KITTY MONTGOMERY — Editor
Entered at the Post Office at Ozona, Texas, as Second Class Mail Matter under Act of Congress, March 3, 1879

Notices of church entertainments where admission is charged, cards of thanks, resolutions of respect, and all matter not news, will be charged for at regular advertising rates.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected if called to the attention of the management.

CLASSIFIED RATES — 5 cents per word first insertion; 4 cents per word each additional insertion. Minimum charge 50 cents per insertion.

THEY WOULD DESTROY US —

While Communist nations gird themselves with nuclear arms for the "inevitable final conflict" with the Free World, their agents in America sow doubt, division and defeatism among their intended victims.

Through the skillful use of propaganda, and a network of fronts, the Communist Party of the United States is mobilizing massive opposition to the President's plan for the defense of our Nation.

So effective is their program that they have been able to delude well meaning persons — persons who do not realize that they are jeopardizing not only the survival of America, but that of the entire Free World.

The Soviet Union and its satellites are armed camps. They maintain large standing armies with full corps devoted to rocketry, the most modern fleet of missile-equipped naval ships, and an advanced air force of gigantic proportions. They stand ready to rain atomic

destruction across the United States the minute we lose the capacity or the will to defend ourselves.

Meanwhile, their cities in Russia are protected by rings of anti-ballistic missile systems — the same systems they oppose our having to defend ourselves.

The situation is serious... your survival is at stake, along with that of your nation. Already, Congressmen report mail running as high as 15 to 1 against the "Safeguard" anti-missile defense system.

Only prompt action by you and other concerned citizens, can conserve this defense of our lives, our children, our homes.

Write to your congressman and senators today. Tell them you want to be neither Red nor Dead. Tell them you want all the protection our technology can devise. Our wealth, our liberty and our lives depend on the action we take now.

HEADLESS MONARCH

ON LEGAL HOLIDAYS

The Philadelphia, Pennsylvania, city council recently passed a resolution calling for a legal holiday to commemorate the birthday of John F. Kennedy.

We recognize the proposal for the fine gesture it is, but it raises some questions which should be considered.

It is our opinion that national holidays are too special an honor to be bestowed on purely emotional grounds. Down through our history only Abraham Lincoln and George Washington have been so honored.

The tragic murder of President Kennedy doesn't, of itself, justify the proposed honor. President Garfield and McKinley also died at the hands of assassins. In fact, Garfield lived 80 days before dying, and McKinley lingered for eight days following the fatal attack by an anarchist in 1901.

Mr. Kennedy's term of office was not history-making, even in light of our sympathy, which forgives some

flaws. There is evidence that future generations may be even more critical of the Kennedy administration than were any of his opponents in his campaigns.

Washington led the nation in its conception, birth and early days of formation. Lincoln guided it through its most trying period of all and helped bring the nation together again. Others have held the reins of government in time of great stress and war. None of these has been similarly recognized.

Where can the line be drawn? What about Jefferson, Madison, Monroe, Jackson, the Roosevelts, Eisenhower? And non-presidents like Hamilton, Franklin, Webster, Clay and McArthur? The present proposal should be carefully thought through — and promptly abandoned.

TREATIES AND CRIME

During the 88th anniversary convention of the Tennessee Bar Association, the guest speaker, U. S. Attorney General John Mitchell, mentioned that an eminent criminologist had "suggested that society should arrange a formal truce with the organized syndicate because all efforts, so far, to weaken organized crime have failed."

On first consideration this would appear to be a ridiculous suggestion or anyone to make, especially an eminent criminologist. It can't happen here? Consider these recent developments:

A black supremacy group receives anti-poverty money from the Office of Economic Opportunity. Could this be considered an economic alliance of sorts? A payoff for being good little militants?

Self-avowed communist Herbert Aptheker is hired to teach at Byrn Mawr College. Perhaps this is a way of insuring against campus disorders.

A definite minority of grape pickers, not even enough to slow down the harvest after several years, carries on a boycott in supermarkets and gains support from mayors in Detroit, New York and other cities. What about the vast majority of grape workers and their employers who will be injured financially by this unfair action?

A handful of radicals takes over church office property and church leaders take no action on behalf of the parishioners who paid for the offices with their donations.

A professional football player is strongly suspected of consorting with underworld figures. The commissioner, whose duty it is to maintain the image of the sport, takes action to eliminate the implications of impropriety, but public sympathy is all with the player.

