Out In The West, Where The Air Is Pure, The Climate Agreeable, And The People Friendly - - The Best Place On Earth To Call Home"

VOLUME 54 OZONA, CROCKETT COUNTY, TEXAS 76943, 5 Cents Per Copy THURSDAY, JUNE 16, 1966 NUMBER 13

Five From Houston Die When Car Crashes Into Highway Bridge Abutment

The wide expanse of highway with its treacherous narrow bridges that is Hwy 290 west of Ozona took its toll in human lives and damage the past week. Three were killed outright and two died later as a result of a car-bridge accident around noon Sunday when a 1962 Pontiac driven at high speed ran off the highway about 200 feet ahead of the bridge 13 miles west of Ozona and smashed dead center into the abutment.

The impact was so terrific that it drove the motor into the front seat of the automobile, literally wrapping the car around the abutment and throwing all but two of the five occupants out of the vehicle. After hitting the bridge, the car flipped end over end and landed upright in the ditch, totally demolished.

All negroes from Houston, two women, Edwina Gilmore, 50, and Minnie Simpson, 23, were killed outright along with Mrs. Gilmore's four-year-old granddaughter, Karen Gilmore. Wayne Leblanc, ten-year-old grandson of Mrs. Gilmore, died of his injuries Sunday afternoon after being taken to Crockett County Hospital. The other occupant, Elbert Simpson, 20, died Tuesday morning at 1:30 o'clock in Shannon Hospital in San Angelo, where he was taken by ambulance Sunday afternoon.

Last Thursday morning another smash-up on a bridge 8 miles in the same direction critically injured Dorothy Kirkland Lowry of Kerrville and completely demolished the 1966 Ford Mustang she was driving. The accident occurred when she attempted to pass a trailer house being pulled by a truck driven by Dan Christman of Demming, N. M. Officers said it appeared she was trying to pass the trailer when she saw the bridge, tried to pull back and hit the trailer house, throwing the car full force into the bridge abutment.

She suffered two broken arms and other injuries. Taken to San Angelo by ambulance, she is presently off the critical list.

Munday officers investigated.

We've enjoyed having the out-of-town visitors in and visit with us the few days. I think the most colorful one was a Mr. Wade, who lives in Monrovia now. A sprightly man of 86 years of age, came in to ask if this was "Ozona Kicker" (a name the Ozona paper had well over 50 years ago). He lived here before the county was organized, and had some interesting stories to tell. He remembered very well the filling of the first water well and said it took three days to complete.

congratulations to Eileen Johnson for winning her flight the recent San Angelo Men's Golf Tournament.

don't know what Dovey and Dottie Mason will think of next, but they are going to have to go some to beat their recent Indian get-together. I think the heat has had an effect on them than on snowy days.

surely someone will find a place for them in the parade. I can't imagine why they aren't in the pageant because they are the most versatile two actresses in town.

Girl Scouts to have lunch Friday

Group 13 Girl Scouts will have a picnic and beans Friday afternoon at the permanent picnic site by the Jubilee Headquarters. The food will be prepared by the girls at the picnic site.

All proceeds from the picnic will go to send the girls to a cabana at a Girl Scout Retreat in Mexico.

LOSE BABY? This little lady with the pretty smile (she has it) is a native of Ozona, members of a large pioneer family and is married to an Ozona rancher. If we told you more it wouldn't be a guess.

She is the fellow in the long flowing baby dress last week was Mrs. Montgomery of Fort Stockton. His sister, Anna (Mrs. Schauer of Del Rio) and brother, Fred, were standing beside him.

Miss Esther Williams, daughter of Mr. and Mrs. Gene Williams, was crowned Queen of the Crockett County Diamond Jubilee at the Queen's Ball Saturday night at the Civic Center. Miss Williams was sponsored by the Ozona Lions Club. She was selected by vote from a field of ten nominees.

Esther Williams Rutherford New Crowned Queen Owner General Crockett Jubilee Motors Agency

The Queen's Ball kicked off the Jubilee last Saturday night with a large crowd of all ages and dressed in every period of the past 75 years dancing to the music of Johnny Dutton at the Civic Center.

The highlight of the night was the crowning of Esther Williams as "Queen of Crockett County" during the 11:00 intermission. Miss Williams, who was sponsored by the Lions Club, won the title from a field of ten nominees. Everyone buying a ticket to the ball was entitled to vote for the nominee of their choice by writing her name on the back of their ticket and depositing it in the ballot box. The other nine girls will be princesses in the queen's court.

Princesses and sponsors include Carmen Childress, Woman's Forum; Lynn Cox, Beta Sigma Phi; Mary Jane Dunlap, Rotary Club; Kathy Miller, Ladies Golf Assn.; Cynthia Mahon, Get Along Club; Leliee Mitchell, 4-H Club; Vicki Lynn Montgomery, Woman's League; Vicki Applewhite, PTA, and Janis Walker, TOPS Club.

A. R. Rutherford of Brady officially took over the Johnny Brown Motor Co. here earlier this week. The company will be known as Rutherford Motor Co. and will handle all five lines of General Motors automobiles, Chevrolet, Oldsmobile, Pontiac, Buick and Cadillac.

Rutherford has spent the past 20 years in the automobile business and for the past 5 years was Chevrolet dealer in Cisco. During the past few months he has had other business interests in Brady. Always active in civic affairs, he is a member of the Lions Club.

