OZONA HIGH SCHOOL LIONS, 1970 -- With two scrimmages and one non-conference game under their belts, the Ozona High School Lions are shaping up for what looks like a successful season. The Lions showed well in the two scrimmage sessions against Fort Stockton and Robert Lee, and then edged the big Junction Eagles 3-0 in a hard-fought game here Friday night. The OHS grid warriors of 1970 pictured are, front row, left to right, 81 David Pagan, 72 Mike Jenkins, 60 Tom Davidson, Cur-

tis Weant, 61 Cuatro Davidson, 71 Bill Edgerton, 80 Don Olson, 30 David Sewell; second row, 11 Jim Montgomery, 22 Chuck Womack, 23 Mark Tillman, 40 Greg Stuart, 21 Mike Schneider, 20 Ruben Tambunga, 33 Pete Perez, 10 David Williams; back row, 88 Robert Maldonado, 75 George Gries, 66 Fred Deaton, 55 Larry McMillan, 12 Gerald Huff, 47 Gary Whitley, 63 Ray Tambunga, 77 Ricky Crawford, 70 Greg Lara and 84 Randy Crawford.

Lions Edge Junction; Host Eldorado Friday

The Ozona Lions will host the Eldorado Eagles in a pre-district game tomorrow night at Lion stadium.

Last week Ozona won the season opener against Junction 3-0 while the Eagles lost to Rankin 13-14 in a close battle.

Lion coach Rip Sewell said the Lions had nothing but respect for the Eldorado Eagles and were expecting a tough battle on the home field tomorrow night.

The opener against Junction was strictly a defensive battle. The Lions' lone score came in the fourth quarter with three minutes to play. David Pagan kicked a 22 yard field goal to put the Lions on the score-board.

Defensively, Ozona played almost flawless football and outdid the Junction eleven in all statistics. The offense was unable to mount any sustained drive until late in the second half. Penalties against the Lions at crucial points hurt and cost the home team a touchdown. In all the Lions were penalized 7 times for a total of 75 yards. Ozona had 13 first downs and Junction 3.

The Lions total yardage was 292, 262 yards rushing and 30 yards passing. The Eagles had a total of 113

yards, 105 rushing and 8 passing.

The Lions completed 3 out of 10 passes and Junction completed 1 out of four.

Individually, Ruben Tambunga was the leading ground gainer, carrying 22 times for 117 yards and a 5 yard average. Greg Stuart carried seven times for a little over 6 yards a carry average.

Four other Ozona backs had over 20 yards each, Gerald Huff carried the ball

Quarterback Club Views Junction Film

The Ozona Lions Quarterback Club met Monday evening in the high school auditorium to view the Ozona-Junction game film and hear a scouting report on Eldorado, the next opponents for the Lions.

The club will meet each week at the same time, Monday night at 7:45, throughout football season to view the previous week's game and get scouting reports from the coaches on the next team the Lions play.

The public is cordially invited to attend.

Inch Rain Over Much Of County

Almost an inch of rain fell in Ozona early Monday morning. A drizzle that started around 5 a.m., turned into a steady downpour and the gauge at the Water District office recorded .98 of an inch at mid-morning. Ozona also benefited from a brief shower Tuesday morning, but only a trace was recorded.

Monday's rain was general throughout the county with the exception of the western section where only .2 of an inch was recorded a few miles west of Ozona.

North of Ozona up to 1.2 inches was reported at the J. B. Parker ranch. An inch or more of rainfall fell between here and Sonora, and up to 1.50 inches and over was reported south of Ozona. Joe Tom Davidson reported up to an inch and a half of rainfall over his country in the south part of the county and the Montgomery ranch in the extreme south part of the county reported up to 1.7 inches.

DUPLICATE BRIDGE
Winners in Duplicate Bridge Club Play Tuesday night were Mr. and Mrs. Evert White, first, and Mr. and Mrs. Frank Tillman, second.

