NUMBER 51

Court Names New Members to County Boards

New members were recently appointed by the county commissioners to serve on various boards over which the court has jurisdiction. Members terms run from April 1, 1967 to April 1, 1969. Holdover members' terms run until April of 1968.

Recently appointed members to the Crockett County Hospital Board include Mrs. Charlie Black, who was appointed last year when Mrs. J. C. Burnett resigned to accept a position at the hospital. Mrs. Black was appointed to serve two years term, along with W. T. Stokes and Dean Rippetoe. Holdover members are Bud Hoover, L. D. Kirby and Mrs. Fred Hagelestein. Retiring members include Nat Read and W. O. Reeves.

New appointees to the Memorial Fair Park Board include Mrs. Herbert Kunkel, Mrs. Ralph Jones, Jack Williams and Harold Shaw. Holdover members are P. C. Perner, George Bunker, Jr. and Sam Perner. Retiring from the board are Oscar Kost, Bud Cox, Charlie Davidson and Bob Childress.

New members of the Civic Center Board are Mrs. Tom Mitchell, O. R. Blanton, Frank McMullan, Jr., Luis Martinez, and Floyd Hokit. Holdovers include Dr. Joe B. Logan, Mrs. Dempster Jones, Mrs. Roy Coates and Mrs. Buddy Russell. Members finishing terms are Sam Martinez, Henry Miller, Joe Couch, Mrs. Boyd Baker, and Mrs. Thad Tabb.

Each year the club sponsors this sale of mops, brooms etc. all merchandise made by the blind. Chairman of the sale this year is Wayne Loury. He plans to canvass the entire town with crews of men and merchandise, beginning Thursday morning. However, he said orders could be called in ahead of time and will be delivered, or merchandise may be purchased at the shopping center site. He also said there probably would be a booth set up at the post office.

Lions Broom Sale March 16

The Lions Club's annual broom sale has been set for next Thursday, March 16. The big Caravan Sales for the Blind truck will be stationed at the Village Shopping Center from 7 a. m. throughout the day.

Proceeds from the sale will be used to finance eye operations, glasses and the club's project of helping the ill.

1500 Visitors To Crockett Museum Counted In 1966

The annual tally of Crockett County Museum visitors showed a total of 2,509 persons for the year of 1966. June was by far the biggest month for the museum with 648 visitors, the largest percentage during Jubilee Days. July and August followed with 468 and 352. Attendance dropped after the summer vacation months.

Ten visitors from foreign countries registered. Countries represented were South America, Canada, Costa Rica and South Africa. From the United States, 380 visitors registered. From Texas there were 1,118 and local visitors accounted for 1,001.

Dr. Elwin Skiles

HSU President To Preach Sun. At First Baptist

Dr. Elwin Skiles, president of Hardin-Simmons University, will be the guest preacher at the First Baptist Church Sunday and will be present for both services, morning and evening.

Dr. Skiles, a native Texan, attended Hardin-Simmons and graduated from Baylor and Southern Seminary. He has served as president of many civic and religious organizations.

Having a great interest in the youth of the country, he conducted a World Tour for Young People in 1963 and 1966.

Dr. Skiles' pastorates have been varied and he has served both in and out of Texas. He was a Navy chaplain from 1947 to 1946.

The public is cordially invited to attend both church services.

South Elementary PTA Met Mon. Nite

The South Elementary PTA met Monday night in the school cafeteria with Jesus Castro presiding in the absence of the president, Johnny Ramirez.

The program was given by Mrs. R. A. Harrell, assisted by Mrs. Charles Edgerton. Theme of the program was "Accepting Responsibility in Our Heritage." Slides of Ft. Lancaster were shown.

Mrs. Chick Womack's second grade won the room count.

Hostesses for the evening were Mrs. Joe Galvan and Mrs. Johnnie Ramirez.

Ozonan's Nephew Wins Commendation In Vietnam Action

Word has been received here by Mrs. W. T. Goodson that her nephew, Hospital Corpsman 3rd Class James R. Smith USN, has been presented the Certificate of Commendation from the commanding general of the 3rd Marine Corps Division, for outstanding service in the republic of Viet Nam.

