Book In My Back

Alan R. Bosworth

Through the late and un-
year of 1962, I kept
how good old Frank
was making out with the
store he operates, and
his wife, Evelyn H. Jones
and little woman if you
one — was still working
shop. I came very near
them at their home,
Road, Hometown, N. Y.
Frank?" I was going to
don't know me, but
all about you these last
in that series of swell
I know, the ones about
Evelyn, and Your Federal
ax."

and what about them?"
old Frank would say,
sort of clip the words
corner of his tight lips,
y, truculent way.)
just wondered if you
to make it again this
I'd say with an offhand
ugh.
what again, this year?"
the \$17,890.14 you made
the \$17,890.14 you made
and the \$17,890.14 you
961. — No, no, I'm not a
at all, Frank, I just ad-
way you can handle that
1040. And I wanted you
that I'll be buying the
just as soon as it's off
I've been following you,
Evelyn — I can hardly
see if that tightwad in
shop gave her a raise"

ght about this conversa-
a bit, but I was always
Frank would hang up on
I could ask him if by
ce he was the Frank B.
o was a cousin of mine,
Texas, and if so what
to his postoffice job and
named Ada.

I also got a little suspi-
not only of a federal tax-

Houston last week.

A NEW COURT CONVENES — With two new Commissioners and a new county judge, the fifth in Crockett county's 72-year history, the Commissioners Court of Crockett County convened in its initial session of the new year and the new terms Monday morning. Newly elected Commissioner from Precinct 2, Rex Halydier, is in the left foreground. Clock wise, in the group seated around the court's conference table, are veteran Commissioner Rusty Smith, Prec. 3; Miss Leta Powell, county and district clerk; County Judge Brock Jones; newly elected Commissioners from Precinct 4, Glenn Sutton, also newly elected from Precinct 1, but a court veteran by reason of previous service from Precinct 2, C. O. (Lefty) Walker, and at far right Auditor Dick Kirby. The county map in the background shows the division into the four precincts.

Commissioners To Interview County Attorney Seekers

Applicants To Be Invited To Next Session of Court

Crockett county Commissioners Court, with a new county judge and two new commissioners, met Monday morning in their first meeting as a reorganized court and the first meeting of the new year.

Among other business, the court set salaries, a duty the law requires of them each year, agreed to interview applicants for appointment as Crockett County attorney at the next session, and ordered advertising for bids to purchase a new car for the sheriff's department, two new dump trucks and a winch truck for the county road department.

Applications have been received from several lawyers in the area for the post of county attorney, vacated when Dixon Mahon resigned to accept appointment as 112th district attorney. Mahon is the only lawyer now residing in the county and is presently serving without pay in acting as county attorney when available.

Appointment by the court of a county attorney would be only until the next election when the incumbent would be required to run for the office.

The court set most existing salaries as is for another year, but did award raises to Johnny Hokit as paid fireman, giving him a raise of \$360 a year; raises of \$25 a month each to Mrs. Eddie Arnold and Mrs. McBroom as assistants in the tax collector's office, and \$7 a month raise to each county road department employee with a \$10 hike for Road Engineer D. C. Ratliff.

Rocksprings Sponsors Five-Day Basketball Tournament In March

Rocksprings high school will sponsor an Independent Basketball Tournament for 5 days beginning March 18 and continuing through the 23rd. Individual trophies will be given to the winners of first, second and third places and consolation.

Anyone interested in the tournament should contact Coach Norman Roberts at the Rocksprings High School in Rocksprings, Texas.

CHORAL GROUP COMING

The Traveling Echoes, a choral group from Louisville, Ky., will sing at Mt. Zion Baptist church in Ozona Jan. 20 through Jan. 24. A cordial welcome is extended to the public to attend.

Administrative Clerk Selected As Airman of Month at Station Here

Selected as Airman of the Month for December at the Ozona Air Force Station was AIC Russell O. Wood, whose hometown is Eldon, Missouri.

Selection was based on high standards of conduct, military appearance and attendance to duty.

Airman Wood is the Chief Administrative Clerk at the Ozona Station. He entered the Air Force in October of 1957. He completed an overseas tour at an Arctic base in Alaska and arrived in Ozona in June of 1962. Airman Wood plans to make the Air Force a career.

During the recent inspection of the Squadron by the Inspector General's Office, Airman Wood's efforts as Chief Clerk in many ways accounted for the excellent rating the Administrative Section received. Aside from this inspection, Airman Wood's everyday performance, cheerful attitude and leadership were further reasons for his selection as Airman of the Month. He also takes an active part in squadron athletics during his spare time.

Airman Ic Russell O. Wood

New Faces Show In Winner Circle At 16th 4-H Show

Spirited Auction Sale Of Fat Lambs Follows Judging of Entries

Several new faces loomed up in the winner's circle at the 16th Annual Crockett County 4-H Livestock Show Tuesday when Bill Everett, son of Mr. and Mrs. Tom Everett carried off the finewool fat lamb championship and Gary Lee Sutton, son of Mr. and Mrs. Glen Sutton copped the crossbred fat lamb honors. Both boys also took reserve champion honors in each division. The finewool champion came from the flock of Charlene Davidson, Jr., and the crossbred champion from the flock of P. L. Childress, Jr.

