Contamination Aid Serious Threat To Water

Available under-
ground water supply in
Crockett county is 16 to 18
times the volume now being
used and so poses no threat
to the future in the foresee-
able future.

The only problem is to
keep this water and to prevent
contamination — a
pretty formidable prob-
lem. Hillary Iglehart, hy-
draulic engineer for the
Water Commission, is
gathering of Crockett
county citizens with the
Commissioners Court here
today.

Iglehart, with an en-
gineer from the
Mission, Bernie Baker,
held a two-hour ver-
sion of the forth-
coming written report of
findings of a two-year
study conducted by Igle-
hart and his assistants un-
der sponsorship of the Wa-
ter Commission and with
cooperation of the
county.

The most serious threat
to the underground water
supply for rural and mun-
icipal uses, and to possible
industrial uses, is the pro-
blem of contamination —
from salt water being
produced along with oil
in this county.

Contamination has
been taken place to fresh
water supplies under a large
part of the central por-
tion of the county, a map
prepared by Mr. Iglehart
shows. His investigation
included the sampling at
wells from around 1,100
wells throughout the
county — an estimated 80
percent of the total number
of wells in the county.

Already much has been
done to correct the sources
of contamination — includ-
ing the banning of open
evaporation pits for dispos-
ing of water from produc-
tion wells, Iglehart said.
In addition, some of the
flagrant illegal dis-
charges through faulty in-
stallations have been correct-
ed. Exhibited pictures of
oil casings in injection
wells previously in use,
showing that injections
of salt water under pres-

South Elementary A Opens Year Monday Meet

South Elementary P.
T. A. with about 85 mem-
bers present, held their first
meeting of the year at the
Elementary Cafeteria
Monday night, where they
heard an address by J. B.
Pena, superintendent of
schools in the San Felipe
district of Del Rio.

Pena spoke on the
importance of the parent and
teacher in the P. T. A. and
the importance of the P. T. A.
to better the welfare of the
child.

The South Elementary P.
T. A. theme for the year will
be "The P. T. A. Cooper-
ates In The School Story".
The next meeting sched-
uled for Oct. 5th. The Sep-
tember program had to be
cancelled due to the Labor
Holiday falling on the
Monday, the normal
meeting day.

Decorating the front of
the auditorium Monday
night was a glided tree
and leaves bore the
names of the members who
registered and paid
before the first meet-
ing. A large number of new
members registered at the

Bronte's Steers Furnish Meat For Ozona Lions Den

By Ernie Boyd

The Ozona Lions scored
three quick first quarter
touchdowns last Friday
night and then went on to
post an easy 30 to 6 win
over an out-manned but
hustling Bronte Longhorn
eleven.

Once again it was a hard
cracking defense that put
the Lions on the scoreboard.
Hard charging Ozona line-
men jarred the ball loose
from Bronte ball carriers
twice in the first quarter
to set up short touchdowns
drives before the Lions
roared 35 yards on just two
plays, the second of which
was a 60-yard touchdown
run by halfback George
Cox, to sew up the contest.

Ozona reserves played a
major portion of the last
three quarters and account-
ed for one touchdown, while
giving up one.

The scoring began in the
opening minutes of the first
period when Bob Amthor
broke in on the Bronte
quarterback and jarred the
ball loose, with Lion end
Alejos Tambunga falling on
the loose ball.

The Lions punched the
ball in from the thirty, with
Vargas going over for the
score. Amthor's try for the
extra point was wide.

The Lions kicked off a-
gain, and on the second
down, the ball was once a-
gain shaken loose and Rich-
ard Vargas fell on it to
start the second Lions pos-
session of the night.

Richard Vargas skirted
left end from the four yard
line for the second T. D.
and once again the kick was
no good, leaving the score
12 to 0.

The Lions, with a number
of defensive reserves in the

Congressman Ed Foreman To Be Here Monday

Congressman Ed Fore-
man, a candidate for re-
election as United States
Representative from the
16th Texas District, will be
in Ozona to meet Ozona
friends and to attend a po-
litical rally to be held in the
downtown city park at 5 o'-
clock next Monday after-
noon, Sept. 21.

Also here for the rally
will be Bill Hayes of Tem-
ple, a candidate for Con-
gressman at Large from
Texas on the Republican
ticket.

A loudspeaker system is
to be set up in the park and
the visiting candidates will
be given an opportunity to
address the Ozona people
on issues of the day and
explain their stand on such
issues.

Efforts are being made to
bring a team of folk singers
from Midland for the occa-
sion but information was
not definite on this effort
yesterday.

A cordial invitation is ex-
tended by local backers of
Congressman Foreman and
Republican leaders to all
Ozonans to be present for
the outdoor gathering and
to meet the Congressman
and Mr. Hayes.

Ozona Wesleyan Guild Host Dist. Conference Here

The Ozona Wesleyan Ser-
vice Guild was host to the
District meeting of the Wes-
leyan Service Guild, San
Angelo District at the O-
zona Methodist Church,
Sunday, Sept. 13.

The group attended
church together, was served
lunch at the El Sombbrero
Cafe, toured Ozona and the
Ozona Community Center
and returned to the church
for a business meeting and
workshop.

Mrs. Zilpa Wheelis of So-
norra, presided at the busi-
ness meeting. Mrs. George
Russell sang a special num-
ber for the group.

The workshop consisted
of a panel discussion of the
duties of the Guild officers
and the changes made by
Guild legislation. The panel
was led by Ruth Donegan,
Conference Secretary, from
Corpus Christi.

Following the meeting
coffee and cookies were
served to 60 delegates from
Sonora, Del Rio, McCamey,
Big Lake, San Angelo, and
Ozona and to Ruth Donegan
and Ruth Mary Price, both
conference officers, from
Corpus Christi.

