Baccalaureate Services Sunday For 25 Graduates Of Ozona High School, Largest Class In History Of School

Baccalaureate services for the largest graduating class in the history of Ozona High School will be held next Sunday morning at the First Baptist Church, the Rev. L. N. Moody, minister of the Church of Christ, preaching the baccalaureate sermon.

Twenty-five members of the class of 1933 have been designated to receive the coveted sheepskins at the annual commencement exercises Thursday evening next week, May 25. Rev. B. O. Wood, pastor of the First Presbyterian Church of San Angelo, will deliver the commencement address on that occasion.

The program for the baccalaureate service Sunday morning at 10 o'clock, has been announced by Supt. John L. Bishop as follows:

Processional.
Hymn—"O, Worship the King"—Congregation.
Invocation—Rev. J. H. Meredith
Hymn—"The Heavens Resound"—Bethoven—Choir.
Scripture Reading.
Vocal Solo—"O, May I Walk With God"—Mrs. F. T. McIntire.
Sermon—"Pressing On"—Rev. L. N. Moody.
Hymn—"Unfold Ye Portals"—Choir.
Benediction—Rev. L. N. Moody.
Recessional.

Following is a list of graduates of the Ozona High School, Class of 1933, as announced by Supt. Bishop:

Billie Baggett, Edna Billings, Margaret Butler, Joe Chandler, Lee Friend, Lee Graves, Frances Green, Paul M. Hallcomb, Joe Billings, Keeton, John Kirkpatrick, Morris Miller, Carolyn Montgomery, Eugene Montgomery, Buddy Moore, Joe Rape, Totsy Robison, Ellen Schauer, Tommy Smith, Eva Sorrells, Jettie Rae Sellers, Dorothy Thurman, Ernest Van Landt, Ben Williams, Charles Williams and Hubert Westfall.

Texon Takes Two Games Here Sun.

Ragged Playing Features Twin Bill; Abilene Next

The Texon Oilers stepped into disputed leadership of the West Texas Independent League Sunday by downing the Ozona Giants in a row in a double header on the local lot Sunday afternoon. The visitors shut out the locals 11 to 0 in the first encounter and trounced them 6 to 3 in the second.

Except for a brilliant beginning in the first inning, when the first two batters got on base only to be there, the Giants were hopelessly outclassed in the first game. In the second, however, ragged fielding and indifferent batting accounted for the locals' defeat. The first game was not without errors on the part of the Giants as the miscues in the second game counted for more toward a rally which gave promise of a Giant victory.

A cold drizzling rain fell throughout most of the afternoon, accounting for many of the errors on the part of players on both teams.

The Giants go to Abilene next Sunday for their first game with the Joe Simms' Oilers of the Taylor county capital.

The box scores in Sunday's games follow:

FIRST GAME	
ABRHP	OAEE
Housewright 3b	6 2 2 0 2 0
Miller ss	4 2 2 0 1 0
Hardner 1b	4 1 1 1 0 0
McMillan rf	4 1 3 3 0 0
Reddy 2b	5 0 0 2 2 0
Went et	5 0 3 2 0 0
Went c	4 0 0 9 1 0
Went lf	4 2 0 0 0 0
Went p	5 3 2 0 4 0

Miss Lois D. Adams And Douglas Kirby Wed In Carlsbad, NM

Miss Lois D. Adams and Douglas Kirby surprised their many Ozona friends Tuesday when they slipped away to Carlsbad, N. M. where they were married. They were accompanied on the trip to Carlsbad by Mr. and Mrs. Phillip Childress, who returned after the ceremony.

Mrs. Kirby is the daughter of Mr. and Mrs. L. B. Adams. Mr. Kirby is a son of Mr. and Mrs. J. C. Kirby of this city. He has recently been associated with Bruce Drake in the commission business here. The young couple will make their home here after their return from a honeymoon trip.

Missionary Society Brings "Tess Of The Storm Country" Film

With the coming of "Tess of the Storm Country" to the Ozona Theater next Monday and Tuesday, May 22 and 23, the army of Gaynor-Farrell fans will see their favorites in what is said to be the most exciting and dramatic offering they have yet made and a picture very different from any of their previous vehicles.

The story deals with the hectic adventures of a sea-captain's daughter who comes to live ashore for the first time in her life.

With its opening sequences aboard the Captain's schooner and the picturesque settings of the shore scenes, the production adds a scenic realism to its swift-moving story. Miss Gaynor's work as the fiery and independent fisher-girl and Farrell's performance as the carefree youngster, who encounters love for the first time are reported to rank among the stars' finest portrayals.

The picture is being sponsored by the Woman's Missionary Society of the Methodist Church. Regular admission prices will prevail.

Large Crowd Enjoys Program Observing National Music Week

National Music Week was fittingly observed here last week with a varied program in the High School auditorium which was enjoyed by a large crowd. The program was sponsored by the Ozona Music Club and all musical organizations of the city had parts in the program.

The Toy Symphony Band, composed of pupils of the first grade and directed by Miss Elizabeth Fussell, with Miss Patti Raiza as pianist, entertained for the first number, followed by a "Radio Program" by the Juvenile Music Club. A group of Scotch songs by twelve pupils of the seventh grade and a cowboy number, "Around the Camp Fire" by the Junior Music Club were also enjoyed. Miss Tommy Smith presented a musical reading, "Laugh, Clown, Laugh," and Miss Aleen Hampton contributed a piano number, "To a Toy Soldier" by Warner.

