Kitty's Korner

By Kitty Montgomery

Well, it seems chain letters run in cycles, and they are going around again. I haven't seen any so interesting as the one a few years ago asking everyone to send a dollar to the man at the top of the list, and promising that when your name came up you would receive \$1,000, or something like that, if the chain was not broken. However, I think the argument put a stop to this one.

The funniest one I have seen is one Tom got recently. He instructed him to buy his wife up and send her the top man on the list, and his name to the bottom of the list and if the chain was unbroken he would receive \$5,000 women when his name came up. It also warned about breaking the chain, and that one man did and got "old lady" back again. I think he was sorely tempted, but he never could decide to wrap me for mailing.

Don't miss the open house high school next Monday. This will be the regular monthly PTA meeting and there will be a tour of the high school. The new language lab will be worth the trip. At present it is being used by Mrs. Edgerton for teaching Spanish. Each desk is equipped with a head-set and the teacher sits behind a control board that enables her to transmit lessons on tape. The student's head-set is equipped with a very sensitive microphone, enabling her to speak with the teacher when needed, and she in turn may communicate with the student separately. It's one of the latest innovations in teaching and should prove great value in most any subject except perhaps, math and shop.

Who knows, it might even help boys enjoy literature and that would be the greatest thing since the wheel.

I was enchanted with the exhibit held by the Women's Club Tuesday. I had an idea we had so many talented people in our midst. There were so many pieces of priceless foreign art also. Mrs. Cox and her committee must have put many hours of time into the planning and display. Everything is tastefully arranged and well displayed. Hope everyone had an opportunity to see the exhibit sometime during the day.

A check on the adult reading room in the new library revealed a fair number of books on the shelves. However, Mildred North pointed out that many, many more books were needed before the selection would be anywhere near complete. So, if you haven't already done so, through your book collection and bundle up the books you would like to donate. Call 392-2185 and Mildred will see that they are picked up.

Our choice for "woman of the month" goes to Carolyn Layton for her untiring efforts in the concession stand during football football season. She was always on hand to make more yards rushing than any player performing on the football field. She probably did pretty well the passing department however, no records were

County Pays Off Debt Balance On Diamond Jubilee

The financial fiasco that was the Crockett County Diamond Jubilee finally fell in the lap of the taxpayers when the Crockett County Commissioners Court meeting Monday voted a second contribution toward retiring the deficit, picking up the final tab of \$763.89.

When the four-day June celebration, which featured a nightly pageant at the football stadium, ending with a spectacular fireworks display, closed, the Jubilee committee counted up a net deficit announced at around \$2900.

After an announced plan to seek voluntary contributions from interested citizens was offered, a request was made of the county Commissioners Court to haul out some county funds toward taking care of the debt. The court responded with a donation of \$1,250.

There was more planning to seek citizens contributions but no drive seemed ever to get off the ground and the debt dragged until the Jubilee chairman, James Baggett, and vice chairman Bill Seahorn appeared before the court Monday to ask county funds to pay off the \$763.89 balance.

The Rogers Company, an Ohio based promotion firm, was employed by the Jubilee planners to stage the pageant and Mr. and Mrs. Mel Eckerstrom of the company spent some six weeks here planning and staging the historical spectacular for a fee of \$5,500.

Ozona FFA Wins Dist. Leadership Contest Places

Ozona FFA competed in the Concho District Leadership contests last Thursday in Eldorado and brought home a first place, two seconds and one fourth out of five teams entering the competition.

The radio broadcasting team, consisting of Larry Kilgore, Wesley West and Duwayne Vinson won the right to participate in the Area II Contest to be held in Big Spring, November 19, by winning first place in this division.

Teams placing second from Ozona were the Senior Chapter Conducting and the FFA Quiz teams. Members of the chapter conducting team were Kirk Boyd, Fleet Coates, Dennis Douglas, Don Edgerton, Jesse Deaton, Joe Bob Stephens and Terry Lindsey. They scored 948 points out of a possible 1,000. The quiz team, consisting of Eugene Vinson, David Hoover, Dan

Mrs. Mahlon Robertson presents one of her original oil paintings to Mrs. Hillery Phillips, Jr., president of the Ozona Woman's League. The painting will be sold at the League Bazaar Tuesday, Nov. 22 by sealed bid.

Churches Plan Community Service For Thanksgiving

Ozona's annual Community Thanksgiving services will be conducted Wednesday evening, November 23 at 7:30 at the Methodist Church. Everyone in the community is extended a welcome to take part in the services.

Five local churches will take part, with the pastor of the host church, Rev. Leonard Garrett, bringing the Thanksgiving message. Others taking part in the community-wide affair will be Rev. Max Brown, pastor of the First Baptist Church; Rev. Harry Earles, pastor of the Calvary Baptist Church; Rev. Henry Medina, pastor of the Temple Jerusalem Baptist Church, and Richard Gordon, deacon in the Mt. Zion Baptist Church.

