Survey Of College Students Here Reveals About 90 Young Ozonans, Graduates of OHS, Leaving For College Campuses Across The Country

Those people who have been a bit skeptical about the number of young Americans now attending college and about the alarm of those in the field of secondary education about the rising college population could have gotten a real first hand view of the ever increasing tide of young high school graduates making their way to colleges and Universities all over the country this past two weeks by just making a tally of the Ozona students who have either returned to school or who are entering for the first time this month. A total of 40 Ozona young people either graduated from Ozona High School last spring or have completed requirements this summer and of the group a break down reveals that four all girls, have gotten married, three have no college plans and the balance of 33 are entering school somewhere this month with a scattered few having already put in a summer's work on their degrees.

A break down on schools reveals that among last year's graduates only, there will be seven attend San Angelo, College, four to TCU, four to Sul Ross, three to Texas Tech, two each to Wayland, Stephens, Baylor, and East Texas, and one each to New Mexico State, Texas Womens U., A&M, ACC, Ft. Worth Tech, SMU, and Baptist Memorial Hospital in San Antonio 1. (two SAC students are nursing students at Shannon or will be later.)

In addition to the 3 from last year's class, at least 54 more will return to school this fall. A few more might be returning but some of the OHS grads no longer reside in Ozona and their plans are

Art Teacher Plans Weekly Class Here For Adults And Children

As a result of efforts of the Woman's Forum of Ozona to bring an art teacher to Ozona to teach classes during the school year, Miss Margaret Stites of San Angelo has announced plans to set up classes for both adults and children here once a week, beginning in the near future.

Miss Stites will be here next Monday to meet with prospective adult students at 2:30 p. m. and with children at 3:40 p. m. She plans to be here one day a week, offering adults a 3-hour class and children a 2-hour class.

The art classes will include creative drawing, sketch classes, models and landscapes, painting of portraits, stills and landscapes, design and composition and sculpture, including modeling, carving and casting.

Miss Stites hold a Master of Fine Arts and has taught art for about eight years.

not known. A break down of the members of the prior four classes alone shows Texas Tech with 12 students heading the list but just barely ahead of Texas University which will have 11 with each school also having one graduate student enrolled in addition.

Next in line in numbers is Sul Ross with 6 students, A&M, and SAC with four students and East Texas, Southwest Texas and Baylor each enrolling three this fall. Schools with two each are, New Mexico State, ACC and Hardin Simmons, SMU and Kansas University each will have one graduate student.

There are now a few college students from Ozona who did not graduate from Ozona High School and these are not included in the list. Thus about 90 young people from Ozona will be in college this fall. Only a few years ago 10 or 11 was considered to be a good group.

Lions Have Go At Bronte Longhorns There Fri. Night

Team Should Profit From Experience In McCamey Game

By Ernie Boyd

The Ozona Lions will invade Bronte Friday night to meet the dangerous Bronte Longhorns with the kickoff slated for 8 p. m.

For Coach Pete Hickman's young charges it will be a test to determine how well they have adsorbed some of the defensive lessons gone through this week, and also an opportunity to gain their first win of the year after barely failing to pick up a win last week.

Films of the McCamey game revealed that the spirit, though willing, was not always in the right spot to make itself of proper use to the Lions, a fact that should cause little amazement when one considers that the Lions had a high of four sophs and two juniors in the game at one time, who had little or no game experience.

The Longhorns will further complicate the Lions defensive inexperience by using a single wing attack which the Lions have not faced since Sanderson last year, and which many of the new players will be seeing for the first time.

Ozona fans had more new faces to look at last week at Lion stadium than at any time in six or seven years, but the results were rather pleasing as the Lions earned a tie with the Badgers and could have, with a few breaks, won the (Continued on Last Page)

Game End Drive Gives McCamey Tie With Ozona Lions

Locals Held 8 Point Lead Until 86-Yard Pay-Off Drive

By Ernie Boyd

The McCamey Badgers drove 86 yards and scored with just 35 seconds to go last Friday night, to gain a 14 to 14 tie with the Ozona Lions as both clubs opened their 1962 season.

The Lions had maintained a 14 to 6 lead since early in the second quarter and when Robert Cox's 35 yard kick rolled out of bounds on the Badger 14 yard line with just five minutes left on the clock, it looked as though the Lions were in good position to open their season with a win. But the Badgers were equal to the occasion and scored on a pass from Billy Clary to Salvador Duran that covered 8 yards with just seconds to go and then Clary skirted right end to tie the score.

