Champion Lions Place Four Men On All-District

Cox, Coates, Williams McDonald on First; Four Mentioned

Four members of the 1942 district and bi-district gridiron champions, the Lions of Ozona High, won places on the mythical All-District eleven by vote of the coaches in a meeting in Sonora Tuesday night.

Bud Cox, quarterback and line-backing ball carrier and the district's outstanding all-round back, and Roy Coates, highest scorer in the district, fleetest and earliest punter, best punter in the district and a passer and receiver of passes, were awarded places on the first string backfield.

Charles McDonald, Lion center, a power on offense and a line-backer than which there was none better in the district, and Calvin Williams, tackle, who accounted for much of the strength of the team but often outweighed Lion line in district combat, won these respective places on the All-District first string.

The coaches picked a first and second team and gave honorable mention, but they deviated from the ordinary method of selection by picking only a first and second string line and naming eight back field men all on the first team. Ozona players coming in for honorable mention were Bland Tandy and Jimmy Read in the line and Tom Ed Montgomery and Jack Sawyer in the backfield.

The all-district selections are as follows:

First Team
Ends: Robinson, Eldorado, and White, Menard.

Tackles: Williams, Ozona, and Davis, Eldorado.

Guards: White, Menard, and Royster, Eldorado.
Center: McDonald, Ozona.

Backs: Cox, Ozona; Coates, Ozona; Perry, Menard; Moore, Menard; Clark, Eldorado; King, Mason; B. Shurley, Sonora.

Second Team
Ends: Freeman, Menard; Reynolds, Eldorado.

Tackles: Harris, Mason, and Zesch, Mason.
Guards: Word, Menard, and Zira, Mason.

Center: Oglesby, Eldorado.
Honorable Mention
Ends: Read, Ozona; Tandy, Ozona; Martin, Eldorado.

Tackles: Neill, Eldorado; Larnin, Menard.
Guards: White, Sonora.
Center: Burnet, Mason; White, Sonora.

Backs: Montgomery, Ozona; Sawyer, Ozona; Baze, Mason; Reynolds, Menard; Bridgemon, Eldorado; L. Shurley, Sonora; Odom, Sonora.

Temporary Gas Ration For Farm Trucks If Certificate Delayed

With the deadline extended from Nov. 15 to Dec. 1 for securing Certificate of War Necessity to operate commercial vehicles, Texas ranchmen are assured that they can continue to operate farm vehicles even if the certificates are not delivered by the new deadline. Those who have applied for but have not received the certificates by Dec. 1 will receive temporary gasoline rations, it is explained by B. F. Vance, chairman, Texas USDA War Board.

After the certificates are received, regular coupon books will be issued and deductions made for gasoline used under the temporary rations. Operators subject to the regulation will not be able to obtain tires, parts or gasoline without a certificate.

Official announcement of the AAA Range Conservation Program for 1943, carrying advice that work on next year's program may be begun by ranchmen on December 1, 1942, and outlining boosted rates of payment for certain practices not heretofore included, has been received by Miss Betty Bratcher, AAA administrative officer in this county.

Starnes Delivers Patriotic Address To Rotary Club

An inspiring patriotic address was given by Warren E. Starnes, minister of the Church of Christ, at the Rotary luncheon at Hotel Ozona Tuesday.

Only Half Of Car Owners Register For Gas Ration

Ten-Day Extension Of Registration Period Is Granted

A little more than half of the passenger car owners in Crockett county had registered their cars for gasoline rationing at the end of the three-day registration period ending last Saturday, but were continuing to come in slowly at the local office of the War Price and Rationing Board under a ten-day extension of the registration period.

When registrars at the high school gymnasium and the Latin-American school shut down Saturday afternoon, they had signed up a little under 400, which total was raised to 424 through the first two days of this week.

The registration period has been extended for ten days, closing Nov. 28, two days before gasoline rationing is scheduled to begin. Car owners may register at the ration board office in the county clerk's office.

