Kitty's Korner By Kitty Montgomery

Well, anyone can tell it's the same time again. There are cowboys in town than lions. Oscar Kost will probably be able to pay his electric bill with all the pro-

The rodeo is the annual event all the youth in town look forward to and enjoy. This year with the new arena, pens and chutes and contestants than ever will provide an exciting and nights of entertainment.

With all the pretty girls in Ozona, who have horses to ride so well, it's a mystery to me why we never have more than three or four contestants in the annual rodeo contest. I would think more the merrier.

The Little League season ended abruptly last Tuesday night with the Sonora all-stars really putting it on our stars. The boys took it very well, but there sure is a lot of upset mamas and papas. They say the boys is for the kids, but it's not true, it's for the dads. If you don't believe just ask any Little League's mama or papa.

It's just as well that it's over, because I don't think all-stars uniforms would be held up for another year and the stars were taking off Jim's cap when he home last night. It seems just don't make all-stars like they used to.

Jan Nicholas brought an excellent cook book by the of recently. It was published in London in 1894 and is complete with illustrations of latest cookware and kitchen ranges in that day. It only has recipes for food, an entire section of recipes for housework and a section on the duties of servants. It's just priceless.

From the page entitled "When Maxim's" come a good bits of advice as, "water boils when it gallops; when it is still" - "A stewed is a stew spoiled" - "As far as you go, muddle is more muddle" and many more.

The national news was very dull this week, nothing but riots and some controversy over Supreme Justice William O. Douglas' fourth marriage to a girl in her early twenties. Seems that Congress is in process of passing a resolution to look into the 67-year-old justice's private life. Marriage probably won't last as long as the investigation so I doubt that they accomplish much.

It brings to mind an old saying I've heard many times: "There's no fool like an old man." Leave you with this thought "Phony people are very much like a steamed window glass, when the comes out or the light is, everyone can see through both."

Ozona Girls Get Training At T. W. Twirling School

Seven girls from the Ozona High School band have returned from El Paso where they received instruction at the Twirling and Major school at Texas A&M College.

During the school were: Mahon, Drum Major; Mills, Peggy Hagel; Marjorie Carnes, Marjorie; Chris Clegg and Moore.

LL All-Stars Bow Out Before Sonora Stars 18-4

Ozona's Little League All-Stars took a terrific beating Tuesday night at the hands of the Sonora nine, losing by the lopsided score of 18-4, for their first and final game of the season.

Things looked rosy for the Ozona team in the first inning. It was three up and three down for Sonora when Ruben Tambunga got a solid hit to right field, scored Jim Montgomery from first base and made it home himself ending the inning 2-0 in their favor.

However, the complexion changed considerably in the top of the second and when the smoke cleared it was 8-2 in Sonora's favor. Ozona eked out another in the third, but the top of the fourth gave Sonora 7 more runs, with errors and walks accounting for most of the score.

Ruben Tambunga relieved Mike Jenkins on the mound in the fifth and retired the Sonora team with no runs. However, Ozona was unable to make a comeback and the well coached Sonora nine racked up three more runs in the sixth to Ozona's one to end the slaughter 18-4.

Jamie Knox was manager and Jack Gillet coach for the all stars this year. In the past, the manager and coach of the championship team have had the all stars. However, Byron Stuart of the first half champions, Flying W Ranchers, and Dib Reeves of the second half champions, Ozona Oilers, declined the job, leaving it with the third place B & B manager and coach. Due to a prolonged season and several lost games, the all stars had only a few days of practice before the Tuesday night disaster.

Little Leaguers May Get To See Astrodome Game

Bill Lewter, president of the Ozona Little League, reports that he is in the process of raising money to take every boy who played on a Little League team this year to see a major league ballgame in the Astrodome in Houston. The money will go toward tickets, motel rooms and meals for three teams, the managers and coaches. The other team will go in a separate group as plans for them had been made in advance.

The money in the concession stand will not be used for this trip, Lewter stated. He asked that anyone wishing to donate, contact him. Joe Williams or Mrs. Bob Stephens. Tickets have been purchased and reservations made at the Manor House Motel. Cars are being used to transport the group, and all those taking cars have agreed to pay their own expenses, according to Lewter.

