Tragic Mishap Takes Life Of Nikki Scheel, 2

Child Dies Instantly When Thrown From Moving Car

Tragedy again stalked the highway east of Ozona Friday night when little Nikki Scheel, 2-year old daughter of Mr. and Mrs. Alvin R. Scheel, was instantly killed in a fall from a moving car at a point about nine miles from Ozona.

The child, riding in the back seat with her mother in a car driven by R. E. Caswell, accidentally opened the door while the car was traveling at around 40 miles an hour. The force of the air blast whipped open the door, pitching the child to the pavement. She was dead by the time Mr. Caswell could stop the car and run back to where she had fallen.

Mr. and Mrs. Caswell and their infant son, and Mrs. Scheel and Nikki had gone to the inn 15 miles east of Ozona for supper. Both Mr. Caswell and Mr. Scheel are employed at the Texas New Mexico Pipe Line Co. station eight miles west of Ozona, and Mr. Scheel was on duty until late and joined the party after quitting work. He was following the Caswell car on the return to town and arrived on the scene a few seconds after the accident. The child's body was thrown clear of the pavement and was picked up in the ditch beside the highway.

Funeral services were held from the Methodist Church here at 3 o'clock Sunday afternoon, the Rev. Eugene Slater, pastor, officiating. Burial followed in Cedar Hill cemetery, with Joe Oberkamp's funeral directors in charge of arrangements. Pallbearers were Slick Miller, Rowland Allard, Griffin Miller and R. J. Adams.

Mr. and Mrs. Scheel have made their home here the past three years. They live at the pump station.

Equipment For New Telephone System Ordered

Delivery Expected In June, Woman's Club Head Advised

Equipment for modernization of Ozona's telephone exchange has been ordered but delivery can not be effected until about the middle of June, according to advice received here the middle of the week by Mrs. W. E. Friend, Jr., president of the Ozona Junior Woman's Club, organization which adopted as its year's project the campaign for improvement of the local telephone exchange.

In a letter to Mrs. Friend, John Y. Rust, president of the telephone company, announced that the order had been placed for the new equipment for the local exchange to change it from the present manual signal system, to the automatic or common battery system which signals the operator by removal of the receiver and rings the number connected automatically until the called party answers.

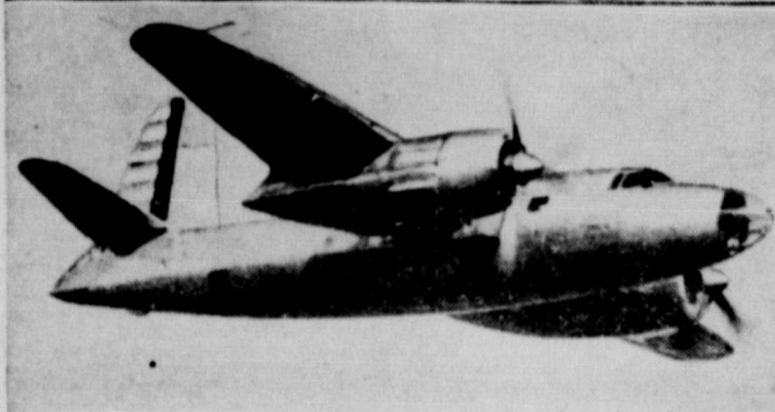

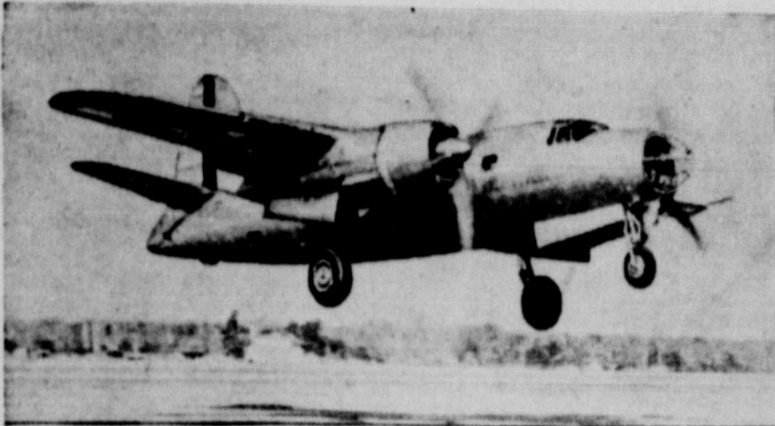

The new equipment can not be shipped before June 10, Mr. Rust advised, the delay being occasioned by the fact that the factory is rushed with defense orders.

"We are very proud of another progressive move on your part, and on the part of your ladies organization and the business men of Ozona," Mr. Rust wrote. "We feel sure you will all have every reason to point to your accomplishment with pride."

"We wish to thank all of you for your efforts and cooperation, and shall hope to complete installation, if possible in June or early July."

Mrs. Everidge Davidson was ill several days last week as the result of an infection.

Wink To Be New Entry In Ozona Cage Tourney

Twelve Teams Square Off In Two-Day Event Next Week

A newcomer in the line-up of teams entered in the tenth annual Ozona basketball tournament which will be tapped off with the opening round of hostilities on the local gym court Friday morning of next week, will be the fast Wildcats from Wink, Texas. The Wink quint has filed application for a place in the line-up and has been accepted.

Twelve teams, the usual number to enter the local tourney, are entered for the two-day competition. Drawings will be held at 1 o'clock Monday afternoon for the pairing in the opening rounds of play slated Friday. Representatives of the participating teams have been invited to be present for the drawing, to be held at the Ozona National Bank.

The twelve teams to compete in this year's tourney are Ozona, Sonora, Fort Stockton, Christoval, McCamey, Rankin, Rocksprings, Junction, Grand Falls, Big Lake, Iraan and Wink. McCamey is the defending champion team this year.

Clyde Parks, coach at Fort Stockton, will officiate in the games, with Guinn Carruthers and L. B. Sikes of Ozona assisting. The usual handsome trophies are to be awarded the winner and runner-up team in each bracket, with fifteen gold basketball charms to be awarded the all-tournament teams, outstanding players and coaches.

Two exhibition games will be features of the Saturday schedule. The annual game between picked teams of coaches from the schools represented will be a highlight of the closing afternoon's schedule. The Ozona girls volleyball team will also be matched in an exhibition game, with the Big Lake girls.

