Montgomery's Korner

It is Thursday and I am afflicted with a cold. This came as a surprise. I was sure it was just a day. However, the doctor on the wall tells me again to pick up and see what I can do with this week. It's pretty skin-deep, I know if I've done a little brain possessed or just need a little. Maybe a little.

My plan was to go to the rest of the poor on the march on (I do love Washington the spring), but he told me. I guess it's all, 'cause I hear the bad and the bad and many are before the actions they were promised a fillet, but so far hamburger and to admit that's incentive to start the White House.

There is a rumor that the president and family are planning to go to a moment's non-attendance for the the invaders being with their fire chanting "burn", no doubt the makers will flee like rats from a ship. And why not, to evidence what the poor folks in the country as the establishment. It will be hard put to.

When planning the of a new car and others in the family to well to skip the player accessory. How what the gentleman until we with this little luxury that music thing to me and my teen-age son. I know it would be one of contention.

When time nears, I can. Can you bring down a free-look it to Me Babin your ears?

It is fortunate and need of a 13-year-old from polio last week as a grim Ozona residents not had the vaccine disease is as ever. Those who had the vaccine, of age, should do. All children, who had the vaccine, only should have who have should be every five.

They take a few check your medicine and those of your physicians' initial diagnosis of Bulbar Poliomyelitis. This particular type of polio attacks the spinal column and is the first fatality from the dread killer disease in many years. The youth had not had the polio vaccine that has virtually wiped out polio in the nation. Young Perez, a sixth grade student at South Elementary became ill the first part of last week but recovered and returned to school for the last few days. However, Saturday morning he had lost the use of his legs and by noon an arm was paralyzed and he was unable to swallow.

TOP 4-H AWARD for 1968 went to Duwain Vinson, Jr., who received the coveted Mother Davidson Memorial Award at the annual 4-H Awards Program Saturday night at the civic center. Presentation was made by Chas. E. Davidson, III, left.

Summer Youth Activities To Begin May 25

Summer youth activities will get underway at the Civic Center Saturday, May 25, for junior high students and Friday, June 7 for high school students, according to Mrs. James Dockery, youth activities chairman for the Civic Center Board.

A junior high youth night has never been held at the center. Forms were sent out to these students to determine their interest and the response indicated that there is a very real need for organized activity for this age group.

Some members of the Woman's League have expressed an interest in working with the high school group each Friday night during the summer. It is hoped that a program of interest to every student can be worked out for this group.

The board rules state that four adults (preferably two couples) must be present at any activity scheduled for youth. Parents will be called upon to chaperone these summer functions and to furnish light snacks. There is a cold drink machine at the center and students may purchase their own drinks.

Many games have been donated and ping-pong and pool is available, along with a piano and juke box. All activities will be varied and there should be something to provide each and every youth with entertainment.

Duwain Vinson Wins Davidson Memorial Award

Duwain Vinson, son of Mr. and Mrs. H. D. Vinson, and a 4-H member for nine years, was presented the coveted Mother Davidson Memorial Trophy at the annual 4-H awards program in the Civic Center on Saturday evening. The trophy, given anonymously, was presented by Charles E. Davidson, III, and is awarded annually to a 4-H member who is outstanding in 4-H club work.

Duwain has carried 4-H projects in fat lambs, Angora Goats, Quarter Horses, Rifle, Range Management, Wildlife Management and Junior Leadership. He has been very active in judging work and 4-H record books and has won many honors on district and state level in both, winning many high individual awards.

Duwain has been a member of the National Champion 4-H Wool Judging Team, State Champion 4-H Range Judging Team, member of the second place grass judging at the state contest for three years, second place plant judging team at the Houston Livestock Show, member of the county 4-H wool & mohair judging team at state contests for six years and member of the county 4-H rifle team for three years.