Alton Everett, also a son of Mr. and Mrs. Tom Everett, won the Grandchampion group of three fat lambs with crossbred lambs from the flock of Joe Tom Davidson. Lelcie Mitchell, daughter of Mr. and Mrs. Keith Mitchell, swept the registered Rambouillet show with both the champion ram and ewe from her own breeding flock. Paul and Phillip Perner, sons of Mr. and Mrs. P. C. Perner took all the honors in the commercial ewe lamb classes.

Euddy Couch had champion steer and Diana Couch the champion registered heifer. They are children of Mr. and Mrs. Joe Couch. The champions were from the Angus herd of E. H. Chandler. Paul Perner showed his 1962 stud colt, Ever Ready Handcock, to the championship in the quarter horse show and Hugh Coates, son of Mr. and Mrs. John Coates, took reserve champion honors with his 1962 filly, Blue Daylight.

The Ozona Butane Company served a barbecue lamb supper, followed by award presentations and an auction sale of fat lambs. The Ozona National Bank purchased the lambs.

Tommy Dorsey Band To Play for Dance Here Feb. 5 at Country Club

The Tommy Dorsey Orchestra, under the direction of Sam Donahue, will play for a dance at the Ozona Country Club Tuesday night, Feb. 5. Marlon Smith, club pro, announced this week.

The dance will be for club members and out of town guests only and tickets will be available after this week, Smith said.

"One of the big reasons for Tommy Dorsey's big success," Donahue said in a letter to the local promoters, "was his ability to give the dancers what they want. We play for the public's satisfaction and not for our musicians' own pleasure."

The Tommy Dorsey Orchestra consists of fifteen pieces.

15 Teams Vie In 32nd Annual Ozona Basketball Tourney

Host Ozona Lions Play Sanderson At 9 p. m. Tonight

By Ernie Boyd

The thirty-second annual Ozona invitational basketball tournament is slated to get under way at 11:30 a. m. today with host Ozona facing Sanderson at 9:00 p. m. tonight in an attractive first night schedule which also finds Big Lake facing Eldorado at 7:30 and Marfa and Mozelle squaring off at 6:00 p. m.

The annual tourney which begins at noon today will run thru Friday and Saturday with Friday observed as an annual school holiday in Ozona.

Tournament preparations have been under way for several weeks with Miss Mildred North and her staff of student help in charge of player housing, the senior class in charge of the concession stands.

This year's tourney ran into mid-term exams troubles but none the less, a well balanced field of 16 teams will be on hand for the opening action with Big Lake and ACCHS, in the favored roles.

Other teams that will be a ear watching are Eldorado, Menard, Miles, Sonora and Ozona. Sonora lost a narrow 62 to 61 decision to Big Lake Tuesday night when a last second shot rimmed out to leave the Owls ahead.

Ozona rounded out its non-district schedule Tuesday night by downing McCamey 59 to 43 in a game that was tied 26 all at the half before a third period Ozona rally wrapped up the game.

Rodney Stewart tied an Ozona individual record by pumping in 33 points during the contest, the record having been set by Hal Long against Iran last year.

In a B team game played prior to the feature game the Ozona B team took an easy 43 to 20 decision over the McCamey reserves.

Coach H. O. Hoover stressing defense with the reserve unit used a man to man full court press throughout the contest with two units splitting time and the effectiveness of the past stress on defense was shown in the 5, 4, 6, 5 quarter scores of the McCamey.

One Completion, Three New Wildcat Tests In Gas Area

Rapid Development Under way on Ozona Area Field

The newly opened gas area of Crockett County held the spotlight again last week with one completion and the staking of three more wildcats in the area.

Texas American Oil Corp., Midland, will drill the No. 1 Henderson, an 11,000-foot Strawn wildcat, 20 miles southwest of Ozona and five miles southeast of Wiseman and Texas American No. 1 Millsbaugh, assured Strawn gas discovery which is attempting dual completion in the Canyon sand.

Location, on a 640-acre lease, is 990 feet from the south and east lines of 9-TCRR.

Texas American will drill the No. 1-A Meadows, a 7,500-foot Canyon sand wildcat, 8 1/2 miles west-southeast of Ozona, and 1 3/4 miles south-southeast of Wiseman and Texas American No. 1 Meadows, et al, active wildcat which has been drilled "tight."

Location is 1,650 feet from the south and 660 feet from the east lines of 12-ST-GC&SF. It is also six miles north of the one-well Ozona, Southwest (Canyon sand.) B. W. Wiseman, Jr., and Texas American Oil Corp., will drill the No. 1-A Sarah C. Millsbaugh, a 10,000-foot Strawn wildcat, 18 miles southwest of Ozona and 5-

Blizzard Weather Fails To Mar FFA Commercial Show

Feeding Results Demonstrated In Grading Of Lambs

One hundred thirty-six lambs and seven calves were graded into the slaughter market grades in Saturday's commercial FFA show by Dee David White of Fort Stockton, vocational ag teacher, and 35 Angora goats were placed by Arthur Davis, Sabinal goat breeder and rancher.

On the coldest day of the present winter, and in fact the coldest day of a number of winters past, the FFA show proceeded on schedule at the Junior Livestock Barn and was well attended in spite of the vicious cold that ranged in early morning from four above down to zero in various parts of Ozona.

The 136 lambs were graded into 54 prime, 43 choice, 34 good and 5 feeders. Wednesday all the lambs were taken to San Angelo and sold by the market grades into which they were cast. Ten of the lambs were taken to Armour & Co., packing plant in San Angelo Monday and Tuesday were butchered and graded in the carcass.