He has rented a residence at 1204 Hereford and expects his family to move here from Brady in July. Rutherford has a wife, Hazel; a daughter, Ann, who will be a Sopomore at Angelo State next fall, and a son, Rodney, who will be a sopomore at Ozona High School.

In expressing his delight in moving to Ozona, Rutherford asked everyone to come by and get acquainted and said a date for his formal opening would be set later.

Johnny Brown, who came here from Dallas to take over the motor company, said he will be moving back to Dallas, but expects to be around for the next thirty days. He expressed his appreciation for the patronage he has enjoyed in Ozona and for the many friends he has made here.

Professional Art Works Exhibited

Mrs. Ada Clendenen, former Ozona resident, has been sponsoring an art exhibit in the old Flying W Egg Building this week and will continue through Saturday.

All paintings are by professional artists from San Angelo and this area. They include landscapes, abstracts, oils, water colors, caseins and acrylics. There are paintings by Dorothy Smith, Dwight Holmes, Franklin Walker, Chauncey Ryder, Eula Lee Fritz and Mrs. Eley Holderman, among others.

Mr. and Mrs. D. L. Miles and sons, John and Ci, will arrive today for a two-week visit with Mrs. Miles parents, Mr. and Mrs. O. D. West.

Hundreds Of Visitors Expected To Help Celebrate Diamond Jubilee

Ozona is buzzing with Jubilee activities this week and people from all over are arriving in town daily, former residents and others who want to get in on the events. Thousands are expected before the jubilee ends next Saturday night.

A tremendous crowd attended the "Queen's Ball" last Saturday night which officially opened the activities.

Union church services were held Sunday night with all churches participating at the football field. An unusually large crowd was on hand for the services.

Jubilee headquarters was as busy as a beehive Monday as the Girl Scouts set up a permanent campsite between the headquarters and the Water Dept. A large number of participants were out on the streets in full pioneer dress, in spite of the sweltering heat.

Forty newspapers in the area have carried stories about the Jubilee and most have given complete schedules. Both the San Angelo Standard and the Odessa American have sent reporters to take pictures and give coverage to the Jubilee. Area Television stations have been most generous in giving coverage to the jubilee in the form of personal interviews. Television coverage started two weeks ago with a group participating on the High Noon show on KOSA in Odessa. There have been two interviews on KCTV in San Angelo and one on KMDI at Midland. Spot announcements were sent to all radio stations in the area and ten billboards tell the story of the Ozona celebration.

Two Are Held In Connection With Local Burglaries

County officers are holding two suspects in connection with the recent burglaries of Hotel Ozona, Glynn's Shell Station and Conoco Service Station and Ranch Feed and Supply Co.

The first theft occurred Thursday night when the desk clerk at Hotel Ozona, went up to show a room in the hotel. When he came back down around 11:30 o'clock he discovered that someone had opened the cash register and taken around \$50 in bills. Breakins were discovered Friday morning at the Ozona Conoco Station and at Glynn's Shell Station.

Nothing was taken at the Shell station where they gained entry by breaking a window. The safe was banged up but they were unable to open it. At the Conoco station the robbers took around \$20 out of the cash register.

Ranch Feed & Supply was broken into on Friday night. Intruders used the company's tools to try to cut into the safe but were unsuccessful.

The arrests were brought about when Warren Taliaferro's automobile was stolen Saturday night and returned later minus the license plates.

San Angelo police arrested two youths, Larry Wayne Lofton and Jim Ralph Burns, both 18 years of age, driving a stolen car with the missing Ozona license plates on it. They were charged with car theft in San Angelo and returned to Ozona where they have been charged with car theft and the robbery of Ranch Feed & Supply Co. The pair have admitted the other burglaries, according to officers, but charges have not yet been filed.

Senior Citizens Get Recognition

Senior Citizens, residents and former residents of Crockett county, now 80 years old or older, are issued a special invitation to sit in a reserved seat section near the reviewing stand in the park Saturday afternoon before and during the parade.

The senior citizens will be seated at a vantage point where they can see the parade. They are asked to report at the reviewing stand immediately after the barbecue where they will be seated and given special recognition.

Dedicate Three Ozona Historical Markers Sat.

At the height of Ozona's 75th anniversary celebration will be the dedication on Saturday of three historical markers in buildings of historical interest in the town.

A new Medallion and interpretive plate marker will be placed on the Crockett county jail building and will be dedicated by Senator Dorsey B. Hardeman. Two interpretive plaques will be added to the Medallion already on the Courthouse and the Ozona National Bank building, these to be dedicated by Representatives Gene Hendryx of Alpine and Jim Nugent of Kerrville.

The three buildings have been named as Recorded Texas Historical Landmarks, significant to the history of this community and state and worthy of preservation.

The Dedication ceremonies will follow immediately the program of the Permian Basin Historical Society to be presented at 4:30 p. m. in the Civic Center. John Ben (Continued on Last Page)

Boy Scout Court Of Honor Slated

The annual Boy Scout Court of Honor will be held next Tuesday night at the Civic Center at 7:30. Badges will be awarded and promotions given.

All parents of Scouts are urged to attend and the public is cordially invited.

MEMORIAL GIFT

Contributions to the Ozona Community Center this week include Mr. and Mrs. Keith Mitchell and family, in memory of Shauna Montgomery.

