## Lions Smash Eldorado Eagles By 32-0 Count

### Crippled Birds Easy Victims Of Champs For 12th In Row

After smothering the Eldorado Eagles under a 32 to 0 score in the Eagle nest last Saturday afternoon, the 7-B defending champion Ozona Lions will rest a week-end and get ready for the heavy end of the season's competition, four straight district conference games.

Saying that the Lions will rest, however, may be somewhat misleading, for Coach Elmo McCook probably will see to it that the boys get very little rest. With five straight wins tucked under their belts, including the district and bi-district championships of the season, and an unblemished record to date in three goes this season, the Lions take a well-earned breather this week-end before plunging into the final and most important phase of the season's campaigns, the money games against Menard, Eldorado, Mason and Sonora, only remaining teams in 7-B competition.

With the greatest striking power exhibited in the district, the boys have moved down in succession Big Lake, Sonora and Eldorado by sizeable scores. Menard next on the list for the Lions, though comparative scores mean little in football, the Menard Yellow-jackets, who held last year's champion Lions to a bare 7-0 victory, last week defeated the Sonora Bronchos 32-0. The Lions tried the Bronchos under a 55-avalanche the previous week-end. The Jackets are gunning for the Lions, of course, and they are no means a push-over, even for the thunderous backfield attack which the Lions are capable of launching, but Coach McCook has his charges concentrated on the job of getting every yard in fighting trim for the comparatively important contests, and at the risk of imparting a sense of confidence, we venture the prediction that the Lions will take the Jackets in stride here the afternoon of Saturday, October

After the Menard game, the boys game with the Eldorado Eagles is slated on local soil the following week-end. The Eagles are badly crippled for last Saturday's go with the Lions, three of their top backfield men being on the injured list. But they expect to be in the pink when they are here seeking revenge for the merciless drubbing administered Saturday, and they, too, may make it interesting for the locals that game here October 24.

The last two conference games the season will be played away from home, at Mason on October 17 and at Sonora Nov. 7. The Lions' assignment, then, stacks up something like this: Win four straight games, sweep the district championship, pile up a record of seven straight wins — two seasons undefeated — and, if and when a bi-district game is arranged, a repeat for the regional fallon, and seventeen wins in row.

The Lions uncorked an aerial attack which demoralized the Eagles in last Saturday's practice at Eldorado, little Tom Ed Montgomery heaving 'em long and tight to Roy Coates, Bud Cox, Fryer, etc. On the ground, too, the Lions were invincible, crashing through for consistent gains. Coates and Sawyer carried for the five touchdowns. Montgomery's toe was not as true in the Sonora game, only two tries for the extra point going through the uprights.

Eugene Slater, former pastor of Ozona Methodist Church, pastor at Woodlawn Methodist Church in San Antonio, was Tuesday evening to attend the fourth quarterly conference of the local Methodist church, closing conference year for the local church. Dr. Harrell Cooke of San Antonio, district superintendent, also here.

## The President Refused to Touch It

President Roosevelt refused to receive—or to touch—a Japanese battle flag captured by U. S. marines during the raid on Makin island in the Pacific. Lieut. Gen. Thomas Holcomb, commandant of the U. S. marine corps, brought the flag to the White House. The President told him to place it in the marine corps archives. Photo shows him looking at the flag.

## Send-Off Party For Selectees Planned By Club

### Ladies Of Ace Club In Charge Of Farewell Saturday

Members of the Ace Club, a group of local young women, will be in charge of a send-off party arranged for Crockett county selectees who leave next Saturday for the induction station in Abilene for active duty with the United States Army. The club plans to serve coffee and doughnuts to the selectees.

Eight men are included in the group who will leave by bus at 10:30 Saturday morning for Abilene. They are the men who were inducted two weeks ago and given immediate furloughs so that they might return home for that period before beginning active duty. Seven are Crockett county men and one a transfer from Coleman. They include Bud McCary, Ignacio Nino, Donaciano Torres, Adolfo Lara, Rafael Coronado, Manuel Mendosa, Victor E. Munoz and Thurman Bradley, the last named a transfer.

Two other men who went with the original group two weeks ago did not accept the proffered two-weeks furlough and went on active duty immediately. They were Kenneth Musser and S. D. Williams.

Six men left by bus Wednesday morning for the Abilene induction station for examination and induction to fill the first October call. One other selectee, who made up the quota, was transferred to Corpus Christi for induction. He is Luis Tovar Landin. Leaving from here were Earl T. Pharris, Samuel Rivera, Macedonis Munoz Landin, Jose Martinez, Roy Lee Schwalbe and George Gilmore. These men will be examined at the induction station today and those accepted will be given the privilege of a two-weeks furlough immediately.

## Grade School Makes Fastest Time In Fire Drill Evacuation

In connection with observance of National Fire Prevention Week, Ozona schools staged fire drills this week, the elementary grades making the fastest time in evacuating the building.

The elementary grade school building was emptied in 1 minute and 15 seconds, while a full minute and a half were required by both the high school and Latin-American school.

The school fire signal is three long bells. One gong stops students while two gongs signal them to return to the building.

