NUMBER 31

Menard Is Voted To Leave Dist. 8A

Menard Is Voted
To Leave Dist. 8A

By Ernie Boyd

Ozonia's Sikes Is Name
Chairman of New Dist.
4-65 Schedule Made

By Ernie Boyd

High School Principals and Coaches of
the new member of the new
District 8-A met in
Ozonia last Thursday to organize the
new district and to set up the football
schedule for the first year of com-
petition in 1964.

T. Sikes, Ozonia Superin-
tendent, was elected chairman of
the new district and J. A. Peltto, Ozonia
High School principal, was named
vice chairman. They will hold office for
two years.

The meeting, which was held
in the Chamber of Commerce
meeting room, was generally one of
good will and congeniality, with
no serious question arising during
the meeting.

At the one point of friction arose
over the request by Menard to be
allowed to leave the district and
to be placed in a district where
distances would be less.

Menard had already requested
permission from the Chamber of
Commerce to leave district 8-A
in a secret ballot. Menard lost
the request by a 7 to 1 count. A
unanimous approval is needed in
such cases and there is no appeal
from the decision of the dis-
trict.

Menard accepted the verdict ap-
parently without rancor and other-
wise no unusual matters were dis-
cussed.

The draw for the schedule was
made for Ozonia with the five
games at home and the five games
away being on alternate weekends
through the season.

The Lions, with eight district
games thus already contracted and
the McCamey game already sched-
uled for next season, completed a
contract still running with Bronte
and thus completed the 1964 sched-
ule.

During the meeting only foot-
ball business and things related
to it were discussed but it seemed
to be the general feeling of the
group that basketball would be
played on with a split or zone op-
eration with the two winners
meeting for the district title. Track
and cross country would present no
problem since a meet with nine teams
could be held with only five or six
teams.

The 1964 Ozonia High School
schedule is as follows: Sept. 4, Mc-
Camey here; Sept. 11, Bronte
here; Sept. 18, Sanderson here;
Sept. 25, Eldorado*, there; Oct. 2
here; Oct. 9, open; Oct.
16, Menard*, there; Oct. 23, Big
Lake*, here; Oct. 30, Sonora*, there;
Nov. 6, Iraan*, here; Nov. 17, Ran-
dom*, there.

New Predator Control District Organized; To Make Service Available

A new Predator and Rodent
Control District has been recently
organized with headquarters in San
Antonio, according to county agent
Pete Jacoby. The purpose of the
new district is to better render
service to the ranchmen needing
help with predators, primarily
through trapping service.

Hilton E. Bridgewater, assist-
ant agent, is stationed at San An-
tonio and is anxious to assist ranch-
men in Crockett county with any
needed rodent or predator control
problems.

Mr. Bridgewater recently ad-
vised Mr. Jacoby that since the or-
ganization of the new district, pre-
dator control service has been fur-
nished Reagan, Sutton, Iron and
Hunt counties. All of these
counties were furnished trappers
and club assignment for help with
predators and bobcat problems.

Any ranchmen in the county
needing predator trouble and wish-
ing assistance should contact coun-
ty agent Pete Jacoby for full part-
nership assistance that can be
furnished.

WHATINHELL DO YOU WANT WITH A C OF C?

Ozonia Away From Home Would 'Pack Up'
Chamber of Commerce Before It 'Ruins'
'The Best Place On Earth To Call Home'

The Ozonia Stockman,
Ozonia, Texas

Dear Editor:

I saw the picture of the Ozonia Chamber of Commerce in your recent issue and I cannot refrain from making a few remarks, which I hope are timely. Let me say in the beginning so there will be no misunderstanding concerning the impact of my remarks — "What in Hell do you want with a Chamber of Commerce in the town of Ozonia?"

Each week when I receive my copy of your good paper I see the slogan blazoned across page 1 — "Out in the West Where the Air Is Pure, the Climate Agreeable and the People Friendly — the Best Place on Earth to Call Home."

I am and, always have been, tremendously impressed with the truth of this slogan, and to hear Ozonians boast in Houston, Dallas and all over the country, I am positive that the vast majority of the people there have an opinion which coincides with my own. So — how can you

improve on perfection? Eloquent Chambers of Commerce have made California what it is today — a smog-ridden ant bed with 10,000,000 too many people in it.

Service clubs — the Lions, Kiwanis, Rotary, etc., are based on the do-good theory and have done just that in every community in the United States. Chamber of Commerce has the same motivating force but it places the accent on the word DO rather than GOOD.

Suppose the town of Ozonia, through the efforts of the Chamber of Commerce, should double its population. What in the world would you do with them and would the last two items in your slogan still be true?

Let's pack up the Chamber of Commerce and send it to Sonora and Eldorado with our compliments and sincere hope that they can use it.

Best regards to all my old friends in Ozonia — and especially to Oscar Kost.
Bryan E. McDonald
Box 368, Canyon, Tex.

Lions To Play Favored Owls In Home Game Friday

Big Lake Now Seen As
Leading Contender
For Dist. Title

By Ernie Boyd

The Ozonia Lions will return home Friday night to meet the heavily favored Big Lake Owls in their second district game of the season.

The Owls, who were not expected to be too tough in pre-season dope, have once again come up with a giant size squad and are now odds-on favorites to win the district title Eldorado, the pre-season favorite, has shown little thus far, dropping its first district game to Rankin Friday night in a big surprise.

The Owls have already posted a win over McCamey and a tie with Sonora, neither of whom could Ozonia handle, and will boast a tremendous size advantage over the small Lions Friday night.

Even though Ozonia has several gridders of some size, the balance of the squad is in the 130 to 150 pound range and limited reserves and, even worse a lack of speed will be against the Lions as they meet the Owls.

The Lions emerged from the hard played Iraan game without injury and are expected to be at near top strength physically for the contest, which will be the second for each team in district play thus far.