Ozona Basketball, Volleyball Teams In Big Lake Meet

Ozona High School basketball and volley ball teams will enter the Big Lake tournament to be held Friday and Saturday of this week, according to announcement of school authorities yesterday.

The Ozona boys basketball squad will meet the Crane team in the tourney opener at 8 o'clock Friday morning. The girls volley ball team will play Saturday morning. Drawing had not been completed yesterday in this division and the local girls had not learned who their opponent will be.

Big Lake Grid Team May Join Dist. 8B Loop

District Heads Confer Today In Sonora To Decide

Application of the Big Lake Owls for entry into District 8B football competition effective with the opening of the 1941 season schedule will be heard and probably final action taken on the application when superintendents of the seven schools now composing the district meet in Sonora this afternoon (Thursday).

The Big Lake school has withdrawn from District 7B in which it has been competing for the past several years, the withdrawal having already been approved by the district heads. Local school officials considered it likely that the school would be admitted to this district when the application is heard by the district committee, composed of superintendents of the member schools. The session is to be attended by Supt. C. S. Denham and Coach Dan Patterson of the Ozona High School.

The matter of the 1941 schedule will also be discussed at the meeting in Sonora, it was announced. Teams now composing District 8B include Ozona, Sonora, Eldorado, Junction, Rocksprings, Menard and Mason.

Scout Investiture Service Tonight To Induct New Scouts

Around a dozen budding Boy Scouts will become full fledged Tenderfoot Scouts at an investiture service at the Scout Cabin tonight, it has been announced by Leslie Nance, neighborhood Scout Commissioner, and Scoutmaster Guinn Carruthers.

Members of the local Boy Scout Committee will meet at the Methodist church at 4 o'clock this afternoon with Paul M. Ireland, field executive, to be present. The committee members and Mr. Ireland will then meet at the Scout cabin at 6:30 for the investiture service. Several of the Scout mothers are preparing refreshments for the Scouts to follow the investiture ceremonies.

From the Scout cabin the boys and the Scouters will go in a body to the Methodist church for the evening's revival services.

Mr. and Mrs. Doug Kirby are the parents of a daughter born here Tuesday night. The little miss, named Jill Kirby, weighed in at seven pounds.

C. S. Denham Is Re-Elected To Post Of Supt.

School Head Named To Serve Eighth Year In Position

C. S. Denham, who is serving his seventh year as superintendent of Ozona Public Schools, was re-elected for his eighth term at a meeting of members of the board of school trustees at the Ozona National Bank Monday afternoon.

Mr. Denham has been connected with the local school system for the past thirteen years, being elevated seven years ago to the superintendency to succeed John L. Bishop, resigned.

The board named Scott Peters to a committee with power to sell the east section of the old Mexican school building for the highest price obtainable. Another matter coming before the board was the application of Miss Rebecca Anderson for a leave of absence because of ill health. Miss Anderson was given a leave of absence until next September, the leave being contingent on her physical condition as of May 1, 1941. The board voted to purchase and install a picture of Judge Charles E. Davidson in the high school building. A picture similar to that recently set up in the county clerk's office is to be secured.

Baptist Brotherhood Elects Officers At Tuesday Night Meet

New officers of the Baptist Brotherhood were elected by that organization at its regular meeting at the church Tuesday evening.

C. S. Denham was named president of the group; Dr. J. A. Sherburne, vice president and program chairman; Ben Williams, membership chairman; Leslie Nance, activities chairman; Claude Curtis, treasurer and press reporter, and M. E. Corbell, chorister.

Talks were made by Rev. Clyde Childers on "Purpose of the Brotherhood," by Roy Keith on "How to Make a Success of the Brotherhood" and by Ben Williams on a summary of what the Brotherhood can do in church work.

Games of dominoes and ping pong were enjoyed after which coffee and doughnuts were served.

The next meeting of the Brotherhood will be held Tuesday evening, February 4. At the meeting a business session will be held at the church to be followed by an hour and a half of bowling at the bowling alleys.

UNIVERSITY INSTRUCTOR

Joe Rape, son of Mr. and Mrs. I. G. Rape of Ozona, a student at Baylor University in Waco, has been appointed to a post as instructor in the science department at the university, according to word from University authorities. The young Ozonan has an office in the main building at the school.

Mrs. Jake Short is here from her home near Hunt for a visit with her sisters, Mrs. Floyd Henderson and Mrs. Scott Peters.

ITIO To Drill 2,000 Foot Test On Roy Henderson Land

Preparations to drill a wildcat oil test on the Roy Henderson ranch, 14 miles southwest of Ozona, were being made this week by the Indian Territory Illuminating Oil Co. of Bartlesville, Okla.

J. A. Deffeyes, superintendent for the ITIO, is here to supervise start of the test. Pits and cellar were being dug Wednesday preparatory to spudding the test with a National machine sometime late this week.

The well is to be drilled to a contract depth of 2,000 feet unless production is obtained at a lesser depth. Sidwell and Meyers of Midland have the drilling contract.

Location is 300 feet from the east and 2,310 feet from the south line of section 33, block ST, 6C and SF. It is 14 miles southwest of Ozona and 10 miles from nearest well. ITIO owns a 3,000-acre block of leases around the location.

Teacher Given Absence Leave Rest Of Year

Ill Health Forces Miss Anderson To Quit; Name Successor

Ill health has forced Miss Rebecca Anderson, public school music teacher here, to ask for a leave of absence from her teaching duties for the balance of the present school term. The school board in session here Monday granted Miss Anderson a leave of absence until next September contingent on her condition as of May 1 this year. If Miss Anderson's condition has improved enough on that her leave of absence will be effective until the opening of school next fall.

Miss Anderson underwent an operation for appendicitis about two months ago and complications following the operation forced her to relinquish her post for that period. Her physician gave his consent for her to return the first of the year, but it was found that she had no recovered sufficiently to carry on the work. She left Sunday to return to her home at Weatherford where she will remain the balance of this year.

Miss Rut' Stuart of Plainview has been selected as Miss Anderson's successor. Miss Stuart has been employed for the remaining four months of the present year. She has completed all work for a Bachelor of Science degree in music from Texas State College for Women at Denton and will receive her degree with the class next June. Miss Stuart arrived Tuesday to take up her work here.

Norris Pogue, small son of Mr. and Mrs. J. P. Pogue, is seriously ill this week with an attack of asthma.