All but sliced in half down the middle was this 1962 Pontiac which struck dead center a concrete bridge abutment 13 miles west of Ozona, Sunday, taking the lives of all five occupants of the car. Imprint of the concrete abutment can be seen in the left photo with the bumper, fenders, front wheels and hood all but wrapped around it. Right photo is a peek inside the car, showing the havoc wrought by flying bodies, baggage and car parts.

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman Thursday, June 17, 1937

Finishing touches are being put on plans for entertaining thousands of West Texas here July 1, 2 and 3, when Ozona and Crockett County play host at the tenth annual Rodeo, Race Meet, Stock Show and Sale on those dates.

—30 years ago— Mrs. Floyd Henderson was elected chairman of the Ozona Cemetery Association at a called meeting of the organization held Saturday at the courthouse. Mrs. Henderson succeeds Mrs. B. B. Ingham, who has served the association as chairman the last five years. Mrs. A. C. Hoover was named secretary-treasurer of the organization.

—30 years ago— Mrs. Laura Hoover, "Mother" Hoover she is affectionately known to most of Crockett County residents, celebrates her 75th birthday. Mrs. Hoover was the first white woman to set foot on the terrain along the banks of the Pecos River, where she settled 55 years ago with her husband, the late W. P. Hoover.

—30 years ago— Ozona fans saw what they have been waiting two years to see here Sunday afternoon — Bob Osborn and his Gas House gang from Crane completely routed by the home club — thoroughly whipped, completely subdued. Such a shower of base hits sprinkled the entire ball park area and such a clatter of local runners crossing to plate with more tallies, the local fans have never seen. When the fire was finally extinguished the score was 10-2.

Snelson Thanks District Voters

State Senator Pete Snelson of Midland expressed today his appreciation to the voters of the 25th Senatorial District for support received in the Democratic Primary. "I am particularly proud of having carried a majority of the counties in the newly revised district and of having received strong support in Crockett County," said Senator Snelson. "I want to thank everyone who made this possible."

The final canvass in the race saw Senator Snelson lose to Senator Dorsey Hardeman, by 61 votes out of more than 42,000 cast.

"As to the future, my plans are to continue serving to the best of my ability until the completion of my Senate term in January, 1967," said Senator Snelson. "My sincere interest in being of service to the people of Crockett County is as strong as ever and I look forward to a visit soon to express thanks personally."

Friday honoring Mrs. Bill Allison on her birthday. A color scheme of French blue and rose was carried out in table appointments. Spring flowers were used in house decorations. Present were Mrs. Allison, Mrs. Clifton Brooks, Mrs. Bob Weaver, Mrs. H. B. Tandy, Miss Helen Montgomery, Mrs. Evert White and Mrs. Boyd Clayton.

Local Girl Chosen For US Air Force Nurse Internship

Denton, Texas — Miss Julia Lavaun Miller of Ozona is one of two students at the Texas Woman's University who are among 14 dietetics students chosen nationwide for the U. S. Air Force dietetic sponsorship program.

Miss Miller, a graduating senior foods and nutrition major, was among 150-200 students to apply for the program. Selection was based on grades, references, and personal interviews.

She was commissioned in to the Air Force with the rank of second lieutenant upon graduation. Miss Miller will intern at St. Louis University Hospital for an 18-month period. Upon completion of her internship she will serve 2 1/2 years in the Air Force.

Before entering the university this fall, Miss Miller will take basic Air Force orientation courses for three weeks this summer at Sheppard Air Force Base in Wichita Falls.

Miss Miller, daughter of Mr. and Mrs. Henry A. Miller, was treasurer and vice-president of the Dietetics Club and the Home Economics Club, vice-president of the Modern Choir and Aglaian Literary-Social Club, and has been on the Dean's List.

NOTICE OF ELECTIONS

**STATE OF TEXAS
COUNTY OF CROCKETT**

Notice is hereby given that an election will be held on the 24th day of July, 1966, in Crockett County Water Control and Improvement District No. 1, and in the hereinafter described territory proposed to be annexed to said District, in accordance with the provisions and upon the questions contained in the following resolution ordered passed by the Board of Directors of said District on the 24th day of May, 1966:

Resolution and Order

Whereas, the Board of Directors of Crockett County Water Control and Improvement District No. 1 calling an election upon the question of ratifying the annexation of certain territory to said district, and upon the question of the assumption by said added territory of its proportion of the outstanding bonded indebtedness of said District, on the 19th day of May, 1966, there was presented to the Board of Directors of said District a resolution signed by more than (50) landowners in the territory in said petition for the annexation of said territory to Crockett County Water Control and Improvement District No. 1; and whereas, said petition was presented to the Board of Directors of said District on the 24th day of May, 1966; and whereas, notice of said election was given in the manner and for the length prescribed by law;

Therefore, be it resolved and ordered by the Board of Directors of Crockett County Water Control and Improvement District No. 1: That an election be held within said Crockett County Water Control and Improvement District No. 1, and within the territory hereinafter described, on the 8th day of July, 1966, for the purpose of ratifying the annexation of the following described territory of said District: Beginning 10 feet S 89 deg. 45' E of the NE Cor. of Sur. No. 23, Block, OP, GC&SF Ry. Co., Certificate No. 4/1547, said corner being the NE corner of the Original Townsite of Ozona;

found that the proposed annexation is to the advantage and benefit of said Crockett County Water Control and Improvement District No. 1, and that the water supply and other improvements are sufficient to supply the said territory without injury to other lands of said District and the Board of Directors by resolution duly and legally adopted, granted said petition for the annexation of said territory to said District; and

