Kitty's Korner

By Kitty Montgomery

Another Thanksgiving Day upon us, and at the risk of being pessimistic, I do believe the world as a whole has less to be thankful for than ever before. I do not speak of the material things which have increased a hundred fold since the first Thanksgiving Day, but of the spiritual and moral qualities so inherent in the Americans who first observed the day of Thanksgiving. It seems almost impossible that just a little over 350 years ago our forefathers were seeking the wilderness to establish communities with homes and churches under almost impossible odds. Their very spirit built this nation into one of the greatest in the annals of history. Today we are rich, corrupt and lazy. We wine and dine those who could see an end to our society if we know it, and turn our backs on faithful allies. We are bent on self-destruction and the doors back to sanity and self-preservation seem closed and locked. Free enterprise, national pride, and individualism, are dirty words, along with capitalism, ambition and gain.

Our churches are empty, our bar rooms are full and our economy depends on the whims of labor leaders, Nadar's whims and partisan politics. It is probably well that this day is set aside for giving thanks to God, under Whom our nation was founded. He alone could perform the miracle of putting it all back together again, and it's highly probable that even He looks at it as a lost cause.

After last week and the ultimatum to the President and the AFL-CIO labor leaders at their convention in Miami Beach, I have come to the conclusion that labor unions have served their purpose in the United States. Bills have shown for years that the rank and file union members do not agree with their fat cat leaders. Organized labor has priced U. S. products out of the world market, having a great deal to do with the inflationary situation we face in the U. S. today.

The AFL-CIO is the biggest monopoly in the nation today, and its head honcho, George Meany, is a dictator pure and simple. However, if you have noticed, nobody ever ventures to investigate that organization. Politicians fear the wrath of labor leaders like the plague and they are handled with kid gloves.

Union leaders are parasites who live off the dues of the rank and file union members. When they call a strike, they do not stand in line for relief food stamps, the workingman who is a dues-paying member suffers this indignity, and the taxpayer pays.

They dictate policy to their members through union published periodicals. Many of which make the Daily Worker look absolutely blue. Union members are intimidated by union bosses and the average member has absolutely no say over how his union is run. However, recent elections have shown that the laborer has a mind of his own and has not voted in a bloc.

Now, while George Meany and his gang are trying to sabotage the administration's anti-inflation program, would it be a very good time for a congressional investigation into labor unions. Perhaps Ralph Nader would be interested. He has investigated everything else.

Girl Cage Teams Win Three Of First Four

Miss Susan Webb's girls' basketball teams won three and lost one in the first week of play. In Sanderson for the season opener the Lionette varsity was dropped 45-38 while the B team picked up a 50-17 win. Thursday night on the home court the Lionette varsity overcame the Sonora girls 36-35 and the B team picked up its second win with a score of 44-42.

Starting line-up for the Sanderson game saw the three senior captains, Christy Davidson, Mary Jo Hyde, and Jan North, in the forward positions. Starting for the Lionettes at guard positions were Nelly Sanchez, Dana Collett and Fanny DeHoyos. Starting line-up for the Sonora game was the same with the exception of Rita Welty starting in place of Fanny DeHoyos.

Mary Jo Hyde took scoring honors in both games, hitting for 19 points in the Sanderson game and 17 against Sonora.

Others scoring in the Sanderson game for the Lionettes were Mary Jo Hayes, 6; Jan North, 5; Christy Davidson, 5; Stacy Dockery, 3.

The Lionettes led at the first quarter, but began to fall behind the Sanderson six after that. The Sonora game was a cliff-hanger with the lead changing hands. Other point-makers for the Lionettes were Jan North with 13 and Christy Davidson with 6.

The B team starters for both games were Jan Pelto, Kay McMullan and Teresa Shaw in the forward positions, and Marisa Cantu, Anne Tillman and Ann Glynn at guards.

