## County Library Is Club Project

### Town Beautification Also Undertaken By Woman's Club

The Ozona Woman's Club met Tuesday September 26, at the home of Mrs. J. W. Henderson. Mrs. Scott Peters acted as assistant hostess. The subject of the program was Impressions of the World's Fair. Each member answered roll call by giving her impression of the fair. A novel reading was given by Mrs. Vernon Cox which centered its plot around a trip to the World's Fair and Mrs. Bill Grimmer gave a piano solo.

The club voted to adopt as the year's project the County Library and beautification of the town. The president, Mrs. Ira Carson, in her message to the club emphasized the responsibility resting on each member in order that any success might be attributed to the club unit of whole-hearted members rather than to outstanding efforts of one individual.

### Interest High In Baptist Revival Meeting Services

With interest increasing with each day's services, the Baptist revival meeting now in progress here is proving a blessing to both the church and the community. The pastor, Rev. M. M. Fulmer, is preaching at both the morning and evening services.

Of especial interest is the song services being led by T. D. Carroll of Fort Worth, evangelistic singer. Mr. Carroll is an accomplished singer and a splendid organizer.

Evening services are being held in the park, where a platform has been erected, lights strung and seats arranged. The morning services are held in the church.

### Forty Present For Workers Council Of Methodist Church

Forty workers of the Ozona Methodist Church were present for the workers' council held at the ranch home of Mr. and Mrs. W. R. Baggett last week. Before the opening of the business of the council, Mrs. Baggett served supper for the group.

Rev. J. H. Meredith, pastor, outlined and explained the program of the educational department of the church. The program consisted of songs, readings and talks by members of the Sunday School.

### League Installs Its New Officers

### Officials Inducted At Sunrise Breakfast And Program

New officers for the coming year were installed by the Hi-League of the Methodist Church Saturday morning at a sunrise breakfast at the home of Mrs. J. W. Henderson. A devotional program followed by the installation ceremony took place on the front lawn of the home, after which the Leaguers were called to the back lawn where a breakfast of hot rolls, butter, bacon, scrambled eggs, jelly and coffee was served.

Dorothy Henderson was installed as new president of the League. Other officers are Willie V. Coose vice president; Eda Schneemann, secretary; B. B. Ingham, treasurer; Vickie Pierce, chairman of Worship committee; Esther Kate Pierce, chairman of recreation committee; Lillian Baggett, chairman of Community Service and Evangelism; Vickie Pierce, pianist and Mary Williams, assistant; Mrs. Ted White, adult sponsor. The installation ceremony was conducted by the pastor, Rev. J. H. Meredith.

## Prosperity Back in Goat Country

Eastern mohair buyers last week shelled the Texas hill country with the greatest shower of dollars the goat raisers have seen in four years. In one day 3,250,000 pounds of mohair, half the 1933 crop, was sold at prices ranging from 8 1/4 cents per pound for adult hair, to 8 1/2 cents per pound for kid hair. In 1932 mohair averaged 8 cents per pound and went in an all-time low of 6 cents. The unprecedented rise resulted from great demand of auto and furniture manufacturers for upholstery materials. In the picture above, the dark section shows the goat section of Texas, and around it are pictures of a number of the pure-bred angoras which inhabit this brushy, hilly area.

## Football Team To Engage Kittens There, In Curtain Raiser For Cisco Game

Ozona High School Lions will journey to San Angelo Saturday to engage the San Angelo High School Kittens, second string aggregation of the Angelo school. The game was to have been played on the Ozona grid Monday afternoon but officials of the Kittens in a telephone conversation with Coach Ted White this week declared that they were unable to be here Monday and arrangements were made for the game there Saturday. The Angelo first string crew engages Cisco Saturday afternoon and the Ozona-Kittens game will be around noon, in order to clear the decks for the Angelo-Cisco game.

## Seniors Adopt Class Colors

### 24 Members of 1934 Graduating Class Organized

Members of the Senior Class of the Ozona High School adopted class colors, flower and motto and discussed plans for class activities this year at the second meeting of the year yesterday morning. Pink and green were adopted as class colors and rose the class flower. "Out of the harbor, into deeper channels" was the class motto.

Miss Dorothy Henderson is president of the Senior Class, with Jake Miller as vice president. Billy Childress is secretary, Bill Seahorn treasurer and Morris Miller reporter.

There are at present 24 enrolled in the Senior class. The class roll includes the following: Billy Childress, S. W. Westfall, Bill Seahorn, Rob Roy Curry, Charles Powell, Jake Miller, B. B. Ingham, Dennis Coates, J. T. Patrick, Troy Williams, John D. Whatley, R. J. Everett, Drennan Slaughter, Annis Mae Brock, Louise Gideon, Nona McKinney, Dorothy Johnigan, Virginia Secrest, Dorothy Henderson, J. W. Rutledge, Cecil Laxson, Pauline Wilkins, Morris Miller and Oleta Joe Blackwell.

