Kitty's Korner

By Kitty Montgomery

The election Tuesday rested my faith in mankind. I proved that in spite of the assure groups, the propaganda and the promises, the American people the way they want to present administration things.

Most of the election news analysts tried to explain it by the white backlash, and come up with except plain fact that the African people as a whole plain don't like the way present administration running things.

Here, here in Crockett County, haven't had any of lash except the lash of inflation, and more people than I realized place the square on the spending of the government, without which there would be no inflation. So all, most people are still to think for themselves after thinking, we sent negative-voting senator to the senate by a large majority.

Long live Senator Tower may he always be able say "no" when he thinks in the best interest of country and state.

— k k —

While I have been worried with the election, Tom been spending the week fretting over losses suffered by his favorite ball teams. After the boys failed to pull out today, I thought he would be the more exciting the, the more he smokes. Sunday I opened all the doors and windows and the neighbors came over to see the house was on fire.

Later he was discussing game with Jim and the sons of Angelo State came for discussion, the Ramsing gone all season without a win. Jim said, "Well, they will rally."

Tom gave a really classic when he said "the on-time they are going to is when they are running back to the dressing room."

His old alma mater, TCU, didn't fare much better but still has hopes at this point.

Sort of nice to have for high and B team ball over for the year especially to have not but two undefeated. Every boy who played dedicated to the game to their coaches. Coach Womack, who has had undefeated junior high since he has been coaching the Cubs, did a fine with the boys this year with the able assistance of Coach Mohler, who was assistant coach this year.

Coach Brooks Dozier, being out his first undefeated B team, set something record. He has been B coach nine years and checking with Pelto coached the B team years previously, they ded that this must be only undefeated B team in the history of Ozona High school. Coach Dozier also a few good words to say at Joe Marlett, who is first assistant coach he had.

Of course, we will never know, but it's my opinion that we would have undefeated A team if of our best players had been on the injured list at critical times. I'd like to see Sonora again while boys are in top shape. If we could manage

Crockett Favors Tower Over Carr Other Demos Win

Out of 1,820 registered voters in Crockett County, the final tally showed that 733 went to the polls Tuesday and voted along the lines that the majority of Texas voters did.

There was only one contested race at the county level. That of Commissioner of Precinct 4, where Glenn Sutton, the incumbent, won by 134 votes over R. R. Dudley, Jr. who polled 51 votes on the Republican ticket.

Crockett County voters gave Senator John Tower 359 votes to Waggoner Carr's 303. Tower carried in all boxes reporting except for Precinct 4, where Carr led 86 to 66 and the Power Plant box where the vote was 14 to 13 in Carr's favor.

The majority of the 16 amendments carried in the county. The exceptions were Amendment No. 2, Airport Authorities; number 4, terms of offices ended for directors of conservation and reclamation districts; number 5, establishment of a system of retirement for county officials, cost to be borne by the counties; and number 13, to consolidate counties having a certain number of inhabitants under the state government.

Of the 12 amendments Crockett County voters chose to vote for, number 14 passed by the largest majority, allowing members of the Armed Forces who are resident of Texas to vote. The vote was 472 for and 96 against.

Except for Carr, the other democrats running for State offices won here by large majorities.

Crockett 4H Receives 3 State And One District Award On Top Program

The Crockett County 4-H Club Program has been named to receive three state awards and a district award and two 4-H members to receive outstanding district and state awards. The state 4-H club office at Texas A&M University notified County Agent Pete Jacoby of the 4-H honors for the county.

Crockett County was named the state winner in safety and will receive a plaque in recognition of this honor. Teaching safety to over two hundred boys and girls in projects of gun safety, livestock and home economics brought the county 4-H club program this state honor and recognition.

The Limazona - Tejas 4-H clubs were named state winners in both Safety and Health and will receive certificates of recognition of the state honors. Club programs in health and safety were responsible for the state honors for the two 4-H clubs in the county.

Duwan Vinson, Jr., was recently named state winner of the Range Management Awards Program, making a total of four state awards for Crockett County in 4-H club work. Only six state awards were named for the 25-county Extension District-6 with four going to Crockett County.

