## Huge Ballot To Confront Voters In Genl. Election

### Voter Must Leave Only One Unscratched Name For Each Office

Saddle blanket size ballots to be used in the Nov. 6 general election in Crockett county were delivered this week to the county clerk's office in time for absentee voting, which got under way Wednesday October 17.

The ballot's size is increased by the fact that two blank columns appear on the ballot, Independent and Write-In, and another has only two candidates, the Constitution Party.

Leading off in the left hand column is the Democratic party ticket which includes a full slate from governor to county commissioner.

Next is the Republican party and it offers candidates for most state offices and in addition, in this area, offers candidates for U. S. Congressman, district attorney and for State Representative.

The race for governor will be a three-way affair, with John Connally offered by the Demos, Jack Cox by the Republicans and Jack Carswell by the Constitution party.

For lieutenant governor, only Demos and GOP have candidates, Preston Smith for the Democrats and Bill Hayes for the GOP. Waggoner Carr is the Democratic candidate for Attorney General while T. Everton Kennerly is the GOP hopeful.

Perhaps as great statewide interest as the governor's race will be that for Congressman at Large, with Joe Pool the Democratic offering and Des Barry, the Republican. Jerry Sadler, the Demo- land commissioner is being opposed by Albert B. Fay and Harry Hubbard (of Marfa) is opposing John C. White as commissioners of agriculture.

In the 16th Congressional District, incumbent Democrat Congress J. T. Rutherford is opposed in a vigorous district wide campaign now in full heat by Ed Foreman, Odessa business man. Ruth-

## B Team And Junior Hi Teams Play Big Lake In Big Lake Thursday

By Ernie Boyd

The Ozona B team will swing back into action this week as they meet the Big Lake Reserves in Big Lake Thursday afternoon in the second part of a football double header which will see the Ozona Junior High play the Big Lake Junior High in the first half of the bill.

Coach Chick Womack's team will be seeking to get back on the winning side of the ledger after dropping a 20 to 14 game to Sonora last week in Sonora.

Coach Brooks Dozier's team will be seeking to score its first touch-down of the season as they face the Owl reserves. In spite of not having crossed the enemy's goal line the Ozona team has won two games, one 2 to 0 and another on a forfeit and tied another when both teams failed to score.

## 16th Annual 4-H Livestock Show Set For Jan. 15th

Off-Week-End Date Is Chosen To Avoid Conflict of Events

The sixteenth annual Crockett County 4-H Livestock Show will be held on Tuesday, January 15, 1963, according to county agent Pete W. Jacoby. The off-week-end date was selected to avoid major conflicts with school and major show events during the month of January.

Judging of classes of livestock will start at 3:00 p. m. followed by a barbecue supper and auction sale of fat lambs at 6:30.

Thirty-one 4-H members have 160 head of livestock on feed as 4-H projects, consisting of commercial fat lambs, show lambs, breeding sheep, commercial ewes, fat steers, breeding cattle and quarter horses.

Crockett 4-H members plan to exhibit show animals at Ft. Worth, Odessa, San Antonio and San Angelo this coming Spring.

## Barry In Fight For Freedom And Individual Rights

### GOP Candidate For Congress Speaks To Big Crowd Here

Desmond Barry, Houston trucking company executive, and Republican candidate for Congressman at Large from Texas, spoke to a crowd of approximately 100 Ozonans on the lawn at the high school building here Friday night, following a barbecue supper arranged by the local Republican organization.

Mr. Barry, who gained national attention when he fought Jimmy Hoffa's Teamsters Union to a standstill when the union attempted to force the truck firms employees against their wills to join the Teamster Union, said that he is in this battle to win, as he was in his battle with the powerful Teamsters.

"A fight is nothing new to me, I have been in one the last seven years," the gifted speaker said. "I am in this race so that I will be in a better position to do more good in the cause of freedom in this country."

"People ask me why I have left my business to get into politics and try for public office," Barry said at one point. "I am in this race because I want to do something to reverse the trend in this country, else I will not have a business anyway in the next two years. If the people of this state and every other state do not wake up and elect men to office who will fight for freedom, for individual rights, for state's rights and against socialism, the welfare state and all powerful government, the end of our way of life as we have known it is not far away."

## WHITLEY WELDING SERVICE

I am now in the welding business in Ozona, operating from my home, 308 Smith St., (south of football field) and will appreciate your business. All kinds of welding. Fully insured. Phone 2-3036. JUNIOR WHITLEY 1c

## School Residence To Be Moved For Construction Of Administration Bldg

Sale of the school-owned residence structure which has served as the superintendent's home by the school board during the past week will clear the way for beginning of construction of the new administration building.

Troy Williams purchased the house and will move it from the site as soon as weather permits. Bill Taylor, contractor on the administration building, will begin work on the structure as soon as the site is cleared.

Supt. and Mrs. L. B. T. Sikes have moved into one of the school apartments for teachers up the hillside, the first teacher housing units built here.

## Open Bids Today On Highway Dept. Maintenance Bldg.

### Big Structure To Be Erected North Of Ozona On Hiway 163

Bids are to be opened at 2 o'clock this afternoon (Thursday) in the office of the State Highway Engineer, State Highway Department at Austin, for the construction of a General Maintenance Building at the north edge of Ozona on Highway 163.

The new structure, to contain approximately 7,140 square feet of floor space, including an attached service station canopy, will provide office space, equipment storage shed, material storage, shop quarters, stock room, meeting room, and the attached service station for use of the local District 7 maintenance crew under the direction of Maintenance Foreman Scotty Houston. J. A. Snell of San Angelo, is the district engineer.

The new structure is to be built of light weight concrete tile, open web joist roof framing, built up roof and concrete foundation and floors.

It will extend 162 feet along Highway 163 north and south and approximately 120 east and west.

## Lions Open Dist. Schedule Against Iraan Here Friday

### Locals Hold a Slight Edge As Favorites To Take Braves

By Ernie Boyd

The Ozona Lions will open their 1962 district schedule here Friday night against the Iraan Braves with the kickoff set for 7:30 p. m. For the balance of the season, all games will start at 7:30 p. m.