Other honors include NRA Best Shooter Award, county 4-H Gold Star Award. (Continued on Last Page)

Autopsy Confirms Polio As Cause Of Death Here

A report on the autopsy performed after the death of 13-year-old Louis Perez, Jr. Saturday night confirmed physicians' initial diagnosis of Bulbar Poliomyelitis. This particular type of polio attacks the spinal column and is the first fatality from the dread killer disease in many years. The youth had not had the polio vaccine that has virtually wiped out polio in the nation. Young Perez, a sixth grade student at South Elementary became ill the first part of last week but recovered and returned to school for the last few days. However, Saturday morning he had lost the use of his legs and by noon an arm was paralyzed and he was unable to swallow.

After examination by a local doctor, he was rushed to Shannon Hospital. Before leaving Ozona the youth had experienced no respiratory difficulties. These symptoms became manifest shortly after his arrival at the San Angelo hospital and in spite of the use of an iron lung, he died Saturday night.

Funeral services were held from the Catholic Church Monday afternoon with burial in Lima Cemetery. The boy is survived by his parents and several brothers and sisters.

It was first thought that the boy had not been out of Ozona and had contacted the disease here. However, investigation revealed that he had spent two days in Sutton county and a day in Big Spring recently. (Continued on Last Page)

460,000 Pounds Of Wool Sold In Sales Here Tues.

Approximately 460,000 pounds of wool produced by Ozona area ranchers sold to the highest bidders in sealed bid sales here Tuesday by the two Ozona wool warehouse firms.

Prices on both eight and 12-month fleeces were steady to strong. Bulk of the 12-month fleeces sold at prices ranging from 53 to 58 cents, while the 8-month fleeces average 47 to 49 cents per pound.

Ozona Wool & Mohair Co., owned by Beall Barbee, sold 265,000 pounds of 8-month and 66,000 pounds of 12-month fleeces. Bids were rejected on about 52,000 pounds of 12-month and on about 40,900 pounds of 8-month.

Nichols & Co. of Boston was major buyer of 12-month wool at Ozona Wool & Mohair. J. P. Stevens Co. of North Andover, Mass., Prouvest-Lefebvre Co. of Boston and Burlington Industries Wool Co. of Clarksville, Va., were other buyers of 12-month fleeces.

Top buyers of eight-month fleeces was Russell Wool Co. of Boston, which purchased 102,000 pounds. Stevens, Forte-Dupree & Sawyer (Continued on Page Six)

4th Annual 4-H Dress Revue Set For Wed. May 29

The fourth annual Crockett County 4-H Dress Revue will be held Wednesday May 29, at the Civic Center. Forty-five 4-H girls are expected to participate in this 4-H event. Contestants will report to the Civic Center at 12:30 p. m. and judging will start at 1:00 p. m.

A dress revue and awards to the winners will be held at 3:00 p. m. The Watson Department Store is furnishing ribbons and rosettes and the Ozona Home Demonstration Club will present awards to the winners in the junior and senior division.

Girls preparing garments for the show are being supervised by a number of 4-H adult leaders.

Following the dress revue at 3:00 p. m., which the public is cordially invited to attend, the Ozona Home Demonstration Club will serve refreshments.

BEST HERDSMAN award went to Charles Childress at the annual 4-H Club Award program Saturday night. The award, a silver belt buckle, was presented by Oscar Kost of the Ozona Boot & Saddlery.

'68 Best Citizen Forum Award To Wesley West

Wesley West, son of Mr. and Mrs. Wayne E. West, was recipient of the Best Citizen Awards, given annually by the Ozona Woman's Forum. Mrs. Kirby Moore, Forum president, made the presentation at commencement exercises Friday night. Wesley is a 1968 graduate of Ozona High School.

The winner of the award is selected annually by the high school faculty. Each member of the faculty selects a deserving student.

The ten students having the most votes become finalists. Other finalists this year were Randal Clepper, Larry Kilgore, Beverly Loudamy, Bonnie Carson, Patricia Whitley, Duane Childress, Judy Barber and James Appel. A total of fifty students were nominated on the first ballot.

