Angelo Firm Low Bidder On Civic Center Construction

L. Trawick, San Angelo builder, was awarded contract for construction of Ozona's new civic center when bids were opened by the Commissioners in session here Monday afternoon.

Trawick's low bid of \$99,000 for the general contract was accepted by the court. It was the lowest of eight bids seeking contract for construction job, the highest bid standing \$111,000.

Bill Taylor, Ozona contractor, missed the contract by \$2,100, the next to the lowest bid. Other bids were \$4,000 to \$8,000 long. Other bidders were Voy

Lin Construction Co., Ed Wanorek, BDK Construction Co., Templeton Bros. C. E. Johnson and J. D. Burk, all of San Angelo.

Plans and specification for the project prepared by San Angelo architect Jack McDermitt. The plans were approved by the court and a citizens committee with only minor changes from the original plans as submitted at the time voters approved a \$125,000 bond issue for the building's construction.

The contract provides for work to start within ten days and be completed 160 days from date of the contract. This will make the building completion target date around the first of April, 1965.

Several local firms submitted bids for sub-contracts, including plumbing and heating, electrical wiring, painting, brick laying, etc. but no announcement was forthcoming this week as to who the sub-contractors will be.

The general contract price includes a walk-in refrigerator for the building, an optional item on which a separate bid was required. The price of this equipment submitted by the successful bidder was \$1,235. No furnishings, kitchen equipment, other than built-in cabinets, etc. or drapes are included in the contract, these to be furnished out of remaining available funds from the bond issue.

The building is to be constructed on a choice 200x200 foot lot on the corner at First Street and Avenue H, across the street from the football stadium to the north. The lot was donated for the center by Mr. and Mrs. Dick Henderson, whose ranch lands touch the townsite on the north. They specified that the lot and building be made a memorial to the pioneer settlers of Crockett county and a suitable memorial plaque is provided in the building plans.

The building site was recently filled and leveled with county machinery. The building is to be of brick and tile construction on a concrete slab. The court and committee was to meet this afternoon to choose brick for the structure. An entry way at the west entrance to the building is to be of rock, the rest brick against tile.

The building will face west and will be set back to allow for additional parking space off the street. A paved drive will circle the structure.

Ozona Principals Attend Conference

High School Principal J. A. Peito and Junior High Principal Roy Killingsworth returned to Ozona Tuesday following the annual secondary school principals conference held in Dallas Saturday, Sunday and Monday.

The Ozona principals were accompanied to Dallas by Guy Whittaker, high school principal from Eldorado, and by Doyle Morgan, high school principal from Sonora.

Due to the fact that the Oklahoma-Texas game was played in Dallas Saturday the four principals had to spend Saturday night in Ft. Worth.

CANCER MEMORIAL
Mrs. P. W. Hooper in memory of Miss Wanda Watson.

Reserved Seats For Last Home Games On Sale

A few reserved tickets for the Lions two home games with Big Lake and Iraan will be on sale starting today and running through next Tuesday, after which time they will be made available to the two opposing schools where there is a great demand for seats.

The seats in the reserved section are ones not purchased at the start of the season, and all are choice seats between the two forty yard lines. School officials urged local fans to act before Tuesday as the seats are not expected to last long once put on sale at the opposing schools.

Ozona Reserves And Jr. Hi Win Double - Thriller

By Ernie Boyd
Hard running Jack Applewhite led the Ozona B team to a hard fought 12 to 6 win over the Sonora reserves last Thursday night as the Junior High and High School B teams swept a thrilling and well played football double header at Lion Stadium.

The Junior High Cubs opened the night's play by rallying in the last half to win a tense 20 to 18 victory over the Sonora Club in a game that offered sudden and explosive scoring throughout.

In the B game, Applewhite rolled around right end for 14 yards and the winning touchdown late in the fourth quarter after a rather unbelievable run by Sonora halfback Jimenez tied up the ball game early in the quarter.

Ozona scored first and dominated play throughout the first half as the beefed up B team forwards kept the equally beefed up Sonora reserve 11 of balance.

Ozona threatened in the first quarter when they rolled to the Sonora 4 but there Applewhite fumbled on a sweep and the Sonora team recovered.

Oscar Flores, a thorn in the side of the Sonorans all night, blocked Sonora's effort to punt out of trouble and then fell on the ball in the end zone for the score and up until the last quarter that score looked as though it might be enough (Continued on Last Page)

LIONS BACK TO GRID WARS WITH FRIDAY INVASION OF ALWAYS DANGEROUS MENARD

By Ernie Boyd
The Ozona Lions, after a week off, will resume their district 8-A title chase Friday night when they travel to Menard to battle the dangerous Menard Yellow-jackets, who have more than once upset Ozona's football ambitions.

Even though the Yellow-jackets have had a good share of bad luck this year, they have yet to lose a game to a conference opponent that they could not have won with a break or two.

Menard fumbled on Eldorado's 1-yard line in the last minute of play and lost 14 to 6. They saw Rankin score on a long pass in the fading minutes to lose a scoring bee 34 to 29 and they busted a play on the Sanderson 4-yard line to lose to the Eagles 12 to 6.

Three Girls Hurt When Car Leaves Hiway, Hit Tree

Three Ozona girls were injured late Monday afternoon when their car crashed into a tree about one mile east of Ozona on U. S. 290.

Two of the injured girls, Mary Jo Walker, daughter of Mr. and Mrs. John Walker, and a student at Ozona High School, and Jeannene Hester, daughter of Mr. and Mrs. Guy Hester and a spring graduate of Ozona High School, underwent surgery at Crockett County Hospital Tuesday to set a broken bones.