The Lions took the opening kickoff and drove 63 yards for the first score as Richard Vargas found a gaping hole in the McCamey line on a counter play and raced into the end zone from the 7 yard line. A plunge by Aaron Shackelford for the extra points was short and the Lions had a 6 to 0 lead.

McCamey bounced right back to tie the game up as Johnny DeMaria a 190 pound halfback, raced over from the 20 to cap a 60 yard drive that gained a life when the Lions had the drive stopped, and too eagerly piled on, and pulled a 15 yard penalty to give the Badgers a first down, and the following touchdown.

With the score tied, the Lions went back to work in a hurry and early in the second quarter with the ball on the McCamey 20 yard line, Pete Montgomery, the game's leading ground gainer, broke into a slight opening, cut back and raced 20 yards for the score. This time Shackelford made the two points and the Lions had a 14 to 6 lead.

The Lions had help from the clock in staving off another Badger scoring effort in the second quarter (Continued on Last Page)

Crockett 4-H Record Books Win District; One To State Contest

Seven Crockett county 4-H club members have been named blue ribbon winners on their 4-H record books in district judging just completed. County Agent Pete Jacoby, 4-H sponsor, announced yesterday. Six of the winners were judged in the junior division. Receiving awards were Rex Bland, Jack Applewhite, Lellee Mitchell, Duwain Vinson, Eugene Vinson and Fred Deaton.

In the senior division, David Jacoby was named district winner in range management and his record will be judged at A&M College this month when state winners will be selected. Junior records are judged on district level only.

The Texas Sheep & Goat Raiser's Association sponsors the range management program for 4-H members, awarding a silver belt buckle to district winners and a scholarship to the state range management camp for state winners.

Doctor To Describe Duty On Hospital Ship 'Hope' In Speech Here

Ozona will have a chance to hear and see, first hand, the activities carried on last summer aboard the medical ship "Hope".

Dr. Henry N. Ricci, of San Angelo, will present his pictures and tell about his experiences at a program, open to the public, September 24 at 8 p. m. at the Ozona Community Center. Subject material will be treated from a mature and adult angle.

Dr. Ricci was on the medical staff for three months this summer, May, June, and July. Their activities were around Peru, and South America. He was specialist with the eye department, medical and surgical.

Special Dinner To Mark Air Force Birthday At Ozona Base Sept. 28th

On September 18, 1962, the United States Air Force will mark its fifteenth anniversary as an independent service. The US Army Air Corps left the Army on September 18, 1947, joining the Navy and Army as a separate organization.

Locally at the Ozona Air Force Station, the birthday will be marked with a special birthday dinner, for military personnel and their families, Major W. I. Bowman announced.

In announcing the birthday, Air Force Chief of Staff, General Curtis E. LeMay, explained that the Air Force of today bears little resemblance of the aeronautical division established in 1907 to take charge of all matters pertaining to military ballooning, air machines and kindred subjects.

The General stated that the loyalty, initiative and efficiency of those who work in and for the Air Force remains unchanged, an expressed confidence that these people will meet the test of the future with even greater effort.

Crockett Co. Wildcat In Clara Couch Field Flows Gas On Tests

Humble Oil & Refining Co. No. 2 Bertha M. Hobbs, in 5-GG-H&OB, 3/4-mile northwest and 3/4-mile southeast of Cisco gas production in the Clara Couch multiphase field of Crockett County, 13 miles southeast of Iraan, flowed gas at the daily rate of 2.5 million cubic feet and recovered 30 feet of condensate and 270 feet of gas-cut mud on a drillstem test either in the Wolfeamp or Pennsylvania.

BURIAL PARTY GATHERS IN CUBA

With Congress, and particularly the Senate beginning to get tough about the Administration's continued softness on Cuba, Secretary of State Dean Rusk is reported to have told a group of Latin American ambassadors that any government has a responsibility to protect itself and its national security.
This is interpreted to mean that we might possibly take action all by ourselves to protect the US against the enemy massing in Cuba. Whether a decision must wait until we are clobbered by the Russians is anybody's guess. But the President's insistence in one breath that the Monroe Doctrine lives, and in the next that we mustn't invade Cuba, and that we do not know about Russian missiles or troops in Cuba, has at last stirred our solons into the realization that the US is the prize the Russians want, not Latin America — which will fall away when we do.

DROPPING THE OTHER SHOE?