## Ozona Woman Talks 2000 Miles To Son In Costa Rica

One Ozona woman got a super thrill Monday night when she talked by telephone and radio to her son 2000 miles away in San Jose, Costa Rica, the little Central American nation just north of Panama.

Mrs. Cecil Hubbard called her son, Willie Joe, in San Jose over long distance, the call being relayed from Florida by radio to the Costa Rican capital. Young Hubbard was enjoying a few days vacation in San Jose, having flown from the Panama Canal Zone, where he is an aviation electrician at the Panama Air Depot, Albrook Field, a civilian employee. He is scheduled to fly back to the Canal Zone today to resume work.

Mrs. Hubbard said that she was required to explain her relationship, why she was calling and approximately what the conversation would be before the call was completed. His voice sounded natural, she said, and plain. There was a hollow sound, however, she said, as if he were talking from an empty auditorium.

## Taxpayers Take Advantage Of Discount Plan

### \$2,210 Paid In Property Taxes On First Day Of Month

Crockett County taxpayers are taking advantage of the 3 percent discount allowed off their property tax bills if paid during October, the opening day of the collection period on October 1 bringing total collections of \$2,210, according to Al Fields, office deputy for Mrs. W. S. Willis, sheriff and tax collector.

Mr. and Mrs. Bryan McDonald got poll tax receipts number one and two, being first on hand to pay taxes. A three percent discount is allowed on taxes paid during October, two percent on payments made in November and one percent in December. No discount is allowed in January and taxes become delinquent after February 1.

Crockett county property owners will pay a total state, county and school tax bill this year of \$174,803.05, with an additional \$1,063 in poll taxes assessed. Of this amount, the state is to receive \$47,570.55, the county \$81,079.50 and the schools \$46,213.00.

Tax rolls, recently approved by the State Comptroller, show the following numbers of livestock rendered for taxes in this county: 1,920 head of horses, 12,223 head of cattle, 370,909 sheep and 23,550 goats. Two dogs were rendered for taxes.

## H. O. Word, Former Ozonan, Killed In Fall From Horse

### Funeral Services For Pecos Ranchman In San Angelo Monday

Funeral services were held in San Angelo Monday afternoon for H. O. Word, 62, Pecos County ranchman and for many years a resident of Ozona, who was fatally injured when he fell from a horse while working sheep on the Will Adams ranch near Fort Stockton Saturday afternoon. Services were conducted by the Rev. M. M. Fulmer, Baptist pastor at Uvlade, and a former pastor of the Ozona Baptist Church.

Mr. Word who owned a 16-section ranch in Pecos County, was helping to move some sheep on the Adams ranch. The sheep were being crossed over a paved highway when Mr. Word was thrown from his horse, his head striking the pavement. He died almost instantly, according to information here.

Mr. Word is the father of Mrs. J. B. Miller of Ozona, the family having lived here and engaged in the ranching business from about 1906 until a few years ago when he sold his Crockett county holdings and went to Pecos county.

Surviving are the widow, five daughters, two sisters and two brothers. The daughters are Mrs. Monroe Decker of San Angelo, Mrs. E. H. Gallenkamp of San Antonio, Mrs. J. E. Miller of Ozona, Mrs. C. W. Adams of Del Rio and Miss Kathryn Word, now a student in Baylor College at Belton. Sisters are Mrs. D. O'Leary and Miss Nettie Word, both of Uvlade. Brothers are Dee Word of Sonora and C. R. Word of Cartia Valley.

Mr. Word was married in San Angelo on Oct. 13, 1906, to Miss Jennie Kennedy. He operated a 20-section ranch in the southern part of this county from that time until 1932 when he sold out and purchased the Pecos county ranch. He was a 32nd degree Mason, a member of the Baptist Church and the I.O.O.F. lodge.

## Adult Typing Class Organized For Daily Practice At School

A class in typing for adults has been opened in the commercial department of Ozona High School, with ten members taking daily practice sessions, it was announced this week by Supt. Denham. No charge is being made for the class and W. E. McCook, instructor, is giving what time he can to instructing the class, meeting from 1 to 2 each day.

Present members of the class include Mrs. Elton Smith, Miss Catherine Childress, Mrs. Estelle Word, Mrs. Mildred Goodson, Mrs. Jack Baggett, Mrs. Ruby Houston, Mrs. Callie Capps, Mrs. Hattie Cozby, Mrs. W. S. Willis and Mrs. Clara Dryden.

### SERVICE MEN VISIT

The past week-end saw one of the largest groups of Ozona service men back for week-end leaves. Among those here for a few days were Sgts. John D. Whately, J. T. Casbeer, Clifton Taliaferro, all from San Antonio and Jack Williams from San Angelo. Privates Bud Kincaid of Camp Polk, La., P. C. Perrier and Bill Seahorn from the San Angelo AAF Advanced School, Tom Adams from March Field, Cal., and Flying Cadet Walter Escue from Kelly Field.

### SUFFERS BROKEN LEG

Andy Trull, mechanic at Wilson Motor Co., suffered broken bones in his right leg Sunday night in a fall at his home. Mr. Trull stumbled and fell on the porch at his home, twisting his leg so that both bones were snapped above the ankle. He was taken to San Angelo where the break was set.

