Salesman Reports Mysterious Rifle Shot At Big Hill

Possible Clue To Hiding Place Eldorado Slayer Seen

State and local officers concentrated their search for Emelio Benavidez, Mexican ranch hand, suspected slayer of four members of the Henry Calcutt family near Eldorado last Thursday, to the Pecos river area near the Lancaster Hill on Highway 290 yesterday as the result of a mysterious rifle shot in the vicinity of the big hill reported here by a traveling salesman.

Eldon C. Byars, sales representative of the Eli Lilly pharmaceutical products, reported to local officers late yesterday that he had been fired on as his car negotiated the hill. Byars reported hearing the report of what he guessed to be a rifle and heard the bullet ricochet off the rocks immediately behind his car. The salesman said he did not see the rifleman, but heard the gun's report distinctly, and from the nearness of the bullet was convinced that the marksman was deliberately aiming at his car. Benavidez is believed to be in possession of a .30-30 calibre rifle.

State highway patrolmen and Texas Rangers, as well as local officers, made an immediate investigation of the incident. Mr. Byars accompanying the officers back to the scene.

Rewards for the slayer of the Eldorado ranch family now total \$850, with Governor W. Lee O'Daniel posting \$250, a brother of Henry Calcutt \$500 more, and Eldorado American Legion Post an additional \$100.

New Ozona High Band Director Employed Here

Cyril Pingleton Succeeds Norman Heath; Heath To Memphis

Ozona High School has a new band director this morning.

He is Cyril Pingleton of Panhandle, Texas, a graduate of Hardin-Simmons University. Pingleton succeeds Norman Heath, whose resignation to accept a similar post in the Memphis, Texas, high school was accepted by the superintendent and members of the school board with employment of the new leader.

Mr. Heath was elected to the post of band director in the Memphis school, whose enrollment is 342 students, at a meeting of the board there last weekend. He asked for his release from the local system and it was granted.

Mr. Pingleton arrived here yesterday and Mr. Heath will remain the balance of this week to assist him in getting lined up in the new work. The band, together with members of the Pep Squad, will make the trip to the first football game of the season at Big Lake Friday night and Mr. Heath stayed over to assist the new director at this event. He is to report for his new duties in Memphis Monday morning.

Mr. Pingleton was graduated from Panhandle high school where he had four years of band and from Hardin-Simmons University in 1940 with an A. B. degree, majoring in band with minor in theory of music.

SHERIFF W. S. WILLIS BACK FROM HOSPITAL

Sheriff W. S. Willis, who has been under treatment for several weeks in a San Angelo hospital, was returned to his home here Sunday.

Mr. Willis is still seriously ill and is being forced to remain in bed here for further treatment.

New Minister and Wife To Ozona

Pictured above are J. D. Moss, new minister of the Ozona Church of Christ, and Mrs. Moss, who have just arrived here from Phoenix, Ariz., to make their home. Mr. Moss served the Phoenix church as its minister for the past five years. The couple are parents of a three-months-old daughter.

Lion Gridders Open Season At Big Lake Friday

Opener To Be Played Under Lights Starting At 8:00

Coach Dan Patterson and his Ozona Lions, a new coach and a new football team, will receive their baptism of fire in the 1940 season next Friday night when they journey to Big Lake for a warm-up game and season opener with the Big Lake Owls. The game will be called at 8 o'clock in the lighted roost of the Reagan Owls.

Approximately 25 boys of the squad will make the trip and most of the material likely will see some service in the game so that the coach can have opportunity to see them perform under fire.

Coach Patterson expressed himself as well-pleased with the showing made by the boys in this week's practice. There is still room for improvement, however, for the boys will have had but two weeks practice before going into their first game, and that's especially tough this year because of the serious lack of seasoned material.

Because of the necessity of rushing up the practice sessions and the hardening process necessitated by the short period allowed for training, several boys have suffered minor injuries, the coach reports. Among players who have been knocked out for a time this week are L. B. Cox, III, Shorty Colquitt and Bill Hannah. No serious injuries were suffered, however, and the squad may finish off in good shape for the opener.

Coach Patterson says the boys exhibit a wonderful spirit and attitude and he believes they will at least give all they have in the season opener Friday night.

Ozona Missionary Groups Hosts To Slater Zone Meet

Members of the Missionary society of the Methodist church will be hosts to a meeting of the Slater Zone of missionary groups in an all-day session here today. The morning session will be devoted to hymn singing and a devotional talk by Miss Mary Riddle, to be followed by group meetings for discussion of mission topics.

Luncheon will be served at the noon hour and the afternoon session will open with the hymns, "Holy, Holy, Holy" and "Lead On, O King Eternal." A business meeting will follow, after which Mrs. Roy May, district secretary, will present her report. Mrs. H. B. Tandy will sing "Pass On the Torch," by Nathaniel I. Hyatt, and Mrs. Eugene Slater will present "The Story of the Lighted Lamps" by Chesney. Organ music will be furnished by Mrs. Bryan McDonald.

Ozona School Boy Seriously Injured In Fall Of Horse

Marvin Porter, 16, son of J. E. Porter, suffered temporary blindness and other serious injuries Sunday when a horse fell with him near the Mike Couch grocery in the west part of the city.

Young Porter was riding at a gallop along the side of the highway and a milk cow tethered nearby ran in front of the horse and fell directly in the path of the animal. The horse stumbled over the cow and fell, Porter falling under the horse. The boy, a senior in high school, was unconscious until Monday afternoon and was temporarily blinded as a result of the fall. Several ribs were pulled loose from the spine and the boy suffered head injuries and severe bruises.

Mexican School Is Opened Mon. With Enrollment Of 196

After a week's delay, the local Mexican school got under way Monday morning with an opening-day enrollment of 196 pupils, a heavy increase over last year's opening enrollment, but about on the same level as figures for later enrollment last year.

The new building was accepted, except for a few minor items, in a final inspection Thursday.

Dove Season Opens Sunday For 2 Months

Birds Expected To Be Plentiful In Most Parts Of State

When dove hunters blast the lid off the closed season in this part of Texas next Sunday, they will find a far better crop of the fast little birds than last year, according to a promise from the State Game Department at Austin, issued after a perusal of reports from game managers over the state. All other types of game are also reported in excellent shape this year and more plentiful than in 1939.

Rainfall at the proper time of the year has provided mourning doves with an abundance of food, the department points out, and they have prospered. Ranchers in this section report the prolific bird are plentiful.

Open season on white wing and mourning doves in this part of the state is from September 15 to November 15. Shooting hours are from sunrise to sunset. Birds may not be shot with a gun other than a shotgun and it of not larger than 10 gauge. Repeating or automatic shotguns must be permanently plugged to a three-shell capacity. Daily bag limit is 12 birds and possession limit the same. This is a reduction from 15 birds last year.

District Court Faces Busy Term Opening Monday

20 New Suits Filed For Action During Fall Term

District court attaches face a busy week here next week when Judge W. C. Jackson opens the September term of the 112th district court Monday morning.

Approximately twenty new civil suits are on the docket awaiting action of the court, in addition to those carried over from the last term. Five of these are divorce actions, while the rest are contests over land titles, leases, etc., growing out of newly discovered oil production areas in the west and northwest section of the county.

Prospective jurors to serve during the week have been summoned by the sheriff's department. Grand jurors are to report Monday morning and petit jurors Wednesday morning.

Prospective grand jurors summoned for the opening day of court include B. J. McDowell, Clifton Brooks, J. M. Baggett, George Bean, T. N. Beauchamp, Lee Childress, Boyd Clayton, Fleet Coates, Jeff Owens, Ray Dunlap, Roy Henderson, Alvin Harrell, Paul Perner, Ted White, Massie West, and W. R. Baggett, Jr.

