Ozona FFA Teams Win Dist. Title; Area Contests

Chapter Conducting Farm Skills Teams For State

Teams from the Ozona FFA chapter won first place in district competition at Eldorado last Friday and as a consequence the right to compete for the state title at contests to be held in Spring Saturday, December 7. The local teams win first place at a statewide meet in Huntsville December 14.

Ozona FFA Junior chapter conducting team and the Junior farm team each won first at the district contests in Eldorado.

The Junior chapter conducting team is composed of George Cox, Bland, Dwight Childress, Upham, Don Leach and Dan Cooke.

The Junior farms skills team led by Bill Everett, Larry Montya and Jack Applewhite.

The Ozona teams were competitive against teams from seven other schools which make up the Eldorado District at the Eldorado contest.

The Junior chapter conducting, Ozona was first, Bronte second, Eldorado third and Sterling City fourth.

In other contests, Ozona teams were home with three second places in Senior farms skills, Bronte first and Ozona second, Eldorado in third place and Sterling City fourth. Ozona team members were Pen Seahorn, Steve Tallant and Keith Mitchell.

Ozona's Senior chapter conducting team placed second behind Sterling City and behind Eldorado fourth. Members of the Ozona team in this contest were Win Sanders, Ronnie Mason, Steve Hadero, David Lewis, Larry Williams, Gary Boyd and Billy Brown.

Ozona FFA chapter's radio team placed second behind Sterling City third and Lakeland fourth. Team members were Barbee, Jerry Johnson and Andy Pitts.

A fourth place in FFA quiz went to an Ozona team composed of George Cox, Rex Bland, Don Leach and Randy Upham.

Ozona Joins In Day Of Mourning To Honor slain Pres. Kennedy

A hushed quiet pervaded downtown Ozona Monday.

The flag at the postoffice floated at halfmast as did a half dozen flags in front of downtown businesses as the town joined the nation in a day of mourning for the assassinated president, John F. Kennedy.

All schools in the city were dismissed for the day and only essential businesses remained open through the day. Meanwhile, citizens here as all over the nation watched the solemn processions in Washington via TV sets, the remarkable box which three days before had put them within feet of the historic events in Dallas, including the assassination of the president and wounding of the governor of Texas by an admitted communist, and later the dramatic murder of the president's assassin in a Dallas night club owner.

IN-LAW OF OZONA COUPLE FINISHES TRAINING

Bydell AFB, Fla. — Second lieutenant James A. Bone of McCombs, Texas, has completed the training course for United States Army Force weapons controllers.

The lieutenant received his commission this year upon completion of the Air Force Reserve Officer Training Corps program at Southern Texas State College. His wife, Peggy, is the daughter of Mr. and Mrs. A. G. Walters of Ozona, Texas.

DOESN'T KNOW WHY HE DID IT —

COUPLE HELD UP IN HIGHWAY PARK BUT HOLDUP MAN RETURNS VICTIM'S UNOPENED BILLFOLD

A crime almost as bizarre as some of the events in Dallas the past few days had Ozona and Sheffield officers scratching their heads this week.

A 26-year-old Mesa, Arizona, man is being held in the Crockett county jail for investigation following a comic opera hold-up at the roadside park at the top of Lancaster Hill 35 miles west of Ozona on Highway 290 Saturday.

A young couple from Connecticut, on their way to California where the young man was to report for duty on reassignment in the armed forces, had stopped at the roadside park for a brief rest.

While they were there, a nicely dressed young man, driving a late model car, also stopped at the park. The young man strolled over to the couple's car and pulled a pistol and demanded the man's billfold. The young service man handed over his billfold and then the hold-up man asked,

"Are you people newlyweds?" The victim replied that they were not, that he was in the service and they were on their way to California.

"Well, then keep your billfold and go on," the holdup man said, as he tossed the unopened billfold back into the couple's car.

The service man and his wife beat a hasty retreat west, passing through Sheffield without stopping to report the incident.

However, Bill Cavanaugh, Ozona employee of the West Texas Utilities Co. was in the park at the time and saw what was happening. He took note of the license numbers of the cars involved and reported the incident at Sheffield.

Sheffield Deputy Sheriff Allen Graham called Sheriff Billy Mills here and officers at Fort Stockton. But after a short time the hold-up man drove into a Sheffield filling station and Graham arrested him.

He readily admitted the hold-up and told officers that he drove down a ranch road after crossing the bridge and threw his pistol into the Pecos river. Officers later attempted to recover the weapon but failed to find it. The pistol was an old one his father had given him, he told officers.

The California bound couple was stopped in Fort Stockton but declined to file charges against the hold-up man.

Sheriff Mills quoted the man as saying he had no idea why he committed the hold-up. He had more than \$100 in cash and a credit card, was well dressed and driving a late model car. Sheriff Mills says he has been unable to find any police record of the man. He claims to have suffered blackouts and asked to be permitted to see a psychiatrist. He had been to New Orleans and was on his way home, he said.

Three Cage Teams In Clean Sweep Of Night In Mertzon

Boys, Girls And Reserve Squads All Win Practice Encounters

By Ernie Boyd

Ozona basketball teams made a clean-sweep of three games with Mertzon in Mertzon last Friday night as the girls, boys and boys B team all won over the home club.

Coach Brooks Dozier's Lions were never behind as they won a rather easy 47 to 30 decision over the Hornets. The Lions ran patterns real well and mixed their defenses in a baffling way for the Hornets but their shooting was typical early season-to-worse, with a great number of layups missed in particular.

The Lion attack was sparked by Rodney Stewart who picked up 20 points and by David Childress who had 6.

Despite the fact that the Lions this year are very short they did find one club they could out-chin on the average.

