## Girls Basketball Team Wins Two In Row In Past Week

### Inexperienced Squad In Sharp Rise As They Gain Game Savvy

By Ernie Boyd

The Ozona High School girls basketball team marked up their second win in a row and evened their season record at 2 and 2 Tuesday night as they gained revenge for an earlier defeat by downing Del Rio 25 to 15.

Coach Ron Murdock's small and rather inexperienced team showed remarkable improvement over the first two games both defensively and offensively.

The girls garnered their first win of the season in McCamey last Saturday night when they defeated the McCamey girls 35 to 23.

Janie Gilliam led the attack with 18 points while Shirley Wagner picked up 11 and Lana Kay Alford scored 6. The forwards got good defensive play from their guards who included Pauline Maness, Diana Coates, Robin Jones and Mary Jane Dunlap.

In a B contest before the feature game, the McCamey reserves downed the Ozona girls 26 to 7 with Fannie Everett and Lynn Cox accounting for the Ozona team's points.

Returning to Ozona Tuesday night the Ozona girls poured in 10 straight points in the third period and went on to outplay and outscore the visitors the rest of the way to win a 25 to 15 decision over Del Rio.

The win was particularly satisfying to the Ozona team since they had lost a decision to the Del Rio team in Del Rio last week.

Shirley Wagner put the Ozona team ahead with a field goal to start the first quarter and then after Del Rio went ahead 3 to 2 Shirley connected again to put the Ozona team back in the lead.

Del Rio pulled away after the first two Ozona field goals and led 11 to 9 at the half but the Ozona team scored 10 straight points most of which were made by Janie Gilliam to take the lead again and win going away.

Diana Coates fouled out in the first quarter but Charlotte Johnson did a fine job in replacing her Robin Jones and Pauline Maness were the other guards while Lana Kay Alford went the distance at a forward post and played well even though not scoring.

Janie Gilliam had 13 points and Shirley Wagner finished with 12 in the girls winning effort.

The B team was swamped by the Del Rio reserves 37 to 3.

## Ozona FFA Chapter Wins Honors at Concho District Convention

Ozona FFA chapter won first place in both Senior and Junior chapter conducting and in Senior and Junior skills at the annual Concho District FFA Banquet in San Angelo Monday night.

Kathy Doran, FFA chapter sweetheart here, was second runner-up for Concho District Sweetheart. Deanne Hext of Eldorado won the district honor.

Phil Simmons, Jr., State FFA vice president, conducted the sweetheart contest. Area II President Nelson Hogg spoke to the 130 persons present.

Mr. and Mrs. George Grant and family of Ft. Worth were visitors with Mr. and Mrs. J. A. Pelto this weekend. Mrs. Grant is Mrs. Pelto's sister and formerly taught here.

## NURSE TRAINING CLASS

Anyone interested in entering the next Crockett County Hospital School of Vocational Nursing should see Mrs. Chas. L. Williams next Monday, December 10th, between 3:00 p. m. and 5:00 p. m. at the hospital.

## Santa Coming For Annual Pre-Christmas Visit Friday, Dec. 14

Santa Claus is coming to Ozona Friday afternoon, December 14, at around 3:15 p. m.

This will be St. Nick's annual pre-Christmas visit with the small fry of Ozona, just to pass out a few gifts of candy and to chat with some of the youngsters to get an idea of what they might want him to bring them when he soars through the sky Christmas eve night.

Santa will arrive by airplane and will be picked up at the edge of town by the big red fire engine and will make a grand tour of the downtown square, stopping there to pass out candy, with the help of members of the Ozona Volunteer Fire Department.

Santa's candy factories are in full production getting ready for the Christmas rush and to help out the Ozona Lions Club provided a big, big sack of candy for Santa to pass out when he gets here Friday of next week. And to do their part, members of the Fire Department scked the candy for Santa's convenience.

## Discovery Finaled In West Crockett Location For Deep Wildcat Made

Crockett County gained a discovery and location for a deep wildcat. Also a deep wildcat failure was plugging back for completion attempt in a shallow zone.

E. M. Hanson, Midland, has completed a lower Soma sand oil discovery his No. 1 Moore-Noelke, seven miles southeast of Iraan, 3/4-mile south-southeast of the Noelke field and 1 1/2 miles west-southwest of the Noelke, Southeast multipay field.

It was finaled for a daily pumping potential of 23.3 barrels of 25 gravity oil, plus 30 per cent water, through perforations between 1,634-48 feet, which had been washed with 250 gallons of mud acid and fractured with 10,000 gallons and 20,000 pounds of sand.

Top of pay was picked at 1,634 feet on elevation of 2,528 feet. Total depth is 2,580 feet, with 8 1/2-inch casing set at 47 feet and 4 1/2-

(Continued on Last Page)

## Early Day Pastor Of Methodist Church Here Dies At 94 In Georgia

Rev. Nath Thompson, one of the early day preachers to serve the Ozona Methodist Church, died recently in Anderson, S. C. at the age of 94 years.

Rev. Thompson was the oldest member of the North Georgia Conference of Methodist Churches and the oldest alumnus of Emory University at Anderson.

The Rev. Mr. Thompson joined the Conference in 1895, according to a news item appearing in the Atlanta (Ga.) Constitution, and served circuits throughout Georgia.

Records of the local church indicate that Rev. Thompson served as pastor here from 1902 until 1905.

