## Visit Ozona

### Hildebrand To Speak At Mass Meet Ozonans Thurs.

Frank Hildebrand, Jr., the man named by Governor Connally as the state's new Tourist Development Agency, to encourage tourism in the state and to help communities in cashing in on the tourist trade, will visit Ozona Thursday of next week and address a mass meeting of citizens at the courthouse.

Hildebrand is visiting Ozona at the invitation and under the sponsorship of the Chamber of Commerce. His visit is an aftereffect of a recent visit by a delegation from the Ozona Chamber of Commerce to Austin. The Ozona group at that time met with Hildebrand in Austin and extended him an invitation to come to Ozona to explain to people here the program being undertaken by the state to promote tourism in the state.

Hildebrand will arrive in Ozona before noon next Thursday, Nov. 21, and will meet at noon with the Ozona Lions Club. He will be dinner guest of the Chamber of Commerce directors at 6:15 p. m. and will speak at a mass meeting of citizens at the courthouse building at 7:30 p. m.

The public is cordially invited to attend the evening meeting. Mr. Hildebrand, who was superintendent of travel promotion for the Highway Department before being appointed to the new job, is an interesting speaker and has an interesting story to tell of the state's efforts to attract and entertain touring visitors.

A hunting trip has been planned for Hildebrand on Friday and he is expected to spend the night and go on the hunt the following morning.

## Anderson Final

### Component In Lions 33 Grid Season

By Ernie Boyd

The Ozona Lions will close their football season Friday night at the stadium as they entertain the Anderson Eagles. The kickoff is scheduled for 7:30 p. m.

The Lions can cop fourth place in the district 8-A race while a loss will leave Iraan, Ozona, and Anderson tied for the bottom spot in the league standing.

Anderson ran into a fired-up team and sustained a 33 to 14 loss to the Braves last week, ending a 29-game losing streak. The Braves in what would have been the season's biggest upset, defeated Ozona, played its first game of the season in Eldorado last week, but lost 20 to 14. In part to the great speed of the Eldorado team possesses and in part to one of the poorest officiating the Lions have known since the 1956 Iraan game.

The Lion offense showed well, with Richard Vargas turning in a fine job at fullback and Upham giving a great deal of help at left half in his second game of the season. Vargas picked up a net of 62 yards rushing and a 65 yard punt return for a touchdown recalled while Upham added up 56 yards.

The Lion offense showed well in its attempts to execute a pass option, which simply did not work for the Lions, and they might get nailed for some losses, trying to run it. In defense, the Lions hit hard on the best pursuit they have had this year. Bobby Ambler, who continued to a tackle position for

## Range Management Short Course Set Here Next Week

### A&M Specialist to Offer Instruction To Adult Class

A ranch & farm management short course for adults and their wives will be held Nov. 18-21 under the sponsorship of the Ozona High School Vocational Agriculture Department, according to L. B. T. Sikes, Superintendent and M. A. Barber, teacher of vocational agriculture.

Carl G. Anderson, Jr., ranch & farm management specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Economics at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Mr. Anderson holds two college degrees in Agricultural Economics, a B. S. degree from Texas A&M and an M. S. Degree from L. S. U. He conducted research in the field of farm management at L. S. U. In addition to college work and research work in farm management, Mr. Anderson has had several years of on-the-farm experience.

The short course is scheduled to begin Nov. 18th at 7:00 p. m. in the vocational agriculture building. Other meetings in the series of four will be held Nov. 19, 20 and 21, during the dates the short course is in progress. Mr. Anderson will be available to assist ranchers with individual problems, according to Mr. Barber.

A number of men have already signed for the 4 nights of instruction. Mr. Barber said. Any others interested in the short course should contact M. A. Barber. Wives are invited to accompany their husbands to this course. No fee will be charged the wives but \$2.00 is charged for the course.

## Mrs. Alvie Shurmon, Aunt Of Ozonan, Dies

Funeral services were held Monday afternoon in San Angelo for Mrs. Alvie Shurmon, 92, an aunt of W. D. (Bill) Cooper of Ozona, who died Thursday evening at her home in San Angelo.

Mrs. Shurmon was born in Panola county Jan. 1, 1871, but had lived in West Texas since 1889, and in San Angelo since 1910, with the exception of five years during which she lived in Fort Worth.

Survivors include two daughters, two sons, a sister, Mrs. Willie Hoover of Ballinger, (Mr. Cooper's mother), 11 grandchildren, 15 great grandchildren and one great-grandchild.

## If You Want To Vote Next Year You Must Pay Poll Tax As Usual

It's on again, off again, in the matter of paying the poll tax.

At the beginning of the tax-paying period, tax collectors urged taxpayers not to pay the poll tax, since it would be impossible for the collector to return the money.

But the voters of Texas decided in favor of retaining the poll tax last Saturday by soundly beating a proposed constitutional amendment to eliminate it.

Now, taxpayers must be urged to pay their poll tax in order to qualify for the privilege of voting in 1964 elections.