The Hornets got good outside shooting from Larry Baxter who hit for 18 points but most of these came with the Lions holding a rather comfortable margin.

The girls found the situation a great deal different from the boys and had to stage a strong final period rally to edge the Mertzon girls 24 to 22.

Ozona jumped into an early lead but then saw the Mertzon creep ahead, and at one point led 12 to 5. The Ozona team was trailing 19 to 14 when the rally began and it was Janie Gilliam's two free (Continued on Last Page)

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since November 19th: Walter H. Verr Pault, Orlando, Fla., medical; Mrs. Burl W. Bowman, medical; James Matthews, Mansfield, La., medical; Sue Ellen Black, Big Lake, medical; Mrs. D. R. Carr, medical; Arnulfo Ortiz, medical; Mrs. Kenneth Gideon, Del Rio, medical; B. O. Alford, medical; Mrs. Margaret Powell, medical; Rev. J. R. Vinson, medical; and John Lee Henderson, Jr., surgical.

Patients dismissed: Mrs. Mike Pena, George Cherry, Mrs. Burl W. Bowman, James Matthews, Sue Ellen Black, Mrs. D. R. Carr, and Mrs. Kenneth Gideon.

B. O. Alford, 80, Buried In Rites Here Wednesday

Ozona Resident Past 6 Years Died Monday In Crockett Hospital

Funeral services were held at 2:30 Wednesday afternoon from the Church of Christ in Ozona for B. O. (Ottie) Alford, 80, a resident of Ozona the past six years. Burial followed in Cedar Hill Cemetery under direction of Cody Funeral Home of Ozona.

Mr. Alford died at 8:20 p. m. Monday in the Crockett County Hospital, where he had been under treatment for a heart condition.

Pallbearers were Garland Allen, F. M. Cooper, both of Ozona, Johnnie Poyner and W. L. Sterr, both of Big Lake, M. G. Wiswell of McCamey and T. M. Tolle of Odessa. Funeral services were conducted by Robt. Broyle, Church of Christ minister from San Angelo, assisted by the Rev. Max Brown, pastor of the First Baptist Church of Ozona.

Mr. Alford, a retired farmer, was born Sept. 23, 1883, in Rockdale, Texas. He farmed in Wilson county for 15 years, until 1956 when he moved to Ozona to be with his son, Quebe Alford, after his health had forced his retirement from farming.

He was married Dec. 2, 1902, in Rockdale to Lilly D. Overman. He had been a member of the Church of Christ since he was 14 years of age.

Survivors include his wife; two sons, Quebe Alford of Ozona and Bruce Alford of San Angelo; four sisters, Mrs. Lottie Wolf, Mrs. Maude Crane and Mrs. Beulah Pogue, all of Rockdale and Mrs. Ella Laramore of Austin; two brothers, Zeke Alford of Rockdale and Ernest Alford of Galveston; seven grandchildren and four great-grandchildren.

Attract Tourists To Boost Economy, Says Bureau Head

Frank Hildebrand, Jr., head of the Texas Tourist Bureau, addressed an interested group of Ozona citizens in the court room of the Crockett County Courthouse Thursday night, outlining the program that his Bureau will be involved in and pointing out the economic assets that will fall to the areas of the state that can capitalize on that tourist trade.

Mr. Hildebrand was accompanied to Ozona by his assistant, Walter Warner, who addressed the Lions Club briefly during the noon luncheon meeting.

During his talk, Mr. Hildebrand complimented Ozona on its civic pride and pointed out a number of ways that the town could improve its economic stance in stopping a portion of the over 2,300 cars that pass through the town daily.

Tourist trade is the third ranking industry in the United States and amounted to over 26 billion dollars in trade in the last calendar year, the speaker said.

Texas had its record peak in tourist trade in 1957 when the state derived over \$53,000,000 in tourist money but since then the state has not been able to attract (no effort was made in 1957 or since) that amount of tourist capital.

If Ozona could stop just one half of one percent more of the cars that pass through town now than they already do they could more than off-set the loss of the radar base to the economy Mr. Hildebrand stated.

Prior to the open meeting at the court house, Mr. Hildebrand and Mr. Warner were guests of the Ozona Chamber of Commerce at a dinner meeting.

Jess Hall — to speak here

Jess Hall To Speak At Rotary Meeting While On Visit Here

Jess Hall, former minister of the Ozona Church of Christ, will be the speaker at the Ozona Rotary Club luncheon Tuesday, December 3.

"The Road Back" will be Mr. Hall's topic for discussion. Early American education derived its meaning and purpose from Biblical faith. For the past century American education has been wandering about in the desert waste of naturalism, pragmatism, and secularism in a vain search for truth that will give it force and direction.

But like the prodigal son, American higher education is now left in despair at the very time when it is called upon to give leadership to our supposed-to-be Free World in its deadly conflict with communism," a preview of the topic reads.

The Jess Halls now live in Dearborn, Michigan, where he is preaching for the Dearborn Valley Church of Christ and they plan to be in Ozona for about one week beginning December 1. They are looking forward to a meeting once again with their many friends in Ozona.

Spot Shallow Wildcat On Shannon; Shell Gets Fifth Henderson Oiler

Mack Hays, Jr., Tyler, will drill the No. 1 J. M. Shannon, a 1,400-foot cable tool wildcat, in Crockett County, 12 miles northwest of Ozona, and 1 1/2 miles west of shallow production in the Vaughn multipay field.

Location is 467 feet from the south and 2-173 feet from the east lines of the northeast quarter of 25-UV-GC&SF.