Plans have been made to leave Ozona Saturday morning, August 6, see the game that night and return the next day.

DWI Charge Filed Against Driver In Car-Camper Crash

Rodolfo (Rudy) Enriquez, 19, driver of the automobile involved in the accident with a camper and pick-up on July 2, 2 miles east of Ozona, has been charged with driving while intoxicated and will be tried in county court here.

Enriquez is presently out on bond.

AUTO SALESMAN - New in Ozona is Gene Henderson, native of Brady, who has just joined the Rutherford Motor Co. here as salesman. Mr. Henderson, recently out of the service, has been with Taylor Chevrolet in Abilene the past two months.

Jumping Combos To Charm Teens In Appearance Here

"Rock N' Roll Holiday for Teens 1966", a roadshow featuring 4 rock n' roll bands, will be in Ozona at the high school auditorium on Saturday night, July 30, sponsored by the Lions Club. Tickets will be on sale at the door for \$1.50.

The show is produced by Robert Cox, talent scout and producer of "Holiday for Teens", the first production that traveled completely around the world and appeared before more than 50,000 people. His discoveries have appeared on CBS, ABC and NBC.

Local fans will be entertained by four hours of this type music by The Ledzeens, The Fugitives, The Abalons, The Sonics and The Fiks. Each combo features five members.

The entire musical entourage and their staff are on a tour of the United States, Canada and Mexico. They are being transported in 1966 Oldsmobile Toronados and Vista Cruisers, courtesy the Oldsmobile division of General Motors.

DUPLICATE BRIDGE

Mrs. Ashby McMullan and Mrs. Jack Brewer were first place winners in Tuesday night's Duplicate Bridge Club play at the country club. In second place were Mr. and Mrs. Evert White and third, Mrs. Joe Pierce and Mrs. J. M. Baggett.

Furniture Being Installed In New Library Bldg.

Acceptance by the school board of the new high school library and classrooms at both South Elementary and North Elementary finalized improvements begun last summer under the \$320,000 bond issue passed in the spring of 1965.

The newly completed library building is a two-story air - conditioned structure with two large classrooms located on the lower floor. Addition of these two rooms and two classrooms made available out of the old library space in the high school building will provide needed space if the High School enrollment is as large as school officials anticipate.

Housed on the second floor will be the library, with one room of 18' by 34' to be used as an Adult Reading Room. Superintendent L. B. T. Sikes expressed hope that the library furniture could be completely installed by the end of the week and the move of books and supplementary materials could be completed by August 1st.

Under the 1965 bond issue, rooms were added to four teacherages, a superintendent's home was purchased, new lighting equipment was installed at Lion's Stadium, and repairs made in the Jr. High School building, in addition to the library and the three classrooms added at North Elementary and two classrooms and restroom facilities at South Elementary.

Pelto's Mother Dies In Minnesota

Mrs. Arthur Pelto, mother of J. A. Pelto, Ozona High School principal, died at her home in Virginia, Minn., early last Thursday morning. Services were held Friday.

Mrs. Pelto came to this country from Finland after her marriage to Mr. Pelto. He died three years ago.

Surviving besides J. A. Pelto, the son, are a daughter, Mrs. Mike Majetick of Virginia, Minn., and 6 grandchildren.

Visitors to the Crockett County Museum this week numbered 88. Out-of-town visitors accounted for 76 and 12 were local.

Parade At 4:30 Today Kicks Off Ninth Annual Ozona Junior Rodeo

Accidents Result In Damaged Cars But No Injuries

Two accidents over the past weekend between Ozona and Big Lake left some badly damaged vehicles, but all occupants escaped unharmed.

The first mishap occurred Friday afternoon at 3:45, when a 1948 Volvo driven by Todd Aaron of Midland overturned when it ran off the road about 6 miles west of here on Hwy. 865. The car was damaged, but the driver unhurt.

About the same time Saturday, 7 miles south of Big Lake in Crockett County, a car-truck accident occurred. A 1966 Ford driven by Murdock Hinton of Odessa attempted to pass a Ford truck and trailer driven by Chas. A. Shafer III of Big Lake, as it was turning off the highway onto an oilfield road. Edward Tanner, an occupant of the car, was bruised but otherwise no injuries were sustained. The wrecked car was towed into Big Lake. The truck was not damaged.

