## Annual 4-H Club Livestock Show For Saturday

### Young Feeders Are Expected To Exhibit For Charges

One 4-H members will exhibit 150 head of livestock at the 13th Annual Crockett County Livestock Show at the Livestock barn Saturday. The show starts at 1 p. m., followed by a barbecue supper at 6 p. m. and a fat lamb auction sale is scheduled for 7 p. m.

Committees of 4-H adult leaders will handle the show under the direction of county agent Pete Jackson. Show superintendents are George McKinley, George Bunker, Jr., Jimmie McMullan, Assistant superintendents are Sonny Hamilton, Bill Black, Erby Chandler, William Childress and James Clyde Brock Jones, Jr., will serve as announcer and Byron Williams as sale auctioneer.

Chairs for the auction sale are Jim Dealey, Dick Kirby and Floyd Hobbs. The concession stand will be operated by the 4-H Mother's Club with Mrs. R. L. Bland and Mrs. Tom Everett as chairmen.

In charge of weighing fat lambs are Bill Baggett, Boyd Baker and Durvaldo Vinson. Cattle committee, Troy Williams, John Childress and Joe Couch. Quarter horse committee is Bud Cox, P. C. Perner and Charlie Davidson, III. Sheep committee is Roy Coates, Perry Hubbard, Keith Mitchell and Robert Graves.

Grounds committee, Joe Tom Overman, L. B. T. Sikes and M. I. L. B. Barber. In charge of lamb sales, Bill Childress. Barbecue committee, Taylor Deaton, Charlie Applewhite and Tom Everett. Lamb buyer committee, R. L. Bland, Lowell Littleton and P. L. Childress, Jr. Public Address system, Oscar East. Publicity, Evert White. Photography, Eugene Miller, Mildred North and Freda Noelke.

Show judges are Vestal Askew of Sonora, fat lambs; D. C. Langford of Sonora, breeding sheep and cattle; Dee Harrison of Loma Alta, quarter horses and Bill Sims of Sonora, showmanship.

Anyone is invited out to the show and barbecue.

## Keep Clean District Record Sonora Win

### 1 Victory Third Row; Rankin Here In Non-Dist.

By Ernie Boyd

Ozona Lions will face the Red Devils at Davidson Saturday night in a return match. The game, with freshman players scheduled to be played, is the main event, which is under way about 8 p. m. Ozona Lions, led by Van and Rodney Stewart, cleared hurdle in their district chase Tuesday night as they invaded the Sonora and emerged with a 36 to 41 win over the hot Broncos.

Game in reality proved to be the Lions' top efforts of a team. In addition to scoring jobs turned in Hal Studdard, Phillip Montgomery and the Earl Montgomery along with Cornelius all contributed heavily to the Lions win. Game was particularly exciting as Hal Long and Gary Long had a bad time in the Invitational but rebounded and contributed to the Lions attack Tuesday night of the year, continued to play rebounded strongly to the loss of Montgomery who only limited action recorded on Page Three)

## Relative Of Ozonans, John E. Perner, Died In El Paso Hospital

John E. Perner, son of Mrs. Pearl Perner of El Paso, and the late Harry Perner, died in an El Paso Hospital Monday, Jan. 22, after a long illness.

A grandson of the late Mr. and Mrs. Phil Perner, pioneer Ozonans, Mr. Perner was a nephew of Paul and Stephen Perner, and of Mrs. Hugh Childress, Sr., Mrs. W. R. Baggett, Mrs. Max Schneemann and Mrs. Roy Henderson, all of Ozona. Funeral services were held Tuesday afternoon in El Paso.

Born in Ozona Jan. 22, 1904, John Perner lived most of his adult life in the Republic of Mexico, where he was in the mining business.

Surviving are his widow, Mrs. Mary Hyslop Perner of El Paso; two sons, Jack and James Perner, both of El Paso; one sister, Mrs. Carol Bradford, who lives in Chile, South America; and the mother, Mrs. Pearl Perner, of El Paso.

## Two Men Hurt In 3-Car Crash East Of Ozona Saturday

### Odessan And Ozona Airman Hospitalized After Accident

Two men were injured and two cars badly wrecked and a third less seriously damaged in a three-car crash about 4 o'clock Saturday afternoon on Highway 290 near the entrance to Ozona Air Force Station 5 miles east of Ozona.

Fred H. Lester, 21, of Odessa, a passenger in one of the cars figuring in the wreck, was still under treatment in the Crockett County Hospital at midweek for injuries suffered in the accident. Airman 3-C Thomas Frick, 18, of Natalie, stationed at Ozona Air Force Station, was released after treatment at the hospital.

The accident occurred in drizzling, foggy weather which hovered over the Ozona area over the past week-end. Highway Patrolman Les Strawn of Sonora, who investigated the accident, said one of the cars skidded on wet pavement.

Strawn reported that Frick and Airman 3-C Benny Davis, 18, of San Juan, were standing at the side of the highway to hitch a ride to town, and Jose Perez of Ozona stopped to pick them up. In Perez's 1956 station wagon were his two sons, Roberto and Manuel.

Davis got into the car and Frick was still outside when Perez's car was struck from behind by a 1960 Pontiac driven by Linden Royce Daniels, 20, of Odessa, Patrolman Strawn reported. Besides Lester, who was a passenger in Daniel's car, was the latter's brother (Continued on Page Three)

## Ozona Princess In Miss Wool Pageant Be Chosen Tonight

### Nineteen 5-6 Year Old Tots Are Entered In Competition

The first Miss Wool of America Princess contest will be held at the Ozona High School Auditorium tonight at 7 p. m. under the joint sponsorship of the Ozona Lions Club and the Miss Wool of America Foundation.

