sale of the abandoned O- zona Air Force radar station.

The GSA head, Regional Director C. Jack Cowart, agreed that GSA would hold of plans for disposing of the surplus government property until after September 30.

The decision by the site selection committee, which has been studying proffered sites for the past year, is expected to be made to the state Board of Special Schools and Hospitals on September 14 at a meeting of the committee in Austin.

GSA also agreed to give the local community the advantage of open bidding provided a group will agree to bid the minimum set by GSA. Actual sale of the property, provided it is not taken for the state school, is expected to take place in November.

The Ozona group making the trip to Dallas for the conference with GSA included County Judge Brock Jones, Chamber of Commerce President Troy Williams, Commissioner Rusty Smith and Water Department Manager Bill Cooper.

Meanwhile, some area pressures were being brought to get the new school for retarded children located at the multi-million dollars installation here.

Several San Angelo agencies and individuals, including the San Angelo BCD, Houston Harte, of the Harte Hanks newspaper publishing firm retired publisher of the San Angelo Standard-Times; Dr. R. M. Cavness, president of San Angelo College; H. E. McCulloch, president of Monarch Tile Co. and San Angelo civic leader, wrote letters to the Site Selection Committee members recommending selection of the Ozona base as site for the new school.

"We hear a great deal about economy in government until we are asked to put economy into practice," Mr. Harte wrote members of the site selection committee in behalf of the Ozona location.

## One First Place Won By Crockett 4H Record Book

Record books entered for district judging by local 4-H club members were judged last week by District 4-H Council Members and committees of county agents in Fort Stockton.

Larry Williams received a first place award in the Conservation of Natural Resources Program and his record book was forwarded to Texas A&M University for judging on the state level later this month. Rex Bland was second in Range Management Demonstration; Lelcee Mitchell, fourth in the Texas Sheep & Goat Program; and David Jacoby was fifth in the Santa Fe Awards Program.

In the junior division, Fred Deaton was awarded a blue ribbon in Wildlife Conservation, Kathy Williams a blue ribbon in Beef Cattle Demonstration and Steven Hubbard a red ribbon in Agriculture.

**SKEET SHOOT** — Sunday afternoon at the new Ozona Rifle Range, a group of gun enthusiasts practice up their wing shooting in preparation for opening of the dove season. In the above picture, Boyd Clayton has a bead on a clay pigeon hurried into the air from the trap being worked in the background right by Harold Farmer. Behind Farmer is Joe Pierce, IV, Rifle Club President, and George Bunker, Jr., another club officer. Watching his father dust the pigeons is Mike Clayton and the ladies seated are Mrs. Mike Clayton, in the foreground, and Mrs. Hubert Collett is under the barely visible hat beyond her. To the left is part of the day's crowd of participants and onlookers.

## HE Training To Be Offered Girls Thru 4H Program

A home economics training program for young girls is to be offered through the county 4-H club program, according to county agent Pete W. Jacoby. Arrangements have been made with Mrs. Roberta Johnson, District Home Demonstration Agent in Fort Stockton, for a adult leader workshop to be held in Ozona on September 15.

Mrs. Johnson will conduct the training phases of the workshop, whereby volunteer adult leaders will be trained for Unit I in Foods and Nutrition and Clothing in the 4-H club program.

Mrs. Taylor Deaton will be the organizational leader for a junior girls club to be organized in the north part of Ozona and Miss Ethel Wolf will serve as organizational leader for a club to be organized through the Ozona Community Center in the Lima Community.

Young girls of ages 9-13, who are interested in becoming a 4-H member and receive training in home economics should contact one of the above 4-H organizational leaders. Women interested in working with 4-H members in this program are also ask to volunteer their services as 4-H adult leaders.

A survey made by the 4-H Mother's Club has revealed that some 35-40 junior girls will be interested in enrolling in this new 4-H club program in the county, with sufficient adult leaders volunteering to conduct the training for the new 4-H club members.

## Chamber President Visits In Austin

Troy Williams, president of the Chamber of Commerce, spent Thursday in Austin working on several local projects. He made visits with the Texas Industrial Commission and the Texas Tourist Development Agency.