The petit jury panel is composed of Tom Owens, Hugh Gray, Doug Kirby, Rex Russell, Welton Bunker, Miller Robison, Oscar Kost, Hillery Phillips, J. B. Miller, Joe Pierce, Jr., P. L. Childress, Jr., Ralph Jones, Roy Miller, Marshall Montgomery, Elton Holland, B. B. Ingham, Jr., Walter Augustine, John Mitchell, Abe Carruthers, Vic Montgomery, Armond Hoover, Lee Wilson, L. A. Greer, Bill Childress, R. L. Flowers, Ernest Dunlap, Earl Deland, Bill Sehorn, Jess Marley, W. N. Hannah, Melvin Brown, Watt Turner, Hudson Mayes, Carl Colwick, Ele Hagelstein and Sherman Taylor.

2nd Fall Clip, Small Lot Long Wool Sold Here

Short Clip Brings 25 Cents; Odd Lots 12-No. at 31 1/2 Cts.

Sale of two small lots of wool, the 40,000-pound clip of fall wool from the A. C. Hoover ranches, and approximately 20,000 pounds of odd lots of 12-months wool was reported this week from the Ozona Wool and Mohair Co. by Melvin Brown, manager.

The fall wool sold at 25 cents, the second local sale of the new clip at that figure. The long wool, consisting of small lots from a number of growers sheared this spring, went at 31 1/2 cents. Both purchases were made by Tom Richey, buyer for A. W. Hilliard & Son. Another long wool sale of a large clip in storage at the local warehouse was declared in prospect at 32 1/2 cents.

Fall wool and mohair clips are beginning to come into the local warehouse, cleaned out of all but (Continued on Last Page)

Baptist Brotherhood Holds Weekly Meet

Members of the Brotherhood of the Baptist church met Tuesday evening at the church for the regular weekly meeting, with the program under the direction of Leslie Nance, attendance vice president. Present were Leslie Nance, Lowell Littleton, Rev. Clyde Childers, Dr. John Sherburne, Troy Williams, Roy Keith and a Mr. Myers.

The meeting for next week will be in charge of Troy Williams and the subject will be "The Tithes; Is It Yours?" On the program will be Dr. Sherburne, Leslie Nance, Rev. Childers and Lowell Littleton.

Lamb Sales Bring Million And Half Deposit Prospects

Scott Peters, active vice president of the Ozona National Bank, around whose desk most of the lamb sales in this county are made, was doing some fast mental figuring when some 77,000 head of lambs went over the counter at an estimated \$350,000 in two days of buying early in the week.

Mr. Peters saw still more "all-time" records about to crash as he calculated just how long it would take to get these lambs over the scales and the money in the bank. Recently the bank hit a record high in deposits for its 35 years of existence, with \$1,340,000 in deposits. With none of the week's lamb sales yet translated into cash, the bank's new record had climbed to \$1,380,000 yesterday, with the "cash on hand" item totalling \$1,024,000. It's not exactly a goal, but the Ozona National personnel is going to be disappointed if deposits don't climb to a flat million and a half in the next few weeks as cowboys round up and deliver this country's principal money crop.

Carson Funeral Services Held At Harper, Tex.

Wife Of Rancher In Dryden Area Died Sun. Morning

Funeral services were held from the church in which she worshipped and attended Sunday school as a child at Harper, Texas, Monday for Mrs. E. B. Carson, 30, who died at the ranch home near Dryden early Sunday morning. A number of friends of the family from Ozona, Sanderson, Dryden and other West Texas towns accompanied the body to attend the last rites.

Mrs. Carson was the wife of E. B. Carson, young rancher in the Dryden area, a brother of Ira Carson of Ozona. She had been in failing health for several months. The body was taken in a Joe Oberkamp funeral car to Harper.

Funeral services were conducted by Rev. Nixon at Harper, with Rev. A. J. Carson, pastor of the Baptist church at Kerrville, and a brother of E. B. and Ira Carson, and two other ministers assisted in the services.

Surviving besides the husband are two children, Lynda Dell, 4, and Kay, 7 months. Two sisters, Mrs. Daniels of Eden and Mrs. John Beck of Kenedy, and two brothers, Alton Barker of Eden and A. B. Barker of Harper also survive. Mr. and Mrs. Carson were married in May, 1935.

Pallbearers were Hilton North, Wayne West and Clay Adams of Ozona, A. F. Buchanan and Moody Bennett of Dryden and Walter Grigsby of Sanderson. Ozonans attending the services were Mr. and Mrs. Ira Carson and Bill, Mr. and Mrs. Clay Adams, Mr. and Mrs. Wayne West, Mr. and Mrs. Hilton North and Early Baggett.

Grocery Clerk Is Injured In Fall

Pete Knowles, clerk employed at the Williams Grocery, suffered severe injuries last Saturday morning when he fell over the leg of an overturned table in the store, fracturing several ribs and causing internal injuries.

Knowles, whose home is in Del Rio, had been employed at the local grocery but a few weeks. His parents came Sunday and took him to Del Rio for treatment. At last reports he was improving satisfactorily.

Mrs. Joe Pierce came to Ozona Friday from the Pierce ranch near Sierra Blanca and she and her daughter, Mrs. Dempster Jones, left Saturday for Bay City for a visit with Mrs. Pierce's mother, Mrs. Kate Moore.

77,000 LAMBS SOLD HERE AT 7 CTS. POUND

Sheepland's Money Crop On Move At Asking Level

40 GROWERS SELL Sales This Week Estimated \$350,000 To Growers

After growers had sat tight in their demands for price of 7 cents a pound for 1940's lamb crop, buyers blew the lid off Monday and Tuesday and after two days of rapid-fire selling, a check-up showed in the neighborhood of 77,000 Crockett county lambs had changed hands and an estimated \$350,000 in money poured into the pockets of Crockett county sheep men estimating average weights at from 65 to 70 pounds.

Bidding for this year's lamb crop started at 6 1/2 cents, climbed to 6 3/4 cents in scattered purchases and then blew the top for the asking price of 7 cents.

Jess Elrod, San Angelo commission dealer and ranchman, was the heaviest buyer in the buying spree here early this week. His purchases totalled around 40,000 head. Previously he had bought around 8,000 head from George Montgomery, whose purchases by the head and by the pound in recent weeks have totalled approximately 30,000. Delivery of the 8,000 head was completed yesterday.

Elrod's purchases were from the following growers: Stephen Perner, 1,400; Paul Perner, 1,400; W. W. West, 4,000; Ele Hagelstein, 1,300; Pleas Childress, 1,100; Joe Davidson, 3,400; Floyd Henderson, 6,000; Jack Henderson, 800; E. R. Kinser, 960; C. E. Davidson, Jr., 1,500; Mrs. C. E. Davidson, Sr., 1,500; Roy Henderson, 4,000; Mrs. J. O. Secest, 650; Jones Miller and Sons, 9,500.

Lloyd Brandenburg bought from Vic Montgomery, 1,100; T. A. Kincaid, Jr., 1,400; Ralph Watson, 1,800, and Bill Baggett, 2,900.

Finley and Kitchens purchased as follows: Ted White, 1,000; Jake Young, 1,600; Hillery Phillips, 1,000; Mrs. P. N. Sehorn, 1,950, (Continued on Last Page)

P. T. A. Launches New Season At Meeting Monday

Initial Session At 3:30 p. m. In School Auditorium

Ozona Parent-Teachers Association will launch its 1940-41 season's activities in the initial meeting of the new year next Monday afternoon in the high school auditorium. The meeting will be convened at 3:30 Monday afternoon under the leadership of Miss Frances Sprawls, kindergarten teacher.

The initial P. T. A. session will open with the devotional to be followed by a discussion by Miss Sprawls on "The Prophet." A parliamentary discussion will be led by Miss Bess Terry. A social hour will follow the business meeting.