C. S. Denham, superintendent of schools and chief registrar, and members of the rationing board expressed appreciation for the efforts of the group of volunteer helpers who assisted in the gasoline registration. Registrars who handled the sign-up included Mrs. B. B. Ingham, Mrs. L. B. Cox, Jr., Mrs. Stephen Perner, Mrs. George Bean, Mrs. Evert White, Mrs. Clyde Childers, Mrs. Roy Thompson, Mrs. Carl Colwick, Mrs. Alvin Harrell, Miss Wanda Watson, George Russell and Richard Flowers.

In order to qualify for gasoline rationing, car owners are required to turn in for sale to the government all surplus tires in excess of five tires for each vehicle. A total of 311 passenger type tires have been turned in to date for express shipment from this county. T. W. McLaughlin, mail and express truck operator, reported yesterday.

Waco Evangelist To Conduct Ten Day Meeting Here

Rev. Graves Darby, Blind Minister, To Preach Twice Daily

Rev. Graves Darby, independent blind evangelist from Waco, Texas, will conduct a ten-day revival meeting at the First Baptist Church in Ozona beginning November 27, it is announced this week by the pastor, Rev. Clyde Childers.

Rev. Darby annually holds revivals in some of the largest churches in the state and has held a number of such meetings for churches in this Association in recent years. "He is a man of fine Christian spirit and will bring a series of messages which all the people of this community will enjoy," Rev. Childers said.

Song services will be led by Tommy Godfrey, independent gospel singer from Seminary Hill, Texas. Mr. Godfrey recently finished a revival at Iraan, Texas, and is in great demand by the churches of this state.

The series of services, to be held twice daily, will begin at 7:45 Friday evening, with the Rev. Darby bringing the message. Mr. Godfrey will not arrive in Ozona until Sunday evening but is expected to be present for that service.

The first of the morning services will be conducted next Monday morning and will continue through the rest of the meeting, scheduled to close December 6. Time for the morning services has been set for 10 o'clock, but if any change is found necessary, announcement will be made at the Sunday services.

Mrs. R. F. Powell is in Gatesville visiting with her brother for a week.

Knocking down four out of nine Zeros in one flight, Lieut. Col. Harold Bauer of Fort Collins, Colo., joined Guadalcanal's exclusive "Four-A-Day" club—membership of which is made up of fliers who bagged four enemy planes in one flight. He is shown here telling his ground crew how he did it. Lieutenant Colonel Bauer, in addition to the four, got a "possible" fifth.

Nelson Urges New Intensified Drive For Scrap Metal

"The Government is asking the American farmer to dedicate the remaining weeks of 1942 to an intensified scrap hunt," says a telegram received by the Stockman yesterday from Donald M. Nelson, WPB chairman in Washington.

"Steel mills need more heavy scrap and the farms are one of the best sources of this type of metal. We need your further help in this farm drive, and in aiding our salvage committees to continue this effort throughout the next few weeks.

"All salvage committees are being instructed to continue to make available to the farmer all their transportation facilities and manpower and to cooperate with you in every possible way. The Nation is looking to the American farmer, I am sure, with your help he will come through."

Noted Lecturer Coming To Ozona On December 9

Dr. Chas. Barker To Deliver 3 Lectures, Rotary Audiences

Selected as one of only five communities in the entire 129th Rotary district so honored, Ozona, through the offices of Rotary International in cooperation with the local Rotary Club, will have the privilege of hearing Dr. Charles Barker, one of the nation's best known lecturers, in three free lectures to be delivered here on Wednesday, Dec. 9.

Dr. Barker, a doctor of physical culture and hygiene, has been on the lecture platform for nearly 30 years, from 1913 to 1919 lecturing over the country under auspices of the Y.M.C.A. International Committee. Since 1919, he has been sponsored by Rotary International and during that period he has lectured all over the United States and Canada under Rotary auspices.

During the four years that William Howard Taft was president of the United States, Dr. Barker was his physical instructor, spending an hour with the president each morning to keep him well.

The famous lecturer will deliver an address to public school students Wednesday morning, Dec. 9, and at the noon hour will address members of the Rotary club and their guests. Then, in the evening he will deliver an address at the high school auditorium to which everybody in the community is invited. There will be no charge for any of the lectures.

18-Year-Olds Since June Will Register In Dec.