Four years after his first ultimatum to the Western Powers to get out of West Berlin within six months, Khrushchev, in a specially belligerent note has charged the West with fomenting incidents at The Wall and threatened again to sign a treaty with East Germany to "end the occupation regime in West Berlin."
Incidents have increased at The Wall, notably murders of those seeking freedom over or under it. And the Allies do bear the responsibility — of letting it stand.

There is irony in the fact that Soblen, the bail-jumping lifer convicted of war-time spying for Russia was admitted to bail to save his precious health and has since tried twice to destroy it via suicide: the last time with delayed action success.
But there's mystery, too. How, for instance, can a convict in actual custody stab himself on one occasion and obtain and take barbiturates on another? Or have handcuffs gone out of style?

OLD FRIENDS SEND GREETINGS —
Many Ozona friends of Mr. and Mrs. H. L. Voelker, former Ozonans who now live in Dallas, will be pleased to have a "hello" from the Voelkers which we pass along from a note returned with a Stockman renewal.

PUMPVILLE NEWS

By Mrs. Andy White

The Hobby Club met in regular session Sept. 5 in the home of Mrs. J. M. Corley of Langtry. Mrs. Hazel Gurley was assisting hostess.

Mrs. Susie Montgomery opened the meeting with prayer. Mrs. Emmett Cain of Pandale installed the new officers for the coming year. The new officers are Mrs. T. H. Eastman, president; Mrs. Susie Montgomery, vice president; Mrs. Newman Billings, secretary; Mrs. Hazel Gurley, treasurer; Mrs. Earl Davenport, parliamentarian, and Mrs. Andy White, reporter.

Mrs. Emmett Cain presented each new officer with a lovely corsage. Mrs. Eastman in turn presented Mrs. Cain with a hand-painted picture done by Mrs. Etta Mae Baker of Bay City, Texas.

Mrs. C. F. Cox of Sanderson invited members and their husbands to a barbecue supper at her ranch on September 11. Mrs. Earl Davenport closed the meeting with prayer. Mrs. E. P. Bradford won the door prize.

Members present were Meses Hazel Gurley, Earl Davenport, T. H. Eastman, Charles Schnaubert, Newman Billings, E. P. Bradford, Dewey Word, Andy White, J. M. Corley, Susie Montgomery, and new members made welcome were Mrs. J. H. Hall, Mrs. Emmett Cain, Mrs. Robert Pavilus, and Mrs. Cam Longley. Refreshments of cake, tea and coffee were served during a social hour. Mrs. Dewey Word played piano selections and Mrs. Earl Davenport sang.

Had some rain in this part of Texas. A. C. Askens had 4 inches or more. Dub Hodge had a good rain and Mrs. Cam Longley and Andy White on the Pecos ranch. The Lozier area is still pretty dry. Prospects look good, tho.

Vernon Harlan, Former Ozona Teacher, Begins Work On Ph. D Degree

Vernon M. Harlan, former Ozona High School English teacher, who went to the faculty of Sul Ross State College at Alpine from the Ozona School System, writes from Waco that he is delving into his graduate work at Baylor University where he received a fellowship to work on his Ph. D degree. He is on leave from Sul Ross.

"We are off to a good start here at Baylor," Mr. Harlan writes. "My classes will begin on the 13th and I expect to be pretty busy studying after that. However, I would like to hear from any of the Ozona people who might be in Waco for the Baylor games or other purposes. We aren't listed in the telephone directory, but the operator can give you our number."

"Mrs. Harlan is teaching fourth grade in the Connally AFB schools and she seems to be quite pleased with her work. She has been on the job a week now and I have become an expert diaper changer, formula preparer, dishwasher, child chaser and Golden Book reader. I have also become a nervous wreck. Thank goodness I am to be relieved of duty assignment when our housekeeper takes over next week.

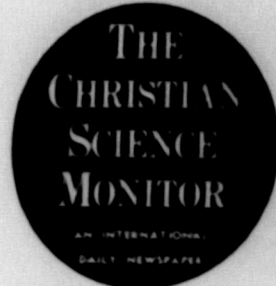

"Please pass along our best wishes to all hands in Ozona and tell them we'll doubtless be around town when the stags are legal again in November."

The Harlans' address is Box 295 Elm Mott, Texas.

Accurate and Complete RANCH RECORD Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today than ever that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Water Erosion One Of Main Problems On Over Half Of U.S. Farm Land

Erosion is the dominant problem on 739 million acres of America's farm land. This is more than half of the agricultural land in the United States. Erosion is a problem requiring constant attention on 234 million acres of cropland.

These facts, along with many more, are found in a new publication just issued by the U. S. Soil Conservation Service. It is called "Soil Erosion, The Work of Uncontrolled Water." A copy can be obtained from the local SCS office in the Ozona Hotel, according to James Glynn.

