**YEARS AGO - -** This was the early morning scene on June 28, 1954 looking on 11th Street or U.S. 290 from the signal light intersection. The water had run in considerably by the time it was light enough to take pictures. The Texaco sign, in foreground, in front of what is now Dub's Conoco Station and the house in street is one that washed down and lodged in front of the present Flying Egg house and between it and Harrison's Gulf Station. Railings of Johnson draw bridge can be seen just barely out of the water. The water had been several feet over railings at its height. The picture was made by Rev. Troy Hickman, whose spectacular pictures of the flood were published in the following week's issue of the Stockman, along with a prize picture made from the hill south of town and looking up the overflowed valley and submerged Ozona by Armando Reina.

## Years Have Erased Signs Of Ozona's Great Flood of June 1954

Headlines in the Ozona Stockman ten years ago to read "15 Dead, Millions Damaged From Flood," "330 Homes in Ozona Destroyed Damaged in Monday's Flood," and "Move Initiated Bring About Dam Connection." For days and weeks after the black day, June 28, one could hear dire phrases as to what the flood of Ozona was going to do and the open avowal of its to leave, and many of the prophets did see even a hazy picture of the years to come nor did they imagine that in ten years the very area devastated hit by the flood, would be the site of some of Ozona's most imposing structures and an even larger center of population could have been imagined by more brave hearts of that day.

Looking at the busy area along U. S. 290 west from the square one can hardly imagine a flood, particularly now when the area is filled with such things as the Miller Shopping center, the Church of Christ, office and business buildings to an extent far greater than ever before, plus several hundred new or rebuilt homes.

Most of the people killed that day were residents who lived in homes or in trailers along the draw, and a large number of those were children, and desperate parents who tried to save them, but there were also some long-time Ozona residents like George Russell Sr. and a few days later, Scott Peters. ## Ozona Girl Wins Top Cowgirl At Ballinger Rodeo

An Ozona cowgirl and an Odessa boy were named all-around at the World's Championship Junior rodeo held in Ballinger last week.

Mary Ann Pitts of Ozona and Bill Wells of Odessa received saddles in recognition of their selection for the honor.

Also receiving a silver belt buckle for posting the best time in an event was Rex Bland of Ozona who took the boy's ribbon roping with a 15.3 second timing.

Jan Glascock of San Angelo was the only other winner listed from the Ozona area.

Mr. and Mrs. Joe Ross Hufstедler and children of Jail, New Mexico, are visiting with Mr. Hufstедler's parents, Mr. and Mrs. Ross Hufstедler of Ozona.

## Ozona Looks Forward To Quiet Independence Day With Memories Of Great Events Of Past

By Ernie Boyd

Saturday will be the 4th day and as has been the case for the past twenty years, Ozona is going to be a very quiet place during the holiday weekend.

Since many offices and businesses including banks close on Saturday, all day or a half day, of these firms will be closed on Friday and an even better than usual weekend forecast.

The Fourth has not always been a quiet holiday in Ozona, and indeed for many years during the twenties and thirties the Fourth was the biggest holiday of the year.

Beginning in 1925 and continuing for over a decade, Ozona was the site of a 4th July celebration which for three days and took the form of a rodeo, livestock show and race meet and sale, baseball series. In 1930, the estimated number of visitors to Ozona was 14,000 with the rodeo compared in size and talent to the ones held at Pendleton and Cheyenne, and for a few years later an average of 10,000 persons daily were served at the three-day free barbecue held in the city park.

A note in the 1930 Stockman tells of a beautiful night - time fireworks display launched from an airplane over Ozona and a tragedy that was narrowly missed when the plane struck a car while landing after the show. Lee Wilson, Ozona Buick dealer and one-man Chamber of Commerce in his days, was the pilot and escaped unhurt.

President of the Crockett County Fair Association that year was Joe Pierce, Jr. and on the board of directors were Scott Peters, Paul Perner, Roy Henderson, John Bailey and Tom Smith.

July the Fourth of course was the day which is celebrated as being the day the Declaration of Independence was signed, and for many years was the occasion of parades and picnics and patriotic speeches and displays, but with the advent of the Civil War its popularity declined greatly in the South, though not in the Southwest or in any other sections of the nation.

It was only last year when the city of Vicksburg, Miss., stopped flying the flag at half mast in mourning on the July holiday, and it is not likely that, if the new so-called civil rights bill, which actually takes away rights rather than giving any, is signed on the 4th that any luster will be added to the day in that or any other section of the country.