It is approximately 1,650 feet northeast of Marathon Oil Co. No. 1 Bean, 17,896-foot failure, abandoned in Aug. 1962, after extensive tests of the San Andres through perforations between 1,286-1,480 feet; and of the Queen through perforations between 969-976 feet.

Fifth oil producer and a 3/4-mile southeast and the same distance north-northeast extension to oil production was assured in the Ozona, Northwest (Canyon sand oil and gas) field of Crockett County with the flowing of 64 barrels of oil, plus 10 barrels of load water, in 6 1/2 hours at Shell Oil Co. No. 1-27 F. R. Henderson, in 27-OP-GC&SF one mile northwest of Ozona.

It kicked off after operator started to swab, and flowed the above gauge through a 24-64-inch choke and perforations at 6,567 to 6,647 feet, which had been acidized with 3,000 gallons and fractured with 30,000 gallons.

Continental Oil Co. No. 1-1 J. M. Shannon, in 1-2-GC&SF, Crockett County Fusselman and Pennsylvania discovery, 14.7 miles northeast of Iraan and two miles west of the world, West (Strawn) field was continuing to test.

Fusselman production will be effected through perforations between 8,560 to 8,575 feet; production was assured earlier with the flowing of 44 gravity oil at the hourly rate of 28 barrels through a 19-64-inch choke.

Pennsylvania production is being effected through perforations at 8,306 to 8,320 feet; production was assured earlier with the flowing of oil at the hourly rate of 26 barrels through a 20-64-inch choke.

Slow Falling Rain Pre-Thanksgiving Gift To W. Texas

Moisture Welcomed As Winter Creeps In On Dry Ranch Area

Weather closed in on Ozona Wednesday and a fall-type slow rain which started in the night continued in the early day.

The rain had registered .62 of an inch at early Wednesday morning as this before-holiday early edition of the Stockman was going to press. And the rain continued and low-hanging, wet-looking clouds appeared to cover most of West Texas.

Winter has done a slow creep into West Texas this fall, instead of the usual "blue nosed" northerly typical of Texas, and West Texas in particular. This fall the nights have become progressively cooler and cooler, while the days warm up to a comfortable temperature. The first below freezing temperatures came during the past week, with a low of 30 for a short time one morning. The gradual change has resulted in trees and shrubs putting on a fall color and a slow drop as winter closes in.

Ellenburger Wildcat Set; Canyon Gas Field Gains New Producer

Continental Oil Co., Odessa, will drill the No. 1-63 Andrews Estate, a 7,600-foot Ellenburger wildcat, in Crockett County, 17.6 miles northwest of Ozona and 1 1/2 miles northeast of Ellenburger production in the Todd multipay field, but separated by failures, and the same distance north-northeast of the Todd, East (Ellenburger) field.

Location is 660 feet from the south and 2,280 feet from the east lines of 63-UV-GC&SF.

Gulf Oil Corp., will re-enter and plug back to 7,796 feet at the No. 1 J. B. Mayberry, former producer in the Tippett field of Crockett County, for completion attempt as a second lower Leonard oil producer and a 1,693-foot east-southeast extension to that pay.

It originally was completed on Nov. 4, 1947. No other information was available.

Location is 330 feet from the northeast and southeast lines of 39-31-H&TC. Ground elevation is 2,652 feet.

The discovery, the firm's No. 2 Mayberry, also a re-entry operation, was finished Jan. 9, 1963 for 188 barrels of 38.6 gravity oil, no water, with gas-oil ratio of 516-1. Production was through a 24-64-inch choke and perforations between 5067-095 feet.

The Ozona, Northwest (Canyon oil and gas) field of Crockett County gained its second gas producer and a 3/4-mile southwest extension to that pay with completion of Shell Oil Co., No. 2 F. R. Henderson, Jr., two miles northwest of Ozona, for a calculated, absolute open flow of 4.6 million cubic feet of gas per day.

Production was through perforations between 6,588-6,617 feet in 4 1/2-inch casing set at 6,800 feet. Gravity of the liquid was 55.4 degrees.

Location is 2,053 feet from the north and 2,380 feet from the east lines of 46-OP-GC&SF.

The gas opener, Humble Oil & Refining Co. No. 1 F. R. Henderson, Jr., was finished Aug. 1 for a calculated, absolute open flow of 4.4 million cubic feet of gas per day through perforations at 6,550 to 6,580 feet.

JOSEPH'S MOVES OUT

After many years of operation in Ozona, and after several months of "going out of business sales," Louis Joseph Sunday shut down Joseph's Department Store in Ozona. A moving van backed up to the business establishment Sunday and all remaining stock and fixtures were loaded on and moved out.

E. H. Webster of Howell, Maine, is here for a visit with his son, Dick Webster, and Mrs. Webster.

No Feeling of Guilt —

The entire nation was plunged into shocked sadness at noon Friday when John F. Kennedy, president of the United States, was assassinated and the Governor of Texas seriously wounded, on Main street in downtown Dallas while riding in an open car in a motorcade through the southwest metropolis.

And still another shock ripped the country when, before the slain president's body had been laid to rest, his killer himself was assassinated, also in Dallas, by a Dallas night club operator.

It would seem ironic that this bizarre tragedy should have happened in Dallas, which bears the reputation of being a center of culture in the southwest.

And of further embarrassment to Dallas is the fact that only a few weeks before, extremists there had given U. N. Ambassador Adlai Stevenson a bad time when he appeared in that city.