Funeral services were held at Old Oxford Cemetery, Oxford, Ga.

## Area Baylor Exes Form Organization; Ozonan Is Director

One Ozonan was named as a officer in the newly created Area Baylor University ex-students association club which was formally organized in the eighth floor of the St. Angelus Hotel in San Angelo Monday night.

Abner McCall, president of Baylor University, spoke to the group outlining Baylor's plans for the years to come and the progress it has made in recent years. George Stokes, Executive Secretary of the Baylor Ex-Students Association, introduced the speaker.

The Club membership will be made up of ex-Baylor students and friends in this area with some 43 members attending the organizational meeting Monday night. Ernie Boyd of Ozona was named as one of the new club's directors.

## Rains And Mild Weather Brighten Winter Prospects

### Half Inch Slow Fall The Week-End Covers Wide Area

Slow falling rains coupled with continued mild weather has done much this fall to counteract the bad effects of an unusually severe winter last year followed by an extremely hot and dry summer.

With the advent of milder temperatures this fall, the slow rains began falling in spotted fashion but finally got around to moistening most of the erstwhile dry country.

Rainfall the past week-end covered most of Crockett county with a soaking half inch or better. The rain continued through most of Saturday night in Ozona to bring approximately a half inch here. Similar fall was reported from most sections of the county and a large segment of West Texas ranch country.

A cold front which crept down over the area at midweek brought the first real winter chill, except for a couple of mornings of light frost which earlier tinted the leaves and burned the edges of tender plants.

It was this front which brought the first hard freeze to this area this morning. The temperature sagged to a frosty 25 here this morning.

With the moisture and mild temperatures, pastures in this area have improved considerably and thus have brightened prospects of ranchmen in some areas for a feed-free winter. Some of the drier areas have been helped with new green growth but will only get some help with their feeding program through the winter. Rescue grass and winter rowing weeds are greening up the country and giving livestock a new outlook for the winter.

## 15-Foot Blue Star On TV Tower Adds To Ozona Yule Deceration

A big blue star appeared in the northeast last night.

It was mounted on the tower of the Ozona Television System 180 feet in the air.

The star, made of pipe, is 15 feet across but from downtown Ozona looks no more than a couple of feet across. It has nearly 100 bulbs and will light up each evening with the tower clearance lights and will shine down on Ozona until Christmas.

With more favorable weather, the big star will be moved higher up on the tower, Oscar Kost, System manager, said after viewing the star its first night ablaze.

Downtown Christmas lighting decorations were expected to be ready to light up tonight. Crews of the West Texas Utilities Co. and the Crockett County Water Control District have been busy the last few days installing the big lighted greeting cards in the downtown park, reading "Merry Christmas" on the south side and "Happy New Year" on the north side.

Crews of the West Texas Utilities Co. have just completed re-lamping the string of colored Christmas lights which encircle the downtown square. Handsome holiday decorations were scheduled to go up in the Miller shopping center this week too.

## Sunday School Class Has Christmas Party

The Fidelis Sunday School class of the First Baptist Church held a combination business and social meeting in the home of Mrs. Lowell Littleton Tuesday with 17 members of the class present.

The social portion of the meeting took the form of a Christmas party with Santa distributing holiday aprons to the class members. Mrs. T. J. Bailey gave a Christmas story to the group following the presentation of the gifts.

## PLAN CHRISTMAS PARTY FOR KIDS AT AIR BASE

Plans are underway for a Christmas party at the Ozona Air Force Station for all of the children of the airmen of the squadron. In order to defray costs for the party, the airmen elected to hold a drawing within the squadron. Three attractive prizes are to be given away.

Shown above is Squadron Commander, Major W. C. Bowman as he purchased the first ticket from acting first Sgt. T-Sgt. Anthony Zelinsky and placed it into the barrel. The winners will be chosen Dec. 20. Santa Claus may be on hand and a good time is predicted for all.

## Crippled Cagers Drop First 2 For Slow Season Start

### Sonora & Del Rio Win Openers; Play Fri. In Rankin Tourney

By Ernie Boyd

The crippled Ozona Lions basketball team dropped their first two games of the 1962-63 season this week, falling to Sonora 51 to 41 and then to Del Rio 56 to 38.

The Lions, playing without the services of Rodney Stewart who twisted an ankle the day before the season opener, got good scoring punch from veteran Pete Montgomery and Robert Cox with the latter picking up 19 points Sonora and 17 against Del Rio. Montgomery was not far behind with 17 in the first contest and 11 in the second.

The Ozona team stayed pretty close to Sonora most of the way last Friday night and had they made a decent percent of their free throws would have been right on top of the Broncos. But the Lions managed to hit only 11 of 27 free efforts while the Broncos made the most of their chances hitting 11 out of 11 from the free throw line.

In Del Rio Tuesday, the Lions found themselves at a great height disadvantage, something that may happen often this season, and were unable to stay with the class 3A Wildcats.

Ozona coaches felt that Del Rio is much stronger than has been the case for several years but also felt that their own ball club has a long way to go to overcome the defensive and offensive mistakes that were made in both of the opening games.

The Lions will next see action in the Rankin Tourney playing Friday night. Stewart is expected to be ready for some action this week and his return to the lineup should greatly improve the team's offensive punch.

The Lions lost one of their two games to Big Lake in the tourney finals last year to finish as runner up. Ozona defeated the Owls on three other occasions, ousting them from their own tournament and winning, district game and a play off game.