Hospital Report To Commissioners, Tax Rate Fixed

Crockett County Commissioners' Court met recently in regular meeting and received a hospital report from Nat Read, president of the Crockett County Hospital Board of Directors, in which the reason for the rejection of Medicare was discussed with the court along with a report of a new ice machine having been installed in the hospital. He also reported that the hospital was in the process of being repainted.

Kent Johnson, county geologist, gave a complete water report on the county. Tax rates were set for county property at the following rates: County \$1.25, School \$1.62 and State \$4.7. The county and school tax is the same as last year with the state tax up five cents from last year's \$4.2 rate.

Launch Move To Pay Off Deficit Left By Jubilee

A movement to liquidate a community indebtedness, the deficit piled up by the recent Diamond Jubilee celebration, was launched here this week with personal contributions, some given as memorial gifts, to pay off the \$2,900 deficit left after the final check-up of the mid-June celebration.

Feeling that the deficit falls as an obligation on the entire community, the movement to pay it off was initiated by County Judge Bernice Bailey Jones, with a personal contribution in memory of her father, John R. Bailey. Others who may wish to contribute to the fund may send checks to Jim Dudley, treasurer, noting their wishes as to memorials.

The contributions list to date: Mrs. Bernice Bailey Jones, in memory of John R. Bailey. Mr. and Mrs. Early Chandler in memory of Tom Smith. Mr. and Mrs. Evert White in memory of N. W. Graham.

Little League All-Stars were guests of the Lions Club today at the regular weekly luncheon at the El Sombrero Cafe.

A rodeo parade at 4:30 this afternoon will kick off the 9th Annual Lions Club sponsored Junior Rodeo. Geo. Bunker, Jr. and Bill Black will lead the parade as flag bearers. Miss AJRA, Lolly Mills, of El Paso, will be a highlight of the parade. Other features of the parade will be a local string band, the queen contestants and the Lions Club sweetheart, Miss Esau Williams.

2 Ozona Youths To Attend Range Camp at Junction

Two Crockett County youths, Jesse Deaton, representing the Crockett County 4-H Club and Donnie Edgerton, representing Ozona FFA Chapter, will attend the twelfth annual Youth Range Camp for outstanding 4-H and FFA boys of Texas. The camp will be held at the Texas A&M Adjunct at Junction, August 1-6.

Sons of Mr. and Mrs. Charles Edgerton and Mr. and Mrs. Buster Deaton the two were selected on basis of outstanding 4-H and FFA work and their interest in range management. Local sponsors of the boys are the Ozona National Bank and Mrs. H. C. Noeike, Jr.

The week's camp is sponsored by the Texas Section of the American Society of Range Management and is designed to give youths an opportunity for additional training in range management, leadership and recreation. The program will include study, judging range conditions, wildlife management, ranch planning and field trips to Kimble County ranches and area experiment stations. A well planned recreational and entertainment program is planned for the group between instruction periods.

Camp directors and instructors are specialists in the field of range management. The camp will close on Saturday, August 6, at 10:30 a. m. with a program in which outstanding boys attending the camp will be rewarded for their efforts and achievements during the week.

102 Boys Take Part In Minor League Season

Minor league was a big success this year in Ozona, with 102 boys playing on the four different teams. Five of these boys were moved up to the regular Little League program.

The Yankees won the season with the Astros in second place followed by the Dodgers with the Giants in the cellar. Carl Conklin managed the Yankees with Leroy Cooper as coach. The Astros were managed by Perry Bean and coached by Winston Koerth. Randy Upham and Larry Don Webb managed and coached the Dodgers and Alfred Alee and Dean Scott worked with the Giants.

Some good prospects for the 1967 Little League Season are expected out of this group of boys.

years of age, was selected by popular vote of AJRA contestants for Miss AJRA of 1966. She is past world champion barrel racer and all-around cowgirl.

Lolly was the "most beautiful girl" selection in Ysleta High School the past year and has been a cheerleader the past two years. She will appear in the parade as well as the rodeo.