**CARROLL SINGS FOR LIONS**  
T. D. Carroll, song leader at the Baptist revival meeting now in progress, entertained members of the Lions Club with two vocal solos at the club meeting Monday noon. Mrs. Maxine Murdock played the piano accompaniment for the singer.

## Hallie Hubert Gets \$13,000

### Negro Given Amount Of Plea As Damages For Loss Of Arm

Hallie Hubert, local negro and former bootblack, was awarded damages in the sum of \$13,000, the full amount of his plea, by a jury in district court here last week in his suit against Earl Sprague and an insurance company.

The suit was an outgrowth of an accident on the Ozona-Barnhart road in which Hubert suffered such injuries to his left arm that amputation was necessary. The negro was driving on the highway and in passing a truck loaded with wool and driven by Sprague, his arm was struck by an overhanging wool sack and badly mangled. The case was decided on special issues.

## Mother Of Ozona Woman Dies Monday At Floydada Home

Mrs. W. L. Boerner, mother of Mrs. J. M. Baggett of Ozona, died at her home in Floydada Monday morning at 3 o'clock, according to word received here by friends of the family. Mrs. Boerner was seized with a paralytic stroke shortly before her death.

Mr. and Mrs. Baggett were at Mrs. Boerner's bedside when the end came. They had gone several days before upon being advised of her illness. Mr. Boerner died about a year and a half ago in Floydada.

Funeral services were held in Floydada, the body of Mrs. Boerner being buried beside that of her husband. Mr. and Mrs. Boerner were pioneer residents of Crockett County, having made their home here in the early days. Mrs. Boerner spent last winter here with her daughter and son-in-law.

### B.Y.P.U. ELECTS

New officers of the Senior B. Y. P. U. elected last Sunday, will be installed at the regular meeting hour of the group Sunday. The new officers include Ben Williams president, Louise Gideon, vice president; Glyn Cates, secretary; treasurer; Mrs. Ben Williams, Bible quiz leader; Jettie Rae Sellers and Dollye Cooke, group captains.

Dr. and Mrs. H. B. Tandy and children spent Sunday and Monday in Abilene visiting friends and relatives. While there Dr. Tandy performed a major operation in the Abilene hospital.

## LIONS WIN OPENER AGAINST MERTZON BY LOP-SIDED SCORE; PLAY S. A. KITTENS THERE SAT.

Ozona High School Lions, Coach Ted White's 1933 gridiron charges, romped to an easy victory, took a stiff work-out and learned a lot of football in their opening encounter of the present season against a crew from Merton High on the local grid Saturday afternoon.

Although themselves a bit raw in training and erratic in play at times, the Lions met little opposition from the lighter, less grilled Merton team and were never even in danger throughout the conflict. The locals scored one touchdown in each quarter and two in the last. Two other times the Lions carried the ball over the goal line, each time after sensational runs of 65 and 60 yards, only to have it brought back and a penalty for off-side or clipping inflicted.

### Lions Gain Easily

The starting backfield, composed of S. W. Westfall, Jake Miller, J. T. Patrick, and R. J. Everett, working behind the 172-pound line, had easy sailing in smashing the weaker and lighter Merton defense. Soon after the starting whistle, Jake Miller ripped around end for a gain of 22 yards to be followed by Westfall's advance of 10 yards, the latter gain being turned into a 5-yard loss for off-side. Down the field the Lions marched after receiving the ball from Merton on a punt and advanced to the 13-yard line. There a pass felled and the ball went over. The visitors attempted to kick out of danger, but the boot was blocked and it was Ozona's ball on the 12-yard line. A center buck netted three yards and Ozona drew a penalty for off-side on the next play. Westfall stepped off 7 yards off tackle and Jake Miller carried the ball over for a touchdown on the next play. Patrick kicked goal to convert.

The quarter ended soon after the first touchdown and the ball was in Ozona's possession on the Merton 45-yard line. At the opening of the second quarter, Jake

(Continued On Last Page)

## Asks Support For Grid Squad

### White Expresses Hope For Winning Season In Lions Talk

The 1933 football squad of the Ozona High School has the makings of a winning aggregation and needs and deserves the support of the entire community, Coach Ted White declared in a brief talk before the Lions Club Monday noon.

The team is new and untrained, Coach White declared, but they are proving apt pupils and if they continue to develop as rapidly as they have so far this season, the community can hold out reasonable hope of a winning team in the half of the district.

"The boys are working hard to develop a winning team and they need the encouragement and support of the community as a whole," the coach declared. "We have a bunch of big fellows, a line that averages over 170 pounds and a backfield of around 150 pounds. From this material we can develop a good football team."

The coach told the club that he school and the football team would appreciate especially a good turnout for its three most important home games, those against S. A. on November 11, against Rocksprings Nov. 18 and against Big Lake Nov. 25.

As a means of co-operating with the team and the schools, the Lions Club named a committee composed of J. H. McClure and John L. Bishop to interview business men of the town with a view to getting a general closing agreement for these three games.

