150 MEMBERS OF RED CROSS ARE ENROLLED

Roll Call Drive Goes Well Over The Top, Reports Show

MORE EXPECTED

Those Not Solicited Asked To Send In Membership

Ozona went well over the top in the annual Red Cross Roll Call drive which is just being concluded, according to reports of I. G. Rape, Roll Call chairman, Tuesday afternoon.

Approximately 150 memberships had been sold as a result of the active canvass of Roll Call workers, the chairman announced. All of the committees had turned in their reports Tuesday afternoon and a cursory check showed that \$152.90 had been deposited in the Red Cross funds as a result of the drive. Several contributions were included in this amount and the actual memberships will be between 145 and 150. The goal set by the national headquarters for the Crockett County chapter was 100 memberships.

Twenty-nine of the memberships were taken by Mexican citizens of Ozona. The committee conducting the Roll Call drive in the Mexican suburb was composed of Fernin Aguirre and Trinidad Ramirez. The Roll Call chairman expressed his appreciation of the fine work done by these canvassers and of the splendid response of the Mexican people.

Although the Roll Call drive ends officially Thanksgiving Day, many additional memberships are expected to come in from persons who were not solicited by the workers in the drive. A number of such voluntary contributions were received during the drive and several others have sent word that they want to join and will do so at the first opportunity. Persons who have not been solicited and who wish to subscribe to the Red Cross work are asked to see Mr. Rape.

Award Football Loving Cup Soon

Name Of Recipient To Be Made Known With Letter Awards

Reports of the secret committee of three, named to select the most valuable player on the Ozona High School football team for 1932 to receive the handsome silver loving cup to be awarded by the Ozona Lions Club, are expected to be in within the next few days, officials announced this week.

The name of the player who will thus be honored will not be made public, however, until sometime in December when award of sweat bands and letters will be made by athletic authorities of the school. Presentation of the cup to the most valuable player will be made at the same time.

The cup, which has already been received and placed on display at the school building, is to be awarded each year for five years, the name of the player receiving the cup being engraved on its side. It will remain permanently in the trophy case at the school building.

The secret committee on award will decide the winner of the cup on sportsmanship, ability, effort, scholarship, training and influence on other members of the team.

Mr. and Mrs. Gilbert F. Noakes and young son arrived Sunday night from Corpus Christi to spend the Thanksgiving holidays with Mrs. Noakes' parents, Mr. and Mrs. A. W. Jones.

To Spread Cheer On Thanksgiving

Paul Perner Gives Steer For Lions Thanksgiving Baskets

Thanksgiving good cheer baskets are to be distributed by committees from the Ozona Lions Club Wednesday evening or early Thursday morning to a number of Ozona families. Final plans for the spreading of Thanksgiving cheer were perfected at the Monday session of the club when committees were named and all arrangements completed.

A steer has been donated by Paul Perner to furnish meat for the baskets and a Lions committee headed by O. W. Smith will butcher the animal some time Wednesday. R. J. Cooke of the Ozona Meat Market has agreed to cut up the carcass.

A liberal cut of meat, bread, fruit and other articles to make up a Thanksgiving dinner will be included in the baskets. It was explained at the club meeting Monday that distribution of the baskets is not being undertaken as a charity relief measure, but purely as a project to spread good cheer at Thanksgiving time.

Many Present At Soremouth Meet

Station Veterinarians Demonstrate Method Of Its Control

A large number of Crockett County ranchmen were on hand here at 10 o'clock Friday morning to witness the demonstration of the vaccination method for controlling soremouth in sheep and goats, and to hear the explanation of the treatment and account of the results of the inoculation method of combatting the disease given by Dr. I. B. Boughton of the Experiment Station near Sonora.

Dr. Boughton and L. B. Wood, district agent for the station, are on a tour of the ranch area giving the soremouth demonstration and talks for the benefit of ranchmen who have suffered huge losses annually from the ravages of this disease. It is believed one of the greatest contributions made by the experiment station is the vaccine for providing immunity against soremouth, and ranchmen of the territory are loud in their praise of the contribution to the industry made by the station.

Large Crowd Enjoys Programs Given By Grade School Pupils

A splendid Thanksgiving program was presented to a fairly large crowd in the High School auditorium Tuesday evening by pupils of the first four grades. Receipts from the evening entertainment will go toward the purchase of necessary materials for use of the classes.

The program opened with a pageant entitled "Indian Life" by pupils of the first grade.

A three-act play, "In Pilgrim Days," by pupils of the second, third and fourth grades, was the feature of the program. The play depicted the Pilgrims at Thanksgiving time in 1630 and their relations with the Indians. The parts were splendidly done by the children.