Qualifications for the award include such characteristics as dependability, loyalty, moral character, integrity, honesty, respect and many others which go into the making of a good citizen.

Wesley was a member of the football and track teams his four years in high school, and was co-captain of both squads his senior year. He was president of the student council, president of the FFA, and a member of the All-District second team in football. He plans to enter Texas Tech in the fall and major in agriculture.

Ranchers Need Only One Game To Cinch Title

In Little League play during the week, Flying W Ranchers remained undefeated for the season, needing only one more win during the next three games to cinch the first-half championship.

Thursday night in the only game scheduled the Ozona Oilers beat Moore Oil 5-0. Cris Reeves picked up the win with Raul Mendez taking the loss. Mendez and Henry Fay led the hitting for Moore Oil with two each. Lesley Russell was top man for Ozona Oil with three hits.

Monday night's double header saw B&B Grocers getting a 6-5 win over Ozona Oil after trailing 4-0 going into the bottom of the fifth inning. The Grocers scored five runs in the bottom of the fifth to lead 5-4. Ozona Oil scored a run in the top of the sixth to tie the game 6-6 and the Grocers came back to score the winning run in the bottom of the last inning. Melcio Martinez was the winning pitcher and Pete Martinez the loser. Lesley Russell got credit for the only hit the (Continued on Last Page)

Clepper & Coates To Captain 1968 Lions Grid Squad

Members of the Ozona High School football team selected Randal Clepper and Fleet Coates as co-captains for the Lions next fall. The team voted by secret ballot and Coach Sam Mosley announced the winners yesterday.

Clepper is a three-year letterman and will be a senior next fall. He plays quarterback and defensive half-back and received honorable mention for the all-district team this year.

Coates, a two-year letterman, will also be a senior. He plays half-back and defensive safety. He made all-district this year and received honorable mention last year.

Coach Mosley said he had thirteen lettermen returning, eleven of which are seniors.

THE McNAMARA LEGACY

Seemingly there is no end to the tragic failures of Robert S. McNamara. There have been no less than three crises of import in recent days for which this man is responsible.

First, there was the "Flying Edsel", which failed in combat in Vietnam, and now has failed in test flights and been grounded completely. McNamara's arrogant personal decision to persist with the plane and override all expert opinion, even to hand-picking a manufacturer, has proved a disaster of monumental proportion for our military forces.

Second, there is the matter of the much-heralded "McNamara Wall" which was announced early last September. That fabulous electronic system was erected in the demilitarized zone between North and South Vietnam to preclude enemy infiltration from the North. Certain electronic gear also extends across Laos. How effective has it been? By the Administration's own estimate, 80,000 to 100,000 North Vietnamese have infiltrated into South Vietnam so far this year. On the evidence, a continuous line of junked Edsel automobiles and idle Edsel bombers would have been at least as effective an obstacle system. What did the McNamara Wall cost? Even Congress can't find out. Nor did the Pentagon make one of its vaunted "cost-

effectiveness studies" in advance. Secretary McNamara never bought even such items as paper clips for the Pentagon without a computerized cost-effectiveness study, but for some reason none was ever made on the cost of his electronic wall.

Third, there was McNamara's indiscreet endorsement of the candidacy of Robert Kennedy, a breach of the code of ethics incumbent upon officials at the World Bank. The fact that McNamara would use the World Bank post as a platform for advocating Kennedy was bad enough. What was worse was the fear in business and banking circles that maybe McNamara is in line for the job as top man in the Treasury Department in event the young Kennedy wins nomination and election, for the endorsement of Kennedy followed closely upon revelations that McNamara was offered his choice of Treasury or Defense in the first days of the John Kennedy Administration, and chose Defense.

The dollar is in enough trouble without McNamara.

Mrs. John Kirk Edmondson former Miss Diltzie Bland

Miss Bland, Mr. Edmondson Married In Trent Ceremony

Miss Diltzie Bland and Johnny Kirk Edmondson were united in marriage Tuesday night in a formal ceremony in the home of the bride's parents in Trent.