Amerada Complete Extender In Todd

Amerada Petroleum Corp.
has completed No. 5-K Todd
Estate as a location-west
extender to the Todd,
northeast (San Andres)
pool of Crockett County, 14
miles northwest of Ozona.

It potentialled from per-
forations at 1,877-963 feet
to pump 85 barrels of 31.2
gravity oil per day with no
water and no stimulation
reported. Gas-oil ratio was
833-1.

Location is 1,787 feet
from north and 2,173 feet
from east lines of Section
15, Block 10, GC&SF Sur-
vey.

Mr. and Mrs. Morgan
Tolle are the parents of a
daughter, born in the Cro-
ckett County Hospital on
Tuesday.

Flea Circus Is Coming To Ozona!

The "Flea Circus" is
coming to Ozona.

In a meeting held at the
Chamber of Commerce of-
fice, September 16, local
merchants voted to spon-
sor this event.

This will be the biggest
and most colorful event
ever to take place in O-
zona Retail Area. All O-
zonans stand to gain by
becoming a part of the
"Flea Circus". Not only
will there be fun and spe-
cialties galore, but a \$50 gift
certificate will be given a-
way to some lucky person.

Have you seen your local
Merchants really "let their
hair down"? You may not
believe what you see, but
keep waiting and watch-
ing for the arrival of the
"Flea Circus" — coming
soon, in both the down-
town area and the Village
Shopping Center.

Adult Workshop Plans 4H Groups For Junior Girls

Plans for organizing
home economics clubs for
junior girls were made dur-
ing the 4-H adult leader
workshop held Tuesday of
this week at the Ozona
Community Center. Mrs.
Roberta Johnson, District
Home Demonstration Agent
Fort Stockton, conducted
the workshop for leaders in
Foods and Nutrition and
Clothing.

Enrollment, organization
and training of 4-H mem-
bers will begin next week.
Members will start projects
in Foods and Nutrition with
some sixty prospective
members lined for enroll-
ment in the 4-H home e-
conomics clubs. Training of
4-H members will be con-
ducted by trained 4-H adult
and junior leaders.

The following 4-H leaders
have received training and
will work with the 4-H
members: Miss Dorothy
Price, Miss Ethel Wolf and
Mmes. Taylor Deaton, R. A.
Harrell, G. K. Mitchell, Jer-
ry Hayes, Ruben White-
head, Sam Fitzhugh, Bud

Telephone Co. Survey Projects Ozona Growth Rate

Claud Adams, commercial
representative for General
Telephone has recently
made a survey of Ozona in
an effort to project its
growth for his company. In
his unofficial tabulations
reported to the Chamber of
Commerce office were some
interesting facts on Ozona.

Ozona is one of two com-
munities in the San Angelo
area that has shown a good
rate of growth over the past
several months. His survey
indicated that there were
962 occupied housing units
in Ozona, with only 8 un-
occupied units. Mr. Adams
remarked that this is a very
high percentage of occupa-
ncy for any community.

His report also lists 55
trailer houses in Ozona.
This is another indicator of
the economic climate of a
town. Mr. Adams said the
final disposition of the Ra-
dar Base will be a big factor
in planning for the future
telephone needs of Ozona.
General Telephone has re-
cently installed new cables
into Ozona to provide more
private lines.

Lions May Face Toughest Foe In District Opener With Sanderson

By Ernie Boyd

The Ozona Lions begin
district play at home Fri-
day night when they face a
tough Sanderson team in
the opening round of the
District 8-A flag chase.

The Lions, with two wins
and no losses, will be meet-
ing a team that is yet to
win this season, but that
fact might be somewhat
misleading. The Sanderson
team has lost its first two
games to tough 2-A teams,

losing only a little bit more
decisively to Alpine than
did district favorite Big
Lake.

The Sanderson team has
a good number of return-
ing lettermen as well as
as some fine, big, fast backs
with which to test the O-
zona defense.

Scouting reports indicate
that the Sanderson team is
well drilled under its new
coach and indications are
that the Eagles who held
Marfa to one score and Al-
pine to just 28 points, will
be hard for the Lions to
move against.

Ozona emerged from the
Bronte contest in good
shape and drills this week
have been designed to stop
the speedy Sanderson backs
and working on the Lions
offense, which seemed im-
proved last week, though
there was not much oppo-
sition.

Other results in the dis-
trict last week found El-
dorado downing Eden,
Junction and Rocksprings
going to an 8 and 8 tie, Me-
nard losing to Robert Lee
rather decisively, Big Lake
downing Stanton with ease,
Rankin losing to McCamey
7 to 6, Iraan winning rather
handily, Sanderson
making a strong show a-
gainst powerful Alpine.

So far, the Lion defense
has been impressive but
neither of the two teams
faced so far are considered
to be as tough as either of
the two teams that Sand-
erson has played, and it
may well be that the Sand-
erson offense will be the
best one faced so far by the
Lions.

Sanderson has always
had a keen desire to beat
Ozona and the fact that
they do it only occasionally
gives the teams each year
an added desire to win. So,
doubtless, the Lions will be
facing a fired up Sanderson
Eagle crew, which will be
even more determined since
the Lions will unquestion-
ably be picked as favorites.

It is not likely that the
Lions will face Sanderson
with any degree of com-
placency, since much is at
stake in the district race.
But if any such attitude
should develop, it could
likely be enough to give
Sanderson the victory.

The 1964 Lions have some
size and some speed, but
speed is not apt to win any
games for the Lions this

Reed Roller Bit Company Moves Branch to Ozona

Perry Bean, sales repre-
sentative for Reed Roller Bit
Company, announced this
week that his company is
moving its operation from
McCamey to Ozona.

The Company has leased
land on 12th Street next to
Whitley Welding Service,
and will move its own build-
ing on this location.

Reed is the world's larg-
est manufacturer of rock
bits. Besides hadling rock
bits, they will also provide
other oilfield supplies by or-
der, according to Mr. Bean.