New Members Of Teen Council Are Named At Meeting

Members of the Teen Council met Monday afternoon to choose new members. They voted to cancel the high school youth night Friday, due to the Fourth of July holiday and to have no youth activities during the annual junior rodeo next month.

Junior high night will be held as usual Saturday, July 5.

The new council will meet Monday night at 7 o'clock at the courthouse to elect officers and plan activities for the remainder of the summer.

New members of the council include Diana Deaton, senior; Will Collett, junior; Pam Bishop, sophomore, and Judy Mosley and Jack Baggett, freshmen.

Holdover members are David Hoover, senior; Grace Ann Tabb, junior; and Chuck Womack, sophomore. Outgoing members are Charles Turland, Patsy Pearl Jim Montgomery, Kathy Lynn Russell and Debbie Clark.

Topics to be discussed at the Monday night meeting include the need for volunteer chaperones for the high school night and new ideas to create interest for the Friday night gatherings at the center and special activities.

PEACHES FOR SALE — Place your orders now. Buster Deaton. Phone 392-2506. 14-4tc

Shouldn't all the facts be clear before either is condemned? Was the commissioner wrong to eliminate the appearance of a link between the sports world and the underworld?

It's time the public ceased locking the other way. Or the possibility of a treaty with crime may be closer than we think.

TS-GRA Schedules Annual Convention

The Terrace Motor Hotel in Austin will be headquarters for the 54th annual convention of the Texas Sheep and Goat Raisers' Association July 14-16. An outstanding program is scheduled with a distinguished panel of speakers.

Highlighting this year's program will be a workshop Monday, July 14, conducted by the American Sheep Producers Council and the Hair Council of America. Four separate sessions scheduled on Lamb, Mohair and Administration of the ASPC, and McSwain of the McSwain Council will cover each to give TS&GRA members a better knowledge of what is being done in the different areas. G. C. Macart Jr. of Mertzon, Wortham of Sterling City, Joe York, Jr. of Brackett will also assist in the workshop sessions.

Regular TS&GRA committee meetings will start Monday, July 14, 9 a. m. Tuesday, July 15, General Session will be 1:30 p. m. Tuesday, Dr. Kennedy of the U. S. Laboratories in Natick, Massachusetts will deliver keynote address. A reception at 6:30 will be hosted by Merck and Company, followed by the annual membership banquet at 8 p. m. ward Clark, former Ambassador to Australia, will live the banquet and special awards will be presented during the banquet including the Earwood Memorial Award.

The convention will conclude Wednesday, July 16, following the business session, election of officers, the meeting of the Texas Sheep Council.

Linda Barnett of Hill Country is here visiting with her sister, Karen Mosley.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman From The Stockman Thursday, July 3, 1940

Unlike past years when Crockett county's annual fair and celebration were in full swing on Independence Day, Ozonians are observing a quiet Fourth of July. Business houses are closed for the observance.

Work began this week on clearing the land for the new county airport five miles west of town.

Mr. and Mrs. Ben Williams of Alpine, former Ozonians, are the parents of a son born Sunday night in a San Angelo hospital. The boy has been named Stanley Ben.

Mr. and Mrs. H. L. Sentesy of Big Lake, owners of the Reagan Theater in that city, have taken over the management of the Ozona theater effective next Monday.

The wettest June in many years went out dripping as the past weekend saw the month close with another fine general rain over this section.

Deposits at the Ozona National Bank climbed to an all-time high in the month of June. The total now is \$1,133,667, a rise of \$70,719 in three months.

Screwworm flies have become so numerous in this area that practically every wounded animal is likely to

become infested with the parasite.

Miss Lillian Baggett, daughter of Mr. and Mrs. J. M. Baggett, became the bride of Hirsun Brown of Austin in an impressive ceremony at the Methodist Church Sunday afternoon.

Mrs. Bryan McDonald entertained her daughter, Patsy, with a swimming party Wednesday on the occasion of her eighth birthday.

Ann Baggett, daughter of Mr. and Mrs. James Baggett, is the victim of an attack of mumps.

Miss Ina Jeanne Phillips became the bride of Bill Friend in a ceremony Saturday morning in the Kerrville Methodist church.

Mrs. Andra Moore entertained the forty-two club in her home Thursday afternoon. Mrs. M. A. Runnion and Mrs. Early Baggett won the high score prizes.

