Speaker Charms Audience With Flood Of Humor

Insurance Executive Guest Speaker At Rotary Meeting

Louie Throgmorton, Dallas insurance executive, convulsed an Ozonia audience with a flood of humor which flowed in an uninterrupted stream except for a thread of serious philosophy which ran through the whole discourse when he spoke at a ladies night banquet of the Ozonia Rotary Club Friday night in the high school cafeteria. Mr. Throgmorton, while captivated his audience with his Bob Hope type of humor, threw in some thoughts about what has made America great and the misguided world conspiracy of today which is trying to undermine it. Free minds, he said, have made America great and free men have produced an abundance the world had never before seen. He derided those who would call America second rate — not by any yardstick you want to use, he said. And he reminded that America had twice gone to Russia's aid to keep her from starving and he pointed to the problems of the two countries today — America's abundance, Russia's scarcity. Rotary President Ira Carson presided. The guest speaker was introduced by T. J. Bailey.

Last meeting of the Ozonia PTA for the current school year will be held in the high school auditorium Monday night at 7:30. Annual students awards will be presented and the public is cordially invited to attend.

Run-Offs Due For County Judge, Two Commission Seats

Brock Jones, Williams Run Off; Ralph Jones Unseated As Judge

Coming within seven votes of the record 1185 cast in the 1960 presidential election primary, Crockett county voters Saturday defeated the incumbent County Judge and left his successor undecided between two candidates who will contend in the run-off primary June 2.

They also renominated one incumbent County Commissioner and left two other Commissioner posts to be decided via the run-off route. County Judge Candidate Brock Jones led in the four-way race for that office and will face second running Troy Williams in the run-off to decide who Crockett county's fifth county judge of its 70-year history will be. Incumbent Judge Ralph Jones, serving under appointment of the court following the death of Judge Houston Smith, ran in third place and thus was eliminated and candidate Ted M. White was in fourth place. The total vote was Brock Jones, 337; Williams 304; Ralph Jones, 297, and White, 216.

Run-offs will decide the Commissioner race in Precinct 2 and 4. In Precinct 2, where a field of six candidates were in contention, Appointee Commissioner Richard Flowers will face newspaper carrier Rex Halydier in the runoff. Halydier polled 73 votes, Flowers, 50; Bob Bissett, 39; Glenn Cox, 27; Bill Miller, 25, and W. B. Lindsey, 21.

In precinct 4, incumbent Jake Young had a seven-vote lead over Glenn Sutton, with Roger Dudley, Jr., running third and eliminated. Young and Sutton will battle it out in the run-off. Young polled 99 votes, Sutton 92 and Dudley 56.

Commissioner C. O. (Lefty) Walker, former Precinct 2 Commissioner, but transferred by appointment to Precinct 1 to succeed Judge Jones, outdistanced his opponent W. P. (Bill) Seahorn 203 to 149 to win the nomination for the two years remaining in the unexpired term.

In the uncontested county races, Miss Leta Powell, county and district clerk, polled 1159 votes to tie County Treasurer Jim Dudley for tops on the ballot. A. O. Fields got 1154 votes for re-election as justice of the peace, Precinct 1.

State wide, Crockett county voters favored Attorney General Will Wilson for governor, with John Connally running second and Dan (Continued on Page Three)

Annual Kindergarten Round-Up Slated Fri. At North Elementary

The annual Kindergarten Round-Up will be held at North Elementary school tomorrow, Friday afternoon, May 11, at 2:30 p. m. Principal Frank Janes announced this week.

All children who will be five years of age by Sept. 30, 1962, and their parents are invited. The child's birth certificate and a record of his or her immunization shots should be provided. Immunization is required against small pox, diphtheria and whooping cough. However, if all this material is not now available, parents are urged to come and bring the child and register in preparation for the opening of schools next fall.

The next kindergarteners will be entertained by this year's class with a short program, after which the class of 1962 will be awarded their Kindergarten Diplomas. This event will not mark the end of school for the kindergarteners, however, as they will attend classes all next week, until Friday, May 18, at 11:30 a. m. when their school year will come to a close.

Lock Scores First Hole In One After Many Golfing Years

Allie Lock, Ozonia veteran golfer scored his first hole in one at the country club when his shot from the number three tee covered the 195 yards and into the hole.