Cash Taken In Daring Robbery of Drug Store

An undetermined amount of cash was taken from an open safe in the prescription department at Smith Drug around 3:20 Tuesday afternoon.

The robber was seen by

Damage High In Series Of Auto Mishaps In Area

Several wrecks were reported in the county this week, but nobody was seriously injured. Property damage was heavy in some instances.

A two-car collision at Midway Lane 15 miles north of Ozona at the intersection of Hwy 163 and Hwy. 29 caused heavy damage to a late model Pontiac and a new Cadillac Eldorado Friday afternoon but drivers and passengers were only bruised. The Pontiac was traveling on Hwy 29 and did not stop at the stop sign at the intersection. The drivers tried to avoid the crash and sideswiped. The Pontiac was a total loss and the Cadillac, driven by an Abilene man, was heavily damaged. No further information was available as a Big Lake patrolman investigated the accident.

George Bunger narrowly escaped serious injury early Saturday morning when he was turning into the driveway of his home on Hwy 290 and was hit from behind by a pickup driven by Simon Fierro. The crash knocked Bunger's 1969 auto into a utility pole, shearing it off and falling on top of the car. He suffered minor bruises. The car was a total wreck. A passenger in the pickup was treated for a head injury and released from the hospital. Fierro was not hurt and the pickup had only minor damage.

Bernie Villareal hit a parked car belonging to Joe Muskie on Blas Street Sunday night, causing around \$200 damage to the parked vehicle and only minor damage to the moving auto.

Philip Chitwood was backing out of the Holiday Terrace parking lot Sunday and hit a new Thunderbird driven by Mrs. Lee Childress as she was entering the space. Damage to the car was around \$100 with no damage to the pickup Chitwood was driving.

at least two people. Roy Parker was sitting at the fountain in the store when he saw a tall Negro male duck behind the prescription counter and head for the back door. He asked Mrs. R. L. Schneider, an employee, what that man was doing there.

She ran to the back door and caught the man as he was leaving. When asked what he wanted back there, he replied "a coke." Mrs. Schneider told him to come in the front and she would sell him the drink. As an afterthought, she ran to the safe and found the cash drawer empty.

Pascal Northcutt, owner of the store, arrived about the time the empty cash drawer was discovered and called the sheriff. Northcutt was unable to tell how much money the thief got away with and the safe was held for fingerprinting.

Lawmen were looking for a tall Negro male, light complexion, late teens or early twenties, with a stand-up hairdo above his forehead. Roadblocks were thrown up on all roads leading out of Ozona and at least one car was stopped.

Officers theorize that the man had a car parked nearby and was not alone when the robbery occurred. They were checking out several leads late Tuesday.

Big Crowd Attends - - Hospital Lease Plan Aired At Public Meet

An unusually large gathering of Ozona residents was on hand Monday night for the hearing on the leasing of Crockett County Hospital to the corporation which is now operating the facility, Medica Diversified, Inc.

County Judge Bernice Jones called the meeting to order and introduced the Hospital Board, the Commissioners and members of the corporation.

Before opening the meeting for a question and answer period, Judge Jones gave a concise but thorough account of the Court's dealings with Medica Diversified during the past months and of events leading up to the management agreement under which the corporation is presently operating the hospital.

Judge Jones said representatives of the court had talked to officers of Medica Diversified after investigating their management of the Schleicher County Medical Center in Eldorado and find it to their liking. However, she said, after Dr. Fandie Coker expressed a desire to

come to Ozona to practice, the court dropped talks with the corporation. She made it very clear that the Eldorado-based corporation had never solicited the court nor the hospital board.

Shortly after Dr. Coker opened his medical practice here, the town was again left with only one physician due to the death of Dr. Lloyd Sherrill. Upon the recommendation of Dr. Coker, Dr. Don Carlisle became a member of the hospital staff and opened a practice.

Dr. Coker and his wife, administrator of the hospital at that time, moved from Ozona after giving brief notice to the board. Dr. Carlisle a few months later and the hospital was without a physician.

