THOUSANDS OF LAMBS LOADED AT BARNHART

Seasonal Movement Of Fall Crop Continues Unabated

20,000 MOVE WED.

Crockett Co. Producers Account For Most Of Carloadings

Ted Atkins, weigher at the livestock shipping pens at Barnhart, largest livestock shipping point in America, is one of the busiest men in West Texas these days as thousands and thousands of West Texas lambs, calves and steers cross his scales daily, bound for the railroad cars and the feed lots, slaughter pens or new range.

The movement of the fall lamb crop, most of which just now is coming from Crockett County ranges, continues without let-up as ranchers take advantage of the fairly good prices the range animals command now and at the same time reduce the stock on their ranches, accumulated last year when they refused the below-production prices.

Near 20,000 Wednesday

Between 15,000 and 20,000 lambs were to have been loaded from the Barnhart pens yesterday a close second to the record day of the season last week. Included in the heavy day's loading were lambs from the flocks of Walter Childress, Hugh Childress, Jr., Ernest Dunlap, Dan Willis, Ray Fier, Albert Kay, Madden Read, Sol Jones, Jake Young and Joe Montague. Montague had approximately 6,000 head of lambs in the pens yesterday. Around 38 cars were scheduled for loading yesterday and many more today.

Sawyer Cattle Company loaded out 1175 two-year-old steers Tuesday, bound for Sterling, Colo. They averaged 825 pounds. J. C. Montgomery, Crockett County rancher, also loaded out 1685 lambs the same day, the animals averaging 72 1/4 pounds.

Monday of this week, Cox Bros. shipped 2,921 lambs that averaged 67 1/2 pounds. Bruce Drake the

Stokes of the Sonora Club was in the chair with Lion W. C. Gilmore as program chairman.

Flowers Meeting Draws Interest

Large Crowds Attend Services By Evangelist Pair

The revival being conducted under the auspices of the Methodist church is attracting large crowds and favorable comment. The meeting is being conducted by Evangelist and Mrs. R. L. Flowers of Denton, Texas. Their preaching is of high order and attractive. These folk are both preachers and their programs reaches all classes.

The Flowers have held meetings in nearly every state of the nation. Their work the past winter was in Pennsylvania. They go from Ozona to Lincoln, Kansas. They have been in the Evangelistic work for 19 years, during which time they have had something like 40,000 professions. Rev. Flowers directs his singing and does most of the preaching. His messages are thought-provoking and not offensive. He uses plain West Texas language and no one need be in darkness as to what he is driving at. The messages of Mrs. Flowers are different. She has a command of language that is unusual. Her command of an audience and her stirring messages make her a very forceful speaker.

Each morning at 10 o'clock there is a service for every one. This coming week there will be a series of services for married ladies conducted by Mrs. Flowers in which she will discuss the following themes: "The modern woman, her relation to society"; "The modern woman, her responsibility"; Sunday morning Mrs. Flowers will speak. Sunday evening Evangelist Flowers will speak on "The judgments of God."

One of the attractive features of the Flowers meetings are the series of meetings held in the afternoons for the children and also the meetings held each evening at 7 p. m. for the high school folk and for the older of the young folk. These special services are proving very attractive and the young folk are filling the basement of the church each evening. The general theme for the young people is "Youth learning to live."

McINTIRES TO MAINE

They expect to be gone about two weeks.

Athletic Contests Form Theme Weekly Chapel Exercises

Lessons of life to be gained from athletic contests formed the theme of the weekly chapel program in the auditorium of the high school last Thursday morning.

Billy Childress acted as master of ceremonies. "What the football team stands for" was the topic selected by Capt. Jake Miller of the 1933 gridiron squad, for discussion. Coach Ted White spoke on the subject, "Our Team" and Dorothy Henderson, pep squad leader, spoke on "The Pep Squad is Behind You."

Houston Smith delivered an inspirational and practical address on "Lessons from the Gridiron," in which he compared the gridiron to life and the factors that determine the success or failure of the team on the field that may also be applied to the battle of life.

Evangelist and Mrs. R. L. Flowers, who are conducting a two-weeks revival meeting at the Methodist Church here, were in charge of the chapel exercises this morning.

Rev. Meredith Is Speaker At Chapel Program Of Grades

Rev. J. H. Meredith conducted chapel exercises for the first four grades of the grammar schools in the auditorium of the High School building last Friday morning. The story of "Aunt Grumpy" was told by the minister, the lesson theme of the story being that anyone can be loved if they themselves in turn love. The exercises opened with the singing of "America" followed by the invocation and "The Eyes of Texas." The group sang "Jesus Loves Me" at the conclusion of the story.