## Mar Draws Five Year Pen Term

### Mexican Convicted Of Knife Slaying Of R. Sanchez

Tomas Mar was sentenced to five years in the state penitentiary by a Crockett County jury in his trial last week on a charge of murder growing out of the fatal stabbing of Refugio Sanchez near the Mexican settlement here on the afternoon of July 9, this year.

The verdict was brought in Friday afternoon following completion of the arguments of attorneys Friday morning. Testimony in the case was presented at a night session of the court Thursday night.

A plea of self defense was presented by Mar through the efforts of his attorneys, Houston Smith, appointed by the court to defend the Mexican, assisted by Dorsey Hardeman of San Angelo, who volunteered his services. The state's case was handled by District Attorney Weaver H. Baker of Junction.

Mar, testifying in his own defense, maintained that Sanchez attacked him with a rock and that he stabbed him repeatedly as Sanchez attempted to strike him with the rock. The fight was the outgrowth of trouble of long standing between the men, testimony introduced by the state indicated. Sanchez and his wife had separated several years ago and after Sanchez left the city, Mar lived with the woman nearly two years, until her death.

### HI-LEAGUE PROGRAM Sunday, Oct. 1, 1933

Subject—We Are the Government.

Leader—Lillian Baggett. Prayer—Rev. J. H. Meredith. Scripture—Taylor Deaton. Political Groups—B. B. Ingham Society is Made up of Groups—Willie V. Coose.

What Can Young People Do About Government?—James Childress.

Individual Responsibility—Mary Williams.

### Paul Perner Named President Methodist Men's Organization

Twenty-two men of the Methodist Church were present for the monthly meeting of the Methodist Round-Up held in the basement of the church last night.

Paul Perner was unanimously elected president of the organization to succeed the late Pon Seahorn, first president of the group. Bryan McDonald was elected vice president and M. T. Blackwell secretary. J. H. Miller, Dr. H. B. Tandy and I. G. Rape were named on the program committee to serve the next six months.

A talk on the possible outcome, the factors hindering and helping and the spirit needed to insure success of the N.R.A. by the pastor, Rev. J. H. Meredith, featured the evening's program. A splendid dinner was served by ladies of the Missionary Societies.

### Plans Perfected For Revival Meet Methodist Church

All is in readiness for opening of the two-weeks revival meeting to be held at the Methodist Church beginning Sunday, October 8 and continuing through the twenty-second, according to the pastor, Rev. J. H. Meredith.

Rev. and Mrs. R. L. Flowers, evangelistic team of considerable fame throughout the southwest, have been engaged for the fall revival at the local church. Rev. Flowers is declared a gifted speaker and a deep thinker and Mrs. Flowers is said to have few equals as a leader of young people's work. The team recently completed a successful meeting at Stigler, Oklahoma.

## Pick Grid Star For Cup Award

### Committee Chosen To Select Most Valuable Player

Machinery was put in motion Monday by Hugh Childress, Jr., president of the Ozona Lions Club for the appointment of a secret committee to award the Lions Club loving cup to the most valuable player on the 1933 Ozona High School football squad.

A committee composed of J. H. Miller, Glenn Rutledge and Royce Smith was named by the club president to select a secret committee of three to judge the players and make the award at the conclusion of the present season.

The loving cup was awarded last year to Buddy Moore, end. This was the first award of the cup donated by the Lions Club. Under the plan announced by the organization, the cup is to be awarded each year to the team's most valuable player, as decided by the secret committee, for five years, the name of the player selected being engraved on the cup after the award. After the five names have been engraved on the cup, it is to be displayed in the trophy case at the High School.

## Lions Make Up Fund To Help School Boy Buy School Supplies

An Ozona High School boy whose parents are unable to purchase the necessary school supplies for his use in school and whose continued attendance was jeopardized by this shortage of funds, will be able to continue his work and have all the necessary supplies as a result of action of the Ozona Lions Club Monday.

The boy's plight being brought to the attention of the club by a member, a collection was started around the table and a fund of approximately \$4 was made up to buy the boy's tablets, pencils, notebooks, paper, and other necessary school supplies.

An additional contribution was received yesterday from a non-member of the club who heard of the action and wanted to donate to the fund. Secretary J. H. Miller reports.

## Junior Club In Study Of Texas

### Old Forts and Missions Subject of Study In Meeting Today

A study of the old forts and missions of Texas will occupy the Junior Woman's Club in its second meeting of the current year this afternoon. Mrs. Gertrude Perry is hostess to the club with Miss Leta Powell as leader.

A talk on Forts and Missions by Mrs. C. S. Denham, another on what Texas has done for her Indians by Miss Lucille Williamson and a third on Texas Rangers by Mrs. Hugh Childress, Jr., constitutes the program.

Miss Ethel Childress is the new president of the junior club, with Mrs. N. W. Graham as sponsor from the senior club.

