Former Crockett County Justice Of Peace Dead

J. T. Glover Succumbs At Home of Daughter In Iowa Park

James Thomas Glover, 66, a resident of Ozona from 1925 until a few months ago, and a former justice of the peace for the Ozona precinct, died last Wednesday night at the home of a daughter, Mrs. S. E. Ketchum in Iowa Park, Texas.

Mr. Glover was elected justice of the peace for precinct 1 in this county in 1936. Ill health forced his retirement from the office, however, before the end of his term and W. M. Johnigan was appointed by the commissioners court to fill the unexpired term. He came to Ozona in 1925, being employed at that time by the state highway department. He later was connected with the Chris Meinecke grocery store for several years.

Funeral services were held Saturday in Lometa. Surviving are eight children, Mrs. Ketchum of Iowa Park, T. H. Glover of Lometa, Ralph Glover of Lampasas, Oma and Ethard Glover of Ozona, Mrs. Arlie Beal of Kempner, Sam Glover of Snyder and Mrs. Elmer Armentrout of Fort Stockton.

Mr. Glover was born August 16, 1872, in Dallas county. He later moved to Hamilton county and from there to Lampasas county where he lived until coming to Ozona in 1925.

ONE THING and THEN ANOTHER

By FRED GIPSON

CORPUS CHRISTI. — Lately, I've been torturing myself and our household with getting-up exercises.

A physical culture magazine I read is responsible. I ran out of shoot 'em-up westerns and just had to have something to read to pass off the time and keep from worrying myself sick about all this money I don't have. And in that magazine was an article about how to recognize symptoms of a body going to seed.

And though I'd been feeling fit as a fiddle singing at a barn dance ever since I quit my flu bed a couple of weeks ago, I immediately upon reading that article, found myself short of breath, creaky of joint, sallow-skinned, with a coat of tongue, little itchy places all over me, not to mention odd little pains that stabbed at various parts of my anatomy.

Whereupon, I thought: "Fred, if you don't get some of that old rich Gipson blood stirred up and pulsating through your body again, you'll soon be just an inert lump of senseless nothing, fuzzy with mold and sprouting ferns and things around the edges."

So I began to exercise, never letting the sun get more than a couple of hours high in the mornings, before I leaped from my bed and started going through all the motions of a naked swimmer who's accidentally bumped into a black wasp nest.

But it was no go. And I'm already about to quit.

To begin with, the good wives in the neighborhood began shaking pitying heads at one another across backyard fences, exclaiming what a shame it was that one of my poor looks and so-evident lack of possibilities should also be afflicted with the St. Vitus Dance. Then, too, I began crippling myself and breaking up the landlady's furniture.

I'd get on my toes and squat and rise and fling my arms about and take deep breaths, saying "One, two! One, two!" in the approved getting-up exercise form. But on about the third count, smash would go a reading lamp to the middle of the floor, while I grab-

Deputy To Assist Income Taxpayers To File Returns

E. E. Morgan To Be At Hotel Ozona Wednesday, March 1

Deputy Collector Earl E. Morgan from the Internal Revenue Service, will be at Hotel Ozona all day next Wednesday, March 1, for the purpose of assisting perplexed income tax payers of Crockett county in filling out the complicated returns for 1938, according to an announcement received by The Stockman this week from W. A. Thomas, collector of internal revenue for the second district of Texas at Dallas.

"The new income tax law presents many complicated problems which the layman, in attempting to file his income tax return for 1938, cannot solve," Mr. Thomas wrote. And if the 1938 return is as complicated as those of past years there will likely be none to deny Mr. Thomas' statement. He continued, "This office is anxious to be of help to all taxpayers who desire our assistance in making out their returns."

"For this reason we will send a deputy collector to your city to assist your citizens with their income tax problems. The law does not impose this duty upon us, but we feel obliged to assist wherever we are needed. The deputy's advice and assistance is extended purely as a courtesy and without cost to your citizens."

Connally Bill Seeks To Equalize Freight Rates In Southwest

WASHINGTON, Feb. 20.—"I have today introduced in the senate a bill seeking to correct the inequalities and discriminations in freight rates in Texas and the southwestern territory," United States Senator Tom Connally of Texas announced here this afternoon.

Explaining the action, Senator Connally said "The act seeks to remove the differentials which operate to increase the rates in that territory."

"The bill makes it unlawful for any carrier to make any unreasonable preference or advantage to any shipper or to any transit point, region, territory, sub-region or sub-territory, or to subject any particular shipper or region or territory to any undue or unreasonable prejudice or disadvantage in any respect whatever."

"The purpose of the bill," Senator Connally said, "is to remove the gross discriminations and in-

A Horse! A Horse! Lady Wants Saddle With Horse Under It!

A drug store clerk in Ozona was nonplussed a few nights ago when a woman tourist of more than average avoirdupois alighted from an expensive make of car in front of the store, walked in and demanded to know where she could procure a "saddle with a horse under it."

The clerk, thinking she might be interested in some souvenir from the West, directed her to the saddle shop, advising her that she might find some interesting souvenirs there.

"It's not a souvenir I want," she blasted. "I want a real live horse with a saddle on. Don't you have horses in this country?"

The clerk hastily assured her that there were several horses on ranches about, but he was at a loss to tell her where she might find one "under a saddle" at that hour of night.

"Well," she confided, "I've always wanted to try to ride a horse. They've been telling me I couldn't ride one and I just thought I'd try it while I was here." And the clerk chalked up another item on the "want list"—a saddle with a horse under it.

Winter's Record Cold Strikes In Area Monday Night

Winter's coldest weather swooped down on this section Monday night to drive the thermometer to a reported 20 degrees and the hardest freeze of the winter.

The fact that no moisture accompanied the severe cold accounted for the fact that few livestock losses were reported, in spite of the fact that many ranchers are shearing goats and lambing is in full swing in many areas of the county. However, the frequent and prolonged cold weather of the current winter has so weakened stock that widespread feeding operations are being carried out by many ranchers to strengthen animals until warmer weather.

Busby Revival Gains Interest Among Ozonans

Largest Crowd In Years Last Night; Many Visitors Attending

Rev. Horace W. Busby, Fort Worth evangelist, who Sunday opened his twentieth annual meeting at the Church of Christ in Ozona, declared that the crowd which greeted him at the opening of services last night was the largest he had seen at a night service in Ozona in many years.

Last night's crowd was an example of the mounting enthusiasm for the Busby meeting, which has been gaining momentum with each of the twice daily services. A number of out-of-town visitors are here for the duration of the meeting.

The Busby meeting is scheduled to continue through next Tuesday evening's service. A cordial invitation is extended by the church membership and the evangelist to the people of Ozona to enjoy with them these services. The services are being held each morning at 10:15 and each evening at 7:30.

