"The first dose of Argotane seemed to hit the spot and he has been getting better ever since. He can eat with relish and he is being built up in a substantial way. Those aches and pains in his joints and body that used to bother him so much are fast disappearing and he can now get a good night's rest and feel like working the next day. His general health has improved wonderfully since he started taking Argotane and it has certainly been a blessing to my husband and others and there are no better Argotane boosters in this town than we are."

Genuine Argotane may be bought in Big Spring at Collins Bros. Drug Store.—adv.