In 1938 the Fair Association abandoned the July 4th celebration and with a few exceptions the day has been a quiet one in Ozona ever since.

About all that is scheduled for Ozona this fourth is a membership golf tourney at the Country Club, but many Ozona citizens will travel to Rocksprings where a big rodeo is staged each fourth.

Many of the events that made the 4th a big holiday in the past have left the A- (Continued on Last Page)

## Wanda Watson Services Held Here Tuesday

Funeral services were held at 5 p. m. Tuesday, from the Ozona Methodist Church for Miss Wanda Watson, 57, well known Crockett county ranchwoman and member of a pioneer ranch family of this county. She died Monday morning in the Crockett County Hospital after an extended illness.

Services were conducted by the Rev. Leonard Garrett, pastor, with burial following in Cedar Hill Cemetery. Cody Funeral Home was in charge of arrangements.

Pall bearers were Ed Shepperson, James Chapman, Beal Barbee, Glen Sutton, Alvin Harrell, C. O. Walker, Carl Montgomery, and W. E. Friend, Jr.

Miss Watson was born in Ozona Nov. 3, 1906, the daughter of the late Ralph Watson and Mrs. Watson. She graduated from Ozona High School with honors and from Mary Hardin Baylor College in Belton. She was associated with her father in the ranching business and after his death in 1959 she took over active management of the ranch south of Ozona.

Active in local community affairs, Miss Watson was named a director of the West Texas Chamber of Commerce in 1936. She was an avid student of history and was one of the prime movers in organization of the Crockett County Historical Society and the preservation of local history. She served as secretary-treasurer of the Society since its organization and was always one of the most interested helpers in endeavor. (Continued on Last Page)

## Annual Member Golf Tourney At C.C. July Fourth

The Ozona Country Club completed plans this week for its annual club tourney and family-day to be held this week on July 4th at the club.

One of the features of the day will be a supper at 8 p. m. Saturday which will be free to all club members and their out-of-town guests.

The golf tourney will see the women playing Friday afternoon and a 27-hole medal play which club officials hope will embrace three flights Saturday.

Saturday, play will begin at 9 a. m. and officials hope that club members desiring to play will sign up at the Club House sometime this week.

James Scott, formerly of Ozona, was the club champion last year but will not be back to defend his title so a new champion is sure to be named.

A golf tourney for boys will be staged in two divisions with boys from sophomore in high school and down in one division and those through high school in the other.

Club officials were urging members to plan to take part in this week's holiday attraction and to come out for fellowship even if they desire nothing else.

## Valuable Mails Damaged In Box By Vandal Act

Ozona Postmaster Floyd Hokit reported this week that vandals had damaged a quantity of outgoing mail by pouring what appeared to be a considerable quantity of tobacco juice in the outgoing mail box at the post office entrance.

A large number of pieces of mail, including a number of valuable daily reports submitted to home offices by local oil companies, were turned into nasty parcels by the work of the vandals.

Postmaster Hokit pointed out that such acts are in violation of federal laws and that the government rarely considers such acts as jokes. Severe fines and imprisonment are the penalties such crimes usually draw.

The occurrence last week was the first in Ozona in the postoffice box but some vandalism did occur several times when a collection box was located on a downtown corner.

Buster Loudamy has been confined to Shannon Hospital in San Angelo this week where he is undergoing treatment. His address is Room 402, Shannon Hospital, San Angelo, Tex.

## Infection Results In Eyesight Loss For Shop Teacher Here

Gary Don Fife, shop teacher in Ozona High School for the past three years, is reported to have lost sight in one eye due to an infection which developed while visiting in Corpus Christi several weeks ago.

The infection became steadily worse despite medical treatment and at last report doctors were concerned that he might lose the eye ball even though hope was still held that such would not be the case.

Fife has been in a hospital in Tyler, Texas, near his home in Van for the past several weeks. Fife's address is Medical Center Hospital, Tyler, Texas.

## LAWBREAKERS BEWARE

### Officers Combine Forces To Check On Nighttime Traffic

Lawbreakers for the most part move under cover of darkness and take advantage of the limited numbers of law enforcement officers for success of their ventures.

But those who are thinking of an unyielding enterprise in this West Texas region had better reckon with a possible surprise from the law men.

For law enforcement officers in a six or seven-county area are pulling a little skulduggery of their own. These officers, sheriff's departments and special officers from Kimble, Sutton, Crockett, Schleicher, Concho, Menard, Reagan, etc have formed an informal association for periodic and unannounced meetings.