The Crockett County 4-H Club Program was named district winner for its 4-H Electric Program and will receive a certificate and seventy-five dollars for its first place district honor. Richard Reinberg, 4-H club member, will receive a certificate and fifty dollars as district winner for 4-H members in the 4-H electric program. The district and state awards will be presented as the county 4-H awards program to be held next month.

Lions Edge Hard Fighting Braves For 5th Dist. Win

The Ozona Lions punched out a 21-6 victory last Friday night over the fired-up Iraan Braves. District victory number five came against a fighting Brave "11" that refused to buckle completely against the quick striking Lions. The win assured Ozona of no less than a tie for second in District 8A.

The Lions got on the scoreboard 10 minutes deep in the first stanza when George Cox sped 50 yards on a reverse. Ramos added the extra point.

Five minutes later the Lions drove to the Iraan 8 behind the running of T. DeHoyos and Cox. From the 8, quarterback Randel Clepper flipped quickly to the lanky Larry Kilgore in the end zone for the second score. Ramos again kicked the extra point.

Plagued by penalties, the Lions could not put together another scoring drive until late in the final period of play. The final drive was climaxed when Cox struck from the 3 for his second TD. Ramos added the third extra point, and the Lions had a 21-6 lead with 5 minutes remaining in the game.

The Braves had scored early in the fourth quarter, when the quarterback Pat Gladden, threw a 15 yard scoring toss to Ricky Rylander for 6 points.

Despite 70 yards in penalties assessed against the Lions, Ozona still managed to ground out 243 yards total rushing while allowing the Braves only 82 yards. The Lion secondary withstood the passing attack of the Braves, allowing only 5 completions out of 21 attempts, while intercepting 3.

The TD's by Cox ran his season total to 15 for 90 points and the district scoring lead despite his missing two ball games with injuries. Cox rushed for 117 yards in 14 carries, and Fleet Coates chipped in with 64 yards in 10 efforts. Fullback DeHoyos added 52 yards in 10 tries.

In addition to the rushing total, Ozona picked up 10 yards on 2 pass completions; Iraan got 29 yards on 5 completions, including the 15 yard scoring toss.

Lions Wind Up Season Fri. With Eldorado Here

Eleven senior members of the 20-man OHS football team will play in their last high school football game tomorrow night when Coach Sam Mosley's Lions try to make the visiting Eldorado Eagles victim No. 8 in the final game of the 1966 football season for both schools. The Sonora Broncos have already wrapped up the playoff berth for District 8A. Game time in Lion Stadium is 7:30 p. m.

Seeing action for the last time are Co-Captains George Cox, Beto Ramos, Derold Maney, and Thomas DeHoyos along with Glenn Southard, Dwight Childress, Jack Applewhite, Larry Montya, Don Leach, Oscar Flores, and Rex Bland.

A win over Eldorado would put the final touch to a successful Ozona campaign, giving the Lions an 8-2 season record and 6-1 district yards and a tie, only to have it called back on a clipping penalty against the Cubs, bringing up halftime.

After halftime with the seventh and eighth grade Cub teams alternating, a Rankin fumble enabled Stuart to run behind some good blocking from the Cub 25 yard line to hit paydirt. Perner plowed in for the 2 points and the Cubs enjoyed a 30-8 lead.

Rankin took the ball on their own 45 yard line on the kick-off and with the Cub second string in, drove downfield on a series of downs to score and run for the extra 2 points. The first string Cubs went back in to receive and drove down to

Cubs And Lions B Pile Up Undefeated Record With 8 Wins In Season

The Cubs and Lions B ended the football season with 8 wins and no losses to their credit Thursday night at Rankin when the Cubs beat the Rankin junior high 36-24 and the Lions took a 10-6 win in the second game in a real thriller.

The Cubs controlled the ball almost all the first quarter. They took the kick-off on the 50 yard line and drove to the 25 yard line of Rankin on downs. Stuart ran from the 25 for the touchdown and Montgomery added the extra points to put the Cubs ahead 8-0 the first minute of play.