The big problem the Lions will face, will be the job of containing the Owls on the strong side where from center to end the offensive team averages over 200 pounds to the men in addition to having a 200 pound plus fullback to ram into the fray.

To counter, the Lions will have only one player over 190 pounds, even though they do have two reserves who exceed the 200 mark by slight margins.

Following the Junior High B games tonight a bonfire is to be set south of the playing field, and a pep rally held to boost spirit for the game, which, of course, should the Lions manage to win, would send them into first place in the district with a good chance of at least a tie for the title.

In order for the Lions to have any chance of winning, however, they must create some offensive power and so far, with small, slow backs and poor passing, that has not been possible.

The facts in the case are that the Lions are giving a great deal of effort, and there are among the
(Continued on Last Page)

Juniors & B Team Have Go At Iraan Here At 5:30 Today

Big Lake Downed Last
Week; Locals Seek To
Extend Winnings

By Ernie Boyd

The Ozonia Junior High and the Ozonia High School B team will be seeking wins to extend their winning streak to two straight this afternoon and tonight when they meet the Iraan Junior High and B team in games at Lion Stadium starting at 5:30 p. m.

Last week the Junior High team found the Big Lake Juniors unable to cope with them and won handily 38 to 0, with Tony Garza and Juan DeHoyos leading in the scoring.

In the B game which came off first, the Lion reserves rode the quarterbacking of George Cox and the hard running of fullback Oscar DeHoyos for a 20 to 6 win over the Big Lake reserves.

The game was in doubt until the final minutes when Cox broke loose on a 70-yard touchdown scamper that put the game out of reach for the Big Lake crew.

In previous games this year the Ozonia Junior High and B team posted wins over Iraan in Iraan and this week the Ozonia teams will be seeking to make it two in a row in both departments.

Salesmanship Course To Begin Monday Night At Chamber Commerce

A course in salesmanship offered by the University of Texas, Division of Extension, Distributive Education, will open Monday night at the Chamber of Commerce building for interested Ozonia business men and sales people.

The course is sponsored locally by the Chamber of Commerce, the four-nights course, 20 hours of instruction, being offered at a fee of \$2.50 each to cover costs.

The course is to be taught by Mrs. Mary Frances Bowden of the University of Texas, who has had a broad experience in personnel and administrative fields and in the retail sales field. Those interested in taking the course may contact Luther Walker at the Chamber of Commerce.

Mr. and Mrs. Dick Kirby and daughter, Karen, are back from McAllen, Texas, where Mr. Kirby, who is Crockett county auditor, attended an auditor's conference.

MORE CANDY, DOCTOR?

Lions Candy Sale For
Crippled Children Is
Halted - No Candy Left

The Ozonia Lions Club disposed of its candy for the crippled children camp at Kerrville before noon last Thursday and an all-day campaign came to a halt when the candy supply was exhausted.

Luther Walker was in charge of the sale with Raymond Sessom, Bill Watson, and Ernie Boyd in charge of three stations to be set up over town. However, the sales went so fast and so far beyond what was expected that the stands in the shopping center and downtown were out of business by shortly after ten and all reserve supplies were used to keep the stand at the post office open until shortly before 12 noon when it, too, had to close.

Lion President James Glynn expressed his and the Club's thanks for the quick response the people of Ozonia gave to the project.

.42 Inch Rain First Of Consequence In Ozonia Since May; Fall General

It must have been a tremendous weather upheaval to have finally shaken loose enough moisture to produce a fairly general, though light, rainfall in drought ridden West Texas last night.

But whatever the weatherman's "trough aloft" might have been, it produced the first significant rainfall in these parts in months. In fact, not since May has Ozonia received enough rain in quantity to wet the ground beneficially. September produced around three-quarters of an inch falling in four separate quickie showers of a quarter inch or less.

Although reports were scarce, the information available indicated that the rain, measuring .42 of an inch here, and said to have averaged about that over a wide scope of country, extended approximately from Fort Stockton to Killeen and from San Angelo to Del Rio.

Stubborn Defense, Lone TD Good For Lion District Win

Iraan Drops Home-
coming Dist. Opener
To Locals, 6-0

By Ernie Boyd

The Ozonia Lions punched across one touchdown and then rode out nearly three quarters of the best Iraan could give for a big home coming crowd last Saturday night as they posted a 6 to 0 win in their first district 8-A game.

The game from start to finish was one of hard hitting defensive play with the Lions holding a slight edge in the first half padded with one T. D. to overrule a slightly better Iraan second half that failed to produce any points.

The game started with a bang as Iraan pulled a neat reverse on the kickoff, got some very questionable blocking and got all the way to the Lion 42. The Braves, sensing their first win in several years, and at a frenzied peak, began their rattack with three single wing slashes that netted a first down on the Ozonia 31 and then collapsed as they were nailed for two straight losses and missed on a pass and gave up the ball at the 34.

The opening surge to the Lion 34 was the best the Braves were to make for the night, even though they did get a drive started late in the Lion 40 by inches.

Ozonia sewed up the game on a drive that began late in the first period after a short Iraan kick a strong wind. In fact, the game's one score came from the Lions choosing to take the wind instead of the ball.

The Lion drive got under way from the Iraan 45 with Vargas and Montgomery picking up key yardage until facing a fourth and 8 situation at the 15 Cooper rolled around right end on a boot leg play for 13 yards and a first down and Vargas cracked the middle for the game's lone score. Cooper's at-

Knox Motor Co. Sells Agency To Wooten Motor Co.

Chas. Wooten New
Owner Of Ozonia Land-
mark Motor Firm

Negotiations for the sale of the Knox Motor Co., the original North Motor Co., a landmark in Ozonia business district, were brought to a successful conclusion last week and the business this week became the Wooten Motor Co.

