Award Contract For Construction Of Gas Plant

Contract has been awarded for construction of second gas processing plant, located two miles west of the city, on Dick Henderson ranch. The \$1.5 million plant, built by Shell Oil Co., has already started at the site and a spokesman for the recently indicated construction will be completed by December 1 that the plant is expected to be in operation by 1, 1965.

Construction contractor Orloff Corp., of Midland and Hasater Construction Co. of Ozona has been awarded contract for a water line to the plant. Construction for the gas gathering well has not yet been started.

The plant will be highly automated, and will be controlled from a central room and will be operated by a total of three operators to start, it is designed to handle up to 10 million cubic feet of gas per day.

The plant will produce 200 gallons per day of natural gasoline and 14,000 gallons per day of propane butane mixture. Shell has contracted to lease gas and casing holes from the Northwest Oil Field through the area.

Drop Pair Opens For Cage Start

By Ernie Boyd
The Ozona Lions opened the 1964 basketball season with a low note last Thursday night when they dropped two games to San Angelo Central Jr. High.

The first game went to Angelo 29 to 28 in a scoring affair and the second game went to the boys 44 to 36 as the Lions lost four things well.

Coach Brooks Dozier, using the games to get a view of his up coming team, and possibly have won the contest, as he subbed his first unit with a point lead in the last quarter but the first unit was unable to salvage the game when they returned to the contest for the three minutes.

George Kyle led the scoring for Ozona in the first quarter with 8 points but shooting from the free line and from under the basket kept the Lions back at bay all night. The game did a creditable job of keeping the San Angelo boys in check.

In the second contest, the Lions were never in the game as they played away most of the way and were held to only 8 points in the first half.

Richard Vargas hit for 17 points in the second game and kept the Lions from being totally embarrassed but he from Vargas the Lions found little to be happy about.

The Lions dropped both games the first one in a rather one sided affair 34 to 24 and the second one was well contested affair 38 to 28.

Seahorn led the Ozona attack on Friday night 29 to 9, while two of the Ozona players, David Lewis Stokes, had 7 for the Ozona in the Thursday game.

Three Directors To Be Elected To Water Dist. Board

Three directors of the Crockett County Water Control and Improvement District No. 1 will be elected at the annual election to be held Tuesday, January 12, 1965.

The three directors whose terms are expiring this year are Sherman Taylor, president; Lowell Littleton, vice president; and W. E. Friend, Jr., secretary. Hold-over directors are James Baggett and Gene Williams.

Voting will be at the courthouse in Ozona. The water district area embraces the town of Ozona. Absentee ballots are to be cast with the county clerk.

District Wool Contests Slated In Sonora Dec. 11

The District V Make It Yourself With Wool contest will be held in Sonora, Friday, Dec. 11.

Judging of entries will be in the Sonora Elementary school auditorium. The contest is open to girls 10-21 years of age and to adult women. Each garment entered in the contest must be made of American loomed wool.

Anyone desiring to enter the contest is invited to contact Miss Loretta White, H. E. teacher in the Ozona High School.

ARTHUR HOOVER 86

Arthur Hoover, pioneer Crockett county rancher, will celebrate his 86th birthday Saturday. Ernest Dunlap has made plans to have a few friends in Saturday to congratulate Mr. Hoover on the anniversary.

Statistically, 1964 Lions Grid Team Was Tops On Defense Past Decade - But Only 9th On Offense

By Ernie Boyd
Final statistics on the 1964 Ozona High School football team found the current edition of the Lions the best defensive unit in the past decade as they posted an 8 won and 2 lost season.

The Lions limited their ten opponents to 1,332 yards on a net total to better the 1,395 yard net total which was set by the 1955 Lions when they won the district title.

Opponents picked up 995 yards rushing and 337 passing in getting their average of 133.2 per game. The rushing came on 335 rushing plays while the 337 yards passing came on 34 completions out of 104 efforts with the Lions picking off 11 of the opposition's passes during the season.

Pon Seahorn was the Lions' leading pass thief with 3, while Bill Carson and Richard Vargas had two each.

The effectiveness of the defense was somewhat offset by the offense, which ranked ninth in the last 11 years, exceeding the output of only the 1963 team and the 1961 eleven. The Lions racked up 2,570 net total yards, 2,173 on the ground and 397 in the air. The air mark was one of the lowest in the 11 years for the Lions, and came on only 73 passing efforts which also was near the lowest for the Lions in the last 11 years. The Lions completed 26 passes and had 4 intercepted averaging only 7 passes a game for the season and something

4-H Rifle Club Begins Training Junior Riflemen

The Crockett County 4-H Junior Rifle Club has received its affiliation with the National Rifle Association and has started a program of teaching its members rifle marksmanship and gun safety, according to county agent Pete W. Jacoby, who is the club's adult leader.

Two training sessions have been held for adult leaders who are working with junior members of the club. W. M. Day, Jr., county agent and a certified rifle instructor from Rankin, was the instructor for a group of adult leaders in a training session last Saturday.

The club has constructed an indoor .22 target rifle range in the Junior Livestock Show Barn, where the training program will be carried on this winter and next spring.

An effort is being made to secure and train sufficient volunteer adult leaders to work with about one hundred junior members in the club. Training groups of six junior members are being organized with a trained adult leader for each group.