A vocal solo by Mrs. F. T. McIntire, "The Old Refrain," a Kreisler composition, was enjoyed by the audience as was a reading by Miss Carolyn Montgomery entitled "Life's Petty Worries." A piano duet, "If I Were a King," by Mrs. W. N. Hannah and Miss Lola Taylor was followed by the closing number, a chorus, "Bally Ma Cloe" by the Ozona Music Club, with Miss Patti Raiza director and Mrs. Alvin Harrell, pianist.

RECITAL

Mrs. Neal Hannah will present her pupils in recital at the High School Auditorium today evening at 8:15 p. m. Everybody is cordially invited to attend.

Destruction in Brownwood Twister That Killed Three

Here is one of a number of farm houses near Brownwood, Texas, that were blown from their foundations by a tornado that recalled the Zephyr disaster in this vicinity several years ago. Three people lost their lives in the recent storm, and a number of others were injured. Damage was extensive in the city of Brownwood, also.

Wool Firm Holds Sealed Bid Sale

Texas Wool & Mohair Co. Offers 1,500,000 Lbs. May 26

The Texas Wool and Mohair Company of San Angelo will hold a sealed bid sale of wool at its warehouse in San Angelo on Friday, May 26, it was announced here yesterday by Victor Pierce, president. The firm will offer about 1,500,000 pounds of 12-months "free" wool, and about 100,000 pounds of 8-months wool to the highest bidder. Many Crockett County clips are included in the pool to be offered on that date.

West Texas wool sales continued the past week at the peak price of 25 cents, a sale of 200,000 pounds at Del Rio being reported early in the week at 25 cents. Montana wool, which usually sells under Texas wool, was sold Wednesday at 25 cents, which raises hopes in this area that the prevailing market price will reach even higher levels than at present.

Bountiful rains the past week over much of the stock raising area of West Texas further assured the advent of another prosperous era in the sheep raising section. Crockett County has so far missed the scattered rains but moisture in the next few weeks will prevent suffering of livestock on the range.

Juniors Banquet '33 Senior Class

Annual Junior - Senior Affair Takes Place At Hotel Ozona

A new publication, "The Commencement Journal" made its appearance at the annual Junior-Senior banquet given at the Hotel Ozona Friday evening by members of the Junior Class in honor of the Seniors. The "Journal," published by the Juniors, served as a program of events for the evening, various signed "stories" appearing in the publication being read by designated members of the Junior Class.

The banquet hall was decorated in the class colors of red and white, red roses, the class flower, were placed in bowls and baskets and used as plate favors.

The program was a take-off on "The Autocrat of the Banquet Table," with S. W. Westfall, Junior Class president, as the autocrat. The Class Statistics was read by Billie Childress, the Class will be by B. B. Ingham, the Class Poem by Dorothy Johnigan, and the Class Prophecy by Jane Smith. The class prophecy was in the form of local news items, or personal mentions, five years hence.

Mrs. M. D. Crowder of San Angelo and Miss Dorothy Miller of here left yesterday after a four-days visit with their parents, Mr. and Mrs. Will Miller.

Man Injured, Auto Wrecked In Crash Here Wed. Morning

A tourist from California driving east was slightly injured and a Ford coupe in which he was riding was badly damaged Wednesday morning in a collision with a caliche truck on Highway 27 at the Model Laundry corner. The tourist, who was driving alone in the car, was thrown through the top as his car was turned over. He was knocked unconscious for a few minutes, but was soon revived, and an examination showed a fractured rib and minor cuts and bruises.

The car was traveling east on the highway and the truck was headed north on the cross street. The Ford was struck broadside and overturned. Neither car was traveling fast and the accident was described as unavoidable.

Mothers Entertain Freshman Class On Baggett Ranch

The members of the Freshman Class and the high school faculty were entertained with a picnic at the Will Baggett ranch, Wednesday afternoon by the mothers of the pupils.

Mr. C. S. Denham and the Class sponsor, Miss Ludee Mae Harrison, directed the games. A yellow tag contest was sponsored by the Ozona Drug Store and the Smith Drug Store. Tags were hidden in trees and shrubs. The boy and girl finding the most tags were awarded prizes from each drug store. The girl winning the prize was Imogene Baker, D. A. Parker won the prize for the boys.

At six o'clock the hostesses served iced lemonade, buns, roasted weiners, pickles, potato salad and muffins. Each guest toasted his own weiners over the bon fire.

Hostesses sponsoring this enjoyable affair were: Mesdames John Henderson, Charlie Williams, Bryan McDonald, W. S. Willis, J. H. Whately, Roy Parker. Other guests present were Adelia Willis and Mrs. C. S. Denham.

MRS. SMITH ENTERTAINS HONORING SENIOR CLASS

Mrs. Tom Smith entertained about fifty guests at her home here Wednesday evening in honor of members of the 1933 graduating class of Ozona High School.

The guests enjoyed a picnic supper consisting of barbecued chicken, ham, peas, salad, potato chips, bread, cake and iced tea.

Following the supper, guests enjoyed a dance given at the fair grounds platform, a negro orchestra furnishing music. Horns tied in class colors of red and white, were given as favors.

BROTHER DIES

Miss Mary E. Webb, teacher in the local schools, was called to Ballinger Monday upon the death of her brother there. Mr. and Mrs. John L. Bishop and Miss Aleen Hampton took Miss Webb to Ballinger Monday. Funeral services for the brother were held Wednesday afternoon.

Brother Of Judge Davidson Is Dead

R. P. Davidson Dies At Home In Winfield, Iowa Monday

R. P. Davidson, brother of Judge Charles E. Davidson of Ozona, died at his home in Winfield, Iowa, sometime Monday, according to a telegram received here by members of the Davidson family. Judge and Mrs. Davidson left Friday for Winfield upon receipt of a telegram advising them of the brother's critical condition. They arrived there Sunday.