Special music will be brought by the combined choirs of Ozona High School, First Baptist and Ozona Methodist Churches. Music will be under the direction of Tom Sims.

School Tour In Store For PTA At Monday Meet

The PTA will meet Monday night, November 21, at the high school. Highlight of this month's meeting will be a tour of the High School. The program is designed to let parents compare the school of today with the school they attended. The past two meetings have afforded parents the opportunity to visit the North Elementary School and Ozona Junior High School.

High school students will be given complete class schedules this week to take home to their parents in order that they may be prepared Monday night.

There will be a simulated school day with classes being held for 5 minutes and a lapse of 3 minutes between classes. Teachers will be in their rooms to welcome parents and guests. There will be no visiting until the school day program is completed.

Student Council members will be introduced in the auditorium and will be on hand to give information. All rooms will be available to visitors, including the science lab, ag. and h.e. buildings, band hall, shop and gym. The new library will be open to visitors along with the language lab located on the first floor of the building.

A report will be given by Lelley Mitchell and Kay Kyle on the Attorney General's Youth Conference which they attended in August.

The meeting is open to the public in general, but all parents of high school students are urged to attend. Hostesses will be room mothers of high school classes

Dist. 2 TS&GRA Members Meet In Ozona Today

Sheep and goat producers from a dozen or more West Texas counties composing District 2 of the Texas Sheep and Goat Raisers Association are meeting in Ozona today in the last district meeting of the Association year prior to the annual meeting in Ft. Worth in early December.

W. E. Friend, Jr., of Ozona, is district chairman and presided at the opening of the meeting at 10 o'clock this morning. Association officers and executive secretary Bill Sims were here and were scheduled to report on statewide activities of the organization.

The district meetings are held each fall to select new directors to attend the annual TS&GRA convention. Twenty directors are to be chosen from District 2. The number of directors allowed each district is determined by the number of members and the amount of dues paid.

The meeting will conclude with a barbecue dinner served by directors from this county at the civic center.

The Ladies Auxiliary of the District was also in session at the same time, naming new directors and discussing Auxiliary activities.

Junior Hi Cage Squads To Open Season Monday

Ozona Junior High basketball squads will travel to Eldorado Monday evening for their first games of the season. The seventh grade game will begin at 5:00 p.m. with the 9th grade game to follow. This time schedule will be used all season for both home and out-of-town games.

Ron Murdoch is coaching both squads this year. He formerly coached high school girls basketball.

Members of the eighth grade squad include Will Collett, Cuatro Davidson, Tom Davidson, Layne Garrett, Mickey McBroom, Jim Montgomery, Donald Olson, David Pagan, Philip Perner, Greg Stuart, Curtis Weant and David Williams.

Members of the seventh grade squad are Bill Edgerton, Hector Etheridge, Fernando Garza, Forrest Henderson, Mike Jenkins, Monte Pelt, Dean Shaw, Ned Stephens, Bill Turland, Cheo Vargas, Carl Welch, Chuck Womack and George Allen.

Managers are Fred Deaton and Craig Williams.

Committee Studies North Elementary Traffic Problems

The enduring problem of traffic congestion around the North Elementary school continues to cause school officials and law officers concern.

A committee composed of County Commissioner C. O. Walker, Sheriff Billy Mills and Principal Foy Moody of the No. Elementary has been named by the Commissioners Court to study the problem and suggest solutions.

The committee has made the study and is in process of formulating a suggested plan for improving the situation.

W. A. Moore of Bay City has returned to his home after a week's visit with his sister Mrs. Joe Pierce, Jr., and her family.

Lions To Host M'Casey In Cage Opener Sat. Nite

The OHS Basketball team will get the season underway this Saturday night when they entertain the McCamey Badgers in Davidson Memorial Gymnasium with B & A games set for 6:15 and 8 p.m.

Lion Coach Brooks Dozier will have 4 lettermen returning from last year's team that finished with a 16-10 record. George Cox, 5'10 1/2" is the only Senior letterman. Rex Bland, 6'1"; Larry Kilgore, 6'1"; and Marlin Farris, 6'5", are the three returning one year lettermen. Bland is a senior, while Kilgore is a junior and Farris, a sophomore.

Expected to round-out the 10 man varsity squad are senior Oscar Flores, 5'9"; sophomores Randel Clepper, 5'11"; Donald Huff, 6'; David Huff, 6'; Rodney Pagan, 5'10"; and junior Duane Childress, 5'7". Beto Vargas and James Appel are also candidates for the A squad.