Mr. Bean is married and
has three children. They
are making their home at
107 Ave. I. J. C. Langston
is manager of the district
office in Odessa. Home of-
fice of Reed Roller Bit is in
Houston.

AUCTIONED IN NOV. — No Surprise Air Base Not Suited As School Site

There was little disap-
pointment among Ozonans
who had worked in behalf
of this city's bid for loca-
tion of the School for Men-
tally Retarded Children at
the abandoned Ozona Radar
Station when C. E. Bentley
of Abilene, chairman of the
selection committee, an-
nounced Monday that Lub-
bock had been picked as site
for the special school.

There was some surprise,
however, among those lo-
cally who had followed the
committee's study of sites
that Lubbock was picked o-
ver Odessa or Midland.

The Ozona Chamber of
Commerce spearheaded the
drive to have the school lo-
cated on the million dollar
plus military installation
five miles east of Ozona.
Despite the fact that Ozona
was retained on the list of
possible sites until the final
choice, local workers had
long since decided that this
community's chances were
slim in view of the several
requirements of the law
creating the school which
this community could not
meet.

Troy Williams, president,
and Luther Walker, man-
ager, of the Chamber of
Commerce, expressed ap-
preciation for the help of
all who worked on the pro-
ject.

Word from the General
Services Administration is
that the Radar Base will be
sold at public auction in
November unless new de-
velopments occur before
that date.

First Meeting Of Ozona P.T.A. Monday Night

The Ozona P. T. A. will
hold its first meeting of the
current year Monday night,
September 21, at 7:30 in
the High School Auditor-
ium.

The program will consist
of a panel composed of tea-
chers to discuss the "New
Trends in Education."

Miss Fern Mikeška will
explain the new math being
taught in the elementary
grades 1st through 6th.

Mrs. Roy Killingsworth
will discuss the elementary
reading program.

Mrs. Eddy Nations will
explain the new math being
taught in the 7th and 8th
grades.

C. A. Brentz will tell a-
bout the high school science
courses being offered, and
Foy Moody will talk about
High School English.

The purpose of these dis-
cussions on the teaching
techniques is to attempt to
clarify to the parents how
methods and subject matter
are changing. This should
be a wonderful opportunity
for parents to learn what is
going on in their schools
and what and how their
children are being taught
and what is expected of
them.

"We urge every parent of
school age children to at-
tend this meeting to help
enlighten themselves and to

BAIL OUT THE UN? WHO, US?

Administration officials told UN Secretary U Thant during his recent Washington visit that Russia must pay up its \$55.7 million arrears to the UN — or else. Or else the US will press Article 19 of the UN Charter under which a member owing two years or more of its mandatory payments loses its vote in the Assembly.

But Mr. Thant, whose Washington visit followed one to Moscow, has told his White House hosts that the bully boys in the Kremlin (to whom he mentioned the matter) said they would pull out of the UN if they lost their Assembly vote.

Two other points of equal significance, we think are these:

There are some other dead beats in the UN also, its total deficit now standing at more than \$122 million—an amount that could throw this global clambake into its final spin.

And Administration spokesmen in Washington have presented to Secretary Thant the prediction (not to be considered a threat) that if the USSR fails to pay up — and keeps its Assembly vote nevertheless — US financial support of the UN is going to take a nose dive.

We can only assume that this realistic outlook for UN solvency — if not its very survival — is based on a shrewd, if unofficial appraisal of the patience of the American voter and taxpayer. And when the time comes that Washington judges the voter has about had it — that's the time for something to give... or, in this case, to quit giving.

LOOK WHO'S AN EXTREMIST

If Sen. Hubert Humphrey plans to bring up the "extremist" issue in this campaign, he had better be careful so it doesn't backfire.

Since coming to Congress, Humphrey, a founder of the ultra-liberal Americans for Democratic Action, has taken some of the most far-out positions of any American politician.

But typical of the Democratic Vice Presidential Nominee's "extremist" positions is his suggestion in 1956 that the United States turn its stockpile of atomic weapons over to the United Nations. Writing in the Progressive magazine, Humphrey said:

"The U. S. should stand ready to turn over its stockpile of destruction to the UN as part of an international agreement for a police force to maintain world peace."

As one Congressman commented: "How would you like to have U Thant's finger on the atomic button?"

Woman's Club To Visit New Globe Theatre In Odessa

The Ozona Woman's Club met Tuesday in the home of Mrs. L. B. Cox, Jr., for a business meeting.

Mrs. Ted White, president, announced that Mrs. Frank McMullan had been appointed as recording secretary to succeed Mrs. Taylor Wood.

The club voted to accept the invitation of Mrs. Marjorie Morris, English instructor in Odessa College, to tour the Globe Theatre in Odessa on Nov. 7. The Odessa Globe is an exact replica of the famous Globe Theatre in London.

Mrs. Evert White, Mrs. Joe Pierce, Jr., Mrs. Ivy Mayfield, Mrs. J. W. Henderson, Jr., and Mrs. Victor Pierce were appointed as a special committee to investigate the purchase of a piano for the new civic center.

After the meeting, Mrs. Cox served refreshments to Mrs. O. D. West, Mrs. W. T. Bradbury, Mrs. Joe Pierce, Jr., Mrs. Ivy Mayfield, Mrs. Frank McMullan, Mrs. Will Baggett, Mrs. Charles Williams, Sr. Mrs. Max Schneemann, Mrs. J. A. The discovery, the firm's No. 39 Chambers County, was finalized June 18 for 42 barrels of 23.6 gravity oil.

Democrats To Aid In Kicking Off Ed Foreman Campaign

Ed Foreman's campaign for re-election to the U. S. House of Representatives will be kicked off tonight in traditional 'Foreman style'.