Between-act features included a reading, "An Overgrown Boy at Thanksgiving Tea," by Gip Oldham, and "A Naughty Little Girl's Life in a Hotel" by Florene Adams, both pupils of Mrs. A. W. Jones. A song, "If I Were a Boy, and If You Was a Girl," sung by Mary Jeannette Grimmer and Virgil Oden was especially enjoyable, as were two negro spirituals interpreted by Betty and Athlene Dudley under the direction of Mrs. W. J. Grimmer.

Stray Bullet Nips Lips Of Ozona Man On Hill Area Hunt

Some have "shaken hands with Death," others have "rubbed shoulders with Death," but Joel Montgomery Highway Department inspector attached to the local office, has been "kissed by Death."

In this instance, Death was riding a fast moving rifle bullet fired by an over-zealous hunter in the Fredericksburg country over the weekend and as a result of his brush with the awesome spectre, Mr. Montgomery is nursing two badly swollen lips—the searing kiss of Death.

Mr. Montgomery and companions had just stopped their car to open a gate in a pasture when the rifle bullet, coming from an unseen hunter's gun, zipped past, just barely touching Mr. Montgomery's lips, searing them both as if they had been touched with a white-hot poker.

Although his injury was not serious, Mr. Montgomery called his hunting expedition to a sudden halt and returned forthwith to Ozona where it's safer. He says he considered that just a little "too close to be entirely comfortable."

Mrs. Jones Miller Is Honored With Dinner On 72nd Birthday Fri.

Daughters of Mrs. Jones Miller entertained with a dinner Friday at noon on the occasion of Mrs. Miller's 72nd birthday. A big cake with 72 candles, baked turkey and dressing and everything good that goes with a holiday feast loaded the big table.

Those enjoying the affair besides the honoree, Mrs. Floyd Estes, Mrs. Sally Laxton, Mrs. Will Gray, Mrs. J. A. Anderson, Mrs. Sam Beasley, Mrs. I. G. Rape, Mrs. L. N. Moody, Mrs. Paul Hallcomb, Mrs. Bill Williams, Mrs. C. C. Luther, Mrs. C. W. Barber, Mrs. W. M. Johnigan, Mrs. H. T. Rutledge, Miss Alma Johnigan, Miss Sara Eulledge, Mrs. C. J. W. S. Kerr and Mr. and Mrs. Clay Ridgeway are here from Hereford for a visit with Mr. and Mrs. Bryan McDonald. Mr. Kerr, Mr. Ridgeway and Mr. McDonald left Monday for a few days deer hunt.

Lions Close Season With 13-2 Win Over McCamey Reserve Crew; Lion Cubs Even It Up With Big Lake Owlets, 6-0

Coach Ted White and his High School Lions finished off the 1932 football season in a blaze of glory here this week-end with the first string lads overwhelming the McCamey High School second team by a 13 to 2 score and the Lion reserves paying the Big Lake Owlets back in like figures for the 6-0 defeat handed them a week earlier at the Reagan capital.

The Lions took the McCamey reserves into camp Friday afternoon for their closing game and the second stringers took their revenge on the Big Lakers Monday afternoon, 6 to 0. Both of these encounters were among the most interesting games, from the standpoint of the spectator, of any played on the local field this season.

The locals displayed plenty of wares in the game with McCamey outplaying the visitors in every quarter of the game. Scoring in the first few minutes of play, the Lions tore through the visiting squad from then until the finish of the game, every man on the squad probably playing the best game of the season.

Charging down the field shortly after the kick-off, the Lions made it one first down after another, with Westfall, Chandler,

Award Contracts On Hi-way No. 27

28 Miles From Live Oak To West Of Sheffield To Be Surfaced

Contracts for caliche base course and single bituminous surface treatment on approximately 28 miles of Highway 27 from Live Oak Creek west into Pecos County will be awarded by the State Highway Commission in session at Austin Monday and Tuesday of next week.

The seven-mile stretch of highway from Live Oak Creek to Sheffield is partly in Crockett and Pecos Counties. It was among the first stretches of the O.S.T. highway in this county to be awarded. Approaches to the Live Oak Creek and Pecos River bridges are included in this contract, it is presumed.

The 28-mile stretch is to be let in three contracts, one 11-mile and one 10-mile stretch being in Pecos County west of Sheffield. All grading and drainage work has already been completed on this part of the highway. These contracts are all being awarded under the federal emergency appropriation and are subject to federal employment regulations.

P.T.A. To Sponsor Christmas Seal Sale

The Ozona Parent-Teacher Association will sponsor the sale of Christmas Seals here again this year. Sale of the seals will begin this week in the business section, instead of school children, it was announced at the Monday meeting of the association. The sale will be started early in order that business men may have the seals for their December mailing of statements.

Proceeds from the annual Christmas Seal Sale are used in the nation-wide fight against tuberculosis. A total of \$150 worth of the little stickers have been received by the P.T.A. for sale here and the organization hopes to dispose of at least \$100 worth of them in the allotted time.

