County Crop Damage Caused By Cold Weather

Undefeated Mules, Wildcats Draw Blanks

Vegetables, Soybeans Suffer Large Extent

Cold temperatures caused by a Canadian high pressure system, dealt farmers and crops in the South Plains area an unexpected blow on Wednesday morning when early morning temperatures in the Muleshoe area dipped to 28 degrees. Reports from Hereford, Friona and Dimmitt showed the lows in those areas to have been about 24 degrees.

First assessments indicated that the cold had not stayed long enough to cause any crop damage; however, later assessments by Bailey County Extension Agent Spencer Tanksley indicated more damage than was originally thought. "It will take a few days, yet, to fully make a survey of the damages and for them all to show up," Tanksley pointed out. Reports from farmers in the area indicated that the losses were heavier, further north, towards the Lubbock area and on to the county line.

Tanksley said that his reports had shown the vegetable crops and soybeans to be the hardest hit in the county, but later checks showed that the damages were not as extensive as expected. "Probably 3/4 of the cotton, soybeans, grain sorghum and haygrazer that was late planted will be affected some, at least," the Agent pointed out.

In the areas of Bula, Maple and Needmore generally, the damage was not as heavy, nor as concentrated according to various farmers' reports. Needmore did have a heavier freeze damage than Bula and late planted crops again were the targets there. In the Maple, Goodland areas, where crops had recently received rain, the damage was not as heavy. Cotton in that area is already opening, but some bolls in the top of the plant will be lost to the cold.

West of Muleshoe, corn is approaching the harvest stage, and the agent did not anticipate any heavy losses in that area, since the moisture content was

lou squad, 118. Punting was good for the Mules, as Hamilton seemed to be in fine form, however, the Idalou kicker had a little bad luck on several kicks.

The Mules took the opening kickoff of the game and moved the ball well from about the 15 yard line to the 45, but had to give it up there as Hamilton put a bare foot into it for 35 yards. The Mules had a good drive going at that point, but it seemed to stall out and the 'Cats took over. The Mules also drew a 15 yard penalty here, setting them back even more for an interference call.

The 'Cats drive did not last very long, although they were able to move to

Defense was the name of the game on Friday night in Idalou as the Muleshoe Mules and the Idalou Wildcats, both ranked about the same in their respective districts, went up against each other drawing blanks on both sides. The game was played in Idalou, but that did not seem to give the 'Cats any undue advantages. The final score was 0-0.

First downs were held to minimums throughout the game by two tough defensive units. The Mules had a total of eight first downs - the 'Cats a total of six when the final horn blew on the game.

The game was played pretty much in the trenches, with passing yardage for the Mules being held to only four yards; and for the Wildcats, 30 yards. Rushing yardage was also down, as is the case many times in a defensive game such as this, with the Mules showing a total of 132 yards passing and the Idalou

Math Program Based On Mastery Learning

The Muleshoe math program in grades K-6 is based on the philosophy of mastery learning, which allows each student to receive instruction on his level of learning and progress up the continuum of skills at his own pace, according to Mrs. Elizabeth Watson, Curriculum Director.

At the beginning of the 1983 school year all students were reviewed in the previous year's math concepts. Then a pretest was given to determine each student's progress. Instruction is begun at this point; then, as a student masters a concept, he or she is allowed to advance to new skills at his own pace.

Students are grouped with other students who need the same skills, regardless of grade level. When the teacher feels the students have received adequate instruction in the skill, he or she administers a post-test.

Elizabeth Watson reports that some changes have been made in the program this year that hopefully will improve the overall results.

Local Schools Dismiss

Early Monday For Fair

Students from Muleshoe Schools will be dismissed at 2 p.m. on Monday, September 26 to attend the Panhandle South Plains Fair. Students who bring notes from home will be dismissed the entire day for attendance at the fair, as has been the practice in prior years, according to Superintendent John Fuller.

Approximately 175,000 area students, teachers and other school personnel will be special guests at the 66th annual event, which begins an eight-day run in Lubbock Monday.

Directors of the non-profit fair association annually "invite" the students and teachers to the fair and free gate admission passes currently are being distributed throughout the region as the 1983 exposition draws near.

Students from across the

South Plains and eastern New Mexico will be admitted free with the passes on Sept. 26, which has been designated area school day, which also features the parade.

Con't Page 6, Col. 5

Local Teachers

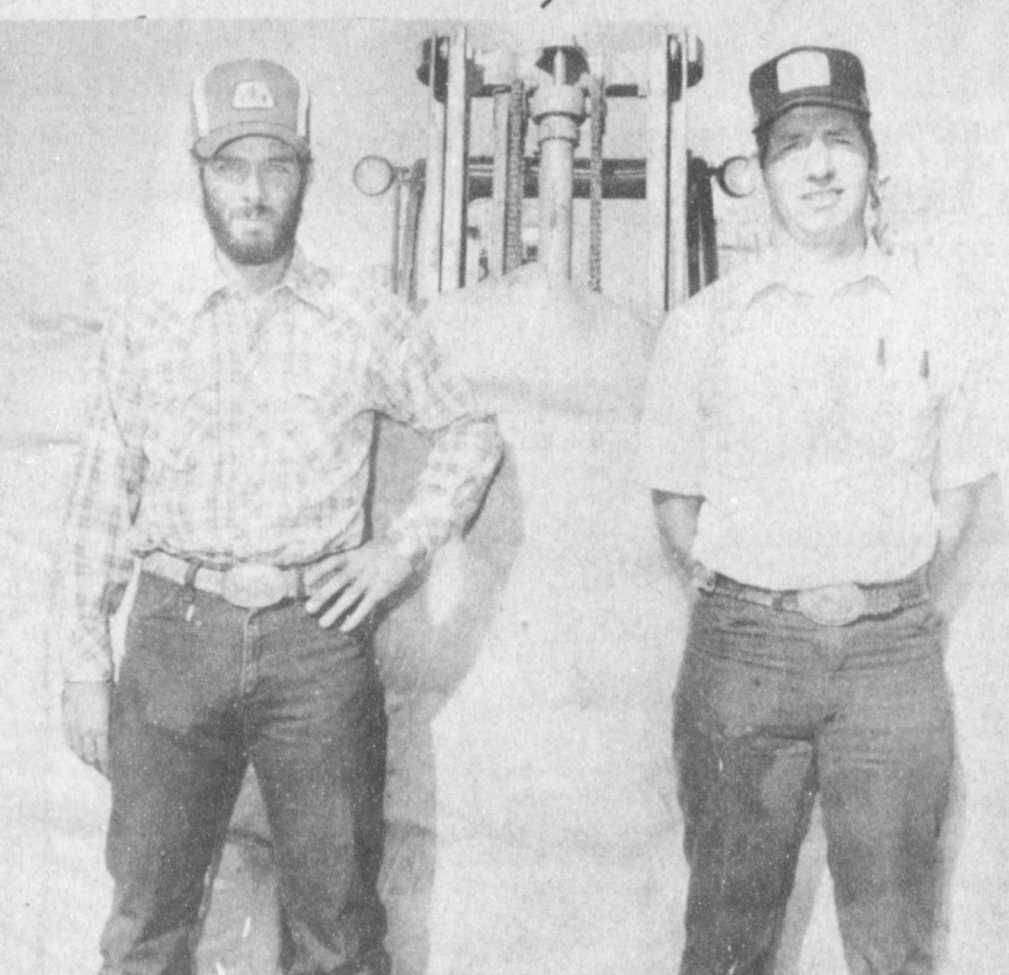

Attend TAIR

Meet

Four Muleshoe teachers made presentations at the Texas Association for the Improvement of Reading Conference in Lubbock on Friday, September 16.

Barbara Finney, third grade teacher; Beth Skipworth, fifth grade teacher; Alice Liles, seventh grade reading teacher and Pat Blace, high school English teacher, gave tips on how

Con't Page 6, Col. 4

COUNTY'S FIRST BALE OF COTTON GINNED...Mark Lowe, who farms in the Maple Community was the producer for Bailey County's first bale of cotton for 1983. Lowe planted the cotton (Pioneer PR-80) in early May on dryland acreage and only received about 2 inches of rain during the year. According to Lowe, it took about 2 acres of cotton to make the 500 pound bale, which was ginned Thursday at the Maple Co-op Gin. The bale reflected a 22.6 percent turnout. Lowe (left) and Gin Manager Marvin McCaul are shown with the cotton just ginned.

MHS Cross Country Teams Beginning '83 Season Meets

Coach Jerry Johnson couldn't be more pleased with his 1983 crop of cross country runners and an added attraction this year is the 18 young ladies who are out for this event. This is a real good increase over the cross country girls last year.

Those in the know will remember that Muleshoe's 1982 Cross Country Team are defending State Champs and really rode

high during the 1982 season. In 1983, Johnson is privileged to have the entire state championship team back in competition. Those state champions were Tony Luna, Aldo Almanza, Tony Rojas and Ronnie Logsdon.

This year there are three boys on the varsity squad besides the four from last year. They are David Medlin (a freshman), Alan Beasley, a returning runner

from the 82 season and Danny Sanchez.

The Cross Country teams entered their first meet on Saturday, September 10 at Levelland, including varsity and junior varsity. Coach Johnson stated that out of 14 teams in the event, which was open to all schools, Muleshoe came out 4th overall in the Men's division, and first in District 3A schools. Veteran Tony Luna finished 7th out of approximately 140 runners. Aldo Almanza finished 20th, Tony Rojas finished 23rd, David Medlin - 37th; Alan Beasley - 62nd. Ronnie Logsdon has

'83 Homecoming Plans Gather Momentum

It has been announced that the coronation of the 1983 Homecoming Queen will be held at 7:40 p.m. on Friday, September 30, prior to the Muleshoe-Morton football game. The activities will take place on the field at Benny Douglass Stadium. Regular game time is at 8 p.m.

Candidates for homecoming queen this year are all seniors and will be escorted by members of the Muleshoe Varsity Mules.

The candidates are: Sherri Bessire, daughter of Mr. and Mrs. Travis Bess-

ire, escorted by Jeff Hamilton; Denna Burris, daughter of Mr. and Mrs. Jackey Burris, escorted by John Isaac; Tonda Gunstream, daughter of Mr. and Mrs. Tommy Gunstream, escorted by Trent Hysinger and K.K. Flowers, daughter of Mr. and Mrs. Charles Flowers, escorted by Darin Shaw.

A big bonfire and pep rally has been scheduled for Thursday, September 29 from 8 to 9 p.m. at the Boy Scout Grounds and all city

Con't Page 6, Col. 3

September Brings Quieter Days For Local Law

Local law enforcement agencies continue to have a little quieter times over the past few days, with not quite so many violations and incidents.

On September 18 Cameron Lee Hawkins was arrested on an FTA warrant for alleged failure to leave information at the scene of an accident on July 15. Hawkins paid a fine of \$100 and was released by local police.

Muleshoe PD officers arrested Henry Leon Barbour

on September 12 for alleged DWI after he was stopped on N. Highway 214. The police had been searching for the driver of an apparent hit and run earlier in the day when the Barbour vehicle was spotted. After stopping, Barbour was unable to perform sobriety tests and was taken to the Sheriff's office where he was booked pending bond. His vehicle was impounded.

