OZONA LIONS UNLEASH SUSTAINED ATTACK TO CLOBBER BRONTE 36-0 IN SEASON'S 2ND PRACTICE TILT

Scoring Machinery Oil ed Up As Team Gets More Seasoning

The Ozona Lions had too much
for the Bronte Longhorns last Fri-
day night as they posted their first
win of the season, a 36 to 0 victo-
ry, in Bronte.

The Lions used a slashing run-
ning game featuring Pete Montgo-
gomery, Aaron Shackelford, Dub-
bie Scribner, Richard Vargas and
Bernabe Villeareal to get their
first three scores and then, with
the line filled with reserves, the
Lions picked up two quick scores
on the effective passing of Leroy
Cooper to Bill Bowman, Dubbie
Scribner and Jim Semmler.

The Lion defense was tough most
of the way, limiting the home club
to six first downs, five of which
came in the first half, and a total
offense of just 106 yards.

Robert Cox, Brent Moore once
again were the defense leaders, but
Richard Vargas and Pete Montgo-
gomery got some heavy duty from
their linebacker posts.

A fumble interrupted the Lions
first scoring effort as they drove
to the Longhorn 20 and then lost
the ball. The locals, however, were
not to be denied and the Longhorns
were swarmed back to the goal
line where a fourth down kick was
returned by Pete Montgomery to
the 20 and from there the Lions
pushed it over.

The drive began following the
kickoff with Pete Montgomery
who was, for the second game in
a row, the leading ground gainer
in the contest ripping off runs
of 24 and 13 yards spliced around
a 6 yard gainer by Richard Vargas.
Vargas fumbled after picking up
two more, the Longhorns recover-
ing the loose ball.

The drive, even though stalled,
did not stay that long. Jimmy
Wells, the Bronte quarterback,
set sail for 23 yards on the first
play but the Longhorns were
caught clipping and the ball came
back to the 25. Simms was hit at
the line of scrimmage for no gain
and Brent Moore caught Malcolm
Johnson on an attempted reverse
for a one yard loss. With third
down coming up, Wells tried to
pass but was swarmed for a 14
yard loss.

The Longhorn kick traveled to
the 30 yard line but Pete Montgo-
gomery hustled it back to the 20,
and three plays later Vargas dived
over from the four yard line for
the maker. Cooper passed to Var-
gas on a well executed pattern for
the two points.

The Lions were not long in add-
ing another marker and early in
the second quarter Aaron Shackel-
ford put the finishing touches on
a 71 yard drive by powering over
from the two yard line. Shackel-
ford put the ball on the 2 with a
18 yard sprint just one play ear-
lier.

A pass from Cooper to Scott
Mahon, and a 10 yard gainer by
Dub Scribner were the two plays
that got the drive under way from
the Lion 29 yard line.

Following the Lions second score

Women Journalists Of Texas To Honor Allan Bosworth September 29

Austin — Retired Navy officer
and author Allan R. Bosworth,
who grew up in Ozona, will be
honored at the annual Theta Sigma
Phi Writers Roundup here
Sept. 29.

The author and his recent book
about his family's covered wagon
travels half a century ago through
the San Angelo-Ozona-Pecos coun-
try were selected by the national
fraternity for women in jour-
nalism as the outstanding Texas
book in the history field.

The author, now living near
Roanoke, Va., will be among 5 to
be honored at the annual dinner.
Bosworth visited in Ozona and
Austin this summer. His next book
will be about Ozona.

State Rep. Jim Nugent
... a public opinion poll

Questionnaire To Give Representative Idea Of Constituents' Opinions

State Representative James E.
(Jim) Nugent of Kerrville this
week is mailing out a questionnaire
to citizens throughout this legis-
lative district for an opinion poll
on the leading problems to face
the next session of the Texas Leg-
islature.

The Questionnaires seek citizen
opinions on the sales tax, federal
aid for school construction and for
teacher salaries, right to work
laws, putting labor union under
anti-trust laws, the state spending
for advertising its tourist and in-
dustrial attractions, improving
state parks, appropriating money
to help out in the screwworm
eradication program, regulation of
loan sharks, requiring proof of fi-
nancial responsibility for all drivers
in Texas and a couple of broad
questions concerning how Texas
can reduce expenses and how to
improve the state government.

The questionnaires were to have
been mailed to this area the first
of this week.

Mrs. Sarah Laxson, Ozonan 45 Years, Buried Wednesday

Death Came to 87-year Old In San Angelo Hospital Tuesday

Funeral services were held here
Wednesday afternoon at 4 o'clock
for Mrs. Sarah Elizabeth Laxson,
87, a resident of Ozona since 1917,
who died at 12:45 a. m. Tuesday
in St. John's Hospital in San An-
gelo.

Services were at the Church of
Christ in Ozona, with Ed Steph,
former pastor, now in charge of
the Christian Retirement Home in
Carlsbad, N. M., officiating. Burial
was in Cedar Hill Cemetery un-
der the direction of Cody Funeral
Home of Ozona.

Pallbearers were Ed Cranfill, W.
T. Goodson, Paul Ballard, Pas-
cal Northcutt, Delbert Stewart,
Bud Loudamy, J. B. Miller, and
Frank James.

Mrs. Laxson had been a patient
in St. John's about three weeks,
having been transferred from the
Golden Years Nursing Home in
Christoval. She had been in the
nursing home several months and
had been in critical condition for
the last three weeks.

She was born March 25, 1875,
daughter of the late John Murray.

Survivors include one son, Cecil
Laxson of Ozona; one daugh-
ter, Mrs. Winnie Kessler of Barn-
hart; two step-daughters, Mrs.
Ross Dickie of El Paso and Mrs.
Oscar Robbins of Mineral Wells;
two sisters, Miss Jenny Murray
of Sonora and Mrs. Belle Purcell
of Christoval, seven grandchildren
and 12 great-grandchildren.

Ozona B Team To Meet Iraan Today At Lions Stadium

Local Second String to See Action In Second Game of Season

By Ernie Boyd

Coach Brooks Dozier's B team
will open its home season at Lion
Stadium at 5 p. m. today as they
face the Iraan B team.

