DEDICATE NEW WING -- Bishop Eugene Slater of San Antonio will be here Sunday to preach at the morning worship hour at the Ozona United Methodist Church and to dedicate the new adult wing and little chapel addition to the local church plant. The new wing, envisioned in the original plans for the church but abandoned at construction time because of a fund shortage, has recently been added and is now in use. It houses the pastor's study, new Sunday school classrooms, a ladies parlor for special meetings and the "Little Chapel" a small sanctuary at the east end of the wing for special worship functions.

Bishop Slater To Dedicate New Church Addition

Bishop Eugene Slater of San Antonio, will be here Sunday to officially consecrate the new adult wing of the Ozona United Methodist Church, which was completed in the Spring of this year.

Bishop Slater, a former pastor of the Ozona church, will preach at the 11 o'clock worship hour Sunday and will dedicate the new addition as a part of the worship service.

Rev. Kermit Gibbons, District Superintendent, and Dr. R. F. Carl, immediate past pastor of the Ozona church will be here to take part in the service, the pastor, Rev. John Berkley, announced.

Honored guests will be Rev. and Mrs. Horace King of Kerrville and Rev. and Mrs. Forrest Dudley of Dallas, former Ozona residents. Rev. King was pastor of the church when the original unit of the church was built. He is presently pastor of St. Paul's Methodist Church in Kerrville.

The new wing of the church, which contains classrooms for adult Sunday School classes, the pastor's study, a ladies parlor and the "Little Chapel," was built and furnished at a total cost of approximately \$81,000. The indebtedness on the addition has been reduced to a present \$15,000.

County Hospital's Future Is In Hands of Voters Wednesday

Residents of Crockett County will go to the polls Wednesday to vote for or against the leasing of the Crockett County Hospital to Medica Diversified, Inc.

If the proposal passes, the hospital will continue to operate with the present staff and the town will continue to have the services of Dr. James Everett who is scheduled to open his practice here soon.

If the proposal should fail

to pass, operation of the hospital will revert to the county and conditions will be much the same as they were before Medica Diversified took over the operation of the hospital June 1 of the current year. The town will be without the services of a physician and this would necessitate cutting the hospital staff, plus the possibility of closing the hospital doors until such time as a doctor could be located for the town.

A fruitless six-month search for a physician for Ozona led to the present management agreement with Medica Diversified. Dr. Everett has been the medical director for the hospital since coming to Ozona in July. He is also a director in the corporation.

Several points were cleared up in a hearing last month at the courthouse when citizens met with the Commissioners Court, the hospital board and directors of Medica Diversified.

Judge Bemice Jones briefed the people on steps taken by the county to interest a physician in coming to Ozona and explained that only after every effort to secure a doctor had failed, did the county and hospital board enter into negotiations with Medica Diversified.

She explained that the court had decided that only by leasing the hospital to the group of doctors and agreeing to build a nursing home, could competent medical service be provided the people of Crockett County. There is a great need for the nursing home facility in Ozona.

Dr. Everett answered questions from members of the audience and cleared up many misconceptions. He stated very clearly his connection with Medica Diversified and when asked if the voters turned down the lease proposal would he be leaving Ozona, simply answered "yes."

There was no real dissent from members of the audience and most of those who took the floor were for the leasing of the hospital to the group. In spite of a great deal of talk about dissatisfaction on the part of some, nobody offered an alternative plan and when the meeting adjourned the majority of the crowd seemed well-pleased with the arrangements made by the court and the hospital board.

However, the future of medical services and hospital facilities in the county hangs in the balance. Nobody should be complacent and neglect to cast a vote Wednesday.

The polls open at 8:00 a.m. and close at 7:00. Tomorrow will be the final day to vote absentee in the county clerk's office.

Lions Conquer State Rated Sonora Broncos

Excitement is still running high this week, as a result of the Ozona Lions 14-12 victory over the highly touted Sonora Broncos Friday night in Sonora.

The victory gives the Lions a 3-1 record for the season and placed them at the top of 5-AA. They will invade Iraan Brave territory tomorrow night in the final game before district play begins the following Friday at Big Lake.

Friday night's win over the Broncos was the second win for the Lions in more than ten years. The only win over Sonora in the 60's came in 1964 when the Lions took a 21-17 victory from the Broncos. The worst beating the Lions took from Sonora was in 1966 when the score was 33-0.

Coach Rip Sewell warns against over-confidence in Friday night's game against the Braves. Scouting reports have it that the Braves are big, strong and out to scalp the Lions.

The Sonora-Ozona game was a thriller from beginning to end with both teams playing their best ball. The Broncos scored first, but the try for the extra point was no good. However they held a 6-0 lead going into the second quarter.