Three Registration Periods Designated By President

Registration of all men included in the scope of the 18-19 year-old draft law, recently enacted, has been ordered by President Roosevelt, youths reaching the age of 18 since June of this year, when all 18 and 19-year-old men were signed up, being affected by the order.

Registration of the 18-year-old will be done by selective service personnel, three registration periods having been fixed by presidential order for the sign-up. Men reaching 18 in July and August will sign up during the week beginning Dec. 11; those 18 in September and October will register in the week of Dec. 18, and those in November and December in the period from Dec. 26 to 31.

After January 1, each man will register on his 18th birthday. Questionnaires have been mailed out to the 18-19-year-old registrants with early induction of many probable. Deferment of students still in high school may be granted on written application of the registrant.

Christmas Mailing Must Be Done By Dec. 1, Says P. O.

The bulk of Christmas mail must be in the post offices by December 1 this year if deliveries on time are to be assured, according to Smith W. Purdum, Second Assistant Postmaster General. Mr. Purdum is responsible to Postmaster General Frank C. Walker for smooth and efficient air and railway mail service.

Unprecedented wartime demands on the postal transportation systems, plus a prospective record volume of Christmas mailings, were cited by Mr. Purdum as necessitating earlier mailings than ever before. "It is physically impossible for the railroads and air lines, burdened with vitally important war materials, to handle Christmas mailings as rapidly as in normal times," Mr. Purdum said. "If the bulk of parcels and greeting cards are held back until the usual time—the period of about December 15 to 23—they simply cannot be distributed in time, and thousands of gifts will reach their destinations after Christmas."

R. B. Pridmore, formerly of Ozona, has been promoted from Private First Class to Corporal, Corp. Pridmore is attached to the medical section of a supply squadron at the Oklahoma City Air Depot.

ELECTION CONTEST IS FILED HERE

Kincaid Challenges Kinser In Precinct 4 Write-In Win

Challenging the legality of four of the 22 votes cast for his opponent in a write-in at the general election held Nov. 3, T. A. Kincaid, Jr., Democratic nominee for the office of County Commissioner from Precinct 4, Crockett county, has filed in district court here notice of a contest of the election of E. R. Kinser, incumbent commissioner, whose election has been certified on the basis of a one-vote margin of victory via the general election write-in.

The contest will likely be heard by Judge W. C. Jackson at a special session of the court, the date not yet announced.

Kincaid won the Democratic nomination for the office in the July primary, but in the November general election, Kinser emerged with a one-vote margin in the lead, 22 to 21, all of the votes cast in the Kinser box being for Kinser and all but two in the Watt Turner box being for Kincaid, the other two being straight Republican ballots.

Quoting the Democratic pledge, "I am a Democrat and pledge myself to support the nominees of this primary," which every voter takes when he casts a ballot in the party primary, the contestant's notice charges that "notwithstanding such pledge and in violation of good conscience and fair and honest dealings, the contestee became a candidate at the general election" and set out the plea that the certificate of election of the contestee be set aside and the contestant be declared elected.

On the issue of the party pledge the plea declares:

"That in pursuance to the primary election laws, contestant and contestee participated in the first primary election held in Crockett County in July, each seeking nomination for the office of County Commissioner Precinct 4, and that each such ballot contained the following statutory pledge: 'I am a Democrat and Pledge Myself to Support the Nominees of this Primary.'"

"That the contestant and contestee voted at such primary and each took the above pledge, and that the election resulted in the contestant being nominated for the office. That contestant participated in such primary in good faith and has every reason to believe that contestee likewise participated in such primary in good faith, and contestant believed that contestee would abide by results of such election and would comply with his pledge to support the nominees of such primary in good conscience and as a matter of common honesty they were morally obligated to do. That relying on such facts and upon the pledge which was taken and upon his nomination in the primary election, contestant was lulled into a sense of

Schools Close For Two-Weeks Holiday Period

Travel Difficulties For Teachers Reason For Longer Vacation

School children of Ozona will enjoy a two-weeks holiday period for Christmas this year, it was announced this week by Supt. C. S. Denham.

Schools will be closed on Friday December 18, and will not reconvene until January 4, the superintendent said. A week to ten days is the usual Christmas holiday period for local schools.