In order that the association might be launched with as much enthusiasm and support as possible, Mrs. Stephen Perner, president of the organization, has appealed to all old members and all parents in the city to attend Monday's opening meeting and at each monthly session of the organization through the coming months. P. T. A. meetings are held the third Monday in each month beginning at 3:30 o'clock in the auditorium.

Members of the school system's faculty will be honored at a get-acquainted party at the Perner home this evening.

Get Ready To Pay The Bills

As the armament program swings into gear, the biggest question facing this country is, "Where are we going to get the money?"

The expenditures which have lately been authorized or considered dwarf anything in our history. Close to \$15,000,000,000 has been voted for national defense purposes, and the best estimates indicate that the total figure will touch \$25,000,000,000.

So far, Congress has almost completely side-stepped the financing problem. It has extended the \$45,000,000,000 debt limit by authorizing the issuance of \$4,000,000,000 of national defense bonds—a step which provides no permanent solution whatsoever.

What, then, is the answer? It is two-fold. First, it is no longer excusable for this country to spend \$8,000,000,000 a year for "regular" government activities, along with the other billions required for defense.

Second, the national income must be increased in order that we may retire our debt, just as we

Hitler's Plan

The pattern of Hitler's projected world revolution steadily becomes more clear. It is apparent to anyone that this is not a war in the traditional sense, in which Germany, if she wins, will be satisfied with reparations and colonies and economic power.

Men who were once close to Hitler have been describing what he plans if and when England falls, and the glittering Empire on which the sun never sets crumbles away.

Secret Weapon

For nearly a year now the world has been guessing what Hitler's "secret weapon" is. It is, indeed, a dull day that passes without at least one new candidate for the role. Yesterday, for instance, it was suggested that the secret weapon was insomnia.

Men who were once close to Hitler have been describing what he plans if and when England falls, and the glittering Empire on which the sun never sets crumbles away. They say that Hitler has no intention of launching an immediate military attack on the United States and the New World.

Men who were once close to Hitler have been describing what he plans if and when England falls, and the glittering Empire on which the sun never sets crumbles away. They say that Hitler has no intention of launching an immediate military attack on the United States and the New World.

lieve that this can be done with little trouble. They have said time and again that the U. S. is ripe for revolution, and only a competent directing hand is needed to bring it about when the time comes.

Finally, if it becomes necessary, Hitler's great armed forces will attack us—depending largely upon internal unrest and disunity to make the job of his soldiers and sailors and airmen comparatively easy.

This may sound fantastic, but it seems to be the Nazi plan, and Hitler realizes that if he is to achieve a world revolution unprecedented in history, he must have allies. It must be admitted that he has so far been extremely successful in getting them.

According to Nipponese authorities, Japan will pursue her "Asia for Asiatics" policy—a policy which is about as cruel and imperialistic as any in history—whether we like it or not.

American naval authorities have lately said that our navy could destroy the Japanese fleet in a few weeks in open warfare. But, if we went to war in the Pacific, the Atlantic would be wide open to the Axis, and we would be in no position to adequately fight Nazi-Fascist economic aggression south

of the Rio Grande. That explains why most authorities believe we will do little even if Japan does seize Indo-China, property of the totalitarian-ruled France, and the Dutch Indies.

If Britain is able to survive Hitler's attacks, the pictures will be drastically changed. The U. S. as a democracy will not fall if England falls—but the future of democracy will be immeasurably brighter if England lives.

Queer Predicament

Carl J. Hambro, eminent Norwegian statesman, now in this country, says that Hitler desires to spread the rumor in the United States that there are many fifth columnists at work because it causes the people to become split up and suspect each other.

BRITISH GRIT Notice displayed in London block of flats: "Visitors wishing to be called during an air raid should leave their names with the hall porter."—London Times.

"... the place to defeat radicalism and spendthrift policies is at the polls where Senators and Representatives are nominated and elected."—David Lawrence, editor, The United States News.

WOOL NOTES

A. K. Markey, Sec'y-Treas. Texas Sheep and Goat Raisers' Assn., Inc.

At a meeting of the executive committee of the National Wool Growers' Association at Salt Lake City, on the evening of August 27, President Wardlaw appointed the following men to serve as the wool promotion committee for the national organization: Roscoe Rich, Idaho, chairman; Roger Gillis, Rio, Texas; Byron Wilson, secretary of the Wyoming Wool Growers' Association; W. P. Wing, secretary of the California Wool Growers' Association; Mrs. Bob Taylor, president of the National Woman's Auxiliary, and Fred Marshall, secretary of the National Wool Growers' Association. Collections to the National from her states have been coming in freely. A total of \$5,518.80 had been received from 14 western states up to August 23. Montana is in the lead with a contribution of \$1,478.90. Texas had only contributed \$138.09. Most of the states are contributing 5 cents a pound because of the use of a large size. Texas contributions are made at the rate of 3 cents for foot bags.

At the mid-summer meeting of the executive committee of the National Wool Growers' Association, Secretary Fred Marshall reported that lamb advertising in Kansas City is going along very nicely. Young ladies, trained in home economics and methods of cooking, as recommended by the National Livestock and Meat board, are serving small bites of roast lamb to customers in the larger retail markets. As the different customers come in the store, they give them each a small bite of lamb before telling them what they are eating. In practically all cases the customer is very much pleased with the meat and its flavor. The young lady then describes the cuts and gives them lamb recipe booklets. Later, merchants report an increased sale of lamb in their markets where these demonstrations have been held. After they have completely covered Kansas City in this manner, the group will move on to other large cities. Marshall thinks that this is going to be a very effective way of bringing lamb to the attention of many people who have not previously used it in their homes.

An interesting observation is that the people who eat more lamb are also eating more beef than the average family. Consequently, lamb is not being advertised at the expense of beef.

Secretary Fred Marshall of the National Wool Growers' Association is still quite active in his work with the National Defense Council in the interest of the wool growers. He is keeping in close touch with Chester Davis of the National Defense Council and working with him on the quantity of wool which is available for defense purposes. He is also keeping a careful check with the war department. Marshall feels that Chester Davis is very much interested in the growers' welfare.

The Truth-in-Fabric bill passed the house Friday, August 30, with none of the Texas representatives voting against the bill. This bill should do much to give the consumer a knowledge of what he is buying in the way of goods. It may also afford a means of more and better wool and mohair advertising.

ODESSA GRIDDERS TO MEET LUBBOCK SAT.

ODESSA, Sept. 11.—Joe Coleman's green and inexperienced Odessa Broncs meet the Lubbock Westerners, current champions of Texas high school football, here on Fly Field Saturday night, Sept. 14, at 8:15 in the outstanding school boy tussle in the state this weekend.

Odessa will throw a team of untried youngsters containing only three lettermen against the veteran, smooth-working machine from the South Plains.

Mr. and Mrs. James Smith and family left Saturday for Hobbs, New Mexico, where they are visiting friends and relatives.

Strong Aggie Team Will Try To Break 25-Year Tradition

COLLEGE STATION, Sept. 11.—Thursday morning at 9 o'clock a total of 58 Texas Aggie grid candidates are expected to report to Head Coach Homer Norton and his staff of assistants to begin the grind which they all hope will lead them to their second national championship. However, recalling the strength of the 25-year-old tradition, "Southwest Conference Champions don't repeat," none of them will prophesy a 1940 title, much as they intend to go after it.