In April of this year, the court went back to Eldorado for help. A few days later the lawyer for the corporation, Danny Barfield met with the court and expressed the corporation's willingness to take over the operation of the Crockett County Hospital. After an investigation by members of the hospital board, Medica Diversified was asked to take over the hospital under a management agreement.

Attendance Disappointing At Junior Rodeo

Promoters of the West Texas Junior Rodeo finals, held here over the weekend, were disappointed at attendance figures during the three-day event which saw San Angelo contestants taking most of the top honors.

Conflicting events, such as the opening of the football season here Friday night, and the fact that Ozona's junior rodeo was held only last month, was probably responsible for the small crowd for each show.

San Angelo youngsters took all-around honors in the 16-19 age divisions. Danny Edmond topped the field after he won in the bulldogging event and Leslie Huling won in the girls' division.

In the eight year and under age division, Douglas McCarty of Del Rio came in for All-around honors for the boys and Joetta Everett of Big Lake topped the girls' division.

Randy Edwards took the All-around honors in the 9-12 age division with his sister, Francine Edwards winning the girls' division.

Linda Hohman of San Angelo took all-around honors in the 13-15 girls' division with Larry Sanders winning in the boys' division, both of San Angelo.

Medica Diversified agreed to furnish Ozona with a qualified physician and competent medical service, which they have done since taking over June 1 of this year, the Judge pointed out.

She also told of meeting with Dr. Ralph Simon, a former Ozona physician, and trying to work out an agreement with him to return to Ozona to practice before the management agreement was entered into. However, after some weeks of indecision he notified the court that he had decided against returning to Ozona to practice, although he did come for two weeks

under an agreement with a separate group. Even then, a representative of the court met with him and asked him to change his mind and return to Ozona to practice. He declined, explaining that he had property in another part of the state and was in the process of moving into a clinic near there with two other doctors.

Judge Jones pointed out the fact that the court's only concern, along with that of the hospital board, was to secure good hospital care for Ozona and nursing facilities for the elderly.

Under the lease agreement, the county will build a nursing home wing in exchange for competent medical service (Continued on last page)

AND THE CROWD ROARED--This lone rider played to empty stands at the Crockett County Fair Grounds arena one day last week. On his little pony he thundered up and down the arena turf, perhaps behind a float steer, his lasso spinning above, licking out ahead and encircling the brute's horns neatly. But he couldn't resist posing for the photographer--or perhaps he stopped to receive this lone spectator's accolade.

NEW AG BUILDING - Under construction at the fairgrounds is the new ag building, a joint county-school project. The structure covers pens which will be used by both the 4-H Clubs and Vocational Ag classes in feeding projects. Pens are being constructed extending from the central alleyway, pictured here. The facility is expected to be complete within a couple of weeks.

HYSTERIA AND VIETNAM

All wars are rough. General William Sherman said: "War is cruel and you cannot refine it." In that sense, the war in Vietnam is no different from any other war; there is pain, suffering, bloodshed, brutality. There is also gallantry, heroism, dedication, and self sacrifice. All of the emotions, the very best that is in man and the very worst can be found in war; that is why so many great novels and plays have revolved around a story of conflict.

But relative to Vietnam, there is one element, at least here on the home front, which seems unusual, and that is an irrational hysteria in the minds of some which has, in turn, led to extreme violence in the streets. But the truth is that we have experienced times of warfare far worse than the one in which we are now engaged.

For example, in nine years of conflict in Vietnam, American casualties have numbered close to 44,000. The people of South Vietnam have suffered far more: 115,000 military casualties, and at least as many civilians - men, women and children - who have been murdered by the communists in cold blood.

At Gettysburg, Pennsylvania, by comparison, in the War between the States in one three-day battle alone - there were 51,112 casualties. In that terrible five years, from 1861 to 1865, there were 617,000 killed; 359,000 in the North, and 258,000 in the South.