The longer holiday period was decided upon this year because of uncertain transportation conditions, giving the teachers more time to travel and return from their homes.

THE EDITORS' THOUGHTS

Rozell Pharr-Florence Luther

All of us are glad that Thanksgiving is here, but let's ask ourselves why we are glad. Some of us are glad because we are going to see that big football game; still others are glad because of the Thanksgiving dinner that everyone enjoys; and all of us are glad because school is out. These things, however, do not create a real Thanksgiving spirit. Some people are arguing that we don't have as many or as much of the things that we had last year, but at that we have a great deal more than most of the people of other countries do. But of course to some people those little things called liberty, and the the right to the pursuit of happiness, don't count!

Most of us look forward to gas rationing with dread. We are asking, "What are we going to do with ourselves?" We can't possibly imagine how we are going to survive with such a little bit of gas that we can't even go to town more than once a day. While we are doing all this griping we never once stop to think about the boys that are giving their lives that we might win this war. Doesn't doing without a little bit of gasoline seem pretty trivial compared to this? We can find other things to do which will probably prove more entertaining and will certainly help the war effort more.

Now that the six-weeks grades are out some of us wish we had put just a little more time in on our lessons and had missed a couple of those shows. Many of us have evidently deposited the worrying about the lessons on the already burdened shoulders of our "worry bird". He takes care of the worries all right, but who is going to take care of our grades?

ASSEMBLY PROGRAM

Thursday's assembly program, under the direction of Miss Anderson was carried out in the form of a radio quiz program. Four O. H. S. students, Louise Bean, Barbara White, Buddy Russell, and Jack Sawyer were called out of the audience to assist in the program. Five questions each were asked each of the contestants, with a 10-cent defense stamp as a prize. When a contestant failed to answer his question correctly, his stamp would be put in the "pot".

What's Cooking?

OWENS-MAYES

The League had a W.P.A. (women pay all) party Friday night. The boys seemed to like it. Wonder why!!!

Boom, bang!!! Don't get alarmed, it wasn't the Japs. It was the boys throwing the girls around Saturday night. Throwing!!!

Doris B. and Baby Hokit went to Alpine and came home sick. Was it the climate, or what was it girls? Oh ho!! A soldier boy from San Angelo came down last week-end to see Louise M. She has also been seen with Jimmy H. quite often. We wonder how all of this is going to work out.

Louise A was wondering what she would do if she died. James C. told her what he would do. Now just what was it, James?

Mrs. Westerman made poor little Virgil blush when she asked him if he had a certain picture out of an Esquire magazine.

Cliff and Susie seem to be making it O.K. Anyway, they are already worrying about each other's Christmas presents.

Letters, letters, and more letters. Zella, whom do you get so many letters from?

There is a very pretty pennant in O.H.S. nowadays. Guess what kind of a pennant. That's right, ball—Champions 1942. Congratulations, football boys. We also congratulate the band and pep-squad for their help.

Margaret is walking on air. She is going to Austin. Well, who wouldn't be now days?

Well, well, what do you know? Jack P. and Vera still seem to be hitting it off O.K.

Little Bill is a "woman hater". Now you know you shouldn't feel that way about the women.

Mr. Denham is very considerate! He really realizes the necessity of gossip in a woman's life. Monday he furnished a gossip room for six girls. (The point was he ran them from two places and finally had to secure a quiet, private place!!)

Aren't boys nose? Doris Bean and Joyce think so. They wanted to put a sign on the door saying "No Boys Allowed" or "For Girls Only", so some boys would be sure to come where they were.

At least twelve people got something out of a week-end party—some bruises, soreness and plenty of jokes!! (Good ones, too.)

Where did John Fussell and Lois Nell Williams get so chummy? Come, kids, no secrets, please!!

It's said that Perry Hubbard dedicated the following lines to Daphne: "I'm thinking of the old days and you, Daphne." Isn't that sweet??

Just when do people (Billy McWilliams) start calling other people (Elaine Oathout) Mrs. Morrison?? Nice going Bill!!!

It's a close race, but we won't take odds. Vera McCaleb and Bertie Sue Brownriggs are the contestants. Jack Parker is the prize. Billie Rose just can't be convinced that Charles Ratliff is "smitten." Come now, don't tell us that feminine ego is no more than that!!!