An interception by the Lions Chuck Womack set up the Ozona score. After a 62 yard drive, Pete Perez plunged over from the 3-yard line to put the Lions on the scoreboard. David Pagan kicked the extra point, giving the Lions a 7-6 lead at halftime.

The Lions scored again in the third period after Tom Davidson intercepted a Bronco pass on the Sonora 32-yard line. Seven plays later Ruben Tambunga raced over for the Lion score. Again Pagan kicked the extra point.

Sonora stormed back and Eddy Sutton scored on a quarterback sneak after a 69-yard drive.

The Lions scored again in the fourth period after Tom Davidson intercepted a Bronco pass on the Sonora 32-yard line. Seven plays later Ruben Tambunga raced over for the Lion score. Again Pagan kicked the extra point.

Sonora stormed back and Eddy Sutton scored on a quarterback sneak after a 69-yard drive.

The Broncos tried to even the score on a pass play, but failed to make it and that ended the scoring for the night.

The Broncos were driving at the end of the fourth quarter, but when David Pagan intercepted a Sonora pass with a minute to go in the game, the Lions had the victory wrapped up.

Tambunga sparked the Lion offense, breaking tackles and spinning his way through the Bronco line.

Mike Jenkins led the defense with 14 tackles to his credit, Pagan and Tom Davidson had 11 tackles each.

Statistics showed the teams evenly matched with 12 first downs for Ozona and 13 for Sonora. The Lions had 184 yards rushing and 34 passing for a total yardage of 218, while Sonora had 162 yards rushing and 128 passing for a total of 290 yards. Ozona completed 4 passes out of 8 attempts and the Broncos completed 10 out of 20 with three damaging interceptions. The Lions recovered one Sonora fumble.

The Lions' Jim Montgomery punted 8 times for 324 yards, a 40.5 average. Ozona had 3 penalties for 35 yards and Sonora had 6 penalties for 50 yards.

Hiway Accident Totals Auto For Midland Man

Two automobile accidents were reported in the county over the past week by Highway Patrolman John Harris, DPS. Property damage was heavy but there were no personal injuries.

The first accident happened last Thursday around 9:30 p.m. 16 miles south of Ozona on Hwy. 163. James H. Pruitt IV of Midland was on his way to a job location south of Ozona when he lost control of the 1966 Ford he was driving and overturned twice. Pruitt escaped with minor bruises, but his car was a total wreck.

A freak accident around noon Saturday in front of the Ramirez Grocery on Argo Street resulted in heavy damage to a parked car and the front of the store. Brakes failed on a 1968 GMC truck which was unloading grocery supplies in front of the store when the driver pulled out from the curb. The truck rolled back into a parked 1963 Ford automobile and the van crashed into the store front.

BISHOP EUGENE SLATER
To dedicate Methodist Church Adult Wing Sunday

First Loss For Junior Varsity At Big Lake 12-14

Coach Jim Williams' Lion junior varsity took their first loss of the season Thursday night at Big Lake when the Owl J-V edged by them 14-12. Penalties plagued the Lions the first half and the Owls had a 7-0 lead at halftime. However, the second half saw the junior Lions playing heads up football.

They scored in both the third and fourth periods and had one touchdown and a pass for 2 points called back on penalties.

Big Lake scored in the final period and kicked the extra point to win the ball game on the scoreboard.

The Lions had 191 yards rushing and 112 passing for a total of 303 yards, while the Owls had 195 yards rushing and 27 passing for a total of 222 yards.

Monte Pelto at quarterback completed 11 out of 14 passes for the 112 yards in the air. Timmy Evans led all rushers with 181 yards. Evans also scored both touchdowns, one on a spectacular 65-yard run and the other on a plunge from the one-yard line.

Leading pass receivers were Cheo Vargas, four for 45 yards, and Dean Shaw, three for 39 yards.

The juniors will be in Sonora tonight for a rematch with the Sonora junior varsity. The Lions beat the Broncos here in their first game of the season.

Crockett Field Outpost Staked Gets Confirmer

A confirmation was indicated to one Crockett County field and location was staked for an outpost to another.

Third 6,200-foot Canyon sand gas producer and a one-mile southwest extension to that pay was indicated in the Davidson Ranch multipay field with the flowing of 48 barrels of condensate in 48 hours, plus gas at the rate of 73,000 cubic feet daily at Texaco Inc. Midland, No. 3-D A. R. Kincaid Trust, in 7-KL-GC&SF, four miles southeast of Ozona.

Flow was through a 1/2-inch choke and perforation at 6,121-247 feet. Testing continued.

The field also was one 8,600-foot detrital gas producer and five 7,890-foot Pennsylvania wells.