One of our correspondents, speaking before a youth group recently, found that the youngsters (who happened to be of high school age) were so astonished by the comparative figures that they were sure that the speaker was mistaken. Somehow, in their minds, the Vietnam conflict had been inflated to the very worst, the most awful, the bloodiest (and thus the most immoral) war in history. These were sincere young people but their response was one bordering on true hysteria; an unwillingness of the mind to accept reality. The truth is, however, that while no war is good, the Vietnam war is far from the worst.

KEEPING THE LID ON

Law enforcement authorities are expressing increased concern that the rising tide of violence on the part of self-styled "Marxists," "revolutionists," and assorted radicals will, at some point, be met with massive counter violence. Repeated calls for adherence to the rules of "law and order" are being issued not only as admonitions to those who are now breaking the law, but to "cool" the rising indignation of the vast, "silent," law-abiding segment of our society. Everywhere in the nation there are signs that John Q. Public "has had it - up to here." One police official in Philadelphia said: "We're praying that we can keep the lid on."

The remark was occasioned following the cold blooded murder of a park policeman, Sgt. Von Collin, 43, a father with four young children, who was gunned down as he sat at his desk.

It is significant to note that at the same time, the internationally known and honored Agnes Meyer, whose late husband, Eugene Meyer, was publisher of the Washington Post, passed away. Her funeral was attended by 350, mostly dignitaries. But in Philadelphia, the 15-mile route of the funeral cortege for the slain policeman was lined by thousands of mourners. The UPI report stated: "Housewives took time from their domestic chores, shoppers deserted stores and civilians saluted the caravan as it threaded through southwest Philadelphia... crowds, four or five persons deep at several points, lined the route."

What disturbed some was the somber, almost ominous silence along the funeral route. It was clear to some observers that numbers of the mourners were not just saddened, but sizzling.

Philadelphia Police Commissioner Frank Rizzo has been criticized in some circles for the pre-dawn, mass arrests carried out shortly thereafter. But others feel that his tough crackdown and show of force helped to defuse the anger of many rank and file citizens who, had they assumed that nothing was being done, might have forgotten the rules of "law and order."

"Keeping the lid on" is a worthy aim for all of us today, both civilians and law enforcement personnel.

NOTED AND PASSED

Another Television Fabrication

Senators Young and McGovern have both made frequent mention of an alleged "gallop poll or survey" taken in Vietnam which, they claimed, showed that "65% of the people of South Vietnam want all Americans out of their country." Fact: no "Gallup" or any other such poll has been taken. The story originated in the fertile imaginations of writers for an ABC television show, who have since alibied that the information was "leaked" to them by sources they fail to identify. Could be the Red propaganda headquarters in Hanoi?

It's A Cockeyed World

First we have a Catholic Priest, Rev. Joe Duffy, running for the Senate in Connecticut who says: "I guess you could call me a sort of revisionist Marxist." Then along comes the Chilean presidential candidate who is very rich, says that he is a Marxist Socialist and - if the news reports are correct - a Mason. To which you say: "If you aren't confused, you just don't understand."

GARDEN CLUB OPENS CLUB SEASON WITH BREAKFAST

Members of the Ozona Garden Club opened the current club year with a breakfast at the home of Mrs. Cecil Hubbard Monday morning.

Assisting hostesses were Mrs. Terry Gries and Mrs. Mike Clayton.

Mrs. Fred Chandler gave the invocation and members heard the President's Message from Mrs. J. C. Schroeder. The yearbook forecast was given by Mrs. James Lively.

The chairman of each committee gave a brief summary of projects for the coming year.

Others present included Mrs. Allie Lock, Mrs. Steven Perner, Mrs. Bailey Post, Mrs. Glenn Sutton, Mrs. Roy Sutton, Mrs. Charles Williams, Mrs. John Harris, Mrs. Jack Brewer, Mrs. John Berkeley, Mrs. O. D. West and two guests, Mrs. Charles Schneider and Mrs. Doug Davis.

My Neighbors

Then God said, "Let us make man in our image." (Gen. 1:26).