Parents of the couple are Mr. and Mrs. R. L. Bland of Trent, formerly of Ozona, and Mr. and Mrs. J. C. Edmondson of Richland Springs.

Rev. Moore Eubanks of Goldthwaite performed the ceremony in front of a fireplace banked with white gladioli and flanked with candelabra.

The bride, given in marriage by her father, wore a floor-length ivory taffeta gown. The bodice was topped with lace appliques sprinkled with seed pearls. Her fingertip veil cascaded from a crown of lace and pearls. She carried a bouquet of orchids and daisies.

Becky Bland, sister of the bride, served as maid-of-honor. She wore a lime green gown with daisy trim around neck and sleeves and carried a bouquet of daisies.

Best man was Rodney Hyatt of San Saba. Ushers were Rex Bland of Trent and Rusty Garner of McCamey.

Carolyn Weyants of San Saba sang "Because" and "I Love You Truly," accompanied by Marjorie Sayles at the piano. Miss Sayles also furnished the wedding music.

A reception followed the wedding in the home. The serving table was centered with a white tiered wedding cake.

The couple will honeymoon in California in order to be on hand for the National College Rodeo finals at Sacramento.

They will be at home at 809 White St. in Stephenville where the bridegroom is a senior student at John Tar-

leton State College. The bridegroom is a graduate of San Saba High School and is a member of Tarleton College Rodeo Team.

The bride is a graduate of Trent High School, where she won the top citizen award and was elected Miss Trent High. She was an officer in the FHA club, a member of the annual staff and a member of the district volleyball and tennis teams and on the state track team.

Guests from out-of-town included Mr. and Mrs. Cap West, Mr. and Mrs. O. D. West, and Mr. and Mrs. Joe Couch, of Ozona; Mr. and Mrs. R. H. McAshan of Hope N. M., Jewell Campoell of El Paso, Jay Ferguson and family of Petersburg and Mr. and Mrs. Eddie Richardson of Stephenville.

The rehearsal dinner was hosted by the groom's parents at the Chapparral Inn in Abilene Monday night.

The bridesmaids luncheon was held in the home of Mr. and Mrs. Johnny Grist in Abilene. Other hosts were Mr. and Mrs. Jack Sayles and Mr. and Mrs. W. H. Knight.

Some people plant flowers in the spring

But then what does a flower have that a gas light doesn't? Flowers brighten up your yard. So does a gas light. After you install a gas light, it might be the first time you've seen your flowers at night.

Flowers come in different sizes and shapes. So do gas lights designed to lend distinction to any landscape. Take your pick. If they're taken care of just right, flowers will bloom the whole season. A gas light blooms year 'round, and requires absolutely no care.

Flowers have a wonderful fragrance. You've got us there. A gas light doesn't have an odor at all. But we know you'll overlook that, since a gas light has so many other nice features.

New lower prices on the '68 models are in effect through July 31st. Prices start at \$52.70 cash (includes installation and tax) or only \$2.00 per month. Pretty inexpensive when you consider how many springs it will last.

Plant a gas light this spring. Buy a PATIO PAIR (One gas light and one gas barbecue grill) and save \$26.00. (Includes installation and tax). Prices start at \$103.70 (or \$4.00 per month).

Bronze Star For Heroism Given Jas. Semmler, Jr.

Sp-5 James W. Semmler, son of Mr. and Mrs. James Semmler of Fredericksburg and grandson of Mr. and Mrs. Johnnie Hokit, was recently presented the Bronze Star Medal for Heroism in Viet Nam. Sp-5 Semmler is a former Ozonan and attended schools here until his sophomore year, when he moved with his family to Fredericksburg.

He has been serving with the Special Forces, sometimes known as the Green Berets, for the past eight months in Viet Nam.