The third girl, Diane Couch, daughter of Mr. and Mrs. Joe Couch, and also a student in Ozona High School, was under observation but apparently not seriously hurt, suffering from bumps and bruises.

The Falcon convertible, belonging to Diane Couch who was driving, left the highway and crossed the bar ditch to crash head on into a large mesquite tree in the right of way.

The girls said an oncoming car in the wrong lane forced them off the highway. They were traveling east and the fact that the car was going at a moderate speed probably saved the girls' lives. The little red Falcon was damaged extensively.

Ozona Retailers Elated at Success First Flea Market

The Retail Promotion Committee of the Chamber of Commerce met at the office for a meeting, Tuesday at 9:30. The first Ozona "Flea Market" was discussed. The members agreed that the event was successful and attempt should be made for making it an annual event. Recommendations for improvements were made.

The Committee expressed its complete backing of the Ozona Lions football team, and pledged to support them. Last item on the agenda was the discussion of Christmas decorations. Bill Watson, chairman of the Christmas Decoration Committee, informed the group that if the goal of \$2,000 was reached, it should complete the decoration program as planned by his committee.

Three Wildcat Tests Spotted In Crockett Co.

Crockett County gained locations for three wildcats the past week.

Standard Oil Co. of Texas, will drill an 8,000-foot Ellenburger wildcat in Crockett County, eight miles northwest of Iraan and three miles southeast of the Crockett field and the same distance northeast of the Hanson field, both producing from the Grayburg. It is the No. 1 P. L. Mitchell.

Location is 660 feet from the south and east lines of 1-PP-GC&SF.

Moore & Gilmore, Midland, will drill the No. 2 Ann T. Mann, et al, as a 2,200-foot cable tool San Andres wildcat, 14 miles southwest of Rankin and 3/4 mile due west of the firm's No. 1 Mann, location southwest of the Crockett (Grayburg) field.

Location is 2,173 feet from the north and 467 feet from the west lines of 5-W-TCRR.

Texaco Inc. will drill the No. 3 A. R. Kincaid Trust as a 6,500-foot Wolfcamp sand wildcat surrounded by Canyon sand gas production in the Ozona, East multipay oil and gas field of Crockett County, two (Continued on Page Six)

182 Ozona Youths Enrolled In Six Organized 4-H Club Groups

Prominent Texans To Speak at P.T.A. Meet Monday Nite

Ozona Parent - Teachers Assn. will have three prominent West Texans as speakers and serving on a panel for discussion of educational problems when the Association meets Monday night in the North Elementary auditorium.

The program topic will be "Supporting Quality Education." The introduction will be by County Judge Brock Jones.

Members of the discussion panel will be State Representative Jim Nugent of Kerrville; State Senator Dorsey B. Hardeman of San Angelo, and Penrose Metcalf of San Angelo, a member of the State Board of Education.

Mrs. Joe Couch, P. T. A. president, urges all members and anyone interested in the school program to attend.

P. T. A. Nets \$1057 Profit On Carnival

Despite the fact that many Ozonans, most of them potential customers of the carnival stands, were in Eldorado to watch the Eagle-Owl football contest, the Ozona P.T.A. realized a profit of approximately \$1,057, only about \$20 under last year's profit figure.

This was the announcement of Mrs. Hank Wellman, carnival general chairman, and Mrs. Harold Shaw, treasurer. The various school classes will share in the profit as their respective concessions profited, the balance of the fund to remain in the P.T.A. treasury for its school benefit programs.

Mrs. Wellman expressed thanks on behalf of P.T.A. for the support of patrons and to parents and students who worked hard to assure its success.

Location Spotted For Ellenburger Wildcat In County

E. B. Clark Drilling Co., Wichita Falls, will drill the No. 1 T. Wayne Harris, an 8,000-foot Ellenburger wildcat, in Crockett County, 7 1/2 miles north of Iraan, eight miles west of the Esccondido (lower Pennsylvanian and Fusselman) field and 7/8-mile west-southwest of the depleted one-well KCA (Wolfcamp) field.

Location is 670 feet from the south and 2,045 feet from the east lines of 5-HH-GC&SF, Abst. 2432.

It is also one mile south-east and 1 1/2 miles north-west of Ellenburger failures.

Roy E. Kimsey, Jr., Midland, No. 1 Texaco-Shannon Estate, in 18-10-GC&SF, indicated fourth producer in the Todd, Northwest (San Andres gas) field of Crockett County, 14 miles northwest of Ozona, was flowing gas at the daily rate of 300,000 cubic feet.

Testing continued through upper San Andres perforations at 1,640-1,709 feet, previously identified as Grayburg.

Operator set a retainer at 1,870 feet. Earlier it tested through perforations between 1,881-99 feet, making gas at the rate of 1 million cubic feet daily.

Total 4-H club enrollment in the county reached 182 members this week with the organization of two additional 4-H clubs, making a total of six organized 4-H clubs in the community, according to county agent Pete W. Jacoby, who supervises the 4-H club program. New clubs organized are the Crockett County Senior 4-H Club with 51 members and the Crockett County Junior 4-H Club with 34 members. Two 4-H club groups have also been organized, the 4-H horse club

Crockett Work Included In State Hiway Betterment

The Texas Highway Commission has approved expenditure of \$23,600.00 for highway safety and betterment in Crockett County during 1965, according to District Engineer J. A. Snell of San Angelo, Texas.