But there need be no feeling of guilt among the good people of Dallas nor among the people of Texas as a whole for that matter. The death of a president at the hands of a sharpshooter seems an impossible thing in a country as free and civilized as the United States. But the mere fact that the Secret Service men make elaborate preparations everytime the president appears in public is an admission that there are loose among us maniacs, extremists or whatever kind of person it is who would attempt the assassination

of a public official. Not every window, doorway, attic or manhole on a 15-mile parade route can be scrutinized by safety men. And one wild-eyed misfit, ensconced in an out-of-the-way cubicle can cast gloom over the whole world with one well placed shot.

So, the citizens of Dallas, (thousands of them had lined the streets for a tumultuous welcome to the president) can not shoulder the blame for the heinous crime committed by one deranged gunman. Nor should Texas as a whole feel a sense of guilt. Texas by the narrowest margin went for President Kennedy in 1960, but we have no doubt that many of those who voted against him were out on the streets to give him a sincere, rousing welcome to Dallas.

President Kennedy's administration was admittedly somewhat to the "left" as modern political thinking goes, but the "right" or as the communists are prone to make a dirty word of it as the "extreme right," does not deserve to feel a sense of guilt over his slaying.

As a matter of fact, the slain suspect, Lee Harvey Oswald was about as far left as you can get without being elected to office in the communist party. He was chairman of a pro-Castro group — and Castro admits to being a Marxist — he once defected to Russia and later changed his mind — he had less than an honorable discharge from the U. S. Marines —

and he himself freely admitted being a communist.

Every thinking American deplores such violence, is angered at such a vile attack on our president, and faces with heavy heart the passing of a leader, whether or not we favor his policies. Death by a bullet through the stomach fired by another assassin seems too good for the president-slayer, but the certainty of retribution, legal or otherwise, may prove the needed deterrent to any others who might in the future contemplate such an act.

Certainly Dallas and Texas as a whole are terribly sorry that this thing happened, but as for a feeling of guilt, there should be none, for, after all, the crime was committed by one crackpot, and he might have popped up anywhere in the nation.

GOD IS NOT DEAD!

Tragic as the assassination of a president of the United States is, the fact remains that the oft repeated adage that "no man is essential" holds true in the present situation.

In spite of the emotion-packed eulogies recited by the so-called news analysts and TV commentators and announcers through the three and a half days of concentrated TV telecasts on the subject, all is not lost, and the world's show must go on.

Every right thinking American abhors the assassination of President John F. Kennedy. It was an abhor the assassination of President and as such must be resented by every patriot of whatever political persuasion. The fact that in this case, Mr. Kennedy was slain by one of the world wide conspiracy which threatens ultimately to "bury us" makes it even more repugnant. Remember always that Kennedy's slayer was an admitted communist — and not a member of the "opposition right" or even the "extreme right," as some of the propagandists are already vaguely hinting.

But whatever your opinion of Mr. Kennedy's record in three years in the presidency, the fact remains that he was, after all, a man, of whatever ability his critics or admirers ascribed to him, and a politician who succeeded to the highest office in this land on the vote of a little over half the people of this country. His death is to be deplored but he is not God. God still reigns in his Hea-

ven and all will be right with the world.

Right And Left

From The Dallas News —

In the first agonizing hours after the assassination of President Kennedy, the assumption was made by many and openly expressed by a few that the blame for this hideous crime rested at the doorstep of the "radical right" in Dallas. Quite the opposite seems to be the case, making these assumptions and charges unfair. The man charged with the murder is pro-communist with strong "radical left" ties.

Lee Oswald defected to Russia four years ago, saying "It was like getting out of prison" when he left America. He told Soviet authorities at the time that he wanted to go to Cuba to fight with Fidel. Though he never reached Cuba, he has for some time now been serving the Castro regime by representing himself as an official in a pro-communist organization called The Fair Play for Cuba Committee.

This committee was founded in New York several years ago by a former newsmen and one-time convict who defected to Cuba two years ago when he was discovered to be on Castro's payroll. The committee — with chapters in many areas of the United States — is composed of leftists and outright communists.

A Senate committee, after a 14-month probe, labeled The Fair Play for Cuba Committee a communist front and FBI Director J. Edgar Hoover said it had been "heavily infiltrated by the communist party."

If it is true, as seems to be the case, that the President was assassinated by a pro-communist in Dallas, then perhaps it is also true that those who have been concerned about dangers from the "radical right" should be equally concerned about dangers from the "radical left."

The facts certainly indicate that communism is as much an internal, domestic menace as it is an external, international threat.

We have seen once again the murderous demonstration that the size of the domestic communist

is not the issue. Numbers mean very little in a conspiracy. Too many have scoffed at the danger by insisting that we have a mere "handful" of domestic Reds — forgetting that a single determined pro-communist can murder the President of the United States and plunge an entire nation into serious crises.

Extremist thinking and actions — right and left — too often lead to hysterical mania. Urgently needed at this time are balance and calm reasonableness.

DON'T YOU READ BEFORE YOU BUY?

And don't you sometimes re-read, study, compare, figure, measure, clip, save, and show to friends? When you're on the brink of buying, aren't you hungry for facts, features, dimensions, styles, colors, capacities, and prices? Print advertising puts people who are close to a purchase close to the kind of information they demand. Magazines, newspapers and brochures let them linger with your message for as long as they like. Print imparts important details, allows for colorful presentations, makes lasting impressions, takes people straight to the point—of purchase. Print makes sense because print makes sales.

EDITORIAL

By Joel Huff

History will count Friday, November 22, as one of America's blackest days. For on that day a great leader, vibrantly alive, full of energy, the leader of America, was struck down by the bullet of an assassin. Nothing can be added in this article expressing the sorrow of America that has not already been expressed much more eloquently by far superior writers. We can only include ourselves in the masses who stand shocked and hurt by the passing of our president.