The rodeo queen contestants will be feted with a brunch Thursday morning, hosted by Lions Club officers and Miss Betty Henderson, last year's queen. Contestants for this year include Diltzie Bland, daughter of Mr. and Mrs. R. L. Bland; Lelie Mitchell, daughter of Mr. and Mrs. G. K. Mitchell; Nanette Bailey, daughter of Mr. and Mrs. Bob Bailey, and Connie Hubbard, daughter of Mr. and Mrs. Perry Hubbard. The winner will be crowned tonight.

Work has been completed on the new chutes and pens, which give Ozona one of the finest rodeo facilities in this part of the country.

Louis Powers of Sonora will head up the judging and P. C. Perner will be arena director. Tommy Sheffield of Rankin will be the featured clown of the rodeo, assisted by John Bland, son of Mr. and Mrs. R. L. Bland.

Sheffield is a bull rider as well as a bull fighter and has been active all summer in clowning and protecting the bull riders.

John Bland has been clowning as a barrel man several years. He is thirteen years old and the present world champion bull rider in the 13-15 age group.

Two big western dances will highlight the three-day rodeo with Johnny Dutton and his band playing both Friday and Saturday nights. The dances will be held at the rodeo platform.

Out of town merchants who contributed money and trophies and whose names were received too late to get on the official program were B & W, Kentucky Fried Chicken and Reed Tire and Appliance, all of San Angelo.

Everett Receives Lone Star Farmer Degree at Austin

Bill Everett, son of Mr. and Mrs. Tom Everett of Ozona, received the Lone Star Farmer Degree at the 38th Texas Association Convention held in Austin, July 13-15.

The degree is the highest a Texas FFA member can win on the state level. Only two percent of the FFA membership in the state is eligible for the honor.

The award was based on Bill's project program, leadership activities, participation in contests and cooperation in other school activities.

Other members who attended the convention were Keith Mitchell, who is to receive the American Farmer Degree in October at Kansas City, Missouri for his outstanding accomplishments in FFA work, and George Cox, who was elected by chapter members to serve as voting delegate.

Highlights of the convention were addresses made by Dr. William Paul Gray, National Executive Secretary for the FFA and Howard Williams, National FFA President.

WHOSE BABY? - This solemn faced fellow is a member of a large Crockett county pioneer family. He operates a ranch in Crockett county but mostly makes his home where he has another livestock operation under way. His leadership has done much to advance the interests of the livestock industry. Last week's picture was of Mrs. Mahlon Couch Robertson.

NOTED AND PASSED

On Eliminating Poverty: Sargent Shriver says that if the Congress will just provide him with \$40 billion, more or less, he can eliminate poverty in this county entirely in the next ten years. At first we didn't think he could do it, but now after further thought we think maybe he can. Our first reaction was that extracting \$40 billion from the productive, tax-paying citizens would simply impoverish them while lifting the other type out of the poverty bracket, thus making it necessary for Shriver to start another ten-year-plan to reverse the flow of money from the newly-prosperous to the newly-impoverished. But now, noting the rapid rise in food prices, we rather think that poverty-eliminator Shriver must be counting on those who provide the first \$40 billion to have starved to death during the first ten-year plan.

Demonstration Cities: This is a wonderful idea, with just a few amendments. We'd keep the title just as it is: "Demonstration Cities." We'd need a dozen or more of them scattered throughout the country, where demonstrators for any cause could gather and demonstrate to their hearts' content. There should be some wide streets for big demonstrations, and narrow streets for just a handful to successfully block.

There should be fireproof, air-conditioned buildings for safe and comfortable sit-ins. There must also be plenty of fast-igniting wooden structures for more riotous occasions.

Perhaps the toughest problem will be that of equipping those Demonstration Cities with citizens to harass, tourists to stare, policemen to throw rocks at, elderly folks to mug and rob after dark, and cameramen to record it all. Without cameramen, there'd be little point in demonstrating. Would it be out of line to suggest that maybe those who are so fond of demonstrating could take turns being each other's targets?

On Federal Employment: Figures just released show that there are now more people on the Federal payroll in Washington than ever before in history. That's good. We have been mindful for some time that anybody who works actually works for the Federal government. It's nice that a few more are now getting paid for it.