He said a total of 13.0 highway miles in the county will be involved. Work will be under the supervision of R. N. Jennings, District Maintenance Engineer. The project involves seal coating of 13 miles of U. S. 290 from 4 miles east of the Pecos river to 20 miles west of Ozona.

The work is part of the Highway Commission's statewide war on traffic accidents. The Commission appropriated more than \$20 million to make highways of Texas safer and better. Commissioners okayed 432 projects in 180 Texas Counties under the 1965 State Highway Safety and Betterment Program. Improved for the safety and convenience of Texans now traveling 50 billion miles a year will be 2,651 miles of highways.

The 3-man commission, policy-making body for the Texas Highway Department earmarked \$19,935,400 for construction and \$66,000 for right of way under the annual program.

WORKS LIKE A CHARM

In his triumphant visit to El Paso and the ceremonial meeting with Mexican President Adolfo Lopez Mateos solemnizing solution of the 100-year-old Chamizal boundary dispute, President Johnson said:

"Let Chamizal stand as a symbol to all the world that the most troublesome of problems can yield to the tools of peace."

And we are sure it will. We are confident that the Chamizal formula cannot miss — anywhere. All you need to do is give the other fellow all he asks for.

And for good measure — and so there can be no local friction — pay your own nationals to move out of the real estate they foolishly thought was theirs.

And, presto there's peace!

WE ALL KNOW HIS POSITION

Barry Goldwater's whistle-stop tour has been a puzzling performance, it seems, for The New York Times (which, after all, is a big enough paper to have a political reporter traveling with the nominee).

At Frankfort, Ind., The Times man noted particularly the thousands that gathered extended far beyond the range of the loud speaker. And he expressed some mystification that thousands who could not hear his words continued cheering with unabated enthusiasm.

Pre-electronic reporters, of course, remember the days when people traveled hundreds of miles for a whistle-stop glimpse of a great man they believed in. Today our chances of actually seeing the man, himself, and not a projection are even more remote. And

human beings still want to see the real thing.

But in the case of Barry Goldwater, no one needs today to hear his words to know what he stands for:

To know that he intends to maintain the peace by the only means respected by gangster states — national strength.

To know that he respects the Constitution and will give more than lip service to its defense.

To know that he rejects the welfare-state, ADA socialism and kid-glove Communism in general.

To know that he is dedicated to Federal solvency — a realistic, practical income tax-reduction plan of five percent a year based on cutting Government extravagance proportionally — not on buying votes.

To know that Barry Goldwater will keep his word — that we need not fear another Bay of Pigs, another Berlin Wall, another Laos, another Katanga massacre, another Diem coup, another Billie Sol Estes or another Bobby Baker.

No American needs to hear more. And next Nov. 3, it is only in the most unalloyed self-interest to vote for him!

Pat Womack, attending Kirk's School of Cosmetology in Odessa, was here to spend the week-end visiting her parents, Mr. and Mrs. Clovis Womack. Also a guest in the Womack home for the week-end was Miss Jan Groesbeck of Odessa, daughter of Mr. and Mrs. William Groesbeck, former Ozonans.

FOR SALE — Set of ladies golf clubs, Brand new. Reasonably priced. Call 392-2564.

Thailand Native Girl Is Speaker At Rotary Club

Miss Pranee Jardsonthut, a native of Thailand, who is finishing up her four-year college education in the United States as a senior at San Angelo College, charmed members and guests of the Ozona Rotary Club when she spoke to the group at its Tuesday luncheon.

Miss Jardsonthut came to Washington when she first arrived in the U. S. and studied the English language there for three months and then enrolled at Texas Tech in Lubbock. She later transferred to SAC and will complete her college work there next spring.

Although she speaks with an accent, Miss Jardsonthut has excellent command of English. Her father is a farmer and the family lives in Bangkok. Thailand's lands are devoted almost entirely to the production of rice, she said. The climate is about like the pres-

ent fall weather here, she said, and stays about the same the year round.

When her parents decided that she should go abroad to study, she wanted to go to Japan or Australia, she said, but they reminded her that if she went to either of these countries she would be near enough home that she would want to visit too often and they sent her to the U. S. She plans to go back to her native land to teach home economics following her graduation.

She is so small that she has difficulty in getting a fit in American clothing, so her mother makes all of her clothing in Thailand and sends them to her here. The dress is different from the ordinary among American girls but she is a decidedly attractive young lady.

Woman's League Meets With Mrs. Tom Montgomery

Mrs. Tom Montgomery and Mrs. Leonard Boyd were hostesses at the regular meeting of the Ozona Women's League Tuesday in the home of Mrs. Montgomery.

Mrs. Joe Bean, president, presided over the business meeting. She announced that the League student loan fund is now in use but if others are interested a member of the League should be contacted.

Mrs. Boyd gave a report on the civic center which will be completed in late March. Discussion followed on a project to help furnish the center.

Mrs. Jess Marley reported that the bazaar project this year will be selling tickets for three holiday meals; smoked lamb, a turkey and a ham. This year a cookbook, Favorite Recipes of Texas, will be offered for sale at the food booth.

Miss Jean Powers gave the program on the Changing Classroom. Many school systems presently are offering a technological program for the students, she said. She said that indications are for public junior colleges in this country within fifteen years.

Mrs. Charles Garlitz of Midland was a guest. Members attending were Mrs. Tom Mitchell, Mrs. Bill Carson, Mrs. Mike Miller, Mrs. Perry Hubbard, Mrs. Allie Lock, Mrs. Jim Dudley, Mrs. Bruce Mayfield and Mrs. Roy Coates.