### OBSERVE YOM KIPPUR

The Lemmons Dry Goods Company will be closed all day Saturday in observance of Yom Kippur, the Jewish day of atonement. Mr. and Mrs. Lemmons and children will spend the holiday in San Angelo where they will take part in special services at the Jewish church.

THURSDAY, SEPT. 28, 1933.

FAITH IN AMERICA

It is doubtful if any country on the face of the earth can equal Spartan courage displayed by the American people during the last three years of the depression. Teeming millions of Asia and India live in indescribable poverty and squalor while their masters enjoy great wealth and splendor. But it is their life—they have never known anything else. In this country we are different. We are of a different race, a thinking and acting people, accustomed to the comforts and many of the luxuries of life. The great depression deprived the majority of us of all the luxuries, and millions of even the bare necessities of a normal existence. It reduced men and women from comparative affluence to stark pauperism, seared the soul of American humanity as has never been done before. Yet in the face of this appalling blight our people have never lost hope. Their faith in America and American institutions has not wavered. Their trust in the ultimate economic recovery of the country was sublime, and that trust is bearing fruit today. It is courage equal to that of the Spartans of old, and in no section of the country has that courage been more clearly demonstrated than in the small towns and countryside. Now the sun shines brighter, and our smiles are becoming broader every day.—Chronicle, Toledo, Iowa.

EVERY MAN ON THE ROPES

"We need every good man on the ropes," pulling the country out of the hole, says Gen. Johnson, administrator of the industrial recovery act. There are always some people who aren't willing to make sacrifices, but they expect to get all the benefit that comes from the sacrifices other people make. That will not prove good policy now. Those who take hold and try their best to start up business and give idle people employment, will stand high in the community. The efforts of the government for revival of industry may seem to suspend and contradict principles of business. But when we are trying to pull a wagon out of the mud, we all have to pull on the ropes, whether we are sure we are pulling the right way or not.—Chronicle, Milford, Del.

A good name keeps its luster in the dark. Follow the wise few rather than the vulgar many.

DIGGING'EM UP-by WALT

A fly vibrates its wings when in flight 330 times per second.

One or more Aspens have been growing on the Court House tower at Greensburg, Indiana since 1870. The present tree is 12 ft. high, growing between blocks of limestone by T.D. Braden, Greensburg.

The North Pole is more than 12 miles closer to the center of the earth than the equator

Hay does not cause Hay Fever and no fever accompanies it.

MAKE SELF-LIQUIDATING IMPROVEMENTS NOW

Definite benefits to the public will result from the government's program to loan communities money on self-liquidating undertakings. Bridges are being built, sewage disposal plants that will save contamination of rivers, are to be constructed, and many towns and cities are receiving better fire protection through the addition of badly needed fire apparatus. Such expenditures are really the highest type of self-liquidating enterprises benefiting the greatest number of people. Take adequate fire protection, for example, furnished by a well organized fire department equipped with standard apparatus. It is priceless when your place is on fire, and if your place never burns

it saves you money every day on taxes, insurance, etc.

From the standpoint of fire protection, it is important that towns and cities realize the long period over which money can be borrowed for public improvements, the low rate of interest charged and the 30 per cent discount which the government gives on the repayment of the total amount. For example, a \$100,000 fire department improvement can be made for \$70,000, applying this principle in a general sense.

From the standpoint of giving employment or getting the greatest value for dollars spent, there was never a better time for any community to make needed, self-liquidating improvements.

We read that in Mexico City the bull-fighters have organized a union.

SCANDALS By THE TOWN GOSSIP

One well known old timer predicts a mild, wet winter—We hope you're right, old timer but it has been T. J.'s observation for the past twenty years that most of these old timers predict the same kind of winter every year.

We were down to Powell Field to watch the Ozona Lions Football team in action last Saturday and permit us to say at this time that Coach White has some candidates on his squad who will be heard from before the end of this season—Young Miller and Young Patrick especially. Yes, T.G. does know something about the game—having played in at least one contest that he remembers particularly. I began at full back, I heard some one counting and then some one handed me the ball and six or eight men got in behind and shoved me forward. And then all eleven of the players on the opposite team piled on. Talk about being twisted up—Folks, you'll never know what shape I was in in that pile of footballers. The back of my head was driven about six inches in the ground but I could peep up from the corner of one eye. Directly over me I espied a huge ear—it didn't look to me like any ear I had ever seen before, so naturally I thought it belonged to some member of the opposing team. We surely were rough in those days—Well, anyhow, I grabbed that ear with my teeth and most bit it off before I discovered myself hollering. And then I realized that it was my own ear. That was the last game of football I've played, but the principle is the same thing.

Lost—One gas company, known locally as The Invisible Gas Co., and sometimes also called The Secret Service Gas Company. Liberal reward if found before Dec. 1

We hear rumors on the street that a certain man in the city had not spoken to his wife for more than a year. First impressions would lead us to suspect marital difficulties, but an intimate acquaintance informs us that said man just doesn't want to interrupt the wife.