The Lions will start Robert Cox at the high post, Brent Moore at the low post, Pete Montgomery at one forward and either Rodney Stewart or Richard Vargas at one guard and Leroy Cooper at the other guard.

Mr. and Mrs. Bryan Horton of Houston have been visitors in the home of Mr. and Mrs. Lowell Littleton.

## Early Christmas Mailing Urged To Avoid Congestion

### Sacks For Lobby Mailing Of Cards To Be Provided Again

Postmaster Floyd Hokit this week issued the annual appeal to patrons to mail their Christmas cards and packages as early as possible to avoid the usual holiday crush of mail.

Gift packages destined for distant points should be mailed by the end of this week if at all possible to assure delivery. The limit on packages is 70 pounds in weight and not more than 100 inches in length and girth combined.

Christmas cards should also be mailed as early as possible to assure their delivery in time for Christmas. Cards for distant points should be mailed by the 10th if possible and the postmaster urged local mailing by the 15th.

Placing of first class postage on Christmas cards for out of town points will permit sealing of the envelope and will require no additional postage to forward or return to the sender.

Packages may be endorsed "Do Not Open Until Christmas" and messages may be inclosed in package upon payment of proper postage.

As in past years, patrons will be asked to separate their Christmas cards for in town, in the state and out of state delivery. Sacks will again be placed in the postoffice lobby, properly marked for these three classes of delivery. Patrons are asked to tie their cards securely in bundles and drop them in the proper sacks. Postmaster Hokit also asked that cards be mailed during open hours of the postoffice wherever possible to avoid congestion in the outside boxes at night.

Plans have been made to offer additional window service during the last two week-ends before Christmas. Saturday, Dec. 15, clerk will be on duty to sell stamps and handle parcel post all day if needed. Sunday, Dec. 16, a clerk will be on duty part of the day for stamps and parcel post.

On Saturday, Dec. 22, stamps and parcel post service will be offered all day if needed and the following day, Sunday, Dec. 23, only the necessary window service will be available. The office will be closed all day Christmas Day and no service will be available to patrons.

## Federal Land Bank Reduces Interest Cost To Borrowers

The Federal Land Bank of Houston has announced that effective on January 1, 1963, it will reduce temporarily to 5% the interest rate on all outstanding loans which presently bear a rate in excess of 5%. The contract rate on new loans will continue to be 5 1/2% but interest on loans closed on and after December 1, 1962, will be billed temporarily at 5% until further notice by the bank.

In making the announcement, Hal Weatherford, President of the bank, said that of the \$260 million of loans outstanding more than \$100 million bear contract rates in excess of 5% and that the savings to Texas farmers and ranchers by this action will be more than a half million dollars in the year 1963 alone. Weatherford said this is the fourth time the Bank has voluntarily reduced the interest on its outstanding loans.

The Houston bank makes long-term farm and ranch loans through 73 Federal Land Bank Associations located throughout Texas. The one serving this area is the Federal Land Bank Association of Sonora. A. E. Prugel is the Manager and the other officers and directors are Frank Bond, Pres., Sonora; Chas. E. Davidson, Jr., Vice Pres., Ozona; Pleas L. Childress, Jr., Ozona; B. E. Moore, Eldorado; and James Williams, Eldorado.

**A Shocking Public Utterance**

We don't know who Eddie Koslov is nor what he does, but he wrote a letter to the editor of the San Angelo Standard-Times which was published in an issue early this week and signed his address as Del Rio, Texas, and that's all we know about Eddie Koslov, except that we don't ever want to know any more about Eddie Koslov.

Eddie addressed his letter to the editor of the Standard-Times and announced his intent to "appeal through your paper to the common sense folks of West Texas on behalf of the United States Immigration Service" and declared "The function of these federal officers is misunderstood and downgraded in this area, especially in Crockett, Sutton, Val Verde and Terrell Counties."

Koslov then outlines the grievance, declaring that Border Patrolmen have encountered lack of cooperation and courtesy from ranchmen, that their families are not accepted and their children shunned on the school grounds.

"These grievous discourtesies can only be attributed to arrogance and a lack of respect for federal authority," writes Koslov.

"Some of the more illiterate and radical ranchmen in one county actually believe they have the right to work these wetbacks and that the Border Patrol should be required to produce a warrant before being allowed to roam about their premises and out into the open pastures. This and other equally unreasonable demands are being rightfully ignored. The patrolmen

assume that authority." The writer then declares that in effect the ranchmen who now own the land do so "because their fathers and grandfathers came out to this area at the turn of the century and bought the land at a shamefully cheap price, pushing the peace-loving and less aggressive folks over to the Fort Stockton country." We must have misread our history of the west.

But the shocker came next — If these people are ever to come of age as citizens of this great country, they must be brought to heel, not only by the Border Patrol, but also by the working people who have with considerable sacrifice left their homes in the North to make notable contribution to a backward area.

If this fellow works for the Border Patrol, or if he just sought to help the Patrol by engendering better understanding, he failed miserably and did more, perhaps, than anything before to make their jobs harder. For he indicts the very group he seeks to defend in another paragraph:

"We all admit that the patrol has resorted to Gestapo methods to apprehend wetbacks. They are forced to send informers through the ranches, posing as Mexicans (small m was his) and to stage midnight raids. They prow! the open pastures at night, search all the outbuildings and even peer in the windows of ranch homes, in an all-out effort to find the aliens who would replace good and honest laborers who try desperately to

make ends meet.