Ironically this untimely tragedy occurred as we approach the season of Thanksgiving. No doubt the death of this great man will cause many Americans to wonder if we really have something to be thankful for at this time.

However, if there is one thing we should be grateful for at this time, it is the fact that we live in a country organized such that it can still function efficiently during a crisis such as this.

OZONA TOPS MERTZON

By Rodney Stewart

Last Friday night the Ozona Lions boys basketball team opened the 1963-64 season with a victory over Mertzon. The game played in Mertzon ended with the score being 47-30.

All of the Lions saw action with only two not getting into the scor-

ing column.

The 'B' team also won their game, played prior to the 'A' game, 50-20. Completely outclassing the Mertzon team, all but two of the 'B' teamers scored.

The girls won their first game of the season by defeating the Mertzon girls 26-24.

FFA WINS TWO FIRSTS

The Ozona F F A leadership teams did well last Thursday at Eldorado. The results were: Ozona first in Junior chapter conducting, first in Junior Farm Skills, second in Senior chapter conducting, second in Senior Farm Skills, second in Radio, and fourth in FFA Quiz.

The first and second place banners will be given to the chapter during the Concho District Banquet, December 9, in Luby's Cafeteria in San Angelo.

OHS STUDENTS PLAN THANKSGIVING HOLIDAYS

The question was asked "What are you going to do over the holidays?" to several students of OHS. Some of the remarks are:

Pat — going to Odessa
 Paul — going to Glass Mountains.

Leroy — I'm going to enjoy twirp week!

Janie — going to Houston
 Linda L. — stay home and sleep
 Dubby — going hunting for 2-legged deer.

Janis — ride around in old-blue
 Doyle — work his holidays away
 George Parker — going to eat lots of turkey.

Patricia — visit with her boyfriend who is coming home.

Fannie — run around with boys
 Mike P. — goof around and go hunting.

Joanne — going to her grandpas
 Betty H. — going to Eagle Pass

CONSTRUCTION...

Evidence of growth in WTU communities

Where is all the construction coming from in our service area? Well, a survey shows that \$89 million worth has been completed recently in new and expanded factories, stores, motels, shopping centers, schools, churches, public buildings, street paving, and other such improvements. Add to this figure the amount invested in new residences and apartment houses, as well as State and Federal expenditures, and you have truly great evidence of growth in the 166 communities we serve. Such facts as these again explain why we say our service area faces GROWTH UNLIMITED.

Kathy — going to Ft. Worth
 George Cox — lie, around
 Mr. Brentz — relax in the city of Ozona.

OHS STUDENTS STUNNED BY ASSASSINATION OF PRESIDENT KENNEDY

What was your first reaction to the news that the President of the United States had been assassinated?

Marcia H. — I was surprised that it could happen in this day and

age.
 Sharlyne V. — I was shocked!
 Kathy M. — It seemed as if it were a nightmare.
 Moe Barbee — I didn't believe it.

Donna M. — I refused to believe it at first. It seemed like a fairy tale. Even though I knew it was true, it seemed like a nightmare, and I guess I kept expecting to wake up and find everything back to normal.

Mary Ann P. — I didn't believe it when I first heard it.

Mr. Pelto — I thought there be a mistake. I hoped it wasn't critical. It was a personal loss.

When Buick builds a LeSabre... Buick builds a high-priced car, and puts a low price on it.

Lots of cars are in LeSabre's price class, but that's where the resemblance ends. For instance: Does anybody else in LeSabre's class treat you to that gentle Buick ride or impressive Buick performance and new gas economy? No. And who else gives you 15-inch wheels, finned aluminum front brakes, extra cushioning for middle-seat travelers, and separate heat ducts and controls for the rear seat? Right again. Nobody in LeSabre's field but LeSabre. If all this makes you think a LeSabre would look as fully nice in your garage, you should see how nicely it fits a budget. You know who to see about it, of course: your Buick dealer. Who else? Above all, it's a Buick.

the Secret of **THANKSGIVING**

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Does the "horn of plenty" make us thankful?

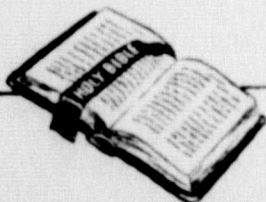

We do not become thankful by our abundance. The spoiled child lavished with gifts is not thankful.

It is not the horn of plenty, but the bigness of our heart that makes us thankful. The blessings God gives are infinite, but we must have the capacity to receive. Like a child who carries a bucket of water from the sea, we can only carry as many blessings as our heart will hold.

The capacity to receive comes through worship and prayer. We go into the presence of God and think deeply about our life. Understanding is awakened. With new eyes, we see our blessings and are grateful. We kneel poor, and rise rich.

Thanksgiving Day brings us a special opportunity for worship and prayer. Isn't this why we want to be in Church with our family? Here we discover the secret of thanksgiving.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Our guests of honor did not arrive.

A "Texas Welcome Dinner" in Austin, honoring President and Mrs. Kennedy and Vice President and Mrs. Johnson, was cancelled.

President Kennedy was assassinated in Dallas during the noon hour Friday, just a few hours before he was to be the guest of 3,000 Democrats of Texas at one of the largest honor banquets ever held in the Lone Star State.

He died of bullet wounds received while in a motorcade enroute to a speaking engagement at the Dallas Mart.

Also shot by the sniper seriously injured was Texas' Governor, John Connally, who was riding with the President.

Thousands of persons, including Texas legislators, heard the news enroute to Austin. Many continued their journeys to the capital . . . a city paralyzed by the shocking events. Hundreds joined the legislators in memorial services in the House of Representatives.

It was a sad ending to an even sadder day.

