COWBOYS OF GRANDFALLS COP TOURNNEY

raan Braves Smothered In Championship Finale

ELIMINATE OZONA Christoval Bops Junction For Consolation Honors

Los Vaqueros from Grandfalls sought their way to the championship rung of Ozona's eighth annual invitation basketball tournament here the past weekend. Gaining strength with every hurdle, the Cowboys of Coach Ossie Adams of Grandfalls whaled the Iraan Braves 41 to 13 in the final game of the series Saturday night. The Ozona tourney championship was the third copped by the Grandfalls team this season. They have lost but one game for the season and that to Kermit, and since that loss have humbled the Kermit crew on several occasions. Consolation honors for the tourney went to a scrappy Christoval team of five (only five) players. The Cougars from the health resort mauled the Junction Eagles 30 to 22 to take the cup in this bracket. Playing a team that was fighting their tooth and nail on about even terms, Christoval's name youngsters carried on for a few minutes with a novice in the game, their only substitute, who was sent in to rest up one of the regulars. They held the fort, those four gunners, however, in the interim and the smooth working quintet went back to work after the substitution had been changed. Ozona's Lions were eliminated in semi-final combat against the withering fire of the Grandfalls champions. The score was 27 to 17. The locals had previously downed the Junction Eagles in a close-fought battle.

Menefee of Grandfalls was named the tournament's outstanding player and was awarded a handsome silver loving cup. Ozona drew one place on the first all-tournament team and one on the second team. Howard Lemmons was selected by the judges for a berth on the first team and Beecher Montgomery for a position on the second squad. The two all-tourney teams were as follows: First team: Menefee (Grandfalls), Lemmons (Ozona), Bryant

SAN ANGELO.—Today, I'm in a mean frame of mind. Today, I'm just like a catamount with a bad case of the mange. My temper's twice as nasty. I just want to be let alone. I aim to be let alone. People pestering me today are liable to go home with their heads peeled and their ears broken down. I don't reckon I've got a friend in this world. I know I don't want one. Today, I've got the flu. The flu slipped up on my blind side nearly a week ago, out at Presidio, on the Rio Grande river. And it mowed me down. I mean it cut the props from under me. And I lay for two days in an "Air-Conditioned" hotel, where the temperature was a shivery 30 and stoves are considered bad taste. On the third day, I attempted a ruse. I got up real early one morning, too early for any self-respecting disease to be up and about, I figured. And I bowed, I made a run for the Chisos mountains, aiming to hole up with J. Frank Dobie, Texas Folklore writer, who's out there now writing his next book, "Texas Longhorns." I figure to give the flu the run around.

Report Shows 552 Paid Poll Taxes Before Deadline

Total Is Increase Of 80 Over Last 'Off' Political Year

A total of 552 poll tax receipts were issued in Crockett County before the deadline for voter registration at midnight Tuesday, a tabulation made yesterday in the office of Sheriff W. S. Willis by Deputy Claude Russell shows.

This total is an increase of 80 over the total payments for the year 1937, the last off-year in state and local politics. However, it is a decline of nearly 200 from the total voter registration for the political year of 1938. Exemption certificates issued this year numbered five, the same number as was issued in 1937. Exemptions are issued to those who will become 21 years of age before January 1 of the effective year. However, voters in this classification can still vote even without the certificate by making a statement or affidavit to the election judge. Persons over 60 years of age are entitled to vote without paying poll taxes but are not required to have exemption certificates in counties of less than 10,000 population.

Although no total has yet been made of property tax collections, Mr. Russell estimated that the total would show between 85 and 90 per cent of current taxes collected in this county. Collections from the delinquent roll, representing in some cases taxes delinquent since 1919, totaled \$1,129.33 during the month of January, the collector reported. This county recently prepared a complete delinquent roll from the year 1919, beyond which delinquencies can not be collected. A commissioners court order, recently passed, gives these delinquents until July 1 to pay the amounts due or face tax suits.