The certificate was presented for Corpsman Smith's enthusiasm, loyalty and devotion to duty. "For his establishment of an aid station where he treated an extraordinary number of patients in an efficient and competent manner under adverse conditions."

The certificate further states "His attention to duty at all times was in keeping with the highest traditions of the U. S. Marine Corps and Naval Service."

Corpsman Smith attended Ozona schools most of his life, until moving to Big Spring, where he graduated from High School. He is the son of former Ozonans, Mr. and Mrs. James Smith of Trona, Calif.

Ozona PTA To Be Disbanded At Year's End

Apparently the victim of member fatigue, an old and respected organization will breathe a long sigh at the end of this school year and retire into the limbo of lost causes.

The Ozona Parent-Teachers Association, long more teacher than parent in membership attendance, has voted itself out of existence come the end of the present school year. Some will breathe a sigh of relief and others of regret at the passing of an institution whose activities have been tied to school children and school facilities, sometimes straining parent members to produce a program of worthwhile activities.

Organizational fatigue became apparent when a nominating committee failed to come up with a slate of new officers for the coming year — nobody wanted to assume the burden of leadership or committee work. So the executive board, after taking a mail poll of the membership, voted to disband the organization in keeping with the majority vote of those responding to the poll.

So, will come to an end at the close of this year, an organization almost as old as the school system itself, whose record is sprinkled with major accomplishments in the field of service, with frustrations for dedicated workers and with internal bickering that often weakened its purposes. So, a salute to the leadership, past and present, and to the dedicated workers over the years who saw good in the organization's program and sought school and community betterment thru its offices. And a "Requiescat In Pace" to a new, absolute cause.

Town Grass Fire Does No Damage

Firemen were called out Saturday to extinguish a big grass fire on Hwy 290 west near the Dairy Mart. However, as it turned out the land was being burned off to prepare a site for building and was well supervised.

Because of the flames and smoke, some well-meaning citizen called the fire department, but according to fire chief Jim Marks things were well under control and no property damage was incurred.

Annexed Areas Granted Lower Insurance Rate

Ozona residents whose property was annexed into the Crockett County Water Control and Improvement District No. 1 in last year's election will enjoy the benefits of lowered fire insurance rates as of March 1.

County Judge Bernice Jones received word from the State Board of Insurance last week that the new rates had gone into effect. The action was taken after the commissioners court requested the extension and submitted a map outlining the new boundaries of the water district to the Commissioner of Insurance.

Areas taken into the boundaries of the water district as a result of the election include Henderson Heights, Chandler Addition and Lima Addition up to and including the sewer plant.

Third Year in a Row — Ozona Racks Up Decisive Victory In Own Invitational Track Meet

Ozona High School racked up 6 firsts as they swept to their third straight victory of the Ozona Invitational Track Meet. The Lions of Coach Chick Womack and assistant coaches Grosse Moehler and Joe Marlett scored 128½ points for the championship trophy while Eldorado and Sonora trailed with 100 and 83 respectively.

Adult Education Classes Begin Friday, March 17

Adult education classes, sponsored by the Ozona Woman's Forum, will begin Friday, March 17, with registration. Classes will meet each Monday night for the following six weeks. Sessions will be from 7 to 9 p. m.

This year bridge lessons will be taught in the library by Mrs. Gid Carlisle, typing in the typing room by Mrs. Carl North, tailoring will be taught by Miss Loretta White in the HE building, and new math, by Grosse Moehler. Other classes may be added before registration date, according to Mrs. James Baggett, chairman of the project.

Mrs. Baggett stressed that the classes were open to all adults. However, the typing and tailoring courses will be limited to the first 20 who call or register for each course. Those interested may call Mrs. Baggett or Mrs. Kirby Moore, Forum president, before March 17.

The project was most successful last year and Forum members are anticipating a great deal of interest this year.

Ozona Teachers Attend District TSTA Convention

Ozona schools will be closed Friday to allow members of the faculty to attend the annual convention of the Mid-Texas Education Assn., District 11, Texas State Teachers Assn., to be held in Brownwood tonight and all day Friday.

Official delegates from the Ozona chapter of the Association are Mr. and Mrs. Roy Killingsworth and Ron Murdoch. Supt. L. B. T. Sikes is Public Relations chairman for the district, and will make a report on work in this division at a breakfast Friday morning.