Whereas, it is necessary and proper that the question of ratifying the annexation of said territory be submitted to the qualified voters of said Crockett County Water Control and Improvement District No. 1 and of said territory so annexed by said resolution adopted by the Board of Directors on May 24, 1966; and that at the same time and at the same election the question of the assumption by said added territory of its proportion of the outstanding bonded indebtedness of said District be submitted to the qualified voters of said territory so annexed to the District, who own taxable property in said territory and who have duly rendered the same for taxation;

Therefore, be it resolved and ordered by the Board of Directors of Crockett County Water Control and Improvement District No. 1:

That an election be held within said Crockett County Water Control and Improvement District No. 1, and within the territory hereinafter described, on the 8th day of July, 1966, for the purpose of ratifying the annexation of the following described territory of said District:

Thanks Ozona!

Elsewhere in this newspaper you will find announcement of new ownership and a new name for the Johnny Brown Motor Co.

As I step out in favor of the new owners, I would like to express my sincere thanks to all for the splendid patronage we have enjoyed and for your patience while we were getting the business under way.

I have enjoyed making many friends and acquaintances here and have enjoyed doing business in such a fine community.

I expect to be around for the next thirty days and after that my address will be 2612 Whitewood Drive, Dallas, Texas.

Sincerely,
JOHNNY BROWN

YOUR SERVICE STATION DEALER WEARS MANY HATS!

Today, a Little League Coach. Tonight a civic group chairman. Tomorrow, a National Guard sergeant. And every day, a businessman!

Yes, your service station dealer wears many hats... has many jobs... meets many people. That's his duty as a good citizen and neighbor.

Yet, in spite of all these other activities, our main job is to keep your car in tip-top condition with the finest petroleum products at the lowest possible prices. So why not drive in today, and let us show you why with today's gasoline you drive a bargain.

Gift From Massie Foundation To Augment Funds To Provide Public Service In New Hi School Library

L. B. T. Sikes, superintendent of Schools, announced today that the new high school library is completed, awaiting only formal acceptance by the school board to begin installation of new shelving and furniture.

When school opens in September, the Ozona Schools will offer public library service to the adults of the community, in addition to the high school and junior high school groups already being served. A separate reading room for adults, with an entrance from the central stair hall, will assure privacy, away from the bustle of student activities.

The library will be open from 8 a. m. to 5 p. m. on school days. Additional hours at night will be added when the demand for such service exists. As soon as the move to the new quarters is completed, a committee will begin the screening and acquisition of new books for this room, so that some books will be available when the library opens in September.

Funds for the purchase of books for the adults will be derived jointly from local sources (other than school funds) and from a generous contribution from the Massie Memorial Foundation. This

foundation, established in 1932, provides money set aside in the will of Mrs. Robert Massie, who died Oct. 17, 1931 and Mr. Massie, who died June 10, 1931, who bequeathed a large part of their estate for the "use, uplift, education, culture or training of young people." During the 33 years since the deaths of Mr. and Mrs. Massie, this money has been used to help 1,771 students with scholarships to San Angelo College, as well as many other philanthropies. Chief

among these has been the Massie educational building adjunct to the First Methodist Church of San Angelo, and the purchase of a large portion of the children's books in the Tom Green County Library.

I'm missing from this picture. I belong right between the old gentleman on the right is my father . . . and the young gentleman on the left is my son. But someone had to snap the picture.

It was taken on a Sunday afternoon. Earlier the three of us had walked to church. And Grandpa — (you know how you come to call your own father "grandpa" after you have a son) — well, Grandpa put his hand on Jimmy's shoulder.

"You know, Jimmy," he said, "I've been walking to church down this street ever since it was a cowpath. And I used to think real proud-like, when I walked your father to church, that the Lord never gave me a bigger job to do than raise my son a Christian. But I feel just as proud walkin' by you — like all my important work isn't done yet!"

Understand why I wanted this picture? And why I call it "Unfinished Business?"

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Miss Sandra Bess Whitaker plans August wedding

Wedding Plans Of Sandra Whitaker, James Warren Told

Mr. and Mrs. W. H. Whitaker announce the engagement and approaching marriage of their daughter, Sandra Bess Whitaker, to James Walter Warren, son of Mr. and Mrs. C. L. Warren of Sterling, Colorado. The wedding will take place August 27 at the Ozona Methodist Church.

The bride-elect is a graduate of Ozona High School and Southwest Texas State College in San Marcos. She is presently attending graduate school at Colorado State College in Greeley, Colorado.

Clubs and honors of the bride-elect include past president of Alpha Delta Pi social sorority, membership in Alpha Chi National Honorary Scholastic Fraternity, membership in Kappa Delta Pi National Honorary Education Fraternity, treasurer of the student body and elected to Who's Who in American Colleges and Universities for two years in succession.

The groom is a graduate of Sterling School, of North-eastern Junior College and of Colorado State College. He is presently attending graduate school at Colorado State also.

The groom is a member of Sigma Phi Epsilon Social Fraternity and of Delta Phi Epsilon, a national honorary business fraternity.

Ozona Tiger Hurler Whiffed 15 Batters, But Lost Ball Game

After striking out 15 opposing batters, ace Ozona Tiger hurler Tony Garza nevertheless lost a ball game.

