Roger Dudley, Jr. Is Candidate For Co. Commissioner

Ranchman First To Announce In Precinct 4 Contest

Getting the jump on 1962 politics, Roger Dudley, Jr., Crockett county ranchman and native, World War II veteran, this week authorized announcement of his candidacy for the office of County Commissioner in Precinct 4, Crockett County, in the 1962 elections.

Dudley will seek the office now held by Jake Young, whose 4-year term will expire at the end of this year. It will be his second bid for the office, having been one of a large field of candidates who sought the post from that precinct in 1954, Ozona's flood year.

Dudley is a son of Mr. and Mrs. R. H. Dudley, pioneer Crockett county ranch family who ranch on the Pecos river in this county. He served five years and three months in the U. S. Air Force during World War II, eight months of the time on overseas assignments in Italy.

"I am entering the race because I believe the people feel it is time for a change, because I feel that I can do a good job for the county and for my precinct and because I need the job," Dudley said in summing up his campaign purposes. "I believe that the county is entitled to full time service from its commissioners and if elected I promise to make it my full time concern, not just a one-day-a-month job. In this way and in all ways, I will give by full attention to seeing that the county gets a dollar's worth of service or materials for every dollar it spends."

Members of the all-district team will be presented with certificates bearing testimony to each having been chosen to the honor team.

Coch King in assuming the job at the Lubbock school faced a rather imposing schedule with a very thin squad but managed to win several more than was expected and gave a good account of himself in almost every game in which his team played, losing decisively only to Rice and Texas.

Jones Announces As Candidate For Crockett Judge

Former Commissioner Appointed Judge, To Seek Full Term

Ralph Jones, appointed last month as county judge to serve out the term of the late Judge Houston S. Smith, was the first to launch the 1962 political activities in Crockett county when he announced this week as a candidate for a first elective term in the office of county judge.

Judge Jones, who has been in that office less than a month, is a veteran on the Commissioners Court having served for the past nine years as Commissioner from Precinct 1. He had also served in the capacity of county judge on numerous occasions in recent years when Judge Smith's failing health necessitated his being away from the county for long periods of time.

Jones is the fourth man to serve as county judge of Crockett county in all its 70 year history as an organized county. His immediate predecessor, Judge Smith, had served for 18 years and prior to that time, Judge Charles E. Davidson, the county's first judge, served as its head for more than fifty years, continuously from the county's organization until his retirement in 1944, with the exception of one two-year term when W. D. Barton was judge.

Judge Jones has outfitted an office in the courthouse annex to serve as the county judge's office. For most of Judge Davidson's years in office and during all of Judge Smith's term of service, the judge's office was in the private law offices of Davidson & Smith and after Judge Davidson's death in Judge Smith's office in the same building, the two-story Davidson building on the south side of the city park.

Judge Jones is asking election to the judge's office for his first full term on the basis of his experience in the handling of county affairs, as a Commissioner and as substitute judge and lately by appointment to the office.

Ed Foreman Candidate For Congress

Odessa Business Man Is Candidate For Congress Seat

Ed Foreman to Run As Republican Against Demo Incumbent

Ed Foreman, Odessa businessman and outspoken conservative, today announced as a candidate for the U. S. House of Representatives from the 16th Congressional District.

Foreman, voted Odessa's Outstanding Young Man in 1960 by the Jaycees, said he would run as a Republican, seeking that party's nomination in its May 5 primary. Foreman is the first candidate to announce for the office which represents a 19-county area of West Texas and is now held by J. T. (Slick) Rutherford.

The Odessa businessman, in a news conference said he based his decision to seek the office on the need for electing conservatives to Congress.

Foreman said he was running because "of a strong belief in a principle — sound conservative government that preserves individual freedom for the people."

"After having travelled the 16th Congressional District extensively in the past year and personally visiting with hundreds of West Texans, I am convinced that a majority of the people want conservative representation in Washington, D. C.," Foreman said.

"We have not had conservative representation by the present congressman who has generally followed the dictates of the liberal administration."

A native of Portales, N. M., Foreman has been identified with the oil business for a number of years. After serving a tour of duty in the U. S. Navy, he returned to Odessa to establish an oil well drilling fluids company. At 28 he is an officer in four oil industry related firms.

HOW CAN U. S. EARN RESPECT?