Monitor Natural Gas Co., Midland, will drill the No. 1-83 Clegg as a two-mile outpost to the Ozona (Canyon sand) field, 35 miles southwest of Ozona.

Location, exception to rule no. 37, is 2,450 feet from the north and 1,320 feet from the east lines of 83-Q2-TCRR. Contract depth is 7,000 feet with rotary.

Changes Marked In Draft Numbers

Local Draft Board No. 110 announced today that random selection number 163 is the highest lottery selection number reached in 1970. However, it may be necessary to go to a higher random selection number in order to satisfy the remaining 1970 calls.

In compliance with the White House Executive Order announced recently, all registrants of local Board No. 110 who hold the highest reached number or numbers below the highest reached number and who have not been issued orders for induction due to any circumstance, will be considered for carryover into the extended priority selection group if they are classified I-A as of December 31, 1970. Such young men will have their liability for induction extended for the first three months of 1971. Registrants who held numbers above the highest reached number of Local Board No. 110 and are classified I-A on December 31, 1970, will be placed in a lower draft priority group on January 1, 1971.

Mary Jane Martinez Wins Santa Fe Award

Mary Jane Martinez, a Crockett County 4-H Club member for seven years, has been named a state winner in the Santa Fe 4-H Educational Awards Program. Her awards include a \$500 college scholarship and an all-expense paid trip to the 1970 National 4-H Club Congress in Chicago. Miss Martinez received this high 4-H honor on her 4-H record book during state 4-H record book judging at Texas A&M University.

Mary Jane, 18, is the daughter of Mrs. Elvira Martinez, and a 1970 Ozona High School graduate. She was recently named winner of the Mother Davidson Memorial Trophy as the outstanding Crockett County 4-H Club member for 1970. Other top 4-H honors include being named the J. T. Rutherford Achievement Trophy winner in 1969 as the outstanding 4-H club girl in the 25-county Extension District-6, county 4-H Gold Star Girl in 1968.

MARY JANE MARTINEZ

Ozona Junior Hi Cubs Win One Lose One To BL

Ozona's junior high Cubs won one and lost one when they hosted the Big Lake teams last Thursday. The seventh graders lost a 12-6 decision and the eighth graders picked up a 24-12 win.

The junior high teams will play Sonora tonight here, with the first game beginning at 5 o'clock.

Ozona's score came in the third quarter on a pass play from quarterback Ricky Perry to David Torres from three yards out, the only Cub score in the seventh grade game.

The eighth graders played an outstanding ball game and scored in every quarter while holding the Big Lake team to two scores.

Coach Charles Spieker said the team had improved tremendously since their first and only loss to Sonora the first game of the season.

Richard Gonzales topped the offense for the Cubs with three touchdown runs. Defensive standouts were Armando Reyes, Able Martinez, David Bean, Robert Rodriguez and Richard Perez.

Gonzales scored from three yards out in the first quarter, Romaldo Cervantez scored from two yards out for the Cubs in the second quarter. The highlight of the game was the third Ozona score when Gonzales ran through the middle for 65 yards and another Cub touchdown. The final score came when Gonzales ran in for the score from five yards out in the fourth period.

county and district 4-H food show winner three years and a participant in the state 4-H food show in 1968 and 1970. Mary Jane has been an outstanding junior 4-H leader and has served as president of her 4-H club for the past five years. She is presently enrolled in Angelo State University as a freshman, majoring in elementary education.

THE VICTORY FLAG hung high from the halls of OHS this week as the student body celebrated the sweetest victory in years--- knocking off No. 1 Class A rated Sonora Broncos at Sonora Friday night. It had to be the Lions' finest hour and the student body's greatest thrill. The interested looker is Tim Ogilvy from Odeza, who was making the rounds with the Stockman photographer.

WHY?

Almost 1,600 U. S. Servicemen are now listed as "missing-in-action" or "prisoner-of-war" in Southeast Asia.

Over 1,100 are listed just as "missing-in-action." Slightly over 400 U. S. Servicemen are known to be "prisoner-of-war."

More than 200 Americans have now been held by the Communists in North Vietnam for more than five years.

Less than 300 imprisoned Americans have ever been allowed to send mail to, or receive mail from, their families.

The Communists have refused to abide by a single one of the articles of the Geneva Convention Agreement regarding treatment of prisoners-of-war—an agreement which they signed in 1957.

The Geneva Convention Agreement calls for nothing more than what any civilized people would consider minimum with regard to prisoner treatment. And although they gave their solemn pledge to abide by those standards, the Communist North Vietnamese have blatantly violated every one of the stipulations to which they pledged themselves.

So reads a fact sheet now being distributed by the Veterans Of Foreign Wars.