Mrs. Floyd Henderson has returned from San Antonio where she went to be with her sister, Mrs. Scott Peters, who is under the care of physicians there.

## Lee Wilsons Lease Hotel Ozona; Building Being Refinished

Mr. and Mrs. Lee Wilson have leased the Hotel Ozona from the Hotel Ozona Corporation, owners of the local hostelry, it was announced this week.

Mrs. Wilson has been managing the hotel during the past month and a half for the owners, having taken over when Mrs. Conley Cox left to accompany her husband to California. The hotel was passed back to the owning corporation when J. V. Blaylock gave up his lease early in the year.

Mr. and Mrs. Wilson, who have made their home at the hotel for several years, have announced that the building is being refinished from cellar to attic and that plans are being made to make it as attractive and homelike as possible, so that it may become "the center of everything in Ozona."

## Scrap Collection Drive Spurred By Junior Rangers

### School Students Comb Town To Aid Salvage Campaign

Junior Texas Rangers, a statewide organization of school children, enlisted to aid in the government's scrap metal collection campaign, put new life into the local salvage drive this week as Ozona students pitched into the job with enthusiasm which their elders might well emulate.

Classes from the fourth through the twelfth squared off their own collection spots along the curb across the street from the High School building and as class members combed attics, backyards and vacant lots, each pile was growing rapidly.

The official Junior Ranger collection campaign was to have opened Monday of this week, but as a matter of fact, the enthusiasm of the student body of Ozona schools tapped off the drive nearly a week in advance, and by the opening day Monday several tons of metal had already been accumulated in the several piles.

In the Latin-American school, too, Junior Rangers are at work under six captains. Captains for the elementary and high school were announced last week. Captains named this week in the Latin-American school are as follows: Room 4, Sergio Martinez; Room 5, Ramiro Luna; Room 6, Theodoro Dias; Room 7, Bique Dias; Room 8, Jose Vitela; Rooms 9, 10 and 11, Napoleon Vitela.

## Dan Patterson, Now In Navy, Urges School Athletic Program

A nostalgic note crept into a letter from Lieut. Dan Patterson, former Ozona High football coach, received this week by Supt. C. S. Denham, who sent a copy of the school bulletin, published at the opening of the school term, to Dan stationed at the U. S. Navy Pre-Flight School in Athens, Ga.

"I just received your school bulletin," the letter opened. "Tears almost came to my eyes as I read every line on every page. All that I can remember is the peace and quiet and very few worries that I had in Ozona."

"May I suggest that you continue to run the school with the least possible alterations to all departments as the paper shows you plan to do," the letter continued. "Have football, basketball, tennis and all the sports possible. Don't do as I have done and worry about this war to the extent that it nearly runs you crazy. Keep everything going."

"Tell Mr. McCook I'll be pulling for him every game and give my best regards to all the boys. I know they will win if at all possible. Tell the Pep Squad and the Band to keep up the good work."

Lieut. Patterson said that he was leaving in a few days for Columbus, Ohio, for advanced study in aircraft, and will be an instructor in a "field in which experts are hard to find."

## Ozona Baptists Hosts To Pecos Valley Assn.

### Messengers From 19 Churches Here For Two-Day Meet

Ozona Baptists are hosts today and Friday to between forty and fifty messengers from the nineteen churches composing the Pecos Valley Baptist Association which is meeting here for the twenty-ninth annual session of the association.

The two-day session began at 9:30 this morning with a devotional service followed by organization of the Association under the direction of Rev. Clyde Childers, Vice-Moderator, in the absence of the Moderator, Rev. Philip Brown, who is a chaplain in the Army. The annual sermon was preached at the morning hour by the Rev. Bernard Guy of Pecos.

Dr. Thomas H. Taylor, president of Howard-Payne College, Brownwood, will be the speaker at the evening session tonight, starting at 7:30 with a song service led by Leon Woods of Wickett. Friday morning at 11:20, the annual missionary sermon will be preached by the Rev. B. J. Martin of McCamey. The people of Ozona are extended a cordial invitation to attend all sessions of the assembly.

The program for the evening's session, besides the sermon by Dr. Taylor will include a report on Mexican missions by Rev. John Abbott of Grandfalls, report on Sunday Schools by Rev. B. J. Martin of McCamey, a report on the Brotherhood by A. C. Hoover of Ozona and a report on hospitals by Mrs. T. Y. Yancy of Pecos.

The Friday morning session will include a report on civic righteousness by the Rev. G. C. Goff of Iraan, district missions by the Rev. A. J. Kidd of Alpine, district missionary, on state, home and foreign missions by the Rev. W. M. Joslin, Royalty, and on Buckner Orphans Home by Rev. E. R. Hill of Monahans.

The closing session Friday afternoon will include a report on the Paisano encampment by Walter Dunlap of Ozona, report on the Hundred Thousand Club by Leon Woods of Wickett and the treasurer's annual report by Rev. Bernard Guy of Pecos.

