## Myrtle's Korner

Myrtle Montgomery

Bless my soul, this is the Zip Code Week, and the week is nearly over as this could have been my mind I'll never forget, however, the minute I see the column finished, I am going to run over to the office and pick up my name or free stamp or it is that I'm sure I am going to give a stamp to celebrate this momentous occasion.

I already too late for opening, or what you would call it. I just had the thought that I was seeing the postmaster's ribbon to the zip-code section or ceremony took it is my understanding they are giving away zip code numbers all over the place.

I'm struggling through the mailing list and correcting our address with each subscriber's name on his stencil, I realize a deep feeling about the zip-code. When I learned that the postmaster who thought the thing up, had been Poland, I could just see the poor man in some lunatic asylum and, behold, I just discovered the other day that he had been made ambassador to that country. No one but in America could open.

— k k —

Just as democratic as my fellow, but I'm tired of Democratic Party taking the credit for democracy in the United States with dictating to the general how to vote.

— k k —

Things could be different, but without a party system, things are likely to get worse.

— k k —

With children in high school, in PTA, etc. Since taking my child to school the first time, I'm spending most of my time on the job. So tonight, for the first time, I know, there is an open house at junior high school.

— k k —

As Smokers League was formed recently for the purpose of protesting high tax on cigars, more than 2,000 Texans at the first week the meeting was formed. I quit smoking every day until someone forms a protest to the high tax.

## Cubs and B Team Chalk Up Fourth Win Over Rankin

Undefeated and untied, the junior high Cubs and Lions B chalked up their fourth straight victories here Thursday against Rankin. The Cubs, who have yet to allow their opponents a score won the first game 20-0. The Lions B took a 14-0 from their opponents.

The Cubs jumped out in front in the first few minutes of the first quarter when fullback Philip Perner recovered a Rankin fumble and plowed through the middle on the next play to set up the scoring play on the goal line. Quarterback Jim Montgomery went over for the touchdown on a quarterback sneak and Perner carried for the 2 points. Holding the Rankin team on downs, the Cubs came back to score again when Perner powered in from the 6 yard line for the second Cub touchdown. The try for extra points was no good and at half-time the Cubs were in front 14-0.

After the half, the Cubs' leading ground-gainer and pass-receiver, David Pagan, was taken from the game with a broken wrist and will be out the remainder of the season. Earlier in the week Donald Olson was hurt in practice and is in the hospital with a back injury. With both boys playing half-back positions, the Cubs are going to be short some backfield men.

The Cubs third scoring play came in the third quarter when Greg Stuart caught a 20 yard pass to set up on the 6 yard line. Perner smashed through the Rankin line for the score. The try (Continued on Last Page)

## Rivera Gets Year In Pen on Assault Murder Charge

Samuel Vargas Rivera pleaded guilty in 112th District Court, presided over by Judge Charles Sherrill of Ft. Stockton, Tuesday, to a charge of assault with intent to murder and was sentenced to one year in the state penitentiary.

Rivera shot Domingo Cantu the night of August 5, while on a shooting spree in the draw behind Cantu's home. Cantu was shot when he went out of his house to find out what all the shooting was about. He chased his assailant for several blocks before he collapsed with a bullet in his chest. He was near death in the intensive care ward of Shannon Hospital for several days after the foray, but is now recovered.

The convicted man has been in jail since the incident and the charge was filed after it was determined that Cantu would live. Rivera was indicted by the Grand Jury on October 26, at which time date for his trial was set.

## Oil Field Pits Ordered Closed In Crockett Co.

An official order from the Railroad Commission of Texas has been issued requiring operator of leases in all fields in Crockett County to discontinue the use of salt water disposal pits for the storage and evaporation of oil field brines and mineralized waters in the county.

A copy of the order was received this week by County Judge Bernice Jones. It resulted from a show-cause hearing before the Commission on August 31, which was attended by Crockett County Geologist Kent Johnston.

The operators in Crockett county fields will be required to drain and fill all existing pits so that drainage will be away from such pits and thus minimizing the chance of pollution.