When we are discouraged with our failure to change someone else, to make him act or be like we think he should, pause and reflect. We may be trying to make someone in our image instead of remembering that it's God's image he is created to portray. If God's will and purpose are being fulfilled, then just add our blessing.

"Fifty years ago, minding one's children did not mean obeying them."

A LOOK AT CAPITOL HILL WITH Dick Gill YOUR CONGRESSMAN FOR THE '70s AND BEYOND

In light of the recent series of airplane hijackings, tempers are running high on Capitol Hill. The spectacle of American citizens—bruised, bloodied, frightened—American property worth millions wantonly destroyed is disgusting. In a recent telegram to President Nixon, I called for: Moving strong military forces close to where the hostages are now being held. If a single U.S. citizen is harmed, our military reprisal should be swift and devastating. Immediate cessation of diplomatic relations with every nation involved in the latest skyjackings, and the imposition of economic sanctions on these same nations, including: Totally withdrawing any and all U.S. economic aid; a total economic embargo; and forceful action to exact reparations for any U.S. property destroyed or stolen. Even more important, however, is how we deal with the threat of future hijackings. If armed security guards on international flights are necessary, so be it. At any rate, one of my first actions as a Congressman would be to introduce and fight for such legislation as necessary to halt hijackings once and for all. Pd. Pol. Adv. Gill for Congress Comm. - Dale Dorn Chmn.

PUMPVILLE HOBBY CLUB

Mrs. B. C. Babb was hostess to the Pumpville Hobby Club this month at Langtry. Assisting hostess was Mrs. V. A. Baldwin. During the morning hours members worked on a quilt which will be offered for sale at the coming bazaar. A lovely dinner was served at noon. Mrs. Babb furnished the barbecued goat cake, tea and coffee and members brought other dishes. Mrs. Newman Billings gave the invocation and following the meal work was resumed on the quilt. A brief business meeting was called to order by Mrs. W. M. McBee. Mrs. M. P. McElroy and Mrs. R. A. Roland were welcomed to the club as new members. Mrs. Guy Skyles won the door prize. "Happy Birthday" was sung to Mrs. W. A. Arledge and Myrtle Cash and they were presented with gifts. A motion was made and carried that the Hobby club help the Langtry school with its annual Halloween carnival. Other projects were discussed and will be decided upon at the next meeting. The club will meet at Langtry Sept. 21 for a pleasure trip to Del Rio. Next month the club will meet at Langtry with Mrs. Edwin Lillie as hostess Oct. 13. Other members present were Mrs. Paul Cole, Mrs. Newman Billings, Mrs. W. D. Blackmon, Mrs. Andy White, Mrs. Gerber Stork, and a dinner guest, W.M. McBee. --0--

WASHINGTON NEWS LETTER

Cong. O. C. Fisher At a Black Panther convention in Philadelphia recently, the 5,000 delegates assembled there were exhorted by a leader to get guns and kill peace officers. This brazen declaration of war against law and order calls for renewed vigilance, stronger laws, more rigid enforcement by officers armed and prepared to shoot to kill when prudence and necessity requires it. Pampering and coddling of criminals have encouraged the Panther and other lawless movements. The Congress has enacted two anti-crime laws this year, and another one which hopefully might help the situation, where federal jurisdiction is applicable, is in the works. A member of the Chicago 7 who was convicted in Chicago for conspiring to cross State lines to violate an anti-riot law, recently set the tone of a new wave of lawlessness when he said in a speech at Columbia University: "The 60's was a time of sit-ins -- the 70's will be a time to burn the banks." Various criminal groups have pulled together in what is called the "New Left" -- a sordid combination that is organized, trained and armed to perpetrate their infamous deeds. These include the Weatherman faction of the Students for a Democratic Society (SDS) the Revolutionary Youth