New owner of the General Motors car agency is Charlie Wooten formerly of Graham, Texas, where he was associated with a Chevrolet-Oldsmobile agency.

Sale of the business was announced by Robert H. Knox, who has owned and operated the business since its purchase following the death of Mrs. Joe North.

Mr. Wooten was for a number of years district manager for Commercial Credit Corporation with headquarters in Fort Worth. But for the last two years he had been associated in the Floyd Taylor Chevrolet-Oldsmobile agency in Graham, Texas.

Mr. Wooten announced that no changes in personnel will be made at present, with the exception of the addition of Billy Ward, formerly of Archer City, as parts manager. Mr. Ward has had many years of experience in General Motors parts management and will supervise the restocking of the parts department here. J. P. Pogue will continue as sales manager, Mr. Wooten announced and the service personnel will be unchanged.

"We will maintain a first class service department for the servicing of all General Motors cars whether purchased here or elsewhere," Mr. Wooten said. "We expect to maintain a service department that will be complete in every detail and manned by expert mechanics to service all cars. We will also maintain a complete and well stocked parts department for the convenience of our owners."

The Wootens, Charlie and Ann, have four children, Cynthia, 9, Charla, 7, Timothy, 5, and Michael, 4. They are members of the Baptist church.

"We have received a most cordial welcome in Ozonia and already feel at home," said Mrs. Wooten. "We know we are going to love living here. The people have been wonderful to us."

Downtown Merchants Drive For Funds For Christmas Decorations

A drive for funds with which to decorate the downtown area of Ozonia for Christmas will get under way this week, according to plans being formed by group of merchants within the Chamber of Commerce.

Funds solicited would be used to buy decorations of a lasting nature for the light poles in the business area and to supplement the already well done job of decorating the park.

Several organizations have already pledged help to the merchants if they show a willingness to get the project under way but the project is an expensive one particularly in its first year.

The type of decorations to be purchased can be cleaned and stored and used for a number of years and it is hoped that the modest beginning can be added to from year to year in such a way to make the decorations a real addition to the Christmas time beauty of the city in a few years.

The work of securing funds for the project will begin downtown this week, along with an appeal to anyone who might be interested.

The committee chosen to make the drive is made up of Jack Baggett, Nick Nicholas, Bill Cooper, Woody Mason, T. J. Bailey, Bill Wilson, and others yet to be named.

Mr. B. B. Ingham, Sr., spent last week-end in Abilene visiting her son-in-law and daughter, Mr. and Mrs. Bill Littleton.

"RIGHTS" NO ONE WILL ENJOY

It will be a sad day for all Americans, of all colors and creeds, if and when Congress yields to a contrived hysteria and ruthless political pressure to vote into law the misbegotten delusion known as the Civil Rights Act of 1963.

Our ablest Constitutional lawyers, including such luminaries as Loyd Wright of Los Angeles and John C. Satterfield of Yazoo City, Miss., both past presidents of the American Bar Association, and Senator Sam Ervin, Jr., acknowledged Constitutional authority in the US Senate, are agreed that the content of the Act is ten percent civil rights and 90 percent extension of Federal power.

The Act pretends to distinguish between civil rights and human rights — which is patently impossible since they are one and the same. It would control from Washington, through new regiments of Federal inspectors, investigators and the Federal courts, and even at the whim of the President, the conduct of virtually every business establishment as to whom it must serve, whom it must hire and fire.

Farmers, who may have considered the Act does not mean them, will find the Civil Rights Commission directing who shall be their tenants, drive their tractors, dust

their cotton, strip their tobacco, harvest their grain, milk their cows, shear their sheep and goats, — and to whom they may lease or sell their farms.

If Congress passes the Act, it will be destroying rights — even including that of trial by jury. It will not be granting rights to any citizens, since it will place the racial and religious minorities to whom it is ostensibly dedicated under the same despotism that all must endure. There is no millennium here. There is only madness and lust for power.

OMINOUS

Washington, we read, is "calm" in the face of the recent Russian muscle-flexing on the autobahn into Berlin. But the tireless Russians will probe further, to learn just where the breaking point of our patience is — if there is any breaking point.

Which makes us wonder. Official Washington is calm at the revelation that news of a 500 kiloton atomic blast in the Antarctic, set off after agreement on the Treaty of Moscow, was withheld from the Senate pending ratification, calm over Cuba, South Viet Nam, Tito, calm over the wheat deal that robs US taxpayers of their subsidy investment, that either rescues the Kremlin mobsters from their hungry slaves or stockpiles food for their war of extermination — of us.

We Wonder. Is the Washington Administration calm?

Or is it tranquilized — against terror?

RANCH RECORD BOOKS at the Stockman office.

Congressman ED FOREMAN Reports

Folks are still expressing their displeasure over Yugoslavia's Red dictator's visit to the United States. His scheduled overnight stay at Blair House was cancelled, and his visit in Washington was a five and one-half hour "working visit."

Under our expensive and wasteful foreign aid program, we have doled over \$2.4 billion in U. S. taxpayer aid to Yugoslavia. Tito has even started a foreign aid program of his own, with our money!

On October 3, Tito pledged a \$5 million loan to Bolivia. He'll be getting another fat U. S. foreign aid allotment from us this year. According to Bolivian President Victor Pas Esenssoro, Tito's generosity "has left a deep impression on this country." The United States last year gave Bolivia \$39.5 million and altogether, we've doled out some \$262 million to this country, yet she compliments Yugoslavia for her generous help. Since the Government in Bolivia has taken over private industry and runs a socialistic shop, it is apparent that all the U. S. dollars have failed to make much of an impression. It's nice to be able to finance not only our own, but our friendly enemies give-away programs!