Last week you may have read in our column that Allen McKinney was now a full fledged detective on the city's police force. That was a typographical error. The item should have read—Allen McKinney is a detective on police force.

Morris Miller was voted down when he suggested as the Senior class motto: "If you can't get three-two, home-brew will do."

Mike Couch says it will take some other kind of religion than Baptist to save Ozona negroes, a two-weeks meeting just closing in the negro settlement failing to save any appreciable number.

METHODIST NOTES

There are 12 registered in the training class this week, they will finish up Friday afternoon and receive their card of credit Sunday morning.

There will be preaching at eleven o'clock Sunday morning, but no preaching services Sunday night. There will be a meeting of the board of education Sunday afternoon at three o'clock.

J. H. Meredith, P.C.

MRS. FLOWERS ENTERTAINS HER SUNDAY SCHOOL CLASS

Mrs. Mary E. Flowers entertained members of her Sunday School class and those of Mrs. Charles Williams with a party in the basement of the church Friday night, honoring her star pupil, Ele Bright Baggett. There were 17 present. Various games were enjoyed, after which ice cream and cake were served.

It ought to become pretty exciting if they lay down their tools in the middle of a job.

WE DO OUR PART

We Are DOING Our Part

The success or failure of the President's National Recovery Administration depends upon its honest observance by industry and business and the sympathy and co-operation of the buying public.

We are co-operating in the NRA plan to the letter and in the spirit. We do not operate a "sweat shop" in a suburb and another allegedly under the wing of the blue eagle up town. Ours is ALL Co-operation—DOING our part. It is to your advantage to trade here because—

- 1. We do our part; 2. We give you honest value and service; 3. We take pride in our store's appearance and in the happiness and well-being of our employees; 4. We are of and for this community and its people, and 5. We know and understand your need and serve you best.

ODD — BUT TRUE

Highway Dept. Work Is Praised

Jobs Of Thousands By Pouring Cash

Sept. 27—How the highway commission, its revenues exhausted, saved the jobs of workers this summer by pouring the bulk of its reserve into the breach was reported by the Texas Good Roads Association today from figures compiled by E. J. Amey, department statistician.

To preserve the livelihood of thousands of men and their families until the Roosevelt public works program could get up the highway department poured its surplus funds—carried over from better years. It is estimated that more than \$10,000,000 more than it took to pay the debt a single dollar.

A near miracle was achieved—a drop of nearly \$12,000,000 in state road revenues, due to the payment of many motor cars, county aid, and diversion of a fourth of the gas tax to reconvert bonds.

The successful job of the highway department came from a 33 per cent emergency boost in federal aid in old license fees had been in litigation, and \$1,000,000 in cash surplus from the year, all the department had to still finish its work. Federal aid is not paid until the work is complete, it was explained.

Shannon Women Evidently Hate Cameras

Here are the Shannons, pictured eating lunch in Fort Worth during the hearing which resulted in Oleta's release and the other Shannons going to Oklahoma City. Mrs. R. G. Shannon, left, and her step-daughter-in-law, right, both shun the camera, while R. G. Shannon, left center, and his son, Armon, allow their pictures to be taken without concern. All except Oleta have been charged in the Urschel kidnaping.

Health Racketeers, Extracts Thousands By False Claims

Austin, Texas, Sept. 28.—In speaking of health racketeers, Dr. John W. Brown, State Health Officer, said, "There is no meaner method of hittin' below the belt than by holding out false promises to incurables. This fact, however, does not in the least deter

the unscrupulous who thus heartlessly prey upon thousands of unfortunate who are in a hopeless stage of illness. Thousands of dollars are extracted annually from individuals whose conditions direct their hopes to the promises made by the super-scientific gentry who claim to have beaten the untiring researchers of endowed laboratories to cures for cancer, diabetes, tuberculosis, epilepsy, pellagra, and other serious conditions.

"Unfortunately, it is words rather than deeds that creates the miracle. A miracle which, instead of being related to a cure, is entirely associated with the transfer of large sums of money from innocent persons to those whose only interest in health and health matters stops at the cash register.

"It is the sad and killing fact that in addition to the incurables, there are thousands of believing persons who become victims of this type of racketeer, and thus

through self-diagnosis and self-treatment, postpone a real investigation of their ailments until the incurable stage is reached.

"Two main rules should be followed in this connection. The first is to have an annual physical examination by a reputable physician. In this way incipient conditions can be discovered and by proper treatment the disease can frequently be conquered. The second rule is to mistrust all high promising statements of 'amazing discoveries'."

Higgins, Texas Good Roads Association president, called the figures "a valiant battle against human misery," but warned that the state fund is now "totally dependent on federal aid." "For next year we are likely dependent on federal aid," he said. "To hold our ground we must get more money from the federal government. To do this, one course is to divert state road money to other uses. The Roosevelt administration has said flatly that states do this—which will not help themselves—need not expect federal help. This help is so important in Texas now that we must not let anything endanger it."

