Statewide Tenth Ranked Lions To Menard Next

By Ernie Boyd

The Ozona Lions will be idle this week after having secured their third district win and kept an undefeated mark in season play against Junction here last Friday night. As a result, the Lions spurred to 10th place in class A Statewide ranking by sports writers.

The Lions played without the services of regulars George Kyle, fullback, ace linebacker Richard Vargas, halfback Randy Upham and end Alejos Tambunga as well as guard and co-captain, Pete Garza, who left the game after the second play with a turned angle.

In compiling a five-win and none-lost mark thus far, the Lions have found a few soft touches, and some not so soft, but a glance at the schedule and the records of the teams left to be faced finds no soft touches and some teams a few notches tougher than anything the Lions have faced so far.

The Lions next district opponent will be Menard, which lost a close decision to Eldorado last week when it fumbled on the Eagle one yard line. A score would probably tie the game. Scouting reports indicate that the Menard team is even faster than the Eldorado team and if that is the case then the Lions can expect trouble.

Iraan is another team on the second half schedule which appears on the rise. The Braves had both Sonora and Big Lake down at the half and last week defeated McCamey. The other three, Rankin, Big Lake and Sonora, were the pre-season district favorites and all three are rough, even though Rankin is almost out of the race. Big Lake, by the way, is ranked fourth in the State Class A.

The Lion workouts most of the week will be confined to conditioning maneuvers and sharpening their attack, while scouts will catch Menard again this week and the Lions will take a busman's holiday and travel to Eldorado to see Big Lake.

Townwide Decor For Christmas Is Committee's Aim

A Chamber of Commerce Christmas decorations committee, headed by Bill Watson, met this week and decided to "shoot the works" for completion of the job so well begun a year ago.

Last year the committee raised around \$2,000 with which permanent type Christmas decorations were purchased, the quantity to go as far as possible. But more material is needed to make a complete job of the decorations—from the Flying W Lodge to the Hillcrest Motel and from the South Texas Lumber Co. to Gilliam's Sinclair station.

That's the program adopted by the committee and a financial goal of \$2,000 has been set again this year to complete the job. After this, the Christmas town-wide decorations problem will be solved.

Business men contributed liberally last year and are expected to do so again. Individuals interested in seeing the town handsomely decorated for Christmas are invited to donate. Members of the committee are Watson, Jack Baggett, Nick Nicholas, Woody Mason, Bill Cooper and T. J. Bailey. Hand your contribution to one of these or mail it to the Chamber of Commerce.

4-H Clubs To Launch Feeding Programs Sat.

Saturday of this week will be a busy day for 4-H members with livestock projects, County Agent Pete W. Jacoby, sponsor 4-H clubs, said this week.

Saturday morning, all 4-H members with commercial lamb feeding projects will bring their lambs to the Junior Show Barn where all lambs will be shorn, weighed, drenched, ear-tagged and tails docked. Saturday will be the official start of the feeding period in which records will be kept on the projects and will end at the county livestock show in January.

Twenty-six 4-H members have 96 commercial lambs which were selected from county commercial flocks for the program. The morning is scheduled to start at 8:00 a. m. and concluded by noon.

Chick Womack's Father Is Dead

Funeral services were conducted last Tuesday afternoon for W. H. Womack, father of Charles R. (Chick) Womack, Ozona High School P. E. instructor and track coach.

The elder Womack had been suffering from a heart condition for several years and had been released from the hospital last week before suffering a fatal attack early Sunday morning. Survivors include his wife and one daughter who live in Aransas Pass, one daughter who lives in Arlington, and the one son in Ozona. Another son lost his life during World War II.

P. T. A. Carnival To Spread Over Park Fri. Night

The annual Ozona P. T. A. Carnival, the PTA's only money raising function of the year and one in which all school classes share through their participation, will be held in the downtown city park Friday afternoon and evening.

The first activity of the annual fun night is scheduled to start at 5 p. m. when the PTA food booth will be open so that Ozonians may "eat supper with the PTA." There'll be sandwiches, drinks and all manner of goodies for an enjoyable supper or after-supper snack. (From PTA comes a plea for donations to the food booth — Call Mrs. Jack Jones.)