Lee Dunbar of Lee's Western Wear reported an

attempted burglary to local police on September 10. Intruders had removed screws from metal siding of the building and then apparently tried to kick the

Con't Page 6, Col. 1

Eagles Come From Behind To Take Win

Coach Brent Fountain of Three Way took his Eagles to Midland Christian School to play football, and they did a fair imitation of the Dallas Cowboys while they were there.

Playing in a hurry to get the game in before night as Midland Christian football field has no lights, three Way came from a 19-18 halftime deficit to win the game.

Steve Roberts scored all three of the Three Way's TD's in the first half as he scored on a 40 yard scamper with the PAT failing; a

1-yard plunge, again with the PAT failing and a 5-yard ramble, again with the PAT failing.

But, in the third, Three Way came to life with an additional three times to find paydirt in the end zone.

In the third, it was a Stegall outing as Brett Stegall lofted three TD passes to Brad Stegall.

It was Brett-in-Brad for 25 yards, seven yards and six yards. The PAT failed on two of the touchdowns, but Steve Roberts ran the

Con't Page 6, Col. 1

Around Muleshoe

The Muleshoe Fine Arts Boosters will have an Executive Board meeting Monday, September 26th at 7:30 p.m. at the Muleshoe State Bank. There will not be a general meeting because September 26th is also "Fair Day" for the Muleshoe Schools.

Homecoming coronation will be held at 7:40 p.m. on Friday, September 30 at Benny Douglass Stadium, just prior to the Muleshoe Mule-Morton Indian football game.

Instead of a wedding shower, friends of Larry Winkler and Paula Perry are planning a "money tree" for the couple. Anyone wishing to participate in this may do so at the reception on October 1 or by contacting Shirley at the Journal.

Mini-Mule T-shirts will be available in Muleshoe beginning September 6, according to Shirley Hicks and Toni Eagle.

The cost is \$6.50 each and they will be available from Mrs. Hicks at Dillman Primary School or Mrs. Eagle at DeShazo Elementary School.

Con't Page 6, Col. 4

Local Man Named VP At Odessa Bank

Chairman of the Board, Jesse Combs is pleased to announce the recent promotion of Ross McKillip to Vice-President Commercial Lending in the Permian Bank at Odessa, Texas.

McKillip is a native of Muleshoe, Texas and a graduate of Muleshoe High School. He received his BBA in Business from Lubbock Christian College in 1978. His banking background includes five years of experience in the areas of Operations and Commercial Lending.

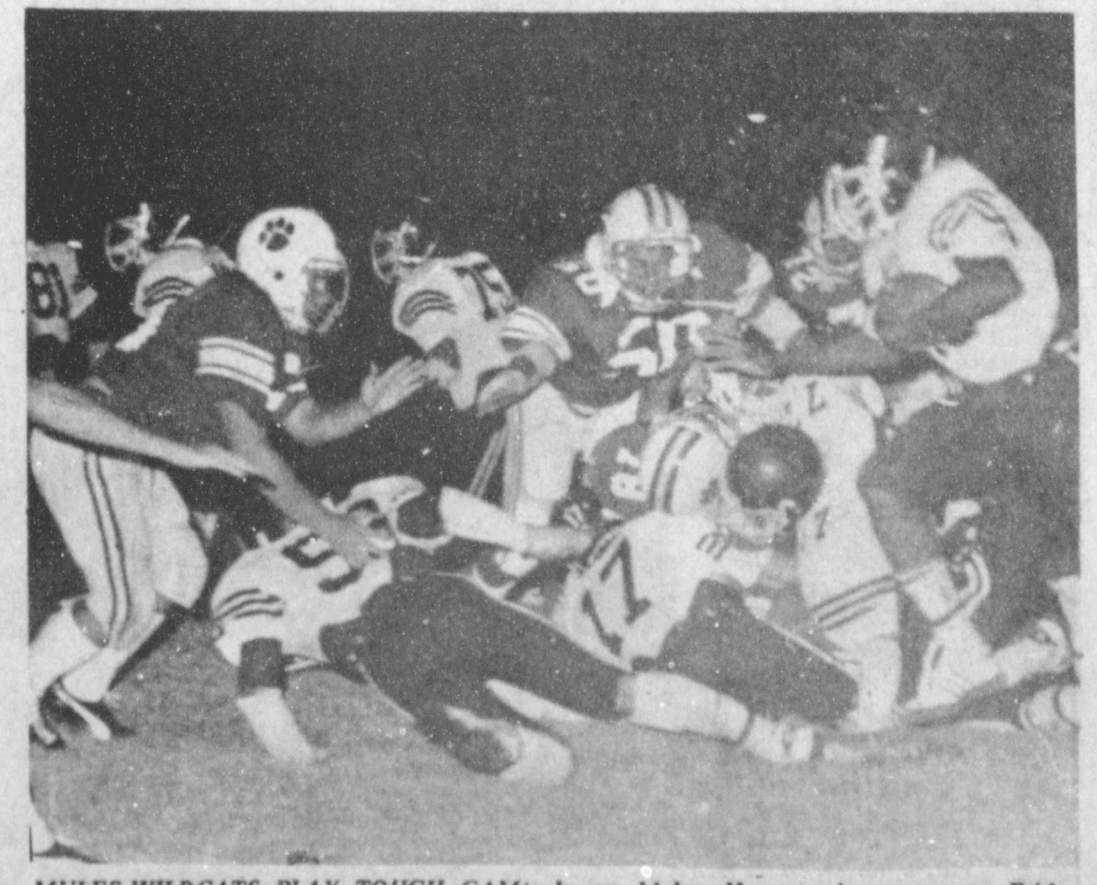

Active politically and civically, McKillip is currently serving on the steering committee to elect Kent Hance, Odessa Day Nursery Board and is an active member of East Side Rotary and Odessa Chamber of Commerce.

McKillip and his wife, Robin, reside in Odessa. His hobbies include skiing.

Con't Page 6, Col. 8

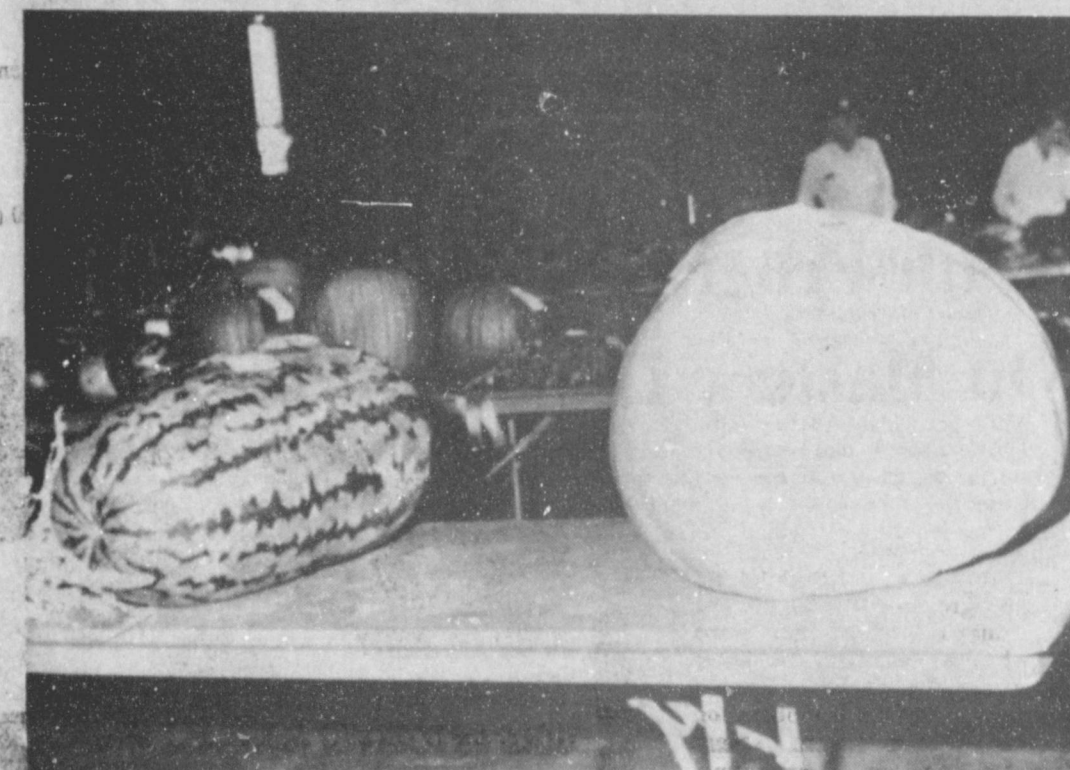

RIBBON CUTTING...A ribbon-cutting ceremony was held on Tuesday September 27 at Lambert Cleaners for Jim Ella and Tyrone Clemmons, recent new owners of the cleaners. Many Chamber officials and members were on hand for the occasion. Robert Montgomery did the honors in the absence of Mayor Charles Bratcher.

MULES-WILDCATS PLAY TOUGH GAME--In an Idalou Homecoming game on Friday night, both the Muleshoe Mules (3-0) and the Wildcats (3-0) battled it out on the ground, with each team holding the other to a scoreless game. Mark Moton, Mule tailback makes a few yards here. When the final whistle blew, the score stood just as it did when it started - 0 to 0. Mule defense held the Cat's off the scoreboard and looked good.

SEPTEMBER BIRTHDAYS...Six residents of the Muleshoe Nursing Home celebrated their birthdays with a "Birthday Party" Thursday afternoon, hosted by the Needmore Community Club. Decorators Floral and Gift provided corsages for the ladies and boutonnières for the gentlemen. Mrs. J.C. Shanks, pianist, accompanied the club members as they sang Happy Birthday. Seated (L-R) Adell Beaty, born 9-18-1903; Ernest Kerr, 9-18-1914; and Harry Freeman, 9-1-1893; Standing, O.Z. Franks, 9-29-1920; Not pictured: Annie Brown, 9-2-1898; and Orpha Bartley, 9-21-1901.

PRIZE WINNING ENTRIES...This 98 pound watermelon and large pumpkin both received best of show rosettes in their individual categories at the Bailey County Fair which began on Thursday, September 22 and will run through September 24. Other entries and information on winners of each category will be announced in the Thursday, October 6 Journal.

Good News Department

A Break For Homeowners And Motorists

To help fight inflation and assure a more adequate supply of oil, many legislators are now pushing for laws to increase the development of American oil and gas assets.

Why must America depend so heavily on foreign oil imports when its own lands are rich in energy resources?

And, why do we waver between a surplus and shortage of oil—sliding from time to time into serious energy crises?

The answer is simple: We, as a nation, too often have chosen not to produce or use the energy resources we have.

By conservative estimates, the United States has more crude oil and natural gas liquids still in the ground than have been produced to date—far more natural gas than we have consumed—and enough recoverable coal reserves to supply the country for hundreds of years. In addition, there's enough uranium concentrate to sustain the nuclear industry well into the 21st century.

Yet, we rely on foreign oil for about one-third of our needs. This dependency cost us an estimated \$90 billion in 1980.