Betsy Sikes, daughter of Mr. and Mrs. L. B. T. Sikes, is receiving medical attention in a San Angelo hospital this week.

Urged Continued Care To Prevent Screwworm Spread

Mission — Screwworms on the move again in Texas, and with favorable, moist weather and ranching operations creating conditions ideal for the insect's development and migration, screwworm eradicators consider few areas of the state completely safe from the threat of outbreaks.

Since late September, when a 54-day screwworm-free period in Texas was ended, infestations have been reported in southern, western and northern sections of the state. How severe a buildup can be expected will depend largely on whether livestock producers use protective measures on their animals and report infestations to eradication headquarters so that emergency treatment can be started.

Although the buildup in infestations began several weeks later than during most years — shortening the time screwworms will be a major problem before cold weather limits their

activities — damage can still be extensive and control cost high. Outdoor aerial release of sterile flies and spraying of nearby herds — an expensive operation.

Leland Wyatt, Jr., son of Mr. and Mrs. Leland Wyatt of Herndon, Virginia, and a grandson of Mrs. J. T. Keeton of Ozona, was a visitor in Ozona Sunday. Leland is a freshman at Hardin-Simmons University in Abilene this year.

Mrs. Ashby McMullan left the first of the week for an extended visit in the home of a former college roommate and her family in the interior of Mexico.

Foreman Cited By Small Business For Economy Record

Homer E. Marsh, Vice President, National Associated Businessmen, Inc., today presented Congressman Ed Foreman (R-Tex.), with the organization's "Watchdog of the Treasury Award" in honor of the Congressman's 100 per cent economy voting record for the 88th Congress, 1963-64.

In congratulating Foreman, Mr. Marsh said, "Congressman Foreman, your outstanding voting record in the interest of economy in government indicates to our membership a keen insight into the problems of fiscal responsibility. I congratulate you on the courage you have shown in standing up to oppose those who are blind to the possibility of economy in Federal programs..."

Members of committees are Lynn Thompson, Deborah Archer, Jan Janes, Gilda Graves and Peggy Hayes. Counselor for the Auxiliary is Mrs. Jack Mathews...

National Associated Businessmen, Inc., is a non-partisan organization of businessmen which has its headquarters in Washington. Most of its members are in the category of small business and have directed the organization to pursue a policy of opposing government ownership of business-type activities which compete unfairly with tax-paying businessmen.

Girls Auxiliary Installs Officers

"Let Us Worship" was the title of the program when the Lola Mae Daniel Auxiliary for 9 and 10-year-old girls met Tuesday afternoon in the Junior Department of the First Baptist Church.

After the program, new officers for the next six months were installed. Mrs. George Glynn, G. A. Director, presented a miniature crown to each officer and an outline for her duties.

Maesleen Grun was installed as president. Other officers are Teresa Shaw, vice president; Nanda Dozier, secretary; Debbie Pitts, prayer chairman; Susan Black, program chairman; Carol Boyd, Forward Steps chairman; Rhonda Archer, Stewardship chairman; Suzan Thompson, community missions chairman; Vickie Kern, mission study chairman; Ann Glynn, social chairman.

Members of committees are Lynn Thompson, Deborah Archer, Jan Janes, Gilda Graves and Peggy Hayes. Counselor for the Auxiliary is Mrs. Jack Mathews...

Panel Discussion On Roses Program For Garden Club

The Ozona Garden Club met Monday afternoon in the home of Mrs. J. B. Post.

Program for the day was a panel discussion on roses. Mrs. Perry Hubbard explained "Roses For Beginners." Mrs. Post told about "Roses of Yesterday and Today." Mrs. J. B. Miller's topic was "Rose Insects and Diseases." "When and where to Buy Roses" was explained by Mrs. Stephen Perner.

Mrs. Charles Williams, Jr., was program chairman for the day and she stressed the need for fertilizing roses in the Spring, Summer and Fall.

Other members present were Mmes. W. T. Bradbury, O. A. Brentz, Ira Carson, Floyd Henderson, A. S. Lock, Ivy Mayfield, D. B. Pettit, Noble H. Price, Max Schneemann, Gene Lilly, Glen Sutton and O. D. West.

Charlie Black, Crockett county ranchman, underwent major surgery in Galveston the first of this week.

WANTED — Man with car to handle credit and insurance reports on part time basis. Write complete qualifications to P. O. Box 661, San Antonio, Texas.

Mr. and Mrs. Leonard Drago spent the week-end in Huntsville visiting their two sons, Leon and Leroy Drago, students in Sam Houston State College. They report Leon is gaining considerable reputation for his oil painting, a recent sale being made to a Houston doctor. While in the area the family drove to the only Indian reservation in Texas, in the Big Thicket, near Livingston.

EDITORIAL

By Diane Couch

As students of Ozona High School we should try our very best to display good sportsmanship as well as being good hosts to our guests.

We should be friendly and welcome our guests with pride. If we are kind and courteous and show them here with us they will enjoy their visit so much they will want to come again.

We must continue to keep this rule in mind not only when we are hosts but as guests. Do unto others as you would have them do unto you. If each one of us strives to do his best, OHS and Ozona will continue to be proud of its students.

GOSSIP

By Janis Walker & Lynda Miller

Is the algebra I class becoming a gym for exercising or did Deborah have a reason for "bending" so much?

Wonder why the Senior procession stand turned into a boxing match Thursday night?