The Lions, who have won two, lost two, and tied one thus far, will rule as slight favorites to take the Braves, who will be seeking their first win of the year.

The meeting between the two will be the first since 1958 when the Lions eked out a 20 to 19 win over the Braves here in Ozona, even though the two teams have scrimmaged on several occasions since that date.

The Lions emerged from the contest with Robert Lee with but one injury, that to Richard Vargas, hard hitting defensive linebacker and half back, who sustained a bruised hip. The injury is a painful one and Vargas may be held out of the game Friday unless considerable improvement occurs between now and game time.

The Iraan team has been improving as the season progresses and expects to be ready for its best effort as it, too, will be opening its district schedule.

The Braves are shy of speed and do not have either a large squad or any particular size even though it is expected that the Brave starting team and the Lions will be about the same in average weight.

## Wide Section Of Crockett County Gets Good Rains

### Nearest To General Rain In Months; Up To 5 Inches

The heaviest fall reported was to the south of Ozona, the T. A. Kincaid, Mrs. S. M. Harvick, Bill Childress, Vic Pierce ranches receiving up to five inches in a thunderstorm which struck early Wednesday morning.

The area between Ozona and the five-inch belt, received fall from a half inch to an inch and a half and country to the west of Ozona to the Pecos river is reported to have received from 6 to nearly two inches. Ranchers to the north of Ozona, Dub Pettit, Bob Bissett, John Childress and others report that area received approximately an inch of moisture in the night's activity.

The rainfall was accompanied by a lively thunder and lightning display. Ozona received a slow fall from about midnight to daylight and a heavy shower after daylight boosted the total fall to approximately a half inch of moisture.

## Plans Go Forward For Sabin Polio Vaccine Program Here Nov. 11

All evidence pointing to the complete safety of the U. S. made Sabin oral vaccine against polio, both from assurance of the Public Health Service and the reports of results of the millions of doses of the vaccines that have been given throughout the world. Ozona physicians, Dr. Ralph Simon, and Dr. Lloyd H. Sherrill are perfecting local organization for the first mass immunization here on Sunday, November 11.

The local campaign for immunization of men, women and children of all ages, will coincide with the area wide campaign being sponsored by the Tom Green County Eight County Medical Society, which is sponsoring the Sabin vaccine program.

The Type I vaccine is to be given in the first immunization, Type II about a month later and Type III a month after that.

Several local organized groups have offered their services in handling details of the immunization and assisting doctors and nurses in the actual administration of the vaccine. The vaccine is given on a lump of sugar, a simple act to provide lifetime immunity from one of the most feared child diseases in the history of man. The vaccine provides immunity for all ages and in the case of adults will help not only to provide immunity from possible attack but will eliminate the threat of spread of the disease by adult carriers.

## Screwworm Fund Drive Launched By Proclamation

### Gov. Daniel Declares Success Of Program Vital To Texas

The Southwest Screwworm Eradication Program has been given increased impetus with the announcement that Texas Governor Price Daniel has designated this week of Screwworm Eradication Week in Texas.

The Governor signed the official proclamation in his office recently with Southwest Animal Health Research Foundation and Texas Animal Health Commission officials in attendance. Present were: C. G. Scruggs of Dallas, (Continued on Last Page)

## Ozona AFS Mess Hall Wins Service Award

Top picture shows the inviting interior of the award winning Dining Hall at the Ozona Air Force Station where Airmen attached to the 732nd AC&W Squadron at Ozona dine in attractive and comfortable quarters and on a satisfying variety of good food that is well prepared and "good to the last-bite". In the bottom picture, SSgt. Harold W. Halmess, supervisor of the dining hall, and his assistant SSgt. J. Crider are pictured with the trophies their dining hall won in the 4752ADW and the 32nd Air Division Food Service competition. The Dining Hall supervisors and staff are now pointing to top prize in the entire Air Defense Command competition.

"Venite ad me que stomacho laboratis et ego Restaurabo Vos" Translation — "Come to me all Whose Stomachs Cry out in Anguish and I shall restore you".

This sign hangs from the Dining Hall of the 732d ACW Squadron, Ozona AFS, Texas. The truth behind such a statement was recently confirmed when this Dining Hall took first place in the 4752 ADW Food service competition and continued on to capture the same honor in the 32d Air Division competition. Under the supervision of SSgt. Harold W. Halmess the Dining Hall is now competing in the ADC wide Food Service competition program.

The scoring criteria for these awards covers the complete inspection of the management and maintenance of the Dining Hall. One of the best methods to judge such a facility is the acceptability of the food by the airmen. The Ozona airmen not only enjoy the efforts of their Dining Hall but are also justly proud of its recent accomplishments. Needless to say, full cooperation and many long hours were required of the Airmen during their tours of KP.

The Dining Hall personnel who joined in this effort were, Assistant NCOIC SSgt. J. Crider, SSgt. O. Maney, SSgt. W. Jensen, A1-C Ashe, A2-C P. McArdle, and A3C B. LeGrand. It is obvious to all who have seen and dined at the 732D, that they are determined to make a successful representation of the 32D Air Division in the forthcoming ADC competition.

Robert Graves of Ozona has returned to W. D. Anderson Hospital in Houston where he is expected to be under treatments for several weeks. His address is Room 303 W., M. D. Anderson Hospital.

REACHING THE BOILING POINT

As early rumors that US Government funds would be employed in the ransom of the 1,113 Cuban invasion prisoners were confirmed by "informed sources," Florida's Representative Williams C. Cramer demanded a Congressional investigation of this "unwholesome, degrading and humiliating blackmail deal."

In the meanwhile Castro was playing coy in meetings and postponement of meetings with James B. Donovan, the American attorney retained by the families of the prisoners to conduct negotiations, and who is also, according to Washington informants, representing the Administration.

The world could only guess what was going on in the Havana poker game with its flesh-and-blood stakes — whether Castro was seeking to up the \$62 million he had asked (in cash, food and medicines), or Donovan to reduce the ante (as seems unlikely). At this writing, the lawyer, back in Miami, said he was awaiting further summons from the Board.