Mr. Williams visited at length with M. A. Browning State Director of Vocational Education. The discussion centered around the possible use of the Ozona Air Force Station in a Vocational Training Program. Mrs. Williams and Kathy accompanied Troy and they took time out to visit the Governor's Mansion.

## Ozona Indians Play Stanton In Last Home Game

The Ozona Indians, with a record of nine wins and only one loss so far this season, and seeking their sixth straight win in as many weeks, will make their last home field appearance at Powell Field here Sunday afternoon.

The Indians will play the Stanton Bulldogs beginning at 2:30 p. m.

The Indians' ace pitcher, Rudy Martinez, will start on the mound for the Indians, with George Ybarra receiving.

The balance of the Indians line-up will see Toni Gomez on first base; Robert Flores on second; Cuco Zamarrilla on third; Calano Delgado, shortstop; Chris Martinez, left field; Danny Rios, center field, and Daniel Sanchez, rightfield.

## Booster Club Fetes Gridders At Annual Feed

The Ozona Lion Booster Club held its annual barbecue honoring the Ozona High School football teams and the Ozona Junior High team last Saturday night, with Chuck Moser, famed Abilene High School coach, as the guest speaker.

Members of the Ozona booster club and of the Ozona football squads heard Moser tell them that every man on the team is important, and the degree of importance a man is to the team is in part dependent upon how much effort he is willing to make, all of the time.

Moser told the group that leadership must rest with the seniors not only on the field but in the classroom.

A good turnout of club members were present for the barbecue and the presentation of the football squads by their coaches. It was evident to the members present that the 1964 Lion squad is both larger in numbers and in size than has been the case in the last two or three years. The Lion A squad has 24 members, the B team 29 members and Coach Chick Womack had 65 with 15 more awaiting medical checkups before joining the squad.

The members of the club elected Bill Seaborn as president for 1964-65, with Bud Cox, first vice president Norman Upham second vice president and Woody Mason secretary treasurer.

### Phone Officials Offer Aid Finding Use For Radar Base

John E. Robbins, district manager of General Telephone Company and Jean Guthrie of the Public Relations office, were visitors to Ozona Monday. Purpose of their visit was to determine ways the General Telephone Company could aid Ozona in finding a use for the Ozona Air Force Station.

They will write letters to the Site Selection Committee of the Retarded Children's Home, encouraging use of the facility as an economy measure for the state, Mr. Robbins said. A letter boosting Ozona for the site of the school will also be written to Governor John Connally. If this effort should fail, Mr. Robbins has offered the services of his office in an attempt to find other uses for the Base.

## Funds Sought to Keep Museum Open This Year

Kept open five and a half days a week this summer with a paid attendant in charge, the Crockett County Museum was visited by nearly 1,000 persons, many from out of state and even from as far away as Australia.

This summer opening program was made possible through an appropriation by the Commissioners Court for the curator's salary. This appropriation has now been exhausted and a campaign is being launched by members of a Museum Committee from The Crockett County Historical Society to raise enough funds to keep the museum open for the balance of this year.

This was the announcement this week by Mrs. Early Chandler, a member of the committee. The Commissioners Court has promised that, barring unforeseen developments, money will again be available from county funds at the beginning of next year to provide a museum attendant. But the committee is anxious that the museum be kept open the balance of this year since interest is building up and the place is rapidly taking on importance as a tourist attraction.

The committee is asking Ozonans for voluntary donations to the fund, either as memorial gifts or as direct contributions in order that a fund might be built up to assure the museum's opening for the next few months.

Members of the committee include Joe Couch, Mrs. Alvin Harrell, Mrs. Mahlon Robertson, Mr. and Mrs. Eugene Miller and Mrs. Chandler.

An eager, and apparently improved, Ozona Lion football team will open its 1964 season at home Friday night when they face the 2-A McCamey Badgers in a non-district clash at Lion Stadium, with the kickoff slated for 8 p. m.

In last year's season opener, the Lions dropped a 6 to 0 game to the Badgers in McCamey and went on to post a four win and six loss record.