Funeral services were to have been held Tuesday. Mr. Davidson had been in failing health for several months. He suffered a stroke of paralysis several months ago and has been bedridden since. His condition grew gradually worse until his death this week. Surviving besides Judge Davidson is one sister, Mrs. Calvin Darnell of Carlisle, Ky.

Radio Orchestra For Rodeo Dances

Ted Price And His 10 Piece Orchestra To Play Three Nights

Ted Price and his ten-piece orchestra, who broadcast regularly over radio station KPRC at Houston, have been secured to furnish the music for the dances each evening at the fair grounds platform during the seventh annual Crockett County Rodeo, Race Meet and Stock Show to be held here July 3, 4 and 5, it was announced this week by Joe Oberkamp, music chairman.

Mr. Price and his orchestra have been playing for a series of dances in the oil field section recently and on their way through here, contracts were signed for their appearance for the dances during the rodeo. Listen to them on KPRC and then hear them here during the celebration.

CELEBRATES THIRTEENTH BIRTHDAY WITH DANCE

Max Schneemann, Jr., celebrated his thirteenth birthday last night with a dance at his home here. Those enjoying the evening were James Childress, Martin Harvick, Joe Thomas Davidson, Ele Bright Baggett, Billy Hardberger, John Childress, John Henderson, Jack Williams, Dudley Ingham, Wanda LaVerne Dunlap, Clara Mae Dunlap, Athleen Dudley, Dorothy Fay Drake, Margaret Ella Drake, Imogene Baker, Florene Adams, Mary Williams, Lillian Baggett, Ruth Aimonetto, Maggie Seahorn and Catherine Childress.

Mrs. N. W. Graham and Mrs. Hugh Childress, Jr., are at the bedside of Mrs. Graham's mother who is critically ill at her home near Van Court.

Seventh Graders Graduate Friday

Exercises To Be Held In Auditorium Friday Evening

Commencement exercises for pupils of the seventh grade will be held Friday evening, May 19, in the High School auditorium at 8:30 o'clock, it was announced yesterday by Supt. John L. Bishop. Following is the program for the graduation exercises:

Processional.

Casbeer, A Tramp—Max Schneemann, Mrs. Hepsy Perkins—Ella Louise Casbeer, Lottie Worth—Louise Boyd, Commencement Song—Class, "When"—Allie Mae Armentrout, Resolutions of Sympathy—Dick Menger, Class Inventory—Joe Thomas Davidson, Valedictory—Mary Williams, Presentation of Diplomas, Presentation of Citizenship Medals—Rev. J. H. Meredith, Benediction—Rev. L. N. Moody, Recessional.

Seniors Honored At Seahorn Ranch

Rodeo, Swim, Supper & Dance Provide Full Entertainment

A rodeo, swim, barbecue supper and dance was the program of entertainment for a large number of friends of Mr. and Mrs. Pon Seahorn last Saturday afternoon and evening at the Seahorn ranch, the affair being given in honor of the 1933 graduating class of Ozona High School.

The rodeo got under way about 10 o'clock with goat roping, goat milking and shearing the order of events. Joe Chandler took first honors in the goat roping contest, snagging the kid and waving him tied in 10 seconds flat. Joe Friend was second with 17 and Coach Ted White third with 20. In the wild goat milking contest Joe Chandler and Ted White won first place with a time of 12½ seconds. S. W. Westfall and B. B. Ingham were second with 20 and Jake Miller and Tommy Smith and R. J. Everett and Morris Miller tied for third place with 23.

In the goat roping and shearing contest, S. W. Westfall and B. B. Ingham brought in the tuft of hair in 15 seconds to win first place. Jake Miller and Ray Boyd were second in 24 seconds, and Lee Dudley and Joe Friend were third with a time of 29.

After the rodeo, the guests enjoyed a swim which was followed by a barbecue supper, served buffet style. A dance followed the supper. Red and blue bandanna handkerchiefs were given as favors.

THURSDAY, MAY 18, 1933.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principle of democratic government.

THE MARK-DOWN OF MORALITY

Are we to condone, and even officially encourage, the breaking of promises? The essence of business and political and professional morality is in the kept word. When a nation blantly declines to pay its obligations to another nation; when a government suggests to the citizen that he can repudiate without losing his good name, at that moment moral fibers become flabby, guide posts vanish and national disintegration sets in. No course could be too drastic which would preserve for this nation its time-honored conception of reliability and dependability, of the sacredness of the promised word.

Good government is the product of a well informed citizenship.

Newspapers are contributing daily to the stimulation of thought and the upbuilding of human knowledge.

All the world loves a lover until he complicates the telephone problem.

He who keeps his business credit will prosper.

SCANDALS

By THE TOWN GOSSIP

And now we have the "Free Entertainers" in town. We have been down every night so far and have certainly enjoyed the high class entertainment. Had to go at seven o'clock last night in order to get a good place to park our car. What we like about it most is that it hasn't cost us a cent—not a penny. The citizens of South Ozona are to be commended for their enterprise in paying the entertainers a bonus to set up their tent in that end of town rather than have them make location over on the west side.

For Sale—All kinds of medicines, cosmetics, anything you can find in a drug store—guaranteed to cure any sort of ailment from a sore toe to the depression—at an unheard of price. Have on hand about \$100.00 worth which I will sell for \$1.98 cash. First come, first served. Address, T. G. care of the Ozona Stockman, Ozona, Texas.