Mother And Baby But Slightly Hurt In Fall On Stairs

Mrs. Miller Robison and her eight-months-old daughter narrowly escaped serious injury Monday night when they fell down the stairway at the home of Mrs. Robison's parents, Mr. and Mrs. Max Schneemann. Mrs. Robison, with the baby in her arms, stumbled as she started down the stairs and she and the baby fell the entire distance down the steps to the ground floor. Both were knocked unconscious, but it is thought neither was seriously hurt, aside from severe bruises.

Cow Gives Birth To 4 Calves; Cow And Calves Dead

History-Making Event In Bovine World Is Marred By Death

A range cow in the herd of Boyd Clayton, pastured on the Clayton ranch west of Ozona, may have made bovine history a few days ago when she gave birth to a litter of four calves.

The Mrs. Dionne of the bovine world was unfortunate in that she did not have the meticulous care that the Canadian mother of five babes enjoyed, and as a consequence all four calves, and the mother cow as well, succumbed, to destroy what might have been one of the most unusual sights in the livestock world and to deflate the best picture news story of the year.

The four dead calves were found Saturday morning by a cowboy on the ranch. The mother cow was not apparently in dangerous condition and was driven to a trap near the house where she was put on feed. She was thought to be doing well, taking to the feed regularly, but she was found dead in the trap early Monday morning. The calves were all perfectly formed and of nearly normal size, two being slightly larger than the other two. Two were bulls and two heifer calves, all white faced and perfectly marked.

Two calves are rare among cattle, triplets the subject for journalistic picture taking and widespread publicity, but quadruplets—cattlemen in this area interviewed could not recall ever having heard or read of such an occurrence.

Lions Come From Behind To Sack Up Championship

Locals Nose Out Junction In Playoff For Range League Flag

Coach Ted White's fighting Lions battled from behind in the last few minutes of play to nose out the Junction Eagles by four points to win their second consecutive Range Country basketball league championship when the two evenly matched teams met on the Ozona gym floor last night to play off a tie for the title flag.

Like the two games in which the Lions and Eagles were pitted in death struggle last week, the first in which the locals eked out a well deserved win to throw the league squabble into a tie, and the second in the opening round of the local tournament, with the Lions again winning a nip and tuck battle, the championship bout was a razzle-dazzle affair with two determined teams battling it out toe to toe to leave the spectators on the verge of apoplexy when the final whistle blew.

The final tally was 24 to 20 in favor of the local crew. The Lions had trailed to midway of the final quarter when they sneaked up on the opposition, knotted the count and surged five points in the lead. A free throw netted Junction one more point and the Lions held their four-point margin to the final whistle.

Beecher Montgomery was high point man of the championship engagement, emerging with a total of 11 points to his credit. Williams, Schneeman and Dudley tied with four points each for second place and Howard Lemmons looped one free throw for the other Ozona point. Meredit of Junction took top scoring honors for his team with nine points and Munn was second with seven. McKay accounted for the other four.

S. M. U. Professor To Speak Sunday; Show Holy Land Pictures

Dr. John H. Hicks, professor of Old Testament at Southern Methodist University in Dallas, will be in Ozona Sunday and will preach at the morning hour at the Ozona Methodist church, it was announced this week by the Rev. Eugene Slater, pastor.

At the evening service hour, Dr. Hicks will present a program of stereopticon pictures and a lecture on his recent trip to Palestine. Dr. Hicks has assembled an entirely new group of pictures from the Holy Land and his lecture is said to be highly interesting and informative. A general invitation has been extended the entire community to attend either or both of these services.

Mrs. Hubert Baker is visiting relatives in San Angelo this week.