Mrs. J. R. Kersey is able to be up after several days illness. Her daughter, Mrs. Albert Bailey of Iraan, spent the weekend here with her.

Mr. and Mrs. Evridge Davidson of Ozona have as their guests this week Mr. Davidson's parents, Mr. and Mrs. Leslie Davidson of Granger and an uncle, Ollie Davidson, also of Granger. The visitors are also here to attend the revival meeting now in progress at the Church of Christ, with Evangelist Horace W. Busby doing the preaching.

60,000 Pounds Fall Wool Sold At 20 Cents Here

Clips Of Ten Growers Included In Sale By Local Warehouse

Sale of 60,000 pounds of fall wool from the flocks of ten Crockett county growers was announced early this week by Melvin Brown, manager of the Ozona Wool and Mohair Co. The clips went to an order buyer whose name was withheld at his request.

The lot of fall wool went at 20 cents a pound. Delivery will be made from the local warehouse sometime this week.

Growers whose clips were included in the sale were Joe Pierce, Jr., Joe Sellers Pierce, 3rd, Armond Hoover, Hicks and White, Hugh Childress, Jr., Dempster Jones, George Montgomery, Tom Smith, Peery Holmesley and Jones Miller.

Ozona Girls To Engage Sonorans At Volley Ball

Having hit their stride in a smashing victory of three straight games in a 3-out-of-five match with the Barnhart team here Tuesday afternoon, members of the girls volleyball ball team of Ozona high school expect to make the competition interesting both for the Sonora girls and the spectators when the two teams meet for a matched contest on the local court this evening (Thursday), starting at 7 o'clock.

Admission charges are to be 15 and 25 cents for tonight's contest. The Ozona girls have come a long way in perfecting their play and coaches and school officials are hopeful that they will have a big section of rooters for the Sonora meet.

The locals took the first three games from the Barnhart girls in Tuesday's series, the Barnhart scores being 13, 12 and 5. The lineup for the two teams were Ozona: Billie Jean Linthicum, Bettie Tyler, Tommie Kirby, Bernice Green, Georganne Kirby, Jean Drake, Margaret Owens, Helen Mayes, Dorothy Hannah, Sybil Luther, Emily Smith and Helen Armentrout, and for Barnhart: Edith Neal, Barbara Joslin, Marie Smith, Flora Kuykendall, Euna Langford, Marie Gerald, Millie Howard and Irene Collins.

Sheriff Urges That Bicyclists Use Care To Avoid Accidents

In an effort, if possible, to prevent serious injury or possible death to some Ozona child, Sheriff W. S. Willis this week asked The Stockman to issue a warning to children who ride bicycles on the streets of Ozona to use care in avoiding a collision with cars.

The sheriff particularly called attention to the custom of some of the cyclists in riding two or more abreast down the streets, creating a hazard which might conceivably result in a serious accident. He also cautioned the youngsters to keep to the right, ride carefully, watch traffic and avoid cutting across the streets or darting into a cross street without first being sure the way is clear.

Lecture On India By Rev. F. E. Dudley Missionary Feature

A first-hand glimpse of India, the habits and customs of its people, was given members of the Missionary society of the Methodist church by the Rev. Forest E. Dudley, former Ozonan, now pastor of the Ervay Street Methodist church in Dallas, who with Mrs. Dudley recently returned from an extended tour of India and the Holy Land.

To accompany his lecture, Rev. Dudley displayed a collection of

AUTHOR-DIRECTOR

Miss Clarice Rein is author and director of the one-act play, "No Room for Understanding," to be presented at Ozona high school, Tuesday, February 28, at 8 p. m. Miss Rein has been an active member of the Thespian club for two years. She received her high school diploma from Shorewood high school in Milwaukee, Wis., in 1937.

Angelo Players Present Program Tuesday Evening

Ozonans Invited To Dramatic Program In Auditorium

The Thespian Club of San Angelo college will visit the Ozona high school, Tuesday, February 28 for a musical and dramatic program in the auditorium at 8 p. m. The program to be presented will consist of two one-act plays and music. The plays will be presented by members of the Thespian club under the direction of Miss Mary Compton, while the music will be furnished by members of the mixed chorus of the college, directed by Carl Brumblow.

The plays presented will be "Farewell Cruel World," a comedy of youth by William A. Kimball. The characters are Emily Delle Beard, Clarice Rein and Hamlin Elrod. These students have been active members of the Thespian club for two years. The other play is "No Room for Understanding," a tragedy written and directed by Clarice Rein, a member of the Thespian club. Miss Rein was awarded the prize for best actress last year in the state one-act play contest for junior colleges. She has since been the star of several plays presented by the Thespian club. The characters in the tragedy are Genevieve Ferguson, Muriel Brown, Evelyn Williams and Bert White. Thomas Wilkinson is stage manager.

The quartet is composed of members from the college chorus. They are John Covington, bass soloist; Roy Lee Moos and Frances Slaton, soprano soloist, and Martha McCarrich, Mr. Covington will sing a solo for the group.

The visitors extend a cordial invitation to the public to attend their performance.

Miss Louise Boyd, Elmon Powell Wed In Santone Rites

Miss Louise Boyd, daughter of Mrs. J. E. Boyd of Ozona, became the bride of Elmon Powell in a wedding ceremony performed in San Antonio Saturday night. After a short wedding trip, the young couple returned here this week to make their home.

The bride is a graduate of Ozona high school with the class of 1937. She has been employed at the Ozona telephone exchange for the past year and a half. Mr. Powell, a son of Mr. and Mrs. R. F. Powell, attended Ozona high school and for the past several months has been employed at the Piggly Wiggly grocery in Ozona.

Mrs. George Neersta, Miss Jo Demmer and Mrs. Lowell Littleton spent the weekend in Ballinger.

Ora Louise Cox Valetorian Of 1939 Class

Ozona High Senior Has 95 Average; Walter Escue Second

Miss Ora Louise Cox, daughter of Mr. and Mrs. L. B. Cox, Jr., has the highest scholastic ranking of the 1939 graduating class of Ozona high school and will be valedictorian at the May graduating exercises, it was announced today by Supt. C. S. Denham following a meeting of the faculty last week at which time averages of members of the class were totaled.

Miss Cox emerged as head of her class scholastically with a high school average of 95. Walter Escue held second place for salutatory honors with a four-year average of 93.57.

Another average above 90 was turned in by Jeff Fussell who took third place in the class scoring with an average of 92.86, and Betty Lou Coates was fourth with a total of 89.28.

Averages are taken of the 28 highest grades made by the students in their four high school years, the grades for the senior year being taken at the end of the first semester. Eight grades for each of the first three years and four for the senior year are counted in the averages. To be eligible for the honors, a student must have attended the local high school at least two of the four years.