These meetings are not the ordinary kind, however. The assembled officers form teams and set up road blocks, as many as possible, and check traffic. They don't stop every car, but they do stop anything that might be out of the ordinary or in the least way suspicious - and sometimes, maybe, some that are not even so. (Continued on Last Page)

## Young Soldier Seriously Hurt In 1-Car Crash

John E. Childress 19, of Manor, Texas, -5 miles east of Austin, was seriously injured Sunday morning when his car crashed into a bridge abutment just west of the Texas-New Mexico Pipe line station about 11 miles west of Ozona on U. S. 290.

Childress was returning to his home following a tour of duty in the Army at Fort Bliss, Texas, which would have officially ended Monday.

The young soldier, who is thought to have gone to sleep at the wheel, was pinned in his car and it took over an hour to free him from his badly smashed automobile.

First person on the scene of the accident was a doctor from El Paso who was on vacation with his family and the second man to appear was a telephone line-man from another state who climbed a nearby pole, tapped the telephone wire and called Ozona for help.

A Goodfellow AFB ambulance was in Ozona Monday morning for Childress after his Commanding Officer from his National Guard unit in Austin arrived and called Ft. Bliss where the Army confirmed that he was still under their control.

Young Childress legs were both badly crushed and it is expected that extensive surgery will be required to repair the badly broken bones between the knees and hip.

## Air Conditioner Failure Has P. O. Workers In Sweat

Ozona postal workers and patrons had several warm days this week after the air conditioning unit on the building burned out early in the week.

Wednesday and Thursday were fairly cool days as a result of the rain but Friday found a lot of moisture in the atmosphere and a combination of that and the hot sun, with very little wind, added up to a rather warm day.

Repairs on the unit began early Thursday morning and ran into the weekend before the unit could be put back into operation.

## Plans Shaped For 7th Annual Ozona Jr. Rodeo

With the start of the seventh annual Ozona Lions Club Junior Rodeo only two weeks away, the push for advertising for the program, for the sale of store decorations and for the printing of the programs is under way with Lions Club committees in charge of the operations both here and in San Angelo.

A committee in charge of recruiting girls as candidates for the rodeo Queen contest reports that a number of girls have agreed to enter the 1964 competition but that others are yet to be contacted, since some of the prospective candidates have been out of town.

The 1964 Queen, will succeed Miss Robin Jones, the 1963 rodeo Queen. This year the queen will be selected on the opening night of the show.

**Man of The Hour - 11th Hour**

It was a high moment in American history—perhaps a turning point—when Senator Barry Goldwater of Arizona on June 18 declared on the floor of the Senate:

"And so, because I am unalterably opposed to any threats to our great system of government and the loss of our God-given liberties, I shall vote 'no' on this bill."

Declaring it his wish "to make myself perfectly clear," the Senator had called attention to his consistent opposition to "discrimination or segregation on the basis of race, color, or creed, or any other basis," and his support of the civil rights bills of 1957 and 1960. Equally constant and consistent, he said, were his objections to the Federal regulation of private enterprise in "public accommodations" (Title II).

"I find no constitutional basis for the exercise of Federal regulatory authority in either of these areas," he said. "If these things are the wish of the American people, then they should amend the Constitution." And then he said:

"If my vote is miscon-

strued, let it be, and let me suffer the consequences. Just let me be judged in this by the real concern I have voiced here and not by words that others may speak or by what others may say about what I think.

"My concern extends beyond this single legislative moment. My concern extends beyond any single group in our society. My concern is for the entire Nation, for the freedom of all who live in it and for all who will be born into it. This is my concern. And this is where I stand."

These are the words also of a man who stands at the threshold of the proudest fulfillment that life offers to any American. These are the words of a man who, when the chips are down, would rather be right—would rather fulfill his duty and his oath—than be President.

Let all Americans—of both parties, of all colors and creeds and national origins—consider thoughtfully and earnestly whether this is not, after all, the leader America needs most in this darkening hour.

**MORE CHECK THAN BALANCE**

It is difficult to decide whether the august Supreme Court of the United States, beyond which, appeals can only be made to God (of Whom it seems not to approve) does more damage to the nation it is supposed to protect when it sticks its nose into police court matters such as the trespass convictions of Maryland sit-in demonstrators, or when it decides that Communists should be as free to travel as loyal citizens.

In the Maryland sit-in case, the High Court might well have ruled on the Constitutional question of whether the state could properly support the discriminatory acts of a businessman. But it didn't. It ducked this issue to quibble about a state law.