In addition to the contest held in Ozona there will be similar contests in San Angelo, Big Lake, Sonora, Menard, Brady, Eldorado and Sterling City but no further competition will take place since all seven Princesses will take part in the Miss Wool pageant and parade in April.

Some twenty Ozona youngsters between the ages of five and up to but not including seven will take part in tonight's contest to determine the Ozona representative.

Judges in the event will be chosen from out of town by the Miss Wool Pageant officials in San Angelo and the local Lions Club will have no part in the selection of the winner.

In addition to the contest tonight the program will include a variety show composed mostly of local talent.

Money derived from the sale of tickets to the show will be used by the Lions Club to defray expenses of the program and the cost of sending their representative to San Angelo in April. Ozona Club officials expressed hope that the program would be warmly received and that the yearly selection of a Princess would become an annual part of the Miss Wool Pageant.

Little Ozona lasses who are entered in the contest are Barbara Jo Wilson, Kathy Annett, Suzan Williams, Denise Deaton, Debra Sue Pitts, Karen Sue Powers, Mary Hayes, Nancy Appel, Jan Cordes, Diane Womack, Mertha Cavanaugh, Cynthia Calkins, Nita Mitchell, Debra Ann Montya, Catherine Glenn, Karen Chapman, Peggy Black, Lara Sue Arledge and Carol Boyd.

## Two Ozona 4-H Club Boys Exhibit Lambs At Houston Stock Show

Bill Jacoby and Penn Baggett, members of the Crockett County 4-H Club, Ozona, have entered four fat lambs in the Junior Division in the 1962 Houston Livestock Show and Rodeo.

Dates of the show are February 21 through March 4.

The 39th annual livestock exposition promises to be one of the finest ever with more participants than in any previous year.

## Ozona Girl Cagers To Enter Lakeview Meet; Play Thursday Night

By Ernie Boyd

Coach Roger Gotcher will take his Ozona High School girls basketball team to Lakeview Thursday to enter the Lakeview girls basketball tournament, facing the host Lakeview sextette at 8 p. m. Thursday night.

Tuesday night the girls had to go into an overtime period before downing the improved McCamey girls 46 to 42.

The regulation game was tied at 42 all but the home team managed to get six points while McCamey was held scoreless during the three minutes overtime period.

Beverly Alford led the Ozona attack, supported strongly by Don Nell Carness and Janie Lara.

Defensively the Ozona team was once again sparked by Glenda Friend whose fine rebounding and defensive play under the bucket did much to stave off the visitors.

The Ozona B team also marked up a win as Janie Gilliam scored 24 points to lead the team to victory.

The McCamey game was the first for the Ozona girls since losing their contest with Junction last Tuesday a week ago and brought the team's season record to 12 wins and 5 losses with a one and one record in district play. The next district game will be in Eldorado Feb. 2.

The Lakeview tourney, which is one of the highlights in girls basketball each season, has 16 teams on hand this season with Lakeview one of the strongly favored teams.

If the Ozona girls should fail to upset the home team they would find the path to consolation honors one that offered possibilities while a victory over Lakeview would establish Ozona as the team to beat in the meet.

## Crockett Soil District Has 114 Cooperators Out Of 152 Operators

The Crockett Soil Conservation District Board of Supervisors held their monthly meeting at the Ozona Hotel on January 16. Supervisors attending were R. A. Harrell, chairman; L. B. Cox, Jr., secretary and Fred Haglestein, member. Others attending were Dick Kirby, district bookkeeper, L. F. Stewart, representative from the State SCD board and James Glynn, local SCS technician.

The board reviewed and approved the District annual report of accomplishments. According to the report, seventy-six cooperators through district participation were furnished assistance during 1961 in the planning and application phases of their conservation plan. The report also revealed that 114 landowners and operators are co-operating with the district in carrying out a soil and water conservation plan. This is compared to 152 total operators in the district.

## SANDERSON EAGLES SLASH WAY TO TOURNAMENT TITLE; OZONA COPS THIRD PLACE

By Ernie Boyd

The Sanderson Eagles dumped the Ozona Lions and then treated the Big Lake Owls to a dose of the same medicine last week to win the 31st annual Ozona Invitational Basketball tournament.

The Lions, after getting derailed in the semi-finals, bounced back to nip Brady in a thriller to pick up third place and to some extent erase the memories of the afternoon's debacle.

Sanderson barely escaped going the consolation route in the first round when they had to come from behind in the last 14 seconds to edge the Sterling City Eagles 43 to 42.

Sterling City worked its way to the finals of the consolation round before bowing to Wall despite a strong third period rally.

Big Lake, in reaching the finals before bowing to Sanderson, also found a thorny path to its shot at the title. The Owls, one of the pre-tourney favorites, ran into a hornet's nest in taking on Mertzon and only came out winner on big Roy Adams last second goal which broke a tie.

The Owls, after getting by a near loss in the first round, had a second narrow escape, coming from behind in the final quarter to beat a surprising Sonora team which led all the way until the final moments.

Ozona reached its semi-final and eventual third place finish by ousting Bronte and Mason in two rather one-sided contests both of which were rather listlessly played.