## Ozona Schools Show Enrollment Gain At Opening

Ozona Schools kicked off the 1964-65 term Monday morning with an overall increase of 20 pupils over the record opening day enrollment a year ago, Supt. L. B. T. Sikes, reported yesterday. The opening day total enrollment in all grades was 1,020.

High School enrollment was up 8 over last year, kindergarten and first five grade at North Elementary showed an increase of 16 and in Junior High, the seventh grade jumped 24 in enrollment and the eighth grade was up 10. Enrollment was down by 14 in South Elementary and by 3 in the Lockett school.

The enrollment by grades follows:

High School: 12th grade, 51; 11th grade, 47, 10th grade, 50, and 9th grade, 66. Total 214.

Junior High, a record enrollment for all time: 7th Grade, 98, 8th grade, 73. Total 171.

North elementary: 6th grade, 48; 5th grade, 42; 4th grade, 55; 3rd grade, 48; 2nd grade, 44; 1st grade, 45; kindergarten, 23. Total 310.

South Elementary: 6th grade, 38; 5th grade, 38; 4th grade, 47; 3rd grade, 37; 2nd grade, 59; 1st grade, 47; kindergarten, 40. — Total 306.

## Brother-In-Law Of Ozona Coach Dies In Mishap

Austin Sandusky, brother-in-law of Ozona High School Coach Fred Hickman, died Wednesday morning in the Bronte Hospital following an accidental shooting while hunting on his farm near Bronte Tuesday afternoon.

Services for Sandusky will be held in Bronte Friday afternoon.

Sandusky is survived by his wife and three children, Gerald Sandusky, a coach at Levelland, Dr. Judge Sandusky of Hondo and Mrs. Elmer Snider of Dumas.

According to reports, one of the hunters in the party placed his shotgun against the trailer hitch on the pickup and the gun slipped, discharging, and striking Sandusky in the left arm and shoulder from very close range.

### FORMER OZONAN GRADUATES

Mrs. Mary Jo Ward Mason, daughter of Mr. and Mrs. Rufe Ward of Ozona and a graduate of Ozona High School, received her Bachelor of Arts degree from the University of Texas at the recent summer school graduation exercises. Mr. and Mrs. Mason live in Austin.

The Lions, whose defense leaked badly all last year, expect a greatly improved line with a number of veterans back with added size and experience.

The big question over the Lions at the moment is how well the young backs will be able to operate with only a minimum of size and little experience, outside of senior fullback Richard Vargas.

Last week's scrimmage with 2-A San Felipe of Del Rio found the Lions displaying a lot of offense on the ground itself. The Del Rio team's line boasted considerable size, speed and experience as well as some depth, and the Lions, on their part, also displayed some depth.

The McCamey - Ozona games for the past ten years have all been close ones, but the Badgers have posted four wins with one tie and two losses in last seven meetings with the Lions.

Both Ozona wins came in Ozona and the 1964 Lion team would like to get a third victory in the series this year.

Coaches Fred Hickman and Sonny Cleere have worked the Lion squad hard this fall and the boys have been both eager and cooperative and, except for one boy, forced to quit due to a rather severe injury, all of the original members of the squad are still on the team.

The Lion have spent considerable time in drills this week, attempting to correct some of the flaws in their attack and in the defense that showed up in the San Felipe scrimmage.

This year's district 8-A race, with nine teams in the chase, could prove to be an interesting race. If the (Continued on Last Page)

## Joint Court Of Awards For CC Scouts Groups

The Scout Troops sponsored by the Ozona Community Center held a joint Court of Awards last Friday evening, marking the close of a full year's program. Through the use of slides and written reports the summer activities were presented.

Mrs. Lawrence James, Crockett County chairman, was invited to present the Order of the Star to the following girls: Mary Frances Martinez, Mary Jane Martinez and Sylvia Vitela and also the Order of the Arrow presentations to Felicitia Ramirez and Cuca Maldonado.