Nothing the fact that Americans often urge that the United States adopt a certain policy or reject some other policy as a means of affecting the opinion of foreign nations regarding the United States, Senator Herman Talmadge, of Georgia, has said:

"Now, I ask, who cares what Moscow thinks, says or does? It would be of little value to anyone if, in recklessly seeking to appease other countries, we destroyed our own. If we made our policies to meet Communist criticism or propaganda, we would abolish private enterprise, representative government, private schools, independent courts and every other institution in our society. . . . Just whom are we trying to impress with our poverty and unstable policies? Are we trying to impress the Communist bootlickers who lived the hands of American soldiers behind their backs and machine-gunned them into a common grave? Are we trying to impress the potentates of the Middle East in whose domains slavery is still the practice and meaning of the body a punishment for minor infractions of the law?"

VICTORY FOR FREEDOM

Early in October the Supreme Court of the United States handed down a decision of far-reaching significance.

Kansas is one of the 18 states with right-to-work laws — laws which say, in effect, that a man may join or not a union, as he voluntarily chooses, and have the right to pursue his trade in either case. A big union attempted to get around the Kansas law through a gimmick known as the agency shop. Under the agency shop, non-union workers would have to pay fees to the union in order to hold

their jobs.

In a court test, the Kansas Supreme Court outlawed the agency shop. The decision was appealed to the highest court in the land, which refused a hearing and thus upheld the Kansas Court.

This marks a decisive victory for the freedom of a man to make up his own mind, without coercion from either side, as to whether he wants or does not want to join a union and pay its dues. There can be no doubt that the court decisions accurately reflect the will of Congress, which authorized state right-to-work legislation in the Taft-Hartley law — and represent a long step forward in protecting and guaranteeing a fundamental right of the individual citizen.

Editor Jenkin Lloyd Jones of the Tulsa (Okla.) Tribune, addressing editors at the Inland Press Association convention, discussed American decadence in general and concluded: "You have typewriters, presses and a huge audience. How about raising hell?" Here is his partial comment on just one of our current sins.

"Relief is gradually becoming an honorable career in America. It is a pretty fair life if you have neither conscience nor pride. The state will give a mother a bonus for her illegitimate children, and if she neglects them sufficiently she can save enough out of her AIC payments to keep herself and her boy friend in wine and gin. Nothing is your fault. And when the city fathers of a harassed community like Newburgh suggest that able-bodied welfare clients might sweep the streets the 'liberal' editorialists arise as one man and denounce them for their medieval cruelty.

"I don't know how long Ameri-

icans can stand this erosion of principle." Neither do we.

OZONA GIRL ATTENDS EAST-WEST AND ROSE BOWL

Miss Helen Henderson, a student at Odessa High School, returned to Odessa Tuesday from Los Angeles where she attended the East-West Shrine game and the Rose Bowl with Mr. and Mrs. A. B. (Buck) Bailey of Spokane, Washington. Miss Henderson met the Bailey's in San Francisco where the 37th East-West game was held Saturday and then drove down to Los Angeles where they viewed the Rose Bowl parade and the game before flying back to Texas. Mr. Bailey was the Captain of the first West team in the annual Shrine Classic.

Major Eloy Gutierrez Menoyo, who led the first of the victorious Castro revolutionaries into Havana after the flight of Batista in Jan-

uary 1959, is in command, less than three years later, of the new Escambray Front with guerilla armies fighting Castro on three fronts. The new freedom fighters, recruited from defectors of all classes, have won most of their fights — with weapons taken from Castro — and are pinning down 250,000 Castro militiamen on one front alone, the Major has told newsmen.

The new rebellion, said to be financed by Cubans in the US, appears to be a do-it-yourself effort. As such, it seems to be bearing out the old-fashioned advice on how to do a job well.

BROKEN BOTTLES: "TRIPLE THREAT" ON OUR HIGHWAYS
A triple threat on the football field is fine, but a triple threat on the highway spells trouble. Broken bottles are the "triple threat" of our highways. They are accident hazards to traffic; they injure people who step on them; they start costly and dangerous roadside grass fires. The dangers of the triple threat increase during the football season. The Texas Highway Department asks Texas travelers to dispose of bottles in proper containers. Help keep the "triple threat" on the gridiron—not on the highway.

ervative second and a Republican third," Foreman said.

"I am a conservative because I am for progress and because I believe in conserving for the individual his rights, liberty and freedom.

"I am a conservative because I believe in limited federal government, states rights, government economy, sound money and private enterprise. These politics of individual initiative and opportunity have made America a great nation," Foreman said.

Foreman said he is a Republican because the Republican Party "is the most effective political movement today dedicated to preservation of Constitutional principles which protect individuals from government.

"Our present congressman is the man who voted for packing the House Rules Committee, even

though he had assured West Texans he would stand strong against it. This helped open the gate for house approval of President Kennedy's legislation," Foreman said.