Seeks Import Curb — A law to back up the State Highway Commission Order (voided by the courts) to curb use of steel imports on state projects has been proposed by a legislative committee.

Supreme Court has held that the 1960 "Buy America" order infringes on state law requiring competitive bidding.

Ogallala Hearing — Major oil and gas industry spokesmen told the Texas Water Pollution Control Board they are going all out to protect fresh water supplies of the Ogallala formation. The formation covers 48 West Texas and Panhandle counties and extends 31,500 square miles.

James L. Sewell, president of Texas Mid-Continent Oil & Gas Association said: "It is our desire to form an alliance with groups in the industry or outside . . . who wish to protect the waters of this state." He predicted a flexible program can solve the problems without jeopardizing extensive oil and gas operations.

Texas Taxes High—People who think they are paying high state property and sales taxes will be interested to know they are! A study of state financing by the Legislative Budget Board reveals that the state tax burden in Texas is heavier than the national average.

A 10-year view of tax burdens—the term statisticians use to describe state taxes as a percentage of total personal income — shows Texan's "tax burden" has risen above the average for the first time.

Texans contributed only 3.7 per cent of their total income to help run the state in 1952, when the average U. S. citizen chipped in 3.9 per cent to his state.

Last year, the average Texan paid 4.9 per cent of his income for state taxes, while the average in other states doled out only 4.7 per cent.

State taxes are climbing upward all over the country, but in Texas the climb has been quicker than in other states. This is due partly, because the average Texan's income has not risen as fast as his taxes, or as fast as the average income.

Shop Early... Mail Early

USE ZIP CODE TO SPEED YOUR CHRISTMAS MAIL

In 1949, average per-person income of Texans was 92.8 per cent of the national average. It was only 83.2 per cent of the national average in 1962.

FRIDAY BRIDGE CLUB

Mrs. Max Schaeemann entertained the Friday Bridge Club in her home last Friday. High score was won by Mrs. Lovella Dudley, low by Mrs. S. M. Harvick and cuts went to Mrs. Early Baggett, Mrs. Joe Pierce, Jr., and Mrs. Henry Miller. Mrs. W. T. Bradbury, a member, came in for tea. The club will meet Dec. 6th with Mrs. Eldred Roach.

Members attending were Mrs. Sherman Taylor, Mrs. Stephen Perner, Mrs. Jake Short, Mrs. J. M. Baggett, Mrs. Evert White and Mrs. O. D. West.

FOR SALE — Extra large house. Established loan. Available Jan. 1. 606 Coates St. Phone 392-3203.

Screwworm Eradication Program Boosts Deer Population in Texas

Mission — The deer hunting season is in full swing and hunters are reminded that they, too, have a large stake in the screwworm eradication program underway in the Southwest.

Early reaction from sportsmen indicates that wild game is more plentiful than it has been in years. Estimates of 10 to 65 percent increases in the deer crop have been made.

A number of factors have been credited for the increase in deer populations, with the screwworm eradication program usually listed at the top. Some wildlife experts have stated that in past years the screwworm has accounted for the death of at least three out of every ten fawns each year.

While the screwworm appears to be on its way to extinction, the heaviest infestations of the insect presently being detected are in the areas with the highest populations of deer.

Hunters are encouraged by program officials to bring sightings of infested deer to the attention of land owners so that the cases can be reported to eradication workers. Infestations in wildlife are even more critical to the program than those in farm animals because they cannot be treated, officials state. A single undetected, untreated case can be the source for hundreds of future infestations.

LADIES GOLF ASSOCIATION

In golf play last Wednesday at the Country Club, winners in the Ladies Golf Association were: low net on the club trophy, Mrs. Tom Mitchell; low putts on the Barbee trophy, Mrs. Jess J. Marley; winning balls for the day's play were Mrs. Dixon Mahon, Mrs. Jess Marley and Mrs. Joe Pierce, Jr. Others playing golf were Mrs. Roy

Thompson, Mrs. J. M. Baggett, Mrs. Jack Baggett, Mrs. Dempster Jones, Mrs. J. G. Hufstедler and Mrs. Bryon Stuart.

Bridge hostess Thursday afternoon at the club was Mrs. Dempster Jones. Winners in bridge were high, Mrs. Marshall Montgomery; low, Mrs. John Childress, and cut, Mrs. Armond Hoover, Jr.

The next meeting will be December 5th, with Mrs. Gene Lilly as hostess. Others attending were Mrs. Tommy Harris, Mrs. P. C. Perner, Mrs. Carl North, Mrs. Sherman Taylor, Mrs. Evert White

Mrs. Early Baggett, Mrs. W. Friend, Jr., Mrs. Henry Miller, Mrs. J. S. Pierce, III, Mrs. J. Fagget, Mrs. Byron Williams, Mrs. J. B. Parker, Mrs. Charles, Mrs. Brock Jones, Mrs. Jerry Phillips, and Mrs. Joe Pierce, Jr.

Near East Flavor Features GA Meeting

Guests were welcomed with an enthusiastic greeting as they entered the home of Bonnie Glynn Wednesday evening when she entertained the Intermediate group of the First Baptist Church and their counselors.

A large tablecloth on the floor was centered with the native dishes of the Near East countries, consisting of rice, lamb and roasted vegetables. Side dishes of dates, olives, and rolls and grapes were also served to the members who were seated on the floor around the table. No knives, forks or spoons were used for this meal as it is the custom of these countries to use only the right hand in eating food. After talking of other customs, sugar cookies and coffee demitasse cups were enjoyed; sipping of coffee signifying peace and friendship.