DIPHTHERIA VICTIMS IN TEXAS LAST YEAR

San Antonio, Texas, Sept. 27—Texas lost over eight hundred of its children last year from one preventable disease. The disease responsible was diphtheria. Dr. H. N. West, Director, Bureau of Child Hygiene, in commenting on this said, "Diphtheria could be practically eliminated if parents would take their children to their physician and have them vaccinated as soon after they are six months of age as possible.

Parents would not allow their children to walk in front of a moving car, so why will they allow them to run the danger of contracting diphtheria. This immunization should be done as soon as possible as the winter months are the ones in which the most deaths occur and it takes some time for immunity to occur."

The dear old lady stood on the cliff watching the revolving beacon on the lighthouse.

"How very patient those sailors are!" she exclaimed. "The wind has blown out that light a dozen times at least and they still keep on lighting it again."

Say "I saw it in the Stockman."

Can there be any stronger recommendation for a car than this

These figures are based on the latest retail registration figures from E. L. Park & Company (all states for six full months). Since January first, Chevrolet has sold in excess of 425,000 passenger cars and trucks.

America can't be fooled when it comes to spotting the best "buy" in any field. America knows too much about motor cars for that. So when one certain car wins almost as many buyers as the next two put together, you know the answer: IT MUST BE BETTER. And that's what the new Chevrolet Six most certainly is.

Chevrolet is better looking—Chevrolet has better bodies—built not just of steel alone, but of steel reinforced by a sturdy hardwood frame. Chevrolet has a better engine—six cylinders for economy, cushion balancing for killing vibration! And Chevrolet gives better value—a long line-up of modern features which no other low-priced car can match.

Now is the time to start thinking about a new car for winter! And when you do so, think of the way Chevrolet is leading in sales. Could you ask for any stronger recommendation for a low-priced car than that?

### Texas Admitted To Registration Area On Death Report Record

Austin, Texas, Sept. 27—Texas has at last been admitted to the Death Registration Area of the United States, according to word just received by the State Department of Health, from the Federal Bureau of Census. This means that Texas is now on a par with the other states and that causes of death can be honestly compared. To gain admission to the Registration Area it is necessary that a state have a record of at least ninety per cent of all deaths occurring within her borders. Texas had practically ninety-nine per cent of her deaths filed.

According to Dr. W. A. Davis, Director, Bureau of Vital Statistics, 61,260 persons died in Texas last year. The leading cause of death was heart disease and this claimed 7,251 lives; the other leading causes of death in their order of importance were pneumonia, tuberculosis, cerebral hemorrhage, cancer, and accidents. Over thirty-three hundred persons lost their lives accidentally, and many of them could have been prevented.

The Federal Bureau of the Census is at present checking the birth records of the State to see if they can admit Texas to the Registration Area for births. Last Year the Bureau of Vital Statistics filed over one hundred and eleven thousand births and feels that they have recorded practically all births during that period. You can assist Texas by asking your physician whether or not your baby's birth has been recorded with your local registrar of vital statistics. If it has not, have it done at once as this information will not only help Texas but will be of great value to you and your child.

### MEN NEEDED FOR US NAVY

The U. S. Navy desires to enlist a number of desirable men between 17 and 25 years of age, who are of good moral character and can furnish good references and have completed at least the 9th grade of school and are able to comply with the physical standards which are required by the Navy.

Young men who are interested in a Naval career and believe they possess the necessary qualifications are invited to present themselves or write to the Navy Recruiting Station, El Paso, Texas.

### Get Up Nights? Make This 25c Test

Physic the bladder as you would the bowels. Drive out impurities and excessive acids that cause irritation burning and frequent desire. Get a 25c test box of BU-KETS, the bladder physic, from any drug store. After four days if you are not relieved of getting up nights go back and get your money. BU-KETS, containing buchu leaves, juniper oil, etc acts pleasantly and effectively on the bladder similar to castor oil on the bowels. If you are bothered with backache, or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. Concho Drug Co. says, BU-KETS is a best seller.

Say "I saw it in the Stockman."

### If You Want Extra-Fast Relief

Demand and Get

### GENUINE BAYER ASPIRIN

BECAUSE of a unique process in manufacture, Genuine Bayer Aspirin Tablets are made to disintegrate—or dissolve—INSTANTLY you take them. Thus they start to work instantly. Start "blistering" of even a severe headache, neuralgia, neuritis or rheumatic pain a few minutes after taking. And they provide SAFE relief—Genuine BAYER ASPIRIN does not harm the heart. So if you want QUICK and SAFE relief see that you get the real Bayer article. Look for the Bayer cross on every tablet as shown above and for the words GENUINE BAYER ASPIRIN on every bottle or package you buy.