The Aggies of 1940 will present almost the same team they had in 1939 with the exception of All-American Tackle-Joe Boyd, All-Conference End Herb Smith, Quarterback Walemon Price, Ends Joe White and Bill Duncan, and Backs Bill Audish and Frank Wood, all of whom graduated. Several promising sophomores will come up from last year's freshman team and will include such names as Willie Zapalac, Belleville high scoring ace; Jake Webster, Sweetwater; Woodrow (Butch) Bando, Beaumont, all backs; Elvis (Boots) Simmons, Somerville, end, and Bill Sibley, Abilene, cen-

ter. There are several other sons prospects but they will be developed mainly for future service since all jobs are lined up about three deep.

Citizen: "My car was insured with your company and it's smashed to pieces. How much money are you going to pay me?"

Insurance Adjuster: "We won't pay you any money, but we will replace your car."

Citizen: "Well, that's all right in this case. But if that's the way

you do things I want to cancel the policy on my wife."

At last the husband got rich. He joyously strewed thousand-dollar bills in his wife's lap, crying, "We've been poor; now we are rich, and at last you can wear some decent clothes!"

"I'll do nothing of the sort," was the sharp retort. "I'll wear the same kind the other women are wearing."

NOW ON DISPLAY AT BUICK SHOWROOMS EVERYWHERE

- More ROOM — from longer, broader bodies
- More POWER — from stepped-up FIREBALL engines
- More COMFORT — from softer, steadier ride
- More VALUE — any way you measure it!

WITH this advertisement, Buick ushers in a brand-new automobile model year.

1940 production is history—recording the greatest manufacturing and selling season our company has ever known.

You may be sure we grimly realized we had to accomplish things in our new cars for 1941 that we could count on to continue our advance.

So we've taken our greatest all-time car and steadily and carefully brought it forward to a perfection of action, ease, goodness beyond anything ever offered under our name.

Every car in all five series of the whole new line deserves unused fresh-minted language.

Stylewise, their suave and dynamic beauty refreshes the jaded eye as would sight of a hydrant in the desert.

They move and function like young wild things. They're all grace and poise and eagerness. They bring to driving and handling a keener pleasure and a new thrill.

Go see these superb new cars at your dealer's and ask especially about the new micropoise-balanced FIREBALL engines—the 1941 furtherance of Buick's Dynaflex design and kingpin of all the features that make Buick the sensation of the new automobile year.

THE FIREBALL DOES IT!

Modern gasolines have high octane ratings to permit higher compressions without "ping." Note how this piston, which can be used only in valve-in-head engines, rolls the fuel charge into the shape of a flattened ball that centers around the new, smaller, racing-car type spark plug. Fired at its very heart, this more highly compressed fuel lets go with such full-force, "ping-free" wallop that any gasoline of 75 octane rating (now available at standard-fuel prices) may be used in the 115-hp. engine. Any fuel of 80 octane rating serves in the 125- and 165-hp. engines.

- ONLY CAR IN THE WORLD**
- WITH ALL THESE FEATURES**
- BUICK FIREBALL VALVE-IN-HEAD ENGINES—115, 125 and 165 horsepower.

Recent Bride Honored Tuesday At Tea and Shower

In honor of Mrs. Doyle Whitehead, who was Miss Adelia Willis before her recent marriage, Mrs. Lloyd Johnson, Mrs. Marion McBee, Mrs. O. D. Busby, Mrs. Hugh Gray and Mrs. Ray Dunlap entertained with a miscellaneous shower at the Busby home Tuesday morning.

Guests were greeted at the door by Mrs. Busby. In the receiving line were Mrs. Whitehead and Mrs. Martin Baze, and Mrs. Albert Kay of Fort Stockton, and Miss Margaret Owens presided at the bride's book. Mrs. H. A. Johnson of Laneville poured punch and Mrs. Lloyd Johnson served cake. In the gift room were Mrs. Dunlap and Mrs. Gray. Piano selections were played by Mrs. J. P. Pogue and Mrs. Winston Cosby.

Queen's wreath and abelia were used in the house decorations and the lace covered dining table was centered with a bowl of queen's wreath set on a large reflector with pink candles at each side.

Mrs. Whitehead wore a soldier blue dress with wine accessories and had a shoulder corsage of gardenias.

Guests were Misses Dollye Cooke, Cristell Brock, and Mary Bess Parker, Mrs. Bruce Drake, Mrs. O. Z. Fenner, Mrs. Cleophus Cooke, Mrs. Clyde Childers, Mrs. Vin Jeffreys, Mrs. T. H. Eastman, Mrs. Hillery Phillips, Mrs. Lowell Littleton, Mrs. Stephen Perner, Mrs. G. L. Nesrsta, Mrs. Eugene Slater, Mrs. J. A. Fussell, Mrs. A. E. Deland, Mrs. Richard J. Adams, Mrs. Tom Owens, Mrs. W. S. Smith, Mrs. Robert M. Neal of Crane, Mrs. Fred Sarguy, Mrs. Claude Hill, Mrs. A. C. Hoover, Mrs. Mahlon Robertson, Mrs. W. R. Cabaness and Mrs. Leslie Nance.

Mrs. Smith Is Forty-Two Hostess

Mrs. W. S. Smith entertained the Just-For-Fun forty-two club Thursday afternoon at Rendall's Drive-In Cafe with four tables of players.

Mrs. Leslie Nance won the high score award and Mrs. Pon Seahorn was given the low score prize. Guest high gift was presented Mrs. A. O. Fields and traveling trophy went to Mrs. O. D. Busby. Jello salad and iced tea was served to Mrs. W. R. Cabaness, Mrs. A. E. Deland, Mrs. Ray Dunlap, Mrs. Oscar Kost, Mrs. Maurice Cox, Mrs. Claude Hill, Mrs. Marion McBee, Mrs. O. D. Busby, Mrs. Pon Seahorn, Mrs. Pink Beall, Mrs. A. O. Fields and Mrs. Charles Butler.