Vicki Lynn Montgomery, Jill Applewhite and Esther Williams spent the weekend in Lubbock visiting Donna Moore, who is attending the summer session at Texas Tech.

SENATOR TOWER REPORT

Here's listing of where the U. S.'s \$104,220 Million in foreign aid has gone since 1945. It is interesting for Americans to consider how many of these nations have failed to support U. S. interests in the United Nations and in the keeping of world peace.

I believe our expenditures for foreign aid can be considerably cut. There has been much waste in the program. I expect Congress this year to reduce these costs and to look more closely than ever at the program, keeping only that which is obviously working, discarding that which is wasteful.

U. S. aid in millions of dollars: Afghanistan, \$306; Albania, \$20; Algeria, \$167; Argentina, \$723; Australia, \$147; Austria, \$1,199; Belgium - Luxembourg, \$1,998; Berlin (West), \$132; Bolivia, \$430; Brazil, \$2,819; Burma, \$114; Burundi, \$7; Cambodia (since 1955), \$351; Cameroon, \$25; Canada, \$36; Central African Republic, \$3; Ceylon, \$91; Chad, \$4; Chile, \$1,130; China (Taiwan), \$4,494; Colombia, \$722; Congo (Brazzaville), \$5; Congo (Leopoldville), \$315; Costa Rica, \$137; Cuba, \$52; Cy-

Directors Fail To Hire New CC Mgr.

The board of directors of the Chamber of Commerce met last Thursday night. After considering seven applications for chamber manager, they decided not to hire a new manager at this time. Kenneth Mitchell, who retired after holding the job for three months, left June 30.

The hiring of a new manager will be decided at a public meeting to be held sometime in August. The date has not yet been set, but the public will be invited along with present members.

Mildred "Babe" Diddrickson Zaharias in the 1932 Olympic Championship tryouts turned in the most amazing performance ever performed by either male or female. She entered eight events, placed in seven, won five and tied for first place in the sixth. She alone scored thirty points in the National Women's Track Meet while the entire Illinois Women's Athletic Club, represented by twenty-two outstanding athletes, finished second with only 26 points for the entire team.

Death Claims Ozonan's Mother

Funeral services for Mrs. Albert Porter, 79, mother of Mrs. Maggie Reed of Ozona, were held Tuesday afternoon at 2:00 o'clock from the First Christian Church at Stephenville with burial in the Stephenville cemetery.

Mrs. Porter, a Stephenville pioneer, died early Monday morning in the Stephenville hospital of a heart attack. She had been hospitalized a week. Mrs. Reed spent last week at the bedside of her mother and had returned to Ozona on Sunday after her mother's condition had improved.

Surviving are three daughters, Mrs. Reed, Mrs. Alberta Ross, resident of Ozona for many years before moving back to Stephenville last winter, and another daughter of Ft. Worth; one son, Charles Porter of San Antonio, and seven grandchildren.

Del Rio Edges Ozona Tigers 5-4

The Ozona Tigers lost a close one to the Del Rio Indians last Sunday afternoon by 5-7.

One score in the first and 4 runs across the plate in the third had the Tigers leading 5-3 until the fifth when the Indians scored 3 runs. The Tigers just couldn't seem to connect during the remainder of the game, the Indians picked up a homer in the ninth, winning the game 7-5.

The Tigers will take on the Midland Colts here next Sunday afternoon at 2:30.

Visitors in the home of Mr. and Mrs. L. B. Sands this week are Clay and Kevin McConnell of Yazoo City, Miss. The boys are nephews of Mrs. Sands.

David Jacoby To Attend National Range Forum

College Station — David Jacoby of Ozona and Glen of Comfort will represent Texas 4-H and FFA at the first Range Forum scheduled for in Utah, July 27-30. Delegates from 10 or more states are expected to attend.

The Forum will be a part of the summer meeting of the American Society of Range Management and is their sponsorship. The activities of the Forum are: to promote knowledge and interest of youth in range management and develop leadership of youth promoting youth programs in the Sections of the Association.