Assistant Coach H. O. Hoover has several freshmen and sophomores trying for spots on the B-Team.

Once again District 8A will be divided into East and West Zones with the Lions in the West Zone. Sonora and Eldorado are expected to fight it out for the East Zone Championship while Iraan is favored in the West Zone with Ozona rated a strong dark-horse. The Big Lake Owls are last year's 8-A champions but have moved to AA this year.

Next Tuesday the Lions will travel to Crane for A&B games against the Golden Cranes who were runners-up at the state tournament last year in AA ball.

Board Prepares Rules For Use Of Park Facilities

At the request of the Commissioners Court the Memorial Fair Park Board submitted a set of suggested rules of operation for the park facilities which were read and approved by the Court in its November meeting Monday.

Four principal rules were formulated by the board for the park operation. They are:

1. No trading or holding of livestock at the park by any individual will be allowed.
2. An individual, local or transient, may keep a horse overnight in the park facilities.
3. Any club or individual desiring to keep livestock at the park for practice purposes must make arrangements in advance with the Park Board.
4. The club or individual using the Park facilities for the purpose of practicing will not be permitted to trade in livestock from the Park unless it is a final sale at the time of completion of the event or practice.

Ozonan Advances In Army Training

Ft. Polk, La. — Army Private Alejandro R. Tambunga, 19, son of Mr. and Mrs. Nato Tambunga, Ozona, Texas, completed a leadership preparation course at the Non-commissioned Officer Academy, Ft. Polk, La., Nov. 10. He received two weeks of intensive training in leadership, map and compass reading, weapons and drill in preparation for assuming a junior position of leadership in advanced infantry training.

Lions Finish Second In District With 13-12 Thriller Over Eldorado

A second half comeback by the Lions, wiping out a 12 point Eldorado halftime lead, gave Ozona a 13-12 victory over the Eagles last Friday night as the Lions closed out the 1966 gridiron campaign with an 8-2 season record and a 6-1 district record — good enough for sole possession of second place in the 8 team 8A circuit.

The running of Fleet Coates and Thomas DeHoyos plus the determined efforts of both the offensive and

defensive lines spurred Ozona on to its sixth straight win. Coates paced the Lions' rushing game with 138 yards while DeHoyos added 53 yards and raced 40 with a fumble for a score. It was the toe of placekicker Beto Ramos that brought about the narrow 1 point win as Ramos was on the mark following the first score, narrowing the gap to 7-12 before the last period TD brought the Lions from behind.

Midway of the first quarter, halfback Pat Childers surprised the Lions with a 48-yard scamper to paydirt, giving the Eagles a 6-0 lead. The try for the extra point was wide. Eldorado had taken possession of the ball at their own 34 prior to the scoring run.

Held to only 77 yards rushing in the first half, the Lions could not get their offense in gear in the first or second quarter, with the exception of a run of Ramos to the Eagle 5 yard line that was wiped out by an off-sides penalty.

With less than a minute to play in the first half, Childers, swiped a stray Lion aerial, returning 52 yards to the Ozona 13. On the next play, quarterback Danny Halbert passed to tall Donald Rogers in the end zone for the score. A passing attempt for the two points was no good, and Eldorado enjoyed a two touchdown advantage as the half ended.

With the Ozona defensive line putting a damper on the speedy Eldorado backs, the Lions hit the Eagles fullback at the line of scrimmage on a third down try and the ball popped into the air and was grabbed by T. DeHoyos, who sped down the sidelines untouched for a touchdown. Ramos added the extra point, closing the Eagle margin to 5 points.

Late in the third quarter, the Lions began a drive from their own 16 that carried inside the Eldorado 10 before it was stalled. Coates and DeHoyos did most of the damage with Coates hitting the tackles an ends while DeHoyos went up the middle.

Sparked by a 44-yard run by Coates, the Lions drove again to the Eldorado 6 where Ramos bulled his way into the end zone, breaking two tackles on the way. The Lions went for two points, but Ramos, on a pass-run option, was stopped just shy of the flag. With 4 minutes to go Ozona led 13-12.

But the ball game wasn't over, and both teams provided the fans with lots of action and excitement as the clock slowly ticked away.

Eldorado pushed to the Lion 20 where John Mayo attempted a go-ahead field goal only to have the kick blocked by the onrushing Ozona linemen. After three downs the Lions were forced to kick, but the punt was blocked by Eldorado, and the Eagles had another chance. This Eldorado threat was killed when Coates intercepted a pass with less than a minute to play.

The Lions played the game without their stellar, high scoring halfback, George Cox, who was sidelined with a leg injury.

Ozona led in first downs 17-11; yards rushing, 228-146; Eldorado led in passing 5-21-1 for 85 yards to 3-7-1 and 26 yards for the Lions. Both teams fumbled once.