This week it was revealed that the U. S. has just granted Sukarno's Indonesia a \$17 million emergency foreign aid loan. Altogether we've loaned this armed pro-Communist dictatorship over \$670 million. At the same time, we were granting Sukarno the emergency loan. It was learned he had just placed a cash order in the amount of \$20 million for three push jet powered airliners to add to his government operated airline fleet. Makes the "emergency" of the situation sound a little ridiculous doesn't it?

**G. A. Girls Elect
Officers, Pick Name**

The 9 and 10 year old members
of Girls' Auxiliary of First Bap-
tist Church met together Wednes-
day evening to elect officers and
to choose a name for their organ-
ization, Susan Boyd, acting pres-
ident, called the meeting to order,
and led in singing the GA Hymn
and in repeating the GA Star 1-
deals.

Elizabeth Truly was the name
chosen by the members for this
next year. Dr. Truly, a native of
Ballinger, and principal of a Bap-
tist college in Nigeria, is at the
present time on furlough in the
States, and plans to speak to a
large gathering of GA's in Ozona
on a Saturday in December.

Officers elected were Danda Do-
zier, president; Vickie Donham,
vice-president; Jan Jones, secre-
tary; Program Chairmen, Susan
Boyd and Deborah Matthews; Ste-
wardship Chairmen, Ruby Grun
and May Grun; Mission Study
Chairmen, Susan Black and Peg-
gy Hayes; Community Missions
Chairmen, Kathy Williams and
Kathy Brooks; and Social Chair-
men, Martha Simon and Susan
Thompson.

ON TOUR OF ORIENT

Mrs. Victor Pierce of Ozona is
on a tour of the Orient. She board-
ed a Japan Air Lines Jet Courier
at San Francisco International
Airport for travel to Tokyo, Hong
Kong, Manila, Taipei, Taiwan and
Honolulu in a twelve weeks tour.

The trip is being sponsored by
the Christian Herald, which is
sending a reportorial team on a
mission to gather information on
the impact of missionaries around
the world. Others in the group
were invited by the sponsors to
accompany the trip.

GIRL SCOUT TROOP 13

By Kathy Williams

Our troop met last Thursday
at Mrs. Ernie Boyd's house. Our
leaders are Mrs. Strickland and
her assistant, Mrs. Boyd.

At the meeting we planned our
future program and elected offi-
cers.

We are starting to work on one
of our most important badges this
year. Most of the work for this
badge will be at troop meetings
but part will be at home.

Beecher Montgomery and James
Scott of Ozona won the partner-
ship low ball golf tournament in
Sonora last Sunday. They scored 5
under par. Around a dozen Ozona
golfers made the tourney.

Warren Tallaferro announces
sale of his television repair busi-
ness to LeBleu TV of Ozona. Tal-
laferro expressed his appreciation
for the patronage he has enjoyed
while in business in Ozona.

Fashion Hints; Votes
Cooperation On Park**

The Ozona Woman's Club met in
the home of Mrs. L. B. Cox, Jr.,
Tuesday, with Mrs. John R. Bailey
assisting hostess.

The club president, Mrs. O. D.
West, presided over a business
session preceding the program.
Mrs. Frank Johnson was elected to
membership in the club. The group
voted to cooperate in the Crockett
County Memorial Fair Park pro-
ject and to enter the Sears Com-
munity Foundation contest. The
club also voted to aid the General
Federation project of restoring the
base of the Statue of Liberty which
will become the museum of immi-
gration, telling the story of Ameri-
ca's greatness through the in-
fluence of the many nationalities
who make up the American people.
Each club is asked to contribute
10 cents per capita for this pro-
ject.

Mrs. Bailey Post as program
leader introduced Mrs. Marshall
Montgomery of the Womn's Forum
who gave a sketch — How to Be
a Sole-Eyed Siren of the Sixties.
Her original sketch was a satiri-
cal take-off on Fashion, in which
Mrs. Montgomery managed to give
many helpful hints. She was as-
sisted by Mrs. Vic Montgomery of
the Woman's Forum and Mrs. John
Lee Henderson of the Woman's
League, as very clever models.
They were presented potted plants
by the leader, Mrs. Post.

Mrs. Hubert Baker, who is Texs
Federated Women's Club chair-
man of Continuing Education, at-
tended the recent meeting of the
State Board in Austin and report-
ed to the club on the meeting.
Mrs. Baker reported that 55 adults
are registered in Texas for the
adult education projects of the T-
FWC and the University of Texas
to encourage home study. There
are 21 subjects available for home
study and any club woman com-
pleting two courses becomes eli-
gible for membership in the hon-
orary Society Epsilon Sigma Om-
icron. The price is \$3 per course
and the 1963-64 goal is at least
one member from each club enter-
ed in a study course.

Mrs. West poured during the tea
hour. Others present were Mmes.
Max Schneemann, Stephen Perner,
Will Baggett, Ira Carson, J. A.
Fussell, N. W. Graham, Floyd
Henderson, J. W. Henderson, Jr.,
B. B. Ingham, Roy Killingsworth,
Ben Lemmons, Ivy Mayfield, El-
dred Roach, O. L. Sims, Charles
Williams, Sr., Taylor Word, and
guests Mrs. Clinton Glover of Ab-
ilene, Mrs. S. A. Man of Wichi-
ta Falls, Mrs. Mdden Read and
Mrs. Paul Perner.

FRIDAY BRIDGE CLUB

Mrs. Hudson Mayes entertained
the Friday Bridge Club last Fri-
day in the home of Mrs. Dick Hen-
derson. High score was won by
Mrs. Eldred Roach, low by Mrs.
S. M. Harvey and cut prize went
to Mrs. Clay Adams. A gift was
presented to Mrs. Willie V. Strick-
land of Junction, a guest.

Other members attending were
Mrs. Early Baggett, Mrs. W. H.
Bunger, Mrs. Sherman Taylor, Mrs.
O. D. West, Mrs. Lovella Dudley,
Mrs. Stephen Perner, Mrs. Ben Ro-
bertson and Mrs. Joe Pierce, Jr.