"We also admit," he wrote, "that wetbacks have been shot and killed as they attempted to swim the Rio Grande to the safety of their own side. We should all applaud the dedication of these federal officers as they endure the hardships of a pittance."

"For some unknown reason, the ranchers actually seem to like and respect the Mexicans. (Again his use of the lower case in referring to the people of a neighboring republic.) Those of us who were raised in Chicago and other centers of culture and learning realize the ever-present danger of Communist infiltration from our enemy to the south."

And there, he even declared war on Mexico.

We can only wait and hope that the U. S. Immigration Service and Border Patrol will somehow publicly repudiate this fellow.

—o—

"A snob is a person who is ashamed to have his acquaintances catch him with his friends." — DuLuth (Minn.) Publicity.

**WHAT HAS HAPPENED TO US?**

President Kennedy in his evening press conference of November 20th reminded the nation of his agreement with Khrushchev that when Russia had removed its offensive weapons from Cuba and "appropriate UN observation and supervision" had been established to provide verification, "we would remove our naval quarantine and give assurances against an invasion of Cuba."

Yet, in the absence of such verification — which has yet to be established — and in the face of Cuban underground reports that quantities of missiles had been hidden in caves near the launching areas and with the Russian jet-bombers, Russian troops and Russian technicians still on the island, the President announced at this time that he had lifted the "quarantine."

Shocking as it seemed then to accept the airy promises of the leader of a regime that lives by treachery and that has declared it will bury us, the more recent detailed revelations of the scope of our hastily organized invasion forces are even more deeply disturbing.

It can only be assumed, when the world is told what divisions in what locations had been alerted and what forces and weapons moved into an advance position, that the Commander in Chief considers the crisis to be at an end.

Perhaps this is so. But, if it is, the Monroe Doctrine is forever dead. If the crisis is over this is so, it is because we have purchased a

brief respite by tacitly recognizing a Soviet colony — but air-minutes away from our cities and farms.

If the crisis has passed, has the initiative — And we can continue to death until it better attack.

"A bigamist is a man who has one too many" — (West Va.) Nicholas

**The News Reel**

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Dec. 7, 1933

Dredging, straightening and deepening Johnson Draw through the city, street surfacing work and terracing and beautifying of the school grounds with material from the draw and extension of Ozona's sewer system to serve all parts of the city are a project which may be accomplished this winter through the Civil Works Administration, as a means of providing work relief here.

A fund for providing extra delicacies, outside the regular planned program of Christmas cheer for the poor, solicited by the Ozona Lions Club to augment its annual Santa Claus for the poor was augmented by a gift of \$13.69 made by Miss Gracia Swanson on behalf of the new defunct Campfire Girls organization started here several years ago.

Chester Glover, son of J. T. Glover of Ozona, has purchased the Collins Drug Store at McCamey.

A quota of 73 cutter cows has been assigned for Crockett county in making up the necessary total in the government's beef canning program for the relief of unemployed and to stabilize beef cattle prices, local authorities have been advised.

Mrs. A. W. Clayton and Mrs. John B. Hemphill and infant son, Warren Clayton Hemphill, were guests of relatives here over the week-end.

J. C. Kersey is critically ill at his home here. He suffered a heart attack several days ago and his condition is still considered grave.

Seven teachers in Ozona schools attended the Texas State Teachers Assn. meeting in Austin last week-end. Included were Supt. and Mrs. John L. Bishop, Mr. and Mrs. C. S. Denham, Miss Elizabeth Fussell, Miss Norene Allison, Guinn Caruthers and Miss Mildred North.

A wedding which claimed outstanding attention socially was solemnized last night at Christ Episcopal Church when Miss Margaret Elizabeth Spotts, daughter of Mr. and Mrs. Edwin Robinson Spotts, was given in marriage to Dr. Jack Hollis Weaver, at an impressive service said by Rev. James Swayne Allen. From the Houston Press.

Pupils of Mrs. Neal Hannah appeared in recital for their mothers and guests at the high school auditorium Tuesday afternoon. The following pupils participated: Margaret Russell, Dick Henderson, Joy Coates, L. B. Cox, Mary Louise Perner, Charles McDonald, Mary Fay Lucas, Billy Hannah, Alleane Couch, Muriel Luther, James Jordan, Maudie Mae Couch, Alelia Willis, Dorothy Hannah, Miles Pierce, W. B. Robertson, Clara Mae Dunlap, Jeanetta Willis, Wanda Dunlap, Florence Adams, Eda Schneemann, Helen Adams.

IN THE COUNTY COURT OF CROCKETT COUNTY, TEXAS IN RE. Guardianship of the Estate of J. W. Henderson, Jr., a person of unsound mind.

NO. 226

**NOTICE**

TO ALL PERSONS INTERESTED IN THE ESTATE OF J. W. HENDERSON, JR., A PERSON OF UNSOUND MIND:

You are notified that I have on the 6th day of December, 1962, filed with the County Clerk of Crockett County, Texas, a written application asking for authority to lease property of the above estate for mineral exploration and development, such property being in Crockett County, Texas, and described as follows:

All of the interest of J. W. Henderson, Jr., in and to oil, gas and other minerals on, in and under the W/2 of Section 12, Block SL, Abstract 5503, Certificate 1323, J. W. Henderson, Original Grantee, and containing 320 acres; same being mineral classified land, such interest, he being owner of an undivided 41/80ths of the soil, is an Agent for the State of Texas and individually to the extent and as provided under the Relinquishment Act.