Mr. and Mrs. John Bailey have returned from San Antonio where they went Sunday to meet Mrs. Brock Jones and son, Brockie, who will visit here for several days.

Miss Alyne Hokit has returned to her home here after visiting her aunt in Sonora for several weeks.

Plans are being made by air-minded people here to organize a flying club after completion of the airport.

NEED A HOME - 5 cute kittens, housebroken. Call 392-2317.

Reduce safe & fast with Go-Bese capsules & E-Vap water pills. Village Drug 6-10p.

Washington News Letter

Congressman O. C. Fisher

IT IS RUMORED that Robert Finch Secretary of HEW, is on the verge of changing some guidelines under which compulsory cross-busing of school children, for the sole purpose of achieving a better racial mixture, is now practiced.

The guidelines were issued by Finch's predecessor, under authority of the 1964 Civil Rights Act. Districts in San Antonio, one in Sonora, and one in Odessa, are among the schools affected.

The 1964 law gives federal agencies power to withhold funds when the agency head decides he does not like the form of integration that is followed by those whom the money is appropriated.

This is done despite the fact that the 1964 Act provides: "Desegregation (in schools) shall not mean the assignment of students to public schools in order to overcome racial imbalance."

Yet funds earmarked for local districts are being withheld from them even though such schools admit any child, regardless of race without any question.

In order to comply with the whims of HEW the affected schools must, if they get their money, buy buses, hire drivers, and wheel children across town in order, as Mr. Finch has described it, to have a better "salt and pepper" mixture of races.

It is believed that most parents, regardless of race, are very much opposed to this nonsense. It amounts to cruel punishment gratuitously imposed on many people. Even Mr. Finch, a

TIPS For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

July is a very important month in the care of your lawn and garden, especially if dry weather continues. Newly planted trees, shrubs and shallow rooted annuals, along with perennials need slow and deep watering. It takes 2 1/2 inches of water to penetrate a clay soil to the depth of 1 foot. Moisture can be conserved and hot summer sun deflected by raising the lawn mower to about 1 1/2 to 2 inches when mowing a lawn.

Many annuals have finished blooming, so it is a good time to clean the beds, fertilize, spade and let mellow for fall planting.

Perennials may be cut back and some will bloom again. If hollyhocks have finished blooming cut off at ground level, fertilize and water. Keep verbenas clipped. Hot weather annuals such as zinnias, marigolds, portulaca, periwinkle, etc. may be planted for fall bloom.

I especially enjoy the pink creeping periwinkle which trails over our rocks. They re-seed every year and thrive in the hottest places.

Order madonna lily and amaryllis bulbs for August planting. Many gardens had beautiful beds of lilies in May.

Another plant that is doing well in Ozona is the Hydrangea, a very showy plant.

few months ago, was quoted as saying the practice was "detrimental to education and was opposed by both whites and blacks."

So the time is overdue to remove this arbitrary and unwarranted imposition. Unless Finch changes the policy soon, the Congress may move again, as it almost succeeded in doing last year, to attach a rider to HEW's annual appropriation bill, which would prohibit such withholding tactics, in terms that cannot be misinterpreted.

Local schools are quite capable of handling their own local affairs.

LADIES GOLF

Mrs. Jimmy Barbee was the big winner Wednesday when the Ladies Golf Association met for play at the country club. She won low putts on the Webster trophy, low net on the Club trophy and a ball in the day's play. Also winning balls were Mrs. Dick Webster and Mrs. Dempster Jones.

Other players were Mrs. Beecher Montgomery, Mrs. Bill Clegg, Mrs. Len Younger, Mrs. Bob Bailey, Mrs. Frank McMullan, Mrs. Quebe Alford and Mrs. Joe Pierce.

Goat Field Day Slated July 9 At Experiment Station

College Station - Texas A&M University Agricultural Research Station at Sonora will hold its annual Angora Goat Field Day July 9.

Activities start at 9 a. m. with a judging clinic and contest conducted by the Texas Angora Goat Raisers Association.

The afternoon program begins at 1 p. m. with an address of welcome by Dr. Leon B. Merrill, in charge of the Sonora station.

Dr. Jim Bassett of the A&M Animal Science Department will talk on fleece and fiber relationships, and Dr. Joe David Ross, Sonora veterinarian, will describe internal parasites of Angora goats.

The final speaker is Jim Menzies, research associate at the Sonora station, who will give results of the 1969 Angora goat performance tests.