Muggins can be made to blush, and Charles R. is just the fellow who can do it!!!

When adults (Miss B.) take candy from babies (James C.), maybe the world could be made a better place in which to live!

We can't understand why Elaine and Louise M. don't get along. Maybe J. H. has something to do with it.

Let us in on the secret!!! Why was Mr. K. so embarrassed when a certain boy's name was mentioned!!! Oh, now, just guess!!

B.R.S. adores C. M., so they say. Certainly jealous, too. Of whom, may we ask???

Doris Busby is wearing a very pretty ring on her left hand. Lucky guy proves to be Jack Sawyer.

Some people are generous. In fact, B. R. is very generous—with the girls.

That new Bi-District Championship banner looks really pretty hanging there in the study hall. It just matches last year's except for the interchange of color. Wonder how it'll look next year?—Ethel and her mother certainly know how to show people a good time. The house-party at her ranch was a big success. Of course, the girls are sore, but the boys got their share, too!—Virgil, Rozelle, and Priscilla have something on their minds. Could it be going to Fort Stockton over the week-end? Well, could be!—Thoin! Thoin! Now what in the world is that silly word? Who knows—"Happy" is a jolly little canine. She wasn't mean until Sug got hold of her, though. And what is all the trouble her owner has with her concerning newspapers??—Wonder what Jo Nell Coose was searching for in a "Time" magazine? Must have been interesting, but she never found it.—Red is a beautiful color for some people, but on gray-haired ladies, it isn't too appropriate—After all, there are other colors, too—Chappo Morrison is a most talented poet. Of course his poems don't make sense, but that's beside the point.—In a cold, cold, pick-up, James Chapman can crack some very funny jokes. Accidentally, too. Just ask Joy, if you don't believe me.—Will some one please explain to Roy that chickens aren't the only things that can be plucked?? He didn't believe Margaret when she said her eye brows were plucked.—To conclude, here is hoping we have that basket ball tournament!!!

COACHES ENTERTAINED

The coaches of District 7B were honored with a dinner last Friday night. The freshman girls H.E. class prepared the dinner which consisted of turkey, deer meat, mashed potatoes, creamed peas, dressing, fruit salad, hot rolls, coffee, and mince pie. Those attending the dinner were Coach Hext and Supt. C. A. Reynolds and Asst. Coach Huggins from Eldorado; Coach Albert Murray and Supt. Stringer from Sonora; Mr. Garner, Mr. Sikes, Mr. McDonald, Mr. Kienschmidt and Mr. Denham.

Bi-District Champ Banner Unveiled

The meeting was opened by Mr. Denham, who introduced Rev. L. K. Brown. Rev. Brown then led the group in an opening prayer. After the prayer, Mr. Denham made a few announcements and 'unveiled' the new football banner. The banner reads, "OZONA LIONS, BI-DISTRICT FOOTBALL CHAMPIONS 1942." Mr. Denham announced that Physical Education classes would begin after Thanksgiving holidays. After a few other announcements he turned the meeting over to Rev. L. K. Brown. Rev. Brown then gave an interesting but short talk on "Self Reliance". Following the last announcement by Mr. Denham, the meeting was dismissed.

JUNIOR BAND HONOR ROLL

Because of their efforts and outstanding achievements the following Junior Band students deserve honorable mention: Patsy McDonald, Donald Hoover, Edith Lou Pinner, Billie Joe McDonald.

CAMPUS CAPERS

by West and Meinecke

The W.P.A. party held Friday night in the scout cabin was lots of fun, anyhow the boys for once could dream of ordering steaks and milkshakes.

Ethel Mayes had a week-end party at her ranch. Everyone seemed to have a good time. Did you kill any deer, girls?

The assembly program last Thursday was very clever. Our local "quiz kids" are Jack Sawyer, Louise Bean, Barbara White, and Buddy Russell.

Our new banner has arrived with the words, OZONA LIONS — BI-DISTRICT — FOOTBALL CHAMPIONS — 1942. Every person in Ozona has a right to be proud of this banner.