In the meantime, in Capitol Hill, a handful of U. S. Senators are constantly criticizing our Vietnam policy, are constantly demanding that we abandon the South Vietnamese to the tender mercies of the Communists; are constantly attacking and criticizing the government and the leaders of the anti-Communists in Vietnam; but who have yet to utter one word of complaint, against the Communist Viet Cong or one word of sympathy for the wives and children of American POW's, or issue one demand that the Reds abide by their Geneva Convention agreements.

Why?

RED ENVOY TO RED CHINA

It looks like love and kisses again between the Reds of the U. S. S. R. and the Reds of the P. R. C. ("People's Republic of China"). The fact that the Soviets have appointed one of their very most important VIP's—Comrade Vasil I. Tolstikov—to the post of Ambassador to Peking indicates their serious intention to practice coexistence, if not cohabitation.

According to the Hoover Institute at Stanford University, Tolstikov has served for several years as a member of the powerful "central committee" of the Communist apparatus in Russia, which marks him as one of the 200 top members of the dictatorship. Tolstikov's skill and ability in Soviet foreign affairs is testified to by his leadership of a Soviet delegation which attended the 19th Congress of the Communist Party of Uruguay—the PCU—on August 9-13, 1966. Interestingly enough, another of the delegates to that same convention was the head of the Communist conspiracy in the United States, Gus Hall. Uruguay is of recent painful memory to the people of the United States, since it was there that Daniel A. Mitronne was brutally murdered by the underground "Tapamario" band of Marxists who follow the same extreme violent line as Mao Tse Tung and Fidel Castro. At the 1966 communist meeting, Tolstikov praised the PCU as a "militant outpost of the international communist movement." Rodney Arismendi, head of the Communist apparatus in Uruguay reciprocated by attending the 23rd Congress of the Communist Party in the Soviet Union, where he declared that the PCU has learned to "identify proletarian internationalism with friendship with the Party of Lenin, with defense of the Soviet Union."

The PCU meeting was not attended by Red China, but was more or less represented by proxy by other buddies in the Communist Party, who did attend, and who will later on this year again try to get Red China into the United Nations.

So its la-de-da and merry, merry roundelay as the Red Goliaths clasp bloody hands in token of their mutual devotion to violence, dictatorship, tyranny, terror and human slavery.

WASHINGTON NEWS LETTER

Cong. O. C. Fisher

In 1920 the average life span of mankind in this country was 54.1 years. Compare that with 1968, 48 years later, when the average life span was 70.2 years -- an increase of 29.8%.

Our great medical profession has spearheaded this achievement, along with advances in sanitation and insecticides.

An example of how in the past the life span has been held down is seen in the 14th century when the great plague epidemic swept the Old World killing about 25 million -- about one-third of Europe's population. Your sanitation habits of the

the people. The Bubonic Plague organism is today among some wild rodents in this country, which keeps the medics on needles and pins, fearful of epidemic outbreaks on short notice wherever sanitation breakdowns occur.

It's pointed out that pests such as roaches, flies, and rats won't follow the human sanitation rules. If only they would wash with soap and water, before entering food areas, like people like to do, they would no longer be harmful to people.

Unlike western world standards, the rest of the world continues to live in unsanitary conditions. Due to their not having pest-killing drugs to cope with the pest and rodents, these people have a much shorter life span.

STOP--ALL. Home at the Ozona Stockman.

HELP!

THE FAMILY LAWYER

Slander, Unlimited

In the heat of political debate, Lawmaker A calls Lawmaker B a crook. B is not a crook. Could he make A pay damages for slander? No, because the law grants a special immunity to all legislators, both state and federal. No matter what slanders they utter, within the legislative chamber, they cannot be held liable in court.

This may seem to be rank favoritism. But the rule is meant for the benefit of the public at large, not for the benefit of the legislators themselves. It frees

immunity as a "lawmaker." But the court turned down his defense and held him liable. The judge said that at this lower legislative level, protecting an official was not as important as protecting an innocent person's good name.

A LOOK AT CAPITOL HILL WITH Dick Gill YOUR CONGRESSMAN

FOR THE '70s AND BEYOND

Attorney General John Mitchell's first report on Justice Department use of wire-tapping reveals that it has been an effective weapon against organized crime.

Altogether, 137 arrests were made from evidence gathered in 31 court-approved wire-taps. In Washington D.C. alone, a wire tap on a narcotics wholesaler picked up 5,594 incriminating calls in 39 days. These resulted in the arrest of 57 people, one of the largest dope-ring roundups on record.

Also in 1969, six wire-taps in Newark collared 55 persons, including many Cosa Nostra leaders. Between 1961 and 1966, the Government's war against organized crime minus wire tapping showed markedly different results: only 185 indictments against Cosa Nostra members during the five-year period.