The opening session of the convention will be at 7:30 tonight, with the next general session at 9:30 Friday morning and sectional meetings during the afternoon. Sessions of the convention will be held in the coliseum at Brownwood.

Little Leaguers Plan For Season

The official Little League season will be kicked off May 4, it was announced at a meeting of Little League planners Monday night at the Civic Center.

A group of enthusiastic LL fans discussed the concession stand, equipment and supplies for the teams, insurance on the players and ways and means to raise money for Little League.

The regular Little League teams will have the same managers as last year. However, there will be some changes in minor league managers and coaches. Help is urgently needed in the younger league and anyone interested is asked to contact Bill Lewter.

The regular league will have the same umpires as last year, but umpires are needed for the minor league games.

Girl Scout Day Camp Plans Made

In a Girl Scout Neighborhood meeting held Tuesday at the home of Mr. and Mrs. Ronald Pennington, plans were made to hold the annual Day Camp May 22 through 26, with Day Camp instructor training to be held April 4.

A committee consisting of Mrs. Mike Clayton, Mrs. Jim Marks and Mrs. George Bunker, Jr., was appointed to collect craft ideas for Day Camp.

Girl Scout Week, March 12-18, was discussed. It was decided that each troop would celebrate the week in individual ways.

Leaders present were Mrs. Clayton, Mrs. Joe Boy Chapman, Mrs. Marks, Mrs. Bunker, Mrs. Mike Miller, Mrs. Sam Fitzhugh, Mrs. Doyle Lovell, Mrs. Charlie Davidson, Mrs. Frank McMullan, Jr., Mrs. Sam Perner and Mrs. Jimmy Jones.

COOKIE SALE NOTICE

There will be no pre-orders taken on Girl Scout cookies. All sales will be direct when the cookies arrive and are distributed to the girls on March 25.

If you have pre-ordered your cookies, please disregard and buy from the girls who call on you.

Tippett Field Gains Two New Oil Producers

Chambers & Kennedy, Midland, No. 1-Amacker, in 35-31-H&TC, location north-east offset to the north of No. 1 Amacker, dual opener and lone producer in the Tippett West (Ellenburger and McKee oil) field of Crockett County and a north offset to Gulf Oil Corp. No. 2-E Tippett, indicated lower Permian oil pay opener, 8½ miles south of McCamey, has indicated oil and gas production in unidentified zones, possibly lower Permian.

Gas surfaced in three minutes and oil in 10 minutes flowing at the estimated rate of 10 barrels per hour on a 20-minute drillstem test at 4,945-5,021 feet. Reversed out was 25 barrels of oil; recovery below the circulating sub was 150 feet of heavily oil and gas-cut mud.

Flowing pressure was 685-1,254 pounds; 30-minute initial shut-in pressure was 2-469-pounds; and 45-minute final shut-in pressure, 2,456 pounds.

Gas surfaced in two minutes, at the estimated rate of 8 million cubic feet daily, and oil in 10 minutes, no gauges, on a 20-minute test at 5,093-5,131 feet. Recovery was 330 feet of 43.3 gravity oil and 30 feet of filtrate water.

Both boys won first place medals as Cox sped to an easy win in the open 220 with 23.5 clocking into the wind and Sutton got off a tremendous heave in the discus good for 166 feet ¾-inch to break the meet record held by Gary Pagan of Ozona in 1965 (148 feet 6-inches). Sutton's throw is one of the best distances in the state of the young track season.

Button added a second with 51 feet 4 inch toss in the shot behind John Mayo of Eldorado who broke the meet record with 52 feet 2½ inches. Cox ran two strong legs on the winning 440 yd and 880 yard relays.

Freshman Tony Cullins won the pole vault with a winning height of 11 feet 6 inches. Maggie Galindo, sophomore distance runner, copped the mile run with a time of 4:54.7. Cox, Thomas DeHoyos, Beto Diaz, and Catarina Cervantez, tied the 880 relay record with a 1:35-6 clocking. Cox, DeHoyos, Diaz, and Fleet Coates took the 440 yard relay title with a 45.5.

