL

There were many ghosts and goblins running around Halloween night. They were not all trick or

treating.

The pictures were taken Monday afternoon and we hope the machines don't get fouled up again.

The laws in Texas may state that persons under twenty - one cannot vote, but this week in the classes students voted for their choice for president.

Deer season opens Nov. 16 and the local boys will probably disappear every chance they get to hunt. They should take note of the boys in Summit County, Colorado. To receive an excused absence, the student must present his hunting license the day before he goes

hunting. Their football team lost one of their football games by a large score because seven of their starters had gone hunting.

The 1960 football queen will be crowned at half-time of the Eldorado game. Her identity will be kept a secret until the time of the crowning.

LIONS ON STRAIGHT EAGLE DIET

The Ozona Lions stopped through Junction 2-0 Friday night. The Lions were beaten in every statistic but the score.

Junction who was in a happy, go-lucky mood from the beginning

of the game to the end, blocking assignments were anywhere from Custer to Ombogonia. For instance one blocking assignment was "stand" and the right tackle answer with "I don't want more than what is literally Junction's boys were grinning. If they made a good play they grinned. If they made a bad play they grinned.

I hope the Lions can enjoy selves as much in their last as Junction did in their last. (Continued on Page Five)

CHRISTMAS IS JUST AROUND THE CORNER!

This may seem to be a trite expression — but, nevertheless, it is true. You are planning and, no doubt, are depending upon your credit connections to help supply your Christmas needs.

In the true spirit of Christmas — may we suggest you practice the "Golden Rule" — "Do unto others as you would have them to do unto you" — Could you

expect more from your merchants, that are ready, always, to extend to you this privilege of charging your purchases — if, you, in turn, do not fulfill your obligation and "promise to pay" your bills by the tenth of the month.

REMEMBER! TODAY IS THE 10th. Pay your bills promptly and so protect one of your most valuable possessions — a good record.

ROUNDBALL SOON TO RELIEVE FOOTBALL

By Mike Stile

Basketball gets under way soon,
with one expected 25 boys. Out
of this, 6 will be returning letter-
men. Practice has already begun
on those that do not play foot-
ball. The team will consist of last
Junior High.

Getting in shape will be the
main purpose for the first weeks.
Things will be rough since prac-
tice starts Nov. 21, and our first
game is November 22. The first
game is with Rankin and will be
here.

The team has also been entered
in 3 tournaments: Rankin, Big
Lake, and our Annual tourney.

Coach Dozier expects to have a
better district record than last year
(1-7) and will be out for some
revenge.

Even if the team should not be
able to play, at least they will
look good as new warmups and
uniforms have been purchased.

The co-captains for this year
are Jim Freemann and Van Miller.
They were chosen last year in
spring training by the basketball
players.

NOVEMBER 11 ARMISTICE DAY

A United States national holiday
is observed on November 11. Arm-
istice Day was celebrated to
honor those who fought in World
War I. As a tradition a moment of
silence was observed at 11:00 a. m.
the time at which firing ceased in
Europe on November 11, 1918.

As a result of World War II
and the Korean War, the title was
changed to Veteran's Day in order
to honor all veterans.

STUDENT COUNCIL PLANS AHEAD

The Student Council held a
meeting November 7 and decided
on programs for their next three
assemblies.

Yesterday the program was a
film furnished by the Air Force.
On November 16 the J. T. Auth-
erford Award will be presented.

The November 23rd program is
going to have a Thanksgiving
theme.

During the meeting Monday the
Student Council also discussed
their plans for the West Texas
Forum meeting this Spring. The
Spring meeting will be held Feb-
ruary 18, here in Ozona.

For Those **COLD Spots**
In Your
Home—

place a
portable *flameless*
ELECTRIC HEATER

for that cozy warm feeling

Remember those Cold Spots in your home last winter. You just
seem to never be comfortable. This year, before winter comes, why
don't you eliminate the discomforts of cold spots once and for all, by
purchasing a portable "flameless" Electric Heater. Just plug it in and
it's warm. Clean heat will give you that good cozy feeling in a jiffy—
and so safe that we call it "Baby Safe."

Go see your Electric Appliance Dealer. He has a "flameless" Electric
Heater to fit every room in the house.

Pontiac tailors body design to a new Wide-Track
Better balance and roadability! Control that can't be copied!