\$75,000 BOND ISSUE UP FOR VOTE FEB. 21

Directors Order Election On Water Works Bonds

TO BUY SYSTEM Newly Created Water District To Assume Indebtedness

Whether or not the newly created Crockett County Water Control and Improvement District No. 1, embracing the area occupied by the town of Ozona, shall issue bonds in the sum of \$75,000 for the purpose of buying the local water works system and making improvements and extensions to the plant will be decided by the qualified voters in the district in an election to be held February 21.

Order to this effect was passed by the board of directors of the district in a meeting last Friday and publication of the election notice as required by law begins in this issue of The Stockman.

The election to decide the question of issuing bonds was ordered following approval of creation of the district by voters who cast their ballots in an election held (Continued on Last Page)

Growing Interest Is Manifested In Methodist Meet

Rev. John Donaho Making Strong Appeal In Daily Services

Increasing attendance at each successive service bespeaks the growing interest being manifested by members and friends of the church in the revival meeting now in progress at the Methodist Church, Rev. Eugene Slater, pastor, declared yesterday.

Preaching is being done by Rev. John Donaho, pastor of Oak Lawn Methodist Church in Dallas. Rev. Donaho is possessed of a charming personality and his scholarly, logical sermons are making an appeal to the growing crowds who hear him at the twice daily services.

Adding much to the interest of the meeting is the leadership of the Rev. Milton Bohmfalk, pastor at Mertzon, in the song services at each meeting.

Services are to be held at 10 a. m. and 7:30 p. m. each week-day, including Saturday. Rev. Slater announced, and a cordial invitation is extended the entire community to share in the services. The meeting will continue through Wednesday of next week, January 29.

Another Crockett Draftee Called Up To Report Feb. 11

Crockett county Selective Service Board has received notice of the first February call for men for Uncle Sam's army. Crockett county will be required to send one man in that call, the seventh to go from this county.

Actually two men will go in the February draft by reason of the fact that one of the five sent this month was not accepted at the induction station at Fort Bliss, El Paso. Joe Hernandez, one of the five men sent to El Paso last week, was turned down, and the local board will be called upon to fill his place with another draftee at the next call.

The other four men, Tom Adams, H. L. Manley, Hector Vargas and Albert Tijerina, were inducted into the service January 16 when they reported at El Paso.

Enough volunteers still remain on call at the local board to supply the two men necessary to fill the February 11 call. However, that call will almost exhaust those on the waiting list for induction.

HOW MANY JOBLESS? ...

The 1940 census, which was the first official check-up on unemployment, indicates the situation was not quite so bad as has been generally assumed. As of last March, the census shows that out of 52,840,000 workers, only 5,110,000, who were seeking work, were out of a job.

Thanks for Eden ...

Disappointment of Americans over the appointment of Lord Halifax as American ambassador is assuaged by the choice of Anthony Eden as foreign secretary in the Churchill cabinet.

Crystelle Carson And James Robert Childress Are Wed In Pretty Church Ceremony Here Saturday Afternoon

Before a flower-banked altar at the First Baptist Church here Saturday afternoon, Miss Crystelle Carson, daughter of Mr. and Mrs. Ira M. Carson, became the bride of James Robert Childress, son of Mr. and Mrs. Lee Childress.

Rev. Clyde Childers read the impressive nuptial rites amid a lovely setting of white blossoms and candles set against a wide green drapery at the baptismal font. The choir rail was festooned with smilax and marked with white tapers, and in the center was a large basket arrangement of calla lilies, and on either side of this were two large multi-branched candelabra with tall white tapers. At the end of the choir railing were other candelabra with white tapers. At the chancel steps, beneath the candelabra, were other basket arrangements of white calla lilies. White runners extended down the two church aisles.

Miss Lois Fullen of Beaumont, roommate of the bride at college, played "Evening Star," "Love's Greeting" and "Trauerie" before the ceremony, and accompanied Mrs. John W. Henderson who sang "Because" and "All For You" and Miss Fullen played the traditional wedding march and played softly during the ceremony.

Bill Childress served his brother as best man. Groomsmen were Phillip Lee Childress, another brother, Max Schneemann, John Childress, Martin Harvick, Taylor Deaton and Joe Tom Davidson.

Miss Eloise Carson, sister of the bride, was maid of honor. Bridesmaids were Misses Mary Frances West, Mary Alyce Smith, Posey Baggett and Catherine Childress, all of Ozona, and Misses Vivian Love Pierce of Lindale and Madeleine Drury of Calvert.

Bridesmaids were gowned alike in tulip white faille taffeta frocks, fashioned with diagonally cut sweetheart necklines, and full, puffed sleeves made tight at the elbow. To the tight fitted basque waist was gathered the enormously full wide skirts of the faille, adorned with a formal decor of self braid embroidery, in harmony with the decor that marked the neckline. The skirts swept into walking trains at the back. They wore little tulle bowknots and fresh flowers in their hair, the tulle a lovely shade of blush rose, matching their slippers, and the tulle which was puffed around their arm bouquets of pink ranunculi. The maid of honor wore a bowknot of slightly deeper rose tulle, and her slippers and the puffs of the illusion of her bouquet of ranunculi were also of the deeper rose shade.

Little Miss Lynda Dell Carson, cousin of the bride, was flower girl. She wore a dainty frock of shell pink net, with tiny basque, puff sleeves, and a full skirt, over taffeta petticoats. The dress was trimmed with tiny velvet ribbons, and she carried a basket of pink flowers.

The bride, who entered with her father, wore a wedding gown of bridal white duchess satin, fashioned with a sheer yoke of illusion, edged with a wide cording of shirred satin. The sleeves were full at the shoulders and became long and tight fitting. The basque waist was slim-fitting, and to this was gathered the extremely full wide skirt, which extended into a very long, oval train. She wore a little tiara of seed pearls, and to this was gathered a band of wide ruching of the illusion. Her train veil was very long, extending past her dress train, and over this was a short cascading circular veil. She carried a cluster of white orchids and valley lilies, with streamers of bridal ribbons, tied with valley lilies. Her only jewels was a strand of pearls, gift of the groom.

After the wedding a reception was held at the home of the bride's parents. The rooms were beautifully appointed with calla lilies. Greeting the guests at the door was Mrs. Alice Baker, and in the bridal receiving line, which stood before the large bay window, were Mrs. Carson, Mr. and Mrs. Childress, the bride and groom and bridesmaids, Miss Lois Fullen and Mrs. J. W. Henderson. Receiving in the gift room were Mesdames Phillip Childress, Joe Davidson, Billy Childress, and W. E. Friend, Jr. Miss Helen Guynes of Calvert was in charge of the bride's book. Mrs. V. I. Pierce played softly throughout the reception.