The order must be completed not later than April 1, 1967 or operators will suffer pipeline severance until the anti-pollution steps are taken.

## Fifth Mitchell Field Producer Prolific Gasser

Shell Oil Co. No. 8 Midland in 49-GC&SF, indicated fifth producer and a 1 1/2 mile southeast extension to the JM (Ellenburger gas) field of extreme southwest Crockett County, 34 miles southwest of Ozona, flowed gas at the daily rate of 15 million cubic feet daily on a drillstem test in the Ellenburger.

On the 32-minute test between 12,905-13,227 feet, mud and the 3,000-foot water blanket began surfacing in nine minutes and gas in 15 minutes, flowing at the above rate. The project was slugging mud throughout.

Flowing pressure was 4,910, 5,405 pounds; 30-minute initial shut-in pressure was 6,268 pounds. There was no final shutin pressure due to leak in drillpipe.

Production was indicated earlier with the flowing of gas at the rate of 19.6 million cubic feet daily and increasing to 47.6 million cubic feet daily when drilling reached 13,003 feet; earlier it flowed at the daily rate of 376,000 cubic feet when drilling reached 12,905 feet.

## Lions Bounce Back On Victory Trail With 20-0 Win Over Menard

The Lions turned back a stubborn Yellowjacket 11 last Friday night 20-0 in Menard with touchdown in each of the last three quarters of play.

Piling up 397 yards total offense, Lions Larry Kilgore, Beto Ramos, and Derold Maney each scored a touchdown. Ramos kicked extra points after the first two scores.

Until late in the second quarter, both teams moved up and down the center portion of the gridiron but could not dent the opponents' goal line. Lion fumbles and penalties, in particular, helped keep Ozona away from the Menard end zone.

The Lions, after driving to the Menard 26, faked a field goal effort, and injured George Cox, in for one of two offensive plays, picked up a first down inside the Yellow Jacket 10, and Ramos drove over from the 2 to cap the 74 yard scoring march. Ramos kicked the extra point and Ozona led 7-0 at half-time.

In the third stanza, Kilgore took a 13 yard scoring toss from quarterback Randal Clepper, ending a 58 yard drive by the Lions. Ramos again added the extra point.

The Lions' final score was set up by a 75 yard sprint by sophomore fullback Fleet Coates, who led Lion runners with 114 yards in 7 carries. Maney got the score from two yards out. The attempt for the extra point failed and the Lions had their 20 points.

Despite the Lions grinding out 319 yards on the ground and 78 yards in the air, the Menard defensive unit toughened up as the Lions threatened the goal line but fumbles, pass interceptions, and penalties helped keep the score down.

The Lion defense, white-washing an opponent for the third time this year was stingy as usual, allowing only 85 yards on the ground and 68 yard in the air to the Yellow Jacket squad, quarterbacked by Jack Kothman. Kilgore led the Ozona defense as he was credited with 9 tackles, followed by Dwight Childress with 8 and Jack Applewhite and Johnny Barber with 7 each.

In addition to the 163 yard average per carry by Coates, Cox gained 17 in 2 tries; Ramos 32 yards in 4 efforts; Maney 29 yards in 7 carries; T. DeHoyos 97 yards in 13 trips; and Clepper, 5 tries for 17 yards.

Grinding out first downs 20-9 over Menard, Ozona completed 5 of 12 passes, permitting Kothman to complete 7 of 22 passes.

The Lions punted once for 18 yards, and Menard 4 times for a 31 yard average. Ozona suffered 50 yards in 4 penalties, and Menard 55 yards on 6 infractions.

## Junction Invades Lions Den Friday For 8-A Contest

The Junction Eagles will visit Lion Stadium tomorrow night, and the Lions will be out to improve on their 1-1 district standing and get back into contention for the championship. Game time is 7:30 p. m.

The Lions whipped Menard 20-0 last week while the Eagles were beaten 33-6 in Sonora. While the Lions are hosting Junction, Sonora will visit Rankin for their important tussle. A Red Devil win over the Broncos would help put Ozona back into the district race as the Lions host Rankin on October 28 following a visit to Sanderson.