Member B.F.A. GENUINE BAYER ASPIRIN DOES NOT HARM THE HEART

### "Cavalcade," Epic Film Coming Here

### Famed Noel Coward Play To Be Shown Mon. and Tues.

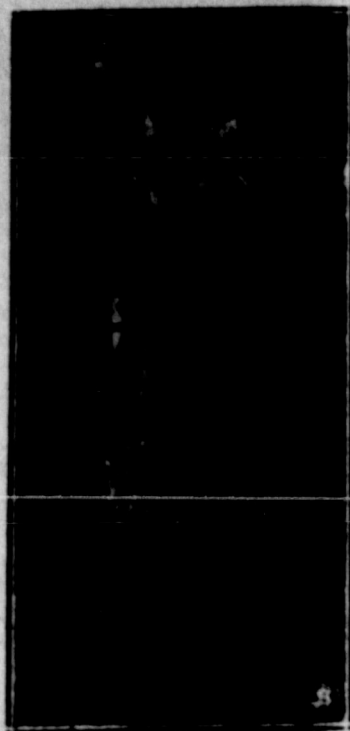

Fox Film Corporation brings "Cavalcade" to the screen of the Ozona Theatre on Monday and Tuesday of next week.

This drama whose theme is the effect of world events on the home and family has been hailed as the greatest written in the English language in a score of years. The author, Noel Coward, known for his successes, enjoyed the distinction of having his play run for a solid year at the Drury Lane Theatre in London.

A staff of experts was sent from Hollywood to see the play and to photograph it for reference. Another large staff was put to work on the research necessary to bring a story that covers the colorful period from 1900 to 1933 to the screen with absolute accuracy of costumes, equipment and historical backgrounds.

More than six months of preparation by a staff that numbered 200 preceded the actual start of production. Captain Reginald C. Berkeley, distinguished English playwright, was brought over from London to adapt the play for the screen. Frank Lloyd, twice winner of the Academy award for

### Vineyard Queen

A new industry for Texas was formally inaugurated at Newcastle, Young county, when Mrs. Roy E. Veal, wife of a grape grower, broke a bottle of grape juice against the new farmer-owned grape juice factory there, first in Texas. Mrs. Veal was crowned Queen of Vineyards. She is pictured above in her cellograph gown, which, besides being beautiful, prevented her frock from being soiled by the grape juice.

the best production of the year, was chosen as director.

### Wide Hunt For Actors

Hollywood, New York and London were scoured for the very best actors and actresses fitted by education, training and experience to interpret the 40 principal roles. Three members of the original Drury Lane cast were brought from London to re-enact their parts before the camera, and two other London favorites were also signed for leading roles. A nine-week shooting schedule was arranged, one of the longest

in Hollywood's history since the screen learned to talk.

In addition to the large cast of principals, thousands of extras found employment in the colorful sequences which include a number of dramatic and historic episodes and a graphic presentation of a cross-section of modern day life.

The story of "Cavalcade" is the story of the Marryot family, Jane, Robert; their two sons, Joe and Edward; and their servants, El-

len, Bridges and their daughter Fanny.

While it is etched on a background of historical events of last 33 years, the story itself the principal feature of "Cavalcade." The family—its joys, its and tragedies—is always upmost. Its theme is universal.

## Market Only Once a Week... and Save Money with Electric Refrigeration

Each week you probably realize a few small savings by buying groceries at week-end special prices. Why not apply this economy to all the groceries you buy? It can be done!

With modern Electric Refrigeration—which assures safe preservation of perishable foods at all times—you can safely buy in quantities sufficient to last the entire week and secure ALL your foods at a discount amounting to more than 20 per cent!

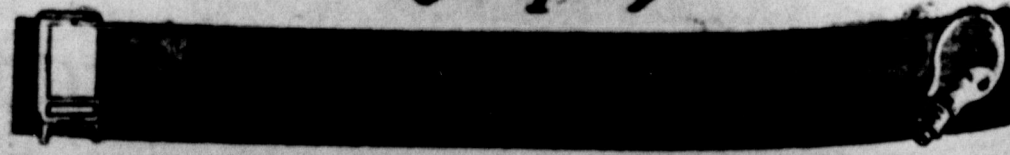

Just think what this saving will mean to you every month... and you will have to market only once a week!

The safe, constant, dependable refrigeration supplied by the new Frigidaires makes this economical practice possible. For Frigidaires automatically maintains the constant cold of less than fifty degrees necessary for safe refrigeration! No trouble on your part... no danger of forgetting and suffering losses from spoilage... everything convenient, safe and healthful.

Ask a trained representative for amazing facts and figures proving how the new Frigidaires "pay for itself." Present prices are extremely low, and terms most convenient. Don't hesitate... drop in at our Merchandise Show-room today.

### Applications For Land Loans Hike

#### Ozonia Man To Go To Training As Appraiser Soon

Houston, Sept. 26—Facing an unprecedented number of applications for loans, the Federal Land Bank of Houston has added a night crew as well as enlarging its day force to speed up the consideration of applications and the issuing of loans, A. C. Williams, president of the Federal Land Bank said today.