Scoring for the B team in the first game were Jan Pelto, 12; Kay McMullan 11, Teresa Shaw 6, Debra Clayton 11, Sally Bailey 7, and Martha Cantu 3.

Jan Pelto took scoring honors against Sonora with a whopping 25 points, followed by Teresa Shaw with 15 and Kay McMullan with 2 and Debra Clayton, 2.

Both girls' teams were in Rankin Tuesday night for a double-header and will have a rematch with Sonora there tonight.

Conoco Tries For Completion On Shannon Land

Continental Oil Co. will re-enter, plug back to 7,953 feet and attempt completion as a second upper straw oil producer and a 3/4 mile east-southeast extension to that pay at its No. 2-8 J. M. Shannon, former Ellenburger and Fusselman producer, in the Escondido multipay field of Crockett County, 14 1/2 miles northeast of Iraan.

Drilled to 9,450 feet, it was finished Sept. 5, 1964 from the Fusselman for 257 barrels of 48.2 gravity oil, with gas-oil ratio of 1,654-1, through a 20-64-inch choke and perforations at 9,254-9,303 feet.

Location is 712 feet from the south and 1,950 feet from the east lines of 8-2-GC&SF.

The upper straw opener, the firm's No. 2-7 J. M. Shannon, was finished June 17, 1965, for 99 barrels of 57 gravity oil, plus 32 barrels of water, with gas-oil ratio of 5,202-1, through a 16-64-inch choke and perforations at 7,724-34 feet.

OHS Cage Squad Lacks Experience But Boasts Speed

Rosters for the three Ozona High School Boys Basketball teams were announced this week and play got underway Tuesday night when the Lions played Rankin. The score was not available at press time.

Coach Charles Spieker, head basketball coach, is looking toward a successful season this year in spite of the fact that the Lions have no height and are short on experience. Coach Spieker says the Lions have a lot of quickness and this should make up for some other shortcomings.

There are no starters back from last year's co-champion team, but three boys who saw a lot of action return to the team this year. They are Mike Jenkins, senior; Ruben Tambunga, junior, and David

Checks To Water District Pilfered In P.O. Break-In

What was at first dismissed as an accident turned out to be an act of vandalism when checks made out to the order of the Crockett County Water District Office began turning up in unlikely places after the glass on the post office box was found broken the weekend of November 6.

Bill Cooper, manager of the water district, found the glass broken on the box, but since there was mail still in the box with glass lying on top of it, he thought the glass had been broken accidentally.

There have been no checks presented at the bank, but some checks have been found and turned in at the Water District office. Some who mailed checks on that weekend have discovered that they never arrived at their destination.

Anyone who mailed a check for their water bill on or around that date should check with the water district office to see if they received credit or if the check is missing.

One Lion Makes First Team, Six On Second

Officials from District 5-AA schools met Thursday in Stanton to pick players for the All-District 1971 football teams. District champions Coahoma placed 9 players on the first team while the Ozona

Granddaughter of Ozonan Honored As H.S. Soloist

Lucy Gill, granddaughter of Mr. and Mrs. John E. Bohannon of Ozona, of San Angelo has been named to America's High School Soloist Hall of Fame, it was announced Thursday by the San Angelo Central High School Band Director Homer Anderson.

Miss Gill is one of 10 young musicians in the nation to receive the honor. She will be honored in the December issue of the School Musician Director and Teacher magazine, the sponsor.

Miss Gill, a high school senior, has won a number of music competitions with her French horn. She has been a member of the San Angelo Symphony Orchestra for the last three seasons.

Lions only managed one place, senior Ricky Crawford, tied with Coahoma's Joe Elmore for the center position, both boys receiving the same number of first team votes.

Ozona's Ruben Tambunga, who placed both on offense and defense on the All-District first team last year, got places on the second team both offense and defense, as did Gerald Huff, who was a substitute back last year. Both boys are juniors and will have another go at it next year.

Ozona Lions placing on the second team were junior end, Randy Crawford; senior guard, Bill Edgerton, who received honorable mention last year; with Tambunga and Huff rounding out the Ozona boys on offense.