Local committees in charge of arrangements for the association session are as follows: Meals, Ernest Dunlap, Ira Carson, Bob Cooke, Walter Dunlap, Mrs. Geo. Bean, Mrs. W. E. West and Mrs. W. S. Willis; Rooms, Mrs. Ira Carson, Mrs. Clyde Childers, Mrs. Ernest Dunlap and Mrs. George Neersta; Registration, Mrs. Hugh Gray, Mrs. J. H. Williams and Mrs. Walter Dunlap; Decorations, Mrs. A. C. Hoover, Mrs. J. T. Keeton and Mrs. John Mitchell. Special music, Miss Zelma Scott.

## Weekly Sing-Song Time Set Up To 7:45 Friday Evening

Time for the weekly sing-song session in the High School auditorium Friday night of this week will be advanced 15 minutes, the weekly community get-together being scheduled to open at 7:45 instead of 8 o'clock, it was announced this week by Mrs. H. B. Tandy, chairman of the war service committee and director for this week.

The school swing band, under direction of Arnold Kleinschmidt, will play as a special feature of the evening and other specialties may be arranged during the week, Mrs. Tandy said.

Last week's sing-song was an "old favorites" evening, with Mrs. Bryan McDonald directing. The crowd joined lustily in singing old favorites from "Silver Threads Among the Gold" on up a World War I veterans quartet, composed of Mr. and Mrs. McDonald and Mr. and Mrs. L. B. Townsend, sang several of the favorite war songs of the 1917-18 period, and Miss Hazel Kirbie gave two humorous readings.

Humble Broadcasts 5-Game Southwest Conference Schedule

Football followers can look forward to another five-game broadcast schedule this Saturday as Humble Oil and Refining Company brings fans one Conference game and four important inter-sectional games over a number of Texas radio stations.

The Baylor Bears take on the Arkansas aggregation in Fayetteville. The Porkers are hard to beat on their home field, so this game should provide plenty of excitement. Charley Jordan, who is fast becoming one of Humble's most popular play-by-play announcers, will report the game direct from the field while Buddy Bostick of Little Rock describes color.

Dana Bible's sixth edition of Longhorns will take a short jaunt to Dallas to meet their traditional inter-sectional rivals, the University of Oklahoma in the Cotton Bowl. Kern Tips will handle the play-by-play assignment with Harfield Weedon doing the color work.

It will be home-coming day for Marty Karow, coach of the Corpus Christi Naval Air Station team, as he and his team play host to his old alma mater—Texas A.&M. Bill Michaels will do the play-by-play announcing while Tom Jacoba takes care of the color department.

Rice, who nosed out Tulane by a one-point margin last year, will meet the Green Wave at New Orleans, with Ves Box giving his usual sparkling play-by-play reports while Bill Newkirk relieves him for color description.

The latest game of the afternoon to go on the air is the one between T.C.U. and Kansas U., starting at 2:50 p.m. at Fort Worth. Dave Russell and Dave Byrn will alternate at the mike.

Sgt. Roger Dudley, Jr., of Ozona who is stationed at an Army air training school in Coleman has been promoted to the rank of Technical sergeant. Pfc. Tom Adams, stationed at March Field, Cal., quartermaster Aviation Corps, is a guest this week in the home of Mrs. B. B. Ingham.

Former Missionary To China Tells Rotary Club Of Her Three Years Work In Territory Occupied By Japanese

General Chiang Kai-shek's admonition to his people to "hate not the enemy but hate the evil he does" has been a factor in sustaining the morale of the Chinese people and keeping them above the level of bestiality of the Japanese. Miss Margaret Rue, former missionary to China and now stationed in Ozona to assist in the Community Center work, told members of the Rotary Club and guests in a talk at the club's luncheon Tuesday.

Miss Rue continued her work with the Chinese in Japanese occupied territory three years after outbreak of the Sino-Japanese conflict. She and other missionaries were on a vacation trip some 400 miles up the Yangtze river from her home at Wushi, 75 miles from Shanghai, when the war began and the invasion was so rapid that they were unable to return for several months and then only after a 2,000 mile detour.

The industrial city of Wushi had been mercilessly bombed by the Japs and the school in which Miss Rue taught had been burned. The city was occupied by the Japs, who permitted the missionaries to return and continue their work. Their home, Miss Rue said, had been occupied by the Japs, who took what they wanted but did not destroy the home. The Chinese defenders had fought the Japs from across the canal and plenty of bullet holes in their house attested the strong opposition of the Chinese.

Since the Japanese were not ready at that time to make war on the United States, American missionaries had little trouble with the occupying Japs. Miss Rue said, some few minor "incidents" being reported. She told an amusing incident of the Japanese feeling of inferiority which prompted a Japanese soldier to attempt to force American women to tip their hats to Jap soldiers as they required men. A Jap soldier attempted to pull her hat from her head as she passed, she re-

lated, but an elastic band snapped it back in place on her head. The Jap was somewhat nonplussed at this apparent phenomenon but was hard to convince that tipping hats was not a custom of American women and therefore an unreasonable demand of the Japs.