Sheriff Willis arrested a man Monday morning and hauled him up in Judge McDonald's court. "Why, that man seems to be under the influence of a strong drug," said the judge. "Gosh, he ought to," replied Willis. "I drug him four blocks."

The Texon Oilers played a game of baseball here last Sunday.

The Ozona Giants—No, I guess we hadn't better talk about them.

T. G. received this little communication through the mail yesterday, and as it might be of interest to all, will answer it thru the well known column. Geo. Russell, our popular and efficient county clerk wants to know how much fish he should eat a day for the improvement of his mind. T. G. suggests that it will be sufficient if George should take a whale on toast for breakfast every morning.

Patronizing bus lines isn't fare on the railroads.

"So you're no longer a struggling stenographer?" "No, as soon as I stopped struggling, I didn't have to be a stenographer."

A tramp sign painter who jinnayed through Tonkawa, (Oklahoma) won the admiration of the editor of the News by just one little idea he had painted on the side of his car. It read: "If it doesn't pay to advertise your business, then advertise it for sale."

An intelligent person does, not know all—he knows where he must look to be enlightened on the particular subject.

STRESS SPURS GOVERNMENT INTEREST

If the economic stress from which this country is emerging did nothing more than cultivate in the average citizen a greater interest in governmental affairs, it has served its purpose well. For today, four out of five average newspaper readers will be found scanning the columns pertaining to legislation local, state or national. The great bulk of average American citizens had drifted into an apathetic mental state regarding their government; they had become contented to allow "party organization" to do their thinking. The tumult into which the nation was thrown has awakened them to their remissness, and, while it may take several years to unwind the tentacles which such a system has thrown about the activities and lives of these average citizens, their consciousness of government, newly awakened, and their realization of the questionable purposes of those who will seek public office in the future.—Chronicle, Weston, Mo.

Superior Ambulance Service Phone 4444 Day or Night San Angelo, Texas

ODD — BUT TRUE

BECAUSE OF THE DESIRE TO STAY THIN, UNBALANCED DIETS AND WEARING INSUFFICIENT CLOTHING, TUBERCULOSIS IS FOUND MORE AMONG GIRLS THAN BOYS

94% OF THE WORLD'S POPULATION LIVE IN THE NORTHERN HEMISPHERE

THE AVERAGE AMERICAN EATS EIGHT TIMES AS MUCH AS THE AVERAGE JAPANESE

THAT'S ME

I'm the ham that can't tell a story, and story-telling is my pastime. I hear a good joke and try to tell it again. How I slaughter it. I can take the funniest story in the world and mess it up till you want to cry. I start off by telling the point of the story, and after rambling for thirty minutes I say, "see the point?" Of course you don't, but usually all the crowd has gone by that time.

There is always success for the merchant who meets the situation, revises his plans to meet conditions, who offers honest values at fair prices and who uses newspaper space to tell his patrons about his store and his merchandise.—Express, Red Oak, Iowa.

Some men are successful chiefly because they didn't have the advantages others had.

"Quite often, failure is the result of the wrong objective."—Bramworts.

The man who keeps hammering away has mighty little time to be a knocker.

WOMEN: watch your BOWELS

What should women do to keep their bowels moving freely? A doctor should know the answer. That's why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles. It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other healthful ingredients. When you've a sick headache, can't eat, are bilious or constipated, and at the times when you are apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles, and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!)

Dr. W. B. CALDWELL'S SYRUP PEPSIN A Doctor's Family Laxative

WORLD FAIR MINUS

The Nation's second city finds itself in a peculiar situation. The city which first brought the phrase "on the spot" into the active vocabulary of almost every person in the United States now discovers that the worm has turned. Chicago is, without a doubt, on the spot.

When the windy City was selected as host to 1933 World's Fair visitors, an immediate action was instituted in order to effect a general clean-up of the undesirable conditions. Capone and some other public enemies were finally "squashed," with the able assistance of Uncle Sam. Racketeering, although not eradicated, was reduced to a promising extent. Every possible action was made in an effort to prepare Chicago for its visitors. Mayor Cermak and his associates seemed well along the road to wiping out gangdom. Anton Cermak's untimely death was a terrible blow to Chicago and the World's Fair. Whether a civil engineer can step in and carry on the effective treasures begun by Cermak remains to be seen. Probably the biggest "black

eye" that Chicago must "heal" at this time is the payment of some \$28,000,000 in unpaid salaries to public school teachers. That the teachers have stuck with their jobs until recently without an uprising is indeed a credit to them. Perhaps if a few thousand taxpayers in Chicago were of the same public spirit that city would be able to meet some of the public salaries.

It is a big and vital problem that Chicago must meet. No doubt federal assistance will be forthcoming in larger quantities than in the past. Such financial aid will be necessary to assure the success of the Fair, which is as much a national undertaking as it is a municipal project.

OK Chicago. We're pulling for you.

Men must expect to work and sacrifice for their work if they are to accumulate enough of this world's goods to live with any degree of comfort.

An optimist is one who sees opportunity in difficulties; a pessimist is one who sees difficulties in opportunities.

Hints for the Household

By Betty Webster
HOUSEHOLD HINTS
 Housecleaning Suggestions

Are you tired of your house? Does it look old and dingy to you? If so, you can easily change it. Organize your housecleaning. Plan each day's work, figuring only as much as you can finish in one day. In this way, your whole house will not be upset at one time. Cover up the scratches on wood work with paint to match. Clean the wall paper. Then to give the final touch of newness, change the arrangement of furniture wherever possible.