Plans of the club call for capable adult leaders who are trained as rifle instructors to give immediate adult supervision of all the club's shooting activities, enforcement of definite regulations, the conduct of individual and team contests, to develop and stimulate the interest of boys and girls, and above all else, training in the safe handling of firearms.

FFA Broadcasting Team Is Second In Regional Contests

Ozona's FFA radio broadcasting team narrowly missed making the State finals when they placed second in the regional area II leadership contest finals held Saturday, November 21, on Howard County Junior College Campus in Big Spring.

Team members on the Ozona team were Gary Boyd, Jerry Johnson and Moe Barbee. The first five teams in the contest (Radio Broadcasting): Odessa, Ozona, Brownfield, Lueders, Ira.

Only the first place Area winners in each of the six different leadership contest may qualify for the state finals, held annually in December at Sam Houston State College in Huntsville.

Another Ozona team that had also won the Concho district contest some two weeks ago was entered Saturday in Junior Chapter Conducting. Members on this team were Duane Childress, Larry Kilgore, Fred Chandler, Duwain Vinson, Larry Don Webb, Wesley West, and Calvin Montgomery. These boys were competing against other first year Vocational Agricultural students. They failed to place in the meet.

Area II includes schools from Seminole to Stamford, south from Stamford to Ozona and west to El Paso. Some 85 Vocational Agricultural departments are in Area II.

Sandra Whitaker In 'Who's Who In American Colleges'

San Marcos - Sandra Whitaker of Ozona is among 19 students at Southwest Texas State College named to Who's Who in American Colleges and Universities.

Miss Whitaker is a senior majoring in elementary education at SWT and has a 2.1 grade point average. She has served on the Student Senate, the Student Union Council, the Homecoming Committee and as an academic and student counselor. She is a member of Delta Sigma Delta sorority, Association of Childhood Education, Texas State Education Association and the majorette corps of the band at the college.

She is the daughter of Mr. and Mrs. W. H. Whitaker of Ozona.

According to Jim Wall's director of student life at SWT students are named to Who's Who because of scholastic achievement and extracurricular activities and service to the college.

Award Contract For Construction 7 Miles On RM 33

A contract for 7 miles of construction on R. M. Road 33 in Crockett County has been awarded to a San Antonio firm, it was announced in Austin this week by the State Highway Commission.

Maupin Construction Co. submitted the low bid of \$203,303.22 on the project. Grading, structures, base and surfacing from 3 miles south of Reagan County line to 7 miles south is expected to take 150 working days, according to J. A. Snell District Highway Engineer at San Angelo.

H. L. Bailey, Resident Engineer at Sterling City will be in active charge of the project while it is under construction.

School Board Studies Plans For Needed Plant Expansions To Meet Community's Populations Growth

Ozona Girls Win Low Scoring Tilt Against Junction

By Ernie Boyd

The Ozona High School girls basketball team used a fourth quarter surge to down the invading Junction girls 24 to 16 last Monday night in a non-district game.

Lana Kay Alford led the Ozona attack with 17 points, one more than Junction scored, but the final surge to victory came on a combination of baskets by Lana, Marjorie Carnes and Lynn Cox that broke a 12 and 12 tie and sent the Ozona team into a comfortable lead in the otherwise low scoring contest.

For the most part the game was a study in inept play for both squads as frequent errors and some rather loose calling contributed to some sloppy play.

Ozona jumped into a 5 to 0 lead at the end of the first quarter only to see Junction score six points in the first minute and a half of the second quarter to go ahead for the first and only time during the game. They maintained that margin until a field goal by Alford just before the half gave the Ozona team a short lived lead that was cancelled on a last second shot by Junction.

The third quarter saw both teams improve their defense some and as a result no points were scored until there were 3:39 left in the quarter. Then Ozona opened up a four-point lead. Junction cut the lead to two early in the fourth period and then Carnes, Alford and Cox all hit in rapid succession and Alford and Carnes repeating. That spree iced it down.

Junction won a close B game 24 to 19 and Jeanne McKinney hit for 19 for the visitors. Fannie Everett had 17 for Ozona.

Lewis Hersey, 72 Crockett Rancher Buried In Angelo

Funeral services were held last Friday afternoon in San Angelo for Lewis Greeleaf Hersey, 72, Crockett county ranchman, who died Wednesday afternoon in a San Angelo hospital just eight days after he was hospitalized with a heart ailment.

Mr. Hersey operated a nine-section ranch out of Shannon lands northwest of Ozona for the last 37 years. He was widely known in ranching circles for fine quality livestock.

Mr. Hersey was born on his parents' ranch north of San Angelo Dec. 7, 1891. He went to schools here and was married to Lottie McMullan in San Angelo May 10, 1917, a sister of Frank McMullan of Ozona and D. K. McMullan of Big Lake and Ozona. They operated a ranch near Sonora five years and another two years at Christoval.

They moved to Crockett County in 1927, and their (Continued on Last Page)

Community Thanks Service Slated At Methodist Church

Community Thanksgiving services were slated to be held at 7:30 Wednesday evening at the Ozona Methodist Church.

Rev. Max Brown, pastor of the First Baptist Church, was to be the speaker and music was to be furnished by the Methodist Choir.

Participating churches are the Methodist Church, Rev. Leonard Garrett, pastor; First Baptist Church, Rev. Max Brown, pastor; and Calvary Baptist Church, Rev. Harry Earles, pastor.