Mrs. Joyce Smith, representing the Frontier Girl Scout Council, helped make the other awards to Brownies and Girls Scouts. The girls receiving badges and awards were: Diana Castro, Sharon Fierro, Shawnee Fierro, Alma Garza, Elizabeth Martinez, Josephine Sanchez, Elaine Zapata, Elizabeth Zapata, Ludivina (Continued on Last Page)

#### "A COMPLEX MAN"

There are more mysteries in the hitherto little publicized background of President Johnson than the question of his personal wealth, whether it is \$14 million as reported by Life magazine or \$3,484,098 as reported by the eminent accounting firm of Haskins & Sells in a study made at Mr. Johnson's request — or something in between. The accountants explain that their net worth figures represent the "book" value of the LBJ holdings. The Life figure, on the other hand, is an estimate of the present resale value of these properties.

The possibility of such a disparity in the two estimates is suggested at least by the remarkable success of Mrs. Johnson's \$17,000 investment in Radio Station KTBC in Austin and LBJ's purchase of land at \$300 an acre that is now said to be worth \$20,000 an acre. But the efforts of a team of three Wall Street Journal reporters in interviewing various Johnson cronies and checking records on the ground (as reported in the issue of August 11) would seem to indicate that Haskins & Sells may have had something less than complete data for their audit.

But, whatever the figure may be, it reflects a brilliant fiscal performance on the part of a public servant in 30 years, and who first

came into the top money of the Presidency less than a year ago.

For the benefit of "those who would like to know Johnson better," Liberty Lobby, (300 Independence Ave., SE., Washington 3, D. C.) has just presented "A Political Biography" of LBJ in which the fiscal references are mainly to the plight of the taxpayer, and principal interest focuses on sundry other mysteries. It reveals young Mr. Johnson's initiation into politics in assisting Cattle Baron Richard M. Kleberg achieve his seat in Congress.

Liberty Lobby discusses "The Miracle of Box 13," the Jim Wells County ballotbox that figured so notably in Lyndon Johnson's own success in winning his seat in the House. It reviews the rocket-like rise of Billy Sol Estes from rags to riches—including the questions that remain unanswered, that point to high-level sponsorship in Washington and that are still unreported by the investigating McClellan Committee. And there's the story of Bobby Baker, Senate Democratic Secretary, the influence and the deals that made him two million dollars, his friends — of both sexes — the tenacious efforts at investigation by Delaware's Senator John J. Williams, the lack of brilliant fiscal performance on the part of a public servant in 30 years, and who first

came into the top money of the Presidency less than a year ago.

President Johnson has been described as "a complex man," and Liberty Lobby, which describes itself as "a pressure group for patriotism" has made this apparent. "Lyndon Baines Johnson," says LL, "has a little something for everybody, but charity is not his greatest virtue — you must vote for him to get it. But there is one thing he gives away in magnificent quantity; it is that good feeling down in your optimistic heart and soul, that he really cares... that he understands you."

#### TIME TO HOLD FAST

This is no time to uproot our established, fair and effective immigration policies, and let down the barriers in a noble gesture to all dissatisfied humanity.

In view of the nation's preoccupation with unemployment, the related and continuing advance of automation and the "war on poverty"; and in the light of the multiple Federal programs with budgets as high as a billion dollars (for the poverty war), we can think of no greater disservice than to invite an indiscriminate and vastly expanded global influx of all kinds and conditions of humanity.

Favored among the various pending bills that would accomplish this national calamity is that proposed by the late President Kennedy and presently being pushed by President Johnson. This measure would outlaw the national origins quota system of the existing McCarran - Walter Act, which for a dozen years has kept new admissions proportional to the ethnic pattern of our country. Further, it would virtually double the admissions authorized under existing quotas.

In destroying the present quota system, the Administration bill would let down the bars to swarms of Asiatics and Africans — as unprepared for America as we are for them. And it would likewise push aside our major barrier to the invasion of an eager army of spies, saboteurs and subversives dedicated to the Kremlin's pledge to bury us. Even under the present

Act, which is eminently fair and generous and basically effective, loopholes permit the admission of far too many immigrants outside of the quotas. But the Administration bill further enlarges the area of arbitrary admissions and gives control to a board of politicians so that total immigration could quickly exceed a million a year!