Mexican People Raise Funds For Community House

A total of \$129 has been raised and donated by eight organizations among Mexicans of the local Mexican settlement for the benefit of the Community House, according to reports compiled by committees in charge of administration of the project, sponsored by the Methodist Missionary Society.

Among clubs participating in this financing work are the John N. Garner club, Club Hidalgo, Club Dramatico, Club Pro-Cemeterio, La Fama, the Parent-Teacher's Association, the W. O. W. camp, and Club Gardena.

In addition to this amount, an additional \$29.78 has been raised for the Community House fund by a group of boys and girls of the Mexican community with a play presented here recently and at Sonora. The purpose of this donation is to buy a curtain for the stage. People of the Mexican community are working on other projects for the benefit of the Community House.

Schools Observe Texas Day With Holiday Friday

Band Concert Thursday To Feature Music Of Texas

Texas Independence Day, March 2, will be observed as a holiday in Ozona schools, but the holiday will be granted on Friday instead of Thursday, it was announced this week by Supt. C. S. Denham.

The Friday holiday was decided upon because of its greater convenience to families of school children who will thus have opportunity of enjoying a three-day weekend and also because a holiday at the end of the week is less disturbing to the school routine.

A concert by the Ozona high school band in the high school auditorium at which Texas songs will be featured will highlight the day's observance on Thursday. This program will start at 3 o'clock Thursday afternoon and the public is invited.

GOVERNOR'S JOB

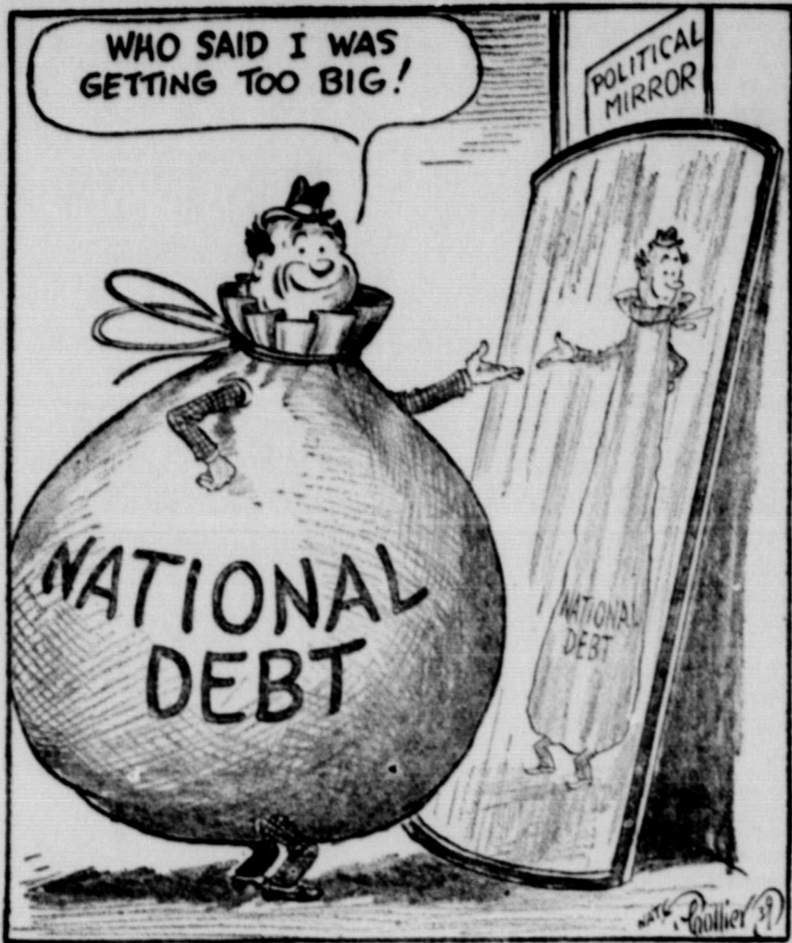

While W. Lee O'Daniel was making his astonishing campaign for Governor, based on extravagant promises to supplement his Golden Rule, neither the candidate nor his supporters paid overmuch attention to the Constitution of the State of Texas.

The governor of Texas lacks power. In the check-and-balance plan of government, this is as it should be, for the executive's real job is to carry out the will of the people expressed through the elected legislature.

Governor O'Daniel's present encounter with the legislature is quite likely to prove the tragedy of his term of office. The distinct lack of co-operation between the governor and the upper house is bristling now into open hostility.

Unless there is a sharp pullup in the immediate future, the present skirmish will develop into open war and the widely heralded

BY POPULAR DEMAND

The controversy over whether the House of Representatives should continue its investigation of un-American activities in the United States is ended.

It is important, too, that the public is aware of the threat. Had the public been unaware of it, there would have been no great public demand for continuance of the investigation.

This is a heartening sign that Americanism is still a cherished possession of Americans and that Americans can be aroused to protect it.

RANCH TALK

By SUNSHINE MATTHEWS

From Headquarters of

Texas Sheep & Goat Raisers' Association

Because of an old custom at Texas Technological college at Lubbock, the college has the basis of what they hope one day will be one of the states' outstanding flocks of Angora goats. Each senior student majoring in animal husbandry at the college leaves something, according to W. L. Stangel, head of the animal husbandry department, as a permanent memorial. This tradition, coupled with a student from the goat country, meant the beginning of the Angora flock.

Herbert Fields of Sonora, senior animal husbandry student, requested Mr. Stangel to allow him to secure donations of some registered Angora for a foundation flock for experimental purposes. Fields got two registered does from Fred Earwood of Sonora.

When Stangel was in Oklahoma last year judging the Oklahoma State Fair he ran into a member of the firm of J. P. Gulley & Sons of Uvalde, Angora breeders. The story was told and the Uvalde man suggested that he contact members of the Texas Angora Goat Breeders' Association and add to the flock.

Through his efforts, registered does were donated by O. O. and M. A. Cowser, S. W. Dismukes, and T. C. Hampton of Rock-springs, J. P. Gulley & Sons of Uvalde, Sam F. Cooper of Leakey, Bob Davis of Con Can, C. A. Pepper of San Antonio, Adolf Stieler of Comfort, W. H. Rawlings & Son of Johnson City, and B. M. Halbert & Son of Sonora. The Halberts also gave the college a registered billie.

Young Fields and Mr. Sangel personally visited ranches of the donors to watch and assist with the selection of the goats. The final selections were made in December. The Angoras, well established now and making highly satisfactory progress, are the first to be kept at the school.

Stangel was at Mason last week to act as judge in the county livestock show. He will also serve as judge at Roby on the 25th, at Big Spring on the 27th and at Brady on March 1st. He will judge polled Herefords at the Fort Worth Fat Stock show.

