## CROCKETT CO. GOES DRY BY BARE MARGIN

Beer Loses by 4 Votes, Repeal Amendment By 12 Votes

## BONDS APPROVED

Other Amendments Get Wide Margin Of Approval Here

Crockett County voters, by a bare margin in each case, registered disapproval of repeal of the Eighteenth amendment to the national constitution and the amendment to the state constitution legalizing the manufacture and sale of beer of not more than 3.2 alcoholic content in the election Saturday. Both issues were overwhelmingly approved by voters over the state.

The beer amendment lost by only four votes in this county, 115 registering themselves in favor of the foaming brew and 119 against. On the repeal of the Eighteenth amendment, 111 favored it and 123 opposed.

Complete returns from two of the voting boxes in this county and incomplete returns from the third are the basis for the above figures. Returns from the election held at the Owens ranch box had not been received at the county clerk's office yesterday, but Mr. Owens in a telephone conversation with The Stockman, gave the counts on the beer and repeal issues from memory as 4 for and 6 against in each case.

**Amendments Passed**  
The three other amendments to the state constitution, which were adopted over the state in Saturday's balloting, received substantial majorities at the hands of Crockett voters. The home rule amendment, on the face of incomplete returns, received 129 favorable votes to 63 unfavorable. The 20 million dollar bond issue for the relief of unemployed was approved by a vote of 127 to 91 and the homestead exemption amendment was approved by a count of 133 to 59.

At the Ozona box, 89 voters registered in favor of repeal of the 18th amendment and 117 opposed. There were 111 for the home rule amendment and 63 against, 109 for the bond issue and 91 against, 95 for beer and 113 opposed, and 135 for homestead exemption and 69 against.

## Mexicans Injured In Big Hill Slide Are Improving Here

Four of the five Mexicans who were injured in a slide of rock and earth at the scene of construction of Highway 27 down government hill at old Fort Lancaster last week, are improving rapidly at the Hotel Ozona, where they are being cared for. The fifth man suffered only slight injuries and was released after first aid treatment.

One of the two most seriously injured of the lot developed pneumonia early in the week but has thrown off that complication and is now well on the road to recovery, according to Dr. F. T. McIntire, attending physician. The other is also doing well and no further complications are expected.

## TONSILS REMOVED

Tiha McMullen, small daughter of Mr. and Mrs. Frank McMullen, underwent an operation for removal of her tonsils Friday at the office of Dr. McIntire and Schwartz.

## Schools Ready For Opening Mon.

Little Change in Enrollment Figures Is Expected

Everything is in readiness for the opening of the 1933-34 school term in Crockett County Monday morning.

Opening exercises will be held at 9 o'clock Monday morning in the High School auditorium for the high and grade school pupils. Judge Charles E. Davidson is expected to make an opening address and a brief program will precede announcements, after which pupils will report to their rooms for enrollment and other preliminaries. The schools will get down to business in short order.

Mrs. Lowell Littleton has been elected as teacher in the Live Oak school to succeed Miss Mildred North, who resigned to accept a position in the grades here. Miss Patti Raiza, public school music teacher, who was married recently will not return this term, it was announced this week by John L. Bishop, superintendent. Her successor has not been elected so far as is known. No other changes in the faculty have been reported.

All of the teachers are expected to be here this week-end to resume their duties. A meeting of the faculty has been called by Mr. Bishop for 3 o'clock Saturday afternoon, at which time plans for the entire year's work will be worked out and assignments of special work made.

## Miss Patti Raiza Becomes Bride Of Berger Man Aug. 21

Miss Patti Raiza, public school music teacher in the Ozona public schools the past two years, became the bride of William D. Kirkpatrick of Berger, Texas, at a wedding ceremony at the home of her parents, Mr. and Mrs. Harry W. Raiza of Lewisville, Texas, on Monday, August 21, according to announcements received by friends here.

The couple will make their home in Berger. The vacancy created by Miss Raiza's resignation had not been filled by local school authorities the first of this week.