Mrs. Gertrude Perzy, deputy collector in the office of Sheriff Billy Mills, reminded Crockett county taxpayers, this week that unless the poll tax has been paid since the election, it has not been paid, since no polls were collected prior to the election. Those who paid their property taxes in October are reminded that their poll taxes have not been paid and they should bring or send the \$1.75 to the tax collector's office for each poll tax to be paid.

## Moore And Allen Angus Production Sale Of Bulls Set

Moore's Ranch, Eldorado, and Herman Allen, Christoval, announce their 13th annual Angus Bull Production Sale to be held at West Texas Livestock Auction Co. in San Angelo Saturday, November 23, starting at 12 noon.

Moore and Allen are offering 175 serviceable age bulls, 18 to 30 months old, in the sale. Each bull has been thoroughly tested and fully guaranteed "a satisfactory breeder when sold."

## Rifle Program, Range Plants To Be Added To 4-H

### New Programs Expected To Add Members To Crockett Club

Crockett County 4-H Club membership is expected to increase considerably this year, according to county agent Pete Jacoby, when two new programs are added to the over-all county 4-H Club program.

4-H committees are not in the process of organizing a 4-H rifle program in which 4-H members will be taught rifle marksmanship and gun safety. To carry on this program, an indoor 22 rifle range will be installed in the Junior Livestock Show Barn. The 4-H rifle program will be supervised by trained 4-H adult leaders.

Since 4-H rifle marksmanship is an activity and a result demonstration is required for membership in the 4-H club, a new range management demonstration program has been approved in which 4-H members may collect native plants along with growing and studying range plants as a demonstration. This program will allow boys and girls in the county to become 4-H members without being required to carry on a livestock feeding project.

Wildlife management projects are also available for 4-H members who have the necessary facilities to carry on such a demonstration.

In addition to learning the principles of livestock feeding and grooming, 4-H members are trained in judging livestock, wool and mohair, plant identification, range management and receive training in leadership, record keeping, wildlife identification and management, rifle marksmanship and gun safety.

4-H club work is the youth program of the Texas Agricultural (Continued on Last Page)

## Calvary Baptist Church Slates Revival Meeting

A week-long revival meeting is to be held next week at the Calvary Baptist Church, Rev. J. R. Vinson, pastor, announced this week.

The Rev. Harold Scarbrough, evangelist, will do the preaching and Harold Shaw will lead the singing. Services will be held each week-day at 10 a. m., Monday through Friday, and nightly services will be held at 7:30 p. m., with Sunday services at the regular hours.

A cordial welcome is extended the entire community to attend any or all of the services.

## Breathes Thru Buttonholes — Ozona Parents Race Death With Choking Baby To San Angelo

Luis Martinez, courthouse custodian, raced death for his two-year-old daughter last week and won.

With a button lodged in her throat, the baby, Alicia, was able to breathe thru the holes in the button and at the end of an agonizing 55-minute run to San Angelo Hospital, the child's face was blue from lack of oxygen.

The child sucked the button down her windpipe and it lodged so that the air passage was completely blocked except for the tiny amount she was able to get through the button holes.

San Angelo physicians, alerted when the parents left here with the baby, had everything in readiness and in a matter of minutes had unblocked the air passage to save the child's life.

## New Decorations To Put Christmas Spirit Into Downtown Ozona

More than \$2,000 had been collected to the first of this week by Ozona Chamber of Commerce committees soliciting funds for the initial outlay to bring an attractive downtown Christmas decorations display for Ozona.

Orders have already been placed for the materials, consisting of a lighted hanging scroll tipped by an attractive silver bell, and a garland of red, green and silver with which each light post is to be wrapped. The materials ordered will decorate the business section from Wooten Motors to Stuart Motors and from Woody Mason Motors to the Dairy Mart.

Bill Watson, chairman of the CC committee, expressed hope that the materials would be delivered in time to have the Christmas decorations up immediately after Thanksgiving. The materials are of a permanent type, designed for reuse each year.

## Dale Carnegie Course In Self Improvement To Be Offered Here

A 14-week Dale Carnegie Course is to be started in Ozona next Monday, November 18, leaders of a sign-up campaign under way here this week indicated.

The Dale Carnegie course in effective speaking, human relations, memory and leadership training for men and women, is being offered to men and women who deal with the public and wish to improve on their ability to speak and more effectively deal with others.

The class will be held one night each week for fourteen weeks and is limited to 44 members.

Robert H. Nutter, Dale Carnegie associate sponsor for Southern New Mexico and far West Texas, of El Paso is to teach the class. Mel Odum has been here this week assisting in the sign up, and is being assisted in turn by two local graduates of the course, Sheriff Billy Mills and cafe man John Held. Anyone interested may contact any one of these persons for further information.

## Womans League Makes \$660 On Annual Bazaar

The Ozona Woman's League counted a total of \$660 in profits following the close of their annual Bazaar staged in the shopping center here Tuesday.

Home made, home baked and hand made were most of the items offered in the sale and this year's collection was declared more beautiful and more attractive than in many years past.

One of the booths was dedicated to a fund for use in the proposed new civic center building, a project recently initiated at a meeting of a group of interested citizens. This booth, to which the women's clubs of Ozona contributed as a joint project, realized a profit of \$105.