A trio of T. J. Bailey, Brooks Dozier, and Lock were playing when the rarest of all golf shots was scored.

A number of Ozonia golfers are sharpening up their games in preparation for the McCamey Invitational tourney to be staged on the McCamey course next weekend.

Clear, hot and rather windy weather have been encouraging a large number of Ozonia golfers to the Country Club course during the past several weeks, a number of them expected to be strong contenders in the area golf tourneys which will be unreeled in the next few months.

Hugh S. Stiles, Senior Father of Ozonan Buried In Dallas

Hugh S. Stiles, 66, father of Rev. Hugh Stiles of Ozonia, pastor of Calvary Baptist here, died in Dallas April 24 after a long illness. He was born in Wellington, Ohio.

Funeral services were held Friday, April 27, at Centenary Methodist Church in Dallas, the Rev. Fred Moring officiating.

Mr. Stiles is survived by his widow; one son, Hugh Stiles of Ozonia; one sister, Mrs. Robert W. Watts of McDonald, Ohio; one stepson and one step daughter, and fourteen grandchildren.

1962 Red Cross Drive Under Way With \$1500 Goal

John Hobaugh Chairman of Belatedly Launched Drive

The annual Red Cross drive got under way in Ozonia this week with a section-by-section coverage of Ozonia scheduled to be carried out by a committee composed of members of the following Ozonia Civic groups: The Music Club, the Garden Club the Rotary Club, the P. T. A. the Woman's Club, the South Side Lions Club and the Ozonia Lions Club.

Ozonia's quota for this year has been set at \$1500.00, a goal the drive chairman, John Hobaugh expects to exceed before the drive ends early next week.

The Red Cross is one of America's real bonafide disaster and relief agencies and to get a view of the scope of the work done, one need go no farther than the Texas Gulf Coast area last summer when Hurricane Carla caused millions of dollars of damage to private property, destroying thousands of homes where owners could not possibly have restored them without help, chairman Hobaugh pointed out in announcing the drive's launching.

"Ozonia people don't even have to go that far in view of our own flood in 1954, after which the Red Cross did a tremendous job for many people," Hobaugh declared. He urged a 100% response to this year's call by the Red Cross.

MEMBERS HONORED — The Ozonia Women's Forum honored its past presidents at a luncheon. The Forum was organized in 1932 with Mrs. Clinton Glover, now of Abilene, its first president. Glover, above, front row, second from left, was among past presidents here for the past several years. Front row left to right, Mrs. Chas. E. Davidson, Jr., Mrs. Glover, Mrs. W. E. Young, Mrs. Wanda Watson, Mrs. Pleas Childress, Mrs. Arthur Phillips, Mrs. L. B. Cox, III, and Mrs. Fred Hagelstein.

Choosing Can Be Difficult

There are many wonderful things about living in a small town. They are things that only those who live or have lived in small towns will understand and there's no use trying to tell a city fellow what they are.

But there are sometimes difficulties. One of these is election time. In a small community everybody knows most everybody else and when there are a number of candidates for public office, one faces the necessity of choosing a

mong his friends. And in choosing, one must also reject.

One may have made up his mind that so and so is the man most qualified, or least objectionable, but in selecting that candidate by ballot, one must "scratch" his opponent. And that opponent is a friend. And it's not pleasant to have to "vote against" a friend. That's one of the not so good things about living in a small town.

We hope you fellows who didn't win will understand.

Don't Say We Didn't Warn You

The warning word from Washington is that the Administration-backed bill for medical care under Social Security now "has a good chance of passage" this session.

This is a bad dose of medicine for all of you men and women now at work — for your tax increase would be up \$25.25 each year.

Your money would be used to take care of those unable to pay their own bills — as well as those who are able to pay their obligations.

What the government do-gooders fail to point up is that more than half of those over 65 are already covered by their own health insurance policies — and this number is growing rapidly !!

Further, this bill comes up before

the full effect of the Kerr-Mills Act has been felt. This is the legislation which takes care of a greater share of medical expenses, but only for those unable to pay.

President Kennedy's own figures forecast that this new bill would cost about \$6 billion a year — all of which means further tax increases.