Is it true that hoses make good ball whips?

It is turning out to be

a testing ground for Srs. who have always wondered how they acted as Fish!

Who were the good looking boys that the Senior girls were with Friday night?

It seems as if there are some Soph girls that ought to go into the papering business.

Is it true that Mike W. is taking in washing and ironing?

What did Barbara and Donna do Saturday night?

What were the Sophs really doing while they were supposed to be at the country store?

Mr. Brentz, who were those good looking girls with you Friday night?

Why on earth were the Freshmen moving their boxes Sunday afternoon?

Looks like some of the OHS boys are going to work for the highway department!

Darold, who wrapped your car Saturday night?

Karen did David really take you straight home Saturday night?

Sul Ross strikes again! How about it Jerry?

Garry Boyd since when did you get attached to Cookie C's hot-water heater?

Why was Randy E. so nervous this week-end?

Bobby A. how did that spatula get on your shirt Saturday night?

Thanks to George K. we can all start breathing again!

More why were you standing out in the hall Monday morning?

Margene who did you go to see over the week-end?

Who won the fight between the Sophomores and Freshmen over the boxes?

Vicki Lynn what did you do on Moe?

What did Mike P. find in his hand Saturday night?

**BACK THE LIONS
ATTEND THE GAMES**

CONFIRE SHOWS SCHOOL SPIRIT

By Mary Jane Dunlap

If students are seen roaming along the streets in pick-ups filled with boxes, with other students after them in hot pursuit, don't be alarmed! It's just the students of OHS gathering boxes with students from another class trying to "borrow" them.

Every year, in order to win the \$5 prize, each class tries to gather the most boxes for the "big" bonfire before the Big Lake game.

The thing that the students enjoy most about the contest is trying to figure out where the other classes have their boxes hidden and how they can manage to "borrow" them.

Seriously, the main reason for all this is to show the football team that the entire school is behind them "all the way" no matter what the results of the game are.

JE HIGH & B-TEAM DEFEAT SONORA

Both the Ozona High School "B" team and the Junior High "A" team defeated Sonora last Thursday with scores of 12-6 and 20-13. This gave the High School and Junior High a total of 12 undefeated games.

Next Thursday beginning at 4 p. m. the Jr. High "B" team will play Big Lake here followed by the Junior High "A" team at 4 p. m. and the High School "B" team at 7 p. m.

OZONA FACES MENARD TOMORROW NIGHT

This week the Lions face Menard in their fourth district game. This could prove to be a rough game because some of the Lion regulars will not be able to play the whole game. Although some of the

starters will not play the whole game it hasn't hurt the morale of the team. It has made them realize that they must work harder.

Last week, in practice, Joel Huff injured his knee, and will probably be out the rest of the season. Richard Vargas has had some trouble with his leg and hasn't seen any action in the past two weeks but will see some tomorrow night.

Alejos Tambunga, George Kyle and Pete Garza who have had badly sprained ankles will also see some action tomorrow. The Lions are getting back one of their backs, Randy Uphan, who has had a bad shoulder injury.

Even with these members hurt, the rest of the team feels confident that they will be able to cope with the rest of the teams they will face, and there will be some tough teams.

LIONS BACK EAGLES

By Linda Leath

It seems as if the students of OHS are not satisfied with having an open week in football.

With loades of coats, coats stacked in the "big" and high hopes for the El Dorado Eagles to get past the Big Lake OHS several car loads of OHS students and "backers" traveled to El Dorado Friday afternoon.

Although the Eagles did not win the game, the Lion football team did receive some helpful hints that will help them when they play the Big Lake OHS on October 23.

QUESTION OF THE WEEK

By Margene Robinson

What do you think about a powder puff football team for OHS?

Gary S. — Sounds western!

Alejos T. — Sounds crazy!

George K. — We would have great prospects.

Vicki A. — We would have a winner team! I would play tackle center!

Chny T. — Sounds good!

Moe B. — We would have big enough girls!

David C. — We would be

too fat and too slow!

Hugh C. — Who would we use for cheerleaders?

Mr. Leath — Interesting!

Janis W. — Who would have the nerve to be our coach? Mr. Cleere ???

Pete G. — It would probably be too rough for the soft girls here!

Bobby A. — We would still have some big tackles! (Tatto, CM.)

Ruthella N. — Good for the weight losing!

Nancy D. — I think it would be fun!

Connie B. — I would get to show off my talents!

Brenda B. — I would be the all-star quarterback!

Linda L. — We would win State!!!

Mary Jane D. — Would the boys walk us off the field?

Margene R. — How would we keep our hair-dos in place under the helmet?

Karen R. — What would the football uniforms do for our figures?

HIGH SCHOOL ENJOY P. T. A. CARNIVAL

Sandra & Yvonne Martinez

As Friday afternoon came along, children ran through the streets, cars honked, and people laughed. The annual P. T. A. Carnival was taking place.

While strolling down the park, we encountered several little episodes which added gaiety to the carnival.

The Seniors had a rough time, but not because they sold many cokes. A mother's plea for ice, desperately needed by her little girl

whose eyes were sparkling with the power, added to the variety of odd jobs for the seniors.

Some people were graciously defended by a quiet voice, supposedly that of Ronnie Mason, which led them to the cake stand.

Two devoted sponsors, Ester Williams and Kaye Kyle, were trying frantically to sell everything in the store at the country store, and Bettye Henderson tried to sell a homeless kitten for a dollar.