Several years ago, school classes were drawn into the PTA carnival as a means of making money for class purposes. Various entertainment booths have been assigned to these classes and, as usual, there will be a lot of entertainment to be found from border to border around and across the park.

The Senior class, too, will open its drinks booth at 5 p. m. and will remain open during the carnival hours. Room mothers of all classes from kindergarten through high school, are responsible for their class booths.

Mrs. Emmerine Snipes and daughter, Mrs. Mary Jo Kahanek and three children from Wichita Falls, Texas, are here this week visiting Mrs. Jess Marley and Mr. and Mrs. Jess C. Marley.

Mrs. Alford Wins \$50 Certificate In Flea Mkt. Drawing

Mrs. Quebe Alford was the winner of \$50 in gift certificates from Ozona merchants in a drawing at the Chamber of Commerce office Saturday afternoon in connection with the first Ozona "Flea Market" Friday and Saturday.

Participating merchants were highly pleased with the success of the "Flea Market" a two-day fun and bargain festival in which Ozona merchants donned costumes and manned sidewalks "flea markets" to attract passing customers. Ozonians responded in great numbers and sales were brisk at the sidewalk shops and inside the stores.

In a separate contest in which The Stockman offered a \$5 gift certificate to anyone who would identify the seven Ozona merchants whose backs were turned in an original promotion picture used in the Flea Market page ad of last week, Ronnie Mason was the winner. Ronnie, son of Mr. and Mrs. Woody Mason, was the only one of a large number of entries who successfully named all seven persons in the picture.

In the picture, left to right, they were Bill Watson, of Watson's Department store; Mrs. Myrtle Brock, manager of the Jo Lynn Shoppe; Nick Nicholas of Baker Jewelers; Beth Boyd of Small Fashions shop; Eddie Nations, manager of the C. G. Morrison store; Lawrence Jones, manager of Ratliff's furniture; and Ed Tamm, manager of the United Department Store.

Range Station to Stage Field Day Friday, Oct. 16

Local ranchers have a special invitation to attend a Field Day at the Texas Range Station between Ozona and Barnhart, on Friday, October 16. A very informative program is planned by the Texas Section of the American Society of Range Management, with Dr. Don Huss, Department of Range and Forestry at Texas A&M University, as project leader.

The program, scheduled to start at 9:00 a. m., will include a noon barbecue, courtesy of the Ozona National Bank, and will end around 4:00 p. m. Results of studies being made on Perennial broomweed by B. J. Ragsdale, Associate Range Specialist, of the Extension Service, and fence post studies made by P. R. Kramer, head of the Forest Products Department, Texas Forest Service, Lufkin, Texas, are due to be of interest to local ranchmen, according to county agent Pete Jacoby.

Texas Tech and San Angelo Colleges will each have about thirty of their agricultural students attending the day's events at the Station.

The welcome address will be by Dr. W. T. Hardy, superintendent, Sonora Experiment Station, University of Texas lands will be the subject of a talk by Billy Carr of Midland, land agent for the University.

Animal Husbandry results will be discussed by Jim Menzies, animal husbandman, Sonora Experiment Station.

Ozona merchants went all-out Friday and Saturday to entertain the customers who shopped the first Ozona "Flea Market." Some hidden talents in make-up and histrionics was uncovered in a tour of the Flea Market centers. Outstanding examples were snapped by the camera above. At left, the "dance hall gal" and the strolling panhandler are Beth Boyd of Small Fashions and

Nick Nicholas of Baker Jewelers. The Mississippi riverboat sharpie at right is Bill Watson of Watson's Department store and at the bottom right, the old-fashioned pharmacist, believe it or not, is Wilma Hayes, Village Drug pharmacist. Feeling to be sure she's "real" is Mab Chandler. Lower left is Wyna Boyd, wife of manager Ray Boyd, taking a phone order.

BOB IS DEAD!

Trained Dog Friend Of Children, Adults Run Down by Truck

Ozona's north side is in mourning this week. Bob is dead. Bob was the neighborhood pet of children and grownups alike in the neighborhood of the Gilliam Sinclair station in north Ozona.