To a large extent, the problem has been a lack of consistent and balanced federal energy policies, including policies relating to access and to use of government lands. Those lands include original public domain lands, lands acquired by the Federal Government from individuals or other private legal entities, and the Outer Continental Shelf (OCS).

We should preserve specific historic and scenic areas, such as our national parks.

But, during the past decade, access to other government lands has been curtailed sharply, either through limiting restrictions or, in many cases, outright denial of access for mineral exploration, development and production. Land "withdrawal" has reached alarming proportions and could seriously affect this nation's ability to increase energy production and to reduce its heavy and costly dependence on imported oil and other critical materials.

According to government estimates, two-thirds of all federal onshore lands are either totally or partially restricted to minerals ex-

ploration and development. Offshore, many of the areas believed to have oil and gas potential have never been opened to exploration and production.

The U.S. owns some 738 million acres of onshore land in this nation. That's more than one-third of the entire land mass of this country. The Federal Government also retains control over the sub-surface mineral rights to another 64 million acres.

Politics in schools and churches is politics at its worst.

Why is it that most people get so excited over nothing?

Modern children have a hard time bringing their parents up-to-date.

The test of friendship comes when the dollar intervenes.

Class Four Texas District Meet Held

Seven 9-11 year old gymnasts from Muleshoe School of Dance and Gymnastics (MDSG) competed in a Class 4 Meet in Pampa recently.

Four of the young gymnasts competed for their time on the four pieces of equipment, uneven bars, vault, floor exercise and balance beam.

Holley Morris, Erin Kelley, Heather Hibbard, D'Anne Box, Lashelle Scoggin and Angie King competed against seven other teams from West Texas.

Coaches and parents that accompanied the gymnasts were: Coach Bob Cowley and his wife, Debbie; Ricki and Danny Kelley and Sheri Hawkins.

The gymnasts will compete again in Abilene on Saturday, Oct. 1.

Enochs News By Mrs. J.D. Bayless

Mr. and Mrs. Buford Snitker returned home Friday after a visit with their son, Mr. and Mrs. Morris Peterson and family at Hillsboro, Texas.

John Autry of Falcon Lake came Monday and visited his parents, Mr. and Mrs. Edd Autry and his children, Machele, Kim and Russell.

The Three Way Extension Club will meet October 10th at 3:45 in the Home Ec. room at Three Way. Mrs. Linda Mullins will meet with them. The program will be how to make egg rolls and how to meet the needs of the women. All the women of our area are invited.

Douglas Cash of Ft. Worth visited in Enoch's with his sister, Mr. and Mrs. Jerry Thomas and a friend.

There were light showers to 2 1/2 inches of rain fell Monday afternoon and night, the wheat, also the Volunteer wheat is up.

Harold Layton and Robert of Dell City visited in the home of Mrs. Etta Layton the past week.

GYMNASTICS MEET...Seven gymnasts from Muleshoe School of Dance and Gymnastics attended a class 4 meet in Pampa recently. Those attending included: Front Row (L-R) Lashelle Scoggin and Angie King (Middle Row) Tiffany Angeley, D'Anne Box and Heather Hibbard (Back Row) Erin Kelley and Holley Morris.

NEW ARRIVALS

Ramey Leeann Dodd

Mr. and Mrs. Kenny Dodd of Melrose, N.M. are the proud parents of a daughter born at 5:27 a.m. Sept. 17 in West Plains Medical Center.

The young lady weighed seven pounds and three ounces and has been named Ramey Leeann. She has a sister, Jessica, 23 months old.

Grandparents are Mr. and Mrs. Loyd Leary and Mrs. Esther Dodd, all of Melrose, N.M.

Great grandparents are Mrs. Opal Frazier and Mr. and Mrs. John Vineyard of Melrose and Mr. and Mrs. David Kingman, Sr. of New York.

Thomas Scott Black

Mr. and Mrs. Nick Black are the proud parents of a son born at 9:15 a.m. Sept. 20. The young man weighed eight pounds three ounces and has been named

ed Thomas Scott. The couple have one other child, Patrick, 22 months old.

Grandparents are Mr. and Mrs. Barney Scheller of Lazbuddie and Elizabeth Black of Muleshoe.

Great grandfather is Albert Scheller of Dodd.

BIBLE VERSE

"I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day."

1. Who is the author of the above statement of faith?
2. To whom was he writing?
3. What was Timothy's occupation?
4. Where may this statement be found?

Answers to Bible Verse

1. Paul, the Apostle.
2. Timothy.
3. Timothy was a young preacher and companion of Paul on some of his missionary tours.
4. A part of II Timothy 1:12.

Xi Omicron Xi Cystic Fibrosis Chairman

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of the Xi Omicron Xi Chapter of Beta Sigma Phi as Chairman of its 1983 Campaign in Muleshoe.

The Campaign will be held to provide the community with information about cystic fibrosis, and to raise funds to support research, education, and care programs.

The No. 1 genetic killer in children, CF is difficult to diagnose and impossible to cure. Each day five babies are born with the tragic disease that will clog and choke their lungs and inhibit their digestive processes and their growth, the disease that will eventually take their lives as it takes the lives of three people each and every day.

For information about cystic fibrosis and how you can help in the fight to find a cure, you may contact Mrs. Vicki Black.

MR. AND MRS. LEE R. POOL

Real Cheese Tempts Breakfast Skippers

Most breakfast skippers give lack of time as their excuse for not eating. But how long does it really take? A quick breakfast

needs only minutes to eat. More than that amount of time can be spent in mid-morning blahs, a lack of energy or even scrounging around for either a doughnut or candy bar to replace the missing breakfast.

A lack of interest in conventional breakfast foods is another alibi offered by breakfast dodgers. This is where real cheese can come to the rescue because it's an instant, taste-tempting food. Consider the simplicity of a piece of sharp Cheddar or mild Brick cheese on a slice of freshly toasted, buttered bread, English muffin or bagel. Add to this a glass of orange juice plus milk or cocoa, and you've achieved a balanced meal.

Here are some more cheese quickies to try for

breakfast:

Place slices of Brick, Swiss or process American cheese on split, untoasted, English muffins. While you poach the eggs, let the cheese melt on muffins in the broiler. When cooked, the poached eggs are slipped on top of the cheesy muffins.

Scrambling eggs? Just before serving, sprinkle them with grated Parmesan cheese.

Spread waffles, French toast or pancakes with Cream Cheese or Neufchatel, then add a bit of honey for a real treat.

Having sausage patties for breakfast? Place each patty on a toasted bun and top with Mozzarella, Muenster, Cheddar, process American or Swiss Cheese. Let the cheese melt under the broiler, then cover with the other half of the toasted bun.

If you enjoy a hearty breakfast with old-fashioned, country-fried potatoes and eggs, sprinkle both with grated Cheddar or shredded Swiss or Edam cheese.

In Fashion

The smart shopper does not discard clothes of the past season when there are so many variations one can create with accessories.

Buying a new wardrobe each season doesn't necessarily mean one is the best dressed.

The ability to personalize one's wardrobe by adding the right belt, scarf and handbag takes thought and planning.

Some shops are offering early coat buyers a special discount.

This is an excellent opportunity for choice selections.

Leather coats, full length or short, continue their popularity. Cloth and all-weather coats come in many styles and colors.

Mr And Mrs Pool Celebrate Anniversary

The Lee R. Pools celebrated their 50th wedding anniversary with a six-week trip to scenic points of western United States and Canada.

The date was celebrated by a 45th anniversary party and a 50th anniversary conference call by their children, Mr. and Mrs. Roger Pool of Seminole, Rosemary Pool of Muleshoe, Mr. and Mrs. Buddy Pool of Awada, Colo., Mr. and Mrs. Andy Horne of Houston and Mr. and Mrs. Norman Bushkirk of Englewood, Colo.

While in the Denver area the Pools were entertained with an anniversary dinner at the Brokers, by their grandson, Mike Pool. Ten family members attended.

Former Muleshoe residents visited along the way were Rosemary and J.R. Harris of Rock Springs, Wyoming, Janet and Don Peel of Polson, Montana and Dr. Lawrence Green of Nampa, Idaho.

Some of the points of interest visited were: Yellowstone Park, Glacier National Park, Banff and

Lake Louise Alherta, Vancouver, Victoria, British Columbia, Bryce Canyon, Zion National Park and Grand Canyon.

A high point of the trip for Pool was salmon fishing out of Depoe Bay, Oregon with Mrs. Pool's brother, Carl Hammock, formerly of Sudan.

Pool and the former Jewel Hammock of Sudan were married September 23, 1933.

WOTS Weekly Meeting

Millie Mitchell and Cyndee Fox were the hostesses for the Thursday, Sept. 22 luncheon at Summit Savings and Loan.

It was reported that Theresa Fodd has twin girls born on Sept. 20, weighting in at five pounds 13 ounces and six pounds four ounces. Others hospitalized include: Del Aycock is in the Clovis Hospital and Pat Cummins is hospitalized in Amherst.

Those vacationing include: Kay Madry vacationing in Colorado and New Mexico, Betty Moore in California and Fay Wellborn in Colorado City.

Birthday cards were sent to Marv Smith and Lydia Wright.

Members present were: Cyndee Fox of Clovis, N.M., Millie Mitchell, Lois Martinec, Mildred Williams, Nora Flannery, Adelia Jones and Betty Barker. Guests present were: Pat Brand of Billings, Okla., Billy Harvey, Loretta Lloyd, Linda Weaver and Kristy Phelps.

On Sept. 29 the group will eat at the Pizza Hut. Hostesses for the Oct. 6 luncheon will be Adelia Jones and Kay Madry.

For more information on WOTS you may call either Mildred Williams at 272-5260 or Lois Martinec at 272-3019.

NOTES--- COMMENTS

The wages of sin have been reduced very little.

Wisdom is the art of proportion.

Memory works wonders with the truth.

This is the time of the year for hunters to be careful.

Crooked people are quick to suspect other individuals.

Life would be more enjoyable if you tried to enjoy it.

MARRIAGE ANNOUNCED...Mr. and Mrs. Chalmer Davis are pleased to announce the marriage of their daughter, Patricia Elizabeth to William Michael Durben, son of Margaret Durben of Muleshoe and Mike Durben of Clovis, N.M. The couple was married by the Rev. B.C. Stonecipher in a home ceremony Wednesday, Aug. 17.

Alpha Zeta Pi Met Tuesday In King Home

The Alpha Zeta Phi chapter of Beta Sigma Phi held their annual Model meeting Tuesday, Sept. 13 in the home of Jan King. An evening meal of finger sandwiches, potato salad, fresh vegetables, tea and lemonade was served. Chocolate bar cookies were served as dessert.

Following the meal the new pledges were introduced to the process of the meeting. Debbi Hutto, president, called the meeting to order. Each officer and committee chairman gave their reports and a summary of their duties.

Program chairman, Alice Liles, discussed the programs and their presentation by the members. Peggy Pohlmeir, vice president and membership chairman, announced the couple's rush party and Pledge Rituals to be held the following week. Concluding the evening was a meeting of the new pledges with their chairman.

