## PRESIDENT AND PARTY LEGISLATURE PASSES ARE NOW IN FRANCE

NUMEROUS DECORATIONS HUNG OUT IN WELCOME AT BREST BUT NO CEREMONIES.

### WARMLY RECEIVED AT DOCK

President Raises His Hat to Immense Crowd of American Soldiers Gathered at Brest.

Brest .- The steamer George Washington with President Wilson on board entered the harbor of Brest Thursday night, and the president and the party which came with him left for Paris immediately.

Though numerous decorations had been hung out to welcome the return of the president, his reception was entirely without ceremony. Those who went aboard the George Washington to extend their greetings were the French ambassador to the United States and Mme. Jusserand, M. Leygues, minister of marine, and several other representatives of the French government. Major General Eli A. Helmick and Brigadier General William Harts and Colonel House met the president at the dock.

The presidential party came ashore on an American tug and while on board Mrs. Wilson was presented with a bouquet by M. Leygues. There was a little flurry of mist during the trip from the steamer, but this lasted only a short time.

Immense crowds of American soldiers stationed at Brest endeavored laid over on motion of the author. to get a view of the president, and the moonlight afforded an excellent opportunity, aided by extra lights which had been installed for the occasion. The soldiers awaited the president eagerly and he raised his hat as he observed their anxiety. Mrs. Wilson followed the president smiling graciously as she proceeded along the walk betwen the Quay and the train.

#### Victory Loan Starts April 21.

Washington .- The Victory Liberty shall be barred, was finally passed. loan campaign will open April 21, and close three weeks later, May 10, Sec- give mortgages on automobiles notiretary Glass has announced the date fy the holders of the mortgage of joint resolution proposing a constitogether with the fact that short-term the location of the automobile and tutional amendment that will permit notes maturing in not over five years making those who fail to do this a division of profits of prisoners bewould be issued instead of longer guilty of a misdemeanor, was finally tween the state and relatives of men term bonds. # **TWO LABOR MEASURES**

HOUSE FAVORABLE TO MINMUM WAGE AND WOMAN'S DIVISION OF LABOR DEPARTMENT.

Senate

Austin, Texas .-- The senate has passed finally the joint resolution proposing an amendment to the constitution in accordance with the governor's recommendation providing the representative of employers on for a division of the net profits from the penitentiary farms among the convicts of their dependents. Submission of the proposition will be Nov. 4, 1919. The bill, providing for the incor-

poration of mutual insurance companies to write every form of insurance except life, was finally passed.

The joint resolution authorizing a county tax of 50c for school purposes was adopted. Submission will be Nov. 4, 1919.

The bill, providing that the Department of Agriculture be abolished and Its duties transferred to A. & M. col- ing county officials salaries instead lege, failed of passage by 10 to 13.

The joint resolution, providing the submission of an amendment in November, 1920, to permit cities of less than 5,000 inhabitants to increase to submit to the voters a constitutheir tax rate from 1/4 of 1 per cent tional amendment seeking to change to 11/2 per cent on the \$100 valuation, the length of the regular session of was adopted.

The joint resolution, providing for submission in November, 1920, of an amendment to exempt independent school districts from the limitations of a total tax of 50c on the hundred fo rany one year was considered and

Austin, Texas .- The senate has accorded final passage of the bill providing that lands under control of the Prison Commission and Juvenile Training school be leased to persons desiring to prospect for oil and gas. #### House Austin, Texas .- The two labor masures that have had much attention

this session have been finally passed in the house. One is known as the minimum wage bill, the other .s the bill known as the woman's division of the State Labor Department. Both came over from the senate.

The minimum wage bill provides for the industrial welfare commission. As amended in the house, it would form this commission by present state officials, the superintendent of education, the commissioner of labor and the industrial accident board.

The bill to give owners of lands bought from the state, titles to all hard and soft metals, was finally passed in the house. The measure nance Corporation and railroad adapplies to all minerals except oil, gas ministration, a special finance comcoal and petroleum products.

The senate bill limiting the expense of all candidates for public offices. Pacific was created by the railroad has passed to a third reading in the house.

The house and senate has adopted the free conference report on the joint resolution providing for submission of an amendment Nov. 4, 1919, for payof fees. The resolution gives the legislature the right to fix salaries from governor down.

A house joint resolution, proposing the legislature from 60 to 120 days has been introduced.

The house by a vote of 53 to 43, refused to pass to a third reading the be the issuance by the railroad adsenate bill validating titles to school ministration of government warrants and asylum lands sold in excess of the of the amount due on settlements of eight sections allowed to individual purchasers.

resolution the house has voted against general revenue bill proposed for funds at the next session but would the special session.

House joint resolution No. 13, proposing an amendment to the constitution, authorizing the issuance of its bankers, or in special cases with road bonds not to exceed \$75,000,000. has been signed by the governor. The amendment is to be submitted on Nov. 4, 1919.