Two leading Democratic Congressmen, in an unprecedented move, will appear on a district-wide television program and endorse the re-election of the dynamic West Texas Congressman. Scheduled to appear on the program are South Carolina's Democratic Senator, Strom Thurmond; Louisiana's Democratic Congressman, Otto Passman; and a number of Foreman's Republican colleagues.

Thurmond, Chairman of the Senate Preparedness Subcommittee and member of the Senate Armed Services Committee and Commerce Committee, has also served as Governor of the State of South Carolina, President of the U. S. Army Reserve Officers Association, and as Major General in the Army Reserve. He has been actively associated with Foreman through Services Committee work.

In his endorsing statement, Senator Thurmond says, "Ed Foreman is one of the ablest members of the House of Representatives, and one of the best informed members on the national defense situation in the Congress." The Democratic Senator continues, "Ed Foreman is typical of a true conservative and a great American."

Democratic Congressman Otto Passman says in his endorsement, "Ed Foreman recognizes more of the weaknesses of the foreign aid program than any other member I deal with." In conclusion he states, "He (Foreman) is a Texas Republican and I am a Louisiana Democrat, but I am glad to have him as a team mate and I hope that he stays here a long time."

As Chairman of the House Foreign Operations Appropriations Sub-committee, Passman has long been considered one of the nation's foremost authorities on this country's foreign aid program. Both Democratic Congressmen are veteran members — Thurmond has served in the Senate since 1954 and Passman has served in the House of Representatives since 1947.

Ozona B Team In Tie With Eldorado

The Eldorado B team broke a scoreless deadlock with a tally in the fading minutes of the third quarter, but then had to count in the final whistle to save a 6 and 6 tie with the Ozona reserves.

Coach Brooks Dozier's reserve team took the kickoff and marched fifty yards for the tying score, with Tony Garza plowing over for the T. D.

Garza got the drive underway with a 30-yard return of the Eldorado kickoff, and then powered the drive with some fine runs as the reserves swung toward the goal. The Ozona narrowly miss chalking up a win when an official ruled that Catarino Cervantez had stepped out of bounds on a long run that went all the way late in the fourth quarter. The B team promptly pushed to the one foot line where the final gun caught them before they could get across for the score.

In addition to Garza, quarterback Juan DeHoyos and the halfback Catarino Cervantez did yeoman work while on defense in the line anchored by Oscar DeHoyos, Silverio Cervantez, Glen Southard, Larry Kilgore. Some stout linebacking was outstanding.

The Ozona reserves will continue to play on the road this week as they travel to Sonora to play the Sonora reserves tonight.

Indians Close Season With 6-4 Loss To Stanton

The Ozona Indians closed their season Sunday with a heart-breaking 6-4 loss to the Stanton Bulldogs in Stanton. The final left the Indians with a perfect split for the season, 13 wins and 13 losses. But their satisfaction came from the fact that the Indians had won eight straight games and 10 of their last 11 games before losing the Sunday finale.

The Indians had managed to tie the score at 4 all until the eighth frame when the Bulldogs got two unearned runs to sew up the ball game.

It was pretty much a pitcher's duel throughout, Rudy Martinez, hurling for the Indians and Paul Herrera for the Bulldogs, allowing six hits each. The Indians couldn't find Herrera's offerings until the fourth inning, when George Ybarra drew a walk and scored on a double by Chris Martinez. They exploded for three runs in the sixth to tie up the ball game on singles by Cuco Zamarrin.

The game was played on a muddy field under overcast skies, something new for three of the Indians.

HERE'S CHEVROLET'S LONG STRONG LINE OF
workpower TRUCKS FOR '65!

workpower TRUCKS FOR '65!
More models, more engines, more Chevy workpower!
The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fleetside pickup that leads the pack... one of the 18 pickup models in the line this year.
Further along, you'll find economical Chevy-Vans, a wide selection of walk-in vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget. And under those hoods you'll find the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new lower cost diesels. Here's the huskiest bunch of haulers that ever came looking for work!
Our word for all this is workpower. That's the stuff that makes a truck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it, in such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. If you're in the market, just get in touch with your dealer.

EDITORIAL

By Eugene Robinson

Often do we hear one elders disrespectfully Old Man or Old Lady so? Or maybe just last names? Well, respect should be our most valued quality, it seems as if of us are becoming in cultivating this respect should be shown to people we like and admire, but to all people who are our elders or seniors.

Respect, in one sense, is what we earn for our better person. We can earn respect through respect or disrespect of people's feelings.

In OHS, should continue to strive to bring both aspects of respect to school and make it feel for our community.

EDITORIAL

By Linda Miller

How good do we want our school to be? This is a question not only each student must ask himself, but each Senior must keep in mind at school or when participating in any activity connected with the school.

Seniors are the leaders of the school. They must be able to not only accept honor but to accept the responsibility that goes with that honor. They must strive everyday to make the school and the community proud of the way they conduct themselves on and off the campus.

There will be many obstacles for the members of the Class of 1965 to face in the year and in the years to come. However the path does not seem quite so steep if Seniors remember to take pride and dignity in every thing they try to do. Even if failure seems to be the only success to those who have

the courage to accept responsibilities.

OHS TO FLY "VICTORY FLAG"

The Student Council has purchased a victory flag for the school. The flag will start being flown tomorrow. If the Lions win the game tomorrow, the flag will be flown the following weeks until a game is lost. This procedure will continue throughout the year, and it will include all the sports.

The council has also acquired a victory bell. The bell will be "fixed" onto a trailer and will be pulled behind the instrument wagon or by someone who will volunteer to pull it behind their car.

The bell was purchased to help build school morale.

FRESHMEN WEEK AT OHS

By Mary Jane Dunlap

The most important time in the life of every Freshman comes about this time every year. Freshman week is to initiate them into high school and show them how "lowly" and "unimportant" they really are.