Movement, the Pro-Peking Progressive Labor Party, and others who collaborate with the Black Panthers and other extremists in a campaign of class warfare and guerilla terrorism. They follow the communist line. They encourage dissent, discord, and defiance at all levels of society. In a recent 15-month period a total of 4,330 bombings and 1,475 attempted bombings were reported. It follows that every available weapon -- including more rigid enforcement and an aroused demonstration of public indignation -- must be employed in the war against the enemies of organized society. --0--

Talking it over

Some of the key moments in our education are those times when we discussed with someone older the interesting things we learn. But, to speak frankly about religious education today, one of the serious handicaps facing boys and girls who are sent (not brought) to church is that they have little opportunity to "talk it over" at home. Moral and spiritual growth is nurtured by family discussion of the truths taught in classroom and pulpit. But this presumes that parents and children together are sharing the experiences of worshipping God and studying the Christian Faith. Candidly, too, it presumes that the parents will be the pace-setters... advanced enough in their own religious growth to answer simple, urgent questions. It was always fun to tell "Sis" what we had learned at school. But, remember, it was Dad and Mother we counted on when we couldn't find the answers! For your children's sake -- and your own -- attend church regularly.

"Those who expect to reap the blessings of freedom must undergo the fatigue of supporting it."

Thomas Paine Sept. 12, 1777

I Pledge Allegiance

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands. One nation, under God, indivisible, with Liberty and Justice for all.

A flag — any flag — by itself is nothing more than a bit of cloth. Paint a design on this piece of cloth and it is still nothing more than a piece of colored cloth. Just as soon, however, as someone or some group attaches special significance to a particular design it then becomes more than just a design on a piece of cloth.

Over the years since our national independence, millions of people have used the flag of the United States of America to symbolize their hopes and dreams of a better way of life in a free land. Throughout their efforts in building our great Republic in which these hopes and dreams could be realized, the flag came to symbolize the "blood, sweat and tears" that was the price of the freedoms they could enjoy.

Now, when we pledge allegiance to our flag, it is not just a piece of gaily colored and beautifully designed cloth to which we pledge allegiance, but the symbol of all that has gone into the building and maintaining of **THE REPUBLIC FOR WHICH IT STANDS.**

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal — that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

WASHINGTON AND SMALL BUSINESS

Anybody For Breakfast? Whenever government, any government, gets into the area of trying to tell people what's good for them, government gets pretty silly.

Nutrition has long been a subject of mankind. Tacitus who was something of a military historian of his day, goes into some detail on the nutritional aspects of the Roman legionnaires who must have been pretty tough citizens physically.

The standard ration of a Roman soldier was two pounds of wheat per day. This was ground on a hand operated mill carried in the baggage train and either baked into a kind of bread, or made into a mush. If there was anything of a military nature around, they were sometimes tossed into the mush. But if not, the vitamins not furnished by the whole grain was supplied by a daily ration of a liter of "posca" a thin, sour red wine. On this diet the Roman soldier could swing his heavy sword with great vigor.

If company punishment was meted out to the troops, it was often in the form of issuing barley instead of wheat. The Romans disliked barley. If they ran out of grain, and had to subsist on meat, their vigor diminished.

Now in Washington a great deal of high priced fuss is being made over the relative merits of various types of breakfast cereals. It may be that "Crunchy Wunchies" is not the most ideal food in the world, but people like them.

It also is an economic fact that by and large, ounce for ounce, these cold breakfast cereals are expensive.

It is also an economic fact that the relation between the price of these cereals and that received by the farmer for his grain is a wide one... as much as 800 per cent. And undoubtedly by supplanting hot whole grain cereals, they have accounted to a large degree for the lower consumption per capita of grains, which has the prices to farmers.

But the fact remains that if people like something, they will buy and use items that are often considered even harmful, as cigarettes and liquor.

It has been a paradox that as the number of American farmers decline, the size of the payroll in the United States Department of Agriculture increases. A great deal of that energy is devoted to impeding the welfare of the farmer.