Hampered by injuries for the past three weeks, Coach Sam Mosley and Bill Gerber and anticipating that the Lion squad will be in good shape for tomorrow night's game. George Cox and Beto Ramos, halfbacks who have seen little action the past three weeks, played briefly last week against Menard and are scheduled for full time duty against the Eagles.

Junction has been reported as much improved over last year with several lettermen on hand. Scouting reports indicate that Junction is tough defensively and capable of beating anyone in the district.

Following two defeats to Bronte and Sonora, Ozona got back on the winning trail last week against Menard and are hopeful of going the rest of the way without another loss.

With all squadmen hale and hearty, Mosley's crew rank as one of the better Class A squads in the area and are anxious to show their offensive power.

Starting on defense are Gary Sutton, Dwight Childress, Wesley West, and John DeHoyos as the front four; Oscar Flores and Thomas DeHoyos will be the cornermen; Larry Kilgore and Ramos are the linebackers; Cox, Fleet Coates and Applewhite will be in the secondary.

Offensively for the Lions, Cox, Ramos, Clepper, and T. DeHoyos will start in the backfield; in the line it will be Flores, Kilgore, West, Sutton, J. DeHoyos, Rex Bland, and Marlin Farris.

**A PSYCHIATRIST SPEAKS**

Now you may have a chance to vote for Bobby Kennedy for President in 1968, without waiting impatiently for 1972 to roll around. His proposed running mate is the son of the doves of Arkansas, J. William Fulbright.

These glad tidings were delivered to a waiting word recently in a press conference held in a psychiatrist's office in New York City.

Press accounts of the meeting heralding Citizens for Kennedy-Fulbright were a bit hazy so one must be excused if he wonders what in all get-out it was all about. But "get out" was the key phrase. Somehow it seemed that Dr. Martin Shepard and his kingmaker compatriots were less interested in putting Bobby in the White House than they were in getting President Johnson out. And, reading between the lines, one could easily get the impression that they were more interested in get-

ting the United States out of Vietnam than they were in getting the incumbent out of 1600 Pennsylvania Avenue.

In fighting words the psychiatrist declared, "We're interested in getting Johnson out." And while this rude eviction notice may jar the President to the point of causing a traumatic experience, the doctor exhibited a good couch-side manner to the junior Senator from New York.

"We want to get the idea across that Kennedy can run in 1968 and doesn't have to wait until 1972."

We have a suspicion that the psychiatrist's endorsement may be a bit "iffy".

Somehow, we can't help thinking that if Bobby Kennedy were to stop talking about his willingness to have his blood go to the enemy Viet Cong and come out for victory in Vietnam, things would be different, and all the various chapters of Citizens for Kennedy-Fulbright would be less enthusiastic.

Suddenly, in a flash, it dawned on us that we've been through this madness before — when Henry A. Wallace ran on that far-out-left ticket some years ago. And in the light of that flash we realize who it is that Bobby reminds us of: Henry A. Wallace. Bobby Kennedy is the new Henry A. Wallace of American politics.

alone with her thoughts

Are they good company — her thoughts, that is?

For this is a time of her life when much can depend on the outcome of these moments when she is alone with her thoughts.

Decisions will be made — irrevocable decisions.

Steps will be taken that cannot be retraced.

The happiness of those who love her hangs in the balance . . . as she tries to discover where her own happiness lies.

But her thoughts are projections of the lessons she has learned, the experiences she has had.

And high among these are the truths she learned in her church life, and the rich experiences she has known with Christian friends who grew up in religious homes.

Alone with her thoughts . . . this girl is in good company!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Zip Code Cards Distributed To Postal Patrons**

Ozona residents are being offered an opportunity to Zip Code their mailing lists during the month of October as a feature of National Zip Code Week, 10-15, postmaster Floyd Hokit announced earlier in the week.