Mrs. Carson wore an ensemble of Treasure Isle blue sheer woolen, a simple tailored dress, worn under a beautifully fitted princess coat, adorned with trapunto work on the bodice. Her hat was of navy Milan, and her accessories

MRS. JAMES ROBERT CHILDRESS

were in navy. She wore a corsage of pink carnations. Mrs. Childress wore a lovely gown of black, with old lace, and a black Lily Dache hat. Her gloves were white, and she wore a corsage of talisman roses.

The bride's table had at its centerpiece a triple-tiered wedding cake, with a heart shaped cake on either side. These were connected by streamers of white bridal ribbons, falling from the arch of valley lilies on the top tier. Serving the cake were Mrs. Wayne West, Mrs. Hugh Childress, Mrs. Massie West and Mrs. S. M. Harvick. Assisting in the serving were Misses Billy Jo West, Helen Mayes, Mary Frances Bean, Louise Bean, Joyce West, and Johnny Boyd, Mesdames Tom Smith, Fred Deaton, Evert White, Stephen Perner, Marbury Morrison, Walter Childress, Max Schneemann, W. E. West and Geo. Bean.

For travelling the bride wore a dusty pink sheer woolen ensemble. The fitted dress, of cameo pink, was fashioned with darts at the shoulders. Her long square-cut coat was trimmed with full length bands of beige fox. She wore a cameo pink turban, and accessories of Pampas beige Lagarto lizard and a corsage of orchids.

After a wedding trip, Mr. and Mrs. Childress will be at home on the Childress ranch near Ozona.

The bride is a graduate of Ozona High School and attended Baylor University in Waco, where she was a member of the Symphony in White Glee Club, the Phi Mu Club and the Peer Club. Mr. Childress is also an Ozona High School graduate and attended Southern Methodist University in Dallas and the University of San Antonio. He pledged Kappa Sig.

Among the out-of-town guests here for the wedding were Misses Lu Ella Futrell of Gilmore, Ernestine Dedman of Gilmore, Helen Guynes of Calvert and Joan Shambaugh of Houston, Mrs. Jake Short of Hunt, Mrs. Charlie Black of Big Lake, Mr. and Mrs. Howard B. Cox of San Angelo, Mrs. Bob Weaver of Balmorhea, Mr. and Mrs. Walter Childress, Mrs. Grady Mitcham of San Angelo, Mrs. Beecher Montgomery of Houston, Mrs. Embree Hunt of Houston and E. B. Carson of Dryden.

Jim Patrick visited here briefly Monday and returned to Del Rio where he and Mrs. Patrick have been visiting the past month with their son-in-law and daughter, Mr. and Mrs. W. A. Smith. They have also spent some time visiting with another daughter, Mrs. Clara Dryden in Carrizo Springs.

Mrs. J. L. Hicks, who underwent an emergency operation in a San Angelo hospital last week, is reported considerably improved this week. Mrs. Hicks had suffered a ruptured appendix and her condition was considered grave for a time, but her rapid improvement was reported early this week.

Dinner And Dance End Round Parties For Bridal Couple

Last of the round of pre-nuptial parties honoring Crystelle Carson and James Childress, whose marriage took place Saturday afternoon at the Baptist Church here, was a dinner given for the bridal party Friday night at the Carson home.

Calla lilies were used in house decorations. Included besides the honored couple were Misses Mary Frances West, Posey Baggett, Mary Alyce Smith, Catherine Childress, Eloise Carson, Madeleine Drury, Helen Guynes of Calvert, Lois Fullen of Beaumont, Lovey Pierce of Lindale, Lu Ella Futrell and Ernestine Dedman of Gilmore, Mrs. J. W. Henderson, Mr. and Mrs. Phillip Lee Childress, Mr. and Mrs. Bill Childress, Mr. and Mrs. Joe Tom Davidson, Mr. and Mrs. Lee Childress, Mr. and Mrs. S. M. Harvick, E. B. Carson and Linda Dell of Dryden, Max Schneemann, Jr., John Childress Taylor Deaton, Martin Harvick, Boyd Baker, Bill Carson, and Rev. and Mrs. Clyde Childers.

Mrs. J. W. Henderson honored the bridal pair with a barn dance at the Hotel Ozona Thursday evening. A rural setting was obtained with bales of hay, wash tubs, wagon wheels, wheel barrows, saddles, sacks of feed, garden tools and the like. Prizes were given for the best looking boy and girl, L. D. Kirby receiving a chicken when selected and Miss Elizabeth Coose a dozen eggs.

Partners were chosen from a grab bag of toy animals, each couple matching animals and each being required to give an imitation of the selected animal. Sandwiches, cup cakes and coffee were served.

Present besides the honored couple were Taylor Deaton, Virginia Anderson of Juno, L. D. Kirby, Georgia Williams, John Henderson, III, Joan Shambaugh of Houston, Roland Allard, Jeanette Smith of Barnhart, Martin Harvick, Lib Coose, Bill Seahorn, Frances Sprawls, John Bryant, Lurinne Townsend, Eloise Carson, Phillip Schneemann, P. C. Perner, Ray Boyd, James Franks, W. S. Chapman, Max Schneemann, Jr., Mr. and Mrs. Early Chandler, Mr. and Mrs. Phillip Lee Childress, Mr. and Mrs. Jack Wilkins, Mr. and Mrs. Vic Montgomery, Mr. and Mrs. Joe Tom Davidson, Mr. and Mrs. James Baggett, Mr. and Mrs. Tom Owens, Mr. and Mrs. Lee Childress, Mrs. Joe Davidson and Mrs. Ira Carson.

Mr. and Mrs. Bob Neal have returned to Ozona to make their home for a time. Mr. Neal is employed by the Texas-New Mexico Pipe Line Co. and has been transferred for a few weeks to a station eight miles west of Ozona.

Behind The Scenes In American Business

By John Craddock

NEW YORK, Jan. 22—BUSINESS — President Roosevelt's talk outlining the need for vastly expanding the scope of our aid to Britain—and the wide public acceptance which that point of view seems to have won—make it quite clear the U. S. is well along toward an "all-out" war effort so far as its economics of procurement, production and distribution are concerned. That doesn't mean the War and Navy departments will take charge of everything. So far as is possible, it will be left to the "price mechanism" of our economic set-up to steer commodities into ultimate consumption, whether military or civilian.