In ruling that members of the U. S. Communist

Party have as much right to travel as anybody, the Court lopped an arm off of the 1950 Internal Security Act which had, up to now, prohibited these characters from getting passports to travel outside of the Western Hemisphere or to Cuba. The Court objected to the Government's "presumption" that the Commies, if given passports would use them against the interests of the US. Whence it would seem no one has yet told six of the Justice what Communism is about.

It might be noted for what comfort it offers that three Justices dissented in each of these cases. Justice Black, speaking for the dissenters in the sit-in case declared that trespass laws have been, and doubtless still are, important features of any government dedicated as this country is to a rule of law.

In the travel case, Justice Tom Clark termed some

of Justice Goldbergs' comments in the majority opinion as "irrational imaginings," and declared that "Congress had ample evidence that the use of passports by Americans belonging to the world Communist movement is a threat to our national security."

These decisions coming on the heels of the Court's ruling that seats in both houses of every state legislature must be apportioned by population (we wonder how they happened to overlook the US Senate), leave just one cheering thought. The noble Justices have now adjourned to rest until fall. They will do no more damage until October.

**HIGHLIGHTS AND SIDELIGHTS**

**From Your State Capitol**

Traffic accidents will kill 32 persons over the three-day July 4 weekend, if Texas Department of Public Safety estimates prove correct. DPS Director Homer Garrison Jr. urges Texans to make the July 4 holiday weekend the turning point away from a two-year upward trend in fatal traffic accidents.

**New Auto Insurance Rates Set - Texas Automobile owners will pay less for auto insurance beginning August 1.**

State Insurance Board agreed on the new rates, which will average out 1.2 per cent cheaper statewide than last year.

Board estimated motorist will save \$3,000,000 in premiums compared with 1963. However, rates will vary from area to area.

Liability insurance rates reflect a statewide increase of 3.8 per cent, and medical payment coverage will increase about 8.7 per cent. Collision coverage will be reduced .5 per cent.

Overall reduction in rates is due primarily to a 15.5 per cent cut in comprehensive coverage, due to low wind and hail storm damages last year.

**Indian Settlement Out - Cherokee Indians, run out of East Texas in 1839 by a Republic of Texas army, have failed in an attempt to "recapture" claims to lands they were forced to leave.**

Atty Gen. Waggoner Carr gave the "no" sign to a proposed settlement of their claim to 2,500,000 acres of land in Smith, Cherokee, Van Zandt, Gregg and Rusk counties.

The Cherokee nation, through general counsel, Earl Boyd Pierce, several months ago proposed that Governor Connally set up a historical fact-finding commission to review the claims.

For each acre of land the commission might find the Indians were unjustly ousted from, Pierce recommended one dollar be allocated by state to a trust fund for higher education of worthy Cherokees. This money would draw five per cent interest annually, and at the end of 25 years, the Cherokees would return the corpus of the fund to the state, releasing all claims.

Atty Gen. Carr concluded: the plan of settlement would require an unconstitutional appropriation by the legislature, therefore neither he nor the governor is authorized to pursue it.

**Drop-Outs and Stay Ins -** Top brass of the Texas Education Agency heard the initial report on progress in the agency's "Stay in School Projects," aimed at reversing the rising tide of public school drop-outs.

Agency consultants report on progress in the agency's "Stay in School Project," aimed at reversing the rising tide of public school drop-outs.

Agency consultant reported on what they have accomplished since March when the SIS pilot project started. Commissioner of Education J. W. Edgar termed it an impressive start.

**DPS Calls For 'Safe And Sane' Driving on 4th**

Midland — Major Leo E. Gossett, Commander of the 49 county, Midland Region of the Texas Department of Public Safety asked each individual motorist for their sincere help to save their own life as well as the lives of the "other fellow" this July 4th weekend.

"Operation Motorcade" will begin at 12:01 a. m., Friday, July 3rd and end at 11:59 p. m., Sunday, July 5th. It has been estimated that during this three day period 32 persons will lose their lives in traffic accidents in Texas. "This is only an estimate," explained Major Gossett, "and with the aid of every persons that drives, or walks, we can come well under this estimate."

"Our accident statistics in Region 4, as well as statewide, show that over 50% of the fatal accidents are one vehicle accidents. Our records also show that in almost every fatal accident, there was one or more violations of the law. The leading violations were: Speed too fast for conditions, driving while drinking and wrong side of road. Fatigue also is a big contributing factor to our accidents picture," stated Major Gossett.

The Highway Patrol Service will be strengthened by the License & Weight Service and the Motor Vehicle Inspection Service in an effort to keep the estimated deaths from occurring.