News of the US Government's entry into the dicker, to the extent of \$13 million worth, was followed by protests from Cuba patriot leaders who claimed Government participation would be nearer \$100 million — that such a deal could rehabilitate Castro's tottering regime and that the prisoners would rather rot in jail than be a party to it.

The American Legion, in convention at Las Vegas, demanded by resolution that the Government take action in Cuba — by armed invasion "if necessary." And British shipowners, meeting in London, decided unanimously to continue transporting Communist cargoes to Cuba. It seems it wouldn't be cricket to break some of the long-term charters involved.

As Congress prepared for adjournment "sine die," to conclude the longest session since 1951 after President Truman ordered the "police action" in Korea, the Cuban pot appeared about ready to

boil over — election or no election.

But the President doesn't need to call the campaigning congressmen back again to seal off Cuba from Uncle Nikita via naval blockade — and before November 6th!

In His Proclamation designating October 17th as the National Day of Prayer, President Kennedy noted that each succeeding generation of Americans has cherished the faith of our founding fathers and suggested that on this annual observance provided for by Congressional resolution in 1952.

"Let us all pray, each following the practices of his own faith. Let us pray for our nation and the other nations of the earth."

But he did not say whether he had cleared this with the Supreme Court — or Bobby.

Following The Fanfare of signing the bill that will shake us down for \$600 million more in postage, and a billion more for Federal pay increases, President Kennedy ordered his bureau chiefs to hold down hiring, fire "marginal workers" and "increase employee productivity."

The nation will await these reforms eagerly; but not, we hope, with bated breath.

YWA OFFICERS NAMED

The following officers were elected for the new year for the 11 and 12-year-old Girls Auxiliary of the First Baptist Church: President, Beverly Loudamy; vice president, Debbie Moore; secretary, Bonnie Glynn; community mission chairman, Judy Barber; social chairman, Margaret Simon; program chairman, Lois Poindexter; stewardship chairman, Johnette Dozier; Forward Step chairman, Sharon Blakley; mission study chairman, Sallie Jones; and anniversary chairman, Beverly Loudamy.

In addition to these officers, other members are Mary Tannehill, Gloria Tannehill, Irene Jones, Avey and Martha Nicholson, Chris Clegg, and Sue Easterwood. Mrs. Lyle D. Striffler is counselor.

Civil War Era U. S. Cavalry Saber, Lost Nearly 100 Years Ago, Still In Fine Condition, Found On Crockett Co. Ranch By Beecher Montgomery

A Civil War time cavalry saber, the kind U. S. Cavalry men carried in the period, that had lain on the West Texas ground for nearly a hundred years, was found last week by Beecher Montgomery, Crockett county ranchman, on his ranch on the Pecos river, the Myrtle Mitchell ranch which Montgomery has under lease.

The 36-inch long curve blade, as sharp today as when it was lost or abandoned by its cavalryman owner, is in a remarkably fine state of preservation. It is rusted but not badly pitted and the blade's sharp edge is without a single gap from rust. It is still flexible as the finest steel.

The cage handle guard is of brass and is in perfect condition, not even bent. The handle itself, which was originally of wood, has completely rotted away leaving only the steel shank of the blade and the brass guard holding it together.

The top of the saber blade is engraved with the letters, U. S. and the date 1865. On the brass guard itself are stamped in small letters, "J. M." presumably the initials of the Soldier who carried it.

The site is opposite what is known as Julia Springs, across the Pecos on the Tom Mitchell ranch. The story is told that a detachment of U. S. Cavalry was sent to this area on word of an encampment of Indians. A fierce fight is said to have followed, with the Cavalry losing a number of men. Whether the saber Montgomery found figured in that historic fight can be only speculation. Anyway, he says he's going back to the spot to make a thorough search of the entire area.

Present were Mmes. Robert Moore, Kay Thompson, Donald Carr, Elmer Phillips, Jim Carpenter, George Loudamy, J. T. Keeton, Quentin Brentz, Kenneth Meadows, Jess Sweeten, Myrtle Mitchell, Doyle Perdue, Ted Lewis, Bob Pitts, and one visitor, Mrs. Robert Russum of Crystal Springs, Ga.

WOMAN'S GOLF-BRIDGE ASSN. MEET IN WEEKLY PLAY

Mrs. Boyd Clayton was the hostess for bridge at the Country Club last Thursday to the Woman's Association.

In golf play the blind bogey and low net on the club trophy play was won by Mrs. Jess Marley.

In bridge play, high score was won by Mrs. Joe Pierce, Jr., and the cut prize to Mrs. Boyd Baker.

Others attending were Mrs. Jack Baggett, Mrs. Dempster Jones, Mrs. Mike Clayton, Mrs. Gene Lilly, Mrs. George Banger, Mrs. Brock Jones, Mrs. Tom Ed Montgomery, Mrs. V. I. Pierce, Mrs. R. L. Bland, Jr., Mrs. J. B. Parker, Mrs. Early Baggett, Mrs. J. S. Pierce, III, Mrs. Ashby McMullan, Mrs. Charlie Black, Mrs. Evart White, Mrs. Sherman Taylor, Mrs. Carl North, Mrs. Byron Williams, Mrs. Jack Wilkins and Mrs. Jack Williams.

School Stages Fire Prevention Program

A fire drill and demonstration by members of the Ozona Volunteer Fire Department at the North Elementary school Friday afternoon will mark the school's observance of Fire Prevention Week.

The school will have a fire drill and a fire truck will arrive on the scene after which an assembly will be held in the auditorium. A group of firemen from the department will form a panel to answer questions from the children about fires and fire fighting.

Mrs. Coralie Meinecke of the Meinecke Insurance Agency will provide books on fire prevention, Junior Fire Marshal badges and firemen's helmets to be distributed among the children.

FIRST BAPTIST WMU

The W. M. U. of the First Baptist Church met in the fellowship hall of the church Wednesday morning. Mrs. Glenn Russum presided. Mrs. W. C. Smith presented two chapters of the mission book, "New Frontier in an Old World," by Winston Crowley.