Byron Williams To Head White's Local Committee

Congressman-elect Richard C. White of El Paso Saturday announced the appointment of Byron Williams of Ozona as chairman of the local congressional liaison committee which is one of those being set up by Mr. White in each of the 19 counties of the 16th Congressional district.

Mr. White was here Saturday morning for a coffee at the 290 Cafe where he was met by a large number of Ozonans. He and Mrs. White are on a tour of the district to meet the people and to express their thanks for the support of voters which enabled Mr. White to defeat incumbent Congressman Ed Foreman in the recent general election.

The local liaison committees are being formed for the purpose of enabling him to keep in touch with the thinking of people of his district. Mr. White explained here.

"I am asking each of the county chairmen to name a more or less representative and non-partisan group and to meet at intervals for a discussion of issues of interest to their particular areas and to keep me informed through the chairman of the majority opinion," Mr. White said. "Of course, I will have to reserve the right to use my own judgment in casting my vote in Congress but I intend to give close study to the expressions from these groups and to as nearly as possible represent the district according to the wishes of the majority of the people."

Mr. and Mrs. James R. Clayton are the parents of a son, James Lloyd, born in the Crockett County Hospital on November 22, 1964.

Dixon Mahon's Father Dies In Kerrville Home

Funeral services were held at 10 o'clock Tuesday morning from the First Methodist Church in Kerrville for Edward Lamar Mahon, 72, of Kerrville, father of G. Dixon Mahon of Ozona, 12th District Attorney.

Mr. Mahon died at about 5:30 Sunday morning at his home, presumably from a heart attack. He had recently received treatment in Galveston for asthma but was thought otherwise to be in good health. Burial was in Garden of Memories Cemetery in Kerrville.

Born in Harrison county, June 1, 1892, Mr. Mahon had lived in Kerr county for thirty years. He was a retired pharmacist and ranchman. He was a member of the Methodist Church and of the Masonic lodge.

Survivors include his wife; three sons, Dr. E. L. Mahon, Jr., of Jacksonville, Dixon Mahon, district attorney at Ozona, and Everett Mahon of LaMarque; one daughter, Miss Ann Marie Mahon of Andrews; three sisters, Mrs. Jack Ross of Austin, Mrs. W. H. Mayhew of Ingram and Mrs. T. E. Escoe of Elysian Field, and nine grandchildren.

School Board Studies Plans For Needed Plant Expansions To Meet Community's Populations Growth

A steady growth in population for Ozona through the years, a rate which has increased rapidly in recent years, has posed a housing problem for the Ozona school system, now housed for the most part in buildings 20 to 50 years old, and the present school board is looking into ways of relieving the situation before it becomes critical.

The school system faces classroom shortages in the high school and both elementary schools, with the junior high (the first high school building) not suffering just yet but itself nearing capacity.

Consequently, the school board has undertaken the task of informing the voting public of the needs of the system while it gathers information as to costs of the necessary building program it considers essential to meeting growth needs of the community.

Bill Carson, school board president, has pointed to the growth in total enrollment in the schools in recent years to the present record enrollment of 1,036.

But the most significant figure is in the 1964 growth rate. In May, 1964, when schools closed for the 1963-64 term, the total enrollment in the system was 905. The enrollment figure for November, 1964, is 1,036, a gain of 131 over a single summer. New students are being enrolled in all the schools nearly every day, officials point out.

Based on the rate of enrollment growth over recent years, the high school is expected to have an enrollment of more than 350 by 1970, an increase of approximately 58 percent from the present 214 enrollment.

The present high school building was erected when the high school enrollment in Ozona stood at 80 pupils. On the basis of the projected growth rate as outlined above, the 1965-66 enrollment is expected to climb to 245 and by the following year to 297.

The high school has been converting every available room for classrooms in the past years, as an example, moving out the museum to new county quarters from a room on the second floor of the high school to make an additional classroom.

The school board, President Carson said, has employed an architect and engineer (Continued on Last Page)

Ozona Girls Win Low Scoring Tilt Against Junction

The Ozona High School girls basketball team used a fourth quarter surge to down the invading Junction girls 24 to 16 last Monday night in a non-district game.

Member 1964 TEXAS PRESS ASSOCIATION

WATCH FOR THIS ONE

LBJ, grand master of "The Great Society," adroit politician and occupant of the White House for the next four years, will soon spring a tax "gimmick" which needs careful scrutiny by the new Congress — more especially by everyone who wishes to protect his individual freedoms and save the nation from the thralldom of eventual welfare statism.

Mr. Johnson has already announced that he will request repeal of excise levies on cosmetics, jewelry, luggage and certain other items. Notably, he indicates he is opposed to the repeal of excises on telephone, telegraph and other communications media used principally by business, and he has no love for business despite his efforts to convince business otherwise.

Reliable White House pipelines have it that LBJ's surprise tax package to be opened up within the next two or three weeks is a cut-back to the States of a percentage of the Federal revenue "take," the money to be used by the States as they may see fit with no Federal strings attached. This is where we smell a rat!

On second thought, maybe we don't smell a rat. More properly we see the camel's nose of Socialism under the edge of the tent.

It has long been the theory of liberals within the Federal establishment — abetted by the leftish Americans for Democratic Action (ADA) and other pink groups — that all taxing and spending power should be centered in Washington and presided over by a bureaucracy that would decide what is best for the States, counties and municipalities, even the individual citizen.