Despite the hue and cry protests of a misguided few, wire-tapping has not proven to be an "invasion of privacy" for law-abiding citizens. I am pleased to see Attorney General Mitchell and President Nixon being scrupulously careful in applying this most powerful anti-crime tool.

Pd. Pol. Adv. Gill For Congress Comm., Dale Dorn Chmn.

them to do a better job, unhampered by the lurking fear of legal liability in case they happen to say something wrong.

For similar reasons, immunity is granted also to officials of the judicial and executive branches of the government. Take this case:

A judge, while questioning an arrested man, scolded him as a liar and a disgrace to the community. As it happened, the man was guilty of nothing at all. After being released, he sued the judge for slander.

But the court dismissed his claim, on grounds of the judge's special immunity. The court said:

"How could a judge exercise his office if he were in daily fear of an action being brought against him?"

However, the less important the occasion, and the less important the official the less reason there is to grant him immunity.

Consider a case which grew out of a local council hearing on bus service. One of the council members, angered by a complaining citizen, denounced him wrathfully as a fraud. The charge was made simply out of malice, without the slightest basis in fact.

When the victim filed suit for slander, the councilman claimed

PASSING ERA - The old steam heating system of the First Baptist Church is under way in the auditorium and north wing for a complete new Air Conditioning and Heating system. Installation should be completed by the end of this week.

NON-DISCRIMINATION

"Southwest Texas Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of the Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies

Here's an unusual outdoors story! We got a chuckle out of it . . . and perhaps you may, too.

Most everyone has heard the story of the hunter who had an exceptional retriever. It walked on water!

One day the hunter took a friend out in his boat, along with that supernatural dog. As soon as a flock of ducks flew overhead, the dog owner aimed, fired and dropped a duck into the lake. Immediately, the dog jumped out of the boat and walked on top of the water to the felled bird, mouthed it and . . . again walking on top of the water . . . returned to the hunters with the duck. There was no comment from the other hunter.

It wasn't long until his master shot another duck; and the dog repeated his water-walking act. Still no comment!

When it happened the third time and his companion hadn't emitted a word, the dog owner finally asked his friend "What do you think of my retriever?" To which the second hunter replied: "I think he oughta learn how to swim!"

Maybe that wasn't a true story—but this one is.

UT Journalism Prof. Olin Hinkle has a place on Lake Travis to relax and fish. One of his neighbors has a fine dog that has been taught to retrieve and loves to do it. Also to swim!

Often, while Olin is fishing from

his boat, the dog will jump into the water, swim out to the boat and bring the professor.

Being a retriever, the animal jumps overboard after every cast and haul for the spot where Olin's top-water chugger is making noise. This poses a problem for Olin for he has to be sure that the lure and its hooks are not too close to the dog.

One time, unfortunately, it happened. The dog grabbed the lure in its mouth and headed back to the boat. It climbed aboard with the hooks in its jaws.

Olin finally removed the sharp points of the treble hooks from the retriever's mouth as it sat there calmly awaiting attention and waiting not one whine.

But, did you ever see a fisherman reeling in a dog? That's how it looks to strangers.

Another of Hinkle's Lake Travis neighbors has a water-loving dog that enjoys a swim too. In fact, the animal mystifies the new boatmen in the area when they see him swim on large, just barely submerged boulders some distance from shore.

Can you imagine a boater turning the corner in a cove and coming upon a dog just resting there on top of the water, in the middle of the lake? That's how it looks and that's how he does. And often too!

and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in meetings of beneficiaries and participants in the conduct of the operations of this organization. "Any person who believes himself, or any specific class of individuals to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture a written complaint. The names of complainants will be confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

Do You Want a Hospital In Ozona?

Do You Want Medical Service In Ozona?

Months and months of futile effort went into the search for a doctor to practice in Ozona. The people who now operate the hospital and who stand ready to lease and continue its operation have brought us a fine young physician and we have promise of another young doctor's services in a few weeks.

Wouldn't you rather have this service than go back to what we had before -- an \$80,000 a year county hospital expense bill and no medical service?

Do you want Ozonans to have hospital and medical care in Ozona or in some neighboring town or distant city?

A going hospital and adequate medical service are factors of no small economic consequence to a community. Would you really want to go back to what we had -- or, rather, didn't have?

The Cheering Squad

Energy and exuberance are trademarks of youth. You can see it clearly when a group of cheerleaders go into action.

Quick reaction is a mark of youth. If the team wins, these girls will be on top of the world. If it loses, they will go home with shoulders slumped. They haven't really learned "to take it". Withstanding both success and failure is a mark of maturity, and finding the strength to go on becomes an act of faith.

Have you grown up? Do you have that kind of faith? If not, the first steps toward finding it might be a walk to the church door.