Wednesday the Ozona FFA boys who had fed and handled the lambs toured the Armour plant and inspected the ten lambs to see the market grades in the carcasses. The group also visited the livestock action ring.

In judging for the best fitted lambs, David Jacoby was tabbed with the best fitted crossbred lamb and Doug Moore the best fitted finewool lamb. In the crossbred class, second place went to Billy Groesbeck, third to David Lewis, fourth to Hugh Coates and (Continued on Last Page)

Odesa FFA Team Wins Invitational Judging Contest at FFA Show

The Odesa FFA chapter took team judging honors here Saturday in connection with the FFA livestock show.

Odesa's team of four boys compiled a total of 1,073 points out of a possible 1,450.

Eldorado was second with 1,044 points, Balmorhea third with 1,040 and Imperial fourth with 1,009.

High individual was Larry Bradley of Balmorhea with 378 out of 450 points. Darr Huckaby of Stanton was second with 373 and Charles McMullan of Odesa was third with 369.

The Ozona FFA chapter did not compete in the regular contest but help a judging of its own.

In that competition, Carey Pitts was first with 394 points, Bryan Montgomery second with 373, and Jim Brock Hoover third with 355.

Ozona ranchers, John Childress and Troy Hickman furnished cattle for the judging and P. C. Perner furnished the Rambouillet ewes. Three classes of lambs were furnished by the FFA chapter. The Eldorado chapter had planned to bring hogs for the swine judging division but decided against hauling the animals in the extremely cool weather.

Will We Awaken?

As the years have rolled by since our initial starry-eyed involvement in 1945 with a global fantasy called the United Nations, both the actual injury and the potential peril of our misguided altruism have become increasingly apparent and painful to an ever increasing number of thoughtful Americans.

Looking back on this degrading experience from our inglorious position as the helpless victim of a Cuban bandit is to review a shocking, incomprehensible nightmare.

It is not vainglory, but simple truth, to recall that this nation emerged from World War II the savior of the free world. And, despite our inordinate investment of blood and treasure in this global conflict, the US entered the sanctified company of the United Nations as the strongest of all.

But what has happened to us since that day passeth all understanding. Undertaking a "police action" in Korea, we found ourselves involved in a war in which our armies, joined by token forces from a few other UN members, were under UN command; a war we were not allowed to win, a war in which 125,000 Americans died in vain.

In 1956, after years of encouragement by our radio propagandists, Hungarian patriots rose and

beat their Red slavemasters with fists and stones and bottles and a few small arms — but we lacked the courage to help secure their victory and allowed them to be massacred by hordes of Soviet and Red Chinese troops.

We averted our eyes while Mao's forces pillaged and enslaved Tibet while Nehru took the peaceful, industrious, 400-year-old Portuguese enclave of Goa, and a Communist stooge seized Portuguese Angola. But we have been stirred to action in airlifting US arms to the UN "Peace Force" in its ruthless destruction of the hopes and resistance of pro-Western Katanga.

The UN, it seems, is our Svengali. We have been hypnotized, rendered incapable of acting in our own interest and traditions. We have even given the UN a blueprint for the three-stage takeover of the US Army, Navy and Air Force!

Strangely, we are opposing a UN grant of \$2.1 million to Castro (of which US would supply nearly half a million). But if the UN bosses approve the plan, says our man Severson, "there isn't much that can be done about it". Isn't there? If we have any spirit or pride left whatever, we can do what we should have done before Korea. We can get out — and lick our grievous wounds.

BETTER GIVE HEED TO EISENHOWER'S WARNING

Former President Dwight D. Eisenhower's warning of disaster if federal governmental expansion is not halted should be must reading for every American concerned with the well-being of his country.

Here are excerpts from Ike's stirring address before the NAM's 57th Annual Congress of American Industry in New York recently:

"We should take careful note of the false prophets who urge us to change the goals of free enterprise for those that place emphasis on creature comfort, on escape from risk, on relief from toil and from individual responsibility . . .

"Though citizens are partially responsible for this, power-hungry politicians in Washington have for some years done more to encourage these trends — they have enacted laws that make almost inevitable a growing dependence upon government largess administered, of course, by a centrally directed army of bureaucrats . . .

"I believe that this constantly increasing acceptance of — and submission to — the influence of the federal government over so many phases of our lives and activities is the most serious threat to our American system."

CALVARY BAPTIST WMU

The Calvary Baptist WMU met in the home of Mrs. E. C. Alford for the mission study program. Mrs. Carl Hedrick opened the program with the calendar of prayer and Mrs. Lonnie Dorris led in prayer.

Mrs. Bob Stephens gave a short and interesting discussion on the new mission study book, "The Chains Are Strong."

Refreshments of coffee, cocoa and cream pie were served by the hostess. Others present were Mrs. H. J. Harris, Mrs. Marvin Cobb and Mrs. William D. O'Bryant.

The next meeting of the WMU will be in the home of Mrs. Marvin Cobb.

Cameron will supply all labor and materials for a garage or carport of size and type to fit your needs. No money down, free estimates without obligation. Call Wm. Cameron & Co. Phone 22601. Senora.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Jan. 18, 1934

The ranch home of Mr. and Mrs. Frank McMullan, 40 miles northwest of Ozona, was destroyed by fire of unknown origin Saturday night. A few small articles of furniture was all that was saved from the flames.