The reason — the pitcher for the opposition struck out 17 Tiger batters, allowing only three hits in the ball game. Tony gave up five and four runs to none for the Tigers.

It all happened last Sunday in Ballinger, with the Ballinger Indians. The Indians ace chunker was Norman Weatherford who whiffed 17 Indians batters.

The Ballinger Indians come to Ozona next Sunday afternoon for a return match. Game time is 2:30 p. m. The Tigers have added Pete Garza to the roster since last Sunday and hope to be able to even the count with the Indians.

EMBLEM OF DIGNITY AND JUSTICE

Fort Lancaster Land Donors To Be Honored Here

Austin — Fort Lancaster near Ozona will be saved from ruin, thanks to the land gift of three Texans, who for their action will receive a Texas Award for Historical Preservation from the Texas State Historical Survey Committee.

TSHSC President John Ben Sheppard of Odessa announced today that award presentation ceremonies will be Saturday afternoon in Ozona for Claude W. Meadows Jr., of San Angelo, Henry E. Meadows of Midland, and Mrs. Charles Benckenstein of Beaumont.

The three donated to Crockett County the 40 acres of land on which Fort Lancaster, an historical site of national significance, is situated. It is at Lancaster Pass 33 miles west of Ozona.

Plans call for restoration of the fort as a park with a museum for public enjoyment. In recent years the fort, composed of 25 buildings, had fallen into ruin from disuse and vandalism.

Recognition of the land gift marks the second presentation of the newly established Historical Preservation awards, which cite individuals and organizations for making significant gifts and contributions to historical preservation projects.

The first award was given in May to Mr. and Mrs. Geo. Abell of Midland for donating the Aeroplane Museum to the city of Midland.

John Ben Sheppard will present the award to the Meadows and Mrs. Benckenstein in Ozona in conjunction with the city's Diamond Jubilee.

Fort Lancaster was established by the U. S. Army in 1855. Some historians say it was to protect travelers from Indians and outlaws on Overland routes to California

during the gold rush years others contend it was built as part of the Spanish Land Grant Agreement to protect Mexico from Texas Indians. The fort was abandoned in 1861 when Texas seceded and was used by Confederate troops during early years of the Civil War.

Archeological excavations of the fort is in process now and for the first time in years the fort is open to visitors.

Touring Angus Cattlemen Spend Night In Ozona

Some 500 cattlemen from at least 20 states will converge on West Texas June 16, 17 and 18 for the 1966 Challenge of the Future Angus Tour. Eighteen herds of commercial Angus cattle will be visited in the three days within a rough triangle formed by San Angelo, Brady and Del Rio.

Sponsoring the event is the American Angus Association in cooperation with the Texas Angus Association and the Texas and Southwestern Cattle Raisers Association. The purpose of the tour is to show breeders of registered Angus cattle, first and kind of bulls they should produce to meet the demand of Southwestern ranchmen.

The group will stay at Sonora and Ozona Friday night and the first stop on Saturday will be the Mac Cuthorne Ranch 16 miles south and one-fourth mile west of Sonora.

Miss Diane Phillips daughter of Mr. and Mrs. Arthur Phillips, is here for a week between terms at Colorado State College in Greeley, Colo., where she is attending graduate school. She will receive her Master's degree in August. She has been awarded a teaching fellowship in psychology guidance and counseling for the 1966-67 term. She will teach part time in the college and enter the doctoral program.

LEGAL NOTICE

Continued From Page Three

Only resident qualified property taxpayers voters, who own taxable property in the above described territory and who have duly rendered the same for taxation, shall be entitled to vote at the election on the question of the assumption by said added territory of its proportion of the outstanding bonded indebtedness of said District.

Such elections shall be held and conducted and returns made to this Board of Directors in accordance with the provisions of Chapter 25, General Laws enacted by the Thirty-ninth Legislature at its Regular Session in 1925, and amendments thereto, so far as the same make provisions for such elections, and in matters not therein provided for the election proceedings shall be in accordance with the general laws of Texas.

The election officers shall make returns of said election to this Board within five days after the date of said election, and shall deliver the ballot boxes to the Secretary of this Board for safekeeping.

A substantial copy of this resolution and order, or notice containing the same, signed by the President and Secretary of this Board of

Directors, shall constitute proper notice of said elections, and the said President and Secretary are hereby authorized and directed to cause such notice of said elections to be given by publication of such notice once each week for three consecutive weeks in some newspaper having general circulation in Crockett County, the first publication to be at least twenty-one (21) days prior to the date of such elections.

Passed and Approved, this 24th day of May, 1966.

Sherman Taylor, President, Board of Directors.

W Ranchers Win First Half Title In Little League

Ozona Little Leaguers wound up the first half of the current season last week with Flying W Ranchers taking the championship with a 5 win-3 loss record. B&B Grocers and Ozona Oilers tied for second place followed by Moore Oil Co.

Tuesday night opened the second half of Little League play. Flying W Ranchers downed Moore Oilers by a lopsided score of 19-4. Mike Jenkins was the winning pitcher and Dean Shaw the loser.

In the second game Ozona Oil edged B & B in a real thriller by 12-11. The two teams were tied at the end of the sixth inning. B & B went scoreless in the top of the seventh, the Oilers scored in the bottom and that was the ball game. Ruben Tambunga was the winning pitcher and Robert Daniels the loser.