Sensing The News

By ANTHONY HARRIGAN
Executive Vice President,
Southern States Industrial
Council

The Smut Peddlers

While millions of Americans are deeply concerned about the flood of pornography and demand legislation to drive smut peddlers out of business, a presidential commission has recommended that all laws against pornography be repealed.

The 18-member commission (17 appointed by former President Johnson and one by President Nixon) proposed that the United States adopt laws as favorable as Denmark's. Today, Denmark is the capital of the smut trade. Pornography books, films and materials are sold openly in shops on main streets and exported overseas.

The commission specifically recommended repeal of all federal, state and local laws against showing and selling of pornographic films, books and other material to adults. It said: "The commission is of the view that it is exceedingly unwise to attempt to legislate individual moral values and standards." No doubt the vast majority of decent citizens are shocked at the recommendations of the panel established by President Johnson and dismayed by its faulty logic.

Public authorities can't be unconcerned with public morality. The moral fiber of the nation is a legitimate public and governmental concern and always has been viewed in that light. If the commission's recommendations were approved, the Congress would be giving legislative sanction to immorality.

In defending its proposals, a member of the President's Commission on Pornography said sex crimes in Denmark declined 31 per cent after legislation on pornography. Whether this statistic is accurate, one cannot say. What is clear is that the people of Denmark have been exposed to a flood of sick and perverted material. The psychological impact of that material on Danes now growing to maturity is likely to be grave indeed.

No Western society, based on Christian values, has been exposed to pathological erotic material in such en-

ormous quantities. It is questionable that Christian morality in Denmark can survive the legalization of morally depraved material.

Very properly, the U. S. Congress is indignant about the conclusions of the commission appointed by President Johnson. Only a few weeks ago, Congress gave overwhelming approval to a bill (H. R. 11032) designed "to prohibit the knowing deposit in the mail for transport in interstate commerce" of unsolicited salacious advertising. The penalty for this, as approved by Congress, is a fine of not more than \$50,000.00 or imprisonment of not more than five years — on the first offense. Obviously, Congress is determined to crack down on smut peddlers.

In advocating passage of this bill, U. S. Rep. William E. Minshall (R-Ohio) told of the methods of the smut peddlers, saying: "The panders of pornography glean names from newspapers, magazines, school, club, and even church rosters."

Though the Commission on Pornography wants to give smut peddlers a green light, the American people think otherwise. In the last two years, the U. S. Post Office Department has received 459,129 complaints from citizens who have been the target of the smut peddlers' mail advertising campaigns.

THEY WERE THE TOAST OF THE TOWN these husky players who made up the Ozona town baseball team somewhere before the twenties. The above picture was from

the collection of the late Houston S. Smith, former Crockett county judge, historian and baseball player. The names of all but one of the players, the last one on

the right, were available, but so far no one has been able to identify this fellow. Others in the picture are, from left to right, Herman Hoebner, Sam Cox, manager

and pitcher, Vernon Cox, Houston Smith, Rex M. C. Weaver, Forrest E. Dudley and W. I. B. Bremer. (Picture loaned by Mrs. Charles E. Davidson)

Morning Shower Leaves .16 Inch

An early morning shower Monday left .16 of an inch of moisture on Ozona and the surrounding area, the first October rainfall.

After a long dry summer, the month of September brought 2.85 inches of much needed rain to the county and town. Heavy rains fell Friday in the eastern part of the county, but missed the city by some six miles.

It pays to advertise CUSTOM DRAPES—Many styles, color combinations and fabrics to choose from. Call Bill Watson, Watson's Department Store tfc

Eye Doctor Seeks To Locate Here

Charles F. Mitchim, O. D., of Chandler, Arizona was in Ozona this week looking over the town for relocation of his practice of optometry.

Dr. Mitchim, a graduate of West Point and a retired Army colonel, received his Doctor of Optometry degree in 1965 from the Los Angeles College of Optometry. He has been practicing in Chandler since that time.

Dr. Mitchim, 59, returned to Chandler to bring his wife for a visit in Ozona.

HD CLUB TO MEET

The Ozona Home Demonstration Club will meet Monday afternoon at 1:30 at the Civic Center.

New members will be welcome.

Mr. and Mrs. Hubert Baker were in Iran to attend that city's annual Chamber of Commerce banquet Tuesday night.

BEAUTIFUL CARPETING - Expertly installed, free estimate. See Eddie Crutchfield, ph. 392-3204. 17-tfc

CARD OF THANKS

May I take this opportunity to thank all those who sent plants, cards, letters and otherwise expressed their concern while I was in the hospital in Houston. Your many kindnesses helped me through my long stay. God bless you.