Those who were present for this meal and the regular GA meeting afterwards were Marjorie Carnes, Mrs. King, Deborah Mills, Beverly Loudamy, Sharon Jones, Marjorie Medows, Lois Pindexter, Marjorie Simon, Debbie Moore, Mrs. Owen and Mrs. Max Brown, counselors, and Bonnie Glynn, hostess.

WOMEN GOLF ASSOCIATION MEETING OF NOV. 14

The monthly luncheon was held Wednesday Nov. 14 at the Country Club by the Ladies Golf Association with Mrs. John Childress as hostess.

Golf was played Wednesday afternoon. Winning balls in each hole were Mrs. Dempster Jones, Mrs. Byron Stuart and Mrs. J. M. Barrett. Low net on the club trophy was won by Mrs. Joe Pierce, low putts on the Barbee trophy Mrs. Pierce and Mrs. Dempster.

Other golfers were Mrs. Roy Sampson, Mrs. Tom Mitchell, Mrs. Jimmy Barbee, Mrs. Jess Wiley, and Mrs. Dixon Mahon.

The luncheon table on Thursday was centered with a horn of plenty, holding fruits and flowers. The bridge hostess was Mrs. Lee Henderson. High score net to Mrs. Ashby McMullan, and high to Mrs. Carl North, net to Mrs. W. E. Friend, Jr., and Mrs. Hugh Childress, Jr.

Others attending were Mrs. Herman Taylor, Mrs. P. C. Perner, Mrs. Jack Williams, Mrs. Brock Jones, Mrs. V. I. Pierce, Mrs. Geo. Sawyer, Mrs. Lindsey Hicks, Mrs.

WMU CIRCLE MEETS

Mrs. Dick Webster brought the program Wednesday when the Lola Mae Daniel Circle of the First Baptist Church met in the home of Mrs. Quentin Brentz. The program was a book review entitled "Bill Wallace of China".

Mr. Wallace was a medical missionary who died in a communist prison camp in October, 1951. Mr. Wallace was in China from 1935 until the time of his death.

Mrs. Jess Sweeten read the calendar of prayer and Mrs. Webster led in prayer. A basket of food and a basket of fruit were prepared for two families.

Mrs. Jim Carpenter dismissed the group in prayer. Others present were Mmes. H. O. Vinson, E. T. Sharp, Joe Bean, Robert Lance, Ralph Simon, and Norman Upham.

Marshall Montgomery, Mrs. Clay Adams, Mrs. Gene Williams, Mrs. Ewart White, Mrs. Joe Clayton, Mrs. Byron Williams, Mrs. Jake Short, Mrs. Henry Miller, and Mrs. Bill Cooper.

\$20 Million Highway Improvement Program In Texas Paying Off In Saving Of Human Lives

Austin, Texas — The headlights of two automobiles hurtling toward each other at an aggregate 140 miles an hour pierce the night on a lonely stretch of highway in East Texas. The beams fuse momentarily at the center of a bridge, then separate visibly as each car inches to the right. Meeting at the bridge, the cars woosh by one another without incident.

Run-of-the-mill as such an episode may seem — it occurs thousands of times each day and night — an accident has nevertheless been prevented. It has been prevented by the widening of the bridge to allow cars an additional measure of meeting room.

The widening of narrow bridges, and many another measure to make Texas highways safer, is part of the State Highway Safety and Betterment Program of the Texas Highway Department. In a relatively unsung way, the program accounts for the saving of many lives on Texas highways every year.

A \$20 million installment in this program to make \$4.5 billion worth of existing Texas highways better and safer was approved today by the Texas Highway Commission.

The Commission authorized the \$20 million expenditure during the coming year to improve about 2,300 miles of U. S. and State highways under the 1964 State Highway Safety and Betterment Program.

For safety and convenience, the annual program systematically upgrades the 65,000-mile Texas highway network, construction of which has cost \$4.5 billion since the Highway Department's inception in 1917.

Work will be done on about 345 projects in some 150 Texas counties in the 1964 program. The projects include such improvements as reconstruction, resurfacing, widening of traffic lanes, replacement and widening of bridge and drainage structures and approaches, base strengthening, and rebuilding of shoulders.

Such items are counted a significant factor in a decrease of more than 25 percent in the fatality rate on primary highways in Texas during the last decade.

4-H MEETING

At 9:00 a. m. Saturday, November 23, a 4-H meeting was held at the Ozona feed mill. Nineteen 4-H members and 5 adults were present. Mr. Whitehead showed us some samples of the grain used in the 4-H cubes. We looked over the mill and saw the process in which cubes are made. After we were through there, the junior members who needed help on their record books met at the high school. — Reporter.

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

POSTMASTER URGES CHRISTMAS MAIL EARLY & OFTEN TO SPEED HANDLING

From Postmaster Floyd Hokit
 Reports have come from Washington that this will be a record Christmas for mail volume.

Our Post Office will be catching it both ways — going out and coming in. We hope that the residents of Ozona will begin their Christmas mailings tomorrow if possible.

Please use Zip Code to speed up your mail. At least give your own zip code in the return address.

Air mail parcels for overseas should be mailed during the period of Dec. 1 to Dec. 10 to insure reaching their destination by Christmas. Please use good, heavy packing cartons and wrapping for these as well as all parcels to be mailed during the Christmas season.

Please mail gift parcels for distant states during the week of Dec. 2-7. Please mail gift parcels for local and nearby areas no later than Dec. 14.

Greeting cards for distant states should be mailed no later than Dec. 10. Greeting cards for local and nearby areas no later than Dec. 15. We would like to ask that you mail your cards as early as possible because we will be handling such a large number that we will not be able to get them out if they are mailed the last few days.