The yearly policy, set by the student council, is that each freshman is to be sold at noon of the first day. The prices are 15c for that afternoon and 25c per day for Thursday and Friday. The "slave" must obey every command of his master. The upperclassmen are warned by the Student Council not to physically harm the freshmen.

This year the Student Council auctioned off six freshmen in order to make extra money. These six were sold for as much as six dollars each.

The freshmen are frequently asked to do many strange things, such as wearing their clothes backwards, wearing Christmas bows in their hair; carrying their master books, and singing the Freshman Song.

Although the freshmen are to be subject to many horrible and embarrassing ordeals, many of them really enjoy it, especially when they will be able to get revenge on next year's freshmen.

MOE BARBEE SHOWS SLIDES TO CIVICS CLASS

By Yvonne Martinez

Moe Barbee showed the civics class some interesting slides on West and East Germany last Thursday morning. This past June, Moe Barbee went to Europe, having received an invitation by the F. F. A. National Association. Moe visited Scotland, England, Denmark, Hungary, France, and Belgium. The invitations were based on students' outstanding records in agriculture.

Moe won the Lone Star Farming Degree, which is the second to the highest degree that can be awarded to any F. F. A. member.

LIONS BEAT BRONTE PREPARE FOR DIST. PLAY

Last Friday night the Ozona Lions defeated the Bronte Longhorns 30-6 in a non-district game. The Lions offense worked very well and the defense held the Longhorns to a small amount of yardage. Tomorrow night the Lions begin district play by hosting the Sanderson Eagles here in Ozona. The game begins at 8:00.

MRS. SHORT HOSTESS TO FRIDAY BRIDGE

Mrs. Jake Short was hostess to members of the Friday Bridge Club at the country club last Friday afternoon.

Club high score went to Mrs. Hillery Phillips and guest high to Mrs. Jack Brewer. Mrs. Stephen Perner was low and bingo prize went to Mrs. O. D. West and Mrs. Early Baggett.

Others present were Mmes. Henry Miller, J. M. Baggett, Sherman Taylor, Lovella Dudley, Victor Pierce, Wayne W. West, Hudson Mayes, Max Schneemann, and Clay Adams.

GOSSIP

By Brenda Brentz

There are a lot of long faces around OHS. Could it be because the Seniors of 64 have left for college? How about it girls?

I think the freshmen boys had their share of kissing girls during freshmen week. Am I right Gary Sutton and

Westly West? My goodness! One would think a person in the ninth grade would know how to dress by now, or did Cathy Miller make you dress like that, Bonnie Carson?

Connie Williams must really been telling those lies, because her nose was very large last Thursday and Friday.

If you see the Seniors muttering strange things to themselves, have no fear for they are just trying to learn the Prolouge to the Caunterbury Tales.

I wonder how come Ronnie Mason was blushing in Spanish class. Could it be that Ronnie happened to know the translation of "Cervesa" from Spanish to English when Mrs. Edgerton called upon him.

Mr. Leath was saying the other day, that a little yellow car nearly ran over him on the way to school. Is this true Karen Russell?

After buying those six freshmen in assembly last Wednesday, I bet that Helen Hayes, Gary Boyd, David Lewis, Joanne Lewis, Hugo Coates, and Dwight Childress feel a little broke right now.

How does it feel, Mike Walters and Carey Pitts, to be the only boys in Journalism? You better fatch those aggressive Senior girls in there.

There seemed to be something going on South of town Saturday night. I wonder what it was.

Melody Russell, I know you are new here, but do you have to wink at everyone you meet? Maybe it's your new contacts that you got last week.

The RANCH THEATRE

We desperately need your cooperation in solving the problem of providing the public with a clean theatre with sanitary rest rooms in Ozona.

We are doing all in our power to keep the rest rooms and other parts of the theatre clean, but the improper use of rest room facilities by the children and young people is presenting us the most difficult problems.

We earnestly solicit the help of parents in instructing their children to use the same care and decent conduct as you demand from them in their own homes when they come here for entertainment. We feel that you owe it to your children to help in correcting these bad habits early and we will appreciate your assistance in our efforts to provide them with a clean theatre.

MRS. EARL ACTON
... nee Miss Pamela Jones

Pam Jones, Earl Acton Wed In Saturday Rites

Miss Pamela Jones became the bride of Earl W. Acton in the First Methodist Church Saturday morning, with the Rev. Leonard Garrett officiating.

Mrs. Acton is the daughter of Mr. and Mrs. William Dempster Jones of Ozona. The bridegroom is the son of Mr. and Mrs. Earnest Acton of Toyah.

Given in marriage by her father, the bride wore a beige designer suit with beige pill box hat and reptile accessories. Her jewelry was a leaf pin, gift of the bridegroom. She carried a handkerchief the bridegroom's mother and grandmother carried at their weddings.

Mrs. L. B. Cox, III was organist.

Miss Robin Jones attended her sister as maid of honor.

John Barfield of Pecos was best man and Joe Pierce IV, of Ozona, cousin of the bride, and R. T. Keys of Del Rio ushered.

Miss Shelley Jones, sister of the bride, and Joey Pierce were candlelighters.

The reception was held in the fellowship hall of the church following the ceremony. The bride's table was all white, centered with an epergne holding white carnations. Serving cake and punch at the bride's table were Mrs. Jack Ransom, aunt of the bride, Mrs. Fred Dobson, cousin of the bride, Mrs. Jack Ransom, Jr., and Miss Myrt Topliffe of Eldorado.

The groom's table was centered with an arrangement of bronze chrysanthemums. Serving the coffee and cake were Mrs. J. S. Pierce, III, Mrs. Gene Williams, Mrs. R. T. Keys sister of the groom, and Mrs. James Snider of San

Angelo, aunt of the groom. Music during the reception was by Miss Cheryl Clayton and Miss Freida Kay Noelke.