Dream of the Socialistic schemers is to have Uncle Sam collect all revenue, funnel the money into Washington where the bureaucrats would spin it back according to local needs as seen from the banks of the princely Potomac, not as the local political units see those needs.

It is a goal the planners work toward; ergo, we see the upcoming proposed Federal cut-back of revenue as a sly but effective beginning of a well organized attempt to wipe out local autonomy through the power to tax, and to disburse as Washington bureaucrats may elect. State lines would become as invisible as the equator, while surges of states and cities would be mere geographical guidelines for a postal service that is now in a state of deinstitution impossible to describe.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — "Inter-basin diversions," the process of moving water from where it is to where it is needed, is being talked about more and more in Texas where half of the state's water supply is centered in the eastern one-seventh of the state.

Some moving already has taken place in Texas. In the Trinity watershed, for instance, Dallas is completing a pipeline and treatment plant for moving Sabine River water from Lake Tawakoni to Dallas. Also Houston has signed a contract with the Trinity River Authority to move Trinity water to Houston.

Highway Hurry-Ups Asked — Citizens from San Antonio, Corpus Christi and the counties which connect them asked the State High-

way Commission to "hurry-up" and schedule work on a proposed Interstate Highway between the two cities so that construction will be completed by 1968.

That is the year when San Antonio will produce the HemisFair; Padre Island National Seashore will be in full-scale operation and Mexico City will host the World Olympics. Nueces County Judge Noah Kennedy, Jr., said "We would just like to be in a position to swap tourists with the city of San Antonio."

Out of the Red? — State government ended its 1963-1964 fiscal year on August 31 with a fat general revenue fund balance of \$73,000,000.

It was the brightest year-end figure since 1949.

"It looks better than it has for a long time," beamed State Comptroller Robert S. Calvert. Five years of deficits still are fresh in his memory. One year the State ran \$110,000,000 in the red.

Calvert declined to speculate on the amount of surplus which will be available for legislative appropriation.

Governor Connally predicted earlier that the general revenue surplus may reach \$80,000,000 next year. Despite the abundance of money, the Governor said the Legislature likely will have to pass a new tax bill or amend the existing rates in 1965. This because of demands for more spending in education and other areas.

The News Reel

A re-run of "The Ozona Story" appeared from the files of the Ozona Stockman from The Stockman, Nov. 28, 1935

Alma Johnigan, daughter of Mr. and Mrs. Johnigan, became the wife of Frank James, proprietor of City Service, garage and filling station here, in impressive home wedding ceremony Wednesday morning in the home of the bride's sister, Mrs. Welton.

—30 years ago—George Montgomery who recently leased the W. E. and Jr., ranch, has subdivided the north half to J. Brushhear of Sweetwater.

—30 years ago—Mrs. W. M. Johnigan suffered a broken rib and a lacerated back and Mr. Johnigan received a shoulder injury shortly after noon Monday when the car in which they were riding overturned about twelve miles from Ozona on the Barnard road.

—30 years ago—The days have been overcast and clouds that contributed light drizzle at intervals got down business early Tuesday morning and visited another splendid rain on the night. The warm rain amounted to 1.5 inches.

—30 years ago—Mr. Jones, 50, brother of Simon G. Jones of Ozona, died shortly before noon Monday in an automobile on highway near Menard en route to San Antonio for medical attention.

—30 years ago—Mrs. Scott Peters returned to her home here Saturday after visiting her daughter, Mrs. William Swearingen, and family in Lockhart.

—30 years ago—Six Ozona teachers are attending the convention of the Texas State Teachers Assn. in San Antonio this week. They are Mr. and Mrs. C. S. Denham, Miss Myra Bishop, Miss Elitabel Tillery, Miss Elizabeth Fussell and Miss Ada Moss.

—30 years ago—After taking the lead in the opening period on a series of ground plays which netted a touchdown, the Ozona Lions were counted out under a dazzling aerial attack loosed by the flashy Eldorado Eagles in the final conference game of the season in Eldorado Saturday afternoon. The Eagles won 20-6.

—30 years ago—Mrs. B. B. Ingham spent Sunday in San Angelo as guest of Mrs. S. E. Couch and Mr. and Mrs. H. B. Cox.

—30 years ago—Dr. and Mrs. H. B. Tandy and children will spend Thanksgiving in Abilene visiting relatives.

—30 years ago—The Will Rogers Memorial fund in Ozona is lagging. John R. Bailey, drive chairman, announced.

—30 years ago—Rev. R. A. Taylor, Methodist pastor, will deliver the sermon at the Thanksgiving union service to be held Thanksgiving morning at the First Baptist Church. There will be special Thanksgiving music by a union choir. Rev. Ira Garrison, Baptist pastor, will

conduct the worship service.

—30 years ago—Fire of undetermined origin stripped the interior of a Ford coupe belonging to Dr. I. Sellers Moore early Saturday morning.

EDITORIAL

By Yvonne Martinez

When an OHS student was asked what she thought of Thanksgiving Day, she answered, "What's so different about Thanksgiving Day? Shouldn't every day be a thanksgiving day?" Many of us do give thanks to God every day of the year; yet, there are many that only give thanks on Thanksgiving Day. "What's wrong with giving thanks on only one day, it's better than nothing," someone may ask. Giving thanks on one day is better than nothing, but giving thanks everyday is even better.