Chapel exercises for this group are to be held every two weeks. Supt. John L. Bishop announced. Programs are to be conducted by local ministers, teachers, etc.

Schools Observe Fire Prevention

Regular Teaching Fire Control Results In Insurance Cut

Ozona Public Schools are observing Fire Prevention Week this week with a series of special fire prevention programs in all grades. Fire prevention is taught regularly in the local school, practical suggestions for preventing fire, regular fire drills in the school etc. being given throughout the year.

The fire prevention work thru the schools has resulted in a saving of several thousand dollars in insurance premiums for Ozona folk. A 3-cent reduction in the fire insurance rate for Ozona was granted about a year ago, largely on the strength of fire prevention demonstrations and teachings in the school.

R. E. Thomason Visits Friends Here; Says N.R.A. Working

R. E. Thomason of El Paso, representative from this district in the United States Congress, spent a few hours in Ozona Wednesday visiting friends and studying the needs of his district with a view to further serving them in the national Congress. Congressman Thomason spoke at a mass meeting in San Angelo Monday night on the N.R.A. and the new deal and is making a swing through his district before returning to his home in El Paso.

The N.R.A. is proving a decided success in the industrial centers of the East, the Congressman said in this section of the country, it has done good, but the improvement is not so noticeable as in the more thickly populated industrial centers.

The only thing West Texas really needs now the government can not give, Mr. Thomason declared, and that is a good soaking rain. "Maybe that will come in time and West Texas will be riding high," he said.

Former Ozona Boy Stars On Gridiron For El Paso School

Woodrow Wilson, former star backfield man on the Ozona High School grid team, and a son of Lee Wilson, former Ozona Buick dealer and garage owner, is winning gridiron glory in collegiate circles as a member of the College of Mines team at El Paso where he is a student.

Week before last, Woodrow took a kick-off from the University of Texas powerful Longhorns on his own 15-yard line and side-stepped and weaved his way through the entire Texas team for the lone touchdown scored by the Miners against the Longhorns. Texas drubbed the El Paso eleven by a top-heavy score but to score against the powerful Texas machine was no mean accomplishment for the El Paso team.

Last Saturday, Wilson again chalked up a lone marker for his team against the Southern Methodist Mustangs at Dallas. Woodrow stepped off the last nine yards at the line of scrimmage and ploughed through the Mustangs 6 to 0 at the half, but Coach Morrison's crew came back for blood in the last half and smothered the invaders.

But just the same, Woodrow is the fair-haired boy on the campus and in El Paso and more may be expected of him on the gridiron.

Mr. and Mrs. Frank Friend were down from San Angelo yesterday on business.

Coach Ted White and his High School Lions, who have yet to taste defeat in their first three games of the present season, will plunge into their first district combat next Saturday when they invade the Kimble County hills to try their hand at picking the touted Junction Eagles. The Eagles are reported to have a strong team this year, with more experienced men than the Lions but not as heavy as the locals. All indications point to well matched teams and a good game.

The game is called for 3 o'clock. Despite the distance, a good crowd of local fans are expected to make the trip with the team.

The Lions exhibited a new brand of football last Saturday to win 18 to 0 over the Rankin Red Devils. It was a rejuvenated, more experienced and an all-round smoother working machine that swept the Devils down the field in comparison with the ragged performances earlier in the season. Blocking, tackling, passing, kicking and bucking had improved considerably and a number of new spin plays, fake backs and end plays were uncorked to the delight of the fans.

Lions Score Early

Ozona scored early in the first quarter when Rankin was forced to kick out from deep in the visitors' territory and the Lions worked the ball back for a first down on Rankin's 22-yard line. Patrick clipped off 4 yards off tackle and Capt. Jake Miller made it a first down on the 12 yard line. Westfall failed to gain at tackle but picked up 11 yards and another first down on a spin around end to put the ball on the one-yard line. Westfall plunged it over for the first marker. A faked place kick and a pass over the goal line failed to click and it was 6 to 0.

The game see-sawed until early in the second quarter, when the locals started a march from their own 30 yard line, after temporary reverses, and carried the ball on a series of sensational gains and steady plodding as the heavier Ozona line ploughed through the lighter visiting forwards, to within three yards of the goal line

THURSDAY, OCTOBER 12, 1933. WHY NOT?