The Devils returned the kick-off to the 45 and gave up on downs with the Cubs taking over on their own 40 yard line and driving downfield. Stuart scored from the 15. The try for extra points was no good and it was 14-0 to the Cubs.

After kicking-off to the Rankin 11, the Cubs recovered a fumble on their own 45 and passed and powered their way to the Devils 15 yard line. Perner carried for 10 yards and the first down and powered over for the touchdown on the next play. Montgomery added the 2 points and the Cubs were ahead 22-0.

The Devils took the ball on their own 10 yard line and after being unable to move against the mighty Cub defense, fumbled with Jim Bob Bailey recovering. At this point early in the 2nd quarter, Coaches Womack and Mohler sent the seventh grade team in. A rumble with Rankin recovering gave the Devils a first down. The next play got the Devils on the scoreboard with a pass completion for 20 yards and a run for around 40. The try for extra points was good and the Cub lead cut 22-8.

With the first string Cubs back in and only a few seconds left to play in the first half, Ruben Tambunga ran the kick-off back for 90 (Continued on Last Page)

Rock Trown From Overpass Shatters Sikes' Windshield

Mr. and Mrs. David Sikes narrowly escaped serious injury Sunday night when a person or persons unknown threw a boulder type rock from the top of an underpass, hitting the windshield and crashing into the Sikes car on a Dallas street.

Sikes, son of Mr. and Mrs. L. B. T. Sikes, was driving and pulling a trailer at the time. When the rock hit the steering wheel it also knocked the shift into low gear, almost wrecking the car. The two escaped with only minor cuts.

Dallas police said several incidents of this type had been reported there recently.

Noted And Passed

Dim Bulbs: A Congressional committee has announced that electric light bulbs made by American companies don't last long enough. That is, they burn out too soon, creating a "nuisance and a hazard" to consumers. Now we know what really has been happening at the White House. LBJ wasn't trying to save electricity; he just couldn't keep up with his bulb - changing, what with needing one person to hold the bulb and two to turn the ladder.

Taxing Collectors: In every State with a sales tax, merchants automatically serve as tax collectors. This same is true, of course, of employers who collect income and social security taxes for the government from their employees. Now the State of Virginia, when it started a sales tax recently, came up with a neat way to gain some additional revenue. Every person whose business is such that he must add sales tax on charges to his customers must pay five dollars for the privilege of spending the money thus collected to the state treasurer. The five bucks is for an account number.

Maybe if we just charge tax collectors a license fee, we can eliminate the taxes?

The No Bell Peace Prize: Since the Nobel Committee couldn't decide on anyone to receive their Peace prize, we propose a new award, which we would call the "No-Bell"

prize, in order that prize aspirants won't become discouraged. And as the first recipient, we nominate Senator Aiken of Vermont, for his proposal that we can end the war in Vietnam by simply declaring that we have won it and there-upon retreating into enclaves along the beaches of South Vietnam. Now here is a formula for solution to all kinds of problems. Worried about the balance of payments? Just declare it in balance. The Berlin wall? Call it urban renewal, or maybe highway beautification. A riot in Oakland? Call it a Mardi Gras!

You Can't Win Department: In response to a "stoppers' strike" demanding lower prices, a California grocer reduced the price of milk to 18c a quart — and promptly was found to be in violation of the State's "fair trade" laws, which forbid any retailer to sell an item below cost.

Shell Gas Plant Operators Praised For Safety Record

A safety dinner, observing 521 days without an accident in operation of the Shell Gas Processing plant north of Ozona, was held at El Sombrero Cafe last Thursday evening with a group of Shell Oil Co. officials here from Midland for the occasion.

Shell officials from Midland included Sam Payne, area manager; Leo Mitchell, operations superintendent; L. O. Lord, area gas; and Bill Kennedy, personnel. Recipients of praise from the visiting officials were the local operating crew, headed by Dean Rippetoe, plant foreman; Jack Tankersley and Raymond Adcock, plant operators.