Lions placing on the second team defense were lineman Joe Martinez, 170 pound, junior; Gary Whitley, 160 pound junior linebacker, and Tambunga and Huff rounding out the Ozona choices as backs.

Strangely enough, Mike Jenkins, 190 pound senior end, who headed up the Lion defense and was named second team on both offense and defense last year, failed to secure a spot on either team.

Man Wanted For Murder Picked Up Here On Traffic Violation

By a sheer trick of fate, a man wanted for murder, car theft, and a convicted felon, was picked up here on a minor traffic violation. Patrolmen John Harris and Gary Hill, DPS, were credited with the capture. The two patrolmen also investigated three traffic accidents during the week.

Patrolman Harris and Hill were stopped at the signal light at the intersection of Highways 163 and 290 Friday night when a colored male and female in a 1971 Mustang ran a red light. The officers took off in the patrol car and when they stopped the Mustang and got out of

the patrol car, the man took off in the Mustang. Officers gave chase and caught the couple at the first bridge west of Ozona on Hwy 290. The man fled the car on foot, but the officers caught him and brought him back for questioning. Investigation revealed that he was wanted around the country for numerous crimes, the most serious of which was a murder charge in Los Angeles, Cal. He is in Crockett County jail awaiting extradition.

Deer Harvest Heavy Despite Hot Weather

A check of deer storage and processing places reveal a much larger number of deer harvested in the county this year than at the same time last year. Also, the deer brought in for weighing and processing have generally been fatter and in better shape than in previous years.

Hubert Baker, manager of the Chamber of Commerce, reported this week on the standings in the hunting contest. He also mentioned that Cooke's Market is processing a moose. The animal was killed in Colorado and the hunter is presently hunting in Crockett County.

Baker said he felt the larger number of hunters this early in the season is the result of early mailings by the chamber to those who had hunted in the county previously.

This far in the young season, W. H. Bunker, Jr., is at the top of the list for the deer with the most points. He killed a 14-pointer on the Bunker ranch and registered it at Cooke's Market.

Record for the widest rack is held by H. Lambert of Snyder with a 19-inch spread, he killed the deer on the Bob Bailey ranch, and registered it at the Trading Post.

The largest field-dressed deer so far was killed by Jack Baggett, Jr., dressed out at 126 pounds and weighed in at the Trading Post.

A run-down on the hunting contest will be given weekly and is subject to change each week.

Two wrecks in the city Sunday resulted in no injuries and minor damage to all but one vehicle. Sunday at 2:35 p.m., Mr. and Mrs. Roy Eaverson were stopped at the red light at the intersection of Hwy 163 and US 290, headed west in their 1970 Rambler, when a 1970 Plymouth driven by Rita Welty also headed west, hit the rear of their automobile.

There was minor damage to the autos and Mrs. Eaverson complained of a neck injury.

That afternoon around 5 p.m., a collision on Monterey Street caused heavy damage to one car involved. Ramon Sanchez was attempting to turn south in a 1969 Chevrolet when he was hit in the side by a 1964 Chevrolet driven by Luis Tijerina. No one was injured, but the Sanchez car was heavily damaged.

A freak accident Thursday night at 9:30 is still under investigation by officers. The three-car wreck involved three local teen-agers. Dana Collett was attempting to turn right into the parking lot at the M & M Cafe on Hwy 290 when her 1968 Chevrolet was hit on one side by a Mustang driven by Pete Maldonado and on the other side by a car driven by Gene Martinez. The second collision sent the car spinning around in the highway and it finally came to rest against a telephone pole near the restaurant.

There was heavy damage to Miss Collett's car but neither she nor a passenger, Gary Mitchell, were injured.