BUT: It does mean a change in the normal standards by which business decisions are reached. Instead of the usual question whose answer determines the undertaking or shunning of a new enterprise, or a new method, namely: "Will it net me a profit?" the course in such decisions now will be determined by the answer to: "Will it help to implement and expedite defense (or war) production?"

EVERYONE has recognized that national defense has in recent months become the overwhelmingly dominant factor in American economic life. But events of the last week or so have, so to speak, made it "official." At the same time has come official embracement of the point of view long held by industrial leaders, that we cannot hope to do an adequate job of girding for war (or even defense) and at the same time maintain a "business as usual" pace in all non-defense pursuits.

PEANUT PUSH—Without benefit of circuses or baseball games, Uncle Sam's 30,000 peanut growers expect during the week of January 23-29 to entice American consumers into eating 250,000 tons of peanuts—approximately five pounds to every man, woman and child in the nation! This mass "peanut push"—officially known as National Peanut Week—is designed to move the largest crop ever produced—over 1,511,600,000 lbs. Main force in moving this mountain of peanuts will be chain

207th Coast Artillery Called to Colors

The snappily attired officers of the 207th coast artillery, anti-aircraft (mobile) New York National Guard, stand at attention during the farewell dinner tendered at the Waldorf-Astoria hotel, New York city, December 15. They will see service with Uncle Sam's army. The dinner was given by the veterans of the Seventh regiment and the Seventh regiment New York Guard.

stores, originators of the drive, while many individual retailers are expected to assist. Peanut vending nowadays is no mere matter of keeping an array of slot machines filled and the pennies collected therefrom, for more than 300 useful products are now derived from the once-insignificant bean—including cheese, candies, instant coffee, pickles, oils, shaving lotions, dyes, lard, linoleum, flour, breakfast foods, soap, face powder, shampoo, printer's ink, and even axle grease!

SPECIAL HANDLING — Municipal debt limits that are "based arbitrarily on assessed valuation" failed to save hundreds of cities and towns from plunging into debt during the prosperous 1920's—a condition from which many have not yet recovered—says Mrs. Melville Muckleston, president of the National Consumers Tax Commission. She is urging other states to follow the lead of North Carolina, which has set up a special commission for handling of municipal debt. Called the Local Government Commission, the body is empowered to fix special limits for each local government individually, and to pass upon all new and local bond issues, notes, and refunding. The NCTC leaders advise her members to favor bills which would establish such commissions in their states.

Of Former Ozona
Girl Is Published**

The first issue, Volume 1 Number 1, of the Junior Historian, new publication of the Junior division of the Texas Historical Society, just off the press, contains an essay written by a former Ozona girl, Miss George Ann Kirby, now of Lometa.

The essay, written during last school year, is an interview with the late Captain James B. Gillett of Marfa, father of Mrs. Lee Wilson of this city. The particular incident related by Captain Gillett and recorded by Miss Kirby for entry in the statewide Junior historian essay contest concerned a chase by the early-day Texas Rangers of a band of marauding Apache Indians in the border country of Texas. The essay is titled, "I Took Careful Aim."

**Trucking Industry
Paid \$9,297 Taxes
To County In 1940**

AUSTIN, January 22.—The Texas trucking industry last year paid taxes to Crockett county amounting to \$9,297.64, Lynn B. Shaw, general manager of the Texas Motor Transportation Association, reported today.

Shaw said the amount represented \$7,096.84 for highway construction and maintenance, and \$2,200.80 for the public schools of Crockett county. For each scholastic in the state, the truckers paid \$2.80, an increase of 31 cents over the previous year. An amount equal to the school fund was distributed to counties to absorb bonds for road building purposes.

For highway and school purposes alone, the Texas trucking industry last year paid taxes in excess of fourteen million dollars.

Brick work is being done on the new home being erected here for Mr. and Mrs. Hillery Phillips.

Coming to the Ozona Theatre today and Friday is "Second Chorus," featuring Fred Astaire and Paulette Goddard.

**Tyrone Power In
"Mark of Zorro" At
Theatre January 30**

Through the night rides a masked adventurer... the jagged mark of his sword striking terror to every heart but one!

In the most famous and colorful of all screen roles Tyrone Powers brings to thrilling life the exploits of the celebrated bandit in his latest starring picture for 20th Century-Fox, "The Mark of Zorro," which opens Jan. 30th at the Ozona Theatre.

Boasting the most spectacular action and sword play the screen has seen in many a moon, Power's role is crammed with hard-riding,

furious fighting, ardent romance and highlighted by an unforgettable realistic duel with Basil Rathbone. And according to all reports Power scores the greatest triumph of his career.

Featured with Rathbone at the head of the brilliant supporting cast is lovely Linda Darnell as the fairest senorita in Old California, who gives her love to Zorro.

We're Ready to Serve Uncle Sam

-But We're Not Forgetting You!

It has been asked:

How soon can the electric industry prepare?

The question was answered by a noted editor who wrote:

"When there is a big job to be done, it is logical and sensible to assign it to hands that are willing, ready, able and experienced. . . This is directly applicable to the problem of electric power for defense. The willing hands in this case are your everyday friends and acquaintances. . . the men and women, working under a system of private initiative and enterprise, who operate your service company. Their experience and ability cannot be questioned. . . They are ready NOW."

The United States today has more than 40,000,000 kilowatts of generating capacity—50 per cent above demand—of which 90 per cent is privately owned by people who invested their savings in sound business enterprise. By way of comparison, Germany, England and France each have less than 9,000,000 kilowatts.

Not only is power for defense assured by this capacity, but it is further guaranteed by interconnections and integration—started 30 years ago and bringing electric service in West Texas and the nation to

a higher peak of EFFICIENCY and ECONOMY THAN ANYWHERE ELSE IN THE WORLD. Jobs are provided 275,000 men and women, every one of whom is fully trained in some special post necessary to producing and distributing power. The industry is paying \$400,000,000 a year in taxes supporting the various local, state and federal governments and school and highway systems.

Guiding Your Electric Servant are capable, willing hands—your assurance of plentiful, cheap electric service.