We've built more room and greater roadability into this sleek new '61 Pontiac.
There's more headroom, legroom and footroom. Doors are wider and they're
designed to open farther for greater convenience.
By trimming side overhang, we balanced more weight directly between
the wheels. The '61 Pontiac gives you greater stability. It gives you a greater
sense of control for every mile, every maneuver.
Isn't now the time to try the Wide-Track way to travel?

THE ONLY WIDE-TRACK CAR
Pontiac has the widest track of any
car. Body width trimmed to reduce
side overhang. More weight bal-
anced between the wheels for
extra-quiet driving stability.

Heavy Voters —

(Continued from Page One)

ceived 654 votes for the office for which he was not running, while Tower garnered 466. Results in this race left Texas without a U. S. Senator and a special election will have to be called in order to elect a man for the unclaimed office.

Robert Calvert was the champion vote getter in Crockett Co. as he polled a record 1161 of the total 1218 cast.

Only two candidates had written opponents, Sheriff Billy Mills lost one vote when Tom Mitchell polled one vote for Sheriff and Ralph Jones lost 35 votes, all cast for write-in candidate Armando Reina.

Crockett County voters passed all four of the amendments on the ballot by substantial margins.

The 1960 elections marked the third time in a row that Crockett County has left the Democratic ticket in the Presidential race. Indications are that party platform rather than candidates has been the underlying reason for the bolt, but doubtless Eisenhower's personal popularity was an effective factor in the 1952 and 1956 races.

Lions Whip —

(Continued from Page One)

Tony Parker along with Jim Doran carried most of the load but the way things went there was not a lot of good offensive play during the contest.

Junction picked up 14 first downs to the Lions 54, garnered 162 yards rushing to 84 for the home team, but there the edge goes the other way as the Lions picked up 125 yards passing to the Eagles 42, completed 5 for 12 passes and intercepted two Eagles tosses, while Junction was completing 5 of 16, intercepting none and losing the ball three times on fumbles.

The win gave the Lions a 2 won and 1 lost district record and set the stage for a show down with Eldorado in Ozona Friday night.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 12, 1931

The Ozona Lions Club this week endorsed the national movement for the relief of the unemployed. Among projects mentioned for providing work for the idle and at the same time offering a worthwhile improvement for the community was dredging and straightening of the Johnson Draw through town.

Members of the Sonora football squad, the Sonora coach and other school officials and visitors from Sonora were guests of the Ozona High School Pep Squad at a weiner roast held at the fair grounds Saturday evening following the football game between the two teams. The Ozona gridiron warriors, victors in the clash, were honored guests of the pep squad.

Ozona's New \$175,000 High School building, now under construction, is rapidly nearing completion. Workmen are putting the finishing touches on the interior of the building and the grounds are being put in shape.

Organization of a Red Cross Chapter in Crockett County got underway this week with the nucleus of a chapter formed at a Lions Club meeting Monday. The Reverend M. M. Fulmer was named chairman of a committee comprised of John L. Bishop, Hugh Childers, Jr. and Evert White, which will perfect the organization.

JUNIOR G. A. GIRLS MEET

The Junior Girls Auxiliary of the First Baptist Church met November 2, with Miss Lola Mae Daniels at the church.

President Mary Ann Pitts called the meeting to order and the calendar of prayer was read by Beverly Loudamy with prayers being said for missionaries both on the home and foreign fields.

Members repeated together the GA Watchword and Star Ideals and Judy Barber and Sandra

Shields told what the colors of the organization stood for.

Following the program the president called for a business meeting with Dale Dover reading the minutes of the previous meeting. All committee chairmen gave reports on their work and the plans yet to be carried out, and plans for the Months of November and December were discussed. Johnette Doizer closed the meeting with a prayer. Twelve members and two counselors were present.

MARTHA JOHNSON CIRCLE MEET

The Martha Johnson Circle of the First Baptist Church met in the home of Mrs. Jackie Holmes, Wednesday morning. Mrs. Bob Pitts presided over the meeting and Mrs. Doyle Easterwood brought a continued study on the mission book "Across the Bridge", by Frank K. Means. Coffee and cookies were served to Mrs. Bob Pitts, Mrs. Roy Thompson, Mrs.

Johnny Poyner, Mrs. Gertrude Len, Mrs. Pless Childers, Jim Carpenter, Mrs. Doyle Easterwood, Mrs. Clyde Gay, Mrs. Holland, Mrs. Harold Shaw, Jessa Sweeten and Mrs. Jackie Holmes.