Brady, the defending champion, returning with two of last year's top stars, had an easy time with a weak Menard team but then ran into disaster as they narrowly got by A. C. H. S. and then dropped a semi-final overtime to Big Lake and a last second decision to Ozona.

The tourney drew well at the gate this season surpassing the last two years gate total even though well below what it drew in 1955-56 and 57.

The all-tourney team chosen by the coaches had the following players: Roy Adams and Fin Watkins of Big Lake, Larry Harrell and Dee Gray of Sanderson, Carl Montgomery and Van Miller of Ozona, Jim Runge of Eldorado, Jerry Payne of Sterling City, Bill Glass of Wall and George Kidd of Brady (Continued on Page Three)

## January 31 Deadline For Paying Poll Tax

Next Wednesday, January 31, is the deadline for paying your poll tax and thus qualifying for the privilege of voting in this year's promised spirited elections.

Payments were still far behind the expected totals this week and collection officials were looking forward to a grand rush this week-end and early next week as the last minute people swoop down on the office.

You must have a poll tax receipt or an exemption to vote in Texas and you'd better hurry if you want to have any voice in picking your local officials, state and national candidates.

## Three Ozona 4-H Club Members Enter Stock In San Antonio Show

Three Ozona youths, members of the Crockett 4-H Club, will enter livestock in the 13th Annual San Antonio Livestock Exposition, Feb. 9-18, at the Joe Freeman Coliseum, according to County Agent Pete W. Jacoby.

Jacoby announced that Crockett 4-H Club members exhibiting are: Buddy Couch with 1 Angus steer; David Jacoby with 1 lamb; and, Bill Jacoby with 1 lamb.

Their entries are among more than 5,000 head of livestock and horses which will be at the Feb. 9-18 Exposition. An all time high of \$160,000 in premiums, prizes and purses is offered, according to president E. W. Bickett, who also announced Saturday, Feb. 10 will be "Rural Youth Day" with some 35,000 rural youngsters expected to attend if weather is good.

## Expanded Conoco Operations Center In Ozona Office

### Increased Staff Here To Supervise Operations In Area

Plans by Continental Oil Company to expand its Crockett district production operations, with headquarters continuing to be in Ozona, were announced here this week by E. B. Nicholson, district superintendent.

The move is part of Conoco's plan to reorganize and consolidate district production offices to effect greater operating efficiency throughout its southwestern region, the statement said.

The Crockett district will be enlarged to include territories from other districts in the area and the district office staff here will be increased slightly, said Mr. Nicholson. Headquarters offices will continue to be at Avenue F and 12th Street.

"This reorganization is part of Conoco's long-range plan to improve its operating efficiency by providing better supervision of field, administrative and technical functions," he added. "The change will locate the administrative and technical functions nearer the center of company activities in the area."

## That The Public Might Be Informed: Writer Would Revive Community Council

The need for an active interest in community affairs and an informed alertness on the part of the citizenship on matters which might affect them and the community in which they live was never more intense than now in this fast moving and fast changing world.

As a means of generating more public interest in things public and in focusing the attention of this community on things which might be of vital concern to it, the timely suggestion contained in the letter below should receive the careful study of every community minded person in Ozona.

If you think an organization such as that suggested would benefit the community or not, may we have your opinion? It would require some effort on somebody's part to make the organization viable, interesting and, in time, beneficial. It would be a fine outlet for expression of opinion, the voicing of a complaint or passing of a compliment. It could be a sounding board for public opinion

by which public officials could be guided and it could be a means of uniting the community into new endeavors which would result in a richer, fuller life for all of us. If it would provide thought and discussion it might be beneficial. What do you think?

"A number of years ago we had in Ozona a Community Council which served more or less as a "Sounding Board" for Community planning. It may be fairly said that the idea for our Crockett County Hospital grew out of Council discussion.

"This group had no official capacity but it did serve well the job of community communication. Rightly, such a group should have no official standing but the right of informed, public discussion is inherent in a democracy. Official authority does, and should, rest within the elected governing body, in our case, the Commissioners Court.

"The Council ceased to function for various reasons but some of

us are wondering if it might serve a good purpose by once more becoming active, especially in view of our more diversified citizenship.

"Within our community there are informed groups of individuals who are aware in advance of various plans for the area. But we would guess that by and large, most of us are not aware. Would it be advantageous if the many questions which arise in the minds of individual citizens could be submitted to an informed forum for answer? Perhaps such questions should even be submitted in advance, in writing, so that qualified people could be asked to be present to answer, or clarify, such questions. Certainly an informed citizenship can help to implement any community planning and a Community Council could help to have an informed citizenship.

"Perhaps there could be a general public response in the Ozona Stockman as to whether or not, now is the time to revive the Ozona Community Council."