"We didn't have any more trouble, but we did carefully avoid wearing hats whenever possible." Many stories of horror were related by the natives on their return, the former missionary said, and she related that guerilla bands operating around the city kept the invading forces pretty well cooped up in the town, and killed a number of the occupying soldiers who ventured out alone.

Miss Rue spent 20 years as a missionary in China. She was on leave in the United States when Japan attacked this country and is here for the duration. Dr. Harrel Cooke, district superintendent of the San Angelo district, Methodist Church, was a visiting Rotarian. Miss Mary Riddle and her mother, Mrs. Jennie Riddle, of the Community Center, were also guests.

Mrs. Joe Nussbaumer has returned from San Angelo with her infant son, Robert Joseph.

Talk On Russia To Be Heard By Members Of Woman's Club

A talk on Russia by Houston Smith will be the program feature when the Ozona Woman's Club meets Tuesday afternoon at the Joe Pierce home.

Mrs. Stephen Perner will be the leader for the day. Music will be provided by Mrs. V. L. Farris. Members of the Junior Women's Club will be special guests of the day.

Mr. and Mrs. W. T. Armstrong and twin sons are here this week from Corpus Christi to visit her mother, Mrs. W. S. Willis.

Mrs. Pleas Childress came home for a few days this week and will return this week-end to San Angelo to bring back her infant son, Pleas Childress, III.

# THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

VOLUME 9 OZONA, TEXAS, THURSDAY OCT. 8, 1942 NUMBER 3

## The Editor's Thoughts—

Now that gasoline is about to be rationed, smug students who went around saying, "It can't happen here; Texas has more than enough gasoline," should wake up and fully realize that a war—not just a soldier's, marine's, aviator's or sailor's war—but every democratic and liberty-loving person's war is being fought.

There is plenty of gas in Texas, yes, but what about tires?

The following words were found in a lesson that the typing class was working on the other day: "The fundamental proposition of the present is that one can do well only that in which one is really interested." "Then this," you may say, "is a very good reason for not doing the things I don't like to do." The answer to that is "Get interested!" How do you know you don't like history when you never bother to listen in class? And how do you know 'Macbeth' is "simply boring" when you've never bothered to read it? And maybe that geometry isn't so bad as you have always imagined it to be. Try taking an interest in the things you are doing. It might help. You never can tell.

And by the way, has anybody heard about the drive that's on for scrap metal?

## In and Around

We wish to congratulate, as everyone else does, the splendid job the Lions did of "plucking" those Eldorado Eagles.

There hasn't been mentioned many times the fact that while the football boys are practicing so hard to be in shape for winning a game, the faithful old band and pep-squad are marching and practicing in order to give a good performance at that game! Some people seem to think it is an easy job to give a good performance but it isn't. Those who participate work hard at the task. So from now on let's take into consideration the fact that the team isn't the only thing that works hard.

Many's the time that "ye olde detention hall" has been full but not so this year. There has been no formal announcement of a detention hall yet; but there are still a few spit-wad-throwers, bean shooters, gum chewers, and people who won't get their assignments who have to stay in after school for the time wasted by themselves. A tip to the wise—if you only knew it, you are wasting other people's time also.

Not mentioning names, but there's a certain sophisticated group of students who have gotten industrious and patriotic and gathered a "ton 'er more" scrap iron. How about some more of you waking up and making this scrap drive something that the tongues will brag about in years to come.

A plea has been issued by our editor for some news articles! Well, what are you waiting for? We haven't seen so many responding to the call but if there isn't more, then don't be surprised if she starts throwing typewriters.

## TRICKS FOR TEENS—

**ALL KEYPED UP!** If you have a diary key that is precious to you don't risk leaving it about. Hang it on a chain around your neck. Or if you're not so interested in keeping keys, fasten your novelty key chains in the button holes of your jerseys or blouses.

**SACKS WITH A SOCK.** Take two empty walnut shells, drill tiny holes in the tops, and put a piece of yarn through the holes. What gives? Why, a pair of castnets. Attach them to the top of your socks and you'll sound like a gay senorita.

**FLOWERS IN YOUR HAIR.** It seems to be a new fad in O.H.S. to wear real flowers in your hair. Mary Perner's red flowers added a bright touch; Barbara's flowers are very pretty with her black skirt and red and black blouse.

**BOOTS AND SHOES.** Chappo Morrison and James Chapman have some "dashing" boots. Chappo's are blue and brown with white eagles. James' are a mixture of brown, rust, blue green and red. Azalea Babb has some new, very cute shoes. They are red with white stitching and wedge heels. Joyce West's "flashy" new red buckled ones are the very latest style, too.

**TEACHER'S "PETS".** Miss Kirbie's plaid two piece dress with a red velvet top is very becoming.

## Lions Clip Eagles' Wings, 32 To 0

Another Saturday has rolled around as well as another victory for the Ozona Lions. The Lions played Eldorado Eagles in a real thriller Saturday afternoon. The battle took place at Fair Park Field in Eldorado under, what seemed to the football players, a sun that brought the mercury up to 150 in the shade. Perhaps the temperature is overdrawn but the score was 32 to 0 in favor of the Lions. The Eagles were definitely not full strength. They had their three best men crippled. Two of them, end Bud Davison and Luke Thompson had cracked wrists and the third, a full-back, had a bruised muscle.