Donna Moore, daughter of Mr. and Mrs. Buddy Moore, was the winner of the beautiful Christmas tree skirt.

## Crockett Voters Swat Effort To Scuttle Poll Tax

### Light Vote Here But Count In Line With Statewide Results

Crockett county voters joined the rest of fed-up Texans Saturday in slapping down the concentrated, statewide drum beating efforts of the liberal elements in the state to scuttle the state's poll tax and substitute therefore a system of voters registration.

And by about the same margins the 164 voters who took the trouble to go to the polls in this county Saturday turned thumbs down on two other proposed amendments and adopted by a thin margin, as was the case statewide, the extended welfare expenditures proposal.

By a margin of 117 against to 47 for, voters in this county expressed disapproval of the proposed repeal of the poll tax provision.

The second proposal on the ballot, the provision to raise the limit of expenditures for assistance to the needy aged, needy disabled persons and needy children, was approved in this county by a margin of 86 to 69.

The Number 3 proposal, which, on its face, was a purely local issue in Jefferson county, proposing to allow the establishment of a retirement, disability and death benefit fund for all appointive officers and employees of the county, was turned down decisively over the state. Voters here disapproved it 98 to 64. Opponents of the measure saw in it a "gate opener" to extend this movement throughout the state.

Also defeated here, 95 to 63, and statewide was the fourth proposed amendment, which would add another \$150,000,000 statewide bond issue to finance veterans land purchase program.

## Eldorado Eagles Cop 20-0 Decision Over Ozona Lions

### Boyd Calls Officiating Worst Lions Have Ever Encountered

By Ernie Boyd

The Ozona Lions came to play last Friday night but three long runs, along with some of the poorest officiating the Lions have encountered in the last seven years, propelled the Eldorado Eagles to a not-too-richly deserved 20 to 0 win.

The Eagles, who were roundly outplayed by the Lions in the first half, got their first score with just over four minutes to go when half-back Ronnie Williams took a hand-off on a reverse and raced fifty yards for a score, with Marvin McAngus converting the point after touchdown.

The first Eagle score came after the Lions had gotten a TD called back on a clip, called by an official half the length of the field away, then followed by the ignoring of a flagrant foul against the Ozona kicker, seen by the official but not called.

Had the foul been called, it would have been the Lions ball with a first down on the Eagle 25, and chances are Eldorado would not have scored in the first half regardless of how the Lions fared on their drive.

The touchdown play came with the Eldorado left guard badly off sides and two backs in motion, but of course not called. A flagrant clip occurring just in front of one official on the long run called for an admonishment from the official to the Eldorado player, but did not result in a penalty or the recall of the play.

But enough discussion of the officials, except that they got no better as the game progressed. The crowd was small and so the officials (Continued on Last Page)

**NEW RULES**

The seventh anniversary of the momentarily successful Hungarian Revolt of 1956 was signalized in the U. S. by the sale of 1.2 million bushels of corn, reportedly worth just under two million dollars, to the slavemasters of the Red Kadar regime.

This gesture of business-as-usual with the Communist double-crossers whose tanks crushed out the lives of the patriots and the hopes of freedom thirteen days later, and after withdrawal of Soviet troops had been promised, gives us no more to cheer about than the off-again, on-again bargain sale wheat deal with the Kremlin.

Had the US responded, however unofficially, in 1956, to the Hungarians' plea for help in the very course we had been urging upon them, such commerce would long have been a routine, honorable and mutually profitable transaction between free and sovereign powers. Instead, it initiates the new US policy of trading with the enemy.

The wheat deal, announced by President Kennedy at his October 9 news conference, involved about four million tons at the world price, an estimated \$250 million, and was contingent on its delivery and use in the USSR and Eastern Europe only, and on its shipment

in American vessels "when available".

There have since been reports, however, that a quantity of this vast reservoir of sustenance would go to Castro, and the whole deal, temporarily held up because the Reds won't pay our higher ocean freight rates, must await a maneuver by the US Mari-time Commission that will declare US vessels "unavailable" unless they accept this cargo at reduced rates.

Nor does it sit well with the taxpayers that US buyers must pay \$2.34 a bushel for the wheat the Russians buy at \$1.79 — especially when the difference represents a gift to the Communists of the tax money spent on subsidy.

And here again, as in obliging the Reds with the test ban they were so anxious to hamstring us with, we have asked nothing in return for our concessions — not even free access to West Berlin.

Most shocking of all, however, is this colossal aid already given the enemy; and still more Soviet bloc deals may be expected to follow — in corn, other grains and cotton. Much has been made of the contention that such items are non-strategic, but so long as arsenals contain non-nuclear weapons, cotton is a sinew of war.

And old-timers will remember a slogan of two world conflagrations that tightened millions of

**Ozonans May Appear On Friday Morning N.B.C. Today Show**

Ozonans may get a glimpse of two former Ozonans on national television Friday morning.