Mrs. R. A. Harrell

### We Export Jobs, Import Labor

The cold light of fact now pierces the smog that has long surrounded the argument of whether or not this country has priced itself out of world markets.  
An exhaustive study of import-export statistics, just released by the Ohio State Chamber of Commerce, reveals the frightening fact that we export relatively more raw materials and less finished manufactures today than we did ten years ago. The exact reverse is true of what we buy in foreign markets.  
As an example of the disturbing details unscrutinized by the Chamber, our exports of scrap steel and pig iron for making steel are more than 25 times greater than in 1931. Our exports of steel mill products (sheet, plate, beams, etc.) are down three percent. On the import side of the ledger, we are buying 68 percent less scrap and pig iron — and a whopping 84 percent more of finished steel mill products!  
This same trend is apparent in live animals versus animal products, grains versus grain products, minerals versus mineral products. Wherever value is added to a product by labor, the foreigners are going ahead in the race for world trade and we are falling behind.  
The trend lines, carefully and

painfully traced by the Ohio Chamber's study, clearly picture the great United States buying and selling abroad as if it were one of the underdeveloped countries we hear so much about. We do fine in silkworms — but not as well as the foreigners in metals manufactures!  
We are deluding ourselves if we think we have an advantage in labor productivity which offsets our higher wages. The hard-boiled figures of the past decade make it crystal clear that it just plain isn't so.  
If the Administration forces Congress to give the President the power to eliminate what remains of our tariffs, we will be flooded by foreign products at an even faster rate than at present and our unemployment rolls will surpass those of the great depression.  
The bright youngsters of the Administration say that they will "retrain" workers displaced by foreign imports. That will be a good idea if these workers are retrained in laundry work. It still takes too long to send our shirts to Japan for a washing, and the laundry industry is relatively safe from foreign competition.  
Then, perhaps, these ebullient young masterminds will tell us how a nation wherein everybody takes in each others' wash can make a living.

all to help spend it.  
It would make too much sense to base the budget on what we took in this year!  
— Ah —  
Make room for your growing family. Add a bedroom, closet and bath for as little as \$35.47 per month. No cash needed. Call Mr. M. E. Caviness at Wm. Cameron & Co. Phone 1-2681 Sonora.

### Father Of Ozonan Buried In Lamesa

William O. Reeves, 85, a resident of Dawson county, since 1923, father of William O. Reeves, Jr., of Ozona, was dead on arrival at Medical Arts Hospital in Lamesa Jan. 2, after suffering a heart attack on the street near his home.  
Mr. Reeves, a retired farmer and rancher, had been a resident of Lamesa the past nine years. He is survived by nine sons, Cyrus of Pampa, Texas, Dillard and Wayne of Rupert, Idaho, Thad of Lamesa, James of O'Donnell, Paul of Hurley, N. M., William, Jr., of Ozona, Horace of Topeka, Kans, and Donald of Jal, N. M.; two daughters, Mrs. L. V. Jones of Lamesa and Mrs. D. L. Jones of Jal, N. M.; two daughters, Mrs. L. V. Jones of Lamesa and Mrs. Charles Bean of Portland, Oregon; 29 grandchildren, 22 great grandchildren and one great great grandchild. Four brothers and one sister also survive.

### Second Strawn Gas Producer Finaled In Ozona Multipay Field

The Ozona, West multipay field of Crockett County gained its second Strawn gas producer and a 1 1/4-mile east-northeast extension with completion of Southland Royalty Co., Fort Worth, No. 1-36-C University, re-entered Ellenburger failure, nine miles northwest of Ozona.  
It was finaled for a calculated, absolute open flow of 1.82 million cubic feet of dry gas through perforations between 7,900-14 feet, which had been acidized with 2,000 gallons and fractured with 30,000 gallons and 28,000 pounds of sand.  
Drilled out to 8,419 feet, 4 1/2-inch casing was set at 8,115 feet. Originally drilled by Continental Oil Co. as the No. 1-31-36 University, it was abandoned Dec. 3,

1953, at 8,958 feet.  
Location is 680 feet from the west and 1,980 feet from the north lines of 36-31-University.

The Strawn gas discovery Southland Royalty No. 1-A University, was finaled Nov. 28 for a calculated, absolute open flow of 5.4 million cubic feet of dry gas per day through perforations between 8,241-267 feet.

The field has one Clearfork oil producer, the firm's No. 1-23 University, which was finaled Aug. 10 for 242.75 barrels of 34 gravity oil through a 14-64-inch choke and perforations between 2,410-30 feet.

O'Rear, Mrs. Ramon Maldonado, Jana Martinez, Patty Henry, Armando Navarro, Lana Scott, Wade Garlitz, Paul Halcomb, R. L. Bland, Barbara Ann Jones, Tommy Frick, and W. R. Palmer.

### INFANT FLANAGAN TWINS DIE IN IRAAN HOSPITAL

Gary Wayne and Glenn Ross Flanagan, twins sons of Mr. and Mrs. Dickie Flanagan of Sheffield died in the Iraan hospital Saturday. The babies were born Friday. Graveside rites were held in Cedar Hill Cemetery in Ozona with Cody Funeral Home in charge.

### Scrivner-Larsen Wedding Is Announced

Mr. and Mrs. Dub Scrivner announce the marriage of their daughter, Glenda, to Airman 1-C Alan L. Larsen of Malcom, Minn. Mr. and Mrs. Levi Larsen of Malcom, Minn. are parents of the bridegroom.  
The couple married December 24 in the home of the bride's grandparents, Mr. and Mrs. Walter Sellers of Snyder, Texas. The Rev. J. M. Morris performed the ceremony. Attending the couple were the bride's sister, Miss Kathy Scrivner, and Airman 2-C Ray Poe, who is stationed at the Ozona Air Force Station.  
The couple will make their home at 506 Avenue I in Ozona.

### THIS IS BARBARA

"THIS IS BARBARA," says the voice beyond the Wall each night. "broadcasting to American soldiers in West Berlin."  
But the GIs call her "Moscow Molly" and neither she nor her American-talking male accomplices, according to report, are selling their line to our boys. For one thing, they criticize her stupid jive talk as being two years out of date. That, they say, tears it.  
Which is a good thing, considering that their commanding officers cannot help them withstand this type of snipe.