—news reel—
Nine men listed on the relief rolls of Crockett county and being given employment on Civil Works projects now under way here, have been dropped from the rolls because they declined to accept private employment offered them at living wages.

—news reel—
A slow drizzling rain falling throughout the day Wednesday moistened parched range country and brought smiles to the faces of livestock raisers in this section.

—news reel—
The proposed amendment to the state constitution which would tax land of the University of Texas for local school purposes was unanimously endorsed by members of the Ozona PTA meeting Monday.

—news reel—
Mary Elizabeth Gray, daughter of Mr. and Mrs. Hugh Gray, celebrated her seventh birthday with a party of her home Thursday.

—news reel—
Two more CWA projects for Crockett county have been approved and an appropriation of \$4600 for a countywide sanitation

project and \$1350 for beautification of the local school grounds made by the Austin office of the administration, Royce Smith, county administrator, announced this week.

—news reel—
Ozona will have a part in the nationwide observance of the birthday of President Franklin D. Roosevelt on January 30. Ozona Lions Club and the Ozona Music Club plan local entertainment on that date to coincide with the national committee's "President's Ball" on that date, proceeds to go to President Roosevelt to be used to endow Warm Springs Foundation at Warm Springs, Ga.

—news reel—
Old Man Weather, who has been in sympathy with the stockman and farmer of Texas during these trying times has at last reached the end of this period of leniency and has dabbed down with some real winter weather. Stories of fresh tomatoes, watermelons and strawberries growing in gardens of West Texas on New Year's day have been prevalent throughout the area. But the gardens were nipped and the watermelons shriveled with the arrival of 18-degree weather Monday night.

—news reel—
Construction is scheduled to start this week on a new brick home to be erected here by Mr. and Mrs. Massie West on their lot just south of the Ira Carson residence.

—news reel—
Ladies of the Church of Christ entertained with a miscellaneous shower Wednesday in the home of Mrs. P. T. Robison honoring Mrs. W. C. Phillips, a recent bride.

Historical Survey Committee Called to Meet At 2 Saturday

County Judge Brock issued a call for a meeting of the newly appointed Crockett Historical Survey Committee at the Court House Museum at the Court House January 19 at 2:00 p. m. This meeting is being held in accordance with a proposition Governor John Connally, January 19 as Texas Preservation Day. Over 200 members in some 20 committees are expected to meet that day to elect officers and formulate plans for the year. "Every county has a history of its own, and Crockett is no exception," said Judge Brock. "The County Historical Survey Committee has unlimited opportunities for doing our county's history for future generations."

"The tourist trade is an aid to the economy of the county," he said. County Historical Survey committees are currently working with historic buildings, museum pieces and research counties.

Members of the newly formed Crockett County Historical Survey Committee are Joe Cobb, Miller, Mrs. R. A. Baker, Wanda Watson, Mrs. M. Berton and Mrs. E. H. Ch.

Mr. and Mrs. N. M. Terrell county attended to show here Saturday and with Mr. and Mrs. G. K. and family over the week.

Accurate and Complete

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today than ever business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax returns.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

EDITORIAL

By Andie Elliott

Rome was not built in a day, nor were straight A's earned overnight. Anything worth while that a person achieves takes time.

When a friend or fellow student receives an honor or does something unusually well we are inclined to say, "Boy, has he got brains!" or "he has all the luck!" In reality the person has worked very hard to achieve the success.

We so often forget that everyone has to work hard for what they achieve, and that nothing worthwhile is gained overnight.

Few people are born athletes. They become good athletes through pluck and determination plus hard work. True, natural ability helps a lot, but even natural ability has to be developed.

Too often we believe in luck and forget about the patience and long hours of work that go into a movement of recognition.

Let's forget about luck, and when an honor is earned, remember all the endurance and hard work that is behind it.

TOURNAMENT PROVIDES OPPORTUNITY FOR STUDENTS TO SHOW SPORTSMANSHIP

By Cheryl Clayton

The much desired quality of sportsmanship should be practiced by all Ozona sport enthusiasts, especially during the tournament.

Many people appear to be good sports, but they are really pretending their good sportsmanship to impress those around them.

Others have a desirable sportsmanlike attitude only when their team is winning. Losing a game is a different matter.

Good sportsmanship should be exercised not only on the court but in the stands. Each spectator, as

well as each player, is representing his town and should not be guilty of conduct of which his town could not be proud.

HOSPITALITY TIME IS HERE!

By Penn Baggett

Every year during and after the Ozona Invitational Basketball Tournament, coaches, students, and citizens receive compliments on the hospitality showed to visiting teams.

It does take effort and time to be good hosts. Citizens are asked every year to furnish rooms for boys who have come from towns too distant to allow returning between games.

It is indeed an honor to say that it has never been a problem to obtain housing for these teams.

Although nothing of material value can be gained from this hospitality. Something of worth can be had — the self-satisfaction of doing ourselves and our community a service. Should surely make the means justified.

FROM THE PAST

In 1935 The Fourth Annual Basketball tournament was very successful with many exciting games played. The following information was taken from an edition of the 1935 Lion's Roar following the tournament.

The climax of the tournament came in a fitting place with the championship game between the formidable foes, the Lions and the Owls. This game was played before the most demonstrative crowd that has ever gathered in the local gym.