The Ozona B team this year is
composed of a group of sophs and
freshmen who are ineligible for
varsity action for one reason or
another, and a group of freshman,
many of whom are a bit small for
extended action.

The Ozona team opened its sea-
son play in Eldorado last Thurs-
day where they dropped a 20 to
0 decision to the Eldorado reserves.
But the B team has a great deal
of room for improved play and
Coach Dozier has been working his
charges this week to improve some
of the sore spots that turned up
last week.

The B team last year began
slowly but finished the season with
a better than average team and a
good record for the last half of
its schedule and this year's team
may also turn the trick.

The Ozona team opened its sea-
son play in Eldorado last Thurs-
day where they dropped a 20 to
0 decision to the Eldorado reserves.
But the B team has a great deal
of room for improved play and
Coach Dozier has been working his
charges this week to improve some
of the sore spots that turned up
last week.

Old Time Revival In Progress In Tent Here

An old time Peneceostal tent re-
vival is in progress in Ozona each
night in a big tent on Avenue H
in west Ozona.

Rev. and Mrs. E. J. Norman of
Odessa are the evangelists. Special
singing will be held each evening.

Services begin each evening at
8 p. m. A cordial invitation is ex-
tended to everybody in the com-
munity to attend the services. Rev.
Norman said.

Former Ozona Teacher Enjoying Teaching In Formosa Mission School

"I am now located in Taichung,
Taiwan," writes Miss Lola Mae
Daniel, teacher in Ozona schools
for many years, who retired at the
closed of last year's school year
and went into service in the Ba-
ptist Church foreign mission field.

"I'm teaching in a mission school
and also teaching a Bible class at
the Chinese Baptist Church and
one at the College here. These are
both English speaking groups. I'm
enjoying my work very much.

"There are eleven million people
living on this small island, so
you can readily see there is much
work to be done. The island is very
green and beautiful at this time of
year, even though it is very crowd-
ed.

"I want to thank all the people
in Ozona who had part in help-
ing me make preparation to come
to the Orient. I shall always re-
member you and be grateful to
you. My address is Box 135, Taichung,
Taiwan, and I'm looking for-
ward to hearing from many of my
Ozona friends.

"Please send letters air mail or
it will take months to arrive."

CROCKETT COUNTY HOSPITAL MEMORIAL FUND

List of donors to the Crockett
County Hospital Memorial Fund
since September 11th:

Mrs. Gertrude Perry and Miss
Mildred North in memory of Mr.
Raymond A. Bennett, and in mem-
ory of Robert M. Casbeer, grand-
son of Mrs. Tom Casbeer, and in
memory of Mrs. Mamie Holmes,
mother of Mrs. Lee Dudley.

Mr. and Mrs. Floyd Henderson
in memory of Mr. Raymond, Ben-
nett.

Mr. and Mrs. L. B. Cox, Jr., in
memory of Mr. Joe Patrick.

15 To 30 Visitors A Day Tour Crockett Museum On Open Days

An average of 15 to 30 persons
visited the Crockett County Mu-
seum in the courthouse annex ev-
ery day it was open during the
present summer. Mrs. Mahlon Ro-
bertson, who with Pam Jones, o-
pened the museum to the public
one day a week. A visitors register
kept at the museum shows visitors
not only from all parts of Texas
but from many other states, in-
cluding Tennessee, Michigan,
Louisiana, Colorado, Alabama, O-
klahoma, New Mexico, New York
and California so far this summer.

Joe Couch, president of the
Crockett County Historical Society,
sponsors of the museum, Mrs.
R. A. Harrell, vice president, and
Mrs. Couch attended a meeting of
the Historical Survey Committee
of Texas in Odessa last week. The
Ozona group succeeded in interest-
ing the Committee in designating
the Crockett County courthouse
and the Ozona National Bank
building to receive Medallions in
the state's program of marking
historical structures in the state.

Many interesting museum pieces
are being added to the collection
here and the Society has had un-
der study for several months the
matter of securing larger quarters
so that materials can be properly
displayed. The Society plans at an
early date to seek permission from
the Commissioners Court to occu-
py more of the ground floor area
of the courthouse annex, a location
handy to attract tourist and for
local people who wish to tour the
museum.

Announce 'Ready' For PTA Carnival Here Friday Night

Variety Shows, Booths To Gather Shekels From Customers

Mrs. Tom Mitchell, general
chairman, announced "all ready"
for the annual P.T.A. Carnival
which will get under way at 5:30
Friday afternoon in the downtown
city park and continue until the
last customer decides to go home.

The Freshman Variety Show,
which will be staged in the court-
house, promises to be an outstand-
ing half hour feature show of mus-
ical and talented fun. There will
be two shows presented, the first
at seven and another at eight p.
m. Tickets will be on sale at the
courthouse, student admission 25
cents and adults 50 cents.

The hot tamale booth promises
to be another favorite with Ozo-
nans, Mr. and Mrs. Sam Martinez
and their committee are busy mak-
ing tamales which will be served
hot in the park or packaged to take
home.

The PTA Carnival is the only
fund raising activity of the local
PTA. Proceeds from it are used to
meet expenses of PTA commit-
ments for the year. Each grade or
class is given a portion of the pro-
fit from their booths, the balance
going into the PTA treasury.

This year PTA has pledged \$200
to the North Elementary and Ju-
nior High Library for the pur-
chase of books.

County Committeemen For A.S.C. Program Are Named In Election

Elected to serve on the county
committee to administer the A-
gricultural Stabilization and Con-
servation program for the next
year in Crockett county were Joe
Tom Davidson, chairman; George
Punger, Sr., vice chairman; Ira M.
Carson, member. Elected first and
second alternates were Chas. S.
Black, Jr., and W. E. Friend, Jr.

Retiring from membership on
the board is Sam Perner. Other
members of the committee and of-
fice manager Claude Russell, ex-
pressed appreciation for his con-
scientious attention to duty during
his tenure of office.

The new committee will take of-
fice October 1, 1962.

Start Of Sabin Vaccine Program Delayed To Nov. 11

Type I to be Given On Scheduled Date; Type III To Be Last

All evidence and experience
point to complete safety in admin-
istering the Sabin oral vaccines a-
gainst poliomyelitis and, conse-
quently, Ozona physicians are go-
ing ahead with plans for the mass
immunization against the dread
disease as previously announced
if the vaccines are available.