Mrs. Friend Is Bridge Hostess

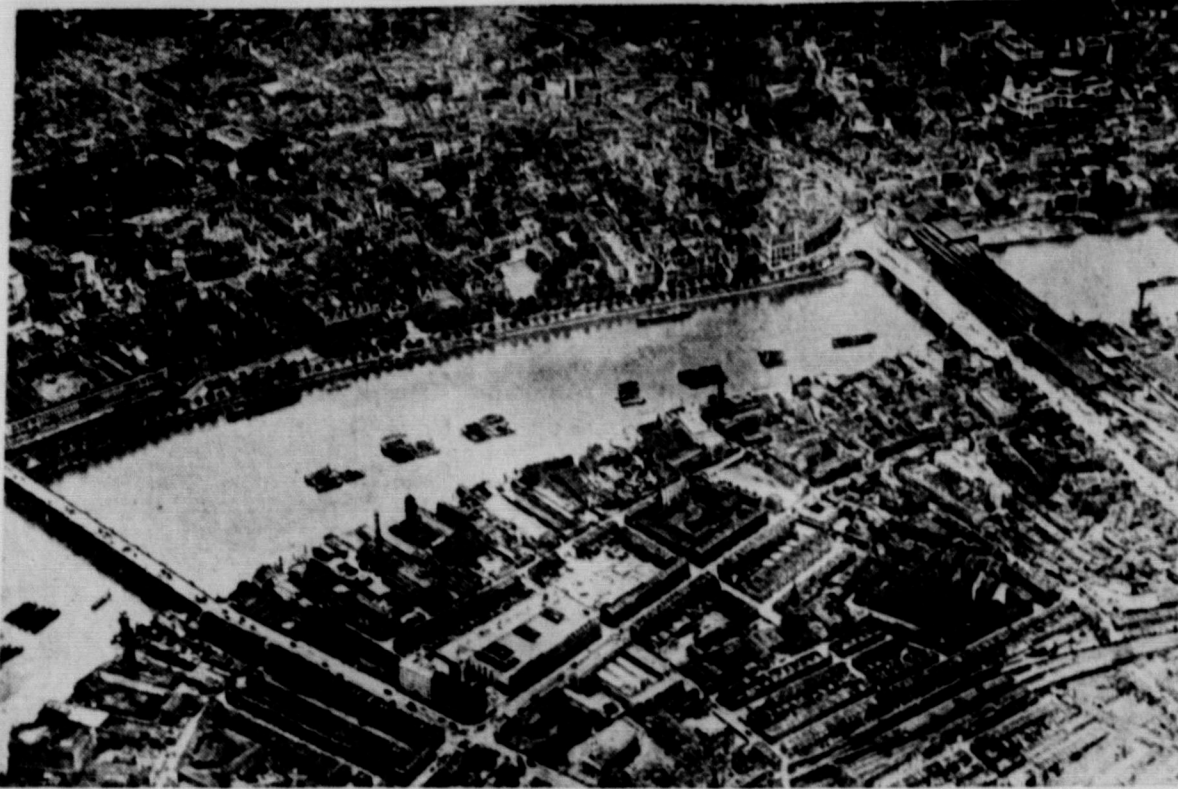

Mrs. Bill Friend was hostess to three tables of players Tuesday afternoon when she entertained with a bridge party at the Rendall Drive-In cafe.

Mary Alyce Smith was the high score prize and Billie Jo West was given the low score gift. Bingo award went to Margaret Owens.

A salad course was served to Mrs. Philip Lee Childress, Mrs. Bill Baggett, Mrs. Buddy Moore, Mrs. Jack Wilkins and Misses Betty Lou Coates, Mary Alyce Smith, Mary Frances West, Billie Jo West, Margaret Owens, Catherine Childress and Dorothy Hannah.

A Bomber's-Eye View of City of London

Here is an aerial view of a section of London's waterfront as it appears to the bombardier of a raiding plane. In the foreground are some of the piers and warehouses that stretch for miles along the Thames; across the river, magnificent public buildings and residential estates. London, heart of England, and nerve center of the British empire, has been in a continual state of alarm recently, as Hitler's air armadas swoop in from across the channel. The Thames is a silver signpost that leads air raiders right to the front door.

Donna Beth Hill Becomes Bride Of Joe Thomas Davidson In Ceremony Read In Big Lake Church Saturday

Miss Donna Beth Hill, daughter of Mr. and Mrs. H. E. Hill of Camp Wood, and Joe Thomas Davidson, son of Mr. and Mrs. Joe T. Davidson, were married in the First Baptist church in Big Lake at twilight Saturday. The Rev. Eugene Slater, Methodist pastor, read the double ring ceremony.

Wedding music, played by Miss Ora Louise Cox, included the traditional marches and Schubert's "Ave Maria" during the service. Mrs. Bryan McDonald sang "O Promise Me" and "All For You" as pre-nuptial selections.

Miss Adrienne Hudson of Big Lake was maid of honor, and Mrs. Wallace Gary of San Marcos, cousin of the bride, served as matron of honor. Charles C. Sprague of Dallas, classmate in S. M. U. of the bride-groom, was best man, and James Childress and Ele Bright Baggett were ushers.

The bride, who was given in marriage by her father, wore a costume suit in brown fashioned with fitted lines. Her accessories were in the same color, and her corsage was of brown and green orchids.

Miss Hudson, wearing a gold frock with brown accessories, had a corsage of talisman roses, and Mrs. Gary wore a plum colored dress with black accessories and a yellow corsage.

The church was decorated with floor baskets of white gladioli and was lighted with cathedral tapers in candelabra. Margaret and Dixie McMullan, daughters of Mr. and Mrs. Frank McMullan of Big Lake, lighted the candles.

Mr. and Mrs. Gordon Roach, uncle and aunt of the bride, entertained with a reception in their home following the ceremony. Families and close friends of the couple were guests at the wedding and reception.

The bride was graduated from Rankin high school and attended the University of Texas. She is a granddaughter of Mr. and Mrs. W. J. Cutbirth, pioneer residents of Big Lake. Mr. Davidson is a grad-

uate of Ozona high school and attended Southern Methodist University the last three years and was a member of Kappa Sigma fraternity and Alpha Phi Omega, national honorary fraternity. He is a grandson of Judge and Mrs. Charles E. Davidson.

Mr. and Mrs. Davidson are at home on their ranch south of Ozona following a short wedding trip.

FIRST BAPTIST CHURCH
Clyde Childers, Pastor

Order of services:
Sunday school, 9:45 a. m.
Worship service, 11 a. m.
Worship service, 8 p. m.
Brotherhood, Tuesday, 8 p. m.
W. M. S. meetings, Wednesday 8 p. m.
Mid-Week service, Wednesday, 7:45 p. m.
Choir practice, Thursday, 7:30 p. m.

Next Sunday our new Sunday school workers take office and we urge all members of the Sunday school to be present in support of these servants of the church. We are anxious to make this the best year of Sunday school work in the recent history of the church.

We will observe the ordinance of Baptism at the close of the service next Sunday evening.

You are cordially invited to be present in every worship service of this church.

Mr. and Mrs. Bob Oakes are spending a two-weeks vacation in Indiana visiting Mr. Oakes' parents.

Lid's Off on Luxury in Plymouth for 1941

Here's the new Plymouth for 1941—a "glamour car" from stem to stern, with numerous engineering advancements that contribute to new performance, impressive new luxury and driving ease. The car's nimbleness in traffic is achieved by new "high-torque" engine performance, stepped up in power and torque. Driving effort is greatly reduced by new Powermatic shifting and a new "get-away" gear in second speed that cuts down driving motions. "Fashion-tone" interior is Plymouth's "inside" story for '41, bringing new luxury and charm beyond anything formerly expected in a low price motor car. Smart new 2-tone body colors are available on Special Deluxe sedans. Number One safety contribution this year is a new "Safety Rim" wheel design that reduces hazard of blowout or puncture by holding a flat tire securely on the rim. Even at high speeds, completely flat tire gives the driving effect of 10 lbs. pressure on standard type wheels. This is the 1941 Plymouth Special Deluxe Four-door Sedan.

SEE IT! DRIVE IT!

Mrs. Whatley Is Named President Baptist W. M. U.

Mrs. J. S. Whatley was elected president for the coming year of the Baptist W. M. U. and Mrs. Powell Littleton, retiring president, was given a handkerchief as a memento when the society met at the home of Mrs. George Bean for the initial meeting of fall with Mrs. J. S. Whatley and Mrs. G. L. Neersta assisting hostesses.

Other officers elected during the business meeting were Mrs. G. Neersta, recording secretary, and Mrs. S. L. Butler, corresponding secretary and treasurer. The annual box that is sent to Buckners Orphan Home in November will be packed next Wednesday. Members of the W. M. U. will continue studying the outlined course of the Bible study.

Doris Bean presented the gifts to Mrs. Littleton. Fall flowers were used in the house decorations, and the lace covered dining table was centered with fall flowers. Cookies and punch were served by Mrs. J. S. Whatley.

Present were Mrs. Clyde Childers, Mrs. S. L. Butler, Mrs. R. K. James, Mrs. R. F. Powell, Mrs. John Mitchell, Miss Maybelle Taylor, Mrs. R. J. Adams, Mrs. O. W. Smith, Mrs. Claude Hill, Mrs. J. T. Patrick, Mrs. Hillery Phillips, Mrs. Littleton and the hostesses.

METHODIST CHURCH Eugene Slater, Minister

Calendar of Services: Sunday school, 9:45 a. m. Morning worship, 11 o'clock. Epworth League, 7 p. m. Evening worship, 8 o'clock. Choir rehearsal, Thursday, 7:30 p. m.

The young people's department will have a party in the church basement Saturday night. Folk games and refreshments will provide good fun for everybody.