Half bulldog and half uncertain, Bob did almost everything but talk — and maybe he did that if just humans could have understood him. He understood humans and responded knowingly to their spoken words. His unusual intelligence was a joy to all his "friends" in the neighborhood and their grief was real when Bob was run down by a truck in front of his place of business Monday. He was of the Gilliam family and they not too long ago moved to a house they bought across from the station and Bob just hadn't learned how fast the trucks and cars come into town from the highway at that spot. It wasn't the truck driver's fault — it was just one of those tragic accidents.

Bob had for long delighted children with his responses to his master's spoken instructions. He would hop into a chair and "hold it until I get back." Mention a mouse might be around and Bob would start a thorough search of the filling station. Or a suggestion that "there might be a squirrel in that tree" would send him on a thorough inspection of the tree branches looking for a squirrel. He also did a few athletic stunts like walking on two feet, jumping over a crossbar while on two feet, etc.

But mostly, Bob was everybody's pet and friend and he is sorely missed among the children and adults in that part of town.

Junior High And B Teams Take Two

By Ernie Boyd

A 40-yard pass from injured quarterback, John DeHoyos, to halfback Catarino Cervantez in the third period of the game, accounted for the only score in a 6 to 0 win for the Ozona B team over the visiting Eldorado B team here last Thursday.

The B team win followed a rather easy 20 to 8 win by Coach Chick Womack's Junior High eleven over the Eldorado Junior High. Fullback Fleet Coates tallied three times before Coach Womack pulled off his regulars early in the second half.

Ozona scored once in each of the first three periods and appeared about ready to step up the point production when reserves flooded into the game. Eldorado scored its only touchdown in the fourth quarter when Dwayne Dempsey got loose on a sixty-yard scoring run.

The Junior High win gave the Cubs a two won and none lost mark for the season with a return game with Sonora set for the local field this afternoon at 6 p. m.

The B team win gave it a record of two wins and a tie, the tie having been at the hands of the same Eldorado team in Eldorado early this season.

Both reserve squads made threatening moves at times but fumbles and stubborn defensive play thwarted each effort.

The Ozona reserves were sparked by fine defensive play from Oscar Flores, Glen Southard and Ernesto Vargas, while much of the offensive load was carried by fullback Tony Garza and halfback Jack Applewhite and Eleno Moran.

DUPLICATE BRIDGE
 Ozona Depuplicate Bridge club winners in Tuesday night's play at the country club were: first, Mrs. J. B. Parker and Miss Mildred North; second, Mrs. Ashby McMullan and Mrs. J. T. Dockery; third, Mr. and Mrs. Ewart White; fourth, Mrs. Jake Short and Mrs. Robert Cox.

These credit customers who have good credit records are a select group. Reports are available at all times to our member merchants on any individual's credit record — regardless if you are a "new-comer" or have been a long-time resident. Every one can be in this select group if they are careful to pay their obligations on time, as agreed between them and the merchant.

READ THIS RHYME — PAY ON TIME

Your Credit Record is a little shadow —
 It follows wherever you go —
 Every purchase you make, where and how the Credit Bureau knows —
 Your pay habits — prompt, thirty days, unsatisfactory or slow?
 So you won't have to worry or fret —
 When you ask the merchants to "charge it, please" —
 Your business is wanted, you can bet.
 So you've read this little reminder?
 It's only a simple little rhyme —
 But if it prompts you to pay on time
 By the tenth of the month — that's fine.

Why is Borden's the milk for children?

Because children like its creaminess. There are almost two cups of cream in every half-gallon of Borden's Milk. Government regulations don't require that much cream. But our biggest customers do. Children prefer the creamy goodness of Borden's Milk. And you'll like the extra glassfuls they drink when you give them the milk they want.

JUNIORS CLASS SELL MUMS
 The Junior class will be selling mums for the next two weeks for the Homecoming game between Ozona and Big Lake.
 The Juniors hope that everyone will buy one or more mums. If you are not called upon to buy a mum, you may contact any member of the Junior class.

number of years the Ozona Lions have received favorable comments from various newspapers in the area and on some occasions have received some high ratings.
 Next week the Lions travel to Menard for their third district game, which could prove to be a large obstacle in the Lions race for the District 8-A race.