The Shell plant began operation under difficulties which made the accident-free days the more noteworthy. One of the tremendously powerful engines developed a malfunction and had to undergo a complete overhaul, necessitating around the clock work for the operation crew.

The plant is now functioning smoothly at above its forecast gas intake capacity. The plant is now processing about 12,000,000 cubic feet of gas daily from which it is extracting approximately 26,000 gallons of liquid daily. The plant may later be expanded somewhat by adding to its compressor capacity.

Mr. Rippetoe said, but is presently taking care of the field load adequately.

Mrs. Jesse H. Ross left Friday for Anchorage, Alaska, where she will join her husband Pvt. IC Ross, who is stationed at the Anchorage base. Mrs. Ross, the former Ora Mae Sparks, has been visiting her parents, Mr. and Mrs. Walter Sparks.

Indian Curry Sauce Base

4 slices bacon, finely chopped
 1/4 cup finely chopped onion
 1/4 cup finely chopped celery
 1/2 clove garlic, crushed
 2 tbs. salad oil
 1/4 cup flour
 Saute bacon, onion, celery and garlic in the salad oil in a heavy 1-quart sauce pan for 10 minutes. Gradually add the flour and continue cooking over low heat until mixture appears dry, but not brown (5 min.) Then stir in the following ingredients:
 1/4 cup curry powder
 3 tbs. tomato paste
 1 1/4 cups water
 1 tbs. lemon juice
 1/2 cup applesauce
 1 tbs. sugar
 2 chicken bouillon cubes
 1/4 teas. salt

Stir until ingredients are well mixed and mixture is thickened. Cover and cook over very low heat, stirring frequently, to blend flavors — about 45 minutes. Cool. Store, covered, in refrigerator. (This base will keep for at least 2 weeks). Makes 2 cups. Use as a base for lamb or other curries.

Indian Lamb Curry

2 1/2 cups diced onion
 1 clove garlic, minced
 1/4 cup butter
 4 pounds leg or shoulder of lamb, cut in 1 1/2 inch cubes
 2 quarts water
 2 tbs. coriander (optional)
 16 peppercorns, crushed, about 1/4 teas.

OZONA BOOT & SADDLERY
 "Cowboy Outfitters"

1/2 cup flour
 1 1/2 cups milk
 Saute onions and garlic in butter in a heavy skillet until transparent. Then remove the onions to a Dutch oven. Brown lamb quickly in the skillet, turning several times. Add lamb to onions. Then add water, coriander, peppercorns, tumeric, and salt to meat and onions. Cover and bring to a boil. Reduce heat and simmer about 1 1/2 hours, or until meat is tender.

Drain meat from liquid. To 1 quart of meat stock, add the Curry Sauce Base. Make a smooth paste of the flour and milk. Gradually add to the curry mixture, stirring constantly. Cook until thickened, about 5 to 10 minutes. Season with salt, if desired. Serve over rice. Makes 8 generous servings. This recipe was the main dish served Saturday night at the Civic Center at an Indian Dinner given by the Ozona Woman's League Supper club.

MRS. IRA CARSON SHOWS FILMS OF OZONA HISTORY

Last Wednesday, Mrs. Ira Carson presented the assembly. She showed slides of Crockett County and told the history of Ozona. Among the slides were early pictures of the court house, jail, and bank. The first pioneers' pictures and the pictures of Fort Lancaster proved interesting to all. Mrs. Carson told of the hardships which were normal ways of life to the founders of Crockett County. The students and faculty of OHS wish to thank Mrs. Carson for the very interesting program.

DO NOT READ THIS
 By Kathy McAllister

Many times when one tends to write an editorial he makes it too long. This editorial will be quite short and not too involved. Many editorials are too involved, and the reader often loses the point the writers is trying to get over. When the reader loses the point the writer is trying to get over he has wasted his time, which he can not afford to lose with everything a person has to do now-a-days, so I intend to make this editorial very short and not too lengthy. I will get right to the point and not get involved in a big discussion of a lot of big words.

Lions! Six weeks test are coming up next week, so study for your grades! They are not handed to you on a silver platter; you have to work for them!