Wool Contest Entry Deadline Set For Dec. 1

The deadline for entering the Make-It-Yourself-With-Wool contests is December 1, according to Mrs. Buster Deaton, District Director. Mrs. Deaton announced that the District Contest will be held Dec. 10, in the Civic Center Auditorium.

The contest is open to girls and women, with four age divisions. The sub-deb division takes in girls age 10-13; junior divisions, ages 13 thru 16; senior division, ages 17 thru 21, and all over 21 years of age will be entered in the adult division.

Entry forms may be obtained from Mrs. Deaton or Miss Loretta White, who is the county contest director.

Garments must be made from wool fabric loomed in the United States. Judging will be based on workmanship, beauty of design, coordination of design and fabric with the individual and fashion.

The winners from each division and category will be eligible to participate in the state contest to be held early next year. Several valuable prizes will be given to district winners in all divisions.

Anyone having any question about the contest should contact Mrs. Deaton or Miss White.

Postal Airlift To Speed Mail To Men In Overseas Bases

Postmaster Floyd Hokit announced today that all first-class mail, personal sound recordings and parcels weighing 5 pounds or less and measuring not more than 60 inches in length and girth combined, will be airlifted on a space-available basis between the United States and all military post offices overseas. Also, second class publications featuring current news of interest to the military will be airlifted from San Francisco to the Armed Forces in Viet Nam.

The parcels described above, paid at surface rates will be moved by surface transportation within the States from the point of mailing to the port of embarkation, Hokit explained. To speed up separation and delivery of the parcels falling in this category, all parcels must be clearly marked upon acceptance at the post office with the letters SAM (surface airlift mail).

Christmas parcels weighing 5 pounds and under, even though being airlifted on a space - available basis should be mailed no later than Dec. 1, airmail parcels no later than Dec. 10.

Coliseum Board Accepts Rules Of Student Council

Crockett County Commissioners Court, meeting Monday, heard a report from the auditorium-coliseum board. The Student Council of Ozona High School had presented rules for youth activities at the auditorium and these rules were approved and accepted.

The court approved purchase of materials to put a new protective coating on the floors as was done when the building was completed.

The court also authorized the purchase of a new hot water heater and divan for the fire station. The court voted that all county officials have corporate surety bonds instead of personal sureties.

Court minutes indicated that J. B. Post, hospital administrator, had reported all paintings and repair work at the hospital had been completed.

DRAPERY DOLDRUMS DAMPEN HOLIDAYS

This is the time of year when friendly folks give much time and effort toward planning holiday pleasures. Stores are gaily decorated and colored lights brighten the evening streets. Everyone is thinking of the gift-giving season ahead.

In all this fun and preparation, however, one of the best and most practical presents of all is often overlooked. Holiday plans often omit a shot in the arm for household fabrics.

According to Arthur Kyle of Kyle Cleaners drapes and slipcovers have been receiving a steady build-up of grease and dust. This dulls their appearance and may make your home look drab at the one special time you want to show it off.

Mr. Kyle suggests that a quick trip in for cleaning will refresh these household fabrics and give them renewed sparkle. Colors will be brighter and your spirits will be lighter. Your friends will marvel at your ability to lead such an active life and still keep your home shining.

PTA Has Success With Operation Of Concessions Stand

The PTA finished its stint at the concession stand last Friday night when the last home football game was held at Lion Stadium. Officials of the PTA were delighted with the success of this new fund raising venture and the school faculty expressed their appreciation to the PTA for manning the concession stand during football season.

Mrs. Tom Mitchell, PTA treasurer, reported the gross intake was around \$2400.00. She estimated that expenses would amount to slightly over one-third of this amount. Mrs. Mitchell, along with Mrs. Mike Clayton, who was in charge of the stand, expressed their thanks to all the parents of students who worked so hard donating their time and food to insure the success of the project. Most of those who participated felt that things will be much easier on everyone next year, as this was a first time for everyone involved.

The OHS Sophomore class will take over the concession for the coming basketball games in order to finance their annual dance. The junior class will be in charge during the annual basketball tournament, proceeds to be used for the annual junior-senior banquet and dance.

LANDSLIDE IN CALIF.

Comes gleeful note from Connally Stewart, former Ozonan employed by the Baird corporation, now living in Ventura, Calif.

"We Californians," wrote this not-unTexaned-Texan, "didn't have a backlash — it was a landslide. Do not believe CBS, NBC, or ABC."

Stewart was local campaign manager for Ed Foreman when he ran successfully against J. T. Rutherford for the 16th district seat in the U. S. House of Representatives in 1962.

Mrs. Post Speaks At Garden Club Meeting Monday

Ozona Garden Club met at the home of Mrs. Evart White Monday with Mrs. N. W. Graham co-hostess.

