Around Muleshoe

Jimmy Henderson will be starting his Bible classes on Monday, January 14, at his home.
His Bible classes are conducted without charge to anyone interested in attending. Call him for further details.

Muleshoe School's Athletic Director and Head Football Coach Windy Williams said he had received a call from Watson Brown, head football coach at Rice University.

Coach Brown said John Isaac has been granted a full football scholarship at Rice University. John has verbally committed to signing to attend the SWC college, and will sign a letter of intent in February.

Wyoming Technical Institute has announced the graduation of Aldo Almanza, at the 142nd consecutive commencement exercises held in Laramie, Wyo. on December 22, 1984.

Wyoming Technical is a post-secondary, vocational, technical training center. Almanza concluded 1,000 hours of training as an automotive technician.

The South Plains Council, Boy Scouts of America, is conducting an "Eagle Search". They

Motion Fails To Rescind Bond Order

Bailey County Commissioners met in special session on Friday morning, with several items on the agenda.

One major item was a motion by Commissioner Roy Whitt, to rescind the order giving permission for Industrial Revenue bonds to be issued to Dent Farm Supply, Inc. to construct a new building near the west city limits of Muleshoe.

Whitt gave his reason for asking for the bond order to be rescinded "the manner in which the bond request was presented."

Commissioner Rudolph Moraw initially seconded the motion, however, following a discussion, he withdrew his second, and the motion died for a lack of a second.

In other action, commissioners set the holidays for 1985, adopted a resolution designating and approving the members of the 1986 Sesquicentennial Committee and authorized Bailey County Judge Gordon H. Green to advertise for bids for a pickup for the Extension office; a car for the sheriff's office and a motor grader for Precinct Two.

LIONS CLUB PRESENTS CHECK--Lions Club President Les Irvin, left, presented a check from the Muleshoe Lions Club, in the amount of \$250, to Kirby Rankin, assistant Bailey County Agent and 4-H youth coordinator for the proposed 4-H youth scholarship fund.

County Agent Lions Club Guest Speaker

Kirby Rankin, assistant Bailey County Agent and county 4-H coordinator, was guest speaker for the Muleshoe Lions Club Wednesday at noon. He spoke on 4-H activities, including the proposed plan to establish a 4-H scholarship for a senior 4-H member.

"Our 4-H kids are about the best group of young people organized in Bailey County," emphasized Rankin. "We have the smart, the good ones, and the most ambitious kids in the county. When you get in 4-H, you learn things and you achieve things."

Rankin reminded that many of today's leaders throughout the nation are former members of 4-H clubs, and said with the leadership training, and other training given 4-H youth, "They are all the leaders of tomorrow."

"Citizenship is the most valuable project a kid can go through in 4-H," added Rankin, "and they learn a sense of responsibility through their activities with people, animals, jobs and education."

In speaking of the proposed scholarship, Rankin explained that it will be set up as a permanent scholarship fund, with interest given each year as the scholarship to an outstanding 4-H senior, who will be chosen by the 4-H Youth

Committee, consisting of 4-H parents, businesspeople and 4-H youths themselves.

This would be above and beyond state 4-H scholarships, which are competed for on a statewide basis, and would localize, and restrict to this particular county, the recipient of the local 4-H scholarship.

He told of the great value of the annual livestock show, and said that animals alone for the youths to show are purchased at an amount above \$54,000; and by the time the cost of food for the animals is added, it is an investment in the county of some \$100,000 (or more) just to get the animals ready for the annual January show.

Rankin also told that the entire family is involved in preparing an animal for the livestock show, as they share the responsibilities of feeding, training and grooming their particular animal, or animals.

He also said that anytime Bailey County youth take their animals anywhere in the state to show, they represent the county very well.

Rankin said Sharla Morrison had the reserve grand champion steer at the very large Houston Livestock Show, and sold the

Lloyd Pollard Final Winner For Football

Well, folks, football is finally over for 1984-85, or at least until the USFL gets play underway in the next three or four months.

And, with the ending of the former regulation football season, ends the football contests until high school football begins in the fall.

Final contest for the year was the annual "Bowl Game" contest, and a very faithful football entrant won the \$50 check for this year's contest.

Lloyd Pollard, who enters each week during the annual "Merchant's Football" contest, was the winner of the Bowl Game contest this year.

He was one of some six persons who only missed four games in the contest, but his 29-point spread on the double tiebreakers made him the winner when the final scores were tallied.

Mrs. Fred Wilbanks also missed four games, but she had a 34 point spread on the tiebreakers. Also having a 34-point spread with four misses was Donnie McDonald.

Rey Rojas had a 35 point spread; Armando Porras was 36 points off on the double tiebreakers and Barbara McCamish was 39 points away.

Be ready for the contests to start again in September.

School Extra-Curricular Rules Effective January 1

Area Colleges Offer Varied Local Classes

Several college level classes will be offered through the Continuing Education program on the Muleshoe School campuses, for the spring semester.

Beginning January 14, South Plains College of Levelland will be offering Government 232 on Mondays, 6:30-9:30 p.m.; Beginning Spanish 239, Tuesday, 6:30-11:00 p.m. and Introduction to Sociology, Thursday, 6:30-9:30.

Registration deadline for these classes is January 11.

From Plainview, Wayland Baptist University will offer the following classes in Muleshoe: Graduate courses beginning January 8 and ending May 14.

Included will be Education 5303 - The School in a Multiculture Society (Education Core) and Spanish 4301 G-Contrastive and Descriptive Linguistics or English 4306 G-Introduction to Linguistics.