As the Freshmen program proceeded, J. A. Lewis recomposed the words to "El Rancho Grande" adding 37, 47, 57 to the last two lines.

If you happened to see any gloomy faces at the carnival, (Continued on Page Three)

'65 Chevrolet Impala Sport Coupe— with new Superline roof

If what you see moves you, wait'll you take the wheel

(V8's with—GRRRR!—up to 100 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority

of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Track design, and made our famous Jet-smooth ride smoother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

See 5 beautiful shapes for '65—Chevrolet, Chevelle, Chevy II, Corvair & Corvette—at your dealer's

...they were those several girls who didn't go to the dance, or whose plans were shattered because Sonora played at Sonora rather than at Sonora.

GOOD SPORTSMANSHIP OFTEN REWARDED

By Carey Pitts

Good or bad sportsmanship remembered long after the score of the ball game or whatever sports contest which has been won or lost is forgotten.

Good sportsmanship should be of a lasting quality, not something which we assume one day and forget the next like a suit of clothes.

Much has been said about a phrase such as—I want to be a gracious winner, not a good loser... but the fact remains that a team, an individual or a town which can lose and still be good sports are as honored as the winner over a period of time.

NEW STUDENT LIKES HIS SPIRIT

By Karen Russell

Being a new student in a new school is exciting. It is always nice to make new friends and have new experiences in a school like Ozona, with so much spirit. It is easy to get in the swing of the activities and feel a part of the student body. Learning under different teachers can be both motivating and thrilling. Being a newcomer is like coming to a new chapter in a book. It takes a little

while to get acquainted, but once this is done, life is as thrilling as the last school attended!

JUNIORS SELL MUMS

Mums are now being sold by members of the junior class for the Homecoming game on October 23.

The mums will sell for \$2.50 a mum. Those mums that are not delivered Friday afternoon, may be picked up Friday night at the game.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, October 17, 1935

Declaring the full pardon granted Jose Rodriguez, convicted in Crockett county on perjury charges, was granted solely on grounds the indictment was defective and not on the ground that he was "railroaded" to the penitentiary from this county, a charge he said was made by letters from private citizens to the Board of Pardons and Paroles and inadvertently incorporated in the original pardon proclamation. Governor James V. Alfred has issued a new proclamation in which he directs that such references be expunged and stricken from the record "in fairness to the public officials involved and the jurors who tried the case and the citizenship of Crockett county generally."

—30 years ago—
The somnambulist township of Barnhart,

peaceful mecca at the crossroads where grazing lords meet the vaqueros from the sheep and cow country, and where ranchmen sometimes idle their time waiting for the trains to come in and haul off their wool and livestock, was awakened to an indignation amounting to more than somewhat when a nocturnal custodian of the law came unexpectedly on an improved gambling spot in an abandoned warehouse. The ranch gentry had to appear before the justice of the peace and each left something like \$11 in fines.

—30 years ago—
Doyle Mortin of Big Lake former operator of the Palace Theatre here, was placed under \$250 bond to await action of the grand jury following a hearing before Justice of the Peace W. M. Johnigan on a charge that Mortin evaded payment of a board bill.

—30 years ago—
Supt. C. S. Deiham was among West Texans appearing before the Texas Centennial Commission in Austin today on behalf of a museum to be created by the Commission somewhere in West Texas. It is expected that the museum will be in Lubbock if it is located in West Texas.

—30 years ago—
Baggett grove was the annual faculty picnic last Thursday. Doves, secured in hunting quests by my men of the faculty in earlier forays, formed the delicacy of the picnic, cooked over camp fires.

—30 years ago—
Burglars sometime Sunday night entered the West Texas Lumber Co. in Barnhart, blew the door off the safe and escaped with an estimated \$150 in cash, according to the estimate of Tom Harris, manager of the firm.

—30 years ago—
Corine Phillips, daughter of Mr. and Mrs. Arthur Phillips, was hostess to a number of her little friends to celebrate her sixth birthday Wednesday.

—30 years ago—
Misses Alma Johnigan, Mildred Davis and Christine Viles were San Angelo visitors Sunday.

—30 years ago—
Rowdy Hoover is confined to his bed suffering from an infection. He is at the home of his mother, Mrs. Laura Hoover.

WATCH FOR THE SIGNS

Mike was lucky! He lost his way completely along the thickly-wooded roads during his vacation last summer until suddenly he came upon a small service station. The friendly attendant told him he was only a short distance from the base. "Just watch for the signs," the man said.

It's easy to get lost... it could happen to anyone. At times, our lives get so confused that we don't know which way to turn, and we feel that nobody cares. When that happens, just watch for the signs.

What signs? Well, there's the fragrant beauty of a rose, the laugh of a child, the glory of sunrise, the sound of great music... signs all around that point to the constant presence of God who loves us.

The Christian Church is the most important sign of all... created solely to reveal a new and meaningful way of life to all who seek it.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ed Foreman, Barbara, Rebecca and Kirk

THE MAN

Ed Foreman is an extraordinary All-American man... a family man... a gentleman. He knows the meaning of hard work and the value of a dollar. He was born and raised on a farm. Upon graduation from high school, he worked his way through college and graduated with honors as a Civil Engineer.

He is a leader, active in community service, and a champion of individual liberty. As a result of his work and dedication to the cause of freedom and private enterprise, he was named the Outstanding Young Man of Odessa in 1960, and in 1962, he was named one of the Five Outstanding Young Men in Texas. On January 25, 1964, Ed Foreman was honored by the United States Junior Chamber of Commerce as one of the Ten Outstanding Young Men in America.