Our Thanks

**To The Good People of Ozona
and Crockett County**

For the Generous Patronage We Have Enjoyed

In Operation of the

KNOX MOTOR CO.

As we turn over the business to the new owners, the
WOOTEN MOTOR CO., we would like to express our
appreciation to all our friends and customers for their
patronage and for their friendship. It has been a real
pleasure to serve you and to live among you.

Sincerely

ROBERT H. KNOX

**NEWS for truck owners
who need a new one now**

**Things Chevrolet has developed
since the last time you bought to
give you more for your money:**

Double-wall construction. This fea-
ture of Chevrolet cabs and the Fleetside
pickup body has two advantages. Insula-
tion and sound-deadening material is
sandwiched between the two layers of
steel in the cab to give you more comfort;
in the body, the lower inner wall acts as
a buffer against load damage, preserving
the outer appearance of the truck.

Suspension to fit the truck. Conven-
tional half- and three-quarter-ton models
have independent front suspension with
variable rate coils in the rear. Variable
rate coils do not "bottom out" as readily.

Mediums and heavies have I-beam
suspension with variable-rate leafsprings.
It automatically stiffens as the load
increases—and vice versa. It means a
smoother, flatter ride regardless of load,
a better handling truck.

The right engine. Chevrolet never has
been in better position to give you the
type and size you need for maximum
efficiency. Today there are many differ-
ent capacities of gasoline and diesel

Chevrolet truck engines—fours, sixes,
V8's.

Stronger frames. Every conventional
1964 Chevrolet truck has a ladder-type
frame. This type is more resilient, better
able to give with the load and terrain.
Its simple design also makes it easier to
mount special bodies on the truck. Its
riveted side rails are stronger.

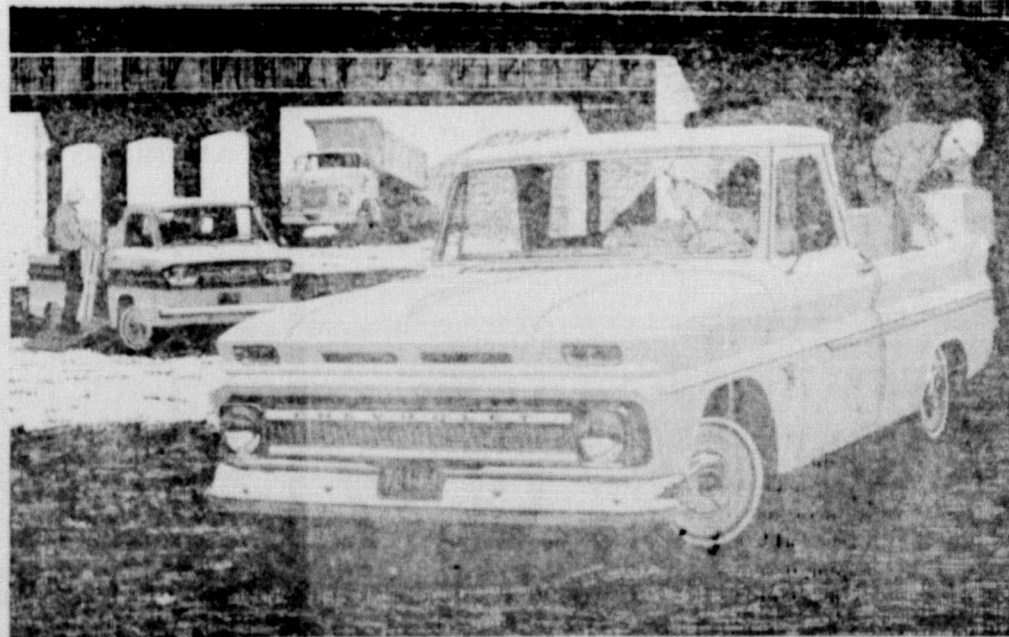

Greater model selection. This time
you're going to find it a simple matter to
pick the exact type of Chevrolet truck
for the kind of work you do. In delivery
trucks, for instance, in addition to regu-
lar panels and pickups, we have eleven
different sizes of ready-made walk-in
vans, some with full-width rear doors.

Quality and value. Chevrolets today
are a lot more truck than your money
bought the last time, and yet the price
tag is just about the same as 5 or 6 years
ago. Call your Chevrolet dealer for infor-
mation or for a demonstration.

Quality trucks always cost less!

1964 CHEVROLET TRUCKS

Telephone your Chevrolet dealer about any type of truck

"Dear God..."

When Grandmother was a girl, prayer was no stranger to her. She learned early to turn her thoughts to God and to ask Him for courage and for guidance.

The country was younger then. Men were still probing physical horizons in search of a better life for their families. Their quest took them to the sea in ships, or along the danger-filled trails to the West. Sometimes the women shared their peril. Other times, they stayed at home and waited, and that was even harder. But whichever their course, they prayed.

Our horizons are different today, and our lives filled with less danger. But we need prayer just as much — if not more — than we did in Grandmother's day.

Copyright 1963, Keister Advertising Service, Inc., Strasburg, Va.

Remember that prayer is our greatest source of strength. If the habit of prayer has become unfamiliar to you, start rediscovering it by attending church services regularly.

 Candy Griffin, Soph.

In contrast to previous years, the Lions' Roar Staff will be composed entirely of volunteer members. This is in view of the fact that there is no journalism department in OHS this year.

EDITORIAL

"Clothes make the man," is an oft quoted proverb, and it might be especially applied to high school students. Good impressions are made and lost because of our appearance. We cannot depend on the impression we made the first day of school; we make a new impression each day.