A committee was appointed to plan the Annual Parent and Son banquet. This committee includes Bryan Montgomery, Keith Mitchell, Doug Moore and Moe Barbee. The committee will select a date, plan the menu, and arrange the program. The banquet is usually during the month of November or December.

The program of work for the chapter includes a total of 10 different committees to serve in planning 10 different parts to the program for the school year 1962-63.

The committees are: Project program — Paul Perner, Morgan Tolle, and Doug Moore.

Cooperative Activities — Ronnie Mason, David Lewis, Charles Farris, and Fred Baker. Community Service — Billy Carson, Steve Coleman, Gary Elmore, and James Montgomery.

Earnings, Saving and Investments — David Childress, Rick Hagelstein, Bobby Amthor. Conduct of Meetings — Bryan Montgomery, Don Dunlap. Scholarship — David Jacoby.

Office Supplies at the Stockman

Officers Elected, Program Planned At F. F. A. Meeting

Paul Perner Is President; Kathy Doran Is Named Sweetheart

At a special called meeting Tuesday night, the Ozona FFA members elected 1962-1963 officers, raised a Vocational Agriculture I students to the degree of Greenhand, and discussed and planned the chapter program of work for this school year.

Officers elected were: president, Paul Perner; vice-president, Moe Barbee; secretary, David Childress; treasurer, Rick Hagelstein; reporter, Keith Mitchell and sentinel, Joe Chapman.

The Ozona FFA chapter sweetheart is Kathy Doran.

Fifteen Vocational Agriculture I students were raised to the degree of Greenhand. This group raised the total membership of the chapter to 34. The chapter made plans for the annual Ozona FFA Commercial show barbecue, and invitational judging contest to be held January 12, 1963 at the Junior Livestock barn.

We're telling America about the business and industrial advantages

... IN THE CENTER OF THE SOUTHWEST

American business and industry are on the move... looking toward growing areas, new markets, and expanding profit opportunities. Our service area — the fast-growing CENTER OF THE SOUTHWEST — is one such region, because the Southwest is growing 25% faster than the Nation. That is why we are engaged in a continuing program designed to tell American business leaders about the advantages of this portion of West Texas. We advertise the area in national publications, mail information material to selected lists, and make personal visits to many prospects. As this is written, a WTU Representative is in the northern and eastern industrial areas of the country, calling on key executives whose companies are looking our way. They, like WTU, are convinced that this area faces GROWTH UNLIMITED.

### Representative Steps Up Campaign

the pace in his connection as State Representative in the 66th District general election, Nugent carries his every section of the Texas area. The youthful Kerrville native, in his first term, has adopted the slogan "operate our state on a basis now," and so far his constituents are pleased with his conservative West Texas district.

James E. (Jim) Nugent

As a state government representative of good government, Nugent's record is one of constant support and reduction of expenses commensurate with adequate services.

Nugent sponsored legislation supporting the screwworm eradication program last session and will continue to work toward the eradication of this destructive pest, he said.

He helped fight off an attack on right to work laws last session and restated his continuing support for the preservation to the right to work laws in Texas, Nugent declared.

High individual 1-game — Willena Hodlen 193; C. Lee Conaway 184; Mary Dunlap 181.

Splits — Tissie Mitchell 5-7; Willena Hodlen 3-10; Wanda Stuart 6-10; Jo Davidson 3-10; Susie Semmler 3-10.

### WOMAN'S SOCIETY CONTINUE STUDY AT WEDESDAY MEET

"Renewal In The Church" and "The New Biblical Theology in Parish Life" were the two subjects of study at the WSCS Wednesday morning in the Methodist Church.

The worship service was led by Mrs. Paul Perner. The Rev. Morris Bratton directed the study. Mrs. J. A. Fussell told the story of the WSCS work in Hong Kong, and Mrs. Keith Mitchell told of the District Houses of Korea. Both projects are on the Week of Prayer and Self-Denial for this year.

Friday, October 26, the week of prayer will be observed with a program at the church at 8 a. m. During the week from October 25-31, will be observed with Memory Expectation and Power each day.

Others attending were Mrs. Joe Pierce IV, Mrs. Bill Groves, Mrs. R. A. Harrell, Mrs. Leon Patterson, Mrs. Clinton Whitt, Mrs. Bill Y. Friend, Mrs. Ruben Whitehead, Mrs. Bailey Post, Mrs. Stephen Perner, Mrs. Evert White, Mrs. John W. Henderson, Mrs. Charles Williams, Sr., Mrs. Jack Baggett, Mrs. L. B. Cox, Jr., Mrs. W. O. Reeves, Mrs. V. I. Pierce, Mrs. Joe Tom Davidson, Mrs. J. S. Pierce, III, Mrs. Morris Bratton, Mrs. W. D. Cooper, Mrs. Will O. Mills, Jr., and Mrs. Joe Pierce, Jr.

**BEDROOM ADDITIONS**

Modernize — Add a new bedroom, average size as low as \$21.74 per month. No cash needed. For full information on all remodeling or repairs call Wm Cameron & Co. Phone 22681, Sonora.

# NOW! 9 IN OUR LINE OF '63 FORD FAIRLANES!

Only your **Ford Dealer** has 'em! Hot new middleweights with V-8 punch! New wagons! New hardtops! New sedans! New savings!

Ford Fairlane goes all out for '63! Now you can choose from three handsome middleweight wagons—in a size as new as '63 itself. Each loads like the big ones, saves like the compacts! Or pick a brand-new hardtop—the bucket-seat Fairlane 500 Sports Coupe or the dashing Fairlane 500 Hardtop! For sedan selection, there are four lively, lovely ones—featuring big-car room at a compactlike cost! And each of these solid citizens can be fired up with the optional V-8 power of a peppery Challenger 221 or the even hotter Challenger 260! Or choose the gas-saver's delight—the standard Fairlane Six. What's more, these cars cut your costs and cares as only Fords can! Twice-a-Year Maintenance means you go 6,000 miles between oil changes and minor lubrications . . . plus a whopping 36,000 miles between major chassis lube! So, come in—discover Fairlane and all the rest of America's liveliest, most care-free cars!