Texas Tech University of Lubbock will be giving EDCI5318-This course develops a general understanding of the ways small computers can be used in education and EDCI5319-This course develops skills in writing educational programs in the LOGO computer language.

Tuition is \$155 for three semester hours.

Muleshoe ISD will be giving non-credit classes in computer applications on Monday 6-8 p.m. and 8-10 p.m. with Turner as the instructor again on Thursday, 5-7 p.m. and 7-9 p.m., with Gregory as the instructor.

No more than 15 persons may be enrolled in the class and tuition is \$40. The classes will be conducted in the high school computer lab.

Terry Nickell Named Manager For C.R. Anthony

On January 2, the C.R. Anthony Co. welcomed a new manager, replacing former manager David Garcia, who has moved from Muleshoe.

Terry Nickell, 24, and his wife, Kim have moved to Muleshoe, and are currently looking for a three bedroom house. In the interim, they are staying at a local motel.

A native of Duncan, Okla., a city of some 23,000 population, Nickell has been associated with C.R. Anthony Co. for the past six years.

On his first day in the store, Thursday, he said he was spending the day getting acquainted with the sales personnel, and citizens coming into the store to shop.

"I'm real excited about being here," he said, "and the people are so very friendly here."

He and his wife are expecting their first child in April.

Parents Urged To Study New Rules; Ask Questions

At this time, the Muleshoe School administration is "gearing up" to implement rules recently passes by the newly appointed State Board of Education. The adoption of the rules by the State Board was mandated by House Bill 72 that was passed in the special session of the Legislature held during the summer.

According to Superintendent H. John Fuller, the legislature may re-address some of the issues, but the district must be prepared for full implementation of the rules until such time as the legislature takes action (if any). The rules are summarized below.

The school administration urges all patrons to examine the rules in detail and contact the school for any needed clarifications. Superintendent Fuller said "Please note that while some of the rules are effective immediately, others will not be implemented until the beginning of the fifth six weeks (February 18) and still others,

not until the fall of 1985. A summary of the rules follows:

EFFECTIVE IMMEDIATELY
(a) School districts shall not schedule, nor permit students to participate in, any school related or sanctioned activities on or off campus that would require, permit, or allow a student to be absent from class in any course more than ten times during the 175-day school year (full year course). Non-Cont. Page 6, Col. 1

City, DECA Designate Special Week

Muleshoe Mayor Charles Bratcher and the Muleshoe High School chapter of DECA have declared the week of January 6-12 as Civic Consciousness Week in Muleshoe.

DECA students, as future business owners and managers, are encouraging everyone to support their favorite civic organization, or project, especially during this week.

Everyone living within the city limits who receive monthly water bills from the City of Muleshoe recently received a letter encouraging donations for Meals On Wheels and also asking for the location of those in the city who are eligible to receive the hot meals Monday through Friday at noon.

This project is part of DECA's Civic Consciousness Project this year and DECA urge you to respond as soon as possible if you have not done so already.

As earlier activity as part of the Civic Consciousness Project was a fund raiser for the Spina Bifada Association, involving the Harlem Thrillers and the MISD coaching staff in a basketball show. A total of \$886 was raised for the Spinda Bifada Association through this special show in the Muleshoe Junior High School gym.

DECA students and the project chairmen, Florinda Mendoza and Isabel Posadas, encourage your support during this special Civic Consciousness Week.

DECA-Developing Future Leaders for Marketing and Distribution.

Dimmitt Slides By The Mules In Home Gym

Friday night, the Muleshoe Mules traveled to Dimmitt for a "big" district game against the always tough Dimmitt Bobcat team.

The Mules "gave it their best, and stayed right with the Dimmitt team," says Coach Scott Murray, who said the team never gave up, even after seeing a 16-6 first quarter lead start dwindling away.

Dimmitt defeated the Mules 59-52 with Mark Moton as leading scorer with 20 points, followed by Andy Copley with 15 points. Leading rebounder was John Isaac with 13, while Rob Donaldson had two blocked shots.

Leading scorer for Dimmitt was Pat McDonald with 21 points.

With the game at Dimmitt, the Mules now stand 1-1 in district play and 8-6 for the season.

Coach Murray said it was a very good ball game, with the Mules down by just six points at halftime, and the Mules stayed within six points for the rest of
Cont. Page 6, Col. 3

BOWL GAME WINNER--Linda Wimberly, left, Journal employee, presented a check in the amount of \$50 to Lloyd Pollard who lives in southern Bailey County. Pollard was the winner of the annual Bowl Game football contest, to wind up football for the year in this area.

CIVIC CONSCIOUSNESS WEEK--Muleshoe Mayor Charles Bratcher, seated, signs a proclamation, declaring the week of January 6-12 as Civic Consciousness Week in Muleshoe. He is signing the proclamation in conjunction with the DECA organization at Muleshoe High School. Looking on are co-chairmen of the project, from left, Florinda Mendoza and Isabel Posadas.

Double Ring Ceremony Unites Miss Nix, Watson

MRS. CLIFFORD WATSON
(nee Janet Michelle Nix)

Betsy Lunsford AAUW Girl Of The Month

Miss Betsy Lunsford has been selected as January Girl of the Month by the American Association of University Women.

BETSY LUNSFORD

Muleshoe Art Association Will Meet Tuesday

The Muleshoe Art Association will meet Tuesday, Jan. 8 at 2 p.m. in the meeting room of Muleshoe State Bank.

Bill Huffaker an artist from Lubbock will give a demonstration in oils.

The library artist will be Betty Embry for the month of January.