The citation accompanying the decoration reads as follows:

"For heroism in connection with ground operations against a hostile force in the Republic of Vietnam: Specialist Semmler distinguished himself by valorous actions on 9 February 1968 while serving as a Special Forces advisor to a Civilian Irregular Defense Group company operating in the city of Dalat.

"During a heavy fire fight in a populated area of the

city the senior advisor to the C.I.D.G. company was wounded. Specialist Semmler rushed to the aid of the senior advisor through an open area in the midst of heavy enemy fire to give first aid and pull him to safety. Specialist Semmler immediately took control of the situation and, by himself, led and directed the company in offensive measures to counter the enemy action.

"Specialist Semmler not only directed the company and personally took part in the battle which exposed himself to enemy fire, but also he coordinated with friendly units in the immediate area and withdrew the company in a link-up with these friendly units. It was

through his personal bravery and heroism and strong dedication to duty that the company took control of the battle. Specialist Semmler's bravery and devotion to duty were in keeping with the highest traditions of the military service and reflect great credit upon himself, The Special Forces, and the United States Army.

"This was presented by direction of the President under the provisions of Executive Order 11046."

Paper... MISTER?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

He's always there on that busy corner—like thousands of other paper boys across the land.

And he doesn't get discouraged though you ignore him day after day. Give him so much as a glance and you'll hear his hopeful, "PAPER . . . MISTER?"

What makes him so ready and eager to serve? It's the certainty that he has something *everybody* needs.

On many corners there are churches. And they never cease urging you to come . . . always ready . . . eager to serve!

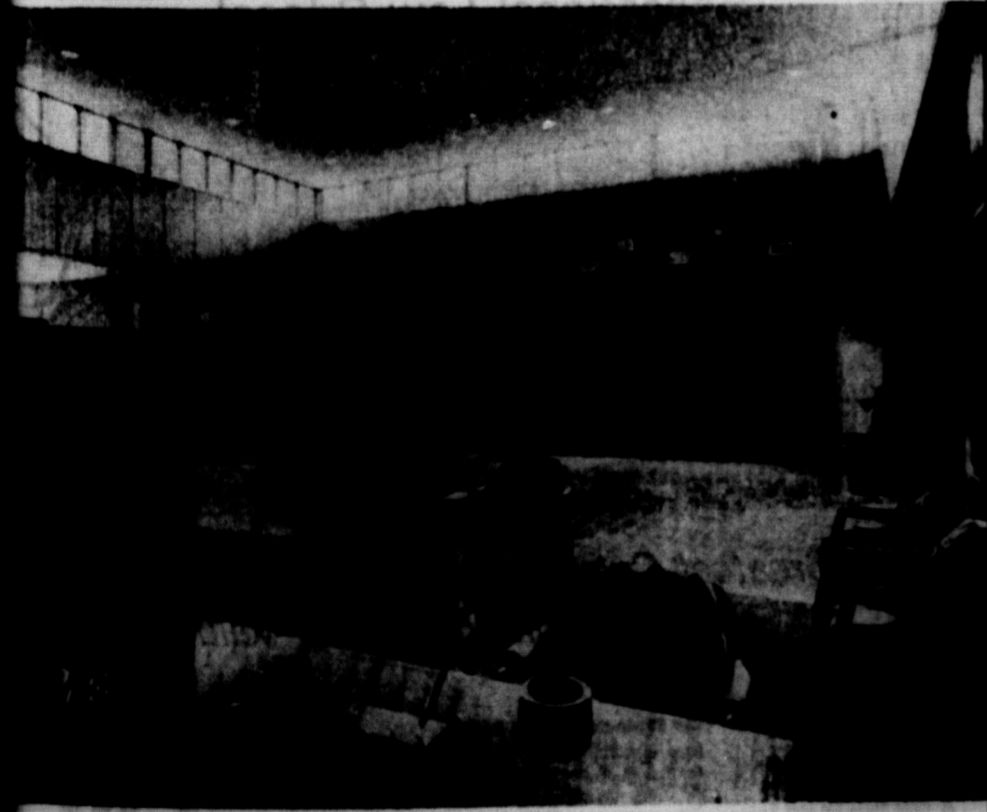

Here again is the certainty of something **EVERYBODY** needs!