Attending the meeting were Annette Bonds, Betty Bush, Lyniece Goodnough, Dani Heathington, Debbi

Hutto, Jan King, Alice Liles, Paula McMeans, Peggy Pohlmeir, Khristi Phelps, Gina Smith, Rayniel Bamert, Debbie Cowley, Debbie Fred, Cyndi Goff, Gwyn Murray, Traci Matsler, Rhonda Myers, Barbara Young and Theresa Morris.

Sudan Booster Club Meeting Held

Some 35 Boosters gathered Monday night in the new cafeteria at Sudan to view the film of the Sudan-Springlake-Earth football game. It was commented on by Coach Duane Sexton.

A business meeting followed with a report on the progress of the signs. The financial report was given by the secretary. A letter from the Senior Citizens was read with a request for a donation toward their building on operating funds. No vote was taken.

Linda Locke won the football contest having guessed the most correct. A check for the next game tickets for two is given as a prize.

Refreshments were served by Ginger Damron and Waynette Fisher.

Progressive Home Club

The Progressive Homes Club met in the home of Naomi Black with four members present. Norene Thomas, vice president called the meeting to order with Vera Engelking acting secretary and calling the roll. Roll call was answered with house hold hints. Ms. Engelking read a poem entitled "The Great Prayer".

Lazbuddie FHA

Holds First

Meeting Of Year

The Lazbuddie FHA held their first meeting of the year Monday, Sept. 12 at which time money making ideas were discussed along with projects for the upcoming months.

New officers are: Becky Schacher, president; Rhonda Waddell, first vice president; Wendy Jarman, second vice president; Cheryl Holt, third vice president; Maureen Jesko, fourth vice president; Laura Brockman, secretary-treasurer; Anne Guy, historian; and Donna King, reporter.

The new chapter parents are: Mr. and Mrs. Gene Paul Jarman, parents of Wendy Jarman; Mr. and Mrs. Ronald Elliott, parents of Traci Elliott; and Mr. and Mrs. Jerry Engelking, parents of Chandra Engelking.

Todd Daniel is the FHA. Beau and Aaron Hargett is valet.

A total of 32 members are in the Lazbuddie FHA.

Minutes of the previous meeting were read and approved and a treasurers report was given. The Club voted to help "Save the Depot".

Ms. Black displayed canned goods she would show at the fair. She also displayed a family picture. Vera Engelking drew the hostess gift.

Refreshments were served by the hostess to Lucille Harper, Norene Thomas and Vera Engelking.

The club adjourned to meet Monday, Oct. 19 with a hostess to be named later.

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

AIR CONDITIONER

ADD-ON HEAT PUMP

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the

performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

NOW BUILD A BEAUTIFUL SET OF ANCHOR HOCKING GLASSWARE AT 30% OFF!

ONLY
69¢
Per Feature Item
With Each \$5.00 Purchase

30% SAVINGS OFF 99¢ REG. RETAIL PRICE!

Now you can build a beautiful collection of contemporary glassware through our convenient, low-cost plan. This magnificent crystal glassware is a reproduction of very expensive, hand-made crystal imported from Europe. Styled in every way for today's living, Wexford is sturdy enough for everyday use while providing traditional elegance for gracious entertaining. Its classic "Old World" styling will add a touch of warmth and charm to your home for years to come.

How Our Plan Works...

Each featured piece is available twice during the program at our special price. And there is no limit to the number of pieces you may purchase!

FEATURE-OF-THE-WEEK SCHEDULE:

ITEM	FEATURE WEEK	SPECIAL PRICE	REGULAR RETAIL
Iced Tea	First & Sixth Weeks	69¢ With each \$5.00 purchase	99¢
Stemmed Sherbet	Second & Seventh Weeks	69¢ With each \$5.00 purchase	99¢
Beverage Glass	Third & Eighth Weeks	69¢ With each \$5.00 purchase	99¢
Juice/Wine Glass	Fourth & Ninth Weeks	69¢ With each \$5.00 purchase	99¢
On-The-Rocks Glass	Fifth & Tenth Weeks	69¢ With each \$5.00 purchase	99¢

Start Your Set Today...

Since this same beautiful glassware sells in retail and department stores at much greater prices, our offer is a real value. Collect a service for eight, twelve or more, economically and conveniently. You'll take pride in serving your family and friends with lovely Wexford Glassware.

ball over for the PAT on the final TD of the game for the Eagles.

Three Way did not score in the fourth and the game ended at the 39-26 final score.

Going into district action next Friday night at home, the Three Way Eagles will host Whitehall. It will also be homecoming for Three Way and gametime is 7 p.m. for the 3-0 Eagles.

Three Way had 17 first downs to 13 for Midland Christian and the Eagles had a total of 346 yards for the game to 230 for Midland Christian.

The Eagles had a total of 222 yards rushing and 124 yards passing. Midland Christian had 218 yards in 41 carries and 1 pass for 11 yards.

Steve Roberts carried 17 times for 159 yards and three touchdowns; Albert Zapata carried nine times for 48 yards and Victor Hernandez carried the ball six times for 31 yards.

Brett Stegall connected on seven of 18 passes for his 124 yards. Brad Stegall had five for 78 yards and three touchdowns; Leo Rubalcava caught one for 13; Victor Hernandez had one catch for five yards; Steve Roberts was one for eight yards and Albert Zapata was one for 20 yards.

limits. Venegas was taken to the Sheriff's office where he was booked, pending bond.

On September 5, police arrested Hector Posadas for alleged public intoxication after he had come into the office looking for his wife. He became belligerent officers said and he was arrested, booked and jailed pending bond.

Jose L. Rochel was arrested on September 5 for charges of alleged Public intoxication and no driver's license. Rochel was a passenger in a vehicle which was stopped. He was transported to the SO and booked, pending bonds.

On September 5, Roberto Roble was arrested on charges of alleged public intoxication and no drivers license. Police stated that he was unsteady on his feet and was driving erratically. He was taken to the county jail and booked pending bond.

Also on September 5, Sergio Sigale reported the burglary of his residence. Intruders entered the home through a window. A 10 speed bike was taken valued at \$100 along with some keys. No arrests have been made in this case.

On September 6, Bennie Gomez was arrested for alleged driving with license suspended. He was taken to the County Sheriff's office, where he was booked pending bond. However, he was later released on a personal recognizance.

In the Bailey County Sheriff's office, a number of suspects were placed in county jail over the past week's time.

On September 10, Michael Phillips was arrested on a charge of alleged DWI. His bond was set at \$750 and has been met.

On September 11, Pedro E. Carnona, Jr. was arrested on charges of alleged DWI. He was later released after posting \$500 bond.

Henry L. Barbour was arrested on September 12 on charges of DWI. He was released following the posting of \$500 cash bond. On September 12, also, James Albert Smith was arrested for alleged DWI. He was fined \$250 plus court costs and assessed 30 days in jail

with a two year probation.

On September 16, Brian David Poorman was arrested for alleged public intoxication. He was released following the posting of \$106 cash bond.

On September 17, Barry John Dalfino was arrested for alleged public intoxication. He was released following the posting of \$106 cash bond. On September 16, Henry P. Hogben was arrested on alleged charges of DWI. He was released following the posting of \$750 bond. Delbert W. McKibben was arrested on September 17 on alleged DWI charges. He was released following the posting of \$750 bond.

had an injury and did not run in the Levelland meet, but is expected to see action again soon. Johnson says the teams are coming along well and a lot of potential is available this year.

Girls varsity squad finished seventh out of their division with the top runner being Juanita Garcia at 20th position. Teena Sizemore finished 23rd. Other

Homecoming...

Cont. From Page 1

zens and students are urged to attend. The Muleshoe Mules will be honored at the bonfire.

The homecoming pep rally will be held on Friday, September 30 at 2:50 p.m. in the High School Gym. All area business and townspeople are urged to turn out and support the Mules for their homecoming game.

On Friday night, prior to the game, DECA will host a pre-game supper serving German sausage, barbecue brisket, potato salad, beans and all the trimmings. Prices are \$4 for adults and \$2.50 for children 11 and under.

Mums are on sale at this time for Homecoming by the Junior Class and sales will continue through Monday, September 26. Several styles and price ranges are available. The mum sale is one of the major fund raisers for the class and proceeds are used to finance the annual junior-senior banquet in the spring.

Mules vs. Wildcats

Cont. From Page 1

the 7-yard line of the Mules. Just about that time Greg McCarty, 180 pound tackle for the Mules made a big hit on the 'Cats and knocking the ball loose for a Gleason recovery for the Mules.

The next couple of drives were back and forth for the two teams as they battled it out, mostly on the ground. Both teams played good defense and were so intent that not much ball-moving got done by either squad.

Offensively, the Mules

had some mental mistakes and missed assignments, keeping them from being able to move the ball as they have been doing all throughout the first part of this season. However, the Wildcats tough defense was a big factor, and the 'Cats were having just as tough a time as the Mules moving the ball.

The Mules were hitting hard and managed to knock loose and recover two fumbles from the Wildcats, while the 'Cats had one interception. With a little over two minutes remaining in the half, on a second down play, the 'Cat's #44, Lozano fumbled a ball after a super hit by Smiley Orozco leaving Hector Garcia to recover the fumble and give the ball to the Mules. The Mules held the ball to the end of the half.

Fair...

Cont. From Page 1

ade of bands in downtown Lubbock.

Lubbock students and teachers will be guest on Sept. 27-28, with half of the city's students getting out of school early on one day and the remainder the next.

Although the fair is open to all daily throughout the eight-day run, two other special days also have been set aside, according to Steve L. Lewis, general manager.

Senior citizens over 60 will be admitted free on Sept. 29 while Sept. 30 has been designated college and military day, with those persons being admitted free upon presentation of identification.

Plenty of free entertainment has been arranged for this year's exposition, Lewis said, along with seven stage shows booked for Fair Park Coliseum.

In addition, Gene Ledel will bring his million-dollar midway back for a return engagement, boasting many of the country's top rides. Money-saving ride coupon books also will be available at special booths set up around the midway area.

The show lineup includes: Mac Davis; Reba McEntire and the Maines Brothers; Larry Gatlin and the Gatlin Brothers; Ronnie Milsap; Conway Twitty; Mel Tillis and Rock band "Molly Hatchet."

Tickets may be obtained at Fair Park Coliseum box office, Luskey's Western Wear, Dunlaps or at Hemphill-Wells in South Plains Mall. Details regarding tickets may be obtained by calling 744-9557.

ON MONDAY, SEPTEMBER 26, 1983, SCHOOL WILL DISMISS AT 2 P.M. FOR STUDENTS TO ATTEND THE LUBBOCK FAIR. THOSE STUDENTS BRINGING NOTES FROM HOME WILL BE DISMISSED ALL DAY FOR ATTENDANCE AT THE FAIR AS WE HAVE DONE IN THE PAST.

A pattern alteration workshop has been scheduled for Thursday, September 29, from 2:00 to 4:00 p.m. at the 16th and Ave D. Church of Christ. This workshop is a repeat of the one conducted three years ago and will include basic pattern alterations on bodices, sleeves, skirts and pants.

There is no charge for the workshop, however, you must pre-register by calling the Extension Office at 272-4583.