Master of ceremonies for the afternoon session is Jack Groff of Kerrville, associate sheep and goat specialist with the Texas Agricultural Extension Service.

A noon barbecue will be served by the Sutton County 4-H Club.

LADIES GOLF ASSN.

Mrs. Bill Carson was hostess of the Ladies Golf Association bridge party last Thursday afternoon at the country club.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capital

By Vern Sanford
Texas Press Association

Austin, Texas — Dusty old tax bills are being pulled out for discussion now that Gov. Preston Smith has vetoed the one-year spending bill and called the Legislature back into special session.

Governor Smith made it clear that he expects the special session to adopt spending proposals for a full two years starting Sept. 1, and to levy new taxes to finance whatever is spent.

Tax bills must originate in the House and Speaker Gus Mutscher says he believes the money can be found without raising the state sales tax. But, first he wants to hear what the Governor has to propose as a source for the money.

Smith has indicated that he will recommend a program substantially different from what he suggested last winter. But he said he will not propose a state income tax.

So far, legislative leaders have not shown any inten-

tion of passing another one-year spending bill and then going home without levying new taxes. Smith's contention that the tax bill will be smaller if it is passed now instead of waiting until 1970, apparently won some state-wide support.

Smith has one ace up his sleeve.

He vetoed a big stack of Senate bills because they were not properly passed and sent to him by adjournment of the legislative session. He said that he will allow the special session to consider re-passage of those bills, after the legislature passes the two-year-appropriation bill.

Only the Governor can select the subjects to be considered in a special session. So authors of the bills he vetoed may be anxious to help put over his program in order to try to pass their bills again.

Among the vetoed bills, and one of wide interest, is that by Sen. Murray Watson of Mart creating 27 new district courts.

Here is what Governor Smith will ask the legislators to do:

Enact a budget in the neighborhood of \$5.6 billion for the 1970-71 fiscal period.

Levy a balancing tax bill, which he estimates at a-

round \$300 million or slightly less.

If there is time in a 30-day special session, then take up the bills he vetoed because they were not signed in the presence of the legislators.

There has been some speculation that lawmakers may just hand Smith another one-year budget and see what he does. However, Lt. Gov. Ben Barnes and House Speaker Mutscher pledged cooperation in supporting a biennial appropriations pattern this time.

Tax bill remains the big question, and nobody seems to have any clear idea where we go from here.

COURTS SPEAK — A U. S. Supreme Court decision in a recent Louisiana case invalidated a Texas law which restricts voting in revenue bond elections to property owners, says Secretary of State Martin Dies. He spoke as chief election officer of the state, responsible for maintaining uniformity in application and interpretation of Texas election laws.

TIPS FOR OUTDOORSMEN

Hemostat as Hook Remover

If you've got a doctor pal, have him get you a used surgical hemostat (one has very short life for surgical needs and many are discarded regularly). Its clamping mechanism and trim shape makes the finest hook disgorger going and high-grade steel never rusts.

Freeze Quail in Milk Cartons

Milk cartons make good freezer boxes. Fill with game like quail or doves, add water, freeze and store in freezer.

Lighter Leader for Snags

If you plan on fishing around snags or rocks, use a leader at least a pound test less than your line. Then if you hang up, the leader will break, not the line.

Inexpensive Reel Bag

Cut off an eight-inch piece of your old pants leg and then sew up one end closed. In the other, cut slits and weave a draw string through, or add a zipper. Now you have a good reel bag soft and easy to clean.

Hangers as Rod Holders

Hang your fishing rods on coat hangers in the back of your car. Keeps people from sitting on them or catching them in a door.

Flourescent Floats Visible

Bright flourescent paint helps keep a bobber in sight on rough or dark days.

Sugar Lessens Pain or Sting

Rub a bee sting with sugar. It will lessen the pain.

B&B GROCERS look forward to a better season next year as they finish the current season at the bottom of the heap. Front row 1 to r. Vaden Aldridge, Manuel Longoria, Mike Lewter, Bobby Knox, Billy Dixon and Jim Tankersley. Second row 1. to r. Steve Brooks, Rodney Allee, Lonnie Martinez, Harvey Vargas and Jerry Cutright. Back row Bruce Whitley, John Galvan, Ronnie Pearl and Dan Crowder.

Gum Will Stop Leaks

Chewing gum will help reduce a rivet leak in an aluminum boat. Chew gum well and stuff around outside of leak. Allow to harden, then enjoy a dry boat ride.