Austin, Texas .- The house has adopted, by a vote of 119 to 3, the confined in the penitentiary. The

# PLANS ARE MADE FOR FINANCING RAILROADS

RAILROAD EXECUTIVES AND REPRESENTATIVES OF GOV-ERNMENT CONFER.

Washington. -- Railroad executives and government representatives have laid the foundation on which loans from banks and the War Finance Corporation will be made available to railroads during the next few months in lieu of the funds which congress failed to provide.

After conferences between a number of leading railway corporation officials and officials of the War Fimittee of seven, headed by Howard Elliott, president of the Northern executives to co-operate with government agencies as a clearing house or financial arrangements.

Swager Sherley of Louisville, who has just retired after serving sixteen years in the house of representatives, recently as chairman of the House Appropriations Committee, was appointed by Director General Hines as director of the railroad administration's division of finance, succeeding John S. Williams, resigned. On Mr. Sherley, who will take office April 15, will fall much of the work of administering the financial plans yet to be developed. An important feature of the financial arrangement to be made may

ration's financial agencies, facilitate the negotiation and ution of these loans. e plans were outlined by Di-General Hines and the rail-

officers and 278 men, comprising the dark and beautiful. and and quartered at Camp Stuart. days .- Adv. Also, there came a large number of

# Calomel Today! Sick Tomorrow! I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel makes you sick; you lose a | few cents under my personal guaranday's work. Calomel is quicksilver tee that it will clean your sluggish and it salivates; calomel injures your liver better than nasty calomel; it won't make you sick and you can eat liver.

If you are bilious, feel lazy, slug- anything you want without being salivated. Your druggist guarantees that gish and all knocked out, if your bowels are constipated and your head each spoonful will start your liver. clean your bowels and straighten you aches or stomach is sour, just take a spoonful of harmless Dodson's Liver up by morning or you get your money back. Children gladly take Dodson's Tone instead of using sickening, salivating calomel. Dodson's Liver Tone Liver Tone because it is pleasant tasting and doesn't gripe or cramp or is real liver medicine. You'll know it next morning because you will wake make them sick. up feeling fine, your liver will be work-I am selling millions of bottles of

ing, your headache and dizziness gone, Dodson's Liver Tone to people who your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of vigor and ambition. Your druggist or dealer sells you a my sound, reliable guarantee. Ask

No Posing for Josh.

"Your boy has proved a wonderfully stuff. Industrious chap." "Yes," replied Farmer Corntossel. "He never would let us have our own father had to learn it when he was a way. Now, that his mother would be boy.' perfectly willing to have him do nothin' but visit an' tell stories, he insists books home at night he can't answer on bein' out where the real work is any of the questions I ask him." goin' on."

SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens So Naturally that Nobody can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly

This is the age of youth. Grayartillery brigade of the haired, unattractive folks aren't the division; the 111th Wyein's Shound, so get busy with and Dimentificers of the 111th your dark, handsome hair and your on train, have arrived here, youthful appearance within a few

L. R. Emmett chinery, and owing to its peculiar running character it is especially suit-

upon having given the world, in the New Mexico, a "successful revolution able for main marine propulsion work in the propulsion of the biggest fighton battleships, and especially as this ing ships," adding: "As so often beefficient electric motor can be designed fore, American ingenuity and invenfor large powers, while its constru?tive skill now lead the world in the propelling of battleships." He seems tional details represent the very acme of simplicity." to have been unaware that in this case

the "ingenuity and inventive skiil" Halts Her Tendency to Race. originated in England. Otherwise, one A feature which the captain also noted, and laid much stress upon, was may be sure, he would have been the tirst to give credit where credit was the fact that it was impossible for this

At the same time it must be admitted that American enterprise and for sight to the possibilities of a really useful invention have opened the eyes of the naval authorities on this side, to the great and far-reaching importance of what, from insufficient investigation and wrong expert advice, they had *discarded*. The history of the evolution and per-

fection of what is known over here as the "Paragon" thermo-electric ship propulsion system, and, as is used in the New Mexico, the importance of whose successful trials, though announced by Mr. Daniels early last December, has just been discovered by the English press, is interesting.

America in War.

ence Advanced.

This Makes the Big Idea Plain. Although previous lectures on the subject were heard at the Franco-British exhibition in London as far back the merchant marine, it is just ten years ago, that William P. Durtnall, a prominent member of the Institute of Marine Engineers, London, now a staff captain in the technical side of the royal air force, stationed drive." in London, and the inventor and parentee in many countries of the "Paragon" system, interested a learned audience of naval and marine engineers

at Chatham by lecturing on the possirent electrical power transmission for main marine propulsion and speed regulation. He described how he had then got the "Paragon" system so complete that by a simple method an electrical speed reduction gear was formed and end they would be would at he service to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and end to the speed reduction gear was formed and speed it went.