We suggest you relay this additional ammunition along with your representatives: No one has been able to prove that any large number of older people need medical care — or that they can't get it now.

SCS Urges Planning Now For Brush Control Measures This Summer

"Now is the time to make plans for brush control this summer," according to James Glynn, local Soil Conservation Service Technician.

He says sub-soil moisture is good in most areas, and with another good rain conditions will be favorable for aerial spraying of mesquite next month.

Some cooperators of the Crockett Soil Conservation District have started control of mesquite by basal application of 2, 4, 5-T and diesel oil. This method can be carried out effectively at anytime between February 1 and November 1, preferably during summer.

Basal application is more effective than aerial spraying and normally results in a high percentage of brush's kill.

Glynn mentioned that three months of defoliation by brush control spraying is beneficial and speeds recovery. The defoliation range grasses to make use of the additional nutrients being released as brush is killed.

SCS technicians are happy to assist ranchmen in planning and applying brush control.

Notes From The County Agent's Office

By Pete W. Jacoby

Now is the time to start watching for the pecan nut casebearer to appear. It is important to spray at the proper time for effective control which is about the time that the nut clusters turn brown on the ends. Do not spray until nut clusters do turn brown (showing fertilization). Spraying may affect the fertilization of the nut

cluster if sprayed too early. Eggs of the casebearer usually can be seen at the base of the nut clusters. A second spraying of two or three weeks interval is often effective for good control. A power sprayer that will put out 20 to 35 gallons per minute at a pressure of 200 to 600 pounds is recommended for the job. Thorough wetting of each limb from top to bottom is necessary for a thorough job of spraying for the casebearer. Spray materials recommended for control of the pecan casebearer are as follows: 100 gallons of water — use 3 pounds of 50% wettable DDT powder, or 2 pounds

of 15% Parathion wettable powder, or 3 pounds of 25% Malathion wettable powder, or 5 pounds of 40% Toxaphene wettable powder, or 1 pint of 40% Nicotine sulfate plus 2 quarts of summer oil. You may add 2 pounds of 75% wettable zineb to any of the above spray mixtures for control of scab and other foliage diseases.

Cadillac

No place to tell a secret!

Take it from us, you'd better not try to exchange confidences in a new 1962 Cadillac.

For the car is so silent in operation—even at the legal limit of the road—that even a whisper can be heard.

But while that wondrous quiet might make it difficult to trade secrets—it speaks volumes about motor car quality and goodness.

For the silence of the Cadillac car is as unique as the circumstances that produce it.

Cadillac cars, for instance, are built in only one place—and they are built by men who build nothing else.

They are crafted to unbelievably fine tolerances. Some engine parts must be machined to

an accuracy of one ten-thousandth of an inch.

They are styled so scientifically that wind noise is reduced to a lullaby—and they are constructed so well and insulated so thoroughly that outside sounds are virtually eliminated.

They undergo more than 1400 inspections in the course of their manufacture and assembly—and are then subjected to the most authoritative final inspection in the industry.

You ought to visit your Cadillac dealer soon and sample the results for yourself. And while you're at the wheel—listen to the eloquent quiet!

FINAL CALL for New Telephone Directory Changes

RESIDENTIAL SUBSCRIBERS
Your "Phone Book" listing is important to you and your friends. Won't you check yours, and call us promptly if you wish to make a change.

If you've considered including other members of your family, now is the time to do it. Extra listings cost so little, make it so much easier for your friends.

BUSINESS SUBSCRIBERS
Complete representation in the Yellow Pages will bring more customers to your door. And you can be sure of reaching many more buyers by listing under additional classifications.

Consider also the advantages of having directory representation for key people in your company. This added "exposure" really pays.

But time is short. To make sure you'll be properly represented in the new Directory, call our Business Office right away.

YOUR STUDY ATTITUDE IMPORTANT AT TEST TIME

By Helen McCaleb

As we approach the time for final exams this year, there will be mixed feelings among the students.

There is always the group of students who had rather run the risk of getting caught cheating than to study. If this group would spend as much time studying as they spend making cheat notes, they would probably pass anyhow.

The other group of students are the ones who try to pass the honest way, by studying. They may stay up all night cramming, but they are determined to make it on their own.