## SUFFERS HEART ATTACK

Mrs. Robert Bailey is recovering from a severe heart attack in her home in Ballinger where she was taken by her son, John Bailey, Saturday. Mrs. Bailey was taken ill Thursday at the home of Mr. and Mrs. John Bailey where she had been visiting the last month. Her daughter, Mrs. Nora Gee, who had also been visiting here went home with her.

Mr. and Mrs. Ben Lemmons are back from an extended buying trip in St. Louis and Chicago.

## J. S. Todd Dies At Fort Worth

Operator Of Crockett Ranch Holdings Succumbed Friday

James S. Todd, Sr., 75, retired cattleman and owner of the extensive Todd ranch holdings in Crockett County, including the NH and 07 ranches, died at his home in Fort Worth last Friday after an illness of nearly a year.

Mr. Todd was among the pioneers in successful ranching business in this area. Among those who were numbered among the Todd ranch employees in the early days and who later entered the business for themselves made successes were the late P. O. Seahorn and J. O. Secret of Ozona.

James S. Todd, Jr., operates the Crockett ranch holdings now and is well known in Ozona. Besides the son, the widow also survives.

## GIANTS BREAK EVEN WITH TEXON IN FIRST 2 GAMES OF CHAMPIONSHIP SERIES

In one of the most spectacular ball games of this or any other season, the Ozona Giants fought their way to an even footing with the powerful and seasoned Texon Oilers in the play-off series for the West Texas Independent League championship on the Ozona diamond Sunday afternoon before the largest crowd ever to jam the local park for a baseball game.

After dropping the first game of the play-off series to the Oilers here Saturday afternoon by what Blundy Cross terms the "rubber-horseshoes route," the Giants outplayed and out-tricked the well-seasoned Oilers for a 3 to 2 win in an eleven-inning bout Sunday afternoon.

But for a series of bobbles at crucial moments, the Giants would have made a clean sweep of the local series. A 2 to 1 victory for the Giants in that unfortunate struggle would have been possible had it not been for six errors chalked up to the locals. The Oilers were handed the first score in the first inning of the Saturday game on two successive errors after two were out.

## Miscues Cost 3 More

Again in the third frame, the visitors were served up a course of three more tallies after the side should have been retired. In that memorable inning, Housewright was out to center field. Gentry was on on Ratliff's error and Gardner rolled to Wade who overthrew to shortstop at second and both runners were safe when it should have been a double play. Then McMillan smashed out a double, scoring both runners. Leedy followed with a single that scored McMillan. Guerra forced Leedy at second and Grant was an easy out. A double by Gentry after Burton had been hit by a pitched ball and advanced to second on a sacrifice accounted for the other score in the fourth.

"Lucky" Flop Harris, who issued passes to eight Giant batsmen during the game, walked in Ozona's two scores in the second inning. Weaver singled, and R. Russell forced him at second. F. Russell singled and Cox was hit by a pitched ball, filling the bases. Harn walked, scoring R. Russell and Granger forced F. Russell at

the plate. Ratliff was issued a pass and Cox scored. Boggess buried one in deep right field but McMillan picked it off the fence to retire the side.

In Sunday's sensational 11-inning battle, the Giants were leading 2 to 1 until the 7th, when the Oilers pushed over a run to tie the count. It was a breath-taking struggle from then until the eleventh when the Giants sacked the game.

**Texon Scored Early**  
The visitors started the scoring in the second inning when Leedy doubled, was sacrificed by Conley Guerra was out, short to first and Burton doubled, scoring Leedy. Haven was an easy out to retire the side.

The Giants copped the lead in the fourth when Wade singled and Weaver was safe on Gentry's error. Cox, attempting to sacrifice, flew out to the catcher, and Russell advanced the runners, pitcher to first. Lybrand, south-paw hurler, crashed out a three-base blow to score both runners. Granger walked but Ratliff was out, short to first.

It was again Leedy who started things for the Oilers in the seventh with a single. Conley sacrificed and Leedy went to third when Boggess tried to pick him off at second and the ball got by Wade. Guerra sacrificed, scoring Leedy and was himself safe when Russell dropped the ball at first. Burton singled but Haven flew out to center to end Texon's scoring for the day.