# A Single Remedy Often Cures Many Diseases

BY VALENTINE MOTT, M. D. It is almost impossible to give a list of

the endless diseases that follow indigestion. Perhaps a whole column in this newspaper would be required to print them all. You eat to keep alive-to supply blood and flesh and bone and muscle and brain. It is easy to see that if your food is not di-gested and taken up by the delicate organs and distributed where it is needed, a disease of some sort is sure to come. Dyspepsia is a common symptom, and so are liver complaint, loss of flesh, nervousness, bad memory, dizziness, sleeplessness, no appetite. Many times, when neglected, indigestion results in coughs, throat diseases, catarrh, bronchitis and even more dangerous things. And all these disorders arise because the food is not properly digested in the stomach. It is plain even to a child that relief and cure are to be had only by setting up a healthy condition in the stomach. Dr. Pierce, of Buffalo, N. Y., many years ago combined a number of vegetable growths into a temperance remedy for indigestion, and called it Golden Medical Discovery. It is probably the most efficacious discovery ever made in medicine, for the list of people all over the world who have had their countless ills overcome by Dr. Pierce's Golden Medical Discovery makes an amazing total of thou-sands. because the food is not properly digested gands.

I know of no advice better than this: Begin a home treatment today with this good vegetable medicine. It will show you better than I can tell you what it will do. When taking Golden Medical Dis-covery, you can rest assured of one very important thing—it contains neither alco-hol nor opiates. There is nothing in it but standard roots and herbs that possess curative properties of a high order. A safe medicine is the only kind you can afford to take.

goes to the stock raiser; and that the prices of live stock and meat move up and down together.

The live-stock raiser points to rising costs of raising live stock.

Labor reminds us that higher wages must go hand in hand with the new cost of living.

No one, apparently, is responsible. No one, apparently, is benefited by higher prices and higher income.

We are all living on a highpriced scale. One trouble is, that the number of dollars has multiplied faster than the quantity of goods, so that each dollar buys less than formerly.

# Your Nose Knows

All smoking tobaccos use some flavoring. The Encyclopaedia Britannica says about the manufacture of smoking tobacco, "... on the Continent and in America certain 'sauces' are employed ... the use of the 'sauces' is to improve the flavour and burning qualities of the leaves."

Tuxedo uses chocolate-the purest, most wholesome and delicious of all flavorings! Everybody likes chocolate-we all know that chocolate added to anything as a flavoring always makes that thing still more enjoyable. That is why a dash of chocolate, added to the most carefully selected and properly aged burley tobacco, makes Tuxedo more enjoyable-

"Your Nose Knows"

Try This Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep-its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment-

"Your Nose Knows"

the honored president for several years, it has been definitely decided to unveil the statue Monday, April 21, which is San Jacinto Day.

Five thousand bales of cotton and 75,537 sacks of breadstuffs constituted the first cargo to depart from Galveston for the port of Antwerp, Belgium, since August, 1914. The cargo, together with 1,351 pieces of gum dunnage lumber, according to the ship's manifest, was carried by the Greystoke Castle, Captain A. G. Howe, which stood out to sea Friday.

That a vast field of operation has been mapped out for exploiting the resources of Texas, encouraging the location of important industries and reaching the markets of the world with Texas products with the organization of the Texas Chamber of Commerce, is the statement of James Z. George, who was elected general manager of the State organization at a recent meeting in Dallas.

Williamson county is making special efforts this year in the direction of growing high-grade cotton and breeding pure seed, and for increasing interest along this line clubs of boys under 15 are being formed throughout the country who are to experiment on three-acre plots of land. Government certified pure seed is to be furnished and the boys instructed in cultivating their crops by an expert cotton man.

The attorney general's department has just handed out a ruling to the effect that the fish in the waters of the state and the game in its forests belong to the people of the state in their sovereign capacity, who, through their representatives, the legislature, have sole control thereof, and may permit or prohibit their taking. The opinion holds that it is unlawful for any person in the state of Texas to take or destroy the nest or eggs of any wild bird, or have such nest or eggs in his or her possession, except English house sparrows, hawks, crows, buzzards, blackbirds, rice birds and owls.

Five good road projects in Harris county are receiving either state or federal air. The estimated cost of these projects is \$482,184.55. With state aid in road work amounting to \$79,087.16 and federal aid amounting to \$50,000, a grand total of \$129,087.16 is reached in the county. These figures represent only a part of the road work being done in Harris county, as there are many projects for which no aid, either state or federal, has been extended.

# Proof that Some Women do Avoid Operations

#### Mrs. Etta Dorion, of Ogdensburg, Wis., says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

#### How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could

I would have to go through an operation before I could 'get well. "My mother, who had been helped by Lydia E. Pink-ham's Vegetable Compound, advised me to try it be-fore submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vege-table Compound a trial and it will do as much for them."-Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.