## EDITORIAL

By Penn Baggett

The human mind is one of the few things which cannot be completely enslaved by any other mortal power. Even the subjects of the most dictatorial of governments cannot be forced to believe.

The natural tendency of man to doubt has brought about much advancement in knowledge. The doubting of accepted facts has caused them to be disproved and to be replaced by more valid ideas. Thus, improvements in science and in other fields have come to be.

We, as Americans, have the privilege to voice our opinions, even to the extent of refuting governmental doctrines. Our "American Way of Life" is based on freedom, and its existence can be attributed largely to a sense of doubting — the doubting that the English form of government was the most desirable to be had. This, our American way, can be preserved if those ideals which created it are used as "food for the flame of democracy."

Another natural tendency of man is to become too secure and to assume that things which have been in the past will be in the future. Many Americans are content to simply accept our democratic system of government as it is and "roll with any low punches that it might deal them. Even the most radical of agitators against governmental policies stand a chance of doing some good, which is definitely more than a mere "accepters" can hope to achieve.

Buddha, a religious philosopher, gave advice that even twenty-five centuries have failed to outdate. He said:

"Believe almost nothing merely because you have been told it, or because it is traditional, or be-

cause you yourself have imagined it. Do not believe what your teacher tells you merely out of respect for your teacher. But, whatsoever, after due examination and analysis you find to be conducive to the good, the benefit, the welfare of all being — that doctrine believe and cling to and take it as your guide."

## NEWSREEL OF THE LION'S ROAR

By Cheryl Clayton

In 1935 the Lions' Roar was going strong! Editions of the paper were mimeographed copies including much art work and originality. There was strong rivalry among classes to see which could publish the best edition.

Serving as editor for the seniors was Ray Boyd. On the staff as production manager was Esther Kate Pierce (Jones.) One of the most popular columns seems to have been "Annie's Answers." On interesting letter read as follows:

Dear Miss Annie: I am just a freshman and don't know what subjects to take. I don't want to take English, Math, History or any foreign language. What shall I do? Signed: P. C. Perner; Dear P. C. Thanks for calling me Miss Annie. You are very complementary. I would advise you to stay home! Love, Annie.

The Juniors were full of bits of wisdom and sage advice. A popular column was entitled "Sez Me." Two excerpts from this column are: "It's a great kindness to trust people with a secret. They feel so important while telling it." "I have always had a great respect for a Philippine proverb. "In to the closed mouth the fly does not get!"

On the sophomore staff we find the names of James Childress, Mary Williams (Clayton), and Maggie Seahorn (Moore). This advice was offered to the feminine students of OHS. "Face powder may catch a man, but it take baking powder to hold him."

Last but not least, we find Hack Leath heading the freshman edition with some members of the staff, Catherine Childress (Coates), P. C. Perner, J. W. Johnigan and Jack Baggett.

The freshmen had an entire page of "Modern Nursery Rhymes" in

addition to the regular less colorful news:

'Mary had a little 'feller'  
 His hair was black as coal  
 She kissed him on his little  
 check.  
 And he had to go home and  
 wash the lipstick off.

Goosey, goosey, gander  
 Where shall you wander?  
 Upstairs and downstairs  
 In a lady's chambers.  
 There she found a young man  
 Who wouldn't say his prayers  
 And he took her and  
 Went to the dance.

## SPONSORS ENJOY CONCESSION STAND

By Gladys Mathews

Has anyone noticed three hollow-eyed teachers in town on Saturday morning? No, they haven't been to an all night twist party. They're the Senior class sponsors after a night at the concession stand.

The three honored sponsors are: Miss Powers, Mr. Fife, and Mr. Hoover.

They're at the concession stand by six o'clock and are as busy as bees.

After the game has started and everything is pretty quite around the concession stand, they decide to watch some of the ballgame. They barely find themselves a place and get interested in the game when someone starts screaming for Mr. Hoover. He runs back as fast as he can to find the popcorn machine stuck. He repairs it and decides there is no use to go back to the game.

After the ballgame, it is time to clean up. The men start stacking coke cases and Miss Powers directs the clean up operation.

Finally it is all done, and they can leave.

All this hard work isn't for nothing. They do get to go on the Senior trip!

## SPORTS

A mild upset occurred in District 8-A last Friday in Hill Country Stadium. Before a fine crowd, the Junction Eagles held the favored Eldorado Eagles to a scoreless tie.

In other games in our district, Ozona tripped Robert Lee 14-0 in what was supposed to be a very

tight game. Big Lake ripped by Stanton 28-6 for their fifth consecutive win of the season. Sanderson fell prey to Van Horn 28-0. Rankin dropped to McCamey 27-12, and Iraan fell for the fifth time 28-6, this time at the hands of the Alpine Bucks.

This Friday night, the gridiron battle for the 8-A district championship begins. All six district teams are battling in conference games. Iraan will come to Ozona to test the favored Lions. Sanderson is starting out on shaky ground playing district favorite Big Lake. Big Lake, with booming Tommy Franklin and speedster Mike Holmes, is expected to find easy pickings against the Eagles. The tough Eldorado Eagles will be heavily favored to tear by the Ran-in Red Devils.

In the baseball world, the Yankees and the Giants really had a tough time playing their sixth game. Things finally dried out Monday, and the Yankees were triumphant.

## GIRLS BASKETBALL PRACTICE TO BEGIN OCTOBER 24TH.

Girls basketball practice will start this Wednesday, October 24. Coach Murdock announced to the 29 girls present at the meeting that they will play their first game on November 21.

The managers of this year's basketball will be Arlene Gotcher, Gracie Chandler, and Alice McKee.

## WHAT IF —

By Robert Cox

The students of OHS burned the school for a bonfire next week.

The Lions went undefeated in district.

Tommy Franklin broke his leg. Mr. Moody's junior English classes would learn to spell.

School started at 9:00 o'clock. We had two assemblies a week.