DON'T CROWD, there's room for everybody. Lady, the German Shepherd mother dog belonging to Tom Allen, is quite proud of her brood of ten puppies. But she quit just in time since one more would have overcrowded the dinner table. There are seven males and three females in the litter, now a little over two weeks old. Naturally, they are for sale. The father is a snow white German Shepherd, but the pups are black or gray.

Information On Economic Rules Available At ASC

Crockett County residents can get official information on Phase II of President Nixon's Economic Stabilization Program at the Agricultural Stabilization and Conservation Service Office, says Cliff Elder, the County Executive Director.

As the Nation enters Phase II, ASCS County offices along with the Internal Revenue Service will continue to provide information at the local level, Elder said.

The County ASCS Office will receive regular updated information from the President's Cost-of-Living Council, Price Commission, and Pay Board.

Residents calling or visiting the County Office about a wage-price problem, will get answers on the spot if the questions fall within existing guidelines.

More complex questions will be forwarded by County Office personnel to the nearest IRS Office for reply.

"We are not authorized to handle complaints, violations, and requests for exemptions, but we will forward them to the IRS District Headquarters Office," Elder explained.

Elder also said that the name of anyone filing a complaint or violation will be kept confidential.

Any questions that cannot be answered by ASCS or interpreted by the IRS District Office will be forwarded for higher level action. The person making the inquiry will be informed if this action is taken.

Details on procedures for appealing decisions also are available upon request. Forms for retail and wholesale companies are available at the ASC Office.

THE NEWS REEL

A re-run of "The Ozona Story"

as gleaned from the files of "THE OZONA STOCKMAN"

Thursday, November 26, 1971 29 years ago

The Champion Ozona Lions placed four men on the All-District first team and five on the second team. Receiving first team honors were Bud Cox, Roy Coates, Charles McDonald and Calvin Williams.

A little more than half of the passenger car owners in Crockett county had registered their cars for gasoline rationing at the end of the three-day registration period last Saturday.

Because of uncertain transportation conditions, Ozona schools will have a two-week holiday period for Christmas this year.

Registration of all men included in the scope of the 18-19 year old draft law, recently enacted, has been ordered by President Roosevelt.

Because of unprecedented wartime demands, the bulk of Christmas mail must be in the post offices by December 1 this year.

R. B. Pridemore of Ozona has been promoted from Private First Class to Corporal. He is attached to the medical section of a supply squadron at the Oklahoma City Air Depot.

Official announcement of the AAA Range Conservation Program for 1943, carrying advice that work on next year's program may be begun by ranchmen Dec. 1, 1942.

Mr. and Mrs. Hugh Gray

entertained the forty-two club in their home Thursday night. Mr. and Mrs. Charlie Butler won high and Mr. and Mrs. A. O. Fields, second high.

29 years ago Mrs. Ben Robertson was hostess to the Friday Bridge Club at her home last week.

Mrs. Watt Turner won high and Mrs. Lee Childress low. 29 years ago Woodrow Wilson, son of Lee Wilson of Ozona, has been promoted from captain to major in the U. S. Army.

Mr. and Mrs. T. A. Kiecaid Jr. Mr. and Mrs. Frank James, Miss Betty Bratcher, Miss Marian Cunningham, and Jimmy and Nat Read are among the Ozonans in the stands today for the traditional Texas-A&M football game in Austin today.

Joe Williams and Joe Couch both in the Air Corps ground crew stationed in San Angelo were on furlough early this week for a deer hunt.

SENSING the NEWS

ORGANIZED CRIMINALS

Organized crime is an old story in the United States. Register elements sometimes go to be a state within the state. But organized convicts something new and profound-shocking. The organization of prison states isn't simply a bad name, it is a reality. In California, convicts and former convicts have formed a group known as the United Prisoners on whose slogan is "power to the convicted class." The objective of the criminal organizers is to form a national union that will represent the nation's 200,000 prison inmates.

The idea sounds incredible, almost any mad development is possible these days.