Mr. Glynn, who is assigned by the SCS to assist the Crockett Soil Conservation District, said that the new bulletin contains 16 pages and 25 pictures describing and illustrating the causes and types of erosion caused by water. It is the latest publication by the SCS that deals with this basic problem of

American farmers and ranchers. A few months ago Farmers Bulletin 2171, "How to Control a Gully" was issued. This is also available from your local SCS office.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

THE LIONS ROAR STAFF

We wish to thank Mr. Evert White who has, for many years, provided space for the Ozona High School paper.

The Lions' Roar Staff for 1962-63 includes seven seniors: Robert Cox, Cheryl Clayton, Penn Baggett, Ronnie Mathews, and Tommie Neel. Three Juniors: Irene Lackey, Carletta Hedrick, Andie Elliott, and one sophomore Joel Huff.

1962 ANNUALS TO ARRIVE IN NOVEMBER

Students were happy to learn this week that the 1962 annual should be ready for distribution November.

Bankruptcy proceedings in an Austin court against the Color Press Company prevented the annuals from being delivered during the first week of school.

After repeated efforts, Mr. L. B. T. Sikes, superintendent, and Miss Mildred North, Ayer sponsor, have another company to complete the work. Newsphoto of San Angelo, has promised a November delivery with no increase in the original price of 4.00 each. Extra copies will be available at this price, but no orders will be taken until the shipment arrives.

OZONA HIGH SCHOOL SONG

For the benefit of the new students in Ozona High School, we present the words to the Ozona Lions School Song.

"High o'er the field of battle,
Waves the purple and gold,
Lions team advancing,
Bravely to their goal,
Fight, Lions, Fight!!
On with faith undaunting
Victory will come true,
Ozona High School,
We're all for you!"

PARKING PROBLEMS AT OZONA HIGH SCHOOL

Parking has become a problem at Ozona High School and it is hoped that it can be corrected as soon as possible. In the vicinity of the school building, many of the curbs are painted either red or yellow. Parking in the red areas will not be permitted to students, and the teachers are only permitted to park in the red area south of the building. All curbs at sidewalks and crosswalks have been painted red to leave places where people can cross the streets from building to building without having to walk from between parked cars. Another area where no one is permitted to park is in the front of Mr. Sikes' house, which is located between the gym and the H. E. building. The curb in the front of Mr. Sikes' house has not been painted and is plain, but parking will not be permitted there. There are red areas in front of the Shop and Band building, the H. E. building, and the gym, also at the back of the Junior High building, and at the garbage cans.

All areas which are painted yellow are open to all students and teachers for parking. Students should be very careful about parking in the front of peoples' driveways when parking on neighboring streets.

Students have been backing their cars along the sidewalk at the south end of the building and the backs of their cars are blocking the sidewalks. Each car should be back-up until the back of the car is even with the curb and no farther.

Those found violating any of their parking privileges will be warned once and then, possibly, some action will be taken.

NEW OHS STUDENTS

There seem to be many new faces in the halls of OHS. Due to thirteen new transfers, each class is a bit larger than expected. Seen among the oldies are new Seniors Ernie Hanson and Floydine Moss both from Big Spring and Mrs. Kathleen Padgett, from Boise, Idaho.

New Juniors include Cynthia

Henley from Wunzburg, Germany, and James Williamson from Lovington, N. M.

Sophomores around for the first time in OHS are Norma Jean Compton from Hobbs, N. M. and Mike Walters from Big Spring.

Last and largest are the Freshmen whose new members are Steve Coleman from San Angelo, Sheila Large from Leaky; Steve Livresay from Odessa; Peggy Mumme from Del Rio; April Neilson from Jal, N. M.; and Garry Samford from Jal.

44 BOYS REPORT FOR FOOTBALL

Forty-three boys reported to coaches Fred Hickman, Sonny Cleere and Brooks Dozier for practice on September. Another, Byron Montgomery, reported Monday.

Included in the 20 boys on the A-team are seniors Penn Baggett, Robert Montgomery, Brent Moore, Robert Cox, Ronnie Houston, Billy Sanchez, and Sostenes De Hoyos. The juniors are represented by Leroy Cooper, Scott Mahon, Bill Bowman, Morgan Tolle, Gustavo Campos, and Douglas Moore. The sophomores class, represented by seven boys, had Richard Vargas, Aaron Shackelford, Joel Huff, Pete Garza, —in Semmler, Dub Scrivner, and Bernabe Villareal reporting.