Local Christmas cards will be four (4) cents each. Out of town will be 4 cents unsealed and 5 cents if they are sealed. On cards that you might want forwarded please put a 3 cent stamp on them because if they do not bear first class postage they cannot be forwarded.

We will again have cooperative mailing racks in the lobby for your convenience. We would like to ask that you please face and tie your Christmas cards with twine or rubber bands before depositing them.

Please make sure that you have good, legible addresses on all of your packages. Too, it would be advisable to put an extra address label inside of the parcel. Please address your packages on one side only.

We would like especially for patrons to mail their cards early in the month and to mail them early in the day as possible because our mail will be coming in late and we will have a much better chance of working the cards before the heavy mails arrive.

Patron support has been very good in the past and we here in the post office would like to have your continued cooperation to make this coming Christmas period more efficient and speedy.

Don't worry about being too early with your package mailing. Address and deposit them now in the post office and mark them "Do not open until Christmas". Deposit your cards along with them so that you can finish up your job earlier too.

NOTICE

I. J. G. Baird, have made application to Texas Water Pollution Control Board to discharge waste water from oil lease located S/2 of SE/2 of Section 18, Block 14, Crockett County, Texas. 7 barrels waste water per day discharged, from 3 oil wells and does not discharge into any water course. 36-2c

Mrs. Jess J. Marley left Friday for Brawley, Calif., where she will visit her sister for two weeks.

Music Club Hears Convention Reports

The Ozona Music Club met in the home of Mrs. John Henderson Nov. 22, with Mrs. Joe S. Pierce IV, Mrs. Frank James, Mrs. Ottist Pridemore, and Mrs. J. W. Howell as co-hostesses.

The program opened with members singing the Club Collect led by Miss Cleona Quiett and accompanied by Mrs. R. A. Harrell. Mrs. Q. A. Brentz spoke on the Hymn of the Month, Mrs. J. S. Pierce, IV, led the members in this Hymn accompanied by Mrs. George Russell, Jr. Mrs. Roy Killingsworth spoke on Tin Pan Alley Yesterday and Today.

Mrs. George Russell, Jr., played "Polonaise" in A Flat Major. Miss Lelie Mitchell sang "Till the End of Time". Miss Cleona Quiett and Mrs. Max Brown played a duet "Andalucia". Miss Brenda Brentz sang "The Breeze and I". Miss Quiett played "Reverie". Miss Lucille Childress sang "My Reverie". Miss Quiett played "Concerto in B Flat Minor". Miss Cynthia Mahon sang "Tonight We Love."

Mrs. Pridemore reported on the recent convention in Odessa. Mrs. Jack Roach of Andrews was elected President of Twelfth District of the Texas Federation of Music Clubs. The Ozona Music Club received from the National Federation of Music Clubs a Double Ribbon Award for their 1962-1963

yearbook and programs. This award is given for programs of unusual distinction which are particularly outstanding, as to musical content, effort, originality, club or community co-operation.

Miss Quiett told of the music heard at the convention. Several piano and vocal solos were presented and six choirs were heard. The Odessa High School choir was outstanding and members of the club voted to invite them to present a concert here. Mrs. Frank James and Mrs. J. W. Howell told of other points of interest of the convention.

The club voted to donate to the Christmas decoration fund sponsored by the Chamber of Commerce.

Others present were Meses Ted White, W. C. Owens, Brooks Dozier, and Dick Webster, Miss Roberta Lawrence, and guests Mrs. P. L. Childress, and Mrs. G. K. Mitchell.

DUPLICATE BRIDGE CLUB

Winners in Duplicate Bridge Club play Tuesday night were: North-south couples: Mrs. Ashby McMullan and Mrs. Frank McMullan, first; Mrs. Jake Short and Mrs. Robert Cox, second; Mr. and Mrs. Evert White, third, and Mrs. Joe Pierce, Jr., and Mrs. J. M. Baggett, fourth. East-west couples: Mr. and Mrs. Henry Miller, first; Mr. and Mrs. Charlie Hickox, second; Mrs. J. B. Parker and Miss Carol McKissack, third and Mr. and Mrs. Roy Killingsworth, fourth.

Cagers Win 3 —

(Continued from Page One)

shots that put the Ozona team in the lead for the first time since the first quarter.

Lana Kay Alford hit a goal to put Ozona ahead by three points 22 to 19 but the Ozona team, instead of stalling, pushed to the attack and took several rather wild shots, finally losing the ball with the Merton team scoring to tie the score on a goal and a free throw.

Gilliam once again put the Ozona team in front but missed the second of two shots. Ozona controlled the rebound with only 34 seconds remaining but fired from

outside and the Merton team the game when they missed a shot opportunity and fouled a scramble for the ball to allow Ozona to sink another free shot win the game.

Janie Gilliam led the Ozona team and Diana Faye Coates led the team's defensive stand.

In the boys reserve game, H. O. Hoover played all ten minutes as they crushed the Ozona reserves 50 to 29. Billy son led the Ozona attack with points but scoring was pretty divided up since most of the ers saw only two quarters of

Now Is The Time To Pay Your

POLL TAX

and Qualify yourself to vote in 1964. Since state voters rejected the proposed amendment that would have abolished the poll tax, you will need a valid poll tax receipt next year to vote in the Democratic or Republican primaries, elections for school trustees or any special elections that might be called. People over 60 years of age in this county do not have to have an exemption; 21-year-olds can get their exemption now or in anticipation they will be 21. They must have the exemption 30 days before any election they wish to vote in. Deadline for paying your poll tax is January 31, 1964.

A Reminder: If you have not already paid your County and State taxes, a 2% discount is allowed when payment is made in November.

We Have Plenty of Poll Tax Receipts on Hand