Sox Protect Reels

Wrap reels in old heavy woolen socks. Keeps scratches off.

Use Talcum on Lures

Talcum powder dusted on rubber or skirted lures will keep them from sticking together.

Dual Purpose for Bobber

Thread a small fishing

bobber on your key chain.

Then should you accidentally drop the keys overboard the bobber will float, thus enabling you to retrieve the keys.

For your convenience, shop Ozona first.

OZONA OILERS finished third in the Little League race this year. Front row, 1. to 6. Steve Pagan, Gary Scott, Mike Fay, Orlando DeHoyos, Marty Golden. Second row, David Torres, Ronald Shaw, Ronald Higginbottom, Hector DeHoyos, Rick Perry, Henry Fay, Tony Conner, and Donald Higginbottom. Steve Scott and Howard Bureca were not present when the picture was made.

South African Mohair Leaders To Address Council

Plans have been finalized for the summer directors meeting of the Mohair Council of America, to be held at 11 p. m. Thursday, July 31 at Fredericksburg.

The meeting, set to coincide with the annual show and sale of the Texas Angora Goat Raisers' Assn., to be conducted Aug. 1-2 at Esple Co. Fairgrounds, will be staged in the old Gilgispie County courthouse.

Highlighting the meeting will be talks by two visiting South African mohair industry leaders, Dr. Carl Kritzer and D. A. Hopson, both officials of the South African Mohair Board. The board will be touring the mohair producing areas of Texas during the week of July 2-8.

Also slated to be on the program will be C. F. 'Chuck' Henderson Jr., general manager of Dellinger, Inc. of Rome, Ga., a custom carpet manufacturer, and Hal Brockmann of Prodesco, Inc., Perkasie, Pa., a product development firm. Others scheduled to take part are Elroy M. Pohle, in charge of the USDA's wool and mohair testing lab at Denver, who will report on work being done to standardize mohair grades, and the new Miss Wool and Mohair of Texas, Jan Green of Ballinger. The Fredericksburg event will be the first official appearance of the new representative of the state's mohair and wool industry.

Dolph Briscoe of Uvalde, Council president, will preside at the meeting. Assistant Council president will be Gail Dudley of Comanche, vice president; Walter Pfluger of San Angelo, secretary-treasurer; and Ross McSwain of San Angelo, Council information director.

The meeting will be climaxed by a barbecue at 6 p. m. at the fairgrounds. Arrangements for the barbecue are being handled by Council directors Clint Brown and Robert Dittmar both of Harper.

Prior to attending the Council meeting and TAGRA show and sale at Fredericksburg, the visiting South Africans will be taken on a tour of the mohair producing area. The men are expected to visit producers, warehousemen and others in the industry at Uvalde, Sonora, Eldorado, Rocksprings, Menard, Junction, Ingram, Kerrville and the surrounding Fredericksburg area. The men will begin their return trip to Port Elizabeth on Sunday, Aug. 3.

Crackdown on the SDS

Though the misnamed Students for a Democratic Society is a clear threat to good order and academic freedom at every American university, few institutions have yet taken an absolutely firm line in dealing with this destructive organization. The kind of measure needed to prevent campus disorders is that taken by the Louisiana State University at the close of the academic year. The board approved a resolution banning the SDS from all campuses within the LSU system.

The LSU board resolution said that "its current activities throughout the United States made it apparent that SDS is a radical, revolutionary organization dedicated to the destruction of American institutions, beginning with American universities. It, therefore, constitutes a clear and present danger to the entire Louisiana state university system."

The SDS was formed in 1962. It has been the spearhead of revolutionary action from coasts to coasts. Only now, seven years after its founding, are colleges and universities beginning to wake up to the SDS' destructive goals. In the past, the SDS didn't have any difficulty finding a campus on which to hold its annual national convention. This year, the SDS admitted, it was turned down by 37 colleges and universities and at least 25 meeting halls, parks and camps.

Some institutions have yet to demonstrate courage in dealing with the SDS. Harvard, the nation's oldest university, actually allowed an SDS spokesman to deliver a harangue at commencement exercises. The speaker poured abuse on the United States and, finally, had to be removed from the platform. At Radcliffe, Harvard's

slister college in Cambridge, Mass., the SDS also was given an opportunity to have a spokesman address the graduates.

Indeed Radcliffe authorities seemed determined to give offense to patriotic, law-abiding citizens. Its commencement speaker was the Rev. William S. Coffin, Jr., the Yale University chaplain who last year was convicted by a federal court jury of conspiring to violate the selective service law.