What they have has come to be called the *Gospel*. . . an ancient word that means "Good News." A few Sundays in church and you'll understand why!

GRADUATE TO TOTAL ELECTRIC OPERATION

"You'll have to hunt a long time to find a better banking facility," President Lowell Littleton says of the modern all-electric Ozona National Bank. All of the employees like it very much. From 2,700 square feet of space to 6,300 on the first floor and 4,300 square feet in the basement is a considerable jump in space. "Per square foot—the cost of operation is reasonable," Littleton says.

30 Years of service • 85.5 KW of strip heating in the ducts
40 gallon water heater • All electric wash bar • 50 KW of lighting
Estimated operation—\$580.00 per month average.

The sale disposed of 108,000 pounds of 12-months wools and 28,000 pounds of 8-months wools were rejected on only one lot of 2,472 pounds of 12-months wool, all of the 8-months selling.

Most of the 12-months wool offered was in graded staple lots. Top price of the day was paid for a single lot at Crockett County warehouse. Nichols & Co. paid 82 cents per grease pound for a lot weighing 9,024 pounds. The clip was extremely light, graded 64-70 and measured 3 inches or longer.

Top selling 8-months wool offered at the two warehouses was 52 1/2 cents per pound, paid by Forte on a single lot weighing 6,035 pounds, at the Ozona Wool & Mohair Co. warehouse.

A barbecue dinner was served at the Ozona Wool & Mohair Co. warehouse at noon for buyers and producers on hand for the sale.

Washington News Letter
Congressman O. C. Fisher

An interesting question was recently raised by a letter to the Secretary of Interior from a Brownwood schoolteacher, a copy of which was sent to me. The teacher a lady — wants to visit Washington with her children, and asked the Secretary for a permit to camp on public park land in the city for the week of August 3 to 10.

Campout enthusiasts, the lady said she and her youngsters had limited funds and like the idea of stretching a tent alongside their auto in a downtown Washington Park.

"I was delighted to learn," she wrote Udall, "you are now issuing camping permits for the area bordering the reflecting Pool in Washington. I believe we can borrow a tent from the Boy Scout troop at our church now that campsites are available and so convenient to downtown Washington."

Putting the issue bluntly, she added: "I feel sure that you will want to be fair and impartial about this matter and will not discriminate against me because of my race (white)."

I have written the Secretary, reminded him of the precedent he has established, urged appropriate consideration in keeping with current policy, and asked to be informed of the action taken on the teacher's request.

Only recently the Secretary of Interior granted a permit for 3,000 to pitch camp in a public park, in the heart of the Nation's Capitol, to expire June 15. This was done over the protest of a number of us, and he indicated he might extend the time.

Negro leaders say now that they are entrenched they will remain, for perhaps two or three years, with or without additional authority — a "squatter's rights" concept.

One observer thinks the title of "Resurrection City" should be called "Insurrection City" in anticipation of added crime and violence on the wake of the invasion. Stepped-up crime has already become evident. For examples, during one night — May 17 city buses were robbed by gangs of Negro hoodlums. One of the drivers was shot and killed. There have already been 22 armed robberies in the district this year, compared with a total of 326 in all of 1967. And the big influx of marchers is yet to arrive.

Pecos Trail To Be Dedicated In D' Rio Ceremony

A gala two-day trip will officially open one of the most exciting travel trails in Texas. Dedication tour for the Pecos Trail will be held Saturday and Sunday, June 1 and 2.

The Pecos Trail is one of ten such designations made throughout Texas by Governor John Connally upon recommendation of the Texas State Historical Survey Commission.

Dedication ceremonies for the Pecos Trail will be held Saturday, June 1, at 6 p. m. at the site of the huge Amistad Dam project near Del Rio. Governor John Connally has been invited to make the dedicatory address.