COOKING HINTS
Fresh Strawberry Frosting
 Mash fresh strawberries thru a colander to a thick smooth paste. Add enough confectioners' sugar to make frosting thick enough to spread.

Cheese Turnovers
 (Dandy for Parties)
 Slice bread very thin. Cut off crusts. Spread with butter and then cheese. Roll up and fasten together with tooth picks. Just before serving, toast carefully. Serve while hot.

Quick Apple Sauce
 Wash apples. Cut up with skins

Juice of 1 lemon.
Method: Butter a baking dish. Alternate layers of buttered bread and sliced bananas. Sprinkle bananas with lemon juice. Beat eggs well. Add sugar and milk. Pour over bananas and bread. Bake slowly 1 hour. Tart jelly may be substituted for lemon juice. Serve cold.

Cheese Biscuits
 2 cups of flour.
 Salt.
 3/4 cup of milk.
 4 teaspoons of baking powder.
 1 tablespoon of fat.
 1/2 cup of grated cheese.
Method: Sift dry ingredients. Rub in fat. Add milk and grated cheese. Shape and place on buttered tin and bake in a hot oven.

To Prevent Cake Sticking To Pan
 Often when one greases a cake pan with butter the cake unfortunately sticks. This can be avoided and butter still be used with which to grease pan.
Method:
 Melt the butter first. Set to cool. The salt and water will separate and the fat will rise to the top. Use the top fat to grease your pans.

To Clean Dark Floors
 Add 2 tablespoons of kerosene to soapy water. This will clean boards and destroy any kind of insects that might be in the cracks.

To Remove Tar from Rugs
 Place rug in the sunshine near heat if possible. When tar softens remove with a knife. After this rub spot with gasoline.

BAKING HINTS
Date Kisses
 2 egg white beaten stiff.
 1 cup of walnut meats (chopped).
 1 cup of confectioners sugar.
 1 cup of chopped dates.
 Mix well. Drop from spoon and bake until light brown. Butter pans lightly as kisses burn easily.

Banana Pudding
 1/2 small loaf of bread.
 1 1/2 tablespoons of butter.
 4 bananas.
 2 eggs.
 2 1/2 cups of milk.
 1/2 cup of sugar.

May 9, 1935

A great thing has occurred amongst us. We have made a complete turn-around, and at last America's face is toward the future. Three years---1929 to 1932---we Americans looked backward. All our old financial and political machinery was geared to pull us out of the depression by the same door through which we entered. We thought it simply a case of going back the way we came. It failed. We now realize that the way out is forward---through it. Thanks for that belongs to President Roosevelt. Inauguration Day he turned the Ship of State around. Having observed the failure of sincere efforts to haul us back the way we came, he designed a new method---new political and financial machinery---to pull us out the way we are going---forward. He is clearing international obstacles out of the way; he does not stand in awe of tariffs. The people begin to feel that he does not take advice from the "interests"; that he has courage and loyalty to work for one supreme interest only---the welfare of the American people. That is a big achievement for two months in office. And now we all look to what is coming; we grow less and less concerned with what is behind. We are looking for a hand-hold on the haul rope. Every man wants to do what he can, and all he can. The best thing I can do for the Country is to create industry by building good motor cars. If I knew anything better to do, I would do it. Industry must be my contribution. Motor cars must face ahead to the future, like everything else. They are so much a part of the Nation's daily life that if they lag behind they hold the Country back.

The WAY of LIFE

BY BRUCE BARTON

ALWAYS—SOMETHING HAPPENS

A man whose son graduated from college last spring was asking what I thought about a post graduate course in the Harvard Business School.

"I don't assume any school can teach a boy how to succeed," he said. "What I want is to have my son learn something about the history of business."

He proceeded to illustrate from his own experience. Until 1904 he was a newspaper reporter, but that year he took a job with the manufacturing concern of which he is now the head.

In 1907, when he was just beginning to get under way, along came a panic.

"We cleared away the wreckage and started again," he said, "but in 1910 there was a strike which tied up our plants, destroyed part of our property and disrupted our trade."

"Suddenly the war, and the slump was transformed into a boom! But don't imagine the boom was any picnic. To be sure, the orders rolled in from every side, but prices of raw material skyrocketed, our capital was limited, and I wore out my shoes and got grey headed borrowing money from one bank to pay back another."

"Then the war ended, and we took an awful beating in our inventory. Then the 1920-22 depression. Then another boom."

"And now this."

"It would be advantageous to my boy, I believe, if he were familiar with this sequence of events, if he knew the ups and downs not only of modern business but of business through the ages. Maybe he would come into life without the illusion which has handicapped so many of us—that there is any such thing as 'normal' in the sense of permanently settled conditions and uninterrupted progress."