### Communist Menace Is Discussion Topic At Woman's Club Meeting

The Ozona Woman's Club met ... Tuesday afternoon in the home of ... Mrs. Taylor Word— its president, ... with Mrs. Ivy Mayfield as assist- ... ing hostess.

Mrs. Word announced that Mrs. ... Ted White and Mrs. J. B. Miller ... would be club models for the ... Spring style show sponsored by ... the Ozona Woman's Forum in ... late February.

The program on international ... affairs was directed by Mrs. J. ... A. Fussell. The invocation was ... given by Mrs. L. B. Cox, Jr., in ... the absence of Mrs. John R. Bailey. ... Mrs. Roy Thompson discussed ... the growing Communist threat in ... Latin America. Mrs. Thompson ... declared that Latin-America is be- ... coming impatient for good things ... of life, including education, better ... living standards, representation in ... government and benefits from ... their natural resources. She said ... that the United States is awaken- ... ing to the dangers of a placid at-

titude toward our neighbors to the ... south and realizing that our atten- ... tion must shift from Europe to ... that area for our own good.

Mrs. Nip Blackstone, guest ... speaker reviewed J. Edgar Hoover's ... Masters of Deceit, an expose ... of the seriousness of the internal ... attack on this country by Com- ... munist. No country has become ... communist through free elections, ... but only through infiltration or ... conquest. The great policy of de- ... ceit is divide and conquer.

The Communist party was or- ... ganized in the U. S. in 1919 in ... Chicago. Its aim is to gain a toe- ... hold through infiltration into ... schools, colleges, churches, women's ... clubs, politics, the armed forces, ... racial groups — any place it can ... gain respectability and find an ... opportunity to sow the seeds of ... dissatisfaction and to disseminate ... its own propaganda, the speaker ... said.

Mrs. Blackstone quoted six ways ... we as individuals can aid in fight- ... ing this sinister menace:

1. A belief in the dignity of the individual.
2. A desire to help those less

fortunate than we.

3. A belief that life has a mean- ... ing beyond any man made system.

4. A feeling that our heritage is ... a sacred trust.

### GIVING TO OTHERS ADON TO OUR LIVES

By Beverly Allart

A young boy of thirteen first leaving behind a grieving family. This family was comforted by the remarks of friends who came to them.

An elderly woman told the parents that their son had been very kind and nice to her, and that she would miss him. A crippled girl told them that he always had a kind word for her, and that his attention had encouraged her and given her warm feeling.

By all of these remarks that came to them, the parents realized that their son had learned of the experience of giving and helping others. He had become aware of other people and their needs.

Every person has this capacity. We only need to fulfill it. A man wrapped up in himself makes a small bundle.

Are you still wrapped up in yourself, or are you venturing out to help and be kind to other people? Are you still as a small child — unaware of the things around him and, therefore, not caring about other people? Are you concerned about making "rather than giving?"

Giving is the true gift of life. Until we learn to give and help other people, we will go on just existing — not really living.

### PHILIP CARMEN SENSE OF WEEK

Philip Allen Carver is one of the seniors of the week. He is the son of Mr. and Mrs. Leslie Carver. Philip was born in Wichita Falls, and lived his early years at Valley View, Texas. He attended Valley View Grade School and moved to Ozona during the first part of his seventh grade year. He has attended the Ozona Public Schools since that time.

Philip has participated in track, basketball, and football the years of 54-55. He has received several special honors in these sports which are Basketball, second team All-Ozona, 58-59; first team All-Ozona, 59-60; Track State finalist, 60-61; Football, All-Ozona team, 61-62.

Philip plans to attend college at Texas Tech. His comments on Ozona High School was: "I am anxious to begin my college days, but I will be leaving behind many fun-filled days at OHS."

### TICKETMENT PROVIDES ENTERTAINMENT FOR ALL

By Kathy Schreier

The annual Ozona Basketball Tournament of OHS proved to be quite amusing; that is, not the games, but the little incidents that took place.

A little girl went to the concession stand to buy a coke. When she had a nickel on the counter, the concession stand worker told her that the coin was a dime. The little girl remarked that she didn't have a dime; she just had another nickel.

Then there were the persons there who played almost as hard as the basketball players. For instance, when a free shot was to be shot by their man, they would gradually rise up as the ball was thrown. The expressions on their faces were even funnier.

Have you ever watched someone eat popcorn in time with the taking away of seconds on a clock? Some of them attended this tournament. They would use the time between quarters to rush down to the concession stand to spend another quarter.

You never really know how big a girl's mouth is until you watch her while her "jelly" or her beam is on the court. She can really make Grand Canyon look small.

The Coaches' Courtesy E-sign was used very frequently right after the coaches made a speech to their boys on what they could and couldn't eat from the concession stand. Then the coaches prided themselves on goodies made by Mrs. Hull and her helpers.

Of course, there is always the sharp-eyed spectator who can see more from the top of the stands than the referees can see on the floor.

There were also two well-dressed players who carried handkerchiefs on the court.

Even the spectators who do not enjoy basketball could find entertainment at this annual event.

### TICKETMENT DRAWS COMMENTS FROM VISITORS

Ozona attendees were not the only ones that enjoyed the basketball tournament. There were a number of comments about the tournament from some of our guests.

One sophomore boy from Sterling City said there weren't enough girls.