Electric Power..and Man Power, too

We've prepared in advance to help Uncle Sam with electric power *without peril to our service to you.* And we are contributing manpower for defense as well. Twenty-three of our men already are in uniform. Those left behind are "carrying on" without impairment of service to you.

Summary of a recent survey among our thousand employees shows that as of January 1:

- 23 had entered service (8 as commissioned officers)
- 7 are reserve officers awaiting call
- 27 are eligible draftees awaiting immediate call
- 315 are within draft age
- 87 are veterans of first World War

ATHLETICS—STUDIES

By ArmentROUT

"I haven't time to come out for athletics; I am too absorbed in my studies," said a certain pupil in high school.

The above statement is used over and over again as an alibi for a student's not entering into any kind of athletics or clubs.

"If you know what you want to do and what you don't want to do, you have a head-start on the other fellow," remarked Mr. Guinn Caruthers.

It is a good thing that some students take the attitude that they do about studies. But, do these pupils study, actually, or do they loaf?

The busiest man in a community is usually the most dependable man. I know of several students who are making good grades in their lessons; yet the same students are participating in athletics, band, club, etc. These students are dependable. I don't believe that athletics over-lap with any other phase of school work, unless the person who is having a hard time is loafing. I am not begging anyone to start athletics. I am merely pointing out the mistake of not participating in something instead of school work! I am only telling you that there are many opportunities to have fun as well as to serve the school. For instance, the tennis courts are not being used in the warm afternoons, and soon the tennis tournament will start. That is just one example among many. In closing, I wish to say again that the busiest man is the most dependable.

Editor's Musings

By ADELE KEETON

It has been a custom for some time for all Juniors and Seniors to buy Junior pens and Senior rings. It is the Juniors' privilege to select the rings and pens that they want; however, it is a much better idea to use the same ones every year. Since the using of the ring is purely traditional anyway, it would be much more impressive not to change every year. The seniors of 1942 voted this year to use the same ring and pen that has been used for the past three years.

When one Junior was asked why she wanted to use the same things as the other three classes, she said,

"It has a deeper meaning to me to use the same ones. If we change every year, they will soon become just another ring and pen. If the school colors were changed every year, we should soon forget what our colors really were. These are some of the reasons why we decided not to change." I agree with this person whole-heartedly. Since we, as Juniors this year, decided to do our part to make this a standard Ozona High School senior ring and pen, we hope that the seniors who follow us will do the same. After all, there really is no good reason why they shouldn't. I don't believe that a prettier ring and pen could be found anywhere. The class of '38, with Catherine Childers as president, first selected the ring now popularly chosen.

Students Change Courses at Mid-Term

Out of the Ozona High School there are a few students who are changing courses. Wayne Babb is dropping general math, which he has completed.

Eddy Coker is dropping English I and plane geometry, taking American History instead of geometry. Ed Leatherwood is adding general math to his subjects. Claudie Everett has completed American History and is taking English IV instead. Jessie Hancock is taking manual training instead of world history. Virginia Hays is taking typing as a fifth subject. Mervin McLaughlin is taking manual training instead of general math. Helen Mayes and Marjorie Ross are taking world history as a fifth subject.

SPORTS

by Trout

The Ozona cagers proceeded, Saturday, January 18, to bowl over their opponents in the Barnhart tournament until they had reached the semi-final contest with Imperial. First, the Ozonans took Wall by a landslide score of 24-8, the second string playing most of the time. Then with a little difficulty, the Lions out-scored the Barnhart five by two points. (The score was 16-18 Ozona's favor.)

Imperial, who won the tournament, defeated the once-beaten Lion crew by a score of 18-26. The Imperialians averaged 6'-3" to the Lion's 5'-9 1/2". The Imp five proceeded, consequently, to mow the San Angelo Bobcats with a score that read thus: 21-23.

The great set-back of the Lions five was the fact that they had played 4 games within 20 hours! Quite a busy day for basketballers! Taking into consideration this fact, one will excuse the worn-out beasts for not winning the tournament.

Wilson, of Ozona, and ArmentROUT, of Ozona, won 2nd all-tournament awards of small, gold basketballs. However, all of the players played hard enough to win an award of some kind.

The starting line-up for the Ozona quintet was as follows: Wilson, forward; Lemmons, guard; ArmentROUT, center; Colquitt, forward; and B. Williams, guard. (The boys backed by a very great cheering squad of Ozona volley ball girls, who then had won one and lost one game.)

The Ozona bunch will go to Big Lake this week-end to attend that tournament.

Miss North Says Pupils Have Good Chance in Interscholastics

"The chances are good for my pupils in the Interscholastic League this year," said Miss North. "The team that is picked from the students of the typing classes will compete with Sonora in some practice meets in February. Later the team will go to Ft. Stockton to compete in the Interscholastic League."

Miss Mildred North is the teacher of typing, bookkeeping, and Junior Business Training in the Ozona High School. She has a good reputation as being an excellent school-teacher. She started teach-

ing school soon after graduation from Baylor University with a B. B. A. in 1933. She graduated from the Ozona High School before attending Baylor. She has continued to study each summer, so that she may obtain a Master's Degree. Miss North plans to go into Civil Service work after obtaining her Master's Degree.

Miss North's favorite hobbies are gardening and photography. She likes also to travel and to take educational tours, having been to New York and Yellowstone National Park.

Press Club Meets With Mary Lucas

The Press Club met Wednesday, January 15, in the home of Mary Faye Lucas. The president, George B. ArmentROUT called the meeting to order, after which Rozelle Pharr, the secretary read the minutes of the last meeting.

After roll call, the program was turned over to the program chairman, Florence Luther. On the program Jim Ad Harvick played a piano solo, "Russian Dance;" Sybil Luther gave a talk on "Precautions and Faults of Brevity;" and Florence Luther gave a review on the book "Making the School Newspaper." The floor was then given to the president, who called for a motion to adjourn.

After the adjournment refreshments of sandwiches, hot chocolate, potato chips, and olives were served to Press Club members.