ELABORATE PROGRAM FOR OBSERVANCE OF NATIONAL BOY SCOUT WEEK PLANNED

Ozona Troop To Join Thousands Of Other Boys Of Nation In Celebrating 29th Birthday Of Scouting In America

Elaborate plans are being made by Scoutmaster Eugene Hollon and Assistant Leslie Nance and members of Ozona's Boy Scout Troop No. 54 for the local troop's participation in the nation-wide observance of the 29th anniversary of Scouting in America during national Boy Scout Week next week.

The official birthday of Scouting in America is February 8, Wednesday of next week. But the entire week embracing the birthday date is observed throughout the nation as Boy Scout Week, with the nation's attention fixed on the Scout movement and its benefits to young America through varied Scout activities throughout the week.

The local troop will lead off the week's observance in advance with a dance for senior Scouts at the Scout Cabin Friday evening of this week.

Monday morning, February 6, the troop will participate in a flag raising ceremony at the flag pole on the school grounds. The troop flag will be lifted and flown from the school flagpole throughout the Scout Week.

The outstanding event of Boy Scout Week for the local troop will be a Court of Honor to be held at the cabin on Tuesday evening, Feb. 7. Rev. Eugene Slater, advancement man for the troop, will be in charge of the Court of Honor. Several Scouts will be up for advancement at this Court of Honor and a number of merit badges will be awarded. Scoutmaster Hollon has not been informed definitely, but it was hoped that Scout Executive C. H. Janeway of the Concho Valley Council or some other official from the council would be present for the Court of Honor.

Wednesday will be devoted to advancement tests and examinations and Thursday the Scouts will participate in a First Aid practice drill at the cabin, with Charles Tyre in charge.

The troop as a whole will present a Scout program Thursday afternoon at the chapel hour in the high school auditorium. This program will begin at 3 o'clock and a cordial invitation is extended the public to be present.

Sunday morning, Feb. 12 will be observed as Boy Scout Sunday. A special sermon on Scouting will be delivered by the Rev. Clyde Childers at the Baptist church at the morning hour on that day. Scouts of Ozona Troop 53 will attend the service in a body and will occupy seats in a special reserved section in the church.

Several other activities for the week may be worked out in time for inclusion in the week's observance. Scoutmaster Hollon said. Among projects being considered for week's observance are special displays of Scout handicraft in downtown store windows and an open-house some evening during the week at the Scout cabin with the public invited to inspect the Scout quarters.

Members of the Men's Sunday school class of the Methodist church will be hosts at their monthly party in the basement of the church Friday evening starting at 7:30 o'clock. Members of the class, men of the church and their friends are invited.

ONE TOO MANY PASSES . . .

School officials were figuring with a sharp pencil when they laid plans for Ozona's annual invitational basketball tournament held last weekend.

A check-up on tournament finances early this week revealed expenditures of \$126.92 in promoting the tourney and gate receipts of \$126.44—a net loss of 48 cents.

Mr. and Mrs. P. T. Robison and daughter, Miss Totsy Robison, left the first of the week for a visit in San Antonio.

Theft Of Saddles From Owens Ranch Charged To Pair

Garland and R. B. Kimball, Brothers, Held To Grand Jury

Charged with the theft of three saddles and a pair of chaps from the Tom Owens ranch in this county, two men were bound over to the grand jury following a hearing in justice court here Tuesday morning.

The men, Garland Kimball, 22, and his brother, R. B. Kimball, 20, made statements to County Attorney N. W. Graham admitting the theft and describing the method used, officers said. The older brother's bond was set at \$750 and the younger man's at \$250.

The Kimball brothers, who gave their home address as Luling, Texas, had been trapping all winter on the Owens ranch. The chaps were traded to a filling station operator at Roosevelt for gasoline. At Kerrville, the men were attempting to sell one of the saddles to another filling station operator when the latter became suspicious, according to officers. An officer was called and communication with Sheriff W. S. Willis here established the fact that the saddles had been stolen.

Mr. Owens and Dan Wills went to Kerrville and recovered the saddles and chaps.