The subject of the program was "The Fruit of Knowledge is Progress." Mrs. Bailey Post spoke and demonstrated the principles of flower arranging.

Members of the Ozona Club who attended the Iraan Flower Show last week gave a report.

A report was also given on the District 8 Fall Convention held in Coleman Saturday. Five members of the Ozona Club attended, Mrs. Charles Williams, Mrs. Bailey Post, Mrs. J. W. Howell, Mrs. Maggie Crawford and Mrs. Glenn Sutton.

The group discussed plans to plant crepe myrtle in Memorial Park in the immediate future.

Each member brought a gift for the patients' Christmas boxes at McKnight Hospital.

"When the Frost is on the Pumpkin," the arrangement for the day, was made by Mrs. Max Schneemann. The material used was pyracantha and vegetables.

Refreshments were served to 23 members.

Art And Antique Exhibit Features Womens Club Meet

The Ozona Woman's Club met Tuesday, November 15, in the Civic Center for its fine arts program.

Mrs. Ted White, president called the meeting to order and led members in the club collect.

Mrs. L. B. Cox, Jr., co-ordinator for the art exhibit, gave a brief report on the recent flood damage to the priceless art treasures in Florence. She introduced Mrs. Ira Carson, who showed colored slides, Mrs. Carson used a recording by Donnatella de Ninno, a Florentine lecturer and an authority on Renaissance Art. He was Mr. and Mrs. Carson's guide in Florence during their trip.

Mrs. Cox and her committee arranged the art exhibit Tuesday morning. On display were some priceless objects of art belonging to local residents. Included in the exhibit were paintings, handwork, antique silver and crystal. Many of the works of art were made by the owners. There were others from all over the world. The exhibit was open to the public before and after the meeting.

Hostesses for the tea hour were Mrs. Tom Clegg, Mrs. Ira Carson, Mrs. B. B. Ingham, Sr. and Mrs. S. M. Harvick.

SPORTS WORLD
 By Joe Bob Stephens

Last Friday night the Lions showed their power and strength, both offensive and defensively, by overpowering the Eldorado Eagles by a score of 13-12. Thomas DeHoyos scored once and Beto Ramos scored once and kicked one extra point.

The whole Lion team was outstanding on defense throughout the pigskin contest. Congratulations are in order for Coach Mosley and Coach Gerber, plus the Ozona High School Lions football team for a very fine season.

In other sports, Rock-springs defeated the girls basketball team Saturday night.

Tuesday night the girls' A and B teams will take on Comstock here at 6:30 p. m. In boy's basketball, the A, B, and freshman teams will play McCamey here Saturday night.

D-DAY

By Joe Bob Stephens

The night before you had gotten all of your supplies together. Your pick-up is loaded and ready to go. Then early the next morning you get all bundled up for the big, cold day outside.

You think you'll never get to leave town, but finally you are on your way to hunt those big, four legged, horned animals commonly known as deer. You arrive at your destination and it is colder than the thirteenth night at the north pole.

By the time you put on more coats, it is hard to lift your arms or even more. After awhile, the sun finally comes up and you begin to thaw out a little bit. Now your eyeballs become active once again and you can see where your going. You crane your neck to see upon the side of the mountains.

Then there it goes, an overgrown jack rabbit, bouncing off through the sticks. Now you settle down and start looking again.

Now as you stand on top of the mountain, you have a deer's eye view of the canyon. You chuck a big old

CONSIDERATION IN WORD

Many people of Ozona have asked me to write an editorial about the foot traffic at High School at dinner between periods, and school. Students when are walking across the library, band hall, H. R. apartment, or gym, look for cars. Give hands them, and if they stop you to cross, don't take time but hurry! (Chances are they are in just as much a hurry as you are.) They were nice enough to let pass, to have a little consideration for them.

At dinner and after school is said to be the worst of foot traffic. Many take advantage of the crosswalk car is supposed to give way, but when a student sees a car coming, and starts to walk slower, and the car may get very upset and the time he may not even though it's the best.

The student is partly blame because he has no consideration for the driver. Some day a student is going to be hit because of his carelessness.

When you walk across the street, please slow drivers. I don't want you driving without wanting to be cautious or hazardous or having to be more careful. I am sure a driver, who is also.

By now its dinner time, you're disappointed, tired, hungry and mad. You gobble your dinner and start off again. Right now you're willing to shoot anything, even a tumble bug.

Finally in disgust, you unload your guns and start home. Lo and behold there are deer everywhere now and by the time you get your gun down they are gone. All you think about is a nice pan of hot water to soak your feet in and the next time you go hunting.

Its new look is just one nice thing about the '67 Chevy pickup

'67 Fleetside Pickup

THERE ARE LOTS OF OTHERS.