The Lions opened with a burst of offense that netted 6 points before the Owls could hot their stride. Each team battled through in veteran style, exchanging field goals at regular intervals; however the Owls proved the temporary superiority by narrowing the score margin and then emerging at the final whistle 5 points before the Owls could hit 28-23.

The girls' game furnished a new attraction that was enjoyed. Also, the coaches' game was amusing and entertaining to the spectators and participants.

Miss Powers either talks above it or declares a study hall. In study hall Miss North adjusts all the heater knobs, a process which has no effect on the

heater, and stuffs cotton in her ears!

Coch Hickman also has a unique way of dealing with the cranky heating system — he turns it off and opens all the windows.

Strangely enough, Coach Cleere has never had a heatre problem — it doesn't dare act up in his room!

Heard that the decorations on Herbie Noelke's car were dyed to match!!

Ever heard of two boys riding a cow with a saddle?? Well, a Soph. and a Fr. did!

Is Priscilla Spurgers going to become a Mrs. tomorrow?

Congratulations to the Basketball boys and girls for winning their first district game.

Is Carletta H. really called "Legs Diamond"? Who gave you that name, Carletta?

Whatever happened to Coach Cleere's hand? Did his horse bite him again or was it his wife?

Wonder why Anna M. won't reveal her gossip? Has she been threatened?

A lot of exes were home last weekend — Herbie N., Tommy Everett, Janet Mason, and Becky Cullins.

Has Penn B. gone into the potato peeling business for the Sr. concession stand. Such dedicated seniors . . .

Teachers cope with OHS "HEAT"

Ozona High School's heating system acts up every winter — it whines, gurgles, hums and generally adds to classroom confusion.

Over the years the teachers have adopted various methods for coping with this noisy nuisance.

Mr. Moody feels lost when it isn't making its usual noises, for he's become quite attached to it.

When the heater starts up during one of Coach Dozier's classes, he employs a unique method of dealing with it — he gives it a swift kick in the pipes. It quiets down until he turns his back, then starts again.

Miss Powers either talks above it or declares a study hall.

In study hall Miss North adjusts all the heater knobs, a process which has no effect on the

heater, and stuffs cotton in her ears!

Coch Hickman also has a unique way of dealing with the cranky heating system — he turns it off and opens all the windows.

Strangely enough, Coach Cleere has never had a heatre problem — it doesn't dare act up in his room!

America's Largest Independent Telephone System

GROWTH

key word for 1963

The southwestern area served by General Telephone is one of the Nation's fastest growing regions.

This basic fact causes us to greet the new year with enthusiasm and eagerness.

Since we grow with the area we serve, our long range plans are designed to measure and meet the growing needs of the growing Southwest.

These plans prove our faith in the region, and back our pledge to keep pace with it.

How Ford spent \$100 million to give you more quality for your money

The Ford Motor Company spent \$100 million in the past two years alone to bring you a combination of quality features found in no other cars. And here's how Ford quality pays off for you... whether you drive the big Super Torque Ford, the middleweight Fairlane, or the fun-filled compact Falcon!

Superior ride and performance. For example, \$10 million was poured into the development of the Super Torque Ford's incredibly smooth new ride. Additional millions went to design 6- and 8-cylinder engines that let you choose sensational performance or sparing gas economy... all with minimum maintenance.

More care-free driving. Millions more were spent to perfect Ford's twice-a-year or 6,000-mile maintenance features... now in all Fords and Falcons*. You save time and money. Example: you roll 36,000 miles between major chassis lube!

Greater safety. Brakes adjust themselves when necessary. Roofs are reinforced. Doors have safety locks.

Added luxury. Richer, longer lasting upholstery. Carpeting that wears up to twice as long as in some cars. Improved insulation insures a quieter ride.

Smarter styling. Ford's Thunderbird-inspired lines have set the trend that the whole industry now follows!

Greater resale value. From the big, important items like specially galvanized vital underbody parts and long-life batteries... to the "tremendous trifles" such as extended-life light bulbs and stainless steel exterior screws... your Ford or Falcon will stand up better over the years. Will be worth more when time comes to trade.

And don't forget—Ford Dealers are quality dealers! We want to keep you happy after you buy... and this is your finest guarantee of value!

HAVE YOU PAID YOUR POLL TAX?

Even though you have paid your property tax, it is possible that you have not paid your poll tax.

Poll taxes were not assessed on your 1962 tax bill and unless you added poll tax payment to your tax check, you have not paid a poll tax and will not be able to vote in 1963 unless you do so.

POLL TAXES MUST BE PAID BY JAN. 31 TO VOTE IN 1963

Persons who reached their 21st birthday during the calendar year 1962 or who will reach 21 before an election in 1963 must apply for an exemption certificate at least 30 days before an election.

PROPERTY TAXES BECOME DELINQUENT AFTER JANUARY 31

mile southwest of the same operator's No. 1 Millspaugh, the dual prospect.

Location is 1,640 feet from the south and 1,320 feet from the west lines of 20-2-1&GN.

Humble Oil & Refining Co. No. 1 C. W. Meadows, Jr., 3/4-mile southwest offset to a recent 3 1/4-mile west extension to Canyon sand production in the Ozona East multipay oil and gas of Crockett County, four miles southwest of Ozona, has been completed from the Canyon sand for a calculated absolute open flow of 960,000 cubic feet daily, with gasliquid ratio of 17,120-1. Gravity of the liquid is 68.6.