News dispatches from San Saba recently told of the city officials there passing an ordinance prohibiting itinerant merchants and peddlers from doing business there during the prosperous months of the fall year, sharing the profits of harvest time and then moving on to greener pastures, thus evading county, city and school taxes.

The ordinance is a good one. The fall harvest periods are the money months of West Texas. It is in this season that merchants hope to make up losses of other seasons as there is always more money in circulation when livestock, mohair, wool and cotton are being sold and the farmers are preparing for another winter.

Recently, it was noticed in Winters, one of the largest cotton producing communities in West Texas, that a transient "merchant" was doing a "land-office" business one Saturday on a vacant lot where he had set up clothes racks and shoe counters. He was selling the goods. Winters merchants were selling the goods, too, but why let him, a man who pays no sort of taxes, other than on his truck or automobile, get the money when it should go to the permanent and established local business man.

This is only one instance but every town has such "merchants" and every town is losing tax money by allowing such set-ups. San Saba business men saw a way to help themselves. Other West Texas towns would help themselves by the passage of some similar sort of an ordinance.

Why not? It is tax money that is being lost and it's the local business man, whose pocket book it is hurting.—From San Angelo Times.

FIRE PREVENTION AIDS RECOVERY For the first eight months of 1933 the National Board of Fire Underwriters estimates the national fire loss at \$224,264,141, as compared with \$219,078,321 for same period in 1932.

With such a wonderful start on reduction of fire losses for the year, Fire Prevention Week, which occurs from October 8 to 14, should give added impetus to the fire prevention movement and encourage the making of a record year for low fire losses. This would be a blessing to the nation in its recovery struggle.

SCANDALS By THE TOWN GOSSIP

With the advent of 3.2 in to the domain of each of our neighboring counties, all we poor people here in Ozona are somewhat in the position of the Children of Israel during their crossing of the Red Sea—waves of 3.2 dashing against our boundary lines with nothing but an imaginary hypothetical something to keep it back.

days of the W.C.T.U.—by way of bringing home his point, the lecturer asked my old friend Louie Donaho this question: "If I lead a donkey up to a pail of water and to a pail of beer, which will he drink?"

"The water", replied Donaho. "Why?" shot back the lecturer. "Because he's an ass" was Louie's very gratifying answer.

And there's still people who contend that 3.2 is non-intoxicating. To those of you who are still doubtful let us repeat this little ip—Jake Young (by the way this is the first time Jake's been mentioned in quite a while isn't it) and Eli Hagelstein were returning from Angelo Saturday night after sampling every thing the wholesalers and retailers had to offer when Jake said, "Shay, shteer a li'l more careful, or we'll be in the ditch." To which Mr. Hagelstein replied, "I thought you wash driving."

Rev. Moody vouches for this yarn—he says he once knew a ministerial student by the name of Tweedle who went ahead and completed his course and then refused to take his degree. When asked why, he confessed that he just could not stand the idea of being called Tweedle D.D. all the remainder of his life.

You've all heard about the ranchman who was so deeply impressed with the way young ladies dressed, "Some of the clothes I see" he remarked "put me plumb

Garner-Farley To Visit Texas

Vice Pres., Postmaster General and Other Officials Coming

DALLAS, Tex., Oct. 11.—Texas will be host to the largest party of Federal officials ever to make a grand tour of the Lone Star State when Vice President John N. Garner and Postmaster General James A. Farley with numerous other distinguished personages visit the banner Democratic State of the Nation beginning Oct. 18. The tour has been arranged as a goodwill tour of Democratic party officials to the State that gave Jack Garner to the Nation, and will afford an opportunity for genial Jim Farley, the National Chairman and the top political man of the Roosevelt Administration, to pay his respects to the Vice President's native State.

Coming here by air in an armada of transport planes, the party will first visit Fort Worth, then Arlington Downs to open the racing season and will then come into Dallas on the afternoon of Oct. 19 to prepare for what is planned as the greatest political rally ever staged in Texas, where great political rallies are the rule. In Dallas the officials will be guests at a tremendous banquet in the Adolphus Hotel at which Maury Hughes, the State Chairman will be toastmaster. There will be no speech making at this banquet in order to permit the party to adjourn promptly to the new Stadium at the State Fair of Texas for the gigantic night rally.