When the Puritans said, "Give us this day our daily bread!" more than 250 years ago, they not only expressed their gratitude but their humility as well. Today, we also can express our gratitude and humility by saying this and other such phrases not only on this Thanksgiving Day, but on other days as well.

Thanksgiving Day is indeed a wonderful holiday, when all Americans rest, have fun, but most important, give thanks.

WHY ALL THE SHORTING

By Carey Pitts

"An eight point road." This was the disbelieving answer some people gave when tales of the latest deer hunt, made by some of OHS's prominent students, were related.

There was much wit and humor during the big deer hunt "down the country" on which only two deer were to show for twenty times that number of shells that were shot.

There were several instances during the hunt when some of the boys thought they wouldn't make it back alive through the heavy artillery fire, but all managed to make it back in order to hunt another day.

WHAT IF?

By Mary Jane Dunlap

None of the girls had asked dates for the twirp dance.

The Seniors made \$100 at

A New Home For You!!

- A FRAME COTTAGE
- A RAMBLING RANCH
- A BRICK COLONIAL
- A VACATION HOUSE

WHATEVER YOUR NEEDS

- WE PLAN

Phone 2-0909

every basketball game. Everyone bought a fruit cake.

The boys were more interested in hunting "dear's" than deer!

The Seniors went to Juno for their Senior Trip.

The roads were blocked by snow and no exes could get home for the holidays.

Mr. Dozier had gotten Mr. OHS.

Donna hadn't gotten a "punch" both Sat. night.

Karen and Melody didn't ever fight.

We got out a month for the Thanksgiving holidays.

Jessie R. and John DH. knew what the movies were about.

All the girls missed seeing their favorite guy in the movies Sunday.

Silverio C. bought pens instead of borrowing them.

Pete G. Weighed 35 lbs. Sammy S. smiled all of the time.

THANKSGIVING ARRIVES ONCE AGAIN

By Linda Leath

Once again Thanksgiving has arrived and for many people and things this may mean disaster.

Take the turkey for instance. All year long he is fattened and pampered just to grace some thankless persons table. And then there is the poor innocent girl who is completely forgotten, and the deer becomes the number one thought of the boy. Although sometimes the girl is able to convince her boyfriend that she won't talk and will just look for deer. Of course, this never works because it just seems a girl has to talk a little for the poor ole' plump persons the seed intentions of staying on metrecal and reducing pth is soon forgotten, and they start stuffing themselves with all the turkey and trimmings they can hold. After Thanksgiving is over they wonder why their favorite dress or suit is too smaller why it is so difficult to sit in their best boy's bucket seat.

Although Thanksgiving many bring hardships to the poor turkey, the forgotten girls, and the people who are a little on the heavy side, it is still truly a time of thanksgiving to people all over the country and especially to the student who get a few days away from the old grind of school.

LIONS OPEN BASKETBALL SEASON

Last Thursday and Friday nights the Ozona Lions opened the season against the San Angelo Jr., Varsity. The Lions lost both contests.

The games played on Thursday was lost a 29-28 margin, and the game on Friday night was lost by 51 to 34. The high score for Thursday night 'A' game was George Kyle who had 8 points, and for Friday night game it was Richard Vargas who had 16 points.

The 'B' team lost both games.

GIRLS EDGE McCAMEY 45-43

Last Tuesday the girl's basketball A team played their first game at McCamey and won with a score of 45-44. Before the end of the 3rd quarter Lana Kay Aiford, forward; Mary Payne, forward; and Kathy Miller, guard fouled out handicapping the team. Two seconds before the game ended Cookie Coates made a basket and broke the tie of 43-43 giving Ozona a 45-43 win. The girls played Junction Monday night.

SPANISH I CLASS ENJOYS MEAL AT EL SOMBRERO

Some of the Spanish I class did not get the meals they ordered! It was the patrons fault, too!

Last Monday night the Spanish I class went to the El Sombrero to eat. The ordering was done in Spanish which resulted in quite a few mistakes which were discovered when the meal was served. The conversation was entirely in Spanish which resulted in some misunderstood sentences.

STUDENT COUNCIL HOLDS TWIRP DANCE

By Diane Couch

Last Saturday night the Twirp dance was held in the North Elementary. The dance began at eight p. m. The chaperones were Mr. and Mrs. Brooks Dozier and Mr. and Mrs. Henry Miller.

Refreshments were punch and cookies. David Childress provided a record player which furnished the music for the evening.

The dance was held in behalf of the student council of OHS. The admission which was paid by the girls was a dollar a couple. It

seems the Council did fairly well with their funds as well as having a good time.

THE MOST MISTREATED OF THEM ALL

By Cathy Miller

Oh No! Here she comes again! Laura - the - book - thrower! Honestly, that girl can throw books into me harder than any student I've been a locker for since 1932!

Allow me to introduce myself - I'm locker No. 492. I just wanted the students to know all I have to go through week in and week out.

My life is not easy. Even at night I have a load of books that stop all my fun. Sometimes the books are so heavy I can't even talk.

I remember last year a football player occupied me and when he closed the door my hinges were sore for weeks. Everytime he grabbed my handle, I thought it was coming off!

I'll bet I'm the most decorated locker in Ozona. Every year since 1932 is on me either in pencil or paint. I have basketball numbers, football numbers, volleyball numbers, and nicknames from Satan to Tato!