Mr. and Mrs. Chris Perner were in Puerto Rico while the NBC Today show was being filmed there for broadcast on the early morning show. Mr. Perner's parents, Mr. and Mrs. Stephen Perner, have been advised that the picture in which they appear is to be telecast on the Friday morning Today show. They'll be behind the calypso band, Mrs. Perner advised the parents.

Mr. Perner is employed with Lockheed Aircraft Corp., and had been sent from Charleston, S. C., to St. Thomas Island to assist in a missile firing test. The recent hurricane in that area forced his temporary evacuation and he and Mrs. Perner spent the time in Puerto Rico.

It went something like this: "Food Will Win the War."

**WSCS Begins Study Of Southeast Asia**

The study of Christian Issues in Southern Asia was continued by the WSCS of the Methodist Church Wednesday morning in the fellowship hall of the church.

The study is under the direction of Mrs. Victor I. Pierce, who recently visited these countries.

### Ellenburger Wildcat Test Discovery

Shell Oil & Refining Co. will drill the No. 1-CV State University, a 9,600-foot Ellenburger wildcat in Crockett County 21 miles west-southwest of Ozona and three miles south-southeast of the recently opened one-well Howard's Creek (Canyon gas) field.

Location is 576 feet from the south and 751 feet from the west lines of 19-33-University.

It is also seven miles north of Canyon and Strawn gas production in a newly opened southwest portion of the Ozona, Southwest multipay field.

Shell Oil Co. and Texas American and Dual Drilling Co. No. 1-17 J. W. Henderson, in 7-BBB-GCASF, recently designated opener of the Ozona, Southeast (Canyon sand gas) field of Crockett County, 1 mile southwest of 2 Ozona and one mile southeast of a recent long extension to Canyon sand gas production in the Ozona, Southwest multipay field, flowed 25 hours, making 50 barrels of condensate and three barrels of water, plus gas at the daily rate of 1,403,700 cubic feet.

Flow was through a 32-64-inch choke and perforations at 5,749 to 6,346 feet. Tubing pressure was 580 pounds; casing pressure, 700 pounds.

Testing continued.

### Troy Williams Again Chosen to Head Concho Hereford Association

Troy Williams, Ozona ranchman, was re-elected president of the Concho Hereford Association at the annual membership banquet Monday night at the Town & Country Club in San Angelo. The association's 17th annual sale was held Tuesday at the fairgrounds in San Angelo. Breeders consigned 64 bulls to the auction.

Re-elected vice president was Stanley Turner of Big Lake. L. B. Cox, Jr., of San Angelo was

renamed treasurer, and Ed S. Hyman of San Angelo was again chosen secretary.

New directors are Rollin Campbell of Ballinger and P. H. Coates of Big Lake. They succeeded Ed

Cumbie of Bronte and Leland Wallace of Big Spring, whose terms expired.

Holdover directors are Dawson Coleman of Mies; W. F. Edmiston of Eldorado; Nolan C. Pentecost of

Sanco, and Lynn McInnis of Brownwood.

Feature of the program, which followed a delicious steak supper, was a film of the association's late summer tour last August that was

presented by Elmer Kelton, editor of the Sheep & Goat Raiser Magazine.

Hyman, in his report, said the association now had 37 paid up members. In the CHA-Texas An-

gus Association sponsored feeder-stocker calf sales during the last marketing season, Hyman said 16,175 calves were sold as compared with 11,000 calves during the 1962 marketing season.

**The News Reel**

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 15, 1934

Funeral services were held here Monday for W. Tom Brown, 66, truck farmer and filling station operator on Live Oak Creek, who was clawed and bitten to death by his pet bear near his home Sunday afternoon. His chest crushed, arms and legs badly mangled and his body a mass of deep claw and tooth marks, Brown died within a few minutes after being rescued from the enraged animal.

The approaching marriage of Miss Elizabeth Perner, daughter of Mr. and Mrs. Paul Perner, to W. A. Wilson, Jr., of Alpine, was announced at a beautifully appointed tea given Monday afternoon by Mrs. Massie West and Mrs. Boyd Clayton in the West home. The couple plan a November 24 wedding.

A ranch deal whereby Stephen Perner became owner of the Mike Friend ranch in Crockett county south of Ozona, was completed

here yesterday. The deal involved a ten-section ranch about 20 miles south of Ozona. Consideration was \$10 per acre cash.

Announcement of the wedding of Miss Velma Richardson, manager of the local San Angelo Telephone Co. exchange, to Flynn Sikes, Iraan merchant, on Sept. 23, was made here this week. The marriage took place in Rankin.

Sheriff W. S. Willis has placed an order for a number of large brooms to be used by county prisoners "lying out" fines in the county jail, in helping to earn their keep by sweeping Ozona streets.

Clint Shaw, Bart Westfall, Gene Linthicum, Tom Harris and Tom Murphey, all of Barnhart, have just returned from a fishing trip to Lake Don Martin, 136 miles into Mexico from Eagle Pass. The Barnhart men report that the number of fish in the lake is astonishing, and had they had sufficient conveyance they could have brought back enough fish for the whole town.