Coach Brooks Dozier reported that on the B-team the freshman class had the largest turnout with 14 boys. They are Tom Chipman, Larry Williams, Jesus Tijerina, Ronnie Mason, Billy Carson, Steve Livesay, Charles Farris, Drake McKinney, Winn Saunders, Wes Eversole, David Stokes, David Lewis, Pon Seahora, and George Parker. The sophomore class had Alejos Tambunga, Billy Groesbeck, Sammy Cervantez, Thomas Garza, Fermín Garza, Ramon Sanchez, Gary Boyd, and Mike Walters. Eighth graders Doug Fannchill will also play on the B-team.

Joe Boy Chapman, Jesus Arredondo, and Robert Sanchez are managers for the A-team while Donald Summerville and Jimmy Moore are managers for the B-team.

CLASS OFFICERS ELECTED AT O. H. S.

Class officers were elected at special class meetings on Tuesday, September 4, following the last period.

For the Senior class Brent Moore was elected president; Pete Montgomery, vice president; Arlene Gotcher, secretary; and Kathy Doran treasurer. The Seniors' sponsors are Miss Powers, Mr. Hoover, and Mr. Fife. Mrs. Cox and Mrs. Chandler are the chairmen for the room mothers, which are all of the mothers.

The Junior elected Scott Mahon, president; Bill Bowman, vice-president; and Diana Coates, secretary and treasurer. Sponsors are Miss White and Mr. Green; Mrs. Noelke and Mrs. Harris are the chairmen of the room mothers.

Mike McCrary was chosen president by the sophomores; Moe Barbee, vice president; and George Kyle secretary and treasurer. Room mothers are Mrs. C. O. Walker and Mrs. James Childress. Sponsors are Mr. Leath and Mr. Brentz.

In the Freshmen class Sandy

Stokes is president; Gary Samford, vice president; and Gloria Loudamy, secretary and treasurer. The freshmen room mothers are Mrs. Mason, Mrs. Walker, Mrs. Childress, Mrs. Montgomery, and Mrs. Alford, chairman. Sponsors are Mr. Dozier and Mr. Barber.

Ozona Garden Club Launches Club Year In Meeting Monday

The Ozona Garden Club opened its new club year Monday in a meeting at the home of Mrs. Ira Carson. Punch and cookies were served in the Carson patio.

Mrs. L. B. Cox, Jr., club presid- ent welcomed club members and revealed some o fthe planned activ- ities for the year.

Mrs. Lloyd Sherrill, first vice- president, presented the year books and outlined the programs for the year. The year's theme is "Practi- cal Gardening in Our Community."

The Study fo rthe day was Com- prehensive Study No. 1 — Prepar- ing Beds of Perennials. Mrs. O. D. West led the discussion.

Mrs. Ralph Jones explained the club project for the year — con- temporary gift wrapping and rib- bons. The gift wrapping paper rolls are 10 feet long and 26 inches wide. They come in lovely colors for all kinds of gift wrapping. The rolls are \$1.00 each. Anyone interested in buying these materials can get

in touch with Mrs. Jones.

Mrs. Floyd Henderson gave some garden reminders. September is an important month for gardeners, she said. Fall bloomers need grooming and feeding. Spring bulbs need to be planted and after the nice show- ers the gardener's spirit should be lifted.

Mrs. Bailey Post presented a line arrangement of deep rose and pink roses with red barberry to carry out the line. She suggested cutting arrangement flowers the afternoon before and putting them in deep water until ready to arrange them.

Attending the opening meeting were Mmes. Monroe Baggett, J. B. Miller, Glenn Sutton, W. T. Bradbury, Bailey Post, L. B. Cox, Jr., Clay Adams, Jess Marley, Max Schneemann, N. W. Graham, Sher- man Taylor, Paul Perner, Ralph Jones, Lloyd Sherril, Cecil Hub- bard, Perry Hubbard, Jess Hall, A. S. Lock, O. D. West, Ivy May- field, Mahlon Robertson, Tom Clegg, Floyd Henderson, W. O. Mills and the hostess and one guest, Mrs. Alice Baker. Mrs. Leonard McCrary was elected to member- ship in the club.

Miss Mohair Presents Her Fall Wardrobe At Woman's League Tea

The Ozona Woman's League op- ened its new club year with a seat- ed tea Tuesday at the Methodist Church felowship hall with guests from the Ozona Woman's Club, the Ozona Woman's Forum and the Women's Auxiliary to the Texas Sheep & Goat Raisers Assn. as guests.