Special invitations have been sent to national and state government officials, members of the Texas State Historical Survey Commission, as well as city and county officials along the Pecos Trail.

A caravan to open the Pecos Trail has been planned by Chambers of Commerce along the route. A 7 a. m. departure from Midland will begin an exciting two-day adventure through a variety of West and Central Texas scenery.

From Midland, the tour will head south through Rankin, McCamey, Iraan, Ozona, Sonora and Junction. Then it's a westerly direction to Rocksprings, Brackettville and Del Rio. After an overnight stop along the Rio Grande, the tour will head north to Langtry, Sanderson, Ft. Stockton, Grandfalls, Monahans, and Odessa, a total of 672 miles.

County Judge Bernice Jones will head a delegation from Ozona expected to attend the Del Rio dedication ceremonies.

HIGHLIGHTS AND SIDELIGHTS
From Your State Capitol

Austin, Texas — State legislators will return to Austin on June 4. This time to complete the budget-writing chore they put off last year and to pass a new \$125,000,000 tax bill.

Indications are strong that the bulk of the funds will come through the sales tax route.

Gov. John Connally told reporters he is "fairly certain" he will suggest raising the two per cent sales tax to three per cent, then refund the increase to the cities on the basis of their 1960 populations. This would replace the present local option city sales levies adopted by 267 cities since last September.

Proposal would provide incorporated cities with \$125,000,000 in year overall in state aid. State would gain \$35,000,000 to \$40,000,000 from the increased rate due to sales in unincorporated areas.

Other recommendations expected in Connally's sales tax package include: removing of some sales tax exemptions; taxing of services like laundry and haircuts; and increasing the auto sales tax rate to three per cent.

Governor also stated he might suggest a liquor-by-the-drink bill as part of his tax program. Legislative sources say he will suggest local option authority to sell liquor in small, one-drink-size bottles under stiff state tax and strict regulation.

Connally told reporters that overall revision of the liquor laws also may be proposed. He intends to submit no other business until financial necessities are handled.

He expressed confidence that the budget and tax bill can be passed within the 30-day limit.

If lawmakers vote the same way their constituents did on the liquor-by-the-drink referendum (May 4) the governor may have a chance with the small bot-

Two Accidents Sunday Result In Property Damage

Two traffic accidents Sunday took their toll in property damage, but all occupants escaped serious injury. Both mishaps occurred on Highway 290 east.

The first accident occurred a little after noon Sunday around 6 miles east on a detour. A 1958 White truck tractor and semi-trailer, driven by Cecil Burrell of Irving, traveling east went into a curve, causing the load of wooden doors in the trailer to shift and flip the entire rig over on its side. It slid off the shoulder and through some guard posts before coming to rest in the barrow ditch. The driver was slightly bruised but did not require medical attention. Estimated damage by investigating officer Orvil Perry, DPS, was around \$10,000 to both truck and trailer.

At 2:45 p. m. the same day about three miles east of town a 1961 Thunderbird driven by Rodolpho Zapata topped a curve and hit the rear of a 1953 Dodge pickup driven by George Gilmore, knocking it several hundred yards down the road. Both cars were traveling west. The Thunderbird veered off to the right and came to rest in a gully. Zapata and Rosendo Ramirez, a passenger, were taken to the hospital where Ramirez was treated and released and Zapata's injuries did not require attention. Gilmore was uninjured. Damage to the Ford was \$600 and to the pickup \$100.

ties bill. At least 82 of the 150 state representatives and 17 of the 31 senators live in districts which voted for mixed drinks, with varying enthusiasm.

Draft Quota Cut — Texas draft quota for June has been reduced by nearly a third, says Selective Service Director Col. Morris E. Schwartz.

State quota of 1,416 men has been trimmed to 961 on the basis of a new order by Lt. Gen. Lewis B. Hershey, national draft director. National quota, all for the Army, was reduced from 29,500 to 20,000 at the direction of the Department of Defense.