W. C. Jackson Named To District Judgeship Vacated By Montague

W. C. Jackson, veteran Fort Stockton lawyer, was recently appointed by Gov. W. Lee O'Daniel to the bench of the 112th judicial district, the appointment being confirmed by the senate.

Judge Jackson will succeed Judge Joe G. Montague of Fort Stockton who recently resigned the position to accept the post as attorney for the Texas and Southwestern Cattle Raisers Association. Judge Jackson last week celebrated his 73th birthday. He has been a resident of Pecos county 30 years.

Mr. and Mrs. P. T. Robison and daughter, Miss Totsy Robison, left the first of the week for a visit in San Antonio.

BOY SCOUT WEEK

Next week is Boy Scout Week all over the nation, the occasion being celebration of the 29th anniversary of Scouting in America.

National Boy Scout Week serves to focus the attention of the people on the Scout movement. Programs of various Scout troops through the week demonstrate the results of the Scout movement in building character and initiative, and in strengthening the boy for the duty of citizenship.

National Boy Scout Week served in Ozona next week by boys of Troop 53, along with thousands of other boys throughout the nation. The Scouts are planning various events for the week, outstanding among which will be the Court of Honor Tuesday evening. Scouting has taken firm root in Ozona, thanks to the tireless effort of adult leadership, the troop committee, the sponsoring organization, the Scoutmaster and interested parents and friends of the boys. With the introduction of the movement, the youth of this community has been given new opportunity for knowledge in the arts, a new outlet for youthful energy, planned utilization of leisure and pleasant associations under adult supervision.

The future of this nation will be in the hands of the youth of today. The Boy Scout movement

Values To Be Found In Scouting Make Movement Worth Time, Money Spent, In Opinion Of Committee Member

Rev. Slater Points To Character Building Of Scouting

By EUGENE SLATER

A few nights ago a veteran Scouter in the Concho Valley Council was given the Silver Beaver Award for more than 20 years of distinguished service in Scouting. At least one thing is certain; this man believes in Scouting. He has found certain values for boys, men and society in this movement. And this man is a representative of thousands of his fellows who see in Scouting a movement that builds the kind of character upon which democracy is fashioned.

May I suggest three or four definite values that are inherent in Scouting. The first is that of dependability. The coach of a great university in the Southwest has said that a player who has had Boy Scout training may be depended upon to play fairly and to give his best in the game. The superintendent of a school within the ranch area says that it is his experience that the Boy Scout may be depended upon to keep his word and to abide by the regulations of the school. It is my conviction that one of the pressing needs among men and nations just now is the simple virtue of dependability. Scouting nurtures and encourages the development of this virtue.

A second value is resourcefulness. The Scout is taught to use the tools and the materials at hand in any given situation. He learns that his hands and his mind are not simply ornaments of the body.

is one of the most important factors in the training of youth for the responsibilities of citizenship and as such deserves the wholehearted support of the adult citizenship.

Take occasion during this Scout week to acquaint yourself with the aims and purposes of Scouting, visit the various Scout functions, encourage the boys and their leaders in their efforts and help to make Scouting an even more important factor in this community's life. To that end, this edition of The Stockman is dedicated.

but they are to be used both in emergencies and in the ordinary experiences of every day. Some ingenious person, confronted with a difficult situation, invents a new gadget so simple that hundreds of people say, "Why didn't I think of that?" The Scout's greatest need for resourcefulness, however, is not in the area of scientific invention, but in the area of knowing how to live happily and usefully in a complex and changing world order.

An international outlook is a third value of Scouting. The Scouting movement began in England. It is well to remind ourselves that we are Boy Scouts of America, and that there are Boy Scout organizations in more than 50 other countries. If our national leaders would spend more time on the promotion of peace, good will and economic justice through such international movements as the Scouting movement and less time and money on the iniquitous and futile piling up of armaments of warfare the world would be much better off. I appeal to our Scout leaders everywhere to work to make this value real in the thinking of Boy Scouts.