Sincerely,
Mrs. Ivy Mayfield

Mrs. Jake Short has returned from El Paso where she was under treatment in an El Paso hospital for several days.

SORORITY MEETS

The Alpha Alpha Mu Chapter of Beta Sigma met Monday evening at the Ozona National Bank for a salad supper.

Mrs. Jay Berry was hostess for the supper and the program was presented by Mrs. Jim Williams and Mrs. Lloyd Baird. Members discussed the club's

get acquainted month which began October 1. Formerly occupied by the Automotive. Call 392-2222

THIS IS THE MONTH OF HOBGOBLINS AND WITCHES

Sometimes the hobgoblins and witches seem to be after us at other times - if we have not been careful to take care of our obligations on time.

It is very important to our way of life that we strive always, to maintain a good credit record - it is more valuable than cash.

Credit is the hinge on which the American Economy swings.

Like a pendulum it swings from one extreme to the other.

A good credit department is a basic part of the products offered for sale.

Credit makes it convenient for people to buy merchandise they need when they do not have ready cash available.

Credit is no longer a service used by only those who do not have cash.

It is a proven fact, as a person's income goes up, so do his credit purchases.

Credit is only a means to an end - but handled properly, it opens the door for future purchases and conveniences.

"YOU RUN DOWN YOUR CREDIT -- WHEN YOU RUN UP YOUR BILLS."

PANDALE STUDY CLUB

Mrs. Carl Malone was lunchon hostess to the Pandale Study Club Thursday in the Pandale Community Center.

Guest speaker was Mrs. Douglas Fisk of Ozona. She gave an interesting and thought-provoking account of the experiences she and her husband had while teaching on the Navajo Indian Reservation. She also displayed pieces of Indian art, silver craft, jewelry and weaving.

Mrs. Fisk led the group in singing folk songs, accompanied by Mrs. John Berkley, also of Ozona, at the autoharp.

Mrs. Ted White presided over the business session. The club members voted to send \$50 to the San Angelo Center at Carlsbad to buy Christmas gifts for the residents.

Mrs. Fisk won the door prize. Members present were Mrs. Carl Malone, Mrs. Ted White, Mrs. W. O. Mills, Mrs. Henry Mills and Mrs. Welton Burger.

CARD OF THANKS

We wish to say "Thank You" for all the kindnesses and expressions of sympathy shown us in the loss of our baby son. To the neighbors, Bro. Bailey and the ladies of the W. M. U. and especially to Dr. Everett and the nurses of your fine hospital, who worked so hard. Thank you, and God Bless you all.

The Victor H. Field Family

RECIPE OF THE WEEK

From Kitty's Kitchen

California Pork Chops

- 6 loin pork chops 1-inch thick
- Salt and pepper
- 1/2 cup flour
- Salad oil
- 2 oranges peeled and sliced
- 5 tablespoons brown sugar
- 2 teas. cornstarch
- 1/2 cup chicken stock
- 1 cup orange juice
- 2 medium sliced onions
- 2 tbs. dried parsley

Oranges and pork make a delightful combination, and this recipe makes the most of it. Trim excess fat from chops and fry out the pieces in a heavy skillet. Skim out and discard scraps when they are brown. Season the chops to taste, roll

a large shallow casserole, preferably one that will enable you to crowd them in one layer. Sprinkle the orange slices with 3 tablespoons of the brown sugar and let them stand.

Blend the cornstarch with the stock, the orange juice, 1/2 teaspoon of marjoram, and the rest of the brown sugar. Pour this mixture over the chop in the casserole and arrange the onions on top. Sprinkle the onions with parsley, cover, and bake 1 hour in a 350-degree oven. Arrange the orange slices on top and bake 15 minutes more, uncovered. Serves 6.

OZONA GARDEN CLUB TO MEET MONDAY

The Ozona Garden Club will meet Monday, Oct. 12, at the Granny Miller Hall at 1:30 p.m.

Hostesses will be Mrs. J. B. Miller and Mrs. Joe Boy Chapman.

The program will be a lecture and demonstration by Mrs. J. W. McCart of Midland, covering the flower show schedule with emphasis on making containers.

NOTICE OF DISSOLUTION AND FINAL LIQUIDATION OF PARTNERSHIP

TO: ALL CREDITORS OF AND OTHER PERSONS INTERESTED IN THE AFFAIRS OF THE PARTNERSHIP KNOWN AS STEPHENSON AND McIVER, ALSO KNOWN AS CROCKETT COUNTY RANCH COMPANY.