Derold Maney finished 2nd in the grueling 330 yard intermediate hurdles behind Laney Cook of Sonora, and Randel Clepper got 8 points behind Cook in the 120 yard high hurdles. Other tracksters who added valuable points to the Lion total were Martin Farris who tied for 3rd in the shot; Diaz with a third in the 100 yard dash; DeHoyos had a 6th in the 220; Joe Cantu a 6th in the 880 yard run; Joe Bob Stephens a 6th in the mile run; and Danny Maness had a 5th in the high hurdles.

Peggy Hagelestein, OHS junior, reigned over the 15th Annual Ozona Invitational Track Meet as 1967 Track Queen. Duchesses included sophomore Helen King, junior Margie Carnes, and senior Cynthia Mahon.

This Saturday the Lions will be entered in the Sonora Relays.

ELIGIBLE FOR KINDERGARTEN

Mrs. Gertrude Perry has received tidings that her grandson, Jon, son of Mr. and Mrs. Joe Perry of New Orleans, La., has successfully met the first challenge in his path to educational attainment — he has passed his maturity test to enter kindergarten — a requirement in Louisiana. Anyway, the Perrys are moving to Houston soon, forced to leave behind his attainment in Louisiana — not needed to enter a Texas kindergarten.

50TH ANNIVERSARY

This year marks the 50th anniversary of the Bolshevik revolution. Cheer leaders for Communism are working overtime to rally recognition of the anniversary. The party press prints passionate paeans to the founders of Communism and the wondrous accomplishments of the past half-century. In our own country the party-line publications salute the prospects for increased trade and liaison of all kinds between Communism and the free world... the beginning of a new era.

Every word printed, every song sung, every diplomatic reception, every gaudy rally, every obscene celebration in this 50th anniversary year is designed to harangue free men into accepting Communism as a reality — into believing that Communism has arrived, come of age, matured, proved itself.

Don't you believe it! At no time in these 50 years, and nowhere on this planet has Communism proved itself. The "dictatorship of the proletariat," promised by Karl Marx has become, in every instance, a dictatorship over the proletariat.

No country has ever adopted a Communist government, willingly.

The gifted, the productive, the creative have been systematically executed in every country where Communists seized power. Communism has survived nowhere except by force — blackmail, subversion, treason, torture, threats.

In a half-century, when the free enterprise system provided its supporters the highest standard of living in recorded history, made the working man a free agent negotiating for his services, a buyer of luxury goods, and an investor in industry, Communism was selectively issuing work cards, chaining any worker to any workbench or implement it chose, at slave's wages. In that same fifty years, Americans produced millions of tons of surplus food which they shared with the less fortunate about the world — while Communism could not even organize a system which would feed its own people.

The record is that just since the end of World War II (reliable earlier figures are not available) 3.73 million desperate people have

Zippy Chicken 'n Rice

- 1 can of beer
 - 1 cup water
 - 1 tsp. salt
 - 1 cup uncooked rice
 - 1 medium onion
 - 1 stalk celery
 - 2 tbs. butter
 - 1 can pimentos
 - 1 can water chestnuts (diced or sliced)
 - 10 ripe olives
 - 1 can tomato sauce
 - dash of pepper
 - 1/2 cup water
 - 3 cans boned chicken
- Mix beer, water and salt in saucepan and bring to a boil. Add rice, bring to a boil again, then reduce heat and cook slowly until the rice is tender. While rice cooks, chop onion and celery very fine. Cook in melted butter in large skillet till onions are limp; now add chopped pimento, olives, tomato sauce, salt, pepper, water chestnuts, 1/2 cup water and chicken. Cook over low heat for about 10 minutes then mix in the cooked rice.

This is what the Communists and their friends are celebrating!

**HIGHLIGHTS
AND
SIDELIGHTS**

From Your State Capitol

Austin, Texas — Three pieces of major legislation passed by the House now have landed on the Senate's doorstep.

These include:
Location option authority for financially - distressed Texas cities to levy a one-per-cent sales tax. (Vote: 85-36).

A stiff code of ethics for legislators and other state officials and employees. (Vote: 146-6).

Repeal of "emergency purchase" provisions to put teeth in Sunday closing laws. (Vote 132-14).