John T. Montfor, Texas State Senator, will be the special guest speaker at the 15th Annual Membership Meeting and Banquet for the South Plains Association of Governments General Assembly on September 27, 1983 at the Lubbock Civic Center.

For reservations or further information call SPAG at 806-762-8721.

There will be an Athletic Club Booster Meeting on Tuesday, September 27 at 8 p.m. in the High School Cafeteria. All boosters and fans are urged to attend.

Reading...

Cont. From Page 1

to teach creative writing to students in the elementary and secondary classes.

Their topic was "Computing New Ideas for Creative Writing", and they presented for two sessions - 5:50 - 6:10 and 6:15 - 7:00 p.m.

Other Muleshoe teachers attending this conference were: Virginia Bowers, Pat Brewer, Tracy Ellis, Beulah Mimms, Jan Morris, Norma Prather, Lenda Trussell, Marquita Adamson, Charles Brewer, Wilma Smith, Twila Albertson, Ginger Caldwell, Jane Rudd, Aileen Siewert, Pat Watson and Elizabeth Watson.

Approximately 900 area teachers registered at the Civic Center.

Coming back into the second half, the Mules began driving again, but didn't get too far before they had to punt to the 'Cats. In this Cat drive, the Mules got loose against the quarterback and drilled him for a big loss with Garcia, Gleason, Orozco and Coleman setting up the action. The third quarter was pretty much like the first and second, with defense being the uppermost factor. With 3:48 left in the quarter, the Mules began a long drive where Hysinger, Moton and Norman picked up the yardage and got to the 28 yard line of the Cats. However, the Cat's held the Mules on a big fourth down play and then took possession.

Fourth quarter play was a repeat of the other three, as both teams scratched and fought for yardage. One of the biggest plays for the Cat's Friday night came about six minutes into the fourth quarter, when the quarterback, Jeff Rogers, kept the ball and scrambled 16 yards for a first down. Rogers was stopped with no fanfare in the next play by Thurman Coleman and the rest is history.

Each team had about one more possession before the game ended, but were unable to get the scoring runs. The Cat's #10, Randal Reid, split end, missed a big pass with 37 second remaining, which well could have been a scoring play, but the ball went right through his hands. Penalties were a big factor in the Idalou - Mule game, with the Mules get-

ting seven penalties for 45 yards and the Wildcats stacking up six for 84 yards. Almost the entire second half of the game was played in Idalou's end of the field. The Mules threatened time after time, but the Cat's quick defense and their tough linemen kept the Mules from scoring. The situation also worked in reverse too, with the Mules playing a top defensive game and holding the Wildcats to a minimum of almost every play.

Individual stats showed that Hysinger carried 14 times for 65 yards; Moton carried 18 times for 45 yards; and Norman carried 12 times for 36 yards.

Both teams retain their standing at 3-0, but now have one tie added on to the list. Idalou is ranked about the same spot in their district as the Mules, and a game with them is always a real ballgame. This was Homecoming for the Cats and they played with a purpose. The Journal was unable to talk with Coach Windy Williams about the game Friday night but will have his report in the Thursday Journal.

The Mules meet Morton, in Muleshoe, next Friday for Muleshoe Homecoming. Morton is ranked at the top of their District 6-2A with a 4-0 standing.

Math Program

Cont. From Page 1

vs. the traditional way of "teaching down the middle" or the "shotgun" approach to teaching," said the Director.

Each grade level has a chairman who helps coordinate the program and disseminate information to the teachers.

Students have been ability grouped as closely as scheduling allows in the 6th grade and the transition from 5th grade to 6th grade is not as abrupt as in the previous year.

It is hoped that better communication can be made between parents and the school relative to the math program. Parents are encouraged to ask questions and visit with teachers about the reporting of student's progress since it will be a checklist of skills instead of a regular report card, Mrs. Watson stated.

The Muleshoe Math Program is educationally sound and has the potential of meeting the needs of individual students more effectively than the traditional approach to teaching. Any new program has a few class management problems, but given time, they can be worked out.

Modification of materials and methods will be made each year to improve the program.

A&M researchers investigating highway hardware

COLLEGE STATION—As cars get smaller, the probability of driver injury in accidents will increase unless changes are made in highway hardware such as barriers and sign posts, warns a transportation researcher.

Dr. Donald L. Woods, a research engineer with the Texas Transportation Institute (TTI) headquartered at Texas A&M University, outlined the needed changes in a recent article for ITE Journal, a national transportation studies publication.

He said American automakers are "down-sizing" present maximum vehicle weights—from about 3,500 pounds in 1975 to just over 3,000 pounds by 1985, and to 2,500 pounds by 1990. By 1985, they are expected to introduce new two-passenger urban vehicles weighing only 1,000-1,500 pounds.

Woods said lower, narrower and lighter vehicles will be less stable than those on the road now. Potholes and changes in roadway section heights will be more serious problems for small cars.

"The bottom line is more fatal accidents with highway hardware unless we begin to immediately address these problems," Woods said.

McKillop...

Crop Damages

Con't From p.1

already down. "This cold should, in fact, speed up the harvest situation." Farmers in the area west of town indicated that as much damage was done to the corn by the north wind that came with the cold, as the cold in itself. Some later planted corn will sustain some damage, as ice and frost was found inside some of the plants.

Grain sorghum in the westerly portion of the county may be damaged - especially late planted crops. Sorghum which had not previously headed out will probably not head out at all this year. Farmers mentioned the possibility of grazing this type of damaged crops. According to the County Agent it takes about 2 to 3 hours for cell and vascular tissue damage to occur in these plants. It is estimated that the cold temperatures stayed in the area about three hours.

A check with local vegetable processors in the area indicated some heavy damage in some areas, but lighter in others. A spokesman for the Robert Ruiz Company told the Journal that some damage had occurred to their crops, but that it was really to early to tell the extent of the damage.

Michael Power of T.J. Power Company told the Journal that they were in the process of harvesting carrots, and that the cold snap would only improve the quality of the vegetable. "The cold slows the growth for a period of time and tends to sweeten the vegetable, making it much better," Power said. He also indicated that it was his understanding that the cucumber crops were gone due to the cold. Several producers in the county who grow vegetables reported in various ways: pumpkin fields were listed among the casualties, as were some green pepper fields. Lettuce crops in the Lazbuddie area were said not to be hurt.

Eugene Shaw, who farms on FM 1760 west of Mule-

shoe told the Journal that crops in that area were definitely hurt, but could not tell yet, just how badly. He attributed a lot of this to the crops being late planted behind hauled out June crops. Shaw indicated that the cold was likely enough to stop the growth of plants. "Some of the taller cotton still has a few green leaves, but the corn was hit." However, most corn in that area is just about ready for harvest. Soybeans maturation will be stopped due to the colder weather and vegetables in that area were generally killed by the cold. Shaw felt that a lot of maize land and hay grazer land would be eventually used for pasture, since it was not mature enough to have finished the growth stage.

Gin manager and farmer in the Pleasant Valley area, Ronnie Holt told the Journal Friday morning that cotton in that area was definitely hurt to some extent. "It usually takes a few more days to tell the extent, but a lot of cotton will not see anymore boll growth," he said. The damage will be reflected mostly in the grades of that cotton, although Holt also stated that yields would be cut back some. He also stated that soybeans in the Pleasant Valley area were heavily damaged. "They were not mature and I'm afraid they won't be, especially those planted about mid June after hauled-out cotton. He also indicated that pumpkins and peppers in the area were killed. "Corn is doing pretty good, although about 1/3 of it is downed by wind and other weather factors," Holt stated; and indicated that he expected about 75 percent of the corn in the area to be harvested despite the weather.

Feed grains in the PV area were damaged if they were late planted; but, if it was planted early and not downed by the wind and other factors, should respond favorably with a gradual warm-up.

Lazbuddie farmer, Jerry Don Glover reported to have observed a few green leaves in spots over the fields. However, Glover said, "there was more than just a little frost here - we had a pretty good little freeze."

Glover indicated that the freeze would lower yields to some extent on crops where growth was stopped. "This was as good as cotton crop as we've had in a long time, and an extra three weeks would have made it for use," he stated. Glover raises lettuce, and indicated that the crop was not heavily damaged so far as he could tell right now. "However, the market has gone from \$16 per case to almost nothing in the past couple of weeks."

Corn in the Lazbuddie area was described as being "O.K.," except for that damaged by the windstorms. The cold weather killed the leaves, but the corn was for all intents and purposes through the growth season. Most farmers who have corn in that area are now cutting and moisture content is checking out at about 18-24 percent. Yields are turning out good also, Glover pointed out. He said that most peppers and cucumbers were ruined and leaves were burned considerably on sugar beets.

Glover also stated that grain sorghum was damaged to some extent with a lot of leaves gone, and immature soybeans growth would stop. This will cause the maize to be a lot lighter in the heads, Glover said.

The Journal talked to Mrs. Bobby Free, who lives north of Tolk Station. The Free's have initiated a factory for dicing and packaging jalapeno peppers and were expecting to be able to harvest them two or three times this year, and had only harvested a few acres up to the time of the freezing temperature. However, Mrs. Free reported that the jalapenos were in fairly good shape and not heavily damaged. Plant officials indicate that there will be additional harvest of the peppers.

The U.S.D.A. had esti-

mated the cotton crop based on September 1 conditions, at 1,264,800 bales in the 25 county South Plains area, compared with a weather plagued 1,285,600 bales in 1982. Estimates now show an expected cut in production of about 250,000 bales of cotton.

Hydrogen fuel search takes another step forward at Texas A&M

COLLEGE STATION—The search for technology to make hydrogen fuel commercially competitive with other fuels has taken another step forward at Texas A&M University with the awarding of a \$150,000 grant from the National Science Foundation.

The support will allow continuation of hydrogen fuel studies being conducted by researchers working under internationally acclaimed electrochemist Dr. John Bockris. Under Bockris' leadership, the researchers are investigating a method to efficiently obtain hydrogen from ordinary water using solar power and a centuries-old technique called electrolysis to split water molecules.

Jennyslippers Parade, Feast Successful

The Women's Division of the Muleshoe Chamber of Commerce and Agriculture held their third annual Bicycle Parade and Watermelon Feast recently with approximately 54 entries in the parade. The number of children who joined the affair for the watermelon feast however, was considerably more, with about 100 kids present for the outing.

Watermelons for the event were furnished this year by Kem Bales and were transported to the park by Jack and Peggy Bates. Bob Sanders, Dee Clements and Sammy Gonzales also helped with the watermelon distribution, while scrap book photos were taken by Marsha Watkins.

Winners for the bike parade included Rosemary Quiroz for the "most unus-

Teacher Feature

There are many new faces here at Muleshoe Jr. High. We would like to welcome all of the sixth graders and all of the new teachers to Muleshoe Jr. High.

The students at Muleshoe Jr. High would like to take this opportunity to welcome Coach Donaldson to Muleshoe, Texas. Coach Donaldson is a former resident of Farwell, Texas. He is a graduate of Wayland Baptist University, where he majored in Business Management and Physical Education.