Between games, Miss Stacy Dockery, sponsored by Moore Oilers, was crowned Little League Sweetheart of 1966. Miss Dockery was escorted by Terry Blosser. Runners-up were Miss Judy Mosley of Ozona Oil, escorted by

Ricky Webster; Miss Lou Cox of B&B, escorted by Gary Mitchell, and Miss Sherry Prater of Flying W Ranchers, escorted by Jeffery Stuart.

After the crowning of the sweetheart, the drawing for the power mower was held. Miss Dockery drew the winning name, Byron Williams. Everybody got a big laugh out of the League's power mower, it was a goat, donated by Charles Davidson, III.

The first half of Minor League ended with the Yankees taking the championship followed by the Giants, Dodgers and Astros in that order.

Accurate and Complete
RANCH RECORDS
Are More Important Today Than Ever
Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.
Easy To Keep - Complete Record - In 1 Volume
The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

any shooters make the mistake of taking their sights off to gunsmiths and having them to "sight 'em". Then they head afield and find out further ado and wonder why they miss easy as a deer. This idea of having a gunsmith do the job for you is a mistake. You should test rifle yourself, to see if and the gunsmith both alike. On the surface that state might seem ridiculous. Actually, different people see in a different way. Therefore they get different sight patterns. Very seldom can one man in a rifle to hit in the bull's-eye at 25 yards and another duplicate the feat with the same rifle. For this reason, it pays to "sight in" your own rifle. It isn't as difficult as you would first imagine. In fact, done correctly, it can be a simple. Most common mistake is someone to set up a piece of cardboard, get back 100 or 200 yards and start blazing away. At this distance, any error in sight and adjustment will be magnified, and a new sight you'll be trying to hit the cardboard, if it is of extremely small size. This kind of happen sighting only makes ammunition manufacturer happy. There is much easier way. Suppose you've just installed a new scope sight on your rifle. You want to sight in, so here's how to do it, quick and easy way. First, to make sure you're steady and solid, get set up where you have a good rest shooting. Then, if possible, remove the bolt from your rifle, steady it on a rest and bore sight the rifle at the chunk of cardboard 25 yards away. When you get the bore lined up, raise your sight and look in the scope. Adjust it until the crosshairs are on the target. This way you'll be reasonably sure of putting your first shot on the paper and you can work from there. But even if you're shooting something like a lever-action gun where bore sighting isn't possible, at a range of 25 yards you're more than likely to hit the cardboard anyway. Once you've established your first shot you're in business. Scope sights have adjustments for elevation and windage. The first is to move the bullet placement either up or down, and the other either left or right. These adjustments are graduated in minutes of angle, or fractions thereof. Some have "click" adjustments while some do not. A minute of angle has a value of one-half inch at 50 yards, one-fourth inch at 25 yards. Suppose your rifle is shooting an inch high and an inch to the right. Four clicks on both adjustments should move your aim right to the bull's-eye. Just remember, if your adjustment moves one minute of angle with each click, you must adjust the dial four clicks to move the bullet placement one inch. If each click is only one-half minute of angle, then it would require eight clicks to move it an inch. And so fourth. Once you've established your aim at 25 yards, or directly in the black or bull's eye of the target, you're ready to determine where the bullet will strike at longer ranges. What you must remember is that a bullet travels in a trajectory. Thus it will bisect a straight line out from the muzzle twice, once as it starts up on its trajectory and again when it comes

down. If this first intersection is at 25 yards, the bullet will be in the bull's-eye again somewhere out where it curves down and bisects the line again. With an ordinary 22 rim-fire rifle, for instance, the bullet with cross at 25 yards and again at 60 yards. In firing fast-shooting center-fire rifles, with flatter trajectory, the second point of intersection will be much farther out. A 243 will bisect the line again about 250 yards out, which means it won't be more than an inch high at 100 yards. So anything between the ranges of 100 yards and 250 yards will be vulnerable to your 243 bullet, since there is no more margin than an inch error anywhere in between. This can be determined quickly with other rifles once you've established your point of aim at 25 yards. Put the target at 100 yards, fire and see where the bullet hits. Now try it at 150 yards, and finally at 200 yards. This way you can clearly determine the performance of your particular caliber all the way from 25 yards to 200 yards. Quick and simple. A straight - forward way to straight shooting.

FLOATS FOR PARADE Please go by Jubilee Headquarters and register your float if you plan to have one in the parade. There is no charge to register, but officials need to know the number of floats in order to organize the parade properly. The parade will line up at 1:00 p. m. Saturday at the Little League Park and start promptly at 2:00 p. m. The parade route will begin at Kirby Humble Wholesale and go north to the signal light where it will turn right and go around the park in the center of town. Back at the light it will turn right and go west on 290 across the bridge, straight in front of the Village Shopping Center, turning left at King's Hair Fashions, crossing the highway at the Dairy King and between Ozona Oil Co. and Spencer Welding Co. It will disperse. There will be a reviewing stand in front of the statue of Davy Crockett or in front of the courthouse, still undecided at midweek, from which all the visiting dignitaries will review the Parade.

Strain Brothers Get Road Contract A contract for 7.241 miles on R. M. Road 33 in Crockett County has been awarded to a San Angelo firm, it was announced in Austin this week by the State Highway Commission. Strain Brothers, Inc. submitted the low bid of \$300,561.00 on the project. Grading, Structures, Base & Surfacing is expected to take 150 working days, according to J. A. Enell District Highway Engineer at San Angelo. H. L. Bailey, Resident Engineer at Sterling City will be in charge of the project while it is under construction.