STUDENTS & FACULTY MEMBER'S NICKNAMES

Carey Pitts & Mary Jane Dunlap
 Many students and teachers in OHS have nicknames. A few of these are: Drake M. (Duck); Mike W. (Kildee); Alejos T. (Castro); George K. (Kool); Janis W. (Jan the pan); Margene R. (Daisy B-B); Hugh C. (Hugo); Donna M. (Jowls); Rick H. (Hag); Cathy M. (Female Tato); Carmen C. (Leo); Richard V. (Pollin); Gary B. (Boed); Cynthia M. (Thynthia);

Pon S. (Ponder); Lynda M. (Millie); Diane C. (Nona); Mary Jo W. (Josie); Bobby A. (Tato); Jack A. (Applejack); Joel H. (Smiley); Mr. Moody, (Edgar Allan); Ruthella N. (Ruthie); Beto. (Barracuda); Mr. Pello, (Swede); Mr. Dozier, (Big Daddy); Jesus A. (Raton); Thomas D.H. (Tokyo); Fermin G. (Chico); Baltizar F. (Balty); Brenda B. (B); Mary Jane D. (Farmer Jane);
 Some of these nicknames have a story behind them. Mike Walters attained the nickname, (Kildee) when

football pictures were taken last year for the Standard Times and Walters had his picture taken along with Bobby Amthor and Rick Hagestein. Upon seeing the picture Coach Hickman remarked that Mike looked like a Kildee between two turkeys.
 Bobby Amthor acquired the nickname, (Tato) as a result of a player description put up in the field house during the Sanderson football game in which the Sanderson description likened Bobby to a Sanderson player, Tato.

Mr. Pello's nickname, (Swede), is rather hard to explain as his parents are from Finland. This is only human nature, I guess!
 (Killer Kyle) is the well-known nickname of George Kyle who was thus christened by Coach Cleere in reference to his ferocious characteristics.

EDITORIAL

By Janis Walker
 Now that one-sixth of our school year is over, we are brought to realize more than ever the importance of a high school education. To the Seniors, this first six-weeks means the beginning of a new goal that they have set for their last year. The Juniors are beginning to feel the "responsibility" of setting an example for others to follow. Sophomores are trying to better their grades made the year before, and Freshmen are striving for a good beginning in their first year in OHS.
 We must realize the importance of a good education and work as hard in the remaining weeks as we have the first ones.

EDITORIAL!

By Mike Walters
 Ozona citizens have supported the Lions this fall, and it has been greatly appreciated by the entire school, especially the football players. For the players to know that they have "backing" inspires them to play their best. If the Lions win or lose, we hope that everyone will continue to back them.

As long as the townspeople support all sports and activities, the students will continue to back the teams.

OHS HAS FIRST SIX WEEKS TEST

The Ozona High School students are in their first series of 6 weeks test. The tests began Wednesday and will be completed Friday. Today students are taking tests 1, 3, and 5, and will conclude tomorrow with tests 2, 4, and 6.

SENIORS TO SPONSOR

By S. Martinez
 Seniors will begin selling fruit cakes sometime this week. The seniors will receive, from the class officers, order pads which the students will use in taking orders from door to door.
 The 5 lb. cakes will sell for \$8.25; 3 lb. cakes, \$5.25; and 2 lb. cakes, \$3.70.
 The seniors express their appreciation for the people's co-operation and hope that everyone will continue to support the senior class.

OPEN DATE PROVES HELPFUL

By Mike Walters
 This week the Lions have an open date. The open date enables the injured team members to heal their injuries. It also allows the coaches to have extra time to work out some of the "kinks" the team has had in the first part of the season.
 Tomorrow night most of the Lion football squad will go to Eldorado to watch the Big Lake Owls play Eldorado. Most of the team members will be voting for Eldorado.