Coach Donaldson is married and has three children. When asked if there was any special reason he came to Muleshoe, Coach Donaldson commented "I feel that God opened the doors for me here at Muleshoe. I feel that it is my service to Christ to coach here at Muleshoe." He also said that his prediction is that the 8th Grade Mules will be tough to beat. He said, "We have the size, speed, depth and desire. I believe with hard work and enthusiasm we could go undefeated."

The annual staff is selling annuals for nine dollars through October 31 and they will go up to ten dollars on November 15. Everyone may pay five dollars down and the rest when the annuals get here in April. We will be taking pictures at school on September 20.

Everyone is back from their first day out of school, which was Labor Day, Sept. 5, and everyone seemed to have enjoyed it

very much.

Again we would like to welcome all of the sixth graders and all of the new teachers to Muleshoe Jr. High.

The students at Muleshoe Jr. High would like to take this opportunity to welcome Coach Donaldson to Muleshoe, Texas. Coach Donaldson is a former resident of Farwell, Texas. He is a graduate of Wayland Baptist University, where he majored in Business Management and Physical Education.

Coach Donaldson is married and has three children. When asked if there was any special rea-

son he came to Muleshoe, Coach Donaldson commented "I feel that God opened the doors for me here at Muleshoe. I feel that it is my service to Christ to coach here at Muleshoe." He also said that his prediction is that the 8th Grade Mules will be tough to beat. He said, "We have the size, speed, depth and desire. I believe with hard work and enthusiasm we could go undefeated."

this year. So now we say welcome to Muleshoe, Coach Donaldson.

**** This is the time of the year when the busiest men find time to attend a game of football.

**** An optimist is an individual who starts construction work, expecting to come out on the estimated cost.

SUPER HARVEST SPECIALS

September closeout specials on John Deere

40 Series tractors: finance charge waiver to March 1, '84, or up to \$1,850 in lieu of waiver

The supply of new John Deere 40 Series tractors is going, going, and will shortly be gone. So to get the new tractor power size you want at Super Special savings, act real soon.

Sticker prices on 40 Series tractors date from 1981, meaning big initial savings for you on a tractor that'll perform with higher-priced 1983 competitors. And you'll get our good deal to boot.

Here's more. During September, finance your new tractor with John Deere and you'll save \$100s or even \$1,000s. Because purchases made by September 30 are eligible for finance charge waiver to March 1, 1984. Or you can get a cash

rebate in lieu of waiver for the amount shown here.*

More yet. If you anticipate 1983 taxable income, buy your new 40 Series tractor now to take advantage of '83 Investment Tax Credit plus full-year depreciation to reduce your taxes. You'll shield income while greatly reducing actual cost of your new 40 Series.

Another option. Lease a new 40 Series tractor and lease payments will be discounted by an amount comparable to the finance charge waiver.* Use leasing to get modern power, plus tax advantages, even if your '83 taxable income is low.

September '83 Cash Rebate In Lieu of Waiver		September '83 Cash Rebate In Lieu of Waiver

Congratulations

Mark Lowe

For Producing The First Bale Of
Cotton In Bailey County In 1983 Ginned At
Maple Coop Gin

MAPLE CO-OP GIN CONGRATULATES MARK LOWE--For producing the first bale of cotton ginned at the Maple Co-op Gin in 1983. Pioneer Pr-80 seed was planted on the Lowe home place on dryland on May 9. The cotton received two inches of rain and was defoliated about two weeks ago. Lowe said it took about two acres to make the 500 pound bale, with a 22.6% turnout on the first bale. The cotton was gathered with a stripper. Shown with Lowe and his bale of cotton is Marvin McCaul, manager of the Maple Co-op Gin.

Sudan News

By Evelyn Ritchie

A FTA meeting will be held Tuesday morning before school to discuss the supper and other plans.

The Panhandle-South Plains Fair Parade will be held September 26. The High School Hornet Marching Band will participate in this.

The FTA will host a hamburger supper Friday night, prior to the Sudan-Nazareth game from 5:00-7:00 p.m. Cost is \$3.00 per ticket.

The Baptist Church hosted a fellowship for all youth following the Sudan-Farwell football game here Friday night.

A FHA meeting was held Wednesday.

Band practice was held Tuesday night. Pizza was served following the practice.

The Hornets will play their first District game here Friday night against Nazareth.

Booster Club was held Monday night.

"Marchers of the Week" for the Sudan-Springlake-Earth game were Kevin King and Linda Wiseman.

All SHS students are encouraged to help on Sunday afternoon to get wood for the upcoming Bonfire, October 6. Please come help!

Outstanding players of the Sudan-Springlake-Earth football game were James Clay who received the "Sting" award and outstanding Defensive player and Gordon Martin and Randall Damron tied for Outstanding Offensive Player.

The United Methodist Youth of Sudan elected new officers last Sunday evening.

Officers for the coming year are: Michelle Gaston, President; Sharla Harrison, Vice-President; Blake Lacey, Secretary; Gordon Martin, Treasurer; Teena Newman, Chaplin and Krista Kirkland, Reporter.

In an atmosphere of a "circus", the members of the T.E.L. Sunday school class held their September social in the Fellowship Hall of the FBC. The room was decorated with balloons and little animals throughout and Oleta Reese brought the devotional on "Noah's Ark".

Louise Parrish gave the Invocation before hot dogs and home made ice cream were served.

Ida Rene DeLoach Presided over the business meeting in which the socials for the new year were planned and set up.

Others attending were Rosie Snow, Thelma Vincent, Grace Patterson, Ruby Ingle, Wareena Roark, Marie Beckett, Alva Sturdivant, Ollie White, Alma Burnett and the hostesses, Hazel Savage and Rene Cole.

Visiting this week with

Mr. and Mrs. Hubert Dykes has been their son, Gene who is in the process of moving from Corvallis, Oregon to Ft. Walton Beach in Florida with the U.S. Air Force.

Mr. and Mrs. Noel Lumpkin of Alvin have been visiting with his sister, Mrs. Virginia Rone and other friends in Sudan. They also were here to meet her sisters, Gladys Long of Homeland, California and Trula Paul of Grand Junction, Colorado. They attended the school reunion during the weekend in Amherst, where the three had attended school.

Visiting during the weekend with Mr. and Mrs. George Collins were their children, Jerry Tittle and Fred Collins both of Levelland, Susie Howard and Johnny of Levelland, Mr. and Mrs. A.M. Johnson and Jerry of Bovina and a grand daughter, Mr. and Mrs. Mike Pruett of Calumet, Okla.

Mr. and Mrs. James Withrow, Mr. and Mrs. Wayne Swart, Mr. and Mrs. Pudd Wiseman, Linda and Cheri Ford, Mr. and Mrs. James Humphreys & Krystal were at Blue Haven, N.M. during the Labor Day holidays where they visited with Mr. and Mrs. Don Ham of Dalhart & formerly of Sudan, at their cabin.

Vicki Williams of Edinburg visited last week in Sudan with her parents, Mr. and Mrs. Jerry Ray and her sister, Mr. and Mrs. Roby Lynn and girls.

Among college students home during the weekend were Caprice & Kendall Johnson, Keenan Masten, Lisa Wood, Debbie Hill, Sandra Hill, Kay Lynn Whitten and Shanda Vernon.

Mr. and Mrs. Raymond Hanna of Ft. Worth visited recently with their son, Mr. and Mrs. Dale Hanna and other family members.

Mr. and Mrs. Charlie Lyle of Houston have been here visiting her parents, Mr. and Mrs. Calvin Vernon and grandparents, Mr. and Mrs. Russell Ingle and aunt, Mr. and Mrs. Jimmie Newman and girls.

Mr. and Mrs. John Ritchey and Johnathan of Plainview visited recently with her mother, Mrs. Hazel May.

Truman Parrish is a surgical patient in the St. Mary's Hospital.

Clyde Flowers has been a patient in the Methodist

Hospital this week.

Heather Harrison was honored Friday evening with a cook-out and slumber party at her home in honor of her 8th birthday. Smurfett was the theme carried out in the table cloth, and dishes and cake, which was served following the hamburger cook-out.

Attending were Tammie Bruggman, Brooke Baker, Christie Phillips, Kelli Baker, Missy Kuykendall, Pam Williams, Glenna Testerman, Justin and Amber Legg.

Mr. and Mrs. Harold Ingle and Mr. and Mrs. Corley Baker, Brian, Brooke and Breanne were in Tres Ritos during the Labor Day holidays.

The members of the Ruth Sunday School class of the FBC met Monday night at the church for a salad supper.

Attending were Jean Harvey, Billy Doty, Elsie Seymore, Sue Whiteaker, Libby Mudgett, Mary Harper, Ruth Baker, Frances Gardner, and Mutt Hanna.

Mrs. M.H. Tollett, Mrs. H.H. Potter and Mrs. Bob Drake were in Lubbock last week to attend the South Plains Genealogical meeting.

Mr. and Mrs. Bill Thornton and children of Friona visited during the Labor Day holidays with her parents, Mr. and Mrs. Tommy Seymore and other relatives.

Mrs. Castleman Services Held Saturday

Services for Connie Castleman, 83, of Amarillo were held at 11 a.m. Saturday, Sept. 24 at Martin Memorial United Methodist Church in Detroit, Texas with the Rev. Jefferson Davis, Jr., pastor, officiating.

Interment was in Bluff Cemetery in Detroit under the direction of Ellis Funeral Home of Muleshoe. Mrs. Castleman died at 9:23 a.m. Thursday at West Plains Medical Center in Muleshoe after a lengthy illness.

A native of Detroit, Texas, Mrs. Castleman moved to Amarillo 23 years ago from Paris, Texas. She was a licensed vocational nurse and worked in the intensive care ward of St. Anthony's Hospital in Amarillo for many years. She was a member of the Methodist Church and Senior Citizens of Amarillo.

Survivors include one daughter, Mrs. Herb Miller of Muleshoe; one sister, Madge Davidson of Paris, Texas; two brothers, Porter Norwood of Detroit and Albert Norwood of Verdon, Okla.; three grandchildren and three great grandchildren.

Pre-Schoolers Stutters - No Cause For Alarm

While parents should not be alarmed if their pre-schooler stutters, they should be concerned if that speech disfluency persists as the child gets ready to start school.

"Parents should be assured that 80 percent of all children between two and seven frequently stutter, but will outgrow it by adolescence," says Dr. Dolores Steglin, a family life education specialist with Texas A&M's Agricultural Extension Service.

In fact, many speech pathologists hesitate to intervene with young children because it might intensify a problem that will diminish with age, she notes.

But for children whose stuttering becomes more pronounced with age, early detection and treatment is best, says Steglin. Recent research shows that when children do not outgrow their stuttering, the problem often becomes chronic by the time they enter school.

The demands of school activities and classroom recitation then tend to in-

crease the child's stuttering and lead to feelings of failure or the inability to relate to others.

The symptoms of severe stuttering in a child such as the holding of one sound, repeating and prolonging syllables, and increased jaw or vocal tension and tremor of the lips while speaking require immediate intervention, states the home economist.

Immediate treatment is also important if a child seems aware that he or she is having trouble speaking, asks for help or seems frustrated.