In 1963, there were 2,729 people killed in Texas traffic accidents; this was the worst year ever recorded in Texas traffic history. Compared with the same period in 1964, we have a 15% increase in deaths and we will probably have over 3,000 persons killed in Texas by the end of the year if we

**New Discovery In Crockett Is Listed**

A Wolfcamp discovery apparently has been assured in Crockett County with the flowing of five barrels of 43 gravity oil, along with four barrels of acid water, in one hour at I. W. Lovelady, Odessa, No. 1 Todd, in 55-UV-GC&SF, re-entry operation, 24 miles northwest of Ozona.

Flow was through perforations between 6,819-995 feet. No choke was reported.

Testing continued. Originally drilled by Superior Oil Co. to 7,348 feet, it was abandoned June 24, 1947.

McGrath & Smith, Midland, will drill the No. 1-AA University, a 2,000-foot San Andres wildcat, in Crockett County, four miles south of Barnhart and 3 1/4 miles east-northeast of the Block 44 (San Andres) field.

Location is 660 feet from the south and west lines of 22-40-University. Elevation is 2,666 feet.

**Colorful Travel Brochure Issued By HiWay Dept.**

Austin, Texas — No matter what the season, it's fun to vacation in or visit "Texas, America's Fun-tier," declares the latest travel publication of the Travel and Information Division of the Texas Highway Department.

The point should be well taken by visitors — once they take a look at the four-color folder, rich in information and abundant with color photographs showing the scenic, historic, and recreational wonders of the Lone Star State.

The folder, sporting a red-white-and-blue cover in line with the colors of the flag of the Lone Star State, is aptly titled "Texas, America's Fun-tier."

"This folder," said Tom H. Taylor, Director of the Travel and Information Division, "answers a need for providing hundreds of thousands of visitors with a compact and informative introduction to the vacation pleasures abounding in the Lone Star State. The folder is also designed for and will be made available for distribution to delegates attending conventions in Texas," Taylor said.

Mrs. Kenneth Harlan Wendland  
... nee Miss Nancy Friend

### Nancy Friend, Kenneth Wendland Are Wed In Friday Ceremony Here

Miss Nancy Elizabeth Friend of Ozona became the bride of Kenneth Harlan Wendland of Miles Friday evening in a ceremony performed in Ozona Methodist Church.

The Rev. William Fleming Pastor of the Highland Methodist Church of San Antonio and former pastor of the Ozona Church, officiated.

Wedding music was provided by Mrs. L. B. Cox, III at the Organ accompanying Mrs. Joe Pierce IV, soloist.

The bride is the daughter of Mr. and Mrs. Bill Y. Friend of Ozona and the bridegroom is the son of Mr. and Mrs. A. C. Wendland of Miles.

The bride wore a gown of white silk taffeta and peau de soie featuring a sculptured bodice with empire waistline and decollete neckline. The slim bell skirt was accented by a long cathedral train attached at the waistline.

She carried a handkerchief trimmed with lace from the wedding dress of her grandmother, the late Mrs. Harry J. Friend of Ozona.

Attending the bride as maid of honor was Miss Helen Henderson of Ozona. Bridesmaids were Miss Connie Mitchell of Rocksprings, cousin of the bride and Miss Diana Cole of Sterling City, with Miss Mitzi Friend, the bride's sister, as junior bridesmaid. Flower girl was Jerni Ann Powell of Fort Stockton.

Kenneth Wendland of Miles served his brother as best man. Groomsmen were Larry Sharp of Waco and Chester McCown of Miles. Ushers were Carl Conklin, Jerome Smithwick of Miles, Rodney Gordon of Miles, Eidon Eschberger of Miles and Leslie McMullan of Big Lake, the bride's cousin. Marty Hough Graham of San Antonio, the bride's cousin, was ringbearer. Candelighters, were Brian Montgomery and Hugh Coates.

The reception was in fellowship hall of the church.

Serving at the bride's table were Mrs. Walter Ragsdale of Junction, Mrs. Har-

Thomas Hyde of Miles, Miss Dorothy Nell Tee of Dallas, his cousin; Mrs. John Coates, Ozona; Mrs. Ruben Whitehead, cousin of the bride; Mrs. Alvie Cole of Sterling City; Mrs. Loyd Mitchell, Jr., Rocksprings; Mrs. Max Schnemann and Mrs. Bill Childress, both of Ozona.

Alternating at the bride's book were Miss Frances Childress, Ozona; Miss Sherri Mitchell of Rocksprings, cousin of the bride; Miss Janet North, Ozona, and Mrs. Leslie McMullan of Big Lake, cousin of the bride.