"He helped the Kennedy Administration push through a \$5.6 billion housing and urban renewal bill, extension of unemployment compensation and liberal social security amendments.

"The incumbent voted for federal electric generating power expansion and for a larger government role in public works."

Foreman said he was opposed to all of these measures.

MID-TERMS LOOM IMPORTANT

By Marion Ross

The time to start studying for mid-term tests is now!

The tests begin on Wednesday afternoon with seventh period tests; first, third, and fifth period tests will be on Thursday; on Friday second, fourth, and sixth periods will have tests.

Students are not required to come to school at times when they have no tests scheduled.

These tests count one-third of your semester grade.

We should realize the importance of mid-term tests because they affect our grade so much. In many instances these tests are a final chance to pass a course in which you have not been doing very well.

Remember to study for your exams before it is too late.

PREPARATIONS BEGIN FOR U. I. L. MEETS

It's time once more, for students and teachers alike, to begin work preparatory for the University Interscholastic League competition.

District meets will be held in the spring; from there, the winning teams will go to the regional meets, and, if winners still, will go on to the State. The State contests will all be held during May.

Ozona coaches who will transport OHS students to the out-of-town district contests and the events for which each will coach

OHS students are as follows:

One-Act-Play — C. H. Leath; March 22, in Sonora.

Golf — date and place undecided.

Senior tennis — Coach Hickman; March 29, in Junction.

Junior Tennis — Q. A. Brentz; May 12 in Junction.

Volleyball — Miss Geneva Knox Round Robin.

Number Sense — Coach Dozier; March 27, in Sonora.

Debate — C. H. Leath, March 27 in Eldorado.

Extemporaneous Speaking — C. H. Leath; March 27 in Junction.

Ready Writing — Miss Jean Powers; March 27 in Eldorado.

Slide Rule — Coach Dozier; March 27 in Junction.

Spelling — F. A. Moody March 27 in Junction.

Science Q. A. Brentz March 27 in Eldorado.

Poetry Interpretation — C. H. Leath; March 27 in Eldorado.

Prose Reading — C. H. Leath; March 27 in Sonora.

Local coaches of Interscholastic League contests to be held in Ozona this year and the events each will direct are as follows:

Track — Coach Womack April 7.

Volleyball — L. B. T. Sikes

Persuasive Speaking — C. H. Leath, March 27.

Shorthand, and typing — Jean Powers; March 27.

Great hopes are entertained for all events this year, and with much justification. Judging from the student turning out for the events "U. I. L. spirit" is running high!

THE WEEK AFTER CHRISTMAS

By Gail Johnigan

'Tis the week after Christmas and inside and out, the holiday carnage lies scattered about.

The teachers, wet towels atop of their heads, with aspirins and tablets, have crawled into bed.

The students, God Bless 'em, are raising a din.

They all came back as sharp as a pin.

The Principal, like a schoolboy forgetting his years,

Is all tangled up in his boy's bicycle gears.

The goal in the library delightfully smug,

Stands chowing up books, even though he'd been drugged.

The students with books still in their laps,

On the floor and the desk are taking their naps.

Plaid shirts and pink socks, and what-nots galore,

Await their exchange at the five-and-ten store.

While tidbits and knickknacks and left-over sweets,

Must furnish the means for cruddyball eats.

'Tis the week after Christmas and near every year,

They willingly pay for their holiday cheer.

With tooth aches from candy and headaches from bills.

They call up the doctor and order more pills.

THE LINES MAKE THE COLUMN

There were several parties over the holidays. Dances in Sonora Barnhart, Eldorado, and Del Rio were attended by many local high school students. There were about six dances in Ozona for the high school and college set.

Mr. Moody has divided a new

reviewing system for this English classes. Teams of class members are responsible for reviewing the periods in English Literature.

Andie Elliott and Arlene Gotcher gave slumber parties on the 27 and 22 respectively.

Robin Jones entertained several couples at her house between shows New Year's Eve.

Several attended the mid-night show which began at 11:30 and lasted until after midnight.

The boys basketball team practiced Thursday, Friday, Saturday, and Monday.

The girls basketball team practiced Monday afternoon.

Pam P. Judy B., and Paul P. are attending a rodeo in Odessa. It is quite evident that this is

the week after Christmas. Everywhere you look there are new shirts, socks, dresses or anything you could imagine.

PLAY CAST TO PRACTICE IN DISTRICT COURTROOM

The cast for the Junior-Senior Play, began practice Wednesday afternoon in the district courtroom where the play will be held.