Sensational work throughout the game by outfielders for both teams kept the big crowd in an uproar most of the time. Many long, high flies that almost cleared the outfield fences, were snagged one after another by the outfielders.

## Giants Bag Game

In the eleventh inning, Cox led off with a single and Russell advanced him to second and was himself safe when the fielder tried to pick off Cox at second and failed. Gentry putting the only black mark on the game at this point by his insistent "beating" at the umpire's decision. Lybrand sacrificed and advanced both runners. Granger was purposely walk

## Giants Preened For Resumption Of Hostilities In Championship Battle With Oilers In Texon Invasion Sun.

Battle plans are being laid, certain points of strategy worked out and skulls brushed up while rains are interfering with daily practice as the Ozona Giants, second half title holders in the West Texas Independent League, preen themselves for another invasion of the Texon diamond, lair of the powerful Texon Oilers, first half champions, for another two-game series there Sunday and Monday.

With the count now standing one-all, Sunday's and Monday's games in Texon are expected to draw record crowds. The Monday game will be a feature of Texon's annual Labor Day barbecue and celebration and the largest crowd in the history of the town is expected to be present. Should one or the other of the teams take two straight this week-end, the championship will be decided, but should they again split, a fifth game will be necessary to decide the championship, and a coin will be flipped for the location for the battle.

Although definite information from Texon is lacking, it is presumed that both the Sunday and Monday games will start at around 3 o'clock. Another large delegation of Crockett County fans Sunday.

Lefty Lybrand, who chunked eleven innings and a victory over the Texon nine for a second time

folk is expected to accompany the team on the invasion and to pull for the locals.

Harn, right-hander, who, through bad luck plays and miscues on the part of his 'cam mates has lost two games to the Oilers, will likely pitch for the locals Sunday, with the veteran Boggess receiving. The Giant management, and Harn as well, is confident that luck will not always stand opposed to this young man's success against the Oilers and a great deal of hope is pinned on him to hold down the Texon swat-Sunday, will be available for Monday's grapple. Not only does Lybrand offer a problem to the Oilers from the mound, but his batting is something they fear no little, as witness his three-bagger here Sunday that crossed two runners over the plate.

Another special attraction that may draw many Ozona fans to Sunday's bout in Texon is the fact that Blundy Cross may venture up there again to direct operations from the Texon dugout, and to be ready with that old "bad umpiring" gag in the event the Giants win. In his account of Sunday's game here, Blundy gave as the reason for Texon's defeat "a questionable decision at second base in the eleventh inning," in which decision the umpire had the support of many Texon fans and team officials.

## Missionary Society Sponsors Epic Film, "Sign of the Cross"

The Woman's Missionary Society of the Methodist Church announces the presentation of the Cecil B. DeMille epic film, "The Sign of the Cross," at the Ozona Theater next Monday and Tuesday.

This picture, the third of the DeMille triumphs in depicting the struggles of the early Christians, is declared an even greater undertaking than the "Ten Commandments" or the "King of Kings." The stirring events of Nero's reign in imperial Rome, the story of Nero's persecution of the hapless Christians discovered making the "sign of the cross," are pictured in this gigantic film. Nearly 7,500 persons made up the cast needed to produce the picture. Featured players include Frederic March, Elissa Landi, Claudette Colbert and Charles Laughton.

Regular admission prices will prevail. Proceeds from the two evening's showing will go to funds of the society.

## MRS. GRIMMER WEDS SHERWOOD POWELL

Mrs. Ed Grimmer of Ozona became the bride of Sherwood Powell at a wedding performed in Lagram, Texas, recently. The wedding took place at the home of the bride's brother, Ben Moseley of Ingram. After the ceremony the couple left for a visit with relatives at Brady, Menard and near-by points. They will make their home at Spur, Texas. Mr. Powell is a brother of Fialler and Charley Powell of this city.