Then there is another group which is usually in the minority. Their motto is "Why study, I'll fail anyhow." This group is usually very small, but it still exists and if you find that you are in this group, you had better make some changes somewhere.

All high schools can be divided into these three groups. Into which group do you fit?

When the results of the tests are known, those in the first group look at their papers, but what they feel inside is not true satisfaction, but the relief to know that they didn't get caught! The second group feels true satisfaction, they have done a fine job, the honest way. Then the third group is greeted with emotions that seem to come natural to them: "I knew I wouldn't pass so I'm glad I didn't waste my time studying."

Why don't we see if we can eliminate groups one and three and make the best we can, the honest way.

SAC TO PRESENT ASSEMBLY FRIDAY

The regular assembly on Wednesday will not be held; instead, the assembly will be on Friday at 11:15. You will go to your regular classes the first three periods, then when the bell rings for fourth period, you will go to that class room and remain until roll call then go to the auditorium, where the assembly will be held.

Dr. Hudgins from San Angelo college will present the assembly with an orchestra and various other talents, from SAC.

THE LINES MAKE THE COLUMN

Sincere thanks are extended to those persons whose donations to the senior class, made it possible for the trip to be such a success. On Thursday, before take-out, a breakfast was furnished by Mr. and Mrs. Jess Marley and Mr. and Mrs. Nip Blackstone. The breakfast on Friday was contributed by Mr. and Mrs. S. M. Harvick and Mr. and Mrs. Martin Harvick. Mr. and Mrs. Glenn Sutton and Mr. and Mrs. Charlie Black made the breakfast donation on Saturday. The return home breakfast was provided by Mr. and Mrs. Charlie Applewhite, Mr. and Mrs. Clarence Tabb and Mrs. Joe Friend. The Raspberry, Mr. and Mrs. Thadd cokes all the way to and from Dallas were supplied by Rusty Smith. Another donation was made by Mrs. W. E. Friend, Jr.

Over the week-end Brent, Pete, Scott, Leroy, and Dude went water-skiing at Lake Walk; Bryan went to the races; Cheryl and Robin went to the ranch, and Gracie went to San Angelo.

Exes home were Reid Holmsley, Nonie Conklin, Roberta Johnigan and John Aguirer.

Congratulations go to Vicki Carroll and Janie Lara. It seems they made quite a hit singing in the Century Room of the Adolphus Hotel with the orchestra.

TUES., THURS., AND FRIDAY

Final exams for OHS students will begin Tuesday afternoon of next week with a test for the seventh period. It will begin at the regular school time in the after-

noon and last an hour and a half.

The next tests will be periods two, four and six Wednesday (periods two and four in the morning starting at 8:10 and 10:30) and period six in the afternoon starting at the regular school time.

Tests for periods one, three and five will be held on Wednesday starting at 8:10 in the morning for periods one and 10:30 for period three and regular school time for period five.

YOU'VE GOT EVERYTHING GOING FOR YOU!

Here now!

This year there's a car that changes your mind about the cost of beauty—and advanced engineering, too. It's the magnificent, masterful Mercury Monterey for 1962, the only new car that's got everything going for you. It's beauty that beckons, then take a long, loving look. The Monterey is sheer elegance in steel, a timeless sculpture that turns your garage into an art gallery. If it's advanced engineering that you dote on, peer in and look for yourself: Self-adjusting brakes, 30,000 miles between major lubrications, 6,000 miles between major oil changes. Dozens of industry-leading innovations like that. And, when it comes to investment, that's really where the new Mercury Monterey has everything going for you. It is priced just a whit more than ordinary-looking, ordinary-riding, ordinary-featured cars. This is the year you don't have to compromise between beauty and a bargain, between elegance and economy. Mercury Monterey. The one car that's got everything going for you.

First Baptist WMU In Royal Service Program

The Woman's Missiounary Union of the First Baptist Church met Wednesday morning for its monthly Royal Service program. Mrs. R. C. Pitts read the calendar of prayer and led in prayer. Mrs. Lyle Strifler was in charge of the program. Mrs. Harry Trulove, Mrs. Pitts, Mrs. Huey Ingram, Mrs. Roy Thompson and Mrs. Ted Lewis had program parts. The program was on missionary work among Indians east of the Mississippi river.