You are further notified that the Judge of the County Court of Crockett County, Texas, did on the 6th day of December, 1962, enter an order designating Monday, the 17th day of December, 1962, at 10 o'clock a. m., in the County Courtroom in the County Courthouse of Crockett County, Texas, as the time and place of the hearing of such application.

Dated this 6th day of December, 1962. Evelyn Henderson, Guardian of the Estate of J. W. Henderson, Jr., a person of unsound mind.

POWER COSTS  
ON  
Farm and Ranch  
LOANS

The Federal Land Bank of Houston has announced  
effective on January 1, 1963, it will reduce tem-  
porarily to 5% the interest rate on all outstanding loans  
which presently bear a rate in excess of 5%. The contract  
on new loans will continue to be 5 1/2% but interest  
loans closed on and after December 1, 1962, will be  
at 5% until further notice by the bank.

This action is further evidence of our announced goal  
supply your loan funds at the lowest possible cost.  
Without obligation, come in and let's see if you and  
your land can qualify for the special benefits pro-  
vided through one of our loans.

PICK YOUR KIND OF CAR  
AT YOUR CHEVROLET DEALER'S  
ONE-STOP SHOPPING CENTER

If you'd like to see how your car dollar  
can be tailored to your needs, your Chev-  
rolet dealer has four entirely different  
kinds of cars that do it handily. Jet-  
smooth '63 Chevrolet: It's a luxury car  
that invites comparison with  
the high-priced cars. '63 Chevy  
II: Really much too snappy  
looking and spirited to be  
called a thrift car. But sparing  
is what it is in price and up-  
step. '63 Corvair: The rear-engine  
wonder for people who like their sport  
with the family along. Then there's our  
all-out sports car - the new Corvette Sting  
Ray: It's completely restyled and re-  
engineered, and now avail-  
able in convertible or sport  
coupe. Whatever your new  
car fancy, you'll find the  
answer at your Chevrolet  
dealer's.

'63 Chevrolet Impala Sport Coupe

'63 Corvair Monza Club Coupe

### EDITORIAL

Penn Baggett

People often do things of which "society", as a whole, does not approve. Then, to justify our actions to ourselves, we might say, "It doesn't matter what they think — I have done right, and the opinions of others don't change that fact."

It is true that opinions — even the opinions of the majority — can not determine whether an action is right or wrong, but many times this is used as an excuse to avoid a "guilty" feeling.

Almost everyone will agree that nobody is perfect. However, it is easy for one to forget this when he himself has been accused of a wrongdoing. It is usually then that opinions do not matter.

Seldom is it that one person is right while hundreds, thousands, or even millions of others are wrong. Often those of us who are most critical of others are most lenient with ourselves.

In order for a wrong to be corrected, it must first be recognized. Recognition, and thus correction, would come about much faster if we would remember that anyone can make a mistake, and that "anyone" includes "self."

### OZONA PLACES FIVE IN WOOL CONTEST

Five out of seven contestants

entering from Ozona placed in the District Wool Contest in Del Rio, Saturday, December 1.

Leliee Mitchell won first in the Sub-deb division. Girls who placed in the junior division were Jacquie Couch, third, and Barbara Kirby, second.

Mrs. Joe Couch placed second in the adult division, and Mrs. Beecher Montgomery placed third. January 5, Barbara Kirby and Mrs. Joe Couch will go to Austin for the State Contest.

### SPORTS AT OHS

By Joel Huff

The Lions dropped their first basketball tilt last Friday to Sonora. The score of the A team game was 51-41, Sonora, and the score of the B game was 33-23, also in Sonora favor. Ten seems to be an unlucky number for Ozona.

The Big Lake Owls finally found a team that could keep their bruising fullback, Tommy Franklin, from scoring. Rotan beat the Owls 29-18, and, although Rotan held Franklin scoreless, he picked up 112 yards in 30 carries.

This year's football jackets are certainly taking a long time in getting here, or at least the footballboys think so. Every few days someone starts a rumor that the jackets are in, and coach Hickman is beset by a thousand questions about the arrival of the jackets.

Ozona's girls basketball team will travel to the Eldorado tournament this week-end. While the girls are at Eldorado, the boys will be playing in the Rankin tournament. The will meet McCamey in their first game at 7:00 p. m. Friday. If Ozona wins, the Lions will meet the winner of the Rankin-Imperial battle.

The girls traveled to McCamey last Saturday, and the A team won its game 33-21. The B team dropped its game to the McCamey B

### FORTY-THREE STUDENTS MAKE SECOND SIX WEEKS HONOR ROLL

The Seniors led the Honor Roll again this six weeks with 44% of the class qualifying for it. The Juniors and Sophomores each had 18%, and the Freshmen followed closely with 17%.

In order for a student to qualify for the Honor Roll, he must not have a 'C' on his report card, and his grades must average 90% or above. Band and Physical Education averages are not considered. The list of Seniors includes:

(The stars denotes students' second time on the Honor Roll.)

Penn Baggett\*, Gracie Chandler\*, Cheryl Clayton\*, Robert Cox\*, Arlene Gotcher\*, Ronnie Houston\*, Donna Gail Johnigan\*, Robin Jones\*, Brent Moore\*, Sherrie Oakley\*, and Jan Smith\*

The following Juniors were on the Honor Roll.