## GENERAL RAIN SOAKS STOCK RAISING AREA

Falls Range From Inch To Four Inches Over Wide Section

## OVER 2 IN. HERE

Eight Months Drouth Is Broken By Generous Down-Pours

A drouth of eight months standing was effectively broken by soaking rains which fell over a wide expanse of the stock raising territory of West Texas the first of this week. Intermittent showers which have fallen throughout the section for several days were further augmented by general rains the first three days of this week, and continued cloudiness is allowing the moisture to soak into the parched earth to revive ranges.

Heavy rains to the north and south of Ozona were reported Tuesday and Wednesday, ranchers living to the south of Ozona reporting three and four inch falls and similar downpours falling in parts of this section north and east.

The east draw through Ozona was out of banks Monday night as torrential rains fell over the area it drains. The big Johnson draw, however, had not been filled, the rains to the north being slower falling.

A total of nearly two and a half inches of moisture had fallen in Ozona to yesterday afternoon, the shower yesterday amounting to .9 of an inch and previous falls Monday and Tuesday amounting to around an inch and a half, according to measures taken from the rain gauge at the Joe Oberkamp farm.

With rising markets for livestock products and bountiful rains over the section assuring good winter range for livestock, the picture for the ranching industry has been considerably brightened in the last few days. Good prices for fall wool and mohair clips and for lambs are assured and ranchmen are jubilant over the lifting of the remaining shadow of drouth.

## Grid Practice Gets Under Way

Big Gang Out; Coach White Predicts A Good Team

Frosty mornings, the smell of autumn leaves and the thwack of boot on pigskin go hand in hand and the first two must be somewhere just around the corner for the first "thwack" was heard here early this week as Coach Ted White held his first gridiron work-out for the squad of 1933.

Around 25 contenders for places on this year's squad turned out for the initial work-out, and although most of the material on hand is raw, Coach White is confident that if the big turn-out continues, he will be able to work up a winning team.

Only three lettermen are available to form a nucleus for the 1933 team. S. W. Westfall, quarterback, Jake Miller, halfback, and B. B. Ingham, lineman, are left over from last year's first string and the burden will be on this trio to whip their less experienced team mates into form. A number of members of the 1932 squad, however, who did not receive letters are available for this year and their last year's experience will be a big help in developing the team this year.

Coach White attended the coaches' training school at A & M College last week and will have a new bag of tricks for his charges this season.

JOBS OR TAXES

American business, as the Manufacturers Record recently observed, cannot continue to supply both wages and taxes in the amounts demanded.

It is becoming a matter of which shall it be—a job or some more dollars for the public treasury? Government has apparently not learned a fact which is of the utmost obviousness to the rest of us—that every dollar taken in taxes, means that business must pare a dollar from other expenses. In a great many businesses the paring must be done principally in the wage budgets, either through decreased compensation or fewer jobs.

At the moment, the entire resources of the government are being given to providing more jobs at better wages. This is being done through the largest public

works program in our history. It is being done through agreements within industries, and through official fiat. It is being done through appeals to patriotism and sentiment. All of this effort will be vain without tax relief. After all, the most willing business in the world can't raise wages when it hasn't the money in the bank. Both the practical and psychological effects of a decisive policy of governmental economy would be unimaginably great. It would give investors new hope, management's new spirit. It would be at once reflected in increased production, higher buying power and jobs. Every branch of government—federal, state, county and city—has been at fault; every branch must do its part if real tax reduction is to be obtained.—Ex.

And the boys and girls will need new apparel to be in readiness for the opening bell. And it won't be long until the weather will be cooler and they will need warmer clothing.

**New Merchandise—**

We are now unpacking brand new merchandise, almost a complete new stock, purchased by personal selection on the St. Louis, Chicago and New York markets. The most beautiful line of goods ever purchased is the only way we can describe it to you. Honestly, the new things are great values.

**Prices Going Up—**

Of course, we don't need to tell you that prices are advancing. We bought on a LOW MARKET and prices on our new stock are surprisingly low. And we will keep them down as long as possible. But our advice is BUY NOW while prices are low.