Time Out—First big break in one of the session's closest-fought contests — over whether Texas should go on Daylight Saving Time — came when the Senate state affairs committee approved the exemption bill.

Theater owners, restaurant operators and farmers backed the bill, by Sen. Joe Christie of El Paso, to continue Texas on Central Standard Time. (After April 1 the new federal Uniform Time Act goes into effect everywhere except where state legislators vote otherwise. Only one state, South Dakota, so far as passed an exemption act.)

Panel was unimpressed with arguments of television broadcasters, railroad and airline spokesmen that the state must stay in time with the rest of the nation.

Veterinary Laboratory — Bill to create a Veterinary Medical-Diagnostic Laboratory for Texas farmers and ranchers at Texas A&M University has been sent to the Governor for his signature.

Purpose of the laboratory is to give speedy and accurate analyses of samples from possibly diseased animals to help local veterinarians diag-

nose and treat the animals. **Livestock Markets** — Sen. Wayne Connally of Floresville and Rep. Charles Jungmichel of La Grange have introduced legislation to place greater emphasis on encouraging the construction, development and expansion of services and facilities of livestock markets in Texas.

Connally's bill would establish a charter-fee system to govern livestock markets and to create a seven-member Public Livestock Board in the state government to grant charters and supervise the markets where livestock are auctioned.

Teaching of Spanish — Rep. Ralph Wayne of Plainview has introduced a bill requiring public schools to offer courses in Spanish to students in the second, third and fourth grades.

Wayne's bill, now in the House Education Committee would require that within five years after passage of the bill, every elementary school in the state begin teaching Spanish to students in at least those three grades.

Bank Check Expanded — Texas Banking Department announced plans to expand routine examination procedures to include direct verification of customers' deposit and loan balances in state chartered banks.

Examiners would mail verification forms to bank customers whose accounts are selected on a random sampling basis. Customers would be asked to verify deposit or loan balance indicated.

"Persons hardest to convince they are of retirement age are children at bedtime."

Only Six Weeks Left For Vehicle Safety Inspection

Austin — The Texas Department of Transportation today said that vehicle safety inspections must begin on the first of March.

Col. Homer Cannon, DPS Director, said law allows for no extension of the April 15 deadline for drivers to have their vehicles inspected by last minute lines beginning.

Garrison pointed out some two and one-half million vehicles in the state must be inspected to comply with the law.

This amounts to an average of 14 vehicles per day for each of the 150 counties.

"Undoubtedly," Cannon stated, "many motorists wait until the last minute to have their vehicles inspected, that is not swamped late-comers."

Do you feel as though your world is caving in on you because a certain person of the opposite sex does not pay enough attention to you? Do you get upset if your grade is a few points lower than you hoped it would be?

If so, the chances are you are not putting the right things first in your life. A persons motive should be to serve God and to strive to promote good will. If doing God's will and trying to be a better human being were the goals of a person, he would find happiness.

True happiness and peace can not be found in the trivial matters of life — only by doing God's grace can we be at peace with ourselves. So you do get the person's love and attention and you do make the grade you wanted. Are you truly happy when you have success if you are not serving our Creator?

OHS ELECTS FAVORITES AND OFFICERS

By Esther Williams

For the past month students have been campaigning for positions on the student council. Ozona high of 68 has elected the following to serve as its student council for the coming year: Wes-

A month ago favorites were elected by each class: Mary Ann Pitts and Derold Maney; Senior favorites; Helen King and Larry Killgore, Junior favorites; Debbie Moore and Marlin Farris, Sophomores favorites; and Cathy Williams and Moose Coates, Fish favorites.

FACULTY AND GIRLS' A TEAM PLAY VOLLEYBALL

By Kathy McAllister

The Ozona Volleyball A team played the men faculty last Thursday night. The faculty team consisted of Coach Bill Gerber, Coach Sam Mosley, Dennis Tyler, Jim Davee, Bob Wallace, and J. A. Peito. The two teams battled four exciting games. The faculty won three games with scores of 15 to 11, 15 to 3, and 15 to 9. The girls won one 15 to 13. There was a game yesterday at 4:30 but the results were not known at the time this was written. The Ozona Volleyball A team wishes to tell the men faculty, "We'll get ya, next time." The coach, Mrs. McMullan, hopes the faculty will be able to play the girls a game once a week because it is very good practice, and the girls think the faculty needs the exercise.