Sudan News By Evelyn Ritchie

Mr. and Mrs. George Collins, Jr. and family of Lubbock plan to visit during the holidays with his parents, Mr. and Mrs. George Collins as does their daughter, Bessie Lamb of Levelland.

In a formal, double-ring ceremony, Miss Janet Michelle Nix became the bride of Clifford Alan Watson Saturday, December 29, at 7:00 P.M., in the First United Methodist Church of Sudan. Officiating as the couple pledged their nuptial vows was Rev. Steve Davis of Muleshoe.

The bride is the daughter of Mr. and Mrs. James Mike Nix of Sudan. The groom's parents are Mr. and Mrs. W.T. Watson of Muleshoe.

The altar area of the church was illuminated by white candles in an arched candelabrum. The choir area featured a floral arrangement of various teal flowers with touches of pink and yellow. Spiral candelabrum accented each side of the center aisle and were decorated with teal floral arrangements centered with a white dove. Teal ribbon and flowers were used as pew markers. A white memory candle with floral touches completed the sanctuary setting.

Wayland Ethridge presented a variety of light classics as piano prelude music and accompanied Miss Rita Smith, vocalist, as she sang "My Treasure" and "After the Sunset." Margie Harmon, organist, played "Jesus, Joy of Man's Desiring" as the attendants entered. The bride was escorted to the altar by her father to the strains of "Serenity," and the recessional was "Praise Be to God." In duet, the new Mr. and Mrs. Clifford Watson sang "Together" at the close of their nuptial vows as they stood at the unity candle.

The bride chose a formal dress of white moire taffeta, fashioned with a high Victorian neckline of illusion trimmed in silk Venise lace and covered with seed pearls and sequins. The straight sleeve was covered with white lace which came to a petal point and was closed with covered satin buttons. The fitted bodice was also covered with Venise lace, pearls, and sequins. Lace motifs accented the full skirt, which formed a chapel-length train. A picture hat, appliqued with seed pearls and featuring a cascade of bouffant illusion sweeping to chapel length completed the bride's ensemble.

Miss Nix carried a cascade of white roses accented with touches of blue atop a white Bible which belonged to her mother. For something old, she wore an heirloom pearl ring borrowed from her grandmother, Hazel Reeves, which had been given to Mrs. Reeves by her great-grandmother Merritt. Something new were pearl earrings, a gift from the groom, and she carried a borrowed lace handkerchief belonging to Mrs. Olin Nix. A blue garter and pennies minted in the years of the couple's births completed the traditions.

Honor attendants for the bride included Jeannia Nix and Melissa Nix, both sisters of the bride of Sudan. They were attired in ankle-length gowns of teal satin which featured full puffed sleeves and a fitted bodice enhanced by diamond

TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, Dec. 27 in the meeting room of Bailey County Electric with Clara Lou Jones, leader, in charge.

The TOPS pledge was recited and the fellowship song sung. Laverne James, weight recorder called the roll with 10 members and one guest, Kim Gooch, Ernestine Steinbock's granddaughter, present.

Jewell Peeler reported that Side One won the point contest. Best loser for the week was Ruth Clements.

The meeting was closed with the singing of the goodnight song.

tucks and a bow at the back. They wore sprigs of baby's breath in their hair and carried bouquets of white roses with touches of blue.

Mindy Nix, Sudan, served as flower girl. Her gown was patterned after the honor attendants'.

Ed Watson of Ranger and David Watson of Oklahoma City, brothers of the groom, served as his honor attendants. Ring bearer was Johnny Watson of Muleshoe, cousin of the groom. Ushers were Brad Poyner and Carroll Precure of Muleshoe and Jeff Burk and Dennis Watson of Lubbock. The groom was attired in a black tuxedo with white tie and cummerbund, and his attendants wore black tuxedos with teal ties and cummerbunds.

At the close of the ceremony, Adrian Photography presented a multimedia depiction of the couple's biography, ending in their "Love Story."

Special guests attending the wedding included the bride's grandparents, Mrs. Hazel Reeves from Jerusalem, Israle, and Mr. and Mrs. Olin Nix of Sudan. Registering guests were Ann Gaston and Carol Blaschke.

Following the ceremony, guests attended a reception in the fellowship hall of the church. The bride's table was overlaid with white lace and featured a white organza skirt. The table was centered with the bride's bouquet, flanked by white candelabra. A five-tiered wedding cake, trimmed in pastel colors and topped with a "Precious Moments" bride and groom, adorned the table. Fruit punch, cake, nuts and mints were served from brass and crystal appointments; teal napkins completed the table arrangements. Serving at the bride's table were Lisa Whalin and Sheila Summers.

A chocolate brown moire taffeta cloth covered the groom's table. An arrangement of teal chadles in brass candles abra decorated the table, which featured a brass coffee service and brass appointments from which guests were served a variety of cheeses and sausage, coffee, and the groom's cake, a two-tiered chocolate topped with two brass doves. Kim Watson, sister-in-law of the groom, Jan

Kuehler, and Sherribob Taylor assisted guests at the groom's table. Shelley Gore played contemporary wedding piano selections at the reception.

Members of the house party included Mrs. Rick Humphreys, Mrs. Joe Bellar, Mrs. Butch Cox, Mrs. Shirley Martin, Mrs. Cliff Houghton, Mrs. Bob Summers, and Mrs. Cliff Stephens.

The bride is a 1982 graduate of Sudan High School, where she was a cheerleader and was active in FTA and FHA and served as captain of the Hornets' basketball team and as historian for the band. She reigned as Miss North Texas State for 1982-83 and was selected as the Sudan Lion's Club Sweetheart and second runner-up for Lion's Club District Sweetheart. She is currently a junior elementary education major at Texas Tech University, where she has been a member of the High Riders club, for which she served as

corresponding secretary.