We welcome the Rev. J. D. Moss and his family to Ozona. Upon him and upon his church membership we invoke the Father's choicest blessings.

Attend the church of your choice every Sunday! A cordial welcome awaits you at this church.

N. E. Rendall left Monday for Kerrville where he is receiving medical treatment in the Legion hospital.

"This isn't a very good photograph of the girl, is it?" "No, but then she isn't a very good girl."

35 Ozona Collegiates On March As Fall Ushers In New School Term

Texas, Three Other States Get Local Students

With schools both in and out of state chosen, the newest campus clothes selected, Ozona's collegians, some 35 strong, are on the march back to the college campus. So, if the first chill winds from the north hadn't reminded you, this annual exodus should—that summer is definitely over, fall is surely here, and winter is not far behind.

George Pepperdine College in Los Angeles, has been chosen by four Ozonians who have left to enter the college as freshmen. W. B. Robertson, who plans to major in aeronautical engineering, and Dorothy Hannah, who has chosen piano as her major, will enter with scholarships. Noma V. Miller, daughter of Mr. and Mrs. Rob Miller, will study speech and Gladys Jean Willis, daughter of Mr. and Mrs. John Willis, a business administration major, will also attend the California school.

Another out-of-state college has been chosen by Betty Jane Ingham and Mary Louise Harvick, who have gone to Columbia, Mo., where they have entered Stevens College. Mary Louise, daughter of Mr. and Mrs. S. M. Harvick, is a sophomore student and a member of Gamma Delta Phi. Betty Jane was a graduate of Paschal high school in college. She is a daughter of Mrs. B. B. Ingham.

Joe Couch and Roy Henderson, Jr., have left Ozona for New Mexico Military Institute. Joe, son of Mr. and Mrs. Bert Couch, will be a senior, and Roy Jr. will be a freshman business administration major. Dick Henderson, son of Mr. and Mrs. Floyd Henderson, is also to be a student at N. M. I.

The University of Texas seems to be the choice of Texas schools with seven choosing it to continue their studies. Posey Baggett will transfer her credits from Southwestern University to the Austin school to major in home economics. She is an Alpha Delta Phi member and left early for rush week. Betty Lou Coates left Wednesday for the University to begin her freshman work. She is a daughter of Roscoe Coates, Howard Lemmons will begin his freshman work, while Maurice Lemmons will continue his pre-medical study. Maurice is a member of the Sigma Alpha Mu fraternity. Law is the course being pursued by Walter Escue and economics is being studied by Norman Rendall, Jr. Jim Dudley, son of Mr. and Mrs. J. M. Dudley, will leave this weekend to enroll as a freshman at T. U.

Mary Margaret Harris, daughter of Mr. and Mrs. Tom Harris, is transferring to Texas State College for Women in Denton. She plans to major in public school music.

Eloise Carson will leave Friday to enroll in Baylor University at Waco while Crystelle Carson will not leave until Monday for the Baptist school. Billy Jo West, daughter of Mr. and Mrs. Wayne West, will also attend Baylor University and study journalism.

Mary Frances West plans to go to San Antonio and enter Draughans Business college.

Returning to Texas Tech in Lubbock is Doris Bunger, daughter of Mr. and Mrs. Welton Bunger, and Dick Miller, son of Mr. and Mrs. Richard Miller, who is studying music.

S. M. U. is the choice of Ora

Woman's Club Study South Sea Islands For Initial Meet

"The South Sea Islands" were discussed when the Ozona Woman's club met at the home of Mrs. N. W. Graham for the initial meeting of the year Tuesday afternoon.

Mrs. Stephen Perner, program leader, discussed the geography of the islands and gave a talk on "We Go Exploring." Mrs. Evert White talked on "The History and Romance of the Islands," and Miss Mary Margaret Harris, guest artist, played a piano selection.

Present were Mrs. George Bean, Mrs. A. E. Deland, Mrs. P. T. Robinson, Mrs. Stephen Perner, Mrs. Evert White, Mrs. Carl Colwick, Mrs. Joe Oberkamp, Mrs. W. E. Smith, Mrs. Johnny Henderson and Miss Elizabeth Fussell.

PHARR INFANT DEAD

Funeral services were held Tuesday, Sept. 3, for Betty Jean Pharr, 17-day-old daughter of Mr. and Mrs. Claude Pharr, who died in a San Angelo hospital. Services were conducted from the residence by the Rev. Clyde Childers, pastor of the Ozona Baptist church, with burial following in Cedar Hill Cemetery. Joe Oberkamp's funeral directors were in charge.

Surviving besides the parents, are two sisters, Rozelle and Doris, and one brother, J. D. Pharr.

Say: "I saw it in the Stockman."

Rev. Slater Talks At Missionary Meet

A talk by Rev. Eugene Slater, pastor, on the topic "What It Is to Be a Good Missionary Member" featured the first fall meeting of the Woman's Society for Christian Service of the Methodist church Wednesday afternoon.

The devotional was led by Mrs. Eugene Slater and music was furnished by Mrs. Alvin Harrell. Present were Rev. and Mrs. Slater, Mrs. E. B. Baggett, Mrs. Alvin Harrell, Mrs. Madden Read, Mrs. Charles Williams, Miss Mary Riddle, Mrs. Johnny Henderson, Mrs. Jenny Riddle, Mrs. W. R. Cabness, Mrs. Mary Flowers, Mrs. Carl Colwick, Mrs. W. R. Baggett and Mrs. N. W. Graham.

Say: "I saw it in the Stockman."

YOU BET WE HAVE A TELEPHONE!

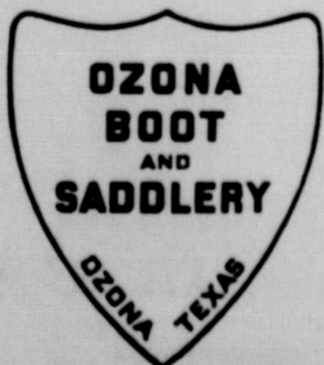

"I can't often leave Tommy to go to market or go shopping — so I go to the stores by telephone. His schedule doesn't allow me much time for visiting — so I keep up with my friends by telephone. And if we should need the doctor in a hurry — or have to meet other emergencies — I know we can depend on the telephone to bring the help we need."

It certainly pays to have a telephone: telephone errands take less time, telephone calls are pleasant, the people and things you need are always closer.

Hardin-Simmons End Leads Team in Scoring

H. C. Burrus, right end on the Hardin-Simmons University Cowboys eleven, and four-sport man, caught enough passes in the 1939 season to lead the team in scoring. Burrus lettered in football, basketball and tennis, when a sophomore last year, and plays baseball and badminton for good measure. Deward Marcum, Amarillo, and D. A. Parker, Ozona cowboy, are other veteran ends at H-SU. Burrus, former Big Spring star, now lives in Lubbock.

Amarillo Expects Big Demonstration When Willkie Visits

AMARILLO, Sept. 11.—A huge demonstration by Texans in honor of the first presidential candidate to visit the state during a campaign will greet Wendell Willkie when he arrives here the morning of September 17. When Willkie arrives aboard a special train at 10:30 a. m. he will be met by 100,000 or more Texans representative of all parts of the state, Miles Bivins of the Amarillo arrangements committee predicted. A flood of visitors, some from as far away as Brownsville, 900 miles distant at the opposite end of the state will come by trains, buses, planes and private automob-

biles. Charles H. Keffer of Amarillo's entertainment committee declared that plainmen will turn out in holiday regalia of boots, chaps, colored shirts and ten-gallon hats to give the presidential nominee a warm western welcome. From the railroad station where Willkie's train, bearing an entourage of more than 200 newspapermen, photographers and newsreel men, stops, the nominee will ride in a 35-block parade to Ellwood park where he will speak for 30 or 45 minutes. Among the other honor guests will be Joseph W. Bailey, Jr., of Dallas, head of the Texas-for-Willkie clubs, and Mike Hogg of Houston, head of the Texas-No-Third-Term Democrats. Phone your news to The Stockman

First Inventor: "I'm going to invent an auto brake that will bring a car going 40 miles an hour to a dead stop in 20 feet." Second Inventor: "That's fine. Then I'll invent a gadget to keep the driver from going through the windshield."