TUMBLERS TO BARNHART

V. Vanzandt and his local tumbling team contributed the between act numbers for a school play at Barnhart last Friday night. The play was sponsored by the Parent-Teacher Association to pay for diphtheria inoculation of children in the Barnhart school. Mr. Vanzandt and his son, Ernest, Richard Miller, Jr., and Lurine Townsend compose the tumbling team.

Aged Negro Employed In Road Work Here Found Dead In Tent

Goodson Isaac, 64-year-old negro employed by the Murdock Construction Company in road work in this county, was found dead in his tent at the road camp east of Ozona Saturday night. Isaac had been dead several hours when the body was discovered by his son-in-law, also employed with the construction crew.

Funeral services were held Monday afternoon, with Rev. M. M. Fulmer, pastor of the Ozona Baptist Church, officiating. The aged negro had been employed by the Murdock Construction Company for several years. His death was attributed to a heart attack.

BAGGETT HONORARY LION

Ele Bright Baggett, son of Mr. and Mrs. E. B. Baggett, Jr., will be an honorary member of the Ozona Lions Club the next six weeks, succeeding Hubert Westfall, who held the honor the past six weeks term. The winner of the award of honorary Lion was picked from the Junior High grades this term rather than from the High School group. The boy making the highest scholastic average for the past six weeks term is admitted to full membership in the club for the next six weeks.

Art Exhibit Is Assembled Here

Mrs. A. C. Hoover, 6th Dist. Art Chairman, Shows Paintings

A distinctive exhibit of the works of a group of Texas artists consisting of 15 paintings, mostly of Texas scenes, has been assembled by Mrs. A. C. Hoover of Ozona, art chairman for the Sixth District, Texas Federation of Women's Clubs, and is now on display at her home here.

The exhibit will be started soon on a tour of clubs of the Sixth District and the ten best paintings in the group, selected by popular vote of club members in the district where they have been exhibited, will be taken as the exhibit of the Sixth District to the state convention in May. The ten pictures will be selected at the Sixth District convention in the spring.

Mrs. Hoover, who has been interested in the art department of club work in the district for the past six years, has assembled the exhibit for the purpose of inspiring and encouraging Texas artists and to discover and encourage new talent. A number of comparatively new artists have been discovered through encouragement of the district art chairman in her efforts to assemble the exhibit.

The pictures have been exhibited to the schools, the Woman's Club, P.T.A. and others interested during the past week. Among the popular paintings in the group is one by Lewis Teel of El Paso, a mechanic in the railroad shops at El Paso. His is entitled "A Tank on the Prude Ranch," painted in the Davis mountains.

Everybody Invited To Sunrise Thanksgiving Services Thursday

A cordial invitation is extended Ozona people to attend the union sunrise Thanksgiving services to be conducted at the First Baptist Church here from 7 to 8 o'clock Thanksgiving morning. All denominations and people of no church affiliation are invited.

Rev. M. M. Fulmer, pastor of the Baptist Church, will preach the sermon at the sunrise service, which is sponsored by the Baptist church. Pastors of other churches of the city take turns at preaching at these services, the lot falling to the Baptist pastor this year. A free will offering taken during the service will go to local charity.

RFC CHECK IS DELIVERED TO CROCKETT CO.

Allotment For November Is \$321; To Get \$400 December 1

SPEND FOR LABOR

Street Improvement To Be Under Way As Soon As Possible

The first check of this county's allotment of \$800 from the Reconstruction Finance Corporation's unemployment relief funds was received the first of the week through the West Texas Chamber of Commerce, acting as agents of Governor R. S. Sterling in distributing the funds.

The checks were issued at a meeting of representatives of the communities asking the aid held at Abilene last Saturday. The Crockett County check was received by Mr. Littleton of Abilene, father of J. L. Littleton of Ozona, as proxy for the local committee when it was found impossible for a representative of this community to be present to receive the check.

The check for this county amounted to \$321, an unexplained reduction from the announced amount of \$400 to be received for November. The local committee is scheduled to receive a second check for \$400 December 1.

Expenditure of the money received from the corporation is in the hands of a committee named by the Ozona Lions Club, which will work with the county in spending the money on improvement of Ozona's streets.

Definite plans for getting under way the work of grading and surfacing Ozona streets with this money will be formulated at a conference of members of the committee and county officials in the next few days, according to Hugh Childress, Jr., Lions Club president and head of the committee. It is the hope of the committee heads that the work will be gotten under way at the earliest possible moment that all who are without employment can be put to work and that the much needed improvement can be accomplished.

Injured Girl May Recover

Luella Blair Reported Considerably Improved At San Angelo

Miss Luella Blair, 15-year-old Ozona girl, who was seriously injured in an unusual automobile accident here recently, is reported improving at a San Angelo hospital and at last reports attending physicians declared her chances good for recovery.

Miss Blair suffered internal injuries when the lid to the rumble seat in which she and Otis Faught were riding closed on their bodies as the car crashed through a fence J. B. Blair, driver of the car and a brother of Miss Blair, lost control of the machine while backing along the road to recover his hat that had blown from his head.