THE MORNING I PLAYED

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

This picture will always live in my memory. It was Sunday morning, and I was about eleven years old. I was on my way to Church School when I met Tom Snyder. It didn't take much urging for me to join him in a fishing expedition.
 I had always thought it would be fun to play hooky. It came as kind of a shock that it wasn't. I was downright uncomfortable, sitting there with my line dangling in the water. I kept thinking about how nice our Church School teacher had been to me, and about how my parents would be looking for me in Church. And pretty soon I found that inside me I was wriggling.
 I think that's the first time I ever realized I "ought" to do anything. I didn't catch a fish that morning, but I did learn a big lesson. I learned that there is very little honest joy in doing something you shouldn't be doing. I learned that we have a certain duty to God and to ourselves, and that we can't be happy when we turn our backs on it.
 From then on, my Church School attendance was 100%. Now that I'm older, I try to maintain that same record. Sunday means the Church to my family.

Bobby's car?
Ruthella, where are you always going?
What's the big "idea", Michelle, of hitting the Henderson's cattle guard!
It seems like Linda L. prefers going out of windows instead of doors.
Who has the broadest shoulders in high school? Could it be Pete G?
Kay Patterson was here this weekend visiting Betty Henderson.
Who is B&B? What about it Beto!
Robilyne, who are you always smiling at in English every day?
Some of the Senior girls went to San Angelo Saturday to the show.
Is it true we're going to have to start calling Kay Kyle stumbles?
Vicki A., why do you always get excited over telephone calls from Ft. Worth? Could they be from S. M.?
Is it true the twins are going blind?
What does B. B. really stand for, Brenda Brentz?
Wonder why everyone "matched" at the dance Friday night.

IT'S NOT FOR THE BIRDS IT'S FOR POLAR BEARS

As the weather becomes colder, there's a definite change in our high school. Students don heavy woolen clothes to keep out the chill of icy, wintry winds. Most of them have a bright smile on their faces in the morning as they come to school. When they enter the building, however, they somehow lose this seasonal cheerfulness.
How many times have we sat through our first period class wondering if we were frozen in our chairs? For those who take typing, the situation is worse, because not only is the chair cold but the keys on the typewriter are frozen solid and your cold fingers can't seem to move, let a lone type readable words!
The noise of the heater makes teachers cringe and students wish that what little heat it does give was not necessary.
This is not to suggest that we need a new heating system. On the contrary, the present one works fine — for Polar Bears!

WELCOME CEREMONY INDUCTS NEW GIRL SCOUTS INTO TROOP
Junior Girl Scouts of Troop 13 and their leader, Mrs. Lawrence Janes and Mrs. J. L. Barbee, honored the girls of Troop 160 and their leaders, Mrs. Tommy Sanders and Mrs. Bill Seahorn, with a "Fly-Up" party in North Elementary auditorium Thursday afternoon.
As girls of Troop 160 walked under a pair of large wings suspended over the door, she was presented with a Girl Scout book mark commemorating her "Fly-Up" from Brownie Scouts to Junior Girl Scouts.
Girls of both troops formed a circle around a table on which were three large candles and a Girl Scout handbook. The group sang "Girl Scouts Together." The new Girl Scouts received the Girl Scout Promise as the older Scouts lighted the three candles representing the three parts of the promise. Following this ceremony, the younger girls recited the ten Girl Scout laws and the older girls lighted a candle for each law.
Mrs. Tommy Sanders presented each girl with a pair of wings to wear on her badge sash to show that she has "Flown Up" from Brownie to Junior Girl Scout.
As a conclusion to the ceremony welcoming Troop 160 into the Junior Girl Scouts, Troop 13 sang "The Growing-Up Tree." Jello and punch and "Fly-Up" cookies were served by the girls of Troop 13.

'65 Chevrolet Impala Sport Sedan

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? FLEA MERCHANTS at work — A photographic tour of the sidewalk stands of Ozona merchants in last Friday and Saturday's Flea Market got the above scenes in downtown and in the village. The Spanish atmosphere at top left is in front of the Morrison store, with Armida Castellanos, Olive Evans, Louise Neal and Porfiria Molina manning the counter. At right top, Nola Beasley and Law-

The antique bathing suit below left is worn by Myrtle Brock of Jo Lynn's and with her at their sidewalk stand is Daisy Sparkman. Bottom right, Joanne Aikman is waiting on a couple of customers in front of Ozona Drug. The customers are Mrs. W. C. Strother, left, and Mrs. Herb McKee.