Thus, instead of government taking so much time to explore the nutritional value of "Crunchy Wunchies," perhaps the Department of Agriculture could better devote its efforts to promoting to mother and junior and sis, too, the great flavor and great economy of eating whole grain hot cereals. This would help the farmer. After all, the brains that created "Smokey the Bear" function in this area, too.

OHS BAND ELECTS OFFICERS The Ozona Lion Band elected officers last week for the 1970-71 school term. President is Gregory Stuart, vice president, Donald Olson; Drum Major, Charlene Strickland; reporter, Sharron Barbee, and sergeant of arms, Rita Welty. ohs

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

PIONEER NATURAL GAS COMPANY

Announcing the 1971 Duster.

The big difference in small cars.

We first introduced the Duster as the best transportation bargain in America. It still is. And we built Duster to be America's "small-enough-but-big-enough" car. And it still is.

Small car lovers of America, your day has come. You have more tires to kick, more doors to slam, more hoods to look under, more colors to choose from and more test drives to take than ever before. Which leaves us to convince you that Duster gives you the most car for the money. That it's small enough, but big enough. And that, all in all, it's the ideal small car.

Boom. More of it to accommodate more passengers. More of it to accommodate more luggage.

Most small cars are four-passenger cars. And when you sit in some of them, they feel like they were built for three-and-a-half passengers.

Duster's a five-passenger car. It seats five comfortably. Besides carrying more up front, Duster carries more in the trunk. You can stuff 15.9 cubic feet of stuff into it. (One of the new small cars has about a third as much trunk space.)

Small enough for maneuverability. Big enough for stability.

Duster's small enough to slip into about 3/4 of a parking space. Yet it's big enough to give you stability on the open highway. It has our unique torsion-bar suspension (for better handling). And unibody construction — its strength completely surrounds you. So Duster can handle stop-and-go city traffic as well as freeway traffic because it's the right size, the right weight and it handles.

Our small-enough-but-big-enough car has a small-enough-but-big-enough engine.

Duster's standard engine is our rugged 198 cubic inch, 125 horsepower Six. It gives you great gas mileage and a little more power than other small cars' smaller engines. And that's a perfect combination.

Options. You have over 50 to choose from when you order a Duster.

Think of it this way. It's a convenience to have a lot of conveniences to choose from. If you're considering buying a new small car, and you have certain options in mind to go along with it, you may find Duster the only small car that offers them. There are things like a Stereo Cassette Tape Player, V-8 engine, vinyl roof and power brakes that you just can't get on some small cars.

The Duster success story: to be continued.

No doubt about it. Duster is the car for the times. Over 175,000 Duster buyers thought so last year. And we expect more of the same kind of success with the 1971 Duster. Before you buy a small car, look at our small car. **Duster. Built and engineered with extra care.**

See the new Plymouth Duster today.

STUART MOTOR CO.

807 W. 11th St. Ozona, Texas

Coming Through

Hospital Lease-
(Continued from Page One)

and hospital operation from Medica Diversified.

Since taking over the operation of the hospital June 1, the corporation has brought Dr. James Everett here and he is presently the medical director on the hospital staff, an administrator has been hired along with a registered laboratory technician and there are two registered nurses on the staff. Dr. Bill Moyer, a classmate of Dr. Everett's, is ready to move here and open a practice, giving Ozona the advantage of having two young competent doctors.

The judge said that Medica Diversified had fulfilled every commitment under the management agreement and she expressed her appreciation to Dr. Brame, Mr. Barfield and to Dr. Everett for attending meetings, answering questions and cooperating in every way with the citizens of Ozona.

After a 15-minute adjournment during which the doctors were out on an emergency call, a question and answer period was held.

Jim Burnett asked if the electorate would have an opportunity to vote on the issue and Judge Jones assured him that they would.

Jack E. Womack spoke at length and informed the gathering that he was unable to get any information from the people in town who really knew how to run a hospital because they were afraid of losing their jobs if they spoke out. Upon questioning, he could not or would not say who these people were. After lengthy rambling, he was informed that the judge, members of the board and the court would be happy to discuss the matter with anyone desiring to know about the issues.

