We might imagine this is a squirrel assuming a prayerful pose while satisfying his appetite . . . like a man pretending to be religious in order to gain the respect of others.

We are not often fooled by falsity, nor do we let it blind us to truth. We know our religion is our richest treasure. But we rate it worthless unless sincere. Today millions are talking about the world's spiritual needs. Is talking

enough? Isn't faith more than a word . . . prayer more than a pose?

Attend church every week with your entire family. Support the Church with willing sacrifice. Offer your time and talents to God in your congregation's busy life. And live each day the truths you cherish.

Hail Damage Is Reported In Ranch Area East of Ozona

Turbulent weather Wednesday night produced isolated showers and at least one hail storm in the ranch country around Ozona.

Hail larger than golf balls caused several hundred dollars worth of damage to the ranch home and bunk house at Mrs. Ashby McMullan's ranch southeast of town. Trees and plants were stripped of foliage. Neighboring ranches also reported extensive hail damage.

South of town James Baggett reported a thundershower dumped a half inch of moisture on ranch country surrounding his home.