This was the information given
by Drs. Ralph Simon and Lloyd
Sherrill this week following the
uncertainty cast over the whole
program by announcement of sus-
pension of the immunization in
Canada because of suspected para-
lytic effects from the vaccine, and
the temporary withdrawal until
the matter is cleared by Public
Health authorities of the Type III
vaccine.

Crockett county had made plans
to launch the mass immunization
of every man, woman and child in
the community in a series of three
doses of the vaccine to produce
immunity against the three types
of polio, the first scheduled for
Sunday, September 30.

The drug firm, Wyeth, whose
serum was to have been used in
the Tom Green County Eight-
County Medical Society area, has
withdrawn its Type III vaccine
until the matter is thoroughly in-
vestigated and cleared, and as a
consequence the first dose will be
skipped and the second, Type I,
will be administered on November
11, as originally scheduled. The
Type II will be given second, and
Type III last, each at about six
weeks intervals, the local doctors
announced.

The Wyeth product is in no wise
involved in the Canadian program
and an entirely different type of
serum is being given in that coun-
try. However, local doctors, and
others in the U. S. have voiced
the opinion that the patients who
developed polio after receiving the
vaccine in Canada were already
incubating the disease. Millions of
doses of the vaccine have been given
throughout the world and no
provable case of the vaccine pro-
ducing polio has been reported.

Doctors do recommend that a
person who is suffering from a
cold or flu or feels ill should de-
lay taking the vaccine until fully
recovered but doctors feel confi-
dent that chances for any side ef-
fects from the vaccine are very
remote.

"At present the Sabin vaccine is
our only hope of stamping out po-
lio and it is most unfortunate that
any cloud should have been cast
on its effectiveness or safety," Dr.
Simon declared here.

When the immunization program
is finally launched, it will be at
the local schools where the few
drop doses on a cube of sugar will
be dispensed to all comers without
charge. The local program was ori-
ginally launched by the Ozona
(Continued on Last Page)

OZONA PUBLIC SCHOOLS SCHEDULE FOR 1962-1963

- Sept. 4, 1962 — First day of School

More "Watchful Waiting"

President Kennedy, at his press conference of September 13 made it clear in prepared statement and in answer to questions, that he is not going to get excited over violation of the Monroe Doctrine—only over the extent of the violation. As we understand his position, it will be time enough to take steps when Khrush has landed enough materials and "technicians" to mount an attack on the US. The President will then discuss the matter with the Joint Chiefs and try to think of something.

This report to the nation was somewhat at variance with his ringing words of April a year ago to the American Society of Newspaper Editors when he proclaimed "our restraint is not inexhaustible" and noted that we had learned some lessons from Budapest and the Bay of Pigs.

"First, the President then de-

clared, "it is clear that the forces of Communism are not to be underestimated, in Cuba or elsewhere."

"Second, it is clear that this nation must take an even closer and more realistic look at the menace of external communist intervention and domination in Cuba. The American people are not complacent about iron curtain tanks and planes less than 90 miles from our shores. The evidence is clear and the hour is late" (note, this was 17 months ago) . . . "We cannot postpone any longer the real issue of the survival of freedom in this hemisphere. On that issue there is no middle ground."

But, on second thought, it has been postponed — quite indefinitely. In the meanwhile, Khrush, can proceed with his build-up, and if he wants a war he can jolly well ask for it like a gentleman. And what gentleman would do that before Election?

Leading — Or Just Leading Us On

Through the use of the tried and true old Washington expedient of declaring a half-holiday for civil servants and letting out the schools managers of President Kennedy's "non-political" missile junket into Florida, Texas and Missouri were able to fill an estimated 40,000 of the 73,000 seats in Houston's vast Rice University Stadium with listeners for the President's pledge that we will some day lead the space race.

Mr. Kennedy noted that of the

45 satellites that have orbited, some 40 were ours and have "supplanted" far more knowledge to the people of the world than those of the Soviet Union." He likewise praised the Mariner, now on its way to Venus, as "the most intricate instrument in the history of space science", mentioned the practical value of our navigation and weather-reporting satellites and then said:

"To be sure, we are behind, and will be behind for some time, in

manned flights . . . " This reiteration of our delinquency, commented on by various observers before the Houston speech, "remains," as the Washington correspondent of National Review has said, "one of the darker Washington mysteries." Writing on this subject before the Presidential journey, this same reporter further said:

"To date there is not one iota of evidence that the Soviet Union simultaneously orbited two men in space. Contrary to reports published in the New York Times and elsewhere, US tracking stations picked up not a single sound or picture during the time that the two capsules were in space. Everything seen by American TV viewers came from the Soviet Union. Reporters in Moscow have yet to be shown a newsreel shot of the blast-off or the descent. Film for domestic Russian consumption are admittedly studio shots."

Nor does it relieve this particular "Washington mystery" to go back to the transcript of the NASA press conference just after Russia announced the successful landing of the cosmonauts whose capsules had been so close together in orbit at one time that they could see each other!

Dr. Hugh L. Dryden, deputy chief of NASA was asked by a newsmen: "Has our tracking system confirmed the Soviet version of the flight of the two cosmonauts?"

"They have done," replied Dr. Dryden, "what they say they did."

In our \$5.4 billion (this year) search for knowledge, perhaps we should make a little greater effort to find out whether our costly space race may not be with two little men who weren't there!

"Why should the Soviets accept any United States proposal when every refusal elicits a new United States offer?" — Governor Nelson Rockefeller.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — A campaign to pass the water conservation amendment on which Texans will vote this November (No. 4 on the ballot) got under way at a meeting of the Statewide Water Committee is composed of just about everybody who is interested in water conservation and development.

Proposed amendment would permit the State Water Development Board to acquire storage space in reservoirs built either by local or Federal agencies and conserve storm and flood waters for beneficial uses.

Exports — Texans can start thinking of themselves as exporters in big style.

Nobody had counted it up before, but now the University of Texas Bureau of Business Research finds that Texas is exporting to foreign countries \$37,000,000 worth of manufactured products, \$446,000,000 of agricultural products and \$31,000,000 of other products, mainly sulphur, salt, talc and fishery products.