Bill Bowman\*, Diana Coates, Leroy Cooper, Andie Elliott\*, Carleta Hedrick\*, Scott Mahon\*, Keith Mitchell\*, Janet McAlister\*

Out of 65 Sophomores, the following twelve made the Honor Roll.

Bobby Amthor, Jesus Arredondo, David Childress\*, Pete Garza\*, Rick Hagelstein\*, Marcia Haire\*, Joel Huff\*, Linda Leath, Yvonne Martinez, Mike McCrary\*, Carey Pitts\*, and Janis Walker\*

The Freshmen also had twelve on the Honor Roll. They are the following:

Lynn Cox\*, Nancy Deland\*, James Dunham\*, Candy Griffin\*, Helen Hayes\*, Celia Houston, Da-

vid Jacoby\*, Barbara Kirby\*, Suzanne Lewis\*, Drake McKinney, Win Saunders\*, and Sandy Stokes.

### THE GREAT LOVERS OF OHS

By Casanova Handsome

Lately, around the campus of OHS, many great love affairs are setting the woods on fire and a few of the fires are getting out of control.

We know that the girls are weak, but they can climb the stairs without the helping hand of their sugar plum.

The thin blooded females do get cold, but they wear clothes to keep them warm and that skinny arm doesn't make that much difference.

The Administration and Faculty do not approve of these habits. They urge that students remember that if true love is actually true he or she can wait until school is out and they are off school property to show affection.

### LOOKING AROUND

By Ronnie Houston

College Board tests were given

last Saturday. The tests they were just made of the initial of A. E. per day night? What time?

It seems that Keith has been having a lot of fun. Doing what, I wonder? lover?

How did the basketball joy their trip to Del Rio? junior have fun in Del Rio?

### YOUNGEST CADILLAC IN SIXTY-ONE YEARS!

Take a good look at a new 1963 Cadillac and you'll see what we're talking about.

For this one has a freshness... a brightness... a spirit... a flair that has never been seen before in a Cadillac car.

It's the look of youth—and it's written in every clean, crisp line... and mirrored in every lithe, nimble move that the car makes.

And so it is not surprising that this beautiful new Cadillac is adding a host of youthful admirers to the ranks of its enthusiasts.

Nor is it remarkable that so many younger motorists can be seen this year at its wheel.

In fact, motorists of all ages have taken this Cadillac to their hearts as never before. The reception that has been accorded this new "car of ours"—whether measured by the praise of its followers or the number of its owners—is simply without precedent.

Why not visit your authorized Cadillac dealer soon—and see for yourself what the talk is all about?

Young in fact or young at heart—we know you'll want to make it yours!

### OZONA FFA BANQUET TO BE HELD DECEMBER 11

Tuesday, Dec. 11th the Ozona chapter FFA will give a parent- or banquet in the high school cafeteria.

Star chapter greenhead and star chapter farmer awards will be announced, Ag. II and III students being eligible.

The Junior Chapter conducting team will give a parliamentary procedure demonstration during the banquet, and a summary of FFA ideals an dthe 1962-63 FFA program will be given.

Kathy Doran, chapter sweetheart and all parents will be introduced.

A door prize of a barbe-cue pit will be given away.

Some of the girls taking H. E. have volunteered to serve for the boys and their parents.

SCHOOL PHOTOGRAPHS ARRIVE  
School pictures of the students and faculty of the Ozona Public School System arrived last week. Having had special pictures made, the Seniors will receive theirs lat- est.

The total cost for all pictures in a set is \$2.00 plus tax.

Miss Mildred North commented that, on the whole, she was pleased with the pictures.

Students will be able to have their photographs remade by Pro- vine of Houston sometime in Jan- uary.

### AWARDS GIVEN AT CONCHO DISTRICT BANQUET

Fifteen Ozona Chapter FFA boys attended the Concho District FFA Banquet held in Luby's Cafeteria in San Angelo last Monday night.

Ozona received awards for first place junior and senior chapter conducting and for junior and senior skills.

Kathy Doran, Ozona Chapter Sweetheart was 2nd runner-up for Concho District Sweetheart, an honor which went to Deanne Hext of Eldorado.

Paul Simmons, Jr., State FFA vice - president conducted the sweetheart, contest, and Area II President Nelson Hogg spoke to the 139 persons present.

CHUCKLES  
Those housewives who have not yet recuperated from stuffing Thanksgiving turkeys can look forward to Christmas with this enlightenment from the Livestock Feeder: Efforts are being made to cross turkeys with kangaroos so they can be stuffed from the out- side.

Teacher: What is your name, son?"  
Small boy: "Jule, Sir."  
Teacher: "You shouldn't use a nickname. Your name properly Julius. Next, what's your name?"  
Second small boy: "Billious, sir."

"He's been sitting there all day doing nothing but wasting his time."  
"How do you know?"  
"I've been watching him."

"Officials of a penitentiary in the Middle West are still on the

lookout for the gagster who placed a sign on the wall behind the prison's electric chair.  
The sign stated simply: "You Can be sure if it's Westinghouse."