Bud and Luke played in the game but the full-back never got in. The Eagles are expecting to get revenge soon but the Lions will be ready for them. The Lions had a few minor injuries in the game themselves. Calvin Williams, star tackle, had two of his finger nails on his left hand broken off deep in the quick, and the other injury was to Jack Sawyer, blocking back, catcher, and all around man, had his chin cut.

The touchdowns came early in the game, with Roy Coates doing most of the tallying. All together the touchdowns were made by Sawyer, Coates and Cox. Tom Ed Montgomery really had the most to do with them because he threw nearly all of the passes. Next is Menard and the Lions say, "Let's make it 13 straight!"

## SENSES

OWENS-MAYES

Heard—Plenty of double talk. Ruth trying to make Arthur Byrd jealous and Byrd trying to make Ruth jealous, and Chappo, Louise, Cecelia and Billy just trying!!

That Sis can drive a truck. Where did you learn?

Billy L. Saying that she simply loved people from Oklahoma. Wonder why?

That Mr. Ripple uses more than four gallons of gas in his car at night. Why, Mr. Ripple!! That's unpatriotic. You're supposed to save gas, tires and such—haven't you heard?

That a "certain" sophomore has a "certain" way of getting dates with a "certain" boy. She asks her brother if she and the boy can go to the show with him, then she tells the boy that they are going. Nice work! At least it does work.

Seen: A letter to Bertie Sue saying, "You can't hold a dream in your arms." Wow!! Could it have been from Louisiana?

A sophomore riding the fender of a car. It was either that or walk to town from the cemetery. Smelled:

The delicious sweet air of a new romance. Ask John Fussell and Mozelle Haire for further information.

## Youths Raid City For Scrap; Drive Is Set For October 5-18

The student body of the Ozona Public Schools are out to "ransack the town" for scrap metal. This army will gather scrap metal in connection with the government's need for more scrap since there is not enough to keep the steel mills working for the remainder of the year.

Date of the national drive is October 5 to 18, but the students started their campaign last week. Home owners can help by having metal scrap ready when the school youngsters come around.

Governor Coke Stevenson writes, "School children of this state taking part in the national scrap drive will be known as Junior Texas Rangers and will be rewarded by the Governor."

The scrap will be piled on the space provided across the street from the school building. If anyone has any, please report instances to the captains.

"For Victory in 1943," say the captains who know a shortage in steel is a shortage in tanks, guns, and armaments.

## A DRUMMER TALKS

Foreword: Those who have been drummers, read and remember. Those who are drummers, read and sympathize. Those who plan to be drummers, read and take warning. Those who do not class in any of these groups, read and learn.

That Ozona has a marvelous football team is an undisputed fact, but, has anyone (except the drummers) considered what a noble thing the members of the drum corps are doing? Take me and my drumming career—then you'll know what we go through, how long it took me to learn what I still don't know.

I walked confidently into the bandhouse that first morning, took a drum and carefully strapped it on the wrong shoulder. I looked around until I found two drumsticks that weren't mates and held them with the right grip in the wrong hands and stepped into line. Second rank from the left and second in line, that is my position, and right here and now I want to extend my apologies to the second rank and second line. I'll learn, really I will. Now to get back to my woesome tale, I started beating on the thing with the only beat I know, tarum (pause), tarum (pause), tarum rum rum. Until the rest of the drum corps got around to that beat I just hit the head at random. That, however, wasn't the worst of my troubles, for I was wearing sandals that refused to stay on, so every three steps I stopped, took both drumsticks in one hand, balanced myself precariously on one foot, and proceeded to pull my shoe back on. During this time the line had three alternatives, it could (1) go around me, (2) stop and wait for me, or (3) keep marching and either knock me flat and walk over me. The line being made of peace loving souls tried the first two twice each then calmly put the third into execution,— and I still carry

the scars. I have these past weeks, along with my colleagues (I like that word—makes me feel big) anyway we have suffered drummer's shoulder, weak and weary arms, tired aching feet, and other symptoms. So, to the point, will the members of the band and pep squad please take notice of the following message which I deliver on behalf of the drum corps, "When we start the Eight Beat, that is one beat to every eight steps, please don't complain, just try to keep in step and understand."

## THE WISE OLD OWL

By RUSSELL and COATES

Since Bud isn't carrying "Ye Olde Torch" for Sug, he and Cecelia have been having fun.

It's rumored that R. C. is M. L. P.'s "feller". At least, that's what she said. But, let's hear R. C.'s views!!

"Foo-foo" had a flat in Sonora. Did you girls say—(?!):?

Mary and Ethel were with S. E. Jones and Floyd Spurges in Eldorado. Nice going girls, they are favorites anywhere.

When "ex" Shorty Colquitt went to see Cecelia, he remained a while longer than was expected. He stuck in the mud and Cecelia wasn't even home.

Tom Ed is a funny little fellow. He can forgive and forget very nicely.

Someone is wearing R. C.'s Senior ring and medals. "It's initials are T. E. M. Roy is trusting, isn't he?"