### Local '99s' To Man Ports For Air Race Check

The Midland Chapter of the "99's" an organization of women flyers, will man the air port at Amarillo today and tomorrow as contestants in the All-Women's Transcontinental Air Race check in for official stops in the coast-to-coast race.

Mildred Goodson of Ozona is chairman of the Midland Chapter of the 99's and several other area women are in the group.

Sixty-one planes are entered in the 1964 flight which will begin in Fresno, California, on July 4th.

More than 40% of the contestants have never flown coast to coast, but there will be three entries who have flown the course 12 times, and two others, including Marian Burke, of San Antonio, who have been in the race 11 times.

Over 100,000 people are expected to see the start of the race which will be a prelude to an aerial demonstration planned for the weekend.

Honorary starter will be Joan Merriam Smith, who recently completed an equal-

# OUR NEW LAND

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Forty-three acres! How long we labored, hoping someday to add it to our modest farm.

Good bottom land . . . with a grove for the children to play in, a stream with an ol' swimmin' hole, and rich soil just begging for the plow.

Now it's ours! A great moment . . . full of promise . . . fraught with challenge.

Sort of like that moment a few years ago when Peg and I became members of the congregation. Before that the church had been simply a familiar scene

along the border of our lives. Suddenly it became *our* church.

And there was that deep sense of partnership with God . . . full of promise . . . fraught with challenge.

There is such an abundant harvest of blessing and happiness to be reaped in life . . . if a man yearns for the best, and claims it for his own, and is ready to put his hand to the plow.

### Church of Christ Is Scene For Walker-Wells Ceremony Saturday

The Ozona Church of Christ was the scene Saturday evening for the wedding of Miss Gwynel Walker of Ozona and Guy Rutherford Wells Jr., of Dallas, with Darrell Brawley, minister of the Church officiating.

Following the wedding a reception was held in Grann Miller Hall after which the couple left on a wedding trip to Acapulco, Mexico, before establishing a home at 3707 Mt. Ranier in Dallas.

The bride is a daughter of Mr. and Mrs. C. O. Walker of Ozona and the bridegroom is the son of Mr. and Mrs. Guy Wells of Abilene.

The bride wore a gown of candlelight peau de soi with garland appliques of re-embroidered alencon lace traced with pearls. The skirt swept to a chapel train. The veil of candlelight silk illusion fell in tiers below the waist from a crown of matching lace.

A group of singers from Abilene comprised a chorus and provided wedding music.

Miss Janis Walker, sister of the bride was maid of honor. Bridesmaids were Miss Diane Phillips; Miss Peggy Hagelstein, a cousin of the bride; Mrs. Loren Elkins, Abilene; Miss Bobby Wallace, Baytown, and Miss Exa Clark, San Augustine. Stewart Peake of Dallas was best man. Groomsmen were Denson Moody, Eastland; Leon Conley, Dallas; Rodney Joy, Lubbock; Charles Bottoms, Abilene, and Rick Hagelstein, cousin of the bride.

Three cousins of the bride, all of Marfa, were ushers. They were Lewis Robinson, Ray Robison and Tom Robinson.

Both Mr. and Mrs. Wells are graduates of Abilene Christian College. She was a member of the band, served as president of GATA, women's social club, and was included in Who's Who in American Colleges and Universities. Her high school work was done in Ozona. Mrs. Wells currently is a teacher of mathematics in Dallas public schools.

Her husband who was graduated from Abilene High School, has done graduate work at Arlington State College following receipt of his diploma at ACC. He is employed in Dallas as an engineer.

The reception following the wedding was at the church hall. Serving cake at the bride's table were Mrs. Fred Hagelstein, Mrs. Miller Robison of Marfa and Mrs. W. C. Graham of Elk City, Oklahoma, all aunts of the bride.

At the groom's table were Mrs. T. C. Huckaby, aunt of the groom, and Fred Hagelstein, Miller Robison of Marfa and W. C. Graham of Elk City, Okla., uncles of the bride.

Presiding at the bride's book was Carolyn Mayfield, Frances Childress, Sandra Laputz of Dallas and Jan Caruthers of Houston.

Distributing rice bags were Karen Moody, daughter of Mr. and Mrs. Foy Moody, Dawn Grisham, daughter of Mrs. Anna Lee Grisham and Marsha Alston, daughter of Mr. and Mrs. Arthur Alston.