We can think of nothing more cynical than to bewail the plight of our jobless and weep costly tears for our own undernourished and at the very same time to pursue the prospect of making our situation infinitely worse—sociologically, economically and with respect to national unity and defense. It is high time that we tell our Senators and our Congressman, personally and in writing, what we think — and before a vote can be taken.

#### Wildcat Spotted on McMullan; Texaco Tries Completion

Western American Oil Co. Midland, will drill the No. 1 M. D. McMullan, a 3,500-foot Clearfork wildcat in Crockett County, seven miles south of Ozona and 1 1/2 miles east-northeast of the Refoil (multipay Clearfork) field, but separated by a 2,850-foot failure.

Location is 467 feet from the south and west lines of 6-P-TCRR, Abst. 4444.

Texaco Inc., was running 5 1/2-inch casing to an unreported depth, apparently for tests of the Ellenburger and Canyon, at the No. 1-1 C. E. Davidson, Jr., in 5-KL-GC&SF, Crockett County wildcat, six miles southeast of Ozona and 3 1/2 miles east and slightly south of Canyon and Ellenburger gas-distillate production in the Ozona, East multipay oil and gas field.

Drilled to 9,138 feet, it is plugged back to 8,757 feet.

While being drilled, a flow of 2 million cubic feet of gas daily was encountered at 7,884 feet, possibly Canyon; and a test between 8,580-8,635, possibly Ellenburger, flowed gas at the maximum daily rate of 655,000 cubic feet and recovered 465 feet of drilling mud.

**Montana Church Names Building For Rev. M. M. Fulmer**

Word has been received by friends here that the Calvary Baptist Church of Helena, Montana, has voted to name its proposed Educational Activities Building in honor of the late Rev. M. M. Fulmer, former pastor of the Ozona First Baptist Church.

Rev. Fulmer passed away last August. It was while he was pastor at Uvalde that he held a revival meeting in Valdez, Alaska, and while on that trip he discovered the need for Southern Baptist work in Montana. He returned at a later date and conducted a meeting there and also assisted in the organization of church in Shelby, Montana.

**CHRISTMAS IN AUG. PARTY BY G.A.'S**

Fellowship Hall of the First Baptist Church was decorated with Christmas garlands and shiny ornaments last Tuesday afternoon as the Girls Auxiliary members met for their annual Christmas-in-August party. Nineteen members and guests exchanged gifts from under the tinsel tree. They hung stockings which had been filled with gifts for use of missionaries around these, with gifts from other members of the church, made up a box to be sent to missionaries.

Before refreshments were served Christmas carols, led by Nanda Dozier were sung and Mrs. Jack Matthews recited a Christmas poem.

### THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Ozona Crockett County, Texas, the accompanying citation, of which the here-in below following is a true copy.

### CITATION BY PUBLICATION

### THE STATE OF TEXAS

To: Gail Melvin Hess, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Crockett County at the Courthouse thereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 28 day of September A. D. 1964, to Plaintiff's Petition filed in said court, on the 14 day of August A. D. 1964, in this cause, numbered 2346 on the docket of said court and styled Joan Hess, Plaintiff, vs. Gail Melvin Hess, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: A suit for divorce dissolving the bonds of matrimony between Plaintiff and Defendant, for custody of the minor children of Plaintiff and Defendant: Kay Lerue Hess, a girl 4 years of age; Kori M. Hess, a boy, 2 years of age; for court costs and such relief as Plaintiff may be justly entitled to, as is more fully shown by Plaintiff's petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The office executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Ozona, Texas, this 14 day of August A. D. 1964.

(Seal) Attest: Leta Powell Clerk, District Court Crockett County, Texas. 22-4c

### HIGHLIGHTS AND SIDELIGHTS

### From Your State Capitol

Austin, Texas — Operation Motorcade — Col. Homer Garrison Jr., head of the State Department of Public Safety, announced that "Operation Motorcade", the grim tabulation of Labor Day weekend traffic deaths as they occur, will go into effect Saturday (Sept. 5) at 12:01 a. m.