Petroleum exports came to \$177,000,000 and chemicals to \$247,000,000 . . . showing how the petrochemical industry has turned Texas' sales of oil and abroad from a raw to a manufactured products.

Schools — The men and women who run the schools — board members and administrators — come to Austin on September 30 for their annual conventions. They plan searching looks at the problems of schools, many of which sum up into five letters — Money.

Overhaul of the ad valorem tax system was proposed by a series of clinics held by schoolmen earlier this year.

Problems of textbook selection and teaching Americanism will be aired.

The textbook panel will review recent criticisms, as well as prospective legislation which may be recommended by a study committee.

What it Costs — Texans who pay taxes to the state government got an idea of what the new school and welfare programs are costing when Comptroller Robert S. Calvert added up costs for the fiscal year which ended August 31.

State aid to public schools and colleges came to \$533,541,099, up nearly \$100,000,000 over the \$431,974,434 of the previous year. Welfare spending went up from \$188,875,904 to \$212,765,629. Increased Federal aid for welfare paid most of the increase.

Highway construction and maintenance totaled \$371,870,298. This

Mrs. Lock Hostess To Woman's League Tues.

The Ozona Woman's League will meet at the home of Mrs. Allie Lock Tuesday, September 25, at 3 p. m. for the second meeting of the new club year.

The program topic will be the schools, with Mrs. Hillery Phillips, Jr., as leader. A comparison of European and American schools will be given by Mrs. J. G. Hufstедler. Assisting Mrs. Lock as hostess will be Mrs. Billy Mills.

is about the same as the previous year.

In all, the state spent \$1,307,623,666, up \$115,000,000 from the previous year.

School Bus Passing — Texas Department of Public Safety says it will crack down this year on motorists who illegally pass a school bus stopped to take on or discharge children.

State law requires the driver of any vehicle to stop upon approaching from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging school children.

The modern idea of roughing it is driving with a standard shift.

Joe Bean Appointed To FHA Committee

Joe F. Bean, local business man, has been appointed a member of the three-man county FHA Administration committee by the Federal Housing Administration. Mr. Bean succeeds Mr. Clegg, whose term expires this year. The other two members of the committee are Joe Hanson and Pleas L. Childers.

The local Farmers' Bureau administration county committee views applications for other rural families for different types of agricultural and water loans made by the county. In addition, the committee advises with the county regarding the adoption of national policies to local conditions.

C. E. Huffman, office manager at Woody Mason Motor Co. Ozona Ford dealership, will give a course in business management for the Ford Motor Company Institute in Dallas. More than 1,600 dealers nationwide have attended this year.

Accurate and Complete RANCH RECORD Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today than ever that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

me, while adopting attitude toward the

ime they foment a cold war front? hat again imposing

their eastern European empire. This led to the U. S. draft law, that led to free world rearming and

defensive alliances. That led friendly countries freely and willingly to grant us bases in their

lands to help protect them from Soviet aggression. "In Cuba, a free people have

been put in bondage by force and without free elections. Tens of thousands of people have fled the

Castro blood bath. They've fled prisons and tortures. The Russians and Red Chinese are in Cuba illegally, immorally, and without the

slightest right to be there. The difference between their position and ours should be apparent to free

people everywhere. "Americans are perplexed about our foreign policy. Within the past

few weeks, we agreed to pull all our rockets out of England, and I understand, we are about to pull

them all out of France. This U. S. unilateral nuclear disarming can be an invitation for attack upon us.

It certainly endangers our fleet in the Mediterranean, which for a long time has acted as a major

deterrent to communist attack. Yet, while conducting nuclear disarming, we propose to call up civil-

ians. Are we going to throw away our modern weapons and use con-

ventional weapons against nuclear arms? I know that some Adminis-

tration advisors have devised a plan for us to give away our Air

Force, Navy, Marines, and Army to the United Nations within ten

years. "There are several worthwhile proposals before the Senate, which have been made by responsible

Senators, both Democrat and Republican, relative to handling the Cuban problem. This is a problem

of great importance. Our hemispheric security is in jeopardy, and I think the Senate should move to

Screwworm Fly Program In South Texas Shows Control Is Effective

College Station — Officials of the Screwworm Eradication Program are hopeful that a recent absence of screwworm cases reported in certain counties within the sterile fly release area reflects the effectiveness of the program.

In early July all counties within the sterile fly release area, which includes over 60 counties in southern Texas, reported some screwworm cases. Since that time, the number of counties in the release area reporting no screwworm has increased to more than 20 counties at the beginning of September.

Officials are hesitant to give complete credit to fly release since that period of hot weather usually results in fewer screwworm cases anyway, but they are watching the situation very closely to see if it does represent a definite trend.

The eradication program entails the production and sterilization of screwworm flies at the plant near Mission, Texas, and their release over infested areas. The sterile male flies mating with naturally-occurring females results in infertile eggs.

Program officials explain that originally the plan in 1962 was to contain the screwworm fly in the southern area of Texas where it normally overwinters and, by the release of sterile flies, prevent the insect from moving north. It was also felt feasible to release sterile flies in "hot spots" or areas outside of the overwintering area where screwworm cases were reported.

However, when it became obvious that the flies could not be contained, and because of a limited number of flies available, a sterile fly release area was established. Sterile flies are being dispersed from airplanes in this area at rates of 800-1,200 flies per square mile.

Officials say they are hopeful of eradicating screwworm within this area, while winter weather kills all those in the northern areas. In addition, a 100-mile-wide barrier zone will be established on the Mexico-United States border where sterile flies will be dropped to prevent the northward migration of fertile flies into the U.S.

LOST — Billfold containing drivers license, pictures and courtesy card, at the Ozona-McCamey football game Sept. 7. Will pay \$10 reward for return of contents. Mrs. S. J. Moody, Box 427, McCamey, Texas. 1tp

SON TO BUNGERS

Mr. and Mrs. George Bunger III, are the parents of a son, George IV, born in the Crockett County Hospital on September 17, 1962.