Watson graduated from Muleshoe High School in 1981, where he actively participated in school activities. He served as Student Council president, senior class vice-president, FCA president, District XVII FTA president, National Honor Society chaplain, and captain of the football team. While attending Texas Tech University, where he is a senior Mechanical Engineering major, he has been a member of the Saddle Tramps. He was served that organization as first vice-president and chaplain. He was reported for the honor society Phi Eta Sigma.

After a wedding trip to Taos, N.M., the couple will make their home in Lubbock, where they plan to continue their education at TTU.

Parents of the groom hosted a rehearsal dinner in the fellowship hall of First United Methodist Church on Friday, December 28.

Miss Peeler, Taylor United In Marriage

Church of the Nazarene of Hereford was the site for the Friday evening, Dec. 28 wedding between Melanie Peeler and Trace Doyle Taylor. The Rev. Bob Huffaker, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Buddy Peeler of Hereford, and the groom is the son of Mr. and Mrs. Verl D. Taylor of Chattanooga, Tenn.

The church was decorated with aisle markers featuring carnations, daisies and Bristol Fairy in candle glow. A brass arc at the altar was flanked by spirals and tiered seven branch candelabra bordered by candle trees. The candles were decorated with balsam and cedar.

The classic memory candle was nestled in an arrangement of roses, carnations, rubrum lilies and baby's breath. The kneeling bench was entwined with Forever Yours roses, carnations and gypsophila. A focal point behind the altar areas was a fifteenfoot christmas tree adorned with white twinkling lights and burgundy and mauve large bows. The top of the tree was completed with two white doves.

Given in marriage by her father, the bride chose a floor length bridal gown of imported organza and Chantilly lace. The fitted bodice with a natural waistline was covered with Chantilly lace accented with seed pearls and sequins. A

Queen Anne neckline complemented the gown.

The long full sleeves were trimmed with matching lace and self ruffle at the wrist. A full, circular skirt flowed to yards of baby ruffles of Chantilly and Venice lace motifs accented with seed pearls.

She carried a calico cascading bouquet of white Japhet orchids, Mary Devore roses, dusty pink carnations, stephanotis, and gypsophila accented with seed pearls.

The bride wore an antique white cameo given to her maternal great-grandmother by her great-grandfather on their wedding day and worn by her grandmother and mother on their wedding days.

Wendy Reid served as maid of honor and Trent Taylor, brother of the groom, served as best man. Mrs. Phil Banner served as bridesmaid and Gip Aldrich, cousin of the groom, was the groomsman.

The maid of honor and bridesmaid wore burgundy floor-length gowns of Tinaset

and chiffon polyester. The long flowing skirt was topped with a matching chiffon overblouse trimmed in Chantilly lace. They carried a bouquet of Fairy Queen, nosegays of Mary Devore roses and Pinnocchio roses with dusty pink daisies and gypsophila.

Each wore a baby's breath halo accented with tiny burgundy roses.

Natalie Andrews, daughter of Mr. and Mrs. Mark Andrews, served as flower girl and carried a basket of love knots. She wore a baby's breath halo accented with tiny burgundy roses.

Ring bearer was Jason Paetzold, son of Mr. and Mrs. Joe Paetzold. He carried a pillow accented with a wine rose. Ushers were Bryan Peeler, brother of the bride, Phil Banner and Danny Cornelius.

Candle lighters, wearing wristlets of roses and carnations, were Amy Faulkner and Tania Taylor, sister of the groom.

Connie Huffaker and Mrs. Tim Riley were accompanied by

Mrs. Raymond Davis. Mrs. Riley sang "The Love She Found In Me", Miss Huffaker sang "The Wedding Prayer", and the two together sang to "To Me."

A reception followed in the fellowship hall with Sharon Mitts registering the guests.

The bride's table featured a regal arrangement of white and burgundy with silver appointments. Carla Baxter and Ronda Battenhorst served the four-tiered bride's cake. The cake was centered on a flowing fountain with the base surrounded by burgundy, mauve and white sweet peas and roses. The second layer was accented with wedding bells, and top of the cake was adorned with a bride and groom under an arch of roses.

The groom's table was enhanced with pot pourri of the bride's chosen flowers. Lorian Sewerter served the groom's cake.

Kolleen McCathern served punch and Sharon Mitts poured the coffee. Mrs. Waldo Baxter, Mrs. Raymond Hill and Mrs. Royce Turner of Muleshoe assisted.

The bride left for a short honeymoon trip in a burgundy ultrasuede skirt and vest designed by her grandmother, Mrs. J.T. Shofner, with a long-sleeve mauve blouse accented with a tie. Her ensemble was enhanced with a white Japhet orchid.

The bride is a 1983, graduate of Hereford High School and is presently employed by Property Enterprises of Hereford.

Taylor is a 1981, graduate of Christian Heritage School of El Paso and is currently employed with Hereford Parts and Supply.

Out of town guests were registered from Muleshoe, Seminole, Laverne, Okla., Beaver, Okla., Amarillo, Plainview and Clarendon.

Courtesies extended to the couple included a Miscellaneous shower, kitchen shower hosted by the bride's office, a lingerie shower held in the home of Mrs. Phil Banner.

The bride's mother hosted a bridal luncheon Thursday, Dec. 27 and the rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Verl Taylor, after the rehearsal Thursday night, in the fellowship hall of the Church of the Nazarene.