The Ozona A and B teams played their first district games with Menard Tuesday night. The teams go to Iraan tonight to play the second district game.

Letters to the Editor

Dear Editor: I am very disappointed in your Ozona paper, and I do not want any out-of-town subscriptions renewed. I think it is too bad that people judge others before they judge themselves and then print the judgement in your paper.

I am referring to your articles on teenagers. I thought Mitchell's article on drinking was very good, but I failed to find in it that it was only meant for people between the age of 13 and 16 years. I think anyone from 4 to 90 years of age would profit from the article; and why just these six years of a person's life are criticized, I do not understand.

I have decided that teenage years are the ideal time of life and all other ages are jealous of that prime of life and try to decide it every way they can.

It is humorous to me that older people forget so easily their teenage years and try to give the impression that they were angels during their time. (We know they ain't now.) If the published criticism on teenagers continues, I will try to find time to snoop a little and see what I can find to criticize in older people and their past. It might make an interesting newspaper. But I do have better things to do because I like to attend teenage activities, and they are many and varied. It seems it would be obvious that these busy teenagers have little time for drinking, they would really have to hurry to get drunk between ballgames, track meets, their work, home, school, community and church. No one has thought to figure how many more teenagers attend church now than ever before. It is also obvious if you attended their athletic activities that they are in entirely too good a physical condition to have a drinking problem.

I am not saying that the youth of our town are abstainers, but there has never been people that did not drink at one time or another during their life. But the least attention drawn to it for teenagers, the best.

I would appreciate more encouragement from your paper, and I know you are capable of helping. It seems odd that everything good and outstanding our high school students do is neglected unless reported to your paper, but the bad or questionable always finds front page coverage with no assistance.

This is written hurriedly under somewhat emotional strain, and I may be sorry later, but I just think too much has been said on one side. I personally think teenagers get better all the time, and I sort of like them. A mutual feeling of love can do much for any situation.

Sincerely, Rosemary Bland

Editor's Note: In last week's article referred to in the above letter, the meaning was to commend the teen age community of Ozona for going in to action against drinking, not to censure the small minority who do drink, or pass judgement on them: I am well aware that the majority of Ozona's teenagers are pretty fine people and I count many of them among my friends.

Also, I have a teen-age son, in whom I have a great deal of interest. I do not envy his teen-age years; I remember them as confusing, frustrating and full of problems, a time for discipline and advice from the adults close to me, which I seldom followed, to my sorrow.

I have been accused of many things, but never of giving the impression of being an angel, quite the contrary. I have never been, am not and never expect to reach that status. Can't think of anything more boring.

The Ozona Stockman has given more front page coverage to teen-age activities than any other weekly paper we receive and that takes in every weekly paper in this part of West Texas. School events are almost always headlined. A member of the Ozona School faculty does a fine job of reporting school events and has been retained by the publisher to do so. I think the writer's criticism of our teen-age activity coverage is grossly unfair. Of course, we print the good along with the bad, but a check over past editions will reveal much more good than bad.

If the writer has time to snoop into the past of Ozona adults, she might better apply herself to looking through past issues of the Stockman and see how much worthwhile publicity is given the outstanding teen-ager. Everybody who has lived in Ozona any length of time has been subjected to the skeletons in everyone's closets, and believe me there are plenty of them, grossly exaggerated in most cases. I am sure it might make a good best seller, but I doubt if it would contribute anything very worthwhile to a newspaper that is dedicated to printing fresh news.

I am an avid sports fan, and I am not aware that any of our athletes have a drinking problem. As I recall my article did not infer that our athletes had drinking problems. The writer was reading something into it that simply was not there, implied or otherwise.

men who fought so bravely at the Alamo decided it wasn't worth it and gave up without a battle? Where is our Texas spirit?" "Would like to see continuation of student participating programs to raise funds for local school projects — the plays, band and choral concerts, grade school operetta, debates, suppers by Home EC, department classes, etc. Funds to be used, for example, to hire an Art teacher to hold a 2-weeks summer art workshop so that students with talent in schools, could be encouraged — an area sadly neglected — physical culture and self-improvement workshop — correct exercise for posture, health, and well being. Swimming meets, languages — conversational

Summer vacation, as long as it is, could prove a fruitful experience. It therefore might be expedient to form an Ozona Schools Association — strictly on the local level with no national affiliation. Meetings, say, once every two months for programs involving student accomplishments in various areas, some of which is stated above. This may be "way out," but it's an idea."