I've heard a lot and seen even more in my years of service to OHS. I may not make it through one more year because the senior class of 1965 has been the worse yet!

GOSSIP

By Linda Miller, Karen Russell

Who gave Margene, Mary Jane, and Karen such a fright in the Village Drug? Who is the new blonde in OHS?

Is it true that Jack A. prefers chicken fried steak? I hear Bettye Henderson's new hobby is writing for Mr. Hickman.

Did Derold M. and Mike W. enjoy their T-Bone steaks Tuesday night?

We have a new senior in OHS. His name is Gary Pagan.

Who came to see Margene last week-end?

Who scared Larry Don so bad Friday night?

Whose hand was Deborah holding at the dance? How about it Mike?

Now the girls know how it feels to ask someone for a date, after Twirp Week. Did Lana and Randy really break up?

Did the student council expect everyone to drink the punch out of their hands at the Twirp Dance, or did they just forget the cups?

I wonder why third period study hall got so quiet all of a sudden!

Is it true that Beverly L. doesn't even know who the Longhorn band is?

Just like a fish.

Billy how do you like driving a "Purple Plum"?

Hollywood stars Saturday nite, D. M. and J. W.?

Jill what did you find in your car Saturday night?

Mike W., can't you keep with your senior ring?

Who fell down in front of Gary Pagan?

Is it true Mr. Moody got off to a bad start?

In dear hunting?

Who caught David C. smoking candy cigarettes.

Is it true Bobby A. nearly got shot Sunday?

What was your problem Saturday night Jessie R.?

Who went to the movie Saturday night? Could it be those that didn't have dates to the twirp dance?

Why did Sammy C. have a gloaming face Saturday and Sunday?

Why were Sandra M., Tommie R., and Yvonne M. out-of-town Friday night?

Melody, what bad word did you say about your hair in Spanish class?

Does Carmen know how to write a check?

QUESTION OF THE WEEK

By Janis Walker

What do you think of the solution to our cold school would be?

Linda L. — "Wear Eskimo suits!"

Brenda B. — "Start a fire in all the trash cans."

Drake M. — "Stay home where it's warm."

Helen King — "Wear long handles."

Sharon Jones — "All the girls wear boys football jackets."

Beverly L. — "Wear bloomers."

Carmen C. — "Get thick, warm carpets all over school!"

Derold M. — "Heated desks!"

Mary Jane — "Wear fur lined loafers."

Carey Pitts — "Take correspondence courses at

home." Mike W. — "Drink hot chocolate before coming to school."

Donna M. — "Not to come."

MISS OHS ELECTED

In the final election of Mr. and Miss OHS, Mike Walters was named Mr. OHS and Vickie Applewhite was named Miss OHS Run-

ner-Up were Joel Huff, men Childress, and Ly

Cox. Mike is a senior and son of Mr. and Mrs. A. Walters. Vickie is a senior and the daughter of Mr. and Mrs. Charles App

white.

MINEOGRAPH MACHINE USES MUCH DISTRESS

"(Sigh) — If you happened to be hiding outside the window of the teacher's classroom while one of the teachers is trying to run of test on the mineograph machine, these are some of the words you might be able to hear coming from the frustrated teacher.

As some of you may know, the mineograph machine at the high school isn't in the best shape and this has been known to cause some of the teachers great distress. Although the machine has supposedly been repaired a number of times, nothing seems to help. It always ends up in worse shape than before.

Although the teachers become very angry at the machine when it won't work, which is most of the time, most of the students don't appear to be too unhappy about it.

SENIORS SURVIVE CONCESSION STAND

By Cathy Miller

May I help you, please? Can I help you? Well, what do you want? These exasperated cries very likely come from a haggard senior who is just about to give-up on some smart-alec customer.

A senior runs up against many different and varied customers. There's the little boy who can't make-up his mind, or the little girl who doesn't know the value of money and when told that she needs another nickel, she gives a blank stare. There's the customer who gripes at the prices, or his coffee's too hot, or not enough mustard on his hot dog. There's the lady who, after given a coke, wants pop-corn, and after given pop-corn, wants a sandwich so that you're feet feel like falling off from all the running back and forth.

One Friday night a girl, who was busy pouring coffee at the back of the concession stand, felt a tap on the arm and looked down

to see a four year old girl with big brown eyes staring up at her. "May I have a Big Hunk" she said as she handed a rather startled senior a dime.

Of course the customers have just as much right to complain because many of the seniors have trouble making change. (Unless they understand when they receive a quarter when they should get a half dollar!) After one worker had undischarged a customer, she overcharged the next few customers a nickel until it was paid back!

More Than Enough

We are the most prosperous people the world has ever seen! Even the poor among us live in princely comfort compared to some in other lands. Our country is famous for its beauty and fruitfulness, our cities are as modern as tomorrow, and our future glows with promise. God has indeed been good to us.

But with His bounty of wealth and power, God has given us responsibilities. Because we have so much, we are called upon to share what we can spare. And we are required to work and pray for the end of ignorance, poverty and suffering wherever they are found.

To be able to give is a blessed privilege. Let us fill our churches and join in heartfelt thanks to God that we have enough . . . and more than enough . . . to share.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to Church regularly and read your Bible daily.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Rust-Proofing Arrows

To keep the points on hunting arrows sharp, dip the heads in paraffin before you store them for the long wait until next season. This way they will stay sharp without resulting.