According to Steglin, newer methods of intervention for stuttering actively involve the parents and include family counseling as well as speech therapy for the child.

Parents who are concerned about their child's stuttering may obtain information and assistance through their local school district (which may employ a speech pathologist), health department and the county Extension office, says the specialist.

in attendance: Robert Zoroma, Linda and Iseral Belez, Dalia Ponce and Rev. Mike Heady.

The Senior Citizens had a good group Monday for game night, there were 17 members, Mrs. Etta Layton, Mrs. Winnie Byars, Mrs. Bill Key, Mr. and Mrs. E.N. McCall, Mr. and Mrs. Stuff Jones, Mr. and Mrs. J.D. Bayless, Mr. and Mrs. Marvin Long, Mr. and Mrs. Clifford Snitker, Mr. and Mrs. Chester Petree, Mr. and Mrs. Bob Newton, There were 4 new members, Mr. and Mrs. Jim Claunch and Mr. and Mrs. John Latham. Refreshments of cookies, cake, chips, dips and snacks were served.

Mr. and Mrs. Chester Petree attended the funeral of his brother in law, Jimmy Pickett, 2:00 p.m., Wednesday at the Funeral Chapel in Midland.

A fellowship with home made ice cream, cookies and cake were served following church services Sunday night at the Baptist Church.

Fyie Services Pending In Oklahoma

Services for Arland J. Fyie, 69, are pending with Fish Funeral Home of Frederick, Okla. Fyie died at 6 a.m. Friday, Sept. 23 at his home.

Fyie was born June 11, 1914, in Frederick, Okla. and had lived in Muleshoe since 1969, moving here from Alamogordo, N.M. He

retired from Civil Service where he was a radar technician and a Baptist. He married Velta Maxine Robertson on Dec. 15, 1936, in Hobart, Okla.

Survivors include his wife; one daughter, Virgi-

nia Ann Linneer of El Paso; his mother, Mrs. Nola Fyie of Frederick, Okla.; and three grandchildren.

Duty is what one expects from others.

One of Alaska's glaciers, Malaspina, is larger than the state of Rhode Island.

Muleshoe Mules Generating Power, Mania

Around The Halls At M.H.S.

The Junior Class is selling mums for Homecoming. The deadline for purchasing mums is Monday the 26th at 4:00 p.m. Mums can be ordered from any junior, or by calling Mrs. Linda Marr at 272-3080.

The area schools' fair day at the Lubbock South Plains Fair is Monday, September 26th. Schools in Muleshoe will be dismissed at 2:00, but those students who brought a signed note by last Friday will be excused to go to the fair all day Monday.

This coming Thursday, September 29th is dress-up day. Everyone is urged to dress nicely to help spread spirit down the halls of MHS in preparation for the Mules' Homecoming battle with the Morton Indians.

FHA will be selling homemade donuts every Wednesday at two for 25 cents. The chapter is in the process of electing officers and those results will be announced later.

The Pep Squad sold black and white Pom Poms for \$1.00 each last Thursday at the JV and Freshman games, and last Friday during school. They also will be selling these pom poms before and at the homecoming game against Morton on September 30.

The MHS Student Council will be sponsoring their annual Ex-Students Tea on Friday, September 30th for homecoming. It will be held at 2:15 in the high school cafeteria and all ex-students are invited to stop by and visit, then attend the Pep Rally in the gym at 3:00.

DECA will be hosting the pre-game Bar BQ supper on September 30th from 5:30-8:00. Tickets are \$4.00 for adults and \$2.50 for children 11 years and under.

Wednesday, September 21st, the Future Teachers of American held a meeting and discussed plans about Powder Puff. The game will be held Monday October 3rd, at the Benny Douglass Stadium. Teams will meet next week to choose names and practice.

The coronation of the homecoming queen will be held in the stadium at 7:40 prior to the Muleshoe-Morton football game on September 30th.

Mighty "M"

Band Takes

A Stand

The Muleshoe "Mighty M" Band is fired up and ready to go! This year the band is excited about its new band director, Mr. Anthony Gibson, and returning assistant director, Martha Anthis. They have really taken an interest in the kids, and they have shown a great deal of enthusiasm. They want to make this the best band in the region. Last Friday night the Mighty "M" traveled with the Muleshoe Mules to Floydada. The band has worked hard and is looking forward to showing the people what the MIGHTY "M" really stands for!

K-K FLOWERS

DEENA BURRIS

SHERRI BESSIRE

'83 Homecoming Queen To Be Chosen Friday

The Mules have chosen the four candidates for the 1983 homecoming queen. They are all seniors and a part of the Varsity Cheerleading squad.

Head Cheerleader Sherri Bessire is one of the four hopefuls. Sherri is 17 years old and the daughter of Travis and Sue Bessire. Besides being a cheerleader, Sherri is the secretary of both the senior class and Fellowship of Christian Athletes, the treasurer of FTA, and District XVII FTA historian. She plays basketball, runs track, and is in 4-H and the National Honor Society. During the coronation ceremony, Sherri will be escorted by Mules' quarterback, Jeff Hamilton.

Tonda Gunstream, the 17 year old daughter of Tommy and Jeanine Gunstream, is another of the homecoming queen candidates. Tonda is a member of FTA, FCA, and the treasurer of HERO. Tonda commented that her nomination, "is a real honor and I'm glad I have the opportunity to be a part of it." Tonda will be escorted by Trent Hysinger, Mules fullback.

Seventeen year old Deena Burris, the daughter of Jackey and Linda Burris, was also nominated for homecoming queen. Deena is active in FCA, FTA, HERO, and the National Honor Society. John Isaac, quick tackle for the Mules, will be escorting Deena.

The fourth candidate for homecoming queen is K-K Flowers. K-K is 17 years old and the daughter of Charles and Sydna Flowers. She is an ambassador for the Chamber of Commerce, the FTA Parliamentarian, a member of FCA, and plays both bas-

ketball for Mulettes and tennis. K-K's escort will be Darin Shaw, Swingman for the Mules' offense.

The coronation of the 1983 homecoming queen will be in Benny Douglas Stadium at 7:40 Friday evening, prior to the Muleshoe-Morton football game.

FCA Views

Slides

The Fellowship of Christian Athletes met Monday, September 19th at 8:00 p.m. at K-K Flowers' home. Refreshments were served first, then the meeting was called to order. A slide and film presentation was shown of the National FCA Conference held at Estes Park, Colorado June 6 thru 10. Jeff Hamilton, Darin Shaw, Chris Hernandez, Hector Flores, Milton Norman and Mark Moton shared some of their experiences during the conference with the rest of the members. The next FCA meeting will be Monday, November 10, with the meeting place to be announced later.

MHS Ladies

Learn Art Of Self-Defense

On Tuesday, September 20th, Burt Sinclair from the Texas Department of Public Safety was in the auditorium and presented a program on self-defense to all of the girls and female faculty members at MHS. He held three forty-five minute sessions for the senior girls, the junior girls, and the sophomore and freshman girls, demonstrating various self-defense techniques and advising the women on some general precautions to take. A film was also shown.

Calendar Of Events

Monday September 26 - School dismisses at 2:00 for Lubbock South Plains Fair
Tuesday September 27 - Athletic Boosters 8:00 p.m.
Thursday September 29 - JV and Freshman Open Date
Dress Up Day at MHS
Friday September 30 - Varsity Football (Homecoming) Here * 8:00
DECA Pregame Supper 5:30-8:00
Saturday November 1 - Varsity and JV Boys and Girls Cross Country at Hereford

On Or Off?
Overheard at riding stables: I wanted to go one way, my horse wanted to go another, so he tossed me for it.
-Sentinel, Winston Salem.

The Mules have been improving with each game and should be a very tough contender for the district title this year. The Mules will begin district action beginning October 7th at Abernathy. The team is under the leadership of head coach Windy Williams, assistant Coach Kevin Wiseman, Scott Murray, Jerry Robinson, Jerry Johnson, Kent Hargis, Lonnie Scott and Roy Donaldson.

Several senior members have returned from last season. These include: Jeff Hamilton the 17 year old son of Kenny and Sharon Hamilton. Jeff is active in FTA as President for the local chapter and District XVII President, FCA Vice-President, and is also a senior class officer. He plays quarterback on offense and halfback on defense. Jeff commented, "The attitude of our team is great at this point. If we continue to improve each day we will definitely make the playoffs, but most important we are all having a wonderful time playing football."

Trent Hysinger is the 17 year old son of Mr. and Mrs. Jack Hysinger. He is active in FCA, FTA, and is Student Council President. Trent plays Fullback and Monster Linebacker. He remarked that fans will see, "Great blocking by the line with a lot of strength and quickness."

Darin Shaw is the 16 year old son of Eugene and Donna Shaw. He is active in FTA as a local and state officer, FCA President, and senior class officer. Darin commented, "Together we can make it to the playoffs. Seems everyone cares and works harder than ever. Our attitude has improved greatly." He plays Swingman on offense and Safety on Defense.

Jay Gleason is the 17 year old son of Mr. and Mrs. Jerry Gleason. He is involved in FCA, FTA, and is a senior class officer. Jay plays linebacker and guard. He commented, "The team is looking the best that it has since I have been playing at MHS, and we should get to the playoffs."

Cheyenne Bickel is the

son of Bennie and Helen Bickel. He is active in FTA, FCA, and FFA Vice-President. Cheyenne plays Center on offense and three technique on defense. Cheyenne commented, "We have the talent and coaching to go all the way."

Jim Holmes is the 18 year old son of Claude and Tanna Holmes. Jim plays strong tackle.

Hector Garcia plays tight end and defensive end for the Mules. He is the 17 year old son of Mr. and Mrs. Raul Garcia. Hector is involved in football and track.

Jason Scoggin is the 17 year old son of Kearney and Doris Scoggin. He is involved in FTA, Golf, and FCA. Jason plays monster linebacker and guard. He commented, "I believe that the team's spirit has come together and we will have a good year."

Chad Williams is the 17 year old son of Carter and LaJean Williams. He participates in FTA, FCA, football, speech, and the speech one act play. Chad plays defensive end and offensive guard. He commented, "Together we're going to the playoffs. We're one big team that has what it takes."

Milton Norman is the 18 year old son of Jim and Ella Wesse Norman. He plays wingback and line-

backer. Paul Silguero is the 18 year old son of Manuelita Silguero. He is active in football, tennis, and HECE. Paul plays wingback and halfback. Paul commented, "I think our team has a great chance to win District this year and I feel like the team has prepared hard this past summer in two-a-days to go even further than District because together we can."

Thurman Coleman is 18 years old and runs track for MHS. He is both an offensive and defensive lineman for the Mules.

Greg McCarty is the 17 year old son of Jack and Cindy McCarty. Greg is active in football, FCA, and FTA. Greg is new to the Mule lineup, coming here from Colorado.