At the bride's book were Mrs. Kenny McMullan and Miss Barbara Barbee.

In the houseparty were Mrs. V. I. Pierce, Mrs. Eugene Miller, Mrs. E. H. Chandler, Mrs. Tom Smith, Mrs. Jack Wilkins, Mrs. Brock Jones, Mrs. C. O. Walker, Mrs. Fred Hagelstein, Mrs. Bill Childress, Mrs. Jess Marley, Mrs. Joe Clayton, Mrs. Lindsey Hicks, Mrs. H. C. Noelke, Jr., Mrs. James Baggett.

Also were Mrs. Joe Pierce IV, Mrs. Jack Baggett, Mrs. Joe Friend, Mrs. Evert White, Mrs. Jesse Carl Marley, Mrs. Bill Black, Mrs. Pleas Childress, Mrs. J. W. Henderson, Mrs. Sherman Taylor, Mrs. Jake Short, Mrs. W. E. Friend, Jr., Mrs. Hillery Phillips, Mrs. J. M. Baggett, Mrs. Lowell Littleton, Mrs. Bill Seahorn, Mrs. John Hunnicutt, Mrs. Hillery Phillips, Jr., Mrs. W. H. Whitaker, Mrs. Ralph Jones, and Miss Pauline Maness.

Others were Miss Mildred North, Miss Jaque Wheles of Torreon, Mexico, Miss Esther Williams, Miss Gracie Chandler, Miss Elizabeth Jones, Miss Sandra Whitaker, Miss Robilen Miller, Miss Toby Cox, Miss Louise Dobson of Eola.

The bride is a graduate of Ozona High School and attended A & I College in Kingsville and Sul Ross College.

The bridegroom is a graduate of Toyah High School and of Sul Ross College. The couple will live on a ranch near Toyah after a trip to Colorado.

Among prenuptial parties honoring the bride was a kitchen shower given last Thursday afternoon in the home of Mrs. Hillery Phillips, with Mrs. John R. Hunnicutt, Mrs. Bill Seahorn and Mrs. Hillery Phillips, Jr., as hostesses.

Thursday evening a supper party was given the bride and bridegroom in the garden at the Gene Williams home. Hosts were Mrs. Tom Smith, Mr. and Mrs. E. H. Chandler and Mr. and Mrs. Gene Williams.

The patio rehearsal dinner Friday evening for the wedding party and out-of-town guests was at the home of Mrs. Joe Pierce, Jr.

Out-of-town guests attending the wedding were Mr. and Mrs. Jack Ransom, Jr., sons John and Clark, Mr. and Mrs. James Snider, Mr. and Mrs. H. A. Steadman, all of San Angelo, Mr. and Mrs. Fred Dobson, Louise and Dempster Dobson of Eola, Mr. and Mrs. Dick Steadman of Van Horn, Mr. and Mrs. M. W. Acton of Valentine, Misses Celia, Helen, Frances, Sally Lou and Earline Bell of Alpine, E. T. Keys of Del Rio, Mr. and Mrs. Bob Cauthorn and Mr. and Mrs. J. O. Week Of Prayer At First Baptist Church This Week

The Mary Hill Davis week of prayer is being observed this week in the First Baptist Church. A state mission program has been held each day under the direction of Mrs. Jerry Perry, prayer chairman.

The theme of the week is "Lord, Make Me Aware." Monday, the program, "I Became Aware Thru Prayer," was led by Mrs. Bill Cavanaugh. Tuesday, "I Became Aware Thru Observing," was conducted by Mrs. Jim Carpenter; Thursday, "I Became Aware Thru Seeing," by Mrs. Noel Dean Scott. Friday the program will be "I Became Aware Thru Giving" and will be led by Mrs. Perry.

Wednesday, the program was presented at night by the Girls Auxiliary, a play entitled: "Ginger's Allowance." Those taking part were Ginger Glynn and Lois Poindexter, Johnetta Dozier Mickey Nations, Susan Boyd Kathy Williams, Grace Ann Tabb, Judy Barber, Ann Glynn and Teresa Shaw.

The State Mission goal has been set at \$400,000 and the local goal at \$300.

A lovely surprise supper was given Thursday Sept. 10, honoring Mr. and Mrs. L. Bradford on their 37th anniversary. The Hobby Club members were hostesses. Members brought covered dishes. The table was with a pink linen cloth. Arrangement of gladioli was on the table.

Brother C. S. Price gave the invocation.

Mr. and Mrs. Bradford opened their gifts and gifts were shown to guests. The Bradfords' daughters, Mrs. Felix Brison, Mrs. Ross Stavley and Miss Beverly Bradford, attended the supper. Mr. Bradford and his wife attended.

About 45 guests were present for the social.

The News Reel

A re-run of "The Ozona Story" was gleaned from the files of The Ozona Stockman from The Stockman Sept. 19, 1935

Crockett county grand jury set some kind of a record here this week for brevity of its deliberations when it met, organized, heard reports from the sheriff, county attorney and district attorney and from its own membership and adjourned in a total of four minutes from being impaneled. There being no law violations, the jury found nothing to claim its investigative attention.

The body of Vidal Garcia, found dead yesterday morning beside a water trough on the Ira Carson ranch where he was employed as cook, was buried here yesterday.

First football injury of the new season occurred last Friday when members of the high school squad were engaging former players on the practice field.

Dudley Ingham, high school senior, suffered a broken leg. Yeats Causey, a Senior transfer from Crews, suffered a cut above the left

eye in the scrimmage. —30 years ago— Miss Luetta Powell, daughter of Mr. and Mrs. R. F. Powell, became the bride of Pink Beall in the home of the bride's parents Sunday morning at 8:30, with members of the bride's family present.