### School Cafeteria MENU

Monday, Dec. 10:  
Meat balls and spaghetti  
Buttered carrots  
Peach salad  
Cookies  
Bread, milk

Tuesday, Dec. 11:  
Steamed franks  
Sauer kraut  
Pork and beans  
Applesauce  
Hot rolls, butter  
Milk

Wednesday Dec. 12:  
Hamburger on bun  
Potato salad  
Tomato slices  
Onions, pickles, lettuce  
Fruit pie  
Milk

Thursday, Dec. 13:  
Beef enchiladas  
Pinto beans  
Lettuce wedge—french dressing  
Chilled fruit  
Bread, crackers  
Milk

Friday, Dec. 14:  
Barbecued chicken  
Or  
Fried fish sticks — tartar sauce  
Whipped potatoes

Seasoned green beans  
Congealed salad  
Cake squares-iced  
Hot rolls, butter  
Milk

a BULLETIN . . . from BAKER'S

You've seen it at the most exclusive stores in Texas and now we are happy to announce we are carrying the famous "SHORTTRIP" luggage in the AIRSTRIP light weight series. This luggage is strongly constructed and is in a beautiful tapestry and leather combination — large tote bags \$36.30, train cases \$38.50. F. T. I. Any piece in "Shorttrip" guaranteed to bring a radiant smile to the little lady this Christmas morning.

Recently received — new shipments in Belleek and Lenox giftware, so dainty, light and so acceptable. For her vanity — luxurious "Stylebuilt" 24k gold jewel boxes for \$10.95, mirror trays from \$6.50 and many other pieces including elegant soap dishes for milady's bathroom.

We now have many additional pieces in our collection of hand cut lead crystal.

DIAMOND RINGS — DIAMOND WATCHES — DIAMOND WATCH BANDS — all in beautiful settings and the price you pay at Baker's is one that will please you. We pride ourselves in the quality of our diamonds and value for value you can't beat a Baker Jeweler's diamond.

Everyone loves to drink coffee especially when it's served in "Friendly Village" coffee mugs imported from England — only \$1.00 each.

We can't possibly name or tell you about the hundreds of ideas we have for Christmas giving, so come in and visit — no pressure. If by any chance we don't have exactly what you have in mind, let us order out a selection at no obligation to you. Why wear out shoes and tempers fighting big city crowds? Save your gasoline. It helps your community and pays YOU to SHOP AT HOME . . . SHOP BAKER JEWELERS . . . NOW!

OZONA, TEXAS

Little crippled children at the Scottish Rite Hospital in Dallas are eager for learning and they try hard to keep up with their school-mates back home. Left to right: Karen Wilson, 9, from Humble; John McKee, Dallas, president of the hospital; Miss Ann Sewell, class teacher; Teddy Botello, 11, from Austin; and Shirley Glass, 9, from Somerville.

Notes From The County Agent's Office

By Pete W. Jacoby

Sheepmen sometimes buy, sell or manage breeding ewes without complete knowledge of their actual value. A new publication, MP-596, "Influence of Age and Fertility of Rambouillet Ewes on Lamb and Wool Production," presents data on the production of lamb and wool of ewes of various ages.

The bulletin was taken from data of the Ranch Experiment Station, Sonora, Texas, for a 20 year period from 1941 to 1961, during which time the average flock size was about 175 head. It states that the ewes on the station definitely showed a correlation between age and their productive ability. They found that the older a ewe gets the more fertile she gets. Twinning rates increased until the age

of about four and then leveled off and the percentage of dry ewes was the lowest at three and remained constant until the ewe reached eight.

Lamb and ewe losses in the flock were below those usually found in the Edwards Plateau because of the care given them on the station. However, due to continuous culling in the flock, the figures given are not the absolute production of a normal population. However, since culling is normally practiced by the average producer, the trends shown in the bulletin are about those he will encounter.

In the Sonora flock, ewes were more efficient producers of wool and lamb through their sixth year, but beyond that age ewe losses and lower production made them unprofitable. Lamb production increased until the age of five and wool production reached its peak at three years after which both began to decline. Losses of ewes and lambs remained the same un-

til the age of seven, then increased sharply.

The bulletin says that because of the wide range of conditions found in Texas no statewide recommendations can be made as to the age at which to cull ewes from the flock. Each operation must be considered separately.

The study also concluded that a major factor in the production ability of ewes was the age at

which they were first bred. They found that with each pound increased in the weight of the ewe when she was bred there was a five pound increase in the weight of her lamb. So, the producer might look at his ewes again and decide how old is an old ewe.

four appendages. Her breath was always sweet, and sometimes when she came to you heavily laden, her vasty sighs of relief were most gratifying.

I will hate to see the cow go. I hold with the poet, Orrick Johns, that:

There's nothing very beautiful, and nothing very gay

About the rush of faces in the town by day;

But a light tan cow in a pale green mead,

That is very beautiful, beautiful indeed . . .

**RANCH RECORD BOOKS at the Ozonia Stockman office**

**Garden Club Meets Monday Afternoon**

Ozonia Garden Club members will meet Monday, Dec. 10, in the home of Mrs. Cecil Hubbard, with Mrs. Bailey Post as co-hostess. The meeting time will be 3 p. m. instead of the luncheon hours as listed in the year book.

Christmas decorations will be demonstrated and discussed by Mrs. Ira Carson and Mrs. Floyd Henderson.

Miss Jan Jacobs, daughter of former Ozonia residents Mr. and Mrs. Paul Jacobs, was recently elected one of the six cheerleaders of Highland High School in Hobbs. N. M. Highland High has a student body of 800.