For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhousings with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas.

Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

More Lions Roar

...please consider your slow drivers. If you haven't started driving. I am sure when you do begin you won't want to spend 10 minutes waiting for an obnoxious or hateful student who is being difficult and slow. I am sure if you will be a little more considerate of the driver, he will consider you also.

I KNOW I FORGOT SOMETHING

Monday morning and member of the Lions Roar is going to school.

Oh, there is Connie and didn't write my article for the paper. Maybe if I go over that way she won't see me. What excuse can I use this morning? Let's see, last week I told her I forgot all about it. The week before that, that I left it at home. All I could say I didn't understand what she told me to write. Hm. I believe I have used that excuse too.

Oh, you say you don't know yours either. Well, nobody is perfect!

IS SPORTSMANSHIP FOR YOUNG ONLY?

From the moment a student enters school, good sportsmanship is taught to him everyday. Each child is corrected for bad sportsmanship (if he shows it) in all athletic contests especially.

At the Ozona-Iraan game, some of the parents who have children in school exhibited bad sportsmanship by booing. These are the adults who preach sportsmanship to us and then turn around and do the exact opposite.

How are students supposed to know how to act at athletic contests if the adults continue to act this way?

Poor sportsmanship brings a bad name for a person and to the town in which he lives.

Good sportsmanship should be practiced by young and old alike.

TIME OUT FOR TURKEY

Starting next Wednesday, OHS students will begin a four day vacation for the Thanksgiving Holidays. School will be dismissed at 2:30 and will resume at regular time on Monday. All students are encouraged to take full advantage of this brief vacation by resting and eating plenty of goodies.

QUESTION OF THE WEEK

By Patsy Walker

If you could elect any student in OHS to be Principal of the Day, who would it be? Why?

Kay K - Me, so I could sit around all day with my feet propped up.

Connie B - Mary Ann, she'd probably declare a holiday and turn out school.

Rodney P - Rutherford, he'd have recess all day.

Randel C - Myself, I'd outlaw Spanish.

Rodney R - Me, I'd expell the Junior girls because all they do is cause Clepper and me trouble!

Bentley - Randel, 'cause he'd outlaw Spanish.

Vickey W - Me, because I'd do away with six-weeks and mid-term exams.

Cookie C - Mary Ann,

because she'd put Mr. Pelto in detention.

Dennise C - Me, I would dismiss school for a week.

Janie E - Pitts! She'd show Mr. Pelto how to run things! Yeah!

Diana Deaton - B. Sikes so I could start my Drivers Ed.

Betsy S - Me, I'd do away with detention hall.

Skookie E - Betsy, cause she'd do away with tardy slips.

Eugene V - Mike Baker, so everybody could wipe him out.

Kathy Russell - Me, because I could test the candy machines instead of Mr. Pelto.

Nip and Tuck

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

How I had dreaded cleaning the attic! But it was all worth it after I found the picture of Nip and Tuck when they were puppies. I sat down there and then in the cold, dusty room and recalled the day when Bob brought them home to Carol. How she laughed and loved them and flung her arms around both our necks in excited gratitude. How much fun we three had, watching the cunning antics of the canine infants.

Nip is gone now, duly mourned and buried under our apple tree, and Tuck, gray and crotchety, limps if he moves too fast. Carol lives in Cincinnati in a happy home of her own, and I carry roses to the cemetery on the hill.

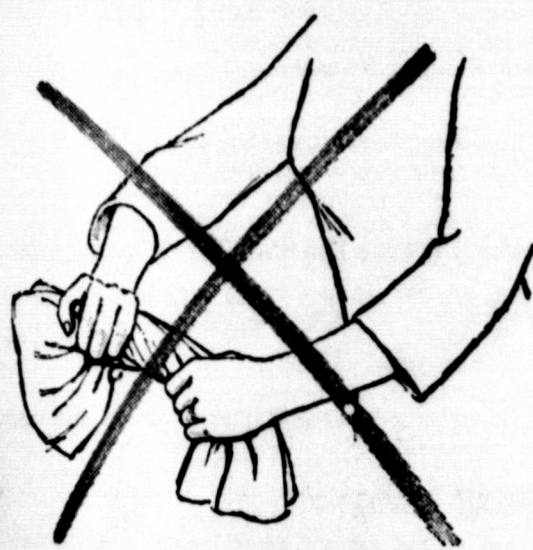

What a wonderful gift is memory. My days are rich with remembrances of the good life Bob and I had. How glad I am that we shared, not only a home, but also a love for God and His Church so that though now I am lonely, yet I am not alone.