... while all America gives Thanks for a bountiful harvest in WEST TEXAS

You: Yes, West Texas is contributing much to the war effort. Food, cotton and wool for clothing men in the fighting forces. The whole world can be thankful for a bountiful harvest in West Texas. But, what do you mean, Reddy, "on KP duty"?

Reddy: This is the first wartime Thanksgiving Day. Many people will observe it over the country by working, turning out the weapons of war. Our power plants will be on the job as usual, providing electric service for your home and business, and for Uncle Sam's Army camps and for war industries—

You: I see! On KP duty, too!

Reddy: Yes. Electric service is doing Kitchen Police duty EVERY day. And since the factories that used to make appliances now are doing war work, everybody should take good care of what they've got. Keep them repaired and in good working condition—

You: But suppose they break down... repairmen are hard to find and new parts are scarce.

Reddy: In that case, call the West Texas Utilities. Our service department has arranged to help out in emergencies.

You: Thank you, Reddy. I guess we can be thankful for you, too!

Reddy: Well, we can ALL be thankful for the American system of FREE enterprise under which any man or woman is free to create a business that fills a particular need in this or any other community, just so long as they give the best possible service at the lowest possible cost to the most people, pay taxes in support of the government, and contribute to the growth and development of the community.

You: Right! That's the West Texas way... the American way... of doing business!

ELECTION

(Continued from Page One)

security and relied, as he had a right to rely, upon the good conscience and moral obligation of the contestee that he would not oppose contestant at the general election, but would support him as he had pledged to do.

The petition further declares that "most if not all of the voters casting votes for contestee had likewise participated in the first primary election and had taken the pledge as above set out and but for such violation of the pledge on the part of contestee and other voters, contestant would have been duly elected to the office."

In specifically challenging the four votes, the petition declares

that "in truth and in fact contestant received a majority of the legal votes cast." Votes of J. W. Munsell and Gerald Cozby were challenged as illegal on the ground that neither had obtained a poll tax exemption certificate prior to Feb. 1 as required by law and that Cozby was not 21 years of age on Jan. 1, 1942, and had not lived in this state one year prior to the general election, and were, therefore not qualified voters.

The vote of R. R. Hoover was challenged on the ground that he was not a resident of the precinct and therefore not qualified to vote in that precinct and the vote of Jake Young was challenged on the ground that he "did not cast a free and untrammelled vote but was influenced, persuaded and, in fact, intimidated" and declares

that "had it been of his free choice that he would have cast his vote for the contestant."

WILSON IS MAJOR

Woodrow Wilson, son of Lee Wilson of Ozona, has been promoted from the rank of Captain to Major in the U. S. Army. Young Wilson, graduate of West Point, was an outstanding football player both in his high school and college days and later as a cadet at West Point. He was recently transferred from the 8th Engineers at Indio, Calif., to become an instructor in West Point.

R. L. Flowers and Houston Smith have returned from a business trip near San Antonio.

Miss Margaret Rue and Miss Mary Riddle spent the week-end in San Antonio having carried a crippled boy to the Santa Rosa Hospital for treatment.

Mr. and Mrs. Joe Oberkamp were in Dallas on business the first of the week.

John and Roy Coates and Philip Schneemann met Corporal Dennis F. Coates in Abilene Wednesday night. Corporal Coates, stationed at Ft. Sill, Oklahoma, will be here for the Thanksgiving holidays with his parents, Mr. and Mrs. Fleet Coates.

The Hubert Bakers have moved from the Welton Bunker home to the Longely house nearer town and the school.

WARNS DOG OWNERS

A warning to dog owners to keep their animals off the streets was issued this week by Mrs. W. S. Willis, Crockett county sheriff. Dogs have congregated on the downtown streets and on the school grounds in recent days and unless the canine gangs are broken up, the animals will be shot, Mrs. Willis declared.

A. C. John Childress, in training at San Antonio, spent last week-end here visiting relatives.

Mrs. Winnie Fox of El Paso and Mrs. Chris Hagelstein of San Angelo are here for a visit with relatives. Mrs. Fox and Mrs. Hagelstein are sisters of Early and Bright Baggett and Mrs. Hagelstein is the mother of Ele and Fred Hagelstein.