Santa Anna, Burkett, Talpa,

Buffalo, Novice and Colman FFA chapter feeders will compete at the Coleman county livestock show on Thursday, Feb. 23. Elgin Eckert, Mason county Hereford breeder, has been asked to serve as calf judge.

M. J. Benefield, secretary of the Brady Chamber of Commerce, has received eight entries from the Pitchfork Ranch at Spur for the first annual colt show to be held at Brady on March 1. There were better than 50 entries listed the first of the week and officials expected the number to reach 75 by show time. Dick Waring of San Angelo is to judge the show, which will be held in conjunction with the annual county livestock show.

Lee Jameson, Coke county ranchman, purchased eight head of registered yearling bulls from J. C. Dibrell & Sons of Coleman. The bulls are Prince Domino breeding. The Dibrells have announced that because of the success of their private sales this year they will not hold their annual auction.

When it's difficult to keep a straight face—J. D. Farmer of the Farmer Commission Co. solemnly requested the waitress at the Fort Mason hotel coffee shop to bring him a left handed coffee cup. Just as solemnly, the waitress, to whom it must have been an old gag, picked up his cup, turned her back, reversed the cup, put it down—and business went on as usual.

Jamie Brook of Brady has delivered to Joe Straus of San Antonio the ten head of registered heifer yearlings sold recently at \$260 each. The yearlings are to form the foundation for a registered herd for Straus, who is new in the Hereford business. Mr. Brook and John Thompson, student auctioneer, were in El Paso early in the week for the livestock show.

Zack Jones of the D. T. Jones & Son breeding farm north of San Angelo is conditioning a flock of sheep for show at Fort Worth and San Angelo livestock shows.

Walton Kothmann of Menard sold 270 mutton goats, yearlings,

two's and three's, to Adolf Stieler of Comfort at \$3.25 around. He also sold 255 mixed kids to Jack Canning of Canning & Wimberly at Eden. Amos Womble of the John Clay Commission Co. received three loads of lambs from Kothmann in the past few days at 7 1/2 cents a pound.

Mason county will be represented at the San Angelo Fat Stock show with 17 to 20 calves and 25 lambs. The Mason boys will take 17 calves and the 25 lambs to the Fort Worth show and Oliver Grote, Mason 4-H club feeder, will enter a carload of steers in the Fort Worth show.

Walker White has purchased 11 bulls from I. B. Cauble, Big Spring two-year-old registered Hereford breeder, and put them on his Mason county ranch.

The A. Z. Jones Lake county, Calif., 1937 and 1938 wool clips, comprising some 50,000 pounds of 12 months wool, sold to Adams & Leland for 22 1/2 cents for the 1937 wool and 25 cents for the 1938 wool, both f.o.b. shipping point.

Reports at Phoenix, Ariz., early this month were that a Boston firm had contracted around 150,000 pounds of new wool at 21 cents. The price a year ago was 18 cents. Jerrie W. Lee, secretary of the Arizona Wool Growers' Association, said 200,000 sheep would be shorn in the Salt river valley by the middle of April.

Otho O'Leary is in Corning, Calif., where he will make his home as wool buyer in California and Oregon for Adams & Leland, Inc. His brother, Chris, who was in Texas several years ago and who visited in San Angelo during the National Wool Growers' convention, is the Adams & Leland buyer in Arizona and Nevada.

Mark Burke, Pacific Wool Grow-

ers, says that indications are that there will be only about 50 per cent of the sheep shorn in the Imperial valley of California this spring as compared with last year. Estimates of growers and lamb buyers say that there will be less than 30,000 spring lambs in the valley this year. Pasture in the valley is about one-half the 1938 cost. Some sheepmen are paying 20 cents per head per month for grazing feeder lambs and 35 cents for breeding ewes and suckling lambs.

Four leaders of Arizona's citrus industry were in the Rio Grande valley the past week finding out how much grapefruit and juice is likely to be marketed from that area this season and investigating other aspects of the situation. They are L. W. Otto, manager of the Arizona Citrus Exchange, W. D. Pickrell, director of the Mesa Citrus, Bartlett Heart and Melvin Jacobus of the Bartlett Heard company.

Among the early claimants to dates for summer rodeos and celebrations are the directors of the Edwards County Fair Association, who step forward to set aside June 15, 16 and 17 for the annual three days of hospitality in the Hill country.

The directors met at Rock-tees and start the wheels to move for the race meet and rodeo. Purses and premiums will be guaranteed, as heretofore, officials say, and there will be the usual free barbecue daily.

Being in what the directors term a "unique position," with money in the bank, improvements are being planned for the show and the program will be enlarged. F. A. Moody is president of the fair association and C. H. Gilmer is sec-

retary.

Committees named include the following: Concessions, C. H. Gilmer, Ivan Smart; publicity, Warren Hutt, L. A. Clark, T. C. Hampton; advertising, C. V. Whitworth, Warren Hutt, S. W. Dismukes, Bryan Babb; to employ announcer, Frank Cloudt, Bryan Babb; dances, Ivan Smart, F. A. Boody, Sam A. Hough, Jr.; racing, H. C. Babb, chairman, H. Tobin, official starter; program, Ned Dunbar, Gordon Young, Merlin Davis, Howard Babb, S. S. Shanklin; moving stock, C. V. Whitworth, S. S. Shanklin; entry, R. C. Babb, G. L. Mehaffey; housing, J. L. Balentine; feed for stock, J. N. Lockley; barbecue, F. D. Sweeten, T. C. Hampton, Homer Rudasill, E. F. Boyce; meats, B. W. Weaver, Bryan Babb, C. B. Cloudt, Tom Cobble; to furnish mares and calves, F. A. Moody, W. B. Shanklin and Tom Henderson.

Complete programs are to be issued at an early date.

Roger Gillis of Del Rio has re-

ceived from T. C. Bacon of Twin Falls, Idaho, 200 Panama ewes, yearlings, bred to lamb in March. The ewes are believed to be the first purebred Panama ewes to be brought into Texas. Both Gillis and J. C. Cunningham of Fort Stockton have used Panama rams previously. The Panama, a breed established by James Laidlaw of Idaho, has as its base cross the Lincoln and the Rambouillet. The Gillis ewes will shear three-eighths wool.

Doctor (to his daughter): "Did you tell the young man that I think he's no good?"
 Daughter: "Yes, dad, but that didn't faze him. He said it wasn't the first wrong diagnosis you had made."

Famed Violinist And Texas Pianist Please Ozona Audience In Concert Here Under Auspices Of Music Club

Josef Piastro, world-famous Russian violinist and composer, and Virgean Englande Estes, gifted concert pianist and native of Texas were presented by the Ozona Music club last Thursday evening in the Ozona high school auditorium.