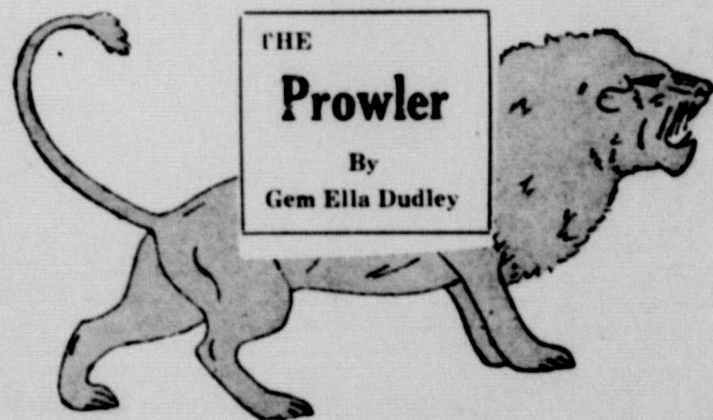

Surprise Party Given Jim Harvick

Tuesday, January 14, Jim Harvick was honored with a surprise birthday dinner by his mother, Mrs. S. M. Harvick.

The table was decorated with red and blue streamers, running to each plate. The centerpiece was a small boat on a blue mirror with a small United States flag on the mast. For favors and markers, small flags with cards and names on them were used.

The dinner consisted of fried steak, creamed potatoes, English peas, deviled eggs, lettuce and tomato salad, and iced tea. Birthday cake and ice cream were served for dessert.

Those served were Cyril Minton, Roy Coates, Tom Ed Montgomery, Chappo Morrison, Loreain Wyatt, Charles McDonald, and Jim Harvick.

Some people felt very much ashamed of themselves when they found that the man and woman sitting next to them were "House of David's" parents! Be sure you are right, then go ahead. Hm!

Too much candy is no good for you, but some people insist that "Experience is the best teacher." How about that Faye, Adele, and Norma? Result: They had pains Saturday night.

Why did Ginny's name suddenly become "Cuddles" in Barnhart, Saturday? Answer: She met some old friends from Rankin.

And by the way, Ginny, how do you like riding in a "little white car" trying to get something over the radio? Whose car? ? ?

Late daters, or date later—Just the same, shame on you Herndon for keeping our dear friends R— and F— out so late!

Don't tell me, you are really a "timid soul," sug. Grandmother won't bite. In fact, I even think they're swell.

Claudie insists that the reason Barnhart didn't beat Ozona is that she wasn't there to yell for Barnhart. Pretty good, Claudie, but it just "aint" the way I heard it.

Shorty, did you ever find "the" woman in Barnhart? Every time, he thought he had the right one, he changed his mind.

It's too bad you weren't a little faster Sunday night, Bud, but it's really better that way. You don't

want Pee Wee to break his resolutions about redheads, do you?

Nita and Ethel seem to know a long. Give us a few lessons on how it's done, won't you, girls.

You must have a great influence, Mary. (She didn't get it from Pete, though, did she, Ginny?) At least you were able to bring Bill back to league for the second time. Nice going.

This week-end, it's a new "boy friend" for Lila. Tell us how you do it, Lila?

Twenty dollars is a great deal of money to me. Does that amount bring sweet memories to you, J. H.?

Boochie, you had the right idea Sunday night, when you said "Something always happens."

Book Reviews Given in English

Book reviews are given in English once a month by the O. H. S. boys and girls. Each student in English must read at least one book from the library each month and give a report on it. The most recent reviews were given January 14, 15, and 16. The form in which these reports are given is as follows; the theme, the setting, the plot, the style, the author, and the value of the book. The student who use to many "ands" are put into a group called "And Group" The students in the "And Group"

from former book reviews were George ArmentROUT, Frances Bean, L. B. Cox, Ethel Mayes, Charles McDonald, Louise Bean, Burl Sparks, and Calvin Williams.

There were not any students in the "And Group" after the January book reviews.

O. H. S. Students Hear Report On Ball Tournament

The student body and the high school faculty met in the study hall last Monday for a brief period of time. The main purpose of the meeting was to hear from Coach Patterson on account of Ozona's participation in the Barnhart tournament held last Saturday. Coach said, "I'm really proud of our team and the showing they made, although both the volley ball team and the basketball team did run up against a stump when they played Eola and Imperial." The boys basketball team won 3 games in approximately 18 hours when it played Junction, Wall, and Barnhart. They lost the fourth game to Imperial, winners of the tournament at Barnhart.

Gem Ella Dudley told about the girls' trip to Barnhart and their games, the first of which was won from Big Lake, and the second of which was lost to Eola.

Mr. Denham reminded those who had paid their first dollar on the annual that their second dollar is now due.

It was also announced that in spite of Mr. Pingleton's illness, band work would continue under the direction of Mrs. H. B. Tandy.

NOTICE OF ELECTION THE STATE OF TEXAS COUNTY OF CROCKETT TO THE DULY QUALIFIED PROPERTY TAX PAYING VOTERS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1: NOTICE IS HEREBY GIVEN that an election will be held on the 21st day of February, 1941, at the Court House Building, in Crockett County Water Control and Improvement District No. 1, in accordance with the provisions and upon the question contained in the following resolution and order:

RESOLUTION AND ORDER BY THE BOARD OF DIRECTORS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1, CALLING AN ELECTION UPON THE QUESTION OF AUTHORIZING THE ISSUANCE OF REVENUE BONDS OF SAID DISTRICT.

IT APPEARING that on the 2nd day of December, 1940, the State Board of Water Engineers granted the petition of more than fifty persons owning land in the district, and upon hearing said petition, created and established Crockett County Water Control and Improvement District No. 1 and appointed J. W. North, J. D. Kirby, P. L. Childress, Jr., Boyd Clayton, and H. M. Phillips Directors for said District, and all of said Directors have taken the oath of office as such Directors and made bond as provided by law and that said Directors have organized as provided by law; and IT APPEARING that on the 11th day of January, 1941, an election was held in said Crockett County Water Control and Improvement District No. 1 upon the questions of confirmation of the District and the election of Directors therefor, and that said election resulted favorably to the confirmation of the District, and that the same Directors appointed by the State Board of Water Engineers were elected; and

IT FURTHER APPEARING that on the 9th day of December, 1940, the Board of Directors of said District passed an order setting down a hearing for the exclusion of lands or other property from Crockett County Water Control and Improvement District No. 1, said hearing having been set down for the 13th day of January, 1941, and that said hearing was held on said date, but no petitions for exclusion were presented by the land owners in said District, and the Board of Directors determined that it was advisable to make no changes in said District by excluding any territory therefrom; and

IT FURTHER APPEARING that it is now proper and necessary that an election be ordered upon the question of issuing revenue bonds of said District; IT IS THEREFORE RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1: That an election be held within and for said Crockett County Water Control and Improvement District No. 1, on the 21st day of February, 1941, for the purpose of submitting to the qualified property taxing voters of said District for their action thereupon the following proposition:

PROPOSITION Shall the Board of Directors of Crockett County Water Control and Improvement District No. 1 be authorized to issue Waterworks Revenue Bonds of said District in the maximum amount of \$75,000.00, maturing serially or otherwise over a period not exceeding 25 years from their date, as may be determined by the Board of Directors of said District, and

bearing interest at a rate not to exceed four and one-fourth (4 1/4 %) per cent per annum, for the purpose of the purchase, improvement, construction, installation, maintenance and operation of a waterworks system, and to provide for the payment of principal and interest on such bonds by pledging the net revenues from the operation of such Waterworks System (and not from any levy, assessment or collection of taxes), as authorized by the Constitution and Laws of the State of Texas and particularly Chapter 25, General Laws enacted by the Thirtieth Legislature at its Regular Session, in 1925, and amendments thereto, including Chapter 32, General and Special Laws enacted by the Forty-Third Legislature at its Third Called Session, in 1934.

The said election shall be held at the Court House Building, in said Crockett County Water Control and Improvement District No. 1, and the following named persons are hereby appointed officers of said election:

E. B. Baggett, Jr., Presiding Judge.
R. A. Harrell, Assistant Judge.
Mrs. A. E. Deland, Clerk.
Mrs. Lowell Littleton, Clerk.

The ballots for said election shall have written or printed thereon the following: "FOR THE ISSUANCE OF WATERWORKS REVENUE BONDS AND THE PLEDGE OF NET REVENUES OF THE WATERWORKS SYSTEM FOR THE PAYMENT THEREOF, AS SUBMITTED IN THE PROPOSITION."
"AGAINST THE ISSUANCE OF WATERWORKS REVENUE BONDS AND THE PLEDGE OF NET REVENUES OF THE WATERWORKS SYSTEM FOR THE PAYMENT THEREOF, AS SUBMITTED IN THE PROPOSITION."

As to the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition. Only duly qualified electors who own taxable property in said District and who have duly rendered the same for taxation shall be qualified to vote at said election.

Such election shall be held and conducted and returns made to this Board of Directors in accordance with the provisions of Chapter 25, General Laws enacted by the Thirty-ninth Legislature at its regular session, in 1925, and amendments thereto, so far as the same make provisions for such election, and in matters not therein provided for the election proceeding shall be in accordance with the general laws of Texas. For the purposes of this election this entire district is hereby designated and declared to be one election precinct.

The Secretary of the Board of Directors shall obtain from the Tax Assessor-Collector of Crockett County a certified list of the qualified voters of said District and furnish same to the election officials; provided any person appearing to vote, who is not known to the election officers to be a qualified voter, or if his vote be challenged, he shall be required to subscribe and swear to the following oath:

"I do solemnly swear (or affirm) that I am a qualified voter and a property taxpayer in the District. I did not acquire property prior to this election for the purpose of voting, but am a bona fide property taxpayer in the District." Said election officers shall make returns of said election to this Board within five days after the date of said election, and shall deliver the ballot box to the Secretary of this Board for safe-keeping.

\$75,000 BOND—
(Continued from Page One)

here the previous week on this issue. In that election, approval of creation of the district was given by a vote of 83 to 24.

The proposition to be submitted to the voters in the February election is stated in the election order in the following language:

"Shall the Board of Directors of Crockett County Water Control and Improvement District No. 1 be authorized to issue Waterworks Revenue Bonds of said District in the maximum amount of \$75,000, maturing serially or otherwise over a period not exceeding 25 years from their date as may be determined by the Board of Directors of said District, and bearing interest at a rate not to exceed four and one-fourth (4 1/4) percent per annum, for the purpose of the purchase, improvement, construction, installation, maintenance and operation of waterworks system, and to provide for the payment of principal and interest on such bonds by pledging the net revenues from the operation of such Waterworks System (and not from any levy, assessment or collection of taxes), as authorized by the Constitution and Laws of the State of Texas and particularly Chapter 25, General Laws enacted by the thirty-ninth Legislature at its regular session, in 1925, and amendments thereto, including Chapter 32, General and Special Laws enacted by the Forty-third legislature at its third called session in 1934."

The election, as in the case of that for approval of the district, is to be held at the courthouse, E. B. Baggett, Jr., was named as presiding judge of the election, with R. A. Harrell as assistant judge, Mrs. A. E. Deland and Mrs. Lowell Littleton as clerks.

The ballot form as set out in the election order will be as follows: "For the issuance of waterworks revenue bonds and the pledge of net revenues of the waterworks system for the payment thereof, as submitted in the proposition," and "Against" with the same wording.

Only duly qualified electors who own taxable property in the district and who have duly rendered such property for taxation shall be qualified to vote in the coming election. Under the terms of this provision, any person who has rendered any type of property, real or personal, for taxation, is entitled to vote.

Visiting Ministers Heard In Assembly Program For School

Rev. John Donaho, pastor of the Oak Lawn Methodist Church in Dallas, here conducting the revival meeting this week at the Ozona Methodist Church, spoke to the student body of Ozona schools at a special assembly program in the high school auditorium Tuesday afternoon at 3 o'clock. Rev. Milton Bohmfolk, pastor of the Mertzton Methodist Church, revival song leader, gave a vocal solo as part of the program. Rev. Eugene Slater, pastor of the local church, introduced the visiting preachers.

At the special assembly, 32 pupils of the grade and high school who had perfect attendance records for the first semester were given special certificate awards.

Quick-Frozen Foods Brought To Ozonans By Williams Store

The world rocks on and science provides new comforts of living for Americans.

Among the newest scientific developments is the new patented quick-freezing process for preserving foods with all their original flavor of harvest time. These frozen foods, under the brand name of Birdseye Frosted Foods, were made available during the past week to Ozona patrons of the J. H. Williams and Sons grocery. A complete stock of the foods was assembled by the grocery here and the store management reports an enthusiastic reception of the new products.

By the quick-freezing process, all kinds of fruits, vegetables and fish are preserved with their full flavor. The foods lose none of their vitamins or flavor in the quick-freezing process and are kept frozen until served, thus making available fresh foods that formerly were available only in season.

Mrs. T. A. Kincaid of Ozona observed her seventieth birthday last Friday.

Gordon Rendall left Monday for San Antonio to visit his mother, Mrs. Frances Rendall.