Garrison said his department estimates 36 persons will be killed on streets and highways during the 72 hours from the beginning of "Operation Motorcade" to 11:59 p. m. Monday.

Oil Fight — Independent oilmen from the East Texas Field took on major companies at a Railroad Commission hearing at which a proposal was made by Atlantic Refining Co. to give additional allowable to wells in that giant old field. The wells now have allowable on a per-well basis only, and Atlantic wants to add production based on acreage.

Small operators, conceding that it would increase their allowables, too, fear that if the Atlantic plan were adopted, it would open the door to a court review of the field rules, which could easily result in wiping out the allowables of wells drilled on tiny townlot tracts.

But the hearing also brought out a major inequity, and court action could come on that. A well capable of making only 19 barrels is exempt from shutdown days under a state law, so it can produce 30 days a month. But a well making 20 barrels a day is limited to about eight days' production a month.

So the poorer wells get to produce more oil than the better wells.

Draft Dodge Carries Penalty — Noting that an estimated 6,000 to 8,000 18-year-old men have not conformed with the draft registration law, Col. Morris S. Schwartz, State Director of Selective Service, issued a reminder that 18-year-olds who wait more than five days after their 18th birthday to register with their local board are subject to penalty.

Maximum penalty for failure to comply with the draft law, Schwartz said, is five years in prison, a \$10,000 fine, or both.

Water News—Latest word on construction of the \$64,000,000 Amistad Dam on the Rio Grande and the Devil's River is that bids will be opened by U. S. and Mexican authorities working jointly on the project on November 6.

Both countries have been busy re-routing roads and railroad lines in the vicinity of the proposed dam to make way for construction.

Texas Water Commission will hold a hearing on the Colorado River Municipal Water Authority's application to build a dam at Robert Lee on the Colorado River on October 19 at 10 a. m.

Commission gave the Guadalupe - Blanco River Authority permission to build a low-water dam near the mouth of the Guadalupe River in Calhoun County. The dam will have a rubber top, so it can be deflated when river flows are high—if that day ever comes again.

Continuing its "clean-up" of unused water rights in Texas, the Water Commission this week cancelled out reduced water rights in Kimble, Mills and Coleman Counties which dated back as far as 1904.

### THE HOBBY CLUB AUGUST 28, 1964

By Mrs. Andy White

Mrs. Newman Billings was hostess to the Hobby Club, the members as co-hostesses. A lovely ham supper was served, members bringing covered dishes.

A beautiful arrangement of gladiolas was the centerpiece, placed on a pink linen cloth. Brother C. S. Price gave the blessing.

After supper Mrs. Newman called a business meeting.

The following officers were selected by the nominating committee. Mrs. Jimmy Randle president; Mrs. Andy White, vice-president; Mrs. Newman Billings, secretary; Mrs. W. A. Arledge, treasurer. These officers were elected for the new year.

Mrs. Claude Ditmore presented the club with a plate with the Lords Prayer on it. Also a lamb plaque.

A memorial will be given in memory of Mr. T. H. Eastman and Mr. Sidney Smith. Three new members were welcomed into the club. Mrs. Guy Skiles, Mrs. Clayton Cox and Mrs. Don Allen. About 50 attended the social.

The next meeting will be the installation of officers, September 8, at the Pumpville club house. Mrs. Don Allen will install the officers.

# Wake 'em up Gabriel!

There isn't much music coming out of that horn. But one thing's certain: this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the Church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Miss Joanna Patton, Bob Meinecke Repeat Vows

Miss Joanna Patton, daughter of Rev. and Mrs. Patton, became the bride of Bob Meinecke, son of Mr. and Mrs. Hurst Meinecke of Ozona in a double ceremony at seven o'clock Saturday evening, August 29, in the First Baptist Church. The bride's father, pastor of the church, officiated.

Immediately following the ceremony, the bride's parents were hosts for the reception held on the church lawn.

Members of the groom, Mrs. Carl K. Kremer and Mrs. Ben Taylor, both of Houston, served the cake. Misses Ann Nelson, Jan Ellis and Ann Ray Stewart assisted in serving punch.