The Texas representatives have outstanding records in their respective organizations, also academically, and in local churches. David is the son of Mr. and Mrs. Jacoby and a 10-year member. Range management and related projects have been completed each year. He has been a member of 35 different 4-H judging or demonstration teams three times has been a member of a state winning team, grass judging, range judging and junior wool and chair judging. He attended National 4-H Conferences in 1965 and currently is chairman of the District 6 4-H Council.

He was valedictorian of his high school class; a National FFA Foundation scholarship winner; a three sports champion and active in student affairs. He graduated in 1966. He is active in his church and sings in the choir.

David attended the State Range Camp in 1963 and took top honors with his collection. He also holds many other 4-H honors on all levels of competition.

Glen is the son of Mr. and Mrs. Perry Lich, Com-

fort, Kerr County and holds outstanding records in both FFA and 4-H. Soil and water conservation work has been a major interest. He attended the State Range Camp in 1955 and was recognized as an outstanding camper. He was Greenhand President in 1963-64 and holds many Chapter awards.

In 4-H, he was state and national winner in 1965 in the Conservation of Natural Resources Awards program, attended National Club Congress and was awarded a \$500 scholarship by John Deere, donor for the program. He is a past president of the Kerr County Junior Wildlife Association and is co-chairman of the county 4-H council.

Among his academic achievements are a ranking in the top 10 percent of all the American students taking the National Educational Development Test in 1965 and a similar ranking in the National Merit Scholarship Qualifying Test in 1966.

He is also active in his church and is the first person under 21 years of age to become a member of the governing board of the Comfort Historical Society.

David and Glen will have an active role in the Forum program as will their chaptermen G. O. Hoffman, range specialist for the Texas Agricultural Extension Service. Hoffman was one of the originators of the activity and for five years served as chairman of the Society's Youth Committee. They will be accompanied on the trip by Pete Jacoby who will also appear on the Forum program.

All this glory from one tiny seed! The sunflower towers taller than a man, its huge golden head filled with thousands of seeds . . . and every seed contains the mystery of life and growth that science cannot explain.

We are surrounded by miracles that man did not create. Who created them? Who created us? By the reasoning powers of our own marvelous minds we can be guided to see that God the Creator has made all things according to His plan, and that we can only achieve our highest development by living in harmony with it.

How can we know God's will for us? We need only a small seed of faith, for He will lead us in His way if we ask Him . . . and that seed will grow and flourish under His loving care.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mohair Promotion Fund Plan Sought At Council Meet

A proposed mohair referendum will be the main topic when the Mohair Promotion Council of America meets Saturday, July 16, in Junction. Meeting site will be the Junction High School, starting at 10 a. m. A lunch will be served.

The referendum would al-

low mohair producers to vote on a check-off from mohair incentive payments. Funds from such a check-off system would be used for the promotion of mohair.

Members of the program and planning committee to the MPC have agreed to recommend the incentive check-off program to the council. Committee head Al Dishman of Uvalde said, "Immediate action must be

taken on this project if any kind of automatic financing can be made available in the near future."

For the referendum to be placed before the voting public, to coincide with the wool referendum vote already set for September 9 to 23, a majority of mohair producers must first voice approval. "The Junction meeting will give such a privilege, and I urge all mo-

hair producers to attend," stated Dolph Briscoe of Uvalde, MPC chairman.

Damage To Hiway Signs By Shooters Costs Taxpayers

Austin, Texas — Highway signs are erected for the safety and convenience of the motoring public — not to provide gun-toting punks with a handy target for plinking.

Yet, a major share of the \$450 thousand vandalism to Texas highways signs annually is caused by gunfire, according to D. C. Greer, State Highway Engineer.

Bullet-riddled roadside markers accounted for 85 per cent of all signs which had to be replaced in one Texas Highway Department District in West Texas in one year.

Even a small highway sign costs about \$10 to replace. Larger, more elaborate signs costing hundreds of dollars have been targets for wanton vandalism too, Greer said.

If apprehended, vandals can be made to pay for the destruction they cause. But the persons who operates a motor vehicle in Texas foots the greater portion of the bill for replacement through his motor fuel taxes and licensing fees, Greer said.

More important, destruction of signs causes inconvenience — and many times deadly peril — to motorists using the highways.