Betty and Billy Grimmer, twin daughter and son of Mr. and Mrs. Bill Grimmer, celebrated their tenth birthday Saturday with a party for school chums.

The people who live next door to us won't have to go far to buy their Pontiacs and Tempests any more. And, however far you are from us, we think we're close enough to make it worth your while. Though the showroom is the eye-catcher of our establishment, the real customer-catchers (and customer-keepers) are elsewhere. For instance, in our service department. It's all pretty clean right now; pretty soon it will be respectably called as major and minor repair and body jobs are skill-

fully completed. However, the main customer-catcher/keeper is our whole employee organization; you will find them courteous, friendly and skilled in helping solve any auto problem you may have, whether it's buying, selling or servicing. Oh, yes, and don't forget those other customer-pleasers, Pontiac and Tempest. Attractively priced and ready to go, the '36 Wide-Tracks are waiting for you to come and take them for a spin. Make it soon — and make it with us.

### Cagers Launch New Season Nov. 19 Rocksprings; Wanted, Some Height

By Ernie Boyd  
Ozona High School girls basketball team will have some height but little height again as they open their season on Nov. 19th.  
Ron Murdock will have the first line reserve and two first line reserves last year's team on the bench. The team will begin the season this year with several other squads in the Ozona area. Last season, but once again, the Ozona squad will find it difficult to gain many rebounds on the defensive boards.  
Some of last year's forwards are back in the Ozona team. Lana Kay Alford, Janie and Shirley Wagner slated for the first game. Gilliam and Shirley will be seniors this season. Both were scoring at a good clip as the season ended.  
The Lionsesses will be nearly so well off but will be in the district Diana Coates area.

long with first line reserve Rosario Sanchez and little Vicki Lynn Montgomery, who played a good bit toward the end of last season.  
Lyn Cox will be used both as a guard and a forward and will doubtless see a good deal of action as well Gail Johnigan.  
Missing from last year's team are such performers as Pauline Maness and Robin Jones but with help from a number of B team graduates like Sandra and Yvonne Martinez, Suzanne Lewis and Fannie Everett and newcomer Mary Payne the team should be improved this year.  
The Ozona team will not play at home until they entertain McCamey in Ozona on the 25th following a trip to Mertzon on the 22nd.  
It is expected that Rankin, Sanderson, Eldorado, and Ozona will be the only teams competing in girls basketball with the new league alignment announced for next year expected to bring Junction and Menard into a split district.

### Ozonan's Horse Tops San Angelo Sale Price

P. C. Perner of Ozona was co-signor of the top selling Quarter Horse Saturday night at the second annual sale sponsored by the Quarter Horse Association of West Texas in San Angelo.  
Perner's horse, Rwhide Blue, brought \$925. The gelding was purchased by Susan Martin of Aspermont.  
Second highest selling horse was a mare, Doll Buck, owned and consigned by Bob Ballenger of Midland. Brantley and Jackman of Camp Wood paid \$750 for her.  
A Gaylord Hankins 1963 stallion colt was the third highest priced animal of the sale. Hankins, of Rocksprings, sold the colt to Pardee and Jacobson of Arcadia, Fla. for \$725.  
A mare, Tahoka Miss, also consigned by Hankins, was bought by Monroe Marburger of Chicago for \$700.

### First Baptist Ruth Class Is Reorganized

The Ruth Class of the First Baptist held an organizational luncheon at the home of their new teacher, Mrs. Lowell Littleton, last week, with fourteen prospective members and guests present.  
The re-organization of the Ruth class is the result of the establishment of a new adult department in the Sunday School. The former Ruth class had been inactive for nearly two years.  
Class officers elected for the new class were: President Mrs. Bill Gillet; Vice President, Mrs. Huey Ingram; Sec. and Treasurer, Mrs. Marlan Barber.  
Group Captains named by the group were Mrs. Garland Allen in Group I and Mrs. Bruce Mayfield in Group II.  
The new Ruth Class has been

assigned to Adult I with Mrs. Dora Thompson as Superintendent, leaving three womens classes and 3 men's classes in Adult II now under the direction of Doyle Perdue.

### BAPTIST WMU STUDY

The Woman's Missionary Union of the First Baptist Church met Wednesday for the mission study, "The Mandebaum Gate," led by Mrs. P. L. Childress.  
Mrs. Bob Lance played the national anthem of the country Israel, "Hatikvah" while Jewish refreshments of Mocha, Bagel and Sweetbreads were served. Mrs. Ted Lewis read the calendar of prayers. Mrs. Childress showed slides of Israel and Lebanon.  
Others present were Mmes. Mae Cormier, J. T. Keeton, E. F. Sharp, Ted Lewis, Bill Cavanaugh, D. Vinson, O. C. Webb, Q. A. Brentz.

Jess Sweeten, W. C. Smith, Roy Thompson, Bob Pitts, Huey Ingram, Granville Flanagan, Jack Mathews, Jim Carpenter, B. F. Greer, Ralph Simon, Lawrence Sands, R. E. Hardberger and Leslie Goerdel.