**Discovery Finaled**  
(Continued from Page One)

inch casing at 1,670 feet.

The project was drilled "tight." Operator will suggest the field. It is designed as the Bern-Moore field.

Location is 2,436.6 feet north of the southwest corner of 23-GC&SF, thence 330 feet west to location in 60-GG-W. T. Mullins survey.

B. W. Wiseman, Jr., Midland, will drill a 10,000-foot Strawn wildcat, 18 miles southwest of Ozonia and two miles south-south-east to the depleted shallow Cox field. It is the No. 1 Sarah C. Millsbaugh.

Location is 690 feet from the north and 1,950 feet from the east lines of 20-2-S&GN.

It is five miles west and very slightly south of Delta Drilling Co. and Pauley Petroleum Inc., Odessa, No. 1 Henderson, in 15-M-GC&SF, Strawn wildcat, which was drilling below 8,135 feet on a 10,000-foot contract. No drillstem test have been taken.

Phillips Petroleum Co., Midland, was preparing to plug back to 1,990 feet, apparently for tests of the San Andres, at the No. 1-C Hoover, in 2-1-GC&SF, wildcat, 25 miles west of Ozonia, and 3/4-mile southwest of 1488-foot Queen production in the Hoover field, but separately by failures.

Scheduled for 7,600 feet to test the Devonian, it was drilled to 6,823 feet.

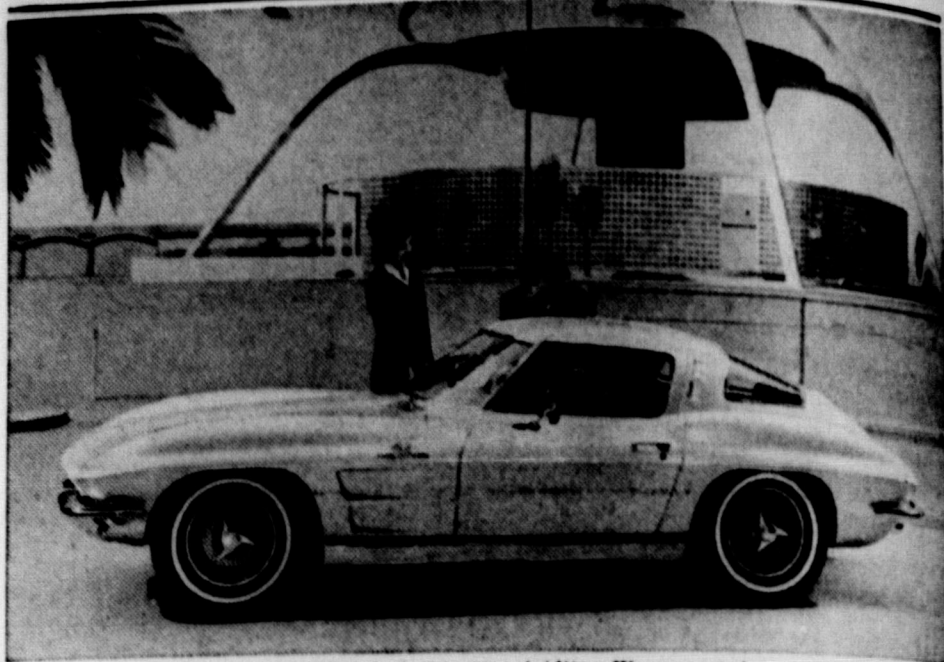

It is 1 1/2 miles southwest of the depleted San Andres opener, Armstrong & Horn-Texita Oil Co. No. 1-A Dora Hoover, finalized April 13, 1957, for 80.7 barrels of 30 gravity oil no water, through a 1/4-inch choke and perforations between 1,882-892 feet.

**DAUGHTER TO WOMACKS**

Mr. and Mrs. Charles R. Womack are the parents of a daughter, Molly Beth, born in the Crockett County Hospital Wednesday Nov. 21. Mr. Womack is connected with the Ozonia Schools as track coach and instructor. (This item inadvertently omitted from last week's paper.)

**Many New Features in '63 Corvette**

The Corvette Sting Ray fiber glass body is completely new for 1963 and introduces for the first time in Corvette history new controlled cowl top ventilation, curved side window glass, an adjustable steering wheel, retractable headlamps. Steel is integrated with body panels for increased rigidity. Wrap-over doors and wrap-over rear windows are advance-designed features of the sport coupe models. The sleek-line styling of both the convertible and sport coupe Corvettes give a feeling of motion even when the car is standing still. Shown above is the sport coupe.

**Keep Your Credit Record Safe, Sensible, And Profitable**

There is only one way to keep your credit record safe, sensible, and profitable.

To keep it safe one must pay obligations and bills by the tenth of the month, and this is just a reminder that Monday is that day.

To keep it sensible one must carefully evaluate the merchandise they plan to buy, to see if it is possible to make payments on time and as agreed.

To keep it profitable, if the two above rules are followed, it can indeed, be profitable to you, because you will be able to make all purchases and say "charge it" with confidence.

The Holiday Season is about us, and it is the time when families think of the joy of Christmas giving. This is right, and should be a happy occasion unclouded by the remembrances of unpaid or delinquent bills.

Make your plans now to start next Monday with that care-free spirit that characterizes those who have kept their credit record clear and above question.

Remember the Retail Merchants Association, your credit bureau, does not make your credit record, we only keep what you have made for yourself.