Production was through perforations at 6,192; 6,211; 6,215; 6,225; 6,232; 6,245; 6,252; 6,261 and 6,309 feet.

Total depth is 6,373 feet, with 2 7/8-inch set at 6,372 feet. Derrick floor elevation is 2,532 feet.

Location is 660 feet from the north and east lines of 7-QR-D&SE.

The long extender, Delta Drilling Co. and Pauley Petroleum Inc. No. 1 Meadows, was finished Nov. 8, 1962, for a calculated, absolute open flow of 6.2 million cubic feet of gas per day, with gas-liquid ratio of 15,000-1, through 14 sets of single perforations between 6,271-6,410 feet.

PLEAS CHILDRESS RANCH HOME SCENE WMU MEETING

The Pleas Childress ranch home was the scene of a covered dish luncheon for the Woman's Missionary Union of the First Baptist Church. An oriental theme was used as members heard Mrs. Childress tell of missionary work in Japan.

The group was reminded of the workshop to be held at the church on Wednesday, Jan. 30. Mrs. Cash from Comstock will be the leader.

Preceding the meeting, the Round Table Book Club met and heard Mrs. Jim Carpenter review "Man and God in Washington" by Paul Glarsbard.

You are sure to get the best roof available when you rely on Cameron. First quality materials applied by experienced workmen and backed by Wm. Cameron & Co. No down payment, low monthly terms, call Wm. Cameron & Co. Phone 22601 Sonora.

club. Only 5 field goals were scored by the visitors and two of them came in the fading seconds of the contest.

The Ozona freshmen, who were completely outclassed by the McCamey first year men about a month ago, displayed tremendous gains Tuesday in whipping McCamey 39 to 36 in a double overtime.

Bill Carson hit a shot from the corner with just three seconds to go to tie the game in regulation time and then after a scoreless three minute period in which they missed two chances to win the game the local freshmen counted four points to McCamey's one to win.

In a game played earlier in the season, before the freshmen had a coach, McCamey played reserves a big part of the time in scoring a 34 to 13 win over Ozona.

Bill Carson was high for the game with 19 while Pon Seahorn had 13.

TAX-MAN SAM SEZ:

The fact that Internal Revenue collects 97% of our taxes without any enforcement effort on the part of Internal Revenue is one of the finest compliments to the American citizens that could be paid. The tax folks believe that most American taxpayers want to do what is right. They also want IRS to see that other folks do what is right. None of us want to pay any more than we owe but we are willing to do our share if the other fellow is made to do his share.

MRS. HUDSON MAYES ENTERTAINS BRIDGE CLUB

Meeting in the home of Mrs. Dick Henderson, the Friday Bridge Club was entertained by Mrs. Hudson Mayes.

High score winner was Mrs. O. D. West, second high Mrs. Bailey Post, high guest was Mrs. Pat Wood and cut prize went to Mrs. Joe Davidson.

Others attending were Mrs. Max Schneemann, Mrs. Sherman Taylor, Mrs. Early Baggett, Mrs. Ben Robertson, Mrs. Bill Adams, Mrs. J. M. Baggett, Mrs. Jake Short, Mrs. Hillery Phillips, Mrs. Eldred Roach, Mrs. Stephen Perner, Mrs. Ewart White, Mrs. W. T. Bradbury, Mrs. Joe Pierce, Mrs. Clay Adams and Mrs. Coralie Meineckie.

Screwworm Program to Halt March 31 Unless More Money Available

Austin—The Southwest Screwworm Eradication program will be stopped on March 31 unless by that time livestock producers and sportsmen have raised the remaining one million dollars of their three million dollar goal, the board of trustees of the Southwest Animal Health Research Foundation announced at its meeting here on January 3.

Foundation President Charlie Seruggs said the move could become necessary because the Federal Appropriation Bill specifies that federal funds cannot continue whenever non-federal funds are no longer available on at least a fifty-fifty basis. All of the non-federal funds will have been expended by March 31, and state funds, if appropriated, will not be available until after that date.

The trustees immediately issued an emergency appeal to livestock producers and sportsmen from all five Southwestern States to raise the required one million dollars. They voided their original policy of not asking producers to contribute more than once in an attempt to save the program.

In making the announcement, Seruggs remarked it would be a shame to have to terminate the program at just the crucial time when the screwworm menace is being brought under control. Texas, Oklahoma and New Mexico experienced only a fraction of the normally expected number of screwworm infestations in 1962, while Arkansas had none and Louisiana reported only two cases all year (both of them shipped in from infested states). States east of the Mississippi River which normally experience considerable screwworm fly movement from Southwestern States, reported only one case in 1962, Seruggs said.

The trustees pointed out that contributions from the livestock industry moved the three-year eradication program underway a full year ahead of schedule.

CARD OF THANKS

We wish to express our thanks to all our friends whose expressions of sympathy and helpful deeds did so much to ease our burden of grief. We will always remember with grateful heart.

The Family of Mr. Tom Gilbert

Speakers Booked For National Wool Growers Convention Jan. 20-23

Las Vegas, Nev. — The nation's sheep producers, determined to maintain their hard-won hold on improved economic conditions, have booked experts on every phase of the industry for the 98th annual convention of the National Wool Growers Assn., in Las Vegas, Jan. 20 thru 23.