Mr. and Mrs. Brooks Dozier and Ozona football players, Mike Walters and Joel Huff, were in Austin last week end to see the Baylor vs Texas football game. Mr. and Mrs. R. A. Harrell were also in the stands to witness the exciting game.

### SWEET SALE NOV. 23

## EDITORIAL

By Carletta Hedrick

Indifference is a word of which most of us know the meaning. It goes along with an I-don't-care attitude that a lot of us have.

We "goof off" and don't study for tests and fail or near fail a few. Then, instead of studying really hard to make up our grades, we might say "Well, I'm going to fail anyway, so why study?"

Now everyone knows that he shouldn't have this attitude, but it is hard sometime to justify one's lax studying habits and have to excuse himself in some way.

If everyone in school would try just a little bit harder and study just a little bit more and longer than this past six weeks, there will be less people to fail and more on the honor roll.

## PRIDE, LOYALTY, UNITY, AND WILLINGNESS MARK SCHOOL SPIRIT!

By Joel Huff

During the course of an average school year, "school spirit" is quite often brought to our attention. So frequently do we use this term, that we seldom stop to think of what it actually means to us.

School spirit has four basic characteristics. The first of these is pride in our school. If we have a feeling of true school spirit, we believe that our school is the best school in the nation, and we want others to feel the same way. For this reason no longer will we have to worry about students marking on desks, marking on walls, or throwing trash on the campus because they want everyone to be as proud of the school as they are.

The second characteristic is loyalty. This loyalty should follow

the same line as loyalty to our parents and country. It is a feeling of deep gratitude. We realize how much our school has given us and how little we can repay. Our school has given us not only an education, which is most important, but it has given us an opportunity to make friends, a chance to learn to cooperate with others, and self discipline. We can do so little to repay the school for these priceless gifts.

Willingness to work is the third characteristic. It follows that if we are proud of our school and want everyone else to be, we would be willing to work to improve the school.

Unity, the fourth characteristic, is always present with true school spirit. No longer do the students feel that they are separated and alone. Each student has a common tie — the school. Everyone has a place in the school.

If the student acquires an understanding of what makes school spirit, but does not put his knowledge to use, we are no better off than at the beginning. Only through the united effort of each student can we develop the spirit that is necessary for a successful school.

## SPORTS WHIRL

By George Kyle

This Friday the Lions play Sanderson in the last football game of their season.

Last Friday, Iraan won their first game in 30 games. They beat the Sanderson Eagles 32-22. Since the Braves won their first game in three years, school was let out the following Monday.

As things stand at this time, Big Lake should win district 8-A Big Lake plays Eldorado in the last district game. If the Owls win they will be champs: If the Eagles win there will be a three way tie for first among Eldorado, Rankin and Big Lake.

Some have already been looking forward to basketball and tournaments. The girls are looking forward to the tournaments because of boys.

Last Saturday, Texas slid by Baylor 7-0 in the most important game in South-West Conference play.

This week's South-West Conference schedule is: Arkansas vs. SMU at Dallas; Baylor vs. Kentucky at Waco; Texas A&M vs. Rice at Houston; TCU vs. Texas at Austin, Texas Tech vs. Texas Western at El Paso.

## STUDENTS MAKE PLANS FOR HOLIDAYS

Thanksgiving holidays are coming to OHS in two weeks. During these few days, several students will vanish from Ozona, until the next Monday morning.

Several of the students in OHS were asked what they were going to do during the holidays.

Among their answers some said that they were going to the ranch; others will be going out of town to visit relatives; and others will merely stay at home and sleep. One girl said she was going to the twirp week dance, but the majority of the students asked said that they were going deer hunting.

## GIRL BASKETEERS PREPARE FOR FIRST GAME

The Ozona High School girls' basketball team has been reduced to twenty-four girls. There is still no specific "A" or "B" teams.

The team is preparing for their first game which will be in Rock-springs, November 19. Coach Ron Murdock feels the girls have a very good chance to win.

The squad has a few requirements which make up "champs", and they are:

1. Will to win
2. Team work
3. Hard-work (practice)
4. Never give up

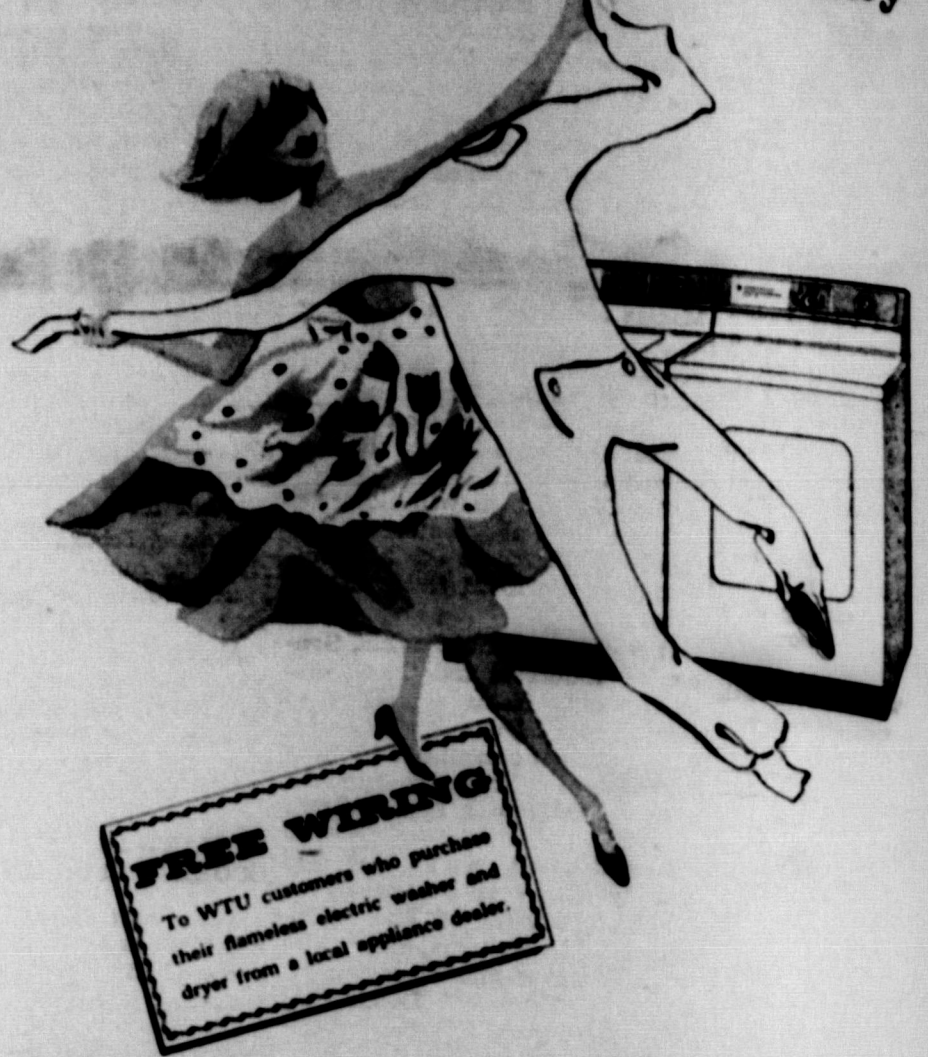

The captains of both "A" and "B" teams were selected on November 11. The "A" team has tri-captains as in Janie Gilliam, Shirley Wagner, and Diana Coates.

The captains for the "B" team are Donna Moore and Cynthia Mahon. Although these two girls are "B" team captains, this does not mean they are not eligible for the "A" team.

The twenty-four girls on the team are Seniors: Janie Gilliam, Shirley Wagner, and Diana Coates; Junior: Diana Couch, Sandra

# AMAZED.

I tell a few war stories — just like the rest. The censorship of good taste and modesty makes my experiences pretty drab. But Jerry thrills to them. He's proud of his Dad's Purple Heart!

My son would be amazed if I were to tell him the stories we never tell; our thoughts as we hit the beach . . . what it was like in those jungles . . . what war does to its dead . . . and its living.

And in other ways Jerry would be amazed; for he doesn't know me as a man who prays often. He can't realize the depth of my Faith. He has never met the brave chaplain who brought me in when I was hit.

I'll never tell Jerry *all of it*. I don't think God wants me to!

I pray that Jerry's may be a different world. I want him to learn day by day, step by step, what his religion will mean to *him*!

*That's why we're a church-going family!*

### CHOR ENTERTAINS

Wayland Baptist Interna-  
 tional Choir sang at OHS last Mon-  
 day. The choir is on its way to the  
 General Convention of  
 in San Antonio, where it  
 will give its last performance.

The choir consisting of fourteen  
 men and twenty women was dir-  
 ected by Mr. William Vessels. They  
 performed again on Monday night  
 at the First Baptist Church here  
 in Ozona, and left for San Antonio  
 Tuesday morning. The choir mem-  
 bers stayed in the homes of mem-  
 bers of the First Baptist Church.

### BOYS WORK HARD

Senior Trip  
 Richard Ross

In the late spring of the year,  
 the senior class of Ozona High  
 School may follow an honored tra-  
 dition by going on a senior trip.  
 Due to the limited means of the  
 school, Dallas will probably be the  
 reference instead of the usually  
 planned but unattainable trip to  
 New Orleans or Washington D. C.

The obtaining of the needed mo-  
 ney necessitates the students' work-  
 ing long hours at the conces-  
 sion stand. The location of this

stand may be the football field, the  
 gymnasium, or the rodeo grounds.  
 Several senior boys frequently sac-  
 rifice their afternoon study hall  
 in order to ready the concession  
 stand for business. Regardless of  
 the circumstances, there are al-  
 ways some stalwart seniors who  
 readily accept their responsibil-  
 ities.

The smoothness of the whole  
 operation does not lie entirely with  
 the class, however. The generous  
 gifts and cooperation of the public  
 help shorten the time between the  
 first football game of the season  
 and the last track meet before the  
 longed-for senior trip.

### BOY MEETS GIRL, OR (?)

GIRL ASKS BOY  
 By Carletta Hedrick

The old-fashioned and out of  
 date style of dating had the boy  
 asking the girl out and generally  
 being the aggressor.

