January Is the Last Month to Pay Your ....

# POLL TAX

Since Texas has not repealed its poll tax law, you will need a valid poll tax receipt this year to vote in any election - school trustee elections, bond elections or any special election which might be called. January 31 is the last day for paying a poll tax to qualify for a vote.

Since there will be no national election this year, the voter registration will be meaningless. But we are equipped and will issue registration certificates to those who demand them.

The over-60 exemption applies to persons who were 60 years old on January 1, 1964. No exemption certificate is required for over-age voters in this county. Those who have reached or will reach their 21st birthday this year may secure exemptions any time up to 30 days before an election. Exemptions are required for those reaching voting age in the year.

Remember, the deadline for paying poll tax is January 31, 1965.

AIRPLANE PRESENTED TO TEXAS RANGERS

Atwin-engine aircraft has been presented to the Texas Department of Public Safety for the use of the Texas Rangers by Col. D. Harold Byrd of Dallas.

The Lockheed Lodestar, which seats ten passengers, was accepted on behalf of the Texas Department of Public Safety by Col. Homer Garrison, Jr., Director. "We are grateful for Colonel Byrd's generosity in presenting this airplane to the State of Texas to be used to enhance the State's law enforcement effort and emergency services," Col. Garrison said.

"This aircraft will be utilized to great advantage on occasions when speed is of the essence in transporting law enforcement and other personnel and equipment from one part of the State to another," Col. Garrison said.

This is the second aircraft that Col. Byrd has presented to the Texas Department of Public Safety. The other was a Twin Beech which he gave to the Department in 1958.

Col. Byrd, who has been active on behalf of aviation in Texas and the nation for many years, is an honorary captain in the Texas Rangers.