Piastro, former court musician in Russia and pupil of the late Leopold Auer, has toured every country of the globe and appeared with leading orchestras in this country and abroad.

His concertos were played with much expression and interpretation of feeling. The second movement of Mozart's Concerto in D Major, Andante Cantabile, revealed Mr. Piastro at his musicianly best. Here there were no forced tones, no sentimentalities, but a reading as austere, yet as fine-grained and sensitive and in short as musically expressive, as could be desired.

The Chausson "Poeme," superbly performed, touched a high level in the course of the evening.

The Paganini-Kreisler number, "La Clochette," had moments of tonal vitality and brilliance which showed Mr. Piastro a true technician of the violin. He was very gracious with encores, playing "The Dance of the Goblins" by Rossini; Schubert's "Ave Maria" and one of his own compositions, "Waltz Staccato."

Virgean Englande Estes made her debut in Town Hall, New York City in 1932, after studying in the Chicago Musical college and with Felix Borowski, Percy Grainger, Mme. Carreras and Edwin Hughes.

Mrs. Estes' playing of the Chopin group was wholly admirable, though one missed something of the rhythmic energy and tonal nuance in the interpretation of the Scherzo. However, her playing gave the impression of technical ability developed to a considerable degree and interpretative taste, as revealed by the evenness and clarity of her performance in the Etude. The encore, "Malaguena" by Lecuona, brought a note of Spanish color to the end of her group.

Mrs. Estes' accompaniments contributed much to the pleasure of the evening.

The audience gave ample testimony of its appreciation to both artists.

MRS. CLAYTON CONTRACT HOSTESS

Mrs. Boyd Clayton was hostess to her contract club with Tuesday afternoon. Mrs. Hillery Phillips held high score prize, Mrs. Walter Augustine, second high and Mrs. J. W. North, cut.

The other guests were Mrs. Massie West, Mrs. Sherman Taylor, Mrs. Lowell Littleton, Mrs. H. B. Tandy, Mrs. Roy Henderson, Mrs. Chas. E. Davidson, Jr., Mrs. George Neersta and Mrs. Melvin Brown.

The meeting was opened with the Scout Oath led by Jim Dudley. At the calling of the roll it was found that there were 33 present at the meeting. Also present at the meeting were Mr. Carson and Mr. Rendall.

The Scouts of Troop 53 will go on a fishing trip Friday afternoon at 4:30. We will meet at the school—each boy will have his pack, fork, knife, spoon and plate. A cook will be taken so that there will be more time for activities. On this trip there will be many opportunities offered to each Scout to pass Scouting tests and merit badges. Although it will be cold, Scouts of the North go camping in six feet of snow, so why should we worry.

We are looking forward to a Court of Honor which will be held during the Camporee in Ozona, March 23 and 24. More complete details of this Camporee will appear in this column later.

Desert Sun Bathers Enlist Science

Sun bathers at Palm Springs, Calif., have enlisted the cause of science in their behalf. The boxes enclosing their heads are made from sea shells, and are said to permit only beneficial rays of the sun to pass through them, protecting the shapely bathers from an overdose of the health-giving sunshine.

Vitus Dance and shouldn't be held responsible for what anti-social acts I perform.

Altogether, I've become so discouraged that I'm now lying flat of my back in bed and doing what exercises I can from that position. But I find that so conducive to returning to sleep that the last two mornings I've barely stretched a muscle—just enough to turn over so the sun won't shine in my eyes.

I hope to forget what I read in that magazine before much longer and return to my normal state of perpetual hibernation.

Big, healthy robust people appeal to me, but I don't see any chance of my ever becoming one of them.

GIRL CASHIER THWARTS THIEF, KICKS BACK

CLEVELAND, Ohio. — Theatre cashier Betty Bennett used football tactics to ward off a thief who tried to seize a cigar box containing \$50, which Miss Bennett was carrying from ticket booth to the manager's office.

When the thief threw her to the ground, she hugged the box—football-like—to her body. The thief kicked her, but she kicked back until approaching pedestrians frightened the thief who hurriedly departed.

A TERRIBLE DEILEMMA

A certain visitor from overseas was being shown around a little English village. He saw the church and the village shop and the school and all the rest of it, and to finish with he was taken to the local carpenter's shop, where he watched the carpenter at work.

"A most extraordinary man, that," said the host. "He's deaf and dumb, yet he turns out the best work of any carpenter I know."

A moment later the carpenter was seen running all over his shop

looking for something he appeared to have lost.

"What's the matter with him?" asked the visitor.

"Oh," explained his host, "he has hit his thumb with the hammer and he can't find his pencil and pad."

HISTORY OF INN FOUND WITHIN WALLS OF 1760

WEST BROOKFIELD, Mass.—While tearing away the interior of Ye Olde Tavern, swept by fire, the workmen found a history of the inn written nearly a half century

ago by the late G. E. Messenger, former landlord.

The history dated back to the founding of the inn in 1760 by its first landlord, David Hitchcock. Concealed in a tobacco box, the history was well preserved. They also found old ammunition hidden in the walls.

Stop throwing out good food! On leftovers, etc., Servel Electrolux will save you \$8 to \$10 every month—pay for itself and more!

Is your grocery bill \$10 to \$12 a week? Then you can't afford not to own a Servel Electrolux—the gas or kerosene refrigerator. With it you can save \$8 to \$10 every month in your kitchen—this month, next month, and on through the years!

YOU CAN SAVE	MONTHLY
On leftovers saved and used, at least	\$2.82
On reduced food spoilage, at least	2.60
By buying in quantity, specials, etc.	3.16
TOTAL, AT LEAST	\$8.58
Plus cost of ice or electricity	2.27

And these savings go on through the years! For Servel Electrolux has no moving parts in its freezing system! Nothing to wear, to cause expensive repair bills. The operating cost stays low. Servel Electrolux operates here for as little as three cents a day—often less!

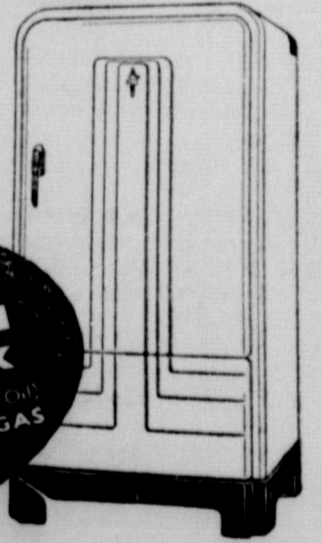

Would you like to save \$8 or \$10 a month—and have ice cream every day, if you like? Then come in and let us show you how easy it is to own a Servel Electrolux!