Members Of Forum Speculate on Who Will Be First to Reach Moon

The Ozona Woman's Forum met Tuesday afternoon at the country club with Mrs. Hugh Childress, Jr., and Mrs. T. J. Bailey at hostesses. The president, Mrs. Bill Clegg, presided at a short business session. The program for the day was on outer space. Mrs. Ele Hagelstein gave a description of what the moon will look like to those who are finally able to reach it.

Mrs. John Coates gave an interesting list of things present and things to come in civilian life as a result of the U. S. Space program. Mrs. Marshall Montgomery closed the meeting with a thought provoking tale on "Who Will Be First on the Moon."

Others attending were Mmes. Fred Hagelstein, Bill Childress, W. T. Stokes, Nip Blackstone, Brock Jones, C. O. Walker, Ralph Simon, Bill Baggett, W. H. Whitaker, Joe Clayton, Kirby Moore, J. S. Pierce, III, and Bud Cox.

Good Citizenship To Be Stressed In Year's Programs For P.T.A.

Ozona P. T. A. held its first meeting Monday night, Sept. 17th, in the North Elementary Auditorium. Mrs. Boyd Baker, president, welcomed the parents and teachers. She then introduced Rev. Hugh Stiles of Calvary Baptist Church who gave a brief devotional topic being "whatsoever thy hand findeth to do, do it with all thy might."

Mrs. Roy Killingsworth, program chairman, gave an outline of the program for the year which had for a general theme, "Homes create strength through good citizenship."

Mrs. Fred Hagelstein reported that the executive board had met Monday afternoon and had approved the budget for the year. Mrs. Allen followed her with a report on the plans for the annual P. T. A. carnival which is to be held Friday night in the city park.

Mrs. R. L. Bland gave a talk entitled "Good Citizenship Through Personal Discipline and Integrity." Following this, the president, announced that a district workshop on citizenship emphasis is scheduled to be held in Ozona Oct. 2nd. L. B. T. Sikes, superintendent of schools, introduced each principal who in turn introduced the teachers in each of his schools.

Mrs. Harold Shaw, who was in charge of the room count, announced that Mrs. Stokes' fifth grade won the attendance record award. She also reported a membership of 125 PTA members for the first meeting of the year.

Refreshments were served to an estimated attendance of 150. The executive board acted as hostesses.

WOMEN'S GOLF-BRIDGE ASSN.

Golf and bridge was played last Thursday at the Country Club by the women's Association.

Mrs. Dempster Jones won low putts in golf and Mrs. Jess Marley won the low net on the trophy play.

Mrs. George Bunger was the bridge hostess. High score went to Mrs. Tommy Harris, second high Mrs. Sherman Taylor, low Mrs. John Childress and the cut prize was won by Mrs. J. S. Pierce, III.

Others participating in the game were Mrs. Jack Baggett, Mrs. V. I. Pierce, Mrs. John L. Henderson, Mrs. Gene Lilly, Mrs. J. M. Bag-

gett, Mrs. George Montgomery, Mrs. Mike Clayton, Mrs. Lindsey Hicks, Mrs. Bill Bradbury, Mrs. Early Baggett, Mrs. Evert White, Coralie Meinecke, Mrs. Brock Jones, Mrs. C. O. Walker, Mrs. Tom Ed Montgomery, Mrs. Byron Williams, Mrs. Charles Garlitz, Mrs. Joe Pierce, Jr., and Mrs. Clay Adams.

MRS. SCHNEEMAN HOSTESS TO FRIDAY BRIDGE CLUB

The Friday bridge club was entertained by Mrs. Max Schneeman in her home last Friday.

High score was won by Mrs. Evert White, low Mrs. J. W. Henderson and cut prize Mrs. Joe Pierce. A gift was presented a guest, Mrs. Sherman Taylor.

Other attending were Mrs. Bill Bradbury, Mrs. George Montgomery, Mrs. Hudson Mayes, Mrs. V. I. Pierce, Mrs. S. M. Harvick, Mrs. Early Baggett, Mrs. Lovella Dudley, Mrs. O. D. West, Mrs. Stephen perner, Mrs. Bailey Post and Mrs. J. M. Baggett.

TESTS TO BE GIVEN IN OZONA

For the first time, the College Entrance Examination Board and The American College Testing Program will be given in Ozona. In the past, students entering colleges or universities requiring these entrance exams have had to travel to San Angelo.

December 1, 1962 is the only day that the college board can be taken in Ozona. The price for the scholastic aptitude test, a three hour test given in the morning, is \$3.00. Afternoon Achievement Test one or all, cost \$1.00. Juniors are advised to make college board for practice. Students wishing to take this test should register no later than six weeks before the testing day.

The A. C. T. test cost is \$4.00. February 23, 1963, has been designated the only testing day in Ozona.

Many colleges and universities now require results of these tests for admission. They are also used as placement tests after admission. Students planning to take any of these exams should be certain they are taking the correct tests required by the college for their choice.

COURT TO BE SCENE OF SIDESHOW

The court house will be the scene of the Sideshow at the PTA carnival. It will be sponsored by the Freshman Class.

It will be a variety show with all Freshmen and one eighth grader as performers.

The Freshmen urge everyone to be there for the show Friday night.

JUNIOR CLASS NEWS

The Junior Class wishes to announce they will start selling mums Monday, October 15. Anyone wishing to buy a mum for the Eldorado - Ozona football game, November 8. It is hoped that everyone will buy one when the juniors come to your door.

Juniors also wish to announce that they will have the cake auction at the PTA carnival tomorrow night. Anyone wishing to donate a cake to the junior class should contact Mrs. H. C. Noeike at 392-2533. All cakes will be accepted and appreciated.

THE CONFUSED FRESHMAN

By Ronnie Houston

Seen about school is a group of persons, not new in the sense of difference but completely blank of knowledge of direction. These odd creatures for some reason are known as "Freshmen".

At a complete loss, they may be seen looking at numbers on doors, staring about blankly and seemingly trying to work up the courage to ask someone a question. This is all due to the intense mystery of where each class is. Sometimes a Fish may even find that some backer has brought his class to the wrong room. With only five seconds before the bell what can be done? Panic! Ring, ring! Run.

The greatest test of a freshman's courage comes when he goes to Mr. Pelt's office to ask for a tardy slip "What do I say? Will I live through this?" Again, panic.