It was in 1897 that the first "Ladies Day" in baseball was held. The Washington Senators issued a free invitation to the ladies, hoping it would bring out a few hundred shy but curious women. When the gates were opened, there were thousands there to cheer the handsome pitcher, "Winnie" Mercer. Mercer got into an argument with the umpire in the fifth inning and was tossed out of the game. At the end of the game, the furious females attacked the umpire and he had a hard time reaching the club house alive. It was many years before the Senators issued another free invitation to the ladies.

HERB'S HANGOUT

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

An alley off Grover Street . . . headquarters for a "big operation." This is Herb's hangout. And Herb is "the boss!" Here the kids report for their assignments. Here the loot is divided. Here strategy is mapped out for the next foray against a rival gang.

An alley off Grover Street . . . and while a proud community hardly lifts an eyebrow, tomorrow's underworld is growing, flourishing.

Two blocks away is old Trinity Church with its Sunday School, its Youth Fellowship, its dedication to God. What a difference old Trinity could have made in Herb's life; what character might have been molded among the boys who are now "Herb's gang!"

But Herb's folks and the parents of the other boys are among the millions of Americans who are *unchurched*.

An Ellenburger discovery was assured in Crockett County with the flowing of 92 barrels of new oil, no water, in nine hours at B. L. McFarland, Inc., Midland, No. 1-35 University, in 35-7-University, 13 miles southwest of Big Lake and one mile north of the shallow World field and 2 3/8 miles northeast of the Ranch (Strawn) field.

Flow was through a 14-64-inch choke and perforations at 8,050-70 feet, which had been acidized with 500 gallons. Tubing pressure was 650 pounds.

Testing continued. Corrected total depth is 8,113 feet, where 4 1/2-inch casing was set.

A San Andres gas discovery apparently has been assured in Crockett County with the flowing of gas at the daily rate of 1 million cubic feet, along with a mist of sulfur water, at McGrath & Smith, Inc., Midland No. 1-A Todd Ranch, in 36-WX-GC&SF, 15 miles northwest of Ozona and two miles northeast of the shallow Howard Draw field.

Operator perforated from 1,269-1,308 feet, acidized with 1,000 gallons and swabbed back the load; and then perforated at 1,190-94 feet, 1,200-1,203 feet and 1,211-222 feet and shut in overnight. Opened up and swabbed, it recovered 50 feet of water. Acidized with 1,000 gallons and swabbed three times, it started flowing gas at the above gauge, no oil, with casing pressure of 600 pounds. Testing continued.

The News Reel

A re-run of "The Ozona Story" gleaned from the files of The Ozona Stockman From The Stockman Nov. 11, 1937

Two driver license examiners from the Department of Public Safety will be in Ozona, Tuesday, Nov. 16, to conduct tests for drivers applying for their first licenses, according to Col. H. H. Carichael, director of the department.

It's a tradition in Crockett county — Mother Pernier, nee resident, is the first to enroll in the annual Red Cross drive. An unbroken record of several years standing remains intact again this year with the pre-drive enrollment of Mother Pernier in a mercy organization.

—29 years ago— Ranges in Crockett and surrounding counties were visited by soaking rains throughout the night and day in a slow soaking which added further moisture to the already well-saturated ground.

—29 years ago— State maintenance of the Ozona-Crookston road is to be sought by Judge Charles Davidson in an appearance before the Highway Commission in Austin at its meeting.

—29 years ago— Congressman R. E. Thomson of El Paso passed through Ozona Friday on way to Washington, stopping here for a brief visit with friends.

—29 years ago— Miss Louise Henderson received a new Buick sport coupe this week, delivered by Motor Co.

to be used in construction of cattle guards on county road.

—29 years ago— Although every statistical calculation points to an easy Broncho victory, an inspired Ozona High School Lions club could upset the dope bucket in this afternoon's annual Peace Day clash between the ancient rival gridiron teams of Sonora and Ozona.

—29 years ago— In competition with essays written by 3,000 students of Texas State College for Women at Denton, the composition of Miss Clara Mae Dunlap, daughter of Mr. and Mrs. W. E. Dunlap, was one of two selected as best in the school.