Mary E. and Basil seemed to have settled down in history class. Well, folks, we beat Eldorado (32-0) and we are starting to beat Menard (64-0). Can we do it? It's up to those OZONA LIONS!!

BEAT MENARD

## Cogitations

By MARY PERNER

Well, the Lions just can't be tamed. (Not even by Dorothy Lamour). They defeated Eldorado brilliantly. Menard is the next victim.— Elaine Oathout was seen talking to Billy Sparkman in

Study Hall. Somebody else was jealous (of Elaine or Billy?)— Tom Ed and Bland nearly had a wreck at Mildred N's house when a car came by. Was it her uncle??

Cecelia would like for Tom Ed to shave before she goes out with him again. Charles Ratliffe and Doris Busby enjoyed the show together Sunday— Must be a new romance!!— L. E., Jim Ad, Cecelia, Daphne and Jimmie F. like the cemetery for some reason. Cecelia doesn't scare too easily!!— Rosalie Lemmons and Jimmy Hig-night are just like that!! Rosalie won't let anyone talk about him— Miss Kirbie thinks Ethel is a marvel. Ethel can look you straight in the eye and prevaricate, and Miss Kirbie thinks it is unusual!!— Nan has unique ways of getting dates. Oh, well, everyone to his own taste.— Lar-

ry Arledge is two face. First he has his arm around Nan at the movies, and then it is Daphne— Make up his mind, girls!! This is short, but maybe people will misbehave more next week— so I'll see you then.

"Pedal, Gwendolyn!  
This bike isn't like your sewing machine"

"Why, Edgar! You said let's make two tires do the work of four."

"Yeh, but I'm doing all the work. There ain't no 'lectric switch on this thing. You have to pedal it!"

"Oh, well, Edgar. You don't mind giving me a free ride, do you?"

"Listen, baby. You don't get any free rides any more!"

"Oh yeah? Well, I'm getting a free ride on that sewing machine!"

"U-u-m-m-ph! Just because it's electric, and you don't have to pedal it, don't think it's FREE. You have to pay for the juice!"

"Sure, Edgar. But we're using two or three times as much now as we used to—for the same money. That's what I call a free ride!"

\*\*\*  
D'ja ever win an argument with your wife, Edgar? You may persuade her to help pedal the bike. But she's right about the cost of electric service.

It's a fact that West Texas homes today are getting two or three times as much electricity for the same money as they did 10 or 15 years ago. Actually, the electric bill of two-thirds of them is a dime a day—or less!

Not a free ride... but FREEDOM of enterprise makes this big bargain possible under the American system wherein men are free to plan and create a business that builds and serves.

### Woman's Society Continues Study Of Latin-America

The Woman's Society of Christian Service met in the Boyd Clayton home Wednesday afternoon, with Mrs. E. B. Baggett, Jr., as hostess.

The second class of the study on Latin-America by Dr. W. Stanley Rycroft, was conducted by Miss Elizabeth Fussell. She discussed the development of the Evangelical movement in Latin-America, showing how the people are eager to learn, and with open minds are searching for the best way of life. Never has there been such an opportunity for the Christian church and Democracies to help a people. Miss Fussell showed very forcefully how "the power of the printed word is building up all Latin-American countries."

Mrs. H. B. Tandy brought the question "Have the Protestants been a Good Neighbor?" from the World Outlook, and proved we have done much by establishing high schools and colleges, and sending teachers to the unreached youth of other religions.

Mrs. L. B. Cox, Jr., discussed an "Air Cruise Through New Brazil" by Henry Albert Phillips, a National Geographic reporter, including a description of the new Ford Rubber plantation, a 703,700 acre tract on the Amazon at Belterra.

Mrs. B. E. Ingham appointed Mrs. John W. Henderson, Mrs. N. W. Graham and Mrs. Joe Pierce as a nominating committee to arrange a slate of officers for the annual election in November. The society voted to contribute \$5 to community fund to send Christmas gifts to our men in the service.

It was announced that Miss Mary Riddle and Miss Margaret Rue will conduct the Sunday morning church service next Sunday in the high school auditorium. All are invited.

The next meeting will be in the Early Baggett home, Wednesday Oct. 14, for a continuation of the study.

Present this week were Mesdames Carl Colwick, Heyward White, Alvin Harrell, Charles Williams, M. Johnson, H. B. Tandy, Floyd Henderson, C. L. McDonald, N. W. Graham, W. R. Baggett, B. E. Ingham, E. B. Baggett, Jr., and L. B. Cox, Jr., and Misses Elizabeth Fussell, Mary Riddle and Margaret Rue.

### Ozona Women Attend Opening Meet Sonora Music Club Saturday

Mrs. H. B. Tandy, first vice president of the Texas Federated Music Clubs, Mrs. Elton Smith, president of the Ozona Music Club, Mrs. Neal Hannah, district chairman for Texas Composers Guild and History of Music in Texas, and Mrs. S. M. Harvick, district chairman for Philanthropic and Library Extension, will attend a coffee and special program of the Sonora Music Club at its opening session Saturday morning at 10 o'clock.