A person who covets a vision of soft femininity when he thinks of a girl at "sweet sixteen" may be disillusioned by one who comes to school with her hair in curlers, without make-up, and wearing bluejeans and a sweatshirt. In the same manner one's fancy of what a boy should be may be disappointed when confronted with an unshaver, uncombed example.

Even if we do not care to make the existence of our fellow student's more pleasant, it is a proven fact that we feel much better when we are clean and neat.

We have a responsibility to others and ourselves each day in the way we groom ourselves.

33 GIRLS REPORT FOR BASKETBALL PRACTICE

By Shirley Wagner

On October 15 the girls began practicing basketball. There was a very good turn-out of thirty-three girls, two managers, and a statistician. The girls, as well as the coach, feel they have a good chance to go far this year.

On Friday, October 25, the thirty-three girls will be reduced to twenty-four girls. At this time there will be on 'A' or 'B' teams. The reason for the reduction is it is impossible for one person to handle all thirty-three girls. The girls out for basketball are as follows:

Seniors: Janie Gilliam, Diana Coates, and Shirley Wagner.
 Juniors: Diana Couch, Ruthella Nicholas, Yvonne Martinez, Sandra Martinez, Rosario Sanchez and Lucy Payne.
 Sophomores: Mary Jo Walker, Patricia Allen, Celia Houston, Lana Kay Alford, Fannie Everett,

Suzanne Lewis, Vicki Lynn Montgomery, Lynn Cox, Donna Moore, Jacque Meadows, Helen Hayes, and Mary Payne.

Freshman: Lenora Farris, Cookie Coates, Cynthia Appel, Esther Williams, Lelie Mitchell, Robbielyn Miller, Kay Kyle, Jill Applewhite, Cynthia Mahon, Jo Ann Lewis, and Pura Maskill. The coach is Ron Murdock. Our manager are Alice McKeke, head manager, and Patsy Sessom, assistant manager. Pat Womack is the statistician.

This year's schedule is as follows:

- Nov. 19 — Rocksprings at Rockspring A&B.
 - Nov. 22 — Mertzon at Mertzon A
 - Nov. 25 — McCamey at Ozona A&B.
 - Dec. 2 — McCamey at McCamey A&B.
 - Dec. 5, 6, 7, — Eldorado Tournament at Eldorado A
 - Dec. 10 — Mertzon at Ozona A
 - Dec. 12 — Lakeview at Ozona A&B.
 - Dec. 19 — Comstock at Ozona A&B.
 - Dec. 30 — Lakeview at Lakeview A & B
 - Jan. 2, 3, 4 — Lakeview Tournament at Lakeview A
 - Jan. 6 — Rocksprings at Ozona A&B.
 - *Jan. 10 — Sanderson at Sanderson A
 - *Jan. 21 — Eldorado at Ozona A
 - *Jan. 28 — Rankin at Ozona A
 - *Jan. 31 — Iraan at Iraan A
 - *Feb. 4 — Sanderson at Ozona A
 - *Feb. 7 — Eldorado at Eldorado A
 - *Feb. 14 — Rankin at Rankin A
 - *Feb. 18 — Iraan at Ozona A
- * means District Games

JUNIORS TO DELIVER MUMS TOMORROW AFTERNOON

Tomorrow the Junior class will be delivering mums to the people throughout Ozona who purchased them. Those purchasing mums can expect the mums sometime between 3:40 and game time, which 7:30. Those not at home when the mum is delivered, if the door is open, can expect the mum to be in the refrigerator.

Additional mums will be on sale at the ticket gate tomorrow night for the benefit of those who didn't buy one and would like one.

OHS HONOR ROLL FOR FIRST SIX WEEKS RELEASED BY PRINCIPAL

The list those making the honor roll the first six weeks has been announced by Mr. Peito. Each student's grades must average 90 or better. Grades for every subject except P. E. and Band are included in this average. A student cannot make a C and still be eligible for the honor roll. Those making the honor roll are Seniors: Dina Faye Coates, Leroy Cooper,

Brad Harris, Scott Mahon, Janet McAlister, Barbara Alice McKee, Rodney Stewart, and Shirley Wagner, Juniors: Vicki Applewhite, David Childress, Pete Garza, Rick Hagelstein, Marcia Haire, Joel Huff, Linda Leath, Sandra Martinez, Yvonne Martinez, Catherine Miller, and Sharlyne Vinson, Sophomores: Lucille Childress, Mary Lynn Cox, Nancy Deland, James Donham, Candice Griffin, Helen Hayes, David Jacoby, Barbara Kirby, Suzanne Lewis, Jacqueline Meadows, Vicki Montgomery, Donna Moore, Drake McKinney, John David Stokes, and Steve Taliaferro, Freshmen: Cynthia Appel, Rex Bland, Connie Bradford, Cora Coates, George Cox, Katherine Kyle, Lelie Mitchell, Michele Oakley and Esther Williams.

BAND PREPARES FOR MARCHING CONTEST

The Ozona High School Band is in the process of learning its marching drill for the interscholastic league contest to be held November 16.

There are three requirements that must be completed before winning sweepstakes. A band must win a first division in marching sight reading, and concert. This year the marching will be held in San Angelo and concert and sight reading in Abilene.

Last year was the first year, in a number of years, for the Ozona Band to win Sweepstakes, and it has even a better chance of winning again this year.

OHS STUDENTS TO TAKE TESTS

By Rick Hagelstein

Achievement test will be administered to all the student of Ozona High School on the fifth and sixth days of November. These are given annually to the students in an attempt to gauge their scholastic

(Continued on Page Seven)

\$28 MILLION

... has been spent recently for construction and expansion of industrial plants in our service area.

\$27 MILLION

... has been spent recently for commercial construction and expansion in our service area.

\$34 MILLION

... has been spent recently for civic improvements by cities and counties in our service area.

\$89 MILLION

... worth of expansion provides tangible evidence that this area faces GROWTH UNLIMITED.