As the year draws closer toward the end of the term, we find that the freshman now has little trouble finding his class each period. Now a tardy slip is easy to get. All one has to do is ask and then stay "after school" Nobody expects anything from a freshman anyway.

OHS STUDENT COUNCIL HOLDS FIRST MEETING

The Ozona High School Student Council met last Monday, September 17.

Those present included President Penn Baggett, vice-president, Pete Montgomery, and Secretary Janet McAlister. The seniors had representatives Ronnie Houston, Kathy Doran, and class president Brent Moore present. Representing the juniors were Paul Perner, Janie Gilliam, and Scott Mahon. Joel

Huff, Vicki Applewhite, and Mike McCrary were on hand for the sophomores, while Ronnie Mason, Lynn Cox, and David Stokes represented the freshmen class.

It was decided that freshmen week would be from October third through the fifth.

Assembly programs were discussed and planned. Suggestions for assemblies would be appreciated and those wishing to make a suggestion should contact one of the above members.

Also it was decided that Penn Baggett would lead a discussion group at the meeting of the West Texas Forum in Big Lake, September 29, 1962.

Having the Country Store at the PTA carnival, the sophomore class would sincerely appreciate any donations of old books, comics, canned goods, homemade candy, and any similar items. Donors do not have to be a parent of a member of the sophomore class to participate. Those wishing to donate please contact Mrs. James Childress or Mrs. C. O. Walker.

DAFFYNITIONS: TAKEN FROM THE DIXIE DICTIONARY

Abode — a piece of wood, as hane a bode to hit this mule.

Caw — what you ride in (a fode caw).

Bud — what wobbles sweet in the spring time.

Auto (shoud) — I auto go to work, but ahm tared.

Gull — a young female human.

Hep — (1) assist, 'hep stamp out ignnerants'.

(2) what you holler when you're drownin'.

Ice Cool — a school for younger before college.

Mow — pass me some mo-lasses, fast time say pass the lasses'.

Stow — (place that sells stuff) such while I'm gone, mind the stow, but don't play with the cash register.

FOR SALE — Two - Bedroom house, 4 lots, 313 Avenue H. Reasonable. Phone 392-3166. 25-2tp

FFA BOYS ATTEND DISTRICT MEETING

Monday night, September the seventeenth, the FFA boys attended a Concho District FFA meeting in Sterling City. Those attending were Keith Mitchell, District President, Moe Barbee and Carey Pitts being the voting delegate. Also attending the meeting were Hugh Coates and Mr. Barber.

Man against the sky

The telephone lineman is another active symbol of service at General Telephone.

He climbs a pole with spur-like "climbers" strapped to feet and legs, and is silhouetted against the sky held firmly by his safety belt.

With the tools hanging from his belt he installs new wires and cables, and repairs lines when storms, wind and ice damage them.

He is one of many folks at General Telephone who suggest the convenience of another telephone in your home, now that the busy Fall season is here. They save steps, are available in many colors, cost pennies a day. Call the Business Office now.

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

See the "New Reliables" now at your Chevrolet dealer's!

ight and a football hance for the Senior zona High School to money, so Seniors who the football field or in are in the Concession ing for the good ole' Chosen for the job of ide Concession stand Chandler, Arlene Got- nie Hanson, the main in the story of unsung

a lot of funny people, ing in the concession e don't want anything, some of everything.

he game starts it's a own under the stands e seems to want some-

thing from the concession stand. There are cokes, candy, cup cakes, and coffee all over everything and if one is not careful, he will step in a box of cup-cakes or slip on a coke bottle. Of course, stepping on a bottle on the way to or from the cash box is some thing to look forward to, and there's no "thrill" like it money is scattered every- where!

Every once in a while a rich customer walks up, buys a cup of coffee, and hands over a ten-dollar bill. Eager senior takes the money and walks slowly back to the cash box. After fifteen minutes of figuring, change is returned — the correct change you hope — and the beaming senior smiles triumphant- ly, not realizing that the customer has missed a good portion of the football game.

Of course there are always the little ones, who pay a dollar for a coke and then walk off, making someone chase them down to give them their change.

Yes, its quiet a chore being an "unsung hero" but for the class of 63, the seniors will do almost anything.

typewriters at the Stockmar.

REMINDER

The senior class would like to remind all of you good Lion fans to be sure and patronize the concession stand during all of the home games.

WEDNESDAY BRIDGE CLUB

Mrs. Glenn Cox was hostess to members of the Wednesday Bridge Club in her home this week. As- sisting hostess was Mrs. Joe Couch. High score award went to Mrs. R. L. Flowers, second high to Mrs. Cleophas Cooke, low to Mrs. J. B. Parker and bingo to Mrs. Frank McMullan, Jr.

Others attending were Mrs. Du- ane Oswald, Mrs. Ernie Boyd, and Mrs. Buster Deaton.

BITS

By Andie Elliott

It seems that one morning last week coach Dozier some how lock- ed himself and first period algebra class in the algebra room. Penn findly rescued them with the li- brary key.

Teen-ager to inquiring father—

I'm reading a mystery book — ad- vanced geometry.

Roger Gotcher had a visit last week-end from Arlene and their mother. Coach Gotcher and his family moved to Burnet last sum- mer where he now operates a hard- ware business.

Some ex-seniors off to college recently were Herbie Noelke, Bar- bara Barbee, Lynn McCrary and Pam Jones. Herbie and Pam are Sul Ross bound, while Barbara will attend Texas Tech. Lynn is headed for North Texas.

Robin, Pam, and the rest of the Jones family went to Devil's River last Saturday.

Bill Bowman is "sweet sixteen" today. Happy birthday!

Bryon and Vicki M. have their Model-T in town. Bryon and Scott were seen pushing it down Avenue J Sunday afternoon. Vicki and Bryan hope to be driving it soon. Good Luck!

It seems that coach Cleere has several stories circulating as to how his hand was injured.

It's rumored the freshmen have really been working hard on their sideshow. Bet it's good!