"In the past seven weeks," Mr. Williams said, "more applications have been received than during the previous 29 months, beginning at the outset of 1931. In the first three weeks of September, 2,631 Texas farmers applied for loans totaling \$12,023,828." This was nearly twenty-four times the volume of loans sought during the same period of last year.

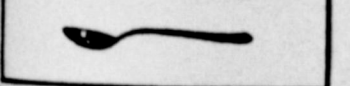

"When the Emergency Farm Mortgage Act of 1933 was passed by Congress in May, we had nine appraisers in the field and about 125 men in training. When their training is completed those who are qualified will be appointed and assigned to regular appraisal work. This will further accelerate the handling of the large number of applications now on hand and being received daily by the bank. Officers and employees of the bank are earnestly endeavoring to give prompt assistance to deserving farmers of Texas," Mr. Williams said.

E. B. Baggett, Jr., of Ozona has been appointed to training for a position as appraiser for the Federal Land Bank and will go to Del Rio soon to start his training under a veteran appraiser stationed there.

#### LAS AMIGAS CLUB

Miss Mary Childress entertained Las Amigas Club and a number of guests with five tables of bridge at her ranch home Saturday. Mrs. Bill Littleton and Mrs. Evert White were given bridge covers for club and guest high score. Cards were given as cut prizes at each table. Other guests were: Miss Helen Montgomery, Mrs. Douglas Kirby, Mrs. R. L.

### Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels on regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.

### Many Present For Music Club Meet

#### Organization Opens Its Season With Musical Travelogue Program

Ozona Music Club opened its club year last Thursday with a splendid attendance and an entertaining program which took the form of a "Musical Travelogue."

In addition to the musical program, a business session was held during which plans of the club for the year's work were outlined and appointments made.

Mrs. Vernon B. Cox and Mrs. F. T. McIntire were named by the president as sponsors of the Juvenile Music Club for the coming year.

Mrs. Bryan McDonald was selected chorale director for the coming year. Members voted to have an extra practice period the second Monday in each month.

Mrs. Morris Dudley was elected corresponding secretary of the club to succeed Mrs. Lowell Littleton whose duties as teacher in the Live Oak School will prevent her serving.

The opening meeting was designated as president's day and Mrs. Paul Perner presided in her first session as head of the club.

The next meeting of the club will be on October 5 at the home

of Mrs. W. J. Grimmer with Mrs. J. M. Dudley and Mrs. Lowell Littleton as assisting hostess. The program will be devoted to a study of Scotch music.

Mr. and Mrs. Neal made many friends here during their stay while Mr. Neal was supervising application of the caliche base on state highways in this county as caliche engineer for the State Highway Department.

Mr. and Mrs. W. E. West returned early this week from their annual European tour.

#### CELEBRATES 6TH BIRTHDAY

Arthur Byrd Phillips, Jr., entertained a group of young friends in honor of his sixth birthday Wednesday afternoon at the home of his grandmother, Mrs. Byrd Phillips. Miss Sophie Haug assisted the host's mother in a selection of games enjoyed by all. After birthday cake and vanilla ice cream were served, each little guest was presented with a whistle souvenir.

Those enjoying the occasion were Ruth Townsend, Zaidee La Verne Cox, Cleora Ann Cox, Vada Louise Bean Barbara White, Joyce West, Ann West, Joanne Glover, Joyce McIntire, Daphne June Meinecke, Coriana Phillips, Nan Tandy, Norma Joy Hubbard, Milton T. Blackwell and Dick Lee McDonald.

A new concrete sidewalk has been completed in front of the Cox building.

#### Lions Win—

(Continued From Page 1)

Miller ripped off 30 yards around end and Westfall covered the remaining distance for the second touchdown. Patrick failed to convert. It was in this frame that Jake Miller snatched down a Merton pass on his own 40 yard line and side-stepped through the whole 60 yards to the goal line to have the ball brought back and the locals penalized 5 yards for off-side. A few moments later, in

the same quarter, Westfall broke through on his own 35 yard line and ran 65 yards to the goal, but again the ball was brought back, this time to midfield, where a clipping penalty was administered.

At the opening of the half, the Lions took the ball in midfield and marched straight to a third touchdown on successive gains by Miller, Westfall and Patrick. Westfall taking the ball over standing up on an off-tackle play.

Westfall's kick was low and he failed to convert, the score standing 19 to 0.

#### Two In Fourth

Early in the fourth period, the Lions started another march from midfield and with line bucks, end plays and off-tackle thrusts put the ball to within a few feet of the goal line Patrick taking over for the fourth touchdown. The attempt at the extra point again failed. With many substitutions sprinkled in as the game progressed,

the locals continued their charge until the end of the game the last few minutes seeing Patrick intercept a Merton pass on his own 38 yard line and a few minutes later taking the ball around end for a 25 yard gain. At the end of the game neared, Westfall took the ball around end from midfield and carried it across for a touchdown, a 55 yard run. The try for the extra point again failed and the game ended 31 to 19 in favor of the locals.