Many times we have expressed our belief in the future of our service area by saying it faces growth unlimited. The huge expenditures from sources listed above are proof that our confidence has not been misplaced. In the light of such evidence of what is taking place here today, we know that the 405,000 people in our service area of 30 counties and 166 communities face a future of growth, progress and prosperity.

Put 'er there pal!

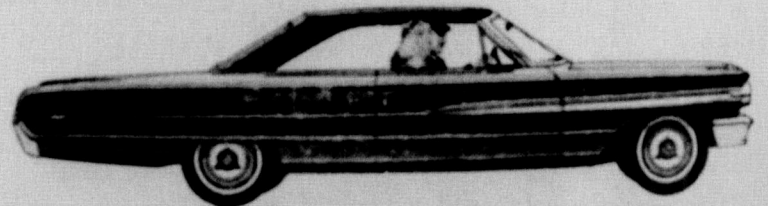

There's only one place you can discover Ford's new total performance '64...the driver's seat...and your Ford Dealer invites you to put 'er there today!

What's Total Performance?

It's the end result of knowledge gained in open competition... a new ride, ruggedness and response bred into every '64 Ford.

But words alone can't tell you how much Fords have changed. You have to test-drive the cars themselves. The seat of your pants may not be very scientific...but you'll get the message!

'64 Super Torque Ford—hundreds of pounds heavier, it's smoother, stronger than any in its field!

'64 Fairlane—new family car with sports-car feel!

'64 Falcon—the completely new compact!

These tests are the Iowa Test of Educational Development.

The achievement tests are administered by the teachers and sent off to be electronically scored.

It takes about six weeks.

The test, which is designed to measure the student's ability to think critically and to apply facts to new situations, is divided into sub-tests.

These sub-tests measure the student's understanding of Social Concepts, General Background in Natural Sciences, Readiness of Expression, Ability to Interpret Reading Materials in Social Studies, Ability to Interpret Reading Materials in Natural Sciences, Ability to Interpret Reading Materials, General Vocabulary, Uses of Sources of Information.

WHAT IF:

What if the Girls' Basketball team won state?

What if Janie could read shorthand?

What if the girls had to buy their own mums?

What if they had chartered buses for the homecoming and all sports?

What if Fife taught H. E. and Miss Fife taught shop?

What if they had parking meters in front of the school?

What if Pelto got drafted?

What if the weather gets cooler, and the end of football season starts circulating about deer season?

What if this year the season opens November 16, the Saturday after the district football game, that day the Band goes to marching?

ing contest and chances are someone will try to get out of going to the contest so they can go hunting.

Someone said there is an abundance of deer this year, and there will be some that will get well over the limit. (not really).

Every year Mr. Pelto has trouble with a certain few that can't seem to understand why they have to go to school during the first week of deer season. These students usually end up in detention hall after school.

GOSSIP

What is "Leopard Lady's" true identity?

Is it true, some students in High School have never gone snipe hunting?

Which Freshman girl forgot to get tough with cue? Did it hurt Jo Ann?

Which Sophomore girl has been giving a Freshman boy the "hairy eyeball", especially on the bus? Could it be BK?

Is it true Gary Boyd plans to be a Driver's Education instructor?

Is there a new fad of "Buck Day" in OHS?

Are silent car parades frequent between first and second periods?

It is true that some Seniors are driving new cars? Or has Douglas just touched up his pick-up?

KEITH MITCHELL HONORED FOR HIGH SCORE ON NATIONAL MERIT SCHOLARSHIP TEST

Keith Mitchell and Andie Elliott have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMQT) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

J. A. Pelto, the school's principal, has announced that the Commended student scored well and that Keith's score of 142 was only 1 point shy of the required 143 for finalists.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 1, 1934

Rev. R. A. Taylor of Victoria was assigned to the pastorate of the Ozona Methodist Church in the appointments read at the annual West Texas Conference in San Antonio. Rev. J. H. Meredith, who has been here seven years, was assigned to the pastorate at Uvalde.

Opening fire on plans for the formation of a new organization to look after the interests of the sheep and goat and wool and mohair producers, T. A. Kincaid, president of the Sheep and Goat Raisers Assn., of Texas, this week issued a statement outlining the accomplishments of the present association.

W. E. (Red) Smith lost four front teeth Tuesday while saddling a bronc on the Warren Clayton ranch. The horse threw up his head striking Smith in the mouth.

A warning to operators of motor vehicles to make sure both headlights and tail lights are burning at night on streets and highways was issued this week by Sheriff W. S. Willis.

—30 years ago— Mrs. Chas. E. Davidson, Jr., had her car stolen Wednesday morning in Temple during the half hour she left it parked and locked near Scott & White hospital.

—30 years ago— Wayne West is carrying one hand in bandages this week as a result of an encounter with a scotch cutter. The tip of one finger was snipped off when he put his hand too close to the cutting knives.

—30 years ago— Texas relief clints have taken such a fancy to goats on the hoof that State agencies report that it now appear unlikely that any of the animals bought in the government's drought relief program will be available for the relief canning operations. "We are issuing them alive to relief clients at the rate of 3,000 to 4,000 a day and this morning we haven't a surplus goat in our pens," said a relief spokesman at Austin.

—30 years ago— As a child health promotion project, the Ozona Junior Woman's Club voted to buy 24 tooth brushes for needy children.

—30 years ago— Miss Tessie Kyle, daughter of Mrs. Walter Kyle of Ozona, became the bride of Chalmers Broadfoot, former manager of the popular Variety Store here, now of McCamey, in a quiet ceremony at the home of the bride's mother.

—30 years ago— Miss Tessie Kyle, daughter of Mrs. Walter Kyle of Ozona, became the bride of Chalmers Broadfoot, former manager of the popular Variety Store here, now of McCamey, in a quiet ceremony at the home of the bride's mother.