Others in the house party were Mrs. Larry Mooney, Mrs. Stanley Cox, and Mrs. Thomas McDonald of Elk City, Oklahoma, Mrs. John Brown, Timpson, Texas, Mrs. H. K. Robinson, Carter, Oklahoma, Mrs. Naomi Miller of Dallas; Messrs. Mike Miller, Van Miller, J. B. Mr. and Mrs. Bill Bradbury are visiting with relatives in Ft. Worth this week.

### Oilers Win Ties Up Second Half LL Title Chase

By Ernie Boyd

The Ozona Oilers tied up the Ozona Little League second half title chase last Thursday night when they scored three runs in the top of the seventh to down Moore Oil 4 to 1.

The game, until its final frame, was a tense mound duel between Moore's Walter Higginbottom and the Oilers' Donald Huff and Gregory Stuart, all three of whom pitched masterful baseball before being forced from the game by the six-innings-a-week rule.

Moore Oil scored first with an unearned run in the fourth and for awhile it looked like that was going to be enough to decide the contest. But Higginbottom, who usually has fine control, ran into some trouble in the top of the sixth and before he could right himself he had walked in the tying run.

David Huff, who started for the Oilers, was in his best form since the first half and during his three innings on the mound only one batter reached first, that on an easy grounder muffed at second base.

Moore Oil got its first and only hit of the game in the fourth when Bradford beat out a slow roller to third. Stuart made a nice throw to second to force Bradford on Longoria's tap to the front of the mound and then Stevens drew a walk and both runners moved up on a wild pitch. Davidson attempted to nip Longoria at third and the throw was low and by the third baseman, Longoria scoring on the play. Stuart fanned the next two batters to get out

without further trouble. In the sixth, David Huff led off the inning by drawing a walk and then stole second. Stuart walked and both runners advanced on a wild pitch.

Higginbottom then fanned Donald Huff for the third time before two more walks forced in the tying run.

Moore Oil threatened to win the game in the bottom of the frame as an error at second, a walk and a hit batsman loaded the bases. But there were two outs and Stuart once again got out of trouble when Donald Huff took a soft liner for the third out.

Going into extra innings, both Stuart and Higginbottom had to retire from pitching due to the six-inning rule and Arturo Torres went to the hill for the Moore team. Tambunga greeted Torres with a single to left but was forced at second by Donald Huff. Huff stole second and then raced home with the go-ahead run when Stuart lined a single to center. David Huff then clouted one of Torres' offerings over the center field wall to wrap up the ball game.

David Williams came on to pitch the bottom of the seventh and a walk put the first man on but Williams found the plate and retired the next three batters with Stuart gathering in Higginbottoms fly to center to end the contest.

In the first game of the night between the two teams which are now to have a big say in how the second half comes out Mason Motors continued its hard hitting to down B&B 13 to 7.

Guy Hester hit his third home run in the last four games to spark the Motor attack but once again the small B&B team gave the opposition lots of headaches

with its strong attack. Moore Oil stood off a determined Mason Motor team to upset them Monday night when Arturo Torres and Walter Higginbottom combined for a no hit 1 1/2 0 win over the determined motor team.

Moore Oil was able to collect but three scattered and ineffective hits against Guy Hester, who went the route for Mason, but a walk and a steal and a couple of passed balls allowed the game's only run in the fourth frame without aid of a hit in the inning.

Ozona Oil kept pace with Moore in the second game by outscoring B & B 13 to 10.

The game was scored through two innings and B & B scored the game's first run in the third frame but then the roof fell on B & B Steve Hubbard and Mickey McBroom. The Oilers surged ahead 9 to 1 but liberal substitutions and some key errors along with a good many walks save B and B a good many runs. David Williams went the route for the Oilers.

The games left Ozona and Moore Oil tied for the top with just one game left for each team tonight.

### Methodist Church School Attendance Up From Last Year

The vacation Bible school of the Ozona Methodist Church completed a one-week term last week with a dinner for the parents of the children who attended and a display of the week's work Sunday following the morning services.

Attendance in this year's school was slightly over last year's mark, even when discounting the added four-year class, but with that class this year's attendance exceeded last year's by an average of slightly less than twenty a day.

The theme of this year's school was Christ's travels while on earth.

Members of the staff of the school were introduced to the parents present at the noon meal Sunday.

#### Duplicate Bridge Club

Tuesday night's Duplicate Bridge Club play at the country club produced the following winners: First, Mrs. Jack Wilkins and Mrs. J.T. Dockery; second, Mr. and Mrs. Evert White, and third, Mrs. John B. Hemphill and Mrs. Pete North.