Erwin Sharpe and Alton Leffers, two sophomores from Mason, both commented, "It was very nice."

I enjoyed this tournament more than others because there are so many girls to watch on you, was a reply from Ben Martin, a senior at Rocksprings.

Walter Broussard, a sophomore from Ervitt commented, "I like it here."

Dwain Durham, a senior from Sterling City said, "I enjoyed the tournament and I had a lot of fun days at OHS."

### THE LINES MAKE THE COLETONS

Congratulations to the Lions for placing third place in the basketball tournament, also congratulations go to Van Miller and Carl for being on the All-Tournament team.

Saturday night after the tournament, Judy, Pam, Betty, Glenda, and Janet had a dance at the Country Club.

Among the ones home for the weekend were Joe Friend, Barbara Barbee and Connie Mitchell from Rocksprings, Jonathan Barlow, Tommy Parker, Leon Drago, Marjo Pogue, Tommy Stokes, Bert Hombly, Frances Childress, Jimmy Foreman, Bob Westlake and Ronnie Beal.

During the tournament, Wint Durham from Sterling City stayed with Eason and Marita Tapliff from Ervitt who stayed with Janet North.

A new freshman boy enrolled at school Monday. He is Mike McCray from Perm, Wichita, Minn.

### WAYLAND BAPTIST COLLEGE PRESENTS ASSEMBLY

Regular hours for assembly were changed Wednesday at OHS. The assembly started at 11:05 with a group of students from Wayland Baptist College from Plainview, Texas presenting a music and drama program.

The Director of Student Examinations, M. E. Sedman, was accompanied by five Wayland Students and gave a very fine program.

### EVA CAMARILLO SENSE OF WEEK

Eva Camarillo was born June 28, 1942, in Ozona, Texas, to Mr. and Mrs. Manuel Camarillo. She has attended Ozona schools all of her 25 years of schooling. She has one sister, Rebecca, who is a freshman and one brother, Manuel Camarillo, Jr.

Eva has been in the band for three years.

She plans to marry Eddie Prieto and live in Del Rio when she graduates.

### 4-H SHOW SATURDAY

Well, the big day for all 4-Hers is coming soon. Saturday, January 27th will be the 15th Annual Crockett County 4-H Show. 11 exhibitors will show some 150 head of livestock. The show will start at 1:00 p. m. At 4:00 p. m. there will be a free barbecue for anybody who wishes to come. At 7:00 there will be an auction of 8 lambs.

Judging this year are: Vestal Aaker — for lambs; D. C. Langford, cattle and breeding sheep; Bill Simms, showmanship awards; and Don Harmon, the Quarter Horse Class. The cat class is new in most 4-H programs, but is showing great promise for the future.

All the 4-H contestants wish for everyone's attendance and hope they will have enjoyed the experience.

4-H Club Reporter: Lynn Cox

### THE SHADOW STRIKES AGAIN IN OHS

By Leroy Drago

The shadow has struck! You, the victim, led him quite a chase, however, and even tried to hide amid the crowd at the basketball tournament. But none can hide from the Shadow, so you finally gave up!

Tuesday morning was uneventful for you, except for a clever wasp cranks at Darrell in Speech I, and an occasional kick at him

just to add flavor to his life. He didn't dodge. Tuesday afternoon a new Reason for Living presented you in short hand, period, when Mrs. Talladega announced that the class would shortly have a test on work, ginnings and endings. You been afraid the class was not to be given the test, but your is leachers was quickly rest. Wednesday morning in your first-period study hall, you gl... (continued on Page Five)

**CAPE PLACID**

This sensational story and a half home is specially designed for growing family needs, over 2300 sq. ft. of family living area. The downstairs area can be completed, in either the "Lambie" or "Franklin" style to be occupied, and the upstairs area could be left in the "Basic" stage and completed as needed. The upstairs area, if not immediately completed, could serve as a storage area, a safe play area for children during inclement weather, or emergency bedroom space when the kids come to visit. You get a real big home for so little money in the "Cape Placid."

**Lions Roar**  
Continued From Page Four

Over your new English work and were vastly pleased with. In civics, you breathlessly asked a pop quiz from Coach here, but you were disappointed and your faith in teachers was shaken. Nothing unusual happened and your faith in teachers was unshaken, and you fled happily to basketball practice after school.

On Thursday, after napping through study hall, you went to school, where you dutifully turned in the report card you had received the day before. Shortly afterwards, Darrel stated that girls are mentally inferior to boys and Mr. Lenth should give more tests. You, however, did not agree; therefore, you gave Darrel a hard kick on the shin to signify what he had said enough! He fell silent thereafter.

After handing in your excellent report cards in all your classes, you were eager to go forth and conquer basketball boys to the detriment of those keeping them. You were doing when your mother refused to travel farther, leaving you stranded with all those

When on to the tournament, you attempted, foolishly, to outdo the Shadow's all-penetrating gaze, but, as is usual, the Shadow prevailed! You were last upon as you worked in the concession stand Saturday. What you did Friday can only be imagined; probably you were boys, Charlotte Johnigan! Charlotte, you were the Shadow's victim this week.

**AMATEUR RULE IS CLARIFIED**  
By Helen McCaleb

The Amateur Rule of the University Interscholastic League applies only to athletic contests and was designed to "place the game above victory". The rule was adopted to prevent high school contestants and outside organizations from capitalizing on the athletic skills of the player.