CANVASS ELECTION RETURNS

The Commissioners Court in session here Tuesday morning canvassed the returns of the general election. The totals as unofficially reported following the election were found to be substantially correct.

Things for which we should be thankful were enumerated by Rev. M. M. Fulmer in a Thanksgiving talk at the Lions Club luncheon Monday noon. Gilbert Noakes of Corpus Christi was the guest of Hugh Childress, Jr., for the luncheon.

THURSDAY, NOV. 24, 1932.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principle of democratic government.

PRUNING IS SCIENTIFIC

In a recent address, Governor Olson of Minnesota pointed out the need for governmental economy, and then said: "However, at the present time we should guard carefully the way in which government costs are reduced. If they are cut down in a frenzy, in a mood of passionate despair, in a temper of revenge, then indeed is the spoilsman likely to flourish and the technician and expert be cut off."

In other words, tax reduction must be accomplished scientifically. The kind of "tax reduction" that eliminates good men and necessary work damages the cause it espouses.

The kind of tax reduction we need is that which cuts away some of the maze of bureaus that has grown up in recent times, principally since the war, such with its long list of employes. They are anchored around the necks of taxpayers who are trying to swim through harsh waters.

These growths and long lists might well be compared to the dead wood and long suckers the scientific orchardist, must yearly prune from his tree. Our governmental pruning must be done just as scientifically, so that what remains is the trunk and the roots and the sturdy growth of years with the life-sapping overgrowth trimmed clean.

THE WEEKLY NEWSPAPER

Since the days of Benjamin Franklin no bit of literature has visited so many rural homes as the weekly or home newspaper. For generations it was regarded by its avid readers as the symposium of all the worthwhile news, and its editorial page expressed views on current topics that were generally accepted as crystallized public opinion.

Editors of the publications have, with few exceptions, been men and women of high moral character and sharp intellect. Above all, they possessed uncanny knowledge of human nature. They correctly opine that an occasional paucity of editorial thought is easily compensated by a plenitude of comment on personal happenings among their clientele.

To see it chronicled in the local paper that Mary Jones was a visitor in Smithville on a certain day arouses more personal interest in the Jones family than did the recent assassination of the president of France. Country editors know that in satisfied personal pride and vanity resides much of the popularity of the weekly press.

But the weekly newspaper has and performs a higher mission. Its editor lives in close social and intellectual communion with the people he serves. This intimate contact enables him correctly to anticipate and appraise public sentiment in its incipency in the right direction.

This is an opportunity and responsibility which only good men and good women should have. While rural mail delivery has given wider circulation to daily newspapers and the radio carries

SCANDALS

By THE TOWN GOSSIP

Folks, T. G. has to break down and tell you that he has failed—failed in an attempt to bring to the citizenship of our fair city a thrill such as the oldest-timers in the county never experienced. I am sure you have noticed the crestfallen appearance on the countenance of yours truly for the past few days, the reason for same being this—I thought I had a tight to the finish, catch as catch can battle matched between Hon. Ross Sterling and More Hon. Jim Ferguson to take place in our local Madison Square Garden; I had both parties ribbed up to a fever pitch, crying for blood, revenge or what have you; the duel was to have been a Bowie knife affair with nothing barred; both contestants came to the scene of the conflict, but when Jim found out that Ross had been out to Alpine and bagged a twelve point buck with his knife at a distance of 1761 yards, he cried muy hombre and fled. So endeth all hopes of an encounter.

BANKERS ADVISE ADVERTISING

Merchants who do not advertise are invited to read the following from the American Bankers Magazine, as it might give them a new slant on business—your own business—as well as the matter of building up your town.

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a 2-line space. A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertiser.

Mrs. W. D. Drennan, who is here for a visit with her daughter, Mrs. J. D. Pomeroy and family at the Ozona Hotel, was severely bruised last Thursday when a car in which she was riding overturned about twelve miles this side of San Angelo.

Miss Elizabeth Fussell, Miss Maxine Murdock and Charles Williams left Wednesday morning for San Antonio for the Thanksgiving holidays. Charles will go on to Austin Thursday for the Texas-A. & M. football game.

Mrs. Glenn Taylor is here from Houston to spend Thanksgiving with her mother, Mrs. W. H. Augustine and family.

Mr. and Mrs. H. P. Vaughan and son will spend Thanksgiving with relatives in Goldthwaite.

Miller Robison and Conlay Cox left Wednesday morning for San Antonio where they will spend Wednesday night and will go from there to Austin the following day to attend the Texas-A. & M. football game.

Mr. and Mrs. Charles E. Davidson, Jr., returned Friday from a visit with relatives in Temple.

Religious Books Asked For Library; Mrs. Kay Gives Two

The Ozona High School Library is making a drive for religious books. These books may be dictionaries, encyclopedias, biographies, biblical stories, or stories of missionary experiences.