Allowable Reduce Again — Texas Railroad Commission slashed the statewide oil allowable for the third month in a row.

June factor was set at 45.2 per cent of potential, permitting top production of 3,485,356 barrels a day. This compares with 3,512,874 barrels during May when 45.7 per cent market demand factor applied.

Major crude oil buyers submitted written nominations to purchase 3,025,126 barrels a day during June, a decrease of 46,143 from May. This was slightly more than forecast for June demand was submitted by the Bureau of Mines.

Patrons On Star Routes Urged To Check Mailboxes

Patrons of the Ozona Post office, living on the Juno and Pandale roads, are asked to check their mailboxes to see that they are suitable for the deposit of mail. Often boxes deteriorate due to weather or other circumstances and become unsuitable for mail.

Weather-tight boxes are a must, especially in wet weather. Patrons are urged to install boxes which have been approved by the Postal Department.

Mail boxes on star routes must be located on the right-hand side of the road in the direction traveled by the carrier, wherever it would be dangerous to serve the boxes on the left or where this would be a violation of State or local traffic laws. Boxes and supports should be kept painted and free from rust.

Those needing to install new service on these routes are asked to contact the postmaster for construction on type box and mounting. Any questions concerning delivery on a route should be directed to the postmaster.

My Sincere . . .

THANKS!

for the most gratifying evidence of your confidence, as reflected in the results of the Primary on May 4!

In a spirit of true humility I accept this as a mandate to continue my very best efforts on behalf of good government.

Even though the majority was 5 to 1, it appears likely that in the General Election the people will have occasion to reassert their preference for the position of Congressman. Therefore I shall be most grateful for continued support.

I can only promise that, with renewed dedication, I shall in the future continue to give the people of the great 21st district the effective and responsible representation to which they are entitled.

all sorts of cans. It can be torn off with no fuss or bother. Coffee cans will soon all have plastic lids that just flip off and everything from shrimp to whiskysours will be put up in plastic tubs that first came out containing margarine. Everything else will be packaged in shrink plastic, a process in which a sheet of plastic is wrapped around the product then heat shrunk to its contour.

So try to get by with your old can opener, chances are you'll never need a new one.

Doctors feel the isolated case is no cause for community alarm. A cause for community concern is the fact that there are many in the community who have not had the vaccine, although it was offered in 1963 at practically no cost.

The polio virus is always present and cases result when someone with no resistance comes in contact with it. The only protection against polio is the immunity produced by the vaccine either orally or by injection. Those who have had the vaccine need have no worry about this case, doctors say.

There is nothing that can be done to protect those exposed if they have not had the vaccine, according to doctors. The vaccine requires 50 to 60 days after the first dose before immunity becomes measurable and this is too long to give protection after a known exposure. In adults a booster dose is recommended every 5 years until it can be proven that the original immunity from the vaccine is lifetime.

Oilers could muster, while Ronnie Pearl, Melcio Martinez and Steve Brooks got two hits each for the Grocers.

Flying W trounced Moore Oil 7-1 in the second game, with Jeff Stuart taking the win and Raul Mendez getting the loss. Stuart led in hitting for the Ranchers with two and Ruber Mendez got 2 hits for the Oilers.

In the only games scheduled for minor leaguers during the week the Astros defeated the Giants 5-2 and the Yankees defeated the Dodgers 20-10 in a double header Tuesday night.

-fastbacks in 3 sizes!

And the Ford and Torino fastbacks actually cost no more than hardtops. All in all, Ford Dealers give you a choice of 5 fastbacks. Nobody else matches that!

Two big Ford fastbacks—the sporty XL and the popular-priced Galaxie 500. In the intermediate size there's the luxurious Torino GT and Fairlane 500—America's lowest-priced fastback. And

then there's the fastback that started the swing to this new look—Mustang 2+2. That's five—and if you want a hardtop with formal roof styling, your Ford Dealer has eleven of those, too.

See the light. The switch is on to... **FORD**