The last value that I mention is that of a religious attitude. This attitude is specifically emphasized in three instances: Reverence for God, On my honor I will do my best, and the Good Turn. A noted preacher of our day has said that religion involves three attitudes: toward God, an absolute trust; toward self, inner genuineness, and toward others, good will. These three attitudes seem to me to be contained in the Scout Oath and the Scout Law.

Other fine values might be mentioned, and there are many others. These four, however, will help us to see why a man should count it a privilege to be able to give more than 20 years of service to the Scouting movement. And these values will help every man in Crockett county to see that the money, the time, and the thought that he gives to Scouting is directed toward the development of the finest character and the highest type of citizen.

"A SCOUT IS THRIFTY"

(Scout Law No. 9)

One of the principles of Scouting is THRIFT. It is in the line of the great motto of Scouting: "BE PREPARED." Thrift helps prepare for living. A nest egg of savings makes it possible to take advantage of opportunities as well as provide for the proverbial "rainy day."

A very important part of Thrift is wise spending. Make sure that the dollars used for living bring the utmost in value. And that, as it happens, is the main principle of the Joe Oberkamp Store.

And the Joe Oberkamp store can extend sincerest congratulations and best wishes to the Boy Scout movement at this time because Scout principles of Thrift, Trustworthiness, Friendliness... are its own principles... because of them the original Oberkamp store of Ozona has grown to the organization that is so much better equipped but no less alertly eager to serve you today.

Land Use Planning Program Under Way In Texas By A. & M.

COLLEGE STATION, Jan. 25.—A long-time land use planning program whereby farmers, ranchmen and their families are expected to take over major responsibility in formulating policies for agriculture is underway in Texas.

"The purpose of land use planning is to set up a systematic inventory of agricultural resources in each county and to have farm people themselves develop a plan for the proper utilization of these resources," H. H. Williamson, director of the Texas A. and M. college extension service, told representatives of 13 state and federal agencies who recently met at College Station to set up a tentative state committee.

The state committee will have representatives from the various agencies as members but will be dominated by farmers and ranchmen. Meanwhile, county agricultural and home demonstration agents are setting up committees within the counties. Upon the recommendations of these local committees will be erected the future programs of the agencies dealing with farmers.

One outgrowth of the plan is expected to be a closer coordination of state and federal agencies and the application of the democratic process to formulation of agricultural policies. Programs will originate in communities, counties, and type-of-farming areas, whereas in the past such procedures had a tendency to begin at Washington.

Land use planning is part of the U. S. department of agriculture's program of placing responsibility for agricultural policies in the hands of farm people. The Texas extension service has already laid the foundation for the program in Texas through intensive work with committees in selected counties.

State Police On Trial Of Check Swindling Gangs

Scientific Methods Are Adopted By Organized Bands

AUSTIN, Jan. 25.—State police organized their forces today to combat widespread operations of check swindling bands reported to be victimizing Texas business people of thousands of dollars annually.

Equipped with elaborately prepared check forms similar to those used by national insurance companies, oil operators and other business firms several of the swindling groups are now active in Texas cities and towns. Homer Garrison, Jr., public safety director, warned. The swindlers move from state to state and are difficult to apprehend because of their changing methods and swift movements, Garrison said.

For an example, the state police head pointed to reports of a band of fictitious check passers, a man, woman, young girl and boy, who recently cashed bogus checks drawn from accounts of six firms in six different Texas banks. Business people in Luling, Bastrop, Temple, Coupland, Granet, Taylor, Elgin, Liberty, Bryan, Bay City, Wharton and Beaumont have been swindled by them. This group had also operated in seven Louisiana towns.

In varying check writing methods the artistic swindlers use pen and ink, check protecting machines and typewriters. Most of these checks bear different surnames, but the same initials—"J. W."—usually appear. Amounts range from \$27.50 to \$33.50.