It is the feeling of the Executive Board of the Ozona P. T. A. that this organization is without support and is no longer in harmony with the desires and needs of the Ozona school community. The programs planned for the remainder of this year will be carried out and we would like to point out that the last program could prove

a meeting place to perhaps develop a new organization which would better serve the needs of our youth. The Ozona Schools Association suggestion sounds exciting and ambitious, but not impossible.

I wish to thank all of the parents who helped with our concession stand project this year. The bulk of this money always goes to our school. The popcorn machine, purchased last year, was paid in full; a coke machine, of the latest type to eliminate the necessity of opening bottles and pouring the contents into cups, was purchased; two checks for \$100 were given to the junior high school and to North Elementary to purchase books for their libraries; each class was given a check to use as they saw fit

according to their needs; the remainder, around \$400, will be used to purchase filmstrips for all three schools. These films are invaluable visual aids material for the classroom teacher. Three delegates to our state convention received \$50 each to cover their expenses.

I do not think your money has been spent unwisely or your hard work gone for naught. Thanks again to each and everyone of you who made, served, or brought a cupcake or a sandwich.

FOOL'S GOLD

What will the assay prove? Will the nuggets that spill so enticingly from the old leather bag spell the end of a search, the culmination of life-long hopes for sudden wealth and fortune? Or will they be iron pyrite, the fooler of men — dispointer of dreams? Only chemical analysis of the metal will determine its ingredients. Sometimes our lives are like that. We fill them to the brim with the things we think mean happiness. And then along comes a blow — perhaps it is a failure of our own, or the betrayal of our trust by a loved one, or an overwhelming grief. Suddenly a life full of glittering trappings seems empty and meaningless. We realize that material possessions are comfortless and cold, without substance. Spiritual analysis of life points always to God. His Church is the open door to the real treasure of life — the realization of God as the source of all affluence.

Washington News Letter

Congressman O. C. Fisher

The sordid Adam Powell story reached a climax in the House last week when by a vote of 248-to-176 the Harlem Globetrotter was denied a seat in the Congress. The action was bipartisan — with 109 democrats and 113 republicans voting against him and 131 democrats and 71 republicans favoring Adam.

This marked the first time since 1921 and only the sixth time in history that the House had refused to seat a duly elected member.

The action followed a hearing by a select committee to determine his qualifications. Even though the committee found evidence of fraud and deceit aplenty, it recommended only censure and a requirement (in reality a hope) that the flamboyant Powell would pay back \$40,000 of public funds which the committee said he had illegally misapplied.

The conversion of funds included travel expenses for Powell and his colored beauty queen secretary (she was once "Miss Ohio"), in repeated trips to Bimini and elsewhere, often using assumed names. The committee also exposed payment of travel expenses for private and nonofficial purposes; use of committee funds to pay the salary of a colored maid to serve Adam and Miss Huff, his secretary, while sojourning in the Bahamas; and illegal use of the salary of his estranged wife in Puerto Rico, who for more

than a year did no work at all for Powell.

These and many other infractions were studied, and Powell was called before the committee to explain the misconduct. But he flatly refused to answer questions and figuratively thumbed his nose at the investigators.

To have seated the Harlemite under these circumstances would have been saying that honor and good faith are not a part of the concept of the House. It would have been saying that public office is not, in fact, a public trust.

Texans in the House were divided — 20 voting against seating Powell, and 3 favoring him. In an earlier vote to clear the way for seating with censure, 5 of the Texas members favored the milder action, while 18 of us opposed the spanking method of punishment. There was nothing racial about the issue; it was purely a matter of principle which controlled the refusal to seat the Harlem democrat.