The League presented Miss Mo- hair, Miss Nancy Friend and her fall wardrobe of mohair fashion- ed by Charles Dickey of Dallas. Mrs. Jim Dudley, League president, welcomed guests and members. Mrs. Tom Ed Montgomery was the commentator while Nancy modeled suits, sweater and skirt sets, coats, a stole and her lovely white cora- tion gown of sheer mohair. Mrs. Buddy Russell played backgrounds music while Miss Friend modeled.

Mrs. James Baggett, president of the Women's Auxiliary of the TS- &GRA spoke on the topic, "Mo- hair's Contribution to the Cloth- ing Industry." Wool Knit Asso-

ciates, she said, is the largest pro- moter of mohair in the United States.

Guests were entertained by Vicki Lynn Montgomery, daughter of Mr. and Mrs. Beecher Montgomery. She played two piano selections, "Ex- odus" and "Stranger on the Shore." Deborah Malloy sang "Buttons & Bows" and "Lovely Weather For Ducks". She is the daughter of Mr. and Mrs. Carroll Malloy and is a second grader.

During the tea hour, Miss Cheryl Clayton and Miss Arlene Gotcher provided piano music. Hostesses were Mrs. Carl North, Mrs. Charles Garlitz and Mrs. Glenn Cox.

Ed Foreman Replies To Alpine Editor's Attack On Free Business Stand

An attack on an alleged "inconsistency" in the government-vs-private enterprise ownership attitude of Ed Foreman of Odessa, conservative candidate for U. S. Congress, 16th District, by Editor Jim Glascock of the Alpine Avante in an "Open Letter To Ed Foreman" this week drew a reply in kind in a letter Mr. Foreman wrote Editor Glascock and circulated among news media this week.

"How can you be opposed to government competition with free enterprise and still favor a government-owned free bridge spanning the Rio Grande at Presidio-Ojinaga?" the Avalanche editor asked, and proceeded to quote a news story in the Marfa Big Bend Sentinel which inferred the candidate favored a government-owned toll bridge.

Since the Avalanche editorial was quoted on at least one television station in the area, Mr. Foreman circulated among news media his reply in which he berated the "misinterpretations" of his speeches and called on the editor to be "alert" also to "double-talking politicians."

"In having listened to and dealt with our present 'forgetful' Congressman, Slick Rutherford, I am sure you are well on your toes to catch 'double-talking' politicians," Foreman wrote. "However, I am surprised that you hadn't mentioned anything in your editorials about Slick's involvement and contradictory statements concerning his part in the U. S. Department of Agriculture scandals, payoffs and skulduggery, or his conservative talk to his constituents and his liberal support of the Kennedy socialist program."

"But I suppose you are too busy to catch them all, aren't you?" Foreman's letter concluded. The controversy over the privately owned Rio Grande bridge at Presidio-Ojinaga stems from an evidently disparaged condition of the present bridge. Foreman explained that he did not tell the people of Presidio he was in favor of a government-owned free bridge but assured them "that as U. S. Congressman I will encourage immediate action by the present owners to restore the bridge to a safe sound structure or build a new one." Failing that, he said, he would favor federal approval of construction of a new bridge by a competing company or "as a last resort, if neither of the foregoing proposals were effected, then I would favor construction of an international bridge to be paid for and maintained by a regulated, normal toll charge."

Notes From The County Agent's Office

By Pete W. Jacoby

Texas Livestock market comments by Ed Uvacek, Livestock Marketing Specialist of the Texas Agricultural Extension Service, state that cattle numbers reached 99.5 million head in the United States on January 1, 1962, and forecasts that the number will reach 101-102 million head on January 1, 1963 — which will be a new record for this country.

In Texas, there were 9,660,000 head of cattle and calves on farms and ranches, the first of this year. The forecast for the January 1, 1963 count is close to 9,940,000 head, or about 3% larger.

Even though range feed and cattle and calf conditions are down from last year in each district in Texas, both factors are still considerably above the 10-year average figure, for an August 1.

The July "Cattle and Calves on Feed" report indicated a shift toward weight animals and a shorter feeding period in the state. About 68% of the cattle and calves on feed in the state of Texas were in feedlots with capacities of 1,000 head or more. Over half of the cattle and calves on feed in the state are located in the Panhandle area of Texas.