The bride is the granddaughter of Mr. and Mrs. Jeff Peeler and Mr. and Mrs. J.T. Shofner, all of Muleshoe. The Buddy Peeler's are former Muleshoe residents.

GOLDEN ANNIVERSARY--Mr. and Mrs. Clyde Holt will celebrate their 50th. wedding anniversary today, Sunday, with a reception in the fellowship hall of the First United Methodist Church from 2 until 4 p.m. Hosts will be their children, Mr. and Mrs. Bill Black of Plainview and Mr. and Mrs. Jim Holt of Georgetown. Holt and the former Mary Frances Willis were married Jan. 6, 1935, in Happy. They have two children, seven grandchildren and two great grandchildren. The Holts came to Muleshoe in 1930, and both graduated from Muleshoe High School in May of 1934.

Never become completely dependent on any one person, if possible.

In spite of all the ads, we haven't found a way to lose ten pounds painlessly.

Congratulations

Nursing Home News

by Joy Stancell

Happy New Year to you and yours from Residents and employees of the Nursing Home.

Laverne James and J.E. Embry came Thursday afternoon to play Skip-Bo and dominoes. Lois Ethridge made popcorn for all the players to munch on.

Bro. Huggins and Mrs. Coffman came Fri. to lead in a Devotional of Music and Bible Study. Mrs. Odom lead several songs. Mrs. Coffman accompanied her on the piano. Bro. Huggins read scriptures and shared his thoughts and feelings. Refreshments of sweet breads & juice were served afterwards.

Claude Cannon was visited by her sister and brother-in-law Fri. afternoon.

Fred Peat's family came to visit with him Thurs. afternoon. You could tell by the look on Freds face that this was a nice time for him.

January 14, 1985
8:30 a.m. to 2:15 p.m.

Bailey County Coliseum

Muleshoe, Texas

FREE LUNCH

Jointly Sponsored By:

Bailey County Electric Cooperative Association

Blackwater Valley Soil & Water Conservation District

Texas Agricultural Extension Service

School Extra-Curricular

Cont. from Page 1

instructional school activities must be held outside of minimum 55-minute scheduled academic class periods in grades nine - 12, 45 minute scheduled class periods in grades seven-eight, and six hours of academic class periods in grades four-six, or be included in one of the six allowable shortened schedules referred to in section 117.1 (b)(2)(G) of this title (relating to Requirements for Pupil Attendance Accounting for State Funding Purposes.)

(b) A school district shall inform the commissioner of education of specific exceptions to the 10 absences limitation stated in subsection (a) of this section on behalf of individual students who are competing in UIL-sponsored activities only. This exception must be based on circumstances which are unforeseen and which result from the students' earning the right to compete in post-UIL-district levels. Exceptions shall not exceed a total of five additional absences per year. Exceptions will not be granted just to allow students who have not earned the right to compete at the post-UIL-district level to participate in more district-level activities than permitted under the 10 absences limitation. **EFFECTIVE BEGINNING OF FIFTH SIX WEEKS**

(a) In order to be eligible to participate in an extracurricular activity event for a six weeks period following the initial six weeks period of a school year, a student must not have a recorded grade average lower than 70 on a scale of 0 to 100 in any course for that preceding six weeks period.

(b) A student whose recorded grade average in any course is lower 70 at the end of a six weeks period shall be suspended from participation in any extracurricular activity event during succeeding six weeks periods until the end of six weeks period during which the student achieves a course grade average of 70 in each course, except the campus principal may remove this suspension if the class is

identified as an honors class under the criteria stated in section 75.152(d) of this title.

(c) For the 1984-85 school year, suspensions shall begin with the second six weeks period of the spring semester based on a student's earning a grade lower than 70 in any course taken during the first six weeks of the spring semester. Such suspension shall become effective seven days after the last day of the six weeks period during which the grade lower than 70 was earned.

(d) A student who has been suspended from extracurricular activity events pursuant to subsection (c) and (f) of this section shall be suspended from out-of-school practice in such extracurricular activities until such suspension from participation has been lifted.

(e) At the end of any six weeks period in which a student has attained a course grade average of 70 or more in each course taken, any suspension from participating in extracurricular activities and/or suspension of out-of-school practice of extracurricular activities shall be removed.

EFFECTIVE IMMEDIATELY

(a) All UIL - sponsored activities are sanctioned as school-related activities and therefore come under the provisions of this section. The governing boards at the highest state level of any other organizations requiring student participation which cause a student to miss a class during the school day must request approval, in writing, from the commissioner of education. If approval of the organization is granted and the local board of trustees concurs, student participation in the organization's activities will be subject to all provisions of this section. If approval is not granted, any absences incurred by the student will be considered unexcused.

(b) School districts shall develop a policy which implements this rule including a provision regulating the number of times a student may be absent pursuant to subsection (a) of this section during any one semester course.

(c) School districts shall adopt a policy limiting the number of hours a student may practice outside the school day in any single extracurricular activity to eight hours per school week. The policy shall also limit the total number of hours any student may practice a combination of all extracurricular activities outside the school day to 20 hours per school week. Performance, including travel time from the close of one school week until the beginning of another school week and on school holidays, shall not be counted against permissible practice time. Performance including travel time held after the beginning of the school week but prior to the end of the school week (excluding holidays), though held outside of the school day shall be counted against practice time, provided the total time counted against practice time for the first of such performance shall be limited to two hours.