The B team scored a touchdown. We had a Hi-Fi in study hall.

This was the last week of school. There were sixty boys out for football.

The juniors didn't over-charge for mums.

Everybody had a place to park his car.

All the teachers would give tests on different days.

Coach Cleere always told the truth.

Penn Baggett didn't get his toes stepped on in football practice for a week.

## EXCITING! GO '63 CHEVY II

### SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delco-tron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair & Corvair. See the "New Reliabilities" now at your Chevrolet dealer's!

**OZONA 'B' TEAM AND JR. HIGH TO PLAY IN BIG LAKE**

The Ozona Lions B-team and the Big Lake Owls B-team will clash tonight there at 7:00 p. m. Ozona, who has a record of 2-2-1, will be the decided underdogs and undefeated Big Lake, a heavy favorite.

This same situation will arise a week from tomorrow when the Lions meet the Owls in Big Lake for a very important district battle.

The Lions also have a 2-2-1 record after beating Robert Lee last week, and we hope that the B-team will set an example for the Lions to follow by beating the Owls today.

The Ozona Junior High Cubs will also play in Big Lake this afternoon, this game starts at 5:30 p. m.

**GOSSIP**

By Joel Huff

It's rumored that Mr. Moody and Mr. Leath are well acquainted with General Walker. Wonder if it's true?

Mr. Hickman made it back to school last Monday, although he stayed in Robert Lee over the week end after the Lions beat Robert Lee 14-0 Friday.

Some say that the football boys

don't really watch football films when they go to the auditorium at night (maybe a Mickey Mouse cartoon).

Some students wonder if Miss North really has that bullwhip she threatens everybody with (How about it Miss North?)

Pete Montgomery seemed to have trouble making friends with the Robert Lee quarterback last Friday. Why don't some of you girls ask him about it?

Richard Vargas might have won the coke county lightweight boxing championship last Friday right in Robert Lee during the football game had he been in the ring.

**THREE NEW STUDENTS AT OHS**

Three new "available" male students were seen around the campus for the first time Monday. They are Jerry Lester Patton, Jim Grothe, and Royce Griggs.

Jerry Patton, son of Lester and Melissa Patton, came from one of our neighboring cities, Crane, Texas. This junior was born on June 24, 1944, in Merkel, Texas.

Jim Grothe is the son of Mr. and Mrs. Albert Grothe. Jim, a freshman who participated in football and basketball was born in Ralls, Texas, on October 23, 1947.

Last, but not least from Carlsbad, New Mexico, is Royce Griggs, grandson of Mr. and Mrs. George Griggs. This freshman, who was born in Brownwood, Texas, on July 24, 1948, participated in basketball and track in Carlsbad.

**School Cafeteria MENU**

**Monday, Oct. 22:**  
Vegetable beef stew  
Buttered corn  
Lettuce wedge — french dressing

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 19, 1933

Administrative machinery for relief work in Crockett county during the coming winter was set up under appointment of the Commissioners Court. A county board, appointed by the court, met yesterday and outlined relief plans, work projects and to select a county relief administrator. Royce Smith was selected as administrator at a salary of \$50 per month.

Stanley Jeffers, employed on the Roger Dudley ranch, suffered two broken ribs and a sprained ankle last week when he fell from the top of a 35-foot bluff.

Ben Lemmons, proprietor of a dry goods store here, has opened a new store in Anton, Texas.

Crockett County has gone NRA. By vote of the Commissioners Court all county employes have been placed on the NRA schedule of hours and wages. Hereafter labor in the employ of the county will work not over 8 hours a day nor more than 40 hours a week. The wage scale as set out by the court will be 20 cents an hour for ordinary labor and a maximum of 30 cents an hour.

Regular maintenance by the State Highway Department of the Ozona road, a continuation of Highway 163, is being sought by the Commissioners Court in an order at its October session.

A number of West Texas ranchmen, men and bankers will be in Ozona Friday morning in San Antonio to discuss means of prevalence of the Regional Agricultural Credit Corporation in this section or to develop adequate federal loan facilities for livestock producers of the area.

Market, located in the Permian Building is for sale. I am in health to retire. Contact R. J. Cooke, owner.

W. S. Willis, of Novice is here to see his daughter, Mrs. W. S. Willis, and family.

J. R. Wiley and John Rochelle were visitors in Fort Worth this week.

Mrs. Charles E. Davidson, Jr., Mrs. Beeler Brown and Mrs. W. E. Friend, Jr., are attending the State Fair in Dallas this week.

W. S. Willis, Crockett county sheriff, and his father-in-law, J.

W. Jones, here from Novice for a visit, attended the trial of Cass Coleman, and Will Casey, Coleman county farmers, who were convicted in Federal court in San Angelo on charges of harboring Geo. (Machine Gun) Kelly on Coleman's farm.

Mr. and Mrs. Harry B. Matthews, former Ozona residents, are parents of a daughter born Sept. 28 in Bartlett, Texas. Matthews was formerly linotype operator for the Stockman.

Postmaster General James A. Farley heads a group of government officials who arrived in Texas yesterday for a Democratic good-will tour of Texas. The party was joined in Fort Worth by vice President John N. Garner, who came up from his home in Uvalde and will accompany the party over the Lone Star state.

### HUSBANDS GUESTS AT FORUM NIGHT PARTY

The Woman's Forum members entertained their husbands at El Sombbrero Cafe Tuesday night. Hostesses Mrs. Brock Jones and Mrs. Pete Jacoby, greeted the guests with a Spanish name to correspond with the place cards. The table was festively decorated with red candles and a Spanish theme.

A Mexican dinner and games were enjoyed by Mr. and Mrs. T. J. Bailey, Mr. and Mrs. Boyd Baker, Mr. and Mrs. Chas. Black, Jr., Mr. and Mrs. N. D. Blackstone, Mr. and Mrs. Hugh Childress, Jr., Mr. and Mrs. James Childress, Mr. and Mrs. Bill Clegg, Mr. and Mrs. Elie Hagelstein, Mr. and Mrs. Fred Hagelstein, Mr. and Mrs. B. B. Ingham, Jr., Mr. and Mrs. Ralph Jones, Mr. and Mrs. Joe Sellers, Mr. and Mrs. W. T. Stokes, Mr. and Mrs. C. O. Walker, Mr. and Mrs. Chas. Williams, Jr., Mr. and Mrs. Kirby Moore, and Dr. and Mrs. Ralph Simon.