Dogged by bad luck, Fats Heatherly, second baseman on the Giant baseball team, received severe cuts about the ankle in both Saturday's and Sunday's games with the Texon Oilers when runners slid into second base on two occasions. Heatherly has been on crutches this week but expects to be in uniform Saturday to contribute his stellar brand of baseball toward defeat of the Conleymen and a West Texas baseball championship for the Ozona Giants.

Tom Gilbert suffered a heart attack at his home Monday night and has been confined to his bed this week.

Dock Lee, who has been confined to a hospital in San Angelo where he recently underwent an appendectomy, was able to return home this week.

Maudie Mae Couch is a victim of the flu this week. —30 years ago— "The fastest runner in

the world recently got married. It's no use, boys." —30 years ago— Grinding of the 82-inch lens for the new W. J. McDonald Observatory of the University of Texas, which is being erected on Mount Locke near Fort Davis, is well under way, according to information obtained by Dr. Otto Struve, director of Yorkes Observatory at Williams Bay, Wis., and also director of McDonald Observatory.

Joe Pierce, is being remodeled and will be the home of Mr. and Mrs. Joe Sellers Pierce, III. The home on the Joe Pierce Ranch, now leased by Sherman Taylor, is also being repaired. —30 years ago— Miss Dorothy Flora Henderson, daughter of Mr. and Mrs. John W. Henderson, Jr., became the bride of Joe Sellers Pierce, III, son of Mr. and Mrs. Joe Pierce, Jr., in a pretty home wedding at the home of the bride's parents Saturday afternoon.

Others attending were Mrs. Early Baggett, Mrs. J. M. Baggett, Mrs. John Childress, Mrs. Brock Jones, Mrs. Carl North, Mrs. Henry Miller, Mrs. J. B. Parker, Mrs. P. C. Parner, Mrs. Victor Pierce, Mrs. C. O. Walker, Mrs. Evart White and Mrs. Marshall Montgomery.

HERE'S SOME MORE MOM!

Youngsters have a knack for messing up things... themselves, the house, their clothes. This is especially true during the winter months. And it takes a lot of hot water to clean up. The new 3-times-faster, quick recovery, flameless electric water heater is time saving and provides a more-than-ample supply of hot water. A strict temperature control prevents overheating and there's nothing to re-set, regulate, or turn on and off except the faucet.

It can be easily installed anywhere in the house, since there is no flame, no flue is needed. Only a flameless electric water heater is fully automatic.

See your electric appliance dealer or your plumbing fixtures dealer about installing a flameless electric water heater.

THE RIGHT APPLE

When there are so many apples on the tree, how do you pick the right one? This is always the problem of youth, there are so many roads, so many opportunities, so many desires. How do you decide which may be best? And when you have made a choice, how do you know it is the right one?

Education is society's solution to the quandaries of youth. Fortify the child's mind with knowledge and skills and he'll be ready to make decisions.

But secular education offers no basis for meeting dilemmas that are not secular. Youth desperately needs moral and religious education as well.

Every Sunday in our churches millions of fortunate youngsters are receiving the vital spiritual training which our complicated life demands. Their parents generally come with them. For grownups wise enough to understand their children's needs, realize their own as well!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Historical Group Launches Plan For Memorial To Wanda Watson To Be Placed In County Museum

Members of the Crockett County Historical Society have launched a movement for a permanent memorial to be placed in the Crockett County museum to the late Miss Wanda Watson, a charter member of the Society and a prime mover in the preservation of the history of Crockett county through her interest in the Society and in the museum.

The Crockett County Historical Society was organized July 10, 1939, with 73 charter members. Miss Watson, member of a pioneer Crockett County family, was elected secretary-treasurer, an office which she capably filled until her death this year.

The records and minutes of meetings of the Society are a permanent tribute to her knowledge of her community and her ability to report its history accurately and fairly. She watched with great interest the growth of local concern for historical happenings, as witnessed by the placing of markers and medallions, and especially by the move of the Crockett County museum into permanent quarters and its subsequent growth.

The Society is deeply indebted to Miss Watson for her active interest and service to the community and Society members report a number of contributions already received toward the memorial.

Recently the president of the Historical Society, Joe Couch, appointed a member of another pioneer Crockett County family, Mrs. W. E. Friend, Jr., to be secretary-treasurer of the Society. Mrs. Friend has accepted the responsibility with interest

and enthusiasm and brings knowledge of her community.

"The work will continue to grow through citizens like these and it is earnestly hoped that new residents will feel welcome to all Historical Society activities," Mr. Couch said.

The museum, which had been kept open with a paid attendant this summer and was a point of interest to many tourists who stopped off to visit it, has now been closed. The County Commissioners Court forced closing of the museum when funds for pay of the attendant were exhausted. The Court has indicated that funds to be budgeted for the museum the next fiscal year will not become available for such use until January 1965.

THE United DEPARTMENT STORES

HAVE YOU HEARD . . . ABOUT **U. B. C. CREDIT**

UNITED'S BUDGET CHARGE

The Most Up-To-Date And Convenient Credit Plan Yet Devised

U. B. C. is a credit plan that combines the convenience and prestige of a regular 30-day charge account with the low monthly payments of Budget Account.

HOW IT WORKS

United simply opens an account for you, and you may charge merchandise whenever you wish. In return, you agree to keep your account balance below a pre-arranged limit and to make monthly payments of 1/6 of that limit.

WHAT IS YOUR LIMIT?

You decide your own limit at the time you apply for the account. Some suggested limits and the monthly payments they require are:

LIMIT	\$60	\$90	\$120	\$150	\$180
PAYMENT	\$10	\$15	\$20	\$25	\$30

MAY YOU CHANGE YOUR LIMIT?

Certainly, simply by visiting the credit office you may change your limit as your needs require.

YOU MAY MAKE NEW PURCHASES EVEN THOUGH THE ACCOUNT HAS NOT BEEN PAID IN FULL.