Yale showed no more concern than Radcliffe for the feelings of its patriotic alumni. A member of the graduating class was allowed to deliver a speech attacking America's involvement in the Vietnam War. No one was given an opportunity to speak in behalf of the Yale alumni proudly serving in Vietnam or who rendered loyal service to their country in past wars in defense of freedom.

At Princeton, the valedictorian, Midland A. Bernstein called the United States "sick." He expressed solidarity with Black Panthers in New York, mutinous soldiers in California, and SDS members involved in a disturbance at a New Jersey plant.

By allowing a handful of students to give such speeches, these universities give the country a false picture of attitude among young Americans in college. The SDS has only about 35,000 members, a small number in a country of more than 200 million people. The militant minority is just that, but the prominence they get — often with the support of radical faculty members and administrators — helps the extremists build up their image as a powerful force.

The vast majority of college students want to get an education and firmly disapprove of the destructive outlook of the SDS and similar groups. Often, they want to take counter-action against the extremists.

At Ohio University recently, members of the Young Americans For Freedom, a patriotic group expressing the will of the majority of students, successfully frustrated the attempts of SDS members to break up an ROTC parade. Such counter-action is growing in importance as the SDS becomes more aggressive.

The Student Council at Palm Beach Atlantic College, in Florida, said "The students here believe it is high time some student body spoke up for the huge majority of students and let it be known that they are strongly opposed to the disruptive actions of small groups of students."

For the majority to take a stand is the American way. The New Left may soon find it is facing a revolt in reverse.

Letters to the Editor

A Letter of Thanks

Once again we come to the close of Little League season and on behalf of Little League Baseball and the Ozona Lions Club, I would like to express my thanks and sincere appreciation to the following people:

First of all to our sponsors, Tommy and Bud Loudamy for B&B Grocers team, Jack Wilkins for Flying W Ranchers, Kirby Moore for Moore Oilers, and Garland Allen and Doyle Elmore for the Ozona Oilers; and to our minor league sponsors, Charles Huffman of Crockett Motors, Lowell Littleton of Ozona National Bank and Wayne Loury of the West Texas Utilities.

To all our fine managers and coaches in the entire program, including umpires. To all the mothers who worked so hard in the concession stand and donated food to sell. To Mrs. Jack Gillitt, in charge of stand for all Little League games, and to Mrs. Jim Weant for

minor league games. To Mrs. Sam Fitzhugh, in charge of buying supplies for the stand, and to Mr. Jesus Castro, who supplied the stand with ice for all the games. To the business firms donating ice. To Mrs. Rex Fenton, secretary and treasurer for the league, and a very special thanks to Mrs. Vic Montgomery, fund raising chairman.

We will notify all 12 year old boys and their parents as soon as we set a date for the trip to the Astrodome in Houston.

I would also like to take this opportunity to offer my personal thanks and gratitude for all the support I have received the past four years as president of the local Little League Assn. I have always felt in my heart that the main purpose of Little League is to help the boys in the program and if we help one boy out of 100 every year then our purpose is accomplished.

It has been my pleasure to serve with many fine men of character and watch the program grow. However, I feel that I have served my tenure as president and will take this opportunity to resign this position and express my prayers and best wishes for the man who carries on.

A special thanks to the board of directors of the association, who have stood behind me these four years and to the Lions Club for the opportunity to serve in this capacity.

Last but not least I'd like to thank all the boys who have participated during my years as president for their support and pat on the back that kept me going.

Once again may I say thank you to all concerned and wish you continued success with the Little League baseball program here in Ozona.

Sincerely,
Bill Lewter, president
Ozona Little League Assn.

Accurate and Complete

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

THE STOCKMAN RANCH RECORD BOOK

JOHN HENDERSON, son of Mr. and Mrs. John L. Henderson, of Ozona, is enjoying the western riding program at Camp La Junta, a western camp for boys, located in Hunt, Texas.

Crockett 1968 Oil Production 7.9 Million Bbls.

Texas, the nation's leading oil producer, has yielded more than 21 billion barrels of oil during the past 79 years of recorded production, according to the Texas Mid-Continent Oil & Gas Association.

This has meant a statewide distribution of income which currently averages about \$3.4 billion a year. With 207 of the state's 254 counties producing crude oil, each section of the state is marked by several prolific fields. Texas' daily oil production is more than 1.1 million barrels.