Production, marketing taxes, research, domestic and international influences are all on the agenda, along with brief fun sessions and Women's Auxiliary events including finals of the Make It Yourself With Wool contest Monday night.

President Penrose B. Metcalf of San Angelo, Texas, who recently returned from a London Wool and Wool Textile conference will preside at business sessions and report on his two-year stewardship of the national association which has seen sheep producers move into a four favorable position.

Metcalf said that Congressman Harold D. Cooley will keynote the convention on Jan. 21. Many other speakers on subjects of interest to growers will be heard during the 4-day meeting.

Study Of Korea Is Featured By WSCS

Meeting in the Fellowship Hall of the Methodist Church Wednesday morning, the WSCS continued the study of "On Asia's Rim", under the leadership of Mrs. L. B. Cox, Jr. The entire group joined in the meditation.

The study of Korea was main topic. Mrs. Ewart White told of the geography and culture of its people. Mrs. R. A. Harrell's topic was the Church-Fervent but Divided. Mrs. Ruben Whitehead told of the Wesley Bible Clubs in Korea, and showed some pictures painted by the students of these clubs. Mrs. Joe Pierce, Jr., spoke on The New Nation and American Aid. Mrs. Cox gave a brief review of Okinawa and the Ryukus, their background, the church and its people.

Coffee hostess was Mrs. Clinton Whitt. Members attending the Bi-District meeting of the WSCS in Sterling City Tuesday were Mrs. V. I. Pierce, Mrs. J. A. Fussell, Mrs. W. R. Fleming, Mrs. S. M. Harvick and Mrs. Joe Pierce, Jr.

Others in attendance were Mrs. Bailey Post, Mrs. Bill Cooper, Mrs. L. D. Kirby, Mrs. Paul Perner, Mrs. Keith Mitchell, Mrs. V. I. Pierce, Mrs. Charles Williams, Sr., Mrs. S. M. Harvick, Mrs. W. R. Fleming, Mrs. Floyd Henderson, Mrs. Bud Cox, Mrs. J. A. Fussell, Mrs. Joe Pierce IV, and Mrs. Jack Baggett.

Jacquelyn Sue Williams Paul Howard Shackleton Plan Feb. Wedding

Mr. and Mrs. Troy Williams of Ozona announce the engagement and approaching marriage of their daughter, Jacquelyn Sue Williams, to Paul Howard Shackleton, son of Mrs. Hayward H. Shackleton, State College, Pa.

Vows are to be exchanged at the home of the bride, the Church of Ozona at 4 p.m. Saturday, Feb. 2, 1963.

Miss Williams, a graduate of Ozona High School, and a student at the University of Oklahoma, is the daughter of Mr. and Mrs. Troy Williams. She is presently employed as a civil engineer in the Panama Canal Zone. The couple will live in the Canal Zone immediately after their marriage when she plans to return to complete work toward her degree at the University.

JUNIOR SPROUTS GARDEN CLUB IN MEETING

The Ozona Junior Sprouts Garden Club met Saturday afternoon at the home of Mrs. Perry Hubbard. Arranging of flowers, Mrs. Post showed the girls how to range flowers properly. Demonstrations of projects for the flower followed. Members answered call by naming a kind of plant in the past month. Present: Marjorie Carnes, Bonnie Co. Connie Hubbard, Deborah Peggy Hagelstein and Louamy.

Office Supplies at the Store

A message from the Treasury of a free people

You, too, can help put down a threat to freedom

Uncle Sam has had some pretty conscientious help in the "freedom department" over the years. Some of the best-known contributors were an expert horseman named Revere... a group of amateur stevedores who made iced tea in Boston Harbor... and a party of revolutionaries who created an unsplitable nation under the shadow of a cracked bell.

Today the freedom which these patriots won for us is being challenged. And freedom will always need brave men to defend and preserve it. Men and women, like you.

You can do your share toward defending freedom by buying United States Savings Bonds today. The dollars you invest this way go right to work for your country now, as well as for your future.

How about buying a \$50 Savings Bond (the most popular size) next payday? The cost is only \$37.50.

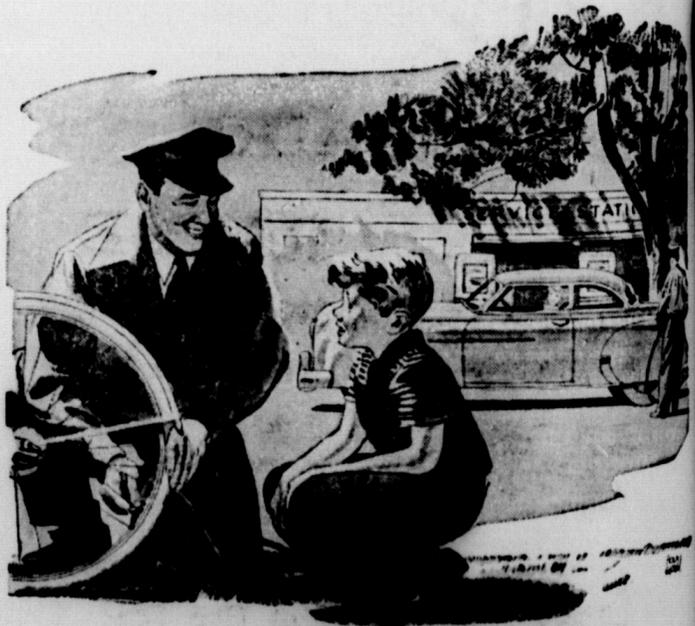

Best known for his midnight ride to Lexington, famous patriot Paul Revere also designed the first Continental currency, the first official seal of the Colonies, and the state seal of Massachusetts, still in use today.