Crockett Hospital Declared Eligible For Medicare Use Fourteen hospitals in the 13-county San Angelo area currently are eligible under the Civil Rights Act of 1964 to participate in Medicare, according to J. G. Keen, assistant manager of the San Angelo Social Security District Office. As of June 10, a total of 428 hospitals in Texas already were listed as eligible as were more than 72 percent of the hospitals in the Nation. Hospitals in this area, currently listed as eligible, include the Crockett County Hospital.

Kay Kyle, Lelle Mitchell Named To Youth Conference Katherine (Kay) Kyle of Ozona, has been selected as a delegate to the 4th Annual Texas Youth Conference to be held in Austin August 18-21 on The University of Texas campus. The conference will attract over 1200 outstanding youth leaders from throughout Texas to study projects for the prevention of juvenile delinquency in Texas communities. Kay is an officer in her local and sub-district Methodist Youth Fellowship. She is the daughter of Mr. and Mrs. Arthur Kyle of Ozona. Also selected was Mary Lelle Mitchell. Lelle is a member of the 4-H Rural Youth. She is also a member of the yearbook staff of Ozona High School. She is the daughter of Mr. and Mrs. G. K. Mitchell of Ozona.

Bill Sims Named TS-GRA Secretary William M. Sims, for the last six years county agent at Mertzon, has been appointed Executive Secretary of the Texas Sheep and Goat Raisers' Association. G. C. Magruder, Jr., President, said the appointment becomes effective June 15. Sims succeeds Tommy N. Lochridge, who recently resigned. Sims is a native of Paint Rock and is experienced in ranching and livestock feeding. During his service as Irion County Agent, many of his 4-H club members have established strong records in livestock shows and judging contests. He attended San Angelo College, earned his bachelor's degree in animal husbandry from Texas Tech in Lubbock in 1955 and has done work toward a master's degree at Texas A&M University. He

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol Austin, Texas - Comments by legislators and water leaders generally were favorable on the \$3,700,000,000 preliminary "Water for Texas" plan of the Texas Water Development Board. This massive plan calls for a "rescue operation" for the Lower Rio Grande Valley irrigated region, where a recent court decision knocked out water rights of more than 100,000 acres. Project to be designed by the Bureau of Reclamation, would use two big reservoirs on the San Antonio River (Cibola in Wilson County and Goliad in Goliad County), two on the Guadalupe River (Confluence in Victoria County and Cuero in DeWitt County) and one on the Lavaca-Navidad Rivers (Palmetto Bend) to link to a 190-mile canal to the Lower Valley. Water from the three watersheds could be used for a number of years. As needs in those valleys develop, a canal would be linked to the northern end of the pipeline and - canal system which would start at Texarkana Reservoir, go west to Dallas and Fort Worth to meet their future needs, then down the Trinity, Brazos and Colorado Rivers to link with the southern portion of the canal. Then it could be said that water from Lake Texarkana was being used in the Lower Valley - after repeated use and re-use along the 980 miles of the State Water Project system. Irrigation in the Sinton and Baffin Bay regions also would be supplied from the canal. In addition to the 14 reservoirs connected with the State Water Project, the big plan proposed 46 other reservoirs or enlargements. These would supply in-basin needs in all parts of the

PENGUIN-DOWN DRI - DIE

Versatile Dust Developed by Scientists

Researchers have discovered a new method of protecting houses and apartments against roaches and a hundred other insects for the lifetime of the occupants.

Professors of entomology said that a new dust called "Amorphous Silica Gel" has been developed that is harmless to humans and animals but lethal to termites, cockroaches, silverfish and a hundred other insects. The dust literally dries the insects to death by removing a protective wax on their bodies and causing death through evaporation of body moisture.

Once applied it can last indefinitely without losing its ability to kill pests.

Shepperd, State Chairman of the Texas State Historical Survey Committee, will preside at this meeting and the program will feature a talk by Grover Cleveland Ramsey, Austin, on Camp Melvin. He will also show slides of the site located in northwest Crockett County. Representative Gene Hendryx, Alpine, who is chairman of the State Legislative Committee, will speak on the Restoration of Forts and Missions in Texas.

Historical Markers are part of the Statewide RAMPS program sponsored by the Texas State Historical Survey Committee. The letters RAMPS stand for Recording, Appreciating, Marking, Preserving, and Surveying local history so that future generations may have a visible picture and record of the growth and development of our state. Ozona shares its responsibility for this program through the efforts of many local people interested in their community.

The public is cordially invited to be present for these historical events. The Crockett County Historical Survey Committee and the Crockett County Historical Society will serve as hosts at the Center where refreshments will be served preceding the program.

The aluminum markers with Swedish steel effect are not only durable but beautiful, and require practically no maintenance. More than 2,500 historical markers and Medallions with plates have been awarded throughout Texas.

The official inscription on the three plates to be dedicated here Saturday will be of interest to Ozonans, particularly the history buffs.

The plaques to be installed

with the marker at the Crockett county jail contains the following wording:

"Crockett County Jail. Built 1892, about a year after the county's organization; Contractor was Z. D. Gafford of San Angelo. Building stone was quarried to north of structure, on Meyer property. Tower may have been designed for hangings, but no gallows were ever installed. Though never filled to capacity, inmates have included the 1954 robbers of Ozona National Bank.