Rubber Snubber

Here's how to keep bait-casting reels free from snarls and tangles when transporting or storing them:

Cut a strip of rubber out of an old inner tube. Then cut a hole in each end. Slip one end over the rod butt or the reel seat; the other end over the reel handle.

Tension holds everything in place.

Compact Match Box

A handy carrier for transporting matches in your pocket can be made by slipping an empty 12 gauge shotgun shell over an empty 16 gauge shell.

It also is semi-watertight.

Hairpin Sinker Holder

Clip sinkers onto your line through a woman's hairpin. If the sinker gets hung on the bottom, a slight pull will open the wire, leaving the sinker behind. But you can rescue the rest of the rigging.

Improvised Lure

For catching bluegills and other small fish, improvise a lure by wrapping a pipe cleaner around a long-shank hook. Nifty on a fly rod, or even a spinning rod, when a split-shot sinker is added to the line.

Quiets Safety Chain

Stop the safety chain on your boat trailer from rattling by slipping a section of garden hose over it.

Waterproof Match Box

Quick way to make up a supply of waterproof matches for the field is to put matches in an empty 30-30 cartridge case, then push the open end of the shell into a plug of paraffin to

seal it.

Blocks Lint

If you want to seal a shotgun barrel from lint after oiling, put an empty shell of appropriate size in the breech, then insert a cork in the muzzle.

Handy Handle

Tie a bell-shaped sinker, a small one, on the zipper of your hunting jacket and you won't have to remove gloves to open or close.

Protects Reel and Line

Tie a plastic bag over your reel before you store it away.

Keeps dirt out, oil in.

Cooling Sensation

If you have no cool water in camp, you can achieve the same effect by chewing a peppermint lifesaver, then drinking the water. Gives a cooling sensation.

Untangling Backlashes

That crocheted needle you see in your buddy's tackle box is not a sign he has flipped. He uses it to dig out really bad backlashes. Works great too!

Adds Life to Seine

Before you put your minnow seine into use, soak it in a bucket of linseed oil. This will waterproof the net and make it last longer.

Scope Protector

A two-inch wide band cut from an old rubber inner tube makes fine scope protection. Snap the band over the ends of the scope. It will keep water and dirt

off lenses and may be removed quickly.

Speeds Nighttime Docking
Reflector tape wrapped around poles on your boat dock will make docking your craft much easier after dark.

Handy Camp Table

If you can find an old baby bassinet, remove the folding legs and substitute a piece of plywood for the basinette. You then have a handy fold-up camp table.

Coveralls for Fishermen

Mechanics' coveralls make fine fishing apparel. The multitude of pockets hold a galaxy of gear.

Perks Up Worms

On a hot day you can help keep earthworms lively by wetting a sponge and laying it on top of the can.

Calendar of Events For December

(Clip and Save)

Dec. 1 — Girls 4-H leaders meet with Mrs. Johnson at the Community Center 9 to 12 noon; Ozona Woman's Forum meeting.

Dec. 2 — Ladies Golf Association Bridge; Ozona Woman's League Bazaar in Village Shopping Center; Methodist WSCS Toy Shop Program at Community Center — 8:00 a. m.

Here's a woman men notice... and women watch...

Unconsciously she puts her finger on excitement and she has discovered the freedom of living in a Total Electric Gold Medallion home. She has time for civic duties without leaving her house and family unattended. She is a member of the young married set. Dozens of reliable electric servants stand ready at all times, and with their help, her home stays fresh and clean as spring-time the whole year round.

Total Electric Gold Medallion homes may be any size, style, or price, as long as they meet electrical requirements. Why not investigate the comfort and modern convenience that only flameless electricity makes possible. Remember that the Gold Medallion, like the Sterling mark on silver, is a sign of quality.

See your own home builder or WTU regarding the advantages of a Total Electric Gold Medallion home.

Bazaar Plans Are Laid At Committee Meeting

The bazaar committee of the Ozona Woman's League met Sunday afternoon in the home of Mrs. Joe Bean. Plans were made for the club's annual bazaar which will be held December 2 in the shopping center from 10 a. m. to 5 p. m.

A unique feature of the bazaar this year will be a book put out by Texas housewives, aptly titled "Favorite Recipes of Texas Housewives." The books will sell for \$1.00 each.

Santa Claus will be at the bazaar from 3 o'clock to 5 p. m. and Polaroid pictures of Santa and the children will be available for \$1 for color and 50 cents for black and white.

All members are asked to bring a contribution to the bazaar site for a silent meeting Tuesday, November 24 at 3:30 p. m., with all bazaar contributions to be brought at that time.

Committee members present were Mrs. Jess Marley, chairman, Mrs. John Hunt, Mrs. Jim Dudley, Mrs. Bill Black, Mrs. Allie Beck, Mrs. Tom Montgomery and the hostess, Mrs. Jean.

Refrigeration & Air Conditioning Service. Have electronic leak detector to find any Freon leaks.

"Can you call back, Sir? Mr. Rogers is actively engaged in a promotion."

Expanded 1965 Chevrolet Truck Line

To meet customers' needs for more specialized trucks, Chevrolet has greatly expanded its 1965 truck line to 327 models, largest number in its history. Most expansion is in the diesel field, extending down to the 1 1/2-ton class for the first time. New to the line are an economical in-line, 3-cylinder two-cycle diesel of 94 hp for city pickup and delivery work, and three V6 four-cycle diesels of 130, 150 and 170 hp. A 230-cu.-in. 140-hp six-cylinder engine will be optional in the Chevy-Van, replacing the smaller 120-hp six previously offered as an option.