Mrs. W. A. Kay has donated two religious encyclopedias, for which the faculty and students are grateful. Mr. Bishop urges all patrons to check their private library collections and, if possible, help build a religious book collection in the school library by making donations.

LAS AMIGAS CLUB

Miss Helen Montgomery entertained Las Amigas Club with four tables of guests with their first contract session Friday. Delicious refreshments of hot cheese sandwiches, chicken salad, tea and chocolate cake were served. Junior Red Cross Unit Organized By Sixth Graders

Catching the spirit of the Red Cross Roll Call the sixth grade room of the Ozona Junior High School has organized a Junior Red Cross. A collection of \$3.58 was made by the pupils for the Red Cross Work, and the room is one hundred per cent for it. Miss Mary E. Webb, teacher of the sixth grade, states that the movement was spontaneous on the children's part, the idea being generated when their teacher became a member during this year's Roll Call.

Rev. M. M. Fulmer, chairman of the local Red Cross unit, was asked to explain to the room the Junior Red Cross plan of enrollment which requires a free will offering from the room amounting to at least one cent per member. The collection once begun, did not stop until \$3.58 was collected, which is approximately ten cents per pupil. Miss Webb, the sixth grade teacher, who has held up Red Cross ideals before the room, and each pupil are to be commended for this fine spirit and showing.

Mr. and Mrs. I. G. Rape and son, Joe Rape, plan to attend the Texas University—A. & M. football game in Austin Thanksgiving Day.

ANNOUNCES

GREATEST GIFT STOCK IN ITS HISTORY!

ONCE AGAIN we reach the Christmas Season with thoughts turning to Gifts. And once again OBERKAMPF'S will lead the Christmas Shopper into a gorgeous array of highest quality gifts for all the family.

We do not exaggerate when we tell you that we have assembled for the Christmas shopper this year one of the largest and most complete stocks of Christmas goods we have ever offered.

Impossible, you will say. But, here's how we did it. Although we are offering a larger stock and a wider variety of merchandise that never before, we have actually put far less money into stock than in any previous years. Here's how—

We bought on ROCK BOTTOM MARKET. Goods have not been cheaper before nor since our purchase. We paid CASH for our merchandise, thus effecting further saving. These savings are going into the pockets of our customers this year. You will be amazed at the low prices quoted on every item.

Toyland Opens

A glittering array of Toys, Dolls, Games—everything to fulfill the fondest dreams of boys and girls at Christmas. Watch for further announcements.

Funeral rites for 76, pioneer resident of this county, were held at noon of this week following his sudden death on the morning, with Rev. G. I. Brittain officiating at the church. A large number of residents were present.

Death Came

Death for the pioneer and town-builder of this county, Saturday morning had been past several months not well during the night of Friday which proved to be fatal. He died within a few minutes after he had moved to a bed which he occupied.

Surviving Mr.

Surviving Mr. Boer are his wife and five children and three daughters. Fred W. of Hunt County, Texas, and Frank of the daughters are his son and Mrs. S. W. Mrs. J. M. Baggett, several grandchildren. All the children were present at the funeral. Mrs. Baggett arrived from the city and Fred W. Boer, son of his wife and daughter, of Los Angeles, and granddaughters, reached here at 7 o'clock after a long drive. Another daughter, Florence Posey, died her father on February 6 of this year.

Two sisters also

Two sisters also died. They are Leary, of Ennis, and A. E. Vandervoort, who was able to be present at the funeral.

Married Fifteen

Mr. and Mrs. Boer were married nearly fifteen years ago. They celebrated their wedding anniversary on November 21, 1929, at their home. Mrs. Boer is a daughter of Mrs. E. A. number of well as relatives gathered to do the honors.

The family

The family moved to this county in 1894. Boerner at that time was operating a sheep ranch in the east Floyd County. He is now in farm years here the family has lived in Ozona and lived here in 1908. He had resided in Floydada, and first property to begin the construction of business houses its first spurt in 1911. Following the destruction of the district on July 1911, he constructed one business structure. For three years, April 1920, he

Ours Are The Blessings For Which They Journeyed Far!

Three hundred and eleven years ago, a group of travelers known to history as the Pilgrims landed on "the stern and rock-bound coast" of New England. They endured many hardships during their journey—but the Spirit of Freedom that animated them drove them forward to success in their undertaking. They founded a colony where they were free to worship as they pleased, and where they were able to rule themselves according to the tenets of their own conscience.

Their attainment of their desire is today celebrated throughout the country on Thanksgiving Day. And indeed their venture struck the keynote of the true American Spirit, and all of us today are basking in the sunlight of their pioneer accomplishment.

They have made it unnecessary for us to journey to strange lands, as they did, in the quest for happiness. Our happiness is available to us RIGHT IN OUR OWN HOME TOWN.

We have the sort of community for which the Pilgrims strove. Ours are the blessings for which they journeyed far!