The Awards Rule applies only to inter-school competitions. Prior to the adoption of the present Awards Rule some schools spent large amounts on football awards.

A contestant violates the amateur rule when he receives money or other valuable considerations for his athletic skills. The Amateur Rule does not apply to any contest not specifically listed under the rules. The rules do not apply to contestants under 15 years of age.

It is not considered a violation of the Amateur Rule to participate on or travel with a non-school team, provided none of the players are given money for playing.

The present Awards Rule places a maximum limit on the value of awards a person may receive and a school can give a student up to a \$15 award per year. The student may receive this award for participating in football, volleyball, band, or any school activity. Other awards may be given in other than school activities if they do not exceed \$2.

The Awards Rule applies to all awards given in recognition of inter-school contests.

Wool saddles. New, hand-made, sturdy, rough-out style. Only \$125. Get several for extra saddles now. Coats and Saddlery. 44-2c

**CHARLOTTE JOHNIGAN WINS BETTY CROCKER AWARD**

Charlotte Johnigan won the 1962 Betty Crocker Search for the homemakers of tomorrow in OHS. She achieved the highest score in the examination on homemaking knowledge and attitudes taken by the senior girls December 5. She becomes eligible now along with winners in other state high schools for the title of state homemaker of tomorrow.

The girl named State homemaker of tomorrow is provided with a \$1,500 scholarship by General Mills. The state runner up will receive a \$500 scholarship.

In addition the State Homemaker of Tomorrow will join with other state winners in an all expense paid educational tour of New York City, Washington, D. C., and Colonial Williamsburg, Va. In Williamsburg the All-American Homemakers of Tomorrow will be named.

The national winners scholarship will be raised to \$5,000. Second place winners will be given \$4,000 scholarship, third place a \$3,000 scholarship, and fourth place a \$2,000 scholarship.

This test, prepared and scored by Science Research Associates, Chicago, is the basis for selection of local and state winners with personal observation and interviews serving as factors in national judging.

The 1962 Betty Crocker Search reached another all-time high in enrollment with 406,132 girls in 12,874 schools participating. This is the program's eighth year.

The original winning examination of each school is being compared with all other school winners in her state. The State Homemaker of Tomorrow will soon be announced and her school will receive a set of Encyclopedia Britannica.

On May 3, 1962, all of the state winners will be guests of Betty Crocker at an American Table dinner in Williamsburg. On this same night the All-American Homemaker of Tomorrow will be announced. She will be given a \$5,000 scholarship. The second, third, and fourth ranking State Homemaker of Tomorrow will be awarded \$4,000, \$3,000, \$2,000 scholarships, respectively. By their achievements, they will reflect honor to all homemakers of America.

**DON NELL CARNES SENIOR OF WEEK**

Don Nell Carnes was born in McCamey, Texas, on July 23, 1944. She is the daughter of Mr. and Mrs. S. E. Carnes. She has one sister, Marilyn Ann, and a brother Ronald Wayne. Don Nell moved here when she was five.

While in high school Don Nell has been a twirler three years, band three years, head twirler 61-62, annual staff three years, football sweetheart 60-61, participated in basketball four years, and has been co-captain two years.

Don Nell is planning to attend Texas Tech next fall and major in elementary education. In her spare time she likes to twirl.

**SENIORS THANK DONORS FOR HELPING MAKE \$850**

During the basketball tournament last weekend the seniors grossed approximately \$850 from concession stand sales.

The seniors would like to thank everyone who prepared baked goods and donated them. Especially they appreciate those who are not associated with the class, yet who were kind enough to donate many items needed by the class.

Now-  
Ford frees you forever  
from the expense and bother  
of frequent car servicing.  
Twice-a-year maintenance is here-  
and only the cars from Ford  
have it!

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; some every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing engine coolant-antifreeze. Brakes adjust themselves.

Why buy a service headache when Ford is ready with the cure? See your Ford Dealer—and see how close Ford has come to the fill-it-and-forget-it car!

**TO REDUCE YOUR TAXES**

**What The Herlong - Baker Bills Propose**

By Congressman A. Sydney Herlong, Jr., Florida

Neither you nor any patriotic American would want tax rates reduced if it would deprive your government of funds needed for defense or essential purposes.

But there is a way to reduce your tax rates without cutting off, or limiting funds for military and other needed programs, or throwing the budget out of balance, a way that is sound and realistic.

It will provide relief for you, no matter which tax bracket you are in.

It will moderate both individual and corporate tax rates gradually over a five-year period.

It will defer taxes for you, as an individual, on long-term capital gains until such times as you sell your holdings, receive a cash profit and do not reinvest the proceeds.

It will reduce the rate of tax on your estate and on your gifts.

It will make it easier for your business to replace worn-out and obsolete equipment.

It will work this way:

1. The first bracket of personal tax rates will be reduced from 20 to 15 percent and the top rate brought down to 47 percent from 91 percent, in five easy stages with corresponding reductions in all interim rates.

2. The top corporate rate of 52 percent will be reduced to 47 percent, also in five stages. Setting the top rates of individual and corporate tax at the same level rightfully puts the owners of unincorporated businesses — which account for 85 percent of all businesses — and members of professions on an even tax keel with corporations as opposed to the higher rates they now pay.

3. Estate tax rates will be reduced from a top of 77 percent to 47 percent and the top rate of gift tax from 57.75 percent to 35.25 percent. All lower rates of both taxes will be reduced in proportion. This comprises another important easement of the impact of capital taxation.