Another check passing ring collects from \$10 to \$20 from business people on checks copied after those issued by a large insurance company. The facsimile includes a false policy number, surety bond numbers and other data these companies print on legitimate vouchers. The description of only one member of this ring has been obtained by state officers.

In the rapidly increasing files of the state records bureau are reports of the activities of a man and woman who direct their swindles at rooming house operators. Director Garrison said the man or woman makes advance payments for rooms with bogus checks in amounts ranging from \$30 to \$40 and offers explanations that they are planning to operate tourist houses in the particular town. After obtaining the rooming house operator's endorsement on the bogus check the swindlers cash it at a local bank and leave the locality before the swindle is detected.

Experts at state police headquarters have completed the installation of modus operandi files for the detection of fictitious check passers, and bulletins are being mailed weekly to 1,000 police agencies in the Southwest warning of these nefarious money-raising schemes. Photographs of the bogus checks are reproduced in the bulletin along with details of the various methods used by the swindlers.

"Many of these reports have not reached us, but if victims of these rings would rush bogus checks to this department along with descriptions of the passers," Garrison said, "we would be able to expedite the issuance of warnings and information and have better chances of apprehending them."

Mrs. Ele Hagelstein is confined to her bed this week, suffering from a severe throat infection.

Enthusiastic Reception Given By Ozona Audience To Concert By Ho-Te-Ma-We and Cleon Allen Hibbs Here Tuesday Evening

An audience that had come expecting a pleasing musical evening, through belief in advance publicity on the ability of the artists in concert, were literally jerked to high pitched enthusiasm by the charming personality, the rich, full voice and the rare dramatic ability of Ho-Te-Ma-We, Indian mezzo-soprano, and the sympathetic accompaniment and excellent interpretations both in vocal and piano numbers by Cleon Allen Hibbs, when these two artists appeared in concert Tuesday evening in the high school auditorium.

The mounting enthusiasm of the audience was apparent from the opening song, as applause that at first was perfunctory in appreciation swelled to an avid plea for more. And both artists responded most graciously and liberally with encores to these spontaneous expressions of approval.

Ho-Te-Ma-We's charm lay not alone in the sweetness and richness of her tone quality and the ease and vitality with which she sang, but also in her own charm-

ing stage presence, her depth of feeling for the particular number she was singing plus a dramatic ability that enabled her to sway her audience to the mood of the song and thus to a full appreciation of her artistic interpretations.

By his ability to lose himself in the song to the same degree as the singer, Mr. Hibbs played a most sympathetic accompaniment, and in his own numbers by his brilliant, forceful playing contributed his part to the sustained enthusiasm of the audience. Mr. Hibbs played many of his own compositions. His vocal interpretations were well received by the audience.

The artists were introduced by Mrs. Bryan McDonald. Tuesday evening's concert was the second in the winter series of Musical Arts programs sponsored by the Ozona Music club. The next will be Feb. 16 when Josef Piastro, violinist, will present a concert, with Virgean England Estes accompanying. The final number in the series will be the concert of Alta Turk, soprano, and Roy Coop-

MAKE YOUR OWN LIFE

By Ora Louise Cox

"Life is what you make it."

Many people complain about the town in which they live, the house in which they dwell, the job which they hold, or the acquaintances which they have made. And what do they do about it? Just sit and complain and wonder to what it is all coming. If people could only realize that things do not come easily in this old world, but that only strife brings success, many people would be a much happier.

It is easy to blame the "other person" for one's own faults or failures; but, if we human beings could only have the breadth of mind to "think a few things out" for ourselves, we should find that in nine cases out of ten our failures are caused only by our own neglect or poor judgment. It is also quite easy to invent excuses for one's own misdoings, but this, too, is both useless and childish.

Make your life what you want it to be; and if you fall a few times, straighten up and begin again. Your life is your own to make of it what you want. You are sults.