Cards have been put in all local boxes, general delivery and Star Route boxes. After filling in the street number, city and state, the cards should be mailed back to the postmaster. Post office personnel will add the zip codes and return the cards to the sender.

Only addresses, not names of correspondents, should be listed on the cards, as zip codes represent delivery areas for the postal service.

This Christmas, the zip code will be as important as shopping and mailing early for the efficient on-time delivery of the record-breaking avalanche of mail that is expected, postmaster Hokit said.

Christmas mail for armed forces personnel should be mailed as early as possible. October 21, through November 10, has been designated for mailing Christmas parcels and greeting cards by surface transportation, in order to insure delivery by Christmas Day.

For Airmail Parcels the period is December 1, to December 10 to assure timely arrival.

Articles should be packed in boxes of wood, metal or solid fiberboard, wrapped in heavy paper and tied with stout string. A list of contents, name and address of sender and addressee should be enclosed inside, the parcel along with the APO number, which have been changed to 5 digits and are identical to zip code. Some APO addresses require custom forms. You may inquire about this at the

post office, Hokit stated. In domestic mail gift parcels should be mailed before December 5, to distant states and by December 14 for local and nearby areas.

Mailing deadlines for greeting cards are December 10, for distant states and December 15 for local delivery. Deadlines for Alaska and Hawaii for surface mail, November 30 and for airmail December 15.

Lobby service and any additional holiday service will be announced at a later date.

**Indian Mound Name Recorded In Federal Records**

Word has been received that at a recent meeting of the United States Department of the Interior Board on Geographic Names, the name, Indie Hill, submitted by W. R. Baggett for a large Indian mound located on his ranch north of Ozona, was approved for Federal use. The letter from J. O. Kilmartin, Executive Secretary for Domestic Geographic Names, stated that this decision will be published in Decision List 6603 and the property description of Indie Hill will be listed therein.

This is the first geographical site in Crockett County named by an individual to be accepted by the Board. Mr. Baggett gave the site its name because of the unusually large Indian mound located on the hill.

Mr. Baggett made his application for the name through the Crockett Coun-

ty Historical Survey Committee last May. The Historical Survey Committee was designated last year as the official state agency to name natural geographical features and have the authority to name any natural land feature in the county, including rivers, mountains, streams, or other water courses in accordance with the practices of the United States Department of Interior Board on Geographic Names.

One of the strangest auto races was held in 1908. It was a gasoline buggy race that started in New York and ended in Paris. The six cars entered in the race were to follow this itinerary: they were to be driven across the United States, then taken by boat to Alaska, from there they were to drive to Japan, across Manchuria through Siberia, through Germany and then finish in Paris. An American entry called "The Thomas Flyer" won the race which lasted 170 days.

for extra points was no good. The second string saw action in the 4th quarter with neither side scoring.

Perner and Stuart were the leading ground gainers with Jim Bob Bailey, Alton Everett, Fred Deaton and Tom Davidson clearing the way. Cuatro Davidson gained the most yardage in pass receiving. Curtis Weant got credit for downing the most Rankin men on defense.

Although the score didn't show it, the game was by far the most bruising one the Cubs have played to date.

The second game was rough and tumble too, with the outweighed Lions outmaneuvering the Rankin eleven despite a record number of penalties called against them.

The Lions went out in front in the first quarter when a 40 yard pass from Beto Vargas to Donald Huff connected on the goal line and Huff stepped over for the touchdown. Fullback Tommy Conners kicked the extra point. There was no score in the second quarter and it was 7-0 at halftime.

There was no score in the third quarter as a rash of penalties stopped the Lions cold, both on offense and

defense. In the fourth quarter the Lions started a drive downfield and after a series of first downs, Vargas ran for five yards and the touchdown. Conner kicked the extra point and the game ended 14-0.

Vargas was the leading ground gainer and Donald Huff caught passes for the most yardage. Huff was also the outstanding defense player for the night.

Iraan will be here tonight for a rematch with the Cubs and Lions B. The Cubs' game starts at 6 p. m. with the Lions following.