HOW THANKFUL SHOULD WE BE?

How thankful we should be to live in this country of America. Let us consider seriously and solemnly our responsibilities and our privileges. Because we know with our privileges come responsibilities. In this great land of America we are blessed above all peoples of the world. The material things of life are made available to the largest number of individuals by the extension of credit. This is one of our great privileges, and as with others, comes the responsibility of

paying our obligations on time, as agreed. When you, Mr. Merchant, are asked to grant credit, you want to give your customers fast, and efficient service. With little advance planning, and very little risk, you can do so by calling your Credit Bureau and requesting an oral report. When you need credit information fast, just give us a ring.

Kitty's Korner —
(Continued from Page One)

I heard a little gem the other day that may be more truth than poetry. I'll leave you with it, since you might want to mull it over at least a week "Never worry about what your kids are going to do; chances are they have already done it."

Cubs and B —
(Continued from Page One)

The Rankin 25, where Montgomery, smothered behind the line of scrimmage by the Red Devils, lateralled to Stuart, who was wide open and the Cubs scored again from the 23 yard line. The try for extra points failed and the score was 36-16.

Theseventh graders went in for the fourth quarter and held the big Rankin team to one td. and 2 points. Rankin's 24 points were all scored against the second string Cubs. Only two scores have been credited against the eighth graders for the entire season.

The second game was a different matter. It looked as if the Lions were in trouble when the Red Devils took the ball on the kick-off and drove downfield, chalking up one first down after the other until they crossed the Lions goal line for 6 points. However, the try for conversion failed.

The Lions were hit for a fifteen yard penalty after almost every play and at the end of the first quarter the Devils led 6-0. The second quarter was more of the same until late in the first half when on fourth down and 20 yards to go for a first, Beto Vargas faked the kick and ran for the first, picking up around 30 yards and putting the ball on the Lion

40. David Huff passed to Vargas for 10 yards and another first down. Another pass play from Huff to Danny Maness for 20 yards and a first put the ball on the 8 yard line. Huff passed to Donald Huff in the end zone for the td. Conners kicked the extra point and the Lions had a slim lead at half-time 7-6.

The only other score came in the third quarter when fullback Tommy Conner kicked a 35 yard field goal to give the Lions a 10-6 lead.

Late in the fourth quarter Rankin drove down to the Lions 4 yard line, but failed to score. By far the toughest game the Lions have had this year, they came away undefeated for the season, and set a record by being the first undefeated B-team in the history of Ozona High School.

Lions Wind Up —
(Continued from Page One)

standing, good enough for sole possession of second place behind Sonora. An Eldorado win would cause a three way tie among Ozona, Eldorado, and Rankin for second.

This year's Eldorado team has its usual good size and excellent speed in the backfield, but the Lions have a strong defensive record and are capable of stopping the speedy Eldorado backs.

The strong Lion defense has been spearheaded by Gary Sutton, 203 lb junior tackle, along with veterans J. DeHoyos, Childress, Flores, Ramos, T. DeHoyos, and Cox aided by Wesley West, Jack Applewhite, Larry Kilgore, Fleet Coates, Johnny Barbee, and Randal Clepper.

Offensively, the Lions have been paced by All-West Texas performer, Cox, a versatile 165 pounder who leads

District 8A in scoring with 15 touchdowns. Averaging over 9 yards per carry, Cox is also a threat on punt returns and kickoff returns as well as a pass receiver. Also high in district scoring standings is Ramos, halfback and placekicker, with 53 points.

The two Lion losses came when the Lions were injury ridden and could conceivably have been wins had the Lions been without injury. Following the two losses to Brente and Sonora, Ozona has won 5 straight, including a 25-0 beating of the high ranking Rankin "11".

Expected to start on offense for Lions are Flores and Kilgore, ends; Sutton and West, tackles; J. DeHoyos and Bland, guards; Marlin Farris, center; Cox and Ramos, halfbacks; T. DeHoyos, fullback; and Clepper, quarterback. Childress, Coates, and Applewhite are to see duty with the defensive unit.