Woman's League Gift Bazaar Open Tuesday 10 to 5

The Ozona Woman's League will hold its annual gift bazaar Tuesday at the Civic Center. The bazaar will be open from 10:00 a. m. to 5 p. m. and the public is invited to make selections that range from baked goods to arts and crafts. All items are made by members of the League and the bazaar is their only fund raising project of the year.

There will be many gift items, especially for children and the club is most anxious that everyone come and look over the many lovely and practical things.

A drawing will be held for 30 books of Frontier Savings Stamps before closing time. Tickets may be purchased from any member or may be bought at the bazaar for \$1.00 each. Sealed bids will be taken all day on the painting now on display in the Village Drug. The painting was done by local artist, Mahlon Robertson, and bids of under \$25.00 will not be accepted.

Another feature this year is the pre-ordering of baked goods. Mrs. Joe Bean heads the committee and is now

taking orders to be delivered at the bazaar next Tuesday. There will be many kinds of cakes, cookies, pies, etc.

When you love your work, it shows.

And we love our work. So much that we couldn't bear to stop with the slickest-looking split grille ever to grace a Wide-Track. (Or any other car, for that matter.) We went ahead and made the windshield wipers disappear. The car not only looks cleaner, but the wipers are less subject to icing and freezing, too. Then we got rid of the vent windows on all Grand Prix hardtops. We replaced them with nifty monograms and a flow-through ventilation system. We even designed a rather unique hood-mounted tachometer