The following people will portray the various characters in the play:

Marion Ross, Mr. Leath, Johnny Childress, Judy Black, Bill Jacoby, Pam Perner, Charlie Bingham, Cheryl Clayton, Billy Cornelius, Arlene Gotcher, Bobby Tabb, Herbie Noelke, Jan Pridemore, Gracie

Chandler, Leroy Drago, Janet North, Penn Baggett, Darrel Raspberry, Jann Smith, Charlotte Johnigan, and Kiehl Mitchell.

BAND STUDENTS TRY FOR REGIONAL BAND

Band students from Region II will meet in Abilene on Saturday January 6, to compete for All-Regional Band.

Some of the towns in this region are Snyder, Brownwood, Abilene, San Angelo, and Ozona. There will be approximately 350 students at this meet.

Those who qualify for 1st chair in each section will go to the TMEA all-state meet in February (Continued on Page Six)

Lions Tame Rankin In Flood Of Baskets For Year's Best Show

By Ernie Boyd

The Ozona Lions celebrated their return from the Christmas holidays Tuesday night in Rankin as they bounced the Red Devils 62 to 26 in one of their best exhibitions since their contest with Crane in Rankin about a month ago.

The Lions hit in the vicinity of 45 per cent of their shots and displayed a dazzling defense which prevented the home team from even taking a shot at the bucket until after the Lions had run up an 8 to 0 lead.

Hal Long, who played less than half the contest, as did all of the regulars, led the Ozona attack with 13 points but the balance of the attack is revealed in the figures which show Phil Carnes with 9 points and Van Miller, Pete Montgomery, and Rodney Stewart with 8 points each and with nine of the 12 boys who got into the game in the scoring column.

The Lions had an 11 to 4 lead at the quarter but pumped in 21 points in the second quarter while limiting the losers to but 6 to lead at the half 32 to 10. In the third period the Lions had 12 points to 2 for the Devils when the reserves came in to play the last quarter and a half.

Robert Cox, who got a late start but who has been coming along nicely, re-injured his angle moments after his entry in the game.

The Ozona B team hit for 4 points in the last 13 seconds to tame the Rankin reserves 43 to 37 in a game where the biggest margin held by either team until the final minute was 3 points.

Leroy Cooper, with 15 points, and Brent Moore and Robert Cox, with 10 each, led the way.

The Ozona freshmen dropped a 30 to 24 decision to the Rankin first year men as Robert Flores led the Ozona attack with 9 points.

All Aliens Required To Register In Jan.

J. W. Holland of the United States Immigration and Naturalization Service stated that the period within which aliens must report their addresses is again at hand.

The month of January has been set for the address reporting period. All aliens in the United States, with few exceptions, must report their addresses to the Government during that period.

Mr. Holland said that forms with which to make the report will be available at all post offices and at offices of the Immigration and Naturalization Service during the month of Jan. He urges all aliens to comply with the reporting requirements, as willful failure to do so may lead to serious consequences.

WHO MUST FILE A FEDERAL INCOME TAX RETURN FOR 1961

All citizens or residents of the United States, including minor children, who had gross income of \$600 or more in 1961, must file a federal income tax return, S. Baker Mallett, Administrative Officer, Internal Revenue Service, San Angelo, Texas, announced today.

If the taxpayer is 65 or over as of December 31, 1961, he or she is not required to file unless his or her gross income for 1961 was at least \$1,200.

The IRS representative added that even though a taxpayer is not required to file under these rules, he or she must file to obtain a refund, if any income tax was withheld from his or her pay.

He said there is one exception to the general rule. Self-employed persons such as sole proprietors, partners, and independent contractors, must file an income tax return and pay a self-employment tax, if net earnings from self-employment were \$400 or more.

Many questions about federal income tax returns can be answered by telephoning the IRS office.

Oh, yes, the filing deadline this year is Monday, April 16!

THE YEAR OF OPPORTUNITY 1962!

Truly 1962 will be a year of opportunity for each of us if we will but make it so.

The wise use of credit is one of the most important things in life. Credit is an exchange of goods or services on a promise to Pay at a future date. It permits you to buy and use something that costs more than your available cash.

Credit is based on Man's FAITH in Man.

The holiday season that is just past was a time when the above facts were demonstrated to a number of people.

Were you in that number that enjoyed the privilege of making purchases on credit? You probably were—because 9 out of 10 families use credit to achieve their purposes.

How's Your credit? Have you fulfilled your part of "man's faith in man" by paying your bills promptly? Remember the 10th is only a few days away — and the 10th of the month is the "deadline to pay."