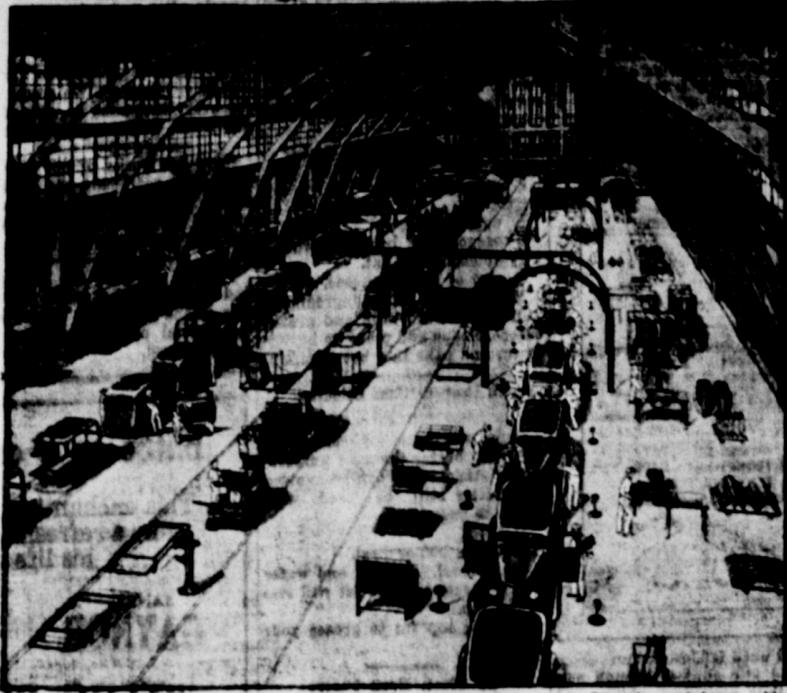

I thought these were very wise remarks.

As far back as I can remember I have been hoping and planning for a time when I should be "comfortably fixed." At first I thought if I could ever accumulate \$20,000 in good safe bonds I'd have an income of \$1,000 a year and then I could look out with philosophic calm upon the foibles of the world.

The only progress I have made during the past three years has been in health. I try to ride horse-back more, swim more, play more golf, and keep generally tough and supple. I'm quite sure that as long as I live I shall have to keep hustling—that just about the time I get everything nicely fixed something will happen.

Cars Being Built at World's Fair

Millions of people will have their first opportunity to see an automobile being built, when they visit this mammoth room where the Chevrolet Motor Company will assemble "Master Six" coaches and coupes in the special General Motors Building at "A Century of Progress" exposition. On the left, Fisher bodies are being fabricated on a "J" shaped line and on the right, Chevrolets are being assembled from the bare frame to the completed car, ready to be driven out of the building under their own power. Note, in the center of the photograph, the body being swung from the end of the Fisher line over to its place on a Chevrolet chassis. Visitors may purchase cars built here and drive them home.

Trying To Scare Somebody, Is This Oily Abilene Crew

ABILENE, May 17—With the Texon Oilers continuing to set the pace after drubbing Ozona in a double-header last Sunday, the West Texas League teams will swing into action again Saturday with Snipe Canley's nine invading Goleman for a two game series Saturday and Sunday and the Ozona Giants, billed against Mose Simms' Abilene petroleum aggregation Sunday.

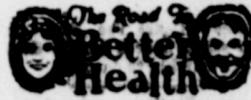

The league leading oil field battalion is expected to take both ends of the series against Jack Holloways Cotton-pickers while Simms is hoping to stay close on Texon's heels with two wins Sunday.

Manager Simms is preparing Oilers thoroughly for the twin bill. The locals are booked up for the week with five warm-up games scheduled. Having been rained out at San Angelo Sunday put Texon two games ahead of them, the Abilene club is praying for a Texon upset.

Lefty Hanna is expected to start the first game Sunday for the locals, and T. J. Bailey will probably be on the mound in the second encounter. Hanna was in poor form at Texon, but he is expected to be in the best of shape by Sunday.

TETANUS

The farmer is cleaning things up and getting ready for the spring planting. The amateur gardener is doing likewise. And both are dealing with an enemy far more deadly than frost or rust. This foe is the germ of Tetanus, commonly known as "Lockjaw."

While the bacillus that causes tetanus is found everywhere, it abounds in garden-soil, manure, rubbish and dust.

Inasmuch as the bacillus of tetanus grows only in situations where there is little or no oxygen (air) it is generally puncture wounds, whose opening is small and for the most part closed, that are most dangerous. For this reason every such wound should be immediately laid open by a free incision and thoroughly cauterized. Carelessness in this regard may be fatal. Many a man who has died of lockjaw might have been saved had he used this simple precaution.

Safest Procedure
A prophylactic injection of an-

tetanic serum should be the next step. This procedure has long passed its experimental stage and stands today a measure of proven worth and merit of the first magnitude. The serum is of no value after serious symptoms have developed, and the only hope then lies in the use of large doses of tetanus antitoxin.

Tetanus does not begin to show itself until about ten days after the date of injury. The first sign is a tired feeling and headache. A day or so later the patient complains of a stiffness and tension in the back of the neck and the muscles of mastication. In a short time spasm of these muscles takes place and locks the jaws, while the contraction of the neck muscles draws the head backward. The face is immobile, the forehead wrinkled, and the corners of the mouth drawn back, causing a perpetual grinning expression.

Following this the muscles of the trunk and limbs become contracted. The entire body is now absolutely rigid. From time to time the patient has convulsions that cause the most agonizing suffering; the face is purple and there is danger of asphyxia, while a profuse sweat covers the surface. Through it all the mind remains clear.

Fortunately, the disease is of comparatively short duration.

Death, which is almost certain in every case, results from exhaustion, failure of the heart, or strangulation.

MY HOME AND YOURS

By BERTHA EDSON LAY

If you wish to use the empty flour sacks and any number of housekeepers do, for household uses, and do not want the colored letters left on, wet the bag with kerosene, roll up snugly and put aside over night. In the morning wash with hot suds and dry in the sunshine.

If your kitchen is not very light and you cannot put in more windows, try making it light with color. Buff, that soft warm yellow, works wonders. Make the walls buff, the ceiling a lighter tone, use buff and blue on the floor if linoleum is the selection; if not, paint the floor with a matching yellow floor paint. Put the thinnest of yellow curtains at the windows, being sure that the curtains do not extend over the windows, but frame them instead.