Grandfalls Wins Ozona Basketball Tournament

Christoval Takes Consolation Honors

The Grandfalls Cowboy: smashed the Iraan Braves 41 to 13 to take the eighth annual Ozona invitation basketball meet. The Cowboys, who have lost only one game this year, exhibited the fastest breaking offense yet seen on the local court. Although there were no individual stars on this ball-hustling outfit, Nichols and Menefee were the top scorers for Grandfalls with 10 and 8 points respectively. Williams of Iraan racked six points to lead his team.

The Christoval Eagles, with a tall lanky boy named Smith scoring 10 points, disposed of Junction 30 to 22 to win the consolation championship. Munn and Meredith shared scoring honors for Junction with seven points each.

Grandfalls reached the finals by trouncing Christoval 40 to 30 and massacring Ozona 27 to 17. Ozona had eked out a 26 to 23 win over Junction to go into the semi-final play. Iraan moved into the final bracket by eliminating Big Lake 37 to 17, Eldorado 27 to 17 and Barnhart 21 to 20. Barnhart had advanced to semi-final play by downing Mertzon 24 to 15.

After losing to Grandfalls, Christoval switched Sonora 19 to 15. Sonora had lost in the first round to Eldorado 23 to 20, but had knocked off Big Lake 26 to 23. Junction disposed of Mertzon 35 to 11 to enter the final round of play in the consolation bracket.

Handsome trophies were awarded the winning and runner-up teams in both divisions. The tournament's outstanding player, Menefee of Grandfalls, was also awarded a trophy. The members of the all tournament teams and the coaches of the winning teams were given gold basketballs.

The first all-tournament team was: Williams, Iraan; Lemmons, Ozona; Bryant, Eldorado; Menefee, Grandfalls and Nichols, Grandfalls.

The second all-tournament club—Calk, Iraan; Woodruff, Barnhart; Smith, Christoval; Munn, Junction; Montgomery, Ozona.

In addition to these awards, players of teams that did not place stars on the all-tournament teams received gold basketballs. These players were: Lindley, Mertzon; Webb, Big Lake; and Archer, Sonora.

In a series of volley ball games which preceded the final games, the Sonora girls defeated the Ozona girls 15-3, 16-18, 15-11 and 15-7. The tournament officials were Pittman of Iraan, McCulley of Ozona, and Saxon of Mertzon. The

Drake and Lemmons

Bettie Lou, who was your boy friend with the orange sweater over the weekend?

J. K. surely goes for these 8. A. girls. If he doesn't go to see one there, one comes here to see him. Since J. K.'s girl had a friend, J. K. was accompanied by Phillip.

Phillip, what makes you go for these Sonora babies? Did you sing her a lullaby?

Billie Gene did OK over the weekend. Who was the tall, handsome escort, Bill?

The editors of this column will have to take more care in selecting the different articles to write about. Does any particular "Article" follow this column, Dorothy?

Beecher, you better watch out. Some certain curly haired boy thinks your girl is cute and nice. He would like to beat your time. All questions will be answered by "Toots" or Tommye.

Tommye, it's nice to have someone to look after all of your housing affairs.

Ora Louise was deeply interested in the housing of the Iraan boys. Didja get your man, "Cox"?

I wonder why Joe C. took a certain junior girl home Saturday night. Was it too much, Jack, Jack, Jack, Joe?

I know one senior girl who never gets her man. Why were you so contrary, Doris?

Mary Frances W. was one of the girls that did get a man. "Cox" happened to be a Grandfalls product.

I wonder why a group of freshmen girls asked for some make-up as the Iraan boys walked in Friday afternoon.

Escue, could you tell us when you were when Grandfalls and Iraan were playing?

Helen, how was the dance? Or did you go?

Doris and Mary are really looking forward for the game Wednesday night. Who is it, girls?

Effie, we understand now why you were yelling for Grandfalls.

Frances, West was really happy Saturday morning. How many boys did you keep, Frances?