Bridge players are invited to join the Tuesday evening bridge play and anyone who does not have a partner and wishes to play is asked to call Mrs. J. B. Parker.

Mr. and Mrs. Paul Counts of Ft. Stockton and Mr. and Mrs. H. G. Counts and grand daughter, Connie, from Midland were in Ozona Sunday for a visit with Mr. and Mrs. Walter Dunlap.

### MRS. TOLLE HONORED AT BABY SHOWER

Mrs. Morgan Tolle was honored at a pink and blue shower given in the home of Mrs. Vonita McAlister last Friday.

Accurate and Complete RANCH RECORDS Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

4th July —

(Continued from Page One) American society in the last twenty years or so, and it is not just Ozona where the fourth has ceased to be much of a holiday.

In half of the few cities in the Big Leagues, there will be double header baseball games, which in most cases, will draw near capacity crowds, but small town baseball, which flourished all over America in the twenties and thirties, is dead and even big cities like Dallas and Ft. Worth have trouble drawing 1000 fans to a game that would have drawn 25,000 a few years ago.

While anyone can speculate on patriotism and how it stands now as compared to fifty years ago, it no longer is a debatable issue as to its public display. Few if any towns or cities in America today have any sort of celebration which could be described as patriotic. The high degree of mobility in America today has been in a large part responsible for the break-down in community activity, and of course since World War II there has been a huge drift of population toward the cities, where the small town or community situation does not exist.

A lot more implications may be involved in the death of the big fourth of July celebration and the absence of patriotic fervor in Ozona, as well as everywhere else, but in any case, indications are that it is going to be a dead weekend in Ozona this week.

Flood —

(Continued from Page One) both of whom died of heart attacks, possibly brought on due to the strain and excitement of the days during and after the flood.

Last Sunday marked ten years since that great disaster struck. There are still a lot of people around who can tell harrowing stories of near escapes, and of some who did not escape. But in those ten intervening years, much change has come about in Ozona — many new citizens have been added and there's been a tremendous growth.

The move initiated immediately for the construction of flood control dams, as the headline quoted above indicated, resulted in the construction of seven control dams on the Johnson draw watershed which will control a rainfall even larger than that of the 1954 flood week-end. To this date only one of the dams has ever caught enough water to run through the draw-down tube. This was the dam just east of the city on the W. E. Friend, Jr. ranch a few years ago.

Miss Pamela Whitcomb Becomes Bride Of Joe Warren Friend, Jr.

Miss Pamela Whitcomb of Lubbock became the bride of Joe Warren Friend, Jr., of Ozona at St. Paul's on the Plains Episcopal Church in Lubbock last Saturday. The bride is the daughter of Mr. and Mrs. John Whitcomb of Lubbock and her husband is the son of Mrs. Joe Friend of Ozona and the late Mr. Friend.

The ceremony was performed by the Rev. J. M. Washington, minister of the church, and traditional wedding music was played by Jim Watt at the organ, with Miss Betty Lowder of Wichita Falls as soloist. The bride wore a formal Swiss embroidered organza sheath which extended to a chapel train.

The bride was attended by her sister, Miss Elaine Whitcomb, and Tommy

Stokes of Ozona served the groom as best man.

Ushers were Harris Grosse Mohler, San Angelo, John Cooper and David North of Ozona, Gerry Seif of Petersburg, and Kenny McMullan of Big Lake.

A reception at the Lubbock Country Club honored the couple before they left on a wedding trip to Corpus Christi.

The couple will live in Lubbock for the present but will move to San Angelo before September where Mr. Friend will teach.

The bride attended Texas Tech, and Gulf Park College in Gulf Port Miss. She was graduated from Monterey High School in Lubbock. Her sororities include Delta Chi Sigma, Chi Omega and Sigma Delta Pi.

The groom is a graduate

of Ozona High School, where he played football and was a member of the National Honor Society, and of Texas Tech in Lubbock.

LUNCHEON HONORS GWYNEL WALKER

The fellowship hall of the Church of Christ was the scene Saturday of a noon luncheon honoring Miss Gwynel Walker and Guy Well along with the bridal party, out of town guests and the reception house.

T. J. Bailey, Lowell Littleton, Pleas Childress, Stephen Perner, Brownie Harvick, Eldred Roach and Max Schneemann were hostess for the occasion.

Mrs. Eddie Arnold returned to work in the County Tax office this week after a two-weeks vacation during which she visited with her brother at Ft. Davis and with friends and relatives in Ft. Stockton.