Buy an EXTRA Bond during the Freedom Bond Drive

Keep freedom in your future with **U.S. Savings Bonds**

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

... with a Smile

Whether it means pumping up a bicycle tire or caring for your car—we're always ready to serve you. Taking care of your car means more to us than just keeping it supplied with gasoline and oil. It means the kind of top flight service

that adds thousands of miles to the life of your car.

Giving your car the care it deserves is our part in the progressive oil industry that brings better living to this community. Drive in today and let us serve you!

Beautification Project Launched By Women's Groups Results In Creation Of Live Oak Park, In-Town Beauty Spot

The origin and history of the Live Oak Park, a triangular beauty spot at the intersection of Highway 290 west of the bridge, is the result of a beautification project launched by Mrs. Bailey Post and other prime movers in the Ozona Garden Club Monday afternoon at the regular meeting of the club at the Ozona Station. Hostesses were Mrs. L. Elliott and Mrs. Nip...

On March 14th, 1960 the Committee met with the Commissioners Court to ask for approval, and assistance on the project. The county agreed to curb the west side of the park, pipe water to all areas of the park, under the supervision of Bill Cooper, and pay for the water used.

The Garden Club was to be responsible for the plants, grass seed, labor, and landscaping, until the park was well established.

Soon after this Otto Scherz, a landscaping architect from San Angelo, came to Ozona to advise the park committee on the landscaping plans to meet the requirements of the State Highway Dept.

Another source of assistance in the preparation for the planting of the park, came from the Soil Conservation Service. Dick Ketchum disked the soil, ordered and planted the first planting of native buffalo grass. Later Mrs. Charles Williams, Jr., gave more seed to replant where needed.

At the April 6th, 1960 meeting of the Ozona Garden Club, Mrs. Joe Pierce, Jr., revealed details of a contest for names to be submitted for the new park. On May 4th, 1960 Mrs. Pierce presented names that had been submitted from interested persons and voted upon. The name, "Live Oak Park" was chosen by vote of the club.

For the 1960-1961 year, the club continued the Live Oak Park as its Community Beautification Project. Activity workdays at the park were set for successive Mondays, except first Mondays when the club met, Sept. through Nov. Other days were set when needed. Members participated in planning and planting the rock garden at the east tip of the park, weeding, cleaning, and securing plants, with the help of several kind and enthusiastic husbands and friends.

Since the water system was completed, O. D. West has been most faithful and interested in keeping the park watered when needed. Mr. and Mrs. L. B. Cox, Jr., son, and helpers planted the attractive sotol hedge. Mr. and Mrs. Ira Carson planted the group of native greesewood. Mr. Mayfield hauled the rocks in for the rock garden, and Perry Hubbard placed them. The Ozona Garden Club is most grateful for the help and interest of all the business men who helped in any way.

In the fall of 1961 the late Mrs. Bert Couch gave a sundial and a favorite petrified rock from her ranch, on which to place the dial at the east point of the rock garden. Fred Spinks of Big Lake installed it as a courtesy to the club.

The 1961-1962 club year continued the Live Oak Park as its community beautification with the same committee. Mrs. Bailey Post as Chairman. The workdays were

yellow Deer Tongue Daisies are in bloom. It has been a pleasure to all club members to have a part in this community project. Plants in the park include: sotol hedge, senisa, agarita, ocotillo, red yucca, century plant, sacahuasta, evergreen sumac, desert willow, 3 live oaks, mesquite, redbud, greesewood, purple dalea, dwarf mallow, yucca, blue bonnets, huisache (deer tongue) daisies, cactus, devils head, hedgehog, barrel, petaya, and fishhook.

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas — GREETING:

You are hereby commanded to caused to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Crockett County, Texas, the accompanying citation, of which th herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Larry Joe May, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court 112th Judicial District of Crockett County at the Court-house hereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18 day of February A. D. 1963, to Plaintiff's Petition filed in said court, on the 10th day of October A. D. 1962, in this cause, numbered 3192 on the docket of

said court and styled Alena Faye Powers May, Plaintiff, vs. Larry Joe May, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Judgement of Divorce, that Plaintiff be awarded custody of children, and that Defendant be required to contribute to the support of said children, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Ozona, Texas, this 2 day of January A. D. 1963.

Attest: Leta Powell, Clerk, District Court Crockett County, Texas. 42-4c

sole, Charles Farris, David Childress, Ronnie Mason, James Montgomery, Win Saunders, John Horn, Steve Tallafem and Williams.

Lion Cagers

(Continued from Page One)

The top followed the first play.

The Ozona High School came from behind to take the lead in the last second of play ahead in the overtime game of the Sanderson girls 21 to 14. The game that had seen Sanderson all the way until the final minute only to be tied by Juan pressure tested two from the game and then lost when Lana Kay Alford hit for two goals while Sanderson could age but one.

Janie Gilliam was Ozone point producer with 24 points. Wagoner had 5 and Lana Kay Alford had 3. Sanderson had 17 in a losing cause.