Mrs. Tandy will speak on "Music in Our Time." Mrs. C. A. Tyler is president of the Sonora club.

Mrs. C. R. Demoville and grandson, Charlie, left yesterday to return to their home in San Angelo after a few days visit here with Mrs. Demoville's sister, Mrs. C. W. Leatherwood.

### To The Citizens Of Crockett County And West Texas:

We have leased the HOTEL OZONA from the owners and are now in the hotel business. Managing a hotel is new to both of us, but since we have spent a great deal of our lives as guests of hotels, we believe that we know the wishes of the traveling public and people who live in hotels.

Therefore, we intend to make the Hotel Ozona a real Home in every sense of the word. We are now in the process of completely going over the Hotel from basement to attic and making it not only comfortable but also attractive and home like.

We earnestly and sincerely invite you to make Hotel Ozona your headquarters when you are in Ozona. Hotel Ozona is modern, steam heated, fireproof and has elevator service. We especially solicit the clubs and anyone giving parties. We have the Mezzanine for small card parties, the breakfast room adjoining the lobby for meetings and parties where you want privacy, and the ballroom where more room is needed. The rates are reasonable and we will see that the rooms are always clean and delightful. We can furnish these services with either maid or porter service if desired at a small additional charge.

It is our plan and ambition to make Hotel Ozona "Headquarters for Everything" in Ozona and a place you will all be proud of.

Sincerely,  
MR. AND MRS. LEE WILSON

### P.T.A. To Observe Congress Birthday In Oct. 19th Meet

Ozona Parent-Teacher Association will observe the birthday of the Texas Congress of Parents and Teachers when the association meets in its next program Monday, October 19. A free will offering will be taken on the occasion for the support of the Texas Congress work.

Mrs. George Bean will be leader for the day. Special music will be provided by Susie Hokit and Miss Frances Sprawls, kindergarten teacher, will talk on "Selection of Children's Toys, from the Teacher's Viewpoint." A business session, with the president, Mrs. Bryan McDonald, presiding, will follow.

### Four Ozona Air Force Specialist Enlistees In Angelo

San Angelo, Texas.—A third group of 21 West Texas enlisted men, all recruited in the San Angelo area as air forces specialists, have been returned to duty here at the Army Air Forces Advanced Flying School for bombardiers, it was announced by Colonel George M. Palmer, commanding officer.

All those returning received their induction training at Dodd Field Reception Center, San Antonio, and have already been started on their new duties at this post near their homes.

In the group are William P. Seaborn, Jr., Paul C. Perner, Jr., Abe S. Caruthers and Herman E. Jones of Ozona.

Mr. and Mrs. Robert Neal of Midland spent the week-end here visiting relatives. Mrs. Neal is the former Clara Mae Dunlap, daughter of Mr. and Mrs. Ernest Dunlap.

### Cookin' a Little Something for Japs

Brig. Gen. William O. Butler, head of the U. S. army air forces in Alaska, is shown discussing future plans with Col. William O. Eareckson at an Alaskan air base. Colonel Eareckson was recently awarded the Distinguished Service Cross. The big job ahead is to get the Japs out of the Aleutians.

At the time of the publication of The Stockman the annual meeting of the Pecos Valley Association will be in progress at our church. You are urged to be present for all the sessions possible. Tonight (Thursday) our speaker will be Dr. Thomas H. Taylor of Howard Payne College, Brownwood, Texas and tomorrow morning the 11 o'clock message will be brought by Rev. B. J. Martin of McCamey.

Help keep our church at its best during these trying days by being in your place Sunday. Let there be no blackout of spiritual light in community.

### Baptist Missionary Has Driven 200,000 Miles In 14 Years

Rev. J. A. Kidd of Alpine, district missionary for the Pecos Valley Baptist Association, here this week to attend the 29th annual session of the Association, has made something of a record in his fourteen years as a missionary in this territory.

In that time, Rev. Kidd has driven a total of more than 200,000 miles over West Texas roads and highways. He has assisted in the establishment of 15 churches in that period. His present car, a Ford, has been driven more than 80,000 miles and still purrs, he says. He has gotten up to 30,000 miles of service out of tires, he declares.

Miss Louise Bean spent the week-end in San Marcos visiting her former room-mate at San Marcos Academy, Miss Marie Free of Navasota.

The Neal Hannah home is being repainted this week.

### Lion's Roar --

(Continued from Page 3)

#### OSCAR

The Lions have a new football player. His name is Oscar. Not only is he an excellent lineman, but he can play any backfield position.

Oscar is short but heavy. He is only about three feet six inches tall and weighs about 150 pounds. This combination helps to keep him low on the ground and on his feet, which is the aim of all good football players. When he is hit with a body block, he offers just enough resistance to keep from getting hurt. Due to the shortage of players, he usually plays the weak-side linebacker. In this position he usually stops many plays by simply standing in the way. When he is blocked with a good block, he hits the ground rolling. This will keep any football player from getting hurt when he hits the ground.

All the boys on the Lions team have made Oscar their idol, to use him as a model for a perfect player. They all playfully hit him every evening, for Oscar is the new blocking dummy.