Friday, Oct. 23: Rolled roast-gravy, Or, Fried fish sticks-tartar sauce, Whipped potatoes, Seasoned blue lake beans, Peach salad, Gingerbread, Hot rolls, butter, Milk.

Mr. and Mrs. Lowell Littleton and Miss Katrina Hardberger were in Dallas over the weekend where they attended the Texas-Oklahoma football game and visited with Lucille Childress, a student at Hockaday in Dallas.

Program subjects during the conference were the role of the Junior High and vocational and English programs now in the planning stage for high schools.

TO TARLETON BAND

Stephenville — Richard Ross of Ozona is a member of the Tarleton Texan Band at Tarleton State College. Names of band members for the 1964-65 academic year were announced this week by Mr. Hilmar E. Wagner, band director and assistant professor of instrumental music. Ross is the son of Mrs. Alberta Ross of Ozona.

Assn. Meet Plans Made By WMU

Final plans for the Associational meeting, which will be held Tuesday, Oct. 20, at the First Baptist Church, were made at the weekly WMU meeting Wednesday morning. The Associational meeting will begin at 9:30 a. m. New Associational officers will be installed.

Mrs. Dick Webster introduced the program, titled "O Worship the King." Mrs. Doyle Perdue reviewed the history of the hymn of that title.

Mrs. Roy Thompson brought the devotional on Worship. Mrs. Max Brown, program leader, presented a summary of the programs for WMU study during the coming year.

Mrs. H. D. Vinson, prayer chairman, stressed the three weeks of prayer to be observed throughout the year. Mrs. Jim Carpenter explained the stewardship plan and announced offering goals for the three weeks of prayer.

Mrs. Pleas Childress presented summary of the mission books that will be studied for the year. Mrs. Jack Matthews suggested ways to strengthen the community missions program through Christian witnessing.

The meeting was dismissed with prayer. Eighteen members attended, with one visitor, Mrs. Kay C. Shannon.

FRIDAY BRIDGE CLUB

Mrs. Ben Robertson entertained the Friday Bridge Club last week at her ranch home.

High score was won by Mrs. W. T. Bradbury, low by Mrs. O. D. West, high guest by Mrs. Bailey Post and the cut went to Mrs. Joe Pierce, Jr.

The club will meet Friday with Mrs. O. D. West.

Others attending were Mrs. Lovella Dudley, Mrs. W. H. Burger, Mrs. Early Baggett, Mrs. Stephen Perner, Mrs. Jake Short, Mrs. V. I. Pierce, Mrs. W. W. West, Mrs. Henry Miller, Mrs. J. M. Baggett, Mrs. Max Schneemann, Mrs. S. M. Harvick, Mrs. Evert White, Mrs. Hillery Phillips, Mrs. Joe Davidson and Mrs. Roy Miller.

CROCKETT COUNTY HOSPITAL NEWS

Patients admitted to hospital since October 6th: John W. Henderson, III, accident; Mrs. Mary Kahanek, Wichita Falls, medical; Mrs. Sam Vargas, obstetrical; Bill Dominey, accident; Mrs. Felipe Chavarria, medical; Mrs. Robert Graves, surgical; Mrs. Lupe Gonzales, obstetrical; Clayton White, Sonora, surgical; Mary Jo Walker, accident; Jeanne Hester, accident; Daina Couch, accident; Fred Chandler, medical; Mrs. Lionel Munoz, medical; Jesse Limbaugh, accident, and Mrs. W. E. Friend Jr., surgery.

Patients dismissed: Mrs. Tom Carroll, Helen Hayes, Mrs. W. D. O'Bryant, John W. Henderson, III, Mrs. Mary Kahanek, Bill Dominey, Mrs. Sam Vargas and infant son, Mrs. Felipe Chavarria, and Fred Chandler.

NcKee-Rogers Set Nov. Wedding Plan

Mr. and Mrs. H. A. McKee of Ozona announce the engagement and approaching marriage of their daughter Barbara Alice, to Quinton Rogers, son of the late Mr. and Mrs. W. C. Rogers of Quanah, Texas. The couple plan to be married November 28.

The bride-elect is a 1964 graduate of Ozona High School and is now attending a beauty school in Odessa. The bridegroom to be is employed with Cummins Sales and Service in Odessa.

Reserves -

(Continued from Page Six)

for the win. Sonora scored early in the fourth period on a freakish run when Jimenez started wide, was trapped for a big loss apparently and then got loose and raced 44 yards for a touchdown.

Ozona lost little time in getting the score back as the Lions, using a sweep and a deadly counter, marched to the 10 before a loss set them back to the 14. But this time they were not to be denied and they swept the Sonora end for the score.

In spite of the Ozona rally, fans had to hang on to their seats during the last series of downs when the Broncos tried to spring the fleet Jimenez loose again, but the reserves would have none of that and held on for the win.

The Junior High game was a classic for unusual results and the scoring got under way early. Fleet Coates broke over his right tackle and raced 68 yards for the game's first score. But then, things got sticky and on more scoring occurred until three minutes before the half. Sonora's great running back, Renfreau, ran for three touchdowns on runs of 47, 67, and 73 yards on consecutive plays, all run at the Ozona left tackle and the half ended with Sonora holding an 18 to 6 lead.

The Cubs shored up whatever was wrong in the intermission period and Renfreau got a rude reception when the play was attempted at the start of the third quarter. Until the fading moments of the game, the Sonora race horse was completely shakled by the Ozona defense.