AND HERE'S WHAT OWNERS SAY ABOUT IT RIGHT HERE IN WEST TEXAS

Mrs. C. W. Williams, Jeans, Texas. "My Servel Electrolux saves me many dollars on food because I can buy when prices are low and keep until needed. Foods keep for days and do not lose their flavor or acquire odors of others in a Servel Electrolux. The cost of operation is very low—much lower than ice and another kind of refrigeration to my knowledge."

Mrs. Clifford Deaton, Wichita Falls, Texas. "After 5 years' constant use, our Servel Electrolux is still as silent, and as low in operating cost as the day it was installed. Have not spent one cent for service or repairs. Plenty of ice at all times, besides ice cream and frozen desserts. Our Servel Electrolux is the best investment we ever made."

Mrs. G. A. Collier, Crafton, Texas. "Servel Electrolux is the ideal refrigerator for rural homes. So economical to operate, and no moving parts to get out of order. It has saved me countless steps carrying food to and from the cellar; and food can be kept much longer and in perfect condition. Nothing improves living on the farm like a Servel Electrolux."

Basketball

One-Act Plays

Junior Pens

Congratulations are certainly in order to the basketball boys, who have just completed a most successful season, during which time the team has won four trophies. Among the trophies won were the and 18 games out of the 23 played, championship cup of the Ranch Country League, the championship cup of the Eldorado Tournament, the consolation cup of Barnhart's tournament, and the runner-up championship cup of the Fort Stockton District tournament. This last cup won this past weekend, February 18, which closed our basketball season.

The casts for the Interscholastic League one-act play have been selected this week and work has already begun under the direction of Miss Mildred North. The play, which is entitled "The Blue Teapot," is a comedy in one act, written by Jean Lee Latham and employing four characters, two boys and two girls.

The members of the junior class, in selecting their class pens, have decided to purchase the same senior rings that the present senior class have. To match these rings, which are of military gold finish set around a synthetic ruby, the class selected pens of the same design, thus matching the rings and making an attractive set.

OPPORTUNITY

By Doris Bunger

How many times have you heard or read this statement—"Don't miss this wonderful opportunity"? Sometimes when you see the word "opportunity" used, go to your dictionary and look up the meaning of the word. Maybe the definition there will help some of us to acquire and use successfully the meaning of it.

There are some who would have us believe that "opportunity knocks but once," and that if we do not "grasp opportunity by the forelock," it will pass us by forever.

This may be true in some instances, as was the case when a young autograph collector unexpectedly spied a great celebrity about to board a train, and rushed up to him, asking for his autograph. "Certainly," the celebrity replied, "let me have your pen. The young man handed the pen to the famous one who tried to write his name, but the pen did not have any ink in it. The conductor called "all aboard," and that opportunity was gone forever.

However, that is a trifling incident compared with some of the major problems confronting us today.

Sometimes opportunity is disguised as hard work and some of us are prone to let it slip by, hoping something easier may turn up. And again, perhaps some scheme that is purely "fish-bait" or a trap for the gullible may be presented as a golden opportunity, so there is not much anyone can do about it, except, as one of our great countrymen has said, "Be sure you're right, then go ahead."

INDUSTRY

By the time a person is in high school I feel sure that he realizes that he is neither happy nor contented if he does not have something to do. Some people consider themselves busy if they are whispering to someone in a study hall, but I believe that industry applies to profitable business. Sometimes students believe that they are not important and popular unless they are asked to do more than they possibly are able to do; I hope that they will understand that time spent in serious thought, self-criticism, and the like is not lost, but rather is very profitably utilized. Industry is a thing that every one should practice. For years, men have said that the man

Fort Stockton Tourney Won By Grand Falls

Ozona Wins Runner-Up Trophy

The amazing Grandfalls Cowboys added another victory to its already long list by stowing away Ozona, 42 to 24, the final of the district meet held in Fort Stockton. It was the fourth tournament in which the hardriding cowboys have finished on top. They have won 31 out of 32 games, being defeated only by Kermit, whom they later beat five straight times. Ozona led at the end of the first quarter, 6 to 0, and at the half, 12 to 9, but, once the Cowboys started this fort-breaking, quick shooting game, it was curtains for the slower moving team of Ozona. Grandfalls led 38 to 19 at the end of the third quarter.

Fort Stockton defeated Toyah 29 to 23 to cop the consolation bracket. The small lads from Toyah gave Stockton quite a scrap before they bowed to superior height. Toyah led at the half 18 to 16. Fort Stockton defeated Barstow 28 to 24 to go into the finals of the consolation.

The Grandfalls team pushed aside Fort Stockton and Alpine on the way to the final while Ozona disposed of Sanderson, 28 to 25. Grandfalls will go to the regional meet at Alpine where they will compete with Midland, Van Horn, and Bowie of El Paso for the right to go to Austin of the state meet.

GRADE SCHOOL NEWS

GRADE SCHOOL REPORTERS FOR THIS WEEK: Mary Louise Anderson, Joe Perry, Sammy Sue Beasley, Mary E. Gray and Nan Tandy.

Second Grade

We went to the first grade Monday to tea.

The first grade had made a house. It was a very good house.

We sat in the chairs. We saw their pictures, bulbs, and books. We had some candy and sandwiches and punch.

Third Grade

The third grade is going to have a picture show. It is not going to be like a real picture show. We read in our reader how we could fix one. The one in our reader was about ships, so we decided to have ours on ships, too. We have not got it fixed yet, but we will have it fixed in a day or so, I am sure. We are going to have a story to go with each picture. We will have pictures of ships of long ago and today.

The third grade made a newspaper, the name of which was "Third Grade Special." We write things and put them in our paper. We put the best news in the Ozona Stockman. The next to the best

OHS Band Prepares For State Contest

The band, for the next several weeks will be preparing for the state contest to be held in Abilene, April 7-8. The piece which class C bands will be required to play will be Militaire Overture. The other events which the band will be required to enter will be sight-reading, marching and two more numbers, the titles of which we have the liberty of picking ourselves.

Students who have ordered and begun on solos are Miles Pierce, Roy Henderson, Dick Henderson, Doris Bunger, Mary Louise Harvick, L. B. Cox, Ora Louise Cox, Clifton Taliaferro, Jim Ad Harvick and Byron Williams.

The program which was presented by the band students at P. T. A. last Monday evening was tentatively announced last week as follows:

Prince and Jester—Otis Taylor. Pilgrim Chorus—R. Wagner. March of Youth—Joseph Oliva-dotti.

Morning Prayer—Tschalkowsky. There were also selections from "Grieg Suite," by Edward Grieg, and selections from the Swing Book arranged by Paul Yoder.