Let us nurture these blessings by upholding and supporting OUR HOME COMMUNITY to the greatest extent in our power. Let us MAKE OUR TOWN GROW by contributing to its general welfare through the medium of PATRONIZING OUR OWN HOME TOWN MERCHANTS, whose success means the success of the community.

The business growth of our town means the growth of our recreational, educational and social activities.

When you make your purchases out of town, you are fighting against the COMMUNITY SPIRIT which animated the Pilgrims and which is the mainspring of all American progress!

GET THE COMMUNITY SPIRIT! BUY AT HOME!

One of World's Great Wonders Found in Texas

Here's a real "look-see" at the wonders of Pluto's realm, taken in the newly discovered and explored Longhorn Cavern, right at the center of the State of Texas—at Burnet, 30 miles northwest of Austin. Dr. Frank E. Nicholson, famous as the explorer of Carlsbad, has definitely established this Texas wonder to be the third largest cavern in the world. When fully explored, it will be larger than any other, he says. Note Nicholson in the photo, with his wife, Peggy, standing just above him. Also in the "Dragon's Mouth," Longhorn Cavern State Park, with the cave as the feature attraction, will be opened to the public for the first time Thanksgiving day, with a big four-day celebration.

Huge Texas Cavern In Burnet County To Be Opened On Thanksgiving Day; Four-Day Program Is Planned

Last June the exploration and development of a gigantic cavern, located on State property in Burnet County, between Burnet and Marble Falls, Texas, was begun. In excess of eight miles of spectacular subterranean scenery was charted and mapped. Development consisted of the installation of electric lights, the paving of trails—in fact, every comfort and convenience of the visitor has been provided for. This magnificent underground palace opens Thanksgiving as a Texas State Park, with a four days program; November 24 to 27 inclusive.

The giant labyrinth is located in one of the most picturesque spots of all the famous "Texas Hill Country." The state owns 2,24 acres of wooded hills surrounding the entrance. Amid oaks, pines, cedars, springs, creeks and anyons various recreation grounds and gardens are being developed.

The cavern itself defies description. The eight miles which have been explored and charted definitely establishes the cavern as the third largest, yet one can not mentally conjure as to what tremendous proportions the labyrinth may attain when the maze of leading tunnels have been explored.

The scenic beauty of the explored area—the splendors which time and water have wrought—are awesome. Walls, ceiling and floors are literally covered with an amazing abundance of weird formation which Nature has constructed of glittering onyx and crystallized calcide. There is a lake of emerald pools of pure water, and a subterranean stream, which the visitor crosses, passing over a forty-foot bridge.

Natural Theater
Five rooms are built of transparent crystal, clear as glass—the largest deposit of its kind known to exist on this globe.

THURSDAY, NOV. 24, GOVERNOR'S DAY. The Governor of Texas, and Governors of adjoining states have been invited as guests of honor. Other State Officials of Texas will be present. THANKSGIVING SERVICE IN THE UNDERGROUND CATHEDRAL. Churches of all denominations in Burnet and adjoining counties will participate in Thanksgiving worship, which will be held in the colossal subterranean Cathedral Room of Longhorn Cavern. The program in-

cludes a sacred concert. Noon and Evening: Turkey dinner and dancing in the Subterranean Restaurant.

Round trip excursions throughout the cavern during morning, afternoon and at night.

Legion Entertains
NOV. 25, AMERICAN LEGION DAY: The Burnet American Legion Post will be the host to the entire state of Texas at a barbecue to be held in the Cavern Park. Members of all Legion Posts of the State are guests of honor.

All newspaper men are cordially invited as guests of the Legion. Polo Matches, Rodeo, Band Concerts, etc., held on the Recreation Field in the Cavern Park during afternoon and evening.

Barbecue dinner with all the trimmings, at noon. Everyone invited.

Evening: Dinner dance and entertainment in the Subterranean Restaurant.

Round trip excursions throughout the cavern during morning, afternoon and night.

NOV. 26, CLUB DAY: State Federation of Clubs, Chambers of Commerce, Lions, Rotary, Kiwanis, Conopus, Exchange, Elks, Optimist, Press, Advertising, Odd Fellows, Masons, Knights of Columbus, Woodmen, D. A. R., and all other similar organizations will have special representatives, and all club members are asked to be present for the program of the largest club convention ever held in the South.

Rodeo and similar outdoor attractions on the Recreation Grounds in the Cavern Park.

Sunday Schools Program
Band Contest during morning and afternoon. Ceremonials in the Underground Cathedral Room during morning and afternoon.

Evening: Dinner dance and entertainment in the Subterranean Restaurant.

Round trip excursions throughout the cavern during morning, afternoon and at night.

NOV. 27, SUNDAY SCHOOL DAY: All Sunday Schools are requested to attend and participate in the largest Sunday School Convention ever attempted in Texas. It will be an All-Denomination Convention, with impressive services in the spectacular subterranean Cathedral Room.