The amount of sunshine which can be lured into the room in this way is quite unbelievable.

Try polishing mirrors, windows and picture glass with a homemade polishing bag. Purchase whitening and fill small muslin bags with it. Dampen the bag, and rub over the glass. Polish with crumpled newspaper.

If you find it very tedious scraping carrots before cooking, try washing and boiling for ten minutes. Take from the water, dip in

cold water and remove the skin, return to the fire and finish cooking.

Mr. and Mrs. A. W. Jones spent Sunday and Monday in San Angelo visiting relatives and friends.

Mrs. E. B. Baggett, Jr., and Mrs. Massie West were in San Angelo Saturday.

Thousand Expected For State Conclave Of Lions At Lubbock

LUBBOCK, May 17.—With a steady flood of reservations coming in daily from all parts of Texas, attendance estimates for the annual convention of the Lions Clubs of Texas, which is to be held here May 21, 22 and 23, is placed well over the thousand mark. State officials expect the convention here to set a new attendance record.

With 246 clubs in Texas, total Lions membership of 7,000 almost guarantees over 1,000 delegates to the state convention here, Ben Condray, president of the Lubbock club, said today.

Chas. H. Hatton, Wichita, Kans. president of Lions International; Julian C. Hyer, Fort Worth, immediate past president, and other prominent Lions of the five countries affiliated with Lions International, the United States, Canada, China, Cuba and Mexico, will be here for the convention.

Under the direction of C. B. "Brownie" Akers, chairman of the entertainment committee, an array of local functions including a big chuck wagon barbecue, banquets, breakfasts, dances, golf, and other entertainment has been arranged. A post convention trip to the famous Carlsbad Caverns in New Mexico has been planned.

Reports and discussion of underprivileged child work for the past year and discussion of a program for the next year will be prominent in the convention business session. Election of officers and selection of the next meeting place comes the last day of the convention, May 23.

Hugh Childress, Jr., president of Ozona Lions Club, will attend the State Convention in Lubbock as a delegate from Ozona club.

The boarding house mistress glanced grimly down the table as she announced: "We have a delicious rabbit pie for dinner."

The boarders nodded resignedly—all that is, but one. He glanced nervously downward, shifting his feet. One foot struck something soft, something that said, "Meow!" Up came his head, a relieved smile crossed his face as he gasped. "Thank goodness."

Science Finds Oil?

Here's what Texas editors may expect June 8, 9 and 10 when they sweep down to Houston for the annual convention of the Texas Press association. The picture is lovely. Doris Becker, torch singer with Herman Waldman and his band, who will play on the roof of the Rice hotel headquarters, during the convention.

Customer: "Why don't you advertise?"

Storekeeper: "No sircie. I did that once and it pretty near ruined me."

500 Children Die In Texas Annually From Diphtheria

Austin, Texas, May 17.—Texas loses more than five hundred of its children each year from just one preventable cause, according to Dr. John W. Brown, State Health Officer. Diphtheria, that ever present menace to children, is responsible for this great loss.

Dr. Brown said that all parents would not allow their children to run in front of trains and automobiles but many allow them to run the danger of contracting diphtheria. Children need not have this disease, as it is easily prevented by a simple, harmless treatment with toxoid.

If you have a child six months old or more, take him to your doctor and ask to have him immunized against diphtheria. Do not wait until your child goes to school, as babies and little children need this protection more than children who are going to school.

The treatment consists of two or three injections of toxoid, according to age, one week apart. Fewer do not protect. The doctor can tell if more are needed to protect the child by giving him the Schick test four to six months after the last treatment of toxoid. It takes that long for protection to develop.

There is no guess work about toxoid, it is a safe and proven preventative. Do not confuse toxoid with anti-toxin, the first prevents a child from catching diphtheria and the second, when used in treatment, cures a child sick with the disease, if given early enough. If your child is sick do not wait but call a doctor at once, as this disease develops rapidly.

As a farmer was passing the insane asylum, one of the guests poked his head over the fence and called out:

"Watcha get in the wagon, Mister?"

"Fertilizer," replied the farmer.

"Watcha gonna do with it?"

"Put it on my rhubarb."

"Migosh! I put sugar on mine and they call me crazy."

"That blindfold test isn't so hot. My brother died from it."

"How is that?"

"Well, the whole thing is, he was before a firing squad."

An Irishman who worked for the city came home one evening after a very hot summer's day and began to kick at his wife for not having his supper ready.

"What do yez mane by talkin' to me that way?" she said to him.

"Here I am all day slavin' me health an' strength away over the washtub on a hot day like this, and you down in your nice cool sewer."

Mr. and Mrs. N. W. Graham and Mrs. Hugh Childress, Jr., were in San Angelo Saturday.

Mr. and Mrs. Jim Miller were in San Angelo on business Saturday.

Mrs. Scott Peters entertained members of her bridge club Friday afternoon at her home.

Mr. and Mrs. L. B. Townsend were in San Angelo over the weekend.

"I don't know how to fill out this question."

"What is it?"

"It says: 'Who was your mother before she was married?' and I didn't have any mother before she was married."

Customer: "To what do you owe your extraordinary success to as house-to-house salesman?"

Salesman: "To the first five words I utter when a woman opens the door: 'Miss, is your mother in?'"

Pon Seahorn is reported seriously ill at his home here. Mr. Seahorn has been ill since Sunday.

Mrs. Will Miller and Miss Louise Crowder spent the weekend in San Angelo.