"More investment is needed to find new oil fields to replace those now being completed," says Corbin J. Robertson, Association president. "By the end of this century the demand for oil and gas will have doubled. Between now and 1980, some \$200 billion will have to be spent to find enough energy to continue our present standard of living and guarantee national security. Clearly, the country today needs policies which will stimulate the drilling of more wells. Our reserves are shrinking."

Crockett County, which has had recorded production since 1925, has had a total crude oil output of 188,982,156 barrels up to the beginning of 1969. Crockett County production in 1968 was 7,900,922 barrels at the rate of 21,587 barrels a day.

Texas has 36 counties scattered over the state which produced at the rate of 25,000 barrels or more per day. The three largest are: Andrews, 203,520 barrels per day; Ector, 172,654 barrels per day; and Crane, 128,839 barrels per day.

Gregg County is the only county that has produced

more than two billion barrels of oil. Andrews, Ector and Rusk counties have produced more than one billion barrels of oil.

DPS -

(Continued from Page One) ches and parks, during the holiday period.

The DPS director also warned that the department will vigorously enforce state laws relating to driving while intoxicated.

"Drinking drivers are involved in 40 to 50 per cent of the rural traffic accidents in Texas, and I urge all drivers to avoid the use of alcohol prior to operating a motor vehicle," Speir said.

DUPLICATE BRIDGE

Winners in Duplicate Bridge club play at the Civic Center Saturday afternoon were Mrs. Henry Miller and Mrs. Jack Wilkins, first, and a tie for second between Mrs. L. B. T. Sikes and Ewart White and Mrs. J. B. Parker and Mrs. Tom Montgomery.

Tuesday night winners were Mr. and Mrs. Ewart White, first, and a tie for second between Mrs. Henry Miller and Mrs. Jack Wilkins and Mrs. Joe Pierce and Mrs. Tom Montgomery.

The club will meet at the Center Saturday afternoon at 2 o'clock and Tuesday night at 7 o'clock.

Ensign and Mrs. Robert Doyle Cox left this morning for Sonoma, Calif. where Ensign Cox will be stationed at Skaggs Island Naval Base. They have been visiting his parents, Mr. and Mrs. Robert Cox, and grandmother, Mrs. Mary Seeley, this past week.

HOUSE FOR SALE - Make an offer on 3-bedroom, 2-bath, with refrigerated air, carport, 100'x200' lot located 1208 South Avenue F. Contact H. G. Counts, Box 3264, Midland, Texas. 15-tfc

Kitty's Korner -

(Continued from Page One)

who set fire to the old dump ground Tuesday night, but Bill Cooper assured me that anytime something like this happened, a call to him would produce results. If necessary he will get the entire Fire Department out to douse it. Now, you can't beat that, can you?

Beef -

(Continued from Page One)

Cattlemen interested in attending the short course should write or call Jimmy Davee, Vocational Agriculture teacher. (Phone 392-3142 or 392-2117). An entry fee of \$2.00 will be charged. Pre-registration will be helpful in organizing the course.

Beef production short course certificates will be presented to each member who attends all the training sessions.

Mr. Litterst indicates that the beef production short course will deal with methods of producing beef at a lower cost and the ways of producing the kind of beef that the homemaker wants to buy. He also states that the course will include such important fields as cattle reproduction and pregnancy diagnosis, selecting bulls and replacement heifers, calf crop percentages, and supplemental winter feeding. The course can be changed to meet the wishes and interests of persons enrolled.

Helicopter -

(Continued from Page One)

Use of the machine for manhunts or lost person searches has been very successful, Perkins continued. The machine can be used when a person is lost and cannot be located by ground search in rural areas in the daytime.

Use of the machine for aerial observation over a rural area where a wanted subject or subjects are on foot and believed to be hiding or walking across country would constitute a manhunt. Some observation could be made in urban areas, such as detecting an abandoned, hidden or wanted vehicle or other object.

Other uses for the helicopter are rescues and reconnaissance during civil disturbances. Rescues, except during disasters such as floods would generally be limited in Texas to such mountainous and rough terrain as the Trans-Pecos region and Palo Duro Canyon, Perkins explained. Rescues from other regions could be just as effective after locating subjects by helicopter and sending in personnel and supplies.

Following the luncheon, the helicopter took off from the edge of the draw near the El Sombrero cafe and landed at the airport where rides over the town were given all afternoon.