Others present were Mrs. Art Dodds, Mrs. Jess Sweeten, Mrs. J. T. Keeton, Mrs. Quentin Brentz, Mrs. W. C. Smith, Mrs. O. C. Webb, Mrs. Myrtle Mitchell, Mrs. George Bean, Mrs. Jim Carpenter, Mrs. Harold Shaw, Mrs. Jerry Perry, Mrs. Glen Russum, Mrs. Elmer Phillips, Mrs. Charles Huffman, Mrs. Jack Mathews, Mrs. Walter Sparks, Mrs. Dan Cole, and one visitor, Mrs. May Cormier from Rome, Ga.

GARDEN REMINDERS

Wisteria vines or standards have most likely greened up to maximum height. Prune back to this point together with any dead wood that has developed.

Chrysanthemum cuttings may still be made.

Cannas offer a great mass of color with interesting foliage. They transplant well even now when the top growth has begun to grow well.

Mildew, blackspot and scale are definitely on the increase. Regular spraying is necessary to check these, which are increased by the heat of recent days.

Plant caladiums now. It is recommended that they be planted 3 inches deep and set on a shallow cushion of sand.

BREAKFAST FOR SENIORS

Mr. and Mrs. Nip Blackstone and Mr. and Mrs. Jess Marley entertained members of the Senior class and their sponsors at a breakfast before the class left on its senior trip last week-end. Breakfast was served at El Sombrero Cafe, with about 50 seniors and sponsors present.

Nation's Air Power To Be On Display For Armed Forces Day

America's air power will be on display for the celebration of Armed Forces Week 1962 in the San Angelo area. More than three dozen aircraft from all the military services will participate at Mathis Field May 13 or will appear during the Armed Forces Day parade, May 19. The planes will converge on the city from nine bases throughout the Southwest.

Preceding the huge open-house program at Mathis Field, Sunday, May 13, fifteen of the aircraft will overfly the area from 12 noon to 1:45 p. m. in four groups.

Armed Forces Week plans call for a wide variety of aircraft to be on static display at Mathis for sight-seeing by open-house visitors.

The opening event of the Mathis Field program May 13 will be a tactical problem demonstration by the 91st Rifle Company, U. S. Marine Corps Reserve. The Marines will be air-lifted by USAF

helicopters of the 1212th Balloon Activities Squadron, Goodfellow AFB.

Other action events billed for the open-house are a demonstration by the 9413th AF Reserve Recovery Squadron which is based at Mathis, inflation of a weather balloon by the 1212th BAS, a drill exhibition by the GAFB Drill Team, a demonstration by sentry dogs from Dyess AFB, and a sky-diving display in space by the U. S. Navy's 'Chutting Stars.'

FRIDAY BRIDGE CLUB

The Friday Bridge club met last week with Mrs. Eldred Roach in her home. Spring flowers in shades of pink were used in the party room. High score was won by Mrs. O. D. West, low by Mrs. J. M. Baggett and cut by Mrs. George Montgomery.

Others attending were Mrs. E-vart White, Mrs. Hillery Phillips, Mrs. Bill Adams, Mrs. Early Baggett, Mrs. Joe Pierce, Jr., Mrs. Tom Harris, Mrs. W. D. Bradbury and Mrs. Evelyn Chilton of Marlin.

Mother-Daughter Tea, And Party Mark 50th Anniversary Of GA's

During the week of April 29 through May 6, the attention of members of First Baptist Church has been drawn to the missionary organization of Girls' Auxiliary. Throughout Southland, this organization is celebrating its 50th anniversary.

One event honoring the members of Girls' Auxiliary during this week was a treasure hunt and weiner roasts held on Friday evening and attended by approximately 60 members and their guests. Leaders of this organization for girls of ages 9 through 15, are Mrs. C. E. Dover, Mrs. Harry Trulove, Mrs. Pleas Childress and Mrs. George Glynn. They were assisted with plans and preparations by Mrs. Glen Russom and Mrs. Lyle Striffler. Miss Helen McCaleb, a member of the YWA of the church, brought a fireside devotional as the evening of fun drew to a close.