CODY FUNERAL HOME

OZONA, TEXAS

**Mrs. Clay Adams
President Ladies Golf,
Bridge Association**

Meeting last Thursday at the Country Club, the Ladies Golf Association elected new officers for the coming year at a luncheon. Hostesses were the outgoing officers Mrs. Marshall Montgomery, Mrs. Carl North, Mrs. George Bunker and Mrs. Gene Lilly.

The Halloween theme was used on the U shaped luncheon table consisting of candies, fruits and other ornaments.

New officers elected were: president, Mrs. Clay Adams; vice-president, Mrs. Dempster Jones; secretary-treasurer, Mrs. Brock Jones; corresponding secretary, Mrs. Jess Marley; publicity, Mrs. Joe Pierce, Jr.

The president appointed Mrs. Jimmy Barbee as golf chairman and Mrs. J. B. Parker, bridge chairman, for the coming year.

Trophies presented at this time were to Mrs. Clay Adams for bridge in a tie for the golf trophy for the year were Mrs. Dempster Jones and Mrs. Jimmy Barbee, which is to be played off. The Pierce trophy for low putts for past 3 months was won by Mrs. Jones. The Country Club Pro, Marlon Smith, presented a trophy to the lady making the most improvement and lowering her handicap for the past year to Mrs. Dempster Jones. Runner up was Mrs. Jimmy Barbee.

Mrs. Jack Baggett won the blind bogey in golf for the day. Bridge hostess was Mrs. Tommy Harris. Bridge winners were, high Mrs. George Bunker, second high Mrs. Byron Williams and cut Mrs. Marion Robertson.

Mrs. Henry Miller was welcomed into the club as a new member.

Guests present were Mrs. Willie V. Strickland of Junction and Mrs. F. H. Whitehead, Jr. of Comstock. November 14, the luncheon hostesses will be Mrs. John Childress.

Other members attending were Mrs. C. O. Walker, Mrs. J. S. Pierce, III, Mrs. Eldred Roach, Mrs. Charlie Black, Mrs. Early

**Mitchell Speaker At
Woman's League Meet**

The Ozona Woman's League met Tuesday in the home of Mrs. John R. Hunnicutt in a regular meeting. Other hostesses were Mrs. Hilary Iglehart and Mrs. Brooks Dozier.

J. A. Pelt, high school principal, introduced Keith Mitchell, recipient of the League's science scholarship. Keith was one of about 300 students chosen from approximately 3100 to attend a six weeks course in science, sponsored by the National Science Foundation. The Ozona student's score in competitive tests was in the upper ten percent. He attended a physics course at Texas A & M.

Keith shared his experiences with the club women and told them that he felt they had helped him for the future in both the social and academic atmospheres.

Other guests were Mrs. Jack Jones, Mrs. G. K. Mitchell, Mrs. Joe Williams, Mrs. Bill Seahorn, and Mrs. Larry Arledge.

Baggett, Mrs. John Childress, Mrs. W. E. Friend, Jr., Mrs. Jack Williams, Mrs. Ashby McMullan, Mrs. George Montgomery, Mrs. John Lee Henderson, Mrs. Byron Stuart, Mrs. Tom Mitchell and Mrs. Mike Clayton.

Lions vs Owls —

(Continued from Page One)

the troops Coach Hickman sends to the field each Friday night some very good football players. Others will be fine ball players next year, and a few may be farther off than that, but at least for the moment nothing can be done about these things except try hard and use everything you can think of, or borrow that might help.

Football is a game that is not determined either by size or speed in all cases, but a combination of the two is almost invincible and a lack of the two is just about disaster.

Ozona lost five or six players in the last 2 years who moved away all of whom would have been outstanding, and in addition had four or five more fall through scholastic failure. With all nine of these boys, the Lions would now be in first place with a real good chance of staying there. But that is crying over spilt milk. Maybe other teams around the district have had at least a little of the same

thing, but it is not likely that any have had it nearly to the extent the Lions have.

Of course, we hope that things will turn our way yet, but really all that could happen now is for our passing to improve and that would make the games closer, but not tip the scales.

All of the discussion about passing is of course even more so of running. If you don't have size you have speed, if you don't have great speed you must have quickness and agility and if you have none of these qualities you have courage, if you play.

Ozona has not had a team in a number of years that has worked harder and endured more hardships than the 1963 team. Many of the boys reported this summer rather badly out of condition and a number without having played in several years. But they endured the heat, sore feet, sore bodies and hard work and now are doing very well. They will do much better next year and with a little help which they may get from the B team, from freshman and soph-

and from those who will regain their eligibility, they may have happier days but at least for now, its gotta be "go get 'em Lions."

Lions Beat Iraan —

(Continued from Page One)

tempt either to pass or skirt right end for the extra points was smeared and that was the scoring for the night.

In all, the Lions managed to gain only eight first downs, five in the first half and three in the last half, while Iraan managed two first downs in the first half and then got four in the second half for a total of six for the night.

Cooper's 13-yard sprint was the Lions' longest play from scrimmage during the night and Iraan matched that with a run by its quarterback, John Smithson, in the fourth quarter, and added passes of 1st and 18 yards to boost their offense.

The Lions running game, mostly inside, with not a completing, a pass completion gained 146 yards net, as compared to Iraan's 94

rushing and 39 passing for net of 133 net.

It was hard to pick out outstanding players for the night as everyone was involved in so many plays. Bryan Montgomery carried ball for 43 yards on 17 carries. Iraan resorted to a number of hard hitting defenses in order to try and produce needed points, and it was surprising that the Lions were able to react to each new threat as they came.

Even though the game was of hard hitting defenses and considerable amount of time was lost from time to time, there were few penalties. Iraan had three and Ozona only one during the night's play.