Over Quarter Of Texas Leased For Oil Development

DALLAS, Sept. 11.—More than one-fourth of Texas is now under lease for oil and gas development, a statewide survey just completed by the Texas Mid-Continent Oil and Gas Association shows. Out of a total area of 169,130,716 acres in Texas, Texas oilmen have under lease 45,402,656 acres, the association found. This is nearly 27 per cent of all the land in Texas. The figures were compiled from county tax records, company reports and ownership maps of individual companies. Lease and royalty payments on this acreage to Texas farmers and ranchers totalled over \$125,000,000 in 1939, the association reported. This extra cash income for Texas farmers and stockmen represented an additional 27 cents from the oilmen for each dollar of cash farm income, exclusive of government benefit payments. Including such payments, it represented 22 cents additional for cash dollar of cash agricultural income in Texas last year. In total return to the state, however, petroleum far exceeded all agricultural products. Expenditures of the oil and gas industry in Texas in 1939 were approximately \$750,000,000, or nearly \$200,000,000 more than the \$567,596,000 Texas farm and ranch income from all crops, livestock and government benefits. Well over one-third of petroleum's total expenditures go to Texas workers who receive \$272,000,000 a year in wages and salaries. All but three counties out of the state's 254 now have acreage leased for oil and gas exploration or production. The exceptions are Rockwall, Mason and Llano.

DON'TS FOR DOVE HUNTERS

AUSTIN, Sept. 11.—With dove hunting under way pertinent don'ts which, if followed, will save sportsmen considerable trouble with state and federal game wardens have been formulated by the Texas game department's executive secretary. They include: Don't shoot doves before sunrise or along a public road. Don't shoot from a car or from, nor after official sunset. Don't shoot doves with any gun except a shotgun no larger than ten gauge. Don't forget to plug your gun to three-shell capacity. Don't forget your hunting license if you leave the county of your residence. Don't kill more than 12 doves per day and do not have more than 12 in your possession, white wings and mourning doves. Don't forget to clean your gun well before taking that first hunting trip of the season. Don't shoot when you cannot see; there might be another hunter behind those trees. Don't leave gates open and always get permission to hunt on private land; the trespass law is rather severe. said Santiago Vargas and on Tuesday, the 1st day of October, 1940, at the Court House door of Crockett County, in the Town of Ozona, Texas, between the hours of 10 a. m. and 4 p. m., I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Santiago Vargas by virtue of said levy and said execution. And in compliance with law, I give notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Ozona Stockman, a newspaper published in Crockett County. Witness my hand, this 9th day of August, 1940. W. S. WILLIS, Sheriff, Crockett County, Texas. 24-31c

SHERIFF'S SALE THE STATE OF TEXAS) COUNTY OF CROCKETT)

By virtue of certain execution issued out of the Honorable District Court of Crockett County, on the 5th day of August, 1940, by J. R. Kersey of said Crockett County against Santiago Vargas for the sum of Twenty-Four Hundred Thirteen and 39/100 (\$2,413.39) dollars and costs of suit, in cause No. 625 in said Court, styled J. R. Kersey versus Santiago Vargas and placed in my hands for service, I, W. S. Willis, as Sheriff of Crockett County, Texas, did, on the 9th day of August, 1940, levy on certain Real Estate, situated in Crockett County, described as follows, to-wit: Lots 18 and 117 in Block No. 7 situated in Lima, an addition to Ozona, Crockett County, Texas. Together with all improvements thereon, and levied upon as the property of

THIS BUSINESS OF Living

BY SUSAN THAYER

Where the hills divided and the valley widened we came upon another town. It was typical of New England, with square, white houses set in shady lawns along wide, quiet streets. But this town was more beautiful than the last we had driven through and there was a different air about it; something that told us that here people were not living upon past memories but were an active, useful part of Today although living in homes which spoke eloquently of a different age. The busy store on Main street showed plain that business was good.

"They must make something here," we told each other and tried to drive along the river looking for the factory or plant that was inevitable when we came upon towns like this. We found it, reading its old brick walls along the river for at least a couple of blocks—a paper mill that had been turning out newsprint for more than a hundred years.

This explained everything. The life of the beautiful homes, which meant prosperity a century ago, as well as their present up-keep which means prosperity today. For that 2,500 mile trip wherever

we found an active factory we found contentment and prosperity. The houses in fresh coats of white with green shutters, the lawn smooth and green, the flower beds ablaze with color.

And why not? According to a study made recently by the National Association of Manufacturers, a typical factory means an investment of \$975,000 and an annual payroll of \$180,000 which is largely spent in the community itself.

Such a payroll supports 33 retail stores with sales of over half a million dollars a year. It makes possible the sale and servicing of 320 automobiles. It accounts for 393 occupied houses and a school house of 22 rooms.

It means a livelihood, not only for the factory workers themselves and the storekeepers from whom they buy, but supports approximately 24 professional men and their families; doctors, dentists, lawyers and ministers. It also means the support of the farmers of 6,600 acres. A community and a factory are interrelated—and as the factory prospers, so do the various individuals who make up that community.

the small-home brackets, continues at the unusually rapid pace set earlier in the summer. In August, applications for FHA insurance of mortgages on new small homes reached the third largest total in the agency's history—and were 45 per cent larger in number and 40 per cent more in amount than for August, 1939. Last month's operations brought total small home mortgages selected for appraisal by the FHA during its six years of operations to over the 1,000,000 mark. Average cost of the homes in this bracket is \$4,000.

assistant secretary of the treasury . . . Chemical industry has plans for greatly increasing the national output of nitrogen for use in high explosives . . . Bureau of Agricultural Economics says that present indications point to a mandatory loan of 61 cents a bushel on corn this fall under the agricultural adjustment act . . . Ground has been broken at Glenn L. Martin aircraft factory in Baltimore for an addition which would more than double bomber production—the plant is now turning out three large bombers a day.

TRANSPORTATION READY—Should a war emergency suddenly confront the United States, the nation's transportation system could move an army of one million men, together with a year's supply of food, from coast to coast in ten days. So K. N. Merritt, general sales manager of Railway Express, told an audience at the New York World's Fair. To illustrate the enormity of this task, he explained that the population of a city the size of Baltimore or St. Louis is less than a million persons. The food requirements for a million armed men, as estimated by a food industry expert, would come to some 855,000 tons. Included are such sizeable items as 11,250,000 chickens, 30,000,000 dozen eggs and 45,000,000 tons of onions. Actually, the job is not as taxing as it appears, Mr. Merritt declared, explaining that the railroads move more than that much freight in a single day. Railway Express carries over 150,000,000 packages a year, while the air lines buses and railroads combined carry that many passengers every eight hours on the average.

THINGS TO WATCH FOR—A very neat lipstick-and-powder compact for milady, with likeness of her favorite Presidential candidate for decoration . . . A bomb-proof shelter—made in America, at Quincy, Mass., in fact. It's pyramid-shaped and steel plated, and will accommodate a family of six (come early and avoid the rush) . . . A new milk bottle, five ounces lighter than the old style, one inch shorter, and with a gurgle-proof neck . . . And watch for a campaign for the restoration of bread-making as an American home art.