As on all days, an ample number of competent guides will be in attendance to conduct adults and younger people through the cavern in absolute safety.

Games and entertainment on the Recreation grounds during the morning, afternoon and at night.

Evening: Sunday dinner in the Subterranean Restaurant.

Beginning Monday, November 23, the cavern will be open every day and evening of the year.

Miss Tommie Smith, daughter of Mr. and Mrs. Tom Smith, underwent an operation for removal of her appendix at a San Angelo hospital Saturday morning. Dr. F. T. McIntire of Ozona and a San Angelo surgeon performed the operation. She was reported resting well at last reports. Mr. and Mrs. Joe Pierce and Dr. and Mrs. McIntire went early Saturday morning returning in the afternoon. Mr. and Mrs. Smith are staying with their daughter this week.

Ton Of Christmas Seals To Be Mailed Thanksgiving Day

A ton of Christmas seals to fight tuberculosis has been deposited in the Austin postoffice for mailing on Thanksgiving Day. Miss Pansy Nichols, executive secretary of the Texas Tuberculosis Association, said recently. The increase in first class postage rates makes it necessary for the tuberculosis associations to send their seals by third class mail which requires weighing.

These seals are enclosed in 32-00 letters, each containing 200. Their total value is \$64,000. They will go to 173 Texas counties served directly by the state association. In other counties local tuberculosis associations and Christmas seal chairmen will have charge of the sale.

A considerable portion of the money raised in the seal sale this year will be used to discover and to secure care for children affected with the childhood type of tuberculosis. Miss Nichols said.

John Young, Pioneer West Texan, Father Ozona Woman Dies

John Young, pioneer of West Texas and a resident of Alpine for the past 25 years, died at his home on East College avenue this morning at nine o'clock, the Avalanche learned just as the paper was going to press this morning.

Mr. Young had been confined to his bed for a year and a half following a stroke of paralysis. He had recovered from a previous stroke to the extent that he was able to be at his office and look after his business.

Mr. Young was one of the old-time cowmen of the West, and went up the trail with many herds of cattle in the early days. Since coming here he had been engaged in the real estate and livestock commission business.

He is survived by his wife and seven children: Mrs. Cas Edwards, Mrs. Chas. Everett, John, Frank and Vitche Young, all of Alpine; Mrs. Harry Friend of Ozona, and Mrs. Norman Maier of San Angelo.—Alpine Avalanche.

NOTICE TO UNEMPLOYED LABORERS

All unemployed laborers in Crockett County who desire work on highway construction now in progress in this county are asked to meet at the courthouse at Ozona, Texas, Monday morning, November 28, for the purpose of making their application for employment on the 11-mile stretch of state highway No. 27 and federal highway No. 290, beginning nine miles west of Ozona and extending to the Bachelor Hill, now under contract by J. S. Wade and Son and Dozier Construction Company.

All skilled and unskilled labor, of all races, who desire employment in road work are invited to the meeting. Representatives of the State Highway Department, the contractors and the local committee on unemployment will be represented at the meeting.

Labor on this project comes under the provisions of the federal emergency appropriation for the relief of unemployment and contractors are required to furnish a maximum of five hours work a day and 30 hours a week to all skilled and unskilled labor. Local labor will be given preference, with labor from surrounding counties next and from the state at large when available labor in this area is exhausted.

Lions Close Season
(Continued From Page 1)

center resulted in a fumble and Dudley recovered the ball on McCamey's 10 yard line.

On the first down, Chandler picked up one yard through tackle Ozona drew a 5-yard penalty for off-side on the next play and on the next a short pass, Moore to Westfall gained a few yards. The ball was in midfield and the locals faked a place-kick and Westfall heaved a pass to Moore over the goal line which was good for the second touchdown. The kick for extra point was blocked and the score was 13 to 0.

The Lions slowed up a bit in the second frame and neither side threatened seriously in that period.

In the third quarter, Ozona again kicked off and the ball rolled over the goal line. It was brought back to the 20 yard line where McCamey took possession. On the second down after the visitors had lost a yard on the first, they kicked to Chandler on the McCamey 40 yard line and he returned the ball 15 yards to the 25 yard line. But the locals lost the ball on downs on the 20 yard line. After another series of downs and a kick, Ozona attempted a pass on their own 35 yard line and it was intercepted on the 39 yard line.

Bad Pass Nets Safety

Here the McCamey lads started a goal line march which looked destined for a touchdown. The second play, an end run put the ball on Ozona's 25 yard line for a first down. Four more tries made another first down on the 12 yard line. An off-tackle thrust netted three yards. Two line bucks gained a yard each and the ball was on Ozona's 7 yard line. A pass was knocked down and the ball went over on the 7 yard line.