EFFECTIVE THIRD WEEK OF FOURTH SIX WEEKS

(a) At the end of the first three weeks of a grading period, the school district shall send a progress report to the parent or guardian of a student whose grade average in any class is lower than 70. The district shall make such information available to sponsors of extracurricular activities in which the student participates. The notice should stipulate that the student will have the remainder of the six weeks period to bring a grade up to 70 or above and that the student will be suspended from extracurricular activities if the grade is not brought up to 70 or above by the end of the six weeks period. The district may require any student who falls within this subsection to attend tutorial sessions.

Lions...

animal for \$65,000. On a state level, of the animals shown on state levels, no animal placed lower than fourth place.

Nearly 300 animals are expected to be shown during the Bailey County Livestock Show January 23-25 in Muleshoe.

The assistant county agent concluded by expressing appreciation to the Muleshoe Lions Club for their continued support of the youth and 4-H activities in Bailey County.

At the conclusion of his discussion, he was presented a check by Lions Club President Les Irvin, in the amount of \$250 for the scholarship fund.

Texas Cattle Feeders Led Nation In Numbers

Marketing five million head of fed cattle in a single year is more than just a new record for any single state and a statistical benchmark for the Texas Cattle feeding industry—it's a nice black exclamation point at the end of a year that has seen the region's commercial feedyard industry firmly lay aside any serious doubts about its future.

And it's more. It put a nice round kind of figure on the impact the industry has on the Texas economy and the contribution it makes to the national cattle industry and the American diet.

Those five million head, at 1984 average prices, represents gross sales value of \$3.2 billion—and most cattle feeders are willing to admit they don't get to bank much of that total.

Instead, it is rechanneled. Of the total, almost \$2 billion were needed for original purchase of the feeder cattle to fill the yards. It took another three quarters of a billion dollars to buy 2.3 million acres' worth of feedgrains the cattle ate while in the yards. Another \$17.6 million went for roughage.

The feedyards' payroll totaled just over \$56 million for 3,500 employees—most of it moving into the economy of the smaller towns of the Panhandle.

And, with the industry typically borrowing about 70 percent of the money needed for feeders and feed, it took about \$975 million in continuous credit. The interest bill on that money would amount to more than \$120 million per year.

Cattle feeding in Texas blossomed during the 1960's, when fed cattle numbers jumped from just 477,000 in 1960 to more than three million head per year by 1970. After starting the decade with almost no feeding activity, Texas had jumped into the lead as the No.

1 feeding state in the nation. Growth continued until 1978, when numbers peaked at 4.9 million.

In ensuing years, however, Texas numbers dropped—and for awhile Nebraska was feeding more cattle than Texas. Some began to worry that the declining Ogallala Aquifer and general economic malaise facing High Plains farmers might see the focal point of cattle feeding move back to the Corn Belt.

But the economics of com-

mercial cattle feeding gave Texans a new opening this year, and the state's feedyards enjoyed their busiest year ever.

The five million head of cattle fed in Texas this year would produce about 2.4 billion pounds of hamburger—enough to provide 9.6 billion quarter-pound hamburgers, or two hamburgers per day for every man, woman and child in Texas.

More starkly, those five million head represent about 23 percent of all the cattle fed in the United States this year—the

first time any state has captured so large a share of the beef market.

Tolerance is not a matter of conversation; it is the business of living.

Myrtle Wells Former Muleshoe

Resident Dies

Services for Myrtle Alva Wells, 80, of Sudan were held at 11 a.m. Saturday, Jan. 5 in the Sudan First Baptist Church with the Rev. Vernon Gee, pastor of the Trinity Baptist Church of Lubbock, officiating, assisted by the Rev. David Hartman.

Interment was in Sudan Cemetery under the direction of Ellis Funeral Home of Muleshoe. Mrs. Wells died at 1:08 p.m. Tuesday in the Methodist Hospital in Lubbock.

A native of Comanche County, Texas, Mrs. Wells was born July 25, 1904, and had lived in Sudan ten years moving from the Muleshoe area. She was a housewife and a member of the Primitive Baptist Church, Muleshoe Hobby Club, Muleshoe Home Demonstration Club and the Muleshoe Hospital Auxiliary. She married James Clayton Wells on Jan. 26, 1926, in Lubbock.

Survivors include her husband, Clayton; five daughters, Mrs. Wanda Patton of Lubbock, Mrs. Mary Williford of Abernathy, Mrs. Linda Gawkoski of Aurora, Colo., and Mrs. Billye Doty and Mrs. Jo Ann Chester, both of Sudan; two sons, Robert Wells of Woodridge, Ill. and Kenneth Wells of Sulphur Springs; three brothers, Albert Isaacs of Ft. Worth, Brady Isaacs of Panama City, Florida, and Clovis Isaacs of Lubbock; 15 grandchildren; and 15 great grandchildren.

Pallbearers were grandsons, David Doty, Arlan Patton, Curtis Chester, Mitch Chester, John Chester, Richard Wells, Donald Doty, Jeff Wells and Chris Wells.

FREE Hearing Test For Senior Citizens

Livingston Hearing Aid Center, Inc.
1913-19th St. Lubbock, Tx. 79401
806/762-2951

Offers a new concept in helping the hard of hearing. Livingston Hearing Aid Center, Inc. will sponsor FREE electronic hearing test on Wednesday, January 9, 1985 from 9:30 a.m. to 10:30 a.m. The test will be given at Western Drug in Muleshoe by Richard R. Davila, A.C.A. His professional approach assures you of personal understanding and expert help.

Richard R. Davila, A.C.A.

Certified Hearing Aid Audiologist

Most hearing aid specialists sell you the brand of hearing aid they carry. And that brand may not have the model that's exactly right for you.