A practice has started now with  
 the girl as the one who asks the  
 boy, furnishes the car and pays  
 for the date. This modern practice  
 is called Twirp dating.

During Thanksgiving holidays  
 the girls have their big chance to  
 snare that boy they have had their  
 eyes on for so long.

One can just imagine what is  
 going to happen — the boys are  
 going to force the poor girls into  
 bankruptcy and using her father's  
 hard-earned gas.

The grand finale of this twirp  
 week will be a dance at which the  
 girls must pay a dollar to get her-  
 self and her date in.

Since our school has never had  
 a Twirp Week before, it should  
 prove to be very interesting espe-  
 cially if one is planning to partic-  
 ipate in it.

### "SCHOOL SPIRIT"

By Freida Kay Noelke

When you yell, can anyone hear  
 it? Could it be, you lack school  
 spirit!

At the pep rally when we sing,  
 Are you just waiting for the bell  
 to ring? If you're just sitting in the  
 crowd to pout, forget your feel-  
 ings; come on and shout!

Next time you are at a pep rally  
 don't sit in the stands and dilly  
 dally! Make your team feel they  
 are wanted and not that they're  
 in a house that's haunted.

## Fall in love with your car again

Remember how proud you were of your new  
 car when you saw it in the showroom? We'd  
 like to do all we can to keep that car as close  
 to new as possible.

We know that next to your home, it's your  
 biggest investment and therefore deserves the  
 best care in the world. To us this means more  
 than just keeping it supplied with top-quality  
 gasoline and oil. It means extra service—the

kind of service that makes your car a pleasure  
 to drive while you own it, makes it worth more  
 when you trade it in.

Making friends with your car is our business.  
 And making that friendship pay off for you is  
 our job in America's competitive and progress-  
 ive oil industry. So why don't you bring your  
 car in today — and find out for yourself that  
 we mean all we say!

(Continued from Page One)

this game, Joel Huff, Pete Garza, and Richard Vargas had fine games. On offense, Mike Walters and Rick Hagelein had particularly good nights in opening holes in the bigger Eagle line.

The Sanderson clash will end the high school careers of seniors Leroy Cooper, Scott Mahon, Doug Moore and Bryan Montgomery. Cooper holds two letters as does Mahon, while Montgomery and Moore will be earning their first regular jackets, having received reserve letters last year.

The Lions began their 1963 season with only four returning regulars from last year's team in contrast to next season, when eight starters and several other first line reserves will return for action.

If the Lions can carve out a win Friday night, the season mark will show four wins and six losses which is, at least, as good as could have been expected at the season's start.

Coaches Fred Hickman and Sonny Cleere can for the first time in a number of years look back at a season that does not show a single loss where we could or should have won "if."

A losing season is always one that wears on players, fans and more particularly coaches. The Lions need to win this one for several reasons and it is to be hoped that Ozona fans will be on hand to encourage the team in this last effort.

Coach Hickman is expected to start an offensive lineup that will find Scott Mahon and Bryan Montgomery at ends, Rick Hagelein

and Mike Walters at tackles, Joel Huff and Pete Garza at guards and Bobby Amthor at center. In the backfield the Lions will have Leroy Cooper at quarterback, Darrell Maney or George Cox at half backs and Richard Vargas at fullback.

If the Lions begin on defense the lineup will be altered with Alejos Tambunga in for Mahon who will go to safety and Larry Williams and Sam Cervantez in for Maney and Upham.

### Eldorado Wins -

cialis drew a rather small purse I suppose, but even that was far more than they were worth.

Following the Eagles first score they came back in a hurry for the second one. Richard Vargas returned the kickoff all the way up to the Lions 43 but with second and six Cooper was spilled for a 13 yard loss on a roll out and the Lions had to kick.

The Eagles got one good run to midfield and then Lynn Meador, running a reverse around the opposite end from the first one, raced 55 yards for a score untouched. Once again McAngus boomed the P. A. T. and that was the scoring for the first half.

The third quarter was scoreless as the Lions hit with all they had and had the Eldorado backs on the ropes with their savage tackling. But while the Lions were halting the Eagle attack the Eagles were strangling the Lions in the same manner and neither side threatened.

In the fourth period, the Lions mounted an offense that almost payed off with a score. With Upham and Vargas hitting inside, the Lions moved to the Eagle six, but there they tried to go wide on first down and lost five to stifle the threat with the ball going over on downs at the four.

The game's final marker came on a 58-yard run by Meador with just over six minutes to go in the game. This time the Lions smeared the effort to kick the extra point and the game was as good as over.

Ozona picked up 12 first downs to the Eagles 7 and had a net of 108 yards rushing and 51 passing as compared with the Eagles 252 rushing and 15 passing.

Ozona completed three of 5 passing attempts with one interception while the Eagles completed 2 of 4 attempts with one interception. Neither stolen pass figured in any further damage to the team losing the ball as the Lions had to kick after one series and the Eagles fumbled on first down and lost the ball back to the Lions.

Eldorado lost two fumbles to the