4. There will be a reduction of approximately 25 percent, over the five-year period, in the time during which business will be allowed to charge off the cost of plants and equipment before figuring their taxable profit.

This will give you, and every-

one, at least a 25 percent cut in taxes. It will do this without shifting tax burdens from one set of taxpayers to another. Almost 60 percent of the total savings in individual taxes will go to those in the taxable brackets up to \$6,000.

The proposed cuts in tax rates, over the five-year period, will not result in red-ink spending by the government. Slated reduction will be postponed when there is danger that the federal budget will be thrown out of balance.

The money to provide for the reduction of your tax rates will come from a simple change in the way the government operates. Here is how it will come about:

Since 1955 the yield to the government from personal income taxes alone has grown from \$30 billion to about \$43 billion, with no change in rates. During that period, personal incomes in dollar terms rose by a third, so that the government received on a silver platter an increase in revenue of \$13 billion.

Other taxes also yield larger revenues as the economy grows, although not to the same extent. Half of any increase in corporate profits automatically flows back to the government. The more you buy, the more you pay in excise taxes.

Estimates for the next fiscal year that begins in July are that total revenue may be up as much as \$15 billion over the fiscal year recently ended, simply because of the growth in our national income.

Each single percentage point of gain in the growth rate means \$1 billion in additional revenue, which is why the added money coming in from economic growth is such a very large sum.

At present, the government takes the added money coming in from economic growth and spends it.

Now, follow this carefully: You will get the cut in your tax rates by the government taking this spillover each year and, through tax reform, making it available for growth in the private economy. The freed money will go into consumer purchases and plant expansion and research and development of new products which, in turn will cause added employment, so that, even though your taxes will be cut by at least 25 percent, the government will receive more, not less, in total taxes.

When this is done, there is no reason why our economy should not move forward as fast as 5 percent or more a year. Any growth

rate above 3 1/2 percent will take care of a step-by-step cut-back in your taxes over a five-year period and still provide the government with ample funds for other purposes.

The needed legislation to accomplish all of this is already drawn and in the hands of the Ways and Means Committee of the House of Representatives, in the form of identical bills, H. R. 2030 and H. R. 2931 introduced by Representative Howard H. Baker, Republican of Tennessee, and me.

Known as the Herlong-Baker bills, this proposed legislation has received expressions of commendation and support from members of Congress, editorial writers, columnists, business groups and other organizations, etc., across the country. The most constant theme of these expressions has been the practical, commonsense nature of the legislation.

I know that this legislation is not only practical and feasible but that it is urgently needed. It will be passed if you want it passed, and if, without delay, you tell your Congressman and Senators that you want it passed. It is as simple as that.

**Book Review, Election Of Officers Features Of Garden Club Meet**

Annual election of officers and a book review by Mrs. Sherman Taylor featured the meeting of the Ozona Garden Club Monday in the home of Mrs. Ivy Mayfield. Theme of the day's program was "Color in Your Garden — Its Influence."

Mrs. A. S. Lock, president, presided at the business session. Mrs. Lock was re-elected president. Other officers are Mrs. Lloyd Sherrill, vice president; Mrs. Glenn Sutton, recording secretary; Mrs. Frank McMullan, corresponding secretary and Mrs. Stephen Perner, historian.

Mrs. Harry Trulove and Mrs. A. S. Lock were chosen by the

Accurate and Complete

**RANCH RECORD**

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

 An average of approximately 20 a day is being released in Ozona and an average of 20 men are finding employment in traveling work being done under the Jan. and Feb. allotment of funds from the Reconstruction Finance Corp., to relieve unem-

—news reel—  
 Mrs. P. T. McIntire, daughter of Dr. and Mrs. P. T. McIntire, celebrated her 50th birthday Wednesday afternoon with a party for a number of her little friends. Little guests present were Mary Perner, Emma Gill Phillips, Mary Elizabeth Gray, Flossie Luther, Joanne Williams, Joan Hull, Barbara White, Mary Jeanette Grimmer, Rosalie Johnsons, Marie Williams, Zella Lawrence and Clara Ann Coe.

—news reel—  
 A picture show and home talent play will soon be presented under sponsorship of the Ozona Woman's Club. Mrs. V. I. Pierce, head of a committee to select a movie for club sponsorship, reported the committee had chosen Marie Dressler's picture "Prosperity", which has been acclaimed by critics throughout the country. "Second Childhood," a splendid 3-act comedy, is the home talent selection to be directed by Mrs. W. J. DeGarmo.

—news reel—  
 Stephen Cooke, son of R. J. Cooke, suffered a broken arm Monday when he fell on the sidewalk while skating.

**Ozona Student High Scores On New Mexico Wool Judging Team**

University Park, N. M. — National first place honors have been won by the New Mexico State University team in the National Industrial Wool Judging Show.

In connection with the National Livestock Exposition, the contest also saw an NMU team, T. Mark White from Ozona, win first among 44 teams.

Final ratings for other teams of the NMSU team included Jerry Green, senior from Springtown, Texas, and Eugene E. Parker senior from Tatum, N. M., who finished sixth among 44 had included.

Dr. William D. Mc- the animal husbandry of the NMSU College of Home Economics, won a permanent trophy by the Columbia team also.

The team also received a traveling trophy. U. S. Testing Co. also received a dress shirt.

White also received a trophy as one of the best scores in history, another on fleece scoring, for tying for first placings.