That is the advantage of U. B. C. You may use it whenever you wish so long as your new balance does not exceed your limit, and your payments are made as agreed.

HOW MUCH DO YOU PAY IF YOUR BALANCE IS LESS THAN YOUR LIMIT?

You pay your agreed upon monthly payment as long as your balance is greater than that payment. Minimum payment is \$10.00

You will receive statement approximately 4 days after United's closing date.

There is a small service charge in accordance with charges generally in effect and will be added to your account each month.

ENJOY YOUR PURCHASE NOW BUT TAKE MONTHS TO PAY WITH U. B. C.

game, gave up some ground and a 15-yard holding penalty on the Longhorns next possession, and that, coupled with a pretty good kick-off the toe of Longhorn quarterback, Royce Lee, set the Lions back on their own 15.

On the Lions' first try, Darrel Maney broke off tackle for 26 yards and that effort was followed by a 59-yard touchdown sprint by George Cox. The point try was no good and the offensive unit went to the sideline for the night, except for a few plays in the third quarter, when they, once again, got on the scoreboard, with Cox scoring from 23 yards out to run the score to 24 to 0.

The Lions' final tally came in the fourth period, when the reserve unit launched an 87-yard drive, which began, with some help from the regulars, and ended when Randy Upham dived over from the two on second down.

The Longhorns finally got something to holler about in the last period when Mike McKown, a promising freshman back, broke through for a 26 yard gain and then an 18-yard pass from David Glenn to Royce Lee got into the end zone. The Longhorns tried to run over two points but got splattered, as a number of Lion defensive regulars returned for the extra point effort.

With time running out, Lion quarterback George Kyle hit Sammy Cervantez with a 35-yard pass which carried to the one, but time ran out.

In posting their second win of the season, the Lions were ending their non-district schedule and now face eight straight weekends of district play.

The Lions, in winning, were not in any way pressed and the score was no indication of the difference in the two teams, as reserves saw extensive duty for the last three quarters.

The Lion attack, with considerably less opposition than the week before, nonetheless, looked a bit crisper and halfbacks George Cox, Randy Upham and Darrel Maney all ran well as did fullbacks Richard

Vargas and Tomas DeHoyos, and quarterback Bill Carson.

George Kyle, who played quarterback behind the reserve line, played well and hit on three of nine passes for 54 yards, even though his receivers had some difficulty all night, possibly in part due to a very strong wind which harrassed the kickers as well as passers.

The Ozona forward wall played well while in the sharpness of the play noticeably slackened as the lead became increasingly heavy, and, as reserves, some of whom got more playing time in Friday night than they had in their prior career, flooded the lineup.

The Lion offense rolled to a net of 429 yards on the ground and picked up another 54 in the air while amassing 25 first downs as compared to 86 rushing and 22 passing for the Longhorns, who picked up 8 first downs.

George Cox, who scored twice, and had another called back, was the game's and Lion's leading ball carrier, as he picked up 177 yards on 12 efforts, followed by Randy Upham, with 89 on 12 and Richard Var-

gas, 87 on 11 efforts. Vargas had two touchdowns and Upham one.

For Bronte, Royce Lee had 66 yards in 14 efforts, and Mike McKown 24 on 8 tries.

year. The adoption of the very popular "wide six" defense has as one of its aims in the Lions usage to get what speed is available to the outside where the other team might maneuver, and to keep the big boys up the middle, where the need for covering a lot of ground is not so important.

The Lions will probably start Mike Walters and Alejos Tambunga at ends, Bob Amthor and Charles Farris at tackles, Pete Garza, and Joel Huff at guards, with Richard Vargas, Sammy Cervantez, Pon Seahorn, George Kyle or George Cox and Larry Williams in the secondary. Beto Ramoz and Rick Hagelstein are the swing men in the line with Hagelstein replacing Farris and Thomas Garza replacing Williams and going to end while Walters moves to center.

For The Finest Mechanical Service

We are proud to announce the employment of another Mechanic for Ozona.

Mr. Ray Chamness comes to us from Littlefield, Texas. He has been a Chrysler mechanic for a good many years and is recognized by Chrysler Corporation as a good technician.

We invite you to come in, meet Mr. Chamness and bring your Dodge and Chrysler cars to us for service.

We use only factory recommended parts and have all the specifications for service.

Pena pointed out to the group that there is no room at the bottom and the day of the uneducated workers is past.

Mrs. Maria Torres, president of the South Elementary Chapter, presided at the meeting and introduced L. B. T. Sikes Superintendent of the Ozona schools, who in turn introduced the South Elementary faculty to the group.

Miss Roberta Lawrence's section of the fourth grade had the largest number of parents present by percent with 15 while the Kindergarten had 17 to be the largest in total number.

Principal Ernest M. Boyd told the group that the school had gotten off to an unusually smooth start and that the first and second

grade were the two largest sections in the school. There are 50 in the first grade and 62 in the second grade. The first is in two sections with the second in three sections.

Following the meeting the group was served coffee, punch and cookies by the hospitality committee.

Contamination —

(Continued from Page One)

sure would be bound to cause contamination of fresh water supplies. Some salt water artesian flows encountered in earlier drilling operations were also suspected of being sources for the contamination.

The Crockett county underground fresh water supplies, present in four aquifers, the Georgetown limestone, the Edwards lime (source of most good water in this county), and the water table sands, source of good water in the northern part of the county but mostly sulphur water in the south. Water moves generally in a pattern from northwest to southeast, Iglehart said.

The printed report of the underground water survey will be made available to Crockett county when it is

completed, estimated in early 1965. Its value will lie as a source of material for later surveys and for a study of trends in available supplies in the future, the engineers said.

The report will recommend a continued effort to find and eliminate sources of contamination, the most serious threat to the future of the community, Mr. Iglehart said.