### DAUGHTER TO CLAYTONS

Mr. and Mrs. Mike Clayton are the parents of a daughter born Saturday, Oct. 13, in the Crockett County Hospital. The baby has been named Lori-Lynn. She is the granddaughter of Mr. and Mrs. Boyd Clayton and Mr. and Mrs. B. W. Stuart.

### Notes From The County Agent's Office

By Pete W. Jacoby

Because it is hard to diagnose verticillium wilt disease may be a serious threat to geraniums, says Dr. Harlan E. Smith, plant pathologist, Plant Disease Diagnostic Laboratory, Texas A&M College.

The fungus disease is often confused with a bacterial rot and plants are thus treated for wrong condition, says Smith. But unlike plants infected with bacterial rot, those attacked by verticillium wilt almost never show early signs of rot, he adds.

The first symptom of verticillium wilt is dwarfing of the plants. They may grow only to one-third normal size. The leaves of the geranium will spot and turn yellow, and then the terminal ends of the stems rot and die back 3 to 6 inches down the stems, Smith says. Wilt, which occurs last, is the best known symptom of the disease but is not as common as the others, he adds.

The control of verticillium wilt is primarily up to propagators of nursery plants. Smith advises them not to plant stock geraniums in soil where ornamentals, especially dahlias, have been grown.

### Defense Featured In 14-0 Ozona Win Over Robert Lee

#### Two First Half Markers And Lions Set Up Defense Wall

By Ernie Boyd

Two first half touchdowns and a hard striking defense were all the Ozona Lions needed last Friday to mark up a 14 to 0 upset win over previously unbeaten Robert Lee, in Robert Lee.

The game's final play scarcely beat a noisy thunderstorm that sent fans racing to their cars following a second half which saw no scoring, even though the Lions threatened constantly.

The Steers, who had been rolling over their foes by rather comfortable scores, were never able to get started against the Lions who came back hitting just like they did in Sonora last week.

The game began with Robert Lee who came confusing spread and for a moment it looked bad for the Lions as the Steers raced for 15 yards on just two plays. But the Lions got organized and dumped the host team for two straight losses to force a kick.

The Lions took full advantage of their first possession of the ball by driving 69 yards for the game's first score, Pete Montgomery going over from the 9 yard line. A pass from Cooper to Vargas was good for the 2 points and the Lions held an 8 to 0 lead.

The Lions lost a touchdown on one of the best executed plays in their next possession and also lost a decade when tempers flared and off-setting penalties rubbed out a 96 yard touchdown run by Pete Montgomery.

The Lions held following the kickoff and Robert Lee with the wind at their backs got off a good kick which died on the Ozona four yard line. On the first play Montgomery broke loose on a counter and went the distance. However, following a block a Robert Lee player swung on a Lion and the Lion countered and the referee saw both blows and rubbed out the play with offsetting penalties.

In the second quarter, the Lions counted again, however, as they drove 90 yards after gaining possession of the ball on a punt.

The big play in the drive was

a 41-yard scamper on a reverse by Richard Vargas and the score came on the next play as Pete Montgomery swept right end for a score from the ten yard line.

The try for points on a run was short and that was the scoring for the night.

Even though the Lions gained a good deal of yardage in the first half and chalked up 13 first downs in the contest to just 7 for Robert Lee, the real story in the game was the Lions defense.

Richard Vargas, Dubbie Scrivner, Pete Garza, and Pete Montgomery made the outside usage with hard hitting tackles and on the inside Brent Moore, Robert Cox, Billy Sanchez and Penn Baggett were able to blunt anything thrown in that direction. A very leaky pass defense suddenly came alive with Scott Mahon intercepting two passes and Joel Huff one. Huff and Mahon both got hands on several other air shots to break them up.

Robert Lee's offense was sparked by Comie Hallmark, a swift and very elusive quarterback, and Rusty Dodson, a 185-pound full-back, but repeated losses staggered the Steer attack which wound up with only 80 yards rushing to show for the night's work as compared to 234 for the Lions. In the air the Lions made few attempts and most of those in rather desperate situations, failing to complete any of five scattered attempts while Robert Lee connected on 4 of 11 efforts for 38 yards.

The effort was one of Ozona's best to date, particularly in view of the lack of any real reason to be fired up such as was the case against Sonora.

Pete Montgomery was the game's leading ground gainer with 105 yards followed by Brent Moore with 62 and Richard Vargas with 51.

For the Steers, Hallmark had 46 and Dodson 26. Hallmark also did the Steer passing and proved to have a strong if not too accurate arm in completing 4 of 11 and getting 3 intercepted in the process.

The Lions appeared content with their lead in the second half, the running game bogged down and only two passes were attempted even though both efforts came very close to resulting in touchdowns.

### Strong Opposition To No. 14-Trial De Novo Amendment Builds Up

Austin — Strong opposition has developed to the proposed amendment to the State Constitution (No. 14 — Trial de novo) that will be voted on at the General Election November 6.

Abner V. McCall of Waco, president of Baylor University, has been named to head a statewide committee opposing the trial de novo amendment, which is last on the ballot.

McCall said this week that passage of the amendment and implementation by any future legislature will mean "the end of local self-government."

Decisions of any governmental unit including school boards, county commissioners, city councils, hospital or water districts, even on such matters as teachers' pay, where to locate a county road or who will pave a city street will be in jeopardy if the amendment passes, McCall said.

The amendment has drawn strong opposition from city and county officials, school authorities, attorneys and many others, particularly in rural areas, McCall said.

The amendment appears innocently on the ballot as "granting the Legislature power to provide trial de novo on appeals from actions, rulings or decisions of administrative agencies of government."