Buddy Moore dropped back to kick out and a bad pass caused a fumble which netted McCamey its only score of the game. Moore was downed behind his own goal line for a safety and two points for the visitors. The Lions were never in danger after that point.

The Ozona and Big Lake second teams were about as evenly matched as any two teams seen in action this season on the local grid as evidenced by the fact that last week the locals were downed 6 to 0 on the Big Lake grid and here the score was the same but reversed, the locals holding the heavy end of the count.

It was a battle to a draw until the fourth quarter. The Owlets had been backed to within the shadow of their own goal line and on the fourth down-in punt formation, the kicker muffed the pass from center and the ball was recovered on the 3 yard line. Blair crashed over on the first play for the touchdown. A line buck failed to convert and the game ended with the count 6 to 0.

Monday's battle was the team of 1933 in action, with the exception of two or three from the first string who will be back in the line up next year and a few of the seconds who will not be available next year. Some splendid material showed up in the game and coach and followers alike are confident of a flag winning aggregation next year.

BAPTIST SUNDAY SCHOOL

A total of 109 were present for Sunday School at the Baptist Church Sunday. Five new pupils enrolled and there were two visitors. A. W. Jones, superintendent, announced. The average attendance last month was 105 and it is expected that the average will be greatly increased this month.

A teachers' training course will be held next week beginning Monday night. Officers of the Sunday School are urging a 100 per cent attendance of teachers. The local Sunday School lacks only a few training course teachers to attain the rank of a Standard school and officers feel confident that after next week's training course the school will attain the rank. There is only one other Standard Sunday School in the Pecos Valley Baptist Association, that is Iraan.

Mr. and Mrs. Bascomb Cox are having their home repainted. Glen Rutledge, local paint contractor, doing the work.

Rev. and Mrs. Robert Colly and son, Robert L. Colly, Jr., are here for a visit with Rev. and Mrs. L. N. Moody.

Mr. and Mrs. Walter Augustine are in from their ranch in Pecos County for the Thanksgiving holidays.

Ozona High Grads of 1930 Donate Books To School Library

Members of the Senior class of 1929-30 donated twenty-four dollars and eighty cents to the Ozona High School library for the purchase of books. Thursday these books were received and placed on the shelves for use. In each book a label was placed stating the donor of the book.

The students are eager to read these books and appreciate the donation. Miss Wayne Augustine was president of the senior class of 1930 and it was she who turned in the money for a book donation.

Recent Bride Is Honored At Shower By Sunday School

Honoring Mrs. Winston Cosby, nee Miss Hattie McKinney, teachers of the Primary Department of the Baptist Sunday School entertained with a delightful Thanksgiving Tea in the Department room Monday afternoon at 4:30. Guests were the children of the department and their mothers. Following a program of songs and readings rendered by the children of the department, a miscellaneous shower of useful and beautiful gifts was presented to Mrs. Cosby. Refreshments consisting of hot chocolate and cookies were served.

The shower came as a surprise to Mrs. Cosby, who had merely been told that the party was for the mothers of the department. Mrs. Cosby, known to the department as Miss Hattie, has for more than two years been the pianist of the Primary Department and has won the love and esteem of each teacher and member. She recently became the bride of Mr. Winston Cosby in a quiet wedding at Sonora.

The Primary Department is one of the most active units of the Baptist Sunday School. Mrs. Lowell Littleton is the efficient superintendent. Teachers are Mrs. S. L. Butler, Miss Dollie Cooke and Mrs. J. T. Keeton.

Chris Doty Perner, infant son of Mr. and Mrs. Stephen Perner, is seriously ill here.

Art Exhibit Is Assembled Here
(Continued From Page 1)

Another popular painting is an autumn scene, "Rescue Grass in West Texas" by Mrs. Connor of Abilene, former art teacher at Southern Methodist University at Dallas. "Morning Mist," a scene in California caught at 5 o'clock in the morning by Miss A. M. Carpenter, head of the art department at Simmons University, Abilene, is another popular work in the group. "La Casa del Rio," another Western scene, portraying the harmony of Spanish architecture with western scenery, painted by Miss Nell Shaw of San Angelo, has attracted attention as has a Davis mountains scene done by Mrs. McIntosh of McMurray College at Abilene. A splendid Bluebonnet scene by Mrs. Emelita N. Masur of Brownwood and a typically West Texas scene, a header canyon with the peaks in the distance and showing a concrete dam across the header to impound flood waters, done by Mrs. Kendall of San Angelo, are other popular works in the group.

Among the paintings that attracted particular interest locally was one done by Mrs. Charles Williams of Ozona. It is called "The Old Spanish Trail," and catches a scene on the famous trail seven miles west of Ozona at a moment when the colors in the surrounding hills are particularly brilliant, a scene that has been witnessed by nearly every person in Ozona at one time or another on the road west of here. Mrs. Williams has had six years of study in art under well known teachers and has only recently resumed an expression of her talents. She plans to follow the work this summer on a trip to Colorado.