Luncheon Given For Junior Boys

The Home Economics II class under direction of Miss Ada Moss, entertained the Junior boys with a luncheon in the Home Economics department Friday, Feb. 17. Brightly colored leavies were used as the center piece. Guests were: Irvin Babb, W. C. Brock, J. K. Colquitt, Joe Couch, Jim Dudley, Harold Keeton, Roy Henderson, Howard Lemmons, Miles Pierce and W. B. Robertson. Members of the class are Billie Gene Lathicum, Tommy Kirby, Margaret Owens, Helen Mayes, Eloise Carson, Johnnie Boyd, Gene Drake, Dorothy Hannah, Noma V. Miller and Gladys Jean Wills.

Press Clubbers Banquet Next Week

Members of the Press Club of Ozona high school, composing the editorial staff of the Lion's Roar, student newspaper appearing each week in The Stockman, will hold their annual banquet at Hotel Ozona next Wednesday evening, March 1. At that time Senior members of the staff will hand over the quill to their successors, the undergrads. Twenty members of the 1938-39 Press club appear in the recently posed group picture above. They are, reading from left to right, Stanley Lemmons, Elton Smith, Georgeann Kirby, Billy Jo West, Dorothy Hannah, Ora Louise Cox, Jean Drake, Bettie Lou Coates, Mary Alyce Smith, Doris Bunger, Posey Baggett, Adele Keeton, Miss Bess Terry (sponsor), Mary Frances West, Crystelle Carson, Miles Pierce, W. B. Robertson, Jeff Fussell, Howard Lemmons and Walter Escue. Jeff Fussell is editor-in-chief and Ora Louise Cox, assistant editor, of this year's Lion's Roar. They took over the duties mid-year last year and will relinquish their posts at next week's banquet, both being seniors.

First Graders Are Hosts At Silver Tea

As an activity in the Home Unit now being carried on by the first grade of the Ozona Elementary school, the children entertained with a silver tea on Monday of last week. The room was decorated for Valentine and guests were invited to look at the work of the children and to visit the first grade home.

Guests were greeted at the door by Armand Hoover, Jr., Daylene Branham, Marshalene Greene, Ray Piner, Jr., and Guida Sue Mein-ecke, Rosalie Friend and Ann Harvick presided at the tea table. The following children greeted guests in the play house: Alinda Fay Eastman, Eleanor Doran, Charles Alton Grantam, Tommy Laxson, Muriel Joyce Senne, Thomas Hill, and J. G. Hufstедler.

Refreshment plates were prepared by Betty Jean Lackey, Eda Louise Goodson, Margaret Williams Mary Jo Luxton, Patsy McDonald, Betty Cook and Betty Jane Schwalbe acted as maids while Chris Doty Perner and J. D. Pharr made excellent butlers, assisted by Charles Ray Flannagan and G. B. Hankins, Charlie Davidson, 3rd, and Tom Mitchell.

Lee Armentrout, Glenn Capps and Jeannette Trotter showed the guests about the room.

Ozona typing team met the Sonora typing team in the first annual inter-school contest Wednesday, February 15. The Ozona team was composed of Tommy Kirby, Billie Jo West, Joe Williams, and Oleta Casbeer. The Sonora team was composed of Grace Thomas, Wirt Ellis Stephenson and Margaret Faye Smith.

First place was won by Billie Jo West who typed 43 words a minute with seven errors. Second place was won by Grace Thomas of Sonora who typed 41 words with 11 errors. Third place was won by Tommy Kirby who typed 37 words with 13 errors.

Next week on Wednesday, Feb. 22 a team of four will be composed of the four pupils who make the best scores during the week.

PLAYS MALE LEAD ROLE

Hamlin Brown has the honor of being "Farewell Cruel World," the comedy to be presented by San Angelo college players in Ozona high school, February 28. Mr. Elrod is a sophomore in the college and has been a member of the Thespian club during both years.

Bess, what are all those initials on your books? It looked like me to be J. T. P.

Ella, what was the little speech you made in English over having to stay in?

Adelle was so thrilled Tuesday at noon. Adelle, it wasn't because you rode in a new Ford, was it?

An Air Mail Special Delivery Letter was delivered to Doris Wednesday. Who was it from, Doris?

Effie, what's that tale about you and Barnhart? Come on, Effie, don't keep us in suspense.

Chunk was doing fine until Ella recovered.

Phillip, when did your dates start walking to meet you?

Tinsy, Johnnie and Chunk, when did you start a hiking club?

Stanley, who was your girl friend Sunday?

J. K., what were you doing about three miles out on the north road Saturday?

Irvin is really getting fixed up on his dancing. Irvin, you aren't planning to go to some big dance, are you?

Bill C., I am ashamed of you. You shouldn't tell girls such sweet things.

EDUCATION

What sculpture is to a block of marble, education is to the soul—Eddison, The Spectator.

Education has for its object the formation of character.—Herbert Spencer, "Social Education."

That's what education means—to be able to do what you've never done before.—George Herbert Palmer, "Life of Alice Freeman Palmer."

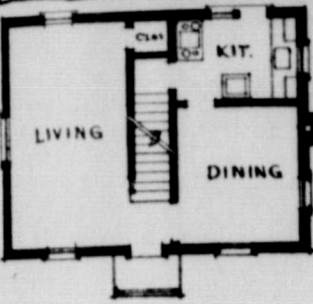

A highbrow is a person educated beyond his intelligence.—Brander Matthews, "Epigru."

It is only the ignorant who despise education.—Publius Syrus, "Sententiae."

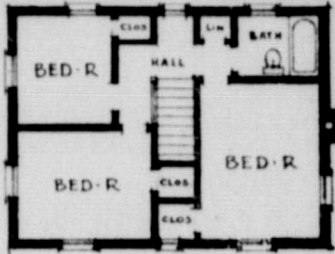

The roots of education are bitter, but the fruits are sweet.—Aristotle.

Better build school rooms for "the boy," than cells and gibbets for "the man."—Eliza Cooke, "A Song For the Ragged Schools."

Dignified In Appearance—Livable In Plan

This three-bedroom home of brick and frame construction, built in Washington, D. C., typifies what may be accomplished through the efforts of experienced architects and builders. Priced at \$5,990, the monthly payments of \$41.06 under the Federal Housing Administration's Insured Mortgage Plan are all-inclusive: reduction of principal, interest, taxes, mortgage insurance premium, hazard insurance, and water rents.

May Convert Porches Into Sun Parlors

Many homes being built today include one or more open wood-burning fireplaces. With such fireplaces, one precaution should be taken to reduce the fire hazard to an absolute minimum.

A wood fire builds up a strong draft and good-sized sparks, and pieces of burning paper will often be drawn up and discharged by the chimney. To prevent these from flying out and igniting the roof—or perhaps piles of leaves near the house, a screen should be placed over the top of the chimney.