For traveling, the bride wore a blouson dress of black and brown, lizard shoes and bag, black gloves and hat and a corsage of paleanopsis orchids. Mr. and Mrs. Meinecke will be home in Houston.

A graduate of Uvalde High School, the former Miss Patton attended Northwest Texas Junior College and Baylor University, Waco, where she was member of Phi Beta Mu and named to the Dean's list. Mr. Meinecke received his degree from the University of Texas. He is also a graduate of a degree in marketing from Ozona High School and Northwest Texas Junior College.

The rehearsal dinner honoring Miss Patton and Mr. Meinecke was given by the groom's parents, Mr. and Mrs. Hurst Meinecke of Ozona, Friday evening in the Crystal Room of the Mead Hotel.

Mr. John Donaldson, organist, accompanied Leon Patton as he sang "I Love My Country" and "The Lord's Prayer."

Given in marriage by her father, Sammy Don Patton the bride wore a gown of white delustered satin. Flower appliques of pearl and lace frosted with pearls scalloped the portrait neckline of her fitted bodice. Sleeves tapered to classic petal points. Spray sprays accented the low waist line and introduced the full lace garlanded skirt. A cascade of lace appliqued on watteau panels drifted into the wide train, sending it aisleward to chapel length.

Mrs. Tommy J. Casbeer of College Station was matron of honor, and bridesmaids were Miss Jeanne Newton and Miss Jane Patton, sis-

ter of the bride.

Miss Dayna Howard, daughter of Mr. and Mrs. Ronald Howard, was flower girl.

Bill Meinecke, twin brother of the groom, was best man, and groomsmen were Ronnie Beall and Johnny Childress, all of Ozona. John Ray Stewart and Don Connell, both of Uvalde, ushered.

Besides the parents of the bridegroom, other Ozonians attending the wedding were Mr. and Mrs. Ernie Boyd, Mrs. Hilton North and Miss Sandra Augustine.

## WMU Send Clothes To Poor In Taiwan

Preparations were made to send a box of clothes to Taiwan to Miss Lola Mae Daniel when the WMU of the First Baptist Church met Wednesday morning at the church. The clothes will be used for families who will be affected by the typhoons during the typhoon season. Persons wishing to donate clothes for this purpose are asked to take them to the fellowship hall of the church.

Plans for the coming year were discussed. The group will observe Mary Hill Davis Week of Prayer, it was decided.

Fourteen persons attended, including Mrs. Granny Thomas, who was welcomed as a new member, and Mrs. Alice Matthews, a visitor.

## Congressman ED FOREMAN Reports

### Armed Service Committee Investigates Vietnam War And LBJ Early Warning

Last Tuesday and Thursday, the House Armed Services Committee took another look at the situation in Vietnam, with special attention to the reasons and effects of the President's unprecedented television show announcing one hour and 39 minutes in advance, this country's plans to attack North Vietnam P T boat bases. In two tension-packed meetings, the Committee heard the Deputy Secretary of Defense, Cyrus R. Vance, and the Chairman of the Joint Chiefs of Staff, General Earle Wheeler attempt to justify the early warning made available to the enemy by the President's dramatic television announcement on the night of August 4.

Although the meetings were labeled "secret," no new material or facts were presented. The Secretary presented a 2½ page prepared statement which was immediately released to the press. Regardless of all that's been said, done and written, millions of Americans are deeply disturbed and concerned over the facts surrounding and hidden in this very grave matter.

Where We Are Today Financially — According To A Democrat

1. "... too many Wash-

ington officials try to talk like the brain trusters on the Federal Economic Advisory Council... too often they are people who seem to know the price of everything, but the value of nothing... (they) sound like they are trying to tie a lot of holes together with a piece of string."

2. "Taxes were cut \$11½ billion to increase the revenue. At the same time, expenditures were reduced to a figure which was \$5 billion more than last year."

3. "This was the first time in history that taxes were cut and expenditures were increased at the same time!"

4. "The Federal debt limit was increased \$15 billion to \$324 billion, to take care of so-called expenditure reduction and the tax cut."

5. "The deficit was reduced to an increase of \$2 billion more than the year before."