Mrs. Bob Bailey expressed her desire for good medical service in Ozona and asked those who objected to the present plan what their alternative was. Nobody gave her an answer.

Joe Couch, president of the hospital board, discussed at length the many endeavors of the board to interest a doctor in coming to Ozona. He said that during Mrs. Jim Burnett's tenure as hospital administrator following the resignation of Mrs. Coker, she had made hundreds of telephone calls and written numerous letters trying to

interest a physician in Ozona. He said that board members, the judge and commissioner's court had exhausted every effort to secure a doctor for the town when they turned to Medica Diversified. He said the court and board were in complete agreement about the issue and urged that the people give the issue careful consideration before voting against it.

It was clearly established that if the proposal is turned down by the people that the hospital will be back to the point of closing its doors as it was prior to June 1.

Dr. Everett spoke about the responsibilities of being the only physician in a town. He assured people that a patient would be hospitalized whenever he deemed it necessary, whether they had no money or lots of money. He said his prime concern and responsibility was the care of all the people in the county. He assured the group that the hospital housing his patients would be run the way he finds it necessary or that a change would be made one way or another, making it very clear that he would not hospitalize a patient in a substandard facility. He left no doubt in the minds of the audience that he intended to give the people quality medical care and see to it that they have quality hospital care.

He was asked if the people voted against leasing the hospital to Medica Diversified, would he leave Ozona. His answer was a simple "yes."

Prior to the question he had told of the advantages of working with a group of doctors, such as Medica Diversified and the advantages of having the hospital run by professional people.

Several Ozonans spoke of the care given relatives in the Eldorado facility, praising the service and Dr. Brame. There were no further questions asked of the hospital group and the remainder of the time before adjournment was spent hearing votes of confidence for the Eldorado based group and Dr. Everett from various Ozonans, including Lawrence Jones, who said that he felt the community would be well served by the corporation and was satisfied in his own mind that it was the best provision for the county.

The commissioners court will meet right away to call an election and notice of same will be published in two consecutive editions of the Ozona Stockman, the election to be held 20 days after the first publication.

METHODIST WSCS
The Woman's Society of Christian Service last Wednesday afternoon in the chapel to form the Chapel Chatter Club, to honor members and friends in the church and community in a fellowship hour of songs, prayer and scripture, followed by a fellowship hour of visiting and refreshments.

Mrs. Ralph Jones and her committee, Mrs. Frank McMullan, Mrs. Allie Lock, Mrs. L. D. Kirby, Mrs. L. B. Cox III, Mrs. Lindsey Hicks and Mrs. B. B. Ingham, planned the activities.

Others present included Mrs. W. R. Baggett, Mrs. Lee Childers, Mrs. George Montgomery, Mrs. Stephen Perner, Mrs. R. R. Dudley, Mrs. Floyd Henderson, Mrs. Ann Mayo, Mrs. J. A. Fustell, Mrs. Joe Pierce, Mrs. M. C. Couch, Mrs. John R. Bailey, Mrs. Bailey Post, Mrs. James Lively, Mrs. Fred Chandler, Mrs. John Berkley and Mrs. L. B. Cox.

Lions Edge-

(Continued from Page One)
four times for 29 yards, Mike Schneider carried 10 times for 25 yards, having many yards and a touchdown wiped out by penalties. Jim Mont-

gomery had 22 yards on 5 carries and Mark Tillman had 20 yards on 6 carries. Montgomery punted six times for a 49-yard average.

Heading up the defense were Tom Davidson, quarterback Davidson and David Pagan. The Lions were somewhat hampered by injuries suffered in scrimmage a couple of days before the game. Montgomery had an injured right hand, Tambunga was playing with a leg injury, Schneider had an injured back muscle and Pagan had a pulled muscle.

However, the Lions came out of the game in good shape, except for the usual bruises and soreness that come from battling with a heavier team and Coach Sewell feels that they will all be ready to go Friday night against the Eldorado Eagles.