"In Sheriff's quarters, Ozona children about 1915 took piano lessons from the Sheriff's wife."

The plaque to be installed at the bank building, reads: "Ozona National Bank. Constructed 1905 for county's first financial institution. Organized by cattle and sheep ranchers and the town's doctor.

"During construction of native stone building, banking was done next door in store of L. B. Cox, vice president. J. W. Henderson was president. Directors were Dr. A. W. Clayton, S. E. Couch, Wm. P. Hoover, Robert Massey and J. B. Moore. J. B. Reilly was cashier.

"The second floor is owned by the Masonic Lodge."

The courthouse plaque "Crockett County Courthouse, built 1902. Second courthouse for county. American Gothic architecture, planned by Oscar Ruffine, San Angelo. Material is fine stone quarried nearby on Meyer and Couch properties. Cost \$30,000.

"Early day community social center. Used for cowboy dances, box suppers, Christmas trees, roundup celebrations.

"In 1902, arc light was added to steeple, to signal sheriff and guide travelers to town."

Don Webb and Forest Henderson in that order. They had their choice of some valuable prizes donated by local and San Angelo merchants.

The historical window committee has done a great job and most all the windows in town have some valuable antiques on display. A tour of the windows is well worth the effort. The antique room set up in the old Baker Jewelry building is an outstanding effort on the part of Jubilee participants. Jubilee headquarters also has some valuable paintings, along

with some priceless old pictures on display.

Today is official Women's Day. There will be a style show after the promenade. A cooking demonstration will be held at the Civic Center at 3 p. m. with everyone invited. Kangaroo Kourt will be held this afternoon and the second performance of the pageant will be held at 8:15 at the football field. Tickets are \$1.50 each.

Tomorrow, Friday, will be a big day with class reunions being held throughout the day. Homecoming registra-

tion will be held all day at Jubilee Headquarters, High School Auditorium and the Civic Center. There will also be open house at the Civic Center all day both Friday and Saturday with refreshments and lots of visiting in store for all. An old timer's fiddling contest will begin Friday in the shopping center and the finals will be held Saturday in the park. There will be a dance Friday night after the pageant at the rodeo platform. Johnny Dutton and his string-billies will furnish the music. There will be a street dance in front of the High School Gym Saturday night open to all with the same band furnishing the music.

Other events to take place on Saturday include a continuation of class reunions, a trip to Ft. Lancaster leaving at 8 a. m. and the judging of the Brothers of the Brush in the park at 10:00 a. m. There will be a noon barbecue in the park with food by the Odessa Chuck Wagon Gang. At 3 p. m. the parade starts. It will be by far the most outstanding parade ever held in Ozona. The Permian Basin Historical Survey Committee will meet at the Civic Center at 4:30 p. m.

Other things of interest include an art exhibit at the old Flying W Egg Building, a carnival midway located on the other side of the Little League Park and airplane rides over the city which may be arranged at the airport.

Indians Pluck Eldorado Eagles

The Ozona Indians soundly thrashed the Eldorado Eagles last Sunday afternoon at Powell Field by a score of 11-4.

Danny Sanchez went the distance on the mound for

the Indians, allowing only two hits. At present the Indians have a 5 won, 4 lost record.

Oscar Flores, Robert and Randy Upton have been added to the roster to beef up the team.

The Indians will travel to Edin next Sunday to play the local ball club team.

WTU NOTEBOOK-PATTERNS FOR PROGRESS

INDUSTRIAL PROSPECTS ... a must in Economic Development

Obtaining leads on industries that might locate in a community is one of the hardest parts of any sound economic development program. The lack of an industrial prospecting program that produces several leads may cause serious mistakes by a community in financing or other endeavors to attract unsound or unattractive industry. A community needs a well balanced program, combining all the techniques and utilizing all of the sources that will give it increased effectiveness and chances for real success. LOCAL PEOPLE AS A SOURCE OF INDUSTRIAL PROSPECTS — usually provide a sound reason or give the community a competitive advantage in attracting the industry.

—BUSINESSMEN—should ask the company representatives they buy from if the company needs additional manufacturing facilities to serve this market area, also, service stations, restaurants and motel people can ask their customers.

—CITIZENS—who know someone that works for an industry should inquire if that industry might be interested in locating a plant.

—EXISTING INDUSTRY—may need a companion industry to supply them with raw materials or services. Expansion of existing industry is sound economic development.

—LOCAL IDEAS—can provide leads for the local people to establish an industry of their own or attract a certain type industry.

—EX-CITIZENS—should be contacted, advising them and asking their help to obtain leads on any industry that could logically locate in the town.

CHAMBER OF COMMERCE ACTIVITY — should utilize such programs as direct mail, asking local citizens to call on industries when they are on a trip — watching all news media for possible leads or indications that a company might expand.

COOPERATION WITH OTHER AGENCIES — such as utilities, banks, railroads, regional and state development organizations can provide leads for new industry. Keep all of these organizations fully advised of the local programs, advantages, activities and community interest for attracting new industry for improved economy in your community.

ANY and ALL industrial leads should be handled through and by the local group that has been delegated this responsibility, usually the Chamber of Commerce. Ask your WTU local manager for additional information and services available. Prepared by Area Development Department, West Texas Utilities.