Notice is hereby given that the partnership of Stephenson and McIver, also known as Crockett County Ranch Company, whose partners were Hilton H. Stephenson, Paint Rock, Texas, and William McIver, Grapevine, Texas, dissolved on October 10, 1969, upon the death of Hilton H. Stephenson. Since that time, the affairs of the partnership have been wound up by the surviving partner and by Mrs. Gwendolyn Stephenson, the surviving widow of Hilton H. Stephenson. All affairs of the partnership are being finally wound up and liquidated as of July 31, 1970, and each of you are hereby notified to present immediately to the undersigned any and all claims arising out of such partnership or its winding up.

/s/ William McIver c/o Mrs. Gwendolyn Stephenson Paint Rock, Tex. 29-4tc I am now selling the SLIM-GYM HOME EXERCISER. For more information, call Mrs. Claud Leath, 392-3068. 25-tfc

Announcing our new ones. It's 1971 and Chrysler-Plymouth is coming through for you.

We're coming through. We're coming through with variety: Five completely different car lines—76 different models. More kinds of new cars than anyone else in the business. We're coming through with value. Every Chrysler and Plymouth is built and engineered with extra care. To make sure you get a dollar's worth of automobile for every dollar you spend. We're coming through with brand-new options. Like a Stereo Cassette Tape System available with a microphone. You can record your own voice or record directly from the radio. It's 1971. And Chrysler-Plymouth's coming through for you.

Plymouth Satellite Sebring It's the newest idea in two-doors. From front to back it's designed exclusively to be a two-door. With no compromises. So you get the styling and handling of a specialty car—all for the price of an intermediate car. And every one of our four-doors (Satellite, Satellite Custom, Satellite Brougham) was designed from the ground up to be a four-door. The result? People who take a back seat in our four-doors, don't take a back seat.

Chrysler New Yorker The New Yorker lives up to its look of quiet authority. It's one of 15 different Chryslers coming through. Coming through with the size, room, comfort and power you want for all the living you do. With new options like an electric sun roof, to let in the light of the sun, or the moon.

Chrysler Imperial Chrysler Imperial comes through for all the living you do. It contains all the luxury you want, with personal touches. Like the exclusive optional rear seat heater. This allows your rear seat passengers to maintain their own level of comfort—cool or warm.

Plymouth Sport Fury It's coming through for you with a lot more car. Everything about Sport Fury comes through big: the seats, interior room, body, engine and brakes. Plus, we've added Torsion-Quiet Ride—with a Sound Isolation System that separates road noises from you.

Plymouth Duster Our success car is coming through for you: Still small enough. Still big enough. Small enough to fit in about 3/4 of a parking space. Big enough to seat five, comfortably. And still small enough to fit your budget. Duster. The big difference in small cars.

Plymouth Barracuda The super-tough sporty car that comes through with torsion-bar suspension for better handling. Coming through for you with economy in Barracuda. Coming through for you with luxury in Gran Coupe. And coming through for you with great performance in 'Cuda.

Coming Through.

CofC Teams In Annual Contest For Members

Members of the Ozona Chamber of Commerce were divided into teams for the annual membership drive contest which will be held during this month.

At the end of the month the team getting the most new memberships to the Chamber of Commerce will be treated to a steak dinner by the losing team, whose members will dine on soup and crackers.

Team number one is made up of Lawrence Jones, president, chairman, and team number two is under the leadership of Ray Boyd, vice-president.

Jones' team members include Mrs. Fred Hagelstein, Johnny Jones, L. D. Kirby, Wayne Loury and Joe Williams.

Boyd's team is made up of Lefty Walker, Pete Jacoby, A. R. Rutherford, Ray Henderson and Jim Dudley.

ENGAGEMENT TOLD -- Wedding plans of Miss Brenda Jane Isbell, daughter of Mrs. James Isbell of Austin and the late Mr. Isbell, former local manager for Pioneer Natural Gas Co., have been announced. She will wed Michael W. Morris of Austin in January.

Kitty's Korner -

(Continued from Page One) the classified section. I would never have noticed it if I had not been looking for it.

Then, to add insult to injury, they have a big picture spread in the Sunday edition on the losing team. The accompanying article even goes so far as to theorize that the Lions made a mistake by dropping the New England Patriots.

I will never understand how a team can make a mistake by winning a football game, but maybe they know something I don't.

I would suggest that every loyal Lion fan write them a protest letter. It probably won't change their policy, but we can get it off our chest. It would at least let them know that their dander didn't go unnoticed down here in Lion country.

If they had done any research on the subject, they would have found that this bunch of Lions had been beating that bunch of Broncos since 1967. Sports writers seem to have taken into consideration the fact that the Broncos show a high school team's progress yearly as lettermen graduate and some grow older and bigger in a year's time.

They're making something away from the Broncos, they are a fine football team this year. The Lions are a better one. This sports writer would be surprised to know that most people around here think we are going to the state finals this year. If we don't we never will.