As a climax to the week's activities, a Mother-Daughter Tea on Sunday afternoon, May 6th, honored not only the mothers of the GA members, but also those girls who have passed in their Forward Step work. After being questioned in their work by Mrs. C. E. Dover,

emblems signifying the step of maiden, Lady-in-Waiting, or Princess were pinned on the girls by Miss Lola Mae Daniel as she gave to each a charge to continue faithful in her work.

The tea table was centered with a large doll dressed in the regalia of gown, cape, crown and scepter of Girls' Auxiliary. Colors of the GA were carried out in the white outwork cloth, green, white and gold candles and floral arrangements. Mrs. Art Dodds and Mrs. Harold Shaw had dressed the doll and also made for each girl an identical cape to carry home for her own doll.

Cookies and punch were served to all guests, including a group of GA's and their leaders from the Templo Jerusalem Church, by the Intermediate GA's, under the leadership of Mrs. Harry Trulove.

Receiving recognition for their work were: Maidens: Mary Simon, Marsha Meadows; Ladies-in-Waiting: Johnette Dozier, Judy Barber, Sallie Janes, Debbie Moore, Chris Clegg and Lois Poindexter; Princesses: Bonnie Glynn, Dale Dover, Lucille Childress, Jaque Meadows, and Margaret Simon.

LADIES GOLF-BRIDGE ASSN.

Low net on the club trophy play was won last week by Mrs. Dempster Jones, at the Ladies Golf-Bridge Assn., meeting. Low

puts and par on the Jones trophy went to Mrs. Joe Pierce, Jr.

Mrs. Byron Williams was hostess at bridge. High score was won by Mrs. J. M. Baggett, cut by Mrs. Jack Williams and low went to Mrs. Sherman Talyor.

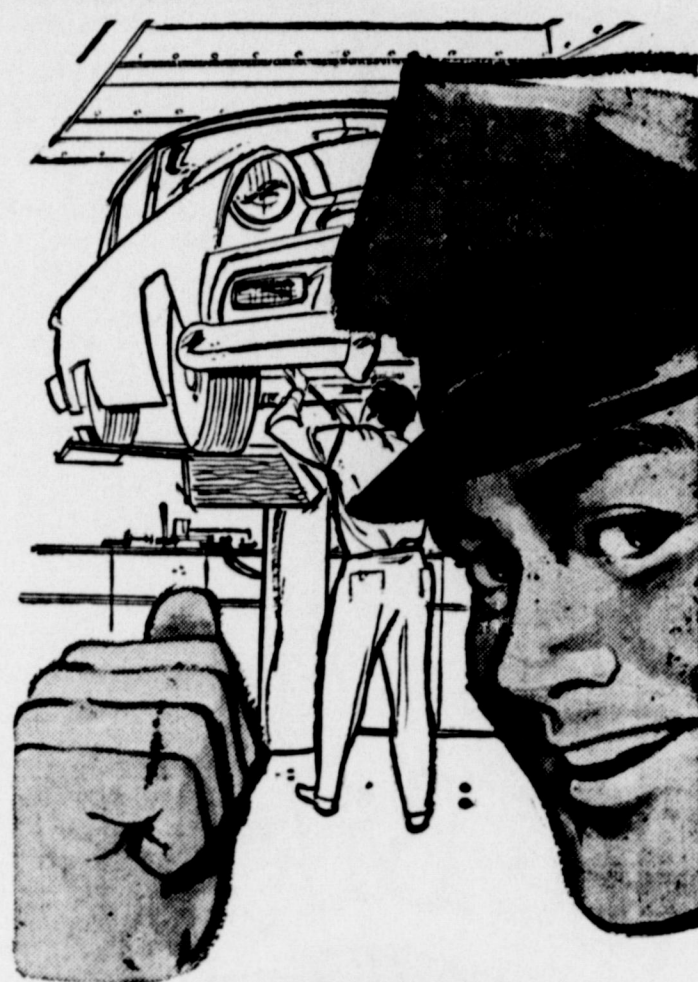

Others attending were Mrs. John Childress, Mrs. Byron Stuart, Mrs. W. T. Bradbury, Mrs. Evert White, Mrs. Hillery Phillips, Mrs. Jake Short, Mrs. Early Baggett, Mrs. P. C. Perner, Mrs. Carl North, Mrs. Joe Clayton, Mrs. George