Notes From The County Agent's Office

By Pete W. Jacoby

NOTES FROM AGENTS —

October 2 is the date that a supervisor will be elected or re-elected for Zone 4 of the local Soil Conservation District. Fred Hagelstein is the current supervisor of Zone 4. Some kind of conservation program is being planned for Zone 4 land owners on this date in conjunction with the election. Details of the program planned will be published in next week's edition of this paper.

A number of 4-H members are getting their feeding projects underway for the year. Those who have made plans for the commercial fat lamb county program are Rex Bland, Jack Applewhite, David Jacoby, Tom Davidson, Fred Baker, Cuatro Davidson, Mike Baker, Jill Graves, Duwain Vinson, Roy Fleet Coates, Eugene Vinson, Morris Lee Coates, Charles Childress, Steven Hubbard, Larry Williams, Fred Deaton, Bill Everett, Kathy Williams, Alton Everett, Gary Lee Sutton and Buddy Couch.

Lelie and Keith Mitchell will have registered Rambouillet sheep programs. Buddy and Diana Couch have a registered Angus heifer and an Angus fat steer. Larry Williams plans to feed some steers and registered Hereford cattle. Paul and Phillip Perner plan to feed some commercial Rambouillet ewe lambs. Penn Baggett and a number of 4-H members will feed some show lambs. 4-H members will select their show lambs at the Bill Baggett ranch, Saturday morning at 9 o'clock.

A number of 4-H members are planning to carry out Quarter Horse feeding projects this winter. Any 4-H member who has not made plans with the county agent for a feeding project should do so at once.

Judy Black, daughter of Mr. and Mrs. Charles Black, has settled down at Stephens College at Columbia, Mo. In a letter to the Stockman she gave her address to receive this paper. Judy comes forth with an idea, too late, that you might want to use sometime. And Judy says it would be nice if we could print all the names and addresses of the college people from home before they leave. As you might have read, there's around 90 of them from Ozona! But the idea is good and, at least, here's Judy's: Box 851, Stephens College, Columbia, Mo. Hope she gets some addresses.

Former Ozonan Named Head of Blood Supply Business In Dallas

Lynn Parker, son of Mr. and Mrs. Guss Parker of Ozona, has been named general manager of the Community Blood and Plasma Service of Dallas.

Parker, a 1955 graduate of Ozona High School, obtained his applied science certificate from San Angelo College. He completed his work for a BS degree at Southwest Texas State College at San Marcos and received a degree in medical technology from Parkland Memorial Hospital in Dallas and a degree in radiography from Medical Arts Hospital in Minneapolis, Minn.

Prior to receiving the Dallas appointment Parker was employed at the Lillian M. Hudspeth Hospital in Sonora. He was formerly a medical technologist for Dr. Lloyd R. Hershberger of San Angelo and also was employed at the Clinic-Hospital in San Angelo before going to Sonora.

FOR RENT — Unfurnished two-bedroom house. Call 392-3019 or see Mrs. Cora Lilly at the Hospital. 26-47c

October-November Lamb-o-Rama Time

In October and November Lamb will be abundant and inexpensive. Try it seasoned a special flavor a combination of rosemary, tarragon, oregano and savory.

Have your meatman cut steaks from a leg of lamb and use the rest for a small family roast or ovenbaked shish-kebob.

Broiled Lamb Steaks

3 lamb leg steaks about ½ inch thick
 ½ teaspoon seasoned salt
 1 tablespoon butter or margarine
 ¼ cup finely chopped green pepper
 2 tablespoon brown sugar
 2 tablespoon vinegar
 ¼ cup stock or bouillon
 ¼ teaspoon lamb seasoning
 Sprinkle lamb with seasoned salt. Melt butter or margarine. Add green pepper and cook over medium heat, stirring occasionally, 5 minutes.

Add remaining ingredients except lamb; mix well. Pour stock mixture over lamb and grill, turning occasionally 1 to 2 hours. Remove lamb, reserve stock mixture.

Broil steaks 3 or 4 inches from source of heat 3 minutes—top with half of stock mixture, broil 3 or 4 minutes and turn. Top with remaining stock mixture. Broil 5 to 7 minutes, or until desired degree of doneness. Garnish with parsley if desired.

Mrs. George Montgomery

Lamb Sauce Anita

(1 cup)
 ½ cup brown sugar
 ½ cup currant jelly
 1 tablespoon dry mustard
 3 egg yolks
 ½ cup vinegar
 Mix brown sugar, jelly, mustard and egg yolks and cook in double boiler until thick. Add vinegar slowly, beating between each addition.

Good with lamb, also good with ham or turkey. Keeps well when refrigerated.

Mrs. J. C. Montgomery

Woman's Club Opens Season With Supper For Husbands Tuesday

Ozona Woman's Club will open its 1962-63 club year with an Americanism Day program at the home of Mr. and Mrs. Ira Carson Tuesday evening, Sept. 25.

The occasion will be a Hawaiian Luau, a covered dish supper, to start at 7 p. m. in the Carson garden. Husbands and guests of the club members will be honored on the opening program.

The club's program theme for the year is "America Changes." The opening program will be titled, "Hawaii Changes to Statehood." Mrs. Ira Carson, program leader for the evening, will show slides taken on a vacation trip she and Mr. Carson took to the Islands this summer, and comment on facts of interest on the Hawaiian Islands.

The invocation will be by Mr. Carson. Mrs. O. D. West, president, will open the meeting with a welcome to members and guests.

Miss Nonie Conklin returned to Southwestern University in George town last week to resume her studies. Nonie is a 1960 graduate of Ozona High School and attended Southwestern one semester last year before deciding to go to work in San Angelo where she has resided until returning to school last week.

A Creek In My Back —

(Continued from Page One)

How about five doctors all named Hurt — and not one a dentist? Would'n't it be a clever stunt for Photopgraher Neil Good to kneel good and take a photo of the Crouch Brothers, who are house-movers and contractors?

And, finally, in my phone book I find forty Huffs and a hundred and nine Poffs. How come no Huff and Poff ever went into business together?

I can see it now. Three prominent and honored names. A wrecking concern that ought to do right well, known as Huff & Puff & Basham.