Young Joseph Weldon Bailey, Jr., Congressman-at-Large, will have charge of the night meeting at which Mr. Farley will make his only formal address for the entire tour. The Vice President Senator Tom Connally and Congressman Hinton W. Sumners will also be heard on this occasion.

From Dallas the party goes to San Antonio, then to Uvalde for a party on the ranch of the Vice President and a chuck wagon dinner on the ranch nearby of Ralph W. Morrison and then to Houston. Accompanying Mr. Farley will be J. C. O'Mahoney, First Assistant Postmaster General, W. W. Howes, second assistant, Clinton Eilenberger, third assistant, Silliman Evans, fourth assistant, and Harlee Branch, Executive Assistant. Another official on the list is E. W. Robert, assistant Secretary of the Treasury, better known to his many friends as Chip Robert. J. F. T. O'Connor, Comptroller of the Currency, and Col. Carroll Cone of the Department of Aeronautics will accompany the party. E. E. Hurja, executive assistant to Secretary Ickes in the public works department, formerly of Breckenridge, is another ex-Texan coming. Richard F. Roper, Executive Secretary of the Democratic National Committee, and Marvin McIntyre, secretary to President Roosevelt will be in the party. James A. Moffett, Federal Oil Administrator, who assisted in organizing the nation's petroleum industry under a code will accompany the party and it is possible that he will confer while in the State with Texas oil leaders regarding the industry here. Frank Walker, executive secretary of the executive council, Senator Pat Harrison and several other Federal officials will be included.

Mayor Curley of Boston, Emil Fuchs, owner of the Boston Braves, and several others will join the party at Fort Worth, where they will be met by Vice President John N. Garner.

Lions Tackle—

when Westfall again took the oval and shoved it through the line for the second touchdown.

The Red Devils came back fighting after the half period and made their only serious threat of the game early in the third quarter. Ingham kicked off for the Lions at the opening of the second half and the ball was brought back to Rankin's 35 yard line. An attempted pass failed and a line buck gained two yards. Then a 15-yard pass connected and the red clad receiver scrambled another 20 yards. A series of end plays and passes advanced the ball to Ozona's nine yard line where it was first down. An off tackle thrust netted three yards and Ozona called time out to rally. A line play netted two more yards and the third try at the line put the ball within six inches of the goal line. A pass over the goal line was almost good but Jake Miller was on the receiver and the pass was ruled incomplete.

Capt. Jake Thrills Fans
Taking the ball on the 20 yard line, the locals marched up to near midfield when a bad pass from center halted their advance and Westfall kicked.

From then until near the end of the game, the Lions seemed able to gain almost at will but lacked the punch to drive over for additional touchdowns. Most of the second stringers had gone into the game for brief practice after the second touchdown and nearly every man on the squad was given a workout in the game as it progressed, all of them doing good work.

One more thrill was in store for local fans as near the end of the fourth period, Capt. Jake Miller snatched down a pass heaved by the desperate Devils from their own 20 yard line and ran 25 yards for the third and last touchdown. Again that place-kick formation and pass failed to convert and the score was 18 to 0 in favor of the Lions.

The football team of next year and the next few years was seen in action Friday afternoon when the squad members of grammar school age trounced the grammar school lads from Sonora 13 to 6. The second stringers are slated to engage the Big Lake second team

to the club last week for the program of Scotch music, Mrs. J. M. Dudley being assisting hostess and Mrs. Joe Oberkamp leader. The program opened with an interesting history of Scotch music by Miss Maxine Murdock and an interesting story of the Scottish bagpipes told by Mrs. Vernon Cox. A piano medley of Scotch airs was played by Mrs. Alvin Harrell followed by a vocal solo, "Coming Through the Rye," by Mrs. Joe Pierce, with the club singing the chorus.

Mrs. Max Schneemann gave the story of Robin Adair and the song by that name was sung by Mrs. Bascomb Cox. The club next was entertained with a Scotch poem read by Mrs. Lowell Littleton and an execution of the Scotch Jance, the Highland Fling, by Dorothy Hannah and Mary Bess Parker in costume. The program closed with a chorus, "Flow Gently, Sweet Afton," by the club. Choral practice was held following the program. Guests for the afternoon were Mrs. A. M. Buck, Miss Helen Montgomery and Mrs. Nancy Lee Dyer.