G. O. Hoffman and B. J. Ragsdale, Extension Range Specialists, recommend that in individual tree treatment, that treatment continue until the plants begin to go dormant, then wait until after trees are completely dormant before treatment is restarted. For mesquite, 2.4-3-T mixed in diesel oil or straight kerosene or diesel oil will do a good job. Straight kerosene or diesel oil should be used when the soil is dry to obtain penetration to the bud zone.

The two specialists recommend the following points for ranchmen to follow to ride out droughts:

- 1. Balance the stocking rate with range production. Grazing about half the pastures growth for maximum production of forage and for conservation of soil and moisture. 2. Keep the number of breeding animals well below the carrying capacity of the range so that high quality stock will not have to be sold off during drought years. Make up the difference with calves by buying and selling dry animals. 3. Cull severely when range is short. Put to use a selective program eliminating less productive animals. 4. Distribute livestock to obtain a more uniform use of forage. Salt and meal mixtures usually can be used to pull livestock on to ungrazed areas. 5. Practice deferred rotation grazing to insure reseeding of the better grasses and maintain a feed reserve. 6. Where vegetation is suitable use mixed classes of livestock. A mixture allows more market outlets and more ease of adjusting to rainfall. Mixed classes allow more uniform use of forage and less damage to any particular plant species plus more gain on livestock than straight animal units of any one class. 7. Use supplement feed to smooth out weather variations. Purchase hay and protein supplements when prices are lowest. 8. Use temporary pastures to give range a rest if available. 9. Eliminate noxious plants every year.

GARDEN REMINDERS

The method of storing calcium bulbs is very simple. It proves quite worthwhile to store bulbs in a box or can of sand. All moisture must be prevented from coming in contact with the stored bulbs.

Feed chrysanthemums with liquid manure and continue such feeding until bulbs show color.

Roses should be carefully watched to see that black spot does not spoil the foliage or win tender growth and producing fall roses.

This is an excellent time to remove all dead and twiggly growth from trees and shrubs.

Deferred Grazing Is Recommended Practice For Building Up Range

Now is the best time for Ranchmen to grow feed for winter grazing according to James Glynn, local Soil Conservation Technician. It is not only the best time but in all probability the only time left to make much winter feed due to extended dry weather and extreme summer temperatures.

Many Cooperators in the Crockett Soil Conservation District are beginning their program of pasture deferment. All stock will be moved off part of their ranches in order to completely rest one or more pastures.

Deferred grazing is a management practice that may be used to bring about an improvement in the vigor of present grasses and establish new plants. The best ranges are penalized by continuous grazing year in and out. Stock prefer certain kinds of grasses, such as sidecoats grama, bluestems and buffalo grass, and will graze them a majority of the time as long as they are present.

Deferred grazing also permits grass to make enough growth to protect the soil with litter mulch. This is not a waste of grass by any means. Litter decreased the puddling of soil by rain drop splash and allow the rain to penetrate into the soil instead of running off. For each inch of rain stored in the soil about 250 pounds of grass will be produced per acre. Litter and mulch also reduces evaporation of moisture from the soil. Under a healthy clump of grass the soil temperature is much cooler than bare unprotected soil during the hot summer months.

The end results of deferred grazing to obtain litter, moisture penetration and less evaporation can be seen visually. The grass remains green longer during dry spells of the growing season in a well managed pasture.

for her requiem; nor shall our ten thousand rivers weep to the ocean in eternal tears. No, sir, no. Unnumbered voices shall come up from the river, plain and mountain, echoing the songs of our triumphant deliverance, wild light from a thousand hill-tops will betoken the rising of the sun of freedom."

They tell me that Niagara Falls is slowly crumbling and receding. Too many of our ten thousand rivers weep to the sea, choked and burdened with millions of tons of topsoil. And our American Eagle rests not her tail on the cooling icebergs of the North . . . although that might feel good after the singing it got in Cuba.

As a people, we have suffered an erosion of the spirit since those days when we were younger and tougher, and much more sure of ourselves. It could be that our national bird is pining away from loss of prestige, and no longer wants to perch upon our standard. The Monroe Doctrine is very clearly being violated, ignored, and made a laughing stock in Cuba, but we hear no eagle's scream.

The quicker the eagle turns beak and talons on the Cuban nest of butcher birds, jacksaws and Communist vultures, the easier the job will be. For it is unmistakably a task that will have to be performed in the long run.

Ozona-McCamey — (Continued from Page One)

as Pete Montgomery snared both Clary and Gonzales after they gained open field on the Lion 10 yard line, the clock ran out, however, before another play could be run, and the Lions went to the intermission in the lead.