Oral Vaccine —

(Continued from page one)

Rotary Club which offered to underwrite the program. Under the Eight-County Medical Society program, however that group plans to underwrite the cost, any profits which may accrue from a voluntary contribution plan to go to selected charities. Contribution boxes will be at the exits where those who wish may contribute toward the expense of the program. It is said that 25 cents a dose will cover the cost.

Parental authorization for administering the vaccine to children must be given before children can be given the vaccine and forms for such permission will be made available throughout the community in time for the opening session in the three-dose program.

WILLING WORKERS CIRCLE

The Willing Workers Circle of Methodist WSCS met Wednesday morning in the home of Mrs. Jack Baggett.

Mrs. W. D. Cooper led the study on "The Church's Opportunity in Higher Education Through the Wesley Foundation." Mrs. Paul Perner presided in the absence of the Circle chairman, Mrs. Joe Pierce, IV.

Others attending were Mrs. Bud Cox, Mrs. Stephen Perner, Mrs. L. E. McCrary, Mrs. W. O. Mills, Mrs. Wilbur Grove, Mrs. Joe Williams, Mrs. Joe Clayton, Mrs. Keith Mitchell, Mrs. B. B. Ingham, Sr., Mrs. John Childress, Mrs. Evert White and Mrs. Bailey Post.

Several Good USED TV SETS. From \$35 up. 17 and 21-inch sets. Inquire at Ozona TV System.

Football —

(Continued from Page One)

Bronte, put on its only sustained drive of the night, picked up some of the yardage it gained, and four of its six first downs, by driving from their own thirty to the Lion 20 where two attempts to pick up a yard failed and the Lions took over.

The Lions were not long in widening the gap in the third period as they took over from the Longhorns who relieved the kickoff. They drove for 60 yards and the third score with Vargas getting the score from the 4 yard line with a counter to the left side. The pass attempt for the extra points was not good.

Reserves poured into the lineup following the third marker and the offensive regulars saw little action from the middle of the third period on, except for Leroy Cooper at quarterback, who went all the way.

In the fourth period despite the presence of reserves the Lions moved the ball at will and scored 16 points, the latter 8 of which came from a drive which was entirely in the air.

Pete Monegomery, in at defensive safety, got the first drive started by intercepting a pass on the Ozona 35 yard line.

Aaron Shackelford hit Dubbie Scrivner with a 19 yard pass and Cooper pitched to Mahon for 12 more. Vargas broke through for 10 and Scrivner, running nicely, picked up 10 more before Mont-raced 14 yards for the score. Shackelford rammmed over the 2 points and the Lions were leading 28 to 0.

The final tally of the night came in the fading seconds of the game when the Lions, with all subs in the line and in most backfield posts, went into the air on four plays and then sent Scrivner over untouched from the 4 yard line.

The drive started with a 17 yard pass from Cooper and Scrivner and was followed by a 10 yard gain from Cooper to Bowman who made a nice catch despite being tightly covered.

Cooper, throwing smoothly and with great accuracy, hit Semmler over the middle for 15 and then Bowman made the night's best catch in picking up a 9 yard gain from off his shoe tops.

Bernabe Villareal plunged to the 4 and Scrivner took it over. Rotnie Houston tacked on the two points on a slant into right

tackle and the scoring was over, the Lions winning 36 to 0.

Pete Montgomery had a fine night picking up 176 yards rushing, intercepting a pass, and playing a fine game as linebacker on the right side of the defensive line. Montgomery carried the ball 17 times for the night with only two of his carries coming after the second series of downs in the third period.

Richard Vargas had 57 yards, Aaron Shackelford 50, Dubbie Scrivner 45 and Bernabe Villareal 28 to round out the ground attack.

In the air the Lions threw 12 times, two of those being point after score attempts. Eight of the throws were complete, one of them a point after try. The attack netted 107 yards.

The Lions had a whopping 25 first downs to just 6 for Bronte but also collected nine penalties which at times blunted the effect of the Ozona attack.

GLEANERS CIRCLE, WSCS

The Gleaners Circle of the Methodist Woman's Society of Christian Service, met Wednesday morning with Mrs. John R. Hunte in her home.

The theme of the meeting was "The Church's Opportunity in Higher Education" Mrs. Charles Williams, Sr., opened the meeting with prayer. The circle chairman, Mrs. Ruben Whitehead, presided at the meeting.

Mrs. Joe Pierce, Program leader, talked on "The Relationship of the Local Church to the Wesley Foundation". Others participating on the program were Mrs. Morris Bratton, Mrs. Jimmy McMullan and Mrs. R. A. Harrell. The meeting closed with the Lord's Prayer.

Others attending were Mrs. N. W. Graham, Mrs. Joe Tom Davidson, Mrs. J. A. Fussell, Mrs. J. S. Pierce, III, Mrs. C. F. Brown, Mrs. V. I. Pierce, Mrs. Dempster Jones, Mrs. Leon Patterson, Mrs. Floyd Henderson and Mrs. Hillery Phillips.

First Portable Nuclear Power Plant Dedicated

Sundance Air Force Station, Wyoming — Staff Sergeant Floyd J. Morehouse of Robbinsdale, Minn., is serving at this Air Defense Command radar station where the first portable nuclear power plant built for the Air Force was dedicated Tuesday (Sept. 18).

Sergeant Morehouse is a refrigeration supervisor in the unit which will receive all its electrical power from the 65-pound nuclear core. Power-using equipment to be supplied by the plant includes the heavy radars which maintain a round-the-clock watch as part of the North American Air Defense Command's aerospace surveillance system.

The sergeant, a graduate of Robbinsdale High School, is the son of Mr. and Mrs. Silas A. Morehouse of 3826 Perry Ave., Robbinsdale.

Cody Funeral Home Funeral Directors Funeral Service Ambulance Service Insurance

Here's why Martha puts laundry in the freezer

A woman's work, especially the ironing, is never done. Sometimes Martha just has to take time out for shopping or visiting during the day. But sprinkled clothes can't be left to sour or mildew! So Martha pops them into a plastic bag and into the freezer they go. When she gets back, they'll be ready for her to start ironing again. Isn't it amazing how many ways women have learned to use flameless electricity to make living better ... and, it costs so little, you can use lots of it.

FREEZER TIP... Sprinkle your clothes and place in Freezer for about 10 minutes and they will be ready for ironing.