CARD OF THANKS

We wish to express our sincere appreciation to all our Ozona friends who were so kind to us during our stay in the Crockett County Hospital. Our special thanks to the doctors, nurses and hospital staff for their fine treatment. We are truly grateful.

School Board —

(Continued from Page One)

gineering firm, Dawson, Coburn, Joiner and King of Houston, to study the system's needs, prepare preliminary plans and estimates, on which the board hopes to reach a conclusion on the amount of the bond issue which will be necessary to prepare the school system to meet the demands of a growing community.

One facet of the building plans known to be in the minds of the school board is the construction of a public-school library, possibly on a site available on presently owned school land across the street from the high school, thus making available two new classrooms for the high school out of the big room presently assigned as a library and study hall. In addition, the proposed new library building, available for use of the public perhaps more conveniently than the present school library, would likely provide at least two additional classrooms for high school use in the ever expanding curriculum.

The Ozona school system is operated as a common school district, supported by taxation from properties over the entire county. With Crockett county's present tax valuation of \$32 million likely to rise sharply next year and in coming years because of the tremendously valuable oil and gas reserves being outlined in the feverish drilling activity in the county, the county would have no difficulty in retiring short term bonds to meet the school growth needs. The present school bond indebtedness of the county is \$40,000, an issue residue which will be paid off in full next year.

More details of the board's planning are promised as progress is made in developing facts, Mr. Carson said.

NOTICE OF AN ELECTION TO ELECT THREE DIRECTORS FOR CROCKETT COUNTY WATER CONTROL & IMPROVEMENT DISTRICT NO. 1

TO THE LEGALLY QUALIFIED RESIDENT PROPERTY TAXPAYING VOTERS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1.

Notice is hereby given that an election will be held on Tuesday January 12, 1966 within Crockett County Water Control and Improvement District No. 1 of Crockett County, Texas, for the purpose of electing three directors.

Said election and returns thereof shall be held and conducted under the provisions of, and in accordance with the laws of the State of Texas as set forth in the Election Code of 1951.

For the purpose of this election the entire district is included in one election precinct, to-wit:

Town of Ozona:

The polling place at Ozona shall be at the courthouse, said polling place being located within the boundaries of the district.

The office of the County Clerk of Crockett County in the Courthouse at Ozona, Texas, is designated as the place for casting absentee ballots. Such absentee voting shall be conducted and held in accordance with article 5.05 Election code 1951, Vernon's Annotated Civil Statutes of Texas.

This notice is issued and given by the undersigned pursuant to authority of law.

In witness whereof, we have hereunto signed our names officially this 23rd day of November, -964.

"BUT HOW ABOUT YOU?"

NEWS NOTE: Agencies that demand information from business are opposing legislation requiring them to tell of their own activities.

MUSEUM MEMORIAL FUND CONTRIBUTIONS

Recent contributions to the Crockett County Museum Memorial Fund are:

Mr. and Mrs. Dempster Jones in memory of Mrs. Mr. John Kirkpatrick, Mrs. Wilse Owens, and Mr. Buck Bailey.

Mr. and Mrs. W. E. Friend Jr., in memory of Mrs. Wilse Owens and Mr. Buck Bailey.

HONORED AT McMURRY

Abilene — Dude Melton, McMurry College freshman, has been chosen favorite of his class and will be honored in the 1965 Totem, McMurry's yearbook.

Melton is the son of Mrs. J. B. Melton of Ozona, Texas.

While in High School, Melton was active in the Student Council, the Band, Youth Groups, Basketball Golf. He is a Chemistry major.

Third Grayburg Producer Finaled In Todd Field

The Todd multipay field of Crockett County gained its third Grayburg producer with dual completion of Amerada Petroleum Corp. No. 7-K Todd Estate, San Andres producer, 20 miles northwest of Ozona and a location west-southwest offset to the firm's No. 6-K Todd, the Grayburg re-opener.

It was finaled to pump 17.25 barrels of 34.3 gravity oil, no water, with gas-oil ratio of 696-1, through perforations between 1,492-1,612 feet, which had been acidized with 1,500 gallons and fractured with 30,000 gallons and 25,000 pounds of sand.

It was finaled Sept. 2 from the San Andres for 213.2 barrels of 30.7 gravity oil, no water, through perforations between 1,906-28 feet, which had been acidized with 1,500 gallons and 25,000 pounds sand and 25-

000 gallons. Total depth is 2,050 feet, with 5-inch casing set at 2,049 feet.

Location is 990 feet from the north and 2,310 feet from the west lines of 15-10-GC&SF.

Clifford J. Watts, former Ozona mechanic who worked at North Motor Co. in the thirties and later operated his own garage here, died last week in San Angelo. A son, Jim Watts, lives at Iraan.

DEER HIDE SHIPPING TAGS AVAILABLE AT OZONA

The Chamber of Commerce has mailing tags available for sending deer hides to "Operation Buckskin". This is a program carried on by the Volunteer Services Council of the Texas State Hospital in Austin. The hides are used in the rehabilitation work of the state's Special Schools. Instructions are given on the tags concerning preparation of the hides for shipment.