Pandale Club Installs Officers

New officers were installed at a recent meeting of the Pandale Study Club. Mrs. Robert Gatlin of Sanderson installed Mrs. George Turner, president; Mrs. Carl Malone, vice-pres.; Mrs. Ted White, vice-president; Mrs. R. Jay Everett, historian and Mrs. Welton Bunger, parliamentarian.

Mrs. Gatlin spoke on ethics for club members and used a very clever and unusual Western theme, giving each officer a symbol of her job and a hand on theariat that completed the circle.

It was announced that the club had donated \$25.00 to the Val Verde Heart Fund, also that Mrs. Carl Malone had taken pajamas, made by members for patients, to McKnight Hospital.

Coffee and dessert was served by the hostess, Mrs. Al Mills. Mrs. George Turner won the door prize and the club welcomed a new member, Mrs. J. D. Forrester.

Guests were Misses Katie Lynn White, granddaughter of Mrs. Ted White and Jo Leta Everett, Granddaughter of Mrs. R. Jay Everett.

Weekly Sales At Sonora Livestock Exchange Planned

Sonora Livestock Exchange Company is opening its 1967 season with a sale March 16 and auctions scheduled every Thursday through the fall. Sam E. Jones, Jr., one of the managers, said that he felt the company could better serve the needs of ranchers and buyers with weekly sales. Last year sales were held every two weeks.

Jones said that all classes of livestock would be sold, and that special sales would be held throughout the season featuring different kinds of livestock. Special goat sales are scheduled for Mar. 23, April 6 and 20, and a horse sale has been planned for May 18.

Special lamb sales and feeder calf sales will be announced in the future. Jones said the feeder calf sales were something new for the company, and that sales would be planned for both early calves and fall calves.

This season a roof will be added to the shearing pen for shearing and shed space, and pens have just been finished to make livestock handling more convenient.

One of America's favorite sports is that great autumnal pastime of football. The background of this tremendously popular game is rather varied and somewhat confusing, but here are some facts that may be of interest to readers. Football originally meant a game played on foot, not kicked with the feet as is commonly believed. This was to distinguish the game from games played on horseback. The first football games in England are said to have been played by Roman soldiers who invaded the country under Julius Caesar. That famed sporting man, Henry the Eighth of England, once banned football. This law was as successful, evidently, as his marriages.

that kind of money and want to leave a lasting memorial, get in touch with some of the museum officials. They are open to all kinds of suggestions.

Tippett Field -
(Continued from Page One)

Recovery was from open hole at 6,622-33 feet, which had been acidized with 750 gallons. Testing continued.

Lower Permian production was indicated with the flowing of 66 barrels of 43 gravity oil in one hour and the reversing out of 12.5 barrels of oil on a test at 4,875-4,996 feet, which surfaced gas in four minutes, rated at 782,000 cubic feet daily; and the flowing of gas at the maximum rate of 950,000 cubic feet daily and the recovery of 180 feet of gas-cut mud on a test at 5,208-250 feet.

The discovery was finalized Dec. 22, 1966 from the Ellenburger for 144.04 barrels of oil through a 14-64-inch choke and perforations at 5,860-864 feet.

ELECTRIC CONDITIONED LIVING

A CLEAN BREAK WITH THE PAST

What people are saying about... "Carried away with it" say Natalie and Diana, daughters of the J. D. Locklears of Eden, Texas. Natalie and "Bud" Locklear echo their daughters' approval of total electric Gold Medal Living. Mrs. Locklear's special pride is her total electric work room complete with home laundry, ironer, sewing machine and professional type hair dryer. She also praises the comfort of electric heat. "I didn't know electric heat would be so warm. We have no need for blankets any more," she says.

"Bud" is amazed at the low cost of operation. The 2,057 square feet of electric comfort includes electric baseboard heaters, 5 electric window air conditioners, total electric kitchen, water heater, home freezer, washer and yard light outside. "The children run in and out all the time, and our average monthly cost is \$37.63."

The Locklears use West Texas Utilities Equal Payment Plan. "That way you know what you're going to pay every month."

Make a clean break with the past... convenience and comfort are great in Total Electric Living. TALK TO YOUR ELECTRIC CONTRACTOR OR VISIT WEST TEXAS UTILITIES.