Out-breaks at San Quentin prison in California and at Attica in New York have resulted in an outpouring of radical-liberal sympathy and support for convicted murderers, rapists, and it is radical chic these days to praise prisoners and condemn police and prison officials. Prof. Leonard Orland of the University of Connecticut Law School recently made a pitch in the New York Times for a "code of rights for prisoners." No one on the liberal side seems interested in the civil rights of citizens who have been assaulted, raped, or mugged. Attention to the rights of the law-abiding isn't an "in" attitude.

In this connection, it should be noted that the United Prison-

ers Union has drawn up a "bill of rights" for alleged prison reform. The director of the new union has the proper background for his post. He served five years in San Quentin for armed robbery.

The new union leader has assistance in organizing convicts. According to the New York Times, advice has been obtained from the National Lawyers Guild and several labor unions, including the United Auto Workers and Cesar Chavez's United Farm Workers. What is really shocking is the Times' report that the California Rural Legal Assistance has given advice to the group of criminals. This is an organization funded by the taxpayers. Certainly, Congress should inquire into this matter. If the California Rural Legal Assistance is involved with a union of convicts, the country should know about it.

The radical American Civil Liberties Union makes no bones about its involvement. Anson Monroe, ACLU executive director in Los Angeles, has admitted that his outfit is supporting

the organizing effort. According to The Times, "leaders of the fledgling union look upon prison strikes and work stoppages as their best bargaining weapons." In other words, the organized criminals are planning new crimes against the states that jailed them.

In addition, the United Prisoners Union has settled on its legislative objective -- Limiting prison terms to a maximum of 10 years. It also has decided to refer to prisons as "fascist concentration camps." A fascinating sidelight on the organization, disclosed by The Times, is that the secretary of the union is a professor of sociology at San Francisco State College, who served time in San Quentin for robbery. No doubt many Americans will be surprised to learn that a well-known academic institution has an ex-con on its faculty. Poor Al Capone. If he lived today, he could be a card-carrying member of a union of criminals and perhaps a professor.

The whole affair reveals the extent to which criminal nonsense has gained accep-

tance in this country. What would have been characterized as fantastic a few years ago is now given legitimacy -- money and organizational assistance.

Moreover, the New Left line on prisons and prisoners takes no time at all to filter down into regional publications. For example, The News and Observer in Raleigh, N. C., a

paper with a long record of knee-jerk liberalism, recently reprinted Prof. Orland's article and provided an echo in the form of an editorial calling for "a bill of rights" for Tar Heel prison inmates.

No one wants prisoners treated cruelly. If managed properly, state and federal correctional institutions can rehabilitate many men and

women convicted of crimes. But it also has to be recognized that prisons house many inmates who are beyond rehabilitation and who are unfit for life in a law-abiding society. Some prisoners can be placed in minimum security institutions.

In all cases, the management of prisons has to be left to competent officials. Society has no obligation to accord prisoners the kind of due pro-

cess they enjoyed before they committed crimes that led to their punishment.

Under no circumstances should federal or state authorities negotiate with a union of prisoners or any similar type of organization. No group can represent a prisoner or bargain with public authorities on behalf of prisoners. If government compromises on that point, prisoners soon will run the penitentiaries.

Tips For Gardeners
From The
Ozona Garden Club
By
Mrs. Bailey Post

With the arrival of Thanksgiving holidays upon us, you may consider the time until Christmas very short. We should all be thankful for the lush coverage of grass on the land of our area. It furnishes food for the many animals, protects the soil from erosion by the gusty winter winds and dust storms that pollute the air we breathe.

The fall colors have never been more beautiful than they are this year, at least since we have been here. I failed to mention last week the many different varieties and colors of the marigolds that have been in bloom for some time. The whole town is aglow with tints, tones and shades of many hues and colors.

Take note of the plants, trees and shrubs you may want to plant for next year's landscape, November to February is planting time for woody ornamentals, which might help you in making out your Christmas list of gifts to those who need plants or like gardening.