With Livingston Hearing Aid Center, Inc., 1913 19th St. Lubbock, 762-2951, it's different. We offer a new concept for the hard of hearing by carrying a wide variety of hearing aids from over 12 different manufacturers. We promise to fit you with an aid that answers your problem exactly. And our promise is backed by a 30 day satisfaction guarantee or your money back.

Every one, especially older citizens, should have their hearing tested electronically at least once a year. Many of you may suspect you have trouble hearing and understanding.

Repair service and cleaning will be available to you for your present hearing aid--no matter what brand or where you bought it. The hearing tests are FREE and will only take 20 minutes of your time. Please come in and take advantage of this special opportunity.

BIBLE VERSE

But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me.

1. Upon what occasion was the above statement made?
2. Who was the author of the statement?
3. How many disciples were present at the time?
4. Where may this statement be found?

Answers to Bible Verse

1. Just before the ascension of our Lord from the top of the Mount of Olives.
2. Jesus himself.
3. Eleven--Judas having committed suicide.
4. Acts 1:8.

Driving Not Walking

Letter To The Editor

December 29, 1984

Mr. Larry Hall
Muleshoe Journal
Muleshoe, Texas 79347

Dear Mr. Hall:

We have a few kind words to express to you about some of the folks in your town.

On December 18th as we approached your town we remarked about the unusual name of it - coming from one whose name is just as unusual, we talked about the folks in our town and wondered about those in yours, never knowing that we would know before long.

About ten miles out of Muleshoe we heard a strange noise under the hood of our recently refurbished 1971 Chrysler New Yorker. Upon investigation we discovered that the water pump had gone out. Being anxious to get to Albuquerque, (where our daughter and family lives) we were confronted with what we surmised was a long wait and possibly no help close by to fix the car.

Were we surprised! Ten minutes after a channel 9 call on our CB radio we looked up to see a wrecker approaching. Mr. Jerry Pierce told us that the

Sheriff's office had heard our call, and although they could not contact us after hearing our call, had dispatched him. He also brought us the great news of a good Chrysler agency in Muleshoe. He pulled us into town and even went into the shop with my husband to be sure they could get the part and do the work. Those wonderful people located a pump and in about two and a half hours had us on our way again.

We are two very grateful

senior citizens who would like to express to Sheriff Bob Henderson and his staff, to Mr. Jerry Pierce, and to the many folks at Muleshoe Motor Company our sincere thanks for their help. We think it must be a great place to live, and we hope if you should ever have trouble in Waterproof that things would be so nicely done for you.

Yes, Virginia there really are great people left in this world.

Sincerely,

Margaret and Whit Butler

Dear Friends,

Thank you seems so little when trying to express our love and appreciation for all that was done and is still being done for our family during Gary's illness and death.

A special thank you to the people in the Logbuddie Community whose prayers, love and food helped us thru a very difficult time.

God's special blessings on each of you is our prayer.

Because He Lives,

Priscilla, Ray Ann
Chantelle and Scott Hicks

Constructed with 2 super strong belts of steel cord under the tread and 2 tough radial body plies of polyester cord gives a smooth ride with flexibility and strength in the sidewalls. Aggressive Hi-traction rubber compound flexibility at temperatures below freezing to maintain good traction on both wet and dry pavement. Deep grooves produce good traction on curves and hills.

Trade-In Required

The combination of fiberglass belts and body plies of polyester cord produce a tire with open groove traction, improved treadwear and great stability.

Trade-In Required

APPLY NOW For Spring Semester

Academic, Vocational, and Technical Programs

Eastern New Mexico University—Clovis

417 Schepps Blvd. Clovis, NM 88101

COURSE OFFERINGS

INDUSTRIAL ELECTRONICS

The program is designed to supply the student with skills and knowledge to enter the field of industrial electronics at the journeyman level. The student will gain knowledge in testing, construction, repairing, and operating a wide range of electronic equipment. A solid foundation in semi conductor, digital, and micro processor equipment is offered.

Instructor: Gary Johnston 769-2811 Ext. 103.

FIRE PROTECTION TECHNOLOGY

The modern fire department requires personnel with comprehensive knowledge of all phases of fire protection. The program provides instruction in general and specific areas of fire prevention, investigation, technology, and fire fighting tactics. There are also courses in administering and managing a fire department.

For information call: 769-2811 Ext. 111 or 112.

FARM MECHANICS

This program includes instruction in the agriculture power equipment field, including gasoline, LP, gas, and diesel engines. The student will become proficient in the testing, diagnosis, disassembly, engine tune-up and overhaul, and using engine test equipment involved with electrical mechanical systems, hydraulic systems, and other types of farm equipment.

Instructor: Loran Crowder 769-2811 Ext. 139.

CARPENTRY

The program presents new trends in the building industry and incorporates using the most modern equipment. The students are introduced to actual construction and are taught techniques and terminology to develop professionalism in the building industries.

Instructor: Frank Oborny 769-2811 Ext. 147.

AUTO MECHANICS

This program offers classroom and laboratory experiences which include all phases of automotive maintenance on all types of automotive vehicles. Instruction and practical application are provided in the diagnosis of malfunctions, disassembly of units, parts inspection, and repair or replacement of parts, engine overhaul, ignition systems, carburetors, brakes, transmissions, front end alignment, use of diagnostic and testing equipment, and use of technical manuals.

Instructor: Red Nevins 769-2811 Ext. 148.

ALCOHOL FUEL PRODUCTION

This program constantly updates new innovations in the alcohol industry to provide qualified, knowledgeable plant operators for the local plants. The various subjects of the program are structured so that the student may become a competent member of an industrial team or explore and develop skills that will enable him or her to advance to a management level position.