6. "We are providing some more billions for foreign aid... and we have more unfriendly nations now than we had when we started."

7. And to top it all: "The Government economists say there is so much growth in the economy — and such booming prosperity — that something needs to be done about poverty."

— these were just some of today's "Washington phenomena" as reported by Senator Harry F. Byrd (Democrat, Virginia) in an address August 15, 1964.

Teddy Roosevelt on Patriotism

"Patriotism means to stand by the country. It does not mean to stand by the President or any other public official save exactly to the degree in which he himself stands by the country."

"It is patriotic to support him insofar as he efficiently serves the country. It is unpatriotic not to oppose him to the exact extent that by inefficiency or otherwise he fails in his du-

ty to stand by the country. "In either event, it is unpatriotic not to tell the truth — whether the President or anyone else."

## Grote Angus Ranch Production Sale At Mason Set Sept. 26

The Grote Angus Ranch of Mason, Texas, has announced their second registered production sale for September 26. The sale will be held at the Mason County Fair Grounds at 1 p. m.

## THE OZONA STOCKMAN

# To The PARENTS

Of Children Who Attend

# The RANCH THEATRE

We desperately need your cooperation in solving the problem of providing the public with a clean theatre with sanitary rest rooms in Ozona.

We are doing all in our power to keep the rest rooms and other parts of the theatre clean, but the improper use of rest room facilities by the children and young people is presenting us the most difficult problems.

We earnestly solicit the help of parents in instructing their children to use the same care and decent conduct as you demand from them in their own homes when they come here for entertainment. We feel that you owe it to your children to help in correcting these bad habits early and we will appreciate your assistance in our efforts to provide them with a clean theatre.

Lions can develop an offense they could be one of the contenders but Big Lake Rankin, Sonora, and Menard will all be very strong and the race could be one that will see every team beaten at least once.

On defense, the Lions will probably start Mike Walters and Alejos Tambunga at ends, Pete Garza and either Joel Huff or Beto Ramos at guards with Charles Farris or Rick Hagelstein and Bob Anthor at tackles.

In the defensive secondary, the Lions will most likely have Richard Vargas, Pon Seahorn, and George Kyle, with Sam Cervantez, George Cox, Bill Carson, Derold Maney or Randy Upham to choose from.

On offense, the Lions will have Thomas Garza and Sam Cervantez at ends, Bob Anthor and Rick Hagelstein at tackles, Pete Garza and Joel Huff or Larry Williams at guard, Mike Walters at center with Bill Carson and George Kyle at quarterback, with Randy Upham and George Cox at left half, Derold Maney and George Kyle at flanker, and Richard Vargas at fullback.

ties at the Ozona radar station will not meet the full requirements of the Special School for Retarded Children which you are charged with the responsibility of locating. I am certain everything at the Ozona station can be used in the new school.

"I hate to see a million and a half dollar government facility discarded when it could be put to efficient use by another government agency. This prompts me to recommend that special consideration be given to locating this school at Ozona.

"I can't see any disadvantages to the Ozona site for the school for retarded children. In fact, I think the climate and natural facilities at Ozona might greatly enhance the training that must be given at this school.

"Please forgive me for giving you free advice in this matter," Mr. Harte concluded.

Dr. Cavness pointed out the nearness of SAC as an adjunct to training facilities and strongly urged location of the school here.

In another letter to another member of the site selection committee, Mr. Harte wrote in part: "There may be some people who do not know where Ozona is, but the State Treasurer and the Board of Regents of the University of Texas know that Crockett County has made one of the big contributions to the exchequer of this State through its oil and gas reserves."

Ozonans are being urged to make a close check of their own premises for possible mosquito breeding places.

"Reports have reached me of the presence of mosquitos in various parts of town and the Commissioners Court felt that precautionary steps were advisable in view of the seriousness of the disease and its rapid spread in infested areas," Judge Jones said. "I feel that every citizen of Ozona should join in the drive to hunt out all possible breeding places for mosquitos. One tin can full of water can breed many mosquitos and every air conditioner in which water stands, and heavy stands of grass and weeds should be suspect."