The Cubs could not get under way until late in the third quarter when quarterback Randy Kieper got the Cubs rolling on a 79 yard drive that ended early in the fourth period with Fleet Coates going over from the one.

Still trailing by an 18 to 12 count, the Cubs launched Coates around right end for a 34 yard gain and then quickly moved in for the tying counter as Coates cracked the center for four yards and the score.

The Cubs then added the winning points when Coates bowled over two Sonora linemen and went over for the two points on a shot at the Sonora right tackle.

Sonora tried to get the points back in the fading moments by sending Renfreau wide but the Cub defense, led by middle linebacker Farris, was able to

miles south of Ozona.

Location is 560 feet from the north and 375 feet from the east lines of 4-MN-GC&S. Elevation is 2,377 feet.

Gulf Oil Corp. will drill the No. 3-A F. R. Henderson, Jr., as a 1/2-mile north-west offset to a recent 1 1/2 mile east-northeast extension to oil production in the Ozona, Northwest (Canyon sand gas and oil) field of Crockett County, 1 1/2 miles north of Ozona.

Location is 1,960 feet from the south and east lines of 21-OP-GC&SF. Contract depth is 7,300 feet.

The Escondido (Fusselman and lower Pennsylvanian) field of Crockett County gained its fifth lower Pennsylvanian producer and a location northeast and northwest extension to that pay with completion of Continental Oil Co. No. 3-8 J. M. Shanon, 1 1/2 miles northeast of Iraan.

It was finalized for a daily flowing potential of 396 barrels of 45 gravity oil, no water, with gas-oil ratio of 1,359-1. Production was through a 16-64-inch choke and perforations between

halt the Sonora speedster and the Cubs gained possession of the ball just before the final gun sounded.

8,516-8,520 feet, which had been acidized with 500 gallons.

Total depth is 9,485 feet, with 5 1/2-inch casing set at 9,445 feet. The project will be dually completed from the Fusselman.

Location is 2,980 feet from the north and 660 feet from the west lines of 8-2-GC&SF.

Lions to Menard -

(Continued from Page One)

The Lions took a hard blow last week when co-captain Joel Huff was injured and lost to the squad for the season. The loss of Huff would have been worse many years but it is bad for the Lions this season with the toughest part of the schedule still ahead.

The condition of co-captain Rihard Vargas is still not good and coaches were undecided as to the advisability of recovery this week.

Thomas DeHoyos will replace Vargas on offense and in the Junction game did a splendid job but no one really replaces Vargas on defense.

The Lions, with Huff gone, will go with Rick Hagelstein, Larry Williams, Beto Ramos, and recently shifted Alejos Tambunga at the guard and linebacker spots, and Thomas Garza and Buddy Farris will

doubtless see more duty and not get as much breathing time as they have in the past.

The Yellowjackets, with a whole fleet of speedy running backs, will give the Lion defense a stern test. Anyone who saw the Eldorado game knows the Lions do have a little trouble with great speed just as does everyone, and particularly the Lions who do not have it.

The Lions have spent much time during the past two weeks working on their offense which has improved steadily since the season began.

One of the most notable improvements of the season thus far has been that in quarterback Bill Carson, and with George Kyle returning to active service at the flanker and available for quarterback services this week, the Lion attack should be up for a good game this week.

Kickoff time in Menard will be 7:30 p. m. with a large crowd of Ozona fans planning to make the trip.

SON TO O'BRYANTS

Mr. and Mrs. Williams Doyle O'Bryant, III, are the parents of a son, William Dugan O'Bryant, born Thursday, Sept. 24 in a San Angelo hospital. His birth weight was 8 pounds 3 3/4 ounces. Maternal grandparents are Mr. and Mrs. Tom Parisher of Ozona and the paternal grandparents are Mr. and Mrs. W. D. O'Bryant, Jr. of Sanderson. Great grandparents are Mr. and Mrs. Arch Parisher of Clyde Texas, Mrs. Mary Lou Kellan of Sanderson and Mr. and Mrs. W. D. O'Bryant, Sr. of Leaky, Texas.

Mr. and Mrs. T. J. Bailey were in Dallas last Saturday to attend the Texas-Oklahoma football game.

Club Women Attend District Workshop Held In Eldorado

A workshop for the Heart of Texas Federated Clubs, held in Eldorado last week was attended by approximately one hundred ladies from over the district.

Attending from the Ozona Woman's Club were Mrs. Ted White, Mrs. L. B. Cox, Jr., and Mrs. Stephen Perner. Mrs. Cox was appointed chairman of the nominating committee for the district.

Miss Eudora Hawkins of Abilene, advocate of improved safety laws in Texas, spoke to the group in behalf of the four laws which she is urging the 1965 Texas legislature to pass. These four laws would 1. Improve competence and responsibility of drivers; 2. improve police supervision on rural highways; 3. increase the number of policemen by 200

each biennium; and 4. improve the administration of justice and public response for traffic laws.

A workshop for presidents was announced for the club presidents to be held at the Massie Club House in San Angelo.

Mrs. J. O. Mills of the Angelo, district president, told the conference that \$7,300 is needed to make repairs to the state house in Austin and that is the obligations of the club to share in this cost.

Sonora extended an invitation to the conference meet in that city in the spring. After the workshop the group toured the Eldorado woolen mills.

Erin Dian Young is the name given the daughter of Lt. and Mrs. Jake Young, Jr., of El Paso, born in the city October 6. She is the granddaughter of Mr. and Mrs. Jake Young, Sr., of Ozona.