It is the No. 1-153 Adams. Location is 660 feet from the south and east lines of 53-0-GH&SA. Continental Oil Co. will drill the No. 4-8 J. M. Shan-

Several projects in the field have indicated Ellenburger production, but none have been completed in that zone. Delta Drilling Co. and Pauley Petroleum Inc., Odessa, completed two Canyon sand gas producers in the Ozona, Southwest multipay field of Crockett County.

west of Ozona, was finaled for a calculated absolute open flow of 2.8 million cubic feet of gas per day, with gas-liquid ratio of 59,200-1. Gravity of the liquid was 62 degrees. Production was through perforations between 6,296-925 feet.

Location is 700 feet from the south and 790 feet from the east lines of 20-QR-TTRR. The No. 1 Bean, two miles east and 2 1/2 miles north-north-east of the nearest production and 13 miles southwest of Ozona was finaled for a calculated, absolute open flow of 1.2 million cubic feet of gas per day, with gasliquid ratio of 33,500-1. Production was through

perforations between 6,388-983 feet. Location is 1,980 feet from the north and west lines of 27-M-GC&SF.

Lions Blot —

til that time the Eagles had not even been able to make a menacing gesture.

The Eagle's Tommy Randle was the only Junction back to come out of the contest with a plus yardage as the Lion limited the Eagles to a net of just 43 yards rushing and 2 passing, while racking up 23 first downs themselves for a net of 240 rushing and 138 passing.

The Eagles made only 1 first down in the first half and garnered only 4 in the game with one of those on a penalty which also set up the Eagle's only score.

Bob Amthor led the Ozona and also was one of the top point producers, as he booted two extra points and a 31-yard field goal during the course of the contest.

The Lions started the game without the services of end Alejos Tambunga, linebacker and fullback Richard Vargas and halfback Randy Upham and wingback and reserve quarterback George Kyle. After the first play they were also without the services of guard Pete Garza. But despite the losses, the Lions did not lack for able defense men and Larry Williams, who filled in for Tambunga and alternate defense men Rick Hagelstein and Beto Ramos, were more than able to handle the extra jobs they were handed.

The Lions scored first on their first possession. They marched 61 yards with Thomas DeHoyos going over from 14 yards out and Bill Carson adding two points on a keeper.

In the second quarter, the Lions scored twice on drives of 55 and 80 yards, the latter of which required only five plays. Both resulted in Carson diving over from the one. Bob Amthor added one extra point and the Lions led at the half 21 to 0.

The Lions added a little insurance in the third period when George Cox ended 27-yard march with a dive over tackle from the one to bring the score to 28 to 0.

The Eagles' lone scoring chance came against the reserves who were more than holding their own until a penalty pushed them back and gave the Eagles a first down, rubbing out a big loss on the previous play. On the first play, Tommy Randle broke through for a 22 yard gain and the Eagles were at the Lion 8 from

where they pushed on in. The Lions promptly bounced back for 10 more points, with Amthor first kicking a 31-yard field goal and then Carson connecting with Ramos for the Lions first scoring pass this season from the 2. Amthor added the point from placement.

Three of the Lion scoring moves were triggered by the air attack. Their second touchdown in the second quarter got its start from a 44-yard completion from Carson to end Thomas Garza. The touchdown in the third period got its life from a third-down completion of 20 yards to Baltazar Fierro and the final touchdown came on a pass to Ramos from the two, after the drive had been kept alive with an 18-yard shot to the same receiver.

The Lion running attack functioned smoothly as Thomas DeHoyos and Geo. Cox, along with occasional runs by the quarterback, bit off big hunks of real estate and played a devastating game of ball control. The Eagles got to run on-

ly 5 plays in the first quarter 8 in the second quarter and 8 in the third quarter, excluding kicks. The Lions ran 16 plays in the first quarter 15 in the second quarter and 18 in the third quarter and that pretty well told the story of the game.