Juniors Selling Mums For Homecoming Game

The Junior class is now selling homecoming mums and will continue selling them through Monday, September 26th at 4:00. There is a display in the front hall of MHS of the styles available and prices. The mums are \$15.00, \$18.50 and \$22.50 with several "add-on" available for the \$22.50 style. These "add-on" include checked and black and white braided streamers with a bell for \$3.00, and something new this year - a black feather backing for \$4.00. Every \$22.50 style mum includes the rabbits foot and "mule" shoe, good luck charms and an extra pom and bud. Mums can be purchased in white, yellow, or bronze from any junior class member or through Mrs. Linda Marr, the counselor at high school. Mum sales are the major money-making project for the junior class, with the money being used to finance the Jr.-Sr. banquet in May. Everyone is encouraged to help support the class and purchase a mum for the Mule's Homecoming.

The junior class officers for 1983-84 are: President, John Isaac; Vice-President, Kristi Campbell; Secretary/Treasurer, Lori Ellis;

Joe Ward, the 17 year old son of George and Kathleen Ward, is also new to the Mule team. He moved here from Farmington, New Mexico and is involved in both football and track. Joe plays fullback and defensive back for the team, and his impression of the Mules is that they, "are bound for state. The growing unity and quality coaching will take our team far."

The junior members of the Mules include: Todd Jones, the 16 year old son of James Roy and Theresa Jones. Todd plays swingman and halfback. He commented, "This year's team is bigger, better, and stronger. We are going to have a winning season."

Jerry Gleason is the 16 year old son of Mr. and Mrs. Jerry D. Gleason. He is active in 4-H, FTA, and FCA. He plays fullback and rover. Jerry commented, "I am real pleased with the way we have been playing and if we keep playing this way, we'll go to state."

Mark Moton is the 16 year old son of Miss Opal Moton. He is active in football, basketball, and track and field. He plays running back. Mark commented, "I think we could be a great team if we keep getting after it. We will have to keep the unity going."

Michael Del Toro is the 17 year old son of Roy and Gloria Del Toro. He is active in sports and art. He plays wing back and line backer and he commented, "I'm very proud of our

team this year."

Smiley Orozco is the 17 year old son of Jose and Annidna Orozco. He plays tailback and defensive end. Jeff McCarty is the 16 year old son of Jack and Cindy McCarty. He is active in football, FCA, and FTA. Jeff plays wingback, monster and linebacker. Jeff commented, "The team has the potential to have a very good season."

Chris Hernandez is the 17 year old son of Mr. and Mrs. Mickey Hernandez. Chris participates in Band, Athletics, FCA, and Student Council. He plays center and tackle. He commented, "Together we can" is our team motto! If we stick to our motto I think we can win district and go far in the playoffs. We just have to take it step by step."

Hector Flores is the 16 year old son of Hector Flores Sr. He is active in FCA, FTA, and Athletics. He plays linebacker. Hector commented, "I think we are really coming along. We have good leaders and I think we really have a great team."

Ray Vinson is the 16 year old son of Buria and Linda Vinson. He is FFA President and plays center and plunger on the football team. Ray commented, "We have one of the best teams that MHS has had in the past few years and with the coaching staff that we have this year, there's going to be no stopping the Mules!"

John Isaac is the 16 year old son of Mr. and Mrs. Charles Isaac. He is active in Student Council, FTA, and FCA. John plays quick tackle and defensive end. He commented, "We have the ability and the will to make it to the playoff. The only thing we must do is go out and prove it on the field."

Noe Mora is the 16 year old son of Audelia Mora. He plays tackle on both sides. Noe commented, "We have the potential of going all the way."

Rob Donaldson is the 17 year old son of Mr. and Mrs. Bob Donaldson. He is active in football, basketball, tennis, and is president of the Art Club. Rob plays tight end and defensive end. He commented, "I think that we will have a very successful year in all sports activities."

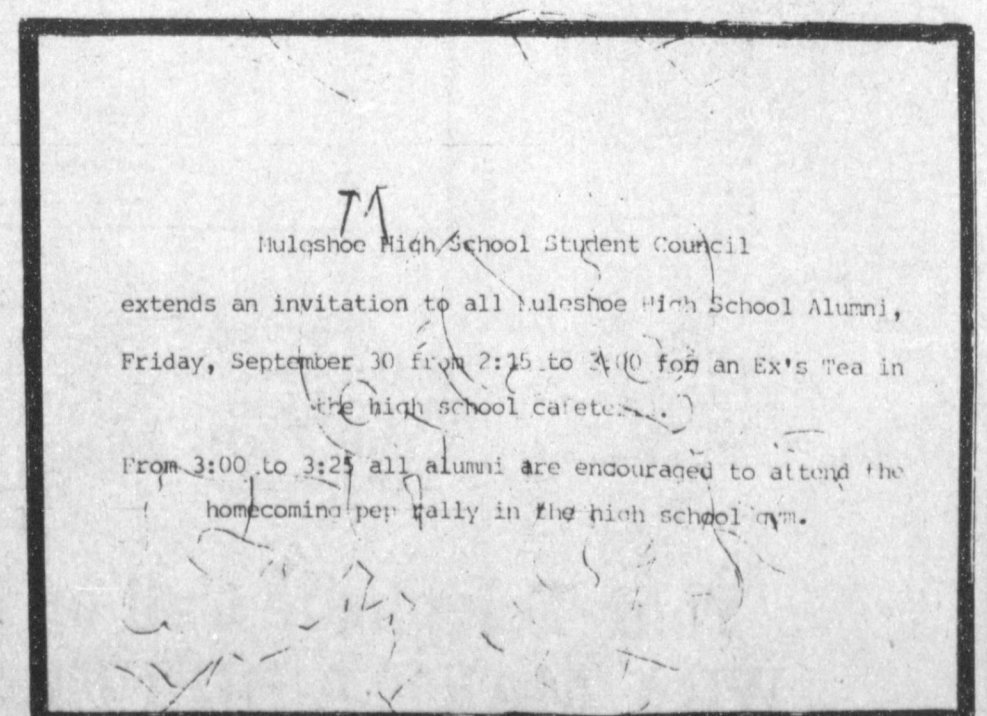

Muleshoe's homecoming is set for Friday, September 30th at 8:00 against the Morton Indians. All Mule fans are urged to come out for the game and catch the Mania!

"Together We Can!"

Coaches Comments

Coach Kevin Wiseman comments, "It was a great to beat a team rich in tradition like Floydada." He pointed out that, "Anytime you can win and win big like we did it is a lot of fun. The game against Floydada was a game of 2 completely different halves. It started out with the early lead for the Mules and then Floydada came back and regained their momentum. The Mules knew at halftime they could play much better and were determined to do so."

The result was evident," Coach Wiseman concluded with the statement that the Mules and the coaching staff really appreciate all the support that the school and community has shown and said, "Let's Keep It Together."

Muleshoe High School Student Council
extends an invitation to all Muleshoe High School Alumni,
Friday, September 30 from 7:15 to 8:40 for an Ex's Tea in
the high school cafeteria.
From 3:00 to 3:25 all alumni are encouraged to attend the
homecoming pep rally in the high school gym.

Texas A&M to host annual Career Day on campus Oct. 1

COLLEGE STATION— Texas A&M University will hold its annual Career Day Oct. 1, opening the campus to high school and two-year college students and their counselors, sponsors and families.

Career Day '83, which will be held from 10 a.m. to 3 p.m., gives potential students and their guests an opportunity to discover the many fields of study available at Texas A&M and the variety of career choices available to the university's graduates.

Career Day activities will be centered around the Memorial Student Center, where visitors will find exhibits and displays from all the academic colleges and support offices of the university. Faculty members and students will be available to discuss areas of interest. Many of the university's colleges (agriculture, architecture and environmental design, business administration, engineering, geosciences, liberal arts, medicine, science and veterinary medicine) will offer tours of their facilities during the day.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

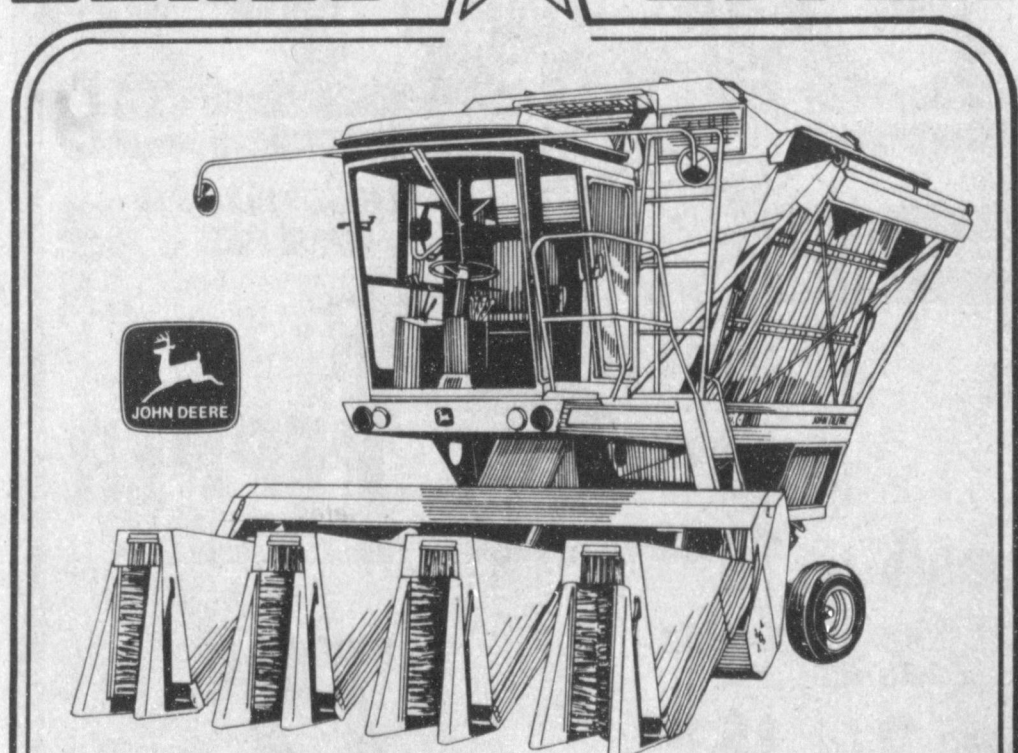

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 8 de noviembre de 1983. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 11800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

JOHN DEERE 484 COTTON STRIPPER DOUBLE-BARRELED

BONUS OFFER

Take advantage today of a waiver of finance charge/\$4,000 rebate combination or \$6,125 bonus for buying a new 484 Cotton Stripper

For a limited time, your local cotton harvesting pro John Deere dealer makes you a double-barreled bonus offer on new 484 Strippers that can't be beat. Here's your double-barreled choice:
1. Buy a 484 now and receive a \$4,000 cash bonus; plus, if you finance that stripper with John Deere, a waiver of finance charge until the first month of the 1984 harvest. Or...
2. Buy a new 484 during September, pay cash or finance it with John

Deere without waiver, and receive a \$6,125 cash rebate.
These offers from John Deere are in addition to the special deal your dealer will make on a new 484 Stripper. And, if you purchase now, you can qualify for substantial tax savings from investment tax credit (ITC) and depreciation. Everything is in your favor for purchasing a new John Deere 484 Stripper now. See your dealer today for details on this double-barreled bonus offer.

*Availability of John Deere financing subject to approval of credit. This offer may be reduced in value or withdrawn at any time.