Mrs. J. M. Baggett and Mrs. H. B. Tandy were accepted as new members. Mrs. S. M. Harvick invited the club to hold its extra practice sessions on Monday at her home during the absence of Mrs. F. T. McIntire, at whose home these practice meetings have been held. Mrs. Bryan McDonald and Miss Aleen Hampton have been named sponsors of the Junior Music Club. Mrs. W. N. Hannah and Mrs. W. J. Grimmer were appointed sponsors of the Juvenile Music Club to succeed Mrs. F. T. McIntire and Mrs. Vernon Cox, who resigned. Mrs. Grimmer and Mrs. Hannah reported a large group of youngsters interested in the work of the juvenile club and requested assistant sponsors.

100 Present—

recently appointed as a national speaker for the NRA by President Roosevelt and has covered most of the Southwest in the interest of the recovery movement. He prefaced his talk to the Lions group with an appeal for support of the N.R.A. and the "new deal." This nation of ours had lost conscience he declared, and the only objective or goal was the dollar. The high pressure methods of business and industry and the lack of balance on the part of the people led to its inevitable end, depression, he said.

From the mire of depression the people demanded and got a new leader, one who would "take the bull by the horns" and do something about it. The N.R.A. is a product of this new leader, the speaker declared, and it must succeed.

"This nation is facing the greatest problem in its history," Lion Biard declared, "a battle far greater than the World War, and battle of right against wrong. The N.R.A. is the weapon and in it the people lay their trust. Don't expect it to cure our ills in a few weeks. It is not a perfected proposition as yet. Let's give it a full trial and in the meantime 'do our part'."

Launching into his inspirational talk on Lionism, Gov. Biard outlined the qualities of leadership and named the necessary attributes of one who would hope to be successful, stressing the attributes of confidence, industry, liberty, education, thinking and other qualities of sound citizenship as necessary for leadership and success.

Passion Play To Be Given As Benefit For Boy Scout Camp

SAN ANGELO, Oct. 11.—Many persons from Crockett County who saw the European Passion Players from Frieburg, Germany, when they gave the great Passion Play in the Municipal Auditorium in San Angelo in the spring of 1930 have said they were going back to see it again next Thursday or Friday because of the spectacular character of the play and because it is to be given this time in English.

The Passion Play attracted the largest crowd of any performance that ever has been shown in West Texas. It is particularly significant this year because this is the 300th anniversary of the Oberammergau Passion Play. The Frieburg Passion Players have been presenting the play in Frieburg for over 160 years. This is their farewell tour of this country as their passports have been extended for the last time permissible by law. Many of the actors are descendants of the original cast. Only four of the actors have been changed from the troupe which presented the play in San Angelo three years ago.

On its previous performance the tickets sold for from \$2.50 to \$1.00 each. This year the prices have been greatly reduced. There are 1000 tickets at 50 cents for the night performance and 800 reserved seats at 75 cents and a dollar. The afternoon performances are 25 cents for school children and 50 cents for adults, no reserved seats.

All the profits of the engagement from the various clubs of the work for the past quarter were heard at a brief business session following the program, presided over by Group Chairman Ernest Hill of Eldorado. The group voted to hold its next meeting in January at Junction. Representatives of the Kimble County Club present promised the group a royal reception.

Ozona Lions attending the group meeting were President Hugh Childress, Jr., Secretary J. H. Miller, John L. Bishop, Ted White, R. O. Smith, M. T. Blackwell and Evert White.

ment will go to the fund for making improvements at Camp Louis Farr of the Boy Scouts of West Texas. Even the newspaper advertising and space and all the radio and billboard announcements have been donated so that the fund will be large for the Scouts of this section.

Mrs. Joe Pierce ordered the Stockman sent to her son, Joe Sellers Pierce, student of Texas Technological College at Lubbock.

SUNFLOWER CLUB
Mrs. Sherman Taylor entertained two tables of the members of the Sunflower Club at the home of her mother, Mrs. W. E. Smith, Tuesday afternoon. Mrs. Massie West and Mrs. Chas. E. Davidson, Jr., were given bath mats for high score and second high. Other guests present were Mrs. W. E. Friend, Jr., Miss Hester Banger, Mrs. Jake Short, Mrs. Gertrude Perry and Mrs. Ralph Meinecke.

THIS is the symbol of a prescription. It's a variation of the sign of Jupiter and was used by the ancient Chaldeans to please the king of the gods so that the medicine might have favorable results.

We still use that symbol in 1933—but today in our modern prescription department it is a symbol of health—of care and accuracy in filling prescriptions which your doctor has advised for you.