McCamey had all the best of the second half as they rolled up eight first downs to the Lions three, and picked up a great deal of their yardage for the night. But the Lions stopped the visitors on the Ozona 20 midway of the third period, the only time either team got into a very good position.

The Lions gained possession midway of the fourth period and chalked up three first downs before Robert Cox got off a nice kick that rolled out on the 14 yard line and from there the Badgers got under way on the drive that tied up the ball game.

The Lions had several chances to break up the drive, one coming on the first series of downs. With third down and six to go, two Lions broke through and had Clary for an apparent loss but let him get away and he picked up a first down. A successful tackle would have forced the Badgers to kick.

Two good plays kept the drive going for the visitors and one, a 28 yard reverse to Alberto Gonzales which would have gone all the way except for a game saving tackle by Dubbie Sevriner, was the back breaker for the Lions.

The scoring pass found the Lions putting on a determined rush and one lineman partially blocking the throw, but the ball came down right in the receiver's hands and that was it.

Defensively the Lions had problems, but none of them seemed to be from the lack of hustle, rather from lack of experience, which was to be expected.

Robert Cox, Brent Moore, Penn Baggett, and Pete Montgomery had the best of it defensively and all four are experienced seniors. Among the soph starters Dubbie Sevriner and Aaron Shackelford were present when needed on many occasions, but films will doubtless show that they, plus some others, were out of pocket on many other occasions.

Offensively the Lions did well, and the particular surprise was the effective air game they displayed. The need to throw was not very strong in the first half and the

locals did not have the ball many times in the second half. Cooper threw five times, completing four, with the fifth one dropped, and on two occasions chose to run rather than throw, and picked up 8 yards for his two efforts.

Pete Montgomery led the Lions attack, garnering 102 yards rushing and taking one pass for 9 more. Billy Clary led the visitors with 76 yards, Johnny DeMaria had 65, and Alberto Gonzales 58, 28 of which came on the big reverse in the last quarter.

Other Lion ball carriers were Richard Vargas with 22 yards net and Shackelford with a net of 2. Both of these boys were trapped behind the line on a number of occasions to cut down on their forward totals.

The Badgers had the best of the statistics, picking up 14 first downs to the Lions 11 and 205 rushing to 138 for the Lions. In passing yardage the Badgers completed 5 of 10 for 58 yards and the Lions hit on 4 of 5 for 28 yards.

Only two fumbles occurred in the contest, both of which were committed by McCamey. The first was recovered by McCamey for a five or six yard gain, and the second was picked off by Pete Montgomery to stall a McCamey drive in the third period.

Lions To Bronte —

(Continued from Page One)

game with their 2A foe.

Dubbie Sevriner gave promise of better things to come and the play of Aaron Shackelford, Pete Garza, Jimmy Semmler, Scott Mahon, and Bill Bowman, all of whom have not been on the varsity on a very extensive basis before Friday night, was encouraging.

Coach Fred Hickman, while disappointed over the failure of his club to sack up a win in the opener, was proud of the way his youngsters hustled even though they busted many a defensive assignment, which give coaches grey hairs and ulcers.

Offensively, the Lions were even more of a surprise than on defense since with Brent Moore, Robert Cox and Penn Baggett up front the Lions expected to be pretty tough up the middle on defense. But the way the Lions ran and passed Friday night gave Ozona fans two touchdowns and something to talk about.

The Lions' first touchdown drive was one that overcame adversity all the way, as the club busted

play after play but always came back to get the first down and finally scored on a beautiful counter.

The Lions' blocking and tackling in the second half was not sharp, and that too drew the attention of coaches in a review of the game film early in the week. The Lions were unable to get outside due principally to poor blocking, but on the inside the line moved the opposition around considerably in the first half.

Coach Hickman will once again start a defensive team composed of Jimmy Semmler and Scott Mahon at ends, Brent Moore and Penn Baggett at tackles, Robert Cox and Pete Garza at guards, Richard Vargas and Pete Montgomery at line-backer ports with Bill Bowman and Joel Huff at half back and Dubbie Sevriner and Aaron Shackelford rounding out the formation that sees Pete Montgomery back and Sevriner up much of the time.

On offensive, the Lions will start a backfield composed of Leroy Cooper at quarterback, Richard Vargas and Pete Montgomery at halfbacks and Aaron Shackelford at fullback.

In the line the Lions will have Semmler and Mahon at ends Moore and Baggett at tackles, Cox and Huff at guards and Garza at center.

A number of reserves who saw little or no duty last week are going to be pressing this week to get into the lineup, and a number of additional new faces may be seen this week.