The Spur Club will stage a dance at the Hotel Ozona Thursday evening, May 25, it was announced this week.

You NEED Hot Water Many Times . . . for Many Purposes . . . Each Day

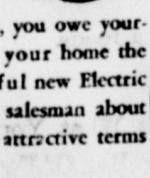

Why put up with an antiquated system of water heating? Why suffer all the dangers and discomforts of old-fashioned methods? A constant and adequate supply of hot water is an everyday necessity in your home—and you NEED a modern Electric Water Heater!

new "constant hot water service" plan—operating cost is ridiculously small . . . smaller than heretofore had been thought possible!

With all the important advantages it offers, you owe yourself, your family and your home the superiority of a beautiful new Electric Water Heater. Ask a salesman about present low prices and attractive terms . . . TODAY.

Hot water by electricity always has been the ideal method. It eliminates all the disadvantages of flame, noise, fumes, soot, smoke and odors. It is safe and healthful. It is dependable and efficient. And NOW—under our

ASK ABOUT . . . Our "Constant Hot Water Service" Plan. It Gives You a New and Surprisingly LOW COST!

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

They Say-- Man is ruled by his stomach

Surely—all must eat and drink, and since this all-important function cost money, it behooves us to watch the costs thereof.

Cost is important in everything.

But the first cost is often not the final cost.

We advertise, and sell practically nothing but the best.

What profit it a man if he saves on his grocery bill, yea even fifty dollars a year if in a few years he loseth his health.

Then verily do the Medicos extract hugely, until the patient crieth aloud, "I will eat spinach with my lamb chop and lettuce with my beans."

Many of you will soon be going to your ranches. You will begin ordering salt pork, beans, flour and lard—and little else if you continue as in the past.

May we in a spirit of friendliness remind you that your eating continues to be important. Take a good supply of canned vegetables—if you do not have a garden—buy the better grades of coffee—use dried fruits in plenty, don't take "just as good" at a cheaper immediate price and your summer will be happier.

Selected as Site of Observatory

This is Mount Locke, in the Davis Mountains of West Texas, which has been selected as the site of the McDonald Observatory, a new department of the University of Texas. It is on the land of the famous U. P. and Down Ranch, and was donated for observatory purposes by the heirs of the G. S. Locke estate. The state highway department will build a road to its summit after observatory construction begins.

Two Killed in Airplane Crash

Wreck of Monoplane, which crashed in a nose dive in the yard of Evon Brunnic, keeper of the Eastland airport, Sunday afternoon. J. W. Penn, 31, of Cisco, owner and pilot, and Bill Hussey, 21, of Cisco, occupants of the plane, were instantly killed, their bodies being badly mangled.

World Production Of Wool Continues Large; Sheep Decline

Another large world wool clip is expected this year, but evidence of the beginning of a decline in the number of sheep in the United States, Union of South Africa, New Zealand, and Uruguay, suggests a somewhat reduced output in the future, says the Bureau of Agricultural Economics in a report on the wool situation. The output for 1933-34 marks the fifth consecutive season of large world wool clips, but the wool in recent years has been fairly absorbed, says the bureau. Stocks on April 1, 1933 in exporting countries are reported as smaller than on the same date last year; stocks in European consuming countries were only moderately larger than on April 1, 1932 despite a heavy import movement in the winter of 1932-33.

Stocks of old clip domestic wool in the United States are small, and imports "very light," says the bureau.

Japan has reported increased stocks as a result of continued heavy buying in Australia, but consumption of wool in Japan is reported at a high rate. Sustained Japanese buying of raw wool has been a feature of the last few seasons, says the bureau. Consumption in Europe improved somewhat in the last half of 1932, but has lost ground thus far in 1933, it is stated; consumption in the United States reached record low levels in the first half of 1932 improved in the latter half of the year, but declined again in the first quarter of 1933.

World wool production outside of Russia and China has exceeded 3,200,000,000 pounds annually since 1928. The upward trend in the number of sheep in important producing countries for seven or eight years apparently reached its

Special Train To Run From Angelo To World's Fair

Tourist Pullmans have been added to the Century of Progress special on the Santa Fe, leaving San Angelo June 7, provided as many as 200 or more sign to go. This information was received from Viveon Polk, traveling passenger agent, and Ray Forbes, division freight and passenger agent. First announcement included chair cars only, but the demand for sleeping accommodations brought this addition to the comfort of passengers.

The ticket rate is \$23.60 for the roundtrip from San Angelo to Chicago and return for the chair car. Only one night will be spent on the road. Pullman service may be had for \$7.88 for a lower and \$6.30 for upper berths from San Angelo to Chicago. Two may occupy a berth for the price of one. Nothing but first class chair cars will be used for those not wishing to use the tourist cars, and those going should notify the agent so he will be able to have enough equipment on the train, and it will not be crowded. Inquiry has shown much interest in the proposed train, and enough have signified their intention of using the train to warrant continued arrangements. The Board of City Development, helping sponsor the special, is anxious that San Angelo and West Texas make a good showing. It is being advertised along the Santa Fe as a San Angelo and West Texas special.

Those going should signify their intent at once as it will enable Forbes to make whatever reservations desired, including hotels in Chicago.

Mr. and Mrs. Cam Longley left early this week for West Point where they will attend graduation exercises of the 1933 class from the national military training school. Their son, Cam Longley, Jr., will be graduated from the aviation school of West Point this spring.

peak in 1931; now "a definite turn downward" is noted by the bureau.

Mr. and Mrs. John Curry are the parents of a daughter, born Wednesday. The young lady has been named Barbara Curry.