Jayne, whowas your boy friend Saturday night?

Scouting Is Chief Agency For Boy Guidance Outside of School, Church Or Home, School Official Declares

Movement Directs Boy To Stability, Denham Says

By C. S. DENHAM

The year 1910 should have a letter position in the life of every American boy. In that year Scouting was incorporated under the laws of the District of Columbia. Since that time thousands of thousands of boys have taken advantage of Scouting in order to become more self-reliant, stronger in character, and to become better citizens.

The greatest appeal of Scouting, perhaps, is in the fact that it has opened to boyhood the way to the great out-of-doors, the hills, the hills and the mountain trails. It has built character and taught health, safety and citizenship. It is the chief agency provided by society to give the boy guidance when he is not in the

home, church or school. It has been said that the will of a boy is like a bicycle, "stable only when going somewhere." Scouting is that organization which directs the boy to the "somewhere" where he benefits most.

Participation in Scouting helps also to qualify the boy for leadership in that his better qualities are developed. A recent survey of the United States showed that 65 per cent of college boys had been Scouts. Sixty per cent of captains of football teams and eight members of a recent all-American team had been Scouts.

Like all other organizations, Scouting is not perfect, yet it is constantly at work to make the boy physically strong, mentally awake and morally straight. A father may deplore his own shortage of certain virtues but he should be grateful if his boy can be trusted, is loyal, helpful, friendly, courteous, kind, obedi-

SUNDAY SCHOOL CLASS GUESTS AT 42 PARTY

Mrs. Joe Pierce entertained the adult class of ladies of the Methodist Sunday school of which she is a member, with a 42 party in her home Tuesday afternoon. The Valentine theme was carried out in all appointments. Carnations and calendula were used in the rooms. A gift was presented the teacher, Mrs. Carl Colwick.

Those present were Mrs. L. B. Cox, Jr., Mrs. Eugene Slater, Mrs. Victor Pierce, Mrs. Will Baggett, Mrs. Floyd Henderson, Mrs. J. A. Fussell, Mrs. W. C. Wilson, Mrs. O. D. Busby, Mrs. Stephen Perner, Mrs. Tom Harris, Mrs. Chas. Williams, Mrs. W. E. Smith, Mrs. Charles Tyre, Mrs. Madden Read, Mrs. Strick Harvick, Mrs. N. E. Rendall, Mrs. C. J. Van Zandt, Mrs. Russell, Mrs. Minnie Crumley and Mrs. Carl Colwick.

Marvin Rape, a student at the University of Texas in Austin, spent the weekend here visiting his parents, Mr. and Mrs. I. G. Rape, and enjoying a between-terms off period.

SEWING CLUB MEETS

Mrs. Alfred Cooke was hostess to members of the Busy Bee Sewing club at her home last Thursday evening. After an afternoon spent in sewing, guests were served hot chocolate and cookies. Present were Mrs. C. N. Leatherwood, Mrs. Arch Cooke, Mrs. Hattie Porter, Mrs. Sam Houston, Mrs. Tom McLaughlin, Mrs. Harvey Haire, Mrs. Alma Laxton, Mrs. M. D. Apelgrain and Mrs. Edward De-land.

ent, cheerful, thrifty, brave, clean and reverent.

Scouting is not a destination or an end in itself but the means by which certain definite objectives may be accomplished. With willing sacrifice on the part of interested parents and others, scouting can continue to serve in Ozona and as each month passes so improve its program that the average boy may, through participation, become more physically, mentally and morally perfect.

The Home

Is a Family Affair---

WHAT DO YOU NEED TO MAKE IT MODERN?

The home belongs just as much to one member of the family as another. And it's worth a lot of thinking to make it more attractive for everyone who lives in it.

For Dad: A hobby room or den, a game room.

For Mother: A modern kitchen, more closet space, refinish floors, Venetian blinds.

For the Children: Another bedroom, play room, a modern bathroom.