If you have a small area and want an easy-to-care-for garden, plan a mini-garden that will reflect your needs and tastes. They can be appealing and a joy to care for. There are many small and dwarf plants to be used in narrow borders, along walks, corners, built in flower boxes and many attractive containers and pots. Some gardens have been created on a do-it-yourself basis while others have been professionally landscaped.

The flower catalogues or wish books are coming most everyday now, so look them over to help you in your plans and selections of plants, trees and shrubs.

Fall gardens are furnishing many fine vegetables for the grower, friends and neighbors. To me nothing takes the place of good home grown vegetables and have the pleasure of watching them grow and of gathering them later. Prepare now the space you may want for the next spring garden.

A reminder to plant pansies if you haven't don so.

Jesus said, "I am come that they might have life, and that they might have it more abundantly."

Now it is a tribute to the intelligence of men that no one thinks He was talking about the material abundance we enjoy today. Everybody knows He was talking about something else.

But what else? What could Christ add to your possessions? What can He give men that might account for the logical distinction we readily make between a life of abundance and the abundant life?

Himself! That's it. That's all. Precisely what He said: "I am come that . . ."

To know Him and to know the meaning His Life has for our lives is to discover the abundant life!

AWARDS SCHOLARSHIPS--W. G. Newton of Lubbock, left, chairman of the Texas Rural Electric Education and Research Committee, presents \$250 scholarships to two Texas Tech University students, Melissa Ann Zapata of Ozona and Roger Sublett of Breckenridge. Melissa is the daughter of Mr. and Mrs. Pete Zapata of Ozona and is enrolled in the college of Home Economics.

3 From Ozona Attend Natl. 4-H Convention

Three Crockett County 4-H Club members, Mary Frances Martinez, Melissa Zapata and Elizabeth Zapata, will be among the thirty-six top Texas 4-H Club members who will gather in Chicago, November 28 to December 2, for the 50th National 4-H Congress. A total of 1,600 4-H'ers from all 50 states, Puerto Rico and Canada will attend the national 4-H club event.

"Four-H Bridges the Gap" is the theme of this year's event which honors the elite 4-H boys and girls from the club's national membership of more than four million. The theme emphasizes the many gaps youth faces in today's complex society as related to personal and social concerns as they look to the future.

The 4-H'ers attending the Golden Anniversary of 4-H

Congress have earned the trip through outstanding accomplishments in various award programs on both a state and national level.

The Texas delegates will convene in Dallas, November 26, for final orientation before boarding an airline flight to Chicago the next day. The group will return to Dallas on December 3.

Chaperones for the Chicago trip will be Miss Jeannie Ford, Ward County home demonstration agent; Buddy Logsdon, Lamb County Agricultural agent; Marshall Crouch, 4-H and youth specialist; and Larry Quinn, radio-television specialist.

Wool & Mohair Incentive Rates Same For 1972

Washington, D. C. - The U. S. Department of Agriculture today announced that the incentive price of 72 cents a pound for marketings of shorn wool and a support of 80.2 cents a pound for mohair will continue unchanged in 1972 from 1971 levels.

These prices are in accordance with the National Wool Act as amended by the Agricultural Act of 1970 which requires that the support shall be at the above levels for each of the three marketing years through the end of 1973.

Pulled wool will continue to be supported at a level comparable to the incentive price for shorn wool through payments on unshorn lambs.

Shorn wool payments will be based on each producer's returns from sales. The percentage will be that required to raise the national average price received by all producers from shorn wool up to the announced incentive price of 72 cents a pound. For example, payments on 1970 marketings, which began in April, were made at the rate of 102.8 percent of the dollar return each producer received from the sale of shorn wool. This percentage was based on the difference between the incentive price of 72 cents and the national average grower price of 35.5 cents a pound.

Mohair payments will be calculated in a manner similar to wool.

Payments to producers on the 1972 calendar year marketings will be made beginning in April 1973. Applications for such payments must be filed not later than Jan. 31, 1973.