Mr. and Mrs. Clay Adams and two daughters of Fort Stockton are here for a visit with Mrs. Adam's mother, Mrs. S. B. Phillips, and other relatives.

Mr. and Mrs. Bill Grimmer of Winfield, Iowa, and Mrs. Robt. Meybin from Gulfport, Miss., are here to be at the bedside of Judge Charles E. Davidson, who is seriously ill at his ranch home south of Ozona. Mrs. Grimmer and Mrs. Meybin are daughters of Judge and Mrs. Davidson.

Staff Sergeant Elwood McWilliams, of Camp Edwards, Mass., son of Mr. and Mrs. Earl McWilliams, spent five days with his mother, returning Monday. McWilliams spent ten days of his fifteen-day furlough traveling here and back.

THANKSGIVING DAY

The United States and Canada have set apart a day to celebrate Thanksgiving, and to give thanks to God. A feast is also held to celebrate a fine harvest.

The first Thanksgiving in the New World was held in the Plymouth colony. The colonists dreaded the first winter because of the cold, and more than half of the people died. In the fall of 1621, the corn crop was gathered, Gov. Bradford decreed a day for Thanksgiving. The few women and children cooked many days making ready for the feast. They had as their guests more than eighty friendly Indians who brought turkeys and venison as their share of the feast.

From Plymouth the custom of Thanksgiving spread to other colonies until all the governors proclaimed an annual holiday. During the Revolutionary War, eight special days of Thanksgiving were observed, when the peace was observed. Then President Washington issued a day of Thanks in 1789. And in the same year, the Protestant Episcopal Church of America announced the first Thursday in November as an annual day for giving thanks. And this year we have more to think about and more to be thankful for than ever before. Over the holiday think about what Thanksgiving means. It is more than just turkey, hunting, and a holiday.

THINK ABOUT IT.

Mr. and Mrs. Alvin Harrell are attending the Texas A&M-Texas U. grid classic in Austin today. They plan also to see the TCU-SMU game Saturday.

Mrs. Ben Lemmons, Miss Betty Bratcher, Miss Marian Cunningham, Miss Margaret Russell, Rosalie and Bernard Lemmons went to Austin Wednesday afternoon to see the Texas-A&M game.

Stanley Lemmons, who is attending A&M College, and Bobby Lemmons, who is a student in Texas U., will return with them for the week-end.

Joe Williams and Joe Couch, both in the Air Corps ground crew stationed in San Angelo, were on furlough early this week for a deer hunt.

Mr. and Mrs. Jack Baggett, spent Sunday with Mr. and Mrs. E. B. Baggett, Jr. Jack is in the Air Corps stationed at the San Angelo Bombardier School.

Mr. and Mrs. Dock Lee returned Wednesday from their wedding trip through the lower Rio Grande Valley. Mrs. Lee is the former Miss Frances Sprawls.

A SKEPTIC VIEWS FOOTBALL

Besides burning leaves and watching the smoke curl in the windows of your neighbor's house, football is the most interesting and most thrilling sport fall offers. It is played on a field a hundred yards long and sixty yards wide. Each team has eleven players which are always trying to see who can knock each other down. The object of the game is to carry the ball across the goal line from center. Usually the ones who are the greatest fools are the ones who carry the ball. They are supposed to stay on their feet as much as possible. The others can lie down on the ground and keep from being run over, but not the ball carriers.

At the average college football games there are usually fifty thousand fans. Forty-nine thousand, nine hundred and eighty three are people who are always saying they can call better plays than the quarterback. The other seventeen fans are brothers, sisters, mothers, fathers, and sweethearts of the quarterback.

The team that wins is that team which has the most points. When a team makes a touchdown the pep squad yells, "Yea team, Yea team--Boom." The people hollering for the other team say "Why in the (?!?!?!?) didn't you stop that '8%?e/ guy?" Really, the yells and roars are the most interesting part of the ball game.

When the game is over the crowd all runs down to tear the goal posts down. Usually all people get from the goal posts are a

handful of splinters.

But after considering the facts about the crowd and the way it acts, it would be safer to stay home by the fireside and listen to the game via radio.