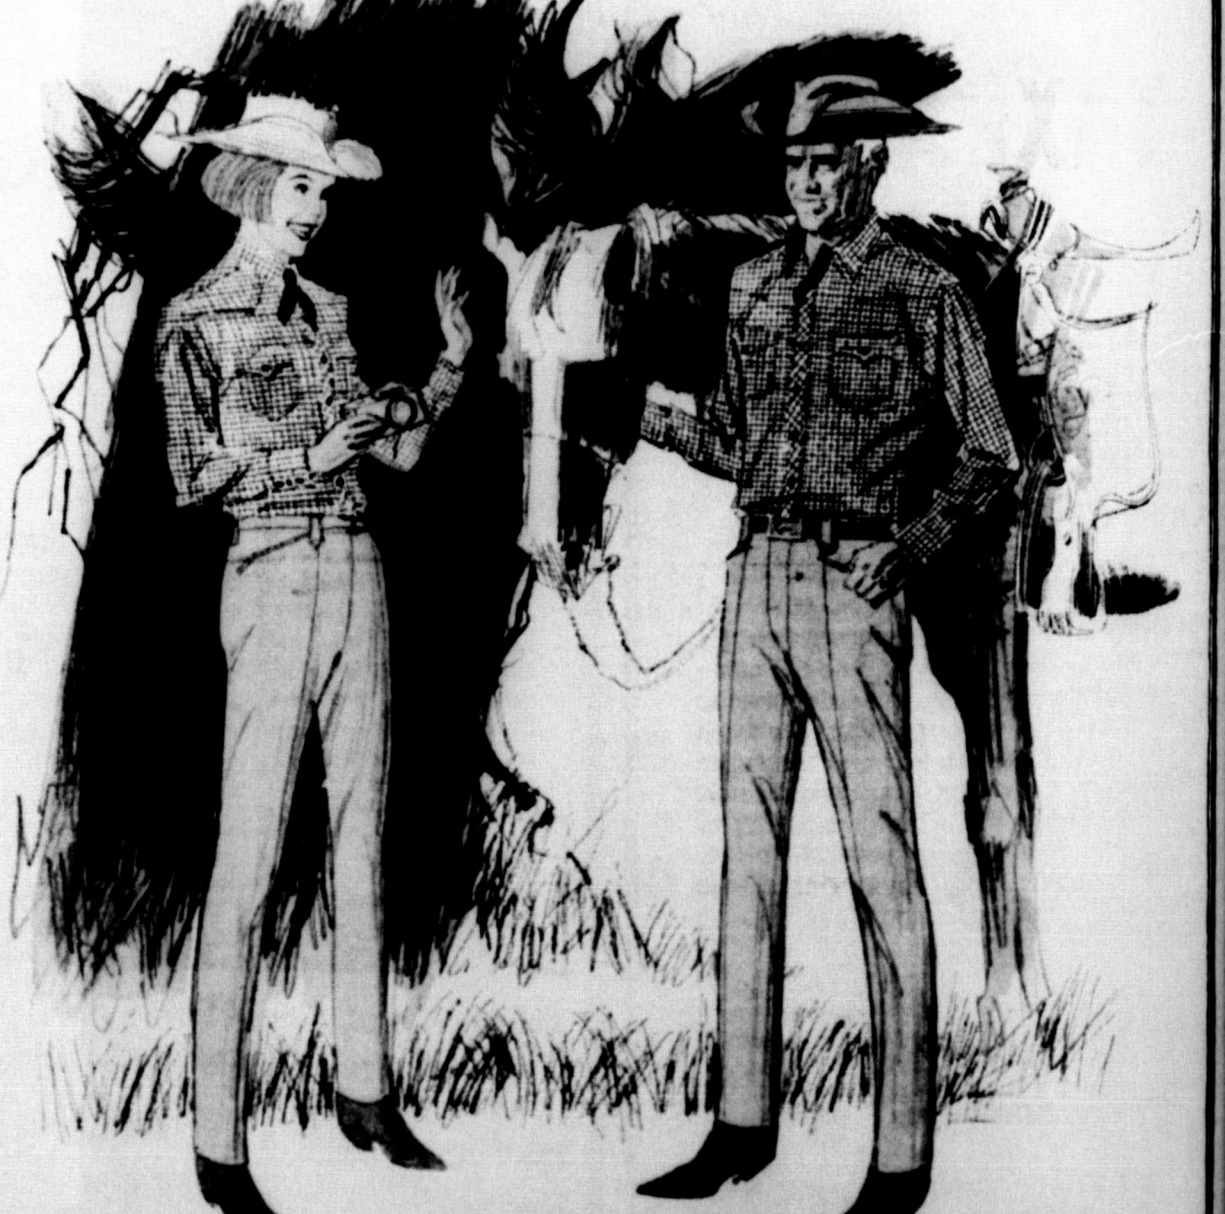

option that's available on all Pontiacs. As are our other new options like stereo tape and stereo radio. And, of course, our handsome interiors have to be seen to be believed. All Pontiacs have standard safety features that include a dual master cylinder brake system with warning light, outside rearview mirror, and GM's energy absorbing steering column. Isn't it time you decided to see your Pontiac dealer? If you love our work the way we do, it's the least you can do.

RUTHELLA JANE NICHOLAS

Wedding Plans of Ruthella Nicholas, Charles Dacy Told

Mr. and Mrs. Milton Nicholas of Ozona have announced the engagement of their daughter, Ruthella Jane, to Charles Franklin Dacy, son of Mr. and Mrs. M. F. Dacy of Eldorado.

Miss Nicholas is a graduate of Ozona High School and Columbia Secretarial College Odessa, and until recently was employed in Dallas.

Her fiancé is a graduate of Eldorado High School. He attended Sul Ross State College and was graduated from Midwest College of Commerce, Colorado. He is currently employed by Southwest Texas Electric Co-operative in Eldorado.

METHODIST WSCS

The WSCS held their annual Community Center Day Wednesday afternoon at the Center with their Toy Shop program.

The Thanksgiving theme was carried out in the table centerpiece and decorations. Mrs. Ralph Jones was the program director.

Miss Ethel Wolf and Miss Dorothy Price spoke on their work at the Center. Participating on the program were Melissa Zapata, Wanda Wilson, Enemencia Diaz and Mary Jane Martinez, all part of the work at the Center, having attended all activities in the Center for several years.

Members of the WSCS and Wesleyan Service Guild attended.

BIRTHS

Mr. and Mrs. Joe Lara are parents of a boy, Michael, born Nov. 10, 1966.

Recipe of the Week From Kitty's Kitchen

Corn Tamale Leaf
1 med. onion (chopped)
1 clove garlic (minced)
½ cup cooking oil (Crisco oil)

1½ cups yellow corn meal
1¾ cups hot chicken broth (canned broth may be used)
1½ cups cooked chicken, diced (or canned)

1 can tomato sauce, 8 oz.
1 tbs chili powder
1 teaspoon salt
½ teas. pepper
3 eggs beaten
1 No. 303 can cream style corn

1 tbs. butter
Saute onion and garlic in oil until tender, mix with next 8 ingredients and blend well. Pour mixture into greased 9-inch loaf pan.

Pour can of corn mixed with butter on top. Set in pan of hot water and bake in 375 degree preheated oven for one hour or until firm and brown.

Pat Womack Aiguier sent the above recipe. She discovered it while visiting in Oklahoma and sent it to us to share with you.

It's another of those meal-in-one recipes, and it is delicious. All you need is a salad and bread and you are in business. We enjoyed it with avocado salad.

FAVORITE SPORT MEMOS

By A. R. Rutherford

In 1913 in America, golf was a game enjoyed by only rich socialities, but that year England decided to send over its two most famous golfers, Harry Vardon and Ted Ray, to compete in the United States Open. It was a foregone conclusion that one of these two would win; however, Francis Ouimet, a nineteen year old ex-caddy, played in the Open for the first time and amazingly tied them at 72 strokes. In the play-off, he beat them by five strokes and won the championship. This sensational victory revolutionized the game and changed it into a popular game for all.