Supreme Court Judge Meade F. Griffin has pointed out that this simple wording would change "our fundamental concept of a democratic form of government by eliminating the present checks and balances designed to prevent one branch from becoming the master and dictator of the other two."

He said that de novo appeals, such as would be authorized by Amendment 14, would put Texas courts ten years behind in their dockets and cost taxpayers millions of dollars each year.

### Lions Open Dist. —

(Continued from Page One)

The Lions will start about the same lineup that has started the last two games and will once again be counting on two newcomers to the lineup to give the squad added depth and size.

Billy Sanchez, a senior, out for the first time, has earned a starting defensive guard post and has played very well against both Sonora and Robert Lee. Sanchez at 173 pounds has added size as well as some hard hitting ability to the defense in the last two contests.

Another senior who is out for the first time and who has not played football before is Sostenes DeHoyos a 185-pound tackle who has taken over the offensive assignment at that post, enabling Brent Moore to move to fullback on offense to further bolster the post left open when Aaron Shackelford was lost to the squad.

The Lions have been using a starting backfield of Leroy Cooper at quarterback Richard Vargas and Pete Montgomery at halfbacks and Moore at fullback and have been alternating Dubbie Scrivner and Bernabe Villareal at either halfback or at fullback.

Scrivner has, in addition to his fine offensive efforts, been playing defensive end along with Jimmy Semmler with Bill Bowman running at an offensive end post and part time at a defensive halfback post. Also figuring strongly in the end play has been Scott Mahon, a junior who plays offensive end and defensive safety. Last week Mahon contributed greatly to an improved Lion pass defense.

Defensively the tackles are being manned by Robert Cox and Brent Moore with Penn Baggett and Sostenes DeHoyos.

On offense, Joel Huff is at guard but on defense shifts to the back-

field where he plays a defensive halfback. At the center post is Pete Garza, a rapidly improving soph who has looked real good at his line backing post the last few weeks.

The over all picture for the Lions has been one of marked and rapid improvement and regardless of what happens from now on the 1962 team will have to go down as one of Coaches Fred Hichman and Sonny Cleere's top achievements.

### Screwworm —

(Continued from Page One)

president of the Foundation; Dolph Briscoe of Uvalde, SWAHRF trustee; Pearce Johnson, SWAHRF general counsel; and Dr. R. G. Garrett, executive director of the T-AHC.

Governor Daniel gave special recognition to the program which is designed to eradicate the screwworm menace and to prevent great game animal losses and an estimated \$100 million annual loss to the livestock industry in the Southwest.

In his proclamation, the Governor said: "... Southwestern livestock producers and the Southwest Animal Health Research Foundation are due special praise for initiating the program and raising funds for its financing. The Texas Animal Health Commission and comparable agencies in Louisiana, Arkansas, Oklahoma and New Mexico, the United States Department of Agriculture and the Southwest Animal Health Research Foundation share the responsibility for the administration and financing of this all-out campaign to eradicate the screwworm menace in the Southwest ...

"To continue the vital program, a fund raising drive will be conducted during coming weeks, aimed at meeting the financial obligation of Southwestern livestock

producers and sportsmen in this program. Therefore, I, as Governor of Texas, do hereby designate the period October 14-19, 1962, kickoff week of the fund drive, as Screwworm Eradication Week in Texas, and urge full cooperation in this important campaign."

The Southwest Animal Health Research Foundation is making an intensive effort this month to inform all livestock producers and sportsmen of the status of the eradication program which got underway last spring. Officials also plan to raise the remaining \$1.2 million toward a goal of \$3 million the Foundation has pledged to keep the program going. In a similar drive last fall and spring, livestock producers and sportsmen invested nearly \$1.8 million — a feat termed unprecedented by most observers.

### Huge Ballot —

(Continued from Page One)

erford is also from Odessa.

G. Dixon Mahon, Crockett county attorney until his recent resignation to accept appointment by Governor Daniel as District Attorney of the 112th judicial district, is the Democrat candidate for the unexpired term of Connell Ashley, resigned. He is opposed by Republican W. C. (Bill) McDonald.

State Representative James E. (Jim) Nugent of Kerrville, is opposed by GOP nominee W. G. (Bill) Stacy, also of Kerrville, for election to the 66th district post.

The Democratic, Republican and Constitution parties each have a candidate for the office of Comptroller of Public Account. Incumbent Robert S. Calvert, Democrat, Mrs. Hargrove Smith, Republican, and Joseph M. Rummler, the Constitution party candidate, make up the three-way split.

About half the ballot is consumed with the presentation of 14

proposed amendments to the Texas constitution which are to be decided by voters at the general election. Several of the amendments, as usual, would add to the taxpayers' burden if adopted, and a number apply to particular counties, mostly hospital districts to be created. But one of the proposals, the No. 14, is being attacked statewide. It is the "trial de novo" proposal which would disrupt the functions of every local government unit from the school board to county commissioners courts by making their decisions subjects to court action "de novo" or new, and would in effect transfer control of local government from the people to the courts.

### EVEN NEWER BEHIND THE WHEEL!

You'll never know how really new a 1963 Cadillac can look until you've seen it from the driver's seat. For only in action does this great car reveal all its secrets. Here's a hint of what you have in store: A newly refined engine so silent you won't be quite sure it's running—until you touch the accelerator pedal. And then! The instantaneous response will bring you quickly up to date on Cadillac's new true-center drive line. For as the big car glides away from the curb and down the road, you'll experience a wholly new sensation in smoothness. The exclusive design and precision assembly of the new Cadillac drive line

makes the flow of power from engine to rear wheels incredibly smooth under all load and road conditions. And while you're at the wheel, be sure to adjust it to your favorite angle. This year, the new Cadillac adjustable steering wheel moves easily to six different positions. It's an extra-cost option, convenient for the family and especially refreshing on long journeys. But these are only a few of the seventy ways in which Cadillac performance, ride and handling have been advanced in 1963. Make an early date with your authorized dealer to sit at the wheel of a new Cadillac. It's the world's nicest place to sit.