BITS O' BUSINESS.—Passenger traffic on domestic air lines in August hit a new all-time peak—for the sixth consecutive month . . . Nation's major carriers flew approximately 8 per cent more revenue passenger miles than in July, and 61 per cent more than in the same month of 1939 . . . United States Steel faces a possible excess profits tax on this year's income of approximately \$7,500,000, according to John L. Sullivan, as-

Behind The Scenes In American Business

By John Craddock

NEW YORK, Sept. 9.—BUSINESS—Most important, down-to-earth business news is that the country's wholesale markets, after a long stretch of lethargy, have suddenly picked up speed—and prices. The continuing trend to better retail sales has begun to make serious inroads on shelves of retailers, and last week there was quite an epidemic of telegrams and special delivery letters as department stores and other merchandisers began finding their

stocks actually too low. Most experts figure that this signalizes the end of a period of hand-to-mouth purchasing, and that merchants who have been holding their buyers in check because of war uncertainty may now loosen up on their inventory policies.

Chief buying movement was in cotton cloth, but woolen and worsted goods were in strong demand, too. Textile operations for fall seem almost sure to be very good. With a large amount of woolen mills' current capacity being taken by various government orders, some mills are even having to ask customers for a little extra time on deliveries.

TRY THE SENSATIONAL NEW REMINGTON DUAL SHAVER

FREE!

90 SECONDS FOR COMFORTABLE BLADE-CLOSE SHAVES

Try this fast, modern shaver in your own home—entirely without obligation—for 90 whole days. We're willing to wager that once you find how much faster, closer and more comfortably this new Remington Dual whisks off whiskers with its TWO cutting heads, you won't want to part with it!

And we know it's fast—because in a series of tests made by the nationally-famous U. S. Testing Company, Inc. the Remington Dual shaved as close as the best blade shave in half the time . . . and gave presentable, going-to-business shaves in a stopwatch average of 90 seconds flat!

Note how the two heads automatically tauten the skin. The whiskers are projected so that they can be cut off below the surface of the skin.

Richly packed in a tan conchide green case with bright copper trim. Beige cord and head cover.

BAPTIST YOUNG PEOPLE'S SOCIAL

The young people of the Baptist Sunday school are entertaining the intermediates with a social at the home of Mrs. A. C. Hoover tonight (Thursday) at 7:30. The entertainment is in charge of Miss Mary Frances Bean, Miss Zelma Scott and Rev. Clyde Childers.

Local Red Cross to Make Garments For War Refugees

Cloth and Yarn For 100 Pieces Expected Here Soon

A new production program will be undertaken soon by workers of the Crockett County Chapter of the American Red Cross for relief of war refugees of France and England, it was announced this week by the chapter chairman, Rev. Eugene Slater.

Yarn and cloth to be used in making garments for the war sufferers will be sent to the local chapter from the national headquarters. More than 100 garments are to be made by local workers to be consigned to refugees in England and the unoccupied parts of France.

Mrs. Jimmy Blaylock is chairman for the division of knitting, and Mrs. Hugh Childress is sewing chairman. Garments for men, women and children, including shirts, underclothing, dresses, layettes and sweaters will be made. Women interested in having a part in this work may call either of the chairmen, and if there are any who would like to learn to knit and have a part in this phase of the work, Mrs. Blaylock has announced that she will be glad to give the necessary instructions.

Former Ozonan Now In Auto Business

Sol G. Jones, former Ozonan, and Jack Goodwin of San Angelo have purchased the Buick agency at Brady from the Langford Motor Co. Mr. Jones and family visited briefly in Ozona early this week on their way to Brady to make their new home. Mr. Jones sold his Crockett county ranch about two years ago and bought a ranch near Alpine, which he operated until recently when he leased it. Mr. Goodwin has been associated with the Schuch Motor Co., San Angelo Buick dealers, for the past 16 years.

Mr. and Mrs. J. T. Patrick were in Del Rio this week for a visit with their son-in-law and daughter, Mr. and Mrs. W. A. Smith.

See the new REMINGTON DUAL electric shaver at the Stockman office. Shaves closer, faster and without discomfort. No long tedious learning period. Anybody can use it. Shave in 90 seconds. Guaranteed one year and will last many more years. The cost is only \$15.75.

British Grenadier Bares Teeth for Action

This British Grenadier, on the alert against any possible surprise attack, clenches his teeth on the pin of a Mills hand grenade, ready to release the lever that makes the grenade a handful of death. The British have made every preparation for a Nazi invasion. In times of peace the Grenadiers, resplendent in gold braid and elaborate uniforms, serve as guards for Buckingham palace.

Wedding Plans Of Mary Bess Parker And Tommy Harris, Jr., Told At Tea

To announce the engagement and approaching marriage of Miss Mary Bess Parker and Tommy Harris, Jr., Mrs. Roy Parker entertained with a bridge-tea at her home Friday afternoon. The wedding is to take place September 14 at 7 p. m. in the Parker home.

Fall flowers were used in the house decorations and miniature wedding bells were used as plate favors. A salad plate was served.

Miss Posey Baggett, who won the bingo prize at bridge, was given a bag with a small kitten that had the announcement card tied around its neck. Other bridge winners were Miss Billie Jo West, who won the high score award and Miss Margaret Owens, who won the low score trophy.

Bridge guests were Mrs. Bill Friend, Mrs. Dempster Jones, Mrs. Jake Miller, Mrs. Joe Pierce III, Mrs. Buddy Moore, Mrs. Paul M. Hallecomb, Mrs. George Bunker, Mrs. J. P. Pogue, Mrs. Charles Davidson, Jr., Mrs. George Montgomery, Mrs. R. T. Taylor, Misses Betty Lou Coates, Mary Margaret Harris, Mickey Couch, Catherine Childress, Mary Louise Harvick, Dorothy Hannah, Crystelle Carisan, Mary Alyce Smith and Mary Frances West.

Tea guests included Mrs. A. C. Hoover, Mrs. Ray Dunlap, Mrs. A. E. Deland, Mrs. Gene Linthicum

of Barnhart, Mrs. Coralie Meinecke, Mrs. Tom Harris, Mrs. F. M. Deaton, Mrs. J. C. Montgomery, Mrs. W. E. Smith, Mrs. James Baggett, Mrs. S. A. Coose, Mrs. Sherman Taylor, Misses Jo Nell and Elizabeth Coose, Maybelle Taylor, Jean Drake and Billie Gene Linthicum of Barnhart.

Mrs. Babe Phillips and son, Kenneth, are in Elgin for a few weeks visit with Mrs. Phillips' mother and other relatives.

77,000 LAMBS—

(Continued from Page One)

and Tom Smith, 1,300. Johnny Gahr bought 650 from Ernest Dunlap, and 3,000 muttons from Judge Montgomery.

Les Humphreys bought 1,600 head from Ed Bean and Ray Willoughby took 2,000 from George Bean, 2,750 from Charlie Coates and 2,750 from Fleet Coates. Willis Barbee bought 900 lambs from Bert Couch and Mrs. W. H. Augustine sold 450 head to the same buyer.

Recent sales included 1,500 lambs from Mike Friend bought by Otho Drake, and Howard Cox sold 1,600 head to Bill Allison. J. M. Baggett and Son recently delivered their lambs to Carl Heiman, averaging 66 3/4 pounds. De-

livery of lambs will continue to near the first of October.

Wool Sale—

(Continued from Page One)

long wool by recent sales. In the neighborhood of 100,000 pounds of fall wool and around 90,000 pounds of mohair are already in storage. Price tags of 50 and 60 cents on mohair and from 25 and up on the fall wool are expected to be hung on the products.

Sale of the 12-months length fleeces this week leaves three large clips at the local warehouse, those of Ad Harvick of Ozona, J. W. Merrill of Fort Davis, and Frank Jones of Marfa, totalling around 110,000 pounds.