Instructor: Larry Smith 769-2811 Ext. 119.

AIR CONDITIONING, HEATING, and REFRIGERATION

The program prepares students for successful job entry into the installation, maintenance, and service of residential and commercial equipment. Graduates will be able to assist the journeyman mechanic in installing, trouble shooting, repairing, servicing, and performing preventative maintenance on various air conditioning, heating, and refrigeration systems.

Instructor: Steve Shaw 769-2811 Ext. 104.

BRICKLAYING

The bricklaying program is designed to instruct the student in all phases of bricklaying. The student will be introduced to current construction methods, equipment, and materials.

The student will construct lab projects and do actual on-site construction. Hands on experience will be emphasized. The student will be able to work in either residential, commercial, or industrial construction and maintenance.

Instructor: Vern Maddox 769-2811 Ext. 146.

Courses are available for individuals of all backgrounds and ages. You need not be following a degree plan in order to enroll in courses. Many classes are offered for self-improvement and self-gratification in Accounting, Art, Business, Chemistry, Communications, Computers, Criminal Justice, English, Geology, Management, Math, Office Careers, Psychology, Physical Education, Religion, Sociology, Word Processing, and Zoology.

FINANCIAL AID AND SCHOLARSHIPS

For those who qualify, the following programs are administered by the Financial Aid Office:

- Basic Educational Opportunity Grant (PELL)
- Supplemental Educational Opportunity Grant (SEOG)
- Federal Work-Study (CWS)
- New Mexico Student Incentive Grant
- Cannon Air Force Base Military Spouse Tuition Awards
- New Mexico Scholarships
- Provost Scholarships
- Club or Organizational Scholarships
- Friends of Eastern Scholarships

Aid is awarded according to the need of the student on a first come, first serve basis. Scholarships are awarded according to the criteria of each supporting organization.

Students planning to request aid for the spring semester should contact the Financial Aids Office as soon as possible.

Many vocational-technical programs qualify under the Job Training Partnership Act (JTPA). For further information contact the New Mexico Employment Security Office at 1601 Sutter Place.

COUNSELING

Individuals desiring information about various courses offered and their relationship either to employment goals or degree plans are encouraged to visit with the counselors in Room 136. The Counseling Office also has available various inventories and tests to aid the student in course selection or career goals.

OFFICE ADMINISTRATION (Secretarial)

The program is designed so students will be able to carry out administrative and general office duties, including taking and transcribing dictation. The course is designed so each student will, upon successful completion, be able to acquire gainful employment in Office Administration (Secretarial).

Instructor: Mario Trujillo 769-2811 Ext. 100

RETAIL MARKETING

The program is designed for students pursuing the study of the business subjects and concepts needed by a student interested in a successful career in a business offering products or services and is also of interest to individuals entering into or just starting a business.

Instructor: Jerome Schmidt 769-2811 Ext. 142.

CRIMINAL JUSTICE

This program is designed to acquaint the student with a broad theoretical and practical knowledge of the American criminal justice system. Graduates of the program are prepared for a career in criminal justice at the local, state, and federal level. The program also provides an opportunity for in-service education which should enhance a person's experience and lead to career advancement.

Instructor: Mike Leigh on 769-2811 Ext. 127.

BANKING

The Associate of Science Degree in Banking meets American Institute of Banking certification requirements and also offers some flexibility for participants to pursue their professional needs and interests.

For information call: Admission Office 769-2811 Ext. 111 or 112.

NURSING EDUCATION PROGRAM

LPN & RN Programs are offered: nursing applications are now being accepted for the Fall 1985. The deadline for nursing applications is March 1, 1985.

For further information call 769-2811 Ext. 134.

COMPUTER INFORMATION SYSTEMS

The Computer Information Systems department is offering new computer courses on the IBM Personal Computer. You can learn to program, work with popular software packages, or become a word processing expert. ENMU-Clovis offers computer courses for the curious beginner and the experienced user. If you have a computer in your home or one in your office, ENMU-Clovis has a class for you. In addition to the programming and word processing classes that are offered each semester, the Computer Information Systems department is offering two new courses. Personal Word Processing, a one credit hour course, is designed to teach the basic concepts of word processing. Database Concepts, a new programming class, will be taught using the popular software program DBASE III. Let ENMU-Clovis help you become computer literate.

For more information about computer courses at ENMU-Clovis, call 769-2811, Ext. 105.

ART

DRAWING I - Basis for any art form, excellent way to begin your art training. Basic perspective and free-hand drawing methods are learned.

DRAWING II - A more in-depth study of drawing. Students work with different media such as pen and ink, white pencil, and scratchboard.

PAINTING I - Introduces the student to both oil and watercolor.

PAINTING II - Encourages a more individual approach and allows the student more freedom in choice of subject matter and painting mediums.

SCULPTURE - Students explore and investigate several different mediums in which to work, including paper, wood, stone, wax, and plaster.

CHOICE OF MEDIA - Highly individualized class offering students the chance to develop their own ideas, subject matter, and style in any medium.

ARTS AND CRAFTS FOR ELEMENTARY TEACHERS - Class offers techniques, methods, and materials needed for instructing art in the classroom or home environment.

PHOTOGRAPHY - The class instructs the student as to how to use the 35mm camera. A darkroom is available.

CERAMICS - The basics of pottery includes building vessels from coil and slab techniques. Throwing pots on the wheel will also be introduced.

For information call Bruce Defoor 769-2811 Ext. 145.

OFFICE OF ADMISSIONS, Room 126, Open from 8 AM to 4 PM Daily, All Campus Offices Closed From Dec. 22 to Jan. 2.