The screen should be given an occasional cleaning in order to prevent clogging and reduction of the necessary draft in the chimney.

Wall may be built. A breakfast nook will reduce housework as well as wear and tear on the dining-room furniture.

To Brighten Dark Rooms

Because certain colors reflect more light than others, it is often possible to make a dark room

brighter by changing the color of wall and ceiling paint.

A survey recently completed by a large electrical company showed that to obtain the best light ceiling tints should have a reflection value of 85 per cent. To achieve this value the ceiling should be painted white or some color close to white. A 45 per cent reflection value should be supplied by the walls, requiring a color such as light blue, gray, tan, pink, or light

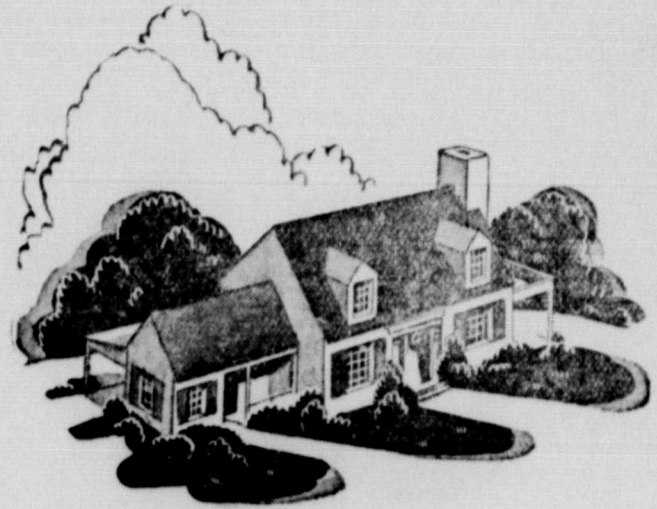

green. Lower walls should have a reflection value of 20 per cent, obtainable through use of dark green, dark blue or maroon.

Seldom-used side and rear porches, carry-overs from an era when numerous porches were prevailing architectural features, can be converted into sun parlors with comparatively little remodeling and expense.

A glassed-in sunroom, providing maximum sun and light, is frequently the most popular room in the house. Besides being a cheerful place in which to sit, a sunroom can be used for flowers and often is made into a Summer sleeping porch.

Functions of Insulation

The human body loses heat in two ways: To the air around it—by convection and conduction—and to the walls and objects around it—by radiation. Under ideal conditions, it loses more than half of its total heat production by radiation.

The most commonly used heat-losing systems—steam, hot water, and warm air—are designed only to warm the air and have little or no provision for warming the inside surfaces of the outer walls. As a result, these cold walls, even in a warmly heated house, frequently exercise a chilling effect on the occupants by disproportionately draining them of their body heat by radiation, just as a piece of ice drains the heat from a hand held near it.

One of the chief functions of insulation is to balance the bodily heat loss by slowing down this loss of radiated heat. When a typical house wall is filled with insulation the temperature of its inside surface is substantially raised. The thicker the insulation installed in the wall, the higher will its surface temperature become. When the wall-stud spaces are completely filled with insulation, the temperatures of both inside air and inside wall surface are approximately equal. Insulation thus promotes balanced bodily heat losses and results in more comfortable and more healthful interior environments.

ADEQUATE LIGHTING NEEDED IN HOME

In planning a new home or in modernizing an old one, considerable attention should be given to the problem of providing adequate lighting equipment so that this all-important factor in family health is not neglected.

The importance of choosing the best available fixtures and wall colors which readily and properly reflect light without glare is instantly evident. Painters, builders, and electricians combine to give their best efforts for satisfactory results.

Proper lighting in a home, authorities recognize, can do much

to ease eye-strain as well as to lessen the gloom of dark cheerless days.

BREAKFAST NOOK DESIRABLE FEATURE

It is frequently desirable, in houses which have full-sized dining rooms, to dedicate a corner for a breakfast nook, especially when there are junior members of the family.

The nook should have a built-in cabinet for breakfast dishes, children's silverware and dishes, and electric cooking equipment such as grill, percolator and waffle iron.

Riders From 26 Texas Towns In Pony Express Race To San Francisco

NOCONA, Feb. 22.—Twenty-six Texas towns have entered from one to a half dozen riders in the Nocona-Golden Gate Exposition Pony Express race starting here March 1 for San Francisco. Each rider will carry one of Uncle Sam's regulation mail pouches and stops will be made at each town along the route to take on mail carrying the regulation Pony Express stamp and regular U. S. Postage.

The route to be traveled by the riders will be over the Old Overland Mail Trail established in 1849 by Capt. R. B. Marcey, U. S. A., as a winter route to the gold fields of California. The Overland route entered Texas at the old Colbert Ferry on the Red river and led west from Gainesville to El Paso and thence on to Tuscon, Phoenix and Yuma to Los Angeles and up the Pacific coast to San Francisco.

According to rules for the race released by the Nocona Chamber of Commerce, each rider can have only two horses and must finish the race with the horses he started with. Relays of 25 miles will be ridden before a change of horses is permitted. The entrant is to furnish his own horses, his trailer or truck for transporting horse when not under saddle. Roving judges will patrol highway between contestants to insure fairness and no entries will be accepted after February 25.

CHAMPION LIAR FOR 1938

By telling the tallest story submitted to the Burlington Liars club during the year, Charles Boettcher, 27, won the 1938 championship and the right to wear a diamond studded gold badge.

His prize winning account was related at the club's annual meeting put on a national radio hook-up by the National Broadcasting company, and went as follows:

"We were fishing out in New Orleans. The boat ran out of coal. Thinking quickly, as usual, I had the crew put some dogfish in a spare tank. I had one man tickle the dogfish until they barked. Then we threw the bark into the boilers. It burned fine and got us back to shore."

The Rev. Mr. and Mrs. F. E. Dudley of Dallas are visiting relatives in Ozona. Mrs. Dudley has been ill with an attack of flu at the home of Mr. and Mrs. Morris Dudley since Monday.

Henpeck: "A room with beds, please."

Hotel Clerk: "But you are traveling alone, sir."

Henpeck: "Yes, it's just that I wish to enjoy the silence from other bed."

BE FAIR To Your Doctor!

Be fair to your physician. He is limited by natural laws, actions and reactions, and is not a performer of miracles.

When you take your ills to him in their early stages you enable him to do more for you than is the case when you go to him with similar trouble in an advanced stage.

Don't blame him if he can't quickly head off or control a trouble which you have long known to exist, but which you have held from him until you knew that medical attention was a necessity.

You can always make it safer for yourself and easier for your physician when you seek his advice as soon as trouble is known to exist.
